Regional school board election snowed out

Squad lists record total for aid units

Ambulance group cites need for new members

In conjunction with the current membership drive of the Springfield First Aid Squad, Daniel Kalem, squad lieutenant, this week reported that the squad answered a record number of 722 first aid calls during 1966. He noted that the figure showed two incidents in the average day "when there is an accident or illness in Springfield of a serious nature which requires the use of an ambulance." Kalem added that there were 20 occasions last year when two ambulances and two crews were in action simultaneously. A squad spokesman declared: "The record of the First Aid Squad speaks for itself. It is a record of service. Never has a first aid call in Springfield gone unanswered. Never has the ambulance failed to roll. The Springfield Squad is proud of its service record and proud to be of service. "During the current membership campaign, the squad offers about 10 townpeople the opportunity to be of service. Training is done on the job and during the first year of membership. On many calls, first-aid skills are not even required. Only time is required."

TO DEPICT EXACTLY what happens to a new member, the squad disclosed the following recollections of a new member's first days of service:

"It all began at a first aid course at the Springfield Pool which was sponsored by the Red Cross. My main purpose for taking this course was to learn how to care for my family.

"A few women who were members of the Springfield First Aid Squad were also taking the course. They frequently mentioned that they were 'On Call' two days a week instead of one because of their dire need for new members.

"As the course progressed and I became more proficient, I began to give serious thought to helping someone in distress. What better way than through membership in the Springfield First Aid Squad?"

"It was two weeks after I joined that I had

Miss Wolfman has homemaker award in annual program

MICHELLE WOLFMAN

Michelle Wolfman, by finishing first in a written homemaking knowledge and aptitude examination for senior girls Dec. 6, became Jonathan Dayton Regional High School's 1967 Betty Crocker Homemaker of Tomorrow.

The daughter of Mr. and Mrs. Herman Wolfman of 65 Garden oval, she is a member of the French Club, Student Auxiliary and Girls' Athletic Association at the high school and hopes to major in English and journalism in college. Miss Wolfman is now eligible for possible state and national scholarship awards. Her test also earned her a specially designed silver charm from General Mills, sponsor of the Betty Crocker search for the American Homemaker of Tomorrow.

A state Homemaker of Tomorrow and runner-up.

SCOUTING EXHIBIT--In observance of Boy Scout Week, Feb. 7-13, these members of Troop 70 of the First Presbyterian Church prepared an exhibit on scouting which is now on display in the library at the Florence Gaudineer School. The exhibit includes a model Boy Scout campsite, as well as books and pamphlets on

scouting. Shown are, from left, Eagle Scout Daniel G. Olasin, Second Class Scout Michael P. Klein and Star Scout Vincent Burns. A troop spokesman invited all boys over 11 to "follow the rugged road to scouting," or, "if that road to adventure is too rugged, visit your nearest school of public library." (Photo by Bob Baxter)

Library group names officers at first meeting

A Friends of the Springfield Public Library was organized last Thursday at the Springfield Library with the following officers: president, Mrs. Natalie R. Wald; vice-president, Mrs. Hazel H. Jarrigrove; secretary, Mrs. Elizabeth J. Laurencelle; treasurer, Mrs. Roslyn B. Yablonsky.

At this time, a committee of five people was selected to draw up the constitution and by-laws for the organization. Chairman of the committee is Seymour Margolies, and assisting him will be Judge Harold Ackerman, Mrs. Eva Brown, Sidney Krueger and Mrs. Laura Rosenbaum.

The next meeting of the Friends of the Library will be held at the library on Thursday, March 2, at 8:30 p.m.

A spokesman stated, "Everyone who is interested in being a friend to the Springfield library and is sincerely concerned with the library's development and its role in the community should attend this next meeting. Those people who will be present at the March 2 meeting will help to shape the Friends of the Library and to decide the role it will play in the year ahead."

"For those who wonder what Friends are, they may be defined as a group of citizens in the community who have a common concern for the library's active expansion and participation in community life. They have a conviction that good library service is important to everyone."

3 churches join in Day of Prayer set for tomorrow

The annual World Day of Prayer service will be held tomorrow at 2 p.m. in the Antioch Baptist Church, S. Springfield ave. at Meckes st. This service again will be a combined effort of the Springfield Emanuel Methodist Church, Antioch Baptist Church and the First Presbyterian Church. Women from each of those churches will take part in the order of worship. Mrs. Aleasa Murphy, president of the Women's Society of the Antioch Baptist Church, is in charge of the arrangements for the day.

The Rev. Kenneth Stumpf, pastor of the Holy Cross Lutheran Church in Springfield, will be the speaker. His topic will be "Prayer is Dangerous. Unless..." Mr. Stumpf has served for a year in the local church, coming from a university pastorate in Ames, Iowa.

The World Day of Prayer had its beginning in 1887 when the president of the Women's Board of Home Missions of the Presbyterian Church called for a national day of prayer and offerings. Observed each year on the first Friday of Lent, this day is now sponsored by the United Church Women of the National Council of Churches. Offerings received are distributed among the missions divisions of the National Council of Churches for inter-denominational projects.

B'nai B'rith will give award Sunday night to Msgr. Coyle

MSGR. FRANCIS X. COYLE

Arthur Kesselhaut, president of the Springfield B'nai B'rith Men's Lodge, and Mrs. Martin Karp, president of the Springfield Chapter, B'nai B'rith Women, have announced that the Rt. Rev. Msgr. Francis X. Coyle of St. James Church will be the recipient of the annual B'nai B'rith Citizenship Award. The presentation will take place on Sunday at 8 p.m. at Temple Beth Ahm.

Msgr. Coyle has been selected for this honor, they said, "because of his work toward the betterment of understanding among all community groups. A true humanitarian, Msgr. Coyle states that people are his hobby; and his life centers to this fact."

Msgr. Coyle was born in 1911 in Jersey City. He spent his early years in Jersey City and was graduated from St. Peter's Prep in 1928. He studied at Seton Hall for two years, worked as a reporter in the New York Stock Exchange for a brief period and then returned to receive a B.A. from Seton Hall in 1933. He went on to attend Immaculate Conception Seminary in Darlington and was ordained at St. Patrick's Pro-Cathedral, Newark, May 22, 1937. In that year, he assumed duties in his first parish, Our Lady of Grace Church, Hoboken, where he was to remain as a priest for nearly twenty-six years.

While in Hoboken, Msgr. Coyle played a prominent role in community affairs. During World War II, he became president of St. Mary's School of Nursing, Hoboken—a position he still holds. St. Mary's was the first private school in this area to enforce integration in cadet nursing. He participated in numerous civic and religious organizations, among them: the advisory board of the Hudson County Mental Health Association and the Citizens' Advisory Committee of the Hoboken Red Cross, of which he was president.

As chaplain of the Police and Fire departments in Hoboken, Msgr. Coyle had much experience with the accidents, fights and murders often occurring on the Hoboken waterfront. In fact, Msgr. Coyle's church was used in the filming of the motion picture, "On the Waterfront."

He is also active within the structure of the church. Msgr. Coyle's duties have included that of pro-synodal judge of the Newark Archdiocesan Tribunal, through which he hears matrimonial cases. He served as deputy of discipline at Immaculate Conception Seminary.

Introduction tomorrow for town's new budget

The Township Committee will introduce its new municipal budget at a special meeting tomorrow evening at 7:30 in Town Hall. The complete budget will appear in a subsequent issue of this newspaper.

An informal hearing to explain all aspects of the budget will be held on Saturday morning, March 11. The formal budget hearing is scheduled for the regular meeting of the Township Committee on Tuesday evening, March 14.

A: Best Pharmacy, 379-2079, Left Candy, You Ring, W. B. Bine, 273 Morris Ave. -ADV.

Voting now rescheduled to take place on Feb. 21

Election day for the Regional High School District Board of Education was postponed from Tuesday until Feb. 21, because of the blizzard which struck the Metropolitan area on Tuesday. This is believed to be the first postponed election in the district's 30-year history. Similar postponements were announced for regional school boards in Scotch Plains-Fanwood and the Watchung Hills area.

There are four candidates seeking election to the one Springfield seat open this year on the regional board. The candidates are Leonard A. Golden, John A. Hopping, Mrs. Natalie R. Wald and Henry S. Wright. In addition, the regional budget will be presented for approval by the voters of Springfield, Mountain Side, Berkeley Heights, Kenilworth, Clark and Garwood.

The Springfield Board of Education will hold its annual election this coming Tuesday, with three incumbent candidates unopposed. They are John C. Gacos, Seymour Margolies and Robert T. Southward. The local school budget will also be presented for approval. The polling places will be open from 3 to 9 p.m. Tuesday for the local school board election. Residents of Voting Districts 1 to 6 will vote at the James Caldwell School, Districts 7 to 10 at the Florence Gaudineer School and Districts 11 to 13 at the Edward Walton School.

For the rescheduled regional board election Feb. 21, all residents will vote in the boys' gymnasium at Jonathan Dayton Regional High School. The hours will be 7 to 9 p.m.

IN A RELATED MATTER, Leonard A. Golden, one of the Springfield candidates for the regional board, this week issued a statement replying to the editorial printed in this newspaper last week. The statement was issued before postponement of the election, and with the expectation that it would appear after the election. The editorial had endorsed the candidacy of Mrs. Wald.

The text of Golden's statement follows: "The nice thing about editorials is that the writer doesn't have to sign his name. Letters to the editor must be signed. The nice thing about editorials is that they are not restricted as to length. Letters to the editor are limited to 250 words. The nice thing about editorials is that the reader does not have the right to reject or edit. Letters to the editor may be edited and/or rejected at the whim of one person, the editor. The nice thing about editorials is that the reader cannot state how soon before publication the public must be informed that an editorial on a certain subject will be submitted. Letters to the editor must be submitted on the Monday of the week they are to appear.

"Under words, the editor chooses the day on which he will edit, chooses the weapons (unlimited words versus a mere 250), does not allow any time for rebuttal (when endorsing candidates on the last day of publication before election), and generally cuts off debate on the issues.

"My purpose, in this letter, is to set the record straight, and inform your editorial writer of some of the facts he may not have been aware of when he wrote the editorial which appeared in your issue of Feb. 2, 1967. Since this letter, if published, will appear after the Regional Board of Education election, it does not represent a campaign appeal, but rather an attempt to inform your readers as well as your editorial writer why endorsements of candidates should be carefully considered after all the facts are gathered.

"Let's begin with your editorial in question. Questions to Consider in Regional Board Vote. I could find only three questions you asked: Is that all there are? "How about all the questions that were asked on Candidates' Night, sponsored by the League of Women Voters? You stated in your editorial that I indicated serious disagreements with various board policies. I should think that such a statement shows concern with more than just the candidates' responsibilities of a Board of Education.

"The candidate you endorsed held only to three specifics. How is it possible to re-

strict ones self to a minute part of a whole problem? Which is the most important part of the whole? My point is, each part of the whole is equally important as the sum of the parts. "You state that your candidate, with the backing of HER PTA, has already secured board approval of improvements. I thought that PTA's belonged to the community, not to just one person. And, to set the facts straight, I refer you to the superintendent's reports as follows:

"Report K-5, Part B, Page 8, Dated 11/15/66; also Report J-10, Part B, Page 7, Dated 1/14/66; also Report J-3, Page 1, 2nd Paragraph Dated 9/14/65; also Report I-15, Part B, Page 7, Dated 5/11/65.

"Get the point? The board has been continuing work on improvements at Jonathan Dayton. There are many more references I can give you, but I think you understand what I'm trying to get across to you. Your candidate would have received these same reports if she had attended more than one meeting of the board when it held its deliberations at Berkeley Heights. The res-

(Continued on page 5)

Symphony unit to offer concert on school stage

The Springfield Symphony Society will present its first concert for 1967 on Saturday, Feb. 18, at 8:30 p.m. in the auditorium of Jonathan Dayton Regional High School. The performance, which is open to the public, is being co-sponsored by the Springfield Association of Creative Arts, the Springfield Recreation Department, and the Union County High School Adult Schools. Mr. Robert J. Slapin, secretary.

Under the direction of Geza Huzar, the orchestra's program will include "Variations on a Theme by T. Schalkowsky," by Aramony Mendelssohn's "Violin Concerto in D Minor," with Peter Manetto as soloist; Brahms' "Double Concerto for Violin and Cello" (Second Movement), arranged by Piziel and featuring Marjorie Slapin and Peter Manetto as soloists, and "Serenade for Strings," by Anton Dvorak.

The Springfield Symphony Society gave two concerts last year at the high school in Springfield. Benjamin D. Slapin, their executive director, commented, "The members of this group are most happy to be able to participate in this fine cultural activity. We were most gratified at the excellent attendance at last year's concert and do hope that many of those audiences will return with their friends.

Slapin stated that the senior citizens had been invited and that children of the sixth grade and older were being urged to attend this event with their parents. Additional information may be obtained by calling Slapin at 379-2901.

Red Cross announces plans for bloodmobile

The Springfield Chapter of the American Red Cross has scheduled the town's next semi-annual bloodmobile visit for Wednesday, March 15, to be held at the Holy Cross Lutheran Church, 639 Mountain Ave., from 1 to 6:30 p.m.

Blood donor chairmen for the various groups in Springfield will provide further information for their members in the near future. Persons not affiliated with present donor groups may donate as individuals. Further details on the blood donor program will appear in subsequent issues of this paper or may be obtained by calling Mrs. Daniel D. Kalem, blood program chairman, at 376-0582.

Methodist Church to present opening talk of lecture series

"Religion in Contemporary Life" will be the theme of a lecture series to be sponsored by members of Springfield Emanuel Methodist Church, Main st. at Academy green, on Sunday evenings at 8 during Lent.

Dr. Adolph Behrenberg, minister of the First Presbyterian Church, Metuchen, who has traveled in 105 countries, and around the world seven times, will be the key-note speaker this Sunday, presenting a lecture entitled, "Moral Man Facing the World."

Dr. Behrenberg, minister of the largest Protestant church in Middlesex County, has been a visiting professor at Bloomfield College and Seminary, and chaplain at the N.J. Diagnostic Center, Menlo Park. He received an A.B. degree at the University of Pittsburgh, a Th. D. degree at Princeton Seminary, and a Th. D. at Union Theological Seminary. He has preached and lectured for the last 13 summers at the American Church in Paris, and has also lectured in Japan, Nepal, India, Malaysia, Scotland, England, the Netherlands and Germany.

Other lectures will include Feb. 19, "Revolution in Theology," Dr. David Randolph, professor, Drew University; Feb. 26, "Immediacy and Imminence, the College Student," the Rev. James Boyd, chaplain, Drew University; March 5, Dr. Bertram Vogel, clinical psychologist and professor of psychology

DR. ADOLPH BEHRENBURG

Harlem Diplomats to appear at NSC

CANADA'S HARLEM DIPLOMATS.

The Harlem Diplomats, Canada's version of the Harlem Globetrotters, will make their annual visit to the Newark State College campus on Friday, Feb. 17.

The Diplomats, who recently returned from an overseas tour, will play against the Sigma Theta Chi All-Star team at 8 p.m. in the D'Angola Gymnasium.

The Diplomats feature two basketball comedians, Dick Harvey and Goose Jr. Also appearing will be a new sensational dribbler and ball handler, Pete Russell, and the tallest man on the team, "great" Jim Scott, who stands almost seven feet.

The Diplomats will present their magic circle. Parts of this unique circle are done in complete darkness; the only visible objects

are the hands, shoes and a glowing basketball.

A preliminary sorority basketball game will begin at 6:30 p.m. The sororities will compete for the Sorority Basketball Championship. Tickets are available from any member of Sigma Theta Chi or at the Newark State College Information Services Desk in the College Center. Tickets will also be sold at the door.

PROCEEDS WILL GO TO THE newly established Sigma Theta Chi D'Angola Memorial Scholarship Fund.

This scholarship fund was established on January 25, 1967 by the Brothers of Sigma Theta Chi Fraternity.

Joseph A. D'Angola, for whom the fund has been named, was a teacher, counselor, coach and administrator at Newark State College. He became a member of the Newark State Faculty on Feb. 11, 1918 as chairman of the Department of Health and Physical Education.

His appointment as Dean of Men in 1935 was due in part to his devotion to the youth of the new generation at Newark State College. Along with his other duties, D'Angola was also faculty advisor to Sigma Theta Chi Fraternity.

The words which perhaps describe D'Angola are found on a plaque in Newark State's gymnasium that was named after him:

"A man of noble ideals, great heart and dauntless spirit, he made a unique contribu-

tion to the development of the college.

"A true gentleman, dedicated teacher, leader of youth, counselor of counselors, he found his greatest happiness in service.

"The inspiration of his life is the heritage of all and the esteem and affection in which he is held are his best memorial.

"The Sigma Theta Chi D'Angola Memorial Scholarship is the first athletic scholarship on the Newark State Campus. It was designed to benefit a male athlete who, through his participation in varsity athletics and as a student, has displayed those qualities characterized so well by the late Joseph A. D'Angola.

A special half-time program is also planned, a spokesman said.

Tuition aid grants planned next year for 550 students

Five hundred and fifty grants, each worth \$480 for the 1967-68 academic year, will be available to Union County residents who gain admission to Union Junior College as full-time students in the Day Session. It was announced this week by Dr. Kenneth C. MacKay, UJC president.

The grants will be available under the Tuition Aid Plan adopted by Union Junior College and the Union County Board of Freeholders.

These grants are designed to make a college education possible for all qualified students who seek and need a career in higher education," Dr. MacKay said. "Under this plan, the county will pay more than half of tuition at our college for all Union County residents who are full-time students in the Day Session."

Dr. MacKay said he anticipates there will be 100 more grants available during the 1967-68 academic year than were available during the current academic year. Tuition aid grants were held by 476 students during the fall semester, and a similar number is anticipated for the current spring semester, Dr. MacKay said.

More Union County residents are expected to enroll at Union Junior College in September as the result of opening a new \$1 million Science Building, which is now under construction and will be opened in time for the Summer Session. Dr. MacKay said he anticipates that a larger number of sophomores will return for their second year at UJC than a year ago.

