### FRIENDS!!

Civil Defense in Springfield seems to be faring better than in most towns . . . we've been checking on reports from Elizabeth and neighboring communities and the complete lack of interest is shocking . . . here in Springfield we have had a fair response to the call for volunteers . . . first aid classes have been conducted, the fire auxiliary group meets regularly and all work generally has been progressing well . . . maybe you suspect that our defense planners have limited themselves to distributing posters . . . you're wrong if you do . . . they have laid the groundwork for an effective civil defense organization and instead of being critical we would suggest that your help and the help of your neighbor is sorely needed to make the effort 100 per cent successful when and if the time comes!

Just in case you're interested, we were told this week that ex-Town Clerk Bob Trent, recently retired, now occupies a responsible position with the North Jersey Quarry Co. . . Trent has always been a good planner and this proves it . . . following his retirement from Western Union he went to work as town clerk . . . his most recent work certainly shows he isn't lacking in ambition.

In "Letters to the Editor" last week there was a suggestion from Warren Partelow, an employee of a local realty concern, urging that changes be made in the "no parking" signs in the Morris avenue business section . . . he pointed out that many persons merely look at the top line of the signs which reads "No Parking" . . . he expressed doubt that many read beyond that point . . . Partelow suggested that it would be less confusing if the sign read "Parking This Side Between the hours of such and such and no parking after 2 P.M. Sundays" . . . He stated that in this manner people who do want to patronize Springfield businessmen will know there is some form of parking rather than none at all . . . Partelow's suggestion is the best yet and it was rendered in a true spirit of helpfulness . . . we urge municipal authorities to give it consideration.

Following came to us through the anonymous route . . . it's harmless but worth while reading:

**COMEDY IN WASHINGTON: REPORTED "OFFICIAL ORDER FOR OPS EMPLOYEES"**

The following alleged "official order" is being circulated among Office of Price Stabilization employees:

**TO ALL EMPLOYEES:**

Re: Standard Procedure Instructions in Death of Employees

It has been recently brought to the attention of this office that many employees have been dying on duty and for apparently no good reason at all; furthermore, the same employees are refusing to fall over after they are dead.

This Practice Must Stop at Once

On or after July 15, 1951, any employee found sitting up after he has died will be dropped from the payroll at once, without any investigation, under Regulation No. 29—Section 31.

Where it can be proved that the employee is being held up by a desk, drafting table, or typewriter, or any other support, which is the property of the agency, a 90 day period of grace will be granted.

The following procedure will be strictly adhered to:

If, after several hours, it is noticed that an employee has not moved or changed position, the department head will investigate. Because of the highly sensitive nature of our employees and the close resemblance between death and their natural

(Continued on page 5)

## Schools Open For Fall Term Next Thursday

### Double Session Schedule Starts On Opening Day

Hundreds of children will return to township schools next Thursday with school administration officials facing inadequate facilities to house a rapidly expanding school population. With the schools getting the full benefit of the drop of "war babies" born during the mid-'forties the lower grades again are expected to be crowded.

Both the Raymond Chisholm and the James Caldwell schools will have classes operating on a double-session schedule on opening day. In the Caldwell School all fourth and fifth grades will function under the double session set-up. Morning classes will convene from 8:30 a.m. to 12:30 p.m. The afternoon classes will hold forth from noon to 4 p.m.

At the Chisholm School the second, third, fourth and fifth grades will operate on double sessions. Morning classes will meet from 8 to 12 and the afternoon classes from 12 to 4. Specific class assignments were noted on all students' final report cards.

Supervising Principal Benjamin Newsinger also announced that a new school bus schedule will be in effect beginning Thursday. He urged parents to study it so as to avoid confusion and unnecessary telephone calls on the opening day.

The schedule includes an early bus which will serve the entire Chisholm School area. It will arrive at the school at 7:55 a.m. Only bus students of the following morning classes are to ride this bus: Second grade of Miss Alice Elsig, third grade of Mrs. Ruth Aray, fourth grade of Mrs. Olga Johnson, fourth grade of Mrs. Rena Timken, fifth grade of Mrs. Margaret McGarrath and the fifth grade of Mrs. Priscilla Butler.

The bus will then leave the Chisholm School and will pick up all Caldwell School bus pupils. A later bus will serve the entire Chisholm bus area and will arrive at the Chisholm School at 8:30 a.m. Only the morning kindergarten pupils and the students who are to go to school all day are eligible to ride on this bus. This schedule applies to the following classes: morning kindergarten, first grade of Mrs. Mae Busch; first grade of Mrs. Mildred Furber; sixth grade of Mrs. Norman LeBoeuf; sixth grade of Daniel Murray; seventh grade of Mrs. Isabel Nelson; eighth grade of Mrs. Patricia Guerin and eighth grade of Mrs. Helen Koslowald.

At 11:30 the morning kindergarten pupils will be returned to Chisholm School. At noon the morning session bus pupils of both schools will be transported to their homes.

At 12:45 the afternoon kindergarten pupils will be picked up at Chisholm School and transported to the Presbyterian Church School. They will be returned at 2:45 p.m. to the Chisholm School. At 3 p.m. the regular school bus will serve bus pupils of both schools. The bus schedules were planned for the convenience and welfare of all pupils on full-time and part-time, school officials said.

