No appeal to date on school cut

Board seen ready to accept reduction

The Mountainside Board of Education reportedly will not appeal the Borough Council's decision to trim \$20,000 from the defeated 1977-78 school budget.

The board, which has until Monday to file an appeal with the State Department of Education through Commissioner Fred Burke, held a work session Tuesday night, but no vote was taken on the budget cut. A decision is expected at the regular monthly meeting May 10 if no action is taken in the interim.

Five members of the board — William Biunno, Charles Speth, Patricia Knodel, Peg Reilly and Dr. Arthur Williams — were present at this week's meeting, and sources reported that the consensus appeared to be that there would be no appeal.

The board's current expense tally of \$1,679,175 went down to defeat March 28 in the annual school election by a vote of 907 to 690. On April 12, on a 4-1 vote, with Councilman William Cullen dissenting, the governing body ordered the \$20,000 reduction.

The Borough Council has authority to set one reduction figure, but the Board of Education retains the right to decide where the cuts should be made in the budget's line items. There was no discussion at last week's board meeting on any proposals regarding this.

Two of the winning candidates in the board election, Speth and Mrs. Knodel, campaigned on a platform opposing the budget total. The third, Dr. Williams, was in favor of the tally. The budget defeat has spurred apparent dissension on the board and within the borough, as evidenced by statements and letters, pro and con, sent to the Echo on the issue.

Weekend vote is scheduled by Parish Council

The Parish Council of Our Lady of Lourdes, Mountainside, nearing the completion of its first term, is preparing for the election of six new members to the council from parishioners nominated to serve.

The council consists of 12 elected adult members and two elected youth representatives, two lay trustees, two appointed pastoral representatives and 12 ex-officio members.

The election will be held in the school auditorium Saturday after the 7 p.m. Mass and after each Mass Sunday. Resumes of the nominees running for election to the council have been placed on the Parish Council bulletin board near the entrance to the school auditorium.

Two youth representatives also will be up for reelection.

Health fair set June 4 at Deerfield

The Mountainside Rescue Squad will sponsor a health fair June 4 from 10 a.m. to 4 p.m. at Deerfield School, Central avenue, Mountainside.

Some of the organizations which will be represented are the National Commission on Alcoholism; Union County Department of Prevention Drug Abuse and Narcotic Addiction; American Heart Association, Union County Chapter; Planned Parenthood; Union County Association for Retarded Citizens; Epilepsy Foundation, State of New Jersey; Medic I of Overlook Hospital; Springfield, Westfield and Scotch Plains Rescue Squads.

Free tests will be offered, including hearing tests for ages 5 and up and eye testing.

The Boy Scouts of Mountainside will sell hot dogs and other items. There will be free babysitting.

Library offers Cooper movie

"Farewell to Arms" will be shown at the Free Public Library of Mountainside Tuesday, May 3. Residents of Mountainside are invited to see this free movie, at 7:15 p.m. in the Emma Weber Meeting Room in the library. Children under 14 must be accompanied by an adult.

"Farewell to Arms," based on the novel by Ernest Hemingway, is the tragic love story of an American ambulance driver and an English nurse who meet on the Italian front during World War I.

The 1933 film stars Helen Hayes, Gary Cooper and Adolphe Menjou and won an Academy Award.

School rebates are being sent

School tax rebates are being mailed to all local property owners this week, according to Mountainside Tax Collector Ruth Gibadlo. Funds for recipients whose addresses are unknown will be held for two years. Property owners owing taxes will have the rebates applied directly to those taxes, including net interest due.

Any properties which had their evaluations changed during 1976 will receive refunds on the basis of the adjusted evaluation.

PTA program on alcoholism

The Mountainside PTA has announced the winners of a poster contest it sponsored in connection with its Country Fair, to be held May 7 from 11 a.m. to 4 p.m. at the Deerfield School.

Winners in the kindergarten-third grade category were: Todd Damon, first place; Steve Boinhak, second; Kathleen Fitzgibbon, third, and David Brahm, fourth.

Fourth and fifth grade winners were: Laura Bailey, first place; Amy VanPelt, second; Ted McLaughlin, third, and Teresa Clement, fourth.

The winning artists from the sixth through eighth grade category were: Vincent VanPelt, first place; Susan Michalski, second; Sheri McIntyre, third, and Bonnie Whitbred, fourth.

Contest judges were William Hummel, Susan Collier, Barbara Swanson and Ann Gerding.

24th season starts for Little Leaguers

The 24th season of organized league baseball in Mountainside opened last Saturday with a parade of 400 children led by the Jonathan Dayton High School Marching Band, and followed by fire and rescue squad trucks. Sportsmen, spectators and local dignitaries marched to the Little League fields and prepared for a full afternoon of games.

Action began on the Major League Field with the Vikings vs. the Mets. Gary Kane pitched a near flawless game for the Mets, hurling 15 strikeouts and allowing no hits in leading his team to a 7-1 victory.

The Braves won a hard-fought ball game behind the pitching of Greg Van Name and Jimmy Cleveland. These boys, Jimmy Dascoli and Anthony Mazzucco, contributed hard hitting to overpower the Mustangs, 17-11. Ricky Julian and Andrew Grett provided strong pitching and hitting for the Mustangs.

In other Major League action the Cubs outscored the Twins, 12-10. Cub Doug Adams turned in a fine performance at the plate and in the field, hitting his first home run of the season. In the outfield, Cub Chris Burrows made a spectacular running diving catch of a line drive.

The only team to play a doubleheader, the Cubs next met a tougher opponent, the Orioles. Mike

PTA presents poster prizes

The Mountainside PTA will present a special program tonight at 8 at the Beechwood School, Woodacres drive.

The program "Alcoholism—A Family Affair," will be presented by Theresa McGeary. Mrs. McGeary has 16 years' experience in the field of rehabilitation counseling, and seven years at the Union County Alcohol Information Center in Westfield.

All residents have been urged to attend. Refreshments will be served. PTA officers for the coming year will be elected.

Dalhauser led the Orioles' attack with fine pitching and three-for-three hitting, including one home run. Jeff Ahlholm provided good relief pitching for the win, 15-6.

The final Major League game saw a four-inning pitching duel between Kirk Yoggy for the Blue Stars and Robert Sefack for the Dodgers. The fifth inning provided a break for the Blue Stars, when they tallied two runs. Kirk Yoggy went all the way, allowing only one hit and fanning 13 men, earning the 3-1 win.

In the opening game of the American League, the Yankees defeated the Cardinals, 4-3. Cardinal scoring came on a home run by Mark Garretson, and good hitting by David Kadish. Mark Franciosa, Joseph Grande, Michael Mazzucca and Mark O'Donnell contributed solid hitting for the Yankee victory.

The Angels beat the Brewers, 3-2. The Connell brothers, Duane and Shane, led the Yankee batting power. Opposing pitchers were Yankee Ed Prerz-Santella and Brewer Tim Van Name. In the final American League game, the Royals defeated the Reds, 6-4. Elizabeth Schram carried the honors for the girls by smashing a home run for the Royals. Winning pitchers were Mike Wood and Scott Goldenberg.

In the only game in the new Pony League, the Colts defeated the Pintos.

On the Senior League field, two games were played. In the first, the Indians won a solid victory over the Twins, 14-4. Tom Huelbig was the winning pitcher, with seven strikeouts and only five hits. The Mountainside Red Socks, led by pitcher Chucker Dooley, defeated the Springfield Stanleys, 5-3.

DeMasi named new member of hospital board

Dr. Jerome V. DeMasi of Mountainside has been named to the board of directors of Memorial General Hospital, Union, it was announced by Murray J. Rubin, board president and chief executive officer of the hospital.

Dr. DeMasi, the first physician named to the board, is a general practitioner in Garwood and an attending member of the hospital's medical staff.

He attended Colgate University, graduated from Wagner College and did postgraduate work at the University of Kentucky and Wagner. He also graduated from Kirksville College of Osteopathic Medicine and served his internship at Zieger-Botsford Hospitals, Detroit.

A past treasurer of the Memorial General Hospital medical staff, Dr. DeMasi also is a member of the medical staff of Rahway Hospital. He is a member of the American Osteopathic Association and the New Jersey Association of Osteopathic Physicians, and is past president of the Union County Osteopathic Medical Society.

Dr. DeMasi also is a member of the Watchung Power Squadron, Community Presbyterian Church in Mountainside, Phi Sigma Kappa Fraternity and Theta Psi Fraternity, of which he served as president.

He and his wife, the former Constance Young, have three children: Debra, 13; Paul, 9; and Daniel, 6.

SCIENTIFIC AMERICAN — Kemper Morse of Mountainside will be among the student hosts at the fourth annual Science Exposition at Kean College, Union, on Saturday, May 7. From 11 a.m. to 2 p.m., faculty exhibits and projects submitted by high schoolers will be on display. At 2, Prof. Alex Hall will present a lecture on the possibility of life elsewhere in the universe. A chemical magic show also is scheduled.

Letters to the Editor

'FACTUAL RESPONSE'

A letter in last week's Mountainside Echo, defending the negative campaign of the Speth-Knodel ticket for the local school board, contained some misinformation that prompts a factual response. It also reiterates some questionable opinions that fly in the face of this ticket's recent letter pledging to "listen" to all points of view in the community.

First, as a professional educator, I know that people are readily confused by insinuations that low teacher-pupil ratios are synonymous with small class sizes. This inference was made during the campaign, and to suggest that Mountainside residents refer to college catalogues to unscramble their thinking does not answer the original accusation of deception.

Concerning kindergarten aides, I am concerned for the welfare of our youngest students when we start bragging about Mountainside equaling the state's "maximum" for kindergartens of 25 in each of our two sections.

Mrs. Knodel claimed that Mountainside's school budget was defeated while the Regional budget passed because one offered a tax reduction and the other did not. This is totally misleading.

The facts are these: Mountainside's share of the Regional budget was \$1,810,225.85 in 1976-1977, while our local budget was a very close \$1,849,692. These figures represent the exact dollars that made up Mountainside's school tax levy in 1976-1977. The county superintendent will verify that the school tax levy that was proposed for 1977-1978 by both Regional's budget and the local budget was less than \$1,800,000.

Therefore, they both went down, although only the local budget went down to defeat. The question of dollars had absolutely nothing to do with our budget's defeat. It was campaign negativism that killed our budget.

The article claims that constant fiscal negativism has not yet managed to adversely affect property values in Mountainside. To assume that this good luck will continue forever is an opinion I do not share. A good reputation takes years and years to build and it conversely takes years and years to tear it down. If this town continues to vote for fiscal negativism, in and of itself, then Mrs. Knodel's friends, who want

Letters to the editor must be received no later than noon on Monday of the week they are to appear. They should not exceed 350 words and should be typed with double spacing between all lines (not all in capital letters, please). property values to decrease so their taxes will supposedly decrease, will have partially succeeded.

But if assessed property values decrease, then tax rates proportionally increase so that tax collections represent at least the same total dollars. Therefore, although Mountainside's property values may decline, our taxes will not decrease, in spite of Mrs. Knodel's implications to the contrary.

Although I firmly believe that all citizens get the quality of government they deserve, I too have faith that Mountainside's residents are not ignorant and will more closely review the arguments put forth by all candidates in the future.

SCHOOL BUDGET COMMENTS

To understand the campaign that Mrs. Pat Knodel and Charles Speth waged against the Mountainside school budget, look at the handbill they distributed on March 27. It speaks for itself.

The handbill says: "Teacher-pupil ratio; less than 15 children to a teacher!" No mention of what Mrs. Knodel or Mr. Speth "meant" or that the average class size is more than 22.

