OFFICIAL NEWSPAPER
TOWNSHIP OF SPRINGFIELD

PRICE FIVE CENTS

DAY HEARING TO BE HELD MONDAY NIGHT

Rambling Around Town

IT'S BEEN FIVE TIMES at least since the "problem" stores in Morris avenue and Center street have been up for foreclosure in the past few years and now perhaps something might be effected to rid Springfield of the menace . . . the deserted building with open front and posted signs gives the impression of an unclean appearance and breeds unfavorable comment from prospective resident and land buyers . . . the sale is due October 19 and the Township Committee, it is understood, is keeping close check to learn the identity of the buyer or buyers so that they will be requested at once to correct the situation . . . Bell, the fire department's dalmation pet, anticipates not merely a blessed event but the plural of this expression . . . it will be at least two events if not more . . . we shall see what we shall see . . . an advisory committee of five members will be named shortly to assist local emergency relief director and deputy in handling the situation this winter, the Rambling Reporter has learned . . . thus, the burdensome detail attached to relief aid will be distributed to various sources . . . we may soon be seeing dirt fly at the Center when Mike Dandrea, local butcher, starts to construct a building in Morris avenue opposite the post office . . . Mike expressed surprise several weeks ago when this column mentioned his plans and went as far as to say there was nothing to it . . . but if this column said the building would go up, it will be there, and not far off . . . optimistic signs of recovering from a fall-down in local building operations is revived in the activity in Baltusrol Hills where a dwelling is being constructed; the first signs of work there in the last few years . . . the noises Tuesday night around Center street which sounded as loud as the 100,000 spectators at the recent Olympic games was not due to radio static, dropping of steel bars, cock fights or similar pastimes but merely the start of the bowling league schedule for the next five to six months . . . unusual excitement afforded gazers an opportunity to particularly hear as well as see their friends in playful competition . . .

BIKE AND REPAIR SHOP OPENS HERE

The Springfield Bicycle and Repair Shop has opened in the Sickley Building, Morris avenue. Emil Wilhelm, Jr., in charge of the shop, had been receiving township aid as an unemployed resident and is seeking to establish himself with a repair shop with a boast that he will repair anything than can be repaired in odds and ends about the house.

Thos. Hankins, Jr. Chosen President; Directors Elected

About 85 Signify Willingness to Become Members of New Association

The Springfield Taxpayers' Association organized Wednesday night in the Municipal Building with more than 100 residents present. About eighty-five signed membership applications.

Thomas J. Hankins, Jr., was temporary chairman. Later he was chosen president of the organization.

Discussion arose over the question of restricting membership strictly to property owners. William J. White favored restriction. John E. Gunn opposed it and pointed out rent payers indirectly affected taxes paid by landlords. Edward Cardinal, Sr. said numbers were important at such an organization and favored permitting both landlords and rent payers to be eligible for membership. It was finally decided to grant membership to all.

E. B. Elwell, field secretary of the New Jersey State Taxpayers' Association and Charles Stoker, president of the Irvington Property Owners' Association, spoke. They cited the large increase in taxes in the past few years in proportion to the population increase in the state.

Elwell said: "We should spend municipal money just as carefully as we would that out of our own pockets. We have been living about 30 per cent beyond our income," he said, pointing to increase of delinquent taxes. He urged the association to inform itself on governmental questions and to offer constructive criticism. "It does no good to form a tax association and just go to meetings and holler," he said.

Elwell said the state group would work for repeal of laws creating mandatory appropriations for municipalities this year. Stoker told of the Irvington association's work and said the aim of all such groups was a business, not a political administration.

The following were chosen as directors: E. W. Cunningham, Walter S. Jacobus, John D. Lee, Mr. Hankins, Wilbur D. Schuster, Edward Jaekel, Dr. William G. Huff, Wilbur W. Parsell, Charles S. Quinzell, George Wagner, John E. Gunn and Charles A. Schaffernoth. Three vacancies on the board will be chosen at a later date.

Other officers beside the president are: vice-president, Mr. Jacobus; secretary, Mr. Schuster and treasurer, Mr. Lee.

