Power Failure Fails To Dim Municipal Harmony

Chamber Seeks Answers On Interest In United Fund

As part of its project to determine the feasibility of a United Fund campaign for the community, the Springfield Chamber of Commerce this week urged all residents to fill in the brief questionnaire printed here, which is designed to indicate the extent of participation by residents to be expected in the projected drive.

Purpose of the United Fund, Chamber leaders stated, is to consolidate charitable fund-raising efforts so that money can be obtained more efficiently than at present and the drain of numerous, separate campaigns on residents can be reduced sharply.

Jack Stifelman, former president of the Chamber and now president of the Springfield Lions Club, heads the planning committee. Assisting him are Henry Grabarz, former Chamber president, Saul Freeman, executive secretary, and Harvey Schramm, the current president of the Chamber.

Urging all residents to complete and mail in the questionnaire, the committee said it will permit proper evaluation of the desires of the residents of Springfield and of the business community.

"Only then can the Chamber determine whether or not a United Fund campaign should be introduced into Springfield."

The Chamber last spring sponsored a meeting of representatives of 14 organizations which conduct fund drives in the township. A majority of the groups at that time expressed a strong interest in a unified fund-raising effort.

State Receives Bids For Rt. 78 Job Here

The New Jersey State Highway Department this week announced it received a low bid of \$10,487,679.20 from Public Constructors, Inc., Blackwood, on the first major Interstate Route 78 project in Essex and Union Counties. A major portion of the work will be in Springfield.

Other bidders were: S. J. Groves and Sons Co., Woodbridge, \$11,046,479.88; Schiavone Construction Co., Inc., Secaucus, \$11,786,919.85; Forster and McLane Corp., New York City, \$11,842,049.65; Conduitt and Foundation Corp., Philadelphia, and Slettery Contracting Co., Inc., New York City (joint venture), \$12,605,082.92; C.A.F. Langfelder and Son, Inc., Baltimore, \$13,788,602.41.

Work on the two-mile project will include grading, bridge construction and partial paving at the future intersection of Interstate Route 78 and Route 24 (Essexway) in Millburn Township, Essex County, and the city of Summit, township of Springfield and township of Union in Union County.

In general, the contract calls for preparing the roadbed and building bridges for future Route 78 in the area between Springfield ave. and a point about a quarter-mile west of Shumpke rd. The roadbed and

Recreation Board Plans Arts Show For Vacant Store

The Springfield Recreation Department announced this week that there will be an arts and crafts exhibit in a vacant store at Caldwell pl. and Morris ave. Tuesday to next Thursday.

On display will be the projects completed by children in the township's playgrounds this summer.

Hours for the exhibit will be 9:30 a.m. to 3:30 p.m. Aug. 17 and 19, and 10:30 a.m. to 3 p.m. Aug. 18. The exhibit will be conducted by June Siniakiewicz and Karen Brudner, the Recreation Department's arts and crafts directors. The department pointed out that this season it has expanded its arts and crafts program to include all children who participate in playground activities.

RED CROSS PLANS TO DISPLAY, SELL CHAPTER VEHICLE

The Red Cross station wagon which the Springfield Chapter is planning to sell will be on display for potential purchasers Saturday from 10 a.m. to noon at the Cannon Ball House, Morris ave.

The vehicle is a 1958 Ford four-door station wagon. A chapter spokesman stated that anyone wishing to make an offer over \$100 may present it with a check Monday at 8 p.m. at the chapter office at the Cannon Ball House. The station wagon will then go to the high bidder. This procedure is in accordance with Red Cross policy for the disposition of property. The Springfield Chapter has just acquired a new station wagon to replace the 10-year-old veteran.

YOUTHFUL NATURALISTS — Facing with a few members of their growing collection of pets are, from left, Michael Byrd, Jack Neville and Gary Williams. The prize of their menagerie, a five-legged frog named Georgie, proved to be healthy and active, but a little too small to pose for a portrait.

Three Boys And A Five-Legged Frog

This is all about three boys who are all in love with the most unlikely creature anyone could imagine right here in Springfield — a five-legged frog named Georgie.

They're not in love, exactly, but usually when a boy's eyes light up, and he talks in such a breathless manner, that's the name for his condition. When they get older, of course.

The three young zoologists are Gary Williams, 12, of 78 S. Springfield ave.; Jack Neville, 12, of 5 Shumpke rd.; and Michael Byrd, 9, of 339 Mountain ave.

Besides Georgie, they hold collective title to 14 other frogs, a dozen turtles, five lizards (one with two tails), one common water snake named Samantha, two hamsters, one

Neighbors Object To Noises, Music From Town Pool

New Bill Introduced Authorizing Library To Punish Scafflaws

By ABNER GOLD

The Township Committee meeting, which began in dark, new Tuesday evening as a result of a power failure at Town Hall, ended in an aura of light and harmony when the power returned during the public discussion period.

Speaking from the floor, two residents of Denham rd., who joined the Municipal Swimming Pool, called for action to limit the noise at the pool and to remedy other problems.

Anton Campanella said that the noise reached a peak during a teen-aged rock and roll ensemble's program at the pool on Saturday afternoon.

"It's getting to sound like a Junior Olympic Park or 'Cosay Island,'" Campanella stated. "I have no objection to the pool, and I enjoy swimming there, but the noise must be policed."

Ed Hall, the governing body's most consistent and wittiest critic, particularly in matters relating to the pool, suggested use of several blackboards throughout the pool area, rather than loud-speakers, to announce various activities.

Unofficial Uses

Both neighbors objected to use of the pool parking lot late at night for non-swimming activities, as evidenced by the bees once found in their yards in the mornings.

Mayor William F. Koonz, who heads the Recreation Department, and Committee Chairman Robert G. Finney, in charge of police, promised prompt action to end or sharply reduce the problems.

Motorcycle Is Hit On Millburn Ave.

Two 17-year-old Springfield boys were injured last Friday morning when the motorcycle they were riding was struck by a car in Millburn. Both were taken by the Millburn police ambulance to Overlook Hospital, where their condition was reported as good.

They are William Gold of 121 Hawthorne ave. and Dennis Condon of 82 Lincoln ave. Gold sustained fractured left knee and facial lacerations. Condon suffered lacerations of the left elbow and knee and an injury to his ankle. Gold is a varsity football player at Jonathan Dayton Regional High School.