The handbill says: "A \$100,235 or 5.4 percent increase in current expenses at the same time the enrollment is dropping by 100 children, or 11 percent!" No explanation that Mrs. Knodel and Mr. Speth "meant" budgeted enrollment or that next year's budget foresees a decrease of 50 pupils from the present actual enrollment.

"Cognizant" or not, any reader can see from this the misleading conclusions that Mrs. Knodel and Mr. Speth wanted voters to jump to.

Now, let's look at what they said about specific budget cuts after they were elected.

Right after the ballot count on March 29, Mr. Speth told me he had an itemized list of \$100,000 in budget cuts to give the Borough Council—even though he had never proposed these items to the school board. I urged him to make the list public. When the school board met with the Borough Council on April 7, he had every opportunity to offer his list. He didn't. Why? "Nobody asked me to," said Mr. Speth, after the meeting had broken up. The public still hasn't seen that list.

As a "cognizant" candidate, Mrs. Knodel didn't have any questions or any proposals at the school board's public budget hearing on March 1. When she, as a board member, met with the Borough Council on April 7, she made an amazing statement. She said she hadn't had a chance to study the budget thoroughly enough to pick out its specific excesses. She was sure, though, that "many areas could be cut."

The crowning touch to all these generalities came April 12, when the Borough Council, in a special public session, deliberated and then directed the school board to cut \$20,000 from the \$1,966,686 budget. Mrs. Knodel and Mr. Speth weren't there at all.

I appeal to all thoughtful Mountainsiders to come to our school board meetings and see for yourselves what we do. Please don't hesitate to call me, at any reasonable hour, with questions, comments, or criticisms. The number is 232-7513.

DEMOCRATIC CANDIDATES—Democratic legislative candidates from District 22 meet to discuss plans for coming campaign. From left: Mel Chilwich of Clark, Assembly candidate; Harry Pappas of Springfield, Senate hopeful, and James Spagnoli of Scotch Plains, Assembly candidate.

Democratic hopefuls vow active campaign

The Democratic legislative candidates in District 22 have pledged to wage "the most active and vigorous campaign ever seen in this district."

Harry Pappas of Springfield, candidate for the State Senate, James Spagnoli of Scotch Plains and Mel Chilwich of Clark, Assembly candidates, promised to make a "unified and concerted effort to demonstrate that we are better qualified than our opponents to represent the citizens of Springfield, Mountainside, Clark, Rahway, Scotch Plains, Fanwood, Plainfield, Berkeley Heights, Chatham Township and Kenilworth in Trenton.

"We are convinced that the concerned citizens in these communities will respond to the type of issue-oriented campaign that we will run as a team," they continued. "Our active involvement in the communities we hope to represent has proven to our satisfaction that the voters in District 22 are discerning enough to look beyond party labels to an individual's abilities and stands on the vital matters of the day."

Pappas, a 32-year-old native of West Orange, is owner of Fedco-Fab Corp. and Federal Restaurant Supply Co., both of Newark, in addition to serving full time as county purchasing agent. He has worked on the national campaigns of the late Sen. Robert F. Kennedy and Sen. Hubert Humphrey. Before becoming a state coordinator for ethnic groups working in behalf of the reelection campaign of U.S. Senator Harrison A. Williams last year, he was involved in the Democratic presidential primary campaign.

Pappas also serves as chairman of both the New Jersey and Union County Young Dems Advisory Board. He is a

former state coordinator of the Governor's Youth Task Force under Richard Hughes.

Pappas is chairman of the State Association of County Purchasing Agents and a former board member of the New Jersey Opera Company and the Dental Manpower Development Corp. He is a former member of the State Committee for the National Jewish Hospital in Denver and was active with the Columbus Day Parade in Newark. He is married to Joanne Rajoppi, mayor of Springfield.

Spagnoli, 33, was graduated from Seton Hall University and Seton Hall Law School. A member of the Union County and New Jersey Bar Associations, he is a partner in the law firm of Spagnoli and Thuring of Elizabeth and Kearny.

Spagnoli is a former assistant Union County prosecutor and former municipal prosecutor in Springfield. He also is a former law secretary to Superior Court Judge William Considine. Before opening his own office, he was associated with the Elizabeth law firm of Rinaldo and Rinaldo.

He is a member of the National District Attorneys Association, Unico National and Amico. Spagnoli holds a silver life membership in the Policemen's Benevolent Association. Chilwich, 34, has been a resident of Clark since 1969. He earned his bachelor's degree from Grinnell College in Iowa and his law degree from Washington College of Law at American University in Washington, D.C.

He is a member of the National Young Leadership Cabinet of the United Jewish Appeal and past president of the Clark Chapter of B'nai B'rith. He "served as" secretary of Temple Beth Or in Clark. Chilwich also has been active as a Little League coach in Clark.

Nursery has summer term

The Kent Place Nursery school, Summit, under the direction of Valerie Chapman Gale, will hold a full schedule of co-educational nursery programs June 6 through July 29.

For students aged 2½ years to pre-kindergarten, the school will offer "Creative Nursery Adventures," including art, woodworking, music, stories, games, dramatic play, outdoor play and field trips. Parents may select two, three, four or five Day programs, all of which meet from 9 to 11:30 a.m.

For students aged 18 months to 2½ years and their mothers, there is the "Mother-Toddler" program. Classes meet two consecutive days a week, from 9 to 11 a.m.

In addition, Mrs. Gale will offer an "Exploring Early Childhood" course, designed to help train junior and senior high school students as babysitters and camp counselors.

For brochures and applications for the summer session, readers may contact Mrs. Gale, c/o Kent Place School, Norwood avenue, Summit, 07901; telephone, 273-0900.

Vets give plans for poppy sale

"More than one-half of the net proceeds received from the sale of Buddy Poppies remains here in our own community to meet the calls from needy veterans," Commander Vincent J. Vitollo of the Mountainside V.F.W. Post stated in announcing plans for the annual sale of Buddy Poppies on the streets of Mountainside.

"The post maintains a relief fund into which is placed all net profits received from the sale of Buddy Poppies," Commander Vitollo said. "This fund is available to meet any calls for relief from our local veterans."

As in previous years, these symbolic flowers of Flanders Field will be sold on the streets by a group of volunteer members of the V.F.W. Post and members of its Ladies Auxiliary. They will be assisted by volunteer workers from youth groups in the community.

"Most of the money that we collect in this sale will remain right here in our own community, to help finance the relief and welfare work which we have undertaken in behalf of our own veterans in need, and their dependents," explained Vitollo.

"The balance of the proceeds of the annual Buddy Poppy sale is used to help maintain the nationwide rehabilitation service of our organization." "For example, we contribute one penny for each Buddy Poppy sold to the operation of the V.F.W. National Home for windows and orphans at Eaton Rapids, Michigan. This is the only home of its kind in the world, founded in 1925."

Concert scheduled by Summit Choral

The Summit Choral will present its last concert of the season, Johannes Brahms' "Ein Duetsches Requiem," Saturday at 8 p.m. in the auditorium of New Providence High School, Pioneer road, New Providence.

BE CAREFUL

Television is a welcome companion for many senior citizens. But it can also bring trouble. It is estimated there may be as many as 10,000 television fires in this country each year.

Covering the ventilation openings by placing the set too close to the wall, radiator, or a piece of furniture is unsafe. Excessive heat can build up within the cabinet and start a fire.

Electrical outlets and cords should be kept in good repair. Don't put containers of water or other liquids on the television sets. These could spill and cause short circuits which can create fire and shock hazards.

If you leave home overnight, unplug the television set from the wall outlet. If you are on a cable or connected to an external antenna, also disconnect these. This will prevent a possible television fire hazard which could develop from a lightning storm or electrical power surge.

Pastor Bennett to speak at fellowship day lunch

The Rev. Judith Bennett, pastor of Gladstone United Methodist Church, Gladstone, will be the guest speaker at the Westfield Church Women United's May fellowship day on May 6 at the Westfield Presbyterian Church, 140 Mountain ave., following a 12:45 luncheon in the church assembly hall.
Mrs. Bennett entered the pastoral ministry three years ago after raising four children and a career that has ranged from reporter-photographer-

editor for a Cornwell, N.Y., paper to teacher in both public and private schools.

Prior to entering the ministry, Mrs. Bennett studied ballet, jazz and modern dance, specifically the Martha Graham and Holm techniques, in New York City.

This interest in dance continued, first as a liturgical dancer with Drew Theological School, Madison, where she earned her master of divinity degree, and then with various workshops in creative movement as a form of religious expression. She continues to direct dance choirs, among them one in her own church in Gladstone. She was for many years on the board of directors of the Sacred Dance Guild.

Ticket deadline is tomorrow. Tickets are available from the ticket chairman, Mrs. Clarence Clark, Trinity place, Westfield, or from any of the 11 member churches of the Westfield-area Church Women United. Child care will be provided.

Ladies' group to sponsor 'Donation Day' next week

The Ladies' Evening Group of the Springfield Presbyterian Church will sponsor a "Donation Day" at the A & P, Morris avenue, Union, next Wednesday.

A portion of purchases made in the

Borish-Slater troth is pledged

RACHEL R. BORISH

Announcement has been made of the engagement of Rachel Remez Borish, daughter of Mr. and Mrs. Bernard M. Borish of Philadelphia, to Jeffrey Lynn Slater, son of Mr. and Mrs. Jack M. Slater of Springfield.

Miss Borish, a graduate of Cornell University, spent her junior year studying at the Sorbonne and the Conservatoire Rachmaninoff in Paris. She manages her own business, baking and wholesaling Rachel's Brownies.

Her fiance was graduated cum laude from the University of Pennsylvania and received a master's degree from the Annenberg School of Communications at that university. He is advertising manager of House Plants & Porch Gardens magazine, a national horticultural publication.
A September wedding is planned.

name of the Evening Group will be donated by the A & P toward the benevolence fund of the Evening Group. This fund assists such projects as the Buckhorn Children's Center, Buckhorn, Ky.; John Hyson Memorial School, Chimayo, N.M.; and the Anna Jackman Mission Boat of Alaska.

Members of the Evening Group, under the leadership of the chairman, Virginia Moore, will be at the store on Wednesday with sign-up cards.

"Dinner Is Served" will be presented by the Evening Group on Friday, May 6, at 6 p.m. in the Presbyterian Parish House dining room, 37 Church Mall. Tickets, at \$3 each, may be purchased from members of the group, from Frieda Klein, ticket chairman (688-7948), or at the church office (379-4320).

A three-course buffet will be served. Those attending will be introduced to unusual foods and household products by Paula Hoffman, the local representative of "Luncheon"—or, in this case—"Dinner Is Served." In the past 30 years, Luncheon Is Served has helped women's organizations raise more than \$20 million. Rita Garafola is chairman of this fund-raising project.

Daughter for Kralls

Mr. and Mrs. Jeffrey Krall of Randolph are the parents of a daughter, Meredith Lynn, born April 6 in Morristown Memorial Hospital. The new arrival, who weighed 6 lbs 2 oz., joins a sister and a brother. Mrs. Krall is the former Phyllis Shtafman of Springfield.

Local women's unit to install its officers

The Springfield Woman's Club will meet Wednesday at 8 p.m. at the Sarah Bailey Civic Center to install officers and chairmen for the coming year. Program chairman Mildred Levens has planned a demonstration, to be presented by Mrs. Michael Kraszczuk, on "Ukrainian Egg Decorating."

Mrs. Stanley Grossman, hospitality chairman, is in charge of refreshments. The table centerpiece will be by Mrs. Walter Anderson.

