

Township Canning Center Opened At High School Here

Springfield can proudly claim another community project, the first canning center of its kind in this section of the State.

On Tuesday morning at 9, the doors of the home economics food laboratory, located in Regional High School, were opened to the public for use as a Community Canning Center.

All work is directed by Mrs. Elizabeth S. Hunter of Millburn, a home economics teacher. Mrs. Hunter is anxious to have as many use the facilities of the center as possible.

The first patron to arrive at the center was Mrs. Harold Brill of South Springfield Avenue. She has the distinction and honor of being listed as Patron No. 1, an identification number which will always be used to identify her products.

The next two to use the center were Mrs. John J. Gates, of Deaneham rd. and Mrs. F. J. Carter of 53 South Slope Drive, Millburn.

On Wednesday night, Mrs. Carter, Mrs. Gates, Mrs. A. Unsworth, Mrs. N. Miller, Mrs. A. Schramm, Mrs. A. McEvoy, Mrs. G. Mitruck and Mrs. Frank John stayed until very late, canning asparagus.

The community canning project was planned by Wilhelm N. Peitzbeck, local instructor of vocational agriculture, who is supervisor of the center here and also one to be opened shortly in the Clark Township grammar school.

The canning center will be open from 9 A.M. to 5 P.M. until further notice. If sufficient interest is shown, arrangements will be made to keep the center open.

Mr. Peitzbeck, local supervisor, wishes it to be known to every one that the center will remain open as many days in the week as there is a need to use the equipment. In the event there is insufficient interest, Mrs. Hunter will divide her time between Springfield and Clark Township centers.

Eighth-Graders To Be Welcomed

Ten Inn will be held tomorrow night at eight o'clock in the American Legion Hall, at which time the eighth grade graduates will be welcomed and will be eligible for membership.

Dandrea Boys Met First Time In 2 Years Abroad

Good news came to Mr. and Mrs. John D'Andrea of 23 Mountain Avenue this week, when they received two letters from their sons, Private John and Corporal Angelo, both stationed in Italy. The letters told of the first meeting in two years of the two brothers. The reunion took place, when Corporal

D'Andrea located his younger brother in an Army hospital, convalescing from injuries received in battle on January 22, 1944.

Corporal D'Andrea was inducted in the service on March 27, 1942 and went overseas on June 29, 1942. Pvt. D'Andrea entered the Armed Forces on June 10, 1943 and was sent overseas in November of that year. He was injured on January 22, 1944, and received the Purple Heart, which he has sent home to his parents, Mr. and Mrs. D'Andrea.

The letter from Corporal Angelo to his parents is as follows: "I know you will be pleased when you read this letter. I was up to see Ermon (John's middle name) today. He looks fine, so there is nothing for you to worry about. I hardly knew him when I saw him. He makes me look like a little shrimp. He may have been a little grown man when you see him again. I have a hunch it will be those meekish winter days last year."

P.B.A. Election Held on Tuesday

At a regular meeting of Springfield Local No. 76, Patrolmen's Benevolent Association, on Tuesday, election of officers was held. Patrolman Charles Schenckmoth was re-elected as president and Patrolman Leslie Joyner was elected vice president. Patrolman Vincent Pinkava was re-elected financial secretary and Patrolman Nelson Stiles was named treasurer. Patrolman Arthur Lamb was chosen as delegate to the state convention.

\$15,000 Sold In War Loan Drive, Spurt Is Expected

The Fifth War Loan drive in Springfield reports only \$15,000 thus far sold in bonds at the local Bank and Post Office, Chairman Malcolm Leonard reported yesterday, but is expected to move along in stride as the campaign progresses.

"The sale of war bonds in Springfield is off to a good start. All our Air Raid Wardens have been supplied with their bond kits containing application forms, window stickers, etc. The total sales to date amount to only \$15,000. However, considering that the drive has just started, that total is not at all bad. In next week's issue of the SUN the amounts subscribed in each air raid zone will be reported in full."

The quota for Springfield is \$200,000 which is a lot of money for a town the size of ours. It is nevertheless indicative of what is expected of us at this time when the need of funds for winning the war are so great. Won't you please buy as large a bond as you possibly can from your neighborhood warden? Don't worry about the bonds being good after the war. Our government guarantees them in the same manner as it does its banknotes.

"Our soldiers and sailors on the invasion coast of France need our support now in keeping them supplied with guns, ammunition, and food to an enormous extent. They are certainly doing their part. Let us do ours."

