TOWNSHIP OF SPRINGFIELD

**LISTEN**

**FRIENDS!!**

In the hustle and bustle which preceded press time last week we inadvertently referred to Otto Stamm as a "former postmaster" under the picture of civilian defense leaders. . . .

We understand Democratic leaders feel that civilian defense should be operated on a non-partisan basis. . . .

We learned recently that there's one member of the Springfield Rotary Club who is plenty mad. . . .

Apparently one budget which is meeting general approval is that of the Regional Board of Education. . . .

Should anyone be in doubt Warren W. Halsey, the principal of the Regional High School, does not have small talk. . . .

The action of the Township Committee in establishing six municipal voting districts should help eliminate long lines during the evening voting hours on Election Day. . . .

Ray Bell, Sun publisher and customary occupant of this corner is returning to Florida. . . .

## Heinz Retirement This Year Will Launch Struggle For Postmaster Appointment

### Observers See Turk in Lead For Designation

Indications today were that the only Federal post in Springfield, that of the Postmaster, will have a new incumbent before the end of the year. Postmaster Otto F. Heinz is scheduled to retire this year after a long period of meritorious service. Political observers today were discussing the identity of his successor.

General expectation is that the new postmaster will be former Township Committeeman George M. Turk. At least observers believe he can have the post if he desires it. They believe Turk will be the choice of the county committee majority.

Turk today was non-committal about his chances. "To me Otto F. Heinz has always been Mr. Democrat in this town," he said. "And as far as I'm concerned there certainly is no vacancy existing at this time. Mr. Heinz has been an excellent Postmaster and I hope he will be able to retain the post for a long time if it is possible."

Despite Turk's attitude there apparently is little doubt but what Edward A. Whelan, Democratic County Chairman, would look with favor on nominating the former governing board member for the post. In recent years Turk has been the bulwark of the Democratic party and there is little doubt but what the appointment will go to a member of that party as long as there is a Democrat in the White House. However, there could be a temporary appointment prior to a permanent designation.

Should Turk not be interested in the post there are several Democrats who might be given consideration. These conceivably could include former Township Committeeman Francis J. Keane; Tax Assessor Frank Cardinali; and Harold Kelly, former president of the Springfield Democratic Club.

Assistant Postmaster William H. Corry also might be considered for the post. However, appointments of this type generally are made primarily on the basis of party service. Once the appointee takes over the postmastership, the Hatch Act requires that he forgo all further political activity.

Mr. Heinz in recent months has not been in good health. However, the Post Office has made great strides under his management and (Continued on Page 6)

## Pastor to Speak To Men's Club

The Rev. Hugh McHenry Miller, pastor of the First Memorial Presbyterian Church of Dover, N. J., will be the guest speaker at the Annual Banquet of the Men's Club of the Presbyterian Church. The Banquet will be held in the Chapel on Thursday, January 25th at 6:30 p.m. and will be presided over by the President, Robert M. Kearns.

The Rev. Mr. Miller is one of the outstanding clerical leaders in northern New Jersey having served as Moderator of the Morris and Orange Presbytery and presently serving as Chairman of the Committee of National Missions of the Presbyterian Church for the Synod of New Jersey.

Mr. Miller is a native of Seattle, Washington. He is a graduate of Washington and Jefferson College and Princeton Theological Seminary. He served as a Chaplain in the United States Coast Guard during World War II aboard an attack transport.

## Doctor Opens Practice

Dr. Francis E. Martin has opened an office for the general practice of medicine and surgery at 269 Morris avenue. Dr. Martin, whose home is at 9 Bedford road, Summit, is a graduate of Muhlenberg College, Allentown, Pa., and the Yale School of Medicine. During World War II he served four years as a Navy flight surgeon, with rank of Lieutenant Commander.

## Shirley Paulson Recalled by Navy

Miss Shirley Ann Paulson, PNT-2, of 23 Colfax avenue, has been recalled to active duty as of January 20, 1951.

Miss Paulson, a graduate of Montclair State Teachers College, enlisted in the Navy December, 1943 and taught naval history and naval organization to WAVES recruits at Hunter College until January, 1945. She then served as master-at-arms in the WAVES barracks in Pearl Harbor, Hawaii, for six months during World War II.

Miss Paulson enlisted in the Naval Reserve on a Volunteer status in April 1947 and entered Organized Status in June 1947. She was the first woman member of the Fourth Battalion, the Naval Reserve unit in Elizabeth, and is one of the first women to be recalled by the Third Naval District. Her position at the Reserve Training Center was that of Battalion Librarian.