Aquatic mini-courses to start at Summit Y

Spring aquatic mini-courses beginning next week at the Summit Area YMCA include competitive

swimming and diving clinics, synchronized swimming, scuba and skin diving, and a new aquatic "potpourri" course. Advance registration is required for the eight-week sessions, and a course fee is charged.

Summit Y program

The Summit Area YMCA is taking registrations for its summer program for preschool boys and girls.

KinderKlub for 4-7-year-olds, directed by Mrs. Joseph Caporaso, operates at the Y building (67 Maple st.) Monday-Friday, 9 a.m.-noon, in one-week sessions June 27-Aug. 19.

Seven-year-olds are being enrolled for the first time, and children will be grouped according to age.

KinderKlub features swim instruction and recreational swimming, a physical education program, outdoor fun, hiking, nature study, arts, crafts, games, field trips and special events.

Leadership for the preschool program is provided by an experienced staff and YMCA-certified aquatic instructors. Readers may call 273-3330 for brochures and further information.

Making sure

A tough top sergeant glared at the rookie recruit and shouted, "What's the first thing you do when you clean a rifle?" "Look at the serial number," was the meek reply. "Why do you do that?" demanded the sergeant. "To make sure I'm cleaning my own rifle," the recruit explained.

Meeting to be held by Regional board

The Union County Regional High School District Board of Education will hold its regular monthly business meeting on Tuesday at 8 p.m. in the Instructional Media Center of the Arthur L. Johnson Regional High School, Westfield avenue, Clark. The public has been invited.

Congregation to fete Warner as man of year

David L. Warner, who is completing his fourth year as president of Congregation Israel of Springfield, has been chosen as "Man of the Year" to be honored at the congregation's annual tribute banquet, it was announced by Jack H. Stifelman, general chairman of the event. The banquet, scheduled to be held Wednesday, May 18, at Patricia's Caterers, Livingston, will also mark the start of construction of the congregation's synagogue center and religious school at Mountain avenue and Shunpike road in Springfield.

The first youth group Warner formed was a teenage congregation and club in the Knesseth Israel Synagogue on Bergen Street in Newark. He then founded the South Ward Boys Club unit, organizing a board of directors from his friends and associates and raising funds to purchase and to remodel a headquarters.

Warner has also served as president of the New Jersey State Area Council of the Boys Clubs of America. He has received the silver keystone award, the highest honor given by the Boys Club of America movement.

Warner was president for a number of years of Congregation Israel of Newark and Congregation Knesseth Israel, predecessors of the Springfield synagogue.

He has served as orthy patron of the Newark Link for the Order of the Golden Chain, was chairman of youth activities of the Newark Kiwanis chapter, and has been active in many other community service groups and causes.

Congregation Israel conducts a full program of services and activities in its present quarters on the Mountain avenue site. Arrangements have been made to house these activities in temporary facilities during the construction of its permanent synagogue.

class meets Monday Evenings for eight sessions beginning on Monday.

A new spring session of Scuba and skin diving for adults and youths over 15 will begin Monday, May 9, from 7:30-10 p.m., for 10 weeks. The May 9 session will be a free demonstration for all interested in participating.

Readers may call the YMCA, 273-3330, for further details.

Cadettes take trip

Springfield Girl Scout Cadette Troop 273 spent four days of their school vacation at Rocking Horse Ranch in Highland, N.Y. The scouts who went were Carol Corcoran, Kathy Eckman, Janet Hoffman, Sharon and Lisa Dispenza, Leslie Thomas, Barbara Ernst, Donna Russo, Mrs. Anthony Capone, Roseann and Virginia Capone and Mrs. Lee Andrews.

Brownie Troop 753 recently visited the police station, fire house and first aid building.

Springfield Girl Scouts are preparing for camp. The scouts will go to Kamp Kiamasha near Culver's Lake the weekend of May 20. The girls will sleep in cabins and cook all of their food out of doors. They will work on badges and go boating on the lake. Senior, Cadette, Junior and third grade Brownies will go. Camp chairman is Mrs. Henry Huneke.

Students in concert

The Northeastern Bible College Concert Choir will present its spring concert Friday, May 13, at 8 p.m. in the Anderson Chapel on Northeastern's campus, Oak lane, Essex Fells.

The Concert Choir will present church music selected from all periods of music history, including "Glorious Everlasting," "I Hear A Voice A-Prayin'," and "The Last Words of David."

Members of the 50-voice concert choir are selected from the student body by audition, and are representative of many states and foreign countries. The choir recently completed two spring tours throughout the New England states and the Washington-Baltimore area.

Overlook will present final career program

Students from 18 high schools will learn about career opportunities in the fields of physical therapy, occupational therapy, inhalation therapy and speech therapy at Overlook Hospital's Multi-Therapy Day on Tuesday.

This is the last in a series of five days throughout the year devoted to health career recruitment in a program sponsored by the Overlook Auxiliary. Mrs. Edward Torter of Pitt road, Springfield, is local representative.

Multi-Therapy Day will begin at 9:30 a.m. in the Overlook auditorium. Staff professionals on Overlook's health team will present their specialties through workshop sessions and tours of their departments, followed by question and answer periods.

A film entitled "The Way Back" will demonstrate how the different therapies work together for patient

rehabilitation. Dr. Frank Foca, chief of psychiatry, will speak on "The Value of Multi-Discipline Teamwork."

Other participants will include: Mrs. Donald Tanguay, chairman of the Overlook Auxiliary health career committee; George Solovay, clinical instructor, cardiopulmonary department; Judy Crosby, chief occupational therapist; Rita Brounstein, senior physical therapist; Sharon O'Connor, staff therapist; John Buckley, director of speech and hearing; Denise Hamrah, speech therapist and Mary E. Sullivan, psychiatric occupational therapist.

Earlier career days have focused on the fields of nursing, future physicians, radiology and laboratory technology, with some 100 young people from 18 area high schools attending each session.

Bulldogs score, 5-2; face W. Orange today

By MICHAEL PETRO

The Jonathan Dayton Regional High School baseball team gained its first victory of the season, defeating St. Mary's, 5-2, after losing to Union Catholic, 4-3, and New Providence, 5-2, earlier in the week.

The Dayton Bulldogs, now 1-7 will take on West Orange today and Madison Monday in home contests.

The Bulldogs' victory also was one of the most exciting games of the season. Trailing, 2-0, Dayton exploded for five runs in the sixth inning. Eddie Johnson's two-run, bases-loaded single, broke the tie and Henry Daas followed with a single for the fifth run. Dayton had scored its first run on an error and tied the game on a bases-loaded walk to Peter Episcopo.

Rich Galinkin received credit for the victory after four scoreless innings in relief of starter Dean Gerber. Mike

Petro came on in the seventh to strike out the final batter and thwart a St. Mary's rally.

The loss to Union Catholic last Wednesday was extremely disappointing. Dayton had taken a three-run lead in the first inning but Catholic came back to win the game in the sixth. Dave Ironson pitched well in a losing cause. Brian McNany had two hits and one RBI. Rick Weber also knocked in a run on two hits.

New Providence star Ted Blackwell did most of the damage in the victory over Dayton. Blackwell hit a solo homer off pitcher Mike Petro and a sacrifice fly to provide the only two earned runs for New Providence.

Billy Young provided the hitting punch for the Bulldogs, knocking in Episcopo and Johnson on a double to right field.

Aztecs, Rowdies, Quakes, Quicksilvers win openers

The Aztecs, Rowdies, Quicksilvers and Earthquakes opened the early-morning action in the fifth annual Daily Intramural Program Physical Education Recreation (DIPPER) floor ball league in the Dayton Regional boys' gym last week by posting victories over the Tornados, Cosmos, Atoms and Lancers.

In Monday's opening game, Joe Sangregorio scored two goals and Mike Kane added one to lead the Aztecs to a 3-2 victory over the Tornados. Joe Torrisi, Joe Blabolil, Bill Munley and Paul Kanengiser sparked for the winners while Tom Ragno and Mike Meixner scored for the Tornados with fine play by Dave Weinburg, Tom Huelbig, Joe Hubert and Gary Nestler.

The Rowdies shutout the Cosmos, 3-0, Tuesday behind the fine goal tending of Sid Kaufman. Joel Gelwag accounted for two goals and Al Layton one. Rich Kaplan, Jim Christodoulou, Stu Manoff, Jim Hancock and Gene Walls were outstanding on defense. Cosmos stars included: Charles Michaud, Jeff Lubash, Bob Schneider, Alvin Walker, Bruce Davison and Mike Jacobs.

Wednesday, the Quicksilvers beat the Atoms, 3-1 in a well played and closely contested game that was decided in the closing minute when Brian Kukon's sizzling kick buzzed by the goalie. He then scored on a penalty shot after a

hand ball call by the referee. John Irwin had scored the initial Quicksilvers goal. Dave Leuhoff, Frank Coelho, Mark Walls, Bryant Burke and Tim Harrigan sparked for the Quicksilvers while Steven Schindler, Mike Wittenberg, Mitch Feuer, Van Vitale and Steve Geltman starred for the Atoms. Vitale scored the Atoms' goal.

The Earthquakes rumbled over the Lancers, 2-0, Thursday. John Ferry tallied both goals. Fernando Munoz, Paul Abend, Paul Matysek, Bill Rose, Mike Harmon and Larry Grant played excellent ball for the victors while Lancers Scott Worswick, Al Arnold, Randy Bain, Ed Fasulo, Neal Tepper, Jack Heller, John Haws, and Jeff Vargas displayed good effort.

DIPPER Director John Swedish said that team rosters will be closed tomorrow. Anyone desiring to participate in league action should see him today or tomorrow in the boys' gym from 7 to 8:20 a.m. League play continues until June 3 when the top four teams open playoff action.

Basketball camp planned for girls

The first Kean College basketball camp for girls will be held June 27 through July 1 under the direction of Pat Hannisch, head coach of the Squirettes.

The camp will be for girls age 10 and over and will stress the fundamentals of the game. The camp will run from 9:30 a.m. to 4 p.m. The university pool will also be available for an hour after the afternoon session.

Further information may be obtained from Hannisch at Kean College, 527-2435.

Second in vaulting

Hannah Reimann, daughter of Mr. and Mrs. Peter Reimann of Springfield, placed second in vaulting with an 8.5 in the 12-14 age group for the Summit YWCA team in competition against the Maridosa School of Gymnastics.

FRIDAY DEADLINE

All items other than spot news should be in our office by noon on Friday.

Two phases to 'Olympics'

The 12th annual Springfield Junior Olympics track and field program will be conducted in two phases this year. A clinic (registration and an introduction to the various events) will be held this Saturday at 1:30 p.m. at Meisel Field. All youngsters have been urged to sign up and learn about the events available to them.

The following Saturday's program, May 7 at Meisel Field, will consist of 35 events for boys and girls. Winners in each event will represent Springfield in district competition later in May.

The three categories of competition are: bantam, 9 years and under; midget, 10 and 11, and junior, 12 and 13. The individual's age as of Jan. 1 determines the division. There is no charge to enter. Awards will be presented to top participants.

Gambee plans to go to Juniata

HUNTINGDON, Pa. — Jonathan Dayton Regional High School's Brandon Gambee, fifth in the shot at the New Jersey indoor state meet at Princeton this year, will enroll at Juniata College in the fall, it was announced by Juniata track coach Tom Rogish.

Gambee, the son of Mr. and Mrs. Frank Gambee of Summit road, Mountainside, N.J., will study business at the central Pennsylvania college, from which Dayton coach Dave Oliver graduated in 1963.

A Suburban Conference all-star, Gambee recently turned in a personal best of 55-10 in the Summit Relays.

