Selection of Wilbert Layng as chairman of the municipal Republican Committee to succeed Charles Beardsley recently raised scores of eyebrows—not only in town but throughout the county. . . Layng, over his own signature, backed the candidacy of the defeated Leo S. Rigby for freholder. . . he didn't break his back doing it, that's for sure, but he did, establish himself. . . Beardsley, on the other hand, openly opposed Rigby and supported the successful candidates. . . but, typical of most everything else in this community of reverse procedures, Layng—the loser was made the victor. . . Beardsley supported Layng for the chairmanship but when it came time for Beardsley to receive consideration as county delegate, a position he is reported to have wanted, there was none to be had. . . he never heard a second to his nomination. . . Layng got that job, too. . . Freholder Al Benninger, recognized today as a powerhouse in Republican county politics, apparently looks upon what happened to Beardsley as a personal slap in the face!

Defeat of Leo Rigby at the primary lost a political plum for Springfield. . . that goes without saying. . . now it's up to the Republican top notches to cultivate their soiled soil in the next year or so and come up with a man whom county GOP heads would approve as a likely prospect for freholder. . . it won't be easy, there must be a great deal of spade work. . . the local "institution" however, won't stand a chance in a million if it continues to rub the right for the wrong way!

When George Turk took over the job of postmaster this week there were lots of envious eyes on the situation. . . most of them were focused by Republicans and just a scattered few by Democrats. . . According to stipulations of the Hatch Act, Federal employees must keep their noses out of politics and if Turk follows the rules then he'll probably be postmaster here for a long time to come. . . few persons, including the Democratic chief's most vigorous opponents, fail to disagree that Turk has what it takes in the way of brains to do an outstanding job. . . When the time comes to take an examination for the permanent appointment Turk should shine with the best of them. . . there's one thing about George—he always seems to have the last laugh on everyone!

Just about \$1,000 has been collected thus far in Springfield's Cancer Drive, according to a report made public this week by Edward Wronsky, local chairman of the campaign. . . Hundreds of home owners and scores of individual business firms are still to be contacted, and, as a result, Wronsky has decided to extend the drive here until May 15. . . get your contributions in as fast as possible to Carlyle Richards, treasurer, First National Bank.

The Springfield Sun moved bag and baggage to its new offices at 332 Morris avenue last week-end. . . the move does not upset previous deadlines. . . copy, news and advertising may still be delivered until noon Wednesday.

There seems to be a local gripedroping in the Colonial Gardens section with regard to selection of the site for the proposed new school. . . "log far from that area," they say. . . Tom Doherty of the Board of Education left a map with us Monday showing the Flower tract is the closest available vacant land to the section in question.

If last week-end's traffic congestion along Morris and Flower avenues is any indication of what the approaching summer flow of cars will bring then members of the local police department are in for a tough few months. . . we watched the jams for an hour from the bank corner on Sunday afternoon and every second motorist had a vicious snarl on his lips as he passed the other at the traffic light.

Turk Inducted As Acting Postmaster

Ex-Democratic Head Succeeds Otto F. Heinz

Former Township Committeeman George M. Turk now is functioning as acting postmaster. The former Democratic leader was inducted into the post Monday afternoon, receiving the oath of office from Postal Inspectors Patrick S. Quinn of Newark and Edward J. Toy of Elizabeth. Turk's temporary appointment by Postmaster General Jesse Donaldson was made after the recent unanimous endorsement by members of the Springfield Municipal Democratic Committee. He was recommended for the post by County Democratic Chairman Edward L. Whelan of Elizabeth and Congressman Edward Hart, State Democratic chairman. Actually Turk was inducted for the postmaster's job by the Municipal Democratic committee several weeks ago. Chairman Whelan, however, said he held up the recommendation until a new committee had been chosen in the Primary Election. He said the delay enabled the new committee to express its sentiment. However, Turk was still the choice. He also was named Democratic Municipal Chairman.

He resigned this post when his temporary appointment was announced. He also has resigned as Democratic County Committeeman in the Fifth District. Postal officials indicated that Turk will take a competitive examination.

Holy Name Group To Hear Speakers

Guest speakers at a meeting of St. James' Holy Name Society, Tuesday at 8 p.m. at the rectory, 68 Morris avenue, will be John J. Dowling of Jersey City and Paul V. Caffrey of Elizabeth. Their topic will be "A Plan to Oust Communism from the Public Eye." Dowling is First Vice-Commander of Hudson County Chapter, Catholic War Veterans and is New Jersey State Chairman of the Americanism Committee of the Catholic War Veterans. Caffrey is Union County Chairman of the Americanism Committee. The men have been touring the Archdiocese of Newark, speaking to various groups about communism on the radio and in television. The Newark Archdiocesan Federation of Holy Name Societies at their annual convention on April 22, adopted a resolution publicly commending the Americanism Committee in bringing this campaign to the people. The members of St. James' Holy Name Society will receive communion in a body at the 8 a.m. mass on Sunday.