It was explained at the meeting that since the association was to be non-partisan, political candidates or active political workers could not hold office in the taxpayers group.

Arrangements are being made to hold a first public meeting on Thursday, October 13. The place will be announced later.

CANDIDATES HEARD BY DEMOCRATIC CLUB

Fred C. Hyer, congressional candidate, George W. Harrington running for Assembly and J. Francis X. Barnes, aspirant for coroner, spoke last night before the Springfield Democratic Club at Headquarters, Morris avenue and Keeler street.

Support of the entire ticket was urged. The club will meet next Friday night at which time the local party platform will be announced.

Completing Arrangements For Clothes Distribution

The public responded generously to the appeal of the Emergency Relief Committee, last Friday it was stated this week by the director, Lewis P. Macartney, and the clothing which was collected has been fumigated and sorted. It is planned to give out the clothing two afternoons each week, between the hours of 2:00 and 4:30, from the vacant store in the Lichtenstein building. As it has not yet been decided which days will be selected, a poster will be placed in the store window on Saturday, giving this information. It is announced that clothing will not be given out at an other time.

Singing Group Opens Wednesday

Notices have been sent members of the Springfield Choral Society for the first rehearsal in the Municipal Building next Wednesday night at 8 o'clock. Members have been requested to invite anyone who is interested to join in this community organization and the ability to read music fairly well and "carry a tune" are the only requirements for membership.

The society comprised thirty active members last season and it is the hope of the officers and directors to increase this to forty.

Members of church choirs in the vicinity are particularly invited to give the society the benefit of their services and in return receive additional training under the splendid direction of Herald A. Jones.

Residents of adjoining towns have been invited to attend rehearsals through news items in their local newspapers.

An opportunity to become acquainted with your neighbors is opened to newcomers in the township through the good fellowship which prevails at rehearsals and concerts of the society.

The Christmas Concert which will be held on December 21 includes many interesting and novel features.

Dorothy Deller to Wed Tomorrow

The wedding of Miss Dorothy Deller, daughter of Mr. and Mrs. Frank G. Deller of 72 Battle Hill avenue, to Francis Baird, son of Mr. and Mrs. Allan Baird of 182 North Eleventh street, Newark, will be solemnized tomorrow afternoon at 5 o'clock in St. Stephen's Episcopal Church of Millburn. The Rev. Hugh W. Dickinson, rector, will perform the ceremony.

The bride will be given in marriage by her father and Miss Virginia Deller, sister of the bride, will be maid of honor. Miss Cecelia Dunleavy of Maplewood will be bridesmaid and George Cornell of Peoria, Ill. will be best man. Ushers will be Stewart Deller and Elmer Smith of Springfield, brother and cousin of the bride.

Following the wedding, a reception will be held at the home of the bride's parents. After a ten day wedding trip to the South, the couple will reside at 2666 Emerson avenue, Union.

Miss Dunleavy entertained at an alumnus shower in honor of the bride-to-be at her home in Maplewood last Thursday.

Town Committee to Judge Trial of Suspended Cop

Relief Assistant Yet to Be Named

Township Committeeman Lewis F. Macartney, local relief director, will not name a deputy as successor to Fred J. Hodgson until next week, he informed the SUN yesterday.

Mr. Hodgson resigned from the emergency relief office last week due to the work conflicting with his duties as supervising principal of local schools.

Henry G. Nulton, county director, will confirm the deputy appointment here upon the recommendation of Mr. Macartney. There are several names under consideration, the local director stated.

Over 200 Attend P.T.A. Meeting

Over 200 persons attended the first fall meeting of the Parent-Teachers Association Monday night in the James Caldwell School. Mrs. Charles G. Nelson, president, conducted the meeting. It was one of the largest gatherings in the history of the organization.

The second grade in the James Caldwell School with Miss Grace Charlton, won the attendance banner.

Supervising Principal Fred J. Hodgson welcomed the members and friends and explained that the decision of the school board to temporarily vacate manual training and domestic science rooms was due to the overcrowded condition in local schools.

Dr. Henry P. Dengler, local health officer, will speak on health at the October afternoon meeting of the P. T. A.; it was announced.

