FRIENDS!!

"Too bad, but what can we do about it?" ... that's the attitude local people are taking with regard to the impending skyrocketing tax rate ... we need schools and we've got to pay for them, declare the few folks we had an opportunity to discuss this with ... the truth of the matter is that Springfield needs industry ... We should have had industry years ago and this never would have happened ... a 90-per cent tax rate jump in any one year is disgraceful but don't blame present school and municipal officials ... the 'Yal' blame rests on the shoulders of those unthinking individuals (many of them are still around) who years ago decided this fair community shall remain "an oasis for jangled nerves" without industry ... this is Springfield not Short Hills!

Announcement in last week's issue the tax rate would climb by nearly 100 points was made in bold and black headlines across the top of Page 1 ... newspapers sold like wildfire ... the tax-paying public could hardly believe its eyes ... some local real estate brokers raised the devil with the editor ... they wanted to know why we didn't bury the news story on the bottom of the back page ... according to an item in one of the metropolitan dailies, Springfield's tax rate this year is about to surpass the 17-year-old tax rate record in Union County!

How do you like this fellow Glenn? ... the public thrashed the guy into virtual oblivion at the last general election and now he comes back in the fold and wants a seat on the Board of Education ... he doesn't have any kids in public school and yet he has the gall to want to run the Board of Education ... the guy apparently wants to hold public office and doesn't give a hoot-in what capacity ... we'd suggest knocking him down again this time so he'll stay down.

There's a sign up at General Greene Village that every last apartment is taken.

The Federal Government's wage-price freeze order will not affect the 10 per cent raises planned for police, firemen and other municipal employees, according to an interpretation of the law by Finance Commissioner Art Handville ... raises will go to almost everyone but Town Clerk Treat, Tax Collector Huff, and Magistrate McManis.

Latest report to the editor: "More township business is done at noon hour at Mario's Restaurant in Millburn than ever will take place in the municipal building" ... the letter writer asks that we send a photographer over with specific instructions to take a picture of the men who congregate in the "last booth on the right."

Someone just popped his head through the door with the announcement that the fire department had answered a call to Mrs. Sherman's house recently and that Fire Commissioner Walt Baldwin had injured his leg by a fall through the ceiling of his home ... complete details are lacking.

Talking about Baldwin brings to mind an apparent misunderstanding with regard to the township's proposed new \$125,000 fire house ... if it becomes a reality, the firehouse would be located near Raymond Chisholm School, therefore would be centrally located and would replace the present headquarters setup ... existing headquarters then would be used to house road and police department equipment, says Baldwin.

Two campaigns in Springfield are lagging badly ... one is the March of Dimes and the other is the recruiting drive of the First AF Squad ... a little display of enthusiasm would be appreciated.

BERTVEMPPEL TO TALK Mayor E. Edward Bertvempfel of Union, Republican County Committee Vice chairman, will address the Cranford Republican Club at the Municipal Meeting Hall on Wednesday, February 14. His topic will be "The Best People Can Be Found In Politics."

Voters Will Settle H. S. Contest Tues.

Candidates For Regional Board Issue Statements

The first Regional School Board contest in the history of the township will take place here Tuesday when Springfield voters ballot at the James Caldwell School to decide who will succeed E. Douglas Woodring, who recently resigned his seat on the Regional Board of Education. The candidates are Vincent J. Carney of 192 Milltown road and William J. Melick Jr., of 98 Severna avenue.

Woodring has been president of the Regional Board for the past eighteen months. He tendered his resignation because he is moving from the Regional District. He was elected last year for a three-year term. Woodring was the third president of the board, succeeding Dory Happele, of Kenilworth, who moved to Arizona. Joseph Mulholland of New Providence Township was the original president.

Other Regional members whose terms expire are Thomas Nolan, Clark Township; Richard N. Southgate of New Providence and James McGivna, Kenilworth. Nolan and Southgate are candidates for reelection and are unopposed. Adams P. Simms is seeking the Kenilworth seat. He also is unopposed.

Carney, 34 years old, is New Jersey sales representative for the Bryton Lumber & Manufacturing Company, South Kenny. He attended Newark College of Engineering and Rutgers University. In a statement issued today he stressed the need of economic planning.

Melick, who is 44, is an engineer with the Bell Telephone Company, Orange. He is a graduate of the Newark College of Engineering. In his statement he pointed out that his sole desire was to continue good education which will enable students to compete successfully with others following graduation.

Carney stated: "As a candidate for the Regional Board of Education, I would like to point out to our voting public that we at present have an enrollment of 970 students, which represents a capacity enrollment. Through a survey, it has been found that we can expect an additional 200 students within the next two years, and this will be supplemented by an additional 1000 students before the year 1962.

"This is more than planning for a little more than 10 years, and means only one thing, the need for economic planning so that we as taxpayers will receive the full value due us for every dollar that is spent to meet the influx of our future needs.

"I can offer my time, during my daily travels thru the many towns in New Jersey, as a missionary of inquiry, so that we can compare the decisions of other townships who are confronted with a like task in an effort to arrive at better decisions ourselves, to keep our costs which is bound to increase in these years pointed out to you in the findings above at a minimum, without distracting from the facilities which your children and mine are entitled to.

"I can offer my contacts with the owners of many manufacturing...

LEGION SCRAP DRIVE IS SET FOR SUNDAY

Continental Post, American Legion's paper drive will take place on Sunday, from 10 a.m. until late in the day. Funds derived from the sale of the paper will be used to purchase cigarette lighters with emblems for presentation to persons entering the military service from Springfield. All residents have been urged to tie the bundles of paper and place them at curbs.

GOP CLUB PLANS DINNER-DANCE

A dinner-dance, sponsored by the Springfield Republican Club, will be held Washington's Birthday Eve, February 21, at Baltusrol Golf Club. Tax Collector Charles Huff is in charge of ticket sales.

REGIONAL CANDIDATES

William J. Melick, Jr.

Vincent J. Carney

Church Women Set World Day Prayer

Methodist and Presbyterian women will sponsor a World Day of Prayer Service to be held at the Methodist Church on Friday, February 9, at 2:30 p.m. Mrs. Paul Voecker, president of the Ladies Benevolent Society of the Presbyterian Church, and Mrs. Edward McCarty, president of the Women's Society of Christian Service of the Methodist Church, are in charge of the service program. Mrs. Chase Runyon of 121 Tooker avenue, Mrs. Duncan Douglas of 202 Morris avenue, Mrs. Ralph Tiley of 31 Bryant avenue, and Mrs. Donald Wolf of 53 Severna avenue, will participate in the program. Mrs. John McMurray will be soloist and Mrs. Elliott Hall will be her accompanist. Springfield women have been invited to attend.