According to the Millburn police, Condon was driving his motorcycle with Gold as a passenger, east on Millburn ave. in front of Millburn High School last Friday at 10:21 a.m.

Gerald Krusner of West Orange, driving his car west on Millburn ave., attempted to make a left turn into the high school driveway, and the two vehicles collided, the police report stated.

Neighbors Object To Noises, Music From Town Pool

An ordinance was introduced authorizing the Public Library to take legal action against borrowers who fail to return books, damage library property or misuse library cards. The proposed measure, which is slated for a final hearing Aug. 24, calls for fines of \$15 to \$50.

A variance was approved permitting John Aggar to house an offset-printing business in an addition to adjoin his home on Morrison rd.

The committee accepted, with (Continued on Page 4)

BOYS' STATE DELEGATES will report on their experiences in talks at the installation meeting of Springfield Continental Post, American Legion, Sept. 18 at the Legion Home. Shown, from left, are Joseph Natello, post boys' State chairman; Steve Harts, who was elected state tax commissioner at Boys' State; Ira Rutkow, who was named commissioner of conservation and economic development and secretary of the Federal Party, and William Weber, post commander.

Overlook Hospital Will Open Garage For Visitors, Doctors

Overlook Hospital in Summit, a major expansion to its parking facilities. To be operated on a new multi-level parking garage, a pay-as-you-park basis, the garage will be financially self-liquidating. To that patient charges will not have to be increased to bear the cost of parking by visitors, tradesmen, and out-patients.

The addition, together with other parking lot improvements, lighting and landscaping, involves a total cost of \$600,000 to the hospital. Made necessary by the new wing now under construction, which will occupy the largest parking area previously available, the deck parking structure will provide space for 225 cars on three levels. Total parking capacity at Overlook will be 600 cars, including surrounding lots for employees.

The new deck parking will be reserved for patients, visitors and doctors, primarily to provide them with a protected, well-lighted parking area close to the hospital. Overlook's new main entrance on Beauvoir ave. will be directly adjacent.

The new multi-level garage is constructed of poured concrete. Decorative concrete panels will be added to give architectural design, and the grounds will be attractively landscaped.

Overlook has already completed two new parking lots at the base of Sylvan rd. and another lot at the side of the nurses' residence, which adjoins the top level of the new parking garage.

Sidewalks, lights and lowering of the grade of Sylvan rd. have already been completed to ease access to the main building. The hospital's remaining lot, for employee parking, across Morris ave. is also scheduled for paving and expansion.

CAROL MARANO

TELEVISION SHOW TO FEATURE GIRL FROM TOWNSHIP

Carol Marano, daughter of Mr. and Mrs. Victor Marano of 301 Northview ter., Springfield, will sing Sunday on the "Ted Mack Amateur Hour." Air time on CBS-TV is 9:30 p.m.

Miss Marano is a graduate of Jonathan Dayton Regional High School here and of Juniata College, Huntingdon, Pa. She has studied at the Sorbonne in Paris. The soloist is an instructor in French and Spanish at Maxson Junior High School in Plainfield.

Police Team Sets New Pistol Mark As Season Ends

The Springfield Police Department pistol team set a new team record of 1,185 out of a possible 1,200 last week as it won its two final matches of the season in the County Police League. The Springfield marksmen finished the season with a record of 13 victories and six defeats.

The record total of 1,185 came as the Springfield team defeated Cranford on a forfeit. Hoyte Thompson led the winners with his second perfect 300 score of the year.

Tom Kennedy set a personal high mark of 298 to finish second. Ed Baumer had 294, and Bob Maguire, 293. Others competing for Springfield were Gene Pedersen, 289, and Don Schwert, 281.

Springfield also defeated the Union County Park Police, 1162 to 1149. Thompson was high man for Springfield with 295, followed by Baumer, 294; Pedersen, 287, and Chief Wilbur C. Sander, 286. Maguire shot 273.

Heart Fund Chief Thanks Freeman For Efforts Here

Matthew J. Rinaldo, Union County Heart Fund chairman, this week extended his personal appreciation to Saul Freeman, chairman of the 1965 drive in Springfield.

In a letter to Freeman, Rinaldo said he was particularly grateful for "the help that you and other volunteers so generously furnished that made it possible for the campaign to top our 1964 drive."

Rinaldo noted that the 1965 Union County Heart Fund effort netted \$68,289 for the charity. He said the amount raised this year topped the previous year's figure by more than \$5,000. The Springfield total was \$1,802.

Books At Library Offer Wide Range Of Subject Matter

The Springfield Public Library has added the following books to its collection this past week:

For reference: Taber's "Cyclopedic Medical Dictionary" is a "digest of medical subjects in alphabetical order. Covers medicine, surgery, nursing, dietetics, physical therapy, treatment and drugs. This is a quick way to look-up what-sets you and how to take care of it."

College crowd: Jack Kerouac's "Desolation Angels." This is a "candid in-group account of the key figures of the Beat Generation." This considered Kerouac's strongest novel since "On the Road."

Vacations: "Surf and Sea," by John M. Kelly, Jr. "offers information and tales about surf, surf sports and the sea. It is an exciting, well-illustrated book.

New Jersey: "Monmouth Road to Glory," by Col. C. Malcolm B. Gilman. Also included is "The Civil-martial and Vindication of Major General Charles Lee" (for his controversial behavior at the "Battle of Monmouth").

People today: Thomas B. Morgan's "Self-Creations: 13 Impersonalities." Among the thirteen "impersonalities" recorded are the late Gary Cooper, Edward Kennedy, Sammy Davis, Brigitte Bardot, Franklin D. Roosevelt, Dick and Frankie Knickerbocker, etc. Also included is "The Young Edgar Allan Poe," by Lettie Cooper. "Nicely illustrated in black-and-white sketches, this book tells the story of Poe's early boyhood with his actor-parents, his life with foster parents and his love for poetry."

"Animals of the Arctic" by Gwyneth Myers. "The author has been a member of Arctic expeditions and follows the seasons in describing the animals that live in the Arctic Circle. Fine illustrations in color."

Connecticut Farms Incident Had Profound Effect In Revolution

A Rutgers professor in Newark has uncovered evidence of an "accident" which may have prevented a major defeat for Gen. George Washington in New Jersey during the Revolutionary War.

The story begins on June 6, 1780, when a British army under the command of Lieut. Gen. Wilhelm von Knyphausen crossed from Staten Island to Elizabeth Point in New Jersey and began to march west toward the main American base at Morristown.

