

Keeping In Step

It goes without saying that just as Springfield is growing, so must the home town newspaper keep in step. Considerably more space is being devoted in the SUN to provide ample coverage of the added activities which are taking place in our community.

The importance of furnishing a greater portion of material on defense, since we are now at war, naturally must be reckoned with, just as there appears to be more attention focused on township affairs in most of the other lines of endeavor.

To meet the need, it was necessary to find a means to finance the cost involved and we have embarked upon a program, which from the viewpoint of the reader and advertiser, as well, should furnish the happy medium.

Effective with our change of more news for Springfield, the SUN has arranged to be printed at the plant of the nearby Summit Herald. This accounts for the change in typographical make-up, but whether the type face be of one style or another, the news columns will remain as ever before—accurate, thorough, and of interest to local readers.

All advertising contained in the SUN, on the other hand, instead of being handled individually, will be sold through the combined efforts of not only the present management, but with the assistance of The Summit Herald advertising department. Thus, there will be many opportunities for certain types of display and classified advertising which may be published in either newspaper, alone or in combination, depending entirely upon the desire of the advertiser.

The editorial policy of the SUN remains, as it has always been since 1929, under direction of Milton Keshen, publisher. The management of the paper, contrary to impressions given elsewhere, has not undergone any changes and we believe that the experiment of combining advertising departments will prove beneficial in making the SUN an even more vital factor in our community's growth.

REMEMBER PEARL HARBOR

BUY DEFENSE STAMPS

SPRINGFIELD, NEW JERSEY, WILL BE 150 YEARS OLD ON APRIL 14, 1944

Facsimile of rubber stamp used by Township Clerk Robert D. Treat, closely alluding the slogan of "Defense Stamps" with the tentative 150th anniversary of Springfield's incorporation two years away.

Adhering to the principle that "unless we win this war, the 150th anniversary of Springfield's incorporation April 14, 1944, will be meaningless," Township Clerk Robert D. Treat has devised an appropriate rubber stamp to clearly outline the duty of every Springfield citizen.

The stamp, reproduced above, bears the heading of "Remember Pearl Harbor—December 7, 1941." By the reference to "Buy Defense Stamps," it follows up with Springfield, New Jersey, will be 150 years old on April 14, 1944.

The stamp will be affixed to all correspondence and outgoing mail, the clerk went on to state. It was used for the first time yesterday, in a letter addressed to Milton Keshen, editor of the SUN. The letter reads:

"Dear Milton:
On the envelope in which this

note is sent to you, is a facsimile of a rubber-stamp impression which I, as township clerk, shall henceforth until this struggle is ended, append to all official letters, envelopes, etc., which circulate in connection with the official business of my office.

"This facsimile has two definite objectives: (1) to stimulate the purchase of defense stamps; (2) by suggestion, awaken the public mind of all Springfielders and others, to the consciousness that should our present war effort fail to perpetuate our American way of life, the anticipation of a celebration commemorating our township's 150th anniversary would obviously be rendered impossible of fulfillment."

Monday's Meeting Of Parent-Teachers Has Two Features

The meeting of the Springfield Parent-Teacher Association on Monday evening at the James Caldwell School will be of double significance, with members observing both "Founders Day" and "Fathers Night" exercises. In observance of "Founders Day," the past presidents of the association will be honored guests and each will light a candle on the birthday cake celebrating the occasion.

Principal speaker on the program will be Michael N. Channell, Newark lawyer, who will be introduced by Henry C. McMullen, Mr. Channell, a member of the firm of Haines and Channell of Newark, is a professor of law and president of the Social Service Bureau of Newark. The topic of his talk will be "The Law as Pertaining to the Home."

For the musical part of the program Mrs. Edith Widmer, Wick of Orange will render several piano selections. Clayton Spahr is program chairman.