'50 Tax Collections Up Over '49 Figure

Tax collections for 1950 totaled \$650,615, it was revealed today by Tax Collector Charles H. Huff. The figure is \$73,788 more than the total for 1949.

The actual collections figure was \$652,681. This was augmented by \$3,741 for sundry assessments and \$3,152 for assessment title liens. The collection for December was \$26,714.

The total which had been anticipated in last year's budget was \$590,616.

The total of delinquent taxes collected was \$23,442. The tax title liens amounted to \$2,872. The gross receipts tax was \$11,603. The franchise tax was \$24,754 and the auto bus gross receipts were \$3,830. The interest and cost on taxes was \$3,332. Interest and costs of assessments was \$1,820 and tax collector fees were \$726.

The taxes collected for 1950 totaled \$72,843. Other years for which they were paid were: 1947, \$57,071; 1948, \$51,200; 1947, \$48,617; 1948, \$45,329; 1945, \$40,281; 1944, \$30,614 and 1939, \$5,411.

A total of \$2,743 was paid on 1951 taxes.

Change In Recreation Setup Urged To Better Conditions

A recommendation that the recreation committee be replaced by a commission is made by John M. Keith, committee chairman in the report for 1950.

Public Hearing On New Budget Set by Town Board For Feb. 28

Country Oakers Like New Budget

The trustees of the Country Oakers Association will recommend approval of the 1951 township budget to its members at the general meeting Tuesday night. It also will urge approval of the referendum at the primary election providing for construction of a \$125,000 firehouse, according to an announcement by Mrs. Agnes Andrews, association secretary.

Mrs. Andrews said the executive board of the group is not opposed to raises for teachers which will constitute a portion of the \$90,500 increase in the school budget. However, other factors contributing to the boost will be studied, she said.

UN Press Officer Is PTA Speaker

More than one hundred and fifty PTA members attended the association's meeting last Monday night, in spite of icy roads, to hear Alistair Taylor, press officer, United Nations Headquarters, speak on "The United Nations Today." Taylor outlined the various committees of U. N., the problems with which they deal, and the difference in philosophy between peoples.

He discussed at length the "Great Debate" before the Political Committee, presenting all sides of the question. In conclusion Taylor emphasized that the "cold war" was only one of the many complex problems to be solved. Population growth and food shortages were some of the other problems mentioned. A question period followed Taylor's address.

The Rev. Bruce Evans gave the invocation and Mrs. Thomas J. Doherty, president of the association, presided at the meeting. She introduced the candidates for the two school board elections. William Melick and Vincent Carney were presented as the candidates for the vacancy on the Regional Board of Education. Seven of the eight candidates for the local Board of Education were introduced. They were: Robert Anderson, Dr. Gifford Hale, Jay Levins, Mrs. Florence Nielsen, Mrs. Russell Pflitzinger, Robert Smith and Clifford Walker. H. S. Glenn did not appear. Mrs. Doherty urged members to vote in the elections.

Attendance banners were awarded to Mrs. Dimpego's sixth grade class at James Caldwell School, and Miss Claire Rogmann's third grade class at the Raymond Chisholm School. Refreshments were served by Mrs. George Raul and her committee of fourth and fifth grade class mothers.

His Gal Cost Him A Peck of Money

Richard W. Lacey, of 11 Wheeler street, West Orange, was fined \$53 by Magistrate Henry McMullen in Municipal Court Monday night after pleading guilty to operating an unlicensed driver to operate his car.

Lacey was apprehended by patrolman Edward Rossmore after he found Miss Janet Richards, of 404 Loun Avenue, Union, who was driving his car, did not have a license. The patrolman said the car was being operated in an erratic manner.

Miss Richards is being charged with operating a car without a license. A hearing is scheduled for Tuesday night.

School Election Shaping Up Like Political Battle

POLLS OPEN 5 TO 9 FOR REGIONAL VOTE

The Regional School Board election will be held Tuesday at the James Caldwell School under the supervision of Springfield District Clerk A. B. Anderson, it was announced today by Mrs. Helen Smith, regional district clerk. The polls will be open from 5 to 9 p.m. Township residents may ballot on acceptance or rejection of the various budgetary items as well as to choose a successor to E. Douglas Woodring, one of the Springfield members, who has resigned. The new member will serve a two-year unexpired term.

George Bechtle Takes Own Life

George Bechtle, 37 years old, an auto mechanic, was found dead Monday night in his apartment at 230 Morris avenue. Police reported that the gas jets and water heater jet had been turned on. Bechtle was found lying on the kitchen floor. Chief of Police William J. Thompson said that the dead man had left a note saying he believed death was the best way out of his personal troubles.

The body was discovered by John Voelker, of 645 South avenue, Westfield, a brother, who had a key to the apartment. Bechtle was pronounced dead by Dr. Frank Martin of 269 Morris avenue, who said death had occurred 24 hours ago. The body was removed to the Young Funeral Home, Millburn.

A native of Newark, Mr. Bechtle had lived here intermittently. He served as a boatswain's mate in the Seabees in World War II and was awarded the Purple Heart.

He is survived by his mother, Mrs. Anne Bechtle of the Morris avenue address, another brother, Peter, Jr., of Murray Hill and a sister, Mrs. Ann Schaefer, of South-Orange.

Dimes Campaign Nears End Here

The 1951 March of Dimes drive closes in Springfield this week and returns soon will be tabulated by the local volunteer workers of the National Foundation for Infantile Paralysis.

Until a final count is made local citizens will not know whether the depleted treasuries of the National Foundation have been restored for the job ahead. But additional contributions will be accepted at campaign headquarters, Springfield Post Office, for some days, since the need this year is so great.

"Every dime and dollar given by our local people is vital," Edward L. Whelan, County Campaign Director, declared.

"Last year, the second worst polo year on record, the National Foundation paid approximately \$20,000,000 for patient care alone, with many millions of dollars worth of bills still to be met. This huge responsibility came on the heels of an expenditure of \$38,000 for the same purpose during the two preceding years.

P.T.A. Marks Founders' Day

The Regional High School PTA commemorated the fiftieth anniversary of the founding of PTA at its regular meeting last Thursday at the high school. The executive committee, dressed in the costumes of the turn of the century, lighted the 50 candles on a birthday cake to mark the occasion.

Guest speakers were John J. Tracy, special FBI agent, and Vincent Surnowski, vice-principal of the Lincoln School, Cranford.

