AT OLD TREE: Mrs. William Babcock of 27 New Providence rd., Mountainside, points out to her husband an old tree on their property which needs attention. The Babcocks' home, which is shown side-view, was built in 1740. It is

located on the tract of land which the planning consultants have recommended should be rezoned to allow the construction of high-rise apartments.

740 House On Tower Tract Not For Sale, Owner Pledges

By RITA ZEISS
At least one rugged individual is ready to stand on his half-acre tract of land — a half-acre that during the summer is sweet with the smell of hundreds of old fashioned herbs — should Mountainside's Planning Board decide to incorporate in the borough's master plan —

the recommendations for high rise apartments submitted by the planning consultants. William Babcock of 27 New Providence rd. lives in a pre-Revolutionary house, the original farmhouse for the tract involved in the tower apartment recommendation. The herb garden is one he "savored" from plantings that had been on the property since Revolutionary days.

A native of Mountainside, Babcock has lived in the three-and-a-half story farmhouse since 1923 when his father purchased it. He, his wife, two of their five children and his mother still live in it.

Four generations of love it on, our married son bringing their children back here to be christened — we're not moving anywhere," he said stoutly.

The original structure, which was built on 1740 houses the Babcock's dining room and kitchen. The original rough-hewn beams are still there and the rooms are crowded with antiques that would set a collector drooling.

A small, old table where the Babcock eat breakfast folds into a tiny, compact unit. An old oil lamp, now electrified, hangs over a long, drop-leaf table which opens, harvest style, to seat 12. Old china, 18th century porphyry jars and countless other old treasures are on display in the room, hanging on the walls or sheltered in narrow, shielded, built-in cupboards.

The first addition to the old farmhouse, added in 1780, is now used for a den. In the den, Babcock has a rare collection of weapons. He has a gun display which includes firearms from Revolutionary days through World War I; some of the guns were owned by ancestors of the Babcock family, which came to this

1740 HOUSE

An alleged daylight house burglar faces action of Union County grand jury after reportedly being caught in the act on Monday in Mountainside, and two others are being held as material witnesses.

In the Union County jail, on charges of breaking and entering and of entering premises with the intent to steal is John F. Slusser, 22, of Maplewood.

Arraigned Monday morning before Magistrate Jacob Bauer for

knowledge of the program, the establishment of the specialty libraries would not eliminate local libraries.

Local libraries would continue to function as a community unit but in addition each library would serve as a "store-house" of reference and circulating books in one or more specialized subjects. Holders of local library cards could use those cards to obtain material in special areas in all libraries participating in the cooperative project. Mrs. Hoffarth reported that such a system is already operating in Bergen County and, she said, "very successful."

The Board approved the hiring of Dorothy Locke of Mountainside, a senior at Governor Livingston High School, as part-time assistant for six hours a week to shelf books.

Mrs. Hoffarth reported that 76 new library cards had been issued during September and that 51 new books were added to the shelves in that time. A daily average of 174 people used the library, her report showed.

The Board approved Mrs. Hoffarth's request for permis-

Wester At Home, Full Recovery Assured In Time

By RITA ZEISS
Councilman Henry Wester has

released last Friday from the Hospital of Saint Vincent where he had been confined since Aug. 25 when he collapsed at a meeting of the Mountainside Housing Council. His wife told the Freeholder that he had made steady progress and that the doctor has assured them he will have full recovery.

It is anticipated that Wester

will attend the Tuesday night

meeting of the Housing Council

in accordance with his

instructions.

He is expected to re-enter the campaign personally, probably by the end of this month. He hopes

to return to his job as an engineer with the Western Electric Co. Kearny, in early November.

The 45-year-old Councilman expects to re-enter the campaign personally, probably by

the end of this month. He hopes

to return to his job as an en-

gineer with the Western Electric Co.

Kearny, in early November.

Miss Frances Johnson of Cran-

ford, formerly state chairman of the Young Republicans, and

Larry Newcomb of Scotch Plains, who recently served as

state representative for the

"Scranton for President" move-

ment, are assisting Mr. Wester

in his campaign.

POOL REPORT

ECHO PROFILE - Robert Koser

Robert Koser, Mountainside superin-

tendent of public works and secretary to

the Board of Assessors, has held a series

of "glamour" engineering jobs, such as

design engineering for the Narrows

Bridge, now under construction, the

George Washington Bridge addition,

the Washington International Airport and the

New York Thruway.

He left this type of work to become

a municipal engineer because he sought

the personal fulfillment of a small com-

munity.

"I like people," he said in his office

at Borough Hall the other day, and I

like working with people.

"I also like Mountainside and the chal-

lenge of working for the maintenance and

improvement of a community."

