Bond Drive Off To Good Start, Leonard Reports

Preliminary reports from all zone captains in Springfield indicate that over \$7,000 worth of War Bonds have already been sold during the first two days of the Seventh War Loan Drive, which started on Monday. All bond salesmen and saleswomen have received their supplies, including application forms, window stickers, etc., and most of them have already made sales.

All these people are working without compensation. Mr. W. Leonard, general chairman, pointed out this week, adding that they are giving liberally of their time in putting the current drive over the top.

Mr. Leonard's statement continues: "Won't you please buy your bonds from these people and help them attain the quota of \$125,000 which has been set for this township? In the fifth drive over \$343,000 (cash value) were sold in Springfield. With the wholehearted support of the people of Springfield, which has always been given before, we will not fail this time."

In next week's issue of the SUN a report of sales for the first week of the drive will be given.

"We are glad to announce the names of citizens working on the War Bond Drive who were not listed in last week's edition of the SUN. They are as follows:

Zone A, NE side of Morris avenue, from Millburn avenue to a point on Morris avenue opposite Mountain side, and extending to the Millburn line—Zone captain, A. E. Ferguson, Ralph W. Ledeman, Harry H. Spencer, Rodney Smith, Mrs. Daniel P. Sheehan, Mrs. William Remper, Mrs. Homer F. Gilbert, Miss Katherine Richardson, Edward T. Pearson.

Zone B, Reuben H. Marsh (additional).

Zone D—Mrs. Frank D.—Boebe, Frank E. Melsel, Frank Bird, Mrs. Leslie Allen (all additional).

Zone E—Mrs. A. J. Menzie (additional).

Zone C—NW of Mountain avenue from Rahway Valley Railroad to Mountain side line, and extending to Summit line—Zone captain, Charles F. Beardsley, R. G. Smith, Stanley H. Gordon, W. W. Layne, Frank Smith, Major R. A. Jones, Allyn C. Benwell, Louis Hendley, Lawrence V. Munch, Jr., Frank Jacobus, Harold Bishop, Miss Virginia Wilson and Miss Florence McCarthy.

Fred D. Osmon Is Speaker For Republican Club

Movies on the timely subject of "How to Grow a Victory Garden" were shown by Fred D. Osmon, Union County agricultural agent, at a meeting of the Springfield Republican Club on Monday night. Mr. Osmon's talk covered the proper and improper methods of gardening. A movie featuring the "Quiz Kids" was also shown.

County agent Osmon is representative for Union County of the U. S. Department of Agriculture, and is a regular contributor to the columns of the SUN. Members of the club expressed their appreciation of Mr. Osmon's visit, and for his efforts in fostering more and better home gardens in 1945, when they are so urgently needed.

Mr. Osmon declared that there will be a third-leaf food available nationally unless all who had gardens in 1944 plant them again this year.

Kenneth Iverson, assistant to Mr. Osmon, spoke of the necessity of giving help to farmers again this year. Last year, he said, Union County girls put in 15,000 hours of work on farms.

Lee Rigby, chairman of the entertainment committee, presided at the meeting. Eugene Huloff is club president.

The next meeting of the Republican club has been designated as "Candidates' Night," to which State, County and local candidates in the forthcoming primaries are invited to present themselves and their views. This meeting will be June 4, at Legion Hall.

Several Lots Sold At Town Meeting

The Township Committee Wednesday of last week sold two township owned lots, without outside bids. Kurl Tolscher purchased land in Washington avenue for \$800 and Robert G. Smith bought several lots in Mountain avenue for \$1,200.

The committee authorized expenditure of not over \$125 for Continental Post 228, American Legion, for decoration of graves in conjunction with Memorial Day. Request was made of the State Highway Department to repair curbs at Morris and Melsel avenues.

Ceremonies to Mark Presentation of New Scout Troop Charter

On Tuesday, May 22, Springfield's newest Boy Scout Troop is to be presented with their charter from Union Council Boy Scouts of America. The event will be held in the gymnasium of James Caldwell School at 8 P. M.

This troop is sponsored by Continental Post 228 of the American Legion and appropriate ceremonies will be conducted on installation night. Guests at the ceremony will include Thomas McGowan of the executive staff of Union Council and Earl Denman, who heads the Commissioners Staff of the Council.

Guest speaker will be Ebert B. Johnson, whose great interest in

scouting is well known to everyone and who is the holder of the highest award that scouting can offer to its adult leaders, namely the Silver Beaver Medal.

Springfield's other troops, 66 and 172, together with Cub Pack 172 will also be present to welcome the newest troop into their midst and the program will be interesting and instructive to all of them.

The sponsoring organization, Continental Post 228 of the American Legion, cordially welcomes all of the parents of the Boy Scouts and Cub Scouts to this installation. Following the conclusion of the ceremony refreshments will be served.

Education Board Awards Contracts For School Needs

Three bidders to supply school needs for next year were awarded contracts by the Springfield Board of Education Tuesday night. They were: J. L. Hammond Co., paper supplies, \$1,441.60; Fuel Sales Corp., 125 tons of rice coal at \$8.10 per ton, to heat James Caldwell School; and Burns Bros. of Newark, 10,000 gallons of—Bunker-C oil at \$2.15 per barrel of 42 gallons to heat the Raymond Chisholm School. There were no other bids reported.

The report of Fred J. Hodgson, principal, showed a gain in enrollment of 26 pupils in the two schools over the same period last year, and had an attendance record of 92.08 per cent for April.

Four vacancies in the faculty remain to be filled, the report stated. Miss Mary Stanton, first grade teacher in James Caldwell school, has not renewed her contract for next year, bringing the total to four.

The school calendar for next year was adopted, and will be printed in next week's issue of the Sun.

Regional P.T.A. To Hear Dr. Haile On Thursday

Dr. Pennington Haile, well-known lecturer and radio speaker, will address the meeting of the Parent-Teacher Association of Regional High School at the school next Thursday evening at 8 o'clock.

Mrs. Henry Weber of Mountain side, president, will preside. The annual election of officers is slated as an item on the agenda of the meeting, and selections by the school orchestra, conducted by Miss Winifred Stiles, will provide entertainment.

