Rambling  
Around  
Town

THE ORGAN-GRINDER AROUND the Center yesterday noon although without the legendary monkey, created the first practical signs of Spring as the Rambling Reporter pondered around town... soft ball is in the air as teams gather to organize for another rough and ready season... bowling will soon wind up its schedule and duckpins, the favorite pastime for strikes and spares during warmer days, are commencing to be seen... boys throwing baseballs in preparation for the coming of the new season... the calendar reads ten days since the first day of Spring but who believes in signs?... the experts around the center diner are discussing the ins and outs of their major and minor league baseball teams and golf enthusiasts read with glee that green fees at Galloping Hill will be reduced considerably this year... to top it off primary days are in sight and that should be enough to top off the occasion... the new fire truck which arrived this week and was christened at a fire Wednesday was all and more in appearance of what was expected by the volunteer department which donated the apparatus to the township at no cost to local taxpayers... the machine is fitting to take the place of the two larger trucks of the department... Springfield can boast of a fire department and equipment not to be equalled for a community its size in any part of the state... the Free Public Library celebrated its first year of existence this month and library officials can point with pride to the accomplishments of the period... at the rate the library is going, it wouldn't surprise us to see our pet forecast of a library in its own building, fulfilled long before the year of 1940 as was once predicted in this column some time ago... although it was declared in a statement by the Union County Park Commission early this year that due to economy measures as forced upon the com-

featured and between audience singing the Choral Society sang selections. Instead of charging an admission fee, a collection was taken in unique fashion: James M. Duguid, attired in the costume of an old-time organ grinder with his musical instrument beaded out selections as four boys, Owen Morrison, Van Potts, Hartley Ferguson and Herbert Day, all in colored coats resembling monkeys went about the hall with tin cups to take in coins. Proceeds after minor expenses incurred are deducted, will be given to the Block-Aid campaign for emergency relief.

The Choral Group opened the program with the selection, "The Crystal Hunter" by Noble Cain and the audience followed with "My Sunshine" ("O Sole Mio") after which the entire gathering sang a stunt song, "Howdy-do, Hen" and a round, "Scotland's Burning."

Women of the singing society sang "Bells of St. Mary's" by Adams as the audience joined in with the chorus. Fifth-grade children of the James Caldwell School under the direction of Miss Ann Herche, musical director, sang groups of French and Southern songs with Mrs. Josephine Herche at the piano. Following, Miss Juanita Gross gave a violin solo accompanied by her mother, Mrs. Alexander T. Gross, and the society members sang "Good Night, Beloved" by Piusini.

Stunt and round songs, "O Mistress Shady" and "Little Tom Tinker" by the audience followed and then "Love's Old Sweet Song" and "Drink to Me Only with Thine Eyes" were sung by the gathering. The Choral Society sang "In the Time of Roses" by Reichert and "Ich Liebe Dich" by Grieg, arranged by Noble Cain with a soprano solo by Miss Herche.

Kenneth Shew gave a trumpet solo, "At Dawning" by Cadman and Miss Fannie McCallum entertained with a humorous reading. At this time, the silver collection was taken and the singing program concluded with the audience joining in with "Pilgrims Chorus" by Wagner.

The committee in charge of arrangements was headed by Mrs. Frank A. Saile, chairman, Miss Margaret Gunn and Clifford J. Walker.

Officers of the Choral Society are: President, John Bots; secretary, Mrs. E. L. Morrison; treasurer, Mrs. Herbert R. Day; librarian, Miss Herche; and publicity chairman, J. Grant Thomas. ## Man Killed in Fall at Waterworks

Frank J. Bond, Elizabethtown  
Co. Employee, Victim of  
Accident Here Today

Frank Joseph Bond, sixty-six, of 978 Ingersoll terrace, Union, was killed almost instantly this morning at 7:30 o'clock while working in the pumping station of the Elizabethtown Water Works, off Seven Bridge road, Springfield. Death was attributed to injuries from a twelve-foot fall off a turbine. Since the man was suffering from heart trouble and as no eyewitness saw the accident, it will not be possible to determine whether he had a stroke and fell or was accidentally killed.

At noon, the coroner's office had not yet determined the actual cause of the injuries. It is believed by police, however, that the case was an accident.

George Breen of 107 Springfield avenue, Summit, a fellow worker, told police he and Bond were working on opposite turbines when he heard a crash and turned around to discover Bond lying unconscious on the floor with his head bleeding. Patrolman Selander of the Springfield police was called to the scene.