Knyphausen, having been advised that the New Jersey militia was low in morale and not likely to give Gen. George Washington much support, intended to make a powerful thrust toward Morristown in

hopes of inflicting a devastating defeat on the Continental Army.

But by the time the powerful British and Hessian troops approached Springfield, great numbers of New Jersey militia had gathered from the surrounding countryside and, in a battle at the Rahway River, forced the British to draw back into what is now the Connecticut Farms section of Union.

ONE OF THE reasons advanced for the rapid and widespread rallying of New Jersey men is the rumor that resulted from the killing by a redcoat of Mrs. James Caldwell, wife of the famed "fighting parson" of the Continental

Army. News of the killing spread like wildfire throughout the area and brought the militia swarming from all over.

The event has lived among the most famous stories and legends of the American Revolution, and is commemorated in many places today. Perhaps its most prominent and graphic recognition is in the official seal of Union County, which contains an illustration of a redcoat firing at a woman in the doorway of a small house.

The incident is discussed in the book "As We Were—the Story of Old Elizabethtown," written by Theodore Thayer, professor of history at the Rutgers Newark College of Arts and Sciences and published for the New Jersey Historical Society by the Grassman Publishing Company of Elizabeth.

Dr. Thayer, whose special field is American history, did extensive research into the incident and has concluded that this famous historical event probably was an ironic

accident.

According to the State University historian, the British invaders had found it necessary to fire on the houses in Connecticut Farms and burn them because the rebels were using them as hiding places from which to snipe at the redcoats.

A teen-age girl-in-the-house in which Mrs. Caldwell was waiting out the battle later recalled that she saw a "short, squatly soldier in a red coat" come around the side of the house and, when he was nearly opposite a bedroom window, fire into it. Mrs. Caldwell, sitting on the edge of the bed, rushed in, expecting to find rebels, and were followed by General William Tryon, who expressed his sorrow for the incident. However, rumors began to fly, and some versions of the story held that the British had had orders to kill Mrs. Caldwell on sight. In any case, people in the region were convinced that she had been murdered in cold blood and the effect of this on the American soldiers was described by an observer: "I never saw soldiers pant for revenge more than ours do—not a deserter from us since we came to the ground."

Thus aroused, the New Jersey Continentals held fast at the Rahway River and forced the withdrawal of an enemy

many times stronger. Had the British been able to advance, they would almost certainly have been able to seize the Americans' heavy cannon and supplies.

Dr. Thayer reports that, long after the war, Capt. William C. DeHart, an aide to Gen. Winfield Scott and a hero of the Mexican War, attempted to write an unbiased account of the slaying of Mrs. Caldwell but was vehemently condemned for his efforts by irate citizens of Elizabethtown and its vicinity.

Regardless of the accuracy of the popular account, there can be no doubting that the incident at Connecticut Farms had a profound effect on a major battle of the Revolu-

tion in New Jersey, and has taken its place as one of the legends of that heroic era.

STATE CHAMPION — Fred Brown of Springfield is shown, above, as he soared to the State AAU men's three-meter diving championship last Friday at the Springfield Municipal Pool. Brown is a former state and Eastern intercollegiate champion. Steve McCoy of Westfield was third. Kathy Flicker of Millburn won the women's championship, followed by Gail Shiffman and Jill Agadjanian. Miss Flicker and Miss Shiffman will both represent the U.S. in the Maccabian Games later this summer in Israel.

Minutemen Set Finale Here Against Summit Tonight.

Last week the Springfield Minutemen divided a pair of Suburban Recreation League baseball games. The Springfield contingent shut out Summit at Summit last Monday, by the score of 5-0. Last Thursday at home, the Minutemen were defeated by league-leading Livingston. The final score was 5-1.

The Minutemen will meet Summit tonight in their season wind-up at the Sandmeier School Field in Springfield. Springfield's season record is six victories against four losses, with two games to play.

Brian Finnelly, Springfield catcher and team captain, is pacing the Minutemen in most batting departments. Finnelly is stroking the ball at a .519 clip and is the runs-batted-in leader with 11.

Minuteman shortstop and pitcher Gary Kurtz is the only other 300 hitter. Kurtz is batting .367 for the season.

Other effective players this season have been Brian Sheehan and Rich Campbell. Sheehan is hitting .292, while Campbell is batting .260. Campbell paces the squad in runs scored and stolen bases.

First Shut-Out
Kurtz turned in Springfield's first shut-out pitching performance of the season as he set down Summit with his last Monday at the loser's field. Springfield tallied single runs in five different innings on the way to posting a 5-0 triumph over Summit.

Denny Murnane, with two hits and three runs scored, and Brian Finnelly, with two runs batted-in, were the offensive heroes for the winners. Kurtz aided his

own cause by hitting safety twice.

Kurtz's pitching performance was the finest of the year turned in by a Springfield pitcher. Summit could gather only two safeties off the right-handed pitching of Kurtz. He set down nine Summit batters via the strike-out route, while issuing but a single walk.

Pennant Hopes Vanish
The Minutemen lost their final chance to catch Livingston for first place in the Suburban League when they dropped a 5 to 1 decision to the league champs at the Sandmeier Field last Thursday evening.

Going into this all-important game Springfield had suffered three losses, while Livingston had dropped two games. The

two contenders will not meet any more this season. Springfield defeated Livingston once, while dropping three games to the champs.

Steve Jupa took the mound for Springfield in this game. Jupa pitched well until the third inning. With one out in the third, two infield hits and a walk-loaded the bases. Jim Durkin, Livingston shortstop and captain, then unloaded a bases-clearing double to break up the ball game.

Joe Bucel relieved Jupa on the mound and held the visitors in check. A two-out single and a steal of second base by Gary Kurtz, followed by Brian Finnelly's single, accounted for Springfield's lone run in the fifth inning.

Rain Stops Softball; Meeker Wins, 10-7

A cloudburst in the seventh inning interrupted play in the Adult Softball League last Wednesday evening at the Swim Pool diamond, with Meeker holding a 10-7 advantage over Millman Distributors. The game went into the records as a victory for Meeker in the Springfield Recreation Department league.

Games were postponed Monday, Tuesday, Thursday and Friday nights, through either wet grounds or stormy weather. Several games have been rescheduled, with others pending at either the Washington Ave. or Melsel ave. fields.