This job is time consuming, but he en-

joys it. There is great variety in what he

does, which compensates for the fact that

Pool Report Now In Council's Hands; Discussion Probable Tuesday Night

Pool Supporters Plan 'En Masse' Visit To Council

Suitable Acreage Is Available Now, Herb Ross Claims

The report of the planning committee has come to the Mountainside Borough Council. The report was presented at a recent meeting and will be discussed at next week's meeting of the townsmen. William Ditzel said this week. The meeting will be held in Borough Hall, Wednesday night. Elmer Hoffarth announced.

Ditzel, who is the township representative to the recreation committee which conducted the pool study, said the recommendations were presented in the report. The pool committee had been instructed to carry out a "part finding" study. A report on the results of that study will be up to the Mayor and Council next week.

Herb Ross, chairman of an independent citizens group which is seeking signatures on a petition seeking establishment of a municipal park and swimming area of the 300 residents who signed the petition, expects to attend the meeting on Tuesday night.

A telephone inadvisable

was being used during the petition signature campaign. Ditzel

claimed no count has been taken since last week on the number of the pool petition signatures sent to all residents by the official pool committee. Ditzel

claimed the anticipated percentage

of signatures accompanied

an offer last week of \$10,000

from the developer of the tract

for suitable acreage.

NEW LIBRARY — The Rev. Gerard McGarry, pastor of Our Lady of Lourdes Church in Mountainside, blessed the new library at Our Lady of Lourdes School in the borough.

Next to Rev. McGarry is Sister Gertrude Agnes, principal of the school. The new library is now in operation and services the students at the parochial school.

GOP Gathering Set To End Council's Closed Sessions

Mountainside Republicans expect to attend the GOP gathering tonight, according to Fred W. Wester, who is participating in the election of Republicans.

Weston is president of the Regular Republicans Club and Gerard Keenan, president of the Central Club, expressed the hope that the election of Republicans will bring about a "real solution" to the "closed door" policy.

Speaking at a "coffee" held at the home of Mr. and Mrs. Frank Magnolia of 383 Central Ave., Speriale called for the election of our friends, both Republicans and Independents, and interested citizens will attend.

One active member of the party, who is a member of both the Regular Republicans Club and many Mountainside Republicans, expressed the hope and the belief that the new running mate of the Democratic ticket as the "only real solution" to the "closed door" policy. That policy was bred, the Democratic hopeful charged, by a one-party government in full control for too many years.

Rose and himself have found in their "spelling" door-to-door campaign, Speriale claimed, that the taxpayers are incensed at being kept in the dark regarding the affairs of the borough, they know, matters which vitally affect the welfare of our people are discussed in the open when enough votes for passage are assured.

Speriale promised his listeners that if elected, he and Rose will "try to keep important matters to the open, to express our opinions on these matters openly and to vote on the issues in the best interests of all the people."

The "coffee" at the Magnolia home was the third in a series of such programs scheduled in the closing weeks of the campaign.

NCE-Freshman

John Bernier of 1011 Chalfont, Mountainside, is among 62 freshmen enrolled at Newark College of Engineering this year. Total enrollment is 6,169.

Town-Wide Meeting On Jobs For Youth

The Youth Employment Service of Mountainside will hold its first community-wide organizational meeting on Monday at 8:30 p.m. in the large-purpose room of Deerfield School. Norman Kline, president of the Cranford YES, will discuss the success of his rapidly growing movement. Mr. William Gutman, president of the Greater Westfield Section of the National Council of Jewish Women, will explain the organizational procedures necessary to setting up a YES office in Mountainside.

Three Variances, All For Additions, Okayed By Board

Three applications for variances, all involving additions to existing buildings, were approved at Monday night's meeting of the Mountainside Board of Adjustment.

An application to construct a frame addition was approved by Leon H. Legacki of 1104 Techel dr. Paul J. Smith of 136 Maple court received approval for construction of an additional garage.

Mr. and Mrs. Harry R. Holland of 1347 Wood Valley and their petition for permission to construct two additions one to their garage and the second to a back porch, approved by the board.

The Holland and Smith applications involved lots under minimum required size. Legacki's petition was necessary because of a side-line violation.

Mental Health Topic For B'nai B'rith Unit

"A Knock-Your-Community's Mental Health Services" discussion will be conducted by the Westfield Chapter of B'nai B'rith Women at a meeting scheduled next Thursday at 8:30 p.m. in the social hall of Temple Emanuel of Westfield it was announced.

Alois J. Stadeck, Supervisor of Special Services and school psychologist for the Westfield Public Schools for the past 16 years and a pioneer in the mental health field locally and nationally, will be the guest speaker. The public is invited to attend.

4 From Mountainside Receive Hospital Pins

Four Mountainside residents received 100th pins this week in the recent annual awards dinner for volunteers at the John E. Rummell Hospital for Chest Diseases, Berkeley Heights, it was announced.

