LOCAL POLICE NAB EX-BASEBALL STAR AS TIPSY DRIVER

Chick Fewster Formerly With Yankees Is Held in \$250 Bail For Arrangement

BOONTON MAN IS ALSO APPREHENDED BY COP

Wilson L. (Chick) Fewster, former New York Yankee second baseman, was apprehended by local police early Sunday morning at 4:05 A. M. at Mountain and Morris avenues, and held on a charge of drunken driving. Bail was set at \$250 for appearance before Recorder Everett T. Spinning next Monday night in police court.

Fewster was arrested by Patrolman Selander, when his car overturned after striking a machine directly ahead of his, operated by Rufflow C. Blackmer of 242 Broad street, Newark. Both drivers were uninjured and were examined by Dr. Henry P. Dengler. Blackmer was released but a certificate was issued that Fewster was under the influence of intoxicating liquor. Blackmer told the police they were companions and that his car was in front when he imagined a steam roller ahead and stopped suddenly, and Fewster could not stop in time.

Fewster, at one time with the Brooklyn Robins and whose baseball career ended several years ago when he was struck by a ball in an exhibition contest, is now engaged in the real estate business, and resides at 344 Gregory avenue, West Orange.

Charles E. Nylund of Powerville road, Boonton, was arrested at Morris and Meisel avenues Saturday at 9:25 P. M., and declared unfit to drive by Dr. Isaac Gelber of Union. Patrolman Selander made the arrest, and the operator was held in \$250 bail to appear in court Monday night on a charge of drunken driving.

P. B. A. ARRANGING DANCE NOVEMBER 11

Plans are being arranged for a dance to be held Armistice Day, Tuesday, November 11, in the Municipal Building, by the Springfield Patrolmen's Benevolent Association.

Tickets will be on sale soon at one dollar per person. This will include wardrobe.

A popular dance orchestra, not announced as yet, will furnish the music. Patrolman Albert A. Sorge is president of the association.

Local Music School Teacher Wins High Honors in Audition Contest

Hermann R. Maier, music supervisor of the James Caldwell School, was judged the winner in the men's competition Saturday night at the fourth National Atwater Kent audition for Union County and vicinity held in the ballroom of the Elizabeth-Carter Hotel, in Elizabeth. Miss Rose Calavito of Bernardsville won first place among the women.

An audience of fifty persons and the judges decided the winners, the former's vote counting forty per cent and the latter's sixty per cent. Six women and four men took part in the competition.

The two winners will go to Camden Friday evening of next week, October 10, to enter the State finals. Following this, a district audition will be

LACKAWANNA PROPOSES COMMUTER FARE RAISE

Lackawanna Railroad officials announced this week a proposed general increase in commuter's fares. About three and one-half cents will be added per ride for Springfield commuters affected by the change.

A principal cause for the increase is brought out by electrification, the company declared. Permission will be asked of the national and state bodies regulating such changes to make the new rates effective. The officials are asking the commuters if they so desire, to form a committee, and examine the company's books to determine whether the change is justified.

RALLY FOR G. O. P. PLANNED MONDAY

A rally for Republicans under the direction of the Springfield Republican Club will be held Monday night at 8 o'clock in the Lions Club Rooms in the Brookside Building, in Flemer avenue. Plans will be made to form teams to work in the interests of all the state, county and local Republican candidates.

Invitations are being sent to all Republican voters in the township to attend the meeting. Officers for the ensuing year will also be elected.

The local candidates being supported by the club are Fred A. Brown for Township Committeeman; Charles H. Huff for Freeholder, and William Hopough for Tax Collector.

RESERVE DECISION IN FOWLER APPEAL

Common Pleas Judge Alfred A. Stein reserved a decision Monday morning in the appeal of Charles N. Fowler, Jr., son of the former Congressman, who was arrested in Springfield on April 6 on a charge of drunken driving, after he heard three additional witnesses produce evidence for the defense.

They were Dr. William H. Lawrence of Summit, who testified he was treating Fowler for several years for a nervous ailment, and that his condition would make it appear he was drunk.

The defendant, who resides at 618 Salem avenue, Elizabeth, was arrested by Patrolman Selander after his car collided with two machines in Morris avenue, and was declared under unfit to drive by Dr. Henry P. Dengler. Recorder Everett T. Spinning found him guilty and deprived him of his driver's license, and fined him \$200 and costs.

ORDINANCE DRAWN REGULATING FOOD HANDLING IN TOWN

Board of Health Introduces Act on First Reading Wednesday Night

NO REPORTABLE DIS- EASES FOR SEPTEMBER

(Exclusive SUN Story.)
An ordinance regulating the handling of foodstuffs, in Springfield, was introduced for first reading by the Board of Health Wednesday night.