Dr. Haile is assistant director of the League of Nations Association, a post he has held since 1935, and a Dartmouth graduate. He received his Master's degree at Harvard, and returned to Dartmouth as an instructor until 1931, when he returned to Harvard to secure his doctorate.

The summers of 1935 and 1936 he spent in Geneva, Switzerland, studying the workings of the League of Nations. For six months in 1942 he travelled under the auspices of the War Department as a lecturer in the orientation course at army posts throughout the country.

Dr. Haile will use as his topic for his lecture here, "Lasting Peace Is Up to You."

Refreshments will be served following the meeting. Mrs. Watts D. Chaplin is chairman of hospitality, and she will be assisted by Mrs. L. C. Milliken and Mrs. C. A. Krauss of New Providence Township; and Mrs. K. S. Brewer and Mrs. E. Nelson of Clark Township.

Howard Johnson Restaurant To Reopen Soon

The Howard Johnson Restaurant in Route 20, closed for some time as a result of war time restrictions on automobile travel and manpower shortage, is making plans to reopen shortly. When the firm closed down several years ago, it retained the privilege of resuming its liquor license, which has been held in abeyance by the Township Committee until business is resumed at the location by the same owners.

The baby chick industry originated in New Jersey with an export shipment of day-old chicks in 1892.

Adjustment Board Grants Exception To Pencil Company

The Board of Adjustment last Thursday night granted the Richard Best Pencil Company of Irvington an exception to the Zoning ordinance, which will permit the concern to erect a factory extending from a proposed site to 50 feet inside a business zone.

Under the existing Zoning laws the factory would use a small portion on the business zone off Mountain avenue near the Rahway Valley Railroad and the balance in the industrial zone adjacent to the railroad line.

Due to a drainage condition, the company architects plan to shift the location by about the difference in land; taking in the smaller business zone.

No objections were raised by any property owners, Mayor Wilbur M. Selander, chairman of the Township Committee, acting as the representative of the board, told the Adjustment Board that being property owners within 200 feet of the site, the Governing Body was in favor of granting the exception.

There had been hints that property owners in the Henshaw avenue section, who previously protested action of the Township Committee in selling town-owned land for factory purposes to the company, would appear to oppose any zoning changes but it failed to materialize. The meeting in the Town Hall, where the hearing was scheduled, was well-attended but little was heard from the audience.

The company has indicated that construction will begin in the near future, depending upon acquiring priorities in materials due to war time restrictions.

Mrs. N. C. Schmidt Resigns From Library Post

At a recent meeting of the Board of Trustees held at the Library Mayor Wilbur M. Selander announced that the Township Committee had accepted the resignation of Mrs. Nicholas C. Schmidt after having served the library for more than 14 years. She was secretary of the original Parent Teachers' Association Committee responsible for the organization of the library association serving the children of the town.

Mrs. Schmidt served as a volunteer librarian for many years as well as assisting with other functions of the library. She was elected president of the Springfield Municipal Library in 1933 and has served as its president ever since. It was during her term of office that the Bailey house was converted into a municipal library building. In acknowledging the long and faithful service given by Mrs. Schmidt the Trustees passed the following resolution:

Whereas, Mrs. Lorraine C. Schmidt has served as a Trustee for the Springfield Free Public Library since the inception of the first Board of Trustees on November 6, 1931; and

Whereas, Mrs. Schmidt has served as its first Vice President since the organization of the library until she was elected President on January 1, 1938; and

Whereas, During her term of service Mrs. Schmidt has made a substantial contribution to the upbuilding of the library and to the welfare of the community; and

Whereas, As President of the Board of Trustees of the Springfield Municipal Library Mrs. Schmidt has been largely responsible for the efficient application of the two legacies left the library; and

Whereas, Mrs. Schmidt has found it necessary to resign from the Board of Trustees of the Springfield Municipal Library that she may have more time for her personal affairs;

Now, Therefore, Be It Resolved that the Board of Trustees of the Springfield Municipal Library express their regrets that Mrs. Lorraine C. Schmidt has found it necessary to resign her trusteeship; and

Be It Further Resolved that the thanks of the Board of Trustees and the Township of Springfield be extended to Mrs. Lorraine C. Schmidt for her more than fourteen years of trusteeship and official interest; and

Be It Further Resolved that these resolutions be spread upon the minutes and a copy be transmitted to Mrs. Schmidt and the Township Committee.

Benadom Reveals Red Cross Drive Exceeded Quota

A total of \$9,163, or 127 per cent of the quota assigned to Springfield was realized in the 1945 Red Cross War Fund Drive, Cecil M. Benadom, campaign chairman, revealed this week in a letter sent to all members of the drive committee.

The letter, accompanied by a breakdown of figures, follows: "I have waited until I could make a final report to you before I wrote to thank you for the excellent cooperation extended in making the 1945 Red Cross War Fund Drive a success.

"A total of \$9,163 was contributed by the good people of Springfield which amount represented 127 per cent of the quota assigned to us. You are to be congratulated for your fine efforts. I also feel that it is a tribute to the splendid generosity of the contributors. It proves conclusively that you told the story of the Red Cross well.

"The Red Cross will carry a heavier load during the next few months regardless of the victory in Europe as they will be required to increase services to the troops in Europe to maintain morale after fighting ceases. We also face a tremendous increase in home service work following any mass shifting of troops from Europe to the Pacific. Thus our exceeding the quota means more help to the boys and girls in service.

"I want to particularly pay tribute to all members of the 'Campaign Operating Committee', not only for their fine cooperation that they extended me, but for their ability to 'roll up their sleeves' and get in there and pitch. They are real Red Cross workers, and Springfield can be right proud of them.

"We proved without question to the people of Springfield that a Red Cross Drive could not only be scheduled but completed in four days—something thought impossible in the past. Perhaps in a few years the Springfield Red Cross will be able to do this again." (Continued on page 3)

New Corporation Seeks Tenancy Of Singers Park

Negotiations are under way for a change in management at Singers Park, Evergreen avenue, it was indicated this week in application made to the Township Committee for a change in its liquor license.

Now operating under the name of Singers Park, Inc., the park has been managed by a corporation which leases the land from the Newark Singers' Society, owner of the property.