Hostesses for the meeting will be teachers and class mothers of the third and fourth grades. They are Mrs. Honiotta Dreyer, Mrs. Russell Pflanzger, Miss Grace Prochaska, Mrs. S. A. Scott, Mrs. Lucy Forsythe, and Mrs. William P. Bursmith.

SUN SPOTS

FIRST IT WAS TIRRES, now it's sugar. Try to get more than a reception you'll get. One local grocer's supply cart accommodates about 170 more customers, and then they'll have to go sweet-less. And in the diner, the sugar bowls have disappeared from the counter. Don or Joe measure out your amount themselves, with the polite question of "How many, please?" It all strikes a sweet note of patriotism. Ouch!

LOCAL JUKE BOX enthusiasts constantly dropped in nickels this week for the following favorites: Glen Miller's "Chattanooga Choo-Choo" and Vaughn Monroe's rendition of "Shrine of St. Cecilia."

THE POLICE SERGEANT on desk duty thinks it won't be necessary to keep the auto heaters connected now that daylight saving for war time has been inaugurated. After all, he reckons, it must be Spring. That's what comes of being indoors, for the patrolmen outside know otherwise.

MOUNTAINSIDE AND SPRINGFIELD have another thing in common... charming girls. Miss Joyce Neminger, daughter of Mr. and Mrs. Harold Nonninger of Hyant avenue, and Miss Susan King, daughter of Mr. and Mrs. Ray S. King of Parkway, Mountainside, were selected this week as representatives of the Freshman Class of Regional High School to attend a meeting of sub-dolls in Bamberger's, Miss Betty Lee, director of the sub-

er, campaign director, declared today. "Now is the ideal time to send in the name of your favorite baby boy or girl, and you never can tell but that he or she will be king or queen when the campaign ends.

"And it is a worthwhile contest, for prizes and commissions aggregating \$750 are offered. The first prize is \$200 cash and a beautiful loving cup which is now on display at Babyland headquarters.

Card Party Added \$258 To Red Cross Collection Total

More than 200 persons thronged the clubhouse of the Baltustral Golf Club on Friday night to play cards for the benefit of the Springfield Chapter's Red Cross War Relief Fund.

Charles H. Huff, chairman of the drive, estimated that more than \$258 was added to the fund as a result of the social event. Mrs. John King was chairman.

Master of ceremonies for the function was Mayor William M. Schender. In addition to the table prizes, which were two Defense Stamps for the high scorers, many prizes of a practical nature were donated by local business concerns. The big prize of the evening was a \$25 Defense Bond which was won by Major Robert A. Jones, manager of the club, who in turn donated it to the Red Cross.

The use of the clubhouse for the affair was donated by the governing board of the club and Major Jones, Assisting Mrs. King were Alvin H. Dammie, Richard T. Bunnell, Milton P. Brown, Dr. Stewart O. Burns, Otto Helzig, and Major Jones. Hostesses were Mrs. Arthur Prinz, Mrs. August Schmidt, Mrs. Richard T. Bunnell, Mrs. Bert Jones, Mrs. William Cde, Mrs. Alex Huzgan and Mrs. Alvin H. Dammie.

Patrons for the affair were Major Jones, John King, Mr. Huff, Mr. Bunnell, Dr. Burns and Mr. Dammie.

Entertainment And Musical Program Arranged Tonight

A musical program and entertainment has been prepared for the "Church-Night" reception to be held this evening at the Methodist Church under the auspices of the Ladies Aid Society for new members of the church. Mrs. Frank Hayward, president of the society, is general chairman of the affair, to which all members of the church are invited.

Mrs. J. Grant Thomas is chairman of the program committee, assisted by Mrs. Elliott Hall. They will present the following program: "We March to Victory" and "Remember Pearl Harbor," selections to be played by the Sunday School Orchestra; "Our Own America," "A Prayer" to be sung by the church choir; mandolin and guitar selections by Edward McCarthy and David McCarthy; and a monologue by Mrs. Catherine Morrison. The program will conclude with the singing of the national anthem, and refreshments will be served.