Corporal D'Andrea was inducted in the service on March 27, 1942 and went overseas on June 29, 1942. Pvt. Lt. Ray-Maguire, Former Regional Boy, Is Missing

Lieut. Raymond R. Maguire, 25-year-old bombardier on a Flying Fortress, has been missing in action over Germany since May 20, his parents, Mr. and Mrs. Myles A. Maguire of 42 West Holly Street, Cranford, have been notified by the War Department. Lt. Maguire, formerly of Cranford, graduated from Regional High School in June of 1940, where he was president of the senior class.

Layout Approved At Church Corner

A proposed layout for development of the "church corner" at Morris Avenue and Main Street owned by F. and P. Nurseries into business property and residences was submitted to the Township Committee Wednesday night by the Planning Board, to whom application was made last week for the tract. When board members last week, upon review of the original plan, foresaw parking problems at the intersection, they voiced dissatisfaction but Wednesday night voted to approve the Planning Board's map which is printed elsewhere on this page.

The land involves the area bounded by Morris, Plemmer, Linden and Wabeno avenues with the exception of several privately owned tracts. F. and P. Nurseries vacate an extension of a paper street, Main Street, and to select approval of building two streets connecting into Wabeno Avenue.

On the other hand, the Planning Board's altered plan provides for a memorial park site, to be turned over to the township and built at township expense, which would eliminate any buildings directly at the Morris and Plemmer Avenue corner. A landscaped curved street would furnish adequate parking spaces and larger business frontage, away from the corner, with suitable entrance for truck deliveries in the rear of the site.

Plans of the F. and P. Nurseries to cut the tract into development plots provide for a post-war project, but it was expressed that sale would be accelerated if a tentative layout is approved. The Township Committee's action in sanctioning the Planning Board map is not final, but aids in development of plans from that point until a more definite sketch is furnished.

Sam Irwin, 23 years old, of 4 Iris Road, Summit, sustained lacerations and abrasions by the accident and was released after being treated at Overlook Hospital. He resides at 616 Orchard Road, Cranford, and is 49 years old.

Police report that Paulsen driving west struck one of the steel drums used as a barricade for road repairs in Morris Avenue near Short Hills avenue, causing his vehicle to swerve quickly to the left side of the road where it struck Hughes' car, travelling eastward.

Pride of Battle Hill No. 17, Daughters of America, celebrated its 17th anniversary Friday evening in Legion Hall with a large attendance. They welcomed nine of their charter members. District Deputy State Councilor Mrs. Emma Maxwell spoke on raising funds toward purchasing physiotherapy equipment for the Army Air Field Hospital at Weequahic Park, Newark.

Birthday cakes were presented to the council from the Mother Council, Star of Westfield No. 60 and Charlotte Le Due, deputy of the local group.

Visitors attending the party were from Harry B. Johnson No. 123 of Cranford, Star of Westfield No. 60, Roselle Park No. 72 and Benevolent Council No. 68, Roselle Park.

Refreshments were served by the committee. The meeting of July 7 will be devoted to installation of officers.

Township Clerk Robert D. Treat has been asked by Governor Edge to cooperate in obtaining the names of servicemen who might have been missed in the household canvass conducted by the Civilian Defense volunteers. Treat said he would cooperate fully with the Governor's request in recording the additional names.

The Governor said in his letter to Treat, that more than 250,000 names and addresses of service men and women were assembled in the canvass.

He said every person whose name may have been missed in the canvass is asked to fill out cards with the required information at the city clerk's office.

Treat said he has received quantities of two sets of cards, black and red. The black printed cards are to be filled out and sent by the Township clerk to Trenton. The red printed cards are to be kept by the person filling in the information in case there is a change in address so the state can be notified. Mr. Treat said any one desiring to fill out the card can call at his office during any day when his assistant will be there or any night when he will be there himself.

Salvage Committee Will Revert to Old Collection Plans

The Salvage Committee has reverted to its original plan of collecting salvage throughout the township once a month after testing the efficiency of weekly collections by districts. Boy Scouts and Girl Scouts will assist in the first collection under this redeveloped plan on Sunday, and paper will be the only item collected.

Postmaster Otto Helz, chairman of the committee, explained in a statement outlining the program, "The need for paper was never more apparent than it is now. It is needed for the war effort more than ever now that we have come to what may call the last stages of the war. Your local Salvage Committee, which has believed it would be easier to collect by taking one volving district each week, has come to the conclusion that this does not work out as well as anticipated and is changing its plans for collecting so that the next collection will be township-wide and will be on Sunday, June 25, for paper only. The collection will begin at one o'clock and all paper, no matter what its kind, should be curbed in small packages for easy handling. Nothing else is to be collected at this time."

On Wednesday, June 23, tin cans which have been processed and other such materials may be considered salvage and will be collected between 1 P. M. and 5 P. M. Please do not confuse dates and kinds of materials to be collected.