FUNERAL SERVICES HELD FOR MRS. COBB

Funeral services for Mrs. Margaret G. Cobb, wife of the late Samuel L. Cobb, who died Friday at the home of her daughter, Mrs. Leslie Joyner, 15 South Maple avenue, following a long illness, were held Monday from the Smith and Smith Funeral Home. A high mass of requiem was celebrated at St. James Church. Interment was in St. Mary's Cemetery, Plainfield. Mrs. Cobb was a native of Cranford. She had been a resident of Springfield for twenty years. She was a member of the Altar and Rosary Society of St. James Church and was a former president of the group. In addition to her daughter, Mrs. Cobb is survived by a sister, Mrs. Samuel Colwell, of Garwood, and a brother, John T. Gleason, of Cranford.

HOLY NAME MEMBER FUNERAL IS HELD

UNION — Francis M. Bowen of 2785 Larchmont road died Saturday at St. James' Hospital, Newark, after a long illness. He was 70. Born in South Orange, Mr. Bowen lived in East Orange, most of his life. He had been employed in the accounting department of Western Union, New York, for more than 25 years. He was a member of the East Orange Golf Club and a former member of the Methodist Community Club. He also was a member of the Holy Name Society of St. James Church, Springfield. Mr. Bowen leaves his wife, Mrs. Louise E. Gaynor Bowen; a son, Cpl. Robert Bowen of Pasco, Washington; a daughter, Miss Mary Lou Bowen of Union and a brother, Paul Bowen of Mineola, L. I. The funeral was held at 9 a.m. Tuesday from Smith and Smith Suburban, 418 Morris avenue, Springfield. A solemn high mass of requiem was offered at 9:30 a.m. at St. James' Church. Interment was in Holy Sepulchre Cemetery, East Orange.

NAMED ON PANEL FOR GRAND JURY

Mrs. Anastasia Sylvester of 225 Baltusol avenue has been selected as one of a 35-member Grand Jury panel for the May session. She is a former society columnist for the Springfield Sun. A large display of tulips are in bloom in the garden in back of Clarence E. Buckelew Jr.'s home at 108 Tooker avenue. There are more than 1,000 bulbs of the following groups: Darwin, Breeder, Cottage, Parrott, Single Early, Double Early, Bizarres, Byblooms, Rembrandt, and Rainbow inbred varieties. Some of the tulips measure 40 inches. Persons interested in seeing the display are welcomed. Colored film is advised for taking pictures of these flowers.

Officers of Church and Cannon Chapter, Daughters of the American Revolution were installed Saturday at organization session at the historic Springfield Presbyterian Church. On rostrum, Mrs. Harry A. Marshall of Summit, honorary State chaplain, and Mrs. Raymond C. Goodfellow, vice-president general of South Orange. Standing facing the group is Mrs. Ralph Greenlaw, of Chatham, State regent, administering

Wronsky Chosen P.T.A. President

Edward Wronsky was elected president of the Springfield Parent-Teacher Association at the annual meeting Monday night. He succeeds Mrs. Thomas F. Doherty, who has headed the group for the past two years. Other officers chosen were: First vice-president, Mrs. Loren Skousen; second vice-president, Supervising Principal Benjamin Newswanger; third vice-president, Mrs. Thelma Sandmeier, Raymond Chisholm School principal; secretary, Mrs. Austin Towner and treasurer, Mrs. Doherty. Wronsky has been vice-president for two years. He previously served as treasurer. Installation of officers is scheduled for May 23.

Discussion centered on the new school project with Mrs. Karl Ruettinger and Mrs. John Haselmann, representatives of the group on the Citizens' Advisory Committee on Schools, telling of the work of that unit and Howard Smith, president of the Board of Education, speaking on the school referendum which, he said, will be presented late this month. The group unanimously endorsed the program.

The entertainment featured selections by the combined orchestra under the supervision of Mrs. William Osborne. There were charcoal cartoon sketches presented by students under the direction of Russell Post, art teacher. The final phase featured a physical education exhibition in charge of Earl Bornholm.

New DAR Chapter Inducts Officers

The Church and Cannon Chapter of the National Society of the Daughters of the American Revolution was organized and its officers installed Saturday in an organization meeting at First Presbyterian Church.

Mrs. Ralph Greenlaw, of Chatham, State regent, was the principal speaker. She organized the chapter and installed the following officers: Mrs. Milton Brown, regent; Mrs. Terry J. H. Mitchell, first vice-regent; Mrs. Karl R. Tallan, second vice-regent; Mrs. Lewis Macarney, chaplain; Mrs. John F. Henry, recording secretary; Mrs. Melvin E. Gillette, corresponding secretary; Miss Phoebe Briggs, treasurer; Mrs. Henry C. McMullen, registrar; Mrs. A. B. Anderson, historian, and Mrs. Matiland P. Simmons, librarian.

Mrs. A. B. Anderson, historian, explained why the name "Church and Cannon" had been chosen. The "Church" referred to was the historic Springfield Church which was burned by the British during the Revolution. She reminded the audience that the church in which they were meeting was built in 1791 on the site of the old church. The cannon referred to was the old cannon set on a hill in what is now Summit, which was fired to warn the residents of the approach of the British. It was between these two spots that the British were turned back and forced to retreat in the famous battle of Springfield.