Richard Martinka of South Springfield avenue, local building contractor, heads a corporation which seeks a license to transfer a group to be known as Old Evergreen Lodge, Inc. His wife is a director in the corporation and his father-in-law, Frank Hildenbrand, of 61 Duffield drive, South Orange, is listed as the third officer in the group.

Sale of the property is not involved, merely transfer of the liquor license and tenancy of the grounds from the Newark Singers' organization.

37 Boy Scouts, 12 Cub Scouts Qualify For Medal

Alfred E. Bowman, District Commissioner of Boy Scouts and Cub Scouts of Springfield, has reported to Union Council of the Boy Scouts that 37 Boy Scouts and 12 Cub Scouts have qualified for the Eisenhower Medal, given for collecting scrap paper.

Mr. Bowman, in his report, states: "We are very gratified indeed with the fine results of the Scrap Wastepaper collection drive during March and April." It will be recalled that these months were set aside by the government in which Boy Scouts and Cub Scouts were urged to get behind the scrap paper drives to the utmost of their ability. To make it interesting for the boys, a medal stamped with the likeness of General Eisenhower is to be presented to all boys who collected over a thousand pounds of paper during these two months.

In addition, a 75 millimeter shell casing, suitably inscribed, is to be presented to any troop whose boys average a thousand pounds of paper for each registered member of the troop, effective March 1, 1945. It is known definitely that Troop 72 has qualified for the casing. It is very possible, Mr. Bowman's report continues, that Troop 70 has also qualified, but there is a question regarding the registered membership of that troop which must be resolved before it can be determined whether they, too, will receive the award.

Mr. Bowman's report continues: "At this time I want to thank Richard Horner of American Legion Post No. 228 and Otto P. Helz, chairman of the Salvage Committee of our Defense Council for their splendid cooperation in making possible the maximum contribution of the Boy Scouts and Cub Scouts in this very important matter. I wish also to thank these members of the Troop and Cub Committees who accompanied the collection trucks on March 3 and April 15 in order that the paper would be credited with the proper weight to the boys responsible for collecting and assembling the paper.

"Thanks are also due those boys who participated in the campaign but who did not qualify for the Eisenhower Medal. Although they did not collect the necessary 1,000 pounds, they showed such splendid spirit in getting out and working in this vital and important collection, and their efforts are a credit to their respective troops and cub packs.

"Finally, a word of praise for Scoutmasters Rockford, Ernie, Clinton Drinkuth, William Krause, Benjamin Zlot, and their able assistants, those hardworking but seldom mentioned Scoutleaders whose help and cooperation have been invaluable. Our thanks to them all."

As far as the actual medals are concerned, the government has not yet been able to supply them, and as a result, no actual medals have been distributed. However, a certificate of award will be presented at Springfield's first Court of Honor in June to each boy who has qualified. This certificate, suitably inscribed, will certify the Boy or Cub Scout to receive the General Eisenhower Medal in due course.

Following are the names of the boys who are eligible for this award:

Troop 66, sponsored by the Methodist Church—Roger Medlin, Robert Seal, Robert Conley, William Rossiter, Kenneth Lundt, Don Smith, Harry Engstrom, Terry Garing, John Seacape.

Troop 70, sponsored by the Presbyterian Church—James Saffery, Robert Borstler, Robert Love, Kerry Dalton, Emory Egler, Harry Hart, Earl Rumpf, Harvey Killeen, Paul Chapin, Thomas Rile, Clifford Cameron, Peter Green, Clifford Walker, Edward Danks, Joseph Worthington, Robert Slaughter, James Pitzinger.

Troop 72, sponsored by American Legion Post 228—Richard Schroeder, Leon Bidway, John Sippell, Norbert Kuffner, Robert Peck, Kenneth Baldwin, Ormond Mesker, Richard Kees, Donald Nulph, Sam Daniels, E. Fay.

Cub Pack 172, sponsored by the Lions Club—D. Kwoyolkin, Den 7; R. Pittzinger, Den 7; H. Danks, Den 7; H. Lydrilken, Den 1; D. Richardson, Den 3; J. Hall, Den 3; R. Zimmer, Den 3; T. Sheehan, Den 3; R. George, Den 2; B. Sprang, Den 6; N. Mox, Den 4; and G. Redington, Den 4.

Two From Town On Petit Jury

Franklin A. Davis of 83 Denman road and Mrs. Andrew M. Moore of 82 Battle Hill avenue were selected as members of the second panel of the May term petit jurors, to serve from May 21 to June 2, by the Union County Jury Commission recently. Robert Driver, Monroe street, Kenilworth, was also named by the commission.

Health Board Cracks Down on Violators of Livestock Ordinance

The Board of Health Wednesday night indicated its displeasure at complaints which have been raised recently over livestock, particularly pigs and cows, which have been causing unsanitary nuisances and decided to proceed to strongly enforce its health code.

Many owners of pigs, as well as other livestock, have failed to comply with section 46 of the sanitary code, which states: "Any persons wishing to keep swine or cows within the Township of Springfield shall, before keeping the same, apply to the Board of Health in writing stating the location of the enclosure in which the swine or cows are to be kept in said enclosure the approximate number which is to be kept in said enclosure and no persons shall keep swine or cows unless said petition is favorably acted upon by the Board of Health and a permit in writing is granted by said Board."

Accordingly, all persons in Springfield who failed to comply by the June 20 meeting of the board will face action in Recorder's Court, the health authorities pointed out. There is no permit fee, and there is no limit prescribed on the amount of swine or cows which may be maintained, but for purpose of control, a permit must be obtained from the Board of Health.

Members also discussed a report that about 1,000 goats may be handled in an enclosure near Springfield Heights, on Mountain avenue, which evoked concern among the members as to what regulatory measures were on the books to control such a large amount of animals.

"We're getting away from the community we used to be," commented Board President Harold G. Neinninger, "and the more we stop things of this kind, the better chance we'll have of regulating our community for residential purposes."

He concluded, "By a permit we can get to the trouble in many cases before it actually starts."

Other board members agreed, and a letter was directed next to Fred D. Osmon, county farming agent, for a conference to consider local health issues, but at the same time not be detrimental to the interests of farmers.

In the absence of information about a posted notice on a dwelling in Morris avenue, ruled inhabitable by the Board of Health and ordered vacated by May 13, the board empowered Counsel Herbert A. Kavin to proceed with papers in Recorder's Court action.