Frank Bohl of 365 Morris avenue, Springfield, foreman of the day shift, arrived a few minutes after the accident had occurred and summoned Dr. Percy DeStanley of Union, company physician. When the latter found Bond dead upon his arrival, he called County Physician Brokaw and the body was removed to Brewster's Morgue, Summit.

Bond is the uncle of Fire Chief Walter Bond of Union. Breen told the police he believed Bond may have struck the corner of an oil pan lying near the body, when he fell.

Miss Rieg's kindergarten class won the attendance banner, pupils of the class having the greatest number of fathers present. Coffee and sandwiches were served after the meeting by the hospitality committee of which Mrs. Alfred G. Trundle is chairman.

## THREE APPLICATIONS MADE FOR LICENSE TO SELL BEER

Sewer Litigation  
Trial Postponed

The appeal of thirty-two property owners in Springfield against assessments by the Township Committee for construction of a sanitary sewerage system in 1929 was halted temporarily Wednesday by Circuit Court Judge Cleary, sitting alone, after nine days of testimony, in which thirty-three witnesses were called.

Judge Cleary, whose schedule makes it necessary for him to divide time between Union and Middlesex counties, set May 15 to continue the case. In the meantime he will sit in New Brunswick.

The sewer assessments were for laterals to the Rahway Valley Trunk sewer. Properties along South Springfield avenue and Route 29 were affected.

## New Fire Truck is Now in Use

The new hose wagon, gift of local volunteer firemen to the township at no cost whatsoever to taxpayers, made its appearance Tuesday, was fully equipped by Wednesday and later that same afternoon pitched into the battle of fighting fires by answering a brush call in Linden avenue in the rear of the St. James Catholic Church. The one-and-a-half ton truck carries 1,200 feet of hose and one chemical tank. It is of the most modern type, 158-inch wheelbase, all-steel body, six cylinder motor and has provision to carry a ladder when the occasion arises.

A double-floor features the added equipment so that brooms may be carried below the surface of hose. The truck is completely equipped for firefighting purposes.

The old Reo truck, used in the early days of the department, the first piece of motorized apparatus, made its adieu with the coming of the new machine, being turned in on the purchase. Members of the department are bearing the entire cost of the new truck out of funds raised at benefit affairs.

Committee Awaits Action of  
State Before Setting Up  
Local Regulations

EXPERT HIRED TO  
AID ZONING BOARD

Three applications to sell beer in Springfield were filed with the Township Committee Monday night. The board held the applications over until State regulations are set up.

The applicants were Carl J. Muhsnug of Evergreen avenue, Hans Deh of Route 29 and George W. Parsell, Jr., of 80 Mountain avenue. Deh, who conducts the Orchard Inn, accompanied his application with a petition signed by residents in the vicinity recommending he be given a permit to sell beer. Chairman Charles S. Cannon, upon hearing the names read, declared it "sounded like a list of customers." Committeeman Frank C. Geiger, a neighbor of Deh's, jokingly remarked that "although he had not been asked to sign the petition, he would have done so."

Parsell, proprietor of the Wat-Nong Dairy, asked that he be granted permission to dispense bottled beer by cases.

The committee adopted a resolution recommended by the Planning and Zoning Commission to appoint Lathan C. Squire of 116 Nassau street, New York City, as consulting engineer to assist in preparing a township zoning ordinance. His compensation will be \$800, as provided in the 1933 budget and will be paid, according to the resolution, with an initial payment of \$150 after June 1, then as the work progresses over a period of time.

The clerk was ordered to advertise for proposals for the disposal of ashes and garbage now held by Frank Mele of Caldwell, whose contract will expire May 1. The scavenger is now paid \$2,215 per year and it is expected that bidding this year will bring the figure considerably lower. The committee had considered purchasing a truck for the road department and collect garbage and ashes itself, but no action has been taken in this direction.

A letter from Arthur H. Lennox, township engineer, informed the committee that George Treiber of Belmar, had agreed to allow straightening of the banks of the east branch of the Rahway River along his property. County and township authorities in conjunction with emergency relief and park departments, are working daily to clean and widen the river from Morris avenue to the Chemical Works, to obtain flood relief. The commission and residents interested in the project had long sought permission from Treiber to widen the river at points abutting his property.

Three applications from Grenville A. Day, George A. Dunster and William Kubach, to join the police department, were filed.

