Voter Rolls Reflect National Contest

Registration List For Nov. 3 Ballot Nearing Deadline

Women Voters Offer Election Assistance At Service Stations

By ANNE GOLD
A normally heavy vote for a presidential election appears likely in Springfield. Some 500 new voters have registered here thus far, as efforts to register all eligible citizens today enter their final week.

The State League of Women Voters, meanwhile, announced that it is cooperating with local Esso gasoline dealers in distributing information about registration and voting, as well as non-partisan material on candidates and background of the election issues.

In Springfield, registration will continue at the office of Mrs. Eleanor Worthington, township clerk, weekdays from 8:30 a.m. to 5 p.m. Next Thursday, Sept. 24, the last day to register, the rolls will be closed at 4 p.m.

In addition, Mrs. Worthington noted, local residents can register to vote in Springfield with any municipal clerk in Union County or with the county Board of Elections in Elizabeth. Delays in listing of out-of-town registrants make an exact count difficult at this time.

Naturalized citizens must bring their citizenship papers when they register. Others, whether new residents or those who have acquired this right with their 21st birthday, need bring no papers. All that is required from them is a sworn statement.

Women Voters
Mrs. Stephen Reno, president of the Springfield League of Women Voters, stated that information about registration and the elections can be obtained locally from two Esso dealers. They are Tomie's Service Station, 321 Mountain ave., and Pinkney's Service Station, 4 Caldwell pl.

Members of the league will be available at both service stations to give specific information and to answer questions, Mrs. Reno added.

The registration figure of some 500 new voters, with little more than a week to go, was described by Mrs. Worthington as normal for a Presidential election year, when a heavy vote can be anticipated.

The most noticeable feature, she commented, was an unusually large number of young voters, who will participate for the first time this year. One reason for this is the arrival at maturity of the first crop of war babies.

Another reason, advanced by a spokesman for one of the major political parties, is the nature of this year's Presidential election.

Clear Differences
"We have a polarization of two basic philosophies in the two candidates," he advised. "Young people tend to think in terms of black and white, and they feel even more strongly about Johnson or Goldwater than do older voters."

MORE TO COME — These scenes mark the start of State Highway Department construction designed to widen and repave Morris ave. through Springfield's main business district. The state agency expects to finish the project before the Christmas shopping season reaches its peak.

FIRST DONATION — Mayor Robert D. Hardgrove helps the Suburban Deborah League with an advance contribution for Deborah Maintenance and Recognition Week, Monday through next Friday. The young collector is Ann Gibson of Cranford, national Deborah poster girl. Looking on is Mrs. Marion Goldberg of Springfield, local chairman for the campaign to support the Deborah Hospital in Browns Mills in its program of heart surgery and care and surgery for lung cancer and tuberculosis patients.

SPORT FACILITIES TO REMAIN IN USE IN POOLSIDE AREA

Dry land recreation facilities at the municipal swimming pool will remain open on Saturdays and Sundays until further notice according to Township Committeeman William Koontz, recreation commissioner.

The pool itself is fenced off, but the basketball, volleyball, paddleball and other areas are available to residents weekdays from 9 a.m. to 4 p.m. Fred Puoro is in charge of the area.

Democratic Trio Hits Procedures With Contractors

The three Democratic candidates for Township Committee this week declared that they are "investigating purchasing practices in which township officials are involved."

The trio, Henry Grabarz, Jay Bloom and Doug Mattee, added that they are "also investigating the legality of giving contracts for work and materials which exceed the statutory limit of \$2,500."

The Democrats stressed that they would "expose to the public any improper conduct or poor judgment on the part of any township officials."

They went on to say, "Official township records show that on Mar. 16, 1963, the Township Committee authorized the award of the plumbing contract for the swimming pool bathhouse to Allan E. Brown of Maplewood. Committeeman Arthur Falkin abstained from the voting or discussion on this matter without explanation. The contract was in the amount of \$8,974 being \$1,696 lower than the next bid."

"During the course of construction, on May 13 and 28, 1963, the Township Committee authorized extras on the Allan E. Brown plumbing contract in the amount of \$4,438.52, representing almost a 50 per cent increase on the original contract of \$3,974. At this meeting, Falkin did not abstain from voting, but went on record as being in favor of this extra award."

Public Bidding
"By state law, when the amount of work exceeds \$2,500, public bidding is required. On the Allan E. Brown extra contract, there were no public bids."

"Among the list of extras was one item of \$3,000 for 356 installation of lawn sprinklers. Since these lawn sprinklers had no relationship to the original \$8,974 bathhouse plumbing contract, we question the propriety (Continued on Page 6)

Republicans Stress Township Finances

Mayor Robert Hardgrove and Committeemen Arthur Falkin and Robert Ploner this week stated that "fiscal responsibility is a basic tenet" in their campaign effort for re-election to the Township Committee.

The three Republican candidates declared "There have been many improvements in the financial operation of the township since the year 1962 when the present administration was elected to office. The most important single development was the upgrading of the township's financial status by Moody's, the national rating organization for governmental agencies. After a review of Springfield's financial position as of Dec. 31, 1963, Moody's granted our town an improved rating, from B-7A to A."

"There are only 17 municipalities in the state of New Jersey that enjoy a better rating. Moody's revised rating means cash in the pocket of every Springfield taxpayer, since it is this (Continued on Page 4)

TOWN CHAMPIONS — Winners of the swimming races held as part of the closing weekend's program at the municipal swimming pool pose with their trophies as Township Committeemen look on. The seasonal finale also included an exhibition by Sandy Talaska of Springfield, four-time state champion in synchronized swimming. Bids Scheduled For December On Rt. 78 Section In Springfield

Bids for the major portion of Rt. 78 through Springfield are expected to be received by approximately the end of December. A State Highway Department spokesman in Trenton told the Leader this week.

At the same time, the state agency announced that it will receive bids Oct. 1 for a segment of Rt. 78 between the Berkeley Heights and Berkeley Heights-Worthington sections. Expected to start in mid-October, with completion not scheduled for another two years.

"The portion of the superhighway through Springfield for which bids are scheduled this fall extends from the intersection near the Somerset line on the mountain east to Springfield ave. near the Union line. This will include the intersection with the Rt. 24 freeway, near Balfour way.

Work on this section, the highway department spokesman predicted, should get under way next spring and should be completed by the middle of 1966.

Although the right of way has been determined for the portion of Rt. 78 going through Union, he added, no legal action has yet been made available for the area, and land acquisition will not begin until at least the middle of next year.

Long-Range Schedule
He also predicted that the eastern portion of Rt. 78, from Springfield to the end of the highway at Post st. in Newark, will be completed by the middle of 1970. The entire road, from Newark to Phillipsburg on the Delaware River, is now scheduled for completion "by the middle of 1971."

The highway department official stressed, however, that all predictions are dependent upon "the weather, God and the Federal Government" which provide the bulk of the funds.

Red Cross Plans Bloodmobile Visit For Early Spring

The Springfield Red Cross blood bank program will not have its usual fall bloodmobile visit this year, it was announced by Mrs. Daniel Kalem, blood bank chairman. She added that plans were under way to resume the bloodmobile visits in the early spring.

Mrs. Kalem stressed, however, that the Springfield reserve supply must be maintained in blood bank records, and she urged severe under way to contribute blood as neighboring communities, with all donations permitted to be credited to the Springfield Chapter.

The Summit bloodmobile visit is scheduled for this Monday, and the Elizabeth Red Cross Chapter has bloodmobile visits in the second Monday of each month. Appointments with other groups can be arranged by calling Mrs. Kalem at DR 6-0522.

CITIZENS' GROUP BACKING JOHNSON SLATES MEETING

The recently organized Springfield Independent Citizens' group for Johnson will meet next Thursday at the home of Mr. and Mrs. Robert Starr, 18 Egan pl. Mrs. Saul Stalhof is chairman of the group, which has announced, as its purpose, "to encourage citizens of Springfield, regardless of their political affiliation to promote the re-election of Lyndon B. Johnson as president."

Appointed at an executive meeting last week were Starr and Mrs. Lawrence Armour, membership chairman; Mrs. Chester Morze, secretary; and Ronald Citron, publicity chairman.

Regional High School District Was A Depression Baby

By WARREN W. HALSEY

First of a Series

The facts contained in this history have been taken, for the most part, from official sources. Interpretation are the opinions of the author, who was superintendent of the district from its inception until his retirement in June, 1936.

In many respects, the Union County Regional High School District has been unique in the state of New Jersey. The district was born in the great depression and would not have materialized without the financial assistance provided by the Public Works Administration of the Federal Government.

The first high school building erected by the school district is located in Springfield, because of the generosity of the official bodies in Springfield, as well as the generosity of Mrs. Agnes G. Flower, who gave part of the original plot of land to the Regional Board of Education.

The population of the district has greatly increased since Jonathan Dayton Regional High School was built, so that many of the present residents are unaware of the early history of the district. Older residents may take pleasure in reviewing their memories and may learn some facts which they did not know.

THE FIRST STEPS toward forming a regional high school district, the so-called "sending districts" (small districts without high schools) in Union County were experiencing increasing difficulty in finding "receiving districts" which

could accommodate their high school students. Accordingly, the sending boards met at intervals during 1932 in the office of Dr. A. L. Johnson, county superintendent of schools.

At these meetings reports were made and discussed of proposed high school enrollments for a period of years, a tentative budget, curriculum offerings, transportation costs, and the cost to each school district. After these preliminary studies, representatives of each Board of Education and the superintending principals of the districts were invited to attend a meeting in 1933 at Gateway to discuss the formation of a regional high school district as a means of solving the problem of providing high school accommodations.

Dr. Johnson took control of the situation, named two members from each district as a temporary regional high school committee and continued as the chief executive

until a supervising principal was appointed several years later. However, Dr. Johnson took the initiative, furnished the inspiration, and provided the leadership in forming the Regional High School District.

Without the loan and grant provided by the PWA the region would not have been able to vote. The entire proposal of a Regional High School District would not have been submitted to the voters. The entire proposal of a Regional High School District would not have been submitted to the voters. The entire proposal of a Regional High School District would not have been submitted to the voters.

PWA MADE THIS REGIONAL district possible. It must be remembered that the thirties were desperate years when scarcely a school was built in New Jersey, when great numbers of people were out of work, when many lost their homes because of inability to meet the taxes and when a bread issue for a new building would surely be voted down.

