Daughter Of Fire Dog Passes Away

It is with profound sympathy that we publish this belated obituary for Taps, 8-year-old daughter of Bell, the Dalmatian mascot of the Springfield Fire Department. Taps, who was mascot of the Bloomfield Department, was sent to Elysum last Thursday, when her owners sought to shorten her suffering from a liver ailment by a mercy

death. The heart-breaking news was sent from her mother, who still active in the line of duty, word with the Springfield fire fighters to the post office on Saturday. Bell, however, has progeny scattered in firehouses of nearby towns, and also in New York State. She came to Springfield almost 12 years ago as a gift from a Connecticut family to the local firemen through the efforts of Russell Morrison, local resident. Although Fire Chief Charles Pinkava has no papers to prove it, he declares that Bell comes from a long line of pedigree Dalmatians. Of her first litter, puppies were sent to Madison, Millburn and Vaux Hall. Taps was born in her second litter and she and a sister were given to Bloomfield. Other puppies were sent to Asbury Park, Elizabeth and one is the pet of Deputy Fire Chief King, retired, of New York City.

A bit overweight, Bell is still in excellent health, rides the engine to every alarm, and is also the perennial possessor of Springfield Dog License No. 1. She shows no signs of the serious "limp" operation which was performed on her last year.

Services Held Of Charles Stearns

Funeral services were held Tuesday at Young's Funeral Home, Millburn, for Charles G. Stearns, 66, of 29 Walnut court, who died on Sunday at Elizabeth General Hospital after two days' illness. Mr. Stearns, a retired farmer, lived in Springfield for the past 60 years. He was a charter member of the Winfield Scott Chapter, J. O. U. A. M., of Elizabeth, and a member of the Methodist Church. His wife, Mrs. Lauretta A. Stearns, died last February. For years Mr. Stearns had a farm opposite the James Caldwell School, but he had been retired in recent years. Interment was in the family plot in Bloomfield Cemetery.

WATER EMPLOYEES TO BE UNIONIZED

Negotiations between the Commonwealth Water Co. and the A. F. of L. for a contract covering wages and hours and other working conditions began yesterday. It was announced by Arthur Cook, A. F. of L. organizer for New Jersey. Commonwealth is satisfied, according to Cook, that the majority of its employees are A. F. of L. affiliates, and has agreed to meet with the union's representatives. Cook said that about 100 employees are involved, including firemen, oilers, engineers, construction workers and office personnel. Commonwealth supplies water for Springfield, Millburn, Summit, Irvington and West Orange and many other North Jersey municipalities.

Mrs. Adeline C. Kroeger

Mrs. Adeline C. Kroeger, 83, of Route 29, died Wednesday morning, after a long illness, at the home of her son, Joseph J. Kroeger, of 74 Hawthorne avenue, Newark, where she had been living for the past six months. Mrs. Kroeger was the widow of the late Joseph F. H. Kroeger, Newark merchant. Until August Mrs. Kroeger lived for the past 12 years in Springfield with her daughter, Mrs. Fred V. Betz of Route 29. She was a member of the Rosary Society of St. Augustine's Church, Newark, and of the L. C. B. A. No. 305. Besides Joseph J. Kroeger and Mrs. Betz, Mrs. Kroeger is survived by three daughters, Miss Adeline B. Kroeger, Mrs. Charles J. Wannamacher of West Orange, and Mrs. Lester J. Wilts of Eagle Rock. She is also survived by a son, William A. Kroeger of Dunnet, Tex.; 21 grandchildren and 4 great-grandchildren. Funeral services will be held tomorrow at 9 A. M. from St. Augustine's Church, Sussex avenue, Newark. Interment will be in St. Mary's Cemetery, Ampere.

Regional Changes Dealers Of Milk

The supplies committee of the Regional Board of Education was in disagreement at the monthly meeting of the board Wednesday night when Herman Beck, Kenilworth member, recommended a change in the source of milk for the high school cafeteria. The recommendation, which changes the milk contract from Canoe Brook Farms of Summit to Ladore G. Himpel of Kenilworth who will supply Forgate Farms milk, was approved, however, over the objections of two other committee members, John Dushanek of Garwood and Edward Menereth of Mountainside.

Beck, in recommending the transfer of the contract, contended that whenever possible business should be given to firms located in one of the six municipalities comprising the Regional district. "I believe that wherever it is possible to get as good quality and comparable service at no greater cost, we should do business with individuals or companies that help to support the school," he added.

