### FRIENDS!!

If this town wasn't known as Springfield, N. J., we wouldn't hesitate for a second to predict overwhelming approval for the new school at Tuesday's special election... based on the facts as they have been submitted, judging from the talk all over town and the almost unanimous endorsement of the project by ninety per cent of the civic, social and fraternal groups, one must necessarily arrive at the aforementioned conclusion... again, however, we call to your attention the fair name of our community... therein lies the question mark... all who are familiar with the unusual happenings which have taken place here undoubtedly agree that anything could take place... on the other hand, we frankly cannot visualize the impossible, and defeat of the school proposition would fall into that category.

Notwithstanding downfall of new school building referendum on two previous occasions, interest in Tuesday's special election is at an all time high... everyone we have spoken with seems convinced that we cannot go on any longer trying to educate our kids in hallways, basements and hanging from the rafters... we must provide them with proper facilities or face the likelihood of serious consequences... if you plan to vote in favor of the new school building then by all means get out Tuesday and cast your ballot... on the other hand, if you happen to be one of those people who will vote "no" because you're opposed to the architecture, the size of the windows or the color of the supervising principal's hair, then we urge you to stay home!

There was a two-column headline in last week's paper urging motorists to beware of youthful bicycle riders... with the weather getting warmer each day bicyclists seem to be growing by the score on every street in town... the warning to auto drivers by Police Chief Thompson was sufficient... now we are talking the liberty of adding to the caution signal by asking parents to insist upon their youngsters refraining from riding the sidewalks in the business area... again, we saw a baby carriage "fortunately" it was empty... it was empty... it was empty... anyone caught speeding along the sidewalks of Morris avenue business district should be apprehended by police... if bikes were impounded for such infractions at police headquarters for a week or more, we would be less likely to have a serious accident.

The 1951 membership drive of the Chamber of Commerce already in underway... again this year membership will include an alphabetical listing in the Springfield-Business Directory which will be distributed to every home in town... with the new apartments going up the directory alone should be worth the membership fee.

It's too soon after primaries to be talking about pollsters... therefore we won't dwell on any one subject other than to mention that we hear all is far from peaceful and serene on the local GOP front... we know of at least one official, and we hear there are more, who are disgusted with the way things have been going in the inner sanctum... did you ever notice how intently some of the town hall boys are toward each other lately!

For years we've been carrying a chip on our shoulder because somehow Springfield had not been presented with the opportunity of actively engaging in the management division of Overlook Hospital... Overlook, actually a hospital serving many communities, was looked upon here as a Summit institution... but we've just learned of the appointment of James M. Duguid to the hospital's board of directors and of the acceptance by Ray Forbes of appointment as a member of the hospital's Advisory Council... both men are respected residents of Springfield and we expect that the attitude toward Overlook will change for the better as a result of this action.

## First Township Youth Dies In Korean Battle

### Ted Heins, 23, Of Henshaw Av. Is Combat Victim

Word was received here yesterday of the death in Korea of Pfc Henry Theodore Heins, 23 years old, of 122 Henshaw avenue. The infantryman is the first Springfield fatality of the Korean war. The first Korean casualty was Ormond Mesker, son of Fireman and Mrs. Mesker, who suffered a severe arm wound.

## Lutheran Church To Begin Services

Inauguration of Lutheran Church services will take place Sunday at 3 p.m. in the Raymond Chisholm School auditorium. Permission for the use of the auditorium as a temporary place of worship has been granted by Rev. John R. Weber, of St. Matthew's Lutheran Church, Newark, and Rev. Henry von Spreckelsen, of the Grace Lutheran Church, Union.

Thirty Springfield families have expressed an interest in establishing a Lutheran Church in the community. The growth of the residential section south of the Railway Valley Railroad makes it desirable to have another church and Sunday School in Springfield away from the congested Sunday traffic of Morris avenue.

The auditorium of the Raymond Chisholm School may be reached from the entrance at the parking lot on Shunpike road. Those residents of Springfield who have no church ties in the community have been invited to be present at this Sunday, May 20, at 3 p.m. The Raymond Chisholm School auditorium may be entered from the parking lot on Shunpike road.

## Township Men Are Named Hospital Board Members

Long delayed recognition was accorded the township this week with announcement that two Springfield residents have been named to important posts in operation of Overlook Hospital, Summit. Former School Commissioner James M. Duguid, of 29 Moller avenue, has been elected to the board of trustees. Regional School Commissioner Raymond W. Forbes has been appointed a member of the newly formed Advisory Council. These are the first instances of local recognition accorded the township by the hospital. Duguid will serve as a trustee for a three year period. He is a former member of the Springfield Board of Education and of the Regional Board of Education. He was one of the nine original members of the latter board and on his retirement was vice-president. The hospital, which is a non-profit institution, is managed by its board of trustees chosen by the Overlook Hospital Association. They volunteer their time and services without compensation. The Advisory Council recently was organized in order that the hospital may have the benefit of the judgment and advice of a larger and more representative

## Summer Round-up Set For Schools

Dates have been set for the Annual Kindergarten Round-up. James Caldwell kindergartners will be registered on Tuesday, May 29, from 1 to 3 p.m. Raymond Chisholm kindergartners will be registered on Friday, June 1, from 1 to 3 p.m. Parents of kindergartners who were in Springfield at the time of the P.T.A. pre-school census last November will be informed through the mail as to the exact time they should report with their children. All others are to come at their convenience. All registrations will be conducted at the Presbyterian Church School rooms. These are the rooms where the kindergarten classes are conducted.