The meeting of the Watts Club of the Presbyterian Church, which was originally scheduled for this evening, has been postponed until Friday evening, February 27. The group will meet at the home of Mr. and Mrs. James Campbell of Severna avenue.

54 Merchants Cooperating In Sun's Baby Contest; \$750 In Prizes Offered

Mothers, all as proud as good mothers should be, have been flocking into "Babyland" headquarters at 346 Springfield avenue, Summit, all week entering their offspring in the "Who's Tops in Babyland" contest.

At the same time the number of cooperating merchants has risen to 54, and all the proud parents, grandparents, uncles and aunts who are out rooting for their own little darlings are reminded that the way in which to pile up votes is to shop in these stores. They are listed in today's issue.

Even people who have no relationship to contestants are passing the Babyland headquarters and are intrigued with the pictures of all the babies.

More pictures of baby campaigners will be published in each issue of The Springfield SUN until the contest closes on April 4.

Additional entries are coming in every day. Ever since the contest was announced last Thursday Babyland headquarters at 346 Springfield avenue, Summit, has been a busy place.

Compromise Provided In Proposed Ordinance For Dogs and Local Kennels

Farewell Party Given For Russell Stewart

RUSSELL STEWART

A farewell party was given Saturday night at the clubhouse by members of the Springfield Volunteer Fire Department for Russell Stewart, reserve officer, who has been ordered into service and will leave Monday for camp. Stewart has been a member of the department for the past seven years, holding the rank of senior captain. He is the first local volunteer fireman to be called into service during the war.

The party was attended by all members of the department, including Mayor William M. Schender, fire commissioner, who spoke. Stewart was presented with a parting gift by his co-firemen. In charge of arrangements for the party were Enos Parsell and Herbert E. Fay. Stewart, who lives with his wife at 281 Morris avenue, is a second lieutenant in the Army Reserve. He expects to be stationed at Camp Lee, Va.

Budget Not Ready For Mountainside

Explaining that the delay was due to "circumstances beyond control," Mayor John Maxon announced at the meeting of the Borough Council Tuesday night that the borough budget was not ready to be introduced. A special meeting will be held within the week to discuss the budget.

Mayor Maxon presumably made his announcement for the benefit of members of the Mountainside Taxpayers' Association who were present at the meeting. He declared that it "might be of interest to them" adding that the council deemed it wiser to submit a "proper budget late rather than an improper budget on time."

The council sanctioned the change of a liquor license from Sal's Spa Inc., roadhouse on Route 29, from a corporation to a partnership between Joseph Salvatorello and James Galini.

The sum of \$15 was voted to be paid in Scotch Plains for use of police radio service.

An ordinance fixing the license fee for dogs was passed, and Mayor Maxon announced that the "police will begin collection as soon as the ordinance goes into effect."

Victory Campaign Books Are Still Being Taken

Books are still being accepted for the Victory Book Campaign in which the Springfield Public Library, along with other libraries throughout the State, is participating. Almost 250 books have been collected, according to Mrs. Helen Smith, local chairman of the drive.

Many of the books, which Mrs. Smith reports are in unusually good condition, were accepted at both the James Caldwell School and the Library. The Library of Regional High School also turned in a collection. The majority of the books contributed are non-fiction. Cooperation in the local campaign was also given by the churches, who advertised it.

The books, all of which have been packed at the library, will be picked up by the State Library Commission, and then distributed to many camps throughout the State and country.

A compromise in the form of amendments to the proposed dog and kennel ordinance was indicated at the meeting of the Township Committee on Wednesday night, when, in answer to protests of kennel owners and counter-protests by property owners, the committee announced that the ordinance would be re-introduced with amendments at its next meeting and another public hearing would be held. A large audience of both kennel owners and property owners were present at the meeting, at which the disputed ordinance received its final reading.