Masons Planning Social Program

Continental Lodge 300, F. and A. M., will hold a social hour following its meeting on Tuesday evening in the Bank Building, Millburn, at 9. Jules Marlon, educational director of the New Jersey Fish and Game Commission, will lecture and show the latest motion pictures of the activities of the commission.

Masons, their sons, and friends are invited to attend the program which should be of special interest to all fishermen and sportsmen, particularly at this season of the year.

Battle of Springfield Is 164 Years Old Today

One hundred and sixty-four years ago today on June 23, 1780, a cannon roared at the place that is now Hobart Avenue. Short Hills commemorates the farmers from their homes and fields with their thoughts to Springfield Center where they were to meet a huge force of American soldiers by fighting the re-enactment in the famous Battle of Springfield.

In a letter to his commander-in-chief, General Washington, Major General Greene who opposed the British with the Continental troops said, "The enemy advanced from Elizabethtown about five in the morning and to the north of the infantry, with a large body of cavalry and fifteen or twenty pieces of artillery. Their march was rapid and compact. They moved in two columns, one on the main road, leading to Springfield; the other on the Vauxhall road. Maj. Lee, with horse and pikets, opposed the right column, and Colonel Dayton, with his regiment, the left, and both gave as much opposition as could have been expected from so small a force."

It was in hopes that the enemy would have attempted to gain the heights, but discovering in them no disposition for attacking us, and seeing them begin to fire the houses in town, detachments were ordered out on every quarter to prevent their burning buildings, not under the immediate command of their cannon and musketry. In a few minutes they had set almost every house on fire in the town and begun their retreat."

Damages Denied In Caddy Case

Ambrose Kehoe, local caddy, was denied damages for injuries sustained at the Baltusrol Golf Club in September, 1941, by a Supreme Court jury at the Court House last Wednesday. He was struck by a ball driven by Walter Hine, president of the club, while the latter was driving from a practice tee, attempting to eliminate a tendency to slice the ball. Kehoe remained in Overlook Hospital for several weeks while recovering.

The three-day trial was heard by Judge Frank L. Cleary and an all-male jury.

The defense, represented by Mark Townsend, contended that the compensation insurance by the club, covering employees, had resulted in payment of all medical expenses for Kehoe, plus \$375 for personal disability. Hine, John J. Farrell, professional at Baltusrol, and Major Robert Jones, club manager were witnesses for the defense.

Hine was charged with committing the unpardonable sin for golfers, that of not shouting, "Fore" when shooting by Jacob Mantel, Kehoe's counsel. Hine has been a golfer since 1910.

The jury ruled "no cause for action." Kehoe is 40 years old and resides at 352 Morris Avenue.

School Board Bids Awarded

The Springfield Board of Education Tuesday night awarded bids as follows: J. L. Hammett & Co. of Newark, supplies for \$1,325; Burns Bros. of Newark, 10,000 barrels of fuel oil at \$2.08 per barrel, and to Fuel Sales Corp. of Springfield, 125 tons of rice coal at \$7.50 per ton.

District Clerk A. B. Anderson was reappointed and the following were also reappointed: Custodian of school funds, Charles H. Huff; school physician, Dr. Henry E. Denzler, and janitors, William Wagner, James Redington, John Hoagland and George Smith.

Contracts were issued to C. H. Van Idersline for \$240 on motor maintenance and to H. T. Richardson \$80 for oil burner maintenance. Bids were authorized for painting certain parts of the interior of the Raymond Chisholm School, to be received by the board at a special meeting on Thursday, July 6. The board will hold its next regular meeting, however, on Tuesday, July 18.

Most Complied On Fuel Forms

In a recent survey made by the SUN among local coal companies to determine how many consumers have filed their declarations, it was found that the majority of coal users have already complied with the government requirements. One company reported that 90 per cent of its coal customers had filled in the questionnaire covering the individual's coal needs, and a second company reported an 85 per cent response. There is no definite date by which these blanks must be in, but no one can get any coal who has not filled out the consumer declaration blanks.

Annual Services Held Here Sunday By S.A.R., D.A.R.

Rev. David K. Barnwell, minister of the First Baptist Church, Summit, warned against disunity at home in these times of great danger across the seas at the annual patriotic meeting of the Passaic Valley Chapter, New Jersey Society, Sons of the American Revolution, and Beacon Fire Chapter, Daughters of the American Revolution, both of Summit, in the Presbyterian Church Sunday afternoon.

The church meeting, which has been held for thirty consecutive years, marked the 164th anniversary of the Battle of Springfield fought on June 23, 1780.