Upon the recommendation of Committeeman Alfred G. Trundle, finance chairman, the board voted not to renew the surety bond for Mrs. Helen Smith, now employed as deputy emergency relief director, and former assistant in the tax collector's department. In view of an increase in rates, the amount against Miss Hazel Leber, an employee in the collector's department, was reduced from \$4,000 to \$2,000.

for the new Hupmobile car, Mr. Mayer will be able to serve every Hupmobile owner, old and new, being equipped to render good service at fair prices.

The new Hupmobile is on display at the showroom of the Morris Avenue Motor Car Company. In addition to the new line, Mr. Mayer still retains his agency of Willys and Willys-Knight cars. The public is invited to inspect these new cars.

## AUTO RACING OPENS APRIL 23

Harry Mendel, track manager of the Woodbridge Speedway for the coming season, announced yesterday that the opening of the auto race season at the new hard-surface track in Woodbridge, N. J., has been definitely set for Sunday afternoon, April 23. The races will be conducted under the sanction and supervision of the A. A. A., and indications point to an entry list that will include all the crack drivers of the nation for the opening classic. In addition to all the speed demons of the East, Promoter Mendel has been assured the entries of some of the leading dare-devils who have been burning up the tracks in the West.

Work on reconditioning the track surface will begin in a week or so although the company's engineers report that the speedway has held up very well during the winter season and will require little time to have it ready for the opening day's races. The surface has hardened considerably and the turns are in perfect condition.

Track Manager Mendel is working out the program for the opening day classic which will include six races, the feature event being a 25-mile event for the big prize money. Special match races with the fastest cars and most daring drivers in the country competing will be part of each Sunday's program.

## Add Wonders of Washington

## MATTER of OPINION

Springfield's first community sing drew out a crowd that could not be seated in the Town Hall auditorium, and overflowed into the lobby. The audience was in a receptive mood and enjoyed to the full each number on the program. Herald A. Jones, conductor of the Choral Society, was in happy vein, and as master of ceremonies contributed greatly to the spirit of good cheer and laughter. Rollicking songs and rounds and also old-time favorites of sentiment and charm were sung with equal enjoyment by the assembly. As always, the numbers rendered by the choral group gave delight. Special mention must be made of the contributions to the program by pupils of the fifth grade. It is rather extraordinary to listen to children of this age singing in French. In a group of songs of the South the voices of the children blended so harmoniously that their performance was a revelation of what can be done with youngsters in developing their love of singing. A violin solo by Miss Junita Gross and a cornet solo by Kenneth Shew were well received; and the orchestra provided very danceable music after the program was finished. Altogether it was a unique and happy occasion which will bear repeating. We can trust to Mr. Jones' ability to arrange many more such interesting and diverting programs.

Every municipal official is faced with many problems in these difficult times, but as we read of the troubles with which many of the North Jersey communities are beset we begin to realize that things could be much worse than they are in Springfield. We read of closed banks, of inability to meet pay-rolls; corrupt politics, dishonest elections, politics in emergency relief, and

so on ad infinitum. We find it very easy to be loyal to our town.

Spring has not brought any balmy weather, but the urge to clean-up is strong. Perhaps some civic group or organization would take the lead in popularizing a clean-up period, each spring. We have heard nothing of a garden club, but are still hoping.

## OVER 350 AT SCHOOL PHYSICAL EXHIBITION

Over 350 persons attended the third annual demonstration of physical education last night in the James Caldwell School

given by pupils of the Junior High School. John M. Nies, physical director, was in charge.

He was assisted by Miss D. Almond, practice teacher, and Mary Van Veen, seventh-grade pupil, at the piano.

The demonstration was presented to show the activities which develop directly health and enjoyment. Aims of each physical display were listed in an interesting program and the affair was enjoyed by the gathering, applause being given generously by the audience.

## *the* CASH REGISTER

THE delicate clang of the cash register keys, accompanied by an insistent obligato of cash drawers opening and closing is music to the merchant's ears. What annoys most merchants today is the extremely slow tempo in which this commercial music is played on their cash registers. Today, as yesterday, accelerating the pace of your cash register is accomplished by tuning up on your advertising. The SUN reaches the Home, those purchasing markets that still make purchases, that still builds for merchants, that still read the local paper for news of bargains, seasonal merchandise, innovations, and competitive prices—markets that will keep your cash registers busy. To set your cash registers clanging, get the pep derived from advertising in the SUN.