Designation Set For Third Draft; Group To Be T-Men

Men born between February 17, 1897, and December 31, 1921, who register for selective service Saturday, Sunday and Monday in the Nation's third military manpower enrollment within 17 months, will be known as T-men in the draft boards' records. It was revealed yesterday at headquarters of the local draft board in Union.

The required supplies for the three-day task which will be accomplished with the assistance of volunteer workers are beginning to arrive from State selective service headquarters.

Only the 20 to 44 year old men not previously enrolled for selective service are required by law to report for registration over the week-end.

The T designation will distinguish the new registrants from those enrolled last July and referred to as S-men and those registered in October, 1940, in the initial listing.

The T-men will be given serial numbers starting with "T" in each board and they will not be incorporated into the first list as was done with the S-men. Order numbers for the T-men will begin with 10,001. The serial numbering task will begin March 9.

When the job of placing the serial numbers on the green registration cards of the new registrants has been completed, each board will notify State headquarters of its highest serial number. This will be followed by the drawing of serial number capsules in Washington later next month.

There has been no explanation of how men from the separate T-men list will be called for service in relation to the first list.

All men who must register have been urged by the local selective service.

Only 54 Out For School Election

Brown received a total of 52 votes, McMullen 53, and Worthington 51.

Voters approved the school budget as follows: Current expenses, 47 "yes", 2 "no"; repairs and replacements, 16 "yes", 2 "no"; and manual training, 48 "yes", 1 "no."

THIRD REGISTRATION DAY

Rubber and Sugar Shortages Will Have No Effect Upon Meats, Claims Waldeck In Lecture Friday Night in Irvington

There may be a shortage of rubber and sugar this year, but there will be a superabundance of hogs. That, in effect, was what Roy Waldeck, local resident and Eastern District Manager of the Krey Packing Company, told members of the Irvington Teachers' club at the Morrell High School, Irvington, Friday night. Waldeck predicted that there will be one hundred million hogs produced for 1942, the largest on record in the history of the Packing Industry.

SEEKS TOTAL IN '42 OF 100,000,000 HOGS

Waldeck told of the honor system in the meat business, how trading in the stockyards is done orally, there being no written contract between the buyer and seller of the animals, and that in his twenty-four years of experience in the meat business, he has never heard of one case of local difficulties. In explaining the high prices of meat today, Waldeck said that 73 cents of every packer's wholesale dollar goes to processing cost; 23 cents for transportation; 2 1/2 cents to local and federal taxes; 4 cents for depreciation and interest, and one cent of the packer's dollar is consumed east of the Mississippi River. Waldeck said that all meats produced are sold within ten to fourteen days after the animal has been slaughtered.

Regional Notes

Changes in curricula at Regional High School were announced by the Guidance Office this week. Modern European History and French III are among the courses not offered this year. They will be re-instated in the curricula for next year, however. One of the new requirements for the college preparatory course is the starting of a language in the freshman year. French will be available to first year students, but eliminated as a suggested college general science course has been preparatory course for freshmen. One year of science, however, is still required.

DEFENSE NEWS

As Furnished From
Headquarters
Town Hall, Springfield

Plans for the establishment of a Homemakers' Information Center where problems in food and nutrition may be discussed and advice given were discussed at a meeting of the executive group of the Consumers' Interest Committee of the Defense Council on Monday evening in the Town Hall. Mrs. Lewis F. Macartney is chairman of the group.

The purpose of the center will be to make available such information as market prices, nutrition values of foods, quality of food, and market plentifulness. Helpful suggestions will be given, and the library will cooperate in making available important books on the subject. The library already has "Feeding the Family" by Mary Schwartz Rose, and other books on the subject are being added.

The committee chose as its slogan for the week, "Do Not Hoard, Buy Wisely." It advises the use of enriched bread and flour and suggests that butter substitutes are used, that one makes certain they are enriched with Vitamin A.

