## Johnson Never Tried To Become A Pioneer

By ABNER GOLD

It is a common knowledge that the late President Lyndon B. Johnson was a pioneer in many respects. He was the first president to be born in the 20th century, the first to be born in the South, and the first to be born in the same year as his predecessor, Dwight D. Eisenhower. He was also the first president to be born in the same year as his predecessor, Dwight D. Eisenhower.

HE HAS MADE friends and enemies alike. He has made friends and enemies alike. He has made friends and enemies alike.

# New Member Of School Board

## Johnson Never Tried To Be A Pioneer

(Continued from Page 1)  
 Divon, Meekes and Ruby streets.

The educational level of the Negro newcomers over the past decade or more is one of the highest in Springfield, with such professions as teaching, accounting and a variety of scientific vocations predominating.

"We looked carefully at school systems for several years before we came here," Johnson recalls. "I firmly believe that Springfield has one of the top school systems in the country. After all, any school system which includes Dr. Thelma Sandmeter (principal of the Florence Gaudinier School) just has to be a good one."

Looking ahead, Johnson predicts only a very slow increase in the number of Negroes in the township over the next decade. "The Square is full," he notes. "There is no more room to build."

"WE MUST HAVE freedom for Negroes who want to live anywhere in the community, but there will not be many families adventurous enough to be the first in an all-white neighborhood."

In addition, economic barriers, another reflection of the

overall problem of discrimination which must be solved, will keep the vast majority of Negroes out of Springfield. I seriously doubt if in 10 years the number of Negroes in town will surpass the 500 mark."

He adds, "As for myself, I have been welcomed in all aspects of Springfield life. I very much do not want to lose my identity as a Negro — and at the same time I insist on my rights as a full American."

The two dominant influences in Johnson's life have long been religion and athletics. His father, the Rev. Benjamin F. Johnson, is pastor of the Metropolitan Baptist Church in Newark.

Johnson has a lay license as a leader in the Baptist Church, but I was never quite drawn to the ministry." He is head of youth activities in his father's church and is also a supporter of the Antioch Baptist Church in Springfield, now engaged in construction of a new building.

Johnson is an assistant football coach at Newark's South Side High School and now basketball coach at Charlton Junior High. Johnson is strongly convinced that sports have positive values for all youngsters, and above all for those in the slums.

"EVERY KID wants to be noticed. If one is noticed in sports, he attracts others who will adopt the same positive set of values."

"For many boys, this is their only chance for a ticket to college. Take the case of one boy named Ike Raspberry, who was an all-state football player a few years ago at South Side. When he was junior, I had to talk him out of quitting high school. He went on to play football at Morgan State College and this year he just started work as a research chemist for Segram's. Sports did this for him."

"I know at least 75 other boys for whom sports provided the road to careers in teaching, research and other professions. When a boy excels in sports, he learns that he must maintain the same standards in his academic and moral life."

Johnson says that he and his family "got out of Newark. We had two daughters to raise, and we wanted them to get the best education possible."

HE GOES ON to comment, "That's one of the problems to face in places like the Central Ward. Those who can have been getting out of the area for years. They look down their noses at their brothers."

"Now, however, more and more of the young people who go on to become college graduates are returning to the Central Ward, if not to live, at least to help through many governmental and private agencies."

"We need grassroots participation in all these programs. The ultimate answer for the urban Negro lies in education in order to achieve political and economic goals."

Besides his long list of extra and part-time activities, Johnson teaches an educable class at the Montgomery Pre-Vocational School.

"With every little bit of academic progress that I can see," he states, "I know that I am really accomplishing something."

"GOALS VARY for these boys, with IQs ranging from 57 up to 90, the lower limit for what we call normalcy. Many will learn to earn a living and to function in normal society."

"My mother and aunt, both my cousins and their families were present at the installation," Mr. Stumpf says.

"THE INSTALLATION took place on the anniversary date of my baptism by a sheer coincidence. It was God's sense of drama," the young pastor says solemnly. "I didn't realize it at the time. But I'd given much thought to it since."

"Here in the East, my congregation will consist of adults, high school and grammar school students and some even younger. This congregation has a high evaluation of the office of pastor, balanced with a fine understanding of the role of the laity along with the minister of the church."

"I'm looking forward to meeting all the congregants and members. So far," he beams with anticipation, "it really has been a marvelous thrill. I'm really quite impressed by the warmth of the people." Pastor Stumpf reiterates, "and by their wholehearted acceptance of me."

# Regulations For Blood Bank Summarized

Blood donors are still needed for the March 18 bloodmobile visit of the Springfield Blood program if the Bloodmobile is to be a success.

Mrs. Daniel D. Kalem, chairman of the blood program, announced this week that donor appointments for the hours from 1-6:30 p.m. on March 18 may be made by calling the local Springfield Red Cross, DR 6-1876. The blood bank will meet at Temple Beth Ahm.

For those who have hesitated to sign up as donors because they were uncertain of requirements, donor requirements are listed below:

1. Anyone in good health between the ages of 18-59 years may give blood.
2. Donors between the ages of 18 and 21 need the written consent of their parents or guardian, unless they are married or are in the armed service.
3. Donors must weigh 110 lbs. or over.
4. Persons with a history of infectious hepatitis may give blood if two years have elapsed since recovery.
5. Persons with a history of malaria may give blood if six months have elapsed since attack or anti-malaria therapy.
6. Persons with a history of hepatitis and malaria donors is never used as whole blood, (it is broken down into derivatives from the non-dissolved cells) the donors receive full blood credits for the donation.
7. No one should give blood more than five times a year and 8 weeks must elapse between donations. (If anyone has donated since Jan. 20, he will have to postpone his donation.)
8. If a donor has donated to the Springfield blood program or some other agency of the New York Regional Red Cross program before, he should bring his donor certificate. Donors for the first time will receive blood donor cards about two weeks after donation. Cards show blood-type and date of donation.
9. If anyone has received any medication by injection or an oral vaccine, he must wait 24 hours before donating.
10. Any person who has a late afternoon appointment should try to take a coffee break in mid-afternoon.
11. Women who are pregnant or have given birth within the preceding 12 months cannot be accepted as donors.
12. Persons taking oral medication regularly must check their acceptability by calling Mrs. Kalem at 378-0582.
13. "Weight Watchers" are advised to check with their own physicians.
14. It is hoped that the March 18 bloodmobile visit to Springfield will supply sufficient credits to meet the needs of the township for the year without having to schedule a second bloodmobile visit.
15. Township cooperation and a good turnout of donors will enable participating groups and the Community-Red-Cross Group to have enough blood credits to protect Springfield when emergency arises and life-saving blood is required.