Dushanek and Menereth opposed the change on the grounds that the distributor proposed by Beck could not give as satisfactory service as the Summit concern. Other members went along with Beck, however, with the understanding that Himpel's contract would permit termination of the agreement should there be any difficulty over service. Supervising Principal Warren H. Halsey announced the resignation of Miss Veronica L. Blides of the commercial department and J. P. DeMott, head of the mathematics department. They were replaced by Miss Mary G. Conway of Newark at a salary of \$1,500 and William S. Steiner of Reading, Pa., at a salary of \$1,400, respectively. Halsey reported that there had been nine resignations of members of the teaching staff in recent months, two due to selective service, four to securing better positions and the others for miscellaneous reasons. The board voted to protest to the Springfield Township Committee against the proposed closing of Montour avenue, a paper street on hand-adjointing that of the school. It was said that with development constructing houses there, the backyards would face the school and probably detract from the attractiveness of the present surroundings. Plans and specifications for the agricultural building are being submitted to Washington by the NYA, Halsey reported. About two weeks, he said, would be needed for their approval. All transportation contracts were renewed except for one bus operating in Clark Township.

Floyd Alley To Attend Institute

Floyd Alley, son of Mr. and Mrs. Raymond Alley of Seven Bridge road, will leave on September 1 for Chicago, where he will enroll as a student at Moody's Bible Institute. At the completion of his course there he will be ordained as a minister. Alley is a graduate of James Caldwell School and Roselle High School, class of 1937. For the past four years he has been interested in photography. He is well known as an active leader in the Baptist Church of Millburn, which is headed by Rev. Romaine Bateman and recently received an award for scholarship and attendance there. He has also distinguished himself as a leader of the Young Peoples' Service League, whose meetings are held each Sunday night in the church. Alley is being feted by his friends before his departure.

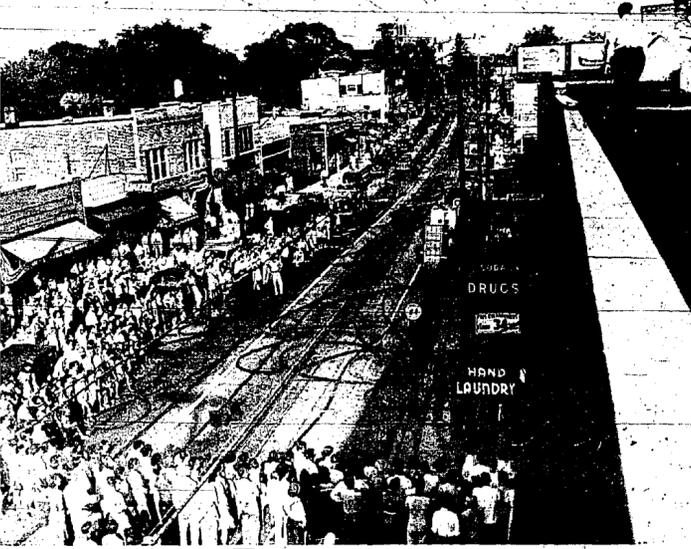

COMPANY WORKERS HELD BOAT RIDE

Eight employees of the White Diamond Restaurant on Morris avenue were among the 30 workers of the White Diamond System who went on a boat ride to the Hudson River on Tuesday night. Those from Springfield branch of the White Diamond System who went on the annual outing were Bob Swisher, Bill Blackman, Oswald Smith, Leney Poins, Jeanette Bridges, Louise Barfield, Abner Bridges and Lew Bridges, owner of the White Diamond System and sponsor of the affair.

BUS RIDE TOMORROW

All day excursion to Coney Island will be sponsored tomorrow by the Daughters of America. Buses will leave from the new American Legion Building at 7 A. M. Mrs. Margaret Nash is acting as chairman of the trip.

Business Center Blaze Draws Crowd

Seven lines of these were used in the fire which broke out in the Post Office on Saturday afternoon. The fire attracted throngs of townspeople, and traffic was rerouted from Morris avenue. The above is a view of the thoroughfare, taken while firemen were fighting the blaze. The Post Office is in the lower right-hand corner.