Something was needed to help communities, and PWA provided that assistance. Under the most adverse circumstances in one of the blackest periods in the history of this nation, and with no guiding precedent established, the Federal Administration of Public Works was started in 1933 to undertake a building program of constructive projects which would not only add to the capital assets of the community but to the nation as a whole.

The philosophy behind this program was to provide employment for idle labor, and start circulation of money, by receiving building construction which had plunged from 105-billion-a-year high to a 24-billion-a-year low, with resultant unemployment to a vast portion of our population.

To stimulate this, the Religious School Names Principal

Mrs. Aaron Goll of Livingston was appointed principal of the Religious School of Temple Shalom for the 1964-65 year, it has been announced by Philip T. Lewis, chairman of the school committee.

Mrs. Goll, a congregant of Temple Emanuel in Livingston, has been active in Jewish education for many years. Her most recent assignments were with Temple Emanuel and Temple Beth El of Northern Valley.

The Religious School of Temple Shalom is accredited by the Jewish Education Association of Essex County. It maintains full curriculum from kindergarten to post-confirmation classes.

Red Cross Will Elect Slate On Wednesday

The Westfield-Mountainside Red Cross Chapter will elect new officers at the annual meeting scheduled for next Wednesday at 8 p.m. in the chapter house, 321 Elm st., Westfield.

Guest speakers will be Robert Barrett, general chairman of the United Fund, Robert Fuller, secretary, and representatives of the Junior Red Cross, who attended the junior training centers of served at the Essex County Reformatory, and at the East Orange or Lyons.

Bahr's Leads At 3-0 In Women's Bowling

Herbert Bahr's Ladies' Bowling team in first position in the Burr Women's Bowling League of Mountainside with three victories and no losses after one night of competition.

Other team standings follow: Toddy's Seafood Restaurant, 2-1-1; Ban Quality Meats, 2-1-1; Keweenaw, 2-1-1; D. J. Hartman & Co., 2-1-1; Cross County Realty, 1-2; Jowitt Motors, 1-2; and White Liquors, 1-2-1.

PWA offered grants up to 45 per cent of the cost of construction and in certain instances loans to public bodies unable to undertake their share of financial responsibility.

Without the loan and grant provided by the PWA the region would not have been able to vote. The entire proposal of a Regional High School District would not have been submitted to the voters.

OBSTACLES CONFRONTING the project: It is difficult to believe that there was any application submitted to the PWA for a loan and grant that had as many problems to be solved as this project.

First, it must be remembered that the Regional High School Committee had no corporate standing except that some members were presidents of Boards of Education interested in the formation of a regional district.

Secondly, there were no funds available, and whatever services were required, such as architectural and legal, had to be performed gratis, with the possibility of being retained.

The third problem was the location of the school and the selection of a desirable site. This problem was made less

difficult through the generosity of the people of Springfield and Mrs. Agnes G. Flower on the splendid cooperation of the Union County Park Commission.

The Springfield Board of Education donated a five-acre plot which was purchased several years previously in anticipation of erecting their own high school. The Township Committee of Springfield gave title to approximately 1 1/2 acres through the vacating of a public thoroughfare known as Oakes Avenue.

Mrs. Flower donated approximately 2 1/2 acres immediately adjacent to the Springfield School property. To complete the tract of 11 acres, it was necessary to purchase 2 1/2 acres. Most of the land was a gift and the Park Commission agreed to construct an athletic field on park property, primarily for the use of the high school.

After the location was definitely agreed upon, it was necessary to prepare preliminary plans and specifications and prepare an application to PWA. The application called for a considerable amount of data on the financial standing of each community and a thorough explanation of the need for the project. After many conferences with PWA officials, the application was formally filed on March 7, 1934.

STEPS TOWARD final approval by PWA: During the period from March 7, 1934, when the application was first filed, and up to Oct. 1, 1935, when President Roosevelt approved the loan and grant, the application was turned down at least three times for various reasons.

It was only through the persistent efforts upon the part of many persons on the county, state and federal level that the project was submitted to the President. Approval was contingent upon having contracts awarded on or before Dec. 15, 1935, in order to meet this condition, a rapid procedure had to be followed.

It is doubtful that there has ever been a project of this size in the United States in which a school district was formed, a bond issue approved, plans and specifications for a building prepared and a contract for a building awarded in the short time of 2 1/2 months. The time schedule of the rapidly moving events was as follows:

March 7, 1934, PWA application.
Oct. 1, 1935, President Roosevelt approved the loan and grant.
Oct. 21, 1935, Referendum for the creation of the Regional High School District was practically unanimous.

Nov. 4, 1935, Referendum to authorize bond issue approved by voters.
Nov. 20, 1935, Plans for building approved by State Board of Education.
May 25, 1935, Plans and specifications approved by PWA, and bids were advertised.

Dec. 10, 1935, Bids received and contracts awarded the same day.
Dec. 14, 1935, Ground breaking ceremony held at the site.
Jan. 1936, Work started on the project.
September 1937, Regional High School opened.

THE COST OF the original school plant: the total cost of the project including building and equipment, land, interest during construction, legal and administrative cost and miscellaneous items was, in round numbers, \$538,000.

Of this sum, the Regional High School District paid 60 per cent or \$322,800. PWA grant was 40 per cent or \$215,200. For industrial arts equipment, New Jersey provided \$5,000.

In the light of present-day costs, it seems unbelievable that a building of this kind could be built for \$538,000, and would cost the taxpayers only \$320,000. PWA financed the loan by a 30-year bond issue at four per cent. It can safely be said that the Regional District received the benefit of the lowest market on record for this type of building in 25 years.

Fair Housing Group In Report On Activities In Nearby Towns

The Springfield Human Relations Committee for Fair Housing this week declared that it "does not stand alone" in its efforts to combat discrimination in housing. Fair housing groups are springing up all over the country, with at least 40 active in Northern New Jersey.

The local group added, "In the neighboring communities of South Orange-Maplewood, Millburn-Short Hills, West Orange-Livingston and East Orange, all covered by the same Board of Realtors, active groups have taken root and are working toward fair housing for all, regardless of race, religion or national origin."

The Maplewood-South Orange Fair Housing Council, organized in March, 1963, now totals 300 members and has obtained 600 signatures in a Fair Housing pledge drive.

"The Maplewood-South Orange Council is presently conducting a survey among the residents of that area and has sponsored a home visit program, in which Negro hosts invited white families in for an evening of discussion. To date, 10 homes have been sold to Negroes."

The Livingston Fair Housing Committee, which has seen two

sales of homes to non-whites in a previously all-white community, was organized in the autumn of 1963 and has 125 members. Informal neighborhood meetings have been held, particularly around the location of a minority group newcomer.

This group has also engaged in a drive for signatures of those residents who are in accord with the aims of fair housing. Some 600 were obtained and, with permission, the names were published in their local newspaper along with an advertisement proclaiming the objectives of their fair housing group.

The Better Human Relations Council of East Orange, organized in July, 1963, has 75 members and has engaged in a drive for pledges which netted 700 signatures. The percent of Negro population in this town is reportedly decreasing, because

of an influx of white families returning to the urban areas. The East Orange Council reports that four homes have been sold to white families by Negro families in "integrated" areas, which "tends to disprove the common cry that one Negro family in a neighborhood ultimately produces a ghetto," the Springfield group added.

The West Orange Fair Housing Committee, initiated in August, 1963, has 50 members, with approximately 200 signed pledges.

There have been three homes sold to Negroes in formerly all-white neighborhoods, two of which were termed direct results of the work of the committee. Frank T. Koch, who is president of the West Orange Fair Housing Committee, reports that the two committee-inspired move-ins are "happy ones, with no incidents."

The Human Rights Council of Millburn-Short Hills, which was started in January, 1964, is in

the process of organizing a Fair Housing Committee.

In Springfield the Springfield Fair Housing Committee began in September, 1963, and has a membership of 100. A full membership drive is being planned, and the group is considering a pledge program.

The Springfield Fair Housing Committee began in September, 1963, and has a membership of 100. A full membership drive is being planned, and the group is considering a pledge program.

The main activity of the Springfield group has been a series of educational home dis-

ussion meetings. Approximately 40 have been held to date, with more planned for the near future.

General meetings, open to the public, are held monthly, with the next one scheduled for Wednesday evening, Sept. 23, at the Emanuel Methodist Church. A film will be shown, with a discussion period following.

The local committee stated: "Financially qualified minority group families have not had the opportunity to buy or rent homes in neighborhoods of their choice. Racial discrimination has, up to now, kept them confined to restricted areas. This residential segregation has tended to perpetuate separation in schools, job, and other rebus of community life. It is becoming increasingly evident that freedom of residence has become an essential part of the American way of life. The Fair Housing Groups are working toward this goal."

St. Stephen's Women To Resume Meetings

An executive board meeting of the Women of St. Stephen's Church in Millburn will be held at 8 p.m. Monday, Sept. 21, in the parish house. The following Monday, from 8 to 10 p.m., the evening work room and cancer dressing group will resume meetings.

Tuesday, Sept. 22, at 8 p.m., a panel discussion will be held on "Children and the Family." The meetings of the Women of St. Stephen's are held in the parish house of the church and interested persons are invited to attend.

Union Head Asks Revision Of Code

Better housing and building construction at lower cost through modernization of outmoded building codes and building procedures was advocated last week by Ralph W. Rajoppi of Springfield, president of the New Jersey State Council of Carpenters.

Speakers before the 53rd annual carpenters' convention in Atlantic City, Rajoppi said, legalization of certain prefabricated units, dry wall construction units and modern building materials would reduce construction costs.

Rajoppi also urged modernization of union pension and welfare systems to guarantee members certain retirement benefits. He also spoke in support of longer union agreements with employers to stabilize labor costs and eliminate "elitist hanging contract negotiations."

ROBERTA KAPPSTATTER

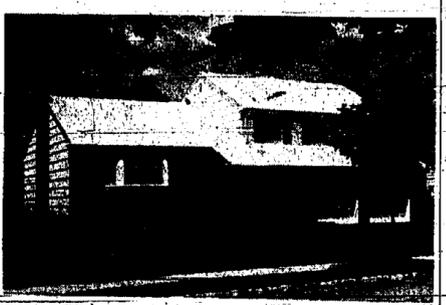

Miss Kappstatter Named To Teach Speech, English

Roberta Kappstatter of Springfield this month became the second generation of her family to serve on the faculty of Barringer High School in Newark. The daughter of Mr. and Mrs. Milton Kappstatter of 39 Glenview dr., she was appointed to teach speech and English and coach dramatics.