## Capt. Schroeder On Tour of Duty

PORT MONMOUTH — Captain John Schroeder of 32 Kew Drive, Springfield, is now serving a two weeks' tour of duty with the U.S. Signal Corps here, as part of the summer training program for Signal Corps reservists.

Captain Schroeder is Company Commander A-Company with the 38th Signal Aviation Construction Battalion comprised of Signal Corps reservists from the New Jersey area. He will participate in training in the problems of military telephone line construction.

During World War II, Capt. Schroeder served as Platoon Leader with the 46th Signal Construction Battalion in England, France, Belgium, Luxembourg, Holland, Germany.

In civilian life, Captain Schroeder is Plant Engineer with the New Jersey Bell Telephone Company, Irvington, New Jersey.

He will remain on active duty here until Sept. 9.

## School Board Asks For Building Bids

The Board of Education will take the second step in its long contemplated plan for construction of a new elementary school next month when it receives sealed bids on Tuesday, September 25 for the project.

A legal advertisement appears in this issue of The Springfield Sun. Bids will be received in five major divisions, according to District Clerk A. B. Anderson. They include general construction, steel and iron, heating and ventilating, plumbing and electrical work.

Instructions to bidders, the form of proposal and general conditions, plans and specifications may be obtained at the office of Fred A. Eissner, of 2103 Morris avenue, Union, board architect. Each bid must be accompanied by 5 per cent of the amount of the bid in the form of a certified check.

The first step was taken by township voters last Spring when they decisively approved the referendum authorizing the \$650,000 school. Previously two referenda for the program had been defeated. Currently the two township schools are overcrowded and the Methodist and Presbyterian Sunday School facilities are being utilized for kindergarten classes.

## July Relief Cost Shows Big Drop

Springfield, together with other Eastern Union County municipalities, today found that increased opportunities for employment are pushing relief costs down to a new low. The figure for July was \$9,075, lowest since October, 1946, according to the monthly business index of the Chamber of Commerce of Eastern Union County.

A spokesman for the chamber said last month's total was only \$100 higher than that for October of three years ago. Helping to reduce the size of the relief expenditures was Elizabeth's lower total of \$4,842.07, the spokesman said. He described this city's figure as the lowest since January, 1949.

This, it was pointed out, was accomplished despite the higher prices of food, clothing and other commodities.

According to the index, there were 213 relief cases, five less than in June, and those involved 490 persons as compared to the 570 the previous month. Last month's costs were \$11,727.

For the tenth consecutive month, the employment aggregate as reported by fifty-two industrial concerns reached the 31,000 mark, totalling 31,259 in July compared to 31,035 in June. Payrolls amounted to \$10,438,516, declining from \$10,729,235 mostly as a result of vacations.

Valuation of proposed construction was reported at \$5,882,357, the highest of 1951, comparing with \$2,064,472 in June. Linden and Hillside accounted for more than \$1,000,000 each and Rahway reported \$947,180.

In July, 563 building permits were distributed, ninety more than in the month previous.

The New Jersey Employment Service placed 698 persons in jobs, twenty less than in June, and decline for employment on compensation jumped from 2,650 to 2,905.

Representing a drop of 14.8 per cent, postal receipts fell from \$302,868 to \$267,029.

Three hundred and sixty-six electric meters were installed, a gain from the previous total of 304, but electric power consumption decreased, going from 26,480,276 industrial kilowatt hours to 24,300,533. Installation of 431 gas meters was reported, a decline from the 517 recorded for the month prior, but there was a phenomenal jump in gas output as measured by the British thermal unit. The respective totals for June and July were 301,257 and 301,059, principally through addition of a number of large industrial users in the Perth Amboy district of the Elizabethtown Consolidated Gas Company.

Throughout Union County, 1,366 deeds were conveyed, thirty-eight less than in June, and 1,005 mortgages were registered, a gain of thirty-three. There were two foreclosures, three less than in the previous month.

Debts as reported by sixteen commercial banks totaled \$174,987,707, as compared to \$178,744,981 in June.

## Gaudy Named On Jury Panel

Louis C. Gaudy of 641 Mountain avenue is among 125 Union County residents summoned to serve as a potential juror during the first two weeks of the September sessions of Superior and County courts. The new term will open September 5 but jury trials may not start until the following Monday.

# GOP Names Mrs. Worthington As November Clerk Candidate

## Chubb Building Nears Completion

Scores of Springfield residents and graduates of the Regional High School are expected to seek employment in the giant new Chubb and Son plant which is now rising on Morris Turnpike, Millburn. It is believed the building will be completed by October as scheduled. For the past several months the firm has concentrated on building up its staff with residents of this area. More than 150 have been hired. The new building is expected to be in operation by November.

## Huff Reports July Collections Are Up

Tax collections for the seven months period ending July 31 were \$455,338, it was announced today by Tax Collector Charles H. Huff. The figure is more than \$70,000 in excess of the figure for the same period last year. Huff pointed out that the total for 1950 for the seven months was \$385,623.

The collections for July were \$131,560. This was considerably more than the figure of \$93,682, which represented July collections last year, Huff said.

