

Rambling Around Town

MAYOR SELANDER'S APPEAL

For an non-partisan vote for Lee S. Rigby for Freeholder Tuesday requires no further comment for us of us agree that it would be in Springfield's interest to get out the vote and support our home-town candidate. ... Rigby has earned his spurs in county politics and presents a worthy successor to our late representative, Director Peter H. Meisel. ... of course, the Republicans of Union County don't expect to have too keen a struggle for State and county offices, but the lack of interest by the electorate, due to the war and other factors in towns where no lack of local Democratic opposition will reduce the normal Republican vote, is something to consider. ... Mr. Meisel's majority in Springfield just a few years ago was enough to put him across. ... let's continue the same trend. ...

The situation about garbage collection, dumping, etc., is a problem the Township Committee will, no doubt, consider Wednesday night. ... that letter to Mountainside, asking the Borough Council to clean up heavy "dense smoke" affecting local residents on the boundary line, is going to be a homecoming. ... because, it was learned later, the garbage dumped in Mountainside was actually that collected from Springfield. ...

Postmaster Heinz complains that any residents who expect to get their mail boxes in when mail carrier service begins, will slow up the installation of the system. ... he wants 85 per cent of the township dwellings equipped with mail boxes or door slots by November 10, so that he can immediately report to Washington to that effect. ...

Record of Regional In Danger

Powerful Union Favored to Snap Winning Streak of Local Eleven

CROWD OF 5,000 TO SEE CONTEST

Undeclared, untied and unscathed upon Regional High will be in danger of being spilled for a loss tomorrow afternoon, when they tackle the strong-Union High gridlers, on their own field, in one of the season's "naturals" which is expected to draw a record crowd of 5,000 fans. ...

Season's Records

Comparative gridiron records of the opponents for tomorrow, Regional and Union, follow:

| Regional | | Union | |
|----------|------------------|-------|----------|
| R. | Opp. | U. | Opp. |
| 6 | North Plainfield | 32 | Alumet |
| 20 | Metuchen | 13 | Carters |
| 6 | Roselle Park | 25 | Roselle |
| 10 | Caldwell | 0 | Hillside |
| 42 | Totals | 82 | Totals |

their defeat by South River, which won last year's Group 3 championship, was no disgrace, for only a single point separated the teams. ...

Union is favored to win, despite the fine record of Regional. They don't intend to lose two in a row and expect to bounce back from their own field, where not one opponent has been able to score a point against them this season. ...

Instead of the usual 2:30 opening, Union plays a half hour earlier, at 2:00. Union's line is heavier than Regional's and Coach Lake has a wealth of backfield talent, being able to replace players with another experienced man at each post. ...

Their ground plays are built around speedy Morrison Groves, colored boy who formerly lived in Springfield; and Bill Upton, while big 210-pound hard-driving Walt Strobach carries the ball when yardage is most needed. ...

Regional Physicality
Having had a week's breather, without any contest last Saturday, the Regional team is in excellent physical condition and will not offer any alibis after the game. ...

The Orange and Blue team has been said to be overrated this season; according to several viewpoints expressed by experienced football men, while others point out they have played heads-up ball, taken advantages of the breaks and finished ahead, merely because of fine co-ordinated team play. ...

In addition to the starting lineup announced elsewhere, Coach Brown intends to use Joe DeMario at tackle and Ed Buczynski at tackle and Bobby Price, in the backfield, alternating here and there. ...

Mayor Ed Bierbaum of Union is the home team's most ardent footer and together with the color furnished by Union's 55-piece band, one of the largest in the county, there'll be plenty of excitement. May the best team win!

PLAN SUPPER TUESDAY

| Neville (23) | R. T. | Kassak (4) |
| English (43) | R. E. | Lennert (9) |

LEE S. RIGBY

Praises of Postmaster Otto F. Heinz and The Springfield-SUN, in conjunction with recent announcement of mail carrier service for the township, were voiced by members of the Springfield Lions Club Friday night at their weekly supper-meeting in the Half-Way House, Route 29. ...

Cited For Mail Carrier Success

Secretary Arthur H. Lennox was directed to send the following letter to Mr. Heinz and Milton Keshen, editor of the SUN: ...

"At the last meeting of the Lions Club, a motion was passed directing the secretary to write to you and congratulate you on the success of your efforts to secure letter carrier service for the township. ...

The Lions, themselves, had exerted efforts last year to circulate petitions among township residents, seeking signatures for the service, which were later transmitted through the post office, to Washington. ...

Postmaster Heinz received assurance early last month that a study here by an assigned Postal Inspector had guaranteed Springfield would be granted delivery service, when 85 per cent of mail recipients or door slots have been provided on proposed carrier delivery routes. ...

For almost eight years, the SUN has been campaigning for the service, through Plan No. 4 of "What The SUN Advocates." Within the last five years, the Citizens Advisory Committee, headed by former Mayor Gabriel Larson, had also recommended that the Governing Body take steps to secure the service, which was a forerunner of efforts by the Lions Club. ...