Dayton track team finishes 3rd at Morris Hills and sets record

By MICHAEL PETRO

The Jonathan Dayton Regional High School track team completed a successful week by taking third place in the Morris Hills Relays in which the 400-yard shuttle hurdles relay team set a meet record. Earlier in the week the Dayton Bulldogs defeated New Providence 87-44 and put in a fine showing in the Summit relays.

Coach Martin Taglienti's squad is now 4-0 and will visit West Orange today.

The record setting performance by the hurdle relay team capped an exceptional all-round performance by the Bulldog squad. The team of Kevin Doty, Brian Belliveau, Steve Pepe and Frank Ruggieri ran the race in 50.4 seconds, shaving 3 seconds off the record set in 1963 by Perth Amboy.

Two other victories were captured by Dayton. The mile relay team composed of Harvey Kaish, Jim Stadler, Peter Kramos and Rick Spina won in 3:30.3 while Belliveau and Doty captured the

high jump relay with a combined total of 11 feet 11 inches.

In the New Providence matchup the Bulldogs once again dominated as they have all year over their opponents. Brandon Gambee took first in the shotput, with Steve Pepe and Bob Conte coming in first and second in the javelin.

Don Lusardi captured the discus event with Andy Herkalo coming in second. Carmen Appicella and Jose Mederas finished first and second in the pole vault, as Belliveau and Mike Carroll took second and third in the long jump.

In the 100-yard dash, Carroll Kaish and Appicella swept the event. Kaish took first place in the quarter mile with Spina coming in second. Jim Stadler and Jay Hannigan finished first and second in the half mile while Bob Roche, Chris Clunie and Jeff Knowles swept the mile. The two mile was taken by Greg Rusbarsky as Bob Phillips came in second.

In the intermediate hurdles Ruggieri took first, and Belliveau captured first in the high jump.

In the girls races Trish Taylor took the quarter mile, Carol Wingard and Cindy White finished first and second in the 220, and Taylor and White came in one and two in the 100.

In the Summit relays Brandon Gambee, Lusardi and Herkalo took a first place in the shotput event. The hurdle relay team of Doty, Belliveau, Pepe and Ruggieri came in second and the javelin relay squad of Pepe Conte and Bob Lampori finished in third.

Coach Taglienti said the team is coming along very well especially Jay Fine, Jeff Vargas, Doty, John Alexy, John Giuliana and Mitch Frank.

Netmen win 2, post 3-2 record

By MIKE MEIXNER

The Jonathan Dayton Regional High School tennis team saw a week in which they recorded two big victories including a victory in their initial conference match. The young performers will oppose West Orange on Saturday.

The team began its winning streak by rolling over Roselle by a 4-1 score. Donna Lies, competing at first singles, outlasted her opponent to win her grueling match. At second singles, Danny Schlessinger found his

way to victory, gaining a 2-0 lead. Neil Meisel romped in his match at third singles. The only setback was at first doubles, where the team of Peter Hess and Rich Simon were ousted. Mick Gottlieb and Artie Salzman also were victorious.

Last year, a disgruntled Dayton squad finished last in the Suburban Conference, recording only one victory in loop play. The rejuvenated Bulldogs equalled their 1976 output and pushed themselves among the conference leaders when they edged Caldwell.

In Dayton's 3-2 triumph, Lies, Schlessinger, and Meisel swept the singles event. Less luck was managed in the doubles area, where Hess, Eric Strulowitz, Gottlieb, and Salzman went down in defeat.

Coach Richard Iacono has three strong front line players but has yet to find a consistent doubles attack.

Golfers now 5-4

By MIKE MEIXNER

The Jonathan Dayton Regional High School golf team defeated the New Providence Pioneers by six strokes to hike the Dayton record to 5-4. The golfers will face Caldwell on Monday.

Coach Raymond Yanchus' boys were led by the sizzling stroking of sophomore standout Dave Gchlik, who managed a 42 despite unfavorable course conditions. Skip Liguori shot a respectable 45 to complement Gchlik, who received medalist honors.

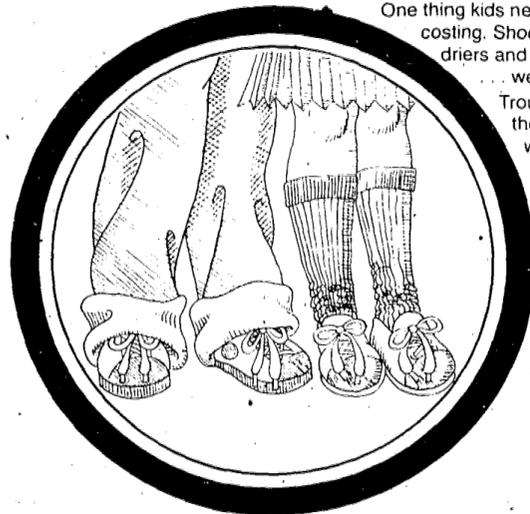

John Irwin played his finest nine holes to date while scoring a 49. Bulldog ace Mike Rosenburg tallied a 49, but lacked his usual excellence. Youngsters Marty Swanson and Toby Lesofski also shot in the match.

Kawameeh to present spring Arts Festival

Kawameeh Junior High School will hold its annual spring arts festival at the school Wednesday, with exhibits and demonstrations in the arts and industrial arts and the annual concert by the instrumental and choral music departments. The program will begin at 7 p.m. with the exhibits and demonstrations. The Kawameeh Parent-Teacher Association will begin at 8 p.m. It will be followed by the musical program.

The industrial arts department will exhibit student projects. The graphic arts department, under Tony Straniero, will present demonstrations of silk screen, letter press and thermography as well as exhibits of other student work. Exhibits of leather, plastics, lathe work and wood projects will be presented in the general shop under Joseph Cariello. Larry Davis' mechanical drawing classes will exhibit auxiliary drawing, dimensioning, orthographic drawings and section drawings.

The home economics department under Mrs. Rose Bergman and Mrs. Pat Homer will demonstrate such cooking specialties as silver dollars, sugar cookies and Middle-Eastern foods. The department also will present sewing exhibits by seventh grade classes.

Art will be exhibited by the classes of David Jones. The student work will include drawings, pen and ink, linoleum printing, painting, scratchboard and ceramics.

The concert orchestra, directed by John Maryn, will play "Slavonic Dance No. 1" by Dvorak, "Strauss in 3/4 Time" of Johann Strauss and "Festique" by M. S. Daniels. The seventh and eighth grade chorus, under the direction of Robert Cohen, will sing "Selections from West Side Story" by Leonard Bernstein, and the concert band will

Man is charged with assault on police officers

A 25-year-old East Orange man is scheduled to appear in Union Municipal Court on Monday to answer charges of assaulting three Union police officers after his arrest this weekend.

The suspect, Stephen H. Adams, was stopped by Sgt. James Williams while riding on Morris avenue near Larchmont road about 1:30 a.m. Saturday. According to the police report, check on Adams revealed he was wanted in Union on three warrants charging him with careless driving, resisting arrest and assault and battery.

When Sgt. Williams and Ptl. Joseph Sickinger and Robert Burrell attempted to take him into custody, but Adams reportedly resisted and had to be carried to the police car.

At police headquarters, the officers reported, the handcuffs were taken off the suspect, and he punched Ptl. Sickinger in the nose. When Sgt. Williams and Ptl. Burrell came to his aid, Adams reportedly assaulted them.

Ptl. Sickinger was treated at Memorial General Hospital for a bruised nose. The other officers did not require hospital treatment.

Adams is free on bail pending Monday's hearing. He will also face charges of resisting arrest.

Y mortgage-burning at Green lane center

A milestone in its 95-year service to five generations of families in the area will be reached by the Eastern Union County YM-YWHA on Sunday evening,

May 15, when a mortgage burning ceremony is conducted at the Y's Harry Lebau Jewish Center, Green lane, Union.

The debt was \$600,000 in 1966, the year the mortgage was obtained from Elizabeth banks to complete financing for the construction of the building.

A group known as the Presidium played a major role in the preliminary planning and decision-making in the construction. Members were the late Harry A. Cooper, Nathan R. Leavitt, Dr. Emil Stein and Harry Lebau, executive secretary. Other members of this group included B. Peter Gold, a former president, and Harry Diamond.

The program on May 15, which will start at 7 p.m., also will feature the installation of the association's 1977-78 officers, who were elected recently. They are: president, Herbert Levenberg; vice-presidents, Herbert Cooper, Alvin Eglow and Irwin Stern; treasurer, Milton Wald, and secretary, Harold Brewster.

Hyman Stern, an Elizabeth attorney, who voluntarily handled all legal aspects of the mortgage from its inception to its termination, will turn over the document for the actual burning to Mrs. Harold Brewster, the retiring president, and her mother, Mrs. Harry Lebau, whose late husband, Harry, was executive director of the Elizabeth and Eastern Union County YM-YWHA's for 40 years.

Before the present Green lane building was occupied and the name was changed to the Eastern Union County YM-YWHA, the Elizabeth YM-YWHA was located at the southeast corner of East Jersey and Catherine streets, Elizabeth, for 37 years. This building was constructed in 1929 after the association used a frame residential building at the same location for 10 years.

In earlier years, the Y was located on the second floor of a building at Livingston and sixth streets, Elizabeth, which also had as a tenant a "turkish bath" on the first floor. Prior to that, the Y was in a building on Court street, Elizabeth which was known as the library Hall.

TODAY'S THOUGHT

Edward Tuck once wrote: Age is a quality of mind—if you have left your dreams behind, if hope is cold, if you no longer look ahead, if your ambition's fires are dead, then you are old. But if in life you keep the jest, if love you hold, then no matter how the birthdays fly—you are not old.

The American dream of owning a home is turning into an economic nightmare.

Because of inflationary trends, the median price of a new single family house has risen from \$25,500 in 1971 to almost \$50,000 today. In another four years, it's expected to reach \$78,000.

Proportionately, the cost of a new home has risen almost twice as rapidly as the average income. Consequently, Americans are finding it increasingly difficult to afford a home of their own.

Already, according to the Massachusetts Institute of Technology and Harvard University's Joint Center for Urban Studies, barely a quarter of American families can afford an average-priced home.

The study shows that the poorest third of the population has been priced out of the housing market and the only families now that can afford to own an average-priced house are those with an income of \$20,000 a year or more — which means those in the top quarter of the nation in terms of earning power.

In contrast, almost a half of U.S. families could afford a home of their own in 1970.

The biggest problem today is finding enough capital as a down payment for a house, and in this respect the situation is getting steadily worse. At the present pace of rising housing costs and the current level of mortgage costs, a family buying an average home will need to make a down payment of almost \$20,000 in just four years from now.

Additionally, the buyer will have to take on monthly payments of principal, interest, taxes and utility costs totaling about \$700 a month — a level which economists figure requires an income of \$33,000 a year to be affordable.

All this reflects a bleak situation that Congress must act upon if it is to adequately cope with the economic and social growth of the nation.

It is no longer enough to concentrate federal involvement in housing on the needs and problems of lower income

families. Ways to help the average American family realize the dream of home ownership without being financially crippled must be promoted.

In this respect, it is important to realize that some federal activities not specifically directed at housing, nevertheless, have an impact on the ability of Americans to buy their own homes.

For instance, changes in federal monetary policy influence the cost and availability of mortgage credit, and thus affect the level of housing construction and the affordability of housing.

In particular, federal programs should be targeted to provide more aid for families struggling to buy their first home. This is an area in which severe financial problems are being experienced.

One way in which this aid can be provided is to lower interest rates for mortgages on FHA-insured homes. Another would be to encourage a policy extending the life of mortgages, and in so doing reduce monthly mortgage bills.