It provides that any person handling foodstuffs must file a certificate with Inspector Dr. Henry P. Dengler, that he is free from tuberculosis or any other contagious disease, with the exception of those who handle meats or stuffs which are cooked or peeled, before consumed.

The inspection must be made annually, and a certificate given the inspector every year. For failing to obey the provisions of the ordinance, the violator will be subject to a fine of not more than \$25, or ten days in the county jail, or both; and offenders after the first will be fined not more than \$50 or thirty days in the county jail, or both. The ordinance will be considered for passage on Wednesday November 5, at which time anyone objecting will be heard.

The report of Secretary Robert D. Treat showed no reportable diseases for the month of September; three births, two marriages, and five deaths.

SIMPSON TO SPEAK HERE OCTOBER 15

Alexander Simpson, Democratic candidate for United States Senator from New Jersey, will speak in Springfield on Wednesday evening, October 15. It was announced at a meeting of the Springfield Democratic Club last night.

The address will be made at an open-air meeting on the lawn of the Colonial Inn, at Morris and South Maple avenues, and other speakers will be Mrs. Mary T. Norton, present Congresswoman, and candidate for the short term to the Senate to succeed Walter E. Edges; Warren N. Gaffney, candidate for Congressman from this district; and Mrs. Ackerman, who is seeking a post in the State Assembly.

The dance and card party, which was to have been held in the United Singers Grove, has been changed to the Colonial Inn on Friday, October 24.

Ernest Reave who is in charge of play of the recent miniature golf tournament held last week, reported that a play off between the two persons tied for first place among the men, Robert Potter and Bud O'Mara, will be arranged soon.

SOLDIERS CAMP HERE TWO DAYS

Over 1,000 soldiers of the 18th Infantry, United States Army, encamped in town over the week-end on the Hartshorne tract in Short Hills avenue.

The battalion was under the command of Captain Beard, who also stopped here last year. The men arrived Saturday morning from Camp Dix, enroute to Fort Hamilton, Staten Island, and broke camp Monday, marching by way of Union and Elizabeth.

PARENT-TEACHER GROUP ORGANIZED AND OFFICERS ELECTED FOR COMING YEAR

Alfred G. Trundle Chosen President of Association— County Worker Aids—More Than Eighty Five Persons Present At First Meeting Tuesday

MRS. P. W. GILBERT OF WESTFIELD SPEAKS

State and County Official Tells of Numerous Bene- fits Derived

An encouraging attendance of about 85 persons helped organize a Parent-Teacher's Association in the James Caldwell School Tuesday night. Alfred G. Trundle of 5 Perry place was elected president and the other officers are: First vice-president, Mrs. John A. Dannefelter; second vice-president, Supervising Principal Fred J. Hodgson; secretary, Benjamin F. Newswanger, and treasurer, Mrs. E. M. Cunningham.

Mrs. P. W. Gilbert of Westfield, vice-chairman of the Union County groups of Parent-Teacher's Associations, and chairman of the Thrift Committee of the State Association, organized the unit and made an address. She told the members that the other associations in the county were glad to learn that Springfield was again organizing a Parent-Teacher's Association.

She outlined the purposes of the association, the principal one of which was to form a neighborly group of teachers and parents for the benefit of school children. The speaker stressed upon the point that it was non-political, non-sectarian, and non-commercial, and that its uppermost need was not to conduct a social program, but to deal strictly with business matters of interest to benefit the contact between school teacher and the parent.

Mrs. Gilbert reminded that the association should not operate but cooperate with the Board of Education, and not interfere with the administration of the schools, adding that the school system was devised by better minds than those of the association's members, minds which were far more developed in that particular branch.

Mr. Hodgson, acted as temporary chairman before the officers were chosen, and opened the meeting with an address of welcome, in which he said he was pleased with the number of parents and friends attending. He told the audience that the condition of Springfield's schools had reached a point where they were overcrowded, and that parents should be acquainted

BOY SCOUT DRIVE FOR \$26,000 WILL BEGIN OCTOBER 17

Funds to Aid Union Council in Maintaining Activi- ties For 1930-31

The campaign of Union Council, Boy Scouts of America, for \$26,000, required to continue the activities next year, will officially begin October 17, and a luncheon for the initial gift workers will be held this evening in the Winfield Scott Hotel, in Elizabeth. Of the sum needed, \$18,000 is for operation and \$8,000 to pay off existing indebtedness. The drive's executive committee is composed of Dr. George T. Banker, general chairman; Richard S. Earl, president of the council, and Charles D. Doctor.

The entire council is divided into four districts, and Springfield is linked with Hillside and Union. An initial gifts committee, with thirty workers, is seeking half the quota, \$13,000, and

(Continued on Page 2)
with the conditions which really exist. Such a condition has resulted in a stage where a Parent-Teacher's Association is needed, the speaker stated. A recommendation was made from the audience that the executive board, consisting of the officers, the supervising principal and the chairman of the five standing committees, be appointed so that every part of the township be represented. Mrs. Gilbert approved of the idea, and Mr. Trundle said that would be considered when the committee heads are named.

