Hearing set Wednesday on \$1,785,000 bond issue

Board lists 5-point plan for schools

Construction proposal
vote scheduled May 10

Mountainside's Board of Education will hold a public hearing next Wednesday evening on the \$1,785,000 bond issue for school construction. The measure goes to the public for approval on May 10.

The school body this week is distributing informational brochures designed to acquaint the voters with its five-pronged plan and the need for such a program. Members of the board and Dr. Levin B. Hanigan, superintendent of schools, will be at the hearing prepared to answer any questions directed by the voters.

The five-pronged program aims at the abandonment of Echobrook School for educational purposes as recommended by the borough's master plan and educational experts; additions to Beechwood and Deerfield Schools to accommodate the school population of Echobrook School; the expansion of present facilities to allow the establishment of a Middle School; the acquisition of additional property on the Beechwood and Deerfield sites to provide space for the increased student population; the acquisition of a third site on the east side of Rt. 22 as a replacement for the Echobrook site so that if the population increases sometime in the future, the community will have the land on which to build a third school.

Dr. Hanigan stressed this week that the establishment of a Middle School for all the sixth, seventh and eighth graders in the borough's public school is necessary to bring the educational system to a par with the neighboring towns of Springfield and Berkeley Heights. Mountainside's children are absorbed into the same regional high school system as Springfield and Berkeley Heights youngsters, he pointed out, so they must be supplied with educational opportunities equal to that supplied to the children with whom they will be competing in high school.

The Middle School would offer foreign languages, math and speech clinics, expanded facilities in other areas. It would allow departmentalized, group and team teaching, and many other educational innovations already in use in many schools on those grade levels, the school superintendent continued.

The board has estimated that its bond issue, if approved, would mean a tax increase of about \$47.70 a year for the owner of a \$30,000 home. This increase would be offset, the board stated, by the increase in valuation of real estate due to the upgrading of the schools.

The \$1,785,000 figure allows \$1,425,000.

(Continued on page 3)

Little League fund drive is scheduled for May 8

The annual door-to-door fund drive for Mountainside's Little League has been scheduled May 8. John Podmeyer, chairman of the drive, announced that the Little Leaguers will call at the homes of residents in the early afternoon of that day.

Contributions will be used to improve the baseball program and to provide after-school recreation for the approximately 600 boys and girls actively participating in the program. Speaking for the Little League officials, Podmeyer expressed the hope that the 1966 drive will exceed last year's collection, which was the best ever.

The 1966 season started last Saturday with teams from the Girls League, the Senior League, the American League and the National League playing in the opening day games. In the Girls League, the Canaries defeated the Crows 13 to 12 and the Flamings trounced the Peacocks 15 to 6. The Twins and the Tigers were the victors in the first two games for the Senior League. The Twins defeated the Orioles 6 to 3 and the Tigers scored 10 to the Yankees' 7.

There were three games played by Major League teams. The Mustangs beat the Pioneers 9 to 6, the Chiefs clobbered the Blue Stars 8 to 1, and the Mountaineers, in a close game that went into extra innings, topped the Elks 3 to 2.

The Tigers and the Orioles in the American League played a close game with the Tigers getting 10 runs to the Orioles' 9. Also in the American League, the Athletics defeated the Yankees 12 to 3 and the Red Sox beat the Indians 2 to 0. No scores were available from the National League.

Preceding the games, the teams paraded through the borough led by borough officials.

Heinze asks probe of swim pool delay

"The delay in getting Mountainside's pool constructed so that it could be enjoyed most of this summer is very disappointing," Karl Heinze, president of the Mountainside Democratic Club, stated this week. The club members, many of whom were quick to join the pool this spring, joined in the general feeling of disappointment and frustration, he indicated. Construction of a municipal pool had been urged by the club and its unsuccessful Council candidates last fall.

Heinze went on to say, "It's difficult to understand why there seems to be so much trouble in getting things done that everybody agrees need doing. There seems to be a frustrating pattern of worthy projects being delayed by surveys, lawsuits, disagreements, etc."

Speaking for Democratic Club, he expressed the hope that the Council will make a thorough investigation of what went wrong and report to the people. Members of the Democratic Club expressed their interest in participating in such an investigation.

New Pictures Needed

With the change-over to its new method of printing, this newspaper now needs new photographs of many community leaders. Persons wishing to have pictures of local residents printed with their news items are advised to first check with this office.

Papers submitted on loan for library

All the data and papers requested by the State Library Board in its final consideration of Mountainside's application for a federal construction loan were submitted this week to that body, according to Sidney Mele, president of the local Library Board. Next Monday was the deadline set for such submission.

The Borough has received tentative approval of a \$55,476 federal loan for the construction of its proposed \$300,000 library. Final approval is pending on the submission of minor revisions in the plans prepared by the architectural firm of Howard McMurray Associates and the appropriation of matching funds by the Borough Council. The Council gave final approval last week to an ordinance appropriating \$300,000 for the proposed library.

The library, a one-story, modified colonial structure, will be located on borough owned property near the northeast corner of Rt. 22 and New Providence rd.

Meeting called to revise swim pool specifications

Mayor Frederick Wilhelm, William Ditzel, chairman of Mountainside's Recreation Commission, and members of the Borough Council and the Recreation Commission were scheduled to meet late yesterday afternoon with Eggers and Higgins, architects of the planned municipal pool, to review revisions of pool specifications prepared by the architectural firm.

The results achieved at that meeting will largely determine the time schedule for the awarding of the contract which was rescinded last week from E. L. Wagner Co. of Darien, Conn., according to Mayor Wilhelm. Wilhelm said that if the meeting goes well and the preliminary work is completed the bids could conceivably be readvertised tomorrow and the contract reawarded as soon as possible after that. However, he said, neither he nor any of the other officials were banking on such quick action although all of them were prepared to stay at the meet-

ing "as long as it takes to get things in condition."

The contract, awarded April 12 to Wagner Co., was rescinded last week by the Borough Council after Paddock Pools of Albany, N.Y., one of the six other companies who submitted bids, threatened in a letter to seek a preliminary injunction to enjoin both the borough and the contractor from executing the contract or proceeding with any of the work.

Paddock based its action on a claim that the addenda was sent to its client by telegram on the morning of April 11, the day upon which the bids were to be opened. This addenda, Paddock claimed, "substantially altered the basis upon which the bids were to be submitted and did not afford each and every bidder a fair and equal opportunity to project his bid."

Paddock also claimed, both in its letter and through its representative at the April 19 meeting, that the April 12 meeting of the Council was illegal since all Councilmen had not received proper notice.

Mayor Wilhelm said at the April 19 meeting that the Council had been assured by its attorney, Nicholas St. John LaCorte, that the protests of Paddock Pools had "no legal validity." Wilhelm also said at that time that the Council had to choose between implementing the contract with Wagner Co. or rescinding all the bids and re-advertising. The first alternative, he said, could result in a tie-up of all work if Paddock took legal action with the result that the pool could not be constructed for use this summer. The rescinding action, while postponing the start of construction work, leaves the way open for having the pool completed for use in some part of the summer, Wilhelm stated.

Bids on the pool ranged from \$88,000 to \$146,000. However, Mayor Wilhelm said this week that the low bid omitted certain required items and did not meet specifications. The high bid included "all the extras," according to the mayor. He estimated that there was about a 12 percent differential in all bids when the alternates were equated.

Lions Club plans drive for sight-saving project

On the next two weekends members of the Mountainside Lion's Club will canvass the borough selling light bulbs door-to-door. Proceeds of the sale, an annual project for the local Lions, will be used in the club's sight-saving programs.

Each Lions salesman will be wearing his International Lion name badge and a special sale hat.

Club officials remind residents that some of the proceeds of past sales have been donated to borough schools and the Rescue Squad.

Correction on pool figures

Bids on the municipal pool in Mountainside ranged from \$88,000 to \$146,000, according to the minutes of the special meeting of the Borough Council on April 12. It was reported incorrectly in last week's issue of the Echo that the bid range was from \$888,000 to \$120,000.

Kurz participates in soccer tryouts for 1968 Olympics

Arthur A. Kurz of 1463 Orchard rd., Mountainside, was among 60 players invited to participate in the Eastern United States Olympic Soccer Trials held recently on the grounds of Trenton State College, Trenton.

Kurz, a member last fall of the freshman soccer team at Bucknell University, played fullback in two 90 minute contests held at the trials. He was forced out of the second game early because of a leg injury.

A 1965 graduate of Pingry School, Kurz received All-County and All-State recognition while in his senior year.

No final decision on the make-up of the 1968 Olympic soccer squad will be made until next autumn.

Recruiting starts for 225 donors at blood bank visit

A drive to recruit at least 225 donors for the next Bloodmobile program was announced this week by Mrs. Harvey C. Cibney, blood bank chairman of the Westfield-Mountainside Red Cross Chapter. The Bloodmobile's next visit to this area is scheduled Saturday, May 21. It will be stationed at Tamaques School, Westfield.

The blood bank chairman pointed out that this is the first time the Bloodmobile has been scheduled in this area on a Saturday. The committee selected a Saturday so employed people would have an opportunity to donate blood without interfering with their working schedule.

"If the Red Cross is to continue to supply blood, plasma and blood derivatives when they are needed to residents in this area, support of the Bloodmobile must not only continue but increase," Mrs. Cibney emphasized.

The Red Cross telephone committee, under the direction of the Westfield-Mountainside community group, has begun calling prospective donors.

Representatives of participating groups are also signing up donors within their organizations.

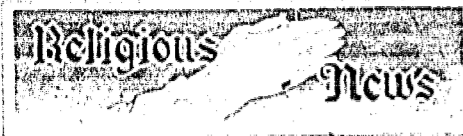

Blood bank volunteers must be between the ages of 18 and 59. Those under 21 must have parental consent. Donation of one pint of blood will insure blood credits for a donor and his family for a period of two years.

Prospective donors are urged to contact the Red Cross Chapter House, 321 Elm st., Westfield.

PLAY BALL: The spring rallying cry rang out last Saturday for about 600 Mountainside youngsters who play with the borough's Baseball

and Softball Leagues. Taking his turn at bat is Ronnie Perna with Tim Krebs at the catcher's post. Other Little Leaguers line up to wait their turns.