## Sheehan Is Star On College Stage

Kevin Sheehan, son of Mr. and Mrs. John Sheehan of 64 Biar Hills circle, Springfield, appeared last weekend in "The Glass Menagerie," produced by the Tidel Players of Tidel College, Greenville, Pa.

Sheehan, a sophomore English major, portrayed Tom Wingfield, a young man who is nagged by his mother and plagued by his sister's defect. Tom tries to find escape in the movies and later, alcohol, in Tennessee Williams' first major play.

The production was under the direction of Arthur J. Beer Jr., assistant professor of speech and drama at the college.

## Youth Groups

(Continued from Page 1) field Presbyterian, Nancy Mumford of Springfield Emanuel Methodist and Linda Reiberg of Temple Beth Ahm.

It was decided to pursue the idea of creating an inter-faith youth council in Springfield representative of the youth groups of each of the town's eight houses of worship. Each of the youth groups will discuss the desirability of creating such a council and of affiliating with it.

Within two weeks they will notify James Bender, president of the Temple Shalom Youth-Group and chairman of the evening program, of the decision of their group.

Should the response reflect the favorable sentiment expressed by the young people and clergy, a council will be created, the presidents of the respective youth groups will gather to draw up a program and plan another general meeting.

The assembled young people expressed the feeling that much could be done to further better intergroup understanding through joint projects expressive of the ethical ideals of each of the faiths represented.

Jack Slater, chairman of the Shalom youth committee, helped coordinate activities for the Brotherhood Week event. The evening ended with refreshments and with the youngsters gathered in a friendship circle singing, "We Shall Overcome."

# Palace Screenfare Is Macabre Satire

By BEA SMITH  
Newspaper advertising blurbs on "The Loved One," current screen attraction at the Palace Cinema in Orange, have been stressing the fact that this is a "motion picture with something to offend everyone!" And that's a pretty accurate observation.

If Evelyn Waugh followers were slightly appalled by his novel, "The Loved One," imagine the what-ardent movie viewers of the macabre satires must have felt when Academy-award-winning director, Tony Richardson wiped the blood from his hands when he dropped the reins on the final scene from the film adaptation of the book. With a touch of originality and some fanatical, gross-out-funny material about the weird and unpredictable world of Hollywood studios, by way of scripters Terry Southern and Christopher Isherwood, which Richardson added to the story, "The Loved One" (referring to the dearly departed) holds a viewer in a trance-like stupor, locked in one of the comfortable seats at the Palace.

The excellent cast, combined of Robert Morse (brooding star who makes his film bow in the picture), as the British visitor to Los Angeles, whose brief stay in one which he will afterwards spend a lifetime of nightmares; Jonathan Winters in a dual role and Anjanette Comer (she talks like Liz Taylor, even looks like her - sometimes), is enhanced by a host of film actors of the stage, screen and TV headed by Sir John Gielgud, Roger Milton, Berik, Tab Hunter, Dana Andrews, Robert Morley, Roddy McDowall and Loretta Young to name a few.

From film studios, to a fantastic memorial park, to dog cemeteries, to embalming and embalmers, to orbits of eternal

grace, a viewer is taken on a wild, whirlwind merry-go-round ride, and about a half hour after leaving the theater, finally realizes that she has been snapped off the merry-go-round and is once more, actually in a world of reality.

## HITCHCOCK FILMS; OPERA FESTIVAL BOOKED AT GROVE

The Grove Cinema, 18th ave. near Grove st., Irvington, is presenting "A Salute to Alfred Hitchcock" tomorrow through Monday, with two of the producer-director's favorite films, "To Catch a Thief," starring Cary Grant and Grace Kelly, and "Psycho" with Anthony Perkins and Janet Leigh.

Every Wednesday and Thursday, two Italian features (with no English subtitles) will be shown.

Beginning Friday, March 4, for three days (Friday through Sunday, March 8), an Opera Festival will be presented by Filmaker's Cinema Group. Both features, "Rose Marie" and "The Merry Widow," star Jeanette MacDonald and Nelson Eddy. The following prices will prevail; public, \$1.00; members, students and New Jersey teachers, 75 cents. Identification will be required for the reduced rate.

A kiddie show will be presented Saturday and Sunday at 1:30 p. m. featuring Jerry Lewis in "The Delicate Delinquent," Frankie Avalon in "Ski Party," a Three-Stooge comedy and color cartoons. The complete show will finish at 5 p. m.

MONEY MATTERS: Five years ago Barbara Sireland was earning \$50 a week at a Greenwich Village Club. Her contract with CBS-TV (which airs her second special on March 30) guarantees her a minimum of \$5,000,000 over a ten-year period. The Rolling Stones, whose recent tour of the U.S. netted them two million dollars, received one of the highest fees ever paid by "The Ed Sullivan Show," on their recent live appearances. Jim Henson, who used \$600 in real money for a stint on the "Tonight" show with his "Muppets," expected, after having the money scattered all over the stage, to lose some of it. However, after gathering the lucre, Jim counted \$600,751.

### A FEMININE LOOK

By TRUDINA HOWARD

Final of a series of three articles which are excerpts of "France Afloat," a magazine issued by an association of private French business. It gives impressions of America by young Frenchmen (and women) who toured America last summer.

**Church, A Club?**  
Then, too, there was the church in the American community and family life. The French group was not too impressed. Typical comments:

"The church in America is very solid—there seem to be very many church members but they do not seem very religious."  
"To go to church is in the mode."