Mrs. Gilbert announced that the Union County Council will meet October 15, in the Sherman School, in Roselle Park, and invited all members to attend. The State Convention is scheduled in Atlantic City for November 5, 6, 7, and she recommended that the president or one of the vice-presidents be permitted to attend, at the association's expense.

Dues were established at fifty cents per year, and sixty-four enrolled. After the meeting, Supervising Principal Hodgson introduced the members of the faculty to the audience.

Over Four Hundred Dollars Spent For Charity, Lions Report Shows

A sum of \$405.34 was expended by the Springfield Lions Club for charity to the poor and needy in Springfield from May 10, 1929, to September 1, 1930, the annual report of the Charity Committee indicated at a regular weekly meeting last Friday afternoon, in the Colonial Inn.

Of this amount, the major purchases included twenty-one pairs of shoes, 728 quarts of milk, three and one-half tons of coal, and also \$50 to the Arthur Sunshine Home for Blind Babies at Summit, to help make up a deficit of \$3,000 when an addition was made to the home.

A rising vote of thanks was extended to the chairman of the committee, M. Lichtenshein, and also to the other members, Dr. Watson B. Morris and John Warta. The new charity committee, as appointed by President

William G. Huff several weeks ago, has Charles H. Huff serving in place of Mr. Warta.

The club approved of allowing the use of their rooms in the Brookside Building to the local Red Cross branch for a baby clinic one day a week.

Fourteen members and two visitors were present.

Committees for a card party to be held Thursday evening, October 16, under the auspices of the Women's Republican Club in the Municipal Building, have been selected by Mrs. John J. King, general chairman. The members who will assist include Mrs. A. D. Warner, Mrs. R. D. Treat, Mrs. F. A. Brown, Mrs. F. G. Deller, Mrs. W. Hinze, Mrs. O. M. Hopler, Mrs. H. G. Kulp and Mrs. W. Ahlgren.

SUMMIT MAN WINS GRAND DRAWING AT JUNIORS CARNIVAL

Elwood B. DeBerjeols of 15 Russell place, Summit, won the grand drawing of one hundred dollars in gold Monday night at the closing of the Junior Order Carnival held at Morris and Meisel avenues, under the auspices of Battle Hill Council 120, of this township.

First prize for the council having the largest attendance in proportion to its membership, twenty-five dollars in cash, was won by Starry Flag Council 158, of New Providence. Other visiting organizations represented were General Custer and Essex Councils, of Newark; Overlook Council, of Summit; Cranford Council, of Cranford; Franklin Council, of Plainfield; William A. Mack and Winfield Scott Councils, of Elizabeth; and Success Council, of Millburn.

A large delegation of members of the Daughters of America from surrounding towns was present. Fifty members of the local group, Pride of Battle Hill No. 17, also attended.

Several State officials, including State Councilor George Gleason of Red Bank and Past State Councilor Fred Maute of Elizabeth, were on the carnival grounds on "Junior Order Night," the last of the affair.

The largest number of persons in attendance for the four days since last Thursday, and excepting Sunday, was on Saturday, when about 1,500 persons were present. With the exception of Thursday, when the weather was rainy, the other nights showed a large attendance, but not as many as that of Saturday.

Meeting Tonight

A meeting of the local council will be held tonight in the Municipal Building, and final returns of the carnival will be made to the committee in charge, headed by L. B. Parsil, Jr., and assisted by Edward Monks and George Vohden.

Plans will be arranged for a Halloween party some time this month, and also an indoor carnival to be held in the Town Hall for three or four days early in December.

"Good Turn Day"

"Good Turn Day" will be observed by the members of Troop 66 tomorrow, when every member is expected to perform some good turn.

A meeting will be held this evening in the James Caldwell School at 8 o'clock, and Robert Kohler of 3 Bryant avenue will be admitted as a member.

The photography class has become so large that two groups have been formed. Twelve scouts, Scoutmaster Hoagland, Spinning and Venn were at Camp Brookside over the week-end and flashed pictures, with the instructor, George Spinning, in charge.

The pictures were developed at classes held Wednesday evening and last night in the patrol shack in Tooker avenue, and will be printed next Wednesday and Thursday, as part of a series of photography lessons.

During the week of October 20 to 25, inclusive, the members will be attired every day in their uniforms.

Move to Union

Mr. and Mrs. Guy Stevens and family of Bryant avenue moved on Wednesday to Nichols avenue, Union.