Under the Tuition Aid Plan, a Union County student in four semesters at Union Junior College can qualify for grants totaling \$1,960 toward a total tuition charge of \$1,760.

No application is necessary to qualify for the tuition assistance, Dr. MacKay reported. He said the grant is made automatically to Union County residents who enroll as full-time students in the Day Session.

Memorial General drive underway

The Volunteer Guild of Memorial General Hospital, Union, kicked off the institution's \$1.5 million development program this week with a pledge of \$25,000 to be paid over three years.

Mrs. James Hazler, Guild president, also presented a check for \$7,350 which represented final payment of a \$20,000 pledge to finance construction of Memorial General's coffee and gift shop, and another for \$1,650 as an installment in another pledge of \$25,000 to help equip the newly-opened 100-bed Albert Leeberg Pavilion.

"The continuing support of the Volunteer Guild," said Col. Howell L. Hodgskin, executive director of development, "has been a major factor in the successful growth of Memorial General Hospital."

The \$1.5 million goal set for the development program is realistic and mandatory, according to Col. Hodgskin. In terms of the facilities needed to keep up with the mounting medical care needs of the Union County area.

The hospital's laboratory and x-ray facilities are being expanded to provide the greatly

increased number of diagnostic tests required. One of the prime areas of concentration will be an intensive care unit and coronary care unit which will be established in the vicinity of Memorial's emergency wing. "The life-saving value of these two units," explained John J. Kelly, administrator, "cannot even be estimated. In order to keep pace with modern medical advances, the hospital must have this facility available for its patients."

A long-range development plan spanning the next 15 years is currently being formulated, Col. Hodgskin said. The plan will consider the needs of the surrounding communities, based on population forecasts, and will provide for the requirements of all state and federal programs.

MEMORIAL GENERAL HOSPITAL'S \$1.5 million development program was kicked-off this week with a pledge of \$25,000 by the Union hospital's Volunteer Guild. Mrs. Walter Crammie, assistant secretary, is pictured signing the pledge card as Mrs. James Hazler, president, and Col. Howell L. Hodgskin, executive director of development, look on.

Howard-held mortgages increase \$4 1/2 million

Union County mortgage loans held by The Howard Savings Institution of Newark, the largest savings bank in New Jersey, on Dec. 31, 1966 totalled 3,593 and amounted to \$50,458,472, John W. Kress, president, reported this week. This was an increase of \$4,614,224 over the previous year.

"As the largest lender of money for mortgage loans in New Jersey," Kress noted, "The Howard continues to make a significant contribution to the state's economic growth." The institution has granted 39,560 loans, totaling \$52,656,496, at the end of 1966, on properties in all of the state's twenty-one counties.

CP telethon over million

The Sixteenth Annual United Cerebral Palsy Telethon, sponsored by United Cerebral Palsy affiliates in Connecticut, New York and New Jersey, grossed \$1,049,536 in pledges, according to William L. Kirchner, Jr., President of United Cerebral Palsy Associations of New Jersey. Total pledges for New Jersey affiliates exceeded \$149,000.

Stars from all media entertained during the 19 hour period and Dennis James, acted as master of ceremonies, with Eydie Gorme and Steve Lawrence as host and hostess.

"Residents of New Jersey have, again, responded generously to our appeal for help for victims of cerebral palsy," Kirchner said. "These are very grateful." Contributions received will be used to promote the health, education, and welfare of more than 20,000 children and adults residing in our state.

Participating New Jersey affiliates were: United Cerebral Palsy of Hudson County, United Cerebral Palsy of Middlesex County, United Cerebral Palsy of Monmouth-Ocean Counties, United Cerebral Palsy of North Jersey (Essex, Bergen and Passaic Counties), United Cerebral Palsy of Union County, and United Cerebral Palsy Associations of New Jersey, Inc. Pledges are to be sent to Cerebral Palsy, Box 123, Union.

Call for volunteers issued by Runnells

Dr. Eugene Nargiello, superintendent and medical director of the John E. Runnells Hospital for Chest Diseases, Berkeley Heights, this week appealed to volunteers to help their services to the hospital. The hospital will open a new unit in the near future.

In anticipation of opening of additional facilities, volunteers will be needed to assist on nursing floors, do personal shopping for patients, work in recreational therapy, do friendly visiting and assist in clerical and typing assignments, he said.

Women who can give a minimum of three hours a week, particularly during the morning hours, are urged to offer their services to the hospital. Orientation and indoctrination classes will be held the latter part of February. If a sufficient number of volunteers apply.

Dr. Nargiello said, "staffing a new hospital unit is always a problem and good volunteers can provide the small personal services that make living in a long-term hospital a bit more bearable for our patients."

Anyone in good health who is willing to assist in providing such services on a regularly scheduled basis may contact the director of volunteer services, Mrs. Richard K. Walton, at 322-7240, Monday through Friday, between 8:30 a.m. and 4:30 p.m.

Lectures to begin for sophs. at UJC

The first in a series of lectures to assist Union Junior College sophomores in transferring to four-year colleges and universities will be held today (Thursday, February 9) at 1 p.m. in the theater of the Campus Center, Cranford.

Admissions officials from Upsala College, East Orange; Bloomfield College, Newark; College of Engineering-Monmouth College, West Long Branch; Seton Hall University, South Orange; and Fairleigh Dickinson University, Rutherford, Teaneck and Madison.

The first speaker will be Theodore Fleck, director of admissions of Upsala College. The other lecturer will be Feb. 14, James Muller of Bloomfield College; March 2, Warren Demmon of Monmouth College; March 9, Robert Smanon of Newark College of Engineering; March 14, the Rev. Joseph T. Shay of Seton Hall University; and March 30, Thomas Heaton of Fairleigh Dickinson University.

Representatives of Rutgers University and Newark State College at Union spoke to all Union Junior College sophomores last semester.

The admissions officials will discuss with the UJC sophomores the educational programs available at their institutions.

Deadline set for pageant

Feb. 15 is the last day to submit entries to the Miss Union County pageant selection committee. The pageant will be presented by the Fanwood-Scotch Plains Jaycees on April 15 at the Scotch Plains-Fanwood High School auditorium.

Doug Lind and Dick Payne, co-chairman of selection, said this week that they are still seeking girls with "beauty, brains and talent" to compete for the title of Miss Union County and the opportunity to win the title of Miss New Jersey. Lind added that prizes have been donated by local merchants for Miss Union County.

In nine years four Miss Union County winners have gone on to win the title of Miss New Jersey. Miss New Jersey then competes for the title of Miss America at Atlantic City. In addition to the prestige and personal honors, substantial scholarship awards are given. Miss New Jersey receives a \$1,000 scholarship and Miss America a \$10,000 scholarship. Sizable scholarships are also awarded in other categories, such as talented model, actress, dancer, singer and others.

To be eligible for entry in the Miss Union County pageant a girl must be between 18 and 28, single, a senior in or high school graduate, a resident of or going to school in Union County. Lind also stressed that there is no expense to the girls who enter the county pageant.

Clergy join in backing petition to urge steps toward speedy Vietnam peace

A clergy-initiated petition campaign aimed at achieving peace in Vietnam was launched in the Springfield area at a meeting last Thursday following a clergy-sponsored program in Washington, D.C., on Jan. 31.

The clergy, grouped as N. J. Clergy and Laymen Concerned about Vietnam, had participated with 4,000 others in a mobilization and silent vigil in front of the White House last week with their stated representatives: Senators Clifford Case and Harrison Williams; and, in the 12th Congressional District, with Rep. Florence Dwyer.

The Rev. Richard Wilson, chairman of the New Jersey petition campaign, and pastor at Cranford Methodist Church told the Springfield gathering that the petition had been presented to Senator Case and Williams in Washington, but that the receiving of signatures was continuing as local sponsors are found in each community.

Mr. Wilson stated that many sponsoring committees had been formed throughout the state and particularly in Westfield, "where the petition had the endorsement of Republican Councilman Carl Peterson and Westfield Democratic Chairman Alan Goldstein, as well as clergy and laymen of all faiths."

Mr. Wilson quoted Secretary-General U Thant of the United Nations as saying, "First of all, in my view, it is absolutely necessary that the bombing of North Vietnam must stop without conditions. However, a meeting of Washington and Hanoi alone would not solve the problem. The problem of South Vietnam must be solved primarily by the South Vietnamese people themselves. This is the basic issue."

The petition calls for, as its second point, a specific recognition of the National Libera-

tion front as a necessary participant in peace negotiations. The third point calls for definite action by the United States Government in submitting the entire Vietnam issue to the adjudication and supervision of the United Nations under the stated proposals of Secretary General U Thant.

At the close of the discussion, the assembled clergy and laymen decided to consider themselves a "Committee of Sponsors" for the

Springfield area. Among those initiating the petition are: Rabbi Reuben K. Levine, the Rev. James Dewart, William R. Russett, Mr. and Mrs. Lee Harrison, Robert M. Vazary, Rabbi Israel Dresner, Lawrence Armour, Mrs. Rubin Gran, Ben Yarrow, Mrs. Milton Zisman, Mrs. Selma Edelstein, Mrs. Leon Goodman and Mr. and Mrs. Joseph Marzell. Local coordinators are Pastor Dewart and Mrs. Zisman, who can be reached for further information.

Presbyterians set 2nd of discussions

The congregations of the First Presbyterian Church of Springfield and the Wyoming Presbyterian Church of Milburn will meet for their second evening of Lenten study and discussion on the theme of "Reconciliation," as described in the proposed Confession of 1967. On Wednesday evening at the Wyoming Church, the contemporary concern of "Reconciliation and Race" will be presented through the motion picture, "A Time for Burning." This film was produced by the Lutheran Church in America.

SPRINGFIELD (N.J.) LEADER-Thursday, Feb. 9, 1967-5

This remarkable film, which has received exceptionally fine reviews, has been fashioned out of the contemporary social ferment and church renewal and centers around the life of a Lutheran Church in a large Mid-Western city. Its young pastor and the agonizing moment of truth which every year the congregation must inexorably face through on-the-spot filming and reporting the impact of individual responsibility and involvement in moral and civic concerns is portrayed. The whole problem of race within this country is graphically seen and along with it the pain of men and women caught up in the dilemmas of their fears and hopes.

This Lenten program will begin at 8 p.m. in the Fellowship Hall of the Wyoming Church with Elder Earl W. Crier leading the worship.

Series of sermons slated by minister

The first Sunday in Lent will be observed on this Sunday with the Rev. James Dewart of the Springfield Emanuel Methodist Church, Main St. at Academy Green, Springfield, beginning a series of sermons on "Looking At the Cross," viewing the Crucifixion and its theological and practical significance through the eyes of persons who knew Jesus of Nazareth. The first sermon at the 9:30 and 11 a.m. services of divine worship, the early service being held in the Trivett Chapel, will be "The Risk of Loving" concerning the reaction of Mary, the mother of Jesus.

Persons attending the Chapel service were invited to remain for discussion and coffee in the Trivett Chapel.

"Words That Make a Difference" will be the sermon topic for the 9:30 a.m. German language service, with Emanuel Schwing preaching. At the same hour the Church School holds its session, with the Senior High and adult classes meeting in the Springfield Public Library and a nursery for young children in the Reeve Room of the Education Building.

Confirmation Class meets at 5 p.m. in the Junior High Room, followed by the Junior High Youth Fellowship at 6:30 p.m. The Senior High Youth will meet as usual at 7 p.m., but will remain for the lectures on "Religion and Contemporary Life" at 8 p.m.

The Board of Trustees will meet at 8 p.m. Monday, and the Women's Society of Christian Services at 11 a.m. Tuesday for business, program and sandwich lunch.

'Trivia Bowl' set by temple's youth

The Springfield United Synagogue Youth will join together with the Summit Chapter, United Synagogue Youth, in an interchapter "Trivia Bowl" to be held next Thursday at Temple Beth Ahm. Following the contest, there will be a dance.

The last meeting held Feb. 7 was a discussion on interfaith dating. Sandy Jacobs moderated a panel including Janice Jitton, Debbie Seagull, Renee Rockoff, Jeff Peskin, Mrs. Philip Meisel, Mrs. Harold Reisberg, and Mary Stiskin. After various views were presented by the panel, the audience joined in. "The meeting was a success because the kids were really interested and didn't hesitate to speak out," stated chairman Sandy Jacobs.

Miss Arenda honored

READING, Pa. - Arlene Ann Arenda was recently named to the first semester dean's list at Albright College in Reading, according to the roster released by Dr. Robert E. McBride, dean of the college. Miss Arenda, a sophomore German major at the college, is the daughter of Mr. and Mrs. Harold G. Arenda, 33 Bryant ave., Springfield.

Editorial Opinion

Roses red, violets blue, rental check is overdue

On Tuesday, all America will pause for a tender moment to pay tribute to Love, in its most romantic, sanitized form, on Valentine's Day. We will express our tribute in cards, lace-edged or dipped in poison ink, directed to Mom, Pop, brother, sister, aunt, uncle, teacher, second cousin, object of hidden passion and Secret Pen Pal.

While we are all just a little misty-eyed and choked up, there are a few possibilities the card manufacturers might

have overlooked in their literary efforts.

For example, there could well be a card for a bachelor's mother:

"The whole world of your beauty sings,
I'm happy to stay on your apron strings."

Along the same line, another card could declare:

"You're my best girl, I have no other."

I can't find one to please my Mother."

Perhaps designed for a wider market would be this tender sentiment, from husband to spouse:

"You are my Valentine, in the true-blue manner,
I'll write your praises on a great big banner.

Your charms are the sort to be contest prized,
You should be eternally pedestalized."

For the budget-minded younger lover, there is the following invitation:

"I love you, Darling, ever so much.
Please, let's go steady. Make it Dutch."

For the Secret Pen Pal, which is a racket deserving a few columns all by itself, we might try:

"I've worshipped you with all I've got
And trembled at a distance,
But close-up, you are not so hot.

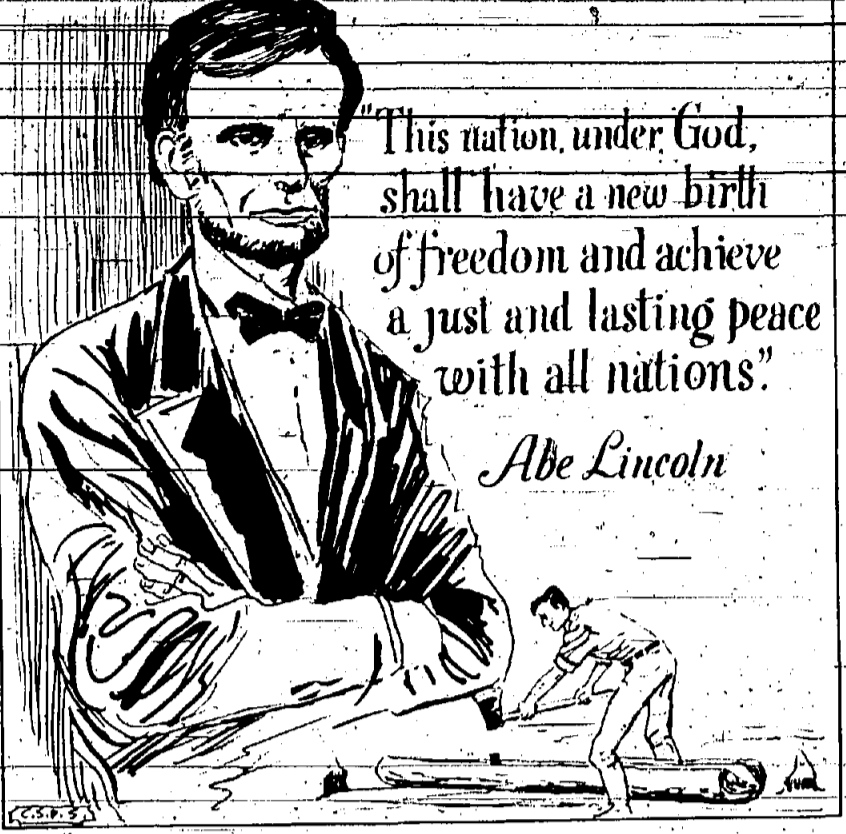

I've stepped up my resistance."
For the recent bridegroom, a message to his spouse might read:

"When the wedding bells rang,
Your praises I sang,
But you burn the toast
And the roast.

Your cake batter needs mixing
And your teeth still need fixing.

But you use all the televised potions
And notions and oceans of notions,
So whatever small flaws might remain,
We can cover and polish and stain.

For I am yours, and you are mine --
Your disillusioned Valentine."

Music programs should harmonize with a youngster's physical growth

This is the second of a series of columns written by members of the staff of Glassboro State College dealing with education. The following article was written by Dr. Edwin Avril, professor of music and Don Baghi, coordinator of college relations.

GLASSBORO — Remember Music appreciation class? Did you listen to scratchy, tinny 78s and memorize themes, titles and composers?

Did you do a little singing in the class? Or were you one of the monotones who had to sit in the back row and listen?

Music in the public schools is changing. What will school music programs be like in the future?

As more and more leisure time becomes the servant of millions, it is natural for us to be concerned about the use of that time. People are drawing a distinction between free-time and leisure-time, between "idling time" and making creative use of work and leisure-time.

Certainly there is a difference between relaxation and re-creation, as well as between differences between various levels of entertainment. Education must help the individual discover the differences.

Today our schools are doing their share to help students prepare for the millions of minutes of leisure time they will have when they are out of school. Schools are doing more than just teaching a few decades ago. Bands, orchestras, choruses, etc. are being taught during the school day by well prepared music educators. However, more can be done.

Small ensembles, especially in the high schools, could be formed. These could be used as a leisure-time activity in adult life and the ensembles would also improve the larger musical organizations. Jazz groups should be recognized as an important part of growing up. They should be encouraged, instead of being frowned upon. Such groups help students with improvisation and the development of creative imagination — both keys to the use of leisure time.

Federal Tax Facts

Officers serving with the armed forces in Vietnam do not have to pay Federal income taxes on the first \$500 of their monthly pay.

Joseph M. Shott, District Director of Internal Revenue for New Jersey, reports that this exclusion from taxation is retroactive to Jan. 1, 1966. The exclusion was formerly \$200 per month.