"The church in America is also a club, necessary for individual advancement; you must be in a church to get ahead in business."  
"Yes, it's sort of a club, they even have coffee and cakes in the church, in France we don't have such get-togethers after the religious service, but they even do this in Catholic churches in the United States."

**Of Food And Drink**  
What about American eating? First of all, a universal agreement—"The service in American restaurants is absolutely excellent, far better than in France."

As for food itself, Jean Claude Turic says: "We were told it would be bad. Actually, it was much better than that." Joel Coupre, a 23-year-old traveling salesman, adds, "It is much exaggerated that Americans eat only frozen and canned foods."

And Madame Vasseur: "We were surprised by certain mixtures, but really found the food good." And Pauline Murray: "But fruit salad with mayonnaise?"

Some mixtures, however, seemed to go down well. For instance, the verdict was unanimous on banana splits—"Delicious." Also, American ice cream is "great" and "sensational." Another dish earning a general accolade was something they remembered as "Smoky Mountain fried chicken." Also, 37-year-old Christian Vasseur says he learned "to love Manhattan cocktails."

At this point, the score or more listening to the discussion all agreed that, as one said, "Americans drink much less alcohol than the French—at least in public."

**A Minus And A Plus**  
A technical-minded young man made the interesting observation that, "The average American buys a camera, but doesn't usually care about the quality of the pictures he takes. Even amateurs in France and elsewhere in Europe always try to take excellent pictures. Americans buy the best, quite often, but then leave the quality only to the mechanism."

Another sharp observation was that, "All young American people engage in sports. This is good, because it gives them a good sense of teamwork and cooperation." This aroused universal agreement among the young in the discussions at the Maison. There was general complaint that in France the school and other formative influences are all centered on individualism; that there is a lack of teaming and experience in teamwork and cooperative effort and achievement.

**Parochial Outlook?**  
There were, naturally, some political questions and discussions. One comment: "The surprising thing for me was to find that some Americans were quite vehemently opposed to President Johnson and his policies. I suppose we assumed that almost everyone in America supported their present Government, and on their side, too, they seemed to assume that all of us would be in support of our present Government."

The French young people seemed disappointed in the content and level of their discussions on political matters with Americans. Blurred out 18-year-old student Philippe-Fosseux, "Americans seem intelligent, but I think we French are better educated." To which there was a chorus of assenting comment that as one said, "We really did not find them very well educated or informed, though many apparently have college degrees. Above all, they seem poorly informed about foreign countries and affairs."

One girl remarked she was astonished that in all her time and conversations in the United States, she never heard Americans discussing Vietnam, to which there was confirmation of similar finding by quite a few of the others.

In this line, there were these additional frank comments from two of the young men and two of the young women: "Americans seem to have a very poor sense of geography." And "They apparently have no sense of orientation in the world." And, "A-

mericans give no individual indication of being very curious about the rest of the world. I have to say, however, that taxi drivers ask many questions."

And half-sarcastically, half-sympathetically: "They don't really seem to think much, or see much beyond the United States. Probably this is because they have so much right there."

Good-Understanding, Houses, Ketchup  
The question was, "What would be the first thing to come to your mind as to the usefulness of your visit to the U.S.?" Sample answers:

"I really didn't learn anything basically new as, like most of the rest of us, I have always increased my knowledge of American. But I did get to know the United States and Americans first-hand, and therefore to appreciate them and their family life more, and to get some ideas for conveniences in my own life here."

"A much better understanding of the United States, not only its riches and conveniences, but also its problems and efforts."

"I found Americans more likable than I had been led to believe. I found they keep young to body and spirit even in middle and advanced age."

"Our visit was not a long one, really, therefore our opinions have to be to some extent superficial. But certainly I can say I saw the kind of house I want to have one day."

Every one of us, from the houses we saw and homes we lived in as guests, began drawing plans for our own ideal house."

I met some very nice and good people and am corresponding with them."

The Regret  
What was their biggest disappointment? To unanimous agreement of those in the group with her, a young woman replied: "Not to get across the country to California. Actually, we'd have to make four voyages to really know America, and we want to know it all."

**When no one can get to work... an amazing number of telephone operators do.**

They walk for miles when nothing on cabs can move.  
Why do they do it?  
Because they know they're needed.  
Because the whole community is depending on them for telephone service, especially in times of emergency.

At the phone company, we call their attitude the "spirit of service." Maybe it sounds old-fashioned. But it's real. And we're proud of it just as we're proud of all the operators who help make your telephone service something that you can always rely on.

**Bombers Retain Bowling Margin Over Hurricanes**

The Bombers and the Hurricanes are making a two-team race out of the Thursday afternoon Boys' Bowling League. Both teams have rebounded from dismal seasons to move into commanding positions. The Bombers are in first place while the Hurricanes are a game behind in the second position.

Mark Berkowitz of the Pirates provided a spark in last Thursday's action as he rolled a 357 series to establish a new league high. Berkowitz fashioned games of 180 and 177 to create this new series mark. The Recreation Department sponsors this league which meets at the Springfield Bowl.

The Bombers crushed the Rockets twice last week to hold their first-place position. Eric Wasserman topped the bowlers for the Bombers, as he rolled a 252 series. Phil Stokes with 235 for the two games was also effective for the winners. Russ Panckert with a 190 series was top man for the Rockets.

The Hurricanes kept pace with the Bombers by tripping the Bullets twice. The once-contending Bullets dropped four games behind the leaders. Bob Zuckorberg paced the Hurricanes with 233 series. Stu Leibskind totaled 252 pins for the Hurricanes. Todd Herman with a 238 series was also effective for the winners. Robert Shindler was the top roller for the Bullets with a 278 series.

The Atoms moved into third place by downing the Raiders in two games. Ted Rosenkrantz rolled a terrific series for the Atoms as he tallied 309 for the two games. Donny Lee at 275 and Gary Fox at 267 also rolled

**State League Basketball Action Steps Up As Playoffs Approach**

With two weeks remaining in regular basketball schedule, the State League teams are fighting for position in the all-important league play-offs. The play-offs will get under way on Thursday evening, March 10.