Of the total collections the amount for the current year is \$413,426. The 1950 collections, made this year, total \$18,835. Taxes collected for 1949 amounted to \$270. The taxes for 1948 are \$973. The 1946 taxes collected this year are \$215 and those for 1945 are \$77.10.

The total delinquent taxes for the seven months to date are \$18,211. The figure for July is \$1,733. Gross receipts tax was \$2,999 and the auto bus gross receipts were \$2,021.

## Ground Broken For G-E Building Here

Construction on the new building of the Precision-Laboratories Division of the General Electric Company on Route 29 is proceeding rapidly today following groundbreaking last week. The new plant will provide 25,000 square feet of floor space and will cost approximately \$600,000, according to Building Inspector Reuben Marsh.

The building will have modern facilities which will include air-conditioned offices, according to a company representative.

The Lawrence Construction Company of Union is the contractor for the project. The plant was designed by Joseph Rosenthal of Engineers, Inc. It will be more than twice the size of the General Electric's present quarters in Irvington.

## Hold Services for Mrs. Rose Mayer

Funeral services for Mrs. Rose Miller Mayer, 57, wife of Alex. H. Mayer, of 445 Morris avenue, who died at her home Friday after a long illness were held Monday at the Smith and Smith Suburban Funeral Home.

Rev. Bruce W. Evans, pastor of the Presbyterian Church, officiated. Interment was in the Presbyterian Cemetery.

A native of Crystal Falls, Mich., Mrs. Mayer had lived in Union for some time. She was survived by two sons, Charles W. of Ithaca and Donald A. of Miami, Fla.; a daughter, Mrs. Hugo Bettell, Ithaca; a brother, Charles Miller, of Orange and a sister, Mrs. Mtry Cahn, Pasadena, Cal. and seven grandchildren.

## Star Lore Group To Start Program

The Star Lore study group, sponsored by The Union County Park Commission, will begin its fall program at Traldis Museum, Watchung Reservation, on Friday, September 7, and will continue each Friday thereafter, at dusk, until September 28.

Two telescopes are available for star gazing but individuals with binoculars or opera glasses should bring them.

Meetings are open to all families with children are especially encouraged to attend since the activity can be enjoyed by all ages. Programs are under the direction of Norman Spatz of the Traldis Museum Committee and Mildred L. Rutledge, nature supervisor.

## Set Registration Dates for Voters

Announcement of September registration dates for voters not previously registered and for newcomers to the community was made this week by Mrs. Carolyn Harmon, acting township clerk.

On September 8, 13 and 20, all township residents, the office of the town clerk in the municipal building will be open for registration until 9 p.m. Starting with September 24 and continuing through September 27 the clerk's office will remain open daily for registrations from 9 a.m. to 9 p.m. The deadline will be September 27.

## Lifts License of Speeding Motorist

Charles E. Steels, of Somerville, charged with driving along Route 29 at a 75-mile-an-hour rate, had his license revoked for thirty days by Magistrate Henry C. McMullen in Municipal Court Monday night.

The magistrate told the Somerville man that his actions constituted a threat to the safety of all motorists and said he did not deserve a license.

Ben Damiano of 51 Laurel avenue, Union, was fined \$50 for permitting an unlicensed driver to operate his car. John Mancinella, of 317 Andrews street, South Orange, was fined \$18 for driving without a license.

Henry Borowski, of Passaic, and Cilio Renta, of Clifton, were fined \$200 each for traveling 50 miles an hour on Route 29. The angle rates pointed out that the trucks which the men were driving are limited to thirty miles an hour by law.

Anthony Cantarella of 217 Indiana street, Union, was fined \$5 for spilling slugs from a truck. John J. Powell Jr., of 21 Stoneleigh Park, Westfield, paid \$10 for speeding. Frank A. Lillich, of 626 Carville place, Union, was fined \$5 for driving a car with faulty brakes.

## 31 Springfield Republicans Named to Campaign Group

Thirty-one Springfield Republicans, many of them prominent in the party ranks for many years, today were selected to serve on the party's general election campaign committee.

Selection was made by Horace E. Baker, of Westfield, Republican county chairman. Mayor F. Edward Bierbaum of Union and Sheriff Alex C. Campbell of Scotch Plains, will direct the campaign.

Those invited to serve from Springfield include Mayor Robert W. Marshall, former Mayor Wilbur M. Selander, former Township Clerk Robert D. Tveit, Township Engineer Arthur H. Lennox, Tax Collector Charles Huff, Lewis F. Macartney, Township Committee member Fred A. Brown, Fred A. Handville, Walter W. Baldwin and Albert G. Binder; Fred Compton, Richard T. Bunnell, Nicholas Schmidt, Lee S. Rigby and August Schmidt.

Also Charles F. Boardsley, Richard Horner, Mrs. Amy Bandemer, Mrs. Georgia McMullen, Robert Anderson, E. Norris Allison, Jr., Daniel Woodland, Mrs. Bryant Hess, Max Sherman, Jay Levins, Mrs. Carolyn Harmon, Mrs. Julia Brown, Charles R. Smith, Herbert R. Day and Raleigh Rajopal.