In a "Tribute to Old Glory" Writer Van Heesen, of Panwood, president of the New Jersey Society of the Sons of the American Revolution, told of the origin and history of the Stars and Stripes. Of particular significance and interest to the residents of this locality is the fact that it was flown over American troops at Camp Middlebrook, on the Watchung Mountain in back of Bound Brook, a few days after the Continental Congress adopted it as the official flag on June 14, 1777, he declared.

Rev. Dr. George A. Liggett, pastor of the First Presbyterian Church and Chaplain of the N. J. Society S. A. R., offered the invocation following an organ prelude by Miss Hazel Leber. A past president of the N. J. Society, Harold Blanchard, led the pledge to the flag which followed the Star Spangled Banner. Following the offering which went toward the upkeep of the Presbyterian Revolutionary Cemetery here, and a Scripture reading by Rev. Charles Peterson, pastor of the Methodist Church, Donald Plemmer sang "Let Us Forget." In concluding the service the colors were assembled and the hymn, "America" was sung as well as the recessional "Rejoice Ye Pure in Heart."

Romeo Betts was chairman in charge of arrangements for the service and Recorder Everett T. Spinning served as director. They were assisted by the following: Dr. Liggett, Howard Bishop, and Richard Corby. F. Monger, deacon, was in charge of conducting the service.

The Elizabethtown, Abraham Clark of Roselle, West Fields of Westfield, Washington Rock of Plainfield, Passaic Valley of Summit, East Orange, and Newark Chapters of the S. A. R. were represented as well as the associated chapters of the D. A. B. Special guests at the service were recently naturalized citizens who were welcomed by Mr. Van Heesen.

To Meet Thursday The executive committee of Continental Post 228 of the American Legion will meet Thursday evening at 8:15 in the Legion Hall.

## Masterson-Kulp Nuptials Held On Saturday

Miss Helen M. Masterson, daughter of Mr. and Mrs. Everett Masterson of 308 Princeton road, Union, became the bride of J. Lawrence Kulp, son of Mr. and Mrs. John Kulp of 119 South Maple avenue, on Saturday at 4 o'clock in Park Street Chapel of the Plymouth Brethren, Roselle. Ludwig B. Armerding of Fanwood, assisted by Dr. James H. Humphries of the chapel, performed the ceremony.

Maid of honor was Miss Barbara Masterson, sister of the bride. Bridesmaids were Miss Luella Knotts of Sharon, Pa., Miss Ellen Wood of Wilmington, Del., and Miss Naomi Terhune, cousin of the bride, of Westfield. Best man was Paul Terhune of Westfield and Arthur Schuler and Stephen McShane of Princeton and Midshipman James Peas of Philadelphia, ushered.

Miss Betty Watts of Newcastle, Del., played the wedding music. Joseph Springer of Camden sang "At Dawning" and "God Gave Me You." He also sang a wedding hymn and during the marriage ceremony, a hymn of consecration.

The bride wore a white-satin gown trimmed with lace and made with sweetheart neckline. Her finger-ring veil of illusion was draped from a tiara of orange blossoms. She carried an arm bouquet of lilies, hydrangeas and white gladioli.

Miss Masterson wore a light blue marquisette gown with sweetheart neckline, torso waistline and full skirt. The bridesmaids wore attire in pink, light green and yellow marquisette. Their gowns were similar to that of the maid of honor. They all carried bouquets of assorted spring flowers. Mrs. Masterson wore a dusty pink dress trimmed with lace and Mrs. Kulp wore a gray and blue flowered sheer dress.

After a wedding trip, the couple will reside in Princeton.

Mrs. Kulp graduated this month from Wheaton College, Wheaton, Ill. Mr. Kulp graduated in 1942 from Wheaton College and attended Ohio State University where he received his master's degree. He is engaged in chemical research work at Princeton University. He is a graduate of Regional High School, class of '33.

**William Hinze**

Funeral services were held on Saturday from Heberle and Barth Home for Funerals, 971 Clinton avenue, Irvington, for William Hinze, 68, who died suddenly Tuesday of last week of a heart attack at his home at 112 Tobker avenue. Interment was in the Presbyterian Cemetery.

Mr. Hinze, employed as a tool-maker by the Westinghouse Electric and Manufacturing Company meter division for 42 years, was presented with a 40-year service pin in April, 1943, in recognition of his long service. Even though he was scheduled to retire two years ago with a pension when he reached the age of 66, Mr. Hinze remained on the job in compliance with the company's request that he remain for the duration because of the war emergency.

A resident of Springfield for 20 years, Mr. Hinze was born in Buffalo, N. Y., and educated in Newark. He was a member of the Presbyterian Church and the Newark Lodge, I. O. O. F.