Salary Increases For Cops And Firemen Are Provided

The 1951 budget providing for an increase of 89 points for an unprecedented tax rate of 7.29 for each \$100 of valuation was adopted last night by the Township Committee. A hearing was set on the measure for Wednesday, February 28.

Binder Statement On New Budget

Police Commissioner Albert G. Binder today issued the following statement with regard to the township's new 1951 municipal budget which was introduced at last night's adjourned meeting of the governing body:

"The unprecedented tax rise is appalling, if not discouraging. The 89-point rise in the tax rate is a bomb shell in a disguised form. The effects will be felt by every taxpayer and their families in the community. The rising cost of living affects practically every item in the budget. I refer particularly to the Municipal Budget for which the Township Committee is alone responsible. We have devoted night after night in the compilation of our Budget and the facts and figures to be presented represent our honest efforts to this end.

"The Police Budget, for which I am directly responsible, has increased approximately \$17,500 over the 1950 Budget. A VERY small percentage of this increase is due to contemplated expansion for the year 1951. A large percentage of the increase is due to increased personnel. Last year only a portion of the cost was reflected in the 1950 Budget. I refer to Regular Police Officers, School Crossing Officers and Special Officers, put on in many instances at the request of the taxpayers. A further substantial increase in the Police Budget is due to the projected 10% increase in salaries for the full time Regular Police Officers. It is this increase for which I directly assume full responsibility. It is my contention that before we consider expansion of services at this time we should take care of our full time employees where inequities exist due to the sharp rise in the cost of living. We can do no less than to keep pace with the economic changes of the day.

Rigby, Two Others, Seek Renomination

Freeholders Charles L. Bauer, Jr., Elizabeth; Lee S. Rigby, Springfield; and R. Story Rowland, Plainfield, told the Republican party today that they are candidates for reelection in the April 17 primary election. All have had several years of experience in county government and each heads a major freeholder committee.

Renomination will be their campaign slogan.

All are committed to a program of economy, reduction of the bonded debt, and the lowest county tax rate in New Jersey.

A native of Elizabeth and active in party and civic affairs for many years, Bauer is a member of the Tenth Ward Republican Club and president of the Excelsior Building & Loan Association of Elizabeth. For more than thirty years he has examined realty titles. He is married and has two sons, both World War II veterans, and a daughter.

New Firehouse Up To Voters At April Primary Election

Township voters will have the opportunity to approve or reject construction of a new \$125,000 firehouse at the primary election in April. The motion was presented by Fire Commissioner Walter Baldwin at last week's session of the governing board.

The disclosure came after the reading of a communication from the Shunpike Civic Association urging that the plan to construct a firehouse be tabled until needed school construction is completed. Conceding the need of more fire protection the association said that the township currently can't afford both a new firehouse and a new school.

The governing board in December authorized purchase of a new fire pumper. However, there are no township facilities to house the new equipment. Baldwin then revealed that he would speed plans for the new building.

Meanwhile the Citizens' Advisory Committee, headed by Leonard Best, is studying the need for expansion of school facilities. Baldwin also has admitted the need of new school construction but said that if residents aren't prepared to authorize it then he will move for the new firehouse.

LOCAL TROOP GUESTS AT ROLLER DERBY

Troop 65 was the guest of the National Roller Derby Sunday, the Derby, now playing in the Sussex Avenue Armory in Newark, featured the New Jersey Jokers and the Washington Jets. The Jets won the game by 24-25.

The Troop expresses its thanks to the Derby for the very interesting and entertaining afternoon. During the halftime intermission, the Troop circulated through the stands receiving donations for the March of Dimes.

Salary Increases For Cops And Firemen Are Provided

Binder Statement On New Budget

The 1951 budgeted for an increase of 89 points for an unprecudgeted tax rate of 7.29 for each \$100 of valuation was adopted last night by the Township Committee. A hearing was set on the measure for Wednesday, February 28.

The total amount to be raised by taxation is \$289,702.19. This is more than \$55,000 more than the 1950 figure of \$234,146. The amount for local purposes accounts for approximately sixteen points in the tax rate increase. The school budget increase which approximates \$90,500 is responsible for 6 1/2 points and the Regional High School appropriation accounts for 1 1/2 points.

Included in the appropriations, it was pointed out by Finance Commissioner Frederick A. Handville, are 10 per cent increases for members of the police and fire department. Hiring of two additional members of the service departments also is projected. Other township employees also are scheduled to receive 10 per cent raises.

The salaries and wages for the assessment and collection of taxes, totals \$9,350. Other expenses for the same item is \$1,500. An appropriation of \$1,000 is included for foreclosures and deeds. An item of \$15 appears for real estate management and \$1,300 for the salary of the township treasurer. Other expenses in the finance department total \$300.

The expenses for the legal department are \$1,300. The item for salaries is \$1,300. Expenses for buildings and grounds include coal, electricity, repairs and alterations, furniture, insurance and sundry expenses is \$2,670. This is considerably less than last year's figure, the big drop being in repairs and alterations.

Commissioner Handville said that among the big increases are \$3,600 for a new fireman and a similar sum for a new patrolman; \$2,400 for the fire department and \$4,400 for traffic control. The road and sewer increase is \$8,000.

The item for flood control is \$200. Planning board expenses total \$200. An item of \$1,172 is placed in the State Employees Retirement System for municipal pensions. The fire department salary total is \$19,080. Other expenses for the department total \$2,000. The fire pension item is \$1,000 and the fire hydrant rental is \$8,700.

The salary total for the police department is \$74,763. Other expenses are listed at \$11,845. The latter item includes \$6,995 for transportation and \$2,000 for supplies. Telephone and communications is listed at \$5,995 and insurance at \$750.

The total appropriation for traffic control is \$12,000. This includes hiring of special officers for crossings. Other expenses for that item total \$1,125. Salary and wages for the Municipal Police is \$17,700 and other expenses \$375. A pension for former Recorder Everett T. Spinning is listed at \$720.

The item for salaries for the repairs and maintenance of streets is \$42,000. Other expenses are \$4,100. Street lighting is \$10,000 and original Municipal Budget was much higher than the final figure but through deletions, curtailment of services and sharp pencil work we arrived at our rock bottom figure. It is hoped the School Boards have or will do likewise.

"I have given the facts as I see them and you can only judge them individually and collectively, including the School Board, on our efforts to manage the affairs of the town to the best of our ability.

"If we will stop to consider that the Municipal Government is responsible for only 18 points of the total tax-increase then it is quite obvious that the sharp rise in the total rate is attributed to the Local and Regional School Board Budgets. The original Municipal Budget was much higher than the final figure but through deletions, curtailment of services and sharp pencil work we arrived at our rock bottom figure. It is hoped the School Boards have or will do likewise."