Miss Paulson, a graduate student of Psychology at Seton Hall University, is executive director of the Westfield Council, Girl Scouts, supervising the activities of forty-seven troops in Westfield, Garwood and Mountainside.

## Town Sets Up 2 New Voting Districts

### Residents Will Have 6 Areas For Primary

Springfield voters will do their balloting in six election districts this year instead of four. The Township Committee made this a reality last Wednesday night when it adopted a resolution establishing the new setup. The move was necessitated, according to the resolution, by the growth of population and the construction of many new homes in what formerly were unpopulated areas.

A letter from John W. Maxwell, county engineer, detailing plans for the construction of a bridge in Robina avenue, was referred to Township Engineer Arthur Lennox for study, and a letter from Clinton, offering the services of all its Continental Post, American Legion and to the local Civil Defense effort, was referred to the director of CD, Mayor Robert Marshall.

Committeeman Fred Handville presided in the absence of Mayor Marshall.

The State Motor Vehicle Department advised that it is studying the proposal of the committee for the erection of a traffic signal light at the corner of Melsel avenue and Milltown road.

Annual reports presented by Police Commissioner Albert Bender showed that there were 212 traffic accidents in Springfield in 1950, resulting in injury to fifty-six persons and that the Municipal Court handled a total of 901 traffic violation cases and twenty-seven "general complaints."

## Masons to See Musical Picture

Continental Lodge No. 190 F. & A. M. will have a social evening on Tuesday, January 23rd, at 8:00 p.m. in their lodge room at the First National Bank building in Millburn.

A film portraying the preparation of the "Telephone Hour" will be shown. The star of the film is Elmo Pinza, who will be heard in a number of operatic areas assisted by Donald Voorhes and the Bell Telephone Orchestra.

All Masons from Springfield and the surrounding communities are welcome.

## School Commissioners Pass Budget With \$90,500 Rise Reflecting Salary Hikes

## Regional Board Passes New Budget

The Regional Board of Education will operate on a budget of \$377,880 during the 1951-52 school year. The measure which shows an increase of \$47,832, was adopted unanimously at a meeting of the board last Thursday. The amount to be raised by local taxation is \$220,606, which is \$50,620 more than the present appropriation.

The budgetary items include: Current expenses, \$297,785; repairs and replacements, \$15,600; capital outlay, \$7,600; library, \$5,900; manual training, \$22,400; and agriculture, \$10,135.

The commissioners discussed plans for expansion of school facilities. Richard Southgate, of New Providence, Township, chairman of the special planning committee, said that actual construction of either a new school or an addition to the present building will not be started until spring of 1952. It was pointed out that Federal regulations by that time may ban school construction.

The board is considering alternative plans. One would provide for an addition to the high school while another would involve building of a new school in a central location. The cost of an addition has been estimated at approximately \$300,000.

Thomas Nolan, of Clark Township, oldest board member in point of service, announced last night that he is filing a petition as a candidate for reelection. His current term expires next month. He was first elected in 1942 and is completing his third three-year term.

Mr. Southgate also revealed that he will seek reelection. He is completing his first three-year term. He and Nolan are the second representatives of their municipalities, having succeeded Mrs. Nathan Shapiro and Joseph Mullin, respectively.

James McGovern, of Kenilworth, the third member whose term is expiring, said he will not be a candidate. He was appointed to the board in 1949 to succeed Eric Hamilton, who resigned. Last year he was elected to the one-year unexpired term. Bertram J. Berthelmy, of Garwood, vice-president, presided.

## Measure Lists 8 More Teachers For System

The Board of Education Tuesday night unanimously approved the 1951-52 school budget providing for \$306,650 to be raised by taxation. This represents an increase of \$90,500 over the current measure. It will be presented to the voters for approval Feb. 13.

Salary hikes for teachers account for \$46,025 of the increase. That item includes raising of the starting pay of teachers a flat \$200. Holders of bachelor's degrees will begin at \$2,700 and those with master's degrees at \$2,800. Maximum pay after eighteen years of service is set at \$4,800 and \$5,000 respectively.

The budget also provides for the hiring of eight additional instructors at an average salary of \$3,000 each. This will reflect in part the program of double sessions which the board will be forced to expand commencing next fall, it was said.

District Clerk A. B. Anderson said that the rise in ratables caused by the building boom this year probably will offset a major portion of the budget increase. Including state and municipal aid the budget totals \$340,100 as compared to the operating budget of \$285,042.