Home buyers could also be allowed to pay lower mortgage interest rates for the first few years and gradually move to higher payments in later years when their incomes mount.

Encouragement of rehabilitation programs for declining but basically sound residential properties also deserves support.

A start has been made in Congress with changes proposed in the Housing Authorization bill to reduce the financial strain of home purchase. The legislation, expected to reach the floor of the House in a few weeks, includes provisions to lower monthly payments and reduce down payments.

But this is just a start.

A far more comprehensive approach is needed with the implementation of a wide range of federally-backed programs keyed to helping Americans buy — and afford — a home of their own.

Dr. Frederik dies in Florida; funeral today

Funeral services will be held today in Palm Coast, Fla., for Dr. Willem S. Frederik, 64, of Palm Coast, formerly of Mountainside, who died Sunday at his home.

Dr. Frederik, a retired medical systems director for the New York Telephone Co., resided in Mountainside before moving to Florida seven months ago.

Born in Utrecht, the Netherlands, he studied at the University of Utrecht, where he obtained his M.D. and Ph.D. degrees. He came to the United States in 1949 at the invitation of the Harvard School of Public Health, where he lectured and obtained an M.S. degree.

Dr. Frederik was the recipient of the American Medical Association's Thomas G. Hull Gold Medal for his contribution to research on respiration. He was a fellow of the International College of Angiology and the Society for Advanced Systems.

Dr. Frederik also was a member of the American Academy of Occupational Medicine, the New York Academy of Science, the Industrial Medical Association and the Delta Omega Society.

He is survived by his wife, Johanna C.A. Frederik; a son, Willem of Sparta, and a daughter, Mrs. Hanneke Jevons of Gypsum, Kan.

JANICE BRODA of Mountainside, a senior at Newark Academy in Livingston, was recently inducted into the Cum Laude Society. A total of eight students was inducted. The eight are the highest ranked students in the graduating class.

Open meeting slated on transport report

The Union County Planning Department will hold a public meeting at 8 p.m. Wednesday to discuss "Maintaining Mobility," the Tri-State Regional Planning Commission's report on transportation.

The meeting will be held in Judge William DiBuono's courtroom in the County Courthouse, Elizabeth.

4 Regional teachers on convention panel

Four staff members of the Union County Regional High School District English department have been selected by the National Council of Teachers of English to conduct a panel discussion at the Council's 67th annual convention next fall.

According to the English coordinator, Robert Whelan, district faculty members will conduct a session on the "Literature of Sports" course in the high school English curriculum. Joining Whelan on the panel will be Julia Latzer of Jonathan Dayton Regional High School, Springfield; Edward Prisco of Gov. Livingston Regional High School, Berkeley Heights; and Ralph Johnson of Arthur L. Johnson Regional High School, Clark.

"In recent years, the sports literature course has become an increasingly popular elective subject for high school juniors and seniors," explained Whelan. "In many schools," he continued, "the course has become an effective way of reaching students who are turned off by traditional English courses."

Susquehanna honor

Jessica A. Evans of Hedge row, Mountainside, has been named to the dean's list for the winter term at Susquehanna University, Selinsgrove, Pa.

In the Regional District, he added, the "Literature of Sports" has proven to be a popular course. "Brian's Song" and "Ball Four" are among the books read in the course, along with short and long fiction, drama, poetry and expository sports writing. Sports Illustrated represents another resource tool used in the course. "The 'Literature of Sports' includes a respectable body of writing," assessed Whelan, "and basic skills can easily be integrated into the program."

English teachers from throughout the nation will attend the convention which will be conducted Nov. 24-26 in New York City.

International dishes will be featured at Y

Moksie alesie from Sirinam, torte de tripe (Colombia) and tandoori chicken (India) are among the 40 dishes to be prepared for the "International Taste Treat" at the Westfield YWCA on Wednesday, May 11, between 9 and 11:30 a.m.

The taste treat will also include ground nut stew from Africa and French mousse au chocolate. It is sponsored by the YWCA's world mutual service committee, headed by Bertie Vandenberg. The event is open to the public.

You can canoe... row or pedal at park lakes

Rowboats, canoes and pedal boats, operated by the Union County Park Commission, are now available for hourly rental at Warinanco Park, Elizabeth, and Echo Lake Park, Mountainside. During the week, rowboats and canoes are available for \$1.25 per hour and 35 cents for each additional quarter-hour, and pedal boats are available for \$1 an hour and 50 cents for each additional quarter-hour, from 10 a.m. to dark.

The hours are the same on Saturdays and holidays, but the rates are \$1.50 an hour for rowboats, and canoes plus 35 cents for each additional quarter-hour while rentals for pedal boats are \$1 for each half-hour and 50 cents for each additional quarter-hour. Rentals for Sundays are the same, but hours are 11 a.m. to dark.

Tennis courts at Warinanco Park are available for play from 9 a.m. to dark. During the week before 3:30 p.m., adults, 18 years and older, can play for \$2, while senior citizens and youths, 17 and younger, can play free. Weekdays after 3:30 p.m. and Saturdays, Sundays and holidays, all can play for \$3.

Felician plans summer grants

Outstanding high school students who have completed their junior year may apply to Felician College, Lodi, for summer scholarships valued at \$150 under the Summer Scholars Program. Scholarships will be awarded to selected students who are interested in registering for a college credit course during the summer session.

Students interested in applying for scholarships may obtain forms from their high school guidance counselors or from the director of admissions at Felician College, 778-1190.

Committee meets tonight to form Eagle Scout unit

Francis A. Kopecyk, Union Township director of welfare, is chairman of a steering committee to organize a chapter of Eagle Scouts to affiliate with the National Eagle Scout Association of the Boy Scouts of America.

Richard E. Dolsen of Cranford was elected secretary of the committee which includes Robert Long, vice-president of Union Council Boy Scouts of America, and Donald D. Callenius, scout executive of the Council, Boy Scouts of America.

All Eagle Scouts and adults who achieved this distinction have been invited to attend the Eagle Roundup at the City Federal Savings & Loan building, North and Newark avenues, Elizabeth, tonight at 7:30.

Controls puppy but not vehicle

A motorist who was trying to control a puppy in her automobile lost control of the vehicle on Charles street Friday afternoon and it crashed into a utility pole.

Mountainside police said Alice L. Wang, 38, of Watchung was driving on Charles street near Linda drive at 4:45 p.m. when the accident occurred. She reportedly had been trying to keep the pup from jumping out of a box when she lost control of the car.

She was taken to Overlook Hospital by the Mountainside Rescue Squad for treatment of a head injury.

GOP colleague aids Maguire

Assemblywoman Marie A. Muhler of Monmouth County will be the guest speaker at the champagne breakfast to be sponsored by "Friends of Bill Maguire" at the Ramada Inn, Clark, on Sunday. Mrs. Muhler has attracted statewide attention through her fight against a dues check-off used by the New Jersey Education Association for its Political Action Committee. She is a first-term Republican assemblywoman from Marlboro Township.

The champagne breakfast is a fund-raising event scheduled from 10 a.m. until noon. The cost is \$10 per person and the monies raised will be used to help finance Assemblyman Maguire's campaign for reelection. George Crater and Charles Grunder are co-chairmen.

Mrs. Duckworth 'Secretary of Year'

Rita Duckworth of Union has been voted Secretary of the Year by the Union County Chapter of the National Secretaries Association.

Mrs. Duckworth is employed by the Department of Justice, United States Attorney's Office, Newark, as secretary to Frank P. Costa, administrative officer. She also has been honored with the outstanding performance award from Edward Levi, Attorney General in Washington.

Honored at Oratory

Two Mountainside students—Charles Ruggiero of Chapel Hill and James Kontra of Turnabout circle—were named to the honors list for the third marking period at Oratory Prep School, Summit.

Conservation becomes part of new homes

Energy conservation features are being built into every new Scarborough Corporation single-family house, dramatically reducing costs for heating and cooling.

An optional "Energy-Plus Pak" is even more comprehensive and can result in annual savings of up to 40 percent in related utility bills.

These announcements were made by Bob Scarborough, founder and board chairman of Scarborough Corporation, one of the largest residential construction firms in the Philadelphia-Southern New Jersey area.

"These standard and optional packages are the culmination of six months' research, consultations and testing," said Scarborough, whose firm is a subsidiary of Weyerhaeuser, the multinational forest products company.

"It's exciting from our viewpoint, because it means we're offering the most solidly constructed home in our history," said Scarborough. "From the buyer's viewpoint, it's even more attractive,

since the annual fuel and cooling savings are so substantial. And possibly more important, we believe it's the best possible step we could take as far as our national energy conservation program is concerned."

Scarborough officials began work on the energy savings program in 1976, meeting with the executives of a sister Weyerhaeuser Company, Centennial homes, in the Dallas area, and pioneering in residential energy conservation features.

"We studied their basic approach, adapted it to our region, then improved and refined it through actual tests and working with the engineering staffs of major suppliers," Scarborough summarized. The result is a two-fold approach to energy conservation.

Included in the standard features in every Scarborough residence is a series of energy saving items. They include perimeter slab and sill sealer foundation insulation, Owens-Corning full thick 3 1/2 inches side wall-insulation, 6 inches batt insulation in the attic,

insulated sliding glass doors, steel insulated exterior doors, elasticized caulking sealant on all openings, and an oil forced air heating system.

Standard features also include Capitol single hung windows.

The optional "Energy-Plus Pak," whose price is \$1,500 to \$1,800, depending on house style, includes the following:

Three-quarter inch Dow styrofoam TG high performance insulated sheathing; Polyethylene vapor barrier on all outside walls; Owens-Corning 12 inches thick attic insulation, a thermostatically controlled

attic fan, Capitol thermal break windows which are double paned with 2 1/2 inches dead air insulation space between the panes. The package is centered around the York Champion Heat Pump and Air Conditioner, believed to be the most energy efficient unit now available.

Savings on the standard and Energy-Plus Pak installations have been computed based on annual average temperatures.

Using current energy cost figures, the results are as follows:

Using the standard feature package with oil forced air, heating costs would be \$519 annually in the Wexford. Air conditioning costs would be \$222 annually, or a total

cost figures, the results are as follows:

Savings on the standard and Energy Plus Pak installations have been computed based on annual average temperatures.

The Wexford model home, currently the most popular offered by Scarborough, was used in the computerized calculations.

Using current energy cost figures, the results are as follows:

Using the standard feature package with oil forced air, heating costs would be \$519 annually in the Wexford. Air conditioning costs would be \$222 annually, or a total

expenditure of \$741.

Using the Energy-Plus Pak, annual costs would be \$296 for heating and \$148 for cooling, or a total of \$444. This is a savings of 40 percent from the standard insulation features, and an even greater savings over homes which have no such comprehensive standard package.

The savings of almost \$300 a year in energy costs have been calculated from March 1977 energy cost figures furnished by Philadelphia Electric Company, Public Service Electric & Gas and the Atlantic City Electric Company.

WATERFRONT LIVING — Large family homes on wide bulkheaded waterways of Laguna Village, Point Pleasant, are attracting water sportsmen as well as those seeking comfortable year-round family living within an established community. Laguna Village offers two-story and ranch homes priced

from \$72,990, including homesite. The community is built around six deepwater lagoons, with easy access to Barnegat Bay and Atlantic Ocean waters. Sales and information office is at 2133 Bridge ave., Point Pleasant, just opposite entry to the waterfront tract and just west of the Lovelandtown Bridge from Bay Head and Atlantic Ocean beach areas.