## Plans To Develop Industrial Area

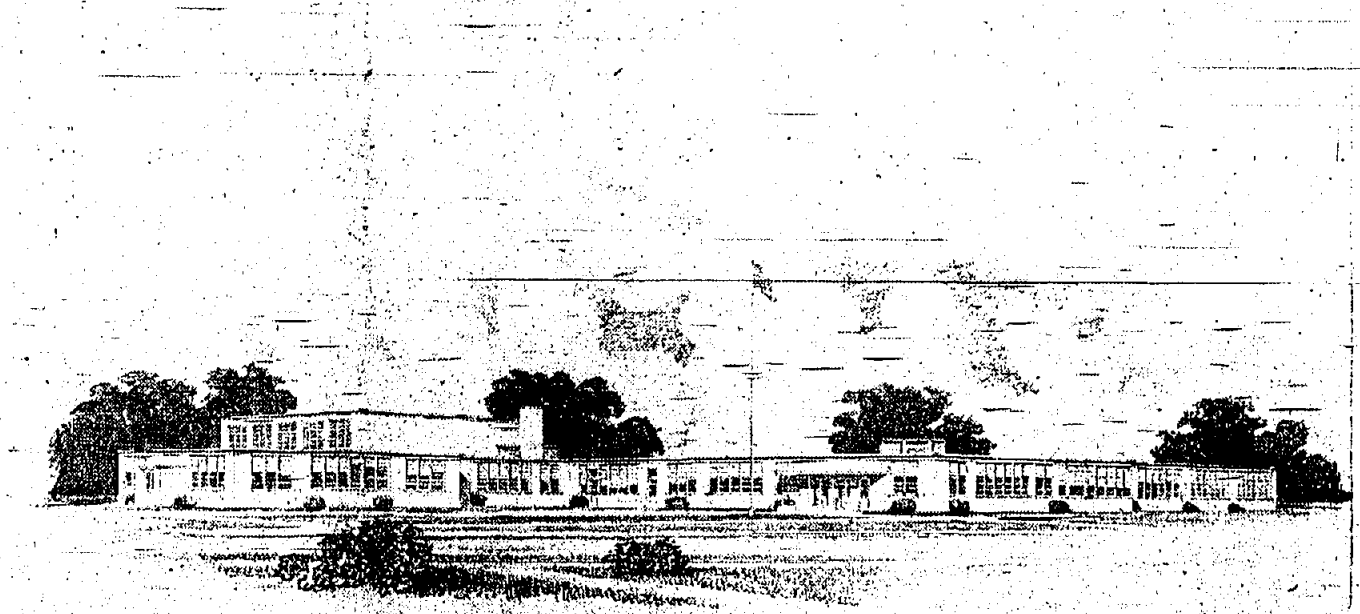

Taxpayers facing the prospect of paying for additional school facilities were given a lift this week by the announcement of Brown and Brown, Elizabeth industrial realty firm, that plans are under way for development of an industrial park on Route 29 here. A spokesman for the realty concern said that it represents the Master Corporation of New Jersey, the property owner. The 45-acre tract involved is on the north side of the highway between Hillside avenue and the Railway river. Frank Brown, Sr., partner in the firm, said that negotiations are under way with several industries, including two large firms, for purchase of plots. The announcement was made following adoption last week by the Township Committee of an ordinance rezoning the tract from residential "A" to industrial. There were no objections. Township officials in recent years have expressed desire to attract what they call "desirable industries" to the municipality's suitable locations.

## Hearing Slated On Billboard Measure

The Township Committee is scheduled to hold a hearing on an ordinance providing for the regulation and annual licensing of signs at its meeting Wednesday night. The hearing was postponed until that date by the governing board following protests by the United Advertising Corporation, which maintains eighteen billboards here. The corporation was represented by John S. Foster, Newark attorney, who is general counsel for the Outdoor Advertising Association of New Jersey and the New Jersey Advertising Association. He claimed that provisions of the ordinance were either illegal or questionable. Foster questioned the right of the municipality to collect license fees. He pointed out that the state derives revenue from advertising billboards erected in municipalities as well as those on state property. He said many municipalities have been unable to enforce ordinances of this type.

An ordinance prohibiting parking on the east side of Satter street for 100 feet from Morris avenue and on the west side for 700 feet was introduced. It is based on the recommendations of the State Highway Department engineer in preparation for a traffic light at that intersection.

# New School Plan Seen Favored As Voters Go To Polls Tuesday

SKETCH BY FRED A. ELSASSER, Union architect, for \$650,000 upper grades school on which township voters will ballot in education board referendum Tuesday.

## Police Seeking Vauxhall Parolee

Police today are seeking Anthony Petrucelli, 35 years old, of 49 Montclair avenue, Vauxhall, who failed to appear in Municipal Court Monday night on a charge of violation of the township peace ordinance. Police said he is on probation.

Petrucelli was apprehended by police on Regional High School premises Thursday night. Unable to give a good account of himself he was charged with loitering. A short time after he had been placed in a cell he apparently became violently ill. A Springfield physician was called by Sgt. Nelson Stiles but the doctor abruptly hung up his telephone, police said.

Finally Dr. Henry P. Dengler was reached and came to headquarters immediately. He administered a hypodermic. Meanwhile the prisoner had been treated by Fireman Orville Mesker and Charles Schilling and Miss Dorothy Spinning of the Springfield Rescue Squad. Petrucelli was ordered released into the custody of his brother, Mr. A. Petrucello of Maple avenue, for appearance in court Monday night. He was taken home in the rescue squad ambulance. The warrant was turned over to Union police following the Vauxhall man's failure to appear. Police said it will be filed with the Union County Probation Officer.

## LOCAL PARACHUTIST

Pvt. Ronald T. Johnson

FOOT BENNING, GA.—Pvt. Ronald T. Johnson, son of Mrs. Ann M. Johnson, 68 Mountain avenue, Springfield, was recently graduated from the basic airborne course of the Infantry School as a qualified parachutist, according to an announcement by Major General John H. Church, commandant. The course is designed to train volunteer officers and enlisted personnel from all arms and branches of the service as qualified parachutists and glidermen. Students are required to make five jumps from an airplane including one day jump with full equipment.

## G.O.P. WOMEN TO MEET

"The Riddle of MacArthur" by John Gunther will be reviewed by Mrs. R. Palmer Moore of Elizabeth, at the regular meeting of the Union County Federation of Republican Women, tomorrow, Friday, at 2 p.m. at the YMCA, Elizabeth. The nominating committee and the delegates to the convention of Women's State Republican Club will make their reports. A vote will be taken on the new constitution and by-laws. Tea will be served.

## Town Board Stirs Question As It Denies Proclamation On New \$650,000 School

The Township Committee spent considerable time in conference last night discussing whether or not to follow through with a "second indorsement" of Springfield's \$650,000 new school referendum scheduled for next Tuesday but it failed to reach a decision. Consequently there was speculation throughout the community, today with regard to the real reason behind the governing body's failure to act. The proclamation, drawn and recommended by the Citizens' Advisory Committee, in an effort to give final impetus to the new school proposition, was being carried around today unsigned in the pocket of Mayor Robert W. Marshall. Marshall told a representative of this newspaper at noon that the Township Committee "decided it shouldn't endorse a controversial subject." He admitted, however, that the committee's conference lasted until 1 a.m. today "because at least one member wanted to sign the indorsement."

## Expect Approval Of Hospital Plan

It is now expected that final plans for the new building at Overlook Hospital will be approved by the state authorities within the next week or ten days. It is all necessary by the Department of Institutions and Agencies in order to qualify for Federal Aid, which in the case of Overlook will amount to approximately \$675,000. "Final drawings have been made and submitted," according to Theodore S. Kenyon, newly elected President of the Board of Trustees. "We anticipate no new problems so far as specifications are concerned. Meanwhile we are at work preparing a list of bidders so that we can move promptly toward bids and construction."