It was also announced that instead of weekly gymnasium classes as in the past, a period of recreation will be held each Thursday, starting next week, at which time games and an interesting program will be scheduled.

A reception to teachers and a social hour followed the business meeting. Mrs. Alfred G. Trundle, hospitality chairman, headed a committee in charge of refreshments.

Mrs. John E. Gunn will be the local delegate at the all-day Congress of Union County P. T. A. groups in the Linden High School on Friday of next week, October 7. All members are invited to attend the affair which will be held at 10:30 in the morning and in the afternoon.

REPUBLICAN CLUB TO DANCE TOMORROW

A dance will be held tomorrow night in Evergreen Park under the auspices of the Springfield Republican Club. Tickets are being sold at seventy-five cents which admits gentleman and lady.

evening. Tau Gamma Phi Sigma Sorority, of which Miss Deller and Miss Dunleavy are members, attended in full membership.

A subscription to the SUN will keep you informed of all local items of interest.

Date Set After Chief Files Charges of Inefficiency and Gross Neglect

SPECIFIC DATES ARE SHOWN ON COMPLAINT

The Township Committee has set next Monday night to hear charges of inefficiency and gross neglect against Patrolman Manning Day, Jr. The date was made last Monday after filing of charges by Chief of Police M. C. Runyon. Day was suspended from duty September 13.

The charges specify Day with being late in making duty calls on twenty-six days from June 2 to September 13, the time ranging from five to twenty minutes; with reporting for duty from two to thirty minutes late on June 23, July 2 and 24 and August 12, and failing to report at 8 A. M. September 13 as ordered by a superior officer in the department.

The hearing will be held in the committee room and should a defense be made by the suspended patrolman, Charles W. Weeks, township counsel, will prosecute for the Township Committee.

An ordinance authorizing \$143,000 in sewer bonds as the township's share of the Rahway Valley Trunk Sewer and disposal works in addition to interest charges and other miscellaneous expenses, was passed on first reading. It will be given final consideration at a hearing October 11.

Finance chairman Alfred G. Trundle explained that the amount had been authorized in short term notes by a supplemental ordinance passed during the summer. He told the board it would be easier to sell long term permanent bonds and that the interest rate would be about the same in either case. There will be bidders for the bonds, he explained.

The request of Joseph Miller of Mountain avenue to pay \$100 of a \$300 license fee for a second hand auto material business, was granted. The license was made with a provision he pay the balance within thirty days or forfeit the permit.

A resolution was passed to permit the Hartshorne Estate to connect their lateral system into the local sewer trunk. The estate will be assessed in proportion for the benefits derived.

Mr. Weeks informed the board the deserted stores in Morris avenue opposite Center street would probably be sold at a sheriff's foreclosure sale late in October and that the prospective purchaser might demolish the building. The vacant stores have been a problem to the committee for several years and has been condemned as a menace and eyesore. It had been difficult to locate the owners due to court litigation.

SEVEN MOTORISTS PAY FINES FOR SPEEDING

Seven motorists were fined \$2.50 each on speeding charges by Recorder Spinning in police court Monday night. Frank Shoschiar of 1102 Broad street, Newark, charged with speeding fifty-six miles an hour in Morris avenue, paid \$7.50 and Givers Gist, negro, of 6 Prospect place, Newark, was fined \$10 and costs for driving without a 1932 drivers' license.

Church last Friday night. The carried baskets of clams, corn and chicken dinners from the "oven" on the grounds to the dinner tables. The fact they were to receive a supper must have been responsible for the speed the boys displayed.

Meeting tonight at 7:30 in the James Caldwell School—THE NEWS SCOUT.

G. O. P. TO HOLD OPEN MEETING NEXT FRIDAY

The Springfield Republican Club will hold an open meeting in the Lions Club Rooms, Flene avenue, Friday of next week. Outside speakers from Elizabeth and Westfield in addition to local candidates, will be heard. The meeting is open to all residents.

Troop 66 held its second official meeting this fall last Friday night in the James Caldwell School and troop officers spoke. Scoutmaster Hoagland announced a change in troop officers, with Francis Krycher as quartermaster and Adolph Shubert as scribe.