Laguna Village: waterfront life

There's something very special about living in a home that faces moving waters—especially when the home combines excellent construction and appreciation of the waterfront way of life. Laguna Village, in Point Pleasant, offers large

family homes built along a series of six wide deep-water lagoons that change in beauty throughout the year and come strongly into their own as warm weather starts and boatmen head for the sport and fishing waters of nearby Barnegat Bay and

the Atlantic Ocean. Spacious two-story Colonial models and ranches are priced from \$72,900 in this well-planned community designed to take fullest advantage of the waterfront location. Each home is built with ample space for patio or pool between house and waterway and interior designs insure that all important rooms face the water.

Family rooms feature custom fireplaces and beamed ceilings, plus sliding insulated glass doors that extend living space to patio or porch. Kitchens include wide bay-windowed dinettes with the same exciting view. Living rooms and formal dining rooms share the changing seasons at the waterfront, as do bedrooms in many models.

Insulation and finest construction components assure comfort through the year, at lowest upkeep cost. Lenox Heat Pump provides both heating and air conditioning, and has proven out to be both effective and efficient in these large waterfront homes.

Joseph Todino, president of Trend Homes, Laguna Village builder, stresses attention to detail and fine workmanship above standards of most custom-built homes. "Laguna Village homes

are as close to custom building as possible, yet offer the advantages of pre-planning, wide variety of model design, and excellent components from foundation to heating, cooling, insulation, appliances, windows, and roofing. We plan for coolness in summertime and warmth in winter," says the builder, adding that all Point Pleasant municipal facilities extend to Laguna Village.

The Laguna Village sales and information center is located at 2133 Bridge ave., Point Pleasant, just opposite entry to the waterfront residential area and just west of the Lovelandtown Bridge from Bay Head and Atlantic Ocean beach areas.

Club at Hidden Lake nearing completion

The Hidden Lake, North Brunswick, club buildings and tennis courts are nearing completion, according to Michael Kaplan, president of Kaplan and Sons, Highland Park. Home prices still going up, builder says

Continued and accelerating inflation in prices for homes in retirement communities has been predicted by Herbert Wishnick, secretary-treasurer of Crestwood Village communities, Ocean County's cluster of active-adult colonies near Whiting.

Reviewing the spiraling costs of building materials and construction labor, Wishnick concluded that "those who bought in 1974 and 1975 got bargains at prices well below the price-tags for the identical model homes in 1976. Those who buy in early 1977 will do better than those who wait till later in the year or next year."

Wishnick pointed out, however, that retirees considering their next move should carefully study not only the purchase price, but also the monthly costs for property maintenance, realty taxes, community services and facilities.

"Inflation has affected these costs, too. Many retirees may well be able to afford purchase of a new home by selling their present home—but they should be extremely cautious to research the costs of living wherever they contemplate moving—and what has been the inflationary pattern in those costs, in that community, since 1973."

Wishnick stated that costs at Crestwood Village, where the residents negotiate annual contracts for all factors except taxes, have risen only nominally since 1973.

"Since 1973, when the inflation surge started, over 2,500 buyers of Crestwood Village and Pine Ridge homes sought protection and security against inflation by investing in real property, here in Ocean County, an area of strong economic growth and stable tax rates. During that time, our residents' costs for property maintenance, community facilities, utilities and services increased an average of less than two percent annum," he stated.

Wishnick continued, "We counsel those people to buy here only when finances are adequate to meet our controlled,

Introducing Scarborough's Optional Energy Plus Pak!

Saves up to 41% in annual fuel costs!*

For greater energy efficiency, Scarborough offers the Energy-Plus Pak. This is a special series of measures which completely insulate-fortifies any Scarborough home. The Energy-Plus Pak option includes all these money-saving extras:

- York Champion Heat Pump and air conditioner.
- 3/4" Dow Styrofoam T.G. hi-performance insulated sheathing.
- Polyethylene vapor barrier on interior of all perimeter walls.
- 12" of super-thick Owens Corning attic insulation.
- Thermostatically-controlled attic fan.
- Capitol Thermal-Break windows (double-paned windows with 2" "dead air" insulation space between) with storm panels and screens.

Optional Energy Plus Pak available at: WEATHERLY and FOX HOLLOW in Ocean County

With the Price of Energy, You Can't Afford Anything Less Than a Scarborough Home.

What you pay to heat and cool your home will be second only to its original purchase price. A poorly insulated home can cost you thousands of dollars every year.

Scarborough homes are completely insulated—foundation, side walls, attic, windows and doors. You don't pay excessive fuel bills for "leakage." Take a look at these energy saving features standard in every Scarborough home:

Perimeter slab and foundation insulation. Insulated sliding glass doors. Elasticized caulking sealant on all openings—inside and out. Steel-insulated exterior doors. Full, thick side wall insulation (super batt-type insulation in all sidewalls). 6" batt-type insulation in attic. Economical oil forced air heating system.

When it comes to saving you money on over-escalating fuel bills, come to Scarborough. Scarborough's Energy-Plus Pak priced from \$1500 to \$1800.

According to Kaplan, "We've attempted to make the clubhouse the focal point of life at Hidden Lake. Here neighbors from both the single family homes and apartments will have access to large meeting rooms, party rooms, card rooms and a gym. Until now, only the swim pool has been opened which limited interaction between neighbors on this scale to only the summer months."

In addition to the clubhouse itself, three regulation tennis courts are expected to be ready some time after Memorial Day. The community's master plan calls for the

CLUBHOUSE — Maple Glen clubhouse has a lounge, kitchen and laundromat facilities. A four-acre private lake with sandy beach, shuffleboard and other amenities also are available. The mobile homes, for adults 55 years and over, are priced from \$12,900. Maple Glen is located off Rt. 571 on Bowman rd. in Jackson.

Over-55 community offers mobile homes

"Folks over 55 are beginning a love affair with the mobile home," according to Donald Ellis, sales manager at Maple Glen, new 350-site adult mobile home community in Jackson. "With the costs of housing and energy increasing almost on a daily basis, more and more of the over-55 set have discovered that the beautiful, sensible solution lies in a modern, well-planned and recreation-filled community like Maple Glen."

The park bordering on Bowman road and Miller road, off Route 571 in Jackson, features a large clubhouse including lounge, kitchen and laundromat facilities, a four-acre private lake with sandy beach, shuffleboard and other amenities.

Featured at the new park are homes manufactured by Broadmore, Zimmer, Skyline, Holly Park, Burlington and Westchester. According to

Section opening

Particularly for golfers, Shadow Oaks is opening its new section directly on the lush greens in Hunterdon County.

Shadow Oaks sales have been increasing as a result of the public taking advantage of one of the lowest tax rates in New Jersey. Now it is possible to purchase a \$60,000 home for the same monthly cost as a \$45,000 home elsewhere, according to Sol Bernard, its builder.

Shadow Oaks features the Canterbury model two-story colonial, with four bedrooms, 2½ baths, and a 17-foot kitchen-breakfast area which includes built-in deluxe dishwasher and range with ductless hood. Another innovation is a step-saving laundry room located on the second floor for the convenience of the home-maker.

Shadow Oaks at Holland Township can easily be reached by taking Interstate 78 west to Pattenburg Exit. Follow signs to Pattenburg. Go 4½ miles south to Little York Inn and turn left. Bear right at fork and you will find Shadow Oaks ¼ mile up the road. New golf course models are open all week and a builder is available to discuss any innovation of design or changes that may be required.

Site sold to Atlas

Atlas Investment Corporation has purchased a 10,000 square-foot one-story building in Newark, for use as a garage for fuel oil trucks. The cash sale was arranged by Blau & Berg Company, the Berg Enterprises subsidiary that handled the sale.

Kenneth Crimmins, the salesman, of Blau & Berg, said Atlas Investment would add seven drivers to his staff when renovation work is completed on the building at 39-45 New York ave.

Edward Casselman was general counsel for the sellers, Dorothy and Joseph Musial. John Baron represented Atlas Investment.

The Blau & Berg Company, a subsidiary of Berg Enterprises, Inc., was created through the consolidation of the Leslie Blau Company and the industrial, commercial land and investment departments of the Berg Agency. The Blau & Berg Company is headquartered in the Berg Building, Iselin.

Pick Of The LP's... WAVES OF DREAMS: by Sonny Fortune (A&M RECORDS SP-711). The five turntable listening musical treats include: "Seeing Beyond The Obvious," "A Space In Time," "In Waves Of Dreams," "Revelation," "Thoughts."

Born in Philadelphia in May 1939, Sonny was 18 before he really started to get into music. He recalls his initial influences as including Charlie Parker, Sonny Stitt, Sonny Rollins, Cannonball Adderley, Eric Dolphy and John Coltrane. Sonny's earliest playing experience was gained with R&B bands around his home town.

In 1967, he had mastered his major instrument, alto sax, and was well acquainted with tenor and baritone saxes, clarinet and flute. In New York, he worked with drummer Elvin Jones alongside tenorist Frank Foster. Later that same year he joined Mongo Santamaria's band.

That was the start of a two-and-a-half-year association that included Mongo's biggest hit after "Watermelon Man", "Cloud Nine." Leaving Santamaria in early 1970, Fortune moved to Los Angeles. After seven months he moved back east where he worked with singer Leon Thomas until January 1971 when he went with McCoy Tyner.

Sonny recalls, "This was one of the greatest experiences I could have had." McCoy was responsible for Sonny starting to play soprano sax. During his two-and-a-half years with the pianist, Sonny was featured on three Tyner albums: Sahara, Song For My Lady and Song of the New World.

Sonny's next venture was with drummer Roy Brooks' band, followed in early 1974 by a call to join another drummer—Buddy Rich.

In September of 1974, Miles Davis asked Sonny to work with his band. "When I was with McCoy, Miles had asked me to join him. Of course I was delighted but I had decided to stay with McCoy. When he asked me again, I went. I followed David Liebman, a fellow Horizon reedman, and stayed until June, 1975 leaving to form my own band. The time with Miles was another good experience. I recorded three albums with him."

The band Sonny formed after leaving Davis has had a relatively stable lineup. Included are Charles Sullivan on trumpet, Chip Lyle on

Can the sun lower your utility bills and solve the energy crisis?

Maybe yes... maybe no. The sun is getting a lot of publicity these days. That's understandable, especially when you consider that the earth receives about 150,000 times more energy from the sun than mankind uses. Unfortunately, for all its potential, it appears that the practical, large-scale use of the sun to meet our energy needs is still a long way off.

Putting solar energy to work on a large scale is complex... and expensive. Harnessing the sun on a large scale is not as simple as a child burning a hole in a piece of paper with a magnifying glass. For one thing, solar energy is not a complete heating system. It does not contain built-in storage facilities, ductwork, piping, automatic controls and automatic delivery. And for most people and purposes, solar energy is still far more expensive to use than conventional fuels.

PSE&G is assessing the potential of solar energy in New Jersey. PSE&G is hard at work with a 1 to 3 year demonstration program to assess the feasibility and potential of solar energy in New Jersey. An important phase of the program is the actual installation of solar equipment in the homes of volunteer customers. We're also installing a weather monitoring network in the PSE&G area.

Obviously, the sun doesn't shine all the time... especially here in the Northeast. So we

want to accurately evaluate the performance of solar systems under varying weather conditions.

The challenge. Man has always sought better ways to use the sun's energy. The big challenge is to bring the costs down. As New Jersey continues to grow in the future, PSE&G will continue to seek better answers to our energy problems. Solar energy may someday provide one of those answers.

Meanwhile, PSE&G is relying on nuclear energy to bridge the gap to the future. Right now, nuclear energy is helping to carry us through to that time in the future when even more desirable sources may become practical realities. Last year, nuclear energy provided 23% of New Jersey's electricity. That saved the equivalent of nearly 800 million gallons

of oil, most of which would have been imported from overseas. So nuclear energy is not only helping to bridge the energy gap to the future, it is also helping to achieve energy independence.