## Local Scouts Receive Awards

The Springfield Girl Scout Council has announced the winners of Camporship. Claire Hazelton, Troop 16, and Arlene DeSpirito, Troop 17, received the Brownie awards. Their alternates are Virginia Rudy, Troop 4, and Claire Longfield, Troop 14. Nancy DeLeonard, Troop 3, received the Scout award, while Virginia Gregory, Troop 3, will serve as her alternate.

## 2 New Teachers Hired By Board

Two new teachers were hired by the Board of Education Tuesday night. They are Mrs. Constance B. Bizlewicz of Bloomfield, who will receive an annual salary of \$3,200, and Miss Ruth Gerdes of 90 Tucker avenue, Springfield, whose salary will be \$2,700. Mrs. Margaret McGarrath and Mrs. Mary Snider, currently employed as local teachers, will receive \$350 each for teaching summer school from Monday, June 25, for a period of six weeks to Friday, August 3. Classes will be held in reading, arithmetic and spelling.

## DAY CAMP PLANNED BY SCOUT COUNCIL

Springfield Girl Scout Council will sponsor a Day Camp to be held the week of July 9 and 16 from 9 a.m. to 3 p.m. in back of Regional High School. Registration must be made with Mrs. Felix Cyre or Mrs. C. Edward Punks before May 19. Mrs. Margaret Dunn is camp director.

## Regional Groups Present Musicale

A large crowd Friday night which filled the auditorium of Regional High School saw the presentation of the annual spring Festival of Music by the music department. The band was directed by David E. Russett. Miss Mildred A. Midkiff supervised the school choir, the girls' and boys' glee clubs and an ensemble in vocal selections. Carl Dahlgren, a Regional Alumnus, and now a student in Westminster Choir College, Princeton, was guest soloist. Selections by Mr. Dahlgren included "A Song at Evening," "Peasant's Wedding March," "Has Sorrows The Day Shaded," "Ecstasy" and "Ye watchers, and Ye Holy Ones." Accompanists for parts of the program were Ursula Burger, Bette Hasselmann, Virginia Cullis and Rosemarie Schowald. Baton twirlers who performed are Wilma MacGregor, Henrietta Bollenhoff, Mildred Grmek, Edna Figler, Marie Ferrone, Lorelei Nordlin, Virginia Cullis, Shirley Reinhardt and Madeline Glick.

## BARBARA ROEMER NAMED COUNSELOR

Miss Barbara Lynn Roemer of Springfield, Bucknell University sophomore, has been chosen by her classmates as a freshman counselor for the next school year. Miss Roemer, daughter of Mr. and Mrs. Lester H. Roemer, 7 Park Lane, is enrolled in the commerce and finance course at Bucknell. She prepared for college at Regional High School. As a freshman counselor, Miss Roemer will be one of fifteen juniors assigned to freshman dormitories next year as an advisor to freshmen women.

## F. G. FORLENZA OPENS LAW OFFICE

Felix G. Forlenza opened law offices recently at 269 Morris avenue. He is a graduate of Seton Hall Preparatory School, Seton Hall University and Rutgers University School of Law. Forlenza's father, Felix Forlenza, will spend some time in the Springfield office as well as in his Newark office. The latter was formerly assistant prosecutor in Essex County and judge of Essex County Juvenile and Domestic Relations Court. Forlenza served three years in the Navy during World War II. He is married and resides in Bloomfield.

## Township Parochial School Plans Explained To Board

An acceptable three and one-half acre site for a parochial school in Springfield has been obtained and plans are being made for its construction. Rev. John M. Mithon, curate of St. James R. C. Church, told members of the Board of Education at its monthly meeting last night. He said that previous failure to obtain a suitable location had delayed plans. The project is under the supervision of the archdiocese chancery in Newark. Occupancy of the school is anticipated within two years, he said. Father Mithon said it would be impossible to predict how many children will attend a Catholic school here. He pointed out that the parish has grown from 250 to 800 families, including 300 from Union Township. He said reports that he is opposed to the board's school expansion program are untrue. He said the Flemmer site would have been a good location for the parochial school. The priest said he could not publicly support the board program because of his position. He had questioned him about the referendum on Tuesday "to perform their civic duty." A special building committee was appointed consisting of Commissioners George Harrison Jr., Herbert Bailey and Wilbur Eno. Two representatives of the teachers' association and the Citizens' Advisory Committee for the Schools as well as a janitor will be available for advice.

## 14 Groups Back Plans For Program

With the school expansion program indorsed by fourteen social and civic organizations, the township will vote Tuesday to determine whether it will relocate the school system's congestion by authorizing construction of an upper grade school on the Flemmer site or whether it will continue the present setup in the face of a rapidly increasing school population. Balloting will take place from 2 to 9 p.m., in the Raymond Chisholm and James Caldwell schools. It will be the third referendum for expansion to be presented the voters by the Board of Education. The two previous public questions were defeated.

The new school building, if approved, will be constructed on the Flemmer site on South Springfield avenue. The referendum authorizes purchase of the location. It will be a one-story fireproof structure which will contain a total of sixteen classrooms including science, art and library. In addition there will be a combination lunch and music room, manual training, home economics, health room, teacher's room, principal's office and a combination gymnasium auditorium. The latter is designed to provide facilities for adult community and recreation programs. It has been pointed out.

The school board plan is to house the sixth, seventh and eighth grades in the new school. The Caldwell and Chisholm Schools thus would become lower grade buildings with classes from kindergarten through fifth grade.

The school board has pointed out that completion of the new school will mean elimination of temporary quarters outside of the schools as well as using undesirable space within the schools for classrooms and eradication of double sessions. Cost of the school will be \$650,000 which includes \$30,000 for the site and \$1,000 for legal and title transfer expenses.

In order to complete the project the total borrowing capacity of the municipality must be exceeded by approximately \$50,000. Approval for this step has been given by state educational authorities and by the director of local government. Reduction of the current indebtedness and establishment of a new borrowing capacity is expected to be attained by the end of the year through new ratables.

School board auditors have expressed belief that the project will mean an increase of about 33 cents per \$100 valuation. A larger increase of ratables than anticipated would help to lower this figure, it was said.

The Township Committee has indorsed the school building project. Other organizations which have expressed approval include Central Post-228, American Legion, Baltimore-Civic Association, Chamber of Commerce, Citizens League, Colfax Civic Association, Fieldstone Civic Association; Girl Scout Council; Lions Club; Springfield Parent-Teacher Association; Rotary Club; Shunpike Civic Association; Battle Hill Post, Veterans of Foreign Wars, Woman's Club and the Woodcrest Association. The measure also has been approved by the State Board of Education.

