# MILKMAID...modern beauty formula

a new kind of skin care, quick, easy, scientific, made from pure sweet milk

It's revolutionary... wonderful. Out of the test-tube comes a brand-new skin treatment based on an ancient principle... the beauty powers of fresh pure milk. Start with Milkmaid. Cleansing Milk, made of 80% pasteurized milk. Not a cream, not a mask, not a soap... but an amazing miracle cleanser, you just put it on, WASH IT OFF, and your skin is milk-washed deliciously clean. That's the beginning. See the partial Milkmaid roster below... preparations compounded with milk... make-up formulae made with rich country cream... they'll bring a bloom to your complexion unlike anything you've used before.

ON HAND ALL THIS WEEK... Milkmaid's own experts happy to give you specialized advice on your skin and makeup problems.

### Fashion Parade By Junure House At Maplewood

"Clothes for the Junior Miss" will be the theme of the fashion parade sponsored by Junure House stores at the Maplewood Theatre tonight. At 9 o'clock twenty teenagers from high schools and private schools in the Oranges, Maplewood, Short Hills and Summit will stage an overall picture of the outfits the junior miss will wear this season.

By means of their applause, the audience at the theatre will judge the parade. A \$25 war bond will be presented to the model of the winning costume. Second and third prizes will be in the form of merchandise credits at Junure House stores to the amount of \$10 and \$5, respectively.

Plans for the fashion show have been made to include dressy dating clothes, evening wear and trick sport outfits.

Among the models will be Miss Diana Smith from Summit, a beautiful red-head, who is now a senior at Kent Place School. Miss Smith is a favorite model at Junure House stores. Two other girls from Summit, Miss Peggy Fields now modeling at Altman's, and Miss Betty Jane Keller, both models at the Summit Fashion Show, will be among the bevy of beauties Friday night.

### Griffith Music Foundation Plans "Victory Series"

New Jersey music lovers who depend upon the Griffith Music Foundation to bring to their community the best and most diversified music, rather than having to travel elsewhere for it, are in for the most active season in the history of the foundation. Plans released by Mrs. Parker O. Griffith, president of the foundation, for 1945-46 indicate twelve important events. Booked with the possible end of the war in sight, these will be known as the "Victory Series."

Four Sunday afternoons will be given over to the master piano series which inaugurated this season on November 4, when the duo-plianists Vronsky and Rubin will be heard. Rudolf Serkin will be the artist on December 2, and Arthur Rabinstein, a musical "musé" on any series, will pay his annual visits to Newark on January 27. The concluding concert

## UNION PICKETS ARE FORCING THE CLOSING OF LOCAL A&P STORES

IN HUDSON, BERGEN, ESSEX, UNION, MIDDLESEX, SOMERSET, MONMOUTH, OCEAN AND WARREN COUNTIES, NEW JERSEY, AND STATEN ISLAND

At midnight on Monday, September 10th, pickets representing Retail Clerks' International Protective Association, Local 1262, appeared without warning at our Newark warehouse, which serves 250 A&P stores in nine New Jersey Counties\* and Staten Island.

Since that time, teamsters of Local 863, Teamsters Union, who are employed, not by A&P, but by the contract carriers who deliver food to our stores, have refused to cross the picket lines. The effect of this has been to stop deliveries to the stores in this area for almost two weeks.

It is with sincere regret, therefore, that we must inform our hundreds of thousands of loyal customers in New Jersey and Staten Island that, beginning Saturday night, we will be forced to close the stores which serve them, unless picket lines are removed at once.