Summer School begins registration; deadline set

Registration opened this week for the Mountain-side Summer School. Registration will be limited until May 15 to Mountain-side children only; after that it will be opened to children outside the borough. Summer sessions will begin June 28.

The school will offer basic courses in reading and mathematics and enrichment courses in a variety of subjects for children who have completed the first through the seventh grades. Pre-kindergarten and post-kindergarten classes are also included in the school schedule.

The enrichment courses will include advanced math for children in grades four through seven; children's literature for first

through seventh graders; conversational French and Spanish for fourth through seventh graders; outdoor science for fourth through sixth graders; art for all grades; industrial arts for beginners and advanced -- both boys and girls may register; home economics, for beginners in the fourth and fifth grades and advanced in the sixth and seventh grades; personal typing for grades four through seventh; instrumental music and piano.

In most areas classes will be limited to 10 to 15 children. Priority in all classes will be given to Mountain-side children. Transportation must be furnished by parents.

Registration forms must be submitted to the Superintendent of Schools, through any of the school offices, by May 15. The forms must be accompanied by a check for the full tuition, payable to the Mountain-side Board of Education. Registrations will be accepted in the order they are received so early registration is desirable.

The charges to Mountain-side children for both the basic and enrichment courses will be \$15.00 per subject. Borough children who take two courses will pay \$25.00 for both. Charges to out-of-town children will be \$30.00 for each subject.

The Summer School will open June 28 and continue Mondays through Fridays through July 29 with the exception of July 4 which will be a holiday. The first period will run from 8:30 a.m. to 10 a.m.; the second session from 10:30 a.m. to noon.

A course in speech correction will also be included. To be eligible for this course students must be recommended by George Pierson, speech therapist in the schools.

'Caretakers' play for college dance

The "Caretakers," a five piece combo of Mountain-side boys, provided the music for dancing for 700 young people who attended a dance held recently in Seton Hall University. Their performance was hailed as "professional."

The group, which formed last summer, includes Paul Bodnar, lead guitar, Jimmy Dehls, organist, Bruce French, drummer, Bob Arterburn, bass guitarist, and Henry Fruedenburger, who plays several instruments. All five are students at Governor Livingston Regional High School. Bodnar is a junior, Dehls, a freshman, and the other three sophomores.

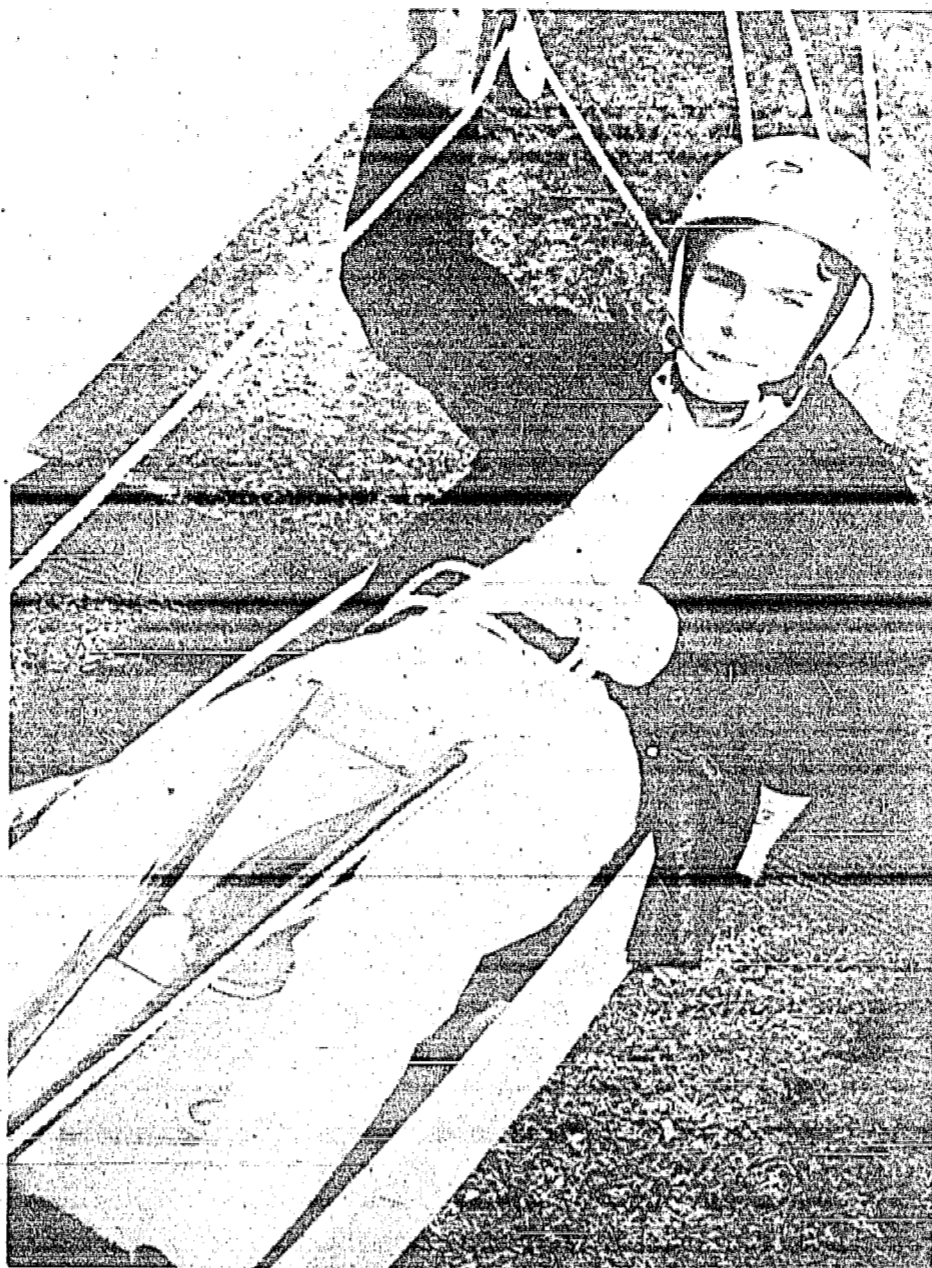

"The Caretakers" will be one of six bands participating in "The Rock of Ages," a program to be presented May 13 and 14 in Summit Junior High School by Richard Layton. The group is the only Mountain-side combo included in the program.

ARMY TAKES LEAD

The Army leads all branches of the Armed Forces in the number of personnel, military and civilian, buying U. S. Savings Bonds on a regular purchase plan. The number of military personnel signed up exceeds 70 percent.

Society picks Reed

John W. Reed of 1571 Rising way, Mountain-side, will be inducted into the Iota Xi Chapter of Phi Theta Kappa, national junior college honorary scholastic society, at Union Junior College, Cranford, on Wednesday. Reed is a science major in the Evening Session and a graduate of Thomas Jefferson High School, Elizabeth.

BOATING ENTHUSIAST: Russell Hahn of Coles ave., Mountain-side dons crash helmet, required equipment for his favorite type of sailing -- ice boating. Fifteen-year-old Hahn received an award recently naming him the 1965-66 champion in his class in the Lake Hopatcong Ice Boating Club. The young champion built his own craft, a DN racer.

Boat placed in mothballs Season over for this sailor

BY RITA ZEISS

Around this time of the year most sailing buffs start polishing up the brass, checking their sails and dreaming of cutting through wind and spray under the hot summer sun. But not Russell Hahn. Hahn, a 15-year-old student at Governor Livingston High School, has already rolled up his sails and stored his boat in the rafters of the cellar of the family home at 1541 Coles ave. Boating for him is over until next winter.

The reason is simple. His boat is an ice boat. Hahn made the boat, which has a 12 foot hull and a 15 foot mast, himself. He made some of it in the cellar, some in the garage and most of it in the living room. The living room operation was necessary, he says, because he needed warmth to apply the glue to the sassa spruce, a light but strong pliable wood used for making ice boats. It took him five months to finish the job but it was worth it. (His mother had no comment.)

Six game edge assures Bliwise of distaff lead

With only six games left in the season the Bliwise Liquor team, with 63 1/2 victories and 34 1/2 defeats, is assured of first place in the Mountain-side Woman's Bowling League. The runner-up team, Jowitz Motors, trails behind the league leader with only 56 games won and 43 lost.

Standings of other teams follow:

Team	W	L
Kroyer's Krates	52.5	46.5
Provident Mutual	50.5	48.5
Cross County	48	51
Rau Meats	47	52
Union Woodworking	39	60
Hartnett and Co.	38.5	59.5

His boat, a DN, enabled him to take first place in his class, competing in finals against eight adults.

Russell is a junior member of the Lake Hopatcong Club. His father, Charles Hahn, is a charter member and past commander of that club which was formed about 25 years ago. Both are members of the International Ice Yacht Racing Association.

A crash helmet and a heavy parka are standard equipment for ice boating.

"You need them," Russell says laconically, "when the boat tips and you go skidding across the ice."

Russell says he has been ice boating all his life. His father has been interested in the sport for many years and he introduced his son to it at an early age.

The distaff members of the Hahn household, Mrs. Hahn and 13-year-old Tina, participate only as riders and then just on "fun" expeditions, never in races.

'Pop's Picnic' to be held

The comic strip, "Peanuts", will provide the theme for the "Pop's Picnic," to be held this evening under the sponsorship of the Girls' Leaders Club of Governor Livingston Regional High School.

Members of the Girls' Athletic Association and their fathers will form teams to compete in unusual variations of basketball, deck tennis and volleyball. The teams with the most points at the end of the evening will receive an inscribed trophy.

Karen Williams and Daryle Schlewor are co-chairmen of the picnic under the direction of the club adviser, Miss Doris Anderson. The invitation committee is headed by Rhonda Brown and Karen Stadeck. Nancy Rekeimer and Diane Honecker are co-chairmen of the refreshment committee. Mary Lou Mohn and Shelly Wehl are planning the games.

John W. Reed to join honor society

John W. Reed of 1571 Rising way, Mountain-side, will be inducted into Phi Theta Kappa, the junior college equivalent of Phi Beta Kappa, at Union Junior College, Cranford, on Wednesday at 8 p.m. in the theater of the Campus Center. Reed, a graduate of Thomas Jefferson High School, Elizabeth, is a science major in the evening session.