Complaint was received of unsanitary conditions at a road stand in Route 28, owned by William Grampp and occupied by a Mrs. Weis, in which it was declared the building inspector found the place used for living quarters without proper sanitary facilities. It was also termed as a fire trap. A letter was sent to the owner and tenant to have the premises vacated, with a proviso that the cost of demolition, if necessary, shall be borne by the property owner.

Another complaint was received in Melsel Avenue, in what is termed as Class A residential zone, in which a landowner has been storing second-hand building material. A letter was ordered sent to the owner that the material be removed in compliance with Zoning laws.

Driver Pays Fine For Speeding in Ammunition Truck
Speeding at 50 miles an hour in a 20-mile zone, with a truck loaded with ammunition, brought Anthony Vreogedewey of Paterson a fine of \$12.50 and a lecture, when he appeared before Recorder Spinning in Police Court Monday night. He also paid \$2.50 court costs.

Other speeders fined were: Victor C. Allen, Madison, 45 miles per hour in a 20-mile zone, \$4.50 and \$2.50 costs; Allan S. Cornish, New Vernon, 45 miles in a 20-mile zone, \$4.50 and \$2.50; Lewis J. Goldblatt, Morristown, 45 miles in a 20-mile zone, \$5.00 and \$2.50; Joseph J. Kunkel, 45 miles in a 20-mile zone, \$4.50 and \$2.50; Carl Wiedeman, Madison, 40 miles in a 20-mile zone, \$2.50 and \$2.50; George Wiansky, Newark, 40 miles in a 20-mile zone, \$2.

When the name of Christopher Mohr of Union was called to answer a charge of speeding 45 miles per hour in a 20-mile zone, the court was informed that Mohr is in the Essex County jail and could not appear at that time.

Proceeds of the scrap drives enable the Legion to send the SUN free every week to servicemen and women. Save a bundle a week.

More Cakes, Pies Needed For Trip To Kilmer Saturday
A few more donors of cakes or pies for this week are needed by the Red Cross, Mrs. A. H. Richards, in charge of weekly trips to Camp Kilmer, reported today. During this month, the local Red Cross is making the trip each Saturday or Sunday, depending upon requests from the camp, to give returning veterans a taste of "good, old-fashioned home cooking."

This week the Motor Corps will start picking up the refreshments at 2 P. M. and will be assisted by two members of the Junior Red Cross. The group will leave here at 6 P. M.

About 400 veterans will be served this week, about 50 more than each of the two previous weeks, Mrs. Richards said. Plates that did not have names on them are on display in the window of Pinkava's Garage, and may be picked up there.

Those who are contributing this week are: Mrs. Charles Phillips, Mrs. Ormond Mesker, Mrs. Harry Quinzel, Mrs. W. G. Stratiff, Mrs. Sigurd Oors, Mrs. Frank Geiger, Mrs. Ralph Lindeman, Mrs. Charles Peterson, Mrs. Albert Schramm, Mrs. Frank Crowe, Mrs. Charles Zoeller, Mrs. Warren Halsey, Mrs. L. Vanger, Mrs. C. Mesker, Mrs. L. Bersler, Mrs. Morris Lichtenstein, Mrs. Richard Bunell, Mrs. Herbert Kavin, Mrs. Ethel Kravis.

Also Mrs. Walter Smith, Mrs. Erwin Melsel, Mrs. George Briggs, Mrs. Walter Schramm, Mrs. Karl Palzer, Mrs. Peter H. Melsel, Mrs. M. Schneider, Mrs. John Keith, Mrs. Henry Brucker, Mrs. M. C. Lucy, Mrs. DeWitt Gramman of Belleville, Mrs. Kemper, Mrs. William G. Hodupp, Mrs. John J. Struthers, Jr., Mrs. Charles Wernli, Mrs. A. Bauman, Mrs. Chester McEvoy, Mrs. William Buckley, Mrs. Thomas Clark, Mrs. Walter Palsch, Mrs. Merle Patten, Mrs. E. Jennings, Mrs. August Schmidt.

The list is incomplete, Mrs. Richards said, and the remainder of the list of contributors will be published next week.

Additional to the donors last week include: Mrs. Gulden, Mrs. Fred Reiss, Mrs. Ormond Mesker, Mrs. Gerber and Mr. Samuel Lewis.

70 Boy Scouts, 12 Cub Scouts Qualify For Medal

Alfred E. Bowman, District Commissioner of Boy Scouts and Cub Scouts of Springfield, has reported to Union Council of the Boy Scouts that 70 Boy Scouts and 12 Cub Scouts have qualified for the Eisenhower Medal, given for collecting scrap paper.

Members Enjoy Birthday Meeting Of Woman's Club

The Woman's Club of Millburn celebrated its fifteenth birthday at the regular annual meeting last Friday, May 11th.

The meeting was opened by the president, Mrs. Frederick C. Wurtz, who led in giving the pledge to the flag, and the National Anthem was sung.

After a welcome, and the acceptance of the annual reports by Mrs. Wurtz, Mrs. J. Lynn Hutensin, soloist, sang three numbers.

Mrs. Wurtz then introduced the following persons: all past presidents of the Club: Mrs. John R. Voorhees, Mrs. Jacob Hodel, Mrs. Lester Cummins and Mrs. Charles W. Sidney, who responded in turn. Letters were received and read from Mrs. Alvin P. Traver and Mrs. Charles F. Landmesser, past presidents, who live out of town and were unable to attend.

Seated on the platform, also, were Mrs. Charles A. Mundy, first vice-president, and Mrs. A. Allen Kelly, recording secretary.

Mrs. Wurtz thanked the outgoing officers and chairmen for their services and the installation of new officers and chairmen took place.

The play, "It's a Woman's Privilege," presented by the drama department, was very much enjoyed. Year books, bulletins and clippings of different years, were on display. There was a art exhibit and a plant sale.

During the tea hour, when refreshments were served, a birthday cake was the highlight of the very attractive table, presided over by Mrs. John R. Voorhees, the Club's first president, and Mrs. Frederick C. Wurtz, president.