Meeker scored a single run in the first inning on a single by Ed Dunlap and a triple by Dick Thinkham. Millman Distributors came back to score three runs in the first and second innings to take a 6-1 advantage. The big hits were a double by Chet Moroz and a fence-clearing home run by Mike Moroz.

Meeker stayed alive by coming through with three hits in the third, which netted three

runs, then they really put on an offensive display by getting five runs in the fourth on three hits. The big hits were a double by Ralph Drew and a home run by Dick Baker, the latter netting three runs on the slam over the left field fence. The ball carried the 250-foot mark easily.

Violators Of Fish And Game Laws Fined More Than \$50,000 In Year

TRENTON — Fines of more than \$50,000 were paid by violators of New Jersey Fish and Game laws during fiscal 1964-65, according to the Division of Fish and Game in the Department of Conservation and Economic Development.

These penalties resulted from over 1,500 complaints filed by Fish and Game Conservation officers, of which over 1,400 resulted in convictions. In addition, nearly 400 warnings were issued for minor violations.

The 40-man conservation officer force put in over 100,000 hours of duty during the year. Well over half this time was logged on patrol, although many hours were devoted to court appearances, administrative duties, stocking of fish and game, public relations and related duties.

Over 200 volunteer deputies spent countless hours assisting the officers in nearly all phases

of this effort, and local and State police furnished valuable cooperation. More than 80,000 anglers, hunters and trappers were contacted by the officers during their patrols.

Hunting law violations were most common, with 555 offenses prosecuted. In addition to 202 violations related specifically to deer and 125 firearm violations, license violations accounted for 427 complaints and fishing violations 209, with miscellaneous offenses making up the balance.

Deer "jackers" paid the stiffest penalties, with one fifth of the fines for one eighth of the complaints. These were the violators who attempt to shoot deer at night after transfixing the animals with a spotlight.

Chief Conservation Officer William P. Coffin praised the officers and deputies for their efforts in educating violators in the high cost of breaking conservation laws.

SWIMMING RACES SCHEDULED AGAIN FOR YOUNGSTERS

The third annual Springfield swimming meet will be held at the Municipal Pool on Saturday, Aug. 21, for competitors aged six to 16. The preliminary heats will be held during the afternoon.

The meet will be sponsored by the Optimist Club. Mayor William Koonz and the Optimist Club president, David Zurav, will present trophies and ribbons to the winners. The pool director, Stanley Wnek, and George Latak, swim team supervisor, will be in charge of the program. All entrants must register at the Municipal Pool.

Exhibition Games In Girls' Softball Saturday Night

The Marauder Girls of Elizabeth will be here Saturday night to engage the Philadelphia Spartans in an exhibition, girls' ball twin bill at the Municipal Swim Pool diamond. The first of the two games will start at 8:30.

The Marauders are a nationally known ball club and they rate with stronger clubs in Eastern girls' softball. The team is composed of girls who are school teachers stenographers, secretaries and typists, and others who are still in school or college as students.

They play about 50 games each summer, which takes them to six states, travelling over 4,000 miles to meet all of their commitments. They are members of the strong Eastern Girls' Major Softball League, which includes teams in Massachusetts, Connecticut, New Jersey, Maryland and Florida.

Annie Blasse at second base is a former All-World performer, hits a long ball, and covers a lot of ground at the keystone sack. Other standouts are catcher Pat Belme, left fielder Dodeca Place and Pooie Spicer, in center. The Spartans have compiled an impressive record in Eastern Pa. and rate with the stronger clubs in the Central Atlantic Region.

There will be no admission charged for this softball twin bill which is part of the Springfield Recreation Department swim pool recreation program.

Wrong-Way Auto Causes Collision

Patrick J. McCloskey, 35, of Scotch Plains, was driving west on Rt. 22, Springfield, last Friday night at 11:45, he and several witnesses told police, when an unidentified car came toward him, heading east in the west-bound lane.

McCloskey stopped short, the Springfield police reported, and his auto was struck in the rear by one driven by Raymond C. Rubin, 20, of 829 S. Springfield ave., Springfield. Both cars had to be towed from the scene, but the drivers reported no injuries. The wrong-way driver remained unidentified.

Senator Williams Reports

By Sen. Harrison A. Williams

Washington — The outline of some real solutions to the water shortage in New Jersey began to emerge at a meeting recently in the office of Secretary of the Interior Stewart Udall.

Attending the meeting was an impressive roster of state, federal and industrial officials. These included Governor Richard J. Hughes, Senator Clifford Cairnes and myself, Congressman Peter Rodino, and the New Jersey delegation in the House of Representatives; Secretary Udall, Joseph Swidler, chairman of the Federal Power Commission; Glenn Seaborg, chairman of the Atomic Energy Commission; Robert Roe, New Jersey Commissioner of Conservation and Economic Development; William Hyland, chairman of the New Jersey Public Utilities Commission, and three New Jersey power company executives, Robert A. Baker of Public Service Electric & Gas Co., William McElwain of Jersey Central Power and Light Co., and James P. Hoagland of the Atlantic City Electric Co.

Governor Hughes characterized the discussion as "highly productive."

water shortage were brought into focus at the meeting, as clearly the ones which can and should be pursued. And the first steps toward achieving them were taken.

One is a long-range solution. This is construction of a nuclear-powered sea water desalting plant. The other is short-range. That is tapping existing ground water resources and transporting the water to the areas where it is needed.

The reason for the presence of the chairman of the AEC and the FPC and the private power executives was to explore the feasibility of establishing a sea water desalting plant in New Jersey or elsewhere in the Middle Atlantic States.

This is a vast undertaking, with a number of complicating factors. At present, water produced by such a plant costs twice as much as water from reservoirs or wells. In addition, a vast amount of electricity is produced by such a facility and a market must be found for this power.

However, as one of those at the meeting remarked, water that looks expensive today may look very cheap indeed in a few years.

and, some of the New England Governors in finishing this study, if the survey indicates it is practical.

It was emphasized that a five-year time lag, at the least, is involved in construction of a sea-water desalting plant.

But the state can tap ground water resources in a much shorter time. There are underground water resources in South Jersey which are not utilized at present.

Governor Hughes supplied figures from the New Jersey Department of Conservation and Economic Development which show that 30 wells drilled in South Jersey would produce 30 million gallons of water per day and 180 wells would produce 130 million gallons per day.

Drilling the wells would be relatively inexpensive. The 30 wells would cost \$8 million. Transporting the water to the Camden area also would not be exceptionally expensive.

best means of transporting it to the areas of need.