Adult School Will Open In Millburn

Program for the 1941-42 Millburn Adult School has been completed and will be distributed in Springfield by Western Union September 1. It was announced this week by Mrs. William P. Bausmith, local member of the school's executive board. A successful year for the school is anticipated when registration begins at the Millburn High School on September 22. Classes will start on September 29. The school will offer several defense courses including nutrition, budget cooking, dressmaking and home nursing. The instructors are all expert in their fields. One of the most interesting of the other courses offered is entitled "Business Essentials," consisting of 10 lecture and discussion periods with prominent Millburn citizens, each authority being the lecturer for the evening. In order of weekly dates, commencing September 30, the course will present Walter A. Staub, whose subject will be "Do You Understand Your Taxes?" Professor Earl E. Muniz, "How to invest your savings," Mrs. Mary Shepard, "Does a Budget Help?" Ira C. Moore, "Law for the Layman," R. F. Smith and C. Hayes Sington, "Are You Familiar with Laws Relating to Banking, Wills, etc.?" J. Bruce MacWhimney, "Is Your Life Insurance Policy Well Explained?" Mrs. Bessie M. Hoppman, "What Are the Important Kinds of Casualty Insurance?" A social security board executive will speak on "Do the Social Security Laws Serve You?" Among the other lecturers are H. Theodore Sorg and Dr. Esther Brown, discussing non-profit hospital protection and effective medical group operations, respectively, and A. Ross Meeker, "Do You Know the Organization and Function of Your Local Government?" The perennially popular courses of an instructive and recreational nature, courses such as bridge, sketching, portrait and dance, groups, will be repeated. The high standard of teaching will be maintained, but at a lower fee than usual.

TIPSY DRIVER HIT LOCAL MAN'S CAR

Acting Police Judge Freda of Orange yesterday found Edward Monahan, 29, of 64 North 4th street, Orange, guilty of drunken driving when his car was in an accident with that of Mario Latella of 50 Centey street, Springfield, July 27, at Scotland road and Central avenue. Police took Monahan to headquarters after Latella had asked to have him examined. Monahan was fined \$200 and \$25 costs and had his license revoked for two years.

TY-AN CLUB MEETS

The Ty-An Club of the Presbyterian Church held its first Fall meeting last night at the home of its advisor, Mrs. Arthur Lamb, 27 Rose avenue. The club is planning an active program for the year.

ZAM-ZAM SURVIVORS WILL SPEAK SUNDAY

Two survivors of the Zam Zam catastrophe, Rev. and Mrs. Ted Fik, will be the speakers at the First Baptist Church, Millburn, on both Sunday morning and evening. Mr. Fik and his wife, who were going as missionaries to Kenya, Africa, were passengers on the boat which the Germans halted in mid ocean, imprisoned passengers, and then sank. The Fikes lost all their belongings in the experience and were held prisoners by the Germans for over 40 days before being released. On Sunday they will tell of their experience. Mr. Fik, who is a former football coach and well known athlete, was going to his first mission charge when the Zam Zam incident happened. Prayer meeting will be held as usual at the church on Thursday evening.

Ballot Drawings Held In Borough

MOUNTAINSIDE—Drawings were held recently for positions on the voting machines in the primary elections by Clerk Robert Laing at the Borough Hall. In the drawing for mayor, Albert J. Benninger received first place and John B. Moxon second. The four candidates, who are seeking two council posts, were drawn as follows: George R. Lyon, first; Councilman A. Parkhurst, incumbent, second; Francis Lenahan, third, and Howard R. Dederick, fourth.

COUNCIL TO RESUME

The Springfield Girl Scout Council will hold its first Fall meeting on Wednesday evening, September 10, at the home of its president, Mrs. William Cosgrove, of 115 South Maple avenue. The council will map out an active campaign for the coming year. Mrs. William Grampp of Hillside avenue is in charge of publicity for the council.

FINED FOR ASSAULT

Walter Ammerman, 23 year old, of 102 Morrison road, was fined \$25 by Judge John L. McGuire in the Elizabethtown Police Court on Saturday on a charge of assault and battery on Miss Sue McNeill of 411 Bayway, Elizabethtown.

JAMES CALDWELL GYM FACES TRANSFORMATION

"Let there be light" is a maxim which the Springfield Board of Education took earnestly at its meeting on Tuesday night. For the James Caldwell School gymnasium which has heretofore been criticized as being gloomy and ill lit, will soon be a place of brightness. The board voted to install new glass fixtures for the ceiling lights of the gymnasium that will not only be shatter proof, but will also greatly improve its lighting and cheerfulness.