It was pointed out that despite the adoption of a new setup of six election districts by the Township Committee the school election next month will be conducted on the basis of the old four districts. Residents of Districts 1, 2 and 4 will vote at the James Caldwell School and those of District 3 at the Raymond Chisholm School. Voting machines will be used.

Indications today were that there may be six candidates for the three vacancies on the Board of Education. Board President Clifford D. Walker has indicated that he probably will seek reelection. Mrs. Robert G. Smith has already filed a petition and the third incumbent, Mrs. Russell Pfizinger also has indicated she will run again.

Herbert J. Levins has filed a petition. Others who will be candidates are Clifford G. Hale and Robert J. Anderson, indicating a six-candidate race.

## Federal Agent To Address PTA

James J. Tracy, special FBI agent, will be the principal speaker at the meeting of the Regional High School Parent-Teacher Association on Thursday, January 25. He will describe the work of the Federal agency and relate some of his experiences.

A film-script, "Talk About Taxes," will be shown by Vincent Sarnowski, vice principal of the Lincoln School—Crarford. The high school band under the direction of David E. Bussette, will play several selections.

The Founder's Day program will feature the lighting of fifty candles on a birthday cake. Members participating in the ceremony will be dressed in old-fashioned costumes.

Refreshments will be served in the cafeteria following the business session. The hostesses will be Mrs. Willard Watkins, Mrs. Fred Rapp and Mrs. H. A. Keller.

## Mayor Says Extra Sirens May Be Installed for CD

Some confusion existed in Springfield during the sounding of sirens Saturday, but generally speaking results were good, Mayor Robert W. Marshall, chairman of the township's Civilian Defense Committee, revealed today.

The Mayor said the use of sirens in addition to the querry whistle caused a minor degree of confusion. In addition to the querry whistle, sirens for the practice alarm were sounded on the roof of the Municipal Building and the siren on top of the moon patrol cars and that of the municipal ambulance.

Mayor Marshall said a general survey will be made and it is likely that additional sirens will be added if indications show that they are needed. However, there may be some difficulty in obtaining them immediately, he pointed out.

The chief executive said that apparently some residents in Springfield did not hear the sirens on Saturday. He said the township covers a large area and future practice soundings of the sirens undoubtedly will indicate where additional sirens are needed. All parts of the municipality ultimately will be covered, he said.

The Mayor announced that a staff meeting will be held tonight at 8 o'clock at 8 Elmer avenue, defense council headquarters. Results of the air raid warnings will be discussed and plans for future activities made.

## Regional Students Chosen To Speak at School Forum

Eight students at the Jonathan Dayton Regional High School will participate in the twenty-first semi-annual conference featuring the New Jersey International Relations Forum at the high school Saturday. "Death or Survival" will be the forum topic.

The students who will participate are Connie Lambert, and Anna Casale, who will speak on "How We Can Improve Interracial Relationships"; Gertrude Fried, "whose topic will be 'How We Can Win the Minds of the Asians'; Emily Buckley, who will speak on the panel discussing 'Is the McCarran Bill Totalitarian?'" and Nancy Hoffman and Barbara Schoffler, whose topic will be "How Should the Community Fight Communism?"

## Township O.K.'s Big Store Site

The Township Committee has given the go-ahead sign to Safety Stores for the construction of a California-type, expansive supermarket on a three-acre tract extending from Route 24 to Morris turnpike, in that municipality.

The market will have 20,000 square feet of sales area. The committee action permitted consummation of the land sale transaction in which the sellers are Peter and Katherine Parley of Chatham. Co-brokers in the deal were J. L. Kislak, Inc., Jersey City, and Frank H. Taylor & Son, Inc., East Orange. The property adjoins the former roller slating plant property which was sold through Kislak to Huffman-Boyle Furniture Co.

## Roofer Injured In Fall Here

Eric Runquist, 43 years old, of 48 Brown avenue, Great Kills, Staten Island, a roofer working at the home of Mrs. C. L. Palmer, of 105 Lyons place, fell 14 feet to the ground Monday, suffering back injuries.

The victim who, police said, was employed by the Palmer Construction Company, of Morris avenue, was taken to Overlook Hospital, Summit, in the Rescue Squad ambulance.

Police reported that Mr. Runquist was on the roof of the home when a gutter supporting his feet gave way. The victim fell on cement curbing of a driveway.