Kean will stage opera by Gluck

A one-act opera by Christopher Willhald Gluck, "The Cadi Outwitted," will be presented by Kean College's Opera Workshop on May 14 and 15 at 8 p.m.

The production will be staged by Robert Freedman and conducted by Dr. Annjean Brown. Featured in the cast will be Robert Goodhart in the title role. Other performers include Peter Pettinelli, Debra Spicer, Audrey Jantzen and Joyce Van Savage.

Admission will be \$1. Senior citizens and students with identification cards will be admitted free. More information may be obtained by calling 527-2108.

Art show at college

"Major Works 77," the annual fine arts student exhibition, will open Friday evening, May 13, at the College Gallery, Vaughn-Eames Hall, Kean College, Union. The exhibition will be shown through June 9 and will feature paintings, sculpture, drawings, prints, photographs, ceramics, weavings, and video presentations.

The college's museum training class will design the installation and organize catalog information for the show. Students involved include Donna DeSalvo of Union, who is working on registration. Gallery hours are 10 a.m. to 2 p.m.

STUDENT MEALS
Ohio has become the third state to require its public schools to provide both breakfast and lunch for students, according to the U.S. Department of Agriculture. Massachusetts and New York also require schools to serve both meals.

'Equality,' a documentary examining equality of age, sex, race and economic opportunity in the United States, will be aired on New Jersey Public Television's four-channel network on Wednesday, May 18, at 9 p.m. The hour-long film has been nominated for an Emmy and is competing against seven productions by major public and commercial stations for a community service award.

Gloria Steinem, the Rev. Jesse Jackson, Jeremy Rifkin, Herbert Gans and leaders of the American Nazi Party and Ku Klux Klan are among those whose views are interwoven with attitudes of New Jersey men, women and children and others on the East Coast and in the Midwest.

The basic role of women is argued by proponents of Marabel Morgan's "Total Woman" approach and by feminist Gloria Steinem, while olderists find that picketing for rights of

How to get up to 58 miles on a dollar's worth of fuel.*
Only a few cars in America can do it. And only one of them is a good-sized luxury car: The Peugeot 504 Diesel.
It runs on fuel that generally costs several cents a gallon less than gasoline (although exactly what it costs depends on exactly where you buy it).
-And because diesel fuel produces more usable energy per gallon than gasoline, you get much better mileage. According to 1976 EPA estimates, the Peugeot Diesel gets 35 mpg on the highway and 27 mpg in the city** - far better than any car in its weight class.
So if you do a lot of driving, the Peugeot 504 Diesel - sedan or wagon - may be just the car for you.

Unemployment drops for fifth month in row

New Jersey's seasonally adjusted unemployment rate dipped for the fifth straight month in March to 9.6 percent of the labor force, John J. Horn, commissioner of the N.J. Department of Labor and Industry, has announced. It was 9.9 percent in February; the recession high of 13.6 percent was reached in September 1975.

The number of unemployed also fell in March to a seasonally adjusted level of 328,700. This was 8,600 below the February estimate and 50,700 below the year-ago total of 379,400.

According to the estimating procedure mandated by the U.S. Bureau of Labor Statistics, under challenge by the state in federal court, the seasonally adjusted unemployment rate in New Jersey was 9.3 percent in March in contrast to the state's estimate of 9.6 percent while the number of unemployed was 304,100 compared with the state's estimate of 328,700.

Commissioner Horn also announced a March increase of 35,600 in the state's nonfarm wage and salary employment, before seasonal adjustment. The Department's Division of Planning and Research attributed the increase to a combination of factors, including the normal spring pickup of outdoor activities, recovery from the effects of the natural gas and ice crises, and continued recovery from the recession. On a seasonally adjusted basis—that is, after allowing for the normal spring pickup—the March total was up 14,800 to an estimated 2,768,200.

Manufacturing employment rose by 11,200 in March on an unadjusted basis with most industry groups recording modest over-the-month increases in employment. The largest gain was in transportation equipment where recalls in the automotive sector resulted in a net increase of 4,800.

All nonmanufacturing industry groups expanded in March resulting in a net gain of 24,400. Seasonal increases of more than 6,000 were registered in each of three non-manufacturing industries—construction, trade and services.

Compared with a year ago, nonfarm employment increased by 35,400. This was due almost entirely to a rise in the nonmanufacturing sector where trade rose by 20,800 and services by 9,200.

Modern composer, group in Y concert

Speculum Musicae, an award-winning contemporary music group, will perform at the YM-YWHA of Metropolitan New Jersey, 760 Northfield ave., West Orange, on Sunday, May 8, at 8 p.m.

Composer Harvey Sollberger, whose works will be among those played by the group, will appear as performer, and also as part of the Y's "Meet the Composer" program, to discuss with the audience his work and his life. This concert was originally scheduled for Jan. 16, and tickets from that performance will be honored.

AMERICAN SOPRANO Jessye Norman will sing a varied program of works by Handel, Beethoven, Strauss, Ravel and Poulenc in the final concert of the Kean College Concert Series Sunday, May 8, at 8 p.m. in the Wilkins Theater on the Union campus. Further information is available from the college music department at 527-2108.

Doctor to talk to Lupus group

Dr. Phoebe Krey, director of rheumatology at the New Jersey College of Medicine in Newark, will speak at the May 4 meeting of the Lupus Erythematosus Foundation of New Jersey. Her topic will be "Arthritis in Lupus." Lupus Erythematosus is an inflammatory disease of the connective tissues, and many lupus victims suffer severe arthritis pain.

The foundation meetings are open to the public, they are held at 7:30 on the first Wednesday of the month at building 76, Hoffmann-LaRoche, Nutley. Further information may be obtained by calling 791-7868 or writing to P.O. Box 293, Elmwood Park 07407.

Phi Kappa Phi unit for Kean

Phi Kappa Phi, a national honor society for men and women from all academic disciplines, has approved the membership petition of Kean College, Union. The college chapter will be installed later this spring.

Phi Kappa Phi was founded in 1897 at the University of Maine and is a member, with Phi Beta Kappa and four other honor societies, of the Association of College Honor Societies. Seniors ranking in at least the top 10 percent of their class are eligible for election. Juniors and graduate students may be elected on a more limited basis.

Dr. James Barrs of Northeastern University, regional vice-president of Phi Kappa Phi, will be installing officer for the Kean College chapter.

Dorms to open as youth hostel

Between June 1 and Aug. 28, budget-minded travelers from around the world will be able to sleep in a park-like setting without having to pitch a tent.

For the fourth year in a row, dormitories at the Florham-Madison Campus of Fairleigh Dickinson University will be open to the public at a rate of \$4 per night, per person, as a participant in the chain of American Youth Hostels.

The A.Y.H. rooms on the Fairleigh Dickinson Campus, dormitory suites during the school year, are air conditioned, and have full kitchen facilities, washers and dryers.

There are accommodations for 12 males and 12 females, as well as rooms for families. Larger groups may be handled with reservations.

The doors open at 5 p.m. and close at 10 a.m. Visitors must bring their own bedding.

Reservations may be made with Fairleigh Dickinson Hostel coordinators Howard Aronoff and Joseph Akronowitz, Fairleigh Dickinson University, 285 Madison ave., Box 356, Madison 07940; or call 377-6541.

Florio will discuss environmental laws

Congressman James J. Florio will speak at the 71st annual meeting of the American Lung Association of New Jersey at 1 p.m. on Friday, May 6, at the Forsgate Country Club, Jamesburg.

Florio, who represents the First Congressional District, will discuss the "Impact of Environmental Legislation on New Jersey." The Congressman is a member of the House Subcommittee on Public Health and the Environment and Transportation and Commerce.

2 Kean profs to head group

Professors Elizabeth Huberman and Robert Hacke, members of the faculty at Kean College, Union, have been selected to head the College English Association.

Professor Huberman, who was elected second vice-president, will become first vice-president and program chairman in 1978 and will serve as president of the organization for 1979-80. She has taught at Kean College since 1968 and has written several books in collaboration with her husband, Edward, a professor at Rutgers University-Newark and past president of the College English Association.

Professor Hacke was named executive secretary of CEA for a three-year term beginning in December. His appointment means that the national headquarters of the association will also be located at Kean for that period.

Leukemia funds rise

The Leukemia Society of America broadened its research and patient services programs last year (thanks to \$1 million in contributions above the previous year's donations). Dr. Michael P. Friedman, president, said \$9,404,080 was contributed in 1976 compared to \$8,430,707 the previous year. Costs of patient

services went from education program expenditures of \$1,496,965 to \$1,740,189. Funding for research was \$1,469,886 compared to up \$30,000 to \$1,572,588. \$1,368,024 the previous year. The society's public year

Phone call lets viewers keep up with TV serials

While you were out shopping, or taking the kids to Little League practice or piano lessons, you may have missed some of your favorite television serials.

Now there's a way to keep up with them. Starting tomorrow, New Jersey Bell's television information program, TV Update, will present capsule condensations of the previous day's happenings on each of the 16 daily serials.

In addition, all television programs will be listed with a brief synopsis of the action on the screen.

TV Update messages—call 936-8888 within your area code—will be changed twice an hour during the viewing day, at 10 and 40 minutes past the hour. Callers in the "201" area will receive

information on New York television programs.

Calls in the same area code will be charged at a rate of 10 cents each.

Here are the times for each serial condensation: 9:10 a.m., Love of Life; 9:40 a.m., The Young and the Restless; 10:10 a.m., Lovers and Friends; 10:40 a.m., Ryan's Hope; 11:10 a.m., Search for Tomorrow; 11:40 a.m., All My Children; 12:10 p.m., Days of Our Lives; 12:40 p.m., As the World Turns; 1:10 p.m., One Life to Live; 1:40 p.m., Guiding Light; 2:10 p.m., The Doctors; 2:40 p.m., Another World; 3:10 p.m., General Hospital; 3:40 p.m., Edge of Night; 10:10 p.m., All That Glitters, and 10:40 p.m., Mary Hartman, Mary Hartman.

TV Update messages on the television serials will begin with a reminder of the schedule for the day's programs. This will begin at 6 a.m. and continue until 9:10 a.m.

PSE&G plans new complex at Newark site

Public Service Electric and Gas Co. expects ground to be broken late this summer for a 26-story office building which will become its headquarters in downtown Newark.

A model of the new building was displayed at the company's annual stockholders' meeting last week. The new complex, to be known as Public Service Center, will be built by an investment-construction group on the block at the rear of the company's present building at 80 Park pl. The site is now occupied by the company garage and parking lot.

PSE&G will occupy the first 20 floors of the building under a long-term lease. The remaining floors will be leased to other tenants.

When the new structure is completed in late 1979 or early 1980, Robert Smith, company president said, the present headquarters building will be demolished and an open plaza will be developed on the site.

Antique doll, toy exhibit at state historical group

"Dolls, Dolls—Cherished Treasures," presenting children's dolls from the 19th and early 20th centuries, is a new exhibition now on display at The New Jersey Historical Society, 230 Broadway, Newark.

Some 100 dolls, accessories and toys make up the exhibition, which is being shown on the society's first floor through May. Dolls on view come from the society's own collection and include collections of Mrs. Edward Schickhaus of Llewellyn Park and Mrs. Robert D. Hamilton of Short Hills.

The exhibition was organized by the society's women's branch, which heard Mrs. Jean Bach of Flemington speak on historical aspects of dolls in a program earlier this month. Mrs. Ward D. Herbert of South Orange was the coordinator of the program and the exhibition.