Mrs. Ralph S. Doubleday was in charge of the program; Mrs. B. F. Fox, hostess for the afternoon, and Mrs. George W. McGrath, hospitably chairman.

The Club has rendered greater service from year to year, since its inception, and is looking forward to even greater activities during post-war years.

War Department Explains Army Forwarded Mail

Postmaster Schilhafer of the Linden Post Office has released an explanation, received from the War Department, regarding Army mail returned from overseas and stamped "Returning to the U. S."

The explanation follows: "A soldier returning to the United States from overseas is instructed to furnish his home or other non-military address to which mail may be forwarded. Mail received overseas after departure of the addressee is endorsed "Returning to U. S." and forwarded to the address furnished. If a soldier does not furnish a non-military address, mail received for him after departure is endorsed "Returning to U. S. Left No Address" and returned to the sender.

"A soldier usually returns from overseas by ship. The mail forwarded to him after departure is ordinarily sent to the U. S. by air. The mail frequently arrives at the forwarding address before the addressee and often prior to receipt of information by the persons at that address of his impending return.

"Some returning personnel encounter unavoidable delays and the War Department advises that an inquiry is warranted until 30 days have elapsed after receipt of the first letter. If no information has been received at the end of that period, the War Department suggests that inquiry be addressed to the postal officer at the APO to which mail was originally addressed, with request that information be furnished as to the reason it was forwarded and the present address if known.

If your serviceman or woman is not getting the SUN each week, whether in the States or overseas, send the correct address now and notify the Home-Town paper when it is changed. Newspapers are not forwarded and must be addressed properly to insure delivery.

YOUR VICTORY GARDEN

By FRED D. OSMAN

Union County Agricultural Agent

Making two blades of grass grow where one grew before is a sign of good agricultural methods. But beets and carrots and beans are not grass. There is a limit to the number of vegetable plants that can be grown on an area of soil, if they are to produce satisfactory crops.

Most gardeners sow many more seeds than are actually needed.

Let the carrot seedlings go unthinned and often two or three roots are found twisted together. If beets are left unthinned, the roots will be small, they will press together and be flattened, and finally they will harden up and become tough.

Thin Early

The plants should be thinned before they get large, best when they do this because some of the seeds will not germinate and produce plants, accidents or disease may kill a few before they are a Victory Garden Manual for the much advanced, or just because recommended distance between

of plain haste or laziness. I once saw a man sowing beet seed who carelessly placed one seed pod every three-fourths of an inch. His "thinning" problem was not so great as that of the gardener who sows them along the row.

If there are too many plants in a row, they are as bad as weeds. Let the carrot seedlings go unthinned and often two or three roots are found twisted together. If beets are left unthinned, the roots will be small, they will press together and be flattened, and finally they will harden up and become tough.

Drunken Driving Charge For Driver Involved in Crash

MOUNTAINSIDE — The car of Sgt. Harry Smith, of Brooklyn, was damaged early Monday morning, when driving east on Highway 29 was struck by a car driven by Samuel Robinson, Negro, of Newark. Sgt. Smith was shaken up.

Sergeant Smith was driving east on Highway 29 when Motor Vehicle Inspector H. Ryan stopped him, and while they were talking the Robinson car, according to the police, came along and went off the concrete striking Smith's car, sending it down an embankment.

Pvt. John Jacobs, Fort Jay, N. Y., a passenger in Smith's car was uninjured.

Both cars were badly damaged and had to be towed to a nearby garage.

Sergeant Smith was taken to Overlook Hospital, Summit, by Police Officer Harry Beynton, where Smith was found to have been shaken up but with no injuries. Smith was then put on a bus by Officer Beynton and proceeded to his home.

Dr. William McGinn, after examining Robinson, reported he had been drinking and was unfit to drive a car. He was held for the night in Scotch Plains Jail, to be arraigned before Judge William Winckler.

Election of Officers Ends PTA Season

MOUNTAINSIDE — The Parent Teacher Association held their last meeting at the school, Miss Frances Featherstone presiding, last Thursday.

Election of officers was held and the following were elected: President, Mrs. Louis Jennings; 1st vice-president, Mrs. Nelson Jacobus; 2nd vice-president, Mrs. Sara Birdsall; secretary, Mrs. Ralph Hill and treasurer, Mrs. Wilford Twyman. They were inducted into office by Mrs. Paul Davis, a past president.

Several women presented two very amusing plays at the meeting. Those taking part were: Mrs. Herman Honecker, Mrs. Harold Engelman, Mrs. Francis Stedman, Miss Elizabeth Johnston and Miss Julie Vailow.

Refreshments were served by the home room mothers.

Postpone Game For Lack of Transportation

MOUNTAINSIDE — Cub Pack 176 of Westfield postponed their game with Cub Pack 70 of the borough on Tuesday due to the fact that they didn't have the transportation to get to Echo Lake.

The Mountainside Varsity Team of the school will play Berkeley Heights on Monday at home.

Leaving Church After Their Wedding

Second Grade Entertains at Assembly Program

MOUNTAINSIDE — The second grade presented a flannel grass story of "Joseph and His Brothers" in assembly Wednesday morning. Readers were Rickie Dietz, Bob Stedman and Billy Horton. Elean Johnson and Jeffery Kent were helpers.

The story of Peter Rabbit was also given by Judy Lynn and Sandra Epps. The entire class sang a song about Peter Rabbit.

After the plays the children were shown a moving picture entitled "Mexican Children."

Kubach Receives Navy Discharge

MOUNTAINSIDE — William Kubach, fireman second class, of Central avenue, received an honorable discharge from the Navy on May 7.

He received his "boot training" at Sampson Naval Training Station, entering on March 30, 1944. From there he was sent to the Sub Chasing Training Base in Miami, Fla., and assigned to a PC. For the past five months he has been hospitalized in the Navy hospital at Jacksonville.

Miss Ruth Kibbe Gives Canning Demonstration

MOUNTAINSIDE — Miss Ruth Kibbe, county demonstration agent, gave a canning demonstration to the members of the Junior Garden Club in the school on Monday. Many of the members of the club plan to have their own gardens this summer and will attend the classes for canning.

Miss Barbara Perrine, the president of the club, presided. The club will receive a certificate for its contribution to the Blue Star Drive and is planning to plant dogwood trees on the school property as a memorial to the late Mrs. Robert Davidson.