Speakers in addition to Mrs. Greenlaw and Mrs. Anderson included Mrs. Raymond C. Goodfellow of South Orange, national vice-president general; the Rev. Bruce Evans, pastor of the church; and Harvey J. Nelson Jr. of Jersey City, vice president of the New Jersey Revolution. Refreshments were served under the direction of Mrs. James Howard.

Cancer Drive Is Continued To May 15th

Aim To Meet Springfield's \$2,000 Quota

Extension of Springfield's 1951 campaign to raise funds to fight cancer to May 15 was announced yesterday by Edward Wronsky, chairman of the local committee. As of Monday collections in Springfield totaled \$1,385.50, according to a report submitted by Carlyle H. Richards of the First National Bank who is treasurer of the drive. The township's quota is \$2,000. "Our job of obtaining the necessary funds to carry on the programs of the American Cancer Society is not an easy one," said Wronsky, "but we have been better prepared than ever before and have the advantage of an intensive educational program that has made the people of this town

Three Enter Plea In Bootleg Case

Three persons allegedly involved in operation of a large illicit still at 49 Keeler road, here, have entered pleas of not guilty to the charge before Federal District Court Smith in Newark. Two others, John D. Starrett, of 49 Keeler road, and Frank Catena, of 2135 Berwyn street, Union, have yet to enter pleas.

The three who have entered pleas are Octavius Amato, a hiring boss, of 107 5th Boyden terrace, and Hugh Callon, of 78 Fairmount avenue, both of Newark, and Thomas E. Burns, of Irvington. Burns allegedly was hired by the four to make the needed plumbing installation. He is charged with aiding and abetting the quartet.

The four were indicted four weeks ago by the Federal Grand Jury in connection with the seizure of a still in Starrett's home last October by agents of the Alcohol Tax Unit of the Treasury Department. A large quantity of mash and distilling equipment was confiscated by the government at the time.

There were indications that the alleged bootlegging operations had been carried on over a period of several months. Police indicated they knew nothing about the still. All four men are being charged with conspiring to defraud the government of taxes in the operation of a large illicit still here.

Motorist Is Fined \$53 For Speeding

J. R. Telson, of 203 Kingsland terrace, South Orange, was fined \$50 and assessed \$3 costs by Magistrate Henry C. McMullen in Municipal Court Monday night on a speeding charge. Police said he was traveling seventy miles an hour in a twenty-mile zone. The magistrate warned him that a repetition of the offense would probably result in revocation of Telson's driver's license. Other fines included Michael Tardo, 627 Elizabeth avenue, Elizabeth, speeding, \$8 and Emil Meyer, Prospect street, traffic-light violation, \$5. Magistrate McMullen imposed fines totaling \$134 for traffic violations.

Opinion Grows In Favor Of New Township School; Approval Seems Certain

LEGION CONDUCTS SCRAP DRIVE SUNDAY

Another in a series of scrap drives being conducted by Continental Post, American Legion, will take place in Springfield on Sunday rain or shine from 10 a.m. until every street in the community has been toured. Ray Beaslin is chairman of the committee in charge. Monies derived from the collection will be devoted to Legion charities.

Regional Passes Higher Pay Guide

A 1951-52 salary guide which raises the starting minimum for a bachelor's degree holder from \$2,450 to \$2,500 and the maximum from \$4,650 to \$4,700 was unanimously adopted last week by the Regional Board of Education at its monthly meeting. The differential of \$200 continues for master degree holders. Their range is \$2,700 to \$4,000. The range for department heads with master degrees is \$2,900 to \$5,100. Increments are \$150 a year for the first eight years and \$100 per annum for the next ten. The entire increment range now is 48 years.

Former Building Inspector and Health Commissioner Frank M. Corvelyn, of Garwood, was named as one of that borough's representatives on the board. He was appointed by unanimous vote to fill the vacancy caused by the resignation of Commissioner Victor Milkiewicz, who moved from Garwood. Corvelyn was named on recommendation of Bertram J. Rebolatto, board president, and the other Garwood member. He is 42 years old, and is plant manager of the Magnius Chemical Company Garwood. He has a son in the Garwood elementary school. Commissioner Raymond Forbes, finance chairman, reported the

Liberty Magazine Honors Cliff Case

Congressman Clifford P. Case, of Rahway, who represents the sixth New Jersey District, which includes Springfield and the rest of Union County, has been designated by Liberty Magazine as one of ten members of Congress to receive an Award of Honor. The awards were made for "outstanding honesty, independence and leadership in the 82nd Congress."

The magazine in making the awards said in an editorial, "These men deserve respect because they have risked their political necks for principles and have been able enough politicians to win elections without selling their souls. They are not just politicians who keep out of trouble and in office; they are dynamic and outspoken. They are not the hacks who have the words phony and politician interchangeable." The magazine says of the list: "This would rather be right than president—and it is entirely possible that some of them may be both."