Board lists

(Continued from page 1)

more than 50 percent, for construction of the Deerfield addition and alterations there. It would provide \$275,000 for the Beechwood addition.

The board proposes to buy a tract of land owned by Joseph Barnes and fronting on Mountain ave. as the replacement site for Echobrook. The tract, about five acres in size, borders on Union County Park land, the Lindberg estate and the site of the Children's Specialized Hospital.

It also proposes to buy about four acres of land adjacent to Deerfield School and two tracts, which add up to less than three acres, at the Beechwood site.

No breakdown on the land costs has yet been provided by the Board of Education.

At a special meeting last week the school board adopted a resolution officially calling for a school construction bond issue referendum.

Two applications receive approval of Planning Board

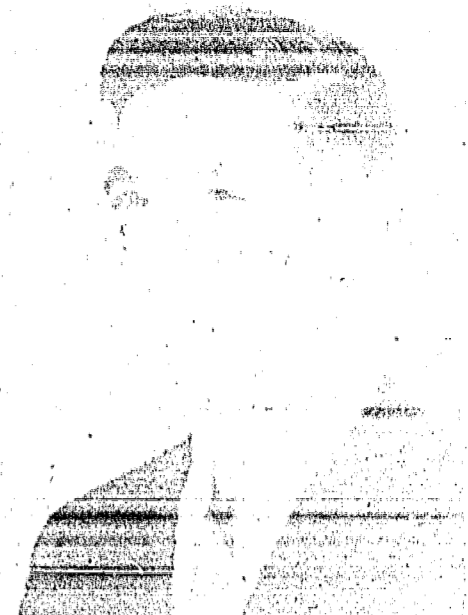

Two applications were approved Monday night by Mountain-side's Planning Board. A third was held for further study and a fourth denied and referred to the Board of Adjustments.

Approved was the application of Mill Lane Corp. to build a 60 by 40 foot addition to a building at 191 Mill lane. The building is leased by Systematics, Inc., which needs additional space to install another computer. The application had previously been approved by the Board of Adjustment and referred to the Planning Board for its approval.

Approval was also given to an application submitted by Jonbit Realty Corp. of Hillside for a four-lot subdivision between Summit rd. and Prospect ave.

The application of Philip N. Rizzo of 1020 Elston dr. for a five-lot subdivision off Ackerman ave. was held for further study. The subdivision is for the fifth section in this development and the board wanted to study previous applications.

The application of William and Mary Klein of 1139 Summit lane for permission to subdivide was denied and referred to the Board of Adjustment. This action was necessary because there would be a rear violation and a variance would be necessary from the zoning body.

Johnson receives award from NSF

Douglas Johnson of 1358 Birch Hill rd., Mountain-side, has received an award from the National Science Foundation to attend the Physics, Mathematics and Computer Institute at Manhattan College, Manhattan, N.Y. The six week course will be conducted in the summer.

A graduate of Deerfield School, 16-year-old Douglas is a junior at St. Benedict's Preparatory School, Newark. He is the son of Mrs. Gloria Johnson and the late Robert Johnson.

Livingston faculty starts rehearsals

The faculty of Governor Livingston Regional High School is now in rehearsal for "The Man Who Came To Dinner." The George Kaufman-Moss Hart comedy will be presented June 3 in the auditorium of the regional high school in Berkeley Heights.

The play stars James Neddoff, Mrs. Diane de Celis, Clifford Robinson and Mrs. Lola Romano. Others in the cast are Mrs. Veronica Janoff, Barry Janoff, R. Frederick Aho, Richard Duggan, Dan Slattery and Miss Gail Shaffer.

The comedy is directed by Mrs. Carol Forsman and produced by Lin McMullin.

Proceeds of the show will go to the B. Benjamin Merrill Scholarship Fund.

ARREST FOR BAD DRIVERS

"Reckless drivers may not pay attention to appeals for safe driving, but they will pay attention to the threat of arrest and possible loss of their driving licenses." Edward R. Klamm, accident prevention director of the Allstate Motor Club, points out.

Pre-college program deadline set

Gunars Salins of Glen Ridge, director, announced this week that June 10 will be the deadline for college bound high school seniors to enroll in the College Readiness Program of Union Junior College, Cranford. The four-week program which is designed to help prospective college freshman adjust to college will open on Thursday, June 30, and will continue through Wednesday, July 27. Classes will meet daily, Monday through Friday, from 8:30 a.m. to 11:40 a.m.

Motor Vehicle Question Box

Q. Yesterday I lost my wallet and all its contents, including my driver license and registration. How do I go about replacing these certificates?

A. You may obtain an application for this purpose at any motor vehicle agency. Fill out the application and mail it along with a \$2 fee for each duplicate and the necessary certificates will be mailed to you. You may also notify the Division of Motor Vehicles, 25A Montgomery st., Trenton, 08625, in writing and an application, along with a temporary driver license and/or registration certificate will be sent to you.

Upon receipt, the application should be filled out and returned to the Division with a \$2 fee for each certificate required and if the Director is satisfied that the facts as set forth in the application are true, the permanent certificates will be mailed to you. Official reply from N. J. Division of Motor Vehicles.

Electricity is today's biggest household bargain

Although your electric bills may be higher now than they were back in 1940, consider all the appliances you've added -- appliances which spell the difference between old fashioned drudgery and modern living. In fact, the average home uses more than four times the amount of electricity today than in 1940. But the combination of rate reductions and increased use of electricity has resulted in a 44% decrease in the average unit cost of electricity since then. Yes, by bucking the trend of soaring prices, we've been able to maintain electricity's position as your biggest -- and best -- household bargain.

The cost of living up 126% since 1940

The cost of electricity down 44% since 1940

Craft show art exhibit

Mrs. Kay Weiner of Mountainside was among the exhibitors in a craft show held yesterday in the Valley Settlement House, West Orange, under the sponsorship of the First Mountain Crafters, Inc.

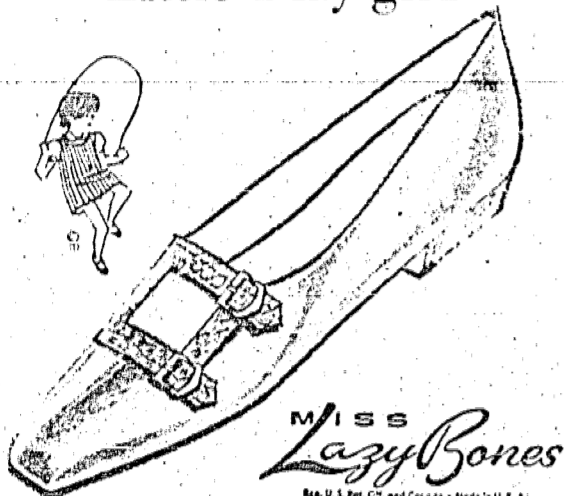

Mrs. Weiner's ceramics and other entries in the show were viewed and commented upon by Joseph Stasi, area merchandise manager, and Joseph Molinar, home furnishing co-ordinator, both of Hamber, Inc., Newark.

The First Mountain Crafters is an organization dedicated to providing a meeting ground for artists and craftsmen actively engaged in creative handwork.

WISHING WELL, which will help carry out the "Maytime" theme of the annual card party and fashion show of Our Lady of Lourdes Church, Mountainside, interests three of the young people who will serve as models at the affair, scheduled next Tuesday and Wednesday evenings in the church hall. Pictured, in the usual order, are Mary Ellen Oels, Thomas G. Klierim and Lisa A. Coughlin.

Appoint Stelling Chamber 'exec'

The Westfield Area Chamber of Commerce, which includes many Mountainside businessmen in its membership, announced this week that Jack H. Stelling has been appointed executive vice-president. He succeeds the late Everett E. Thomas who managed the Chamber from 1960 until his death.

Stelling, a graduate of Westfield High School, attended Ohio University, Syracuse University and the Phoenix Art Institute in New York

City. For the past five years he has served as executive officer of the Bath Area Chamber of Commerce, Bath, Me. He was previously employed in the field of radio broadcasting in programming and management.

Insurance agent at conference

Howard E. Raymond, of 1230 Poplar ave., Mountainside, is attending the Prudential Insurance Company's regional business conference on Saturday in Hollywood-By-The-Sea, Fla. Raymond is an agent in the company's Chatham branch office. The business conference will be attended by field representatives invited from district offices in New Jersey and New York.

Rosarians set 'Maytime' theme for parties in Lourdes Church

A true to size wishing well decorated with vines of roses, ivy and pink geraniums, will help set the "Maytime" theme for the annual card party fashion show to be presented by the Rosary Altar Society of Our Lady of Lourdes Church, Mountainside next Tuesday and Wednesday evenings.

Tickets for the twin affairs, which will be held in the church hall, may be obtained from any member of the Rosary Society or after Sunday's Masses. Mrs. Paul Schaad, general chairman, that about 1,000 women are expected, more than last year's record of 950. She urged those interested in attending to obtain their tickets as soon as possible.

Winner of the grand prize--airplane tickets and a seven day vacation for two to

Nassau--will be announced Wednesday at 11 p.m. Special prizes will be awarded Tuesday evening.

Mrs. John Strube, ticket chairman, reminded prospective guests that tables will be made up both evenings for those who do not have a complete complement for card games.

Children and teenagers of Our Lady of Lourdes Parish will model. Sears Roebuck & Co. of Watchung will present the latest in fashion.

COPY DEADLINE

All organizational and social news items, photographs, and articles other than those of a spot news nature must be in our office by Friday to insure publication in the next issue.

Slate registration for new Brownies

Girls interested in joining the Brownie Girl Scouts are invited to register next Wednesday at 1 p.m. in the Community Presbyterian Church, Meeting House Lane, Mountainside.

To be eligible to join the troop, girls must be entering the second or third grade next fall and be a minimum of seven years old.

Further information may be obtained from Mrs. H. A. Grimm, 232-3088.

"I've done a lot less cleaning since I switched to Gas Heat 3 years ago", says Mrs. J. Rhatican of Union.

"I've got an older house with 6 1/2 rooms. It takes a lot of work to keep it looking spic-an-span. That's why I'm glad I switched to Gas Heat 3 years ago. It makes my cleaning chores lots easier."