The income tax instruction booklet mailed to taxpayers in early January was printed before this change. It still lists the old \$200 monthly exclusion.

The combat pay of enlisted men serving in Vietnam and adjacent waters is entirely exempt from Federal taxation.

These same exclusions also apply to military pay received in the United States for periods that combat personnel are hospitalized as a result of service in Vietnam.

Letters to Editor

Letters to the editor must be submitted no later than Monday of the week they are to appear. They should not exceed 250 words in length and should be typed with double spacing (not in all capital letters, please). All letters must be signed. Writer's name will not be withheld if the letter is of political nature. This newspaper reserves the right to edit or reject any letter.

DEEDS, HIGH SCHOOL
In a recent editorial, you castigated Dayton Regional for not providing quality education for "our children." You stated that "we have seen the stars vanish from their eyes, the love of learning, dry up in their heads." Would it not have been sounder journalism to have given specific examples instead of emotional generalizations?

I have been in Dayton for 16 years. In that time I have seen our graduates go on to the best colleges and universities in our country and abroad. They have won honors and distinctions in all fields of endeavor. They have distinguished themselves in the armed forces. Stories and articles in your paper confirm this. Surely this is testimony that we have been and are still using "an improved fertilizer" to nurture your "delicate flowers."

ALEX KROPINICKI
42-A Linden Ave.

EARLY COPY

Publicity chairman urged to observe the Friday deadline for other than spot news. Include your name, address and phone number.

Music programs should harmonize with a youngster's physical growth

should offer something for everybody from nursery school through college. Students should grow musically as well as physically. Each student should have a chance to participate actively to develop whatever talents he may have.

Elementary schools in the 20s and 30s often had school orchestras which met once a week during "club time." Usually pupils had to take private lessons outside of school to play in the school orchestra.

Vocal activities were even less a part of the elementary school program. There was some singing in the kindergarten and in the first grade. After that, though, it was strictly the three Rs.

Today many elementary schools offer complete music programs. But more can be done. For example, singing and rhythmic activities in kindergarten and in the primary grades could be the basis of music reading, in addition to being used for social aims. Intermediate grades could use recorders and song flutes for learning musical notation and to prepare for the study of numerous instruments.

The ukulele, harmonica and melodica are valuable newcomers to the classroom music program. Class piano, accordion and organ instruction is another area virtually untapped. Music composed by children, to wit, poems or for simple instruments, has been proved possible in the past.

Not too long ago, school music was narrow and restrictive. It was not aimed at all students. In high school, theory and harmony were offered to the qualified and the talented. The subject matter was dry and unrelated to the "making" of music.

But today, ours is a changed world. The increase in sales of musical instruments and in home and community musical activities indicates that more people want to be players, rather than spectators, while they have leisure time.

Schools will have to take a good look at their music programs to see if they are keeping pace with the interests of their students in this field.

PROFILE---Adeline Pepper

By BEA SMITH
Springfield has a host of interesting personalities in its midst, and one needs only to delve into the community, do some inquiring and research to discover who they are and what they do.

Take Springfield's Adeline Pepper, for example. Miss Pepper, a blonde, intelligent, energetic, enthusiastic author, historian, archeologist, award-winning photographer, lecturer and amateur sculptor, has lived in the community for the past year and a half (and in New Jersey for the past 12 years).

Miss Pepper has written two books on New Jersey. One, is an official state guide, "Tours of New Jersey," upon invitation from Gov. Richard J. Hughes, who writes on a forward page in her book: "My most heartfelt thanks must go to Adeline Pepper, who accepted my invitation to write 'Tours of Historic New Jersey,' doing so at great personal sacrifice and without thought of material gain. We are richer by her scholarship. We welcome this important contribution to an understanding of our state."

She served as ghost writer for "A hospital manual put out by American College Hospitals. I was a senior writer for major pharmaceutical firms, and I now have my own advertising service."

"I have done alot of consumer advertising, too," she interested, interesting Miss Pepper said the other morning during a visit.

CONCERNING HER PHOTOGRAPHY

Miss Pepper explained that she has been able to sell some of her pictures of unusual historic sites to various magazines.

"I worked three years on my two books. A lot of careful research went into them, and when they were published, I awarded myself a trip to Europe. I went to Spain and to Portugal, to London and to Paris. I tried to get into the off-beat places there."

Miss Pepper stayed in Europe for two months. "And when I returned," she said, "I sold articles and photographs of my trip to various magazines."

A native of Wisconsin, Miss Pepper lived in New York City before coming to New Jersey. Actually, she has been a published writer since graduating with honors from the University of Wisconsin.

"I was a 'youthful' student," she said. "I sort of was shoved into writing. I even served as an editor of a New Jersey newspaper once."

Miss Pepper explained that she "got started in archeology, when my family had a cottage on a hushed Indian village in Wisconsin. I dug up all kinds of skeletons. They all finally were given to the head of a military academy. I don't have a single arrowhead left," she laughed.

"IF YOU START with a lot of interest early, you just assimilate information as the years go by. I was doing so much exploring in New Jersey that Davis S. Davies, head of the New Jersey Tercentenary Commission, showed a good deal of interest, in view of the fact that the commission was planning a New Jersey series. I am grateful to him for his help and to all the others who have guided and helped me along."

Actually, she said, "the book, 'Tours of Historic New Jersey' is the only guide to Jersey that provides 'instant history' and accurate background information of the places named."

"So much of the details of Jersey's history has disappeared, that it is like a detective search. It's much more fun," she declared, "to probe for it than just to read mystery stories. And that's the fascination of archeology, too."

Many of Miss Pepper's writings and illustrations have appeared in the New York Times, the New York Herald Tribune, the New Yorker, Frontiers, Ford Times, Suburbia Today and many other publications.

"My explorations of New Jersey, I have been able to explode some myths in some of the 'history,'" she said. "For example, James Allaire, the inventor who built Allaire Village down near Asbury Park, was described by present-day residents of Monmouth County as a bigamist."

"From what I had read of his life, I figured that he was in character. I located the Huguenot cemetery where he and his relatives are buried; and I found the tombstone of his first wife, which clearly proved that she had died before he married again. What had happened was that church records had been erroneously copied from the tombstone, and all amateur historians copied from the church records."

MISS PEPPER was a volunteer archeologist in Barstow, a pre-revolutionary village in South Jersey. "Years ago," she said, "a historian said that Barstow is an Indian word meaning 'bathing place.' And many amateur historians afterwards almost made this statement a fact. But not quite. I couldn't believe it, so I did a lot of checking. I found that it is from an almost identical Swedish word meaning 'hot water basin.' The Swedes, with the same baths, were among the earliest settlers around Barstow."

At the moment, Miss Pepper is extremely concerned about Sunfish Pond. "It was known to the Indians as Hidden Lake, an unspoiled glacial lake on Kittatinny Ridge about four miles from the Delaware Water Gap in 'Pah-querry' Township, Warren County. It is within the boundaries of the Delaware Water Gap National Recreation area. Miss Pepper says that the shore and surrounding area are covered with hardwood forest, and the famous Appalachian Trail, which runs 2,000 miles from Maine to Georgia, passes along one side of the lake. People come from all parts of the world to camp there."

According to a paper provided by Miss Pepper, the lake was part of the Worthington estate acquired by the state of New Jersey more than a decade ago for the purpose of outdoor recreation. In 1961, however, the state sold Sunfish Pond and 700 surrounding acres to a group of power companies as sites for two pumped-storage hydro-electric plants to use the storage capacity of Tocks Island Reservoir.

"The crystal clear water, she comments, will be replaced with whatever kind of water is flowing in the Delaware River; the lake will have no recreation value, and an unusual area for nature study will be lost forever."

"I have been working hard to save Sunfish Pond," Miss Pepper said. "But it sort of looks like a losing battle."

"THE POWER COMPANIES plan to pump it daily...about one to three feet a day. They will destroy fish life on Tocks Lake. People who wish to conserve it are getting together into the act. Perhaps there is a chance to save it. After all, it concerns all of New Jersey."

"I have put a lot of time into the Sunfish Pond fight," Miss Pepper said. "It's really a very crucial point right now. The National Park Service has already changed its mind about it."

"And I believe individuals in New Jersey should get busy to preserve what was once a beautiful state. The project really depends on everyone, everywhere in New Jersey. No one leader is going to do anything about it all by himself."

Miss Pepper, who "used to be an officer of the Summit College Club," is a member of the New Jersey Historical Society, the Authors League of America, the American Medical Writers Association and Theta Sigma Phi, honorary journalistic society.

"I am also a member of the Philadelphia Shell Club. I collect shells scientifically, and I've written on that, too."

Her future plans include writing more articles on her European trips and her trip to Colombia, where she took pictures of sites never photographed before.

"And right now," she said modestly, "I'm holding off doing a suggested children's book. But that's what the near future looks like...at this moment."

and has pursued other activities within the Church.

Msgr. Coyle was assigned as pastor of St. James Church in 1963. He has overseen the growth of St. James School and has been active in their Little League. He has assumed the following posts: moderator of the Rosary and Altar Society, moderator of the Mothers' Guild and chaplain of the Springfield Council, Knights of Columbus.

Papal honors were conferred upon Msgr. Coyle on Nov. 14, 1964. The investing in the robes of his new office of Monsignor took place at Sacred Heart Cathedral, Newark, December 20, 1964. The parishioners of St. James honored him on this occasion at a testimonial dinner at the Military Park Hotel on Feb. 20, 1965.

The announcement added:

"A natural outgrowth of Msgr. Coyle's interest in people is his interest in the community of Springfield. He has long been a proponent of fair housing as an integral part of the community. He has worked tirelessly on the Human Rights Commission and is always willing to participate in inter-faith programs. Msgr. Coyle has also worked with the blood bank.

"A warm-hearted, sincere man, Msgr. Coyle respects the opinions of all men and is willing to talk with all, regardless of creed or color. Several dignitaries will accompany Msgr. Coyle on the podium to underscore the tribute. Rabbi Reuben R. Levine of Temple Beth Ahim will be the keynote speaker.

State Sen. William F. Kelly, Jr., D-Hudson County, a long-time friend of Msgr. Coyle, will also speak. Mayor Arthur M. Falkin, a member of Springfield Lodge of B'nai B'rith, will also address the gathering. Introductions will be made by Saul Freeman, man's civic affairs chairman and by Mrs. Karp.

Preparations for the affair have been under the direction of Mrs. Donald Mantel, civic affairs chairman B'nai B'rith Women, and Saul Freeman, Temple Lodge chairman.

The following committee members assisted them: Mrs. Karp, Mrs. Wallace Galien, Mrs. Arthur Falkin, Mrs. Nathan Ostroff, Mrs. Sidney Piller, Mrs. Louis Spiegel, Mrs. Joseph Seidel, Mrs. Daving Weinstein, Township Committeeman Jay Bloom, Wallace Galien, Mayor Falkin, Kesselman, Stanley Crossman, Donald Mantel, Sidney Miller, Sam Piller, Sidney Piller, Louis Spiegel, Sol White and Joseph Zuckerberg.

Publicity chairmen are urged to observe the Friday deadline for other than spot news. Include your name, address and phone number.

Human Rights unit cites law on bias against race or age

The Springfield Advisory Committee on Human Rights this week issued a reminder that state law forbids discrimination on the basis of race or creed in the sale or rental of homes and apartments, as well as discrimination in employment on the basis of race, creed, age or liability for service in the armed forces. The statement was presented by Norman Banner, chairman of the local group.

The state regulations on employment declare, "While it is not required that an unqualified person be granted opportunity, it is nevertheless required that no qualified person be denied such opportunity because of race, creed, color, national origin, ancestry or age, or because of his liability for service in the armed forces of the United States. This determination demands a careful analyzing of all job candidates when applications are being accepted and interviewing is being done."

Homemaker

(Continued from page 1)

ner-up will be selected from the winners of all schools in the state, with the former receiving a \$1,500 college scholarship; her school will be given a complete set of Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The runner-up will be awarded a \$500 educational grant.

The Betty Crocker Homemaker of Tomorrow from this state, together with those from all other states and the District of Columbia, each accompanied by her school advisor, will join in an expense-paid educational tour of Colonial Williamsburg, Va., and Washington, D.C., next spring.

The national winner—the 1967 All-American Homemaker of Tomorrow will be chosen from the state winners on the basis of original test-score-plus-personal-observation-and-interviews during the tour. Her reward will be an increase in her scholarship to \$5,000. Second, third and fourth ranking national winners will have their original scholarship grants increased to \$4,000, \$3,000 and \$2,000 respectively.

This is the 13th year of the Betty Crocker search for the American Homemaker of Tomorrow, initiated in 1954-55 by General Mills to emphasize the importance of homemaking as a career. More than 5,000 senior girls have participated in the search since its inception, and 1,256 winners will have earned scholarships totaling \$1,371,500 at the conclusion of the current program.

The 581,334 girls and 14,753 schools registering for the 1967 search established a new record for the program.

Pro-employment inquires about the application's age are permitted only when they are:

1. Needed to maintain a bona fide occupational qualification;
2. Needed to maintain apprenticeship requirements based upon a reasonable minimum age;
3. Necessary to satisfy the provisions of either state or federal minimum age statutes;
4. Necessary so as not to interfere with the operation of the terms and conditions and administration of any bona fide retirement, pension, employee benefit or insurance plan or program.

The state regulations also declare, "Compliance with fair employment practices requires that each applicant for employment and each candidate for promotion be evaluated strictly on the basis of merit."

Further information and assistance in obtaining compliance with New Jersey laws against discrimination can be obtained from the N.J. Division on Civil Rights, 1100 Raymond Blvd., Newark. The telephone number is 648-2467.

Aid Squad

(Continued from page 1)

my first call. During those two weeks, I thought often of how much I did not know. I wondered if I could really be of help to anyone.

"My first patient was elderly and sick. A senior crew member and I made him as comfortable as possible in the ambulance and sat by him for the trip to Overlook. He touched my hand, looked at me and said, 'You're such a nice lady.'"

The squad added: "You can be a 'Nice lady' for gentleman. For information on how to help your neighbors, call DR. 6-0582."

Students at Dayton enrolled in course for weight training

Every Monday, Wednesday and Friday from 3:15 to 4:30 p.m., 30 young men assemble in the boys' gym at Jonathan Dayton Regional High School to take part in a system of weight training devised by the head football coach, James Horner. The weight training program is open to all boys and is designed to provide for the development of endurance, speed, strength and flexibility.

The program consists of four groups of boys, rotating every 15 minutes to work on a basic set of exercises at each of four stations. The basic weight lifting exercises consist of 12 workouts which include: front press, back press, curls, reverse curls, upright rowing, lateral raise, bench press, squats, toe risers, split squats, straddle hops and power lift. Each boy is shown the correct method and manner of performing each exercise, with the proper number of repetitions and sets being explained.

The principle of gradual progression from a relatively light weight to a heavy poundage, which is the basis of this weight program was first developed by the great Greek wrestler Milo of Croton, who won fame in ancient Olympic games and is considered the first weight lifter in recorded history. Milo's plan was simple. To strengthen himself for all-out wrestling contests that frequently ended in death for the vanquished, he practiced lifting a young bull and walking with it on his shoulders daily as it grew to full size.

Horner stated that the winter program will continue until the season is over. All boys trying out for spring sports will be excused to participate in track, baseball or tennis. New groups will be formed for the spring seasons.

The exercises in this program are designed to cover the basic muscle groups used by an athlete. In addition to the weight lifting, eight exercises using body weight are incorporated into the 15-minute, four-station workouts. They are: pull ups, push ups, sit ups with weights behind head, leg raises hanging from chinning bar, frog-hang hanging from chinning bar, dips using parallel bars, one-legged deep knee bends and hand stand against wall with push ups.

Other training activities which should be included on Tuesdays, Thursdays and Saturdays are: distance running, short dashes, running the stairs, rope jumping, Cossack dancing, crab walks, tumbling for body control, lateral splits, Carcosa drill and isometrics.

Coach Horner in stressing the importance of this program said: "Weight training can greatly improve your athletic ability. The increase in endurance, speed, strength, and flexibility brought about by a well-planned weight training program can make the difference between a good player and a great player; a winning team and a championship team. An athlete can put into competition or activity only what he is physically capable of putting into it."

Voting now rescheduled to take place on Feb. 21

(Continued from page 1)

of the Jonathan Dayton PTA (your candidate's) requesting improvements was dated December 1966. Kind of late, don't you think?

"Since I have touched upon attendance at board meetings, let's go a little further. The first confirmed record of my attendance at Regional Board of Education meetings was January, 1965. From that date through the present I have been a fairly regular attendant, which fact can be attested to by the present members of the board. When your candidate first expressed a desire to attend a meeting, an acquaintance of hers called me for directions. You see, meetings were held in Berkeley Heights at the time. It should also be noted that the Springfield Leader did not find it feasible to attend meetings so far from home base. The Elizabeth Daily Journal and other area papers were able to cover the meetings.

"I saw your candidate at one meeting at Berkeley Heights - at which time she said that her PTA would therefore be represented each month. I did not see her again (or her representative) until the board moved its meeting place to Springfield toward the end of this past year. Incidentally, that's when the Springfield Leader finally got around to reporting the Board's activities.

"I might also point out that when the budget for 1966-1967 was presented at a public hearing in December, 1965, I was the only person present from all six sending districts who did not have a direct or indirect connection with the preparation of the budget. I was there as an interested citizen. Where

was your candidate? For that matter, where was the Springfield Leader?

"If you or your candidate had attended only half the number of meetings at which I have been present, you and your candidate would have learned that the budget and the voting does not have to be loud; and does not require a campaign to belittle and harass sincere, unpaid, public-spirited citizens whose task become almost insurmountable by tactics that border on bullying and belligerence. You might also have learned, as did the Elizabeth Daily Journal, that I did not, and will not, remain mute at many of the board meetings. Would you care to know some of the questions I asked the board? Would you care to know some of the requests I have made? Ask Mr. Ward, president of the board, Ask Dr. Davis, superintendent of schools, Ask some of the teachers, and some of the students at Jonathan Dayton.