Board Will Select Date For Special Vote Monday

With sentiment mushrooming in spectacular manner throughout the township in favor of a new school, indications today were that the Board of Education probably will designate Tuesday, May 22, as the date for a referendum, at which voters will be given the opportunity to approve the project of a \$650,000 upper-grade school on the Elmer site. A final hearing is scheduled on Monday, May 14, before State officials in Trenton at which time approval will be sought for the municipality to exceed its debt limit of \$600,000 in order to pay for the school. However, it is not believed that the State will interfere with financing of the project. The school board has scheduled a meeting for Monday night. At that time it is expected the date for the referendum will be announced. Meanwhile scores of persons as well as half a dozen organizations this week put their shoulders to the wheel which is expected to roll along the road to adequate school facilities for Springfield. Last night the Springfield Woman's Club, the largest organization numerically in the township, inducted the proposal for the new school. The group went even further and voted to conduct a hotline to house educational campaign to point out the need. The club's program will be in charge of the youth conservation and civic departments. Brochures describing the plan will be distributed throughout the municipality.

Another group to find merit in the plan was the Springfield Lions Club, which on Friday evening went on record in favor of it. It adopted a resolution urging township residents "to provide additional school facilities by supporting the referendum at the election to be held in May." The Parent-Teacher Association meeting Monday evening also endorsed the four-point school expansion program as outlined by the Board of Education. The Baltusol Civic Association took similar action.

Already lined up behind the project is the Shiloh Civic Association and the Township Committee, members of which have gone on record in favor of new school construction before any other projects are started. The board's program generally parallels the report of the Citizens' Committee for the Schools which was endorsed by the Fieldstone Civic Association, the Springfield Chamber of Commerce

Country Oakers Laud Otto Heinz

Former Postmaster Otto Heinz, retired this week, was commended by members of the Country Oakers Association Tuesday night for his "splendid services we have received in our section of town." The meeting was held in the home of Mr. and Mrs. Paul Weiss. Guest speaker of the evening was Frank Kerr who answered questions pertaining to the Board of Education's proposed school expansion program. The club endorsed the recommendation of the Citizens' Advisory Committee with regard to erection of a one-story upper grade school. The group is planning a "Bring Along Party" for its next general meeting at which time election of officers will take place. The session is slated for June 5 at the home of Louis Kupper, 465 Melnet avenue. Annual dinner of the club will be held next month. Joseph Polizzotto is chairman. Application for membership of Mr. and Mrs. William DeLeonard of Milltown road was accepted. Helen Belswinger reported the group's most recent barn dance was a complete success.

De Rosa Is Named Basketball Coach

Louis De Rosa was appointed basketball coach of Regional High School last week at the monthly meeting of the Regional Board of Education. He succeeds Walter Hohn, who has held the post for the past seven years. Recommendation of De Rosa was made by Supervising Principal Warren W. Hickey after Hohn had indicated his duties as head of the science department did not give him sufficient time for his work as head basketball coach. His 1948-50 team won the State championship. Under Hohn's tutelage Regional teams won 75 per cent of their games during the seven years he was in charge. They also won two county championships. Hohn is a Springfield resident. He is a graduate of Montclair State Teachers' College. De Rosa served as coach of the junior varsity and was assistant coach of the varsity.

FOYA CLUB PLANS ANNUAL CARNIVAL

The Foya Club of the Methodist Church will hold its Third Annual Carnival at the church Friday from 4 to 9 p.m. and Saturday from 2 to 9 p.m. There will be games and rides on the church green, and booths a bite table and refreshments in the recreation room. Co-chairmen are Mrs. James Bash and Mrs. Richard Thompson. Members of their committee are: Mrs. Alfred Bowman, Mrs. Carl Ledig, Mrs. William Matthews, Mr. and Mrs. Alex Gross, Ben Zeoli, Mrs. Juanita Mason, Mrs. Ralph Lautman and Mrs. Harry Quinzel.

and the Springfield Rotary Club. The program involves construction of a one-story sixteen-room school with facilities for manual training, homemaking, science, art and a cafeteria, library and gymnasium. Fred A. Elisser, of Union, who has designed many school buildings and additions in this area, will be the architect.
A forum was held Tuesday night in Town Hall by the Citizens League but only a small group attended. Mrs. Henry Wasung, chairman of the Citizens League school committee, presided. Mrs. Russell Hillier, secretary of the Citizens' Advisory Committee for the Schools, and School Commissioner Gifford G. Hale, outlined the school program. It was pointed out that the township could afford the new school. Mrs. Hillier said the increase in rates is expected to raise the borrowing capacity from the present \$600,000 to \$750,000 by September and to \$1,100,000 by 1951. Commissioner Hale said that next September a total of 1,042 students will be enrolled compared with 680 currently. The only query involved use of the Flermer property. It was pointed out that because of its central location it is preferable to the board-owned property in the south neighborhood.
Use of the Flermer site is believed to have been one of the reasons for defeat of two previous referenda which would have given the township new schools.