He was also a piano accompanist for radio station WJZ during some of the early broadcasts over that station in 1921 from the Westinghouse plant in Newark.

Besides his wife Mrs. Annie Vaupell Hinze, he leaves seven daughters, one son, a brother, and twelve grandchildren. His daughters are: Mrs. William Wagner, Mrs. Ruth Whalen, Mrs. Arthur Lamb, Mrs. Donald Toddings, and Miss Muriel Hinze of Springfield.

Mrs. Martin Fleck of Portales, N. M., and Mrs. Max Beimer of Irvington; his son, William Hinze Jr. of Philadelphia; a brother, Charles Hinze of Newark, and the following grandchildren: Irene and Doris Lamb, Anne Fleck, Martin Fleck, Lois, Joan, and Eileen Wagner, Ronald, David, and Joyce Beimer and Donald Tydings.

**YOUR RED CROSS**

**LOCAL**

The Canteen was hosted at a party for the new Canteen and Dietitian Aides last Thursday afternoon at the Legion Hall. There are fourteen new Canteen Aides. Those receiving certificates were Mrs. Ralph Lindeman, Mrs. Vance Pierson, Mrs. Merle Patten, Mrs. Ida Jennings, Mrs. Warren Halsey, Mrs. Walter S. Jones, Miss Anne Tietjen, Miss Miriam Richards, Miss Norma Cook, Miss Miriam Parsell, Miss Nancy Hart, Miss Carol Hart, Miss Janet Dunleavy and Miss Margaret Bock.

Mrs. Alfred Richards and Mrs. Aimee Ladner received Dietitian Aide certificates, the first two such aides Springfield has ever had. The Dietitian Aide course is given by the hospital. In our case, performance in the hospital will be called upon to participate in short sequences which will show just what each service does. Next winter when the wind is howling 'round the corner, we can sit snugly in the Legion Building and watch ourselves in action. It should be very interesting.

During the summer we hope to take colored movies of the various activities of the Red Cross here in Springfield. All the services will be called upon to participate in short sequences which will show just what each service does. Next winter when the wind is howling 'round the corner, we can sit snugly in the Legion Building and watch ourselves in action. It should be very interesting.

To fulfill our contract with the Army, 100,000,000 completed surgical dressings must be shipped by the Red Cross each month. We are faced with the responsibility of meeting the Army's maximum needs, and our success or failure will depend on recruiting additional workers. During the summer months extra effort on the part of all will be necessary.

Any high school girls who can help with this important work will be very welcome. People who work during the day time can come Tuesday evenings. More workers are requested to come on Thursdays as on that day the turnout has been very light.

The North Atlantic Area office writes us: "We are now in an emergency and call upon each chapter to make every effort to complete its dressings so that we shall not fail the Army."

**NATIONAL**

Relatives and friends of American prisoners of war in Europe are allowed to send sixty pounds of books a year, at the rate of five pounds a month, to each United States prisoner of war and civilian internees held by Germany. These books must be sent direct from the bookseller and must conform with various restrictions imposed by the German authorities. Books containing maps, charts, and travel information are banned. Any book containing political matter, references to the war, information on radio, espionage, and technical or military or naval matters is forbidden, as are books written from enemy-held territory, or by authors who have been blacklisted by the German Government.

The United States Office of Censorship will allow only one package of books to be forwarded every thirty days. In accordance with these regulations a two-pound and a three-pound package cannot be sent in the same month. U. S. censors will pass any book which does not contain objectionable material.

In order to furnish prisoners with the maximum number of books possible, the American Red Cross suggests that small reprints be sent. Nearly all these are pre-war and so avoid censorship problems. The Red Cross advises that patriotic slogans, appeals to buy War Savings Bonds, etc., on the dust covers of books be removed by the bookseller before the volumes are mailed.

**Few Auto Stamps Have Been Sold**

Postmaster Heinz announces that approximately 150 owners of automobiles have purchased their

Federal auto tax stamps to date. The deadline to obtain new stamps is one week from today, July 1, and if last year's sales are indicative, the vast majority of car owners have not yet complied with the government order as yet.

Last year approximately 1,000 people purchased stamps in the Post Office here. A fraction of these sales may have been to out of town people, but the fact must also be considered that some township stamps elsewhere.

MRS. ROBERT VANING, Reporter

## Council Will Act Tuesday Night On 3 Major Projects

MOUNTAINSIDE—Three major improvements will be provided for by ordinances expected to be introduced by Borough Council at an adjourned meeting Tuesday night. Mayor John Moxon reveals that the Council will act on (1) legislation to improve and grade the sewerage system, long complained of by residents; (2) to install storm sewers in Mountainview drive and (3) to purchase a building near the site of the Borough Hall to house the expanding Fire Department.