Interest Lagging in Election on Tuesday, Seek Big Rigby Vote

Help Rigby Win, "Forget Parties" Urged By Mayor

Springfield Man Should Be Backed Wholeheartedly, Selanders States

A plea for local voters, irrespective of party lines, to support Lee S. Rigby, Republican candidate for Freeholder, at the polls Tuesday, was expressed in a statement yesterday by Mayor Wilbur M. Selanders, which follows: ...

"There are occasions in every community when it becomes desirable to disregard party lines and overlook petty grievances that the entire locality may benefit. The coming election will bring us to that point in Springfield. ...

"From my experience as a member of the Governing Body of the Township, I have formed the opinion that a resident member of the Board of Freeholders is valuable to any municipality. ...

"During many of the past years, the late Peter H. Meisel served as a member of the Union County Board of Freeholders. We all know of his very active interest in the progress of our Township and his ready sympathy for the problems of Springfield. ...

"Springfield is growing. New problems present themselves at times that may only be solved in a satisfactory manner, with County help. We need a man on the County Board of Freeholders who is vitally interested in our progress; one who will serve the County in good faith and keep a sympathetic open ear toward the needs of our Township. ...

"Every town strives to have a local man on the Board of Freeholders. Lee S. Rigby is the only local man on that ticket. We can have this intimate contact at the County seat if the citizens of the Township will poll a large vote next Tuesday. ...

"Place the interest of your Township FIRST at the coming election."

Honors Given to Temperance Body

McLennan weather Tuesday kept the attendance low at a meeting of the local Women's Christian Temperance Union; at the home of Mrs. Fred A. Brown of 28 Washington avenue, but members learned that the Springfield unit had won three honors at the recent State convention in Newark. ...

It is also on the Ackerman Honor Roll, for all dues were paid by March 31, 1939, equal to the membership of the previous year, and the local group is also a "Light-Line" union, having sent its full quota to the Mission department for work in foreign lands. ...

You Might Forget That \$21,000,000

REPERENDUM
The voters of the Township of Springfield will be asked to vote on a State referendum on the issue of "Unemployment Relief Bonds" under Chapter 329 of the laws of 1939. ...

Tucked snugly away in the fine print of the election notice, the average voter has read or heard practically nothing of the proposed \$21,000,000 relief bond issue on which he will be called upon to vote next Tuesday. ...

In any event, this referendum is the State Legislature's answer to the problem of providing relief funds. Despite all the discussion on the subject of broadening the tax base to relieve real estate, this is the Legislature's solution to the problem—adding more indebtedness to the State and indirectly more taxes on real estate. ...

Just a reminder, in case it slipped your mind.

Every afternoon, 2:30 to 5 p. m., and P. M. Evenings from 7:30 to 9 p. m.
There is to be seen in Our Library one of the most useful and interesting displays that have been shown our people in many a day. It contains much to a large number of those who have not all the advantages most of us enjoy—to be able to read current magazines and books. Braille is the method whereby the blind are enabled to read. Think what it means to you, to glance at a newspaper, consult a dictionary or look up a name in a directory for amusement. Then, think what you could not do if your eyes were blinded. Next, remember that the only way books and magazines may be done in Braille, is by careful hands of hand work. Mrs. Charles D. Harter has given of her time and strength to perfect herself in this effective work. She needs sincere and steadfast helpers, to carry on this work, and she should be supported in her valiant efforts. At the Red Cross Roll Call Rally

NOW YOU CAN DO IT TOO!

Here is fascinating news that concerns YOUR entire future! News that now brings Success and Happiness right to YOUR doorstep!

Walter P. Chrysler
"Of great interest and value."

Wm. Wrigley, Jr.
"Thousands of men have been waiting for something just like this."

Thomas A. Edison
"Extremely interesting and of great practical value."

Only something unusual could bring similar praise from thousands of America's leading men and women.

And something unusual HAS happened—a book that concerns YOU and YOUR success and happiness.

It deals with the biggest problem you and all of us face: the problem of "getting along" with others, of making others like us, of influencing those with whom we come in contact in business, social and everyday life.

Why is this your most important problem? Because ONLY through OTHERS is it possible for any of us to succeed—to get what we want from life. Your difficulties of today—your setbacks and successes of the past—do you not find other people always at the root of them—friend, relative, employer, employee, associate, superior?

Successful men and women recognize this need of influencing others as their most important life problem.

John D. Rockefeller knew it when he said, "Ability to deal with human nature is a commodity for which I will pay more than for any other thing under the sun."

Andrew Carnegie knew it when he paid Charles Schwab a salary of a million dollars a year "not for what he knows about making steel but because he knows how to please and influence people."

And Schwab knew it: "Many of us think of others as people traveling around with maps. Instead we are all wanderers every day of our lives. We are selling our ideas, our own energies, our enthusiasms, to those with whom we come in contact."

That famous, startling scientific report recognized it: "Even in very technical lines, only 15 per cent of one's financial success is due to one's technical knowledge, and 85 per cent it is due to personality."

