FIRE VICTIM AND HIS RESCUER

THOMAS F. CLARK and FRANK C. GEIGER

Thomas F. Clark, who died from burns in grass fire at his home Saturday, as former committee man Frank C. Geiger managed to beat out the flames on the older man's clothing.

Thomas Clark, 76, Dies of Burns From Grass Fire

Thomas F. Clark, 76 years old, of South Springfield avenue, died Monday morning in Overlook Hospital, Summit, from burns inflicted Saturday afternoon while burning brush in the rear yard of his home.

Parents to Hear Felix Wittmer, Famous Scholar

The next meeting of Regional High School Parent-Teacher Association will be held on Thursday evening in the high school auditorium. The guest speaker will be Dr. Felix Wittmer, author, journalist and traveler, whose topic will be "War Time Problems in High School."

DR. FELIX WITTMER

lished him as one of our most authoritative speakers in world politics. As the age of twenty-one Dr. Wittmer received his Ph.D. in world literature from the University of Munich, having achieved summa cum laude in his written examination and magna cum laude in his oral examination.

"In Sunday's drive we will accept everything in the way of scrap. Tin cans, metal of all kinds, rags and particularly paper. The collection will begin at 2 o'clock from the Fire-house on North Trivett street and any citizen who can spare the time and will help out in this drive is invited to do so.

License Tags Selling 6 to 1

Unlike other years a steady flow of customers at the local motor vehicle agency of Richard T. Bunnell, at 4 Plomer avenue, reflects a tremendous increase in the amount of business handled by that office.

Exercises Held As Two Home Nursing Classes Graduate

About 60 women attended the annual meeting of the Home Nursing Auxiliary of the Springfield Chapter, American Red Cross, in the Legion Hall on Wednesday evening.

Two New Teachers Added to Faculty At Regional High

The Regional Board of Education appointed two new teachers at its regular meeting last Thursday to replace Miss Carolyn Phillips and Mrs. Helen Lachary, resigned.

Applicants Needed For Mobile Blood Bank Here Shortly

Springfield residents will have an opportunity to send their blood to war on April 8, when the mobile unit of the American Red Cross Blood Donor Service visits this community.

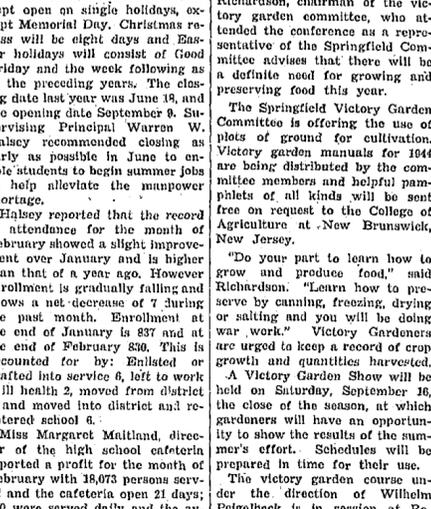

School Filled at Music Concert

A record-breaking crowd attended the Spring Festival filling the auditorium to capacity last Friday night at Regional High School. The affair given by the high school and elementary schools under the direction of John M. Nels and Miss Elaine Luff of the elementary schools and David Russett and Miss Josephine Dolner, musical directors at the high school was for the benefit of the Red Cross War Fund Drive.

Victory Garden Seen As Vital Need This Year

The vital need for victory gardens was stressed at the Regional Victory Garden Conference held in New York recently. Donald Richardson, chairman of the victory garden committee, who attended the conference as a representative of the Springfield Committee advised that there will be a definite need for growing and preserving food this year.

SEDAN CRASHES THROUGH TAVERN WINDOW

Scene at Furman's Bar, Morris avenue, when sedan hopped curb from Millburn avenue and crashed through window.

Republicans Hear Ullrich

Approximately 40 persons attended the Springfield Republican Club meeting held in the Legion Hall on Monday evening. August C. Ullrich of Hillsdale, candidate for the Assembly from Union County spoke on the "Constitution."

Antique Show Plans Altered

The Ladies Benevolent Society of the Presbyterian Church announced this week that plans for its second annual antique show scheduled for four days in the last week of April has been changed, due to conflicts which arose with exhibitors.

Colfax Group Respond First

The Colfax Civic Association was the first to answer the call of the American Red Cross by holding an "outside benefit" in the American Legion Building last Thursday.

Answered 7 Alarms

The Springfield Fire Department reports seven brush fires this week, one on Sunday, two on Monday, one on Wednesday and three on Saturday, one of a serious nature in which local resident, Thomas Clark, was fatally burned.

MEN IN SERVICE

Thomas Mulligan, aviation machinist's mate, third class, left on Monday for Seattle, Washington, after a ten-day leave visiting his uncle, Jack Tennenbaum of 30 Brook street. He had been attending school at Jacksonville, Fla., and recently was promoted from seaman, first class, to the above rating.