Assistant Scoutmaster Venn announced that instead of collecting weekly dues of ten cents, lots are now to be paid in fifty cent amounts, eight times a year.

Assistant Scoutmaster Selander discussed troop games to be held at future meetings. The troop made plans for three hikes and three rallies. A trip to the New York Aquarium and Bronx Zoo was mentioned. Troop members paraded last Sunday before a reviewing stand of the Lions Clubs of the county at Warinanco Park, Elizabeth.

OOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
"OUR LIBRARY"
OPEN
 Monday, 7:30 to 9:30 P. M.
 Wednesday, 2:30 to 5 P. M.
 Friday, 7:30 to 9:30 P. M.
 OOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The most important thought we have in mind this week is that the whole township ought to be glad there is such organization as the Boy Scouts.

Our library has always had in mind making free good reading available for all in this community. We have known that there were probably a number of people with much time on their hands who could not for reasons beyond their control get to the library to use it; and yet they want to read.

So as soon as we raised our finger, so to speak, up jump the alert Scouts to be of service. With such a spirit instilled, our town ought to have a good list of outstanding citizens to carry on in public service.

The book committee moves new literature from the pay shelf to the free shelves as rapidly as they pay for themselves. Thus, we are able to secure for our readers books which we otherwise would not have funds to buy.

The following books with authors are

now on the free list and available without cost: "Nonsuch," Beebe; "Green Talows," Hult; "The Heart of George Washington," Babcock; and "American Beauty," Ferber.

For the reader who has a "yen" for intimate knowledge of the stock from which the country sprang, there is a choice volume on our shelves. Samuel Eliot Morrison has given us a wealth of information in "Builders of the Bay Colony." And if you want to read of real difficulties and privations, get Harriet Connor Brown's "Grandmother Brown's Hundred Years 1827-1927," a story of sturdy stock and how they broke into new territory for settlement.

POINTS ABOUT THE NEW BRUSH

This new, narrow, long-handled paint brush makes many kinds of household painting so much easier, quicker and cleaner, that we feel it deserves a distinctive name indicating its outstanding qualities, instead of the present designation of "5315 Sash." You can reach further with this brush; it keeps you cleaner because you are further away from wet paint and it won't fall into an open can of paint when laid across it. Try it out and discover other good points for yourself!

Library Convenience For Invalids Is Noteworthy

VERY practical indeed is the innovation arranged by local library officials and Boy Scouts to co-operate in taking desired books to convalescents and others confined with illness to and from the Springfield Free Public Library.

Not only does the plan illustrate the far-reaching scope of the Library Association in furnishing as much service as may be had, but it clearly displays co-ordination of volunteer spirit between two noble organizations, one a volunteer body and the other a character-training institution, both working for a common good to their community.

The township should be proud of the library's remarkable growth since its inception early this year with an ever-increasing number of volumes and borrowers. Closer ties in organization duties are being molded and it may not be long before residents will be able to enjoy still greater benefits in the form of a volume assortment although for a municipality our size, Springfield is to be congratulated for even possessing a library.

When it is taken into consideration that the library operates purely on donations and volunteer services without financial municipal assistance, residents may take pride in pointing to one of the township's most recent and self-supporting betterments.

SPRINGFIELD

Population—1930 census 3,725; 1920, 1715. Assessed valuations—1931, \$5,481,774. Tax rate, 1932—Township, \$3.22; state and county, \$1.00. Incorporated 1837; settled early in 1700's. Springfield is essentially a township of homes. It is 55 minutes from New York City on the electrified D. L. & W. Railroad and has excellent bus connections to Newark, Elizabeth, Summit and Plainfield. The railroad stations at Millburn and Short Hills are less than a mile from Springfield Center. The Rahway Valley Railroad has a freight station in Springfield, giving service for factories, commercial and industrial purposes. State Highway Route 20 makes it convenient to reach New York in thirty minutes by car when completed. Numerous state and county highways pass through the township. It has good streets; water; gas; electricity and a newly opened sanitary sewer system. Of interest in Revolutionary history with its historic Presbyterian Church where Rev. James Caldwell ord. MATTER of OPINION

A Woman Looks at Springfield

The explanation given by Township Committeeman Alfred G. Trundle will seem reasonable to every fair-minded person, who has hitherto been irritated by the policy of the Township Committee in enforcing the ordinance calling for the hooking up with the sewer by July 1. If this explanation could have been made earlier it would have prevented considerable ill-feeling and harsh criticism.