The first six teams in regular season play will automatically qualify for play-off positions. Eight of the leagues ten teams will compete in play-off competition. The State League is part of the Recreation Department's youth basketball program. The boys meet in competition each Saturday afternoon at the Florence Gaudineer School.

Iowa tripped Oklahoma last week and Texas downed Ohio in overtime to remain tied for first place in the regular season standings.

The Iowa-Oklahoma tilt resulted in a runaway for the league leaders as they produced a 24 to 6 triumph. Ray Danziger once again paced the Iowa team by scoring 10 points. Ray also played well defensively for the winners. Dave Dubin and Denny Marino also played well for the Iowa squad. Gary Neifeld topped the Oklahoma team with 4 points. Rich Colandrea also played well for the Okies.

**Friday Deadline**  
 All items other than spot news, submitted to this newspaper, should be in our office by Friday to insure publication in the next issue.

A 20 to 15 overtime victory over the scrappy Ohio quintet. The Texas center, Karl Mende, paced their attack throughout the game as he scored 10 points.

Gary Fiss, up from the Small Fry League, provided the impetus for Texas in the overtime period. Gary played well and scored six points for the winners. Barry Pomp was the top gunner for Ohio. Barry regained his early season form as he tallied 10 markers.

The opening game last Saturday ended with Kansas fashioning a 30 to 14 run away victory over California. By virtue of this victory Kansas moved back into serious contention for the league crown.

The Gacos twins paced the Kansas attack. Jamie paced all scorers as he scored 10 points. Johnny with seven points was close behind his brother in the scoring column. Dave Schafer with six points also scored well for the Kansas squad, which showed a well balanced attack. Howie Mleschman tallied eight points to pace the California team.

Wyoming moved out of the shadows last week, as they rose up to defeat Idaho by a 22 to 12 count. Wyoming moved out of last place on the strength of

this victory. Bobby Zucker paced the Wyoming attack as he tallied eight points. Other top scorers for the winners were Larry Sternbach with six points and Bib Goodman with four points. Mark Tennenbaum led the Idaho team with 7 markers. Stan Mazieka tallied four points to contribute greatly to the Idaho cause.

**School Stars**  
 The final match of the day was a hotly contested affair. Utah kept its present winning streak alive by downing a tough Florida team by the score of 27 to 20. An outstanding rookie performer, Jim Schoch, once again paced the Utah team as he tallied 11 points. Rich Freundlich with seven points also played well for the Utes, as he scored seven points. Other players doing well for Utah were Steve Zwillman and Larry Silverstein.

Florida presented a well balanced scoring attack in this game, as seven players entered the scoring column. Ken Baroff, another top rookie prospect, topped all scorers for Florida with nine points. Ronnie Shapiro with five points scored well for Florida.

Next Saturday's action will be highlighted by an opening match between Kansas and Iowa. All the action will take place at the Gaudineer School. The first game will start at 1:15 p.m. Other games next week include California vs. Florida, Idaho vs. Utah, Texas vs. Wyoming and Oklahoma vs. Ohio.

**Princeton, Cornell Fives Rally To Tie For Lead In Ivy League**

Princeton and Cornell remained tied at the top of the Recreation Department's Ivy League. Last week, Princeton defeated Harvard, while Cornell nipped Columbia. The Columbia loss dropped them from a first-place tie.

All Ivy League games are played at the Jonathan Dayton Regional High School gymnasium. Games are played Saturday afternoons, with the opening game action starting at 1:15.

**Princeton Rallies**  
 Princeton opened the action last week with a 25 to 20 come-from-behind victory over Harvard. Princeton took an early lead in this game, only to fall behind when Harvard struck with a third period rally. Princeton, however, regrouped its forces and rallied to win the game.

Frank Bucel paced the league leaders as he tallied 11 points. Gary Fox also played a big game for Princeton. Gary scored eight points and rebounded well. Gary paced Princeton's final period rally.

Jimmy Piper and Dan D'Andrea led the Harvard scoring with six points each. Piper and Don Lan were the leaders of the Harvard third period rally. Piper scored all his six markers during this rally, while Donnie tallied his game total of five points.

**Defensive Effort**  
 Dartmouth played a great de-

tensive game as they downed a strong Yale team by the score of 15 to 10. The Big Green of Dartmouth was the first team this season to solve the scoring efforts of Yale's Bobby Janukowicz. Dartmouth used a box and one on Bobby and held the high-scoring center to three points. All three points resulted from the foul shots as Bob was shut out from the floor by the Dartmouth defense.

Dave Miniman played his best game for the Dartmouth Green. Dave hit for seven points and Prussing and Dave Epstein led the Dartmouth defensive charge.

**Close Battle**  
 The final game of the day was a real see-saw battle. Cornell, with a final-second bucket by Bobby Vaughn, defeated Columbia by the score of 18 to 17. The lead in this game shifted four times before the final-second victory by the Big Red team. Cornell took an early lead in this game only to see their lead vanish as Columbia rallied in the third period.

Fred Gold paced the Columbia rally with his driving, twisting shots. Gold finished the game with eight points.

Cornell rallied to take the lead on a driving bucket by Mitch Wolff. Columbia led again with 30 seconds to play as Gold hit another shot. Bobby Vaughn then dribbled the length of the court to score his game-

winning basket. Vaughn, Mitch Wolff and Alan Schlangar each tallied four points to lead Cornell. Richie Deutsch scored eight points to share the Columbia scoring lead with Fred Gold.

**Games To Come**  
 Action this Saturday in the Ivy League will include an all-important battle between Columbia and Princeton. Princeton will be trying to hold its portion of first place, while Columbia will be given its last opportunity to keep pace with the leaders. Other games are Cornell vs. Yale and Dartmouth vs. Harvard.

The Democratic candidates, in addition to McGowan are Saul Orkin, political science professor at Union Junior College; Joseph A. Gannon of Scotch Plains, a labor leader; Christopher Dietz, law graduate from Rutgers and assistant to the majority leader of the N. J. Assembly, and Mrs. Barbara Jamison, an author from Summit.