Held For Grand Jury On Girl's Complaint

Charged with a statutory offense, Fred Clover, 22, of 419 Stuyvesant avenue, Irvington, was held for the Grand Jury without bail when arraigned before Recorder Everett T. Spinning Sunday.

Clover was arrested by Patrolman Thompson on a warrant at his home earlier in the day, on a complaint signed by Edith Murray, 19, of 290 South Twentieth street, Newark.

The alleged offense was said to have occurred the early part of last week, and the youth pleaded guilty. Police stated he had a criminal record, having served twenty-one months in the State Reformatory and had been out of the prison for about a month and a half, prior to his arrest.

Disorderly, Gets 30 Days in County Jail

Peter Bechtle, 50, a plumber, of Black's lane, was committed to the county jail for thirty days Saturday, after he had been found guilty of being disorderly, when arraigned before Recorder Everett T. Spinning.

His wife, Mrs. Anna Bechtle, preferred the complaint against him, and he pleaded not guilty. Patrolman Selander made the arrest at the Bechtle home.

To The Public

THE present commutation fares of this Company, which were approved by the Interstate Commerce Commission in 1911, have not since been changed except for an increase of 10% in 1918 and another of 20% in 1920.

From 1911 to date our costs of operation have increased 155% in labor and an average of about 100% in materials.

In 1911 the Company paid in taxes to the State of New Jersey \$1,035,617. Last year it paid \$3,096,266—an increase of 199%. In 1911 its New Jersey tax rate was \$1.12 per hundred; in 1930 it is \$1.142.

From 1911 to date the assessed valuation of the Company's leased railroads in the State of New Jersey has increased \$26,000,000, showing the vast sums of money which are constantly required to be expended on the property, largely to care for the commutation traffic.

Company's lines in the commutation zone are held under leases which reserve rentals in the form of dividends on the stock of the leased companies and interest on their bonds. These rentals have increased, largely because of issuance of securities for improvements, from the sum of \$2,827,596 annually in 1911 to \$3,676,892, which is the sum it is now paying. Outstanding bonds of leased lines in the commutation zone increased from \$33,477,000 in 1911 to \$60,000,000 in 1930.

While the Company has been compelled to expend large sums of money to care for its commutation traffic, its local passenger business, as is well known, has been dwindling from year to year since 1920.

Consideration of the matter of increased commutation fares has been delayed because of contemplated electrification. Careful studies made by its Accounting Department, however, during the past year, employing so far as possible formulae prescribed by the Interstate Commerce Commission, disclose the fact that the entire passenger business in the commutation zone fails to pay the cost of operation and taxes by upwards of \$500,000 per year.

Electrification of the Morris and Essex from Hoboken to Dover, the Montclair line and the branch to Gladstone, authorized in 1928, will be entirely completed this year. The Company now knows approximately what this will cost, the economies which will result, the additional yearly charges for interest on bonds, depreciation and

taxes. The result is an increased cost approximating \$650,000 per year. Adding this additional cost to the \$500,000 per year item above recited, it is found that after completion of electric installation our commuting lines in New Jersey will fail to pay the cost of operation and additional annual charges for interest on bonds and taxes by a sum in excess of \$1,150,000 per year.

The foregoing facts are related in order that the Company's commutation passengers may appreciate the problem which confronts it in considering what increases should be properly made in its commutation fares.

The Company cannot expect to make increases in fares so large as to produce sufficient revenue to discharge that part of the rental obligation of \$3,676,892 which is properly assignable to commutation traffic. In order that this business might pay the cost of operation and the additional interest charges on bonds, plus taxes, a horizontal increase of approximately 40% in all commutation fares would be necessary. On the other hand, however, the Company believes that its patrons will agree that it is entitled to an increase in view of the situation which confronts it.

The Company understands that in many of the communities within the electrified zone it is expected that a reasonable increase in fares will be made to help repay it for the cost of electrification.

Accordingly, after very careful consideration, the Company has decided to make a general increase in all of its commutation fares and to add to the general increase an additional fare to those commuters who will enjoy the manifest benefits and advantages of electrified service. The proposed increase will amount to approximately three and one-half cents per ride to and from Montclair and the Oranges, where a majority of its commuters reside.

The Company will be required, of course, to satisfy the National and State regulatory bodies as to the propriety of such increases. Meanwhile, should commuters desire, through a committee, to have representative and authorized accountants verify any of its figures by an examination of its books, it would welcome their so doing.

The Company assures all at interest that it fully appreciates how vitally interested they are in the cost of their transportation and that it believes it has fully recognized this fact in the schedule of fares which it has proposed.

Congestion of Autos.

NE third of all automobiles in the United States are contained within 127 cities. Chicago alone has one third of all the automobiles in Illinois. Minneapolis and St. Paul together have one fifth of all cars in Minnesota. Memphis citizens own one eighth of Tennessee motor vehicles. More than a fourth of California's cars are in Los Angeles. New York City, jammed in between the Hudson river and the Atlantic, has one third of the cars in New York.