That this was not practicable was not the fault of the Township Committee. After all the delay caused by court proceedings and other complications, permission to use

the sewer was granted and the accomplished fact that the majority of the homes were connected up, was the safest guard against efforts to obtain another injunction. To state this publicly, at that time, would have been injudicious. This is an instance of public officials shouldering blame because for diplomatic reasons they are barred from taking their constituents into their confidence.

PRIZE CONTEST

Our teacher said she would give two prizes in June, one to the person who does the most work and gets the best mark and one who makes the most improvement during the year.—**HAROLD BERRY**—Grade 5B.

7A NOTES

7A has elected these officers: president, Gene Morrison; vice-president, Wendell Collins and secretary, Carolyn Harmon.—**CAROLYN HARMON**.

GRADE 8 WINS

The proposed return game of soccer between Grades 8 and 9A was played Monday afternoon. Grade 8 won, the score being now even, each grade having won a game apiece.

STUDYING HISTORY

In our 6B history we are studying about Egyptians of long ago. The Egyptians built pyramids which are one of the wonders of the world. Egypt is on the coast of the Nile River.—**AUDREY HAMBROCK**, Grade 6B.

MAKING SEEDS

Each separate part of a flower has special work to do. The bud is protected by the sepals and the calyx. The stem holds the flower and rests on the torus. The petals and corolla attract the bees which are after nectar. The stamens contain pollen. The bees put the pollen on the pistil and it goes to the ovary and fertilizes the seed. Then the seed begins growing. It's aim is to make a new flower.—**WILLIAM PEEPER**, GRADE 5.

OUR CLASS ROOM

We have interesting pictures in our classroom, made by pupils. Some show elephants, boats and a Khan.—**ROBERT TANSEY**, Grade 4.

Held Food Sale

The Sunshine Society held a food sale last Saturday morning in the Quinzel Building, Morris avenue. The committee in charge consisted of Mrs. Charles Searns, Mrs. J. W. Shawcross, Mrs. Charles S. Quinzel, Mrs. George W. Parsell, Sr.

Study Group to Meet on Tuesday

The first fall meeting of the Child Study Group of the P.T.A. will be held next Tuesday evening at 8 o'clock in the kindergarten room of the James Caldwell School. The subject for discussion will be "Has Your Child an Appetite?" Everyone is invited to attend.

The year's program will be based on the All-Round Health course given in the magazine "Child Welfare." Speakers from time to time will be heard on co-related subjects.

The first of a series of radio talks will commence Tuesday afternoon over station WOR at 2 when Mrs. Marion F. McDowell, child training specialist on parent education and a member of the extension service staff of the N. J. College for Women, speaks on "What the First Six Years Mean to the Next Sixty." Members of the group and the public are urged to listen to this interesting program.

Auto Prize in Naming Brush

The Huff Hardware Company of 269 Morris avenue is announcing today the opening of an unusual contest sponsored by a nationally known paint brush manufacturer.

The contest is really a nation-wide christening party for a new long handled flat sash brush which has been developed. All those who harbor a suppressed desire to name Pullman cars can turn their efforts to finding a name for this brush. In this case, however, if you pick the right name, you may find yourself the proud owner of a new Plymouth Four Door Sedan.

The author of the winning name will be awarded a four-door Plymouth Sedan. For the second best name, a Plymouth two-door sedan is offered. The writers of the twenty-eight next best names will receive \$100 in gold, \$50 in gold, \$25 in gold and twenty-five ten dollar gold pieces in their respective order of merit.

County President Heard by W.C.T.U.

Mrs. Ada S. Nodocker of Roselle, county president, spoke at the monthly meeting of the local W. C. T. U. in the Methodist Episcopal Church Tuesday afternoon. Mrs. Nodocker described her visit to the national convention in Seattle and displayed pictures, cards and flowers in relating the receptions given delegates on their special train at stops for inspection.