## STATE APPROVES DEBT INCREASE

The board of education has been given permission by Local Government, Commissioner Walter Durby to exceed the combined municipal-school borrowing capacity in order to erect the proposed \$650,000 upper grades school. Permission was granted following a hearing in Trenton Monday. There were no objections. Previous State Education Commissioner John Bossart had given his approval. The board asked to exceed its borrowing limit by \$52,382. This is expected to be offset by September when increased ratables probably will increase the borrowing capacity to \$750,000. A brochure has been prepared on the school expansion program for distribution to the voters prior to the referendum scheduled for Tuesday.

Jesus' declaration to Nicodemus constitutes the Golden Text: "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit" (John 3:6).

Citations from the Bible include the following from II Corinthians (5:17): "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (p. 491).

### Local Girl Appears In Concert

Miss Caroline Nye, a senior at Centenary Junior College, Hackettstown, daughter of Mr. and Mrs. Roland W. Nye of 54 Brook street, sang at Town Hall, New York City, recently, as a member of the Centenary Singers. This well-known choral group of 95 Centenary Junior College students was

conducted by Edgar H. Smith of the Centenary faculty. He was assisted by the noted pianist-composer, Percy Grainger, who played two groups of two-piano compositions with W. Norman Grayson, chairman of Centenary's Fine Arts Division.

### State Physical Fitness Programs

The State Bureau of Recreation of the Department of Conservation and Economic Development is prepared to provide information to New Jersey communities and public and private organizations interested in conducting youth physical fitness programs. The plan to distribute informational literature has been initiated to stimulate interest in this particular kind of program as a contribution to the defense effort, and to expand recreational activity in the State.

### Town Board

(Continued from page 1)

er Albert J. Binder, reported to be the Township Committee member who held out for signing of the proclamation favoring the new school program, today issued the following appeal to voters: "On May 22 we again have the opportunity to vote 'Yes' or 'No' on a new school project. The ultimate decision must be made by you and I, and a more momentous decision has not been placed before the voters in many a day.

"No one who knows the facts or has had the opportunity to see the conditions under which our children are being educated will dispute the dire need for additional school facilities. The urgency for expansion is immediate if we are to continue the standards of our educational system that you and I have enjoyed.

Yesterday's minor problem is our major concern today because we failed to act, we cannot now jeopardize the future of our child, my child or our neighbors' child by failing to provide the proper facilities for their educational, physical, or moral development.

"Much has been said about the location of the new school, the type of architecture, the plans the architect—and the cost. All admittedly important and controversial. To settle these varied and broad problems the Board of Education has enjoyed the able assistance of a large Citizen's Committee. They have agreed on what they believe to be a sound plan and the Township Governing Body has endorsed the cost requirements as a sound financial investment. No matter what course was decided upon there will always be someone to disagree on one or more of the details. There is no quarrel with this prerogative but I appeal to all sincerely to abide by the decision of the duly elected and appointed members of the School Board and Citizens' Committee and urge everyone to exercise their right to vote and help them help you keep faith with our children."

Local recreation commissioners and committees in the communities throughout the State are currently engaged in the formulation of plans and programs for their summer recreational and playground activities. These plans are of varied description and include every conceivable type of recreational pursuit, such as sports, picnics, parades, contests, playground olympics, cultural and handicraft programs.

The Bureau has available for distribution literature prepared by the American Athletic Union setting up standards for physical fitness tests that were prepared and accepted by responsible authorities. The State Bureau announces that achievement certificates are available for awards to each individual participant who passes a test while special certificates will be awarded to organizations which direct the test. Further information may be obtained by communicating with the State Bureau of Recreation, 530 East State street, Trenton, New Jersey.

**"Music in Air" Sparkles With Many Gay Tunes**  
While one song, "I've Told Every Little Star," dominates the story and the score of the Jerome Kern-Oscar Hammerstein 2nd opera, "Music in the Air," there are a number of other outstanding musical hits in the tuneful romance which began its third week at the Paper Mill Playhouse in Millburn, Monday, May 21.

Originating as a bird-whistle which is converted into a song, "I've Told Every Little Star" is sung as a solo by David Robinson and later as a duet by him with Fanny Hillary. It is the effort of the composer, Clarence Nordstrom, and the lyricist, Altkinson, to sell the song which introduces the plot of "Music in the Air."

Three of the key melodies which lend themselves to unusually fine vocal efforts are presented as solos. Brenda Lewis sings "I'm Alone" on two occasions, while

her vis-a-vis in the operetta, Ferdinand Hill, is heard in "The Song Is You." The musical favorite, "And Love Was Born" which is the song of the Vogelhändler, the bird-man, is sung by William McCully.

Miss Lewis, whose singing has won her acclaim in the Broadway edition of "Regina" and in the New York City Opera company's production of "Salome," shows her vocal abilities in another solo Kern number, "Night Flies By" and with Hill she sings in duet, "I Am So Eager" and "The Song Is You." Hill for his part has other solos in "One More Dance" and "I'm Coming Home."

Known for its group singing, the Paper Mill Singing Ensemble has an unusual opportunity as a Bavarian Walking Club in presenting "There's a Hill Beyond a Hill," "Melodies of May" and "We Belong Together" and with Miss Hillary, "When the Spring Is in the Air." Betty Hill has her vocal opportunity in a solo of "In Egein on the Tegera Sea."

**Christian Science Broadcast Sunday**  
A fifteen-minute program containing a message of spiritual inspiration and healing together with musical selections of the highest quality will be broadcast Sunday morning, May 20th, at 8:45 over Station WJNR. Similar programs in this series may be heard on the third Sunday of each month at the same time.

### To Hold Concert At Temple Sunday

A musical tour of Israel through songs and choreography will be the program theme for the Millburn-Springfield Choral Group's concert to be held Sunday at 8:15 at Temple B'nai Israel, Millburn. The group is jointly sponsored by Sisterhood of Temple B'nai Israel and the Millburn-Springfield Chapter of Hadassah.

Mrs. Abraham Friedman will be soloist; Mrs. Allan Rattiner, narrator; Mrs. Felice Schwartz, interpretative dancer, and Paula and Rita Feidel, clarinetist and flutist. Suzanne Loeb will play the piano.

Proceeds will be donated to the temple's building fund and to a Hadassah project, erection of a new medical school in Jerusalem in conjunction with Hebrew University. Mrs. Louis Feld and Mrs. Harold Lasser of Millburn are ticket chairmen. Mrs. Jerome Ginter is seating arrangements chairman.

### COUNTY ORCHESTRA TO BEGIN 19TH YEAR

The Union County Band and Orchestra School will open its 19th summer season under the direction of Virgil Bork, at the Abraham Clark High School, Roselle, June 27. Registration for Grades 4 and 6, Junior High School, Senior High students will be held June 23 and 25 at the school.