Her mother, Mrs. Lillian Kappstatter, has taught secretarial subjects at Barringer for a number of years. The school this fall moved into a new building, which features modern facilities for speech and dramatic training.

Miss Kappstatter is an alumna of Jonathan Dayton Regional High School and has a B.S. degree in speech from Emerson College in Boston. She is continuing her studies on the graduate level at Teachers College of Columbia University.

Her father is chairman of the department of business education at Weequahic High School in Newark. He is vice-chairman of the Springfield Library Board and a former member of the Board of Education here.

LEADER PROFILE

JEFF KATZ

There's a 17-year-old lad in Springfield, who didn't have time all summer to worry about what to do with his idle vacation hours. He was too busy being constructive, dividing his time between political activities and working as a truck driver for a furniture store in town.

His name is Jeff Katz, son of Mr. and Mrs. Jack Katz of Redwood rd. Jeff serves as president of the Young Democrats of Springfield, in addition to being active in an amateur radio club.

He declares he has always been interested in politics, and he first came upon the idea to "form a Young Democrats Club, while watching the Republican National Convention on television.

"I was a little worried about Barry Goldwater's speech. And my friend, Sammy Gershwin, and I decided to do something about it. So, we wrote to the national office for permission to form a Young Democrats Club. The people there told us to get in touch with the state. We did. And the state told us to get in touch with the county."

"We gathered as many members as we could find. I believe about 18 showed up. We had an election. I was voted president; Sammy, vice-president; Steve Tasher, secretary; and Bob Gleitsmann, treasurer.

"THAT WAS SIX weeks ago," Jeff said. "We utilized as many of the county's suggestions as we could. Right now, we're just about due at the Town Hall. In fact, all of our officers are going over there first, to find out the names of those who are not registered, so that we can contact them."

"During the interview, which took place at young Katz's home, a male beagle growled his welcome. "That's Chunky," said Jeff. "He's been elected our club mascot." Chunky lay in the corner of a couch — a soft pillow behind his head — opened one eye when he heard his name, blinked with boredom, and drowsed.

Jeff continued: "We'll be very active in this campaign," he said. "You see, the difference between the Young Democrats and the Young Citizens for Johnson and Humphrey, is just that. The latter just works during the campaign and convention. But our group must work as effectively as possible for the Democrats; seeking all levels of government.

"And we cooperate with all levels of citizens. Our organization is permanent. It will last forever — or," he paused and grinned, "for as long as we keep it active. The Young Citizens' work is finished after the election. Our job continues. Right now we are waiting for our club charter.

"WE'RE ACTIVE in registration and campaign drives. We have a fund-drive plan, at least for administration. The county sponsors the Dollars for Democrats drive.

"Right now we are raising funds for bumper stickers. We'll have posters made up. With our funds we can give a contribution to Senator Williams' fund, or buy Williams for Senator buttons, or contribute to the John F. Kennedy Library. Once we clear away our operational expenses, then we can use the rest of the money to do what we can to help the Democrats."

Jeff, who was born in Newark, moved to Hillsdale when he was a little boy. There he attended George Washington School. "We moved to Springfield in 1958, and I attended the Gaudineer school, when they still had fifth grades there," Jeff was graduated from Gaudineer with a science award.

"I'm entering my senior year now at Jonathan Dayton Regional High," young Katz explained. "I want to study electronic engineering.

"My brother, Steven, who is 13, is in the eighth grade. So, it looks as if we'll have a double graduation next year. Incidentally," said Jeff, "Steven is also interested in politics."

During the past three years, Jeff has been very active in school activities. He was on the debating team and in the National Forensic League ("which I love"). He is a member of the varsity debating team, where he received a degree of excellence. Last year he was vice-president for the Forensic League.

JEFF ALSO SERVED as president of the radio club at the high school. "I'm an amateur radio operator," he declared, with pride.

Jeff explained that he works in the sound studio in the school audio visual aids department. Also in school, he served as the business manager of the Dayton News, school paper. He is a straight A student at Dayton. Jeff, however, would rather talk about amateur radio than the straight A's he received in physics or German or math.

TOWNSHIP OF SPRINGFIELD
BOND ORDINANCE AUTHORIZING THE ISSUANCE OF \$650,000 BONDS OR NOTES OF THE TOWNSHIP FOR THE PURPOSE OF PAVING AND IMPROVING CERTAIN STREETS, TO BE DONE AND FURNISHED AS GENERAL IMPROVEMENT OR PUBLIC IMPROVEMENT TO BE UNDERTAKEN BY THE TOWNSHIP OF SPRINGFIELD, IN THE COUNTY OF UNION, NEW JERSEY.

Section 1. The improvement or purpose described in Section 3 of this bond ordinance is hereby authorized to be made or acquired by the Township of Springfield, in the County of Union, New Jersey, for the improvement or purpose stated in said Section 3, there is hereby appropriated the sum of \$12,000, to be included in all appropriations heretofore made and to be included in the budget or budgets of the Township previously adopted.

Section 2. For the financing of said improvement or purpose and to meet the part of said \$12,000 appropriation amounting to \$12,000, the Township is authorized to issue negotiable bonds of the Township in the amount of \$12,000, to be included in the budget or budgets of the Township previously adopted.

Section 3. (a) The improvement hereby authorized (which shall be made or undertaken in accordance with the applicable plans and specifications prepared and on file in the office of the Township Clerk and hereby approved), and the purpose for the financing of which said obligations are to be issued, are: (1) HENSHAW AVENUE from Morris Avenue to Tooker Place, (2) SOUTH MAPLE AVENUE from Morris Avenue to a point 600 feet southerly of Oak Street, (3) OAK STREET from Melrose Avenue to Morris Avenue, (4) EDGWOOD AVENUE at the intersection of Morris Avenue, and (5) LYONS STREET at the intersection of Morris Avenue, including also incidental construction of catch basins, manholes, and appurtenances at the intersection of Lyons Street and Oak Street.

The estimated maximum amount of bonds or notes to be issued for the purpose is \$65,000. (c) The estimated cost of said improvement or purpose is \$70,000, the excess thereof over the said estimated maximum amount of bonds or notes to be issued (thereby being the amount of the said \$5,000 down payment for said purpose.

Section 4. The following matters are hereby determined, declared, recited and stated: (a) The said improvement or purpose described in Section 3 of this bond ordinance is not a current expense and is a project, improvement or purpose which may lawfully be acquired or made as a general improvement, and the cost thereof shall be included in the budget or budgets of the Township within the limitations of said Bond Law and according to the reasonable life thereof, to wit (10) years.

(c) The supplemental debt statement required by said Law has been duly made and filed in the office of the Township Clerk and a complete and accurate original thereof has been filed in the office of the Director of the Department of Local Government in the State of New Jersey, and such statement shows that the gross debt of the Township as defined in said Law is increased by the authorization of the bonds and notes provided for in this bond ordinance by the amount of \$12,000, and that the said obligations authorized by this bond ordinance will be within the limitations prescribed by said Law.

(d) The aggregate amount of not exceeding \$4,000 for items of expense permitted under Section 404.2-2 of said Law has been included in the foregoing estimated cost of the said improvement or purpose as provided by said Local Bond Law.

The municipal bond ordinance published herewith was introduced at a meeting of the Township Committee of the Township of Springfield, in the County of Union, New Jersey, held on September 17, 1964, and was further considered and passed after a public hearing thereon, the proceedings of said Township Committee to be held in the Auditorium Building in said Township on October 13, 1964.

evaluation that determines the interest rate for which local bonds can be sold.

"Last May's sale of Springfield municipal bonds, at which the bid price was 3.20 per cent, was almost 1/4 per cent below that which would have been paid under the old rating."

Falkin, Harogrove and Planer pointed out that "this position was reached while the local municipal portion of the tax rate was not raised for 1964. The improved bond rating also can be used by our Board of Education in the sale of school bonds."

Falkin, Harogrove and Planer stated that in two years since Jan. 1, 1962, when the present administration took office, the "surplus account of the township has been increased from \$111,000 to \$365,000. The surplus account may best be compared to the savings account that most people put away for a rainy day. The present administration is well on its way to restoring the surplus to the \$568,000 figure inherited by the previous Democratic administration. And as you know, they depleted this nest egg to a meager \$111,000 in a period of three years."

"The paramount concern of the present Township Committee is the investment of the surplus account. Special effort has been made to secure maximum return on invested surplus. It is a source of pride to the community that we are able to borrow on long term bonds at the rate of 3.20 per cent and then reinvest current surplus in U. S. Government bonds at 4.05 per cent.

"For short term purposes, the Township of Springfield is able to borrow for as little as 2.5-3 per cent. To purchase equipment, it is sound fiscal policy to borrow money at 2.5-3 per cent, rather than to use capital funds which are an investment at 4.05 per cent. Such was the case when the Town Committee passed a series of ordinances recently to buy among other items, a truck for \$1,750.

"Through prudent management of the expenditures of the township, provision was made in the 1964 budget to pay off \$16,000 in short term notes. These notes covered the purchase of various items, some going back to 1960 and 1961, similar to the truck purchase mentioned above. Current cash could have been used to purchase the truck. In question, however, the Township Committee felt it more advisable to retire some of its older obligations."

State Property Taxes Up \$89 Million While State School Aid Remains Static

(The following article is one of a series prepared by the New Jersey Education Association.)

Property taxes will hit New Jersey homeowners harder than ever this year. They have risen by a record amount while funds from sources intended to give tax relief have barely increased at all.

New Jersey communities will collect \$89 million more in taxes on property during 1964 than they did in 1963, reports the New Jersey Education Association. The largest previous increase was \$71 million in 1962.

While property taxes are taking this giant step, the one possible source of significant relief to overburdened homeowners — state aid to education — is barely crawling, says N.J.E.A. It has risen under \$5 million in less than eight cents for each pupil in New Jersey's public schools.