### Union Man Freed In Local Court

Raymond Miller, 19 years old, of 330 Revere avenue, Union, driver of the car which killed Special Officer Delmar Tappin in Morris avenue, Christmas Eve, was found not guilty of careless driving after a hearing Monday night before Magistrate Henry C. McMullen, in Municipal Court.

Miller, who was represented by an attorney, pleaded not guilty to the complaint. He declared that he was traveling at a slow rate of speed but did not see the officer who was directing traffic in front of St. James R. C. Church, open for midnight mass. Special Officer Tappin is in Overlook Hospital, Summit, recovering from injuries which included a fracture of the leg and head injuries.

### Jr. College Offers Two-Year Courses

Preparing for a new term which will begin February 5, Union Junior College officials today suggested enrollment in a two-year college as a solution to the problem facing high school graduates who, because of their age, anticipate military-service two years hence.

Dr. Kenneth C. MacKay, president and dean at the college located in Cranford, said many young men and their parents are perplexed about senior institutions because of the prospect their four years of college training would be interrupted by induction. On the other hand, business and industry have shown little inclination to take on young people; they might lose to military service a year or two later.

Union Junior College, Dr. MacKay pointed out, is typical of the colleges which offer two years of training leading to transfer, at some future date, to junior and sen-

Do you have a hobby or do you wish you had? The psychiatrists warn us that well established, absorbing hobbies are the best health insurance when middle-age approaches or when the family is raised and off on its own, or retirement makes a complete change in the daily schedule. At such a time, fortunate indeed is the man or woman who feels as useful and needed in his or her family or community as formerly. Readjustments are harder for some people than others; the long looked for time of relaxation and year can suddenly become a misor problem, but there is always help at hand.

Men as well as women are now making exquisite hooked, braided and woven rugs. These offer a keen sense of accomplishment and may be a future source of income. there's a **JOB** to be done . . .

. . . and **WE WANT TO HELP!**

There is a growing sense of determination in the hearts of Americans. There's a feeling that a decisive job has to be done . . . and done quickly. We are entering a *speed-up* of production for defense—a period when we will have to make more with what we've got. Public Service, with its staff of industrial fuel, lighting and power engineers, stands ready to be of service to all those who have production problems involving heat, power and light. We can help you find shortcuts in the operation of your plant—to help you produce more. In a spirit of "Let's Work Together", we can all do a big job better.

We were so sorry to learn last week about Mr. Tappan, our policeman on the corner. He is in Overlook Hospital after an accident. So this week we have been making "Get-well" cards, to send him. We all cut out pictures to paste on the cards we made and some of us signed our own names. We do hope they helped to cheer him up and that he will be back on our corner soon.

Busch's class, of 62 S. Springfield avenue, received a box of oranges and grapefruit from her aunt and uncle in Florida. She brought some to school for us. Mary Ann Anderson of 26 Ruby street brought her big doll to school. It came from Santa. The children in Mrs. Busch's class are working on numbers. We are writing from 1 to 50.

In Mrs. Thurber's class we are saving our allowances and buying War Savings stamps each week. Barbara Smith has bought the most each week, because she has saved all her Christmas money.

Edwin Schell, Larry Schrupp, Lester Wood, Barbara Brown, Barbara Smith, Della Sperling, Ellen Wagner and Josephine Cuschella have added their names to our list of those who know their numbers of very well.

**Grade 2**  
Miss Alice Rieg  
Mrs. Anne Waters  
Mrs. Waters' Second Grade has begun work on an exhibit. They plan to show how differently plants, animals and people live in the winter as opposed to summer. Carol Humphrey brought in an outdoor thermometer and we have started making a temperature calendar.

Victor Tuma brought a plant to school. His committee plans to study plant life in winter.

**Grade 3**  
Mrs. Ruth Aray  
Miss Ruth Hoopmann  
"Miss Marietta Parkhurst"  
Last week the star spellers in Miss Hoopmann's class were: Patty Bell, Charlotte Bodner, Edward Cardinal, John Dooze, Donald Dambato, Joel Kawlin, Maria Imamoto, Teddy Karlin, Marilyn Miller, Lorie Roetter, Barry Smith, Richard Spicker and Billy Yeager.

The star spellers in Miss Parkhurst's class were: Mary Lou Bilias, Peter Miller, Elaine Marie Giannattasio, Billy Franklin, Arlene Malleher, Richard Haupt, Haroldene Schwartz, Rita Blomberg, Marie Griffith, Corinne Davis, Patty Young, Betty Jane Christians, Dorothy Fuhrer and Mary Lee Moran.