"The present members of the board? All fine gentlemen, with a sincere desire to serve their fellow citizens. I would like to join in service with them.

"Mr. Editor, if your editorial writer had read the article by Rinehart Potts - which you printed on the last page of the Leader - I feel confident that the tone and content of the editorial would have been different.

"A thought occurred to me. At the last meeting of your candidate's PTA, it was announced that Jonathan Dayton's faculty were members to the extent of 100 per cent. Wonderful! Did your candidate accomplish this? I did not hear any percentage announced for the membership of parents. How come? I thought your candidate's PTA was stronger than just the teacher membership. Or, perhaps the teachers were persuaded to join in such vast numbers.

"Incidentally, you stated that your candidate had the backing of her PTA. I'm a member of the JDRHS PTA, but I don't remember hearing her ask for my backing, nor have I offered it. Finally, Mr. Editor, your writer says...we face the need to choose among four candidates... Who are we? The editorial writers? The circulation department? The printer? Copy-writers? Matters? Switchboard operators? Are these the way I thought the voters of Springfield have to choose?"

In a post-script, he added:

"I realize full well that I have exceeded the limit of 250 words, but I hope you understand that there has been a lot to say, and certainly much more that I have left unsaid. Since you reserve the right to edit, I am reserving the right to request that I be consulted in the editing of this letter - that is, if you don't exercise your right to reject it."

Historical Society picks Mrs. Brown

Mrs. Eva Brown was elected president of the Springfield Historical Society at the business meeting held Jan. 31 at the Cannonball House.

Also elected were: Alan R. Cunningham, vice-president; Mrs. George Lancaster, recording secretary; Mrs. Robert Hardgrove, corresponding secretary; Catherine A. Slope, treasurer; and Donald B. Palmer, curator.

Elected as members of the executive council were: Richard E. Werner, immediate past president; Howard W. Wiseman, Howard F. Casselman, Augustus W. Smith, M. Jordan Price, Charles A. Heard and Henry C. McMullen.

After the business meeting Stewart C. Fulton of Springfield, spoke on "The Role of the Spencer Rifle in the Civil War". Fulton demonstrated several rare guns from his private collection and gave the audience many little-known historical facts concerning the Civil War.

Meetings planned for next Tuesday by women's groups

Two groups of the Springfield Woman's Club have scheduled meetings for next Tuesday.

A hat demonstration will be given for members of the American Home Department at a meeting to be held at 8:15 p.m. at the home of Mrs. Frank Madison of 98 Irwin st.

The Welfare Department will meet at the home of Mrs. John Brownlie of 98 New Dr. at 1 p.m. Members will make lap robes for patients at Runnells Hospital.

Virginia Evans of Brazil, an American Field Service exchange student now attending Jonathan Dayton Regional High School, will speak at an International Relations Department meeting in the near future. She is the guest of Mr. and Mrs. Paul Weisman of 6 S. Dorby rd. Cheryl Kaplan, a senior at Jonathan Dayton, will speak on her trip to Israel at a meeting to be held at 8 p.m. today at the home of Mrs. John Unterwald, 4 Layne ter.

Lecture series

(Continued from page 1)

at Newark State College, "Psychology and Moral Values"; and March 12, "Ecumenism on Trial." Dr. Eugene Smith, executive secretary of the United States for the World Council of Churches.

All the lectures will be open to the public without charge and will be non-sectarian in emphasis, according to the Rev. James Dewar, pastor of the Methodist Church. They have been planned in this manner so as to provide for an open forum on current issues in religion and life. A period of questions and discussion will follow each lecture.

'Doctor Zhivago' has appointment on two screens

The picture opened yesterday at the Millburn Theater in Millburn and the Hollywood Theater, East Orange.

WHICH RIGHTS Pasternak was given the Nobel Prize for literature following publication of his novel, "Doctor Zhivago," the event made newspaper headlines around the world.

The dramatic story of "Doctor Zhivago" is presented through many characters whose destinies are interwoven. They are portrayed by Geraldine Chaplin (Charlie Chaplin's daughter), Julie Christie, Tom Courtenay, Alec Guinness, Slobodan McKenna, Ralph Richardson, Omar Sharif as Yuri Zhivago, Rod Taylor and Rita Tushingham.

Director Lean, whose two previous films, "The Bridge on the River Kwai" and "Lawrence of Arabia" won between them practically every award in the book (including a total of 14 Oscars), accented for 62 major exterior sets and 55 interiors. He directed the panoramic motion picture from a screenplay by Robert Bolt, whose play, "A Man For All Seasons" was an international success, and who wrote the script for "Lawrence of Arabia."

Cinerama picture opens at Clairidge

Advance sales on "Cinerama's Russian Adventure" are heavy, according to Paul Petersen, managing director of the Clairidge Cinerama Theater in Montclair, where the film opened yesterday.

The picture provides an entertaining tour of Russia, which is part of the cultural exchange program. Bing Crosby hosts and narrates the Cinerama movie.

In addition to the regular schedule of 10 performances an extra show at 5 p.m. on Sundays has been added to meet the demand of seats. It was further announced by the management.

'Born Yesterday' at Mill is 'bright, fresh, current'

By WILLIAM H. BRUCKER "Born Yesterday" is presently on the boards at the Paper Mill Playhouse, is so brightly done that it is second fresh and current and could well have been born yesterday.

This is the 21st anniversary of its original production, and it can take its place among the major American comedies of our century. Garson Kanin, the playwright, illuminates here a particular way of life.

Harry has no qualms about influencing senators, giving his hip-to-lobbies, and being an all-around saboteur. He is in Washington with his lady friend Billie Dawn. She is his intellectual peer and in these post-chorus nine years with him she has been suffering from mental malnutrition.

Beautiful Janis Paige plays Billie broadly as a dame with a voice as flat as a computerized voice machine. She walks with the stealthy lunge of a healthy model.

Robert Strauss is as burly as any of the Harry Brooks who have appeared before him. He has a gravelly voice, gravely eyebrows and gray hair in his beard. But this rough exterior is washed away to reveal a true blue moment of innocence when, to help his dumb blonde with a definition of penitence, he squares his shoulders, keeps arms tightly at his side, heels together, and intones that a "penitence" is a body of land surrounded on three sides by water.

Robert Strauss is as burly as any of the Harry Brooks who have appeared before him. He has a gravelly voice, gravely eyebrows and gray hair in his beard. But this rough exterior is washed away to reveal a true blue moment of innocence when, to help his dumb blonde with a definition of penitence, he squares his shoulders, keeps arms tightly at his side, heels together, and intones that a "penitence" is a body of land surrounded on three sides by water.

'Georgy Girl' comedy continues at Ormont

"Georgy Girl," adult British comedy, starring Lynn Redgrave, Alan Bates, Charlotte Rampling and James Mason, began its eighth week at the Ormont Theater, East Orange, yesterday.

The Columbia Pictures release is based on a screenplay by Margaret Forster and Peter Nichols from a novel by Margaret Foster, and was directed by Silvio Narizzano.

Union diner, motel under new owner

Sidney Hubschman, former president of the Two Guys chain, has taken over operation of the Town and Campus Diner and motel lodge on Morris ave., Union, it was announced this week.

A spokesman for Hubschman said the former owners, Henry Coby and Robert Warner are no longer connected either with the diner or the motel operation. "We welcome the patronage of the entire community," the spokesman said.

Caine, MacLaine star in 'Gambit' at Regent

"Gambit," starring Michael Caine and Shirley MacLaine, who cavort in Hong Kong, came to the Regent Theater, Elizabeth, yesterday. The picture, filmed in color, has Herbert Lom, Roger C. Carmel and Arnold Ross in featured roles. It was directed by Ronald Neame.

The companion feature at the Regent is "Intimacy," starring Barry Sullivan and Joan Blackman.

Joint editorship of Catholic paper

COLLEGEVILLE, Minn. (UPI) -- Worship, a Catholic liturgical review published here, has named a Congregational minister and a Russian Orthodox archpriest as associate editors.

The appointees are Prof. Morton Davies, professor of the history of Christianity, Princeton University, and the Very Rev. Alexander Schmemmann, dean of St. Vladimir's Orthodox Theological Seminary, New York City.

Disney film at Ritz

"Follow Me, Boys!" Walt Disney's Americana story about a lovable small-town scoutmaster, starring Fred MacMurray, Vera Miles, Lillian Gish and Charles Ruggles, opened yesterday at the Ritz Theater, Elizabeth. Norman Tokar directed the comedy in color. The associate film at the Ritz is "Texican with Audie Murphy."

'Born Free' held at Art

"Born Free" motion picture, which was considered one of the 10 best pictures of 1966, continues for a second week at the Art Theater, Irvington Center. "The Ipcress File," starring Michael Caine, also continues at the Art.

Union College outgrows its name

The State Board of Education has approved the request of Union Junior College, Cranford, to change its title to Union College, effective Sept. 1.

Dr. Kenneth C. Mackay, UJC president, said the name change signifies no change in its status as a two-year institution or in its educational offerings.

"We will remain a two-year community college of the academic disciplines," as we have been for the past three decades," Dr. Mackay said. "This name change simply is in line with a nationwide trend, which recognizes that a two-year college can be an institution of higher learning in every sense of that phrase."

Dr. Mackay pointed out the word "Junior" in the college's title is often considered by the public and especially by high school students to indicate inferiority for something less than college, and in no way does it help to identify the institution.

The dropping of Junior from the title of two-year colleges is part of the nationwide effort to bring the two-year college into full membership in the family of higher education.

Dr. Mackay said, "We believe this is especially important in an institution such as ours, which specializes in transferring its graduates with advanced standing to more than 300 colleges and universities throughout the nation, and which offers only freshman and sophomore courses at the level of those in the university."

DR. MACKAY POINTED OUT that the name change emphasizes the college's location in Union County and its relationship with Union County in a new cooperative Tuition Aid Plan with the Board of Freeholders, which provides grants of \$480 annually to all Union County residents who are full-time students in the day session.

"We are making this change in response to sentiment in the community and among our students who realize, as we do, that junior in our title is often misunderstood and misinterpreted," Dr. Mackay said.

This will be the second name change in the 34-year history of Union Junior College. The institution was founded in 1933 as the Union County Junior College, offering classes in the evening in Abraham Clark High School, Roselle. It was founded with federal funds

provided under the Emergency Relief Administration—apparently the first direct federal aid to any institution of higher learning. Previously all federal funds were distributed through the state.

When federal funds ran out in 1936, the college became an independent, non-profit enterprise and changed its name to Union Junior College. In 1941, a day session was added, and a year later it moved into the Grand School in Cranford.

Union Junior College moved to a new 30-acre campus on the outskirts of suburban Cranford in 1959 and occupied a \$1 million classroom and library building. A campus center containing a gymnasium and theater was added in 1962. A \$1 million science building is now under construction and is scheduled for completion this spring, while the William Miller Sperry Observatory is more than 90 percent complete and will be ready for use later this month. The observatory—the first

in New Jersey—is a 24-inch Newtonga-Cassagranian-reflector-instrument, as well as a 10-inch refractor telescope.

Liberal arts, engineering, science, and business administration for 1,400 students about evenly divided between the day and evening sessions. It transfers about 85 percent of its graduates to four-year colleges and universities throughout the nation. UJC is accredited by the Middle States Association of Colleges and Secondary Schools and the State Board of Education, and is authorized toward the Associate in Arts (AA) degree.

tic program is held on Thursday afternoons when the YMCA bus picks up children to take them to the central building for swimming instruction.

The Junior high school boys and girls have classes in gymnastic routines on Monday evenings. In addition to improving their skills on the gymnastic apparatus, it helps to develop their bodies.

A Family Game Night is scheduled for the Y on Feb. 24, planned in keeping with the Y's attitude of "programs for the total family."

Further information about "Y" activities may be received by calling 687-5570.

Candy sale prizes awarded at dinner

Prizes were awarded to the winners of the annual Christmas candy sale at the 1967 Blue-Gold dinner held by Cub Scout Pack 73 in the St. James auditorium recently.

Leonard Dolan was presented the first prize; Robert Laurencelle, second; and Robert Potomski, third. Mrs. Betty Laurencelle, den mother of Den 1, received a trophy for the den with the highest sales average.

Cub Scout achievement awards were presented to Robert Laurencelle, Robert Potomski, John Laurencelle, Neal Parrone, Peter Parducci, Joseph DeMauro, Thomas Wintowski, Billy Murphy, John Grassie, Michael Thomas, Wayne Dostal, Matthew Polewka, Gregory Johnson and Joseph Corrigan.

Lion badges were awarded to Russell Corcoran, Frank Zarella and John Astlo. These three boys, along with Joseph Grabowy, were advanced to the Webelo Den.

The entertainment for the evening was a program by Sandora the Magician.

Adult-youth group plans Y programs

The Adult-Youth committee of the Five Points YMCA met last week to discuss various programs for members of the Y, Joseph Simons, program director, reported on the following classes:

Registration for the wrangler program for kindergartners through third grade had to be closed until the spring series due to the successful enrollment in the class. The 10-week series is held each Saturday morning from 9 to 11.

Baton classes for elementary girls are held every Thursday afternoon. A progressive aquatic program is held on Thursday afternoons when the YMCA bus picks up children to take them to the central building for swimming instruction.

The Junior high school boys and girls have classes in gymnastic routines on Monday evenings. In addition to improving their skills on the gymnastic apparatus, it helps to develop their bodies.

A Family Game Night is scheduled for the Y on Feb. 24, planned in keeping with the Y's attitude of "programs for the total family."

Area-Boy Scouts in Klondike Derby

The fourth annual Boy Scout "Klondike Derby" will be held Saturday at Surprise Lake in the Watchung Reservation, Walter G. Momm, northern district activities chairman, announced this week.

The Union and Springfield scouts will participate in a contest with Hiresden and Hillside troops for the "gold nuggets". Each patrol of eight boys has been busy constructing a Klondike sled to be used in this contest of scouting skills, from fire-building to signaling to first aid.

Eight local "Alaskan" towns have been located throughout the park area. Each scout will be asked to perform tasks which involve skill and timing against another patrol. Adult leaders will serve as "mayors" of these towns and supervise these contests.

Skeet, trap shoots set by County Park group

The 25th annual Union County Twenty-five Straight Club Shoot at Skeet and the 30th annual Union County Twenty-five Straight Club Shoot at Trap will be sponsored and conducted by the Union County Park Commission at the County Park Trap and Skeet Grounds, off Keanowick Blvd., Cranford, on Sunday beginning at 2 p.m.

Both contests are open to those shooters who had broken a string of 25 targets during 1966. There are 57 trap shooters and 65 skeet shooters eligible to participate in the shoot. The trap and skeet grounds are open to the public every Saturday and Sunday from 1 to 5 p.m. Shells of all gauges are available on the grounds.

Union College outgrows its name

The State Board of Education has approved the request of Union Junior College, Cranford, to change its title to Union College, effective Sept. 1.

Dr. Kenneth C. MacKay, UJC president, said the name change signifies no change in its status as a two-year institution or in its educational offerings.

"We will remain a two-year community college of the academic disciplines," he said. "We have been for the past three decades," Dr. MacKay said. "This name change simply is in line with a nationwide trend, which recognizes that a two-year college can be an institution of higher learning in every sense of that phrase."

Dr. MacKay pointed out the word "Junior" in the college's title is often considered by the public and especially by high school students to indicate inferiority "for something less than college" and in no way does it help to identify the institution.

The dropping of Junior from the title of two-year colleges is part of the nationwide effort to bring the two-year college into full membership in the family of higher education," Dr. MacKay said. "We believe this is especially important in an institution such as ours, which specializes in transferring its graduates with advanced standing to more than 300 colleges and universities throughout the nation, and which offers only freshman and sophomore courses at the level of those in the university."

DR. MACKAY POINTED out that the name change emphasizes the college's location in Union County and its relationship with Union County in a new cooperative Tuition Aid Plan with the Board of Freshholders, which provides grants of \$480 annually to all Union County residents who are full-time students in the day session.

"We are making this change in response to sentiment in the community and among our students, who realize, as we do, that Junior in our title is often misunderstood and misinterpreted," Dr. MacKay said.

This will be the second name change in the 34-year history of Union Junior College. The institution was founded in 1933 as the Union County Junior College, offering classes in the evening in Abraham Clark High School, Roselle. It was founded with federal funds

provided under the Emergency Relief Administration — apparently the first direct federal aid to any institution of higher learning. Previously all federal funds were distributed through the state.

When federal funds ran out in 1936, the college became an independent, non-profit enterprise.

Candy sale prizes awarded at dinner

Prizes were awarded to the winners of the annual Christmas candy sale at the 1967 Blue-Gold dinner held by Cub Scout Pack 73 in the St. James auditorium recently.

Leonard Dolan was presented the first prize; Robert Laurencelle, second; and Robert Potomski, third. Mrs. Betty Laurencelle, den mother of Den 4, received a trophy for the den with the highest sales average.

Cub Scout achievement awards were presented to Robert Laurencelle, Robert Potomski, John Laurencelle, Neal Patrone, Peter Parducci, Joseph DeMauro, Thomas Wisniewski, Billy Murray, John Grassie, Michael Thomas, Wayne Dostal, Matthew Polewka, Gregory Johnson and Joseph Corrigan.

Lion badges were awarded to Russell Corcoran, Frank Zarella and John Asilo. These three boys, along with Joseph Grabowy, were advanced to the Webelo Den.

The entertainment for the evening was a program by Sandorse the Magician.

and changed its name to Union Junior College. In 1941, a day session was added, and a year later it moved into the Grant School in Cranford.

Union Junior College moved to a new 30-acre campus on the outskirts of suburban Cranford in 1950 and occupied a \$1-million classroom and library building. A campus center containing a gymnasium and theater was added in 1962. A \$1-million science building is now under construction and is scheduled for completion this spring, while the William Miller Sperry Observatory is more than 90 percent complete and will be ready for use later this month. The observatory — the first

of a two-year campus — will contain New Jersey's largest telescope, a 24-inch Newtonian-Cassegrain reflector instrument, as well as a 40-inch refractor telescope.