Business Center Endangered By Post Office Fire

In a fire of unknown origin that burned a gaping hole in the floor of the Post Office and temporarily overcame three firemen, including Fire Chief Charles Pinkava, the Springfield Fire Department again summoned the aid of Millburn firemen on Saturday afternoon. Seven lines of hose, two from the Millburn company, were necessary to quench the smoky blaze. The fire was the second of great proportion to occur in Springfield in the past week, the first having occurred just the Saturday before at the Union County Coal and Lumber Co. yards on Mountain avenue. Although the lobby floor of the post office collapsed, loss of postal property was slight. "We didn't lose even a penny stamp," Postmaster Otto Helms reported. It was William Corby, postal clerk, who ran into the office and removed the mail receipts and records while firemen were fighting the blaze in the post office basement where it began. The mail then was taken to Millburn for safe keeping over the week-end. Although a number of alarms were turned in, the fire was first reported by Irving Kramerman, an employee of the Springfield Hardware and Paint Store, 268 Morris avenue, which is one of the three business enterprises in the building—the Post Office and a drug store also share the building. Kramerman turned in his alarm at 4:45 P. M. The fire, which is believed to have started in the basement of the Post Office, sent up clouds of smoke throughout the entire business area of the town. It was under control, fortunately, before seriously spreading into the basements of the adjoining hardware and drug stores, both of which were stored with highly inflammable stock. Damage in the Post Office is unofficially estimated at \$3,000. Considerable damage was done in the hardware store and some in the drug store. No damage was done to the apartments which are situated above the stores. Despite the inconvenience following the destruction of the front of its quarters, the Post Office is continuing business as usual in the rear. Approximately one-fourth of its normal space is being used with the counters and windows facing the back entrance. In the cramped space Postmaster Helms and his force are working under the motto, "The Mail Must Go Through—Business As Usual in the Rear," which is posted for customers' convenience at the ruined front entrance. After conferences with a postal inspector and the landlord on Monday, repairs were begun yesterday. It is not known when they will be completed and entire office facilities will again be available.

Introduce Police Salary Ordinance

An ordinance granting a raise in salary to members of the Police Department, to be approved by referendum, received its first reading by the Township Committee Wednesday night. The ordinance, which was the result of a petition signed by over the required 20 per cent of the legal voters of the township, will be submitted for referendum of the November election. It involves a raise in salary of \$200 for the chief of police, \$200 for sergeants, \$200 for first class patrolmen, \$170 for second class patrolmen and \$180 for third class patrolmen. A letter was received from the Board of Freeholders in response to a request from the board that action be taken to remedy the flood conditions along Baltusrol way. The County Board indicated that it was willing to pay for one-third of the repairs with the remainder to be paid by the municipality. The matter was referred to the road committee for consideration.

WALT NELSON BACK AFTER LONG TRIP

After a flying trip of 23,000 miles to Hawaii and the Philippine Islands, Walter M. Nelson of the Navy Air Corps returned last week to Jacksonville, Fla. Nelson was one of six men chosen out of 200 stationed at Pensacola Field to make the trip. Upon his return he was promoted to a first class petty officer. Nelson, who has been in the Air Corps since February, is the son of Mr. and Mrs. W. L. Nelson of 154 Tookee avenue.

DISCUSS MEANS TO CURB WASTING OIL

MOUNTAINSIDE—At a meeting at the Half Way House on Monday night, Union County oil dealers discussed measures to end fuel waste in the county. Representatives from 20 fuel oil distributors were present at the meeting, at which Henry G. Howell, county co-ordinator of fuel oil, and A. W. Rich, chairman of the state fuel oil coordinating committee, spoke. Truckmen will be asked to test all oil burners and request owners to turn thermostats down to 65 degrees during the winter months.

MOTORIST IS HELD ON ASSAULT CHARGE

Alexander Woldt, 34, of 367 Westfield road, Scotch Plains, was released in \$250 bail Friday when arraigned before Recorder Everett T. Spinning of Springfield on a drunken driving charge. He pleaded not guilty and hearing was set for September 8. Woldt was arrested Thursday night by Patrolman Otto Sturm who said he was driving in an erratic manner along Morris avenue. After being examined by Dr. Leonard Berman of Summit, Woldt was pronounced under the influence of intoxicants.