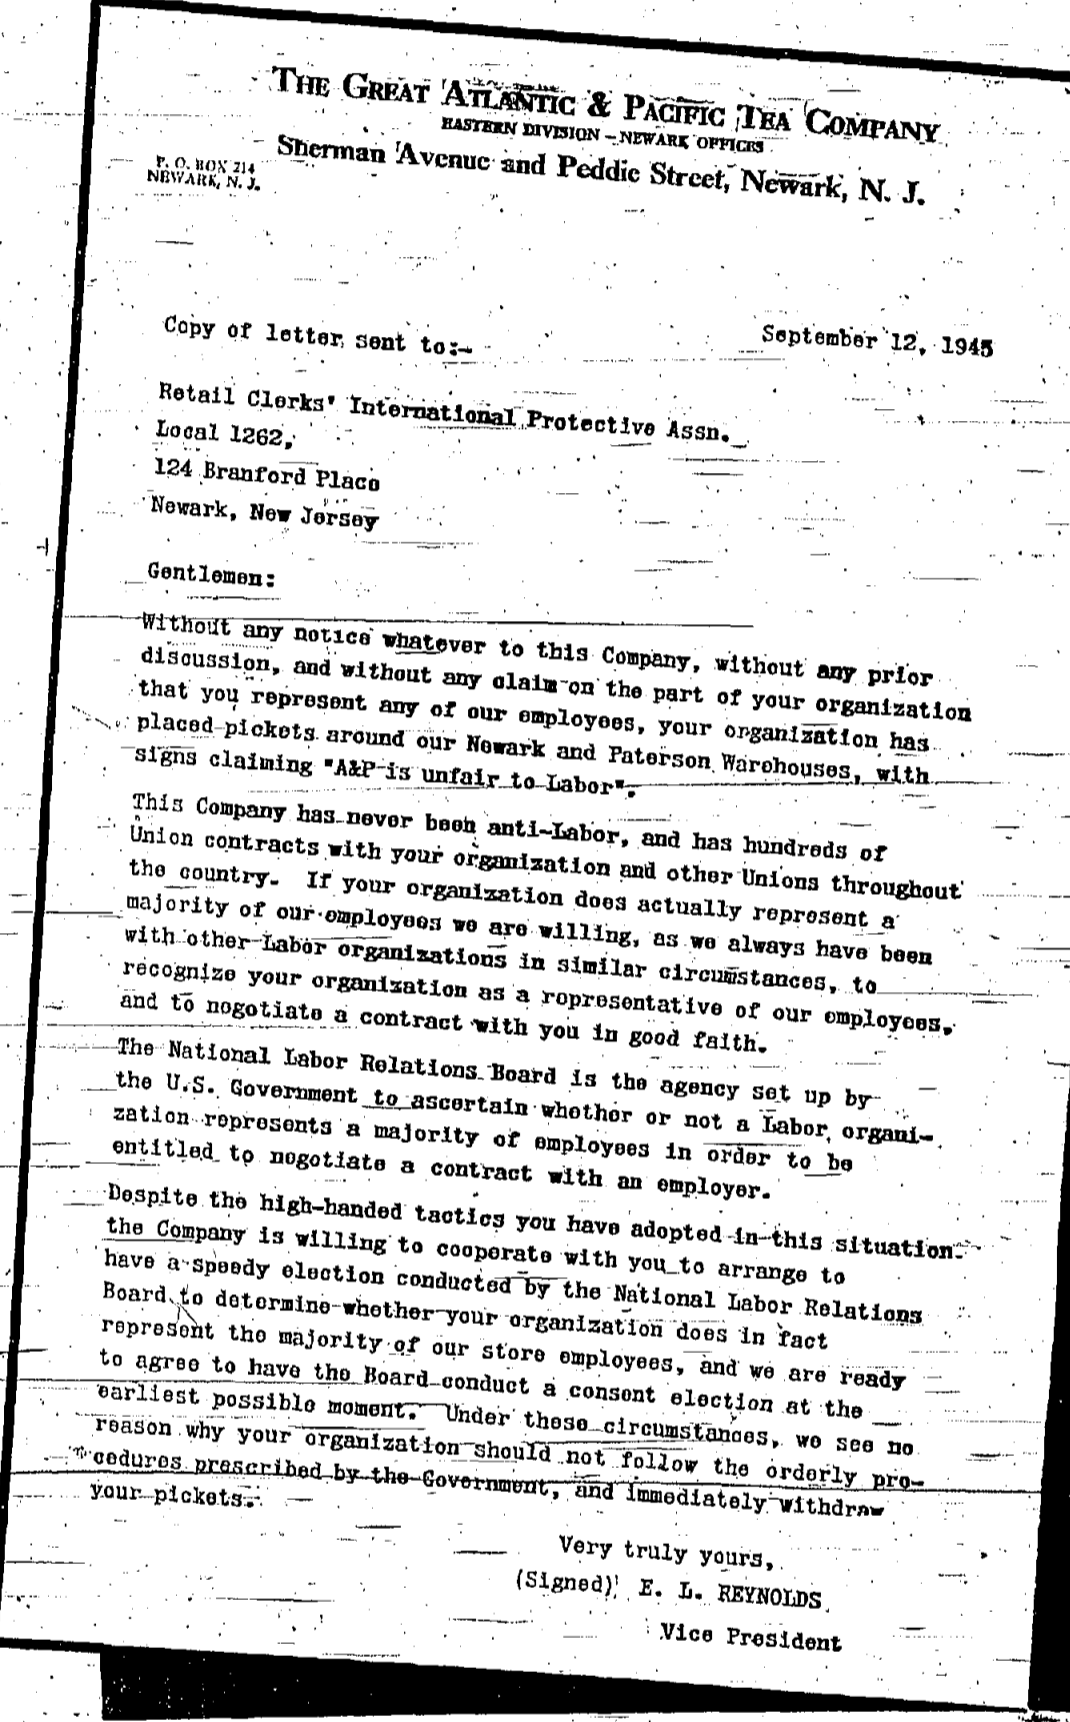

We want our customers to have the facts so that they may know that discontinuance of service is no fault of ours or our employees. No A&P employees are on strike. No questions of hours, wages or working conditions are involved. Accordingly, we have notified our regular full-time employees that pending the settlement of this matter, they will be paid in full for their period of enforced idleness.