The Governor also asked Secretary Udall about the possibility of direct federal aid for drilling wells and laying pipelines to utilize the South Jersey water. The Secretary pointed out that President Johnson would have to declare the drought-stricken states a disaster area before federal money could be made available and indicated the drought probably would have to go into the fifth year to bring on such a declaration.

Secretary Udall said he will have scientists in his department embark immediately on what he termed a "pre-feasibility" study. That simply means a survey of existing data to determine whether a full-scale study is justified.

The full-scale study is expected to cost approximately \$300,000. And Governor Hughes said that he will seek the cooperation of private industry, the Middle Atlantic Governor's Conference

OPERATING COSTS CLIMB IN COUNTY
New Jersey's 21 counties this year have budgeted more than a quarter-billion dollars for operating costs—the day-to-day expenditures of county government, not including outlays for capital improvements and debt service.

All county operating budgets for 1965—aggregated—\$252,338,455. This was 7.3 percent more than actual operating expenditures of \$235,841,485 by the counties in 1964. The latter, in turn, represented a 7.5 percent increase over 1963 operating expenditures.

Powder Puff Derby Set At Flemington

FLEMINGTON — Record crowds have been turning out for the every-Saturday-night NASCAR championship stock car races at the Flemington Fairgrounds but something new will be added, for good measure, with an all-girl race Saturday. The program will start at 7 p. m.

Race director Bill Kinnaman, after many requests from wives of racing drivers, has given the green light for the first Powder Puff Derby which will be staged if the eight-event program is completed—at an early enough time to turn loose the girls on the big half-mile speedway.

Cite Faulty Brakes In Two-Auto Mishap

A car driven by Nicola Renna, 34, of Elizabeth was towed from the scene of an accident at Morris ave. near Cranbrook rd., Union, Saturday when it was in collision with a car driven by Roy Mason, 58, of 22 Lenape rd., Springfield, according to police. Both drivers told police that the car driven by Mason was stopped to make a left turn into the driveway of a parking lot when the brakes in the car driven by Renna failed, causing it to collide with the first vehicle, police said.

Teen-Age Dance Wednesday Aids Gargalowitz Fund

A charity dance for teenagers, featuring music by the Jazzmasters, will be held Wednesday evening from 8 to 11:30 at the Old Evergreen Lodge, Springfield, for the benefit of the Theresa Gargalowitz Fund.

Theresa is the 20-year-old Fairleigh Dickinson University coed from Union, who has been in a coma at Overlook Hospital, Summit, since she was critically injured in an automobile accident in Morris ave., Springfield, in April 1964.

Legal Notice

TOWNSHIP OF UNION
PUBLIC NOTICE is hereby given that the ordinance set forth below was introduced at a meeting of the Ordinance Committee of the Township of Union in the County of Union held on August 4, 1965, and that the said ordinance will be further considered for final passage at a meeting of the said Township Committee at Municipal Headquarters, Priberger Park, Morris Avenue, Union, New Jersey on August 24, 1965, at 8 o'clock P.M.

MARY E. MILLER
Township Clerk
AN ORDINANCE AMENDING AN ORDINANCE ENTITLED "AN ORDINANCE TO REGULATE THE COLLECTION AND DISPOSAL OF GARBAGE, RUBBISH AND EXCESSIVE IN THE TOWNSHIP OF UNION, IN THE COUNTY OF UNION," BY ORIGINATED BY the Township Committee of the Township of Union, in the County of Union, that:
Section 1. Section 4 of the above-entitled ordinance be and the same is hereby amended to read as follows:
Section 4. The Township Committee is hereby authorized to award a contract for the removal and transport of garbage, refuse and rubbish for a term not exceeding five years or any part thereof upon competitive bidding to the lowest responsible bidder who complies with the regulations respecting the bidding and who furnishes a contractor's surety bond conditioned for the faithful performance of the obligations of the contract. Said bond shall be in the amount of \$100,000 and shall be awarded in a sum equal to the amount obtained by dividing the amount of the contract by the number of years of the contract plus 25% of said quotient. Any contract awarded pursuant to this section shall in no exclusive privileges to said contractor with reference to private garbage contracts in said municipality.
Section 2. All ordinances heretofore or hereafter in conflict herewith are hereby repealed.
Section 3. This ordinance shall take effect immediately after publication in the manner provided by law.
Union Leader—Aug. 12, 1965. (Pec: 81144)

Girl Scout Troop 918, \$6 from children from Lewis dr., Howard dr. and Baltusrol rd., Springfield, who raised that amount by staging a backyard fair, and \$4 from the treasury of the Lippencott Dormitory at Douglass College.

She has been removed from an oxygen tent and the pneumonia has been arrested, Portnoy said, but her condition remains "critical poor," just as it was listed immediately following the crash.

The fund, established to help the girl's parents with their staggering medical expenses, is over \$15,000, Portnoy said, although much of this has been spent to defray hospital and medical costs.

This newspaper reported last week that \$25 was collected by a group of 11-year-olds who held a backyard carnival at the home of Deborah Samuels of 1459 Walker ave., Union. Actually, \$42 was collected.

MRS. JOSEPH D. PANTE

SOCIETY

AND Club News

Rosemary Ann Rusciano Is Bride Of Joseph Pante

Miss Rosemary Ann Rusciano, daughter of Mr. and Mrs. Anthony L. Rusciano of 2708 Allen ave., Union, became the bride Saturday, of Joseph Dominick Pante, son of Mr. and Mrs. Dominick Pante of 1718 Union ave., Union.

The Rev. Joseph F. Driscoll officiated at the 4 p.m. ceremony in St. Michael's Church, Union. A reception followed in the Royal Hawaiian Palms, Lyndhurst.

Miss Joan Anderson of Union, cousin of the bride, served as maid of honor. Serving as bridesmaids were Miss Joyce Anderson of Union, cousin of the bride, Miss Nancy Venezia of Union and Miss Patricia Rusciano of Union, sister of the bride. The flower girl was Miss Joyce Marchitello of Newark, cousin of the groom.

Henry Salerno of Union, cousin of the groom, served as best man. Ushers were Ernest Salerno of Union, cousin of the groom, John Elsen of Union and Dominick Pante of Union, brother of the groom.

Mr. and Mrs. Pante are alumni of Union High School. The bride is employed by Channel Lumber Home Improvement Co.