Lineman's Woman's Work is never done!
ANY WOMAN with a growing family knows there's plenty of truth in the old saying "A woman's work is never done." And, if her husband's a lineman she probably knows that this same saying applies to him, too. For JCP&L's family of users is skyrocketing at twice the rate of the rest of the state.
With all these new customers plus the ever-increasing use of electrical appliances — his job, like hers, is never done. He and the rest of JCP&L's expanded line force are working as fast as the supply of materials permit to increase the distribution facilities that bring you electricity. Right now they are working six days a week instead of the usual five. And their work is supplemented by additional contractor crews.
New poles and new lines are being installed constantly. New substations erected and outgrown equipment replaced.
Electricity is ample. In fact we've nearly doubled our capacity since VJ Day. You can be sure that in spite of the slow deliveries of materials, the limited supply of highly skilled labor and the setbacks of storms and other unpredictable emergencies, we are working hard to keep pace with your growing demands. For our one policy is — to give you the best possible service at the lowest possible cost.

GIRL SCOUT CORNER

By M. E. PENAKO

Troop 1—Scouts. We made final plans for our "Court of Awards" to be held May 11 in the Methodist Church Hall. A list of scouts to receive the various badges was made and we were told what constitutes a complete uniform.

Troop 9—Brownies. Six girls from our Troop are going to Camp Lenape. We are finishing our Strawberry Festival and Country Day Home projects. When they are completed we will go on hikes.

Troop 14—Brownies. We made plans for our "Fly Up" to be held June 9. We played a game of kick ball after our meeting. Jean Hertz and Elaine Kers were captains. Elaine's team won the game.

Troop 12—Brownies. We made plans for our "Fly Up." We are going to hold it in the yard of our leader, Mrs. Richard Allen. Several girls are going to camp this year.

Troop 13—Brownies. Some of us have completed our Strawberry Festival projects. Lorie Roetger was our hostess. She served cookies she made herself.

Troop 17—Brownies. We held our meeting in the yard of the home of our leader, Mrs. Ward Humphrey. After wrapping our Mother's Day gifts we enjoyed the birthday cake and punch provided by our hostess, Penna Smith and her mother, Mrs. Howard S. Smith.

Notes For Leaders
Day Camp folders have been distributed to most of the leaders. The dates are as follows: July 9 to 12 and July 16 to 19. It will be held in back of Regional High School. Please return the forms as soon as possible, so that your girl will be able to attend our first Day Camp.
Outdoor Camp meeting was held at Margaret Paulson's home, under the supervision of Mrs. Amy Seinfeld. Those present were: Mrs. Max Kuehn, Mrs. Ward Humphrey, Mrs. Henry Bouchard, Mrs. Harold O'Neil, Mrs. Albert Roth, Mrs. Edward Merz, Mrs. Lee Andrews and Mrs. Charles Proy. After hunting for dry tinder to start a fire, a treasure hunt was held, then a variety of games were played. Last but not least was the concoction and roasting of dough over the open fire and the singing of songs. It is to be regretted that more of the intermediate leaders were not present. Most of the activity centered around ideas for their groups.
Tuesday evening the training program was again held in the Methodist Church hall. Mrs. Anna Lippincott, president. Present were: Mrs. Max Kuehn, Mrs. Henry Bouchard, Mrs. Alfred Zurawski, Mrs. Ward Humphrey, Mrs. Albert Roth, Miss Adeline Giehl, Mrs. Frank Leonard and Miss Margaret Paulson. Tuesday, May 8, will be the next and last meeting of this series.

TO SING WITH CHOIR
Miss Elizabeth A. Nanz of 28 Clinton avenue, will sing with the New Jersey College For Women Glee Club when it presents its annual spring concert tomorrow night, Friday, at 8:30 in Voothenes Chapel. The annual spring formal will be held after the program.

CONFIRMATION SERVICES
The Rt. Rev. Theodore Russell Ludlow, Suffragan Bishop of Newark, will administer the Apostolic Rite of Confirmation at St. Stephen's Episcopal Church, Millburn, Sunday at 11 a.m. The Rev. Hugh W. Dickinson, rector, will present the following persons to the Bishop: Melinda Taylor Miller, Judith Ann Spencer, Barbara Kay Burns, Sally Jane George Harth, Jr., William Frederick Damitz, William Thomas Powell, Richard Van Nest, William Francis Cronin.

R. J. Colandrea, Miss Hofmann, Wed

Mrs. Richard J. Colandrea

The marriage of Miss Millicent Hofmann, daughter of Mr. and Mrs. Herman Hofmann, Jr., of 87 Gale drive, New Providence, formerly of Springfield, to Richard J. Colandrea, son of Mr. and Mrs. Benjamin Colandrea of 30 Millburn avenue, took place Saturday afternoon in St. Rose of Linn Church, Short Hills. The Rev. James Coyle officiated.