The Clerks' Union has never approached us with any claim to represent our employees nor to discuss the entire question of Union representation. It has ignored all efforts to arrange such a discussion, and has refused to follow the orderly procedures prescribed by the Government under the provisions of the National Labor Relations Act. Nor have the teamsters made any demands on the Company or the contract carriers.

Apparently the sole purpose of this picketing by the Clerks' Union is to force the Company to negotiate a contract with this Union. We cannot legally negotiate such a contract unless our employees desire it. We have no right to force our employees to join any Union. The wishes of our employees can be determined by an election conducted by the National Labor Relations Board.

On September 12th we sent a registered letter to the Clerks' Union expressing our willingness to arrange a speedy election by the National Labor Relations Board. That letter was delivered the following morning and has never been acknowledged by the Union in any way.

On September 12th, too, the State Mediation Board offered its services and we accepted them in good faith, but the efforts of the Board to get the Clerks' Union to sit down with them and us have been unsuccessful.

On September 14th our contract carriers met with the Teamsters' Union Officials. At that time the contract carriers pointed out that the action of the Teamsters was in violation of their Union contract. The carriers have been compelled to discontinue their service to A&P and consequently are suffering heavy financial losses even though the Teamsters have no quarrel with them.

Our best efforts to solve this problem have obviously failed and we cannot continue to serve our customers without merchandise. We must close the stores on Saturday night unless deliveries are resumed.

This is the first time in the more than 70 years we have been serving consumers of this area that we have ever had to consider such a drastic step. We do so with the utmost reluctance, only after every legal and reasonable approach has been exhausted.

We regret the inconvenience caused our customers through no fault of our own or our employees. We hope that the Unions involved will abandon their current tactics and follow the orderly procedures prescribed by the Government. We think our employees should be allowed to decide for themselves whether or not they want to join a Union. We trust that the men and women of A&P will be allowed to carry on their important work of filling the food needs of our customers in nine New Jersey Counties\* and Staten Island.

a dedicated fund for an addition to the present building.

"A 'V-J Day' celebration was held by the Post for the benefit of the entire town. The affair was

a splendid success as proven by the very large attendance. It is hoped that the Legion may be in a position to assist and promote an annual event which would tend to good neighborliness in the future.

"Junior basketball was again a feature as in past years. The number of boys attending the weekly sessions in the school gym was very good considering the drain on our youth by the Armed forces. This program should be

continued and extended to include baseball.

"Time and space do not permit the listing of all minor activities which go on without number. It is sufficient to say that each Legionnaire has had a share in another 'good year.' With Peace again with us we must assume the responsibility of aid to the returning men. Our presently constituted Service Committee is active in this respect and will continue to serve and serve well all who are in need of assistance, guidance or advice. It is recommended that the Constitution and By-laws be revised to include and provided for this Committee."

quired by law to be taught in the public schools of New Jersey, will be offered by the Extension Division of Montclair State Teachers College at Newark State Teachers College. The course will begin tomorrow morning at 9 A. M. and continue throughout the school year.

The workshop will be conducted by a staff of specialists under the direction of Dr. W. Harry Snyder, head of the department of social studies at Montclair.

The workshop, which carries an academic credit of two semester hours for each of the two semesters, is designed to assist principals, supervisors and teachers to organize, administer and teach the new high school course, and to make it a vital force in the concepts of the past, present and future democratic way of life in the United States.

### Montclair State Offers New Course

A special workshop for teachers in service, to select and organize material for use in the new two-year American history course re-

CHARACTER BUILDING PHYSICAL DEVELOPMENT

**SCHOLARSHIP**

The high scholastic standing at Carteret is due in large measure to the fact that instruction is given in small-class groups, in an environment which is conducive to study.

**FULLY ACCREDITED**  
Superior College Preparation

To prepare your boy for the future—develop him properly now

Because of the thorough drill in fundamentals, supplemented by projects which create interest and promote good study habits, boys at Carteret obtain an excellent foundation for later college work.

The large gymnasium and athletic field adjacent to the School stop the First Orange Mountain give ample opportunity for all boys to get the benefit of exercise through sports as well as through supervised calisthenics and corrective body building exercises.

Periodic aptitude and achievement tests are given as a means for guiding each boy towards his fullest development. Individual attention is given to improvement of reading habits, with complete equipment under supervision of a psychologist.

18th century dining room group

The stately furniture that inspired this Eighteenth century group originally stood in the cream-paneled dining rooms of old Philadelphia, Williamsburg and Alexandria homes. These are handsome reproductions. Every piece has been designed with the formally balanced lines, the graceful features that made the Eighteenth century famous. Every piece is veneered with lake-smooth mahogany that reflects perfectly the soft glow of candlelight, the sheen of fine silver. Included are a large credenza buffet, a breakfront china cabinet, a four-drawer server and an extension table with three leaves; five ladderback side chairs and one master arm chair. The price of this group is exceptionally moderate. Ten pieces, \$415.00