Union Junior College provides majors in liberal arts, engineering, science, and business administration for 1,400 students about evenly divided between the day and evening sessions. It transfers about 85 percent of its graduates to four-year colleges and universities throughout the nation. UJC is accredited by the Middle States Association of Colleges and Secondary Schools and the State Board of Education, and is authorized to award the Associate in Arts (AA) degree.

Adult-youth group plans Y programs

The Adult-Youth committee of the Five Point YMCA met last week to discuss various programs for members of the Y Joseph Simon, program director, reported on the following classes:

Registration for the wrangler program for kindergartners through third grade had to be closed until the spring due to the successful enrollment in the class. The 10-week series is held each Saturday morning from 9-12.

Classes for elementary girls are held every Thursday afternoon. A progressive aquatic program is held on Thursday afternoons when the YMCA bus picks up children to take them to the central building for swimming instruction.

The Junior high school boys and girls have classes in gymnastic routines on Monday evenings. In addition to improving their skills on the gymnastic apparatus, it helps to develop their bodies.

A Family Game Night is scheduled for the Y on Feb. 24, planned in keeping with the theme of "programs for the total family unit."

Further information about "Y" activities may be received by calling 687-5570.

Area Boy Scouts in Klondike Derby

The fourth annual Boy Scout "Klondike Derby" will be held Saturday at Surprise Lake in Warren Township. Walter G. Memon, northern district activities chairman, announced this week that Union and Springfield scouts will participate in a contest with Elizabeth and Hillside troops for the "gold nuggets".

Each patrol of eight boys has been busy constructing a Klondike sled to be used in this contest of scouting skills, from fire-building to signaling to first aid.

Eight local "Alaskan" towns have been located throughout the park area. Each scout will be asked to perform tasks which involve skill and timing against another patrol. Adult leaders will serve as "mayors" of these towns and supervise these contests.

Scouts from nine troops in the Union-Springfield area are planning to attend this year's Klondike. They are from: Troop 64, Hamilton School; Troop 67, Banle Hill School; Troop 68, Connecticut Farms Presbyterian Church; Troop 69, St. Michael's Roman Catholic Church; Troop 70, Thomas Jefferson School; Troop 71, Union Lion's Club; Troop 72, Thomas Jefferson School; Troop 85, Holy Spirit Church; Troop 107, Connecticut Farms School; Troop 107, Connecticut Farms School, Union.

More than 250 boys and representatives of various explorer units are expected to earn their "Klondike '67" patch at the closing ceremony at 3:30 p.m. Parents and visitors have been invited to stop-by to see the contest in action.

Skeet, trap shoots set by County Park group

The 25th annual Union County Twenty-five Straight Club Shoot at Skeet and the 30th annual Union County Twenty-five Straight Club Shoot at Trap will be sponsored and conducted by the Union County Park Commission at the County Park Trap and Skeet grounds, Kentworth Blvd., Cranford, on Sunday beginning at 2 p.m.

Both contests are open to those shooters who had broken a string of 25 targets during 1966. There are 57 trap shooters and 65 skeet shooters eligible to participate in the shoot. The trap and skeet grounds are open to the public every Saturday and Sunday from 1 to 5 p.m. Sheets of all gauges are available on the grounds.

Dr. Pomeroy to be speaker at PTA Founders Day event

Dr. Wardell Pomeroy will be the speaker at a town-wide Founders Day meeting to be held by Parent-Teacher Associations of Springfield at 8 p.m. Feb. 16, with Jonathan Dayton Regional High School as the host school. Fifty presidents of the PTA-units, life members and educators will be honored at the program.

Dr. Pomeroy, whose topic will be "Sex Education in the School Curriculum," is engaged in psychotherapy and marriage counseling in New York City.

He is a member of the board of directors of Sex Information and Education Council of the U.S., served for 20 years with the Institute for Sex Research (Kinsey Institute in Indiana), and is co-author of several four-volume books published by the Kinsey Institute as well as author of "Pregnancy, Birth, Abortion and the Sex Offender."

Dr. Pomeroy has a Ph.D. degree in psychology from Columbia University in New York.

Capping ceremony for student nurses

Traditional candlelight and capping ceremonies for the Overlook Hospital School of Practical Nursing were held last Friday night at the Summit YMCA.

Forty-six student nurses marked this midpoint in their year's training in formal ceremonies by reciting the Florence Nightingale pledge. Now finished with their classroom-theory semester, they will begin service on the floors, rotating through the various departments of the hospital.

Gloria Antrim, RN, assistant director of nursing at Overlook, was the keynote speaker. Awards from the school's Alumnae Association were presented by Mrs. Lynn Spurrer, president, to Betty Sully for "Best in Theory" and Lucy Coscia for "Best in Practice."

Local ORT group will meet Tuesday

The Springfield Chapter of Women's American ORT (Organization for Rehabilitation through Training) will hold a combined board and general meeting Tuesday afternoon at 12:30 in Temple Beth Ahm, Springfield. Mrs. Jack H. Stiffelman, president, will conduct the meeting.

The program chairman, Mrs. Leonard Golden, announced that Mrs. Ira Copen of Newark, past Essex County chairman of the Women's division of the United Jewish Appeal, and president of the Essex County Chapter of the National Council of Jewish Women will speak on the United Jewish Appeal fund drive.

Mrs. Leslie Rosenbaum, Springfield chairman of "A Festival of Art" will present a progress report on plans being made for this event. Mrs. Mandel Weiss, hospitality chairman, announced that Springfield Chapter of Women's American ORT will celebrate its 12th birthday during the meeting. All members and friends were invited to attend.

Local group to sponsor Hillel Sabbath service

Tomorrow evening at 7:30, the B'nai B'rith Springfield Lodge is sponsoring evening services at the Rutgers B'nai B'rith Hillel Foundation. The address of the foundation is 341 George St., New Brunswick.

The guest speaker for the evening will be Yacov Sharon, son of the late Moshe Sharon, who was Israel's second Prime Minister. All members of the Lodge were urged to attend the service. Arthur Minzman, lodge Hillel chairman, and Arthur Kesselhaut, lodge president, arranged this program with Rabbi Julius Funk, who is the Rutgers-Douglas Hillel director.

Lutheran teeners set annual retreat

The Holy Cross Lutheran Church's youth fellowship, the Water League, will go this weekend to a YMCA camp in Pawling, N.Y., for the annual retreat.

The theme for the week-end is "Living Together as Christians" with skits, discussions, and original songs used to dramatize the theme. A program on "What's Wrong with Teen-Agers" will be led by the pastor, the Rev. K. J. Stumpf, followed by a teen-age panel on "What's Wrong with Adults." Civil rights, family life and dating, will also be topics under the general theme.

Counselors accompanying the group of over 20 high schoolers will include Mr. and Mrs. Stephen Hess, Janet Lissy, and Mrs. Gary Meier. Charles Dunleavy, Henry Freudenberger, Peggy Schubert and David Beno are the leaders responsible for organizing the weekend.

Dayton principal is selected for study mission to Russia

Robert F. LaVanture, principal of Jonathan Dayton Regional High School in Springfield, is one of 30 educators selected by the National Association of Secondary Schools to participate in a 21-day study mission to the Soviet Union and Eastern Europe from March 31 to April 20.

LaVanture, along with educators and principals from 20 states, will leave by plane from Washington, D.C., after a one-day briefing session at the Capitol. The schedule for the trip is: Copenhagen, Denmark, from March 31 to April 1; Moscow, Russia, from April 2 to 5; Bucharest, Rumania, from April 6 to 8; Budapest, Hungary, from April 9 to 12; Belgrade, Yugoslavia, from April 13 to 16; and London, England, from April 17 to 19.

LaVanture is past president of the New Jersey Association of Secondary School Administrators. He is at present one of four members of the scholarship board of the National Association of Secondary School Principals, who have the task of awarding \$159,000 worth of National-Honor Society scholarships throughout the United States this year as a result of the competitive-examinations held annually.

LaVanture is completing his fifth year as principal of the Dayton school. His total service as a teacher and administrator includes five years as social studies teacher at Blair Academy after graduation from Dickinson College in Carlisle, Pa.; eight years at Morris-town High School in the capacity of social studies teacher and coach of track, basketball, and football; three years as principal of the George Washington School in Morris-town; and 10 years as principal of Springfield High School before coming to Springfield.

He also served as president of administrators and registration at the University College of Rutgers in Newark for two years. During the second World War, he was commissioned a lieutenant senior grade and served for three years as classification officer of the Bureau of Naval Personnel. He is married to the former Lois H. Suidam. Daughters Suzi and Cheryl are a graduate nurse and senior at Vermont College, respectively.

B'nai B'rith group has indoctrination

The Springfield Men's Lodge of B'nai B'rith recently held an indoctrination meeting for new members at the home of Arthur Kesselhaut, president. The 17 new members who attended were Sol White, Al Goldman, Joseph Segal, Herbert Meisel, Irving Rosen, Milton Koplick, Howard Guss, Cantor Irving Kramerman, Joseph Winback, Al Needleman, Stanley Katsch and Edward Segal.

The faculty consisted of Kesselhaut, the two vice-presidents, Samuel Miller and Louis Spigel; the indoctrination chairman, Sydney Miller; and the ADL, chairman, Irving Merkin. Each participant was requested to state what he felt was the most pressing problem facing the Jew as an individual and as a group. It was interesting to find that every problem mentioned was being dealt with by one or more of the many programs or committees in the B'nai B'rith table of organization, a spokesman stated.

January weather termed dry, warm

Rainfall was down somewhat and the temperature was up during January, according to figures released by the Commonwealth Water Company's Canoe Brook Weather Station in Short Hills. The rains came only to the extent of 1.49 inches, as compared to the 30-year average of 3.40 inches for January.

The average temperature last month was 32.3 degrees, well above the 20-year average of 27.9 degrees for January. The mercury dropped to 5 degrees on Jan. 19 and rose to 58 degrees on Jan. 23.

State exhibition to open at Summit Art Center

The annual New Jersey State Exhibition opens Sunday at the Summit Art Center, 17 Cedar St., Summit. The show features paintings and sculpture by New Jersey artists. Judges for the event are Karl Schrag, painter, of New York City; Carl Burger, painter, of Calicut; and Dave Jones, sculptor, of Newark State College, Union.

Prizes for oil paintings are \$100, \$50 and \$25. In water color and mixed media prizes are \$100, \$50 and \$25. Graphic prizes are \$50 and \$25. Best sculpture receives \$50 and \$25. The opening reception and presentation of awards will be held Sunday from 3 to 6 p.m. Thereafter the show will be held weekdays mornings and weekend afternoons through Feb. 26.

5 PTA members attend county event

Five representatives of the James Caldwell School Parent-Teacher Association in Springfield attended the 50th anniversary dinner held by the Union County Council of PTAs at Newark State College recently in observance of Founder's Day.

Phil Sheridan, Philadelphia radio personality, was guest speaker, and the Union County PTA Chorus under the direction of Adan Lewis provided music.

James Caldwell PTA was represented at the program by Mrs. Elizabeth Powers, principal; Mrs. Stanley M. Kroeger, president; Mrs. Joseph R. Knowles, vice-president; Fred Nattali, treasurer, and Mrs. John Dysart, pres-school chairman.

At an executive board meeting held by Caldwell PTA last week, plans were discussed for a spring fashion show on April 4. Mrs. Walter Hagerly, budget and finance chairman, will be in charge.

The Caldwell PTA was host to the PTA Council of Springfield at another recent meeting in the school.

Motor post to Dawkins

FRANK DAWKINS, Peter Liebman, president of Douglas Motors Corp., 430 Morris Ave., Summit, has announced the appointment of Frank Dawkins as general sales manager.

Having been in the auto business for seven years, Dawkins was the 1965 winner of the "Outstanding Volkswagen Sales Manager Award."

Dawkins and his wife Sandra reside in Chatham. He is originally from Cherry Hill.

EARLY COPY Publicity chairmen are urged to observe the Friday deadline for other than spot news.

White Tuna	FINAST BRAND IN OIL	3 1/2 lb. 1.95		
Tomato Juice	SPICED TOMATO JUICE	6 1/2 lb. 1.95		

Cheaper in the long run.

Gas will never cost you much. You'll get about 27 miles to the gallon!

And the amount of oil you use is like a drop in the bucket. It only takes 27 quarts and almost never needs more between changes!

And the engine is air-cooled, so you don't have to spend a red cent for anti-freeze or rust inhibitors.

And you get more than your money's worth out of a set of tires (around 40,000 miles).

But don't think buying a new Volkswagen is just another go-rich-quick scheme. You have to wait until the second set of tires wear out!

Firm rents swim pools

A rent-a-pool plan will be put into effect this year by Sylvan Pools, Inc., Pa., with local offices at 252 Mountain Ave., Springfield. The plan is designed to provide communities, motels, hotels, summer camps, and homeowners with swimming facilities at reasonable costs, a Sylvan spokesman said.

Pools come in sizes ranging from 16 by 32 feet to 20 by 40 feet. Depths range from three to seven feet. Pools are erected before the season begins and are removed and stored away when the summer ends. Pool rental includes filter, automatic chlorinator, surface skimmers, cleaning equipment, fencing, lockable gate and walkways. All pools are insured.

Robert S. Lynch is wed Jan. 28 in Northport church

Miss Carolyn Marilyn Jennings, daughter of Mr. and Mrs. Harvey L. Jennings of Northport, N.Y., was married Jan. 28 to Robert Stephen Lynch, son of Mr. and Mrs. Leslie Lynch of 461 Thoreau ter., Union. The Rev. James S. Watson officiated at the 2 p.m. double-ring ceremony in First Presbyterian Church, Northport. A reception followed in the church parlor.

Second child to Nicols

A nine-pound, nine-and-a-half-ounce son, Scott Thomas Nicol, was born Jan. 23, 1967, in Bayonne Hospital and Dispensary, Bayonne, to Mr. and Mrs. Thomas J. Nicol of 5 Second st., Avenel. He joins a sister, Sandy Sue, 1 1/2. Mrs. Nicol is the former Carol Genert, daughter of Mr. and Mrs. Andrew Genert of Union.

CARPENTERS ATTENTION! Sell yourself to 35,000 millies with a low-cost West Ad. Call 684-7700.

Carol A. Stumm becomes bride of William F. Haines Saturday

Miss Carol Ann Stumm, daughter of Mr. and Mrs. George K. Stumm of South Plainfield, was married Saturday afternoon in a double ring ceremony to William F. Haines, son of Mrs. Edna Haines of 2558 Audrey ter., Union, and the late Mr. David Haines. The Rev. David Haines of Emerson, brother of the groom, performed the 4 p.m. ceremony in Clinton Hill Baptist Church in Union. Rev. John Flannel said the wedding prayer. A rehearsal party was given by the bride's parents in their home.

Miss Margaret Ann Askew of South Plainfield served as maid of honor. Bridesmaids were Mrs. Karen Stagg of Edison and Miss Janis Eichenlaub of Union. Miss Ann Marie Conklin of Edison served as a junior bridesmaid.

David Stagg Jr. of Edison served as best man. Ushers were Albert Ulrich of Irvington and Robert Capresto of Hazlet. Jimmy Scamorza of Iselin, cousin of the bride, was a junior usher.

Mrs. Haines, who was graduated from South Plainfield High School, is employed as a clerk typist in the employment department of Public Service Coordinated Transport in the General Office Building in Maplewood.

Her husband, who attended Boys' Vocational and Technical School in Irvington, served three years with the United States Army in Germany, and is employed by Hyatt Roller Bearing, Division of General Motors in Clark.

Following a honeymoon trip to the Poconos, the couple will reside in Edison.

MRS. WILLIAM F. HAINES

Golden Rule included in Hillel cornerstone

ST. LOUIS (UPI) -- Rabbi Joseph Modell used a money-penny to copy the original version of the Golden Rule on parchment for the cornerstone of the new \$500,000 Hillel House to serve Washington University students.

Attributed to the ancient Hebrew scholar Hillel in about 40 B.C., the Golden Rule reads: "That Which is Hateful Unto Thee, Do Not Do Unto Thy Neighbor."

EMPLOYERS read our West Ad. when hiring employees. Bring yourself for only \$2.00! Call 684-7700, daily 9 to 5:00.

Engagement is told of Margaret Ehasz

Mr. and Mrs. Frank Ehasz of 980 Arnot ave., Union, have announced the engagement of their daughter, Margaret F. Ehasz, to Nicholas Barra, son of Zigmund Barra of Garfield, and the late Mr. Barra.

The prospective bride, who was graduated from Rutgers University, Newark, where she received a B.A. degree in business administration, is employed as an interviewer for New Jersey State Employment Service, Elizabeth.

Her fiancé, who received a B.S. degree in business administration from Fairleigh Dickinson University, Rutherford, is attending Fairleigh Dickinson, where he is employed by the New Jersey State Employment Service as a supervisor of the Training Unit in the Paterson Youth Opportunity Center.

A July wedding is planned.

Hebrew School PTA to hold presentation

Mrs. William Cohen, of 690 Winchester ave., Union, president of the Parent-Teacher Association of the Hebrew School of Congregation Ahavath Achim Bikur Cholim, Irvington, has announced that the Tablets purchased by the PTA for the use of the Junior Congregation will be presented to them on Saturday. They will be received on behalf of the Junior Congregation by Susan Nishpan of Union and Marcia Spitzer, co-presidents.

A luncheon, prepared by the PTA, will follow the service and presentation.

Robert Lakeland is wed Saturday to airline hostess

Miss Kathleen Margaret Bergen, daughter of Mrs. Edgar W. Bergen of East Orange, and the late Mr. Bergen, was married Saturday to Robert Joseph Lakeland, son of Mrs. Marie Lakeland of Portsmouth way, Union, formerly of Irvington, and Mr. Russell Lakeland of Elizabeth.

The Rev. David Ernst performed the nuptial mass in Our Lady Help of Christians Church, East Orange. A reception followed at the Carriage Trade in East Orange.

The bride was escorted by her uncle, Edward A. Baboosh, Miss Eileen Elizabeth Bergen served as maid of honor for her sister. Bridesmaids were Miss Barbara Ann Saul, Miss Sheila Ann Hedderton and Mrs. Robert Neel.

