In most cases the point value tag was a little card tacked to the shelf next to the monetary price tag...

During March, shoppers will use all the blue stamps which bear the letters A, B, and C...

LENT AND WARTIME

By (Mrs.) MARY W. ARMSTRONG, Home-Demonstration Agent

The approach of the Lenten season will mean even more meatless meals for many families...

Since fish, eggs, cheese and poultry are all still readily available...

Dried beans and peas are good sources of protein, as vegetables and even though these are rationed...

While the single can of tomatoes, weighing one pound 12 ounces, had a 23-point value...

Another woman had a whole month's point ration for a single person in three cans she selected...

For all shoppers, all food stores posted large charts of the more than 200 point values...

In most cases the point value tag was a little card tacked to the shelf next to the monetary price tag...

## Children's Society This Week Launches Annual Appeal

The annual appeal for the support of the Children's Service Committee of the Family and Children's Society of Union County is being mailed this week. The children who are helped by this society are taken to the organization because of the neglect and cruelty of parents in the towns throughout the county. A thorough investigation by competent case workers follows, but the child is taken care of immediately through a foster home with some private family. After careful study it is sometimes possible to return the child to his own parents and to a rehabilitated home, or perhaps capable relatives can be discovered. The child may be suitable for adoption, or it is possible to arrange long-term care is required he may be retained by petition to the court to the State Board of Children's Guardians. It costs a minimum of \$50.00 a week for one child, plus suitable clothing, and adequate medical and dental care. This cost the society \$21,023 last year when an average of 90 children were provided with temporary homes. Every cent contributed through the present appeal will go toward the cost of foster home care for county children. The chairman of the Children's Service Committee is Mrs. John M. Noble of Westfield.

## Student Nurses Of Overlook Hospital Receive Caps

The capping service of the student nurses of Overlook Hospital was held Tuesday in the auditorium of the Lincoln School of Summit. The class of twenty-two nurses was the largest ever to be capped in the history of Overlook. The program included a speech by Dr. Harry Boyles dealing with the duties and opportunities of nurses and the great need for them in these war times and in preparation for the after-war problems. The words of the song sung by the nurses at the close of the ceremony were written by Mrs. Louis Putnam, wife of the hospital superintendent, who accompanied the singers on the piano. The invocation was given by the Rev. John McKenna and the capping ceremony was performed by Mrs. F. D. Dressin, director of nurses.

## School Celebrated 122nd Anniversary

MOUNTAIN—At the celebration of the Union Chapel Sunday School's one hundred twenty-second anniversary Sunday, the Rev. Leta Lincoln of Short Hills, former pastor of the Chapel, read a selection from the seventh chapter of the first book of Samuel as his sermon topic. "Hitherto hath the Lord Helped Us." Mr. Lincoln discussed the Sunday School's ability to review its development and progress, and to draw a comparison with Israel. Annual reports were given by Miss Helen Westberg, secretary; Mrs. Marjorie Monseman, treasurer; Mrs. George B. Danabomb, home department superintendent; and Mrs. Dever G. Knoll, Cradle Roll superintendent.

## Two Women Injured In Mountainside Accident

MOUNTAIN—Two women entered head-on and a collision of the face last Tuesday when the automobile in which they were riding collided with that of WIFE Hiam R. Lencey of Summit near Summit road and Route 29, according to a police report. Following the accident, the two women, Dorothy V. Mason of Springfield Avenue, New Providence, and Helen Ireland of Summit, were taken to Overlook Hospital for treatment. The former was released after treatment while the latter remained at the hospital. The accident occurred, police said, when the Mason car was in collision with Lencey's car as he slowed down to make the turn into Route 29 from Summit road. Both cars were proceeding south.

## Plenty of Laughs In Fire Department Play

MOUNTAIN—We laughed, say the publishers of the Fire Department play to be given next Friday evening at the borough school, "when we read this play in main body form. Publishers have to read hundreds of plays, and it takes a lot to make one of them laugh." Henry Sevovic, director of "Aunt Emma Sees It Through," laughed when he read it. In fact, every time Mr. Sevovic reads it, he laughs—which is why he has presented it several times during the eight years that amateur dramas has been his hobby.

Wilford P. Twyman of the Mountaintops Taxpayers Association asked Mayor Moxon if provision had been made in the 1943 police appropriation for any bonuses, as was done in other departments. Moxon replied that he had been taken care of by referendum last year, and no increases were planned at this time.