Among those present at the meeting were Mrs. A. B. Anderson, who will serve as corresponding secretary for the group; Dr. Lawrence T. Robinson, Mrs. William Cosgrove, and Mrs. Edward Carmichael, who will be in charge of publicity. The next meeting will be held on Wednesday evening at the Town Hall.

Babyland Contest

(Continued from Page One)
or not, to see his or her picture published in the columns of this newspaper, another attractive feature of the campaign. There is no cost in having a baby's picture taken or in having it printed in the paper.

"The 'Who's Tops in Babyland' editor wants every parent in this area to know all about the campaign. He invites questions. Why not call on him at his office at 246 Springfield Avenue, Summit, and find out all the rules of the campaign—which are simply self? If you do you are certain to enter your baby at this ideal time, to get in on the most unique of all campaigns.

Votes at Stores
"It is important to remember that the votes are given out at the stores of merchants where value received is the order in every article or bill of goods they sell. By trading with them you will help your own pocketbook as well as win votes in the contest. Be sure to ask for baby votes and have your friends do the same. That is the way to forge your favorite baby's name right up among the winners at once.

"To find out Who's Tops in this community's Babyland, there will be no lucky drawing, no baby parade, no baby show. The beautiful loving cup and \$200 in cash will go to the baby-polling the largest number of votes, \$100 each to the baby having the second highest total; \$50 in cash to the third highest; \$25 to the fourth, and so on down the list until there will be 25 prize-winning babies in this area. These 25 prize-winning babies will be chosen by ballot," Mr. Acker concluded.

Until further notice there will be no more testing of air raid sirens on Saturday noon. It was announced this week by the Defense Council. The plan originally was to test the sirens every Saturday, but after the first testing on the past Saturday, it was deemed advisable to discontinue the practice for a time.

The next meeting of the Defense Council will be held on Wednesday evening at the Town Hall. Henry McMillen, chairman, will preside. It is expected that a local Salvage Committee Chairman will be appointed, a request made of local councils throughout the State by the State Defense Council. The Salvage Committee will carry on a year-round salvage campaign for defense purposes.

It will make plans for collecting waste paper, old rags, scrap metal and old rubber, all vitally needed for America's war factories. The program will not upset present methods of collection, but will instruct gear such work to the needs of the country. Present waste materials will be utilized to the fullest extent and all charities or organizations now collecting scrap and waste will be brought into the program.

The public will be asked either to sell waste materials to collectors, who will put it back into production, or to give them to charities, schools, or organizations which collect such materials and in turn sell them to dealers.

10 Per Cent Rise In Train Fares To Meet I. C. C. Order

It costs 10 per cent more to take a railroad trip to or from Millburn on the D. L. & W. Railroad beginning last Tuesday. This increase follows an order of the Public Utilities Commission the same day authorizing railroads of New Jersey to increase fares in line with the national raise granted by the Interstate Commerce Commission.

Typical Increases
Typical commutation increases from Millburn will be:
New York, from \$11.85 to \$13.05 per month. One-way fares from Millburn to New York have been increased from 55c to 61c; to Newark, from 24c to 26c; round-trip fares to New York from 70c to 82c and to Newark, from 40c to 44c.

STATISTICS OF SPRINGFIELD

Population—1942, 5,000; assessed valuation—1942, \$5,221,929; tax rate—1941, \$3.97 (ownership)—\$2.11 (state and county), \$1.86. Springfield was settled in the early 1700's. Its township form of government was established April 14, 1791, and was incorporated in 1857. Springfield is a community of homes, with little industry except for farming, nurseries and co-ordinated manufacturing for these 44 industries. From New York City on the Lackawanna R. R. with two stations at Millburn and Short Hills, less than a mile away, 7 miles to Elizabeth, 7 miles to Newark; excellent bus connections to Newark, Elizabeth, Summit, and Plainfield. The Railway Valley Railroad, with a freight station in the township, affords service for factories, commercial and industrial purposes. State Highway 29, main New York City highway, by auto in 20 minutes. Site of over \$500,000 Union County Regional High School, serving Springfield, Mountainside and four other county municipalities. It has good streets, water, gas, electricity and modern sanitary sewer system, excellent police, fire and school facilities; mail carrier delivery system and zoning regulations for the protection of the individual property owner. Of interest in Revolutionary history with its historic Presbyterian Church, where the Rev. James Caldwell preached "Give 'em warts, boys," in the midst of the Battle of Springfield, fought on June 23, 1780. Several colonial landmarks are to be found in Springfield, one of the oldest communities in Union County.