A trifle less than one thousand cars are being purchased in Chicago every week—more than two miles of vehicles.

Traffic congestion is therefore a civic ailment that explains itself. Its remedy is as clearly evident as its cause. A peek into any city at eight, thirty in the morning and five in the evening reveals a throng of cars that is no more tangled than the nerves of their drivers. The remedy is not traffic lights, prohibitory parking, rules, and so on—the remedy probably is the provision of more space.

In most American cities the automobile has passed the peak of its utmost efficiency; it is on the down grade. Cars are becoming of less and less utility, this despite the fact that the economic and social value of motorization is increasingly evident.

The traffic problem directly affects the well being and comfort of a community; it is of such importance that every population center should develop a definite plan of procedure. Despite the urgent need for well directed city planning, less than 600 cities have city planning commissions.

The 1930 census shows that with but few exceptions American cities are growing rapidly. That, coupled with the sharpened appetite for motoring and commercial use of the roads, intensifies traffic congestion.

Although the wide pavement has demonstrated its effectiveness in relieving traffic congestion, there is still a scarcity even in the most populous cities where the need is greatest. City planning largely means adjusting, earlier mistakes. Large cities are faced with the problem of cutting through new rights-of-way to end bottlenecks and of cutting away the fronts of structures so that streets may be widened. Many smaller cities still have time to adjust themselves to motor traffic without undue expense.

Ancient Dower Chests

The dower chests of a former day were in this country usually made of pine. Some examples are in existence made of finer wood. Usually the chest contained a lid with a lid of its own. In this the silver was kept. The main body of the chest was designed to hold blankets, comforts and linens. Some chests had a drawer beneath, some had two drawers, and an occasional chest contained three drawers.

What the SUN Advocates

Believing that the following improvements are vital necessities to nourish Springfield's betterment and substantial progress, the SUN advocates:

1. A high school.
2. Removal of delapidated buildings which are "sorespots."
3. Sidewalks wherever needed.
4. Encouraging clean factories, to increase the ratables.
5. Better and more powerful street-lighting system.
6. Postal-carrier delivery.
7. Entire township under one Fire District.
8. Ample police protection in North End.
9. Set of Building Zones, before township is developed.
10. A county park.

Press Opinion

PARENTS GET WORST OF IT.

A committee of New York teachers has made a strong protest against "home work" for high school pupils. Irritation of being asked to "do problems" on which the old folks are a bit rusty, is one of the reasons, resulting from letters from annoyed parents.

"Parents, no matter how patient," pleads one teacher in the Woman's Home Companion, "aren't much use with home work. Methods have changed. Arithmetic, spelling, geography and history are taught in terms different from those which the elder generation remembers. Forty years ago the high school curriculum consisted of nine subjects. Today there are 250 different subjects covered in high schools. Any boy or girl may come home any night puzzling over matters which Father and Mother never thought of in school work.

"The lockstep grade system must cease, as must inflexible examinations. Parents, by registering a demand, will speed the day when every boy and girl is in some way an exception to hard and fast rules. Then normal children will be sent out with a sense of achievement, but not complaint."

A GOOD BILL.

(From The Palladian)

The greatest aid to regional planning along lines recommended by the Regional Plan of New York and its Environs will be found in the proposed bill of Senator Arthur N. Pierson which, if passed in 1931, will divide the state into four districts and create four governing bodies charged with certain duties in connection with problems that affect their respective regions.

Among the general powers of the commissions would be included that "to appoint, at the discretion of the commission, an executive officer to supervise and co-ordinate the works of the district and to study and recommend to the commission such public works and undertakings, together with the estimates of cost and recommendations for financing the same, as from time to time he may deem wise, and generally to act as executive and adviser to said commission, within such term, and at such compensation as the commission shall determine." This executive officer would be equivalent to a regional district manager, which is one of the most progressive aspects of the regional idea.

This pioneer effort in behalf of regional planning is highly commendable and deserves to become a part of the law of the state. It will be especially helpful to Northern New Jersey.

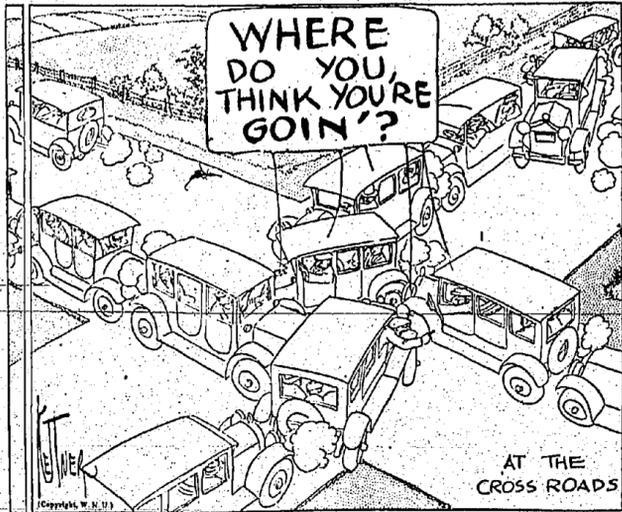

GRADE CROSSINGS

(From Linden Observer)

Probability that Linden will again demand recognition by the public utilities commission in the matter of grade crossings is indicated by the circulation of petitions urging the abolishment of the B. & O. crossing on the highway.