CHICARELLI END CALIFORNIA TRIP; RETURN TO UNION

Mr. and Mrs. Charles F. Chicarelli Sr. and son, Arthur, of 706 Colonial ave., Union, recently returned from an automobile trip to California, where they were the guests of Mr. and Mrs. John Chicarelli, former Elizabeth residents and brother of Mr. Chicarelli.

Son Arthur was a guest of Susan Hendlin, a former student of Union High School, currently residing in Beverly Hills. The Chicarellis visited other former Elizabeth residents, now in California, and Mr. and Mrs. Joseph Berger of Santa Barbara, formerly of Long Island.

On July 27, while staying at Holiday Inn in Rolo, Miss, Mr. and Mrs. Chicarelli celebrated their 30th wedding anniversary.

KELLY AUXILIARY TO GIVE BIRTHDAY

The Ladies Auxiliary of the Michael A. Kelly Post, VFW, in Union, will celebrate its annual birthday party at the Town and Campus cocktail lounge at 1040 Morris ave., Union, Sept. 16 at 8:30 p.m.

Reservations may be made by contacting Mrs. Frank Czepcia, chairman, at MU 8-3903 or Mrs. Michael Vharina, co-chairman, at MU 7-1214.

The Auxiliary will meet tonight at 8 at the Post Home, High st. and Kirkman pl., Union.

Alayne Marcia Davis Married Tuesday To Clifford H. Stein, Electrical Engineer

Miss Alayne Marcia Davis, daughter of Mr. and Mrs. Milton Davis of West Orange, formerly of Union, was married Tuesday to Clifford Harris Stein, son of Mr. and Mrs. Samuel Stein of 1370 Beverly ter., Union.

Rabbi Nissim Warnick officiated at the double ring ceremony in Temple Israel, Union. A reception followed in Richfield Caterers, Union.

Mrs. Eleanor Moss of Union, aunt of the bride, served as matron of honor. Serving as bridesmaids were Miss Susan Stein of Union, sister of the groom, and Miss Mandy Davis of West Orange, sister of the bride.

Irvig Sherman of Union, uncle of the groom, served as best man. Serving as ushers were Alan Cohen of Elizabeth, Denis Simon of Clark, Stephen Altaker of Yeadon, Pa., Ronald Torcivia of Springfield and Howard Leary Jr. of Union.

Mr. and Mrs. Stein are alumni of Union High School. The bride is a senior biology major at Rutgers University, Newark.

Her husband, who was graduated from Newark College of Engineering, where he was a member of Tau Delta Phi fraternity, is employed as an electrical engineer for Allied Chemical Corp., Morristown.

Following a wedding trip to Nassau and Miami Fla., the couple will reside in Parsippany.

MRS. CLIFFORD H. STEIN

FARMS JUNIORS' TOTAL FINANCES STATED BY CLUB

Mrs. Donald Wirth, president of the Junior Worthy Club of Connecticut Farms, Union, announced recently that financial contributions for the club year 1964-65 totaled \$982.95. Outstanding among these contributions were a piano for Reynolds Hospital, a Union High School teaching scholarship, window boxes for the Union Township Courthouse, and Brownie and Girl Scout Braille handbooks for the St. Joseph's School for the Blind.

Four Union children were sent to the Y.M.C.A. summer camp and Easter shoes were purchased for a Union family. Many local organizations and charities received financial assistance from the Connecticut Farms Juniors.

Mrs. Wirth recently visited the Children's Rehabilitation Center at Trenton State Hospital where she distributed clothing, toys and wall decorations including 30 polo and sport shirts, 12 pairs of pajamas, 24 blouses, 24 dresses, 17 suits, 24 men's shirts, 24 sweaters and 14 towels. Shoes, shorts, jackets, slacks, skirts, bathrobes, gloves and hats also were presented to the Rehabilitation Center.

SHOWERS GIVEN FOR BRIDE-TO-BE

Miss Virginia Lang, daughter of Mr. and Mrs. Peter Lang of 1084 Overlook ter., Union, was honored at a shower given recently in Easton by Mrs. Marie Venderford of Parlin and Mrs. Judy Cocozzo of Union. Thirty guests were present from Union, Parlin, Maplewood, Roseland and Newark.

Miss Lang, who will be married Aug. 21 to Thomas Stegman of Bound Brook, was given a shower on Aug. 5 by Mrs. Howard Lang of Maplewood.

Mays Attend Conf. On Religion, Science

Dr. and Mrs. Leonard Mays of 1084 Kensington ter., Union, are among 200 scientists, theologians and laymen who will attend the 13th annual summer conference of the Institute of Religion in an Age of Science at Portsmouth, N.H.

The Institute was founded to provide a channel of communication between the religious and scientific communities in modern science.

State District Clubwomen To See Art Demonstration

Mrs. W. J. McNally, Seventh District art chairman of the New Jersey State Federation of Women's Clubs, recently announced that Mrs. Murray Schwartz of River Edge will demonstrate and lecture the 25 art department chairwomen of the local women's clubs of the Seventh District Monday at 1:45 p.m. in Graulich's, Orange. A 12 p.m. luncheon, honoring Mrs. William Pratt, state art chairman, will precede the demonstration.

Mrs. Schwartz, a designer-craftsman-enamelist in the eastern section of the country, has lectured before many art groups and foundations and fellow-craftsmen throughout the country. She teaches arts and crafts at the Englewood Adult School in the Englewood campus in Englewood.

UHS Grad Accepted At Business College

Stephen J. Tiplansky, son of Herman Tiplansky of 550 Winthrop rd., Union, has been accepted to Stevens Business College, Fitchburg, Mass., where he plans to major in accounting. A 1965 graduate of Union High School, he was captain of the varsity bowling team.

College Youths Show Fall, Winter Styles At Four Hahne And Co. Campus Shops

Campus wardrobes are stealing the fashion scene this month, as students scoop up their fall and winter "looks." Hahne & Company's "College Shops" in Montclair, Newark, and West-

field look — and sound — like a busy campus, with the store's student College Board members bringing enthusiasm to the new semester's new clothes.

Every Wednesday in August, at 8:30 p.m., a different "College Scene '65" Fashion show at Hahne & Company in Newark is featuring College Board members, out of their gold-and-white striped shirts and gold A-skirts, modeling exciting new styles for the campus crowd. The Westfield store will have its college fashion show on Friday, Aug. 20, 2 p.m.