Classes will be taught by supervisors of music and band directors from the public schools of the county. Last year 310 students from 17 towns in the county studied a variety of band and orchestral instruments. This year an accordion has been added to the instruments to be taught.

Recreation will be provided for all children under the direction of a special teacher.

Further information may be obtained from Leo W. Rindler, Union, or Virgil W. Bork, Abraham Clark High School, Roselle.

## LETTERS from Our Readers

### LAUDS PUBLIC

Editor, Sun:  
Commander W. D. Merkel and the members of Continental Post No. 228, American Legion, would like to take this opportunity to thank all the residents of Springfield who have contributed their paper to the Post's paper drives. As you all know, the advantages of the paper drives have been twofold; one: needed scrap paper has

been obtained for the war effort; two: the proceeds of the paper drives purchase cigarette lighters which the Post is presenting to every Springfield resident who is called to the service of his country. R. R. Basini, chairman of the Post's paper drives, asks that township residents keep up the good work in the future as in the past, and have their papers at the curb at 10 a. m. on the first Sunday of every month. In ending, we thank also the Springfield Sun for the cooperation and encouragement which we have received to date.  
James M. Cawley, Adjutant.

## Looking Into Yesteryear

From Files OF THE SUN

### TEN YEARS AGO

An ordinance to change the zoning code and withdraw property on the west side of Baltimore way from an industrial district and place it in Zone A residential, was introduced by the Township Committee.

Harry M. Stewart was transferred from Fort Dix to Camp Blanning, Fla., where he was assigned to the 5th Field Artillery for training.

Dr. Watson B. Morris, retiring president of the Medical Society of New Jersey, spoke at the annual banquet of the New Jersey Hospital Association in Atlantic City.

The title of Very Reverend Monsignor was conferred on the Rev. Daniel A. Coyle, rector of St. James' Church, by the Most Rev. Thomas Joseph Walsh, Archbishop of Newark.

Police Commissioner and Mrs. Peter J. Keller of Clark Township announced the engagement of their daughter, Grace-Lorraine, to William Charles Van Riper, son of Mr. and Mrs. Alfred Van Riper of 1 Remer avenue.

### Your Library

Hours:  
Daily—10:30 a.m. to 5 p.m.  
Mon. & Fri. Even. 7:30 to 9 p.m.

The beautiful collection of books for children, on display this week at your library, include most of the Prize and Honor Books in the Herald-Tribune contest for the best children's books for the Spring of 1951.

"Jeanne—Marie Counts Her Sheep" by Francine and "Ginger Pie" by Eleanor Estes won prizes of \$200 each and the books chosen for special honor were "North Woods Whammy" by Clyde Borton Davis—"Ride Out the Storm" by Margaret E. Bell—"Francie" by Emily Hahn—"Let There Live" by Dorothy F. Laythrop—"Summerfield Farm" by Mary Martin Black—"Wild Hunter" by K. C. Randall and "The Housewife" by Rumer Godden.

Everyone has a chance to examine these charming books at their leisure for they are on display the entire week of the Children's Spring Book Festival, May 12th to 19th, inclusive.

Also on May 19th is the Children's monthly Story Hour, at 10:30 a.m. These stories are told by Mrs. Richard Brooks, for children five years and older. Mrs. Brooks prepares her stories and then adapts them to predominate age level of the children present.

On May 23rd, the Rutgers Extension Service will hold the last meeting of the season. The subject will be the timely one of "Wardrobe Planning." The meeting will be at 1:30 p.m. led by Mrs. Yukness of the Service staff.

New adult books include—"Venture in the East" by Bruce Lancaster—"The High Hills Calling" by Ann Miller Downes—"General Douglas MacArthur" by Gene Schorr—"Each Man's Son" by Hugh MacLennan—and "War in Korea" by Margaret Higgins.

## GIRL SCOUT Corner

By M. E. PENARD

Troop 9—Brownies: We finished our projects for the season. We have only two more scheduled meetings during which we will practice our songs for next Fall Song Festival and just sing for the fun of it. We all love to sing. The troop will continue meeting for several weeks beyond the regular season to go on nature walks.

We each made a pair of loop pointers for the Strawberry Festival. The scrapbooks we made for the Westfield Country Day Home are very nice.

Troop 12—Brownies: The girls went on a nature walk to Bullseye and returned to the church Joyce Field slipped and got wet in the brook. The following Brownies are going to Camp Lehigh: Annabelle Harlan, Barbara Schmidt and Mary Ann Vicino. Sandra Pointed plans to go to Camp Lou Henry Hoover. We are planning to hold our Fly-Up at the end of May.

Troop 13—Brownies: We wrapped our Mothers' Day gift and half of us finished our Strawberry festival projects. Nancy Bishop was hostess. She served cookies that had helped to make. We learned a new hiking song. Diana Botchard celebrates her birthday on Sunday.

Troop 4—Brownies: Mrs. Henry Vance brought in samples of cork and woodburning craft. We made plaster of paris and cork novelties, shell earrings and pins for the Handwork Booth at the Strawberry Festival.

Troop 1—Scouts: Plans are being made for a Splash Party and a Trip to Valley Forge. The dates for these events will be announced as soon as definite plans can be formed.

Troop 17—Brownies: We worked on our Strawberry Festival project in the yard of Mrs. Paul Weiss home. We sang Happy Birthday to our hostess Linnea Wels and to Henrietta DePreyter.

### Notes for Leaders

The Strawberry Festival Poster Contest deadline for all troops is May 31. The winners of the contest will be announced at the Strawberry Festival.

There will be a "Homemade Strawberry Cake" contest this year. Those wishing to participate, are requested to send their names to Mrs. Lee Andrews, 450 Melrose avenue. Please write your entry applications. Do not phone.

### Court of Awards

Friday 1 held its Court of Awards last Friday at 8 p.m. Presentation of proficiency badges was made by Mrs. Ann Richards, leader. Judy Widmer received a plaque, the highest award, for outstanding achievements and for living the ideals of Scouting. For her excellent leadership as Troop 1 president, Diane Kerr received a plaque. Curved Bar pins were awarded to Anita Doherty, Harriet Morion, Mary Cunningham and Judy Widmer. Anita Doherty and Judy Widmer received their five year numerals. First Class pins and badges were also awarded.

### Day Camp

It has been announced that the first Girl Scout Day Camp will be held this year in Springfield from July 9 to 12 and July 16 to 19 inclusive, behind Dunn High School.

Mrs. Margaret Dunn, chairman, will be assisted by the following: Mrs. George D. Harrison, Jr., Mrs. B. W. Maidment, Mrs. Henry Vance, Mrs. Eugene Haggerty, and several high school girls.

We hope every Springfield Girl Scout will attend the camp. The girls will participate in Nature, Craft and other badge work. The enrollment is limited, so be sure to submit all applications to troop leaders before the end of May.