"The school-aid formula desperately needs changing," comments Everett C. Curry of Middletown, N.J.E.A. president. "The formula is supposed to give every New Jersey district enough money to operate a good school program without imposing excessive taxes on

property. In many communities, it just does not work."

One major defect in current State school aid, Curry said, is that it does not give New Jersey communities enough money to provide educational programs that are anywhere near equal in quality. Communities with high rates or few children can provide good schools at a low tax rate; those with low rates or many children have extremely high taxes—and often still cannot provide good school programs.

In 1956-57, when the average cost of education in New Jersey was \$346, State school aid averaged \$92.85 per child. Since then, the average cost of education in New Jersey has risen to \$459 per child. But the average of State school aid has gone up only 22 cents, to \$93.07 per pupil.

The \$89 million increase in property taxes includes \$52 million in added funds to run schools, N.J.E.A. reports, also a record jump. Counting the increase for 1964, total school taxes in all New Jersey districts have gone up \$103 million in two years. During the same period, direct State school aid

to local districts has risen only \$11 million.

In 201 districts this year, the full-value total tax rate (based on the true market value of the home) is \$3 or more. Five years ago, only 65 communities had such a rate, says N.J.E.A. A \$3 rate puts a tax of \$300 on a home that would sell for \$10,000, \$450 on a \$15,000 property, \$600 on one worth \$20,000.

"And, because New Jersey's total school enrollment will probably rise to another new high next year," observes Curry, "more tax increases are sure to come—unless the State assumes its fair share in the cost of running public schools."

WINDOW STICKERS

From the front page of our Sept. 3 issue, it is obvious that the local Republican candidates are working with Flo Dwyer and Bern Shanley.

However, the local Republican window stickers (which, incidentally, are illegal on the rear windows) do not carry the word, "Republican," as do most of the legal bumper stickers for other candidates. I have noticed also that most Democratic stickers give the party designation.

Noticing the automobiles of the local Township Committeemen, I find most have only their own local banners flying.

This, whether intended or not, would obscure the fact that Springfield has an all-Republican Township Committee. (By the fact that Republican doesn't appear on their stickers), and also it gives no indication of how the local Republican "leaders" stand on supporting or endorsing the Goldwater-Miller head of the Republican ticket.

Since the Goldwater ticket was nominated two months ago and only two months remain to campaign, I think it is high time the local regime of Republicans made public their position on Goldwater-Miller.

Miss Lucas Directs Free Bowling Clinic

A free bowling clinic will be held and a film, "Learn to Bowl" will be shown, at the R & S Store on Rt. 22, Union, today and tomorrow. Two clinics will be held each day beginning at 1:30 and 7:30 p.m. In the sporting goods department, it has been announced. The clinics will be conducted by Penny Lucas, a member of Brunswick's advisory staff of bowling champions. She is the New Jersey match champion, New York City singles champion, Union County doubles champion, and was winner of the Hudson County all-events, and the Bergen County doubles. Miss Lucas is a member of the New Jersey Bowling Team and the Professional Women's Bowling Association. She has bowled two games of 289. A partial bowling alley has been set up at the store for demonstration purposes. Other films to be shown are "America Bowls" and a film on billiards, "Cue Magic," featuring billiard expert, Willie Mosconi. Experts trained by Brunswick will be on hand to drill balls for patrons.

'Sound of Music' Begins Tuesday

"The Sound of Music," co-starring Barbara Meister and Webb Tilton, begins a six-week run at the Paper Mill Playhouse in Millburn Tuesday. The successful musical, the last Rodgers and Hammerstein collaboration before Hammerstein's death in 1960, began a long Broadway run in November of 1959. "The Sound of Music" is based on the story of the Trapp Family Singers. Howard Lindsay and Russel Crouse recount the romance between Captain Von Trapp and a young convent postulant who was sent to nurse his seven children, the formation of the five girls and two boys into a singing troupe and their flight from Austria when the Nazis took over. Tilton, who will portray Captain Von Trapp, was Theodore Bikel's standby on Broadway and also played the role many times.

3 PERCENT RISE FOR CONSUMERS SHOWN BY INDEX

WASHINGTON, D.C. — The Consumer Price Index rose by

0.3 per cent in July, the United States Department of Labor's Bureau of Labor Statistics announced.

Sharp increases in prices of meats and fresh fruits and vegetables were primarily respon-

sible for the increase. Costs of transportation and health and personal care also rose over the month, while apparel prices were lower.

"At 108.3 percent of its 1957-59 average, the July index was 3.1 percent higher than a year ago. Most consumer goods and services have advanced in price

since July 1963, except for meats, eggs, sugar, fuel oil, and household durables.

Dr. William B. Walsh, founder and president of Project HOPE, is a veteran of World War II and first conceived the idea of a peacetime hospital ship when he served in the South Pacific as a Medical Officer aboard a destroyer.

professed to see partisan advantage in the high registration figures. A Democratic official reviewed efforts to "get out the vote" and added, "Most unregistered voters are Democrats, if we can get them to the polls."

A Republican leader, however, noted that a "Presidential year, of course, brings out a higher vote. In Springfield, these voters tend to be Republicans. This applies particularly to the more or less transient apartment dwellers from Troy dr. and Forest dr., who seldom vote except in national elections."

Bids Scheduled

road was prepared by a grass island median.

Niney per cent of the costs of interstate route construction in New Jersey is paid by the Federal Government while the remaining 10 per cent is paid by the state highway Department. All bids will be reviewed by cost agencies before a contract is awarded.

Democrats

(Continued from Page 1)

of giving such an amount of work as an extra. We also question the reasons for not giving this out for public bidding or permitting some of our local punoers to submit competitive bids.

"Records in Town Hall further indicate that the Township Committee went to the trouble of soliciting bids for other items of pool work which were under the statutory limit of \$2,500 as follows:

"May 14, 1963, the Township Committee authorized the acceptance of internal bids not exceeding \$1,500 for construction of the handball court.

"May 15, 1963, the contract for bathroom lockers was awarded to the lowest bidder, Harold Berman of Union, at a total price of \$1,087.32.

"June 11, 1963, the shuffleboard contract was awarded to the lowest bidder, S & J Polewka Co. of Livingston, in the amount of \$1,438.

"June 11, 1963, a contract for chemicals for the pool filtration system was awarded to National Oil and Supply, the lowest bidder, of Newark, for \$702.50.

"In these cases, bids were accepted from various individuals, even though the amounts were under the legal limit of \$2,500 which requires sealed public bidding.

"Why wasn't the lawn sprinkler system let out on public bids since it exceeded the legal limit of \$2,500?

"Were the unsuccessful bidders on the original plumbing contract aware that there would be additional extra work, amounting to almost half of the original contract?

"These and other questions demand an answer from those elected officials who bear the responsibility for the handling of the taxpayers' money."

Kitten Found

Young Steve Dorsky of 247 Milltown rd., Springfield, reports that he has found a black kitten, with white paws, which badly needs a permanent home. If anyone has lost the kitten, or if anyone would like a friendly new member of the family, details are available from Steve at DR 6-5869.

Carelessness Costs Accident Driver \$30

Charles V. Bengie Jr., 18, of Westfield was fined \$30 by Magistrate Max Sherman in Springfield Municipal Court Monday night for careless driving, resulting in an accident.

Jose A. Reyes, 30, of Newark was fined \$10 for driving an unregistered vehicle and \$15 for operating a vehicle without a muffler.

Ivan S. Warman, 17, of 158 Lelak ave., Springfield, was fined \$50 for driving at 55 miles per hour in a 5 mph zone, and Leroy E. Shaffer, 58, Fairlawn, \$40, for driving at 46 mph in a 25 mph zone.

Fined \$35 each for speeding at lesser speeds were Carmella Docchio, 35, of Summit; Nicholas L. Campana, 34, of New Providence; Mario G. Huguet, 33, of Madison; Fross M. Bryant, 50, of Westfield, and Elizabeth S. Brannery, 44, of Summit.

Donald W. Schwartz, 20, of 37 Franklin st., Union, was fined \$30 for careless driving.

Fined \$30 each for speeding were Joseph A. Sefack, 58, of 1583 Rising way, Mountainside; Peter P. Perrotti, 22, of Summit; Barbara H. Wagsstaff, 41, of Cypress; George J. Kelly Jr., 30, of East Orange, and Allyn J. Lamberg, 23, of Elizabeth.

'Hamlet' Theatrefilm To Open in Millburn

Tickets will be placed on sale today at the Millburn Theatre for the four performances of Shakespeare's "Hamlet" starring Richard Burton. The Warner Bros. Electronovision Theatrefilm, a new process, will be offered Wednesday and Thursday, Sept. 23 and 24, at matinee and evening performances.

Board Of Realtors Will Name Officers

Officers for 1965 will be elected Wednesday by members of the Board of Realtors of the Oranges and Maplewood, Livingston, Millburn, Short Hills and Springfield. The group will hold its annual meeting following a luncheon at noon at the Hotel Suburban East-Orange.

The new officers will be installed in January. Members of the nominating committee are Julian Brenner of South Orange, chairman; Harriet Moore of Millburn, Clifford Sturm of West Orange, Ed Kaiser of South Orange, Godfrey Preiser of East Orange and Henry J. Janus of Millburn, member ex-officio as the president in office.

A highlight of the meeting will be the presentation of the "Realtor of the Year" award to the Board member judged outstanding in community service. Identity of the winner will be kept secret until Wednesday.

The realtor selected will then compete against the representatives of New Jersey's other 38 real estate boards for the title of "New Jersey Realtor of the Year." The winner, to be announced in December at the realtors' state convention in Atlantic City, will go on as a candidate for the national award.

OPEN 7 DAYS • OPEN EVERY NIGHT • OPEN SUNDAY

NOBODY BEATS GOOD DEAL MEATS

TOP QUALITY — Grand Prize meats are specially selected by Good Deal experts. Only one steer in ten is good enough for Good Deal!

LOW PRICES — Our prices are lower than the sale prices in many other super-steer markets. And when WE run a sale — **WOW!**

LESS FAT, LESS BONE, LESS WASTE — We trim so carefully, you can always be sure of saving at least 5¢ more per pound in terms of meat you can actually eat.

GREATER SELECTION — You'll find over 140 cuts of Grand Prize meats from which to choose — including some extra delicious ones available only at Good Deal. (The only other place that carry them are some fancy gourmet restaurants.)