Mountainside Pupils Are "Buying Bombers"

MOUNTAINSIDE—Believe it or not, but with patriotic zeal, the children of the Mountainside School are buying bombers to aid in the war effort. They have already purchased over 20 bombers during January, and expect to increase the amount during the coming months. For each \$5 worth of Defense Stamps which are sold in the school, another cardboard bomber is attached to the tally board which decorates the entrance hallway. For the month of January, Supervising Principal Wadas reported over \$100 worth of stamps sold, and subsequently the proper number of bombers were added to the tally. It's a real way to keep 'em flying.

Owners Will Lend Pigeons to Army

MOUNTAINSIDE—Announcement was made this week by Albert J. Benninger, vice-president of the International Federation of American fanciers, that breeding pigeons owned by the clubs affiliated with the Federation will be loaned to the Army Signal Corps. Collection of the pigeons will be made at the Mountainside Inn, Route 29, at 2 o'clock on Sunday. The birds will be taken by Army truck to Fort Monmouth for breeding, and the young birds later will be taken to Camp Claiborne, La. for training. Benninger, who spoke Tuesday at a meeting of the Rutherford-South Bergen Kiwanis Club, told his listeners that New Jersey pigeon fanciers, whose organization is the largest of its kind in the nation, are expected to supply over 3,000 pigeons to the Army. Benninger said the pigeons are trained for use with mobile units, returning to their base when released. He reported that the release of the "Lost Battalion" in World War I was aided by homing pigeons. Clubs participating in the loan include Greater Newark, Irvington, Greater Elizabeth, Plainfield, Independent, Newark, and Bloomfield. Reeve room of the church at 3:45 on Tuesday afternoon. It will be trained in the essentials of Christian Church membership, and what it means to be a Christian. Registration is still open. The annual Washington Birthday supper, under the Ladies' Aid Society will be held Thursday at 6 P. M. A turkey supper will be served. Tickets are 85 cents for adults and 50 cents for children.

Cranford Loses Nip-and-Tuck Battle To Orange and Blue As Locals Come From Behind With Close Win, 46-39

JAYVEES ALSO COME THROUGH, 27-17

A nip and tuck battle ended in another victory for Regional Friday night when Coach Brown's boys led by their star-stopper Johnny Wanica, came through in the third quarter to feel the crack Cranford 46-39 on the home court. It was the 12th win of the season for the Bulldogs, and the 56th time they defeated Cranford. Cranford nabbed the edge in the beginning of what was a very close game by clinching the first period 13-11. The local lads rallied, however, to grab the lead at the half by one point 24-23. The teams entered the final chapter deadlocked at 30-30, and it was apparent that a tough battle would ensue to decide the outcome. Wanica, Regional ace, came through, however, and in a remarkable exhibition of long-range shooting, broke the deadlock by throwing in three set shots in a row and gave the Bulldogs the margin which they protected for the remainder of the final frame. Although the game was a scoring duel between Wanica and Bob Laurion, Cranford guard, the former notched twenty-two of Regional's points, his record for the season, while the latter only amassed eighteen. More effectively for Regional was their switch in the second half from a zone defense to the man-for-man type of game. George Morton, junior guard, tapped in Regional's backboard shot for nine points, and Zeko Zabelski, equalling Morton's total, played a good Regional defense. Next in line to Laurion for Cranford honors was Miller, who tallied eight of their points. The Regional jayvees anticipated the varsity victory by turning back the Cranford jayvees 27-17. Fred Dannemann, guard, led the jayvees scoring by gathering seven points for Regional.