Two other exhibitions are on view at the society: "A Connoisseur's Legacy,"

consisting of rare prints, books, manuscripts and other documents from the collection of the late Edwin A. Ely, and "Yearning to Breathe Free," a collection of 23 photographs depicting immigrants' entry into the United States at Ellis Island.

The society's exhibitions are free. Its museum and headquarters are open from 9:30 to 5 p.m. Tuesday through Friday.

Volunteer help at camp sought

Volunteers are being recruited for the 1977 Jerry Lewis Muscular Dystrophy Summer Camp at Camp Oakhurst in Oakhurst. The MDA Office needs volunteers age 16 and over, who can give one week of their summer to help a handicapped child or adult.

Camp sessions will be held June 18 to 25 for dystrophic children ages 6 to 17 and June 25 to July 2 for dystrophic adults age 18 and over.

Contact can be made with the MDA office at 379-6019.

INCREASE THE RESALE VALUE OF YOUR HOME

Insulation can add to the resale value of your home and make it fit for a king. The cold truth is that even your castle is probably not adequately insulated for today's high fuel costs. Once you've added insulation, you can tell that potential buyer how comfortable your family has been and the money you've saved on heating and cooling costs.

Council mails out list of businesses for sale

A list of 62 businesses which are for sale has been distributed by the Interracial Council for Business Opportunity under its "Project Transfer" program.

James H. Blow Jr., executive director of the council, said the list of businesses has been mailed to more than 5,000 members of minority communities throughout the state.

"Our idea is to provide the new minority group businessmen with the opportunity to acquire an established business so that he may take advantage of its built-in momentum and thus

minimize some of the problems involved in launching a new venture," said Blow.

Business owners who would like their businesses included in the next "for sale" list should contact Bernard H. Saperstein, deputy director, Interracial Council for Business Opportunity, 24 Commerce St., Newark 07102, or call 622-4771.

HODOR and DAYSTROM Present... YOUR CHOICE AT \$169.99

Ice Cream Parlor Styled 5 Piece Group
Light and airy... this "easy casual" sporty "banquet" style metal chair with yellow arbor vinyl upholstery. Table is matte white plastic. 35" x 50", extending to 60".

Daystrom had the more traditionally furnished dining area in mind when they conceived this five piece dining set. It is reminiscent of the grand Victorian era with the look of cane back chairs. The decorative trills are brushed with touches of gold. Decorative plastic table top veneer and colorful vinyl upholstery resist all the stains and spills. Serving surface measures 35 by 40 inches. Remove the center leaf to convert to a 35 by 50 inch size.

Does your Will still provide maximum tax benefits?

The '76 Tax Reform Law means it's time to take another look.

Sweeping tax changes—over 1500 pages worth—have recently become law. They affect everything from the gift and estate tax structure to how real estate will be valued—and taxed—when it's inherited.

Even if your Will has been carefully worked out, it's time to take another look to make sure you are getting the best tax break under these new laws. The tax specialists in the Howard's Trust Office have studied the new laws. Together with your attorney, they can help. Call Neal McGovern at 201-456-3638 to find out how.

You don't have a Will?

If you haven't planned for your family's future, now's the time to do it. If you own your home, have some life insurance, savings accounts, and perhaps a few investments, financial planning now can assure that your heirs, not the government, will benefit most. In cooperation with your attorney, we can help. Call Neal McGovern at 201-456-3638 to find out how.

Free brochure explains Tax Reforms

Natelsons Anniversary Sale 1977

Natelsons Anniversary Sale 1977

Once a year, we ask our most favored vendors to do something special for our customers. We want sale prices, yes; but not on leftovers. We want choice, fresh merchandise, the very items we know Natelsons customers will want this spring. Our longtime friends in the industry have responded splendidly.

From an industry giant my daddy knew when he cut his first pair of pants comes Natelsons own make polyester and wool tropical, natural shoulder vested suits; neat stripes and classic glen plaids, regularly 145.00 and 155.00, **\$129**

From Joshua Trent comes a group of tropical suits, regularly 165.00 to 195.00, **\$149**

From New England, 100% textured polyester trios; each a blazer suit with an extra pair of contrasting slacks, regularly 135.00, **\$109**

From New Orleans, the most famous wash 'n' wear summer suits in America, regularly 110.00, **\$79**

Our own make Burlington 55% Dacron polyester, 45% wool tropic hopsack blazers. Spring navy, light blue, light green, tan or coral pink. We bought the fabric direct from the mill, selected a handsome heraldic button and Bemberg lining. Then cut and tailored these jackets to our specifications. Identical fabric is used in blazers selling for \$125 and more. Regularly in our stores at 85.00. During Anniversary Sale these, plus a group of good looking muted plaid sport coats, on sale at, **\$69**

Co-ordinated Dacron/wool plaid or solid color trousers in our classic belt-loop, straight leg model. Bottoms will be finished to your exact length at no extra cost in our alteration workrooms. Regularly 35.00, **27.90**

Extra: Luxurious pure raw silk blazers. Fabric is hand woven in India. Natural tan, light blue or soft yellow, regularly 175.00, **\$119**

Box Sale of Natelsons own dress shirts. Your choice of solid color batiste broadcloth or classic white ground broadcloth stripings, regularly 10.50, ... **3 for 24.89**

Other Natelsons make staple furnishings also offered at Anniversary Sale Savings.

Classic lightweight poplin prefinished slacks, with coordinated ribbon belts. All machine washable, in a host of colors: light natural, khaki, navy, light blue or maize. Regularly 18.00, **14.89**

Natelsons poly/cotton mesh stitch golf shirt, with contrast stitching and open chest pocket, regularly 11.00, **8.89**

If your needs change unexpectedly...

will your checking account keep P.A.C.E.?

You can use your checking account to meet unexpected expenses—if it's a SETCO P.A.C.E. Account! P.A.C.E. you see, means Permanently Available Credit Extension—and that's exactly what you get if you qualify. With a P.A.C.E. stand-by cash reserve, you'll have money when you need it!

Every P.A.C.E. Account comes with a cash reserve ranging from \$400 to \$5500—and checking is completely free of charge. With P.A.C.E. Checking, you're free to overdraw your account (up to your pre-

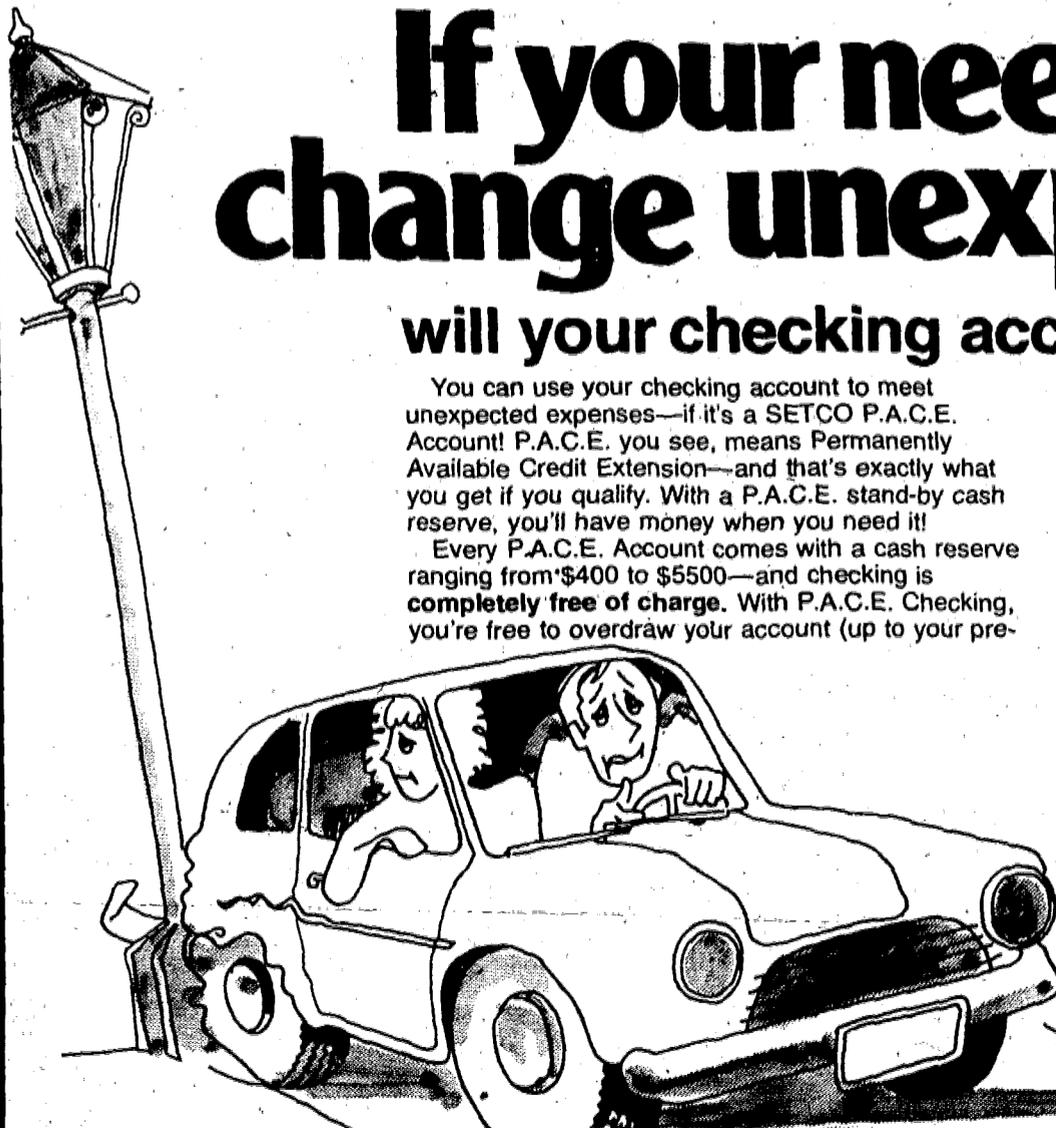

approved credit limit) whenever you need extra cash: the money will then be transferred to your account in multiples of \$100. It's easy as writing your own loan!

Repayment is easy, too. You can choose to repay in the manner that suits you best—either in full, or on an automatically determined monthly schedule. And finance charges correspond to the low annual rate of 12%. So, why not open a P.A.C.E. Account today? Remember: with P.A.C.E. Checking, you'll have money when you need it!

LOSE FAT

"MODEL-ETTS" HELPS CURB YOUR APPETITE, HELPS YOU LOSE THAT EXTRA WEIGHT! • NO CALORIE COUNTING! • NO EXERCISES! • NO SPECIAL DIETS!

Thanks to a group of New York doctors, you can now lose pounds of ugly fat without going on any special diet, without cutting out any special foods.

HELPS REDUCE HUNGRY MOMENTS
These New York doctors discovered a food adjuvant called "MODEL-ETTS." "Model-etts" does remarkable things. It helps you cut down your caloric intake by a natural automatic curbing of the appetite and of the desire for foods, resulting automatically in a reduced intake of food.

The doctors carefully checked results, and here is what they found:
1. Weight losses of 6 to 20 pounds without any ill effects whatsoever.
2. 98% of the men and women who used "Model-etts" lost weight.
"Model-etts" is absolutely safe. It is a food adjuvant-not a drug. So, start today to shed those unwanted pounds and inches. If your condition is glandular or organic, see your doctor. "Model-etts" may help you stay on the diet your doctor recommends. Ask him about it.

One "Model-etts" Wafer has the hunger satisfying capacity of 1 lb. boiled potatoes or 4 eggs or 5 slices of white bread, yet it contains only 6 calories.