Given in marriage by her father, the bride wore a gown of imported Chantilly lace with illusion neckline embroidered with seed pearls, fitted bodice, full skirt and long train. Her illusion veil of silk was attached to a headpiece of bugle beads and seed pearls. She carried a bouquet of white orchids, baby's breath and lilies of the valley.

Miss Inez Ingate, as maid of honor, was attired in a gown of white velvety over orchid, matching mitts and picture hat, and carried a white orchid with orchid carnations. The Misses Margaret Palmer and Susan Pepe and Mrs. Stewart Martin, as bridesmaids, and Miss Jacquelyn Sparks, cousin of the bride, as junior bridesmaid, wore white velvety over aqua, matching mitts and picture hats and carried purple orchids and white carnations.

Best man for his brother was Benjamin Colandrea, Jr., and ushering were Frank Williams, Arthur Brown, Mr. Martin and Robert Colandrea, another brother.

A reception was held in Le-Pree's Escallo Park, after which the couple left for a two-week trip through the Pocono Mountains, Illinois and Canada. They will reside at 30 Mountair avenue, Springfield.

The bride, a graduate of Regional High School, is employed as a secretary by G. M. Giannini & Company. The bridegroom, also a graduate of Regional High School, is a mason employed by his father. He is a corporal in the 15th Infantry of the New Jersey National Guard in Elizabeth.

in our bird books. We have learned to recognize the robin, blue bird, sparrow, cardinal, and the wood thrush. We also can identify many of the nests of different birds we have seen around our homes.

At present, our most difficult task is memorizing the number combinations through 10.

Grades 2—Miss Alice Rieg, Mrs. Anne Waters

Miss Rieg's class had a test on all the arithmetic facts through fourteen. Alice Reiss and Betty Lou White each had 100. Helen Buzza, Arlene Disprito, Herbert Bizzolo, Dick Johnson, Judy Marchetti, and Barry Zeller each had just one wrong. We hope that many more of us will have 100 on the next test.

We are glad to have Billy Borer and Mike Pittaro back after being absent more than a week.

Mrs. Waters' class has finished making a tree to display the birds they have made. The tree is very high. On display are twenty different types of birds. The other day a boy got up from the reading circle and accidentally hit one of the branches. The birds flew all over and they looked very real.

Grades 3—Mrs. Ruth Aray, Miss Clara Hoopmann, Miss Marietta Barthurst

The boys and girls of Miss Barthurst's class have been learning to use the telephone. Telephones have been brought in by Marie Griffith and Mary Lee Moran and we have been talking to each other. Betty Jane Christmas, Dorothy Pulire, and Barbara Neigel have been operators and Billy Franklin the bell. We have drilled on speaking clearly, how to open and close a conversation, and general telephone manners.

Everyone in Miss Hoopmann's class had a chance to talk about a book he had recently read. Each told what the book was about, whether or not he liked it and where others could get the book. We hope to write our reviews soon.

Our star spellers for the week were: Charlotte Bodner, Maria Innamorato, Phyllis Kaplan, Marilyn Miller, and George Wolf.

Our good spellers and writers for the week in Mrs. Aray's class were: Barbara Savage, Sandra Burns, Nancy Blahof, Janet Rawlins, Barbara Duss, Sharann Pfisterer, Irene Zitecnik, Mary Ann Pettinaccio, Bruce Goldstein, Johnny Kisch, Johnny Keller, Gall Ledig, Carolyn Koronicki, Barbara Haven, Alvin Huber, Sandra Rae, and Adeline Kopf.

LUNCH ROOM MENU

The menu next week at Raymond Chisholm lunchroom will be:

Monday
Orange juice, macaroni and cheese, lettuce salad, peanut butter and jelly sandwich and milk.

Tuesday
Meat patty, cranberry sauce, buttered green beans, candied sweet potatoes, bread, butter and milk.

Wednesday
Frankfurters, sauerkraut oven fried potatoes, bread, butter and milk.

Thursday
Sausage and noodle casserole, Harvard-beets, fruit jelly, peanut butter sandwich and milk.

Friday
Tomato juice, egg salad, baked potatoes, bread, butter and milk.

Tom Bataille brought in a box turtle for us to see.

Grade 4—Mrs. Florence Kantenhoven

We enjoyed the movie we saw last week in assembly. It was very funny.

We are going to plant our "egg shell gardens" on Friday for Arbor Day. We made tulip markers. We will put the names of the seeds on the markers.

The children who brought the dirt, sand and humus were Robert Clifford, Michael Persico, Sue Kisch, Judy Boisbart, and Barbara Aman. We hope our seeds grow.

By Barbara Aman.

Grade 5—Mrs. Margaret McGarrath, Mrs. Priscilla Butler

The pupils in our reading group have been making a motion picture of a story they have read during the year. Several have finished and have done a beautiful piece of work. When they give their reports to the group, they will use the motion picture to illustrate the story. Some students have made individual movies while others have worked in committees.

The members of Group I in arithmetic have started multiplication of fractions and they are doing excellent work.

On our bulletin board are samples of writing from the first of the year and samples of the present writing. Each child is able to see the improvement he has made.