Raymond Walter served as best man. Ushers were James Salvaggio, Eugene Sudzanski and Robert Neel.

Mrs. Lakeland, who was graduated from Our Lady of the Valley High School, is a stewardess for American Air Lines, based out of Newark. She is a member of the Junior Women's Club of East Orange.

Her husband, who was graduated from Irvington High School, attended Kansas State University and is employed by the Austin Company of Roselle Park. He is presently attending Union Junior College.

Following a honeymoon trip to Rome and London, the couple will reside in Elizabeth.

Lois Caprio weds Mr. Wittevrongel Sunday afternoon

Holy Spirit Catholic Church, Union, was the setting Sunday afternoon for the marriage of Miss Lois J. Caprio, daughter of Mr. and Mrs. Angelo M. Caprio of 1070 Cranbrook rd., Union, to Raymond Wittevrongel Jr. of 360 Sycamore dr., Union, son of Mrs. Leonard Sigler of Verona and Mr. Raymond Wittevrongel of Newark. The Rev. Leonard Smolen officiated at the 4 p.m. ceremony. A reception followed at the Town and Campus Restaurant.

Mrs. Anthony Vivaldi of Union served as matron of honor. Bridesmaids were Miss Joanne Czaplinski of Union and Miss Mary Jo Caprio of Union.

Joseph P. Morpokian of Summit served as best man. Ushers were Richard Middleton of Union and Ronald Phillips of Scotch Plains.

Both the bride and groom were graduated from Union High School. Mrs. Wittevrongel, who also graduated from Wilfred Beauty School, is employed by Norma's Salon of Beauty, Springfield.

Her husband is in the U.S. Army, stationed in Germany. Following a one-week honeymoon in Canada, the couple will reside in Germany.

Unity unit planning projects for spring

A special meeting was held by American Legion, Auxiliary Unity Unit 229 of Roselle recently to plan spring activities. Mrs. Gerald Bigger and Mrs. Victor Arneo were appointed chairmen for the annual Men's night meeting to be held Tuesday.

A corned beef and cabbage dinner has been planned for March 18 at the Post Home. Mrs. Edward Honour, general chairman, announced that this affair would be sponsored by the Post and Auxiliary.

April 21 and 22 are the dates selected for the second annual rummage sale to be held by the unit. Mrs. William Seiders will be chairman of the sale. Mrs. Gordon Pugee said that arrangements for the annual spring card party have not yet been completed.

Son is born to Shevlins

A seven-pound, three-ounce son, John Joseph Shevlin Jr., was born Jan. 13, 1967, in Overlook Hospital, Summit, to Mr. and Mrs. John Shevlin of 1390 Mark st., Union. He joins a sister, Laura Lynn, 3-1/2. Mrs. Shevlin is the former Betty Dlugosz of Union.

MRS. ROBERT J. EARLEY

Gail Kymer weds Robert Earley in church ceremony

The marriage of Miss Gail A. Kymer, daughter of Mr. and Mrs. Lawrence Kymer of 234 S. Springfield ave., Springfield, to Robert J. Earley, son of Mr. and Mrs. Robert A. Earley of Chicago, Ill., took place Saturday in St. Rose of Lima Roman Catholic Church, Short Hills. Rev. Raymond McKee officiated at the ceremony. A reception followed at Blue Shutter Inn, Union.

Given in marriage by her father, the bride had her sister, Mrs. Barbara K. Park, as her matron of honor. John Brown served as best man.

A graduate of Johns Hopkins Hospital School of Nursing, the bride is a staff nurse at Georgetown University Hospital, Washington, D. C. Her husband graduated from Loyola University, Chicago and is presently in the U. S. Army studying at the Institute of Modern Languages, Washington, D. C.

The couple will reside in Arlington, Va.

Alison Lesnik becomes bride of Donald J. Weiss on Sunday

Miss Alison Anne Lesnik, daughter of Mr. and Mrs. Harry Lesnik of West Orange, was married Sunday to Donald Justus Weiss, son of Mr. and Mrs. Morton Weiss of 130 Irwin st., Springfield.

Rabbi Reuben R. Levine officiated at the ceremony in Temple Beth Ahm. A reception followed at the Chanticleer in Millburn.

Harriet Bodenstein of West Caldwell was maid of honor, and Mrs. Gerald Katz of Kent, Ohio, was matron of honor. June V. Frishman of Long Beach, N. Y., Lynn Goldman of Moorestown and Amy Weiss of Springfield, sister of the groom, were bridesmaids.

The best man was Kenneth Weiss of Springfield, brother of the groom, and the ushers

were Ronald Seitel of Springfield, Stephen Bender of Old Bridge, Alan Chastet of Ponds, Mark Friedman of Springfield and William Kaufman of West Hartford, Conn. Carol Jabos of Union, a cousin of the bride, was flower girl.

Following a honeymoon trip to Acapulco and Mexico City, the couple will live in Roslyn, L. I., N. Y.

The bride is a graduate of West Orange High School and Harcum Junior College. The bridegroom, who was graduated from Jonathan Dayton Regional High School, Cornell University and Columbia University Graduate School of Business Administration, is employed by Hazeltine Corp.

Regina Sonowski wed on Saturday to Seymour Kahn

MRS. SEYMOUR KAHN

Miss Regina Sonowski, daughter of Mr. and Mrs. Walter Sonowski of 14 Egon pl., Springfield, became the bride Saturday of Seymour Kahn, son of Mrs. Henry Kahn of East Orange and the late Mr. Kahn. The Rev. Edward Oehling officiated at St. James Church, Springfield. A reception followed at the Stratlight Terrace of the Essex House, Newark.

Mrs. A. Ronald Sorvino of Springfield was matron of honor for her sister, Noel Sorvino was junior bridesmaid, and Heidi Sorvino was flower girl.

John Sonowski, twin brother of the bride, was best man. Ushers were Dr. A. Ronald Sorvino of Springfield and Arnold Kahn, also of Springfield, brother of the groom.

Mrs. Kahn is an alumna of the College of St. Elizabeth and holds a master's degree from Seton Hall University. She is a guidance counselor at Woodbridge High School.

Her husband is a graduate of Rutgers University. He is an internal revenue agent with the Treasury Department in Newark.

After a wedding trip to the Virgin Islands and Puerto Rico, the couple will reside in West Orange.

MRS. DONALD J. WEISS

Jewish women

Tournament time begins for Dayton varsity

Basketball squad splits last two regular games

By MYRON MEISEL

The Jonathan Dayton Regional High School basketball team completed its regularly-scheduled season last week, losing to Watchung Conference champion Rahway High School, 78-69, and defeating Cranford High School for the second time in two weeks, 71-54. Dayton finished in third place in the Watchung Conference, just behind the first-place winners, Rahway and Scotch Plains.

The Bulldogs now move on to the Union County Tournament and State Tournament. The county tournament game against Roselle Park High School at Westfield, snowed out on Tuesday was slated for last night. State competition begins against Long Branch High School during the week of the 20th. The final season record of the Bulldogs is 13-6: Watchung Conference, 9-5, for 684 and 643, respectively.

Against Rahway the Bulldogs played their finest game of the season, particularly in the first half. RICHIE Campbell, Steve Hirschorn, and Gary Kurtz were valuable, but it was Mike Lester who made the Bulldogs move.

It was one of the fastest games of the season. Both teams for the entire first half tried to out-fast-break the other. There were a lot of fast breaks, and even more steals, with the finest defense seen throughout the entire season for Watchung Conference play. The pace was breathless, and for a long while it looked as if Dayton just might come out on top. But in the third quarter play slowed down, and Rahway, up by seven, 45-38, with 6:00 used that to advantage. Lester was the key to the offense, which as far as it went was good. By the fourth quarter, Rahway had the momentum, and Wilks, who is a superb dribbler, led a very effective offense.

CRANFORD, who last time provided a genuine cliff-hanger that was only decided in

double overtime, gave the Bulldogs another tough contest. Dayton jumped out into an early lead, and was up by seven at the quarter, but a Cougar drive placed the Bulldogs down by three at the half.

In the fourth quarter, the Bulldogs really let loose with firepower. The Cougars, in an all-out effort to stop Lester and Hirschorn, double-teamed them both, leaving Kurtz and Joe Buccini wide open. Buccini, hurt until recently, finally regained his stride, scoring high with 21 points. Kurtz had a high percentage and came out just behind with 18. Together the two men righted three bad quarters for the Bulldogs and engineered the 71-54 triumph.

The state tournament has yet to have its dates set, but the drawing is completed. The Bulldogs will face Long Branch High School of the Shore Conference in the first heat. Long Branch finished midway toward the bottom of their conference. They recorded, at this writing, an 8-3 mark, including two victories over Red Bank two losses apiece to Asbury Park and Neptune, and split two with Brick Township.

For a change, the Bulldogs will not be faced with a taller team. The tallest man for Long Branch being Nick Poma, 6-7. The top scorer is Bill Bentley-Odom, who has scored up to 25 points a contest. Long Branch appears to be specially weak on defense, concentrating their energy into an all-out offensive attack, based on a quick-moving passing and running game.

Should Dayton defeat Long Branch, in all likelihood the Bulldogs will meet Lakewood High School, the champion of the Shore Conference. Lakewood is a team that depends a great deal on its height, having two 6-5 men.

DAYTON VARSITY — The varsity basketball team of Jonathan Dayton Regional High School, now nearing the end of its season, has compiled a best record of a Dayton quintet in the past several years. Shown from left are, front row, Jon Schoch, Joe Buccini, Mike Lester, Gary Kurtz, Rich Campbell; rear, Bryan Sheehan, Cliff York, Allen Todres, Bob Belliveau, Bob Gardian, Bill Apper, Will Rutz, Don Cumberly, Bill Murphy, Steve Hirschorn, Tony Gromek and Coach Ray Yancuba. (Staff Photo)

JV team wins in initial round of tourney play

The Jonathan Dayton Regional High School junior varsity basketball team won its first round game of the Union County tournament last Monday, defeating St. Patrick's High School 51-25.

In other JV action last week, the Bulldogs completed their scheduled season with a victory over top-rated Rahway and a loss to Cranford high school, in the next round of the JV-UCT. The Bulldogs, eighth-seeded, face first ranked Abraham Clark High School of Roselle. The game is scheduled for Saturday, with time and place not yet set at this writing, although Westfield, and maybe Kenilworth, are the probable locations.

Competing in the Jefferson gym in Elizabeth, the Bulldogs made short work of St. Patrick's, whose varsity counterparts are first-seeded in their own UCT. Dayton led 32-8 at the half, and the second half was no closer. St. Patrick's was further plagued by the loss of some of their top men to the varsity. Ralph Losano paced the Bulldogs with 21 points, followed by David Margulies with 11 and Alan Garawitz with nine. Denny Lester played a terrific game from the floor.

Rahway's JV, considered one of the best in the Watchung Conference, took a severe beating from a well-coordinated Bulldog squad, 60-48. Dayton led for the entire contest, sparked by Losano's 27 points, and bolstered by the shooting of Margulies, Garawitz, and Lester, all of whom hit double figures. The widest margin was 19, at 3:00 of the third quarter. Cranford made a poor finale for a fine JV team. Ahead for much of the contest, the Bulldogs lost in the final quarter, 59-50.

Roselle, the next opponent of the Bulldogs, beat them once before during the regular season, by only five points. It will take all that the Bulldogs can muster, but they certainly are in contention for both this game and the title. Dayton's JV's are much better than their record of 10-8 would indicate. They play has been erratic throughout the season, but with a strong final push they can upset Roselle and possibly even win the Union County championship.

Triple tie for lead reflects close race in Sandmeier play

The Tigers, Comets and Rockets continue to dominate play in the Sandmeier Small-Fry League. Last Saturday the three teams won their games to remain tied for first place with records of 4 victories against 1 loss. This league for 9 and 10-year-olds meets each Saturday afternoon at the Thelma Sandmeier School, as part of the Recreation Department's youth basketball program.

The Tigers, still smarting over their defeat the previous week, rolled over the Raiders last week by the score of 24 to 0. The Tigers showed powerful offense and a tight defense in producing this one-sided victory. Bobby Lee of the Tigers hit 14 points to establish a one-game scoring mark for the 1967 season in this small-Fry League. Leon Kowitz and Mike Nebert tallied four points each for the Tigers. Billy Newton with a pair of free throws completed the scoring. Mike Klarfeld and Mike Tubikan were the top performers for the Raiders.

Bowling Highlights

Three teams were tied for first place in Springfield-Skitters at Springfield Bowl. They were the Pin Misers, Spare Ribs and Five Spots, all at 33-24.

Top scorers were Helen Cannon, 182; Jimmy Banner, 179; Helen Baldwin, 178; Jean Esposto, 156-156-167; Jeanne Keyworth, 166; Madeline Roth, 164-161; Verna Anderson, 163; Marge Gultman, 150; Adele Colandrea, 156; Ruth Wood, 155; Pearl Shimshock, 154; Jackie Glassen, 153.

TOP TEAMS in Temple Beth Ahm Sisterhood League at Hy-Way Bowl were Silverstein, 33-9; Blum, 28-5-13-5; and Lyster, 28-14.

Leading ladies were Marilyn Lipton, 190-553; Myrna Wasserman, 164; Tillie Rockoff, 152; Doty Weinberg, 157-406; Babe Greer, 142; Matty Heller, 168-489; Bernice Wyman, 182-471; Arlene Rein, 157-441; Vickie Kavberg, 164; Audrey Cole, 154-408; Judy Mayer, 174-429; Shirley Kurtz, 160-447; Shelley Wolfe, 178-460; Diane Blum, 165-422; Frieda Pedloff, 158-403; Irene Geller, 154; Lois Kalah, 420; Joanne Silverstein, 153-419; Bernice Kurtzer, 187-510.

Hurricanes ahead by smaller margin in Thursday action

The Hurricanes continue to cling to their lead in the Thursday Afternoon Boys' Bowling League, although the Rockets are fast closing the gap. Two weeks ago, the Hurricanes held a five-game lead in this Recreation Department-sponsored boys' league. After last week's activity, the lead had dropped to two games, as the Rockets are charging. The boys roll at the Springfield Bowl.

In a feature match last week, the Hurricanes could manage only a split of two games with the roller-shelling Bombers. The Bombers received sensational bowling from Pete Denner to pull the upset. Pete rolled a high 286 series. Craig Nowinski of the Hurricanes paced both teams as he rolled a 290 series.

WHILE THE HURRICANES were splitting a series, the Rockets swept their series from the Raiders to bring them within two games of the league's top rung. Bobby Nordone paced the Rockets with a terrific 312 series. This was Bob's finest bowling of the season as he continues to improve at the lanes with each week. Marc Hollander with a 271 series was also effective for the Rockets. Top bowler on the Raider score sheet was Mike Denner. Mike rolled a 251 series for the two games.

Cranford, Madison outscore Regional's varsity wrestlers

The Jonathan Dayton Regional High School wrestling team lost two contests last week, bringing its record to 4-7. The losses were to Cranford High School, 41-8, and Madison High School, 41-5. The Bulldogs completed their season yesterday in a match at Governor Livingston Regional High School of Berkeley Heights.

Bill Lies at 130, one of the top wrestlers on the squad, recorded one of the two individual victories at Cranford, joining Dave Pierson at 106. The other points of the Bulldog score were earned by junior Bruce Borus, who tied in his first varsity match of the season. Borus was filling in for Howard Goldhammer, out with an injury.

Madison far outclassed the Bulldogs, Dayton was witness until the final bout, when heavyweight Greg Baskin pinned his opponent.

Other Dayton wrestlers at Cranford: 115, Jon Brem; 136, Stu Cohen; 141, Gary Haydu; 147, Ed Camaleri (returning after a fine season last year); 156, Howard Rubinstein; 167, Al

THE SWINGERS led with a record of 31-20 in St. James Rosarinas 'at 4 Seasons, Next teams were the Try Hards, 29-22, and Toppers, 28-23. Sweeps went to the Rinky Dinks over Try Hards, Stinkers over Alley Cats, Holy Rollers over Tigers, Hopalids over HJinks, Spares over Marginals.

High scorers were Helen Keppler 214-203-55; Jane Plamen, 190; Dolores Litzenauer, 181-151-474; Nancy O'Grady, 172-425; Frieda English, 175; Lucille Fuchs, 171-440; Mary Farah, 169-425; Freda Kaelin, 163-155-455; Kathleen Kuzik, 160-445; Dot Sergi, 156-153-416; Helen Stickle, 156; Ann Garziano, 156-435; Marlene Koonz, 156-425; Marie Beyar, 154; Nadine Curvers, 152; Ann Schafertmoh, 151-439.

THE ALAN BORSKY team swept to take over first place in the Temple Beth Ahm League at Hy-Way Bowl with a point total of 34. The next teams were Ed Kurtzer, 79, and Sam Fox, 76.

Top men were Mel Kurtz, 246-207-603; Jim Netfield, 236; Jerry Shulman, 214; Bob Sredadick, 222; Bernice Cole, 212; George Wildom, 209; Ed Kurtzer, 204; Marty Shindler, 206; Lee Sarokin, 219; Alan Borsky, 202; Hal Liebeskind, 221.

THE ATOMS MOVED closer to the top last week, as they took sole possession of third place with a sweep of two games over the Jets. The league's leading bowler, Jay Silverman of the Atoms, topped all bowlers last Thursday as he turned in a 321 series. Dave Miniman was also a hot bowler for the Atoms in this match. Dave rolled a 290 series to help the double victory. Bill Schwab and Steve Glover were the pace-setters on the Jet attack. Bill rolled a 289 series, while Steve hit the pins for a two-game total of 252.

THE FINAL MATCH of the day saw the Hornets take a pair of victories over the Bullets, with Steve Grau and Arnold Coslit leading the way. Steve registered a 285 total for the pair of games, while Arnie tallied 279 pins in the match. Gregg Spector led the Bullets. Gregg had a series total of 245.

Jay Silverman, with his top effort last week, raised his league-leading average to 142 last Thursday. Jay holds a five-pin lead over three boys, who are locked in a virtual tie for the second spot. Mitch Wolff, Craig Nowinski and Mike Denner are all maintaining season averages of 137. Bill Schwab with a 135 average is in third place.