At a Council meeting Tuesday of last week, discussion centered on several instances where lack of water hydrant pressure was said to be satisfactory from a health viewpoint and unsafe in the case of automatic fire protection. Residents of Skytop drive have been complaining that water pressure of 25 pounds and under made it impossible to flush toilets in the vicinity. Due to their close proximity to a supply canal of the Plainfield Union Water Co. Mayor Moxon pointed out that residents of Apple Tree lane are beyond what is considered a protected area and proposed a study of water service in the area.

A petition was received from 18 residents asking lights and street signs at New Providence road and Fernwood road, and at Mountainview drive and Fernwood road. It was referred to Councilman Kuchich, street lighting chairman. Road Chairman Parkhurst was authorized to proceed with various catch basins and drainage improvements in Birch Hill at a cost not exceeding \$885 and to proceed with curbs at the intersection of Route 29 and Mountain avenue, at a cost not exceeding \$105.

The Council discussed installing dead end street signs in Partridge run, Apple tree lane, Walnut street and Laurel avenue.

Matthew Gillson was appointed dog warden for the balance of the year. Liquor licenses will be considered at Tuesday's meeting.

## Clear Status Of Enlistments For Army Air Forces

There has been some confusion with regard to the present status of enlistment in the Army Air Forces. This was aggravated by the recent return of 30,000 Air Cadet trainees to ground service. As far as the changed status of these men is concerned, it should be borne in mind that they were not original enlistments in the Air Cadet training program. Their return to ground service of one kind or another was a difficult decision for responsible higher officers to make. Gen. Henry H. Arnold, Chief of Air Force, recently explained that in view of the abundance of air force officer material and the crying need by other branches of the armed forces for men suitable to become officers the step was the only one that could properly be taken.

At present only young men of 17 may apply for selection in the Air Corps Enlisted Reserve, with the exception of a limited number of Negro applicants who may still be accepted for air crew training through the age of 26. The 17-year-olds still have not only a broad opportunity but a hearty welcome for training as members of the combat crews as gunner, pilot, navigator, or bombardier. Which of these positions they will fill depends entirely on their own qualifications, established by Army Air Force tests. Each man will be classified when he is called to active duty, on or shortly after his eighteenth birthday, and will then begin training in his specialty.

The whole emphasis is on teamwork and on the proved fact that gunners are quite as important as pilots. They have distinguished themselves in every theatre of war, have received the highest decorations awarded by our Government and have had a large part in the successes of the various Allied air offensives. Young men of 17 who have finished high school and can pass the AAE-physical examinations therefore still have a rare opportunity to serve in the Air Force. They should offer themselves for this service with the knowledge that it takes more pilots to compose a combat team and that aerial gunners, although they enter the team as non-commissioned members, are full brothers in arms and wear proud wings too.

The Army Air Forces Examining Board is located in the Post Office Building, Newark.

You'll find a complete selection of officer supplies at the Springfield SUN Stationery Store, 239 Morris Avenue—Atty.

Back the Attack—Buy More Than Before! 5th War Loan

## You'll soon have a Harvest to CAN...

Those vegetables you are tending so faithfully will taste pretty good to you next winter. Last year New Jersey homemakers responded wholeheartedly to the Government's request that we do home canning. This year the response is even greater. Knowing how eager homemakers are to know modern methods of canning, we have prepared a canning primer. It will be given away free at our canning fairs or ask for a copy at any of our Conservation and Nutrition Centers.

# THINKING OF BUYING A BOND?

## MEN ARE DYING WHILE YOU MAKE UP YOUR MIND

LET'S face it. The toughest stage of the war has arrived—it's 1944. America!

This year men aren't just *thinking* of attacking the enemy on the bloody invasion fronts. They're *doing* it—*now*—and it's costing a lot of them their lives.

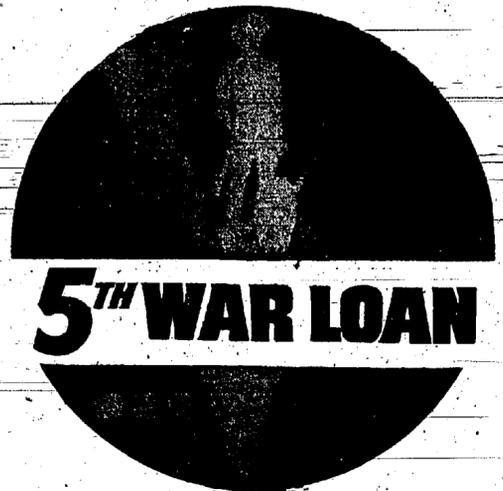

Think of this *hard* when you're *thinking* of doubling your bond pur-

chases during the 5th War Loan Drive. Think of the tired, the maimed, the captured and the dying. Then stop *thinking* and start *buying*.