Recreation department salaries total \$2,875. Other expenses are listed at \$3,450. Contingent item is \$500.

The spiritual understanding that God is Infinite Love, which reveals the way of spiritual deliverance from tyranny, conflict, fear, and pain, will be the topic of next Sunday's services in all Christian Science churches. The Lesson-Sermon is entitled "LOVE."
The Golden Text is taken from Zephaniah's exhortation to Jerusalem (Zeph. 3:17): "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing."

Readings from the Bible include the following statement by John the beloved disciple: "We have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him" (I John 4:16).
Among the exhortative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following: "For true happiness, man must harmonize with his Principle, divine Love; the Son must be in accord with the Father, in conformity with Christ" (p. 337).

SHORT TIME LEFT TO INSPECT CAR

TRENTON, N. J., Jan. 31—Motor Vehicle Director Martin J. Perbet today reminded motorists that only a few weeks remain before the end of the current vehicle inspection period. He said that the operation of approval will be in violation of the law and the registration of the vehicle will not be renewed until the vehicle is approved.

Licensed agencies have been instructed, the Director added, to refuse 1951 registration for any vehicle whose current registration certificate has not been stamped to show compliance with the second period requirements.
Persons having duplicate registration certificates replacing those lost or stolen should have the certificates stamped at the inspection station before applying for 1951 license tags.

Your Library

Library Hours:
Daily, 10:30 a.m. to 6 p.m.
Mon. & Fri. Evens. 7:30 to 9 p.m.

It is always reassuring to find that the old books are being recognized for their time worth by each succeeding generation of readers. With modern methods of publishing and the ever-increasing number of new books, the competition is keen—but the result always gratifying.

This applies to adult as well as juvenile books for reprints of classics for all ages are being published constantly to supply the demand. There is always someone reading their first pages of Dickens, someone thrilling to the deeds of King Arthur, someone who prefers Jane Austen or the Brontes. Other old favorites you might like to become acquainted with or perhaps reread, are David Grayson, Robert-Louis Stevenson, Booth Tarkington, Joseph C. Lincoln, James Fenimore Cooper, O'Henry, Albert Payson Terhune and Rudyard Kipling.

Books written by these authors are suitable for young and old. The stories about the lives of these famous people make splendid reading as well in the children's department, biographies are often first choice, and always one of the three most popular, the others being mysteries and horse stories.

New books include—"River of the Sun" by James Ramsey Ullman; "The Wild Digger" by Josephine West; "The Story of Andrea Fields" by Elizabeth Selfort; "Nighthunter of Bengal" by John Masters; "Tito and Gallath" by Hamilton Fish Armstrong; "The Young May Moon" by P. H. Newby; "Honey Groom and His Dowsing Rod" by Kenneth Roberts and "The White Continent" by Thomas R. Henry.

NO TIME on his hands

These are busy days for the Public Service industrial representative who works with our heat, light and power customers.

That's the way it should be.

All of us on the industrial team in New Jersey — the plant workers, the factory supervisors, the production managers, and the suppliers of essential electric and gas services — all of us are on the job working to make New Jersey a leader in defense production again.

In many ways, the Public Service industrial representative is able to serve his industrial customers. It may be the suggestion of a new application of infra-red heaters for speedy drying... or a special use of gas for heat-treating... or specific lighting recommendations to help provide safer and faster production at the machine.

No time on his hands? Right! Because he wants to get this big job done quickly — in time!

NOTES & NEWS

VIVIAN LANGE — Short Hills 7-2923

Helen M. Smith Wed at Mass

At a nuptial mass Saturday in St. James Church here, Miss Helen Marie Smith, daughter of Mr. and Mrs. Elmer T. Smith of 85 Linden avenue, became the bride of John B. Regazzi, son of Mr. and Mrs. J. B. Regazzi of Long Island City. The Rev. John Mahon officiated. A reception was held at the Hotel Suburban, East Orange.

The bride, who was given in marriage by her father, was attended by Miss Patricia Ryan, a classmate at St. Elizabeth College, as maid of honor. Bridesmaids were Miss Joan Regazzi, sister of the bridegroom, and Mrs. T. George Conley. John J. Skelly was best man. Ushers were Rleah and R. Kintzel, cousin of the bride, and Harry Gillespie.

The bride wore an ivory satin gown with a bodice of French chandilly lace. Her illusion veil fell from a satin helmet. She carried a prayer book with white arches. The maid of honor wore a gown of aqua corduroy trimmed with ermine tails and carried an aqua muff with pink carnations and bouvardia. The bridesmaids were dressed in pink corduroy and carried pink-muffs with aqua carnations and bouvardia.

Mrs. John Regazzi

For traveling, the bride wore a royal blue coat and hat. Following a motor trip to Florida, the couple will reside at 219 South Harrison street, East Orange.

Mrs. Regazzi was graduated from St. Elizabeth College and attended Seton Hill University. She is a teacher at Kenilworth Elementary School and Madison High School and is a member of the American Home Economics Association and Junior League of New Jersey.

Mr. Regazzi is attending City College of New York and is employed in the credit division of Employers Mutual Liability, Insurance Co., New York.

Women Will Hear Talk On Hobbies

"Just for the Fun of It" is the title of a talk on hobbies to be given at the meeting of the Springfield Woman's Club Wednesday, February 7, at the Raymond Christman School at 8:30 p.m. The speaker will be Charrette Schon of Philadelphia, a lecturer and hobbyist, who will be recognized by some as the original Aunt Polly of television.

Miss Schon is vitally interested in the need for wholesome leisure time activities; and her programs, which are delightfully entertaining at the same time have a constructive and timely message. Her talks have been described as a tonic for those who want to enjoy life fully.

Miss Schon will bring with her an unusual collection of antique buttons which she will display. This collection is one of her many hobbies. She is president of the New Jersey State Button Society.

Miss Schon, who attended Louisville University, Hinman School in Chicago, and Columbia University, spent five years in Europe after the first World War with the YWCA doing reconstruction work. She spent 10 years as a member of the executive staff of the Training School at Vineland. For several years she has been lecturing on hobbies and the profitable use of leisure time.

THE INCOMPARABLE

Capehart

TELEVISION

Why wait longer... to enrich your home?

FOR CLARITY AND DEPTH the new Capehart television rivals the motion picture. In sound, none can compare with the tonal quality of the world-famous Capehart Symphonic-Tone System. In cabinet styling, every Capehart is an exquisite piece of furniture you'll be proud to own. And prices are so modest that it is almost unbelievable that you can get so much in a television receiver for so little.