# Minutemen To Visit Union, Play Host To Scotch Plains

The Springfield Minutemen Recreation Department basketball all-stars, will drive to get their record above the .500 mark again this weekend as they visit the Union PAL tomorrow evening, then take on a team from Scotch Plains Saturday at 7:15 p.m. at the Florence Gaudineer school.

Tomorrow's program at Union lists two games. The younger Springfield players will take the court against a Union JV quintet at 6:30, and the varsity contest will follow.

In action this past weekend, the Minutemen saw their record drop to 3-3 as they lost a pair of games, to the Union PAL last Friday, 65-43, following a disastrous second half, and to a highly polished Linden PAL team, 57-41.

Because of a mixup in ar-

rangements, the Springfield boys faced a much older Union team at Union on Friday. The Minutemen played strongly in the first half to lead at the intermission, 29-28.

The age and size handicap wore them down in the second half, however, and the Union quintet rolled up a 22-point margin. Billy Mand paced the Union squad with 24 points, while Dave Jones added 17 more for the fast-breaking Union quintet.

Bobby Janukowicz provided most of the scoring punch for Springfield in this encounter. Giving away several years and several inches to two big Union players, Bobby scored 12 points and rebounded well for the Minutemen. Rich tallied eight points for the Springfield cause.

Dan D'Andrea, however, was the player who turned in the outstanding performance for the Minutemen. Dan hustled throughout and rebounded well. He had five points, with bad luck on many shots which could have increased his scoring total considerably.

Linden Victory

Springfield saw the undefeated Linden PAL roll to its 12th straight victory of the season as the visitors downed the Minutemen last Saturday evening at the Florence Gaudineer gymnasium by the score of 57 to 41.

Linden had dropped the Minutemen in a game earlier this season, by the score of 66 to 61.

The Minutemen played Linden even through the first period but faltered badly in the second period to fall behind by half time. A tremendous third-period rally brought the Springfield team to within five points at the end of the victory of the season over the visiting Minutemen. Bobby Janukowicz and Fred Gold paced the Springfield team. Bobby once again paced all scores as he tallied 18 points and was a tower of strength off both backboards.

Gold was play maker deluxe in this game and contributed six points to the Minutemen attack. Frank Buccell played a good second half for Springfield but had bad luck on many shots and finished the game with five points.

Dennis Canon of Linden proved once again he is the finest back court performer to meet the Minutemen this season. Denny was outstanding with ball handling and passing.

Buccell's good defensive effort held Canon to nine points but could not diminish his contribution to the Linden victory. Jimmy Clemmeck, the Linden center, was the prime target for Linden scoring column with 17 points.

# Springfield Team Rallies To Defeat Irvington Quintet

The Springfield Minutemen raised their season record to four victories against three losses with a come-from-behind 51 to 46 victory over the Irvington Small-Fry All-Stars at the Florence Gaudineer gymnasium Monday evening.

Bobby Janukowicz and Riche Deutsch paced a final-period Springfield rally with a demonstration of fantastic foul shooting.

The Minutemen tallied 23 of their game total of 51 points during their final period rally. During this period, Janukowicz hit 10 for 10 from the free throw line. Bob scored 18 points for the game and was "4-for-14" from the charity line.

Deutsch also scored 18 points to join Janukowicz as top scorers for Springfield. Riche also shot well from the foul line, hitting on 10 of 12 free throws. The Minutemen as a team hit a fantastic 79-percent on their foul shots.

The Minutemen trailed in this game from the outset and it took a final period rally to put the game away. With but 39 seconds remaining in the game the Springfield squad took their first three-point lead.

Irvington had led through most of the game to that point. The Minutemen played this game with a solid seven players and received a contribution from each of them.

Fred Gold, although scoring only two points, played a good defensive game and set the Springfield offense with his line playmaking. Jay Silverman entered the game for Springfield late in the second half and with fine hustle provided much of the spark that led the squad to victory.

Frank Buccell hit on three set shots during the game that kept the Minutemen within striking distance.

Irvington presented a well-balanced and talented quintet to the Springfield fans. Irvington came to win and the visitors' hustle and hard play were to be admired.

In forward-Bill Palaya, Irvington had a hard driving basketball player, as well as a top rebounder. Palaya paced both squads in scoring with 21 points.

Fred Epple was also outstanding for Irvington. Epple was a fast-moving guard who scored 19 points. These two boys handled most of the offense for the visitors.

# Comets Tie Rockets For Small-Fry Lead

With one week to play in the regular season the Comets have caught the Rockets at the top of the standings in the Sandmeler Youth Basketball League. Last Saturday afternoon, the Comets sent the Rockets down to their first loss of the season in the Sandmeler Small-Fry League.

Both teams lead the league with identical records of six victories against a single loss. This basketball league is sponsored by the Springfield Recreation Department as part of its youth basketball program.

The big game between the Comets and the Rockets was the first on last Saturday's card at the Sandmeler School. The Comets played an outstanding game from start to finish to drop the Rockets to their first loss of the season. The final score was Comets, 9—Rockets, 5.

Larry Silverstein paced the attack for the Comets as he tallied 5 points. Larry spurred for three points in the final period to protect the Comet lead and the Sandmeler players, Robert Walleck paced the Rockets with three points.

The second game played last Saturday saw the Tigers continue their fine late season play as they downed the Pirates by the score of 17 to 15. The Pirates are the loop's hard luck team, as they dropped their fourth straight close verdict.

Mark Tashner paced both teams in scoring as he hit double figures for the Tigers with 10 points. Barry Gerst and Bob Lee also scored well for the winners. Jim Toll and Anthony Petruzzello provided a two-sided attack for the Pirates which fell just short of victory. Jimmy scored nine points, while Anthony tallied five markers for the Pirates.

The Chiefs scored an impressive 13 to 10 victory over the highly rated Chargers last week. The Chiefs loom as a surprise team for the upcoming play-off championships.