Those people in Mrs. Aray's class had perfect spelling papers last week. Mary Ann Pettinello, Adeline Kopp, Ellen Pettinello, Barbara Bass, Marjorie Franklin, Lance Levins, David Windisch, Rusty Silko, Gail Ledic, Alice Huber, Jimmy Rubin, Bruce Goldstein, Sally Joe Querques, Nancy Bleshof, Carolyn Kordalski and Barbara Havana.

**Grade 4**  
Mrs. Lucy Forsyth  
Our class again won the attendance banner. We are proud.

Another member has joined our group this past week. David Alardyce, who now lives at 61 Edgewood avenue, came here from Indianapolis.

John Heltinger brought in some very interesting pictures about the geography of the universe. He talked to us about them.

**Grade 4**  
Mrs. Florence Kouwenhoven  
We have been studying about the Netherlands. For enrichment the boys and girls consulted "Time News-magazine." We used the back issues of the last three months. Stephen Weiss found the article about Rembrandt. Jeffrey Mammel brought in the copy of the "Book of Knowledge," which told about Holland.

We also saw a collection of Rembrandt's paintings by D. S. Meldrum.

We are planning to build a picture of the Netherlands, using blocks and metal objects.

**Grade 5**  
Mrs. Margaret McGarrath  
Mrs. Priscilla Butler  
The pupils in the first group in arithmetic have begun fractions. These students have mastered work in subtraction, multiplication and long division with a B or average. The people working in this group are Lorraine Buckley, Clara DeFreytag, Carol Fox, Betty Jane Gurski, Lois Hoeking, Mary Ann Ingate, Sue Keane, Marie Loge, Beverly Marchell, Lou Ellen Martin, Joyce Olaszky, Sandra Taylor, Ruth Valois, Elizabeth Walker, Albert Cantello, Carl Haupt, Adelbert Kuenzel, Joe Montanari, Alfred Parker, David Pitter, Roger Smith and Ronald Slanek. The rest of the class is receiving special help before school with Mrs. Butler.

Kurt Rahenkamp. The new librarians for this term are Patty Prince, Prudence Madura, Bill Charles, David Pritchard, Bob Shaw, Fred Mills, Frances John and Mary Richels. The librarians check returned books and arrange the circulation and keep the library in good-working order.

The following people have papers on the bulletin board under the title, "Our Best Work": Nancy Moen, Bob Schwartz, Suzanne Huelkenburg, Walter O'Neill, Doris Rossel, Joan Giannattasio, Howard Mason, Nancy DeLeonard.

In arithmetic we are collecting newspaper clippings pertaining to our school work. Dick Anderson, Myrna Cheslar, Joan Roland, John Mascariotta and Terry Persley have all contributed to our display.

**JAMES CALDWELL**  
Grade 1—Miss Anderson  
We are reading about the farm. We drew pictures showing Dick and Jane at the farm. We have the pictures hanging in our room.

We have started to add and subtract with our numbers. We can also write to 100 by 10. We have learned a song about "Old King Cole." It is fun to take turns being his drummer, piper, fiddler or dancer.

**Grade 1—Mrs. Snider**  
We have started to add and subtract this month. Henry Dougherty came from Newark and Geraldine Curran came from Raritan Township school. We hope that they will like their new homes in Springfield and our school, too.

**Grade 1—Mrs. Corby**  
Two new children have joined our class. We are very happy to have them.

Bright evenings are very good to see the stars. We are looking for the Big Dipper and The Little Dipper.

Mrs. Corby read a story about the Big Dipper and the Little Dipper, to the children.

We have had five film strips about trains. They were in color and we enjoyed them.

We have some health posters in our room and we are trying to learn some songs about eating good food.

We will see a movie in our Assembly today.

**Grade 2—Miss Smith**  
We are working hard to learn our arithmetic facts accurately and to be able to say them quickly.

We are reviewing all of the spelling words we have had so far this year. We are getting ready for a review test.

We are trying to follow all of the rules we have learned for good writing.

We are preparing to take part in an assembly program next Friday.

**Grade 3—Mrs. Cross**  
We have just finished learning to write the capital letters. We will be writing for all our work.

Mr. Post is showing us how to make people in our pictures. Now we know how to draw their arms and legs, so they will look like they are moving.

Miss Gordon had a science experiment for us. It was about air. We saw how it is possible for men to go to the bottom of the ocean. Now we know that air is real and takes up space.