Regional bowlers sweep 3 matches

After a dismal start in December in which they lost their first three starts by 3-0 to Berkeley Heights, 2-1 to Union, and 2-1 to Clark, the Jonathan Dayton Regional High School bowlers Coach Peter A. Socca have really started to bowl over their opponents. The Dayton bowlers shook up the standings in the Union County Interscholastic Athletic Conference Bowling League by handing Thomas Jefferson of Elizabeth its only loss to date by a 2-1 score. This was followed by a tough 2-1 loss to Hillside and then three consecutive 2-1 victories over Cranford, Berkeley Heights, and Cranford again. Union and Clark are the next two opponents on the Dayton slate.

Coach Socca credits the upsurge in the bowling fortunes of the Bulldogs to the fine efforts of Tom Poznanski (168 average), Ed Turén (163 average), Larry Budish (163 average), Lewis Stein (a sophomore with a 190 average), Steve Shtafman (158) and two promising sophomores, Art Buzin and Mike Goodman.

Socca, who is starting his ninth year as coach of the bowlers, has compiled an outstanding 72 victories and 35 losses record. Next year should be outstanding with only senior Ed Turén graduating, he notes.

ANOTHER GAME last week saw the Chiefs take an exciting 11 to 10 verdict from the Jets. This game saw the Chiefs take an early lead on the sharpshooting of Roger Frank. Roger hit the first two buckets of the game on his first two shots from the floor. The Chiefs then withstood a Jet rally to squeaze out the victory. Alan Spielholz played a terrific game for the Chiefs and scored three points. It was Alan's last period bucket that put the game out of reach for the Chiefs. Steve Cohen tied Roger Frank for high scoring honors, as each boy tallied four points.

Billy Bohrod was the Jets high point man, and was the boy who paced the Jet rally in the final period. Billy had a game high of five points, with all his points coming during the rally. Jeff Schneider with four points and Derek Nordone with a free throw filled out the scoring column for the Jets.

Honor society

GLENSIDE, PA. — Ronnie Weinberg, a junior at Beaver College, was recently initiated into the Zeta Nu chapter of Kappa Delta Pi, national honor society in education, at Beaver. A kindergarten-elementary education major, Miss Weinberg is the daughter of Mr. and Mrs. Sam Weinberg, of 156 Wentz ave., Springfield, N.J. She is a graduate of Jonathan Dayton Regional High School.

STRIKING ATHLETE — Donna Pfeiffer has been breaking records all season in the Girls' Bowling League sponsored by the Springfield Recreation Department. Her average in this league for seventh and eighth grade girls has remained consistently around the 150 mark.

Strikers tally sweep to take top spot in bowling for girls

The Strikers regained the lead in the Tuesday Afternoon Girls' Bowling League last week, as they stunned the high-scoring Stars with an upset sweep of two games. The Strikers received a top-team effort, headed by Ginny Vogt and Lisa Brown, to top the Stars. The girls roll in this Recreation Department-sponsored league every week at the Springfield Bowl on Center

The important match between the Strikers and the Stars was featured by top efforts on both teams. Donna Pfeiffer of the Stars, the league's leading bowler, paced both teams with a 255 series for the two games. Ginny Vogt and Lisa Brown were the pacesetters for the Strikers. Ginny topped the team with a 227 series, while Lisa hit a 222 total for the two games. Ellen Francis of the Stars was also effective in this match, as she rolled a 228 series. Randi Meyerson of the winning Striker team aided the cause with a 185 series.

Unbeaten fives meet Saturday in league battle

Utah and California continue as the only undefeated squads in the Recreation Department's State League. The State League is part of the Recreation Department's youth basketball program. It is a league for 11 and 12-year old boys, with the games played at the Florence Gaudineer School. Tip-off time is at every Saturday afternoon.

Utah, with its impressive offensive attack, and California, with its tight defensive, continued along the unbeaten trail last Saturday. The two squads are headed for a collision this week, as they meet in the opening contest. Tip-off time for this game is 1 p.m. The game should prove to be a thriller, as both quintets want a victory in the top game of the season in State League play.

UTAH HAD its attack in high gear last week, as it rolled to their fifth straight victory in as many starts with a 21 to 15 margin over a talented Wyoming team. Steve Zwillingman of the Utes paced all players last Saturday afternoon as he tossed in 12 points. Mike Sanders was also effective in this contest for Utah. Mike tallied seven points and played a top floor game for Utah. Dennis Holler hit a third period basket for Utah to help their important victory. Six players were in the Wyoming scoring column, with Bob Fox leading the way with four points. Howie Tannenbaum hit three shots from the free throw line, while Gene Shute, Bruce Cohen, Brian Mullen, and Glen Cooper all scored from the floor for Wyoming.

CALIFORNIA'S fine defense kept the high-scoring Oklahoma team in check last week, as the California squad took its first consecutive victory by the score of 14 to 12. Bob Goodman once again was high for California as he tallied seven points. Mark Berkowitz hit a field goal and a free throw for California, while Steve Harris and Dave Williams each hit a bucket for the winners. Gary Neifeld paced Oklahoma and took game honors with eight points. Mark Weber and Lou Klein each scored a field goal for Oklahoma to complete the scoring.

OHIO RETURNED to its winning ways last week, as it defeated a strong Florida team by a final count of 22 to 17. Howie Levine hit nine points for Ohio to lead all scorers, while Kenny Mercer scored seven points for the winning Ohio team. Mercer and Levine both scored heavily in the first period to give Ohio an early lead it never relinquished. Bill Stefany of Ohio scored four points and directed the Ohio attack throughout with his great floor play. Bill is developing into one of the league's best court generals.

Florida was led in this game by Ricky Wnek. Rick tallied eight points on four field goals. Jeff Sarokin also played a top game for Florida. Jeff hit four for four from the free throw line and added a bucket for a game total of six points. Other Florida scorers were Neil Elliot and George Robbins.

KANSAS WON its second straight game in league play, after three straight losses at the start of the season, as it tripped Texas in a nip and tuck battle by a score of 13 to 12. Joe Hilt hit the final bucket that put Kansas in front and gave it the game. Ed Cook was also effective for Kansas as he tallied five points and gave Kansas its strength off the boards. Mike Byrd hit an important third period bucket for the Kansas team. Texas was once again paced by high-scoring Bobby Malone. Bobby scored six points for the Texas team. Dino DiCocco scored five points for the Texas team, while Max Teister hit a free throw.

IN ANOTHER GAME last Saturday, Iowa drove past Idaho by the score of 15 to 6 to register its initial triumph of the campaign. Johnny Gagos was outstanding for Iowa. Johnny hit for six points and played well in the back court. Jeff Kean hit for four points for the winners, while Neil Anderson scored on two free throws and Mark Tasher on a field goal. Bob Day's free throw ended the scoring for Iowa. Bobby Waltick played another fine game for Idaho and led their attack with 4 points. A final period bucket by Jeff Fine of Idaho completed the scoring.

With the season half over, an interesting battle is developing for the league's scoring crown. Howie Levine is the top point getter after five games, with 34 points. Howie plays for Ohio. George Robbins of Florida is a point behind. George has tallied 33 points. Steve Zwillingman of the top Utah squad is the league's third highest scorer. Steve has tallied 32 points.

Howie Tannenbaum of Wyoming is also in contention for the league's scoring crown. Howie has tallied 31 points. Gary Neifeld of Oklahoma and Ed Cook of Kansas are tied for the fifth spot among the top scorers with 28 points each. Bob Goodman of California has hit for 23 points this season, while Bob Narbonne of Texas, Rick Wnek of Florida and Mike Sanders of Utah have all scored 21 points to round out the league's top 10 scorers.

Team trophy set for novice tourney
The 25th annual Union County Inter-scholastic Athletic Conference novice wrestling tournament, which will be held at the David Brearley Regional High School in Kentworth this Friday and Saturday, will feature the awarding of the first trophy in memory of W. Greenville Mulford, the late director of health and physical education in Union, to the team winning the tournament.

Herbert H. Palmer, president of the UCIAC, announced that entries for the tournament closed on Tuesday. Nelson Gible, wrestling coach at Brearley Regional, is director of the tournament. The tournament is open to any boy who has not wrestled in more than two previous varsity bouts (dual or tournament) or who has not won a first place in a previous UCIAC novice tournament.

Individual medals will be awarded to the winners of the 12 weight classes: 98, 106, 115, 123, 130, 136, 141, 148, 157, 168, 178 and heavyweight. Weigh-in time is 3:30 to 5 p.m. tomorrow at Kentworth. The first and qualifying rounds start at 7 p.m. tomorrow and the semi-finals at 10 a.m. on Saturday. The finals will be held in the afternoon at 2 at Brearley.

THE FALCONS crept closer to the top last week with a sweep of two games over the Chiefs. The league's leading bowler, Stuart Liebeskind, topped both teams as he paced the Falcons with a 309 series. Bob Goodman and Dave Schaffer were also effective for the Falcons with series efforts of 246 and 231, respectively. Gary Neifeld turned in another good afternoon, as he paced the scoring attack for the Chiefs. Gary rolled a very good 297 series for the two games.

Minutemen lose 1st after 7 victories, to oppose Nutley, Blessed Sacrament

The Springfield Minutemen won their seventh game in as many starts last Wednesday evening at the Florence Gaudineer School as they rolled to a 58 to 37 victory over the Irvington PALs. The Minutemen then tasted their initial setback of the year last Saturday evening, as the West Kinsey Junior High School of Newark out-gunned the Minutemen by a final score of 75 to 46. This game was also played at the Gaudineer School.

This Saturday evening, the Minutemen will play host to the Nutley Recreation Department all-star team at the Gaudineer School. The game is scheduled to start at 7:15 p.m. The Springfield squad is also scheduled to meet

Blessed Sacrament School of Elizabeth at the Gaudineer School next Wednesday evening. Game time for this contest is also set for 7:15 p.m.

THE MINUTEMEN met the Irvington PALs in a return engagement last Wednesday. Irvington and Springfield were opponents in the season opener. In that contest, the Minutemen suffered to a narrow verdict. This game, however, was all Springfield. The local boys took an early lead and were never headed. A big 20-point second period by Springfield put the game out of reach for Irvington before they took the floor for the start of the second half.

Springfield's captain, Bob Janukowicz, had one of his best games in this encounter. Bob's tremendous rebound control gave Springfield a big edge throughout the game. Bob grabbed a season high of 28 rebounds in this game and chipped in with 14 points. Led on offense, Springfield's hard-working forward, had a game high of 15 points. To complete his attack, the 4-10, 140-pounder grabbed 17 rebounds in addition to his scoring punch.

Mitch Wolff, coming off the bench, once again contributed to the victory, as did Jay Silverman in a starting role. Mitch tallied seven points, and Jay scored on three long jumpers for six points. Scott Prussing and Jim Schoch also played well for the home team. Scott, playing his best game of the season, scored four points through hustle and drive, while Jim continued to improve his play. Jim tallied his season high of five points. Dave Miniman came off the Springfield bench in the second half to grab seven rebounds.

Irvington was paced in this contest by Roggo Garuffo, who scored nine points. In their earlier encounter Roggo scored 21 points. He was bottled up in this game, however, by Springfield's hustling 1-2-2 zone defense. Roggo was still able to hold himself in good account with his accurate outside shooting.

THE MINUTEMEN TOOK the floor last Saturday evening against a big and talented group of boys representing the West Kinsey Junior High School. The visitors gave Springfield their first taste of defeat this season, as the Newark boys scored a one-sided 75 to 46 victory.

The Newarkers showed Springfield a fast-moving, free-wheeling offensive that scored heavily in every period. Not only did the Newark team score freely but it controlled the back-boards. The winners took three and four shots, while holding Springfield to a single shot on most occasions. Newark's domination could not be seen by the manner in which they moved the ball. The West Kinsey boys stayed the ball around the floor with speed and accuracy.

Springfield's Bob Janukowicz, however, held his own with the much taller and older boys from Newark. Bob was the game's high point man as he tallied 20 points. The Springfield captain also grabbed eight rebounds for Springfield and played an over-all strong game. Bob led a determined Minuteman team which, although over-matched, refused to be out-hustled. The Springfield boys battled from the opening tip to the final buzzer.

Ed Graessle played well for the Minutemen, as he tallied 11 points to join Janukowicz in double figures for Springfield. Alan Schlinger returned to the floor for Springfield in the second half to give his best performance of the season. Alan, hustled and drove and scored seven points for the Minutemen. A fine performance for the Minutemen was provided by their back-court leader, Marc Hollander. Marc, playing the point for Springfield, controlled the offense for the home team and was brilliant at times in his efforts. Gregg Spector also played a hustling game for Springfield. Gregg tallied five points on three for three from the foul line and a field goal.

Yale trips up Princeton for triple Ivy League tie

Yale forced the Ivy League race back into a three-team tie for first place, as it upset previously undefeated Princeton in Ivy League action last Saturday. The Ivy League meets as part of the Springfield Recreation Department's youth basketball program each Saturday afternoon at the Florence Gaudineer School.

With the defeat of Princeton last week, Yale and Cornell joined the Princeton at the top of the standings. The three squads have identical records of 4 victories and 1 loss.

Yale took Princeton to task last week in a thrilling game which saw Alan Schlinger and Art Weisbro of Yale take charge of the game in the final period. Bob Janukowicz of Princeton played a tremendous game in a losing cause and led all players, as he tallied a game high of 25 points. Schlinger and Weisbro, however, went on a scoring tear in the final period to turn the close game around to favor Yale.

Weisbro paced the Yale attack with 12 points, while Schlinger tallied 11 points for the victors. Lee Adler also had a big game for the

Yale team. Lee hit on four important buckets in the third period to keep Yale close at this point. Lee finished the game with eight points. Janukowicz of Princeton was also effective from the free throw line, as he hit on 7 of 7 shots.

WHILE PRINCETON was dropping its first game of the year, Cornell pulled even at the top of the standings with a 30 to 17 victory over winless Dartmouth. The game started as if Dartmouth meant to pull an upset of its own. As the game wore on, however, Cornell's superior board strength took over and it pulled away to score an easy victory. Eddie Graessle paced the Cornell attack with 15 points. Ed was also effective off the boards, as he controlled the rebounding at both ends of the court. Dave Miniman with eight points on four buckets was effective for Cornell, as was Gregg Spector who tallied five points on a field goal and three shots from the charity line.

Jim Schoch and Bill Schwab were the top scorers for Dartmouth. Both boys tallied six points on three shots from the field. Bill was very effective off the boards for the big green of Dartmouth, while Schoch was very effective in the back court.

THE FINAL GAME of the afternoon in Ivy League play last Saturday saw Harvard score an easy 30 to 7 triumph over Columbia. Columbia could not get started in this game, as the boys had hard luck on many close-in shots. Harvard got its scoring machine rolling early and went on to the victory.

Jay Silverman was particularly effective for the winners. Jay hit on five long shots to hit a game total of 10 points. Marc Hollander also tallied 10 points for Harvard. Marc's scoring came on four driving shots and a pair of free throws. The remainder of the Harvard scoring came from Ken Baroff, Dennis Marino, Howie Alexander, Arnold Condit and Mike Braun, as each boy hit two points.

Pete Demmer tallied Columbia's first two points in the opening session. Steve Graub hit a bucket for the light blue during the third period of play, and Mitch Wolff hit a three-point play for Columbia in the final period to complete the scoring.

WITH THE SEASON half over in the Ivy League, Bob Janukowicz has regained the lead in the scoring race. Bob, who won the scoring title last season, is attempting to be the first player to win the title two years in a row. Bob, however, is engaged in a three-way battle for the crown this season.

Bob is presently leading the race with 90 points in five games. Eddie Graessle of Cornell is in second place. Eddie has tallied 83 points in five games. Alan Schlinger of the high-flying Yale team is the league's third best point getter. Alan has scored 74 points in his team's first five games.

Nationals, Aggies in tie for top place in Caldwell action

The Nationals and the Aggies won their games last Saturday in the Caldwell Small-Fry League to remain tied for the league lead. The boys in this Recreation Department-sponsored league meet each Saturday at 1 p.m. at the James Caldwell School.

The boys in the eight-team league are nine and 10-year olds and the league is part of the youth basketball program.

The Aggies took a 12 to 3 verdict over the Billikens last week to maintain their position at the top of the league. Wayne Rutz was the pace-setter for the Aggies, as he tallied seven points. Rich Feldman tallied two points on a pair of free throws and played a top floor game for the winners. Jim Edwards with a bucket and Frank Zarrillo with one from the foul line completed the scoring for the Aggies. Kevin Mercer was the top scorer for the Billikens. Kevin scored all the Bill points.

THE NATIONALS held their portion of first place, as they scored a 12 to 5 victory over the Billikens. The Nats took a 6 to 0 lead in this game at the end of the first period. They then played the Billikens over the rest of the way to take the victory. Paul Dubois, with a pair of early buckets, paced the Nats attack. Mike Levine also had four points for the winners. Dan Gecker and Billy Palazzi each hit a bucket for the Nats to complete the scoring. The Billikets scoring was divided among Bob Hydock, Mike Palmer and Frank Geiger, who each scored a bucket for the Billies.

THE CELTICS knocked the Lakers out of first place last week, as they upset the Lakers in a closely played game by the final count of 15 to 12. Bruce Blumenfeld played a great game for the Celtics to lead them in scoring and in floor play. Bruce tallied six points and added many assists to his credits. Eric Greene also hit for six points for the winners. Chuck Spiegel hit a bucket and Gene Meyer with a free-throw. The free-throw line completed the Celtic scoring. Ken Conte, Ed Federovitch and Tom Ruzhickello each hit a pair of field goals for the Lakers.

THE PISTONS moved themselves into contention last week with a 15 to 7 victory over the last place Knicks. Tommy Jacques was the top scorer for the Pistons as he tallied six points. John Wachtel garnered five points for the winners as he hit two from the floor and added a free throw. Gregg Prussing and Jim Lafredo each tallied a bucket to fill out the Pistons scoring column. The Knicks were led last Saturday by Larry Koldorf and Billy Phillips. Larry scored four points on a pair of buckets, while Bill tallied on a field goal and a free throw.