John Zurkoff played one of his best games last week as he paced the winners with nine big points. In addition to scoring well, John rebounded and showed good ball control. Sam Kaplan and Gavin Widom also scored for the Chiefs, while Roger Frank played a hustling game to contribute to the Chief victory.

Doug Wolf and Gary Stummin each tallied four points to pace the Chargers in this contest. David Manfell sparked the Charger team during a final period rally which fell short.

The final game of the afternoon saw the Raiders score a 12 to 5 victory over the Jets. The Raiders moved their season record to 5 triumphs and 2 losses and put them in a position to tie for the regular season crown in next week's action.

# Zachau Snarks Dappers To Keep Lead In Bowling

The Rangers maintained their two-game lead over the Black Hawks in the Friday afternoon Boys' Bowling League. Both teams managed to split their two-game matches last week to keep the status quo. The Recreation Department sponsors "this boys' league" which meets at the Springfield Bowl.

The Rangers tallied to defeat the Royals in the second of two games rolled last week. This victory enabled the Rangers to hold their first place lead. Henry Zachau, rolling at his best pace of the year, topped all bowlers in this match, as he rolled a 298 series.

Scott Prussing with a 243 total for two games was also effective for the league leaders. Steve Grau paced the Royal bowlers. Steve scored 268 for the two games. Bob Hannon at 239 also rolled well for the fourth-place Royals.

The second-place Black Hawks could do no better than keep pace with the league leaders as they divided a two-game series with the third-place Tigers.

Gary Nefield paced the Hawks with a 253 series. Also rolled well for the Hawks, as did Jeff Sarokin, who rolled 219 for a match total. Robert Karlsburg, with a very high series effort of 295, topped the Tigers. Perry Koplik at 281 also rolled well for the Tigers.

The Bruins split a match with the Chiefs last week. Billy Schwab and Tom Kovy paced the torrid Bruin attack. Bill rolled 268 for the two games, while Tom tallied 244 for the two games. Rich Freindlich had a 233 series for the Chiefs.

The final match of the afternoon saw the Chargers trip the Eagles twice. Kenny Pearlmutter paced the Charger attack, while Mike Levine with a 246 series was the top bowler for the Eagles.

Mitch Wolf continues to be the league's top bowler. Mitch has established a season average of 146. Jay Silverman remains in second place with a very good average of 138. Henry Zachau moved into third place last week. Henry has a season mark of 124.

Fourth place is held by Rich Freindlich. Rich is rolling at a 128 average. Gary Nefield rounds out the top five. Gary is hitting the pins at a 131 average this season. The remaining boys bowlers are: Scott Prussing, 120; Billy Schwab, 118; Steve Grau, 117; Jeff Slater, 116; and Mike Denner, 115.

# JV Quintet Defeated In County Tourney

The Jonathan Dayton Regional High School junior varsity basketball ended its season, and its hopes for the Union County tournament championship, when it was defeated in the county JV tournament's second round on Saturday, 62-47, by Abraham Clark High School of Roselle.

It should be noted—that the Roselle JVs were undefeated during the season with the exception of one earlier encounter with Dayton. Even in Saturday's contest, Dayton again succeeded in being the only team to hold Roselle to under 60 points.

The first quarter finished off Bulldog hopes. Downs by Alan Todres, with Gary Kurtz and Cliff York, made a valiant comeback attempt, out-scoring Roselle in the last two quarters, but unable to make up the deficit. There was a definite break-down in the shooting accuracy of the team, and little hustle visible in play-making.

Outstanding throughout, however, was the defensive game of Alan Todres, with Gary Kurtz and Cliff York, ably assisting, particularly on the boards.

Coach Tom Santagiuda praised the season's performance by characterizing it as "A total team effort throughout. The defense was particularly noteworthy. Many on the team should see a lot of varsity action next season."

Todres, Kurtz, York, Tony Gronok, Rich Campbell, Don Cumberly, Willis Ruyz, Jon Shoeb, Bill Aggar and Howard Tish formed the nucleus of the JV team.

They opened their season with a well-balanced victory over Arthur L. Johnson Regional High School of Clark. The game was typical with adroit ball-handling by Campbell, fine shooting and rebounding by York and Gronok, fast thinking and accurate feeds by Todres, and well-balanced play, coupled with a fine defensive performance by Kurtz. The score was 55-32.

Even in defeat, the JVs only once were out-scored by more than 10 points. The squad lost two to Rahway, but by narrow margins. A contest against Summit was lost in the final 30 seconds. Westfield, defeated by 20 points in its first face-off against Dayton, rebounded to win the second time back. But off-setting these losses were victories over Roselle (otherwise undefeated), and two against Hillside, one by the overwhelming score of 78-38, and a comeback victory in a second game with Cranford High School by 27 points. The final record was 8-10.

The team showed considerable promise throughout. With much of the present varsity returning, and the present JVs on hand to back them up, next season looks even more promising. Team manager was Steve Amster.

# Five Teams Tied For League Lead In Small-Fry Play

Hard play produced many upset victories in the Caldwell Small-Fry Basketball League in play last Saturday. At the conclusion of play last week, there were no less than five teams tied for first place.

The Pistons, Billkens, Bullets, Celtics, and Nationals all have obtained season records of five victories against two losses, after seven weeks of play in this eight team loop.

The boys meet for play in this Recreation Department - sponsored league at the James Caldwell School each Saturday afternoon.

The opening game last week saw the Celtics continue their rise to the top of the league standings by fashioning a 12 to 9 upset victory over the highly-rated Nationals.

The Celtics again rode to victory on their good defensive play. Throughout the season the Celtics have been consistently the league's top defensive quintet. Last Saturday, three Colt players divided the scoring equally.

Eric Greene, Tigger Kaiser and Charlie Spiegel each hit four points to pace the victory. Ricky Silverstein was the top point getter for the Nats as he tallied six points. Rick is a top basketball prospect.

In the second contest last week, the Billkens established a new league high for the season as they ripped the Lakers by the score of 31 to 7. Nell Anderson and Johnny Gecos paced the high scoring Bills during this game. Nell tallied 14 points, while Johnny scored 12 points for the winners.