Baker urged the general campaign committee to bring out a strong party vote on Election Day, November 6. He said the current election not only is important to the party this year but is significant for its strength in 1952.

## Drunken Driver Pays \$200 Fine

Francis P. Lee, 35 years old, of 243 Morris avenue, Summit, was fined \$200, assessed \$23 cost and his license was revoked for two years by Magistrate Henry C. McMullen when he pleaded guilty to drunken driving in the Monday night session of Municipal Court.

Hearing on another charge of leaving the scene of an accident, which also was preferred against Lee, was postponed until September 17.

Lee was arrested early Monday in Route 29 at South Springfield avenue after Patrolman Otto Sturm in one car and Motor Vehicle Inspector Joshua Jamison in another, had chased him for half a mile.

The motor vehicle inspector charged that Lee drove out of the Orchard Inn driveway and struck a car traveling east in the highway. Lee then crossed the center island and drove west in the super highway before being caught, Jamison reported.

The driver of the other car was Mrs. Claudia Cheppel, of Glen Gardner.

Lee was examined by Dr. Henry P. Dangler who pronounced him under the influence of intoxicants.

## Free Lectures Set On Boat Handling

To promote safety at sea and to teach prospective boat-owners the fundamentals of boating, the Northern New Jersey Power Squadron will begin its free lecture course in Piloting and Small Boat Handling on Tuesday evening, September 11, at 8 o'clock at the Junior High School, Maplewood.

Commander Robert D. Rhodes has invited all boaters and boatwomen and others interested in improving their knowledge of seamanship to enroll in this course which is given weekly until final examination in November.

## Children Plan Red Cross Benefit

Six little girls from town, who were given swimming lessons this summer during the Red Cross' Learn to Swim Campaign, plan to produce a Children's Show Saturday to collect money for the organization.

The children, Diana and Elaine Bouchard, Joyce and Barbara Oleschky, Barbara Hayala and Carolyn Kordecki, to show their gratitude to the Red Cross, will present the entertainment at 2:30 p.m. in the back yard of the home of the Henry Bouchards at 253 Hillside avenue.

The show will include singing, dancing, and acrobatic acts, accordion solos and a comedy skit. Giving the show was the children's own idea and they are producing and directing it themselves. They plan to serve cookies and lemonade. The show will be open to the public.

## W.M. Selander, Mrs. Harmon Are Rebuffed

Following the action of its county committee members Tuesday night in unanimously naming Mrs. Eleanor Worthington, of 42 Marion avenue, as the candidate for township clerk, Springfield's Republican party today was faced with a likely all-out, all-female battle for the post in which the ultimate victor may prove to be the Democratic candidate.

Political observers today were agreed that in the event Mrs. Carolyn Harmon, acting township clerk, seeks the post as she has indicated she may, the reverberations of the intra-party battle are such that the G. O. P., long the party in power, may be split asunder and the minority Democrats may walk off with another plum.

Should the minority party present a candidate with the prestige of Harry Monroe or former Township Committeeman Francis J. Keane, it was generally conceded that a struggle between the Republican nominee and a G. O. P. independent probably would result in a Democratic victory.

Tuesday night's surprising action was a slap at Wilbert W. Layng, chairman of the Republican county committee, who had gone all-out in his support of Mrs. Harmon. The result indicated, many observers insisted, that obviously Layng's backing was apparently of little value.

Likewise shunted abruptly aside was former Mayor Wilbur M. Selander whose many years of service as chief executive apparently meant nothing to the county committee members as they looked about for someone whom they believed had worked hard without compensation for the party.

Mrs. Julia Brown, committeewoman from the fifth district, who was authorized to release to the press details of Tuesday night's session which was held at the home of Mrs. Georgia McMullen, said that the name of Mrs. Harmon was the first presented to the eleven committee members. One member was absent. No one voted for her selection. The next name presented, it was said, was that of Bill Jensen. He, likewise, received no support.

The name of Mrs. Worthington, third of the four candidates, was then submitted. All eleven members immediately voted to make her the candidate. Selander's name was never reached.

It is not considered likely that the former mayor will run as an independent candidate. He recently told a SUN reporter that he had no desire to split the party and that he was satisfied to leave the decision to the county committee.

Mrs. Harmon's attitude, however, is far different. The feeling of the Harmon faction is that the meeting was "packed" in favor of Mrs. Worthington and that there was nothing to be done. What is still a mystery and an unanswered question is why her supporters did not vote for her when her name was presented. Indications are that they knew she could not secure the required number of votes and they preferred to get on the bandwagon for the sake of appearances.

However, in the event Mrs. Worthington should be elected to the clerk's post, her assistant will not be Mrs. Harmon.

"I won't work under another woman and that's no secret," Mrs. Harmon said. "I'll give up my job and what is more I may not wait long to do so. I already have told two members of the Township Committee that I'll follow that course of action and I think they appreciate my viewpoint."

Mrs. Harmon served as assistant to the clerk for ten years and was named acting clerk last month by the governing board when Robert D. Trent resigned. Should she make good her threat and resign the Township Committee would unquestionably be in the hole. Probably no one in the hole. (Continued on page 5)

## Bowling Alleys To Open Season

Springfield Bowling Alleys, operated by Charles A. Woodruff, will open the new season on September 3. As usual the alleys will be open for Saturday and Sunday bowling and there will be some alleys for hire during the week.