Doesn't cost much either. And I know I can depend on the Gas Company for service."

If you own an older home, follow Mrs. Rhatican's example: switch to Gas Heat. It'll lighten your cleaning

chores... give you trouble-free, economical service. You can learn just how little it actually costs by getting a Free Home Heat Survey. Call today. It's never too late to switch to Gas Heat.

Anglo-Indian film tops Ormont bill; Festival favorite

"Shakespeare Wallah," the Anglo-Indian film which won accolades at the New York Film Festival last fall, opened yesterday at the Ormont Theater, East Orange. Photographed in India, with a cast of British and Indian players, and directed by an American, James Ivory, the film tells a story of a brief romance between an English girl who is a member of a struggling theatrical troupe touring hill towns of India with Shakespearean plays—and an Indian playboy, who stops to give assistance to the troupe's caravan when it breaks down.
Ivory directs from a script which he and Ruth Praver Jhabwala wrote. Felicity Kendal plays the actress and Shashi Kapoor is cast as the Indian playboy. Satyajit Ray provided the film's delicate musical atmosphere. "Wallah" in Indian language means craftsman or expert.

'Darling' of show at Regent Theater

Julie Christie's Academy Award winning performance in "Darling" is being seen at the Regent Theater, Elizabeth. Miss Christie, who won an Oscar for Best Actress of the Year for her performance in the film, portrays an English model, who pursues a life of glamour and love, no holds barred, and lives to regret it. Directed by John Schlesinger, the picture also stars Laurence Harvey and Dirk Bogarde, two of the many men in "Darling's" life.
"The 10th Victim" also is at the Regent Theater. Filmed in Italy in color and starring Marcello Mastroianni and Ursula Andress, the picture is a satire of society's thirst for blood, set in the 21st century and steeped in a sex-sadism-violence syndrome.

Lynda Bird's boyfriend starring with Brigitte

George Hamilton stars opposite Brigitte Bardot and Jean Moreau in a new film comedy, "Viva Maria," which arrived yesterday at the Art Theater, Irvington Center. The film follows a traveling circus and the misadventures of its performers. Miss Bardot is seen as the performing granddaughter of an Irish Revolutionary.

Change in disability program noted by Social Security Administration

The Social Security Amendments of 1965 made several major changes in the social security disability program, according to Ralph W. Jones, district manager of the Social Security office in Elizabeth.
The most important of these is a change in the definition of "disability" under the social security law. Under the new definition, you can be eligible for monthly benefits if you have a disabling condition which has lasted or is expected to last at least 12 calendar months, he said.
Under the "old law" you could receive disability benefits only if you had a disability which prevented you from doing any substantial gainful work, and the disabling condition was expected to last indefinitely, Jones said.
But the new law now provides that the illness or injury must have lasted or be expected

to last only 12 calendar months or longer. Only people who cannot do any substantial gainful work can receive benefits.
However, two important disability provisions were changed by the 1965 amendments. A person can receive benefits only if he has social security credit for at least five years of work in the 10-year period just before he became disabled. And cash benefits do not begin until after the first six full months a person is disabled.
There are a number of other significant changes in the disability provisions of the social security law. These are explained in pamphlet No. 8, available free at the social security office in Elizabeth, telephone number 351-3200. The office is open Monday through Friday from 9 a.m. to 5 p.m. There are also evening hours every Thursday from 5 p.m. to 9 p.m.

Science Topics

A 24-INCH doughnut-shaped "supermagnet" with 88,000 times the strength of the magnetic field of the earth has been developed at Argonne National Laboratory. The magnet employs a physical principle known as "superconductivity" under which certain materials lose their resistance to electricity at very low temperatures.
SUNTAN lotion that cannot be removed by perspiring, swimming or rubbing may emerge from research reported by physicians at the University of Michigan Hospital. The researchers say that treated-areas of skin in many cases resisted sunburn three times as long as untreated areas. All test subjects treated were able to remain in strong sunlight at least an hour without noticeable reddening. The mixture does not, however, give immediate protection; it must be applied at least 12 hours before exposure.
CONSUMERS may soon be able to buy scented fresh peaches at the height of their color and flavor, thanks to a new process involving refrigeration, devised by Georgia Agricultural Experiment Station scientists. Though made from fresh freestone peaches that are too ripe to ship for the fresh market, the new product can be held for about 12 weeks. The process involves washing, peeling and slicing the peaches; packing them in glass jars; covering them with a light syrup and protecting them with a weak preservative. Refrigeration is required because the peaches are not cooked.
CARBON DIOXIDE is indirectly benefiting golfers. Cold ball centers are frozen with the gas to make them firm prior to winding, reports Cardex, Chicago.
DEEP in the heart of the atom may lie strange and undiscovered bits of matter, University of Wisconsin physicists believe. The particles may be even more fundamental in the universal scheme of things than the known elementary building blocks named leptons, baryons and mesons.
LETHAL and dominant mutation of the genes of the sweet potato weevil resulting from bombardment with cobalt rays may save farmers about \$5 million annually in lost crops, say Louisiana State University entomologists. "Radioisotopes" of adult weevils cause eggs fertilized by treated males to reach the hatching stage without the embryo's surviving.
ONLY 60 per cent of the world's supply of an estimated 10,000 billion barrels of crude oil can be expected to be discovered, reports the U. S. Geological Survey. Much of it is in remote and inaccessible regions of the world.

Swackhamer to head college session

The appointment of Prof. Farris S. Swackhamer of Cranford as director of Union Junior College's Summer Session was announced this week by Dr. Kenneth C. Mackay, president. Prof. Swackhamer will succeed Prof. Walter B. Mattmore of Clinton, chairman of the English Department, as director of the Summer Session in the Cranford college.

Peace Corps Test to be given May 14

Area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 9 a.m. Saturday, May 14 at the following places:
The Main Post Offices in Montclair, Maristown and Plainfield and in the Federal Building, Room B-89, Newark.
The Placement Test requires no preparation and is non-competitive. An applicant can neither pass nor fail.
The application form, not the Placement Test however, is the most important factor in the selection of volunteers. Persons interested in serving in the Peace Corps must fill out an application, if they have not already done so, and present it to the tester before taking the test. Applications may be obtained from local post offices or from the Peace Corps, Washington, D. C.
The test takes about an hour and a half. An official achievement test for applicants who have studied French or Spanish requires another hour.

'Judith' film at Cranford

"Judith," starring Sophia Loren, Peter Finch and Jack Hawkins, is the latest film attraction at the Cranford Theater in Cranford. The picture, an ancient tale of Judith updated, is set in Israel during the country's first days of independence. The story concerns an illegal immigrant who is used as a pawn by the underground to capture a Nazi war criminal who is aiding Arabs.
The tension-packed "Slender Thread" starring Anne Bancroft and Sidney Poitier, is the associate feature currently on the Cranford screen. The picture concerns a "Crisis Clinic" in Seattle, Wash., and the tracking down of a woman by phone, who has attempted suicide by taking an overdose of pills.

'Phoenix' at 2 theaters

The Hollywood Theater, East Orange, is showing "Flight of the Phoenix," in color on a single bill. The picture, starring James Stewart, with Richardattenborough, Peter Finch, Hardy Kruger, Ernest Borgnine, Ian Bannen and Ronald Fraser, and directed by Robert Aldrich, tells a story about a plane crash in a desert. Marooned men fight for survival.
At the Millburn Theater, Millburn, "Flight of the Phoenix" is screened on a double bill with "How Not To Rob A Department Store."

EDUCATIONAL PROGRAM
The Union County Chapter of the American Cancer Society will provide a free educational program to any local club or organization. The program usually consists of a physician-speaker, a film and a discussion of the Society's local program by a volunteer-representative.

'Sound' youngsters still studied 3'Rs' while making film

Six of the seven young people who portray the von Trapp children in "The Sound of Music" (now in its 45th sensational record-breaking box-office week at the Bellevue Theater, Upper Montclair), had to spend a minimum of four and a half hours a day at their studies in Salzburg, during the filming of the musical. The youngsters were under the guidance of an American school teacher.
During the 11 weeks in which the film was being shot, the youngsters kept growing—but not in proportion to each other. In order to maintain the same height scale between the junior members of the von Trapp family, the children's shoes were fitted with special lifts which could, when necessary, be switched about to maintain the proper height balance.
Although baby teeth in the very young members did not fall out, the possibility was foreseen and a supply of junior size false teeth were made up and kept on hand. The youngsters, who portray the von Trapp children are Charmian Carr, Nicholas Hammond, Angela Cartwright, Kym Karath, Duane Chase, Debbie Turner and Heather Menzies.

2 Oscar winners at Palace cinema

Shelley Winters, two-time Academy Award winner, continues to slay Elizabeth Hartman around in "A Patch of Blue," film drama which continues for a seventh smash week at the Palace Cinema in Orange.
The picture, which was nominated for five Academy Awards, concerns a blind girl (Miss Hartman) who is mistreated by her dowdy mother (Miss Winters) and her alcoholic-soaked grandfather (Wallace Ford).

TAKE CARE WITH OLDESTERS
Watch carefully for elderly people, particularly after dark and in bad weather, warns the Allstate Motor Club. They dress in darker clothing, move more slowly and judge speed and distance less accurately.

Community to host Fellowship Day for Westfield Council

The May Fellowship Day luncheon of the Westfield Council of United Church Women will be held May 6 at Community Presbyterian Church, Meeting House Lane, Mountainside. Miss Thelma Randall, director of Christian World Missions of United Church Women, will speak on "People-Poverty-Plenty."

The luncheon, an annual event for member groups of the United Church Women, will open at 12:30 and close at 2:30 p.m. Child care will be available. Tickets may be purchased from council representatives.

Miss Randall, who is responsible for developing UCW's program as related to Christian World Missions, attended the African Women's Consultation held three years ago under the sponsorship of the Department of Cooperation of Men and Women of the World Council of Churches and the First Assembly of the All Africa Conference of Churches, both of which were held in Kampala, Uganda.

NEW PICTURES NEEDED
With the change-over to its new method of printing, this newspaper now needs new photographs of many community leaders. Persons wishing to have pictures of local residents printed with their news items are advised to first check with this office.