Nell showed much aggressiveness in this game, and while Johnny is a floor general and a hustler at both ends of the court, Kenny Gecos was the top scorer for the Lakers. Ken hit for five points, as he provided most of the Laker attack.

In another important contest last week, the Bullets scored a narrow 10 to 9 victory over the Pistons. The Bullets staged a final-period rally in this game to emerge with the victory. The Bullet players showed desire and hustle in this game to provide the margin for victory.

Final period baskets by Howie Fenebaum, Steve Harris, and Robert Hydock salvaged the game for the winners. Hydock and Fenebaum both finished the game with four points. Joe Pepe and Johnny Bellevue paced the Pistons. Joe scored five points to pace all scorers, while Johnny scored four points.

The final contest of the day was a hard-played affair. The result was a 13 to 11 victory for the Knicks over the Aggies. This was the second triumph of the season for the fast-improving Knick team.

Billy Hundley of the Knicks played his finest game of the season. Billy provided the scoring punch for the Knicks team as he tallied 11 points.

Marc Matthews was the Knick play-maker during this contest, as he rolled 10 points for the winners. The Aggies' high-scoring Hundley, Mike Scoppetolico paced the Aggies with five points. Rich Feldman, Wayne Rutz and Frank Zarell also hit the scoring column for the well-balanced Aggie team.

# Zarelli Scores 621 Series Total

Nicholas Zarelli won ten honors with a 228-221-621 in Springfield Church League bowling action last week at Springfield Bowl. The Oakman team is the league leader with a point total of 58, led by Wunderlich, 55, Zarelli, 53, and Lord, 51.

Top scorers also included William Bataille, 228; Stanley Lord, 214-202; Salvatore Falcons, 210; John Siman, 210-202; Sylvester Boettcher, 204; Burt Henry, 203; Albert Slaght, 203; Scott Donington, 202.

Policarpio Bros. and Springfield Market kept pace atop the Springfield Municipal Bowling League by winning two games apiece last week at Springfield Bowl. Policarpio leads with a record of 46-28, with the Market second at 40 1/2-28 1/2.

High scorers were recorded by Walter Schramm, 215-202; Maryl Krise, 234; Mark Conia, 228; Bob Buehler, 222; Robert Anderson, 211; Robert Bevia, 213; Ed Cardinal, 212; Burt Henry, 209; Hank Schindler, 206; Mario LaTella, 205, and Robert Jones, 205.

# Dayton JV Wrestling Team Compiles Winning Record

By MYRON MEISEL

The Jonathan Dayton Regional High School junior varsity wrestling team—turned a fine performance this 1966 season under the guidance of coach Vinnie Albano. The Bulldog JV turned in a winning record of 6-5.

The team drew its strength from all grade levels. Starting out with a largely inexperienced squad, the team moved ahead strongly throughout the season.

At 98 pounds, for example, freshman, Dave Pierson, acted as mainstay. According to Albano, he was "a dedicated athlete who developed considerably."

At both 106 and 115, the JV team had strong grapplers. In each case, there were two varsity wrestlers who alternated in the junior varsity spots.

In the lighter classification, Jon Brenn, a sophomore, and Pete Mollen, a junior, wrestled, and at 115 there were two juniors, Stu Cohen and Howard Goldhammer. "They turned in fine jobs, and could be counted on in almost any match," the coach said.

At 123, Gary Vosburgh, a sophomore, had a fine season, and "shows a lot of promise." Vosburgh wrestled twice for the varsity, winning one of his matches.

Tom Small, at 130, had a good season, particularly at the opening, when he won six consecutive bouts. "Although he still needs some seasoning, Small is a strong wrestler with a lot of spirit."

At 136, a freshman, Gary Haydu, filled the slot amazingly well. "A hard-worker, Haydu is a fine wrestler, and should improve to a very high plane during his coming years," Albano commented.

Out-Weighted

The space at 141 was literally a space. Lacking a grappler of that weight for the JV squad, junior Larry Johnson, although only weighing 130 pounds, often handled the slot. Despite being out-weighted by over 10 pounds, Johnson more than handled this opposition, emerging from the season with a winning record.

The spot at 148 was filled alternately by Glenn Behrens and Glenn Douglas, both varsity wrestlers as well. On occasion Eugene Budsock, a freshman with "considerable spirit" wrestled for the Bulldogs. Budsock will be in the Kentwood school next season.

At 157, Howard Rubenstein played a vital role, both as a grappler, and as one who kept up team morale. Rubenstein showed "lots of hustle, and his moves were extremely deft," according to the coach.

Brian Zabolski, a sophomore, emerged with a winning record at 168. He was the only Dayton district finalist in the Union County novice tournament.

A great deal of hustle and interest characterized Walt Eam, fielded a sophomore at 178, who leaves for Kenilworth next year.

In the heavyweight classification, Greg Baskin and Marty Liebowitz alternated with varsity competition. Both brought their varsity seasoning as assets for the JV squad.

According to Albano, "the season was up to expectations. The team began with little seasoning or experience, and I feel matured a great deal as wrestlers throughout the season."

"More Improvement"

I expect still more improvement, though, with the passage of time. There is a lot of potential in many of these boys."

Reviewing the season, it is found that the team in general

did alternately well and poorly, winning its spurs. After an initial close defeat by a strong Westfield squad, the junior varsity ran up a streak of four consecutive victories over Jefferson High School of Elizabeth, Franklin Township High School, Arthur L. Johnson Regional High School of Clark and Hillside High School, often by overwhelming scores.

Then, with the exception of a victory over Rahway High School, four losses followed. The Bulldogs, however, finished with a victory over Governor Livingston Regional High School of Berkeley Heights.

Whether many of the team's grapplers will see varsity action next year is largely unpredictable, according to Albano. The weight of wrestlers can vary greatly from year to year. As well, many of the present varsity men are returning next year. But it is expected that this year's junior varsity members will be significant next year.

Lorraine Cicconi was the entire show at the Girls' Bowling League last week. Lorraine broke all existing records for girls or for boys in the Recreation Department sponsored bowling leagues.