### Strawberry Festival

Saturday, June 16, is Strawberry Festival Day. The following women have been assigned to booths: Mrs. Henry Botchard, Candy; Miss Ann Richards, Cakes; Mrs. William Buckley, Girl Scout; Mrs. Lillian Bass, Hot Dog; Mrs. Harold

## First Soldier

(Continued from Page 1)

of Springfield for the past eight years, was a graduate of the Regional High School. He attended the Newark College of Engineering and formerly lived in Westfield.

He is survived by his parents, Henry and Eba Heins and a sister, Joyce.

Heins was inducted in November. He received infantry basic at Camp Atterbury, Ind., and was sent overseas in February, landing in Japan. Ten days later he was in Korea as a member of the 24th Infantry Division.

The message from the Army indicated Heins was killed in combat on April 27. His mother had received a letter from him postmarked three days prior to his death. In it he indicated he was seeing considerable action.

## Veterans' Queries

Q—My husband received a Certificate of Commitment on a GI home loan, and he died a few days later—before he had a chance to sign a mortgage or any other papers. May I, as his widow, go ahead and buy the house on a GI guaranteed loan basis?

A—Under your circumstances, VA does not have the authority to issue a Certificate of Commitment, even though your husband already has a Certificate of Commitment. However, you may be entitled to a GI loan on your own right as a deceased veteran's unmarried widow if he died because of injury or disease incurred in or aggravated by line of duty service and was discharged under other than dishonorable conditions.

Q—As a disabled veteran living under Public Law 16, I've been able to get along nicely on my subsistence allowance and disability compensation pay until last month, when my wife had to have an operation. Is there any way I can get a small loan to help pay hospital expenses?

A—VA maintains a Vocational Rehabilitation revolving fund, from which you may borrow up to \$100. No interest is charged on the loans. You may apply for such a loan at your VA regional office.

Q—I'm an ex-officer receiving retirement pay from the Army, and I am attending school under the GI Bill. VA has asked

me to report my income, for the purpose of determining how much subsistence I am entitled to. Do I report my retirement pay as income?

A—No. All that you need report is actual compensation for productive labor—such as wages, salary, commission, bonus or other payments received by reason of your employment.

Q—I plan to obtain a GI loan to buy a house which I will use as a combination physician's office and home. Do the new VA down payment requirements for residential property pertain to me? About two-thirds of the house will be for my office and laboratories.

A—Yes, the down payment restrictions apply in your case. So long as any part of the house is used as living quarters, the regulations apply.

Q—I am a retired officer drawing disability retirement pay from the Army under the Career Compensation Act for loss of a leg incurred in line of duty. Will VA provide me with any prosthetic appliance I happen to need?

A—So long as you draw retirement pay only, you are entitled only to an artificial leg or braces as needed, but to no other prosthetic appliances.

Q—My GI Bill entitlement will run out just two weeks before I finish my final semester in college. Must I pay for those two weeks myself?

A—No. Under the law, if your entitlement expires after you have passed the half-way mark in your quarter or semester, VA will carry you on the rolls until you finish that quarter or semester.

Q—I entered in the Navy recently, but I am afraid I won't be able to keep up premium payments on my commercial life insurance policy. Can anything be done about it?

A—Under the Soldiers' and Sailors' Civil Relief Act, you may apply to VA for protection of your insurance. If your application is approved, VA will guarantee your premiums until you get out of service. But after your discharge, you must repay the indebtedness.

Q—May I receive both disability compensation and State benefits for old age?

A—Yes. VA has no restriction, so far as compensation is concerned.

Q—My nephew is a paralyzed veteran who lost control of his hands and therefore is unable to sign his name. How may he apply for a grant for wheelchair housing, when he cannot sign the necessary papers?

A—Forms and application papers will be acceptable if he merely makes a mark or symbol, which should be attested to by a witness.

## Know Your Government

By N. J. Taxpayers Association

### 1951 Legislation

The records of the 1951 Legislature includes enactment of the largest budget in the history of the State. Its passage by the Joint Legislative Appropriation Committee point out the bill involves no new taxes.

The spending program for the new fiscal year totals 1.9 billion dollars. This is 7.2 per cent more than last year's 1.68 billion dollar appropriations program. As the bill cleared the legislative chambers during the closing days of the 1951 regular session, the total of the annual appropriations was nearly a half million dollars under the budget presented by the Governor. His budget message had warned:

"The proposed budget is not a blueprint for the spending of State revenues. It constitutes a challenge to save money and to spend less than the amount recommended for appropriations."

Such advice will have the hearty endorsement of taxpayers, as State fiscal officers proceed to place the new budget into effect with the start of the fiscal year on July 1.

My view of the back-breaking demands upon taxpayers nationally, needs of the State and local governments should be subjected to most careful study and approval. The New Jersey Taxpayers Association.

The Association's year-by-year data for the period since the end of 1939 shows an overall increase of 100 million dollars in annual State Government appropriations. From 50 million dollars in the fiscal year 1945-46, annual appropriations climbed 125 per cent to the 150 million dollars for 1951-52.

SCHOOL NEWS

Raymond Chisholm

Grade 1 Mrs. May Busch Mrs. Mildred Thurber Last week we had a surprise visit from Kenny Applegate's dog. His chain opened so he came to school to Mrs. Busch's class. We were glad to see him.

Ray Ganska's uncle, Richard bought him a little puppy. His name is "Lucky Strike." He is so small that he sleeps in a box.

Barbara Brown brought a book called "Birds" to school. Mrs. Thurber reads a story each day about one of the birds we are learning to identify. We now know the names of the different garden flowers that we bring to school.

We had our class picture taken and are anxious to take them home to show to our parents.

Grades 2 Miss Alice Rieg Mrs. Anne Waters

Miss Rieg's second grade entertained their mothers on Friday, May 11, 1951. The children read and then served their mothers tea and cookies which they had made the day before.

The children whose mothers were not able to come took cookies home.

The following mothers came: Mrs. A. Buckles, Mrs. A. Buzick, Mrs. A. Dispirito, Mrs. R. Heim, Mrs. H. Marshall, Mrs. J. Mason, Mrs. V. Reichle, Mrs. A. Risso, Mrs. C. Bull, Mrs. W. Berger, Mrs. M. Cheslar, Mrs. J. Howell, Mrs. F. Marlette, Mrs. J. Pettinichio, Mrs. C. Zeller, Mrs. J. Johnson, and Mike and Jim Pittaro's aunt, Mrs. Clair. We were very happy to have two grandmothers, Mrs. Gross from Springfield and Mrs. Buckley from Springfield, Mass.

One spring group finished an extra book and read to mother from a new book they had not seen before.