The local bowling league, which will start the latter part of September, has several vacancies and any business house or organization which desires to enter a team may do so by calling Millburn 6-1013.

Defense is your job, too!

Swabbing down their cruiser's forecastle deck or passing ammunition to her eight-inch guns, it's all in the day's duty for these young American seamen. Day or night, fair weather or foul, they're on the job, keeping the United States Navy our First Line of Defense—for America and for you.

But in these critical times, defense is your job, too. And one of the most important parts of that job is maintaining the economic strength of America, as the sailors are working to maintain her naval strength. How can you do that? By buying U. S. Defense Bonds—buying them now and buying them regularly. So go to your pay office and join the Payroll Savings Plan or sign up at your bank for the Bond-A-Month Plan. But do it today!

The U. S. Defense Bonds you buy give you personal financial independence

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you generally don't save at all. So go to your company's pay office—now—and sign up to buy Defense Bonds through the Payroll Savings Plan.

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own automatically goes on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.31! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's, too, buy U. S. Defense Bonds now!

\*U. S. Savings Bonds are Defense Bonds Buy them regularly!

Miss Colantone Engaged to Wed

Mrs. Frank Holler and children, Anita and Bill, of 127 Mosel avenue, returned Sunday from a week's stay with her mother, Mrs. Catherine Bond of Baltimore. Mrs. Holler's mother-in-law and sister-in-law, Mrs. Mary Holler and Miss Doris Holler of Newark, accompanied them on the trip.

Miss Philomine Colantone

At a family dinner Saturday night at the Millbrook, Millburn, Mr. and Mrs. John Colantone of 81 Morris avenue, announced the engagement of their daughter, Philomine, to Corporal Rocco Calvano, son of Mr. and Mrs. Sam Calvano of 16 Meeker place, Millburn. Miss Colantone is a graduate of Regional High School and McDowell School of Fashion, New York City. She is employed by the Glamour Evening Gown Co., Calvano is a graduate of Millburn High School. He is now serving in the Armed Forces and is stationed at Camp Edwards, Mass.

Mr. and Mrs. John Wilson, Pauline (Mrs. Ormond) Mosker and Mae (Mrs. Daniel) Ozavath attended a meeting of the second district of the New Jersey State First Aid Council at Columbia School, Berkeley Heights, last Monday evening.

Mrs. Walter Smith of 119 South Maple avenue, spent last week with her daughter and family, Mr. and Mrs. William Stappertene and children of Gillette.

Former Township Attorney and Mrs. Herbert A. Kavin and son, Michael, of 2 Marcy avenue, returned this week following a six week stay in Florida.

Mr. and Mrs. Richard J. Scallig of Evergreen avenue, are vacationing at the Nautilus Hotel, Miami Beach.

Dr. and Mrs. Henry Mulhauser of 34 Greenwood drive, Millburn, have returned from a week's stay at Cape Cod.

Mrs. Senons E. Shields, daughter of Mr. and Mrs. William Franklin, Sr., of Diven street, was guest of honor last Thursday at a buffet supper given by Mrs. Constance Green and Mrs. Laura Franklin at the latter's home on Ruby street. Guests were Mrs. Pearl Harris of Vaux Hall, Mrs. Elizabeth McGriff and Mrs. Susie Dowlin of Newark, and Mrs. Harold O'Neal, Mrs. Blanch Parker, Mrs. Wadsworth Franklin and Mrs. William Franklin, Jr., of Springfield. Mrs. Shields will return this week to Tuskegee Institute, Alabama.

Mr. and Mrs. Eugene De Stefano of 43 Evergreen avenue, are proud parents of a son born August 19 at Overlook Hospital, Summit.

Mr. and Mrs. William Corby and son, Raymond, of 103 Battle Hill avenue, have returned from a stay at the Jersey shore.

Mrs. George Rait of Beverly road and Mrs. Henry Bouchard of 253 Hillside avenue, spent Tuesday in New York City. They lunched at the Cafe Francais at Rockefeller Center and attended the theater.

A. T. Smar, Jr. To Take Bride

Cordt Biederstadt of 1205 Clinton avenue, Plainfield, has announced the engagement of his daughter, Ethel, to Anthony T. Smar, Jr., son of Mr. and Mrs. Smar of 59 King street, Clark.

Daughter of the late Mrs. Mary Biederstadt, the bride-elect is a graduate of Plainfield High School and a modeling school in Pennsylvania. She is employed by Fanny Farmer, Plainfield.

Mr. Smar, a graduate of Regional High School, served three years in the Naval Air Force in World War II. He operates his own business in Rahway.

Educational TV Program Planned

Recognizing the present need for organized education through television, twenty-one Colleges and Universities of the state of New Jersey have joined together in a cooperative experimental effort to offer television programs of an educational nature to the people of New Jersey.

The Television Council of Higher Education of New Jersey (TCHEON) is dedicated to experimentation in, and evaluation of, the means of developing through television, a fuller understanding of ourselves and the world we live in.