Our job is to put excuses aside and make the 5th War Loan Drive the one to be proud of. Let's get in there and fight beside our boys. Let's *all* buy more bonds—and buy them *today*!

### And Here Are 5 More Reasons for Buying Extra Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the War.
5. War Bonds mean education for your children, security for you, funds for retirement.

After a 30 day furlough at home, Lt. Daniel Staehle has reported to Atlantic City, where he will remain for a while before returning to active duty overseas. Lt. Staehle, son of Mr. and Mrs. Arthur Staehle Sr. of 42 Colonial terrace had been in Italy for ten months and had 63 missions to his credit. He received the Air Medal, Oak Leaf Cluster and Presidential Citation. Mr. and Mrs. Staehle and

Daughters, Mrs. J. C. Gross and Miss Patricia Staehle, spent the weekend in Atlantic City with Lt. Staehle.

JOHN C. GESTON

Lieutenant John C. Geston, USNR, former coach of athletics at Regional High School, is one of a staff of five gymnastic experts engaged in preparing the Navy's future aviators for the rigors of combat flying.

The Navy Pre-Flight School at Athens employs a program of ten competitive sports as a means of equipping the fledgling aviator for any physical emergency. Concurrently, of course, the cadets are engaged in comprehensive ground school of military training.

Lt. Geston, whose home is at 433 Lincoln avenue, Orange, graduated from Temple University, Philadelphia, where he was a football, gymnastics and track letterman. He received his Master's degree there in 1938.

Technical Sergeant Lawrence Smith, son of Mrs. Walter Smith of 68 Battle Hill avenue has recently completed Electrical School at Camp Davis, N. C. After being home on a 10-day furlough, Sgt. Smith was transferred to Fort Bliss, Texas. His wife, the former Alice Atkinson and two months old son, Lawrence Jr., are residing with Mrs. Smith's family in Elizabethtown.

Staff Sergeant Walter Parsi left on Wednesday to report back to duty at Camp Irwin, Calif., after being home on a ten day furlough visiting his parents, Mr. and Mrs. Lewis B. Parsi of a Perry place.

## REGIONAL HIGH

Editor's Note: "Regional High" covers the happenings of interest to former pupils and what they are doing.

William D. Russo, Jr. was home a few days last week visiting his parents, Chief of Police and Mrs. D. V. Russo of New Providence. Russo was recently commissioned a second lieutenant in the U. S. Army Air Corps at Selman Field, La. Lt. Russo, an aviator, has had 92 hours solo flying as pilot and also wears gunner's wings. He was a graduate of the class of '39.

Private First Class William Masterson returned to the Army Air Base, Orlando, Fla. this week after an 18-day furlough visiting his parents, Mr. and Mrs. Xavier Masterson of Springfield avenue, Berkeley Heights.

Mr. and Mrs. Ernest Zitzenwitz of Crystal, Canal Zone have announced the engagement of their daughter, Ericka to Cossvain Foster, a first son of Mrs. Frances Lumsford of Myrtle avenue, Gaywood. Miss Zitzenwitz, a radio singer, was educated in the Canal Zone where she attended a conservatory of music. Cossvain Lumsford is a graduate of Regional High School, class of '41.

the day now lie in the Presbyterian Cemetery.

In 1930, Springfield observed a three-day sesqui-centennial celebration of the Battle of Springfield, and annually for the past thirty years the Sons and Daughters of the American Revolution have paused to think of their valiant forebears here who defeated the British on this soil. A monument of a Continental soldier was erected in the memory of these men in 1905 at the place where the Rev. Caldwell stood and dispensed his "Watts."

Rev. Jacob VanArtsdale was pastor of the Springfield Church during the Revolutionary War, and after his church had been burned to the ground, he released his congregation from any obligation to pay him. He began holding services for any who might gather in the attic of the manse. Soon many of these patriots, who now lie resting in the cemetery across the street from the church, cut the best timber their TAPMS could yield and built the church that stands today. The bell that they placed in the steeple was made from the one that had hung in the old church and had helped to warn the inhabitants of the British advance.

Thirteen American soldiers were killed in the battle, sixty-two were listed as wounded, and nine as missing. Sixteen of the heroes of

# Ruth Kibbe Named For Position In Extension Service

The appointment of Miss Ruth Kibbe, of 443 Wheatstreet road, Roselle, as assistant home demonstration agent with the Union County Home Economics Extension Service, was announced today by Mrs. Mary W. Armstrong, home demonstration agent.