The club plans to visit a farm and observe the vegetable gardens within the next few weeks.

Birch Hill Team Wins Championship Of Bowling League

MOUNTAINSIDE — On Wednesday, May 2, the Ladies' Bowling League ended with the championship game played between the two tying teams, Mother Goose and Birch Hill. Birch Hill won two out of three games making a total of 19 games won and Mother Goose 18 games won.

At a party in the near future, the winning team will receive \$15, the woman with the highest average will receive \$3 and \$2 will go to the one with the highest score.

The evening of the championship game, the Mountainside Inn awarded a carton of cigarettes to the one with the highest score that evening, which was won by Mrs. Helen Rotstock, her score being 178.

Colored Slides Illustrate Talk By Mrs. Van Hoesen

MOUNTAINSIDE — The Mountainside Garden Club met at the home of Mrs. John S. Cregar at Woodland avenue, Westfield, on Tuesday afternoon. Mrs. Stephen G. Van Hoesen of Fairwood, an honorary member, gave a colored slide lecture on "Annuals and Perennials I Like Best."

Mrs. Walter E. Deal gave a report on the Spring Garden Club conference held May 8 at the Hotel Pennsylvania, New York City.

It was reported by Mrs. Marvin A. Payton that more than \$400 has been collected in Mountainside for the "Blue Star" drive fund.

"A railroad's job," says Phoebe Snow, "is keeping war freight on the go. Inspectors check each rail and switch so trains can move without a hitch; Research men test equipment, too—help keep trains almost good as new. Till V-Day we're ALL in the fight, along the Road of Anthracite!"

Why the "Bear" doesn't come over the Mountain

The "bear" in this story is a powerful locomotive whose job it is to help shove a mile-long freight train up and over the mountains. But when the top of the grade is reached, that powerful "pusher" is no longer needed. It must be uncoupled from the train and sent back. And, for years, that posed a problem to railroadmen.

To lighten the "pusher" engine meant that the whole train had to be stopped while the brakeman climbed down from his caboose and shut off the compressed air-brake line which connects the engine with the cars. For if this hose should become disconnected before being shut off, it would automatically "set" the brakes and bring the whole train to a halt. Not only that, precious minutes and extra horse-power would be lost, getting the long, heavy freight under way again!

To solve this problem, the Lackawanna Railroad recently adopted a unique remote control which allows the brakeman, while standing on the caboose platform, to shut off and disconnect the compressed air line between "pusher" engine and train while traveling at full speed!

How much horse-power has been conserved by this modern device? How many hours of running time have been saved? ... These questions—vital as they are—do not concern us as greatly as how much more war material got to the front on time, how many more American lives have been saved, how much nearer the end of the war has been brought.

Because these considerations are uppermost in our minds, the technical and operational skill of the Lackawanna Railroad is always at work to spend the day of total Victory!

"THERE IS A GREEN HILL FAR AWAY"

— MRS. CECIL Y. ALEXANDER —

There is a green hill far away
Without the city wall,
Where our dear Lord was crucified
Who died to save us all.

We may not know, we cannot tell
What pains He had to bear;
But we believe it was for us
He hung and suffered there.

Little Stories of GREAT HYMNS

There is no statement in the Gospels that our Lord was crucified on a hill. But Mrs. Alexander fancied that a little grassy hill near the road to Dory was the "Calvary", and used this poetic license in writing this hymn of sweet simplicity.

SEVENTH WAR LOAN ... NOW ... ALL TOGETHER! A-135-45

HOW SOON

can everybody who wants it expect to have telephone service?

Restrictions on making some types of telephone equipment have been lifted, and this, together with the good news from Europe, has aroused hope among many that the telephones for which they have waited patiently can soon be installed.

We sincerely wish that this were so, but our present best estimate is that it will take at least a year and a half before we are able to connect service for all of those who are now waiting in New Jersey. These are the reasons:

- 1—Telephone equipment, including telephone instruments which can be made most quickly, can be manufactured only to the extent that manpower and materials can be spared from the war effort.
- 2—Many exchanges are working at capacity—can serve no more subscribers until they can be enlarged—and in some sections lines are not available to the central offices. Less than 20,000 of more than 80,000 now waiting for service in New Jersey could be served if we had all the telephone instruments we needed.

You who are waiting may be sure that we will do everything in our power to serve you as soon as possible, in the order in which you have been waiting. Orders have been placed, or plans made, to enlarge nearly every telephone exchange in the State just as soon as progress of the war will permit, but it will take many months to make and install this complex equipment.

Thank you again for your patience and understanding.

STATISTICS OF SPRINGFIELD

Population—1940, 6,000; assessed valuation—1944, \$6,772,000; tax rate—1944, \$2.27 (Township—\$2.21; schools, \$1.87; state and county, \$99).
Springfield was settled in the early 1700's. Its township form of government was established April 14, 1794, and was incorporated in 1857.

Springfield is essentially a community of homes, with little industry except for farming, nurseries and circelined manufacturing for those 45 minutes from New York City on the Lackawanna R. R. with two stations at Millburn and Short Hills, less than a mile away; 7 miles to Elizabeth; 7 miles to Newark; excellent bus connections to Newark, Elizabeth, Summit and Plainfield.

The Railway Valley Railroad with a freight station in the township affords service for factories, commercial and industrial purposes. State Highway 29 makes New York City convenient by auto in 30 minutes. Site of the \$600,000 Union County Regional High School, serving Springfield, Mountaineer and four other county municipalities.

It has good streets, water, gas, electricity and modern sanitary sewer system, excellent police, fire and school facilities; mail carrier, delivery system, and zoning regulations for the protection of the individual property owner.

Of interest in Revolutionary history with its historic Presbyterian Church, where the Rev. James Caldwell, cried: "Give 'em waite, boys!" in the midst of the Battle of Springfield, fought on June 25, 1780. Several colonial landmarks are to be found in Springfield, one of the oldest communities in Union County.

VACATIONS

If there were no travel restrictions, where would you spend your vacation this year? California, Mexico, the National Parks, a trip on the Saguenay, the shore for the summer—remember when that was a part of our lives, and we saved happily during the year for them, and what fun we had when we finally started our trips? Wouldn't you like to see your dining room table littered with travel folders while you tried to decide where to go?