An interim committee of the organization and Mr. Robert B. Watson, Education Director of WATV, Newark, has formulated tentative program plans. The management of WATV has offered five one-half periods per week to the council for their television programs.

The Council is presently composed of the following members: Bergen Junior College, Bloomfield College & Seminary, Caldwell College, Centenary Junior College, College of St. Elizabeth, Drew University, Fairleigh Dickinson College, Georgian Court College, Monmouth University, Newark College of Engineering, Panzer College, Rutgers University, Newark College, Seton Hall University, St. Peter's College, Stevens Institute of Technology, State Teachers College-Jersey City, State Teachers College-Montclair, State Teachers College-Newark, Union Junior College and Upsala College.

HAPPY BIRTHDAY

A Happy Birthday is extended this week to the following residents of Springfield:

- AUGUST: 30-Albert Meves, Richard Tompkins, George Voelker, David McCarthy, Rita Wernli, Elliott E. Hall, Mrs. Edward Breese, Frederick S. Betz. 31-Mrs. August N. Weber, Charles Beckmann, Eugene Casternovia, William MacIntosh. SEPTEMBER: 1-John William Hall, Floyd Alley, Mrs. Frederick Braun, Mrs. Joseph Worthington, Jr., Mrs. Pasquale Sacco, Mrs. Erwin Schmitt. 2-William Ahlgrim, Doris Rosselet, Alois Kraemer, Rodney Smith, Mrs. Francis E. Foley, Mrs. P. R. Capone, George Coan. 3-Charles Detrick, Mrs. Edward M. Cook, Mrs. Helen Seib, Mrs. Waller Dobushak. 4-Mrs. Victor Blind, Sr., Barbara Ubrlich. 5-Mrs. Jack Brady, Walter Parail, Mrs. Alonzo Allen, Mrs. Mary Slamm, Helen Pleson, Gottlieb Kille, Mrs. Thomas Doherty.

Becomes Bride Of Paul Hamer

Miss Marjorie Mae Anderson, daughter of Mr. and Mrs. Philip K. Anderson of Maple avenue, Rahway, became the bride Saturday in the First Presbyterian Church, Rahway, of Paul Edward Hamer, son of Mr. and Mrs. Paul Hamer of Lake avenue, Clark. The Rev. Ira M. Marshall performed the ceremony and a reception followed at the bride's home.

Miss Frances M. Hawn, aunt of the bride, was maid of honor and bridesmaids were Miss Barbara Larson and Mrs. Edward Markowsky. Roland F. Smith was best man and ushering were Donald Anderson, brother of the bride; James Mitchell and Charles Kruger. A gown of ivory satin made with a neckline trimmed with nylon tulle and seed pearls and a long train was worn by the bride. Her floor-length veil of Chantilly lace was held with clusters of orange blossoms and she carried a crescent bouquet of Eucharis lilies and delphinium.

Mrs. Hamer, a graduate of Rahway High School and the Berkeley Secretarial School, was formerly employed by Hawkins, Delafield & Wood, New York. A graduate of Regional High School and a Marine Corps veteran, Mr. Hamer is completing his senior year at Rutgers University. The couple will live in University Heights, New Brunswick, on their return from Lake Winnepesaukee, N.H.

GOP BOAT RIDE

Over 300 Republican County Committee members, assisted by many other party workers and public officials, are selling tickets for the September 14 Hudson River boat-ride of the Union County Young Republicans, according to Coroner C. Wills Cass, general chairman of the outing. Reviving a traditional pre-war Republican function, the cruise, aboard the Hudson River Day-Line vessel "Pater-Stuyvesant," will take nearly 3,000 Union County residents up to Indian Point and back, leaving Recreation Pier in Elizabethport on Friday, September 14, at 7:30 p.m. and returning about midnight. Coroner Cass has a County-wide committee of Young Republicans working with him on boat-ride details, consisting of John S. Bender, Elizabeth attorney; Edward Buxton, County Young Republican chairman; Michael A. Patischia, Plainfield attorney; Jack J. Camillo, Westfield attorney; Robert Mathison, boat-ride ticket chairman, and Councilman Donald H. Bagger of Westfield.

MRS. ERICH HANFORD WRIGHT, III.

Jeanne J. Miller Has Church Bridal

At an afternoon ceremony Saturday in the Community Church, Summit, Miss Jeanne Jocelyn Miller, daughter of Mrs. Elfriede Reilman Miller of 135 Springfield avenue, and the late Alfred E. Miller, Sr., became the bride of Erich Hanford Wright, son of Mrs. Erich H. Wright, Sr., and the late Mr. Wright. The Rev. Jacob Trapp officiated at the ceremony which was followed by a reception at the Fortnightly Club, Summit.

Given in marriage by her brother, Eric Alfred E. Miller, USN; the bride wore a ballerina dress of white organza and a starched lace cap. She carried a bouquet of white delphinium, roses and gladioli.