Public Notice
Public Notice is hereby given that the following ordinance was passed on final reading at a meeting of the Mayor and Council of Mountainside, N.J., on the 27th day of April, 1966:

Section 1. That the Board of Public Works of the Borough of Mountainside, in the County of Union, State of New Jersey, do hereby order that the following ordinance be published for the purpose of the Local Bond Law of the State of New Jersey, and that the same shall be subject to the approval of the Board of Public Works of the Borough of Mountainside, in the County of Union, State of New Jersey, as herein provided:

AN ORDINANCE TO FINANCE THE IMPROVEMENT OF THE BOROUGHS OF MOUNTAINSID, N.J., BY THE ISSUANCE OF BONDS AND TO PROVIDE FOR THE REDEMPTION OF SAID BONDS BY THE SINKING FUND OF SAID BOROUGHS, IN THE COUNTY OF UNION, STATE OF NEW JERSEY.

Section 2. That the Board of Public Works of the Borough of Mountainside, in the County of Union, State of New Jersey, do hereby order that the following ordinance be published for the purpose of the Local Bond Law of the State of New Jersey, and that the same shall be subject to the approval of the Board of Public Works of the Borough of Mountainside, in the County of Union, State of New Jersey, as herein provided:

AN ORDINANCE TO FINANCE THE IMPROVEMENT OF THE BOROUGHS OF MOUNTAINSID, N.J., BY THE ISSUANCE OF BONDS AND TO PROVIDE FOR THE REDEMPTION OF SAID BONDS BY THE SINKING FUND OF SAID BOROUGHS, IN THE COUNTY OF UNION, STATE OF NEW JERSEY.

Section 3. That the Board of Public Works of the Borough of Mountainside, in the County of Union, State of New Jersey, do hereby order that the following ordinance be published for the purpose of the Local Bond Law of the State of New Jersey, and that the same shall be subject to the approval of the Board of Public Works of the Borough of Mountainside, in the County of Union, State of New Jersey, as herein provided:

Villani leading Men's League again as Bliwise loses pair to Flying A

Don Halbig's 214 game and Alex Krupp's 201 game victory earned Villani Lift Truck Service to move back last week into sole possession of first place in the Mountainside Men's Bowling League. The high games kept Villani take a two-game victory over Wilhelm's Construction while Bliwise's Liquors, who had been battling for the first place spot, dropped a pair to Owens Flying "A" Service. Villani now stands at 60 victories and 36 defeats, only one game ahead of Bliwise.

Ray Ayres' 205 was high for Owens while Ernie Schwarte's 212 game averted a shut-

out for Bliwise. John D'Amico with a 200 score and Bill Schuster's 200 game led Air-Com Inc. to a two-game victory over Fugman Fuel Oil. Westfield National Bank, aided by Bill Hartmann's 221 and Bob Greaney's 204, posted a two-to-one victory over Southside Diner.

Three-games victories were posted by Mountainside Luncheonette, Mountainside Plumbing and Heating and Mountain Bed. Fred Buschmann rolled a 246 game and Ray Brown a 205 game for the pharmacists.

Supreme Court admits Marshall to practice

John B. Marshall of 1995 Prospect Ave., Mountainside, is one of 15 Union County lawyers who will be admitted to practice before the U. S. Supreme Court next Monday. There will be an estimated 625 New Jersey lawyers sworn in at that time.

The group will be entertained Sunday evening at a reception to be held in the Congressional Room of the Statler-Hilton Hotel, Washington, D. C.

AF selects Beebe for added training in aerospace force

First Lieutenant Dennis E. Beebe, son of Mr. and Mrs. Frank J. Beebe of 294 Indian Trail, Mountainside has been selected by his classmates as one of the most outstanding speakers in the graduating class at the Air University's Squadron Officer School, Maxwell AFB, Ala.

LT Beebe, honored at recent graduation ceremonies, was selected for the special professional officer training in recognition of his potential as a leader in the aerospace force.

He is being recommended to the Los Angeles Air Force Station for duty.

A graduate of Seton Hall Preparatory High School, South Orange, the lieutenant received a B.S.M.E. degree from Newark College of Engineering. He was named a distinguished military graduate and commissioned there in 1962 upon completion of the Air Force Reserve Officers Training Corps program. He earned an M.S. degree under the Air Force Institute of Technology program at Wright-Patterson AFB, O.

His wife, Suzanne, is the daughter of Mr. and Mrs. Willard Rodgers of Tacoma, Wash. The Squadron Officer School is part of the officer education system at the Air University.

PTA Fair opens Saturday; more workers needed

The Country Store Fair, sponsored by the Mountainside Parent-Teachers Association, will be held Saturday from noon to 5 p.m. in Deerfield School, Central Ave.

The fair chairman, Mrs. Walter Degenhardt, this week invited parents to serve as volunteer workers at the fair. Those who wish to work are urged to fill out and return the forms in the PTA Newsletter issued this week.

Mrs. M. J. Lutgens is still accepting lead cover and paperback books for her booth. Those who wish to donate are asked to contact Mrs. Lutgens at 232-9037. Old jewelry that can be fixed and polished for sale is being sought by Mrs. Stephen Bumball, 232-1590.

White elephants may be donated by contacting Mrs. Paul Smith, 232-0786, or Mrs. Robert Osahr, 233-5735.

Fair fun will include games for young and old, rides and other entertainment. Light lunches will be available and home made foods, including cakes and pies, will be on sale.

Spring concert set next Thursday in Deerfield School

The Deerfield School Band will present its annual spring concert next Thursday evening in the gymnasium of the school on Central Ave., Mountainside. The public is invited to attend. Current time is 8 o'clock.

The program will feature the works of Beethoven, Borodin, Greig and other composers. A flute ensemble, including three sisters, Robbi, Sandi and Terri Ruberti, Susan Beam and Lisa Christoffers, will play Anderson's "The Pennywhistle Song." "The Turkish March," from Beethoven's "Rune of Athens," will be presented by a group of clarinetists, Kirk Gulden, Charles Hasse, Susan Goff and Joanne Holcombe.

Joseph M. Petruello, instrumental music instructor in the Mountainside Schools, will conduct the program.

The band is composed of students in the sixth, seventh and eighth grades. Several of the players have won seats in the 1966 Central Jersey Intermediate Symphonic Band.

An additional feature will be offered by the "Stage Band," Tim Traver, Albert Rohl, Neal Daubler, Leo Chryzan, Kirk Gulden, Charles Hasse and Stanley Juncker.

Public Notice
Public Notice is hereby given that the following ordinance was passed on final reading at a meeting of the Mayor and Council of Mountainside, N.J., on the 27th day of April, 1966:

Section 1. That the Board of Public Works of the Borough of Mountainside, in the County of Union, State of New Jersey, do hereby order that the following ordinance be published for the purpose of the Local Bond Law of the State of New Jersey, and that the same shall be subject to the approval of the Board of Public Works of the Borough of Mountainside, in the County of Union, State of New Jersey, as herein provided:

Gas Class of '66

puts more value in Gas Air Conditioning

These 36 men just received their G.A.S. Degrees in air conditioning. They're contractors who have taken the time and trouble to complete Elizabethtown's course in Gas Air Conditioning. Actually, no contractor can install Bryant Gas Air Conditioning without completing our intensive courses. That's just one more big reason to choose Gas Air

Conditioning: you know you're getting the best possible installation. But there are many more advantages to Gas Air Conditioning. It has fewer moving parts. It's quieter. It costs 20% less to operate. Equipment lasts twice as long. So Gas Air Conditioning costs much less in the long run. You get FREE

service AND parts for 5 years. And Elizabethtown gives you an easy 7-year payment plan. Act now! Have Gas Air Conditioning installed before summer's sweltering heat catches up with you. Call one of the Graduate Contractors below for a free air conditioning survey. They've got the G.A.S. sheepskin and the know-how.

Dollar for dollar, N.J. gets raw deal

New Jersey taxpayers continued to pay top price - \$1.57 - for each dollar received in this state last year under the \$10.7 billion national distribution of Federal Government grants-in-aid.

The latest in the annual series of tabulations reported this week by the New Jersey Taxpayers' Association showed that New Jersey received a total of \$225,990,000 of the grants-in-aid distributed to state and local governments across the nation from both the Federal administrative budget and trust funds in the fiscal year 1965. The resultant tax burden upon New Jersey taxpayers to support the Federal grants program nationally was estimated at \$421,100,000. This produced the \$1.57 cost per dollar ratio for all Federal aid received in the State last year.

The gross aid received reflected a \$23,000,000 increase over fiscal 1964 Federal grant payments to State and local government units within New Jersey. Despite the increased aid, it was pointed out, New Jersey continued to occupy first place among states in the tax cost per dollar of aid received. The estimated burden upon New Jersey taxpayers increased to \$421,100,000 to pay for the Federal aid program nationally in 1965.

New Jersey topped a list of 15 states in which taxpayers paid more than a dollar for each dollar of the overall total Federal aid distributed in fiscal 1965 under both administrative budget and trust funds. Among New Jersey's neighbors, taxpayers in Delaware paid \$1.54, second highest cost for each dollar in Federal aid received, and those of Connecticut were third with \$1.50 ratio.

By a mathematical coincidence, the same \$1.57 cost-per-dollar of aid received also applied to that portion of grants allocated to New Jersey under the Federal administrative budget. These totaled \$155,000,000 from the Federal government's national distribution of \$6.3 billion under the administrative budget in fiscal 1965. Among the states, New Jersey ranked second highest, after Delaware, in cost of aid received under the Federal administrative budget alone.

In releasing the latest Federal and State ratio comparisons, Clarence Zoller, Executive Director of the Taxpayers' Association, explained that the figures do not include the considerable administrative costs involved in the "round trip" of tax moneys from New Jersey taxpayers to Washington and back to New Jersey governments in the form of Federal grants. He also pointed out that "the Federal aid grants usually require 'matching' funds from state and local governments to participate in the programs. These, in turn, tend to reduce the option of New Jersey officials in allocating revenues that might be needed in other areas of state or local government operations. All of the programs involve some element of Federal control, further diluting state and local authority," he observed.

Lodge presenting 'talent showcase'

A "Talent Showcase" will be included in the International Travel and Transportation Show to be held May 19 to 22 in the Westfield Armory under the sponsorship of the Westfield-Mountainside B'nai B'rith.