It would seem that, inasmuch as that railroad has declined to reco-

By H. N. Casson
(From Forbes Magazine)

The San Francisco earthquake, if I may use that forbidden word, cured hundreds of cripples. They jumped up and ran for their lives.

They weren't as badly crippled as they thought they were. They didn't know that they could run until their houses began to shake.

The Good Book, too, tells the story of a cripple whose weakness was more in his mind than in his legs. The Master said to him: "Rise, take up thy bed and walk." He rose and walked and carried his bed.

So, here is the thought that I would like to send out to the business men of America:

"You are depressed. You think you are crippled. You are afraid of the future. You are full of fears."

"You have half the gold of the world and half of the machinery and most of the automobiles and all the sky-scrapers.

"You have the greatest home market in the world and the largest corporations that the world has ever seen.

"You are ruled more by ideas and less by tradition than any other people in the world. You have usually done what you thought you could do.

"How can it be possible that a progressive nation of 120,000,000 people can be wrecked by the speculations of a little handful of fools in Wall Street?"

"The prices that were forced too high had to come down. Today all the prices are too low.

"There is now a golden opportunity for every man who has eyes to see it.

"Dollars are now being sold for thirty cents. Practically every security in the United States is now being sold at less than its value.

"The way to create a fortune is to buy from pessimists. Pay your money and take the risk.

"Frick started his career by buying coke ovens in the slump of 1873. Carnegie made \$300,000,000 by buying steel plants in slumps.

"Hundreds of fortunes have been made by buying from pessimists. Ye gods! What a chance there is at the moment!

"In five years from now, most American business men will belong to the wish-fuld Club.

"Then, it will be too late to buy a dollar for thirty cents. The opportunities will be gone.

"When a horse balks, the balk is in his head, not in his legs. He moves on when he thinks he will.

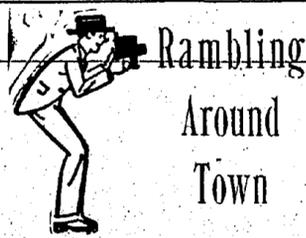

"And when an American business man is depressed, the slump is in his head. There is nothing serious to prevent him from making money if he thinks he will.

"When Fear rules the will, nothing can be done, but when a man casts Fear out of his mind, the world becomes his oyster.

"To lose a bit of money is nothing but to lose hope, to lose nerve and ambition—that is what makes men cripples.

"This silly depression has gone on long enough. Get rid of it. It is inside of you.

"RISE AND WALK!"

WRITING THIS COLUMN HAS BECOME at times most difficult for lack of proper material, but for this week, there's plenty of subjects on which to dwell....some speakers, especially political ones or automobile and bond salesmen, can say everything at once but with the typewriter, only one subject can be portrayed at a time....the Parent-Teacher's Association, which organized Tuesday in the James Caldwell, will certainly never fail to have proper support, as evidenced by a group of more than eighty-five in attendance and sixty-four persons having already paid their dues at the first meeting....the Red Cross Visiting Nurse Service is now available in Springfield with the offices in the Brookside Building, at 10 Flemer avenue....it will prove an advantage to have a nurse within the township's limits, than one from some other town....part of the expense for the service must be raised in the annual Roll Call next month, and everyone should help....lest you forget the coming campaign for funds, we shall remind you every week, so that it will be simpler to remember to start accumulating those pennies. Pardon but it seemed were in school talking like that....as a general rule, newspaper reporters are assumed to be handy at answering questions....we acknowledge defeat with this one: "Why is it that Flaherty, the sewer contractor, was discharged, according to an article in the SUN last week, and is still working around town?"....must we answer that?....it is referred, for that particular reader's benefit, to someone else....and an answer should be received by the time the two-hundredth anniversary of the Battle of Springfield is celebrated in 1980....a near panic was created by an innocent soul early this week, when he inquired as to where he could find eighteen unemployed men (count them)....after learning the nature of the work required, the interested gentlemen suddenly became disinterested and though they'd prefer to loaf....some good golfers were developed in the miniature golf tournament of the Democratic Club last week....the two first-place occupants were tied with a score of 89 for thirty-six holes....look out for your laurels, Bobby Jones!....the first annual Patrolmen's Benevolent Association dance will be held on Armistice Day....