THE FINAL MATCH of the day saw the Chargers bounce out of last place with a two-game sweep over the Royals. Dave Chetkin and Steve Rosenberg led the Chargers out of the cellar with two-game scores of 21 for Dave and 21 for Steve. Bruce Cohen was the top bowler for the Royals, as he turned in a 205 series total.

Stuart Liebeskind, who broke the magic 300 series mark last week, moved his league-leading average to a 141 level. Stuart holds an 11 pin lead over Scott Prussing, Gary Neifeld, and Jeff Slater. The three boys are in a virtual tie for second place, with a 129 average. Roy Greenberg is the fifth-place bowler. Roy is maintaining a 128 season average.

The remaining five boys among the top in averages are: Howie Levine, 124; Steve Harris, 121; Mark Berkowitz, 119; Neil Elliot, 117, and Tom Lowy, 117.

We had 3,800 squirrel bites last year

3,800 of our furry friends look out their frustration on our telephone cables. They don't eat the wire inside. They just seem to love to sharpen their teeth on the lead sheathing around the cable.

Of course, in years to come, the squirrel problem will lessen. We're busy putting more and more of our cables. First of all, we have no telephone cables. But most important, it means that the telephone company is not cable that is squirrel-bitten. It's a squirrel-bitten cable that is attached to your house, or any other place.

You'll probably never know if a squirrel has bitten a cable carrying your conversation, until it's too late. Our equipment is sensitive enough to pinpoint a bite, and we can usually repair it before any trouble develops.

If the squirrel bites get bad in one particular area (sometimes we think they're gnawing on the same place), we'll put up a squirrel guard.

Business Directory

Stamp of approval put on PO 'Bill of Rights'

Area Postmasters this week called attention to the new "Postal Customer's Bill of Rights" to help meet President Johnson's government-wide goal of improving the quality of federal services to the public.

Directed at post office window services, Postmaster General Lawrence F. O'Brien has ordered the Customer's Bill of Rights implemented by two immediate steps in area post offices.

1. Posters will be displayed in the post office lobby and service counters containing 10 points which specify the kind of treatment customers have a right to expect.
2. Instructions from Mr. O'Brien call for careful observance of all points in the "Postal Customer's Bill of Rights." The instructions also provide directions for the most efficient management of window services.

The posters tell customers they are entitled to:

1. A neat, clean counter on which to transact business.
2. Service by a well-groomed, neat window employee.
3. A friendly greeting that expresses a desire to assist.
4. Knowledgeable, well-informed, interested window personnel to help with postal needs.
5. Prompt, alert and efficient service.
6. Competent and correct information on inquiries.
7. An attitude that reflects helpfulness, patience and cordiality.
8. The courtesy and tact that would be expected from a friend.

9. Public referral to another window or individual, when necessary, to give the appropriate service.

10. A feeling, upon leaving, that the post office is glad to serve and help at all times.

Instructions for fulfilling "The Postal Customer's Bill of Rights" are being distributed to all window personnel by Acting Postmaster Shinnons.

O'BRIEN STATED IN connection with the new postal service improvement effort: "President Johnson insisted that every federal employee give added attention to providing the American people with the very best service possible. Since your daily duties bring you in direct and continuing contact with our customers, I would like to tell you what I consider the type of service the American people have a right to expect when dealing with the largest business operation in the world."

In addition to improving relations with customers, the Postmasters said, the "Customer's Bill of Rights" can expedite handling of transactions at the windows and make the service more efficient.

They urged residents to assist in this effort, by stating their needs clearly, and having money and any necessary filled-out forms ready for transactions.

The Postmasters explained that demands on window personnel, who must deal with a wide variety of information, forms and varying services, are usually very heavy, and postal customers can assist them in meeting the new service goals by being as brief and business-like as possible.

Herbert Kempler, shoe store founder, dies in Palm Beach

Herbert Kempler, 58, of 25 B Troy dr., Springfield, founder of the Kempler shoe store, died Sunday at Good Samaritan Hospital, Palm Beach, Fla.

Mr. Kempler, who was born in Port Griffith, Pa., moved to Passaic as a boy and to Newark, N.J., in 1925. He founded his first shoe store in Irvington and later added branches in Livingston and Union.

Mr. Kempler was a member of the Irvington Rotary and Elks clubs and a former director of the Irvington Chamber of Commerce.

He is survived by his wife, Selma; daughter, Mrs. Cecelia Belle of Springfield; a son, Alan W. Kempler of Plainfield; a sister, Mrs. Mildred Simon of Clifton; three brothers, Max of Rutherford, Harry of Fort Lee and Bernard of Brooklyn; and one grandchild.

Services were scheduled for yesterday, having been postponed because of weather conditions on Tuesday. The funeral was held in the Suburban Chapel of Philip Apter and Son, Maplewood.

You can make tax bite less painful

Good, bad news for the American taxpayer

EDITOR'S NOTE: Because April 15 falls on a weekend this year, you have until midnight, April 17 to file your federal income tax return on income earned in 1966.

"But if you're one of the 34 million or so Americans who has a refund check coming, you'll get it sooner if you file sooner."

"Also, if you start to figure your taxes now instead of waiting until the last minute, you'll have more time to check and double check your arithmetic to make sure you're not paying more than you owe."

To help you, United Press International has prepared a five-part series on how to file your tax return. The Internal Revenue Service checked the details for accuracy. Following is the first dispatch.

By JOHN PIERSON
United Press International

WASHINGTON (UPI) — Here's good news and bad for the American taxpayer.

Do you usually end the year owing the government money? Chances are you don't owe as much this year as in the past.

Do you usually have a refund coming? It probably won't be as big as it used to be.

This is all because of the new "Graduated withholding" system that took effect last May 15. It may have seemed like a tax increase at the time, but it really wasn't.

Congress simply decided to rejigger the payroll withholding system to put people more nearly on a pay-as-you-go basis. The idea was to make withheld taxes come closer to paying what people actually owe.

In order to accomplish this, Congress had employers begin withholding taxes at six different rates instead of just a flat 14 per cent, as in the past.

If your withholding went up and your take home pay dropped last May 15, smile. You have less to pay now.

If your withholding went down and your check got bigger, grin and bear it. The old refund that you've come to know and love may be smaller this spring or may not be there at all. In effect, you've been getting it in small weekly amounts since last spring.

Last year, the Internal Revenue Service (IRS) mailed out some 42 million refund checks. The new withholding system is expected to reduce this number by more than 4 million this year. Millions of other taxpayers will still be getting refunds but smaller ones than formerly.

Some 12 million taxpayers ended up owing the government additional taxes last year. Graduated withholding is expected to reduce their ranks by 3.5 million and to cut dollars off many other final tax settlements.

OTHER CHANGES in the tax law which will affect your return this year include the following:

— Doctors, lawyers and other self-employed people will have to pay a larger tax for social security. The maximum amount of self-employment income subject to the self-employment tax was increased from \$4,800 to \$6,000, and the tax rate was raised from 5.4 to 6.15 per cent.

— Waiters and others who get tips and who failed to report them, to their employers may have to file a special form (4137) with their returns in order to pay their social security taxes.

— Commissioned officers serving in Vietnam may now exclude \$500 a month from their pay instead of only \$200. Congress changed the law last session, but made the bigger exclusion retroactive to Jan. 1, 1966. So a lot of officers will be in for refunds.

The first step in filing a tax return is to find out if you really need to do so.

The law says you must file a tax return if you are under age 65 and had income of \$600 or more in 1966.

can get a refund. This is important for youngsters who had summer jobs last year.

If you have to file, the next question is which form? The government lets you choose between the "short" form 1040A and the "long" form 1040.

You can use the short form 1040A if you earned less than \$10,000 last year, provided also that your income consisted of wages reported by your employer on an withholding statement (form W-2) and no more than \$200 of other wages, interest or dividends. If you had any other forms of income, you must use the long form 1040.

If you made less than \$5,000 last year and use the short form 1040A, the IRS makes it easy for you. It'll figure your taxes and either send you a refund or bill you for the balance due. Just mail in your copy of the W-2 withholding statement and your short form and leave the rest to the IRS.

But remember: If you use the short form, you will not be allowed to itemize your deductions. And deductions are one of the best ways of reducing your tax bill.

Short form users are required to take a standard deduction, either the old 10 per cent standard deduction or the new minimum standard deduction. If you want to itemize, you have to use the long form 1040.

Check to see if you want to itemize if in 1966 you had interest on a home mortgage, made large contributions to charity, had big doctor bills, paid alimony, or suffered a big casualty loss that wasn't covered by insurance.

But you must use the long form if last year you:

- Earned more than \$10,000; earned less than \$10,000 but received more than \$200 of income not reported on withholding statements; claim status as a "head of household" or "surviving spouse" (more about these later); take a credit for retirement income; take a sick pay exclusion; paid an estimated tax last year; pay the self-employment tax; claim travel or business expenses; or take an exemption under a "multiple support" agreement.

Psychiatrist's talk to survey problems facing handicapped

The Essex-Union Section of the New Jersey Association for Brain Injured Children will meet Tuesday at 8:30 p.m. at the Taylor Park Recreation House, Millburn.

The guest speaker will be Dr. Richard A. Gardner, whose topic will be "Psychological Problems of the Brain Injured Child and His Parents." Dr. Gardner is assistant attending psychiatrist at Vanderbilt Clinic at the Columbia Presbyterian Medical Center, New York, and is also an instructor in child psychiatry at Columbia University College of Physicians and Surgeons. He has written the first on this subject written for the child himself.

The New Jersey Association for Brain Injured Children is an organization of professionals and parents interested in establishing private and public facilities for research and education of the perceptually handicapped child. A campaign is now underway to increase the membership to include representatives from the general public and interested industries. Anyone wishing to help the youngsters in some way, may notify the membership chairman, Mrs. Milton Stein, at 731-4749. Volunteers are needed for fund raising.

The funeral service was held at "Haberle & Barth Colonial Home," 1100 Pine Ave., corner Vauxhall Rd., Union, on Monday, February 6, 1967, at 10 a.m. Interment in Hollywood Memorial Park.

Beat down heating costs two ways

First, a revolutionary new invention for all burners, the Gulf Solar Heat ECONOJET, beats down costs by giving you more heat from less oil.

Secondly, Gulf Solar Heat[®] drives down heating costs because it's scrubbed clean with hydrogen to burn hotter, cleaner and more completely. It goes further, yet costs no more.

Get more out of your heating dollars by calling us today!

Response to anti-Vietnam delegation

New Jersey representatives to Congress responded to the Washington trek by 100 New Jersey delegates to the two-day Clergy and Laymen Mobilization against the Vietnam war last Tuesday.

The delegates met with Democratic Sen. Harrison Williams and Republican Sen. Clifford P. Case and presented them the New Jersey Vietnam Peace Petition now being circulated in approximately 40 New Jersey communities. Representative Florence P. Dwyer also received a group from the 12th Congressional District.

A spokesman for the group said in accepting the petition Sen. Williams was in agreement with the position of the group which are calling

for an end to bombing in North Vietnam, participation of the National Liberation Front in peace talks and the use of the United Nations for ending the war.

Williams, a spokesman said, agreed with the group's position that control of appropriations is the best weapon Congress has in influencing the Administration.

Sen. Case agreed that the war "is ill-advised" but was unsure what the quickest path to peace was.

Rabbi Israel Dresner of Temple Sharey Shaalom in Springfield, spokesman for the group, expressed his concern with American and Vietnamese casualties, the "suffering of children, the senselessness of being involved in an undeclared war and the growing discrepancy

between official statements and actual facts."

The group asked Mrs. Dwyer to consider voting against the proposed \$12.3 billion supplemental Vietnam War appropriation and the six percent surtax on income tax "which would allow the government to escalate the war."

Mrs. Milton Zisman was among those who spoke to Mrs. Dwyer.

Union man reports on plans to expand center for disabled

Plans for expanding the services of the Occupational Center of Union County Inc. were outlined by Harry Hartkopf of Union, outgoing president, at the annual meeting in the Center's headquarters at 600 Fulton St., Elizabeth.

He reported that the Center, a workshop for

the rehabilitation of the disabled, plans to set up a satellite shop in the western part of the county with the help of one of the sponsoring agencies where the severely disabled adult may be trained.

Hartkopf said that over the past two years, the trainees received more than \$150,000 in take-home pay. To accomplish this, the budget moved from \$150,000 to more than \$200,000, he reported.

He said the Center now is serving most of the communities in Union County as well as several in other counties.

The present headquarters, which provides

17,000 square feet of space, is now used to near capacity. Hartkopf said. He said that since moving to the Fulton St. location in 1963, the Center has more than doubled its trainee group, from 60 to 129.

Hartkopf called for community support, in addition to county, state and federal aid, and that "we can establish a new workshop and training center adequate in size and design."

He is being succeeded as head of the organization by James S. Bell of Scotch Plains, a senior staff engineer at Western Electric, Kearny.

2 events are scheduled for County Hiking Club

The Union County Hiking Club has scheduled two hikes for its members and guests for this weekend.

On Saturday, Miss Irma Hoyer of Elizabeth will lead an afternoon ramble in the Watchung Reservation. The hikers will meet at the Trailside Nature and Science Center parking area at 1:30 p.m.

On Sunday, Zigmund Leszczynski, Westfield, will conduct a tour of the Coney Island Aquarium. This group will meet at the main entrance of the aquarium at noon.

Further information concerning the above hikes may be obtained by contacting the Recreation Department of the Union County Park Commission.

Dwyer will meet Vietnam pretestors

The New Jersey Women Strike for Peace have an appointment to meet with Rep. Florence Dwyer on Saturday at 12:30 p.m., at her Plainfield office, 40 Somerset St., it was announced by Mrs. Ruth Balcoff of Millburn, local committee chairman.

Women from all parts of the state were scheduled to meet yesterday in Washington with New Jersey legislators. Rep. Dwyer, however, was unable to take part in the meetings yesterday.

At Saturday's meeting, the women plan to ask such questions as:

"Will you support cessation of bombing in North Vietnam?"

"Will you oppose supplementary appropriations for the war?"

"Will you favor revision or abolition of the Selective Service Act?"

A spokesman urged representatives of all communities in the 12th Congressional District to take part in Saturday's meeting. Details are available from Women Strike for Peace, 763-6136.

Science Topics

FROSTBITE The old advice about rubbing a frost-bitten part of the body with snow, reports the American Medical Association, also forbids the "completely invalid" caution against rapid thawing. Don't massage or rub the frozen part. In fact, don't touch it at all and begin rapid rewarming as soon as possible. Dress properly and use common sense about exposure in severe cold and most cases of frostbite can be avoided.

COMBINING hydrogen and nitrogen to produce synthetic ammonia takes quite a bit of doing. Under normal circumstances the two elements will not unite, reports Girdler Catalysts, Louisville. In order to produce synthetic ammonia used in fertilizers and explosives, catalysts must be introduced to aid the reaction of hydrogen and nitrogen at temperatures near 1,000 degrees F. and pressures up to 5,000 pounds per square inch.

THE WORLD'S TOAD POPULATION has had its family tree traced back to its point of origin. "We can now say that toads originated in South America," said University of Texas zoologist W. Frank Blair. The research represents a milestone that is expected to serve as a reference point for the study of evolution.

SILTY CLAY has been found to be a potential raw material for making face brick, says the U.S. Geological Survey. The Survey reports that common face bricks were successfully made in the laboratory from residues of sand- and gravel-washing operations.

THE CAUSE of cotton boll rot, a widespread plant disease in the Southeastern states, has been discovered by Louisiana State University research team. The botanists found that a microscopic fungus enters the developing cotton boll. It injures the boll leaf, called a bract, and this permits the subsequent entry of other, more destructive, fungi which deminish the boll within a short time.

GRASSHOPPERS will probably be less of a problem on Western and Midwestern rangelands in 1967 than they were last year, the Department of Agriculture reports.

Ask wife for tune-up NEW YORK (UPI)—blaze way for another survey. This one proves that the housewife is ingenious in finding ways to save the family money. The survey, conducted by MacMillan Ring-Free Oil Co., showed that nearly 20 percent of all oil changes are made by the car owner in his own garage. The firm reported—would you believe—that nearly one-third of these car buffs doing their own oil-changing are women.

ALL ABOUT PEOPLE
by GENE ROSENFELD

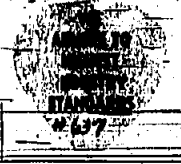

ELGENE TIRES CO.

In August, 1962, the famous Van de Kemp's Holland Dutch Bakers of Seattle undertook an unusual order. When the First Baker received the order for one cake...he couldn't believe that it was given to him! He'd spent years and years learning his trade...he'd spent additional years adding to his experience...changing century...at a pinch of this...a dash of that...years and years of perfecting his BAKES... NAPOLEONS...CANOLES...PETTIS ROUES...ECLAIRS... Now to be asked to bake a CAKE? Unheard of!

Nevertheless, professional pride was put aside and the First Baker of this renowned bakery proceeded with his immediate task...bake a CAKE! He put all his training and ingenuity to work...relying on his year's and year's of training and experience he vowed that he would bake a cake that would top all cakes...VOILA!!!

He did...The owners of the bakery were amazed...the neighbors were amazed...the Mayor of Seattle was amazed...the Governor of Washington was amazed... In fact...the cake amazed more than 10 million people who saw it at the Seattle World's Fair (the "Century 21 Exposition"). The so-called "cake" was baked expressly for the Fair, and it was a bit unusual...it was six sided AND WEIGHED 25,000 LBS!!! The cake was 23 feet HIGH, with a CIRCUMFERENCE OF 60 FEET. The ingredients included 1,500 DOZEN EGGS, 10,500 LBS. OF FLOUR, 4,000 LBS. OF CANE SUGAR, 7,000 LBS. OF RAISINS, 2,200 LBS. OF PECANS and 100 LBS. OF SALT.

Elgene Tires can't see you a six-sided, sixty feet tire but we do sell the BEST in NEW and RE-TREAD TIRES. Make it a point to come in and see us... ELGENE TIRES conveniently located on Milltown Road between Morris Ave. and Route 22 (Opposite Farcher's Grove.)