That day will come again, and it is coming fast. If you can find any old folders, or road maps, get them out. Spread them over the table and pretend you are really going. Figure out your costs—don't forget the new clothes you'll need, the shopping you'll do for souvenirs, or the new tire you'll need for the trip. Hotel bills and tips, gasoline or rail fares. Put them all down.

When you arrive at that final figure, put it into War Bonds, to help the Mighty Seventh over the top in Springfield. When you get your bonds, attach a slip of paper to each one of them—this is for fares—this one for clothes—this is for the hotel bills, and so on. Put them away carefully, and when you get tired and weary of war, get them out and look at your next beautiful vacation trip—all planned, all paid for, all ready to go when the boys are home again and vacations again become the most important event in your summer.

And don't forget—while your trip is waiting for you, your bonds are not only earning interest for you—but a shorter war and better chances of survival for the boys and girls in service.

WHAT THE SUN ADVOCATES

1. Sidewalks wherever needed.
2. 5c bus fare to Union Center.
3. Extended local telephone scope to Newark and Elizabeth.
4. Federal Post Office building.
5. An active Board of Trade to stimulate "Try Springfield First" in purchasing.
6. Full-time position for the Township Clerk's office.
7. Encouraging clean industry, to increase tax ratables.
8. Extension of mail delivery by local R. F. D. routes, to all portions of the township.

Something you'll
be PROUD
to Write Him

In that next letter, tell him that you're helping to handle New Jersey's war-time telephone calls. It's work you can be proud of—and it's work you'll like—for many reasons:

From the day you start your training as a telephone operator you have a position of responsibility—and an opportunity to build a career. You work in pleasant surroundings—with pleasant associates anxious to help you succeed. Your pay is good from the beginning—with regular increases. And you acquire a skill that can be profitable to you all through life.

By starting your telephone career now, you'll be playing a big part in the war effort—and at the same time, you'll be assuring yourself of a sound future when peace returns. Call Chief Operator—today.

Symington Named Vice-President Of Public Service

James M. Symington of Short Hills avenue was elected vice-president in charge of operations and a director of Public Service Coordinated Transport and affiliated companies at a board meeting held last week. He succeeds Matthew R. Boylan, who died recently. Mr. Symington was also elected a member of the board of Public Service Electric and Gas Co.

Arthur T. Warner of Maplewood was appointed to succeed Mr. Symington as general manager of the transportation companies, a position he had held since 1936.

Mr. Symington has been with Public Service since 1916, starting as a cadet engineer soon after his graduation from Yale. In 1919 he was promoted to assistant superintendent of the Public Service southern division, and the following year was transferred to a similar post in the Essex Division.

In 1925 he was made manager of the Essex Division. During the last war he was a lieutenant in the 23rd Infantry, Second Division, and served overseas. He was wounded at Soissons and won the Silver Star for gallantry at Chateau Thierry. His son, James, Jr., is a lieutenant in the Army, and at the present time is overseas.

As chairman of the sub-committee of the New Jersey War Transportation Committee, Mr. Symington has been closely associated with the plan for staggering hours and other wartime transportation expedients. He is affiliated with the American Transit Association and the National Association of Motorbus Operators.

Eddie Havelka Stars In Golf Tournament

A par-equalling score of 72 in the best-ball tournament at Gallop Hill on Sunday enabled Eddie Havelka and Bill "Red" Roberts to tie for honors with Bill Vohden and Bill Werff. Eddie's team had steady nines of 34 and 53, while Vohden and Werff reached the turn in 30, six under par, and needed 37 to complete back.

Dave Starr and John Loeffler took third place with a card of 35-33-68. Thirty teams participated in the match, which bracketed A and B partners.

It will be F. J. Petura against R. P. Ashbaugh and William Grander against Thomas Hyde in the semi-finals of Echo Lake's May tournament. Petura defeated T. C. Brady, Ashbaugh trimmed F. A. Bickel, Hyde stopped J. R. Murdoch, and Grander won by default from J. L. Hahn in matches over the week-end.

Scotch Plains Trims Regional's Track Squad

Scotch Plains visited Springfield Monday afternoon and took over Regional's track squad by a 56-44 win. The home team took the dashes, and placed five first in the eleven events.

Recreation Wins Championship

Recreation won the 1944-45 championship in the Springfield Municipal Bowling League which concluded its schedule Monday night at Woodruff's Alleys, Center street.

They finished ahead of Bryant Avenue by a 2-game margin, as both teams won their matches the first night by a 2-1 count.

Until two weeks the teams were tied, but a clean sweep for Recreation last week enabled them to take a commanding lead on the closing match. Recreation held top place for most of the entire 33-week schedule and were never out of first place, sharing the lead but always being on top.

Al's Tavern, which finished in third place, finished their pace with a clean sweep against the Farmers, featuring a 602 score in the second game. Their anchor man, Robe, had a string of 196, 173 and 239 for a total of 608.

and saving the dust in Army dental clinics in New York, New Jersey and Delaware, the Second Service Command has found that "there's gold in them thar hills."

Gold dust and filings, and "Amalgam," a mercury and silver alloy, has been saved from the dental scrap in the sweepings, and its sale has yielded the Command \$5,198.48 in three sales since July 1944, and a fourth sale now underway is expected to add \$700 to the total, according to Lt. Col. Raymond G. Weeks, Director of the Reclamation and Salvage Division of the Command.

Issued by Continental Post No. 225, American Legion, Springfield, in the best interests of servicemen and women.

The American Legion sponsored government program of education for returning veterans is already in operation. Here's an opportunity for you to advance standing on the basis of their scholastic achievements at a college or university previously attended, or college credit earned while in the armed forces.

For each veteran enrolled, every effort is made to formulate an educational program in keeping with his present needs and objectives, his aptitudes, earlier education and experience and his capacity to complete successfully the work he undertakes.

Counsel and guidance for the discharged veteran desirous of continuing his education is provided by your local American Legion Post, or any office of the Veterans' Administration. Publications describing in greater detail the educational programs for returning veterans can be secured from the Registrar of any accredited school or university.