To the Editor of the SUN:
To all the members of the Women's Republican Club who received postal cards calling a meeting for October 2nd, 1930 at the home of Mrs. John J. King, that this meeting was not voted upon by a quorum of the Executive Committee and therefore was unauthorized.

The regular meeting of the Women's Republican Club will be held Monday, October 6, at 8 P. M. in the Lions Club rooms, at which time a Rally for Republicans will also be held, under the auspices of the Springfield Republican Club.

HILDA B. GILLIS,
Secretary of the Women's Republican Club of Springfield

Springfield, N. J.
October 2, 1930.

To the Editor of the Springfield SUN:
Dear Sir:

It will interest the people of this community to know that officials of Newark Chapter, which is underwriting our Red Cross Nursing Service,

started October 1st, and the National Red Cross Field Supervisor of Nursing, have commented on the "wonderful spirit of co-operation" shown in the inauguration of the service.

Appreciation is due the Springfield Township Committee for supplying quarters for the nurse; to the firm of Bunnell Bros., Inc., in whose office is the extension of the nurse's telephone, so that calls for her may be received by a member of the firm's staff, in her absence; to the Lions Club of Springfield, who have generously offered the use of the club-room for the baby clinic which will be started in about two weeks; and to the Neighborhood Association of Millburn, which, having recently purchased a baby scale has given us the scale formerly used. This scale, after comparatively inexpensive repairs have been made, will be used in the Red Cross baby clinic.

Encouraged by the splendid co-operation received, we feel certain that the rank and file of our citizens will respond with equal generosity in the coming Roll Call. From the proceeds of the Roll Call must be defrayed the cost of bedside nursing of

those in our community who are sick and unable to pay.

Membership in the Red Cross is \$1. a year. Of this 50c is sent to Washington Headquarters for national and international work, and the remainder stays in the Branch Treasury for local use. Donations by individuals or families over and above the \$1. membership fee also remain in the local treasury.

Cordially yours,
M. M. HORSTER,
Chairman of Springfield Branch.

Mrs. Benjamin F. Heard, Jr., of Morris avenue has been ill with laryngitis.

ELIZABETH WINS OVER HILLSIDE IN SERIES, 8-2

The Elizabeth A. A. drew first blood in the 1930 championship series of the Union County League at Warinanco Park Sunday by whipping the Hillside A. A. to the tune of 8 to 2, and to capture the honors must win tomorrow at the same field, or else stage a third game to decide which is the 1930 champions.

Big Ed. Friberger of East Orange, ace of the Millburn Lackawanna team this year and one of the most effective pitchers in the circuit, hurled for the losers and was nicked for sixteen healthy wallops. Collie Velbinger, youthful right-hander of the Elizabeth team, who crushed Springfield several weeks ago, 4 to 0; allowed the Hillside only eighth scattered hits, and with the aid of the latter's sloppy fielding, walked away with a win.

Home runs by Hoskin of Hillside and Rankin of Elizabeth featured. Manager Al Lorenzo of the winners was the hitting star with three singles. Hillside: 0 0 0 1 0 1 0 0 0—2. Elizabeth: 0 0 1 2 0 3 0 2 x—8. Batteries—Hillside, Friberger and M. Ryan; for Elizabeth A. A., Velbinger and Lorenzo.

TUSCANS WIN, LOSE SUNDAY AT OLYMPIC PARK BALL GROUNDS

Beaten by Mapes in Morning, Revenge Selves on Braves in Afternoon Tussle

The Tuscan Farmers divided a double-header Sunday, defeating the Elizabeth Braves, 3 to 1, and dropping the other tilt to the Maplewood Mapes, 12 to 0, at the Olympic Park Stadium, Irvington.

Grot on the mound for the Tuscans in the morning game was knocked out of the box in the sixth and was relieved by Happy Miller, who completed the game.

"Red" Handzo started on the hill for the Braves and was nicked for a run in the first inning on hits by Masson and Jacobus. The Braves tied the score in the sixth when Alvarez singled, stole second and third and centered in on Dreesen's hit. But in their half the Farmers put the game on ice when Dray won his own game with a home run, scoring McGovern, who had walked, ahead of him.

Dray held the Betystownres to seven hits and fanned seven. The winners collected ten safeties, with Jacobus leading the onslaught, driving out three safeties.

Scholastic Raiment

The wearing of caps and gowns in American schools was comparatively rare until the last quarter of the Nineteenth century. A movement toward a general adoption of a uniform system resulted in the calling of an intercollegiate commission, which met in 1894 at Columbia university under the chairmanship of President Low. Yale, Princeton and New York university being also represented.