PROPERLY AGED MEAT — Good Deal refuses to hurry things out to the counter, so Good Deal meat doesn't fool you — it tastes as good as it looks!

School Principal Will Be Honored By Mothers Guild

The Mothers Guild of St. James Church, Springfield, will hold its first regular meeting Monday after "Newcomers" in the school auditorium.

The Guild will have as its honored guest the new principal of St. James' parochial school, Sister Alexandrine, in addition to the faculty and Mrs. Hilja Dunn, the school nurse. Mrs. Dunn will speak on the health program for the year.

Future Circle of St. James Church will be inaugurated.

New officers for the 1964-65 school year are: Mrs. Jaane Grogan, president; Mrs. James Funcheson, vice-president; Mrs. Angela Pennella, recording secretary; Mrs. Francis Mulligan, corresponding secretary; and Mrs. Philip Adam, treasurer.

Baha'is To Observe 'World Peace Day'

Joseph C. Ios, chairman of the Local Spiritual Assembly, announced that the Baha'is of Springfield will observe "World Peace Day" on Sunday.

America's role in World Peace is the theme of this year's observance, and Ios stated that this annual event is the American Baha'is calendar was instituted to bring to the attention of the entire nation the observance of World Peace Day to rededicate themselves to the goal of peace everywhere; America, with its spirit of freedom, initiative, of economic and scientific opportunity, has developed powers and capacities greater and more powerful than any other nation.

"He added that the goal of the Baha'is World Faith is to realize a lasting spiritual unity, to break down the barriers between people and lay the foundation for a unified world society based on justice and love. It is the hope of the Baha'is community of Springfield that their neighbors, friends and fellow citizens will join them in the observance of World Peace Day to rededicate themselves to the goal of peace everywhere; America, with its spirit of freedom, initiative, of economic and scientific opportunity, has developed powers and capacities greater and more powerful than any other nation.

A public prayer meeting will be held at the home of Mr. and Mrs. Raymond Rouse, 56 Derham rd., Springfield, at 11 a.m. Sunday.

St. John's Plans To Install Pastor Sunday Evening

The Rev. Richard Lee Peterman, who entered the ministry via the new-paper business, will be installed as pastor of St. John's Lutheran Church, Summit, on Sunday at 8 p.m.

He comes to the Summit parish after a varied career in the business world and the Lutheran Church in America, having served in executive capacities which have taken him into many Lutheran congregations in this country and overseas.

After nearly 10 years with the Postage, Mercury, Portstown, Pa., he decided to study for the ministry and entered the Lutheran Theological Seminary at Philadelphia. Upon graduation from the seminary in 1953, Mr. Peterman moved to Titusville, Fla., where he became pastor of Christ's Lutheran Church.

He was secretary for stewardship of the Illinois Synod of the United Lutheran Church in America from 1957 to 1961 and became the Associate Director for stewardship of the UCLCA in 1961.

When the new Lutheran Church in America was formed in 1963, Mr. Peterman was called to be the secretary for the Board of World Missions and has served in that capacity until coming to St. John's.

Union men are: Robert B. Wasserman of 1828 Manor dr., a graduate of Rutgers Newark College of Arts and Sciences; Lawrence S. Kachelness Jr. of 306 Delaware ave., from St. John's University; and Michael M. Davis, of 954 Carteret ave., a graduate of Rutgers.

Police Rush Drug In An Emergency Of False Nature

Union and Springfield police Saturday morning assisted in a medical emergency aimed at getting a life-saving drug from Summit to a Maryland Hospital, but the mission turned out to be a false alarm.

The CIBA Pharmaceutical Co. in Springfield received a call from the Peninsular General Hospital in Salisbury, Md., asking for 100 ampules of a medicine, a drug used to relieve high blood pressure and other cardiovascular ailments. According to a company spokesman, the medicine was needed by 5 p.m. and it was about 11:30 a.m. at the time.

Jack Hans of Scotch Plains, the plant's trade relations manager, delivered the ampules to Summit police, who began the relay to Springfield, where Patrolman George Sissel conveyed the drug to the Union line on Morris ave. Union Patrolman James Pavella then took the package to Newark Airport, where it was put aboard a helicopter.

The drug was taken to New York and put aboard a plane bound for Wilmington, Delaware. State Police were scheduled to carry it directly to the hospital.

However, a check with the hospital at 3 p.m. revealed that enough ampules of the drug were on hand there to last the weekend. The request was termed a "precautionary measure" by a hospital spokesman. No one knew who asked that the drug be rushed.

MINUS \$1,200 HOSPITAL BILL

Gargalowitz Fund Tops \$2,600

The Theresa Gargalowitz Fund now exceeds \$2,600, but the first hospital bill has arrived, and \$1,200 will be removed from the fund shortly to pay it.

The information was provided Tuesday by Frank Kenny, chairman of the fund drive for the family of 10-year-old Theresa Gargalowitz of Union, who has been in Overlook Hospital, Summit, in a coma since April 6 as the result of an accident in Springfield.

Kenny said that one \$50 contribution had been received in the past week from the UPW-sponsored "Tennis League," which conducted a raffle Sunday at its field on Tucker ave., Union.

Heretofore, the hospital bills have been paid out of insurance the girl carried, but the coverage allowance was exhausted last month. "Now the

contribution made by the kind people of Union, Springfield and other communities will go to work," Kenny said. He renewed his appeal for each family to send just \$1 to the fund, directed by mail as follows:

Social Activities To Start For Suburban Deborah

The first meeting of the season of Suburban Deborah will be held at 8:30 p.m. Tuesday at Temple Beth Ahim in Springfield. A fashion show by Stan Sommer of Union will be featured. Members will model. Under the chairmanship of Mrs. Harold Goldman of Sherwood rd., a dress club will be initiated running for 25 weeks.

Mrs. John Gibson of Cranford will be guest speaker. Her 47-year-old daughter, Anne, had successful heart surgery performed at Deborah Hospital in Bayview Mills on May 1.

White at the hospital, Mrs. Gibson had written, "As members of the chapter, you can be very proud of the wonderful work performed here. The surgeons' skills, the attention of the doctors, the nurses, the treatment of the mothers, the interest and concern of each and every individual who is connected in any way with the hospital is fantastic."

Never in my 20 years as a registered nurse have I ever encountered any other "Deborah" Anne will be the poster girl for the hospital this year.

The week of Sept. 21-26 will find Deborah members soliciting 5000 canisters and cards throughout Springfield. Mrs. Merton Goldstein of Leick ave. is in charge of the "Fat Week."

The Deborah bowling league will start its season at 1 p.m. on Sept. 20 at Hy-way Bowl, according to the chairman, Mrs. Bernard Ostenshein of Kipling ave. Baby-sitting and bowling

lessons are provided by the alley. Merchandise will now be handled through Mrs. Arnold Wolfe of 8 Mendell ave. Organized All reservations for the "Mystery Night" on Oct. 17 must be paid for at Tuesday's meeting. Mrs. Milton Friedman of Pitt Rd. is in charge.

MISS MICHELE FORD MISS FORD PLANS TO BECOME BRIDE OF CRAIG JACOBS

Football Training Draws 125

The Springfield youth football program at Sandmeier Field is headed toward another successful season in 1964; its leaders declared. Last Saturday morning, 125 boys registered for the 1964 version of Springfield youth football. This opening day registration surpassed last year's opening day total, and more boys are expected to register this week before the start of play.

The boys in this program, sponsored by the Springfield Recreation Department, will meet at the Sandmeier Field on Saturday morning, at 9 for two hours of football instruction and scrimmage.

The program will run for 10 consecutive weeks. The boys will receive instruction in football skills for the opening hour of each period. The following hour will be filled with supervised play. Proper callistics and other body building exercises will be administered, to all boys prior to the start of each football period.

The coaching staff, under the direction of Henry T. King, has been meeting regularly in order to establish a pattern of coaching technique. Those men who will give their time to the program this year are: King, Robert Johnson, Phil Kurnos, Scott Donington, Jack Williams, Joe Pepe, Sal Falcone and Frank Shimschook.

Those boys who are interested in joining this program and who have not yet done so may register before the start of play next week or at any time during the week at the Recreation Office in Town Hall.

Registration Date For Adult School Set In Springfield

The Regional Adult School at Springfield will hold registration at the Jonathan Dayton Regional High School on Tuesday and Wednesday, from 7:30 to 9 p.m. Classes are scheduled to begin the following week.

Forty-two courses, ranging from such popular favorites as golf, typing and bridge through such new courses as "Living Science," Princeton's McCarter Theatre and modern ballet to two special, five-session courses, are being offered.

One special five-session course, "Projection '64," will feature the predictions of specialists in world politics, world economics, world education, socio-cultural areas and the mass media.

Another special five-session course, "Know Your Town," is co-sponsored by the Springfield League of Women Voters and the Regional Adult School. Areas of interest in the Springfield resident include voter information, town government operation, zoning, recreation and public education.

Further information or a free brochure describing these and many other offerings may be obtained by calling the director, Harry Linkin, at 754-4716.

PTA BOARD PLANS MONDAY LUNCH

Mrs. Douglas C. Matlice, president of the James Caldwell School Parent-Teacher Association, has announced that an executive board meeting was held on Monday in the new Lucy J. Forsyth kindergarten rooms of the school.

The main purpose of the meeting was to formulate plans for the first meeting of the school year, which will be a reception for the teachers. The event will be held in the school auditorium Monday at 3:15 p.m.

Mrs. Anthony Wunderlich, assisted by Mrs. Walter Harm and Mrs. Nicholas Zaroll, will have charge of the refreshments.

Rites Held For Lad; Took Life With Rifle

Funeral services were held Saturday afternoon for 15-year-old Craig Gillham of 19 Park lane, Springfield, who shot and killed himself in the bathroom of his home last Thursday morning.

Police Chief Wilbur C. Selander said the boy used a .22 caliber rifle to fire a bullet into his forehead.

Police said the boy left home on foot with his sister, Phyllis Gillham, 17, for a one-mile walk to his first day of classes at Jonathan Dayton Regional High School in Springfield, where he was a sophomore. He left her, however, saying he was going to take a short-cut.