Here's an opportunity of a lifetime for those who have served. The road to a better, broader future has been paved by a grateful nation for services rendered by you. Mr. "G.I." Don't lose time. Keep informed on Federal and state legislation dealing with educational benefits for discharged service personnel!

Many SUN readers are prospects for what you know in well. Ask in the classified section is inexpensive and gets results.

War Prisoners Aid

The first prisoners of war were Poles, captured during the invasion of their country in September, 1939. Within a few weeks, the Y.M.C.A. secured permission to serve these men. Then, as France, Britain and Italy became involved, prison camps sprang up throughout Western and Central Europe. The British-Dominions became active participants, and finally the American-Japanese conflict flamed.

Rapidly P.O.D. camps dotted every continent, until there were 8,000,000 men behind barbed wire. Zealously the "Y" kept pace with this kaleidoscopic change and expansion, creating an apparently unprecedented demand upon its services.

With the vast increase in numbers, areas and territories to be served, came also innumerable problems for the expanding Y.M.C.A. service to war prisoners. Strangely, this world-wide Christian youth organization found itself supplying religious materials for prisoners of all of the major non-Christian faiths of the world. In addition, it provided athletic, musical and educational supplies suited to the tastes and traditions of many races.

The success of War Prisoners Aid of the Y.M.C.A. a participating service of the National War Fund, in serving the millions of prisoners, may seem wholly unprecedented. But this is because most people do not know that the "Y" served approximately the same number of prisoners in the first World War.

Proceeds of the scrap drive enable the Legion to send the SUN free every week to all service men, women. Save a bundle a week.

Editor's Note: When your service man or woman has been home on furlough, been promoted, graduated or transferred, why not mail it to the SUN or photo the officer. Many of those in the service, miles away from home, like to read of the whereabouts of their friends, former schoolmates and relatives. We will be pleased to accept a photo of your service man, if we do not already have one in uniform. If we do, we'll be pleased to return the picture with a news item at your request.

Albert B. Davis, a VII Fighter Command P-51 pilot, has been promoted to first lieutenant at a command base on Iwo Jima. His wife,

ALBERT B. DAVIS

Mrs. Doris Davis, resides at 206 Morris avenue. Her parents, Mr. and Mrs. F. L. Davis, reside at 20 Arthur terrace, Kenilworth.

Pvt. Edgar H. Wolf, son of Mr. and Mrs. Gus Wolf of 906 Lexington

ton boulevard, Clark Township, is in Percy Jones General Hospital, Battle Creek, Mich., recuperating from wounds suffered January 7 in Belgium. His leg was amputated in Paris, and later in January he was flown to this country, arriving at Mitchell Field, where his parents visited him before he was moved to the Michigan hospital. A graduate of Regional High School, he entered service April 1, 1943, and went overseas in October, 1944, with the First Army. He holds the Purple Heart. His brother, S 1/c Manfred E. Wolf, is at the Naval Air Station in Corpus Christi, Texas.

Another soldier from Clark Township, Pfc. Frederick J. Schieferstein, has written his parents that he is on his way home after being liberated from a German prison camp. He was captured December 17. He entered service in February, 1943 and went overseas last October.

"I want to express my appreciation for your thoughtfulness in sending me the SUN," writes Pvt. Gene R. Poling, now at Scott Field, Ill. Gene adds that the country there is nice—just about like that back home. Of course, it isn't quite as good as Springfield." Gene is a student at the Army Air Corps radio school at Scott Field, and is also taking a "high speed radio operator's course," which he thinks is pretty tough, but very interesting, and has pretty good job possibilities, too. Incidentally, he adds, that "chow is a pretty important part of my Army life."

Richard Ganska of 380 Mountain avenue has returned to U. S. Hammer Piston Ring Co., Stirling, Mr. Ganska, who was recently discharged from the service, will do general clerical work in the shipping and receiving department of the plant.

Lt. Norbirt M. Ganska has been awarded the Air Medal with three Oak Leaf Clusters. Lt. Ganska is a bombardier on a B-29 and is stationed on Saipan.

John C. Baber, formerly stationed with the United States Maritime Service Graduate Station in San Francisco, has been dispatched to Merchant Marine employment. Baber's home address is 843 Mountain avenue.

Playhouse Stars To Go to Dallas After Closing Here

Another stamp of approval on the Paper Mill Playhouse production of "Mynthe" with Charles Yearsley and Dorothy Sandlin has been received with the announcement that the Starlight Opera of Dallas, Texas will repeat the Millburn production with the same principals after the close of the current six-week run on June 2.

Both Yearsley and Sandlin, who have appeared in the leading operetta theatres of the nation, share stellar honors in the Paper Mill edition of "Mynthe" with Clarence Nordstrom, veteran of stage, screen and radio, who plays the comedy lead. Nordstrom is making his only early season appearance in Millburn, but he will return in August after a sojourn with the Toledo, Ohio, operetta troupe.

Validation of Frank Carrington's judgment in the selection of operettas and stars comes in the fact that five of the leading Broadway musicals—"Song of Norway," "Up In Central Park," "Carousel," "Bloomer Girl" and "Oklahoma"—feature Paper Mill alumni. Other former Paper Mill featured players have been signed to appear with leading operetta companies at Detroit and Grand Rapids in Michigan.

gan, Memphis, Tenn., St. Louis, Louisville and Los Angeles. Both Richard Alan Gordon, new musical director, and Kenneth Lloyd Mapes, scenic designer, have been singled out for considerable praise in the production of "Mynthe." The former has arranged the music and conducted both the

choral and musical ensembles in a manner worthy of a first rank production, while the latter has designed four unusual sets which call for applause every time the curtain rises.

If your serviceman or woman is not getting the SUN each week, whether in the States or overseas, send the correct address now and notify the home town paper when it is changed. Newspapers are not forwarded and must be addressed properly to insure their delivery.

VICTORY IS NEVER CHEAP

in Lives or Money!

They're giving their all... back them up with YOUR dollars!

As the battle lines approach the heart of the enemy's homeland, the fighting grows fiercer... and more costly in men, materiel and money. That's one reason why every red-blooded American must back this mighty 7th War Loan with every dollar he can lay hands on. Another reason is that this is really two dives in one. In the same period last year, you were asked to invest in two war loans, as against one this time.