Fall Planting Of Trees, Shrubs

Fall planting time will be around almost before you realize it. Beginning in September, amateur gardeners throughout the land will be industriously planting new landscape attractions. There are some advantages in fall planting over spring. Roots can become well established before winter sets in. This means trees or shrubs have a better chance for development next growing season, says B. L. Brittain, field representative of the Davey Tree Expert Co. Important, too, is the nature of the soil in the winter season. Soils are firm and, the home owner is not confronted with muddy conditions or the trampling of lawns. Selection of trees and other plants at this time is also likely to be superior. Nurserymen are not apt to be so rushed as they are in early spring.

In planting, however, it is well to keep in mind the space requirements of the desired species. Nurserymen will be pleased to supply the ultimate dimensions for most trees and shrubs. For instance, in planting the popular apple tree, 25 feet should be allowed for the ultimate spread. For slow-growing dogwoods, 10 to 15 feet should suffice. Dwarf evergreens for foundation plantings need a minimum of two and a half to three feet. Even so, to keep them in bounds, some may have to be drastically pruned. Two plants that can easily get out of hand are the Tatarian honeysuckle, which may require 10 to 15 feet of space, and the common lilac, which spreads about 10 feet.

If you're especially interested in plants for quite narrow confines, ask your nurseryman if dwarf species of Deutzia, spirea, viburnum and weigella are available. They'll require three foot centers, or less. The National Geographic Society says three-fifths of the inhabitants of Yugoslavian Bosnia are Moslems.

Lyons Needs Women Workers

Dr. C. N. Baganz, Manager, Veterans Administration Hospital, Lyons, New Jersey, announced today that a recruitment program has been started to obtain women workers for both the Dietetic and Nursing Services.

In the last few months, the need for women workers has arisen due to the fact that over 75 of the employees at the hospital, mostly in the Dietetic and Nursing Services, have been recalled by the Armed Services, and these employees have not been replaced. Women are needed immediately to fill the positions of Hospital Attendant. They will receive on-the-job training in the care and treatment of the mentally ill veterans.

Buster Brown SHOES FOR BOYS AND GIRLS

Through the years... ALWAYS THE FAVORITE

Chances are you wore Buster Brown shoes when you were a girl. Mother, since 1904 there has been no finer children's shoe anywhere at any price.

Our experts will be glad to show you our selection and see to it that your child is fitted perfectly.

College Entrance Requirements Change

From year to year, colleges revise their entrance requirements. If your son is going to college, is he now getting the proper basic training to help him complete his college work? The percentage of boys who fail to finish college is amazing, and the greatest mortality is in the Freshman year. Carteret School not only has approximately 100% of its graduates enter the better colleges, but their scholastic training at Carteret enables them to stay in college and attain higher degrees.

Carteret. Fully Accredited. Periodic aptitude and achievement tests are given as a means for guiding each boy towards his fullest development. Individual attention is given to improvement of reading habits, with complete equipment under supervision of a Psychologist. Also Commercial Course Leading to Business Administration. Healthful Environment—40 Acres—Elevation 650 ft.—Bus Service. Well founded sports program. Day School Boarding Facilities Available—New Large Dormitory FROM FIRST GRADE TO COLLEGE (Girls accepted through Fifth Grade). For catalog or interview address CARTERET SCHOOL WEST ORANGE, N. J. Hay Fever

Hay fever is characterized by a very distressing complex of symptoms including sneezing, "running nose," itching eyes, and itching of the nose and roof of the mouth.

Pollens and mold spores are chiefly responsible for the condition. The pollens that cause the most trouble are light and airy-borne. They can be carried and distributed very widely and can penetrate houses and buildings wherever air can go.

In this vicinity there are three different hay fever seasons distinguishable. The first season lasts from March through May and is caused by tree pollens, of which oak and birch are said to be the greatest offenders.

When hay fever is untreated, it tends to become increasingly severe. More violent symptoms may develop during a particular season, attacks may be of longer duration, or asthma may develop.

First Church of Christ, Scientist

Jersey Central Power & Light COMPANY

Looking Into Yesteryear

Ten Years Ago At a rally meeting held at the Half Way House, Route 20, the Mountaineer Republican Club unanimously endorsed Recorder Albert J. Benninger as its candidate for Mayor of the borough.

Mr. and Mrs. James C. Stiles of 25 Linden Avenue, both native residents of Springfield, celebrated their 50th wedding anniversary.

A fair-sized crowd thronged one more to the Union County and Lumber Co. on Mountain Avenue when firemen were called to extinguish a blaze, the second to occur there in two weeks.

Dr. and Mrs. Waller Ferry of 317 Morris Avenue, announced the engagement of the latter's niece, Miss Irene A. Pandolfi, to Edward A. Hoeking.

Your Library

During your vacation travels, no doubt many of you noticed large signs on important highways.