IT'S A GIRL

A daughter was born Monday in Overlook Hospital, Summit, to Carolin and Mrs. Edmund A. Smith of Garwood. Mrs. Smith is the former Miss Marian Phillips, French teacher in Regional High School and former resident. The grandparents are Mr. and Mrs. Charles Phillips, Sr., of 89 Battle Hill avenue, the former being president of the Springfield Board of Education.

Robert Kaplan Hurt In Crash

Robert Kaplan, 53, of 226 Morris avenue was detained at the City Hospital in Newark Sunday with a possible brain concussion and head injuries as the result of an auto accident at Aldine street and Bragaw avenue, Newark. His wife Lillian, driver of the car, and a passenger, Mrs. Gusie Bendresky of the same address, the former's mother, were treated for bruises and released.

Many From Town Flock To Wreck

Hundreds of Springfield people along with hundreds from every other nearby community, created the biggest traffic jam Millburn has ever experienced when they thronged over to the Lackawanna Station to see the debris of the train wreck which occurred on Sunday night. To aid in controlling the congestion the Springfield Police Department pitched in to help. As soon as Police Chief Runyon, head of the accident, he, Sergeants Albert Sorge and Harold Searles offered their assistance. They helped in putting up the ropes that held back the crowds of curious spectators, aided in rerouting the thousands of automobiles. An ambulance was also kept in readiness as first call, since there was no exact knowledge when news of the wreck spread how many were injured.

Pictures Available Of Legion Building

Copies of the picture of the new American Legion Building have been printed by the SUN on heavy coated paper, as it appeared in print some weeks ago. As a service to Continental Post, two copies will be distributed free to any Legionnaire who applies at the SUN office, while the supply lasts.

Wolfe Returns To Baltusrol Duties

After an absence of almost 15 years, George Wolfe, well-known to local golfers, is back on his old golfing grounds, the Baltusrol Golf Club. It was at Baltusrol that Wolfe started his golfing career as a 12-year-old caddy, and he has been associated with the club on and off in the years since. In the shop, as assistant professional, as professional for a short period, and now he returns once more as caddy master. His is a lifetime that has been devoted almost entirely to the game.

His first official connection with Baltusrol was in 1912 and he served there until 1917, when he left to become professional at the Huntington Bay Club, Huntington, L. I. After three years in Huntington, he accepted the position as pro with the Pelham Country Club, but in 1925 returned to Baltusrol to serve as assistant pro under George Low. When Low left Baltusrol, Wolfe became its pro, serving for half a year. He left Baltusrol again, however, to become pro of the Plasher's Island Club, New York.

In 1934, he was back in Springfield as manager of the Baltusrol Driving Range on Mountain avenue. He taught the game there until last month, when his old club invited him to return to act as caddy supervisor. Because his interest in golf has principally been that of a teacher, Wolfe has not participated a great deal in tournament play. He has, however, competed in such popular tournaments as the Long Island Open, the Metropolitan Open and in the National Open of 1928, he held tenth place in the qualifying rounds. Among his pupils, he counts Ethel Dupont, the present Mrs. Franklin D. Roosevelt Jr., and Mrs. H. W. Bagley, heiress to the Reynolds tobacco fortune.

BREAKS RECORD

Johnny Farrell, professional at Baltusrol-Golf Club, broke his own course record for the club's lower course on Wednesday. His previous score for the par 72 layout was 65. Yesterday Farrell shot it in 64, being eight birdies.

Listing of Events Convenience to Many

Nobody attended poor Mrs. Smith's party because she held it at the same time a more important social event was being held. If Mrs. Smith had consulted the SUN, she would have avoided the calamity, for we try to print as complete a list as we can of the important coming events in Springfield. Heretofore, we have been thanked for our column by many a grateful club and organization. And now, with the approach of Fall, when the calendar will be full of meetings and important occasions, we shall continue our efforts in keeping our readers posted. We need co-operation, however, and we are asking all clubs, organizations and societies to help us in keeping posted of their coming events. There is no charge and a phone call, Millburn 2-1254, or a post card to the SUN, giving us the information, will avoid a lot of social conflict and difficulty.