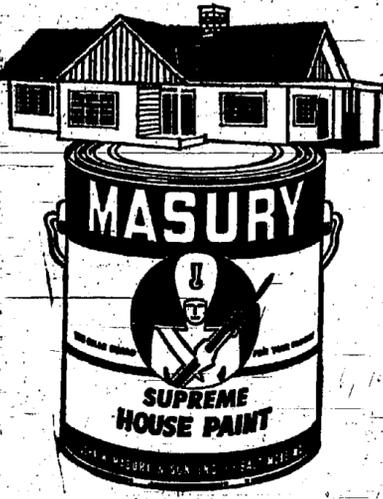

His mother, Mrs. Jerrene Worthington, returned home after driving her husband, George, to the Short Hills railroad station and another son, Mark Worthington, 8, in elementary school. She found an open box of shells and the body in the locked bathroom.

Craig was described by police as lonely and without friends. They found a scribbled note in his pocket.

Also surviving is the boy's father, Phillip J. Gillham.

LEADER PROFILE

(Continued from Page 4)

"I'm an assistant radio officer for the Springfield Civil Defense. It keeps me pretty occupied. We're called—the 'RACES.' We meet on Thursday nights for county emergency service.

"We have our own radio program Thursday nights from eight to nine. It's a town radio network, and members have short wave sets in their homes. You'd be surprised how important they have turned out to be during and again in emergencies. I've belonged to Civil Defense for two and a half years now.

"I also belong to the Union County amateur radio association. We meet in Roselle the second and fourth Friday of every month. Membership is open to every radio ham of Essex and Union counties, although membership is predominantly from Union County. It's really a fascinating hobby.

"YOU KNOW," Jeff smiled, "I don't want to be fading out of town, but Barry Goldwater has a radio station in his home. And Herbert Hoover's son is a radio ham."

Last summer and this, young Jeff worked at Colonial Office Furniture, driving, loading and unloading a van. "I'm saving money for a car," he said.

Jeff says he'd like to be an electronics engineer when he graduates from college. "Right now, my choice is Stevens Institute of Technology.

"Whether I get in there will be another story," he admitted.

And only time will tell whether or not Jeff will become an electronic engineer. But whether I do—or not—nothing will keep me from devoting as much spare time as I can to politics.

"Maybe I'll even become an active politician," he added, with a gleam in his eye.

"An active Democratic politician!"

Telephone MILLBURN ADULT SCHOOL
DRexel 6-3600

The science lab at Oakcrest Regional High School in Mays Landing, one of the many New Jersey high schools participating in Bell Telephone's "Aids to High School Science" program.

Special Bell teaching aids improve science training in local classes.

The Bell System recognizes that no force helping the individual or the nation to grow is stronger than education.

That's why the Bell System has begun a program called "Aids to High School Science." In this program, aids like these are made available to teachers without charge: (1) Color films dealing with diverse scientific fields. (2) Regional meetings for science teachers. (3) And most important—a series of scientific experiment kits developed by the scientists at Bell Laboratories.

The first three of these kits—dealing in such areas as chemistry, physics, and electronics—are now being used by qualified students under the direction of their teachers. More scientific kits are being developed.

Because our business—and your improving telephone service—is based on scientific research, we at the Bell System feel a responsibility toward the education of these bright high school students.

The "Aids to High School Science" program is one way of fulfilling that responsibility.

Tippy Canoes And Rowboats Too, Draw Fall Visitors To Parks' Lakes

Six canoes, 142 rowboats, 20 refreshment stands, two snack bars, 28 acres of water and several thousand fish are among the numerous responsibilities of Tom Nolan, an ex-Navy man who runs the County Park Commission's boat and refreshment stands. Nolan lives at 40 E. Grant Ave., Roselle Park.

Boating is offered in four locations by the County Park Commission — Warinanco Park at the Roselle-Elizabeth line, Upper Echo Lake in Mountaineer, Lower Echo Lake in Mountaineer and Lake Surprise in the Watchung Reservation, Summit.

The lakes are now in the middle of their "second season" according to Nolan. "Boating is most popular in the spring and fall. In mid-summer it's just too hot for most people to sit out in the sun."

MOST POPULAR OF THE four areas at this time of year is Lake Surprise — the huge 24-acre lake completely surrounded by trees. Now, and later next month, the fall weather turns the trees into a riot of color, surrounding the boater with breathtaking beauty.

Area Secretaries At NSA Series

Ninety-four area secretaries, in addition to members of the Union County Chapter of the National Secretaries Association, participated in the first session of a series of four meetings on "Secretarial Procedures" held at the Winfield Sook Hotel last week.

The president, Mrs. Ruth Schmid, announced that Dec. 1 is the deadline for submitting applications for taking the Certified Professional Secretary (CPS) examination. This is a two-day, six-part examination administered by the Institute for Certifying Secretaries, to be held May 7 and 8, 1965. The examination is open to all secretaries, whether they are members of NSA or not, and includes both men and women.

Mrs. Schmid also announced that members of the Inter-Club Relations Committee would represent the Union County Chapter at the "Institute on Leadership Skills" presented by the New York Chapter of NSA at the Park Sheraton Hotel, New York on Sept. 26.

(22)—Freeholder Osborne for the Department of Revenue & Finance, approving bills, as set forth, for Finance, recommendation and recognition to Jacob Schumann, for the act of bravery in rescuing two youngsters who had fallen into the Elizabeth River.

Freeholder Donohue at this time brought up the question of Hospitalization coverage and stated that he should bring all companies in and have a comparison and not wait for Freeholder Osborne's study. After a general discussion, Director Stennar asked the Finance Committee to submit a report.

Dr. Jack H. Karal at this time spoke relative to the Federal Shelter Program and asked the Board for its moral support and Freeholder Forrester assured Dr. Karal with agreement from the rest of the Board, that he has our wholehearted endorsement on this program.

Mr. Henry Wright of Springfield spoke on various subjects. There being no further business to be considered and upon motion of Freeholder Forrester, duly seconded by Freeholder Osborne, Director Stennar declared the meeting adjourned. Verbal minutes and laws recorded on file in the Office of the Clerk of the Board, Court House, Elizabeth, N.J. Next regular meeting will be held on Thursday, August 20th, at 11 A.M. CHASLES E. HARRIS, JR., Clerk of the Board.

is always the most popular, but particularly in spring when boaters enjoy rowing past the cherry-blossom-lined shore.

Keeping the county's boats in shape cost \$56,000 last year — including the replacement of several old wooden rowboats with new aluminum models. The County began acquiring aluminum boats in 1961 and ultimately plans to replace most — but not all — of the wooden variety.

"A lot of boaters prefer the wooden ones, even though they're relatively slow and clumsy and a lot harder to row," notes Nolan. "But those big old clunkers are just about impossible to tip — you could fill one up with water, sit six men in it, and it'd still float. I guess that's why some people prefer them."

The new aluminum variety are pretty tough to tip, too, and require a lot less maintenance. "They skid through the water with only the slightest stirring of the oars. Rowing is less work and more fun!"

THE MOST TIP-ABLE boats are the County's six canoes — sleek aluminum streaks that make Hiawatha's canoe look like a coal barge.

An avid canoeist, Nolan admits that they take some skill to keep afloat. They yield to the slightest pressure. The canoes were first introduced in Warinanco Park but they sat at the dock most of the summer with only a few venturesome takers. The next season they were moved to Lake Surprise and became a sellout overnight. Most weekends, would-be canoeists have to wait in line to rent them.

Nolan can't explain it. Maybe the people who boat in Lake Surprise are more experienced — "I don't know!" In any case, the dock operators warn canoe renters of the dangers. Patrons have to be 17 years old to rent them and the Park Commission locks up the canoes when a high wind adds to the danger of tipping.

In most areas of the parklands the water isn't deep enough to endanger people who fall out of boats. "Boaters who get chucked into the lake usually wind up standing in water up to their waists. They look pretty silly, but nothing is bruised but their ego."

Little children are potential trouble, however. "The occupancy limit for our boats is five — and we count children as 'full people.' Occasionally we'll get a customer accompanied by six or eight little kids, and he'll argue that the occupancy limit shouldn't apply to them. But how could one person handle all those children if the boat should tip?"

NOTWITHSTANDING, the County Park Commission has been renting out boats since 1928 and hasn't lost a boater yet, although numerous people have been dunked — invariably through their own recklessness.

Occasionally boaters take to the water intentionally, even though swimming from boats is not allowed. Teenagers are apt to be the most common offenders, says Nolan. On a few instances Nolan has called them back to shore and pointed out that the floor of the lake is made up of 37 years of accumulated beer cans, broken bottles, dead fish and God-knows-what-else.

"That thought ought to put a chill on anyone's enthusiasm to swim," noted Nolan. Actually, the County Park Commission does a rather conscientious job of keeping the water clean — "But I still wouldn't swim in it," he adds.

The lakes are stocked with trout, sunfish, bass and a few other varieties for the fishermen. For two dollars an angler can rent a rowboat for a whole day.

The regular rates for renting rowboats are 50 cents an hour and 25 cents for half an hour on weekdays. On weekends rowboats are rented by the hour only — at 75 cents. Canoes are 75 cents an hour on weekdays and \$1 an hour on Saturdays, Sundays and holidays.

ALL IN A ROW — Tom Nolan of the Union County Park Commission checks condition of rowboats in Warinanco Park Lake, one of four boating areas throughout the county operated by the Parks Commission. Boating is becoming increasingly popular in the fall. Nolan notes. (Staff Photo by Don-Smith)

Persons Who Are Hard-Of-Hearing Now Given Help

CHICAGO, Ill. Sept. 17 - Is hearing loss hereditary? At least one third of the time the answer is "yes!" Often this is when hearing loss results from otosclerosis, a growth of bone in the middle ear. In many cases this condition can be corrected by a delicate operation. But in a great majority of men and women, a hearing loss is caused by deterioration of the nerve cells of the ear. This is especially true of older people. Regardless of what is causing your hearing problem, or the hearing problem of a friend or loved one, the important first step is an electronic hearing test. After this test is made, then it can be determined what should be done about the problem. But even when a hearing impairment is serious, there is no reason to despair. Almost any correctable hearing loss can be helped with a tiny BELLONE hearing aid. This very small Bellone aid will provide full power for clearer hearing, and yet be so inconspicuous it will go unnoticed by one's closest friends. Persons concerned about their hearing can now receive an electronic hearing test at no cost, by simply contacting Mr. Myron Caine, Certified Hearing Aid Audiologist, at BELLONE HEARING SERVICE, 3 So. Broad st., Elizabeth, N. J., or by calling EL 3-7885 for a FREE hearing test to determine your hearing loss problem. If you are in the neighborhood of 8 So. Broad st., Elizabeth, stop in for a free consultation with Mr. Caine. He will diagnose the degree and nature of your hearing loss. Or, if you prefer, he will consult with you in the convenience and privacy of your home. For your appointment at no cost or obligation to you, call EL 3-7885.