Special mention was made of the address of Mrs. Virginia Booth Demarest who told of her work in the slums of London and Paris where she saw the evils of liquor traffic, despite the legalized liquor there.

Four delegates attended the county convention in Cranford last Friday and the absence of Mrs. Nina G. Frantz, state president, was greatly missed.

All members of the W. C. T. U. organization are being urged to work for the

TOWNSHIP OF SPRINGFIELD
COUNTY OF UNION
AN ORDINANCE AUTHORIZING THE ISSUANCE OF \$13,000 ASSESSMENT BONDS OF 1932 OF THE TOWNSHIP OF SPRINGFIELD, IN THE COUNTY OF UNION, NEW JERSEY.

BE IT ORDAINED BY THE TOWNSHIP COMMITTEE OF THE TOWNSHIP OF SPRINGFIELD, IN THE COUNTY OF UNION, NEW JERSEY. Section 1. For the purposes stated in Section 3 of this ordinance, bonds of the Township, to be known as "Assessment Bonds of 1932", are hereby authorized to be issued in an aggregate principal amount of \$13,000 in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled: "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by a board of commissioners", approved March 22, 1910, constituting Chapter 262 of the Pamphlet Laws of 1910, and the acts amendatory thereof and supplemental thereto.

Section 2. Said bonds shall be dated September 1, 1932, and shall mature in the principal amount of \$13,000 on September 1 in each of the years 1933 to 1938, both inclusive, and \$2,000 on September 1 in each of the years 1939 and 1940, shall bear interest at the rate of six per centum (6%) per annum, payable semi-annually on the first days of March and September in each year until maturity, shall be in the denomination of \$500 each, numbered in order of maturity and in such form as shall be determined by resolution.

Section 3. The proceeds of sale of the said bonds shall be applied to the permanent financing of that part of the cost of the following local improvements which has been specially assessed on property specially benefited thereby or increased in value by reason thereof, including the payment of temporary bonds, notes or other temporary obligations heretofore issued and outstanding therefor: Construction of sanitary sewer in Henshaw Avenue, Lyon Place and Tucker Place, together with necessary house connections, manholes, flush tanks and other appurtenances, assessment confirmed March 28, 1932, last installment becomes delinquent March 28, 1930, \$13,000.

It is hereby determined that the said capital assessment has been duly confirmed; that the purpose, date of confirmation and date of delinquency of the last installment of such special assessment and the amount of such special assessment outstanding and unpaid at the date of introduction of this ordinance is as above stated; and that the amount of money necessary to be raised for the said purpose is \$13,000.

Section 4. The following additional matters are hereby determined and declared: (a) The period within which the said bonds shall be paid, computed as provided by the Act hereinabove referred to, taking into consideration the amount of bonds to be issued on account of the said purpose, is eight (8) years. (b) The net debt of the Township, computed in the manner provided in the said Section 12 of said Act is \$328,008.19. (c) The average assessed valuation of the taxable real property (including improvements) of the Township, computed upon the next preceding three valuations thereof, in the manner provided in Section 12 of said Act is \$5,000,117.00.

(d) The statement required by said Section 12 has been made and filed as therein required. Section 5. All funds derived from the special assessments referred to in this ordinance shall be paid into a trust fund account, and shall be paid out only to meet the principal and interest of the bonds hereby authorized, but said bonds shall be general obligations of the Township, and insofar as special funds may be insufficient for such payment of principal and interest, said bonds and interest shall be paid by general tax on all the taxable property within the Township.

The Fire District now being co-terminous with the Township, it is advisable that a Fire Department be established and the control be taken over from the Board of Fire Commissioners. The ordinance passed by your Committee on October 27th, 1931, does not appear to have received the approval of the Voters required. The question should be brought up again in such form as your Counsel may advise. It will be seen from the balance Sheets Exhibit A-1 and Exhibit B-1, that there is a balance of \$938.82 due to the Current Division from the Trust Division. This amount should be transferred from the Trust Cash to the Current Cash. The details making up this balance are shown on Schedule Aa-7 in the Current Division and Bb-2 in the Trust Division. The Surplus Revenue should be accumulated until the classification shows a free balance. The Classification for 1931 is shown under "Analysis."