Why wait longer to enrich your home? Stop in—see the distinguished Capehart Television instruments.

Grade 1—Miss Anderson
Susan Hale brought her records of "Alice in Wonderland" and "Snow-White" to school. We shared them with Mrs. Snider's first grade. We have been learning to count by 2 to 20. We have been working very hard with addition and subtraction, too.

It is fun to tell "number stories." Sometimes we draw pictures of our "number stories" and talk about them together.

Grade 1—Mrs. Corby
"Be Healthy, Be Safe, Be Happy" was the theme of our Health and Safety Program. Many children made up original plays and skits. Teddy Holm was our announcer. Everyone had fun helping with the program. We hope everyone learned a little more about how to be healthy and safe.

Grade 1—Mrs. Suter
Joy Jellinek had a very nice time in Washington, D. C., recently when she went there with her mother and father. She brought back cards showing many things she saw. We made a story about Joy's trip. The teacher wrote it on the blackboard. We enjoyed our visit to Mrs. Ryder's fourth grade. We saw many Chinese things in the room. We enjoyed hearing what Mrs. Ryder and the pupils told us about the Chinese people and the way

they read. They do not read the way we do. We are beginning with 3 glasses and it is fun.
Grade 2—Mrs. Hill
We have a lot of train pictures in our room. We have learned many things by looking at them. We have been trying to learn more arithmetic and to take better dictation. We have new books on manuscript writing. We hope they will help us to have neat workbooks and papers.

We are reading a story about Johnny Appleseed and are planning to learn a song about him.

Grade 2—Miss Smith
Mrs. Osborne taught us an Eskimo song which we like very much. Miss Smith has been reading us a story called "The Koko Twins" by Lucy Pitch Perkins. It tells the adventures of Minnie, a boy, and Mounie, a girl, who are twins. They have a very good boy named Koko. They also have twin pups named Nip and Nap. We are anxious to hear the rest of the story. It is quite exciting.

We are happy and very proud to announce that on our last Friday spelling test everyone of us had all the words right. One child was absent but she has never missed a word on a Friday test so we feel sure she would have had A, too, had she been with us.

Grade 3—Mrs. Cross
This week we have learned about multiplication. Now we know the 10, 1, 2 and 3 times tables. Reading Group One has started a new book "More Streets and Roads." Reading Group Two has started a new book, too. They are reading "Tall Tales."

The whole class is going to study wild animals. We have listed the animals we would like to study and some questions we have about them. Some of the boys and girls have brought in books about animals. We have a racoon skin and deer legs.

Grade 3—Mrs. Dunn
Mrs. Dunn's class is learning to play games on glasses filled with water. We are beginning with 3 glasses and it is fun.

Grade 4—Miss Derivaux
"MY BROTHER"
By Judith Crowley
I have a little brother
And he is a pain in the neck.
He takes all my games and toys
And makes my room a wreck.
II.
I told my little brother
That he better look out
That he better look out
Or else he'll get his doam.
III.
But still he didn't listen
So, boy, did I get mad!
I went and told my mother
And she said he was bad.
Grade 4—Mrs. Ryder
We are studying about China.

The Chinese are like us in many ways. They need homes, food and clothing just as we do. How they solved their problems depended on what was on hand in their country. Here is a story written by Carol Potten and Johanne Hertz.
"Once in a country near China lived a man and his son, Genghis and Kubla Khan. They were cruel Mongols. They used to go down into China from their mountains and attack the people. Then they conquered China and made friends with the Chinese people. They made China an empire that covered all Asia. Kubla Khan had a city built called Peking. Only the rich people were allowed in this "forbidden city."

Grade 5—Miss Parsel, Miss Wahl
Our fifth grades have made an exhibit of army and navy souvenirs from World War I and II. Perhaps the most interesting of all articles in the exhibit is a child's brightly-colored toy monkey found in a deserted Italian home during an invasion. The monkey carried it as a mascot until they returned home. We have learned several interesting things about modern warfare from our exhibit and pupils from other classes like to come in and look around. The Camera Club

came in and look pictures.

Grade 6—
Mrs. Dimpugno, Mr. Navarra
The sixth grade spelling classes have been having fun with their work by studying in small groups. Each group has a chairman who keeps a record of the final evaluation for the week.
Billy Burnett drew and painted with tempera colors an unusual scene of a Japanese girl.
Creative activities for English are being worked out by groups and individuals. We hope to correlate this with other subjects or voluntary projects.

Grade 7 & 8
Mrs. Kuffner, Mr. Winberry, Mrs. Jakobsen, Mrs. Shander
Plans are in the making for the school newspaper again. Roger Welas and Bruce Harrison are co-editors. This is one program or activity we all like to get behind.
Our Club programs are going along in high gear. We can see many nice trinkets being worn that were made in the Craft and Hobby Clubs. The Camera Club took some very interesting pictures last week. We can't wait to see them.

Special Class—Mrs. Lushear
The Special Class has charge of Assembly this past week. Thomas Rillo was our announcer. Alfred Niedermaler introduced a movie called "Home on the Range." Richard Worridis introduced "The Circus Is Coming."

School Menu
The menu next week at Raymond Chisholm luncheon will be:
Monday
Orange juice, macaroni and cheese, lettuce salad, peanut butter sandwich and milk.
Tuesday
Tomato juice, scalloped potatoes with sausage, Harvard beets, bread, butter and milk.
Wednesday
Baked beans with bacon strips, cold stew, cherries, bread, butter and milk.
Thursday
Orange juice, chow mein, rice, Chinese noodles, bread, butter and milk.
Friday
Tuna fish salad, baked potatoes, peanut butter and jelly sandwich and milk.

Grade 4
Mrs. Florence Kowen
Carole Becker brought "Jerry Mahoney," a ventriloquist doll to school so we could see it. It was her birthday. She treated us to tea cream.
Joan Porter brought a moving picture camera. It showed Ponce de Leon's "Fountain of Youth."
—Sue Klech, Grade 4.

Grade 4
Mrs. Lucy Forsyth
We have been studying about Switzerland. Joe Montanari, who is in the Fifth Grade, brought in a watch made in Switzerland for us to see. John Hettlinger brought in two handkerchiefs and a necklace from Switzerland. He also brought in a National Geographic magazine with pictures of that country. Henrietta Green brought in a box of cheese from Switzerland. The teacher also brought in a box of cheese from there. We all had a taste on crackers.

Grade 5
Mrs. Margaret McGarrath
Mrs. Patricia Butler
A special certificate has been awarded to Francisca deFreytag for "perfect spelling tests for two months."