# Five Aces Clinch Second-Half Title in Bowling League Race

## Take Odd Game From Indians to Clinch Championship—Play-Off to Be Held

The Five Aces clinched the second-half championship in the Municipal Bowling League Tuesday night by taking two games from the Diner Indians. The Aces have won thirty games and lost nine. Next week's matches conclude the series.

The Indians, having won the first-half, will roll the Aces for the year's championship, at a play-off to be held probably on the night of April 11.

Recreation advanced to second place by sweeping three games from Battle Hill as the Indians dropped a notch to third place. Meanwhile, the lowly Hook and Ladder quintet took sweet revenge upon their fire companions, the Hose Company, to win two out of three and spoil their chances to occupy either second or third place.

Although minus a regular, the A. & P. Gypsies had little trouble to knock off the Juniors.

The champion Aces were in brilliant form the first game, shooting 1000, which was needed to offset a high 970 for the Indians.

## Softball League Will Reorganize

The Springfield Playground Softball League will organize on Monday night, April 17, according to an announcement this week by Harold W. Cain, president. The league will elect officers and transact necessary business prior to the opening. Since no meeting place has yet been selected, it will be published next week.

Those desiring to enter teams are urged to complete rosters to be presented for approval at the April 17 meeting. The entry fee will not be determined until it is definite as to the number of teams proposed. To eliminate confusion, those seeking to manage teams are requested to have an entry fee ready at the meeting as compared to that of last year and it will be strictly enforced this year that the fees be paid at the start due to the failure of several squads last year to pay promptly.

## PUBLIC RESPONDS TO NEW CHEVROLET

A surprising public response to the first showing of new Chevrolet "Standard Six" models recently was in wires from dealers received by H. J. Klingler, vice-president and general sales manager of the company.

Despite the existence of a national bank holiday, dealers almost uniformly reported attendance beyond expectations and all reported retail sales in limited volume, many deals involving payment in gold or bills of the old large size denomination.

More than four hundred unsolicited wires came from dealers everywhere, and the tenor of all, Mr. Klingler said, revealed the field force confident of a spurt in sales.

## AT MILLBURN

Cecil deMille's massive production, "The Sign of the Cross," with thousands in the cast, will be shown at the Millburn Sunday, Monday and Tuesday. The leading players include Frederic March, Claudette Colbert, Elissa Landi and Charles Laughton.

Not a religious picture, "The Sign of the Cross" has been heralded as the spectacle of the season, depicting the days of pagan Rome and the mad emperor Nero, the birth of Christianity and the brutal experiences suffered by courageous Christians during that period.

Zasu Pitts and Thelma Todd in "Alum and Eve" is also on the bill. "Maedchen-in Uniform," acclaimed by critics as one of the year's outstanding hits, will be screened Wednesday and Thursday. English sub-titles are used in the German talkie with an all-star cast. Warner Baxter in "Dangerously Yours" is the associate feature. Barbara Stanwyck in "Ladies They Talk About" and Nancy Carroll in "Child of Manhattan" are the attractions Friday and Saturday.

"Maedchen-in-Uniform," in German dialogue and English sub-titles, will be the attraction Wednesday and Thursday. It has played to capacity crowds wherever presented. The picture features Hertha Thiele, Dorothea Weicke and Emilia Unda. "Maedchen in Uniform" will be presented twice daily at 3 and 8 P. M. The companion feature will be "Exposed," with William Collier, Jr., and Barbara Kent.

The company are such outstanding entertainers as Herb Williams, the famous "nut" comedian; Frances Langford, the radio and stage singer; Herman Hyde, assisted by Miss Mona, in their "Treat in Travesty"; Bendova, the dancing comedian; Myrio and Sarine, dancers, and Radio City's noted "Streamline Rockets," greatest of precision dancers.

Another feature of the "New Roxy Varieties" is the New Roxy Modern Rhythm Orchestra playing the latest popular hits.

The film feature of the week is "Pleasure Cruise," a Fox production starring Genevieve Tobin and Roland Young.

## GOOD ENGLISH DRIVE

A "Good English" drive was started last week in the James Caldwell School when a play was given, entitled "I'll Try." Posters showing the value of good English are being made and for the best, a prize will be given by Miss Parkhurst. A record of mistakes in English is being kept and at the end of the drive the most common mistakes will be listed and the correct forms stressed. So far, the record reveals that the boys make more mistakes than the girls.—WALTER GOGEL, 6A.