The report of Audit is on file in the Township Offices. By order of the Township Committee. R. D. TREAT, Township Clerk. Dated September 27, 1932. Sept. 30-Oct. 7

Section 6. All ordinances or parts of ordinances inconsistent herewith, but to the extent only of such inconsistency, are hereby repealed. This ordinance shall take effect at the expiration of ten (10) days from the date of its publication after final passage as provided by law.

TAKE NOTICE that the foregoing Ordinance was passed and approved on final reading on the 30th day of August, 1932. The bonds authorized hereby will be issued and delivered after the 21st day of October, 1932, and any suit, action or proceeding to set aside or vacate this Ordinance must be begun within twenty-one days after the publication of this statement. Such bonds will not be issued if protests against the same are filed under Section nine (Chapter 262, P. L. 1910) as amended, unless a proposition for issuance thereof shall be adopted at an election under said section.

R. D. TREAT, Township Clerk. Dated September 28, 1932.

AN ORDINANCE AUTHORIZING THE ISSUANCE OF \$143,000 SEWER BONDS OF 1932 OF THE TOWNSHIP OF SPRINGFIELD, IN THE COUNTY OF UNION, NEW JERSEY.

BE IT ORDAINED BY THE TOWNSHIP COMMITTEE OF THE TOWNSHIP OF SPRINGFIELD, IN THE COUNTY OF UNION, NEW JERSEY. Section 1. Bonds of the Township to be known as "Sewer Bonds of 1932," are hereby authorized to be issued in an aggregate principal amount of \$143,000 in pursuance of provisions of an Act of the Legislature of the State of New Jersey, entitled: "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by a board of commissioners", approved March 22, 1910, constituting Chapter 262 of the Pamphlet Laws of 1910, and the acts amendatory thereof and supplemental thereto.

Section 2. The said bonds shall be dated October 1, 1932, shall mature in the principal amount of \$3,000 on October 1 in each of the years 1934 to 1946, both inclusive, and \$4,000 on October 1 in each of the years 1947 to 1972, both inclusive; shall bear interest at the rate of five and one-half per centum (5 1/2%), five and three-quarters per centum (5 3/4%), or six per centum (6%) per annum, as shall hereafter be determined, payable semi-annually on the first days of April and October in each year until maturity, shall be in the denomination of \$1,000 each, numbered in order of maturity and shall be in such form as shall hereafter be determined by resolution.

Section 3. The proceeds of the sale of said bonds shall be applied to the permanent financing of the following, including the payment of temporary obligations heretofore issued and outstanding therefor: Township's share of the cost of constructing the Rahway Valley Trunk Sewer and Disposal Works under a supplemental contract by and between the Township and eight other municipalities participating in the construction of said Trunk Sewer and Disposal Works under and by virtue of an act of the Legislature of the State of New Jersey, entitled: "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by a board of commissioners", constituting Chapter 36 of the Laws of 1930, as amended and supplemented during the statutory period of construction on the Township's share of amounts expended for said Trunk Sewer and Disposal Works \$81,598.00

Cost of issuance and sale of the bonds herein authorized \$600.00 Total \$143,000.00 It is hereby determined and declared that no part of the cost of said improvement has been specially assessed upon the property to be benefited thereby, that the amount of interest accruing during the construction period and the cost of the issuance of bonds are as stated above and shall be deemed to be part of the cost of said improvement, that said improvement, including said interest and said cost of issuance of bonds, represents capital expenditures and not current expense within the meaning of the Act first above referred to, that the purposes of above set purposes for which bonds may lawfully be issued under the provisions of said Act, and that the amount of money necessary to be raised for said purpose is \$143,000.

Section 4. The following matters are hereby determined and declared: (a) The probable period of usefulness of the purposes for the financing of which these bonds are to be issued within the limitations of the act last hereinabove referred to, computed as therein provided is forty (40) years. (b) The average assessed valuation of the taxable real property (including improvements) of the Township computed upon the next preceding three valuations thereof in the manner provided in Section 12 of said Act is \$5,000,117.00. (c) The net debt of the Township computed in the manner provided in said Section 12 is \$328,008.19. (d) The statement required by said Section 12 has been made and filed as therein required.