Admission will be free, and visitors have been advised to attend early, if they wish to have an unobstructed view of the paintings. Arrangements are being made to display the works of approximately 500 artists, including independent artists, children and members of the following Union County art groups: Cranford Creative Art Group, Elizabeth Art Club, Linden Art Association, New Providence Adult Art Club, Plainfield Art Association, Rahway Art Center, Roselle State Art Association, Summit Art Center, Union-Ho-Ho-Reston Dept. Art Group and Westfield Art Association.

Judging will take place at 10:30 a. m., and a plaque will be awarded to the "Best Group in Show." Judges "George Arvey of Tom's River, Dr. A. W. Lahee of Montclair and Joseph Rossi of Clifton will also select 24 individual winners. Visitors, both adults and children, will be allowed to vote for their favorite paintings from 10:30 a. m. to 5:30 p. m.

Approximately \$500 in prizes will be awarded to 27 winners. Visitors will be able to watch demonstrators of portrait painting (both oil and pastel), landscapes, seascapes, still life and quick sketches. Ten professional artists who will set up their easels and work "on location" will be Mrs. Hella Ballin of Union, Mrs. Jane Whipple Green of Westfield, Mrs. Helen Drake Hocker of Short Hills, Mrs. Hannah Hoffman of Elizabeth, Mrs. Dorothy Kelly of Union, Mrs. Ann McDonough of Union, Mrs. Katherine Grove Sailer of Summit, Miss Mary Ellen Sikotich of Dunellen, Herbert S. Wylie of South Plainfield and Frank Zuccarelli of Somerset. A special display of works by the judges is also being arranged. A "Small Fry Artists' Corner," will be set up where children can try their skill at painting. Mrs. Amy Yeckel of Rahway and Mrs. Tills Jordan of Union will provide easels, paints, paper and encouragement. The show is under the chairmanship of Mrs. Blanche Holman of Cranford. Assistant chairman are Mrs. Cherry Austin of Cranford and Mrs. Dorothy Kelly of Union.

Annual Carnival Set At Lyons VA Hospital

The 16th Annual Patients' Carnival at the Veterans Administration Hospital in Lyons, an affair for the more than 4,700 patients, will be held all day Saturday. The rain date is Sept. 26. Among the 31-civic and service organizations sponsoring the affair are the American Legion with Richard C. Neven of Linden as chairman; Arrivals of World War II and Korea, Sal Lallo of Roselle Park, chairman; American War Dads of Union; American War Dads Auxiliary, Mrs. Alfred Stein of Union, chairman, and Catholic War Veterans Auxiliary, Ann Svoboda of Roselle, chairman.

Leonard E. Best Speaker Tonight At Dwyer Dinner

The principal speaker at the testimonial dinner for Congressman Florence P. Dwyer to be given tonight at the Washington House, Rt. 22, Plainfield-North Plainfield, will be Leonard E. Best.

Best is a former member of the Summit Board of Education, former president of the Federated Boards of Education of Union County, and is chairman of the board of the Richard Best Pencil Company, Inc., of Springfield. The master of ceremonies and toastmaster at the dinner will be "Frank" Leonard, named by Assemblyman Peter J. McDonough, dinner chairman, as one who is "highly proficient at making penetrating comments with humor and discrimination." Leonard has performed at the Downtown Athletic Club in New York, the New York Railroad Club and the New Jersey State Police Chiefs' Association. He also has seen service at the Lamb's Club in New York. McDonough said the evening was planned as a "sincere tribute to one of Union County's hardest working public servants. It is well known that Flo Dwyer is on the job all the time for you. At his dinner, we hope to express to her our appreciation in a high-spirited, but meaningful manner." The dinner chairman said the testimonial for Mrs. Dwyer is "non-political."

Leaders Of 3 Faiths To Speak At Confab On Racial Problems

A number of Catholic, Protestant and Jewish clergymen and laymen will lead discussions during five workshop sessions which will highlight a Conference on Religion and Race Oct. 7 at Our Lady of Peace Catholic Church on South st., New Providence.

The local gathering is an outgrowth of the first national Conference of Religion and Race held by leaders of the three faiths last spring in Chicago. "The time has come," sponsors of the local meeting declared, "that we are ready for a serious confronting of the on-going problem of resolving the injustices and the discriminations that have attached themselves to the Negro American as a second-class citizen. Basic changes are taking place in America's patterns of life, and almost every institution in our society will be affected."

"Leadership of clergy and laymen in our local communities is imperative if these changes are to be made peacefully and with a minimum of violence and injustice to individuals and groups in our community and country. Only through the religious resources of judgment and grace will our country meet and surmount such a revolutionary change."

Workshop Leaders
The workshop session on civil disobedience will be led by the Rev. Gerard P. Kelly, pastor of the host church; Rabbi Israel S. Dresner of Temple Shavey Shalom, Springfield, and Dr. Anna Hedgeman of the National Council of Churches.

Rabbi Reuben R. Levine of Temple Beth Ahm, Springfield; William Northover, a Catholic layman from Westfield; the Rev. John Dexheimer of the Cranford Methodist Church, and David Eastlow, a Quaker leader from Summit, will keynote the workshop on open housing. James Wilson, a Catholic layman from Roselle; Rabbi William Horn of the Jewish Community Center, Summit, and the Rev. Walter S. Taylor of the Englewood Methodist Church will take part in the session on employment.

The workshop on education will be led by William Holub, a Summit Catholic layman; Rabbi Irvin Blank, Temple Sinai, Tenafly, and the Rev. William Youngdahl, a Lutheran pastor from New York.

The Rev. William Linder of Queen of Angels Church, Newark; Rabbi Morrison Blal of Temple Sinai, Summit, and the Rev. Albert D. Tyson, president of the Princeton Association for Human Rights, will join in the workshop on legislation. Sponsors of the meeting are

the Rev. David Wyatt, chaplain at Overlook Hospital; Father Kelly, pastor of the host church, and Rabbi Blal of Summit.

Soccer Team Will Launch Season Here Tomorrow

Coach Stresses Basics Of Sport

How to build a winning soccer team from a group of inexperienced high school athletes is the problem that faces Coach John Palfi of the Dayton Regional soccer team each fall. The season will start here tomorrow against Jefferson.

Most of the freshmen who come out for the team have had almost no experience at the game. For some unknown reason, soccer is just not played for fun by young American boys in open fields and sandlots, as football and baseball are. Any skill they will bring to the soccer field playing for the honor of Jonathan Dayton Regional High must be developed in intensive practice sessions held by Coach Palfi.

For a week and a half before school began for the boys last Thursday, the soccer team had been holding practice sessions from 8:30 a.m. to noon every day. They concentrated on getting into shape and learning the fundamentals of the game.

Practices consisted of at least a one-mile run each day, calisthenics, wind sprints and drills in such soccer basics as trapping the ball with feet, knees or chest, dribbling and heading.

Since last Thursday, practices have been held every day after school from 3:15 to 6 p.m. After a mile-and-one-half run and 20 minutes of calisthenics, Coach Palfi finds it helpful to talk to the boys for a few minutes

about the mistakes they have been making.

He points out weaknesses he wants the boys to concentrate upon—strengthening, and tries to explain some of the finer points of soccer strategy.

Stress Fundamentals

Then the team spreads out in small groups over the whole front campus of the school to practice fundamentals—again. Linemen practice dribbling the ball with their feet and heading it back and forth to each other. The backs practice the long, powerful kicks they will need to use to clear the ball out of the dangerous territory in front of their goal.

Coach Palfi stands 20 yards in front of one of the goalies with two or three soccer balls and fires them in rapid succession at the mouth of the 20-by-10-foot goal which the goalie must protect.

After an hour of such drills, Coach Palfi holds an intra-squad scrimmage, with frequent interruptions for comments and criticism. Participation in the actual competition of a game is the only way a boy can really learn to play soccer. For many boys, these scrimmages are their first real soccer.

The coach might wish that some of his players had been given a soccer ball and shu guards on their fifth birthdays instead of a baseball glove, but lack of experience is not going to deter him from trying to produce a successful team.

The spirit of the team is higher this year than in previous ones. The boys find soccer to be a "demanding and challenging game requiring speed, endurance and skill." They speak hopefully of soon giving the school a Watchung Conference championship in soccer.

Players' Parents Get Basic Course To Explain Sport

Close to 100 parents witnessed the fourth annual Mom and Dad's Football Clinic Monday night at the Jonathan Dayton Regional High School gym. The clinic was sponsored by the Dayton Regional Boosters Club and was designed to present information about Dayton Regional football in a manner easily understood by parents.

Head Coach Herb Palmer, starting his fifth year at the helm of the Bulldogs eleven, acted as master of ceremonies. He introduced the members of the coaching staff, Vinnie Albano, Robert Lummer, Raymond Vancus, Mike Iannelli and Joe Mills, and 32 varsity starters who ran through the various offenses, defenses and plays for the benefit of the parents.

COUNTY SOFTBALL CHAMPS — Members of the Atlantic Metal Products Co., Springfield, team which placed first in the 1964 Union County Industrial Park Softball League: Standing (left to right), John Tichy, manager; Walter Jedwabnik, Vince D'Addio, Billy Hilton, Bob Atkins and Jack Murphy, Kneeling, Tom Romendelli, Jerry Kwankiw, Charles Sabotka, Peter Mackrell and Bill Hauer. The trophy for the winning team was donated by the Goldie Industrial Supply Co.

Dayton Gridmen Get First Action

In two practice scrimmages last week, the Jonathan Dayton Regional High School football team tested its strength against rival teams. These pre-season contests are designed to allow each team to sharpen its attack and solidify its defense.