The group has been working to improve comprehension in silent reading. Those who made the greatest improvement to date were: Mary Ann Ingale, Marie Olecky, Elizabeth Walker, Marie Lago, Sue Keane, Albert Cantelmo, Ned Davenport, James Derham, David Foster and Ronald Stanek. They all have earned a B for the two-month period.

Grade 6, 7, 8
Mrs. Isabel Nelson
Miss Helena Kostick
Miss Patricia Guerin
The Eighth Grade Science class is studying a unit on the Atomic Bomb. The structure of the bomb, the effects and cautions to be observed in event of atomic bombing, are among the topics considered. On Tuesday, the Science class saw films illustrating electrons, neutrons, positrons and atomic energy.

In Seventh Grade English the pupils wrote original illustrated booklets. Among the outstanding ones were the following: "Jungle Terror" by Alfred Mealar; "Merry Mexico" by Suzanne Heisterberg; "The Thing Under the Hay" by Sylvia Feldman; "A Snowman Contest" by Virginia Gregory; "The Rescue" by Bucky Brown; "A Story of Gtine" by Billy Lynn; "My Trip to Canada" by Richard Martinka, and "A Trip to Watkin's Glen" by Frances Jahn.

Mrs. Dorothy Chandler
Mrs. Florence Towner
Mrs. Janet Wronsky

A program was presented for our morning mothers on Thursday or last week. There were poems, songs, and nursery rhymes by the entire class. The "Three Bears" was dramatized with the following cast: Goldilocks; Gretchen Forbes; Mother Bear, Susan McCarthy; Father Bear, Harry Monroe; Baby Bear, George Zeoli, and Announcer, Geneva Custeau. The two rhythm bands were conducted by Henry Williams and John Wood.

We were pleased to have so many mothers at our program. George Briggs brought his grey and white kitten named "Spongy" to visit us. Some of the boys built a house for the kitten. We fed him milk and watched him all afternoon. We made up a story about Spongy for the James Caldwell newspaper.

Grade 1
Mrs. Mildred Fisher
We have been reading about Dick and Jane at the Farm. Many pictures of farm life have been brought in. Raymond Sismun showed his barn and barnyard fence enclosing farm animals, fowl, and machinery, for our display table. In correlation with this unit, we have had oral discussions of our experiences with animals similar to ones we have read about and we have drawn pictures of some of these animals.

We have a number chart in Mrs. Busch's room. As soon as we learn to count and write to 100, count and write by 5's to 100, count and write by 10's to 100, we get a gold star by our name. Many of us fixy one star. We are working for a line of gold stars.

Edythe Montanari left for Florida this week. We have talked about the difference in climate between here and Florida. Edythe is going to send our class some post cards each week.

Grade 2
Miss Alice Rieg
Mrs. Anne Waters
Perfect spellers for the month of January were Ronald Carney, Donald Feldman, Johnny D'Esie, John Marino, Eric Nielsen, Sandy Smith, Victor Thuma, Debby Brisk, Ellen Fox, Carol Humphrey, Matthew Neal, Barbara Rati, Roselle Sherman, Arleen Straver, and Linnea Weis.

Grade 3
Mrs. Ruth Arey
Miss Claire Hoopman
Miss Marietta Parkhurst
Everyone in Miss Parkhurst's class had a star on the Friday test in spelling. We are proud of that record and also of our increasing list of silent readers. To date they are: Mary Lou Biles, Patty Boyton, Cynthia Davis, Dorothy Fuhrer, Elaine Marie Giannattasio, Marie Guilfith, Adlene Mallicher, Peter Miller, Mary Lee Moran, Barbara Nelson, Barbara Ruban, and Frank Zupravski.

Miss Zupravski's class spent quite some time on writing the letters of the alphabet for the last few weeks. So far, the following are our very best writers: Patty Ball, Marilyn Muller, Teddy Kar-

lotte Bodner, Lorie Rortger decorate a valentine box for room.

We were quite pleased with the results of the arithmetic test in Mrs. Arey's class. The people who got very good marks were: Barbara Havala, Sandra Burns, Carolyn Kordalski, Janet Rawlins, Marjorie Franklin, Shariann Pflieger, Sally Jo Quercus, Brian Meade, Barbara Savage, Bruce Goldstein, Elith Deller, David Windsch, Adeline Kopp, Sandra Red, John Klech, Mary Ann Petlinico, John Keller, Rusty Stibo, Lance Levine, Jimmy Ruban, Gail Ledig, Barbara Bosa, and Alier Huber.

Last Thursday we enjoyed a musical program given by Mrs. Forsyth's class. We sang two songs with them.

Grade 4
Mrs. Florence Kowen
Carole Becker brought "Jerry Mahoney," a ventriloquist doll to school so we could see it. It was her birthday. She treated us to tea cream.

In the Sixth Grade, the following pupils are doing exceptionally well in spelling: Richard Battelle, Nancy Bolles, Barbara Burns, Billy Charles, Claus Corvino, Nancy DeLeonard, Barbara Drain, Teresa Graziano, George Haupt, Prudence Madura, John Moscaritola, Joan Wagner, Elaine Worzelle, Anne Worthmann, Ruth Zeoli, and Audrey Granklin.

It's a sad but true fact that the Raymond Chisholm Girls' basketball team lost in the James Caldwell Girls' team. 5-0!

Regional Drubs Edison, 93-36; No. Plainfield, Cranford Also Beaten

By DONALD ROSSELET
Regional play up one of the highest scores in Union County this week when it thrashed a shapless Thomas Edison team, 93-36. Other games during the week saw the locals down Cranford 54-40, and North Plainfield 35-25.

John Murray tied a school scoring record, set by Roy Belliveau back in 1948 playing against Cranford, in leading the Bulldogs to a 93-36 triumph over Edison. The score was never in doubt as the Bulldogs rolled to a 42-13 half-time edge. A poor third quarter was the only obstacle in the way of the Bulldogs' quest to break 100 points. Cliff Smith, lanky Bulldog center, sat out this period with three persons charged against him. Edison made the most of this slight advantage, outscoring the Bulldogs, 17-15.

The Bulldog JayVees also had a noisy time in their conquest of the Edison Juniors. The local outfit, led by Dick Scheffter with 25, Joe Pepe and Guy Selander, each with 16, won going away, 83-42.

North Plainfield Game
The Bulldogs had trouble early in the contest, as the Canatics matched them basket for basket in the first period. Regional changed its defensive in the second quarter and quickly piled up a lead which they never relinquished. Murray and Smith again were the big guns in the Bulldog attack, scoring 21 and 17 points, respectively.