Miss Kibbe succeeds Miss Ernestine Visny, whose resignation became effective June 15.

Miss Kibbe is well trained in home economics work. She graduated from New York University, and holds a Master of Science degree from Columbia University. She has completed five years of successful teaching experience most recently in Roselle Park where she also managed the school cafeteria.

Although Miss Kibbe will do work in clothing, parent education, home management, and nutrition throughout the year, Mrs. Armstrong reports that during the summer months, emphasis will be on food preservation. Miss Kibbe will conduct meetings on all meth-

ods of food preservation—drying, freezing, and brining, as well as canning; and all county homemakers will have an opportunity to meet her at the weekly canning demonstrations held each Tuesday in the Home Economics kitchen in the Court House.

The newly appointed assistant will also have charge of all girls 4-H Club work in the county. Food preservation is also being stressed in the club program, and the older girls will be taught to do their own canning and the younger members to assist their mothers. Miss Kibbe has already visited some of the 4-H leaders throughout the county and considered plans for the fall program.

Miss Visny's agreeable personality and many capabilities will be greatly missed, but the good wishes of all with whom she worked go with her as she takes on the pressing home responsibilities which made her resignation necessary.

# What news will Gen. Eisenhower get from us?

You know now what we've heard from him. We've heard that Eisenhower and his Americans have hurled themselves like a thunderbolt against the bristling defenses of Hitler's Wehrmacht!

We've heard that they are battering and smashing at our foe—sparing neither steel nor sweat nor blood in one final, furious assault that marks the supreme military effort of this War!

And what news do Eisenhower and his men expect from us? Men and women of America—what the Invasion is to our fighting men, the 5th War Loan is to us at home!

For us, as well as for them, this is the crisis—the time for tremendous, overwhelming effort! Make no mistake! The 5th War Loan is the biggest, most vitally important financial effort of this whole War!

If the 5th War Loan is to succeed, each one of us must do more than ever before—must buy double... Yes, triple... the Bonds we bought last time.

Our men expect to hear that we are buying double—that we are matching their sacrifice as best we can—that the American nation, soldiers and civilians together, is making one gigantic effort to win this War!

That's the news our men expect to hear from us. Will you personally see that they get it?

- And here are 5 more reasons for buying Extra Bonds in the 5th!
1. War Bonds are the best, the safest investment in the world.
  2. War Bonds return you \$4 for every \$3 in 10 years.
  3. War Bonds help keep prices down.
  4. War Bonds will help win the Peace by increasing purchasing power after the War.
  5. War Bonds mean education for your children, security for you, funds for retirement.

## NOTICE OF AUCTION

TAKE NOTICE that the Township Committee of the Township of Spring- field in the County of Union, will offer at public auction to the highest bidder, certain lands and needed for public use, upon the terms and conditions hereinafter set forth: said public auction to be held in the Spring- field Municipal Building on Wednesday, June 28, 1944, at 8:30 P. M., East- ern Standard Time.

The lands to be sold are described as follows:

Block 7, Lot 1 on Main Street, in Spring- field, Township.

The Township will consider only all cash offers and no offer of less than \$200.00 for said premises will be considered.

The Township of Springfield, obtained title to said premises by deed of conveyance from the State of New Jersey, of record and such facts as an accurate survey of the property would disclose. Said deed shall contain the following covenants:

1. No house shall be erected on any lot having a frontage of less than fifty (50) feet.

2. No house erected on any lot hereinafter conveyed shall have a living space, as shown by the ground floor plans, of less than 250 square feet in the case of a two story house; and in the case of a single story or bungalow type house said living space shall not be less than 250 square feet.

3. The purchaser shall agree that taxes shall be assessed and payable from and after the date of sale and shall be paid at the usual installment dates.

4. Conveyance is subject to zoning ordinances and Planning Board regulations.

5. These covenants shall run with the land.

The purchaser shall agree to sign a contract for the purchase of said lands which shall provide that title shall close within thirty (30) days from the date of sale and shall at the same time make a down payment of ten per cent (10%) of the purchase price but and accept and said deposit shall be retained as liquidated damages by the Township in the event that the purchaser fails to perform the terms of said contract.

By order of the Township Committee:

June 14, 1944. R. D. TREAT, Township Clerk.

**BETTER made!**  
**BETTER styled!**  
**LOWER priced!**

Three phrases, each one important in itself, but all three together describe the policy that has made Fisher the place to buy furniture. Smart women in ever increasing numbers are choosing Fisher furniture because of its inherent quality... its "rightness" of styling... and because they can see at a glance that Fisher's prices are lower (our location, on the highway, and our low cost of doing business help make that possible).