Grades 6, 7 and 8
Mrs. Isabel Nelson, Miss Helene Koslodi, Mrs. Patricia Guerin, Mrs. T. Sandmeier

All other current news topics have been overshadowed by the controversial issue of MacArthur's dismissal. This was evident in the forum we had in class last week. Discussion continued on to a second big issue of today—our foreign policy. Roger Smith was fortunate to view the momentous and historic welcome given to the General in New York. A first hand account of the occasion was reported by Roger. Congratulations to the Dramatic Club for their production of "Who's Afraid?"—Those in the cast were Howard Chickenger, Jeanne Anderson, Sue Charles, Pat Meslar, Joan Ann Giamattasio, Marlene Ferrugia, Mary Richelo, Roger Smith, Richard Bishop, Bob Shaw, George Campbell, and Ralph Haschman.

Roger Smith played the difficult part of a prowler and once again proved to us that Roger can portray any kind of a character.

The Sixth Grade Geography class has been making an interesting study of Russia. More speculation turns on Russia presently than any other country. We have discussed the area, boundaries, terrain, climate, natural resources, number of people and distribution, education, religion, and standard of living. In our study we drew some conclusions about the problems of Russia. Whenever and wherever we could we compared features of the U. S. A. with those of the United States.

Red Cross gift-contributions have been very generous and varied in kind. Every class filled two boxes, all of which are going to be packed and shipped overseas.

Our Kindergarten rooms are looking very "classy" these days. We have pictures of elephants, giraffes, zebras, monkeys in cages, and all sorts of things on our walls. All ready to put up are several life-sized signs, one hold-

ing a big bunch of balloons, and posters advertising our efforts. The Small-Top Circus will be presented at our assembly program for the Caldwell Math-a-conscience event.

We are working very hard practicing our acts, so we'll be ready when the big circus day arrives.

Grade 1
Miss Anderson

Since the weather has been so warm and "Springy," we have been taking short walks in the morning after our milk time. During these walks we have noticed very colorful spring flowers and birds—but above all, we enjoy the fresh air and sunshine. We know it's very good for us.

Allan Wycoff in Mrs. Snider's first grade, celebrated his birthday. He let us share his birthday cookies with him. We were very surprised! We sang "Happy Birthday!"

Grade 1
Mrs. Snider

Allan Wycoff and Geraldine Curran had birthdays this week. We sang "Happy Birthday" to them. We are watching our plants grow. They were just green at first, but now they are getting greener and greener because the sun is shining on them. They are getting very tall, too. It was fun to plant them. We enjoy seeing them grow, too.

Grade 1
Mrs. Corby

We are busy taking turns painting gifts for Mother's and Father's Day.

Some of Mrs. Hill's children visited our room Friday. They had a puppet show. The stories were "Jack and the Bean Stalk" and "The Three Pigs." We liked it very much.

Grade 2
Miss Smith

We are glad spring is here because we have had such pretty garden and wild flowers in our room this week. We have had red tulips, daffodils, pansies, white and purple violets and others.

Louis Pignolet went to New York to see the parade in honor of General MacArthur. He told us about his experience. Mrs. Post showed us how to draw a picture of General MacArthur.

Grade 2
Mrs. Stenavage

The cardinals have finished their basic Readers and are now reading a book entitled "What Next?"

Tommy Hellman had an unfortunate accident; he fell at home and cut his hand. Because of the stitches in his hand, Tommy was not able to use a pencil for several days.

Josephine Johnson celebrated her birthday this week, and Richard Bookner recently had a birthday.

Grade 2
Mrs. Hill

This week we had two famous names to put on our April birthday chart. They were William Shakespeare and John James Audubon. In our reading we had found a reference to the first name. We had Audubon-pictures to show and we talked about the Audubon Society.

We have a contest now to decide who will earn a prize on May 1st for showing the greatest improvement in behavior rating. Our standards of conduct are based on ten questions referring to behavior, work habits and attitudes. Some of us are trying very hard to improve.

We have made some very good illustrations for our stories and

having fun with activities. We are working in committees of four to do our special part of the project.

Most of us have chosen some picture of castle life during the Middle Ages. We really enjoyed the discussion of the tournaments because it was such a colorful occasion of chivalry and feasting as well as the knights' opportunities to display their skill in fighting.

Grade 3
Mrs. Dumm

In one hour a ball ringing near Mrs. Dumm's room it is just the idea of experimenting with but-ter and bobs.

Grade 3
Mrs. Cross

Our class had our art lesson Thursday. We made very funny flowers. They were all shapes, all sizes and all colors.

We have finished our health book called "Five in a Family." We taking them home to read.

We are having our music each week with Mrs. Dumm's class and Mrs. Osborne. She plays the piano and we learn new songs.

Grades 3 & 4
Miss Van Arsdale

We have planted 20 flower pots with 12 different types of seeds. In 3 days the radishes came up. In the summer we'll have radish, lettuce, carrot and parsley salad. Also, we hope to have many flowers to pick. We have samples of 8 different types of soil.