According to Ben G. Frank, program chairman for the lodge, several performers have already accepted up for the show. "Talent Showcase" will be presented May 21 and 22 from 8 to 8 p.m.

Those interested in appearing in "Talent Showcase" may contact B'nai B'rith Entertainment Committee, 756 E. Broad St., Westfield.

Homeowners applying to YES for assistance

With the arrival of spring, the Mountain Side Youth Employment Service is receiving requests from homeowners for help with annual chores. Applicants have recently been assigned to such jobs as leaf raking, lawn cleanup and general garden work.

The office of the Mountain Side Youth Employment Service is located on the second floor of the Mountain Side Borough Hall on Rt. 22. It is open Monday through Friday from 2:30 to 5 p.m.

Interested students 14 years of age and over may register during these hours. The telephone number is AD 2-3975.

Fit important in buying shoes

The new style trend of lower broader heels in shoes is a welcome relief to many fashion-minded women who have stayed with the traditional high heel and pointed toe through the years. The new styles will soon make pointed shoes passé and as with any fashion change, the fit will be different.

When shopping for new shoes, it will be more important than ever to check foot size. This includes a check of both foot length and width. Don't fight with the measurer if it indicates that a broader width than usual is needed. The old pointed style of shoe gave a more narrow fit.

Shoe sizes are apt to vary with a gain or loss of weight. Ten pounds either way can mean a different size shoe.

Since both feet are usually not the same size, buy to fit the larger foot. Never buy a pair of shoes that do not feel comfortable immediately. If shoes must be "broken in" for comfort, then the feet will suffer.

Officials appointed of GOP fall dinner

Jay A. Stemmer, Republican County Chairman, this week announced the appointment of Charles E. Beardsley of Summit and Raymond Moore of Scotch Plains as co-chairmen of the County Committee's annual Fall Dinner.

The GOP \$25 - a - plate fund raising event will be held at the Shamokan Golf and Country Club, Scotch Plains, Saturday, Oct. 22.

Beardsley is a former Union County Republican Committee Chairman and also served as municipal chairman in Springfield. He was recently appointed as a member of the Union County Board of Elections. Moore, a former Union County Freeholder, served as director of the Board in 1965. He is vice-president and sales manager of Harrison Supply Company, Harrison, and a trustee of the American Legion Hospital in Newark.

'National Drivers Test' to be presented in May

The nation's drivers will have a new opportunity to evaluate their automobile knowledge and skill at 10 p.m., May 24, when the Shell Oil Company will present "The 1966 National Drivers Test" over the CBS television network.

The viewing date is scheduled to precede the Memorial Day weekend. A similar test was presented at the same time last year, and was re-broadcast just before the Labor Day weekend. The two holidays are notorious for large numbers of traffic accidents.

Membership plan for 2 county pools offered to families

A "Family Membership Plan" for \$25 per season, will be offered again to residents of Union County this summer at the swimming pools operated by the Union County Park Commission in John Russell Wheeler Park, Linden, and Railway River Park, Rahway.

A family may apply for a special rate of \$25 for the entire swimming season which will entitle parents and all children, 18 years of age and under, to swim in the pools without additional charge during the season.

Applications are available at the Administration Building of the Union County Park Commission, Warinanco Park, Elizabeth. Requests for applications will also be accepted by mail or telephone. The completed application will be accepted by the commission by mail, and the necessary identification cards will be forwarded to the family.

The pools, sand beaches, and refreshment stands will open for the 1966 season on Saturday, May 28, at noon and will remain open until Labor Day, Sept. 5. With good weather opening day annually offers hundreds of bathers an opportunity to enjoy their first swim of the season. The programs at the pools this season will include swimming and life-saving classes, and the New Jersey and the Union County AAU Championships. Only qualified life guards, certified by the American Red Cross, are employed to safeguard and supervise pool patrons.

UJC president stresses man's humanistic values

Dr. Kenneth C. MacKay, president of Union Junior College, Cranford, said the purpose of the college of tomorrow must be "to produce scientifically-trained young men and women who take with them as they enter upon their productive years a sense of obligation to something more than material progress -- a fervent devotion to those humanistic values which set Man aside and above the computer."

He spoke at ground breaking ceremonies Thursday for Union Junior College's \$1 million science building.

"Scientific knowledge has provided us with the tools to master our environment but in doing so Man is enjoined with the early task of controlling these forces unleashed by his own technological advances. Not to control these forces will imperil his continued existence on our planet. This is H. G. Wells' familiar race between education and destruction brought up to date," Dr. MacKay said.

The UJC president said it is the obligation of those charged with the direction of higher education to ensure that the next generation and its leaders are equipped to cope with this crisis -- "perhaps the ultimate exigency of our civilization."

"If this is not done, and those now enrolled in our colleges fail this test, only that Last Flower so poignantly extolled by James Thurber will survive our self-induced immolation," Dr. MacKay said.

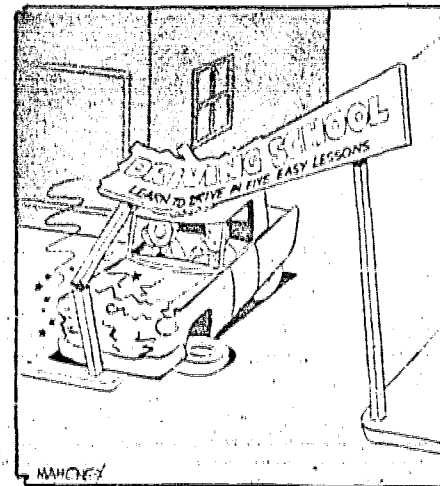

Dr. MacKay said those students who do not

elect to enter the sciences should at least have at their command "those implements of the scientific method which set us on our guard against the facile temptations of our own prejudices and predilections."

"The organization of science as a community of free, tolerant, yet alertly, critical inquirers, embodies in remarkable measure the ideals of a liberal civilization. In such a society, the discipline that fosters these qualities of mind must have a foremost place," Dr. MacKay said.

The UJC president suggested this approach for the college of tomorrow: "To endow the student with a disciplined curiosity of the world about him, to kindle his mind with the spirit of search and discovery, to fortify his judgment with wisdom and insight, all this is essential to the demands of tomorrow. But this is not enough. We must offer, most decidedly, an enjoyment of the sciences, an appreciation of that basic symmetrical elegance of the universe and its parts which delighted Descartes and inspired Edna St. Vincent Millay to exclaim that Euclid alone has looked on beauty bare. In the ecstatic capture of this long and ordered view emerges the hope that Man can rise above the forces of his environment and that somewhere in the Cosmos his own inquiring free mind encompasses the full measure of a divine plan. Outward and inward, telescope and microscope widen our horizons and liberate our aspirations."

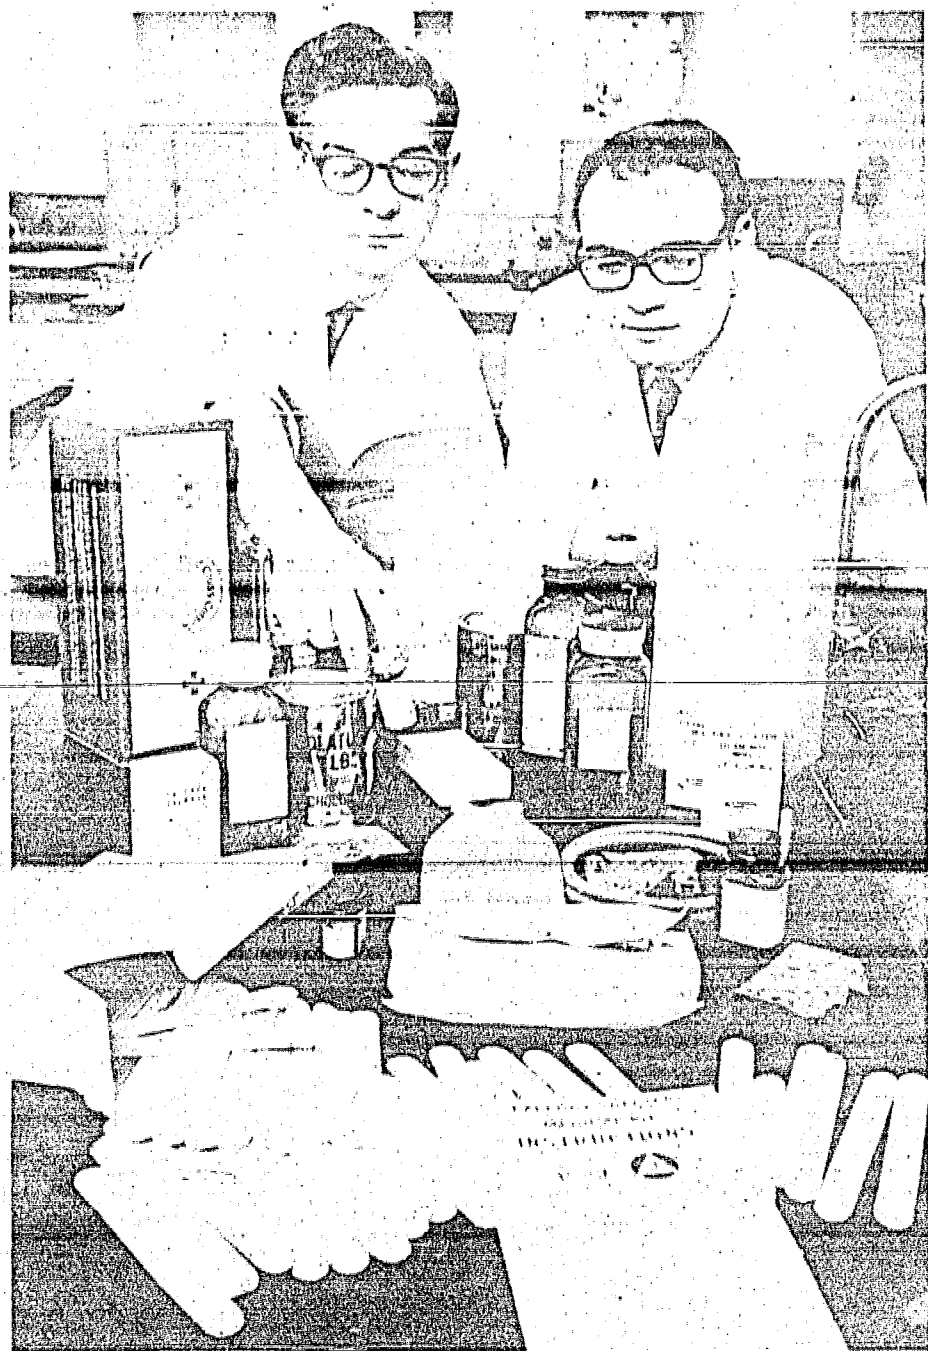

HALF-PAST TEEN

Nominating committee includes Mrs. Martin

Mrs. Ruth Martin of Roselle Park is a member of a nominating committee which was appointed at a recent meeting of the Garden State Chapter, WAC-Veterans Association.