School Program Cited In Article

Prominent mention is given to Jonathan Dayton Regional High School in an article entitled "School Gardening Takes Hold of American Youth," by Mrs. Ellsworth R. Hansell of Summit, in the August issue of the Gardeners' Chronicle. Mrs. Hansell praises the agricultural course of the high school and shows how the school is one of the multi-faceted throughout the country which is emphasizing school gardening as part of its educational program. In addition to "describing" the course, she explains that it "provides time for considerable classroom study, along with practical shop work and outdoor practice."

In summing up her article, Mrs. Hansell quotes Wilhelm N. Peigelbeck, instructor in the Department of Vocational Agriculture in the high school. Mr. Peigelbeck points out that "opportunities for American youth in agriculture and its related fields are more numerous than ever before. They offer clean, healthful living with some measure of independence in direct contrast to one which may yield no dollars on pay day but necessitates an existence quite unstable."

Mrs. Hansell is National Secretary of the National Association of Gardeners. She is also editor of the Gardeners' Chronicle, the association's official publication.

are staging the production and Kenneth Lloyd Mapes has designed the set.

"The Shining Hour" was first done on Broadway in 1934 when Max Gordon produced it at the Booth Theatre with Raymond Massey, Gladys Cooper and Adrienne Allen. Miss Landi will play the role originated by Miss Cooper and the Raymond Massey part by Mr. Grogan.

"The current bill at the Paper Mill Playhouse is 'U. S. 90,' the new play by Ward Morehouse, with Gloria Stuart and Warren Hull in the leading roles.

Every afternoon, 2:30 to 6, and on Fri. evenings from 7:30 to 9.

These books will be found in your library—H. M. PULHAM, ESQUIRE and RANDOM HARVEST, which have both been bought by M-G-M. In the former, Hedy Lamarr has been cast as Marvin Myles. C. S. Forester's CAPTAIN HORATIO HORNBLLOWER will go into production soon at Warner Bros., and the film version of Dr. A. J. Cronin's novel, THE STARS LOOK DOWN, just released, has been praised by the critics as one of the truly great motion pictures.

Among the new mystery books in the library is ABOVE SUSPICION, by Helen MacInnis. If you want a book that will make you forget your worries, read ABOVE SUSPICION. It's a spy story full of excitement. A young Oxford tutor and his attractive wife are chosen to carry out a mission during their Summer vacation in 1939 on the continent. They are supposedly "above suspicion," and are to find out if a certain man is still alive. Their only protection is to pass successfully as tourists, but they must still be able to make associations, any one of

Elissa Landi Will Be At Paper Mill Monday

Elissa Landi, who has been starred in numerous stage productions—New York and London—will be seen next week in "The Shining Hour," Keith Winter's play at the Paper Mill Playhouse. which may mean death for the one associated with, and unknown consequences to themselves.

Another new mystery story is H. C. Bailey's ORPHAN ANN, a murder novel featuring Joshua Clunk, ablest and most ruthless criminal lawyer in London. On account of his love for children, Mr. Clunk listens to the request of a Mrs. Beebe to investigate Sister Martha's home for orphan girls, to which she claimed she was thinking of contributing money. The inquiry is the beginning of the case of Orphan Ann.

DEFENSE BOND Quiz

Q. Can my children buy Defense Savings Bonds?
A. Yes. Hundreds of thousands of American children are buying stamps regularly as their share in the national savings program.

Q. Why should children be encouraged to buy stamps?
A. Because by buying stamps they write their names on a Roll of Honor of Americans who are doing their part to show the dictators that united America will never flinch to preserve her sacred liberty.

Q. After my child has collected enough stamps to exchange for a bond, can the bond be registered in the child's name?
A. Yes. A minor may own a Defense Savings Bond. Many parents are registering bonds in their children's names to prepare for future educational needs.

NOTE—To purchase defense bonds and stamps, go to the nearest post office or First National Bank of Springfield, or write for information to the Treasurer of the United States, Washington.

A Discovery - Davis Has Legs

Bette Davis did not precisely have her legs on exhibition but she came as near to it as she had in many a recent picture.

It was 9 o'clock in the morning but Stage 4 was a night club. Champagne glasses tinkled in the hands of more than 100 dress extravaganza, tail-coated young men, pretty girls in evening dress, all apparently with an unquenchable appetite for breakfasting on stale ginger ale and weak tea.