Grade 4
Mrs. Ames

Phillip Little has been selected by Mr. Post to represent our class in the Art exhibition at the PTA meeting Monday night.

In our class we are planning a garden. Already we have two boxes of seeds planted: Several of the boys and girls: Raymond Martini, Barbara Schmidt, Kurt Christensen, Patty Drcher, Lois Furst and Joyce Flata have brought in plants.

Grade 4
Mrs. Ryder

Last week we made a new song up. We named it "Spring Treasure." The words are: "Yellow is Gold, are daffodils gold? Pussy-willows are silver—new. Silver as rain, falling from clouds that break and let sunshine come through."

Grades 5
Miss Wahl and Miss Purcell

On Saturday the girls in our class went to the Barnum Bailey Circus in Madison Square Garden. We found this to be the greatest show on earth. There are 1,400 people connected with the show. First, we visited the Zoo of Circus animals. Among these animals were twenty elephants that performed in the big show.

The freaks that we drew in Art class a few weeks ago were there in person, the snake charmer, the tall man, the fat lady, the sword swallower, and many others.

The big show started at two fifteen with a loud selection from the orchestra. For the next two and one half hours there were so many things to see that it was impossible to view them all at one time. There were two stages and three things all occupied most of the time. We found that the center ring, was where the superior acting usually was shown. The best features in the arena were the spectacular parade and the world famous performance on the high wire. This act was really a thriller.

We girls felt that this show was really worth while and wish everybody could see it. Saturday was a day well spent and we hope the boys have as good a time when they take their trip.

Grades 6
Mrs. Dimaggio—Mr. Navarro

Our history classes have been

on the parallel bars. We have just three more people to get dental certificates for next tooth. The people finished Marjorie Deller, Herbert Gwathmey, Robert Osambski, Margaret Block, Thomas Hill, Charles Davington, Vagor, and Richard Worzler.

Mrs. Sandra Vivian, of Franklin Heights, is a Service Representative of your Telephone Company in the Fair Lawn office. She is one of more than 22,000 trained specialists whose job it is to give as much service as possible to as many people as possible.

Mrs. Vivian is on the Telephone Company payroll—but she works for you. She's a Service Representative—your representative in our business office when you apply for a telephone, request a move, or ask any other question about your telephone service.

In Bergen County's Fair Lawn area, Service Representatives like Mrs. Vivian have helped arrange for over 89,600 new telephones since 1945—an increase from 4615 to 13,584. Not every New Jersey community, like Fair Lawn, has tripled in size since 1940. But throughout the State, the demand for telephones has doubled.

Our \$250,000,000 construction program has added 625,000 telephones since 1945. More are being added every day—an estimated 95,000 this year—as fast as the supply of materials permits. Every telephone added increases the value of your service. You can call more people... more people can call you.

Regional Swamps Scotch Plains, 17-4; St. Mary's Holds Local Nine To 2-1

By DONALD ROSSETT
Spring 17 runs on 12 hits, the Regional baseball team swamped a weak Scotch Plains outfit at Scotch Plains Tuesday. The win for the Bulldogs was their sixth in seven outings. The Bulldogs also bested St. Mary's in a Union County Conference tilt last Friday at home, 2-1.

Regional used three pitchers in the Scotch Plains affair and a newcomer to the local varsity, Mike Masvoro getting the win. Bob Thwaites started for the Brownmen and forced in two runs in the first inning on five walks before being replaced by Masvoro. Bill Peterson finished up.

Regional exploded for five runs in the third, six in the fifth, and five in the seventh to win handily. Frank Festa's home run was the day's big hit, while Richie Tomasetti and Peterson each picked up a triple and a single. Henry Pasquale had a double and Art Larson led both clubs with three safeties in four trips to the plate. Scotch Plains scored twice in the first to take a 2-0 advantage, but Regional came back for five in the third to gain a lead which it never relinquished. The Blue Raiders managed two more tallies in the fourth.

St. Mary's got its best pitching this year from Jim Anderson, but couldn't produce the batting to match the local power and consequently suffered its second UCC loss. Charley Schaffernoth led the way to the win, smacking a two-run triple in the Regional third. Pasquale, who had singled, and Tomasetti, who had walked, Bill Peterson gave up four hits in his effort on the hill for the local nine. Peterson was credited with 12 whiffs and passed one in chalking up his third win against no losses.

PEOPLE MAKE GRAND UNION GROW

NUMBER OF PEOPLE EMPLOYED — NUMBER OF PEOPLE SERVED
In 1950, the number of people in the Grand Union family reached a new high of 6,179. These people have helped Grand Union grow—and have grown with it!

GRAND UNION SALES RISE ALMOST 300% IN 5 YEARS

In Grand Union's annual report just released, it was revealed that company sales had risen from \$55 million in 1945 to over \$160 million in 1950. Grand Union's growth is due to PEOPLE... the friendly, courteous members of its family who staff its bright, clean stores... and to its ever-growing family of customers who like Grand Union's service and its policy of always offering the finest possible foods at the lowest possible prices.