In other business at the meeting held at the Legion Post Home, plans were discussed for a WAS birthday luncheon on May 14. Mrs. Vi Kennedy of Clark will be in charge.

PREPAREDNESS FOR PHARMACISTS--Professor Michael Iannarone of the Rutgers College of Pharmacy in Newark, and Salvatore J. Scialla of Waldwick, a senior at the State University's pharmacy school, inspect contents of box of pharmaceuticals stored for emergency disaster preparedness. Scialla is assisting Iannarone on a project on the role of the pharmacist in a natural disaster.

Rutgers team studies place of pharmacist in emergency

The Rutgers College of Pharmacy in Newark is one of the only two colleges in the country undertaking an intensive study of the greatly misunderstood role of the pharmacist in emergency mobilization in a time of natural disaster.

When disaster strikes on a calamitous scale, highly trained police, firemen and hospital personnel swing into action. The pharmacist is among those playing a vital part in a time of great emergency but all too often his talents are not being used either efficiently or well.

In fact, authorities believe there are some indications that the pharmacist himself is not always sure of his role in coping with disaster.

The program at the Rutgers College of Pharmacy to correct this potentially dangerous situation is under the direction of Michael Iannarone of East Orange, a professor of pharmaceutical microbiology and public health. He is working on a project designed to show the pharmacist how he can perform a significant role in emergency health mobilization.

He is being assisted in his research by Salvatore J. Scialla of Waldwick, a senior at the College of Pharmacy and John W. Blasecki, Jr., of Fair Lawn, a former student at the college.

Iannarone hopes that eventually it will be possible to integrate training for such emergencies into the existing pharmacy curriculum without creating an entirely new course.

"The pharmacist," says Iannarone, "can be responsible for the procurement, storage and dispensing of drugs; assistance in training the public in medical self-help and coordination of preparedness measures in case of an earthquake or hurricane, for example.

"His role is especially significant because the local pharmacist knows the people in his area who are diabetic, asthmatic, cardiac patients and chronically ill, and he can get drugs most quickly to these people in times of disaster."

Iannarone emphasized that, since the pharmacist is not a doctor, he would not prescribe drugs but he would work with the doctors and others as part of a health mobilization team.

The Rutgers project, assisted by a \$5,000 grant from the Division of Health Mobilization of the U. S. Public Health Service, was first recommended by the Committee on National Defense and Security of the American Pharmaceutical Association. The only other pharmacy college working on the program is at the University of Wisconsin.

The program will include advanced first-aid, medical self-help methods and working with drugs.

"Studies have shown," Iannarone said, "that a huge gray area exists in the pharmacy curriculum in the pharmacy student rarely, if ever, sees the effects of the drugs he handles. He never, as a professional, sees childbirth, shock or death."

Iannarone stressed that by observation under actual clinical conditions the student will acquire a greater awareness of himself as a member of a health team.

After the pharmacy student has had this medical self-help training it is hoped that he will teach others in the community. Practicing pharmacists will be able to acquire the same knowledge through the pharmacy college extension.

Iannarone said he hoped that no one got the idea that medical self-help training is designed only for use in case of a nuclear disaster. He stressed that emergency health service are also preparedness measures for natural disasters such as floods and hurricanes.

Club has first reading of revised constitution

The first reading of the revised constitution and by-laws of the Union County Coin Club, was presented by the Chairman of the committee Phil Burke and re-read by President Ed Kucharski to clarify and incorporate minor changes suggested by the members. A unanimous vote to accept the revisions resulted and if the second reading scheduled for the April meeting is passed, the new constitution is official. It was announced recently at a meeting in the Polish National Hall, Linden.

Malcolm Beatty was appointed to head a committee to investigate methods of using the State controlled raffle money in the treasury, for the advancement of education in numismatics. These funds were raised during the club's third annual coin show held in April 1965.

The next meeting will be held Tuesday and a guest speaker has been invited.

Patient sponsored for heart surgery

The Park-Union Guild of Deborah has announced that it will sponsor Mrs. Antoinette Mattricini of Roselle Park, who will be admitted to Deborah Hospital for heart surgery tomorrow.

Mrs. Jack Kamin, Mrs. Leonard Feller and Mrs. A. Jill Zadari, tag week chairmen, have conveyed their gratitude to the members for helping to make Roselle Park Tag Week a successful one. The chairmen have announced that a one-day tag event is scheduled for Kentworth on Sunday. Mrs. Kamin may be called at 686-2791 for additional information.

The guild has announced that reservations may be made for the donor affair scheduled for Wednesday at the Short Hills Caterers, Mrs. Jules Levine, president, and Mrs. Warren Cohen, vice-president, have reported that they expect a record attendance.

Summit Chorale to sing Beethoven's mass in C

The Summit Chorale, at its spring concert on Sunday, May 8, will present Beethoven's "Mass in C" as its major work. The solo quartet, chorus and orchestra specified in the score of this, one of Beethoven's two monumental choral works, will be conducted by Mark Orton. The performance will be in the Summit High School Auditorium, 125 Kent place Blvd., and will start at 8:30 p.m.

The program also includes a cantata by Pergolesi: "By the Waters of Babylon"; and a group of anthems by Purcell: "Let Mine Eyes Run Down", "Funeral Sentences", and "Lord, How Long Will Thou Be Angry". The Chorale draws its singers from many towns in the area. Among its members this season are Bill Crom and John Wroblewski of Mountainide, and Mrs. Lionel Mosing of Springfield.

Tickets will be available from members of the Chorale and at the door. Those wishing further information were asked to call 273-1594.

Deadline for enrolling for college readiness

Prof. Gunars Salins of Glen Ridge, director, announced this week that June 10 will be the deadline for college bound high school seniors to enroll in the College Readiness Program of Union Junior College, Cranford.

The four-week program which is designed to help prospective college freshmen adjust to college will open on Thursday, June 30, and will continue through Wednesday, July 27. Classes will meet daily, Monday through Friday, from 8:30 a.m. to 11:40 a.m.

The College Readiness Program carries no college credit, and is limited to high school graduates who are college bound, Prof. Salins explained.

The program features an orientation to college life, and provides a quick review of the basic skills -- reading, English composition, and problem solving -- to supplement what the high schools have done in those areas. The orientation portion of the program includes tips on how to study, how to take examinations, how to use the college library, how to take notes, and how to budget time.

Library unit of Gaudineer PTA works to step up reading interest

The reading and library service committee of the Florence M. Gaudineer Parent-Teacher Association has been very active this year. The prime objective of this committee is to establish libraries where none exist and to stimulate interest in reading. Since the Florence M. Gaudineer School is already equipped with a complete library, the committee, at this school, under the chairman, Mrs. Harold Alper, has concentrated its efforts on stimulating interest in reading through exhibits in the display case in the library lobby.

Judge will present remarks for PTA at meeting Monday

"Are we meeting the needs of the average child?" will be the discussion topic for the PTA meeting Monday at 8:15 p.m. at the Thelma Sandmeier School, Springfield. Guest speaker will be Judge Harold A. Ackerman, a Springfield resident and presiding judge of the Union County District Court.

Jo-Ann Rapuano, D. V. Coviello Jr. wed in Springfield

Jo-Ann Rapuano, daughter of Mr. and Mrs. Joseph Rapuano of 79 S. Maple ave., Springfield, became the bride of Daniel V. Coviello Jr., son of Mr. and Mrs. Daniel V. Coviello Sr., of 45 Park ave., Summit, on Sunday in St. James Church, Springfield.

An alumna of Rutgers University School of Law, Judge Ackerman was appointed a compensation court judge in 1956. He was named to the district court last year and was chosen as presiding judge on Feb. 1 of this year.

He has done much research on the subject of education and is a member of the National Committee for the Support of the Public Schools. Two of Judge Ackerman's children currently attend the Sandmeier School; a third is a student at the Florence Gaudineer School.

Heading committee for homecoming

Mrs. John Knodel of 215 Knollcrest dr., Mountainside, and Miss Ellen Vrabel of Westfield have been named co-chairmen of Homecoming Day for Caldwell College for Women. The event is scheduled June 11 on the campus in Caldwell.

The day's schedule will begin with Mass. Luncheon will be followed by round table discussions and an informal tour of the campus. After dinner special entertainment for the classes celebrating their fifth, 10th, 15th, and 20th anniversaries will be presented. Miss Nancy Carey of 1474 Fox trail, Mountainside, is serving on the committee.

being planned, including a geological collection, and the committee stated that it would appreciate the loan of collections or hobbies from people in the community.

The committee has also been performing a "necessary and rewarding duty," working in the library returning books to the shelves every day. The members of the committee, in addition to Mrs. Alper, are Mrs. Harold Ackerman, Mrs. William McDonald and Mrs. Lynn Marshall.

Next year's program will include several workshops for parents on subjects related to the problems and goals of reading for children in this age group.

Auxiliary reelects president; planning installation in May

Mrs. June Defino was re-elected president for the Ladies Auxiliary to the Veterans of Foreign Wars of Springfield, it was announced this week.

At a special meeting held at the Guy Bosworth Post American Legion, in Millburn the Ladies Auxiliary, Battle Hill Post 7883, held their election of officers. Nominated were: president, Mrs. De Fino; senior vice-president, Mrs. Charles Miller; junior vice-president, Mrs. Ann Briggs; secretary-treasurer, Mrs. Richard Muller; conductress, Mrs. William Summerer; captain, Mrs. Roy Hattersley; and patriotic instructor, Mrs. Catherine Phillips.