Jack Carson stopped the band and made an announcement. He was saying that he was going to marry Bette Davis. He called her "Joan Winfield," her name in "The Bride Came C. O. D.," her new co-starring comedy with James Cagney at the Elizabeth Regent. His drummer rattled an introduction, a spotlight pencilled a brilliant glare across the smoke-filled room and picked up Bette Davis at a ringside table.

Miss Davis wore a black and extremely low-cut evening gown. It

Muffled Cars Not Slowed-Up

Muffled or unmuffled, the midge-ridge drivers continue to attain terrific speed in the semi-weekly programs at Tri-City Stadium in Union.

When Union Township officials passed an ordinance whereby the cars must put on mufflers to lessen the noise from the roaring motors it was feared that lower times would be the result. For a time the thought of the fans seemed justified, but a glance at the times in recent competition shows that with each week the drivers' speed is picking up and it won't be long before a new record mark may be established. The current track record is 4:32.2 set and owned by George Fonder of Philadelphia.

Through mediums known only to the drivers the new high speed has added the bettering of many of the qualifying and semi-final heats. Give these midge-riders time and they'll accomplish almost anything.

Challenge by Unknowns

It has also developed in recent weeks that a pair of practically unknown drivers at the start of the season, Lloyd Christopher and Johnny (Baby Face) Pierson, a pair of Miami leeches, have been challenging the ace speedsters for top honors. Pierson first became noticed when he ran a double-header program at the Philadelphia Gardens about three weeks ago and then went on to make it six main events in a row. Christopher bobbed into the picture last week with four consecutive wins.

The crack field which has been competing at the Union Tri-City saucer will be on hand again Sunday night when the boys will vie in three 12-lap qualifying heats, a pair of 15-lap semi-finals and a 12-lap consolation before the feature 25-lap go.

All three A drivers, the opening brush gets the green flag at 8:45 o'clock sharp.

Bears Facing Hungry Clubs

The Newark Bears will conclude their last long home stand of the season against two desperate and hungry ball clubs, the Rochester Red Wings and Jersey City Giants, who are waging a bitter battle for fourth place and a spot in the International League playoffs. The Rochester series, which starts with a Thursday afternoon double-header, will include a Friday night game and Saturday afternoon tilt, while the Jersey City visit will be confined to a Sunday double-header. Following these games the Bears will be away until Labor Day, when Jersey City will return for a three-game series, and after that only four games with Syracuse will remain of the 1941 International League season at Newark.

Although busily occupied with their own problem, a little matter of protecting their league lead in the face of an onrushing Montreal club, the Bears have taken enough backward glances to know that the Rochester and Jersey City outfits are coming this way with blood in their eyes.

A Big Gap

The difference between fourth and fifth place as a gap just about as wide as the ocean to International League ball players. On September 7, the fifth place players go home with no more pay days until next April. For the fourth place club there is at least one more week's pay in the first round of the playoffs and there is always the chance of winning that and proceeding to take bigger spoils in the Little World Series.

Aware of the Jersey City threat, the Cardinal organization in recent weeks has loaded the Rochester club with five new players, infielder Steve Messner, pitcher Harold Wiseman and outfielders Cullen Gillenwater, Frank Dusak and Stanley Musial, all of proved ability in double A competition.

This improved Red Wing nine took three out of five from the Bears a fortnight ago in Rochester, and that is the main reason why the Newarkers must keep going at full steam to keep ahead of Montreal.

The Bears have also made some additions for the stretch drive, having regained Steve Peck, a 14-game winner last year, from the Yankees, and purchased Gene Corbett, veteran infielder, from Baltimore.

PLANS BEING MADE FOR STATE OPERA

The plans for the organization of the New Jersey Chamber Opera are progressing. Negotiations are being made concerning the place where the performances will be held. Frank Carrington of the Paper Mill Playhouse in Millburn, is interested and the first performance may take place there. The response from singers has been most promising. Auditions will not be held before Labor Day as members of the committee are still on vacation. Until then singers may still apply. In order to be considered, applications should be made in writing to Mrs. Fredrick W. Landers, 233 Christopher street, Upper Montclair, N. J., not to the conductor, Emil Kahn. Applicants will be notified as to the exact date of the auditions.

--Propaganda Diagnosis--

(Editor's note: "Propaganda Diagnosis" will appear in the SUN from time to time, and is devoted to a study of the functions of propaganda and how to "detect" it. Comments and questions from readers are welcomed.)

