Shop with a friend at Grocers' Food Depot and share the savings.

If you haven't been enjoying our bushel and cases prices because you didn't want bushels and cases of food, Grocers' Food Depot has a good suggestion. Share your shopping with a friend. Or two friends. Or three. It doesn't matter how many people share the savings on a case of peas or a bushel of apples or a side of beef. We sell all our food (and food is all we sell) by the bushel case.