Miss Cicconi rolled an outstanding 222 game last week. She then followed this game with a 168 effort for an all-time high 388 series. This type of bowling for a 13-year-old girl is unmatched in Springfield.

Lorraine is new to the Girls' League this season, and on the strength of her efforts the Rockers in Bowlers have been running away with the competition. The Rockers have established a six-game lead over their nearest pursuers.

The Rockin Bowlers crushed the second-place Strikers last week in two games. Lorraine Cicconi paced all bowlers with her tremendous game and series effort. Debbie Kiebler with a 231 for two games also rolled well for the league leaders. Diane Ogonowsky with a 235 series paced the Strikers, while Virginia Vogt with a 211 series also rolled well for the second-place team.

The Charms and the Allettids split a two-game series in a match last week at the Springfield Bowl. Alyce Cooper continued her fine bowling, as she fashioned a 268 total for the two games. Maureen Welton rolled very well for the Charms as she tallied 190 for the two game series.

The final match of the day saw the Alley-Oops best the Alley Cats in two games. All four members of the winning team topped the 200 mark for a series performance in this match. Bonnie Baskin paced the winners with a 240 series. Kathi Summer rolled a fine 157 game and tallied 227 for the two games. Eileen Francis scored 221 pins for the two games, while Linda Mutscher had a series effort of 204 for the Alley-Oops.

Lorraine Cicconi raised her league-leading average to a season high of 195 with her great performance of last week. Alyce Cooper maintains second place with a 124 season average. Virginia Vogt is the third place bowler with a season mark of 165.

# Wrestling Team Finishes Season In State Tourney

The Jonathan Dayton Regional High School wrestling team closed its season last week with its competition in the state tournament, District 11.

Of the Bulldog entries, Al Silverman at 168 pounds, emerged in third place after a fine series of bouts.

Fourth places went to Ed Camaleri at 136 and Pete Mollen at 106. Camaleri lost his final encounter on the mats in an overtime decision.

This year's season was perhaps disappointing for the Dayton grapplers, who ended the season with an unimpressive 2-3 record. The bright spots however, all came in a single thrilling week.

Dayton defeated sister school Arthur L. Johnson Regional High School of Clark handily by a score of 21-14, with pins by Pete Sayki, Jon Brenn, Ed Camaleri and Glenn Behrens. Victories also went to Howard Goldhammer (11-2), Dale Lies and Tom Martin, while Silverman tied.

To balance out the fine performance of the lightweights in that match, the heavyweights managed to wrest a victory from Hillside High School, only the 157 class came up. Only Gary Vosburgh, who had won on riding time, and Camaleri had scored for the Bulldogs.

The score was 20-0 against Dayton, but the heavyweights rallied to secure the win. Martin and Ernie Miltner pinned their opponents, and Silverman and Greg Baskin battled to top-sided decisions. Dayton was the victor, 22-20.

Despite the year's weak showing, there is every hope for a better season next year, as the bulk of the squad should be returning, this time considerably more seasoned and ready for the mats.

### All About People

by GENE ROSENFIELD

EGENE YIRE CO.  
The wall of the area came loud and clear and a slip of a girl slid from under the Jeep she was working on and ran with the rest of the mechanics to the nearest airfield shelter.

She sat and waited as waves after waves of German bombers flew over and dropped their deadly loads. Then she heard a voice. "Don't worry," he had announced that she had joined the women's army as a truck driver and mechanic. It was her way of helping the war effort besides the joy of getting her face unsmudged with grease, being on army trucks or changing a tire.

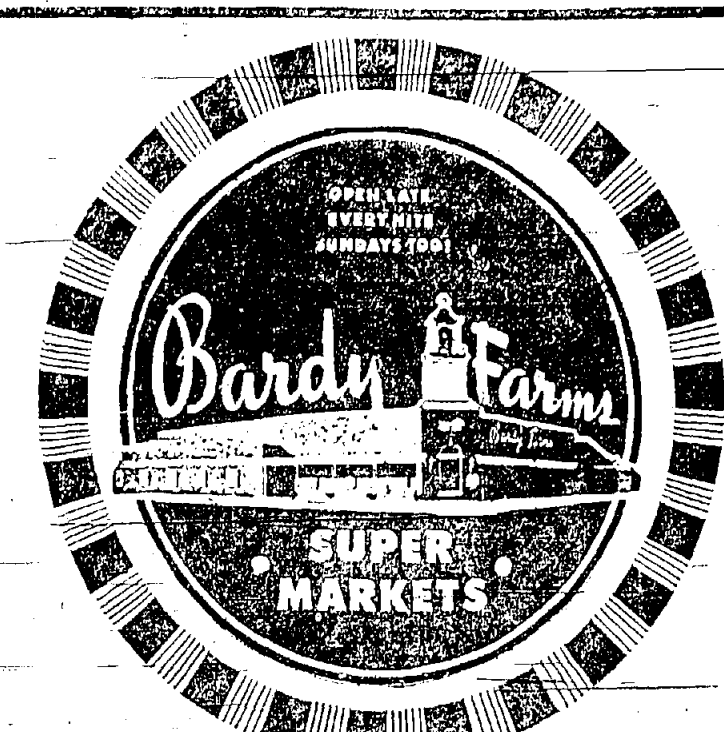

After the war was over, she returned home and settled down to helping her father with his many charitable functions. In time she married and started a family. Still she kept on the go, constantly helping with this worthy project or that.

In 1952 her father passed away and she was swept into the limelight with a trust that passed all the odds. For a time she was engulfed by the enormity of it all. But time and training had matured her and she took over where her father had left off. For six years' time she had inherited her father's land and became England's QUEEN ELIZABETH.

If you're looking for a "KING" among men then EUGENE YIRE CO. is the place for you. Our full line of new Haversham ties and guaranteed "soft-weep" are simply "irresistible" in performance and wear. Do drop in soon at EUGENE YIRE, Milltown Road (between Route 77 and Maple Ave.) off Liberty Ave., across from Farber's Great in Union. Our phone... 687-4130.