To offset the German propaganda drive in the Latin-American countries, the United States has taken steps to the tune of a \$10,331,639 budget to prove to these countries that they would be better off economically in their co-operation with Washington instead of Berlin.

With about a year of experience behind it, the Office of Co-ordinator of Inter-American Affairs, which is headed by Nelson A. Rockefeller, has set aside \$450,000 to study the effects of Axis propaganda in Latin-America. Special selected men with a knowledge of journalism, public opinion, propaganda and mass psychology, have been assigned to this task.

The sum of \$900,000 has been planned for motion pictures to inform all the Americans about each others' home-life activities. Walt Disney will produce a dozen shorts with Latin-American backgrounds.

Another grant of \$1,050,000 will be spent on the radio which will tend to unite North, Central and South America with one another. Short wave broadcasting will be encouraged from one country to another and long wave for intra-country broadcasting.

To explain life customs with each country, \$1,500,000 will be spent on magazines, newspapers, pamphlets and news pictures. The Export Information Bureau, Inc. has been sought to provide an information center with representatives in the various 21 republics for the sum of \$175,000 and the American Social Surveys, Inc., will make surveys in these countries for \$125,000.

Beside the functions of the Rockefeller organization, the government ordered the Export-Import Bank, whose powers were increased last September, to enlarge its credit to our southern countries. Prior to September, 1940, the Export-Import Bank could not go above the \$20,000,000 limitation to any one country. The bank's lending power was increased from \$200,000,000 to \$700,000,000 and the sum of half a billion dollars has been planned for the Latin-Americans. Hard American cash and polite American influence is now on a full time combat with the Nazi casts.

Rockefeller, in a statement, explained the American drive for better Americas when he said: "The kind of dynamic action which is needed in this crisis can only be taken by the individual countries if

Playground Activities

A big week ended yesterday at the Springfield Park Playground with a watermelon contest in which two members of the Springfield All-Stars participated. Messrs. Hoffman and Stanley were rewarded with a verbal kidding by Coach Bill Brown and Miss Barbara Hendry, playground supervisors, for coming out a shade behind Katherine Reddington and Donald Schwerdt, winners of the contest.

In the Paddle Tennis doubles tournament, which was the Monday feature at the playground, Lorraine Piper and H. Callahan grabbed first honors. Close behind were Charles Cottrill and John Cunningham, and Frank Beck, teamed with George Woodruff. The girls who won were Philomene Colanone and Jean Broadhead, and Katherine Reddington and Edith Piper.

A doll show on Wednesday was an occasion for great excitement at the playground. Phyllis Poetscho grabbed the honors for the best dressed doll with Katherine Reddington and Anne Detrick, runners-up. Philomene Colanone had the largest doll and Anna Barr had one just a little bit smaller. The smallest doll was exhibited by Carolyn Polowski and Marlene Detrick had one just a little bit larger.

Playground Will Hold Final Night

MOUNTAINSIDE—Practice for the annual "Final Night" program which will be presented on Thursday, together with a number of other activities in which 80 boys and girls will participate, are scheduled at the Echo Lake Playground this coming week.

After a tether ball contest on Monday afternoon, Miss Josephine Lantz, playground supervisor, held the first practice for the Summer's big event, in which over 30 boys and girls will be cast. The program will include solo and group singing, dances, tricks, games and exhibitions.

A sound moving picture, "Vengeance," followed by a group of selected shorts, was shown on Wednesday evening at the Locust Grove grounds. A six-mile hike to Lake Surprise was the principal attraction on yesterday's program. Upon their return the girls play the boys in a game of softball.

A horseshoe contest will be held at the playground this evening. Margaret Conrads, Kay Honcher and Nancy Cecchetti won first, second and third places, respectively, in a jacks tournament held recently.

berger and Miss Patricia Watts, both of Westfield, have returned after a stay at the Audubon Camp at Hog Island, Me.

A farwell shower was given last night by Mrs. Gilbert Daneshour and Mrs. Dewey G. Knoll at the home of the former on New Providence road for Miss Helen Edwards of Oak avenue, Westfield, who is leaving on September 6 to attend the Philadelphia Bible School.

The visiting pastor at the Union Chapel on Sunday evening will be Elmer Ost of Tuckahoe, N. Y. There will be a meeting of the Sunday School officers and teachers of the chapel this week.