Dive Bombers Win Saturday By 52-37

Led by Fred Dity and Russ Schramm, having 16 and 14 points respectively, the Springfield Dive Bombers got back in the win column by defeating the "Y" Boys of Summit Saturday night by a score of 52-37. Taking the lead midway in the first period the Dive Bombers scored heavily throughout the game and were never headed. The "Y" Boys were led by Yantonia and De Nuzio, but unlike the Dive Bombers their scoring was done chiefly by these two players. The score: Dive Bombers (52) G. P. F. Regional Trounced Edison Five, 40-29

An improved Edison Vocational team failed to check Regional's current winning streak, when they played host to the Bulldogs on Monday night, and finished with a mere 29 to Regional's 40. Although Regional led the game from the beginning, and the outcome was never in doubt, the Elizabeth team, led by Barry, who scored 17 points, put up a brave fight. Cars Here Pass Tax Stamp Test

In the first check-up to find out what cars driven in this State did not have the \$2.00 car use stamp affixed, the Internal Revenue Collector's office in this area reported that no Springfield owners were found among the 350 violators for eleven North Jersey counties. The first week's inspection did not show that a large percentage of car owners were violating the law. It is assumed that many automobiles are not being driven at the present time because of winter and the tire and car shortage. Motorists do not have to buy tax stamps for cars that are not being used. But they must do so once the vehicles are taken from storage. Special stamps may be purchased on March 1, however. The tax is \$5.00 a year for the use of a car, or about 45 cents a month. At

this rate it will cost a motorist about \$1.50 to buy a stamp that will be good from March 1 until the end of June, when the \$5.00 stamps for the year starting July 1 must be bought.

Varsity Courtmen Outclass Linden

Regional's courtmen journeyed to Linden Wednesday to take over the Linden five, 35-21. Although the losers managed to come out even at the end of the first chapter, they could not continue to defend themselves against Regional's smoothly-executed attacks. Nor could they keep the Regional star, Johnny Wanica, from breaking loose to toss sixteen baskets. The victory was the fourth straight for the Bulldogs. Adding to the score for Regional, by addition to Wanica, were Zeko Zabelski, who netted ten baskets, and Ray Schramm, who netted eight. Linden was unfortunate in losing Meselha, who, in his five minutes of play turned in a sparkling performance, but who had to retire because of an injured leg. Regional (35) G. P. F. Enemy Aliens Warned; Slow In Registering

A warning to enemy aliens in this area that they face apprehension and internment for duration of the war if they fail to register in accordance with the government's order was issued yesterday by Postmaster Otto F. Heinz. Mr. Heinz said registration had been exceptionally slow thus far and that fewer than 50 had appeared for registration. The postmaster declared there was no need for enemy aliens to fear—that by applying for certificates of identification they would be sent to concentration camps. FEDERAL INCOME Tax Information No. 7

In the event of failure to make and file an income tax return as required by law within the prescribed time, a certain percent of the amount of the tax is required to be added to the tax unless failure to file the return within the prescribed time is shown to the satisfaction of the Commissioner to be due to reasonable cause and not to willful neglect. The amount to be added to the tax is 5 per cent if the failure is for more than thirty days, with an additional 5 per cent for each additional thirty days or fraction thereof during which failure to file a return continues, not to exceed 25 per cent in the aggregate. A taxpayer who files a tardy return and wishes to avoid the addition to the tax for delinquency must make an affirmative showing of all facts, alleged as a reasonable cause for failure to file the return on time, in the form of an affidavit which should be attached to the return. Alleged ignorance of the law does not constitute reasonable cause for delinquency. Taxpayers should make every effort to file their returns within the time prescribed by law and thus avoid the possibility of the additions to the tax for delinquency in filing returns. Do not forget that single persons or married persons not living with husband or wife, who earn as much as \$1,443 a week for the 52 weeks of the year, and married persons living together who have aggregate earnings of as much as \$2,885 a week for the year, are required to file returns.