ON MONORAIL

Borough residents honored in the program held Friday in the hospital auditorium were Miss Mountainside, and their sons. The Trio, which includes Mrs. Pat Bamberger, Mrs. Natalie Gary and Greg, rode the AMF Tepe, one of the foremost Monorail Jugglers in the New York City area, and \$150 for spending without food or drink.

Mr. and Mrs. F. G. Lutzke, parents of the year, and the year's Outstanding Girl, Edna Ron, singers and dancers.

Truck Operators Draw Court Fines In Mountainside

Two drivers, each evading payment to the Women's Association of Cranford, Inc., National Council of Jewish Women, sponsored a court hearing yesterday.

Both started cases against the association for failure to pay fines imposed by the court for failure to appear in court.

For YES, a fine of \$100 was imposed for failure to pay fines imposed by the court.

Both drivers were fined \$100.

Design Of Gas Units Permit Site Leeway

Homes heated with gas don't have to be limited to the conventional basement installation. They can be installed in the conventional basement, insulation, floor joists, or even in the roof.

GAS HEAT is dependable, clean, trouble-free, weatherproof, quiet, modern and economical.

What more could you ask of any fuel?

The words above just about tell the story.

Natural gas is a dream fuel that most users take for granted. And no wonder. The gas burner is so ingeniously simple, it rarely

needs service so there's no need to buy a yearly service contract.

Gas lines are underground. There's never a worry about delivery.

Gas requires no bins, no tanks, no wasted space in your basement.

Gas never leaves soot, smog or odor.

All you get from natural gas, in fact, is natural heat.

And when you think about it, that's quite a lot!

Dayton Linemen, Runners, Too Much For Hillside

Yaras Scores 4; Roselle Next Foe

By DONALD LEWIS

The Jonathan Dayton Regional High School football team clearly outclassed the visitors when it came to the Hillside last Saturday in a one-sided game that went to Dayton, 31-0. The defensive line for the unbeaten Dayton eleven could not even its previous two performances, yielding only six yards over the 100. The second half was not the defense which had been the weak spot of the team all season. It yielded only 26 yards to Hillside rushers. The pass defense, which had been the best in the league, gave up 100 yards to Hillside runners. The pass offense came on in the second period when Yaras passed the ball 10 times, 100 yards, and scored four touchdowns.

As if these statistics were not impressive enough, the Dayton winged footers amassed a total of 392 yards gained on the ground and scored six touchdowns, four by Carl Yaras.

Dayton will be gunning for its fourth victory here on Saturday when it meets Roselle. Roselle was beaten the previous week, 23 to 0, by the same Hillside team which Dayton defeated.

Head Coach Herb Palmer of Dayton had praise for the performance and skill of his whole team, individually and as a unit. He said that he was pleased that the mistakes which made previous games closer than they should have been were eliminated. He felt that the pass defense had finally tightened up.

His defensive plan calls for the perimeter to contain the ends and prevent the long pass, which could go for a touchdown, and for the line to rush the passer to prevent the short pass. On Saturday, he felt, both parts of the plan went well for the first time.

First Tally

The first Dayton score came in the first period after Hillside had intercepted a Dayton pass deep in Dayton territory. The visitors were unable to

Springfield Ties Union Team, 3-3, In Soccer Game

The two teams of Union High and Dayton Regional of Springfield met on the Dayton home field last Tuesday. Union went into the game with a 3-1-3 record, while Springfield was undefeated with four victories and three ties. As the day ended, both had added a fourth to their records. The game, which saw much unusual scoring, ended with the score tied, 3-3.

In the first period, good dribbling by the Springfield team and several excellent throw-ins by Dayton halfback Kizlevich kept up the pressure against Union.

Admirable defense work by fullbacks Lou Koehler and George Wojtech, however, prevented any real threat. Union's main threat occurred on a fast break by center Jack Goldberg. Goldberg's shot to the open goal, went wide.

Finally, as the period ended, Dayton center Fred Reu passed to outside left Ken Max who neatly booted it in for the first goal of the game.

In the second period, a freak play gave Dayton a 2-0 lead. Union goalie Jeff Cohen came out of the goal to receive a pass from Halfback Pete Santucciano. Santucciano booted the ball up and over Cohen's arms and it rolled backward into the Union goal, giving Dayton the score. Later in the period, however, Union rebounded to score its first goal on a penalty kick by center halfback Al Partelow.

Midway through the third period, Partelow successfully booted another penalty kick into the Springfield net to tie the score, 2-2.

In the next few minutes, Dayton regained the lead on a corner kick by halfback Dave MacMillan, which was headed into the Union goal by outside right Mark Muller.

Finally, with seconds remaining, Union forward John DeCaro dribbled around the Dayton halfbacks and shot at the goal. Dayton goalie Keith Nelson lunged for the ball, but Union center Goldberg cut in front of him and pushed it in for the tying score.