Section 5. Said bonds shall be general obligations of the Township and shall be payable from the general tax levied on all taxable property in the Township in each year in amount sufficient to pay the principal and interest of the said bonds as the same shall become due.

Section 6. All ordinances or parts of ordinances inconsistent herewith, but to the extent only of such inconsistency, are hereby repealed, and this ordinance shall take effect at the expiration of ten (10) days from the date of its publication after final passage as provided by law. NOTICE The foregoing ordinance was introduced at a regular meeting of the Township Committee of the Township of Springfield, New Jersey, held on September 28, 1932, and will be considered for final passage, after public hearing, at a special meeting of said Township Committee, at the Township Hall, in said Township, on October 11, 1932, at eight o'clock P. M.

Boy Scouts, Library Officials Inaugurate Service For Invalids

Following out a suggestion proposed at a recent meeting of local library trustees, Troop 60, local Boy Scout organization, has agreed to cooperate in providing a reading service to invalids upon request.

Mrs. Ralph H. Titley and Mrs. Clarence W. Gillis of the Library Association and Scoutmaster Edward Hoagland and Scout Robert Kohler have perfected plans whereby lists of the more popular books will be supplied from which anyone, unable to secure books due to illness, may choose books to be taken to their homes

and returned by Boy Scouts.

Under this plan, requests for books may be made to the State Library Commission at Trenton. Thus, the complete facilities of the library will be brought to the home.

Letters explaining the new service will be sent heads of the local churches, fraternities, welfare organizations and other groups to avail themselves of the free privileges for immediate use. The Boy Scouts, ever alert to serve, are prepared to function when called upon and it is emphasized that all residents may take ad-

HINZE VETERAN GUARD ON DANA COLLEGE "5"

Dana College reports a bright outlook for the coming basketball season, with half a dozen veterans of last year's team returning, one of whom is Bill Hinze of 112 Tooker avenue, Springfield. Hinze, one of last year's reserves, is expected to gain a regular berth at guard, where Coach Roland King will probably use him. Bill has been campaigning in church leagues, as well as high school circles for several seasons past, and is counted upon to make trouble for Dana's college rivals.

Advantage of this service who are unable to visit the library.

A letter or phone call to Mrs. Gillis of 113 Tooker avenue (Milburn 6-2962-J) will be enough to start the service. The librarians on duty will also be prepared to handle similar requests.

CAPTAINS NAMED IN BOY SCOUT CAMPAIGN

W. R. Tracy, secretary and engineer of the Union County Park Commission, who is heading a finance campaign throughout nine county municipalities for Boy Scout funds from October 19 to 24, has selected Clarence W. Gillis as chairman of the local delegation.

The captains secured by Mr. Gillis for local canvass includes Donald B. Palmer, Lee S. Rigby, Walter White, George D. Spinning; Ralph T. Titley, J. Hoagland, Richard T. Bunnell, E. P. Shirk, Montague Martyn and Harold W. Cain. It is expected that a total of 250 men will enlist in this cause in the county for the support of the Scouting movement.

To Hold Benefit

Mrs. Harry W. Eberle of Prospect place will entertain at a card party next Thursday evening for the benefit of the Springfield Republican Club. Tickets are thirty-five cents.

Abandon Marathon

A five-mile marathon announced to be held in town tomorrow has been called off due to lack of interest and scarcity of entries, Frank Bolger and Theodore Ganska, a committee working on the race, declared last night.

Attended Convention

Mrs. Arthur D. Warner was among the delegates of Star of Summit Council, D. of A., who attended the state convention in Asbury Park. Initiation will be held by the council and plans are being made for a Halloween masquerade October 18. A card party will be held November 2 and other activities include an Xmas party on December 21, and public installation and state councillor's visit January 4. Members of the Daughters of America are invited to meet with the Junior Order tomorrow night at 7.30 in the Odd Fellows Hall, 311 Springfield avenue, Summit.

If it happened in Springfield, read it in the SUN.