This all-important "knack" of influencing and swaying others was for centuries mysteriously called "personality," "magnetism," "charm." But modern science has been making breakthrough discoveries!

Our great psychology laboratories have found that successful people exercise their great influence over others through a definite set of psychological "laws"—simple but powerful rules which enable them to "handle" people in every step of life.

Mystery was entirely swept aside—the way to success for all to master—was a tremendous power of influence over others—when Webb and Morgan gathered together these "laws," put them into a fascinating, easily-understood book, "Strategy in Handling People."

Now this book, which aroused such whole-hearted enthusiasm from Chrysler, Edison, Wrigley and thousands of other successful people, is available to you—in its COMPLETE 250-page word-of-mouth form—at a price you can well afford!

YOU CAN DO IT TOO! Mailing the coupon right now is your first move to a new life.

ATTENDED PRESS CLINIC

Mary Jane Hicks, editor-in-chief of "Dayton News," Regional High newspaper, and Louise Heidinger, news editor, both of Berkeley Heights, attended the Fourth Annual N. J. Scholastic Press Clinic Saturday at Rutgers University.

TO PRODUCE PLAYS

Two one-act plays, under production in the Regional High School Playhouse, will be presented sometime this month in Assembly. One play, "The Tangled Web," by Charles G. Stevens, has the following students in its cast: Professor J. J. Tenschler, of Springfield; Kate Regan, Linda Guerriero, of Garwood; Dan Fogarty, Harley Ferguson, of Springfield; and Mrs. Pennington Wilcox, Sylvia Schaffer, of Springfield.

The other production, "Red Car-nations," has a cast made up of follows: Elder Mr. Smith, Ray Ma-

quire, of Garwood; Younger, Mr. Smith, Edward Menerth, of Mount-ain-side, and Miss Smith; Martha Kelly, of Clark Township.

ADDRESSES STUDENTS

Norman Potter, of the Casey Jones School of Aeronautics, spoke on "Aviation As A Vocation" Monday in Regional High School. Dur-ing the year many vocational speakers are coming to the school and will discuss their particular fields, what jobs they represent, personal qualifications necessary and preparation necessary, and the opportunities offered.

These talks are attended by pupils interested in the particular field represented by the lecturer, and the group is limited to 75. Those interested may have a personal inter-view, after talks have been given.

Speakers scheduled to date, fol-low: November 13, Mr. Gregson of the U. S. Navy on "The Navy"; November 27, a representative from Rutgers University speaking to col-lege preparatory boys on, "Is Col-lege Worth the Effort?"; December 11, Lyman Parks, Chief of Union

County Park Police, on "Park Police Work"; January 8, Miss Hughes, secretary of State Nurses Association on "Nursing"; and January 29, Miss Doane, assistant employment manager at Newburger's Department Store, Newark, on "Department Store Work." Mrs. Davidson, of N. J. C., spoke recently to girls preparing for college.

HALL PATROL ELECTS

Regional High's Hall Patrol met recently and elected officers for the 1939-40 year. All Senior members of the patrol were eligible, and the following slate was chosen:

Chief, Grant Lennox; lieutenants 4th period, Robert Tunney of Spring-field, Daniel Kerr of Kentilwoth, Frances Roder of Mountainside, and George Smith; lieutenants 5th period, Dolores Lynch of Berkeley Heights, and Fred Van Pelt, John Anderson and Grant Lennox, all of Springfield. Officers and senior patrol members are wearing new armbands while other members wear badges.

Virginia Conley was praised for her work in handling 4th period dancing, at the meeting. Principal Warren W. Halsey and William Manze, faculty advisor, expressed satisfaction with the patrol's work this year.

FARMERS WIN HONORS

Recently class room spirit of the newly organized Agricultural Course at Regional High has been running high. The unusual spirit is not only due to the nature of the Agricultural Course but also because the subject was apples. The students were given the identifying characteristics of fourteen varieties that are most abundantly in New Jersey. After a short week of intensive training those students who excelled were selected for the Varsity Squad of Regional contestants in a State judging contest.

At the same time, other students who were most proficient in vegetables, pork cuts, and swine were likewise preparing themselves. Last week after school, nights, and Saturday the students displayed a great deal of eagerness and interest in attempting to win a place on the Varsity judging team. The Varsity Squad included Douglas Blunt, Herman Estenes, Fred Graf, Robert Fornaro, Edward Kordylo, Robert Meude, Charles Underwood, Wilbur Wojtech, Lewis Huntington, John Anderson, Melcom Baldwin, Franklin Boyce, George Johnson, Charles Roll, Fred Van Pelt and Harry Wannat.

At the contest held in the College of Agriculture at New Brunswick, students from all schools of Agriculture were represented. Regional representatives won more than their share of honors for a new school, and compared very favorably with older schools. State honors for first place identification and judging were won by Lewis Huntington. Ad-ditional honors were won by Charles Underwood, for vegetable judging; Herman Estenes, apple identifica-