The Boy Scouts of Union Council spent a good portion of yesterday in their first attempt to eradicate the tent caterpillars throughout the Council area. A few years ago the scouts were asked to do this and they did a most commendable job, and now since the growth of the caterpillar nests have increased, the Scouts were asked again to render aid in eradicating the pest. The many troops of the districts assembled and hiked to the various areas that were allotted to them, spending the day cleaning up nests. Owners of property where there were nests cooperated with the boys in permitting them to enter the property so that the work could be speedily taken care of. The work covered sections in Clark Township, the outskirts of Linden, areas in Union, Springfield, Kenilworth, and outlying parts of Hillside, Cranford, and the two Roselies. There will be a clean-up of this work the last Saturday in March. Any property owner having caterpillar nests, particularly on wild cherry or wild apple trees, who wishes the help of the scouts is asked to communicate with the various District Commissioners or the Council Office.

It is hereby certified that the budget annexed hereto and hereby made a part hereof is an exact copy of the original on file with the clerk of the governing body and that all statements contained herein are in proof.

Certified by me: DR. J. STEPHAN, Resident Municipal Accountant.

It is hereby certified that the following statements of revenues and appropriations shall constitute the local budget for the year 1942.

STATEMENT (Required by Revised Statutes Section 40-2-14)

Table with columns: TAXES FOR, 1942, 1941, 1940. Rows include State School, State-School Bonus Bond, General County, etc.

The Budget for the year of 1942 has been prepared on a "Cash Basis" in accordance with the Local Budget and Cash Basis Act.

The Township Committee has no control over the amounts to be raised for Local District Schools, Local Regional High School and County Taxes.

The Regional District School Tax is expected to be about \$3,000 less in 1942 than for 1941, while the State and County Taxes will increase by approximately the same amount because of increased patches during the year.

During 1942 a favorable surplus was realized as the result of an increase in the percentage of the collection of taxes and from receipts derived from the sale of Parcelized and Acquired Property; Eminent Domain and Gross Receipts Taxes, and other miscellaneous revenues.

The anticipated tax rate for 1942 is estimated at 4.98 as compared to 4.93, an increase of five (5) points.

YOUR RED CROSS

At the request of Mrs. Henry C. McMullen, chairman of Volunteer Service, we are printing the following eloquent appeal which was made recently to the women of the nation in a radio broadcast by Mrs. Dwight Davis, National Director of Red Cross volunteer services:

"Be generous. When you enroll for a job give it all the time you can spare. Train for full time service, such as nursing. If you can't, train for part time service."

"Behind every man in the Armed Forces stands a woman. We, too, are a mighty Army. Our courage is their strength. Our self-control, our common sense in crisis, their peace of mind. Our confidence in them, our loyalty to them and their leader and ours—the President—is the rock on which they build. Above all things, we must keep faith."

"A First Aid class for Air Raid Wardens was started on Wednesday evening in the Town Hall. Malcolm Leonard is the instructor."

"Give your money, again and again, all you can spare, ten cents or one hundred thousand dollars—and whether it be a contribution to a great organization such as the Red Cross, or whether it is in the form of Defense Bonds or increased taxes, give it cheerfully. All we possess we get from our country."

"Remember that rags and bones and paper will make planes and guns and bullets. Give, if you can, a pint of your blood. It may save the life of your dearest friend."

"These are tangible services, but it is in 'The things of the Spirit' that American women can make the contribution which is peculiarly and particularly ours."

"War Fund Drive, etc. It is hoped that these workers, and also every other person who by reason of their \$1.00 membership in the Red Cross, is interested in the work of the organization, will make an effort to attend the Chapter's annual meeting tonight in the auditorium of the Raymond Chisholm school."