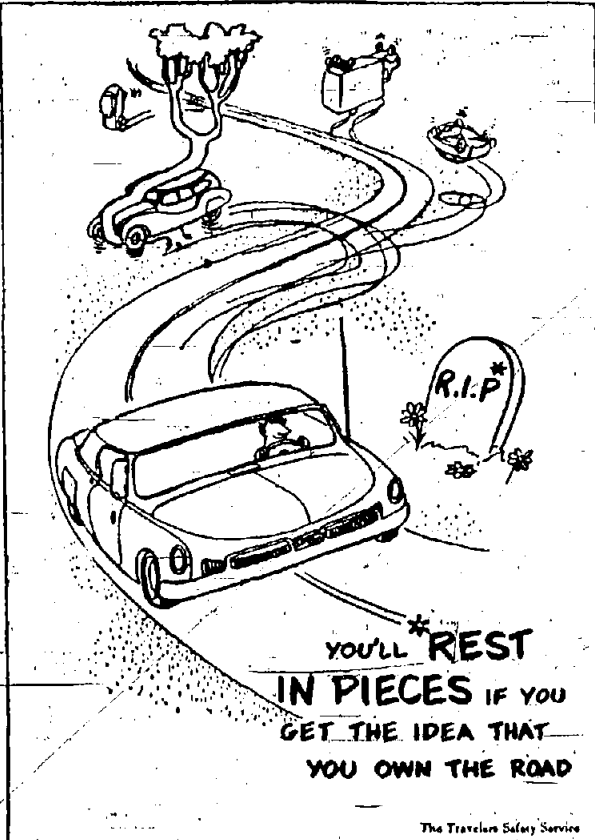

When hay fever is untreated, it tends to become increasingly severe. More violent symptoms may develop during a particular season, attacks may be of longer duration, or asthma may develop.

Your library has "The Effects of Atomic Weapons" prepared by the Atomic Emergency Commission and the Department of National Defense, and several pamphlets of similar content for your use.

From all quarters comes this one important bit of advice which you must follow to do your part in case of any major emergency - STAY WHERE YOU ARE!

Information about the above troops will be had from T. N. Tully, the Director, at Summit 6-3160.

UP THEY GO Tax exemptions go to increase. This is indicated by data compiled by the New Jersey Taxpayers Association for use in its annual publication, "Financial Statistics of New Jersey Municipalities."

Watchung Troops Start Sept. 7th

The Fall schedule of the Watchung Troops sponsored by the Union County Park Commission at the Watchung Stables, Glenelg Avenue, Summit, will start on September 7 with two troops of forty members each riding weekdays at school, and five troops riding on Saturday.

As in previous seasons the Watchung Stable will offer a string of forty-five capable and well-mannered horses, especially selected and trained to meet the exacting requirements of the County Park horsemanship training system, which has gained the distinction of being the largest organized riding activity in the United States, according to the Horse Association of America.

A full staff of experienced instructors well-grounded in Watchung's system, will be on hand for the season. Watchung system includes an individualized horse assignment, generally changed each week, so that at no time is a rider unimpaired beyond his ability.

### Sheet Metal Triumphs

#### Win, Over Braves, To Tune of 15-3

By Donald Rossier

Springfield Sheet Metal moved into a tie with the PBA as it beat the Braves, 15-3. The win gave the Metal boys a 6-5 record on the season. They have three contests to play including the completion of a suspended game with the Indians. The teams were deadlocked at 2-2 after eight innings when darkness called a halt to festivities. The Braves, who won a 9-0 forfeit over the Indians for its fourth triumph, scored three times off Cliff Smith who walked three men in a row.

The forfeit victory came about when the Tribe failed to show up for a scheduled contest Thursday. With the Regional Shoppe already assured of the championship, the five remainers are fighting it out for the other spots in the Standings. Straus has no game lead over the PBA and Sheet Metal and is the best bet for second. The latter two will play each other

### Tennis Tournaments Set By County

Tennis tournaments for boys, girls, juniors and novice players, sponsored by the Union County Park Commission, will be played on the Warman Park courts, Roselle, during September.

Eliminations will start in the novice tournament on Saturday, September 15, at 10 a. m. and in the other three tournaments a week later, on Saturday, September 22, at 10 a. m.

U. S. Lawn Tennis Association rules will govern play. The winner and runner-up in each of the four events will receive suitable awards. Entries close at noon, Tuesday, September 11, for the novice event, and at noon, Tuesday, September 18, for the boys, girls and junior tournaments. Entry blanks may be obtained from George T. Cron, Assistant Superintendent of Recreation, The Union County Park Commission, Box 231, Elizabeth.

### Nature Art Show Set At Trailside

The Annual Nature Art Show, sponsored by the Art Association of Union County in cooperation with the Union County Park Commission, will be held at Trailside Museum in the Watching Reservation on Sunday, September 9 from 2:00 to 5:00 p.m. Herbert S. Wylie of the Railway Art Center will serve as chairman of the exhibit.

Pictures to be eligible for competition must be naturalistic composition of some phase of natural history or landscape. They should be framed and provided with screws and wires for hanging and not be over 30 inches in height or width.

The public is invited to attend this annual exhibit which, in the past, according to F. S. Mathewson, superintendent of recreation, has proven to be one of the most popular events held at Trailside. Last year's attendance totaled 4,500.

The Soviet Union contains practically all natural resources used by man.

# GAS

## Answers Many Requirements

Want a fuel that saves you TIME?  
Use gas. It gives heat immediately—the highest possible heat and holds it automatically. This means no waiting, no watching.

Want a fuel that saves you WORK?  
Gas is clean. Makes no soot or smoke to soil cooking vessels.

Want a fuel that saves you MONEY?  
Gas responds instantly to automatic control, so there is no waste.

In industry and in the home the trend is to GAS.