Texture is the most explosive subject on this year's curriculum. Plaided wool jerseys, deep-ribbed knits, fuzzy pile quilts, and crochets in deep dimensions are shaped for the dash to class. First knits, soft-woven wools, and lace crepes win extra credit with extra-

presenting over 68 colleges and universities from all over America, are on hand in the College Shops of Hahne & Company's Newark, Westfield, and two Montclair stores to serve as personal consultants on campus fashion and college fact.

Brehm's
CARPET CRAFTSMEN SINCE 1936

Costs and suits have a new neatness. Gone are the much-detailed pockets and buttons. Jackets vary, with a longer, to-the-finger-length-the-newest fashion. The Courages influence of waist seaming, wing collar, the "skinny" look, is very much alive.

Campus formals are very special, and so is the beautiful, feminine — sari. Gowned-in cocktail or formal length, it flows softly from one shoulder in luminous colors of chiffon, or, for ultimate sophistication, in black.

The little white boot has a great envy medium — corfam, a synthetic, water-repellant, washable, stain-proof leather look-alike. Suede, too, is graduating in this style. And the knee-length boot, so practical for campus wear, seems here to stay. The classic loafer in colored leathers and suedes has a new-semester feeling. The lassie's the thing. Pretty feet will look prettier in buckles, straps for the little-girl look, aquat-hoe pumps, and a choked-up look in a high-rising pump. For shoes with matching handbags, catkins, coats, and snakeskin are favored.

Hahne & Company's College Board, with 128 members re-

Right, Crestwood Village at Whiting, near Toms River, where first dozen families are taking occupancy this month. Other such communities are beginning to grow in the shore area.

Retirement 'Cities' Beginning To Blossom

Retirement 'cities' are beginning to blossom in New Jersey, largely in the Ocean County area. Leisure Village in Lakewood, the first such community, has approximately 200 residents to date.

Retirement 'Cities' Beginning To Blossom

1. Laurelton Gardens in Brick Town opens this month with unique 'cloverleaf' designed buildings. Consisting of three wings or 'spokes' of a common hub, the apartments achieve individual privacy.

Retirement 'Cities' Beginning To Blossom

2. Why Ocean County? Some claim the climate is a bit milder. Certainly the pace is more leisurely and the air cleaner. The lure of the Jersey Shore with its many recreational facilities is another factor.

Retirement 'Cities' Beginning To Blossom

buy a home for less money and live more cheaply away from densely populated areas of northern New Jersey and yet be close enough to their relatives and friends.

Retirement 'Cities' Beginning To Blossom

To qualify for a retirement community, a buyer usually has to be in the mid-50s or above age group. Most of the communities are marked by ease of 'indoor' maintenance, absence of 'outside' cares such as snow removal and lawn cutting, and an abundance of available recreational facilities.

Retirement 'Cities' Beginning To Blossom

They offer an attractive compromise between home ownership and apartment living. Many have cooperative or condominium ownership. Selling between \$8,000 and \$15,000 they offer one and two bedroom units usually with a monthly maintenance charge including utilities, taxes, insurance, recreation and maintenance of home and grounds.

Retirement 'Cities' Beginning To Blossom

Why Ocean County? Some claim the climate is a bit milder. Certainly the pace is more leisurely and the air cleaner. The lure of the Jersey Shore with its many recreational facilities is another factor.

Retirement 'Cities' Beginning To Blossom

buy a home for less money and live more cheaply away from densely populated areas of northern New Jersey and yet be close enough to their relatives and friends.

'Do's' And 'Dont's' On Seeking New Social Security Benefits

Now that the President has signed the 1965 Social Security Amendments, some people will want to take action right away in order to protect their new benefit rights. Most others will need to take no action at all. As legislation providing health insurance for the aged and making other far-reaching changes in the social security program became effective with the ceremony in Independence, Missouri, Friday, July 30, Robert M. Ball, Commissioner of Social Security, proposed some "Do's" and "Dont's" for the millions of persons who will be affected.

"First of all, let me say to the 20 million people now receiving social security benefits, you don't need to take any action at all in order to get the increased cash benefit payments the law provides. The amount of the increase for the months of January through August, 1965, will be paid to you in a separate check that will reach you in the latter part of September. The first regular checks reflecting the seven percent increase will be mailed early in October, covering the month of September."

Second, social security and railroad retirement beneficiaries now 65 or over will not

need to take any action to secure their basic hospital protection under the new Health Insurance Program. All aged persons now on the rolls will receive in September or October a full information kit directly by mail describing this protection, which becomes effective July 1, 1966. Before this effective date a Health Insurance card certifying to their eligibility for the service will automatically be sent to beneficiaries 65 or over.

Third, social security beneficiaries will not need to go to their social security office about the voluntary supplementary plan covering physicians fees and other benefits. At the time they get the basic information kit, the x-ray receive an enrollment postcard giving them an opportunity to sign up for the added medical insurance program, which also becomes effective July 1, 1966.

Fourth, a special message to people 65 or over who have never worked under social security, although not qualified for cash social security benefits, these people may qualify for the basic hospital insurance protection under the new "medicare" program. Those receiving public assistance from the States may be signed up for the basic hospital insurance by their welfare agencies. Enrollments in the voluntary medical insurance plan can be accepted beginning Sept. 1, 1965. Therefore, persons over 65 who have not worked under social security should wait at least until Sept. 1 before visiting their social security office. Then they can sign up for the basic hospital insurance and, also, enroll in the medical insurance program if they wish that additional important protection.

Certain other groups affected by the law do need to take action. They need only inquire at their social security office, the Commissioner said. The major groups involved are:

these people to apply now to establish their benefit rights. This will qualify them for hospital insurance protection and will also make sure they get any cash benefits to which they may be entitled commencing in 1966 because of more liberal retirement provisions. Under the amendments, any earnings that a person has after applying for Social Security will automatically be included at a later date in a recomputation of benefits if it is advantageous to the individual; therefore no one can lose by filing for benefits as soon as possible.

Persons 72 or older not now getting benefits because they (or their husbands) had not worked enough under Social Security to qualify under the previous provisions of the law. These persons, if they have any Social Security credits at all, should get in touch with the nearest Social Security office right away, because the amount of time they need to have worked under social security has now been reduced. Some persons 72 or over will now qualify for benefits of \$35 a month with as little as three quarters of coverage under social Security. Benefits may also be payable to the wife or widow of such persons.