They also provide the coaches with an opportunity to see their personnel in action. From the information the coach gains, he is able to decide upon the starting line-up for the regular season. The Bulldogs open here Sept. 20 against Livingston Regional of Berkeley Heights.

The scrimmages follow the same rule-of-season football, except that the usual pattern of four downs per team is not used. Each team is permitted to run 10 plays at a time, starting from its own 20-yard line. The score is determined not only by the number of touchdowns scored, but also by the ability of each team to move the ball.

Practice Scrimmage

On Wednesday, a scrimmage was held between Dayton Regional and Summit High School.

Head Coach Herb Palmer of Dayton indicated that he was very well pleased with the performance of his athletes. It is estimated that in a regular game they would have scored four touchdowns, to none for Summit.

The defense was strong. Stopping many plays through the line were Dan Elzold at tackle and Alan Greenberg at guard.

The offense looked sharp although more practice will be needed in the coming week to familiarize the boys with their plays. Carl Varas, the running halfback of the wing-T, and Mike Adickman, the fullback, were strong gainers on the ground. Quarterback Bobby Ries passing to halfbacks Perry Krowne and to Varas opened up holes in the defense.

The problem at end, however, remains to be solved. Dave Ronco, a tall senior, is temporarily out with an injured shoulder. Bob Blythe, Al Lobatto, Ernie Millner and Dennis Lies each saw action at the end spot, but Rles was not able to complete a pass to any of his ends.

Lombardi Takes AFROTC Training

FALMOUTH, Mass. — Richard A. Lombardi of Springfield, N.J., recently completed his orientation flight as part of the Air Force Reserve Officer Training Corps (AFROTC) summer encampment conducted at Otis AFB, Mass.

The team was not as sharp in Madison as in the Summit scrimmage, perhaps because of injuries. In the second play of the game, fullback Mike Adickman sustained a dislocated finger which kept him out of the rest of the contest.

Second-string fullback Marc Anthony was out with a sore ankle, so sophomore Mark Gussavich was called upon to play the position. One bright point was again Ries' passing. He completed seven of 12 passes for a nearly 60 per cent completion average. The offense was unable, however, to click for a score.

The defense yielded three touchdowns on mistakes of timing and coordination. These will have to be corrected in practice and skill sessions this week. The backfield permitted only six completed passes, although defensive back Dave Ronco was unable to play. Harold Hansen filled in well for him. The center of the line was strong again, forcing Madison to run to the outside on most plays.

These early scrimmages show the Dayton players developing well. Scrimmages during the next two weeks before the opening game will reveal whether they'll develop into a top team.

of the AFROTC unit at Rutgers University, completed four weeks of indoctrination in various phases of operations at this Air Defense Command base. He is the son of Mr. and Mrs. Richard A. Lombardi of 205 Hillside ave.

The 20-year-old cadet will be eligible for a commission as an Air Force second lieutenant upon completion of AFROTC training and graduation from college. He is a member of Alpha Chi Rho.

Motorcyclist Hurt

Peter Carroll, 34, of Annapolis, Md., was treated for injuries Saturday night at Overlook Hospital in Summit, after being thrown from a motorcycle at Timber Acres and Green Hill roads, Springfield police reported.

He was driving north on Timber Acres rd. and failed to negotiate a turn. He lost control and fell, hitting the curb, police said.

The man, who was driving a motorcycle belonging to the Home News Service of 185 Mountain ave., Springfield, received abrasions of the left shoulder and side, and he complained of chest pains.

Fall Bowling Action Opens In 3 Leagues

The bowling season opened in three leagues this week for Springfield teams at three separate locations. The Springfield Sports opened play at the Springfield Bowl; Temple Beth Ahm is at the Hi Way Arena on Rt. 22, Union; and the North Jersey Council, B'nai B'rith scratch league opened at Lyons Lanes.

The "Sports" were headed by Arthur Rehberg's 214, Anthony Fabrizio's 235, Ronnie De Santis' 212, Steve Elegg's 205, and Art Mutschler's 201. George Brenn captured high series for the evening with a 562.

The Center Slightly Pinders scored a sweep over the Yankee Investment Co. bowlers.

The Temple bowlers began with a 28-team league, and there, too, only one sweep was recorded; that by the Klein team. Their opponents were not named.

Men over the 300 mark were Abby Weinberg, 245; Dave Adler, 211; Ben Wildman, 210; Al Raskin, 210; Bernie Cole, 208;

George Wolfe, 202-205; Mel Kurtz, 203; and Stan Bruder, 202.

A good fill series with games of 210 and 233 by Ed Palant paced the B'nai B'rith bowlers, with Sam Steinhoff just missing the charmed circle with 202-597; Bob Putman, 225-560; Jack Wildman, 201-210-563; Alan Mayer, 558; Bernie Grayson, 213-557; Lennie Palant, 209; Don Ables, 221; Lou Friedman, 224; Max Krasman, 200; Jack Sloni, 201; Phil Marantid, 202; Herman Kibel, 212; and Milt Goldstein, 201.

Vintage Cars To Recall Past Years When Tailfins Were On Fish Alone

Hand-cranked engines will sputter, and klaxon horns growl when some 50 vintage cars gather for the 1964 Antique Car Show at the Mall at Short Hills, on the Morris and Essex Turnpike on Saturday.

The forefathers of the fast-back and tailfin will participate in a parade and competition being sponsored at the 50-acre shopping center by the New Jersey Region of the Antique Automobile Club of America. They will assemble at 10:30 a.m. for judging and awarding of prizes for the most popular brass era car, the most popular production car and the most popular classic or foreign car.

Following a parade at 2 p.m., the blazes and plush touring cars alike will compete in a water cup race, in which autos drive a measured course with a cup of water balanced on the running board, and a Maypole event, in which they circle a pole, tied to it by a slender ribbon.

Soldier Arrested After Chase By Three Police Departments

A 20-year-old serviceman from East Orange is in the Union County jail in lieu of \$500 bail in the aftermath of an early Sunday morning chase by police of three communities along Rt. 22 at 100 miles per hour with the soldier in the lead in a stolen car.

He is Donald Mosley, and the charges against him in Mountaineer are unlawful possession of a motor vehicle, driving while on a revoked list, resisting arrest and reckless driving.

The reason, police later learned, was that Mosley had no ignition key and that he had started the car by "jumping" the ignition wires with tinfol. He was trying to do it again at the red light intersection, they said. They listed the owner of the vehicle as Frank Loy of Newark.

When the young man did finally get the motor running, the officer told him to pull over. Instead, however, Pvt. Mosley took off at high speed. The patrolman began pursuit with siren blowing and red flasher operating.

The soldier was arraigned Monday afternoon before Magistrate Jacob Bauer, who fixed bail and set a hearing date for next Wednesday night. Police said Pvt. Mosley was 200 AWOL; he was on legitimate leave from his base, but they were unable to say if the status continues through next Wednesday night.

UJC Day Session Opens Tomorrow

School bells will ring for the first time tomorrow as 800 freshmen and sophomores began classes in the day session at Union Junior College, Cranford.

Another 700 students will resume classes Monday in the evening session.

The 1,500 students expected at UJC's 32nd academic year is the largest enrollment in the college's history.

A unique orientation program for sophomores will be conducted today. The program is designed to assist UJC sophomores in their efforts to transfer to four-year colleges and universities.

The speakers will include Robert Bunn, director of admissions of Newark-Rutgers; Theodore Fleck, director of admissions of Upsala College, East Orange, and E. Theodore Stier, director of admissions of Newark State College at Union.

Tot Injured In Tumble Down Stairs At Home

Eleven-month-old Anthony Di-Giovanni of 292 Ohio st., Union, was injured Friday, when he fell down a stairway at home, police reported.

The child was taken in a police car to Overlook Hospital, Summit, with a large bump on his head, police said.

Judge Assigns Springfield Man As Law Secretary To Judiciary

Donald W. Rinaldo of 360 Linden ave., Springfield, is one of five persons assigned last week by Union County Court Judge John E. Barger as new law secretaries for members of the county's judiciary.

A brother of Freeholder Matthew J. Rinaldo of Union, he will serve Judges Barger and Chester A. Weidenburey.

Among those succeeded by the appointment are Donald H. Weitzman of 1865 Manor dr., Union, and Aaron G. Greenberg of 509 Brooklawn ave., Roselle. The two young lawyers have secured positions with law firms.

Selections of law secretaries are made by the Judges.

Courses Slated On Seamanship

Free courses in piloting, seamanship and small boat handling are offered to the public this fall by the Watchung Squadron, a unit of the United States Power Squadron.

Classes are scheduled from 7:30 to 10 p. m. for 12 Wednesday evenings in Harding School, Kenilworth blvd., Kenilworth. Enrollment began yesterday and will also be permissible next Wednesday Sept. 23.

The courses will be conducted by well known local boatmen and will cover such subjects as the mariner's compass, aids to navigation, nautical charts, rules of the road, and safety at sea. Persons owning boats, or contemplating ownership, are sought as enrollees in the course where the fundamentals of small boat handling will be taught.

Advanced courses in seamanship, advanced piloting, engine maintenance, weather, sailing and other subjects are also available to those who complete the piloting course.

Johnson Unit Plans Fund-Raising Dance

The initial fund-raising activity of the Union County Young Citizens for Johnson and Humphrey will be a reception and dance to be held in the Villa Roma in Elizabeth starting at 7:30 p. m. Sunday. Speakers will be persons in state government.

David Hughes, chairman of the Young Citizens group, also announced plans for a joint state-county membership drive. Membership cards may be obtained at the reception from Hughes or at state headquarters for the group.

Hughes said invitations for the reception and dance may be secured in advance from Marie Di Stefano, Union municipal clerk, or from Hughes, Miss Di Stefano may be contacted at MU-8-5268; Hughes at EL-3-7511.

A county headquarters for the organization will be established in the near future, Hughes said.

SCREENING TESTS SET FOR CLASSES IN LIFE SAVING

Elizabeth Chapter, American Red Cross, will hold screening tests at 7 p. m. Tuesday for boys and girls 12 to 15 who are eligible for junior life saving classes. The tests to be given at the YWCA pool, 135 Madison ave., Elizabeth, are open to residents of Union County. Classes will meet Tuesday nights through Nov. 23.

Bernard J. Saks, director of safety services for the Red Cross chapter, will be assisted by water safety instructors from throughout the chapter area, an announcement said.