The JayVees lost by a 31-25 score. They have now compiled a 7-8 won-lost record.

Washington Pins Regional Matmen

Washington High School's wrestling team scored a very impressive win over the local matmen here last Thursday. Ed Mas-Silla and Art Larson posted the only wins for Regional. Feature of the meet was a twelve second defeat of John Nadusky at the hands of Washington's heavy-weight grappler Oberly.

The team compiled a 3-2 won-lost record to date.

- The summaries:
103 Pounds—Kennedy (W) defeated Hector, fall (4:33).
112 Pounds—Burd (W) defeated Chioletti, fall (3:03).
120 Pounds—Percepert (W) defeated Robe, decision (4-0).
127 Pounds—Poire (W) defeated D. Compton, fall (7:15).
133 Pounds—Cornish (W) defeated Hallsgut, decision (12-2).
135 Pounds—Merrill (W) defeated Soucek, fall (6:35).
145 Pounds—O'Bryan (W) defeated Geuthler, fall (1:30).
154 Pounds—Musselle (W) defeated Mayberry, decision (8-3).
165 Pounds—Larson (R) defeated Arm, decision (8-0).
Heavyweight—Oberly (W) defeated Nadusky, fall (0:12).

The Orange and Blue dumped Cranford at the losers' court 54-40. Friday night, Cranford boasted an early lead, but the Bulldogs opened up in the second, third, and final periods to take the decision. Murray swished 10 fouls for 14 tries and also threw in seven lay-upshots to lead the Bulldogs.

The local JayVees eked out a 20-29 decision from the Cranford Juniors to make it a perfect night for Regional.

We MUST Meet This Challenge!

... a challenge to raise the absolute minimum sum required to continue for the 13th year the crusade of the Union County Chapter to combat mankind's most cruel foe... INFANTILE PARALYSIS.

Your Union County Chapter has a quota of \$100,000 to raise, but unlike any fund raising campaign conducted before, the TOTAL SUM must be subscribed this year to continue the care for crippled polio victims and to be prepared to help those stricken the coming year.

Your Chapter has assumed a tremendous obligation. It has repeated a statement so frequently that it has now become more than a slogan, words we shall ever strive to keep alive... to live by...

"No man, woman or child in Union County stricken with polio will be left without adequate care, regardless of the ability to pay."

To this we dedicate our efforts, and we will not fail with your thoughtful giving. Only costly treatments, prolonged rehabilitation, and faith can give the afflicted, helpless cripple the hope... the courage to face the future. Your generous support NOW is essential to the continuation of the work begun and yet to be done.

Reserves have been expended and your Chapter will be operating at a deficit with borrowed money before this year's funds are available.

In previous years the National Foundation came to our aid, but its funds, too, are exhausted meeting the critical epidemic in many areas over the Nation last year. Your contribution NOW will help the Chapter continue care for the needy cases and enable the committee to maintain facilities at the St. Elizabeth Hospital, Children's Coun-

try Home and the Muhlenberg Hospital. Few parents can afford the costly expense to nurse children back to health. The Union County Chapter must have adequate funds to provide necessary hospitalization when this unpredictable cripple of men, women and children strikes.

Double Last Year's Contribution... Appeal to Your Friends!

A committee of prominent citizens in Union County is appealing to you for contributions of one dollar, ten dollars or more to provide funds for this humanitarian movement which is carried on in your community by the Union County Chapter of the National Foundation for Infantile Paralysis. Half of your contribu-

tion goes to the National Foundation for research education and epidemic aid, and the other half is used by your local chapter to care for the victims of this unmerciful cripple. Every dollar helps... give \$100 if you can, now! Use the convenient coupon below.

EX-REGIONAL ACE
Stars In Victory

A spectacular second-half performance by Roy Billiveau, of Springfield, enabled Seton Hall University's eagles to come from behind and upset Syracuse University, 45-44, here Saturday night.

The former Regional High School All-Stater tossed in fifteen points, eleven in the second half, and turned in a standout rebounding job. Dave Latimer's foul shot with fifteen seconds to play gave Honey Russell's Phantas their 12th victory in fifteen games.

JOHN P. SIPPPELL
COLLEGE SINGER

LEWISBURG, Pa.—John P. Sippell, 437 E. Morris avenue, will sing in the brass-section of the Bucknell University Men's Glee Club when the 75-voice group leaves campus Saturday for its annual mid-winter tour.

A son of Mrs. Clifford F. Sippell, John is a sophomore enrolled in the civil engineering course at Bucknell.

The glee club will sing before alumni groups, hotel guests, and church and school audiences during its four-state tour, which will take it to cities and towns in Pennsylvania, New Jersey, New York, and Connecticut.

HOLD SERVICES FOR MARY K. BRENNER

Mrs. Mary-Kiend Brenner, wife of William Brenner, died recently at her home, 83 Colfax road, after an illness of three months.

Mrs. Brenner had lived in West Orange before coming here four years ago.

Besides her husband she leaves a daughter, Mrs. Edward A. Mordock, of Springfield; a sister, Mrs. Louise K. Aulinger, of East Orange; a brother, Theodore Kiend, of Verona, and two grandchildren, Rev. Bruce W. Evans, pastor of First Presbyterian Church of Springfield, and Mrs. M. J. Smith and Smith Suburban, 1415 Morris avenue. Burial was in Rosedale Cemetery, Orange.

years and municipal chairman several years.

A member and former president of the New Jersey Sheriff's Association, he was a pioneer in recognizing the necessity for organized effort to thwart juvenile delinquency and founded the Union County Youth Welfare Council in 1938. He is the president and manager of a retail store bearing his name and with Mrs. Rigby lives in Springfield.

Rigby is the board's voting member and the treasurer of the Association of Chosen Freeholders, of New Jersey.

Management and maintenance of county buildings are supervised by Rowland as chairman of the public property grounds, and buildings committee. He also serves on the roads, finance, purchasing, and bridges, drainage, and flood control committees.

A graduate of Yale University, he is a partner in H. T. Carey & Company, investment bankers and brokers and members of the New York Stock Exchange.

Rowland's career in public office began with the Plainfield Common Council in 1929 and he recently was elected to his sixth term as president of the Plainfield Board of Health. Freeholder and Mrs. Rowland have a son, a World War II veteran, and three daughters.

Looking Into Yesteryear

From Files OF THE SUN

Ten Years Ago

Fourteen men were ordered to report for military duty by the Springfield-Union Selective Service Board. Out of this group, only one was from town; Ralph Lawrence Salter, 35, of Mountain avenue.