SUN Spots

"GIVE INTEREST" is certainly picking up" whispered a Council member Tuesday night at a Mountain-side Council meeting, when for longer than most of the board reads, no spectators were on hand to witness the proceedings, either to listen or complain.

Plasma

"Plasma," Mrs. Phillips explained, "is the liquid part of the blood remaining after the red and white corpuscles are removed." The anti-war blood collection project was undertaken at the request of the Surgeon General of the Army and Navy by the American Red Cross. A total of 5,300,000 pints of blood has been requested to date.

Serious Injury

Serious injury was averted last Thursday night at 10 o'clock at Furman's Bar and Grill, 578 Morris avenue, when a sedan crashed through a plate glass window and halted against a supporting beam in one of two bar rooms on the premises.

Morris avenue

Morris avenue, proceeding across the street through the tavern window. He was unhurt. There were no other patrons in the bar at the time. Cracked glass and debris from broken chairs and tables were strewn about the room. A dinner party of 30 had left the bar a half hour before the accident.

Naval procedure

naval procedure. Soon, he will be given a series of aptitude tests to determine whether he will be selected to attend one of the Navy's service schools, or will be assigned to active duty at sea. Upon completion of his recruit training, he will be granted a nine-day leave.

Private First Class

Private First Class Ernest Gurdler, Jr., son of Mr. and Mrs. Gurdler of 11 Ballhurst way, sends us a letter from Camp Polk, La. The letter reads as follows: "I received one of those cards that were sent to individual servicemen and women each time a War Bond was purchased by some member of our community.

The Blood Bank unit comes to Springfield April 8. Give your blood for plasma to be used for our fighting men at the front. V-Mail helps the war effort.

FOR ALL TOMORROWS

A monument of beautiful design, sculptured in enduring Select Barre Granite, will, for generations to come, pay daily tribute to memories you cherish. May we explain how the Barre Guild Seal and Certificate insure value and beauty in your memorial investment?

Your Red Cross

Nurses' Aides are busy women like you. They too, have children to take care of, houses to manage, meals to prepare and marketing to do. But, they are women who don't want to sit the war out. They arrange their home jobs so that they can do a volunteer war job. Make a survey of your home activities—work out economies that will give you extra hours a week for war work. Contact Mrs. Harold Jones, Red Cross chairman for Nurses' Aides regarding training for this work, at Millburn 6-0373-W, or call Red Cross headquarters in the Town Hall, Millburn 6-2903.

Save a bundle of paper a week. Save some boy's life.

Gasoline Quiz

You know that gasoline is one of the most important war weapons. Now check your knowledge on America's wartime gasoline situation. In each case only one answer is correct.

1. The main reason for rationing is:
 - (a) to conserve rubber.
 - (b) the actual civilian shortage of gasoline.
 - (c) to keep civilians from traveling.
 2. Out of every 100 gallons of gasoline produced in the United States, the military uses:
 - (a) 14 gallons.
 - (b) 43 gallons.
 - (c) 33 1/2 gallons.
 3. To obtain a "B" or "C" ration to drive to and from work, usually the most important requirement is to prove that:
 - (a) you are a war-worker.
 - (b) you can't stand crowded buses.
 - (c) you are a member of a legitimate car sharing club.
 4. The amount of gasoline produced in 1943 for automobiles in relation to 1941 (pre-war) was:
 - (a) more in 1943.
 - (b) less in 1943.
 - (c) about the same.

There are some wounds no drugs can heal!

WHEN a man is hit in battle, he gets the best of care. No effort, no expense is spared to save our wounded boys.

But there are some wounds no drugs can heal... the wounds that come from loneliness, from being far from home... the wounds that come from worry... the wound of missing you until his heart breaks and he feels he can't go on.

There are no drugs for wounds like these—no drugs except a mother's touch. And that is where the Red Cross—your Red Cross comes in.

For the Red Cross is still the Greatest Mother in the World. All over this earth

—wherever our fighting men go—the Red Cross is with them. Its Clubmobiles stand at desert crossroads. Its rest homes will be found on every front from London to Calcutta. Wherever humanly possible, its packages reach the prisoners of war in far-off camps... get through the barbed wire straight from your hearts... with fine American food, cigarettes and tobacco.

When you say "Thank God

for the Red Cross" remember this... it is your Red Cross... your bandages and your blood.

Yes, and your money too!

Giving to the Red Cross has always been a great proud habit of thirty million American families... proud that they could give... proud of Red Cross that made the giving worthwhile.

Of course, you have given generously before. Of course, you will give again.