Widows age 60 or 61 at the time the law becomes effective. Beginning September, widows can choose to have their cash benefits start at age 60, instead of 62, but at a reduced amount. Application for this purpose may be filed immediately.

Students 18 to 22 years of age whose Social Security benefits have been stopped, as well as others nearing age 18 who plan to continue in school. Benefits can be paid back in January, 1965, to those who already have been dropped from the rolls, but only upon application at a Social Security district office. Those nearing age 18 and planning to stay in school or return to school should also visit a Social Security district office, in order to supply the information about their schooling which is necessary if benefits are to be paid after age 18.

A severely disabled worker may now collect disability insurance benefits if his condition has lasted for 12 months or is expected to last for 12 full months—even though he may recover. Until now, he could not collect disability insurance benefits unless his disability was expected to continue for a long and indefinite period of time, or else cause his death. The Social Security Administration plans to search its files for those who applied for but were denied disability insurance because they were not expected to last for 12 months or more because they were expected to recover. Others who think they may qualify under this change in the law should ask about getting benefits at the nearest Social Security office. There is no change in amount of work required under social security for eligibility for disability insurance benefits.

"Other persons who will want to inquire about possible new 'social security' benefits," the Commissioner said, "include widows past 60 who have remarried, and women 62 or over who were divorced after at least 20 years of marriage."

"One other important 'Don't' for persons over 65," Commissioner Ball emphasized, "Don't, because of this new law, cancel any hospital or medical insurance you may

now have. None of the health insurance provisions of the new law give any protection whatsoever until July 1, 1966."

GO OIL HEAT

Believe It! It's A Fuel Fact!

With today's modern oil heating system and fuel oil you will have the cleanest, most economical and safest heat on the market. We assist your complete heating and fuel needs with our personalized service.

ESTIMATES & SURVEYS FREE OF CHARGE

24 HOUR OIL BURNER SERVICE

Beat down heating costs two ways

First, a revolutionary new invention for oil burners, the Gulf Solar Heat ECONOJET, beats down costs by giving you more heat from less oil.

Secondly, Gulf Solar Heat® drives down heating costs because it's scrubbed clean with hydrogen to burn hotter—cleaner and more completely. It goes further, yet costs no more.

Get more out of your heating dollars by calling us today!

Telephone Excise Tax to be reduced January 1, 1966

You get all the savings

The telephone bills you receive beginning January 1, 1966, will reflect a cut from the present 10% to 3% in the Federal Excise Tax on your service, both local and long distance. Your savings in a year's time will amount to almost the cost of one month's phone service. In 1967, the tax will be lowered to 2%, then to 1% in 1968, and completely eliminated in 1969.

This tax has always been paid by you, the telephone customer. Now that it is being reduced, the full savings will be yours. You will be getting more phone service for your dollar.

15,000 Flowers In Bloom At Warinanco

A display of multi-colored blossoms now greet visitors at the Henry S. Chatfield Memorial Garden in Warinanco Park, Elizabeth and Roselle, where nearly 15,000 annual flowers are in bloom, according to the Union County Park Commission this week. The free-flowering annual

plants each year continue as a popular point of interest for home gardeners throughout the County. The garden will offer color until the first heavy frost in the fall.

The planting was completed late in June to replace 14,000 tulips which provided a colorful May display in the Chatfield Garden. All of the annual plants were grown from seed in cold frames at the Union County Park Commission's nursery in the Watchung Reservation.

The focal point of the display will be the center bed which will feature ornamental basil, dark opal in color, surrounded by double-dwarf petite yellow marigolds, the commission said.

Many of the varieties included in the planting this year are among the old favorites that have proved popular with park visitors in the past.

The arrangements were all selected on the basis of their adaptability, beauty, size, color, and length of blooming

period which will offer a wide range of tints and hues throughout the summer and early fall months.

Included in the display are dahlias, daisies, salvia, petunias, carnations, asters, portulaca, cleome, phlox, celosia, cosmos, and vinca, naming only a well-known few of the 45 different types planted in the garden.

The Henry S. Chatfield Memorial Garden is a formal garden designed as a living memorial to Henry S. Chatfield, one of the original park commissioners and the first president of the Commission from 1921 to 1927. The memorial garden was dedicated on May 1, 1938.

The garden provides for diagonally spaced plantings in 20 geometrically arranged beds radiating from the center. The design forms an overall oval shape and is bounded by a dense deep green taxus hedge providing an appropriate background for the display of annuals.

County Receives Record \$246,618 In Year From Inheritance Taxes

Surrogate Mary C. Kanane, reported this week that Union

County has received a five percent return of all inheritance taxes paid by beneficiaries—under wills and next of kin of persons dying intestate for the year ending June 30, 1965, amounting to \$246,618. This was in excess of \$96,618 of the anticipated revenue set up in the 1965 budget and \$69,871 more than the all-time high return of 1964.

Some 1,897 new dockets were entered in the Surrogate's Court for the same period, an increase of 56 over 1964. Office revenue of \$62,945 was realized for the period from Jan. 1 through June 30.

The revenue anticipated for 1965 by the Surrogate was \$125,000.

A new system of filing in the Surrogate's vault was initiated by Miss Kanane in March for the conservation of space. All recorded wills are now microfilmed. Binners list the age of those formerly used accommodate 1,100 instead of 800 pages. Two binders containing 2,200 pages require the same space as a 600 page photostated will.

Microfilming is processed in the Registrar's Office under the direction of Joseph M. Durkin.

FRIDAY DEADLINE
All items other than spot news submitted to this newspaper, should be in our office by Friday to insure publication in the next issue.

Schedule Movie At Nature Center

"The Restless Sea," a color sound movie will be shown to the Sunday afternoon visitors to the Union County Park Commission's Tralyside Nature and Science Center, in the Watchung Reservation, Mountainside, on Sunday at 3 p.m.

The film depicts the study of oceanography, the exciting exploration of the "inner space" world of mysterious sea depths.

One-half hour nature talks for children will be conducted at Tralyside on Monday, Tuesday, Wednesday, and Thursday at 4 p.m. each day. The topic to be discussed during the four days is "A Trip to Hawaii." The talks on Wednesday and Thursday will be followed by a half-hour walk on the nature trails adjacent to the Nature and Science Center.

The Tralyside Nature and Science Center is open to the public every day, except Friday, from 1 to 5 p.m. The public is invited to visit the Nature and Science Center, tour the live-animal area, view the thousands of indoor exhibits, and participate in the scheduled programs.