Winifred Ruban, daughter of Mrs. Frances Ruban of South Springfield avenue was one of thirteen young women of the graduating class of the Nurses' Training School of Overlook Hospital, Summit, to receive her nurses' cap in the taper ceremony held in the Recreation Room of the Nurses' Home.

Mr. and Mrs. Erich Maier of 75 Battle Hill avenue, were injured when their car was in a head-on collision at Morris and Burlington avenues, Union, with a machine driven by Harry J. Birringer of 202 Magie avenue, Roselle Park. The local couple were treated for finger lacerations and abrasions of the face and legs by Dr. William Grant of Union. According to police, the slippery ice pavement was responsible for the accident.

Walter Nelson, Jr., 18, of 154 Tucker avenue, enlisted in the Navy and left for the Naval Training Station, Newport, R. I.

Leather Sculpture

The Art Department of the Springfield Woman's Club will meet Monday at 8:15 p.m. at the home of Art Chairman Mrs. Henry Vance, 37 Evergreen avenue. The group will work on leather sculpture projects begun at the last meeting.

Round-Table Discussion

A round-table discussion on "The Korean Situation" will be held at the meeting of the International Relations Department of the Springfield Woman's Club, Tuesday at 8:30 p.m. at the home of Mrs. Kenneth Bandomer, Evergreen avenue.

Arthur E. Lloyd
State Candidate

Health Commissioner Arthur E. Lloyd Jr., of 319 Plymouth road, Union Township, last week announced his candidacy for a county nomination for State Assembly. At present the county has a four-member delegation, three of whom are Elizabeth residents. The fourth lives in Plainfield. There have been indications the county will receive an additional seat.

Lloyd in making his announcement revealed that he is being supported by Mayor F. Edward Bieriempfel, of Union, vice-chairman of the Union County Republican Committee, and the powerful Regular Republican Club of Union, of which Lloyd is a member. He expressed belief that Union Township third largest municipality in the county, should have "Assembly representation."

A native of Jersey City, Lloyd lived in Elizabeth, where he attended Battin High School. Later he attended Syracuse University. He is president of Arthur E. Lloyd & Co., insurance brokers at 744 Broad street, Newark, and is a member of the National Association of Insurance Agents. He is a member of Elizabeth Elks Lodge, Gavel Lodge 273, Masons of Union, Washington Chapter 6, Royal Arch Masons, the Regular Republican Club and Connecticut Farms Presbyterian Church here. He is a past president of Putnam Manor Civic Association. He has been active in the Red Cross and in war fund drives.

Lloyd is married and has a daughter Audrey and a son Arthur 34.

Professional golfers will have a 17-tournament winter tour beginning in Los Angeles January 5 through the Masters in Augusta April 5-8.

LEGAL ADVERTISEMENTS

NOTICE OF IN REM FORECLOSURE OF TAX LIEN TITLES
BY THE TOWNSHIP OF SPRINGFIELD

TAKE NOTICE that proceedings in Rem have been commenced in the Superior Court of New Jersey, Chancery Division, Union County, by the filing of a petition on January 5, 1951, to foreclose and forever bar any and all rights of redemption of the parcels or lands described in said petition, from petitioner's tax lien titles.

The proceedings are brought against the light, title, and no personal judgment or decree may be entered therein.

Any person desiring to protect a right, title, or interest in the described land or any parcel thereof, by redemption, or to contest petitioner's right to foreclose, must do so by paying the amount required to redeem as set forth below, plus interest to the date of redemption, and such costs as the Court may allow, PRIOR to the entry of a decree or judgment herein, or by filing an answer to the petition setting forth respondent's defense, within forty days after date of the publication of this notice.

In the event of failure to redeem or answer by any person having the right to redeem or answer, such person shall be forever barred and foreclosed of all his right, title, and interest and any right of redemption in and to the parcels of land described in the following tax foreclosure list.

The following is a copy of the tax foreclosure list showing the lands and parcels to which these proceedings are brought:

TAX FORECLOSURE LIST

TO THE CHAIRMAN AND TOWNSHIP COMMITTEE OF THE TOWNSHIP OF SPRINGFIELD.

I hereby certify that the foregoing is a list and description of lands and parcels held by the Township of Springfield, affording said lands, together with the amounts due on said Tax Sale Certificates and for subsequent liens, including the amount required to redeem, and the ownership of said lands as appears on the records of the Tax Collector of the Township of Springfield, which said lands are subject to foreclosure in Rem pursuant to Chapter 96 of the Laws of 1948 (L. S. 54:5-164-2 & 29). This tax foreclosure list being prepared and certified in accordance with the provisions of Section 7 of said Act.

"Let's not tie up the line, Ed... I'll See you Tomorrow!"

Being considerate of others is a sure way to make party line service good for everyone. And it's easy to be considerate—just a matter of spacing calls instead of hanging up gently when the line is already in use... and being willing to release the line promptly when it's needed for an emergency.

Water Works

Since water in liquid form is transparent, why is snow white?

Snowflakes are frozen water vapor, and the whiteness of snow is produced by reflection and refraction of light from the minute surfaces of the snowflakes.

Did you know?...

Fifty years ago, there were nearly 100 deaths per year per 100,000 population due to TYPHOID FEVER. Today, less than one person in 100,000 per year dies of typhoid fever—due primarily to advances made in purification of public water supplies.

Students Offered NJC Scholarships

High school seniors from New Jersey are eligible to compete for scholarships to be awarded for the 1951-52 year by New Jersey College for Women, the woman's college of Rutgers University, the State University of New Jersey, it was announced today by Dean Margaret T. Corwin.

Scholarships open exclusively to New Jersey girls include the Elizabeth Rodman Voorhes Scholarship which will cover tuition, board, and room and is valued at \$200, the Carrie Whitton Bailey Bacon Scholarship of \$200, the Penna Grove Woman's Club Scholarship of \$200, the Miriam Lee Early Lippincott Scholarship of \$200, the Society of the Daughters of the American Revolution Home Economics Scholarship of \$200, and the Sears-Roebuck Foundation Scholarships in Home Economics. These are in addition to the State Scholarships covering tuition and available to entering students from each county (subject to the appropriation of the necessary funds by the State Legislature).

In addition to the scholarships limited to New Jersey girls, a number of General Scholarships and Music Scholarships in varying amounts, are open alike to students from New Jersey and other states.

Awards are made on the basis of financial need, general character, and promise of future achievement, as well as scholarly ability as determined by high school records and by tests administered by the College Entrance Examination Board.

March 1, 1951, is the final date when all scholarship applications will be accepted. Application forms and information may be obtained from the Office of Admission, New Jersey College for Women, New Brunswick.