**Grade 3—Mrs. Dunn**  
During the 3D opening exercises, we have listened to pieces played or piano by Joyce Harrison and Elaine Roberts. Timothy Stewart played a selection on his trumpet. We are proud to have such a musical class.

**Grade 4—Miss Derivaux**  
"MY DOG" by Raymond Martinl

I have a little dog.  
This dog is very black.  
One day while he was playing,

He tore a gunny sack.  
I love my dog.  
I feed him a lot of milk.  
He makes a lot of noise.  
And his fur is smooth as silk.

"MY MOTHER" by Dale Dreher

I love my dear mother  
And she loves me.  
Before I go to bed each night  
She tucks me in and hugs me tight.

**Grades 5—**  
Miss Puresel, Miss Wahl  
The Fifth Grades began to water-color in Art Class this week. We learned how to make a sky darker overhead and lighter toward the horizon. Next we painted the ground a little darker than the sky. With a dry brush we then painted the dark trees and, last of all the figures of people and other details were painted very dark. When finished, most of us had a good-looking snow scene. The class voted Carol Renberg and Danny Lacey as having the best picture.

**Grades 6—**  
Miss Dimegno, Mr. Navarra  
Our art classes enjoyed a demonstration on how to use various types of paints and what we could do with them. We particularly like working with water colors and finger painting.

The study of the story of the Greeks has helped us to appreciate their ancient culture and to realize that some of our ideas have taken root in Greece.

We learned about their ways of living, education, and arts in combination with similar facts about our own country.

**Grades 7 & 8—**  
Mrs. Jakobsen, Mrs. Shander  
Mrs. Jakobsen, Mrs. Shander  
Nancy Anderson brought some Scotch things into Explorers Club this week—the Anderson plaid and the Gordon coat-of-arms family treasures. Peggy Kennedy read us a letter from her cousin who lives near Dublin in Ireland, telling what she could see in and near that city.

The Visual Arts Club showed us a travel film called "Wohls Magia." Have you seen these beautiful maps Ronnie Maguire made? They are on the second floor bulletin board.

**Special Class—Mrs. Lushear**  
Our star spellers are Thomas Rillo, Richard Worries, Margaret Bullock, and Charles Davis. They made the highest scores on a very spelling test. Thomas had a perfect paper.

### Basement Is Cited As Best Shelter

State Civil Defense officials said today the basement under your home is still the best protection against a bombing attack. Those who do not have basements were urged to make arrangements for sharing a neighbor's basement.

Apartment house managers were asked to set aside sufficient basement space to accommodate all inhabitants of their buildings.

The requests came from Thomas S. Dignan, deputy state director of civil defense. He said every effort should be made to utilize basements, pending construction of regular air raid shelters. Future plans, he said, will doubtless provide for these.

In the meantime, Dignan declared, "any shelter is better than none in protecting the individual from the dangerous effects of the heat and direct radiation of an atom bomb burst."

His statements were contained in a bulletin to local civil defense chairmen who were asked to make a population survey of closely packed business districts. Upon completion of this, the chairmen were advised to obtain the cooperation of building operators in setting aside basements and lower floor spaces as shelters.

"An attempt should be made to provide shelter in each block for the people expected to be in that vicinity," said Dignan. "If this is not possible with a block, shelters should be provided as close to the block as possible."

He said fireproof-reinforced concrete or steel frame buildings would provide the most suitable shelters.

now is a first class postoffice.

"Remuneration of the Postmaster here is in the neighborhood of \$4,500 depending on the volume of business."

Turk, who is president of the Democratic Club, presumably would have considerable to say about who was given the post in the event he "rejected" it. It isn't considered likely he would recommend Cardinal in view of the differences between the men in recent years. Whether Keane would win his favor also is questionable.

The likelihood is that men of the type of Kelly or Paul Callahan, who has been a candidate for the Township Committee, would be favored.

Next to Turk, Corby is seen to have the best chance. Presumably he might have several members of the Democratic County Committee balloting in his favor. Corby, in addition to being assistant postmaster, is a former president of the Democratic Club and is a World War I veteran. Members of Continental Post 228, American Legion, undoubtedly will support him for the appointment.

"Say maybe I'm missing some calls!"

Probably you are—if you're making one telephone call after another! For while you're using the telephone, no one can call you. And if you're on a party line, no one else on your line can make or receive phone calls either.

When you have a number of telephone calls to make, it's a good idea to space them. That way you'll avoid missing calls—and your party line neighbors will have an opportunity to make or receive their calls, too!