Busted

Little Richard, aged four, had been watching the sun set with great interest. When the sun had sunk halfway below the horizon he turned to his mother and said: "Oh, look, mother, the sun is busted."

Why We Do What We Do

By M. K. THOMSON, Ph. D.

WHY WE ARE NEVER SATISFIED

NONE of us is completely satisfied. Before we get what we want we think we are going to be thoroughly happy, but always there is something ahead of us that we are looking forward to.

Complete satisfaction means stagnation, death and decay. There is no greater spur to achievement than the desire to reach a notch higher in the social scale, in one's profession, in expanding a business, in making money, or whatever it is that we are striving for.

We are never satisfied, because we live in an imperfect world. No matter how far we may go in any line of activity there is always room for improvement.

The average man thinks he would be satisfied if he could run a hundred yards in ten seconds. But the athlete who can run it even a little under ten seconds is all the more eager to run it just a little faster.

The more we have the more we want; the more we can do the more we want to do.

Dissatisfaction is a mark of ability and ambition. It is often the mark of progress. The man who aims at a target on the ground close by may hit it with ease while the man who aims at the sun shoots much higher although he will miss his target by a big margin.

There is less chance for perfect satisfaction for a man of skill and ability than for the poor fellow who has nothing and can do nothing. The English philosopher, James S. Mill, must have sensed this psychological truth when he said, "It is better to be a human being dissatisfied than a pig satisfied; it is better to be a Socrates dissatisfied than a fool satisfied."

STARS PLAY AT WEST ORANGE THIS SUNDAY

A contest between the Springfield Stars and the West Orange B. B. C. has been arranged for Sunday afternoon at 3 p. m. in West Orange. Cecil Spittler will pitch for the locals, and his teammates will consist of the regulars of this year's team. The playing grounds are at the Melteaf Diamond, in Main street.

The Stars will face the Elizabeth Braves in two games Sunday, October 12, at Warinanco Diamond No. 1, in Elizabeth.

MANY ENTERED IN GOLF TOURNAMENT

More than 100 persons were entered in the 36-hole miniature golf tournament held last Friday night at Warner's court, at the corner of Morris avenue and Alvin terrace, under the auspices of the Springfield Democratic Club.

Three prizes were awarded in both men's and women's division for the lowest scores. Robert Potter, son of Howard L. Potter, the Democratic Freeholder candidate, tied with T. G. (Bud) O'Mara for first place among the men, with a score of 89 each, nine under par. The play-off between the two will be arranged, and the winner will be given a regulation putter, and the runner-up a carton of cigarettes. Frank Cardinal, with a score of 91, captured third place, and C. S. Gardner was fourth with 92.

Among the women, Miss W. Christian was first with a score of 106; Mrs. Earl Warren next with 109, and Miss Florence Wiele was third with 111. The winner received a pair of silk hose and a box of candy.

Vincent Shea, chairman of the entertainment committee of the club, was in charge of the affair. William C. Davis was the secretary and Ernest Reeve acted as score keeper.

Summit Legion Plans First Anniversary

Arrangements have been completed for the celebration of the first anniversary of Summit Post 138, American Legion, in its new home at Park avenue and Elm street, which will be held Saturday evening, October 11.

Every Summit patriotic organization will take part in the observance and city, county, and state officials will be invited to attend. Assemblyman Thomas Muir of Plainfield and Mayor Edward B. Townley are expected to make addresses.

Hindu Spring Festival
Savitri Naidu, in a footnote in her volume of poetry, "The Scattered Flute," says that the Vasant Panchami is the spring festival when Hindu girls and married women carry gifts of lighted lamps and new-grown corn as offerings to the goddess of the spring and set them about on the face of the waters.

BALLOTS WILL HAVE COUNTY PARK ITEM

Commission Seeks \$300,000 to Carry on Program

At its meeting of September 26, The Union County Park Commission passed a resolution authorizing the placing on the ballot, to be voted at the forthcoming election, the question of adopting the 1906 Supplement of the Park Act of 1895 which provides \$300,000 for county park purposes. This money would be raised by the sale of county park bonds which are retired annually over a period of fifty years. It is proposed to use this amount for the continuation of the gradual development of the park system, including the acquirement of the most necessary remaining lands over a period of time, the length of which will be determined by economic conditions. This amount is fixed by the above mentioned statute, which is the next one in order to be authorized by the voters of the county.

Progress was reported on the development program for the year, includ-

ing the completion of lakes at Warinanco, Echo Lake and Nomahegan Parks; the revamping of Wheeler Park in Linden due to the construction of the new State highway; the development of additional soccer fields in Mattiano and Green Brook Parks; tennis courts in Cedar Brook Park, the completion of the third nine holes at Galloping Hill Golf Course in Union, and the completion of the main drive leading from Summit lane, across Lake Surprise to Glenside avenue in the Watchung Reservation.