But this year, when the need is greater than ever before... when it's your own sons we serve... this year dig deep and be glad. For whatever he is

The RED CROSS is at his side and the Red Cross is YOU!

SPRINGFIELD SUN "LET THERE BE LIGHT"

ESTABLISHED SEPTEMBER 27, 1877

Published every Friday at the Press Building, 8 Flower Avenue, Springfield, N. J., by the SPRINGFIELD SUN PUBLISHING COMPANY, TELEPHONE MILLBURN 6-1258

Entered as second class matter at the Post Office, Springfield, N. J., under an act of March 3, 1925.

EDITOR AND PUBLISHER MILTON KESHEN

Subscription price—\$2 per year in advance. Single copies, 5 cents. Communications on any subject of local interest are welcomed. They must be signed by someone of good faith. Unsigned letters will not be published. The SUN reserves the right to print only those articles which it deems worthy of publication. All communications and contributions must be in our office not later than noon on Wednesday. Articles received later will not be published that week. It is important that this rule be observed.

STATISTICS OF SPRINGFIELD

Population—1911, 5,400; 1920, 14,742; 1930, 25,472; 1940, 33,290. Tax rate—1943, 2.99 cents on \$100.00. Springfield was settled in the early 1700's. Its township form of government was established April 11, 1784, and was incorporated in 1827. Springfield is essentially a community of homes, with little industry except for farming, nurseries and associated manufacturing. For these, it is minutes from New York City on the Lackawanna R. R., with two stations at Millburn and Short Hills, less than a mile away. 7 miles to Elizabeth; 7 miles to Newark; excellent bus connections to Newark, Elizabeth, Summit, and Plainfield. The Hackensack Valley Railroad with a freight station in the township affords service for factory, commercial and industrial purposes. State Highway 23 makes New York City accessible by auto in 50 minutes. Site of the 1890-91 Union County Normal High School, serving Springfield, Montvale and four other county municipalities. It has good streets, water, gas, electricity and modern sanitary sewer system, excellent police, fire and school facilities; mail carrier delivery system, and zoning regulations for the protection of the individual property owner. Of interest in Revolutionary history with its historic Presbyterian Church, where the Rev. James Caldwell cried "Give 'em wads, boys!" in the midst of the Battle of Springfield fought on June 23, 1780. Several colonial landmarks are to be found in Springfield, one of the oldest communities in Union County.

WHAT THE SUN ADVOCATES

- 1. Sidewalks wherever needed.
2. Sc bus fare to Union Center.
3. Extended local telephone scope to Newark and Elizabeth.
4. Federal Post Office building.
5. An active Board of Trade to stimulate "Try Springfield First" in purchasing.
6. Full-time position for the Township Clerk's office.
7. Encouraging clean industry, to increase tax ratables.
8. Extension of mail delivery by local R. F. D. routes, to all portions of the township.

ENLIST YOUR BLOOD PLASMA

The Army and Navy have jointly asked the American Red Cross to supply 5,158,000 pints of blood for processing into dried blood plasma this year. You can help Springfield meet its share of this quota by enlisting your blood in the Armed Forces on April 8 when the Mobile Blood Donor Unit of the Red Cross comes to the township.

An appointment may be made with Mrs. Charles Phillips, chairman, at Millburn 6-2196 or by contacting Red Cross headquarters in the Town Hall, at Millburn 6-2003.

You have already given to the Red Cross War Fund, now carry your sacrifices just another step further by donating a pint of blood which has saved thousands of lives of our boys on the fighting fronts everywhere.

Dental Survey Being Planned

Survey of all Union County students more than 10 years of age to determine the extent of the dental care they require will be undertaken by the Union County Dental Association, it has been announced. While the program for the survey is still to be worked out it is expected to start soon with the aid of the schools' victory corps.

expected to start soon with the aid of the schools' victory corps. Purpose is to have the students' teeth in good shape in anticipation of possible military service.

A similar survey is proposed for the younger children in Union County schools with the aid of the Council on Dental Health.

Call the SUN, Millburn 6-1258, for an estimate on your job printing requirements.

HOLD THAT PIPELINE!

Don't let Jack Frost get through your water pipeline. He'll score heavily against you.

Freezing weather causes unprotected water pipes to burst. Repairs may be delayed due to material and manpower shortages and you would be without running water for several days. Repairs will be expensive, too.

During these extremely cold nights, your "line of defense" against Jack Frost is:

ALLOW A SMALL TRICKLE OF WATER—ABOUT A QUART A MINUTE—TO RUN ALL NIGHT FROM A FAUCET LOCATED HIGHEST IN YOUR HOUSE.

- Make sure exposed water pipes are wrapped with old newspapers, rags or burlap.
See that your basement is air tight. Repair broken window panes. Stuff cracks in walls, around windows and around doors which admit cold air.