The following pupils had their

good papers displayed on the big bulletin board in the hall: Arleen Straver, Albert Millet, Bernice Mason, Dick Johnson, Judy.

Grades 3 Mrs. Ruth Arey Miss Claire Hoopmann Miss Marietta Parkhurst

Mrs. Arey's pupils have been thinking about the importance of good teeth to good health. Many are about ready for their Dentoplasmas. These people have their own: Bruce Goldstein, Sandra Burns, Brian Meade, Marjorie Franklin, Edith Deller, Nancy Blisof, John Keller, Adeline Kopp, Jimmy Ruban, Alice Huber, Ellen Pelnhart, Irene Zidonik, Sandra Rae, Rusty Sibo, Gail Ledig, Barbara Savage, and David Windlich.

Miss Hoopmann's class is still very much concerned about good eating habits. We are all trying exceptionally hard to start our day off with a good breakfast. We expect to close this health unit soon, with the making of paper mache fruits and vegetables in our art class.

Our star spellers for this week were: Larry Atkin, Patty Ball, Charlotte Edner, Edward Carlin, John Doegge, Don D-Dalby, Phyllis Kaplan, Teddy Karlin, Aileen Kauer, Leslie Roitman, Barry Smith, Richard Spickler, and George Wolf.

The members of Miss Parkhurst's class have been watching a noisy "grow into-a-frog." When Richard Hunt brought the tall, two legs, and one front leg, the frog legs, and one front leg, eventually and the tall was jar. We have placed a stone in the jar on which the frog may sit and breathe the air, since he now has lungs.

Frank Zurwaki brought us some sand crabs which he got at the seashore on Sunday. After we had looked at them, he gave them to Miss Kosloski who was glad to add them to her collection in the Science room.

Grade 4 Mrs. Florence Kautenhausen

Our eggshell gardens are growing well. Many of us have taken our eggshell gardens home. We don't.

We are reading a story about polar bears. We learned that there are three classes of bears: the sea bear, the land bear, and the honey bear.

Our class visited the Science room last week. We saw frogs and a fish. We also saw new microscopes which the pupils use. We have learned some safety

Grades 5 Mrs. Margaret McGarrath Mrs. Irisella Butler

In English the Fifth Grade has studied two poems, "Paul Revere's Ride" by Henry W. Longfellow, and "Caldwell-of-Springfield" by Brete Hart. The background for each poem was developed before the poem was read. The children selected portions they particularly liked to be re-read and will learn a portion of each poem.

Grades 6, 7 and 8 Mrs. Isabel Nelson Miss Helen Kosloski Miss Patricia Guerin Mrs. T. L. Sandmeier

The pupils of the Sixth Grade have made an unusual circus border for their room. The animals are original and have never before been seen at a circus parade. Dennis McDonough, Bud Quinzel, Richard Battelle, Joan Roland, Prudence Madure, and Barbara Kent made excellent pictures of animals.

The following people have papers on our Bulletin Board for good work: David Pritchard, Howard Mason, Gail Nordell, Patty Prince, Nancy DeLeonard, and Jean Wagner.

The Seventh Grade Literature Class has started a unit on poetry. We are adapting our favorite selections to choral readings. We hope to have three-part work soon. Tom Keane read poetry very well.

Several birds are going to have new homes. The Sixth Grade boys have just finished bird houses at Shop. Dick Anderson and Douglas Bell had very attractive ones.

The members of the Eighth Grade dissected apples in Science class in their study of a typical fruit. The objective of the study was to determine how a perennating seed would eventually produce an edible fruit. The remnants of the flower such as the sepals and calyx were clearly seen in the mature fruit. The class came to the decision that the apple or any fruit was actually a mature or ripened ovary. At the conclusion of the experiment, the class enjoyed eating the tasty portions (apples).

James Caldwell Kindergarten Jas. Caldwell & Raymond Chisholm Mrs. Chandler, Mrs. Towner, Mrs. Mrs. Wronsky

Our "Small Top" circus was a huge success. We were all in some part of the program. Joan Dussler was our Master of Ceremonies; Peggy Haggerty, Snake charmer; Alfred Bertels, Fat Man; Arthur

Lunch Room Menu

The menu next week at the Raymond Chisholm lunchroom will be:

MONDAY Cheese rarebit on crak; buttered peas; grapefruit sections; peanut butter sandwich and milk.

TUESDAY Meat patty, cranberry sauce, green beans, buttered noodles, bread, butter and milk.

WEDNESDAY Chicken soup, ham and pickle sandwich, fruit and milk.

THURSDAY Orange juice, spaghetti with meat sauce, cold-slaw, peanut butter and jelly sandwich and milk.

FRIDAY Fillet of fish, stewed tomatoes, oven fried potatoes, bread, butter and milk.

Nelson and Joseph Silpa were strong men. Eugene Johnson, Paul Penard and Joseph Silpa, Animal Trainers; Sara Macaluso, our Pender in Monkey See-Monkey Do.

After the show we were served pink lemonade.

Grade 1—Mrs. Anderson We will be finishing our reading book "Our New Friends" and will start our last one for the year.

We have been talking about things to remember when reading aloud to people—to read loud enough and to read slowly and clearly.

Larry Cyr had a birthday last week.

Grade 1—Mrs. Snider Peter Puntigam brought in a "Jack in the Pulpit" plant for our class, and we learned this song: "The Little Man in the Wood."

We learned that "Jack in the Pulpit" is the "Little Man in the Wood."

We are happy to have Jackie Ramsey in our class. She came from Birmingham, Alabama, and she lives on Severna avenue in Springfield. We hope she will like Springfield and be happy here.

Grade 1—Mrs. Corby Our painted plates were completed Friday. We hope our Mothers enjoyed them. We had fun getting them ready for Mother.

Most of us can attack new words and enjoy doing it.

We all like to write riddles and draw pictures to illustrate. Our coloring and illustrating has improved a great deal since September.

Grade 2—Mrs. Hill We have been making booklets for Mother's Day. We tried to do our very best work in writing the poem and in illustrating the cover.

During the week we have written letters to John who is in the hospital. We also bought a class picture for him.

Last Friday some of our class gave two puppet shows for Mrs. Corby's first grade and Mrs. Selcavage's second grade. We enjoyed them, too.

Grade 2—Mrs. Selcavage The second grade have started a circus project this week. They have already made the "Big-Top" tent and now are working on the other smaller tents, characters and animals. The children are having a grand time working at the circus during their spare time.

We were all very sorry to hear about the Eugene Mittnacht accident last week. We hope he will make a very rapid recovery.

Grade 2—Miss Sandra We are glad to have Sandra Hofacker back with us. She has been ill with chicken pox.

We have learned what roots, stems, leaves, flowers and seeds do for the plant.