Trustees were also selected. They are: Mrs. Charles Miller, Mrs. Ann Briggs and Mrs. William Summerer. They will also serve as delegates to represent the Auxiliary at state and local affairs, along with Mrs. Richard Muller, Mrs. Edward Cardinal will serve as guard.

First color bearer will be Mrs. Dominick Casternovia; second, Mrs. Stanley Wisniewski; third, Mrs. Frank Rebel, and fourth, Mrs. Rud Jennings.

Installation of the newly appointed officers will take place next month at the regular meeting.

NCJW will install slate at luncheon

New officers of the Greater Westfield Section of the National Council of Jewish Women will be installed at a luncheon scheduled May 10 in Wieland's Steak House, Rt. 22, Mountainside. Mrs. David Amster, president of the Essex County Section, NCJW, will be the principal speaker.

The new slate was elected at the April meeting. Rabbi Reuben Levine showed slides on "Art in Jewish Life" at the session.

Newcomers install new officers at luncheon in Rod's Restaurant

Mrs. John Osborne was installed as president of the Mountainside Newcomers Club at a luncheon held recently at Rod's Restaurant, West Orange. Other officers for the next six month term are: Mrs. William Chinitz, vice-president; Mrs. John Harrington, recording secretary; Mrs. John Allan, corresponding secretary; Mrs. Richard Krebs, treasurer.

The outgoing president, Mrs. Edward Elste, presented corsages to the new officers and the following incoming committee chairmen: Mrs. Werner Hirschmann, bridge; Mrs. Joseph D'Altrui, bulletin; Mrs. William Cullen, child care; Mrs. Bruce Linck, civic representative; Mrs. Donald Jeka, director and hospitality; Mrs. John Crilly, hostess; Mrs. Jacob Madox, membership; Mrs. William Chinitz, program; Mrs. Joseph Huber, publicity; Mrs. Newell Clover, social activities; Mrs. John McCarthy, telephone.

Mrs. Robert Anderson was chairman of the luncheon and Mrs. Krebs co-chairman.

Mrs. Clover, former membership chairman, introduced three new members, Mrs. Robert Greeley, Mrs. Richard Dudley and Mrs. George Scholes.

Mrs. Joseph D'Altrui, outgoing program

Ladies' society planning its annual May luncheon

The annual May luncheon of the Ladies' Benevolent Society of the Springfield Presbyterian Church will be held next Wednesday in the dining room of the Presbyterian Parish House, at 12:30 p.m.

Mrs. Henry J. Brucker and Mrs. Charles F. Remlinger are in charge of arrangements. Mrs. Clifford W. Zimmer, president of the organization, will preside at the business portion of the meeting.

Mrs. Frederick E. Christian, wife of the pastor of the Westfield Presbyterian Church, will be the guest speaker. Mrs. Christian's topic will be "Under the Southern Cross." Dr. and Mrs. Christian have recently returned from a six weeks' stay in Africa where they observed the work of the Church on that continent.

MRS. VINCENT PAGANO

Trinity alumna, Vincent Pagano wed Saturday

Vincent J. Pagano, son of Mr. and Mrs. Albert Pagano, 163 Sunrise pkwy., Mountainside, was married Saturday afternoon to Miss Rosalind M. Caldwell, daughter of Mr. and Mrs. Hugh Caldwell of Plainfield.

The Rev. Michael J. Moran officiated at the ceremony held in St. Mary's Church, Plainfield. A reception followed in the Club Navajo, Irvington.

Miss Carlin Caldwell of Plainfield was honor attendant for her sister. Bridesmaids were Miss Roslyn Delaney of Newark, a cousin of the bride, Miss Alice Pagano, sister of the bridegroom, and Mrs. Matthew Malinowski of Clark.

Best man was Robert Booth of Clifton. Ronald Westrich of Westfield, Frank Torma Jr. of Mountainside and John Hall of South Orange ushered.

The newlyweds are both graduates of Holy Trinity High School, Westfield. The bride is employed by Wilkerson-Sword Inc., Mountainside. Mr. Pagano is a member of the Westfield National Guard.

After a honeymoon in Bermuda, the couple will live in Regency Village, North Plainfield.

Officers elected for next season by Mountainside Woman's Club

Officers for 1966-67 were elected by members of the Mountainside Woman's Club at a meeting held April 20 at the Mountainside Inn.

The officers, who will be installed in May, are: Mrs. Michael S. Sparro, re-elected president; Mrs. D. Wallace Alcott, first vice-president in charge of ways and means; Mrs. Fred Young, second vice president; program; Mrs. Harry Brannin, treasurer; Mrs. Frank Crater, recording secretary; and Mrs. Melvin Lemmerhirt, corresponding secretary.

Mrs. Sparro introduced Mrs. J. Nelson Abbott of Elizabeth, sixth District vice president, who complimented the local club on its enthusiastic membership.

Mrs. Donald Hancock, corresponding secretary, announced that on Sunday the new Federation Headquarters Building on Douglass College campus will be dedicated. This is the building made possible by stamp books and contributions of members of the N. J. State Federated Women's Clubs. Members and guests are invited to attend, she said.

The local club donated another \$70 to the Linda Clark Fund, making a total contribution of \$145. Special recognition was given Douglas Beam of Wood Valley Road, husband of the youth conservation chairman, who donated the handmade wooden articles which were sold for this project.

Mrs. Matthew Vallis, program chairman, reminded members of the card party to be

held tonight at the Westfield Woman's Club. Mrs. D. Wallace Alcott is chairman for this final charity affair of the season. Tickets are still available, she said.

Two new members were introduced by Mrs. Harry V. Kamf Jr., membership chairman. Mrs. Arthur H. Winters and Mrs. Marcel E. Wagner were presented corsages and welcomed into the club.

Mrs. Richard Kapke, chairman of the day, arranged a homesewing and knitting fashion show and a cake-testing contest. As she introduced the chairman of the various departments, each gave a brief resume of her department's activities and called attention to the various handicrafts, needlework, flower arrangements and art work on display. Departments represented were: American Home, Mrs. Charles Beecher; Art and Garden, Mrs. C. Gordon Green; Evening Department, Mrs. Geoffrey Bruckhaus, and Music, Mrs. John Siseki.

The May meeting will be held at Stouffer's in Short Hills. Members were invited to bring guests.

Hadassah installs officers Monday

Two Mountainside women are among the new officers of the Westfield Chapter of Hadassah who will be installed at a luncheon to be held Monday in the Chanticleer, Millburn. Mrs. Mildred Wasch of Mountainside will be installed as treasurer and Mrs. Ernest Robinson of Mountainside as corresponding secretary.

Two members of the Mountainside Music Association, Mrs. Scotty Rest and Fred Messina, will provide the entertainment.

Several other borough residents were among the delegation from the area chapter who attended the spring conference of the Northern N.J. Regional Hadassah earlier this week. The three-day conference opened Monday in Saltz's Hotel, Mt. Freedom.

Bridal showers are held to honor Miss Marano

Miss Carol Jane Marano of 301 Northview ter., Springfield was guest of honor at a recent surprise bridal shower given by Mrs. Stanley Sanders of Colonia.

She was also feted at a bridal tea on April 24 at the home of her aunt, Mrs. Frank Christiano of West Orange. Another aunt, Mrs. Peter De Laurentis of Mountainside, was co-hostess.

The wedding of Miss Marano and Mrs. Richard Johnson will take place on June 25 in St. James Catholic Church, Springfield.

Mrs. Bradie hosts 'pace setter' lunch

Mrs. Mitchell Bradie of Puddingstone lane, Mountainside, will host the "pace-setters" luncheon to be held May 12 under the sponsorship of the Westfield Women's Division of the United Jewish Appeal.

The "pace-setters" luncheon is one of several events planned under the leadership of Mrs. Samuel Lerman, chairman of the Westfield campaign of the Women's Division of the UJA.

WATER for BETTER LIVING

Public fire protection wasn't always as good as it is today. What we now take for granted was many years in the making. The knowledge and inventiveness of water system engineers. The skills and experience of the equipment makers. The first-hand know-how of the fire fighters. It took all these, and more, to develop the high standards of fire protection we have come to expect. An important milestone along the way was the perfection of the high-pressure public water supply system. This is the type of system that serves our community well and provides the best possible protection against the awful menace of serious fire.

HOME OF THE WEEK:

Ease Of Commuting Is Big Factor

In Sales Of Franklin Village Homes

Jefferson 8-room Colonial model at Franklin Village is one of 3 models selling from \$24,490 to \$25,490. This model, combining the best in split level and ranch designs, features 4 bedrooms, 2 baths, a 2-car garage and full basement.

Probably the first question asked by today's new homeseeker (particularly by the family's breadwinner) is—"what about commuting?" Far from being a deterrent, the answer to the commuting problem at Franklin Village has been the biggest factor in sales, according to the builder, Will Getter.
Located off Easton Avenue in Franklin Township, a few minutes away from the heart of New Brunswick, Franklin Village is located in "the transportation hub" of New Jersey. New highways plus frequent buses and trains make the difference, Getter points out. To back up the generalization, he cites the following timetable:
39 minutes to New York City via the Pennsylvania Railroad
28 minutes to Newark via the Pennsy
40 minutes to the Union-Irvington area via the Garden State Parkway and the new Interstate 287.
In addition, New Brunswick, with its many cultural advantages and shopping facilities, is only 3 minutes away and the Jersey Shore within a half hour drive

from Franklin Village.
Three models are available at Franklin Village selling from \$24,490 to \$25,490. The "Jefferson" 8-room Colonial model, combining the best in split level and ranch designs, features 4 bedrooms, 2 baths, a 19 foot living room, recreation room, 2 car garage and full basement. The home sells for \$25,490.
This model is also available at \$26,490 with a "package" including electric heat with each room thermostatically controlled, storm doors and screens, insulated window wall in the recreation room, electric hot water heater, and electric oven and range.
The "Adams" selling for \$24,990, is a 2-story Colonial model with 4 bedrooms and 2 baths on the second floor.
The "Hancock" at \$24,490 is a contemporary split level model with a wide portico. A choice is available in this model of 4 bedrooms or a 3 bedroom plan with dressing suite.
Brounell and Kramer of Union are the sales agents.