We are writing poems for our Mothers for Mother's Day.

Grade 3—Mrs. Cross Wednesday, Mrs. Dunn's class and our class went to the Bronx Zoo. We left at 9:30 by bus. On our way we passed Newark Airport. We went from New Jersey to New York over the George Washington Bridge. We got there at 10:30. We took our lunch and ate them at the zoo. We saw birds, reptiles, and other animals. Everyone had a very nice time, but it was good to get in the bus and sit down.

Grade 3—Mrs. Dunn Timothy Stewart in the 3D Class brought his pet to school on Tuesday. It was a baby squirrel.

The whole class spent Wednesday at the Bronx Zoo. We went by bus and took six mothers to help. We enjoyed everything we saw and even enjoyed our warm sandwiches and soft drinks.

Grades 3 & 4—Miss Van Arsdale MOTHER'S DAY I know I'm not a perfect child. And my manners are far from mild. But honest Mom I mean to say, I love you more and more each day. I'm trying as hard as I know how. And I think I'm doing the best right now. And though I know that's not enough. But being perfect is really tough. By Martin and Bobby.

Grade 4—Mrs. Ames This week our class joined Mrs. Ryder's Fourth grade to present our Spring Song to the Assembly on Wednesday. Later in the pro-

Regional Trackmen Tie Union On Herman's Jump; Team Loses To Westfield

Regional High's track team tied Union Tuesday when Jack Herman cleared the 50' mark in the high jump event to take first place in a dual meet at the Mead avenue field. Wayne Tennessee scored 15 points for the Bulldogs to walk off with high individual honors. Herman and Lou Dauber each collected 11. Bob Schaefer and Dave Manion topped the visitors with 10 and eight points respectively.

A brilliant sprint exhibition by Tennessee was not enough for the local club in the Westfield meet at the Blue Devil's field, as it suffered its third loss in five meets, Tennessee won the 100, 220 and 440. The wins were against Linden (66-51) and Edison (81-32).

Dr. Vernon Nash will speak on "The Prospects of a Governed World" at a meeting of the Millburn-South Hills Chapter of the United World Federalists next Wednesday at 8 p.m. at Millburn High School auditorium.

RECEIVES DEGREE Mrs. Renee Franklin Shields received a Bachelor of Science degree in Secondary Education from Tuskegee Institute recently. She was elected to the Alpha Kappa Mu Honor Society, a national scholarship organization.

Grade 4—Mrs. Ryder Mrs. Ryder's class had their share in the art show at the PTA meeting. We saw many pictures on the hall bulletin board. Last Thursday we had our class picture taken. Thursday and Friday we had a substitute and are getting along very well.

Grades 5 Miss Wahl, Miss Pursel We have been checking on our reading ability. Our teacher told us that if we are able to read our text books reasonably well and if we can find answers to questions in these books without help we need not go to summer school. As a number of us have gone to this summer program for several years this is a challenge in reading ability. We have all been doing quite well, finding answers to questions in our history, geography and reading books. We will be happy if we work well enough to have a free summer. George Fleetwood is trying very hard because if he doesn't need to go to summer school, he may go to music school in Roselle Park.

Grades 6 Mrs. Dimaggio, Mr. Navarro The chicken experiments are drawing to a close. Some very interesting information has been gathered by the group working on this project.

Mrs. Dimaggio's group is working very hard to complete the production of Mulligan's Magic.

Grades 7 & 8 Mrs. Jacobson, Mrs. Sluender, Mr. Winkler, Mr. Schneider The eighth grade has begun to plan for graduation. These plans include several different items. The graduation program is now being completed. The class is selecting two songs to sing. Every one a theme for the program is chosen; this also is in the planning stage. The eighth graders have also selected what they will wear on graduation day: a white dress for the girls and a suit of the boys' choice, white shirt and maroon tie. Now everyone is looking forward to graduation and then to high school.

Special Class—Mrs. Lushear Alfred Niedermair and Tony Colatruglio are the only two people in our class who have not received dental certificates. These two boys will have them soon though, because their teeth are being taken care of at the present time.

Regional Crusches Roselle Nine, 11-7; Record Now, 8-2

By DONALD ROSSELET

Bill Peterson limited Roselle's baseball team to one hit and three runs in six innings of top-notch hurling here Tuesday. Regional won 11-7. When Coach Bill Brown yanked Peterson in the seventh and worked Bob Thwaites, a right hander whose pitching has been the basis of considerable grief to the Roselle coaching staff of late, the Tiger guns came to life and all but sent Thwaites scurrying for shelter as the visitors exploded for four tallies.

Roselle dented the plate thrice in the second frame when Peterson issued two passes and Joe Peppered twice. Peterson fanned two and the other out came when Bruce Hedeking was not trying to steal home. The bulldog moundsman gave up the lone Roselle safety, a freak bunt. Two bases on balls by Thwaites in the seventh combined with three Tiger hits scored four runs for the visiting nine.

Regional scored in the third, fourth, fifth, and sixth rounds in posing its eighth victory in ten. The Bulldogs picked up a single in the third when Bob Rodgers drew a pass—still second, and romped home on rookie Tony Wojcikowski's clutch single. Wojcikowski had a field day at the expense of the Roselle starter and loser getting two safeties and a walk. He bounced into a twin-

falling when Jim McCormick took over in the sixth. Regional sent nine hitters to the plate in its fourth and 11 in the bigger fifth. Charley Schaffernoth started it going when he got on via an error. Al Zimmer, who had tripled in second, and Peterson followed suit. Fysta, battling for Wepes, and Rogers grounded out. Wojcikowski drew a walk and Hank Pasquasi and Art Larson singled. Schaffernoth again commenced activities, this time with a double in the fifth. Zimmer singled, Peterson doubled, Fysta singled, and Wojcikowski singled to lead the Bulldogs to a five run frame. The Bulldogs added another run in the sixth on two hits and a stolen base.

The box scores:

Table with columns: Regional, Roselle, AB, R, H, E. Rows: Paquin, Larson, Schaffernoth, Zimmer, Fysta, Rogers, Fysta, Peterson, Wojcikowski, McCormick, Thwaites, Wolski.

when will you call next? Mrs. Jean Voorman of Midland Park has been an operator in the Ridgewood office for 3 1/2 years. She's one of the 22,000 New Jersey Bell employees whose constant aim is to make telephone service better for more people.

We never know! But there's never a moment of the day or night when you can't lift the receiver of your telephone and be connected with nearly anyone you want... in any part of the world. It takes more than 10,000 operators like Mrs. Voorman to give you this round-the-clock service here in New Jersey. And it takes great quantities of equipment, too. In the past 5 years alone, our construction program has run well over \$250,000,000 and is still continuing.
