TOWNSHIP OF SPRINGFIELD

The battle between Eleonore Worthington and Wilbur Selander for town clerk is getting to be a sizzler and without doubt will have far-reaching effects on the future of some of our most noteworthy politicians. . . . Doesn't appear to be the slightest chance that Meyer Marshall and Committee member Fred A. Brown and the Selander camp . . . on the other hand, Commissioner Binder and Handville are plugging for Worthington. . . . when it's all over there's certain to be some head chopping, particularly if the G.O.P. messes up in the election of Democrat Gerald Bryson. . . . we do not think that will happen, but we can't help but remember in the final analysis that we're talking about Springfield!!!

When we mention far-reaching effects of the Worthington-Selander struggle we're not kidding. . . take the Springfield Woman's Club as an example. . . one week the group was said to have been united behind Mrs. Worthington and then Mrs. Robert Hayes, president, comes forth with a vehement denial. . . "no politics in this group," she declared. . . many club members, important ones, too, are hopping mad and come the next meeting and parliamentarily the next election they say they'll do some exploding.

At Binder points a big finger at ex-town Clerk Robert Treat for causing all the trouble and shaking this former solid Republican community to its very roots. . . meanwhile, Bob, who retired as clerk at a most "inopportune" moment, is sitting quietly watching his former constituents fight each other's hair out. . . "If the truth would be known," says Binder, "that fellow Treat thought he was worth \$10,000 a year and we didn't. . . that's why he quit!"

Mrs. Carolyn Harmon, now serving as acting town clerk, may not realize it, but she's done her share of pot stirring. . . here's her latest statement: "Several weeks ago I had occasion to make a statement, which appeared in the paper to the effect that I would NOT serve in the township clerk's office under another woman. . . I haven't changed my mind—I don't intend to—and there's no point in making this a political issue."

Last Thursday evening's dinner for Selander and Brown was quite the affair. . . Bill Jensen, townmaster and campaign manager for Selander, formed the night's statements with: "The day is just when you should vote the straight Republican ticket. . . if Mickey Mouse were on the slate and you voted straight then I would call it loyalty, but lack of common sense."

Hans Deh put out another of his excellent meals and among those who enjoyed it, in addition to his correspondents were A. B. Anderson, Frank Cardinale, Floyd Marietta, Art Marshall and Walt Baldwin. . . Herb Kivlin, who leaves Springfield soon for retirement in Florida, came in late. . . but he was there!

Here's something far more important than politics. . . our soldiers in Korea need blood badly. . . the death lists you see in the papers will grow to enormous proportions unless donors come through. . . here in town phone Miller 6-4339 to make the necessary arrangements.

Tuesday's special school election should be another important item on your agenda. . . approval for another \$150,000 is necessary before we can launch construction of a sorely needed new school. . . your vote is a must.

The salary is far from good, but if you know anyone who wants to be a policeman, send him over to Chief Thompson at police headquarters.

NEW BEAUTY SALON
Marlino Becker of Plainfield, is the owner of the new Marlino Beauty Salon at 261 Morris Avenue, opposite the A & P Food Store, which will formally open for business on Saturday. . . Becker has an extensive background in distinctive hairdressing and has had post graduate work with Robert Plance, famous 5th Avenue stylist.

School Board Places Ban On 5-Year-Olds

Referendum Set For Tuesday On Extra \$150,000

Cognizant of the congested conditions in township schools, the Board of Education Tuesday night adopted a resolution instructing Supervising Principal Benjamin F. Newswanger that he "need not consider" admitting children to kindergarten who are under 5 years old on or before December 1 of the year they seek entrance. The same conditions apply to 1st grade applicants under 6. Previously Newswanger could admit underage children who passed a special maturity test.

The resolution was submitted by the supervising principal. Over a period of months he has cited the conditions in the schools, pointing out that additional space is needed both in the James Caldwell and Raymond Chisholm Schools.

The board made final preparations for the referendum on Tuesday. Voters will ballot on a public question as to whether an additional bond issue of \$150,000 for construction of the sixteen room upper-grade elementary school in South Springfield avenue is to be authorized. The original bond issue was \$650,000. This was found to be inadequate when bids for the five principal construction contracts were submitted recently.

Commissioner Clifford Hale argued against over-confidence in approval of the bond issue. Commissioner Thomas Doherty, chairman of the publicity committee, said he would request PTA and Women's Club members to call voters by telephone and request support at the polls. Similar action was taken at a special election in May when the original bond issue was approved after being rejected twice previously.

The board also scheduled an adjourned meeting for Tuesday, Commissioner Robert Smith, finance chairman, said construction bids can be awarded at a special meeting about October 30 if the request for additional funds is approved.

It was reported that the board architect, Fred A. Elasser, is arranging an extension to November 5 of the deadline for bond action on the bids.

Bids were submitted September 20 and the board had to act within thirty days, it is reported. Total of the lowest bid brought cost of the entire school project to \$800,000 or \$150,000 more than was appropriated in the referendum.

Selander and Brown Feted at Dinner

Former Mayor Wilbur M. Selander, independent candidate for township clerk, and Township Committeeman Fred A. Brown, Republican nominee for re-election to the governing board, are feted at the Orchard Inn by some of the group sponsoring their candidacies. Left to right, Selander, Bill Jensen, Mrs. Selander, Brown and Mrs. Brown. Applauding at the right with the rest of the group are Mayor and Mrs. Robert W. Marshall. The mayor previously had not indicated support of any candidate in the turbulent contest for the clerkship. (Photo by Swan Studios.)

Close Finish Is Forecast As Three Seek Clerk's Post

With election less than three weeks away observers here were generally in doubt as to who will be the township clerk after January 1. With a Republican, a Democrat and an independent seeking the post there is an understandable reluctance on the part of almost every prognosticator to attempt to call the turn on this contest.

Virtually crowding the contest for township committeeman out of the picture so far as the clerk's post, it is generally agreed, appears to be the focal phase of the election. Since there has been little campaigning in the governing board contest it almost has been crowded off the political picture.

Supporters of Mrs. Eleonore Worthington, Republican candidate for township clerk, believe that as nominee of the G.O.P., she is certain to finish first in the election. They point out that she is the official choice of the majority party.

However, adherents of former Mayor Wilbur M. Selander who is running as an independent candidate, believe the prestige of the Selander name will result in a victory for the former chief executive. "They claim the party label is not too important in this specific case.

"Meanwhile, Gerald Bryson, Democratic nominee, stands by hoping he will be the beneficiary in the event the G.O.P. vote is split down the middle.

Generally the vote in Springfield is nominally 1,600 Republican and 800 Democrat. Should the Republican vote be evenly divided between Mrs. Worthington and Selander, who nominally is a Republican, the three candidates conceivably could come close to a tie vote. In the event of a tie the township committee would name an acting clerk. It might be Mrs. Carolyn Harmon who was named acting clerk in July when Robert D. Treat resigned the post.

The most recent development in the contest was announcement by Police Commissioner Albert G. Binder and Finance Commissioner Fred Handville, who urged support for Selander.

Police Dept. Again Bans Regional School Rallies

Although Chief of Police M. Chase Rymon has been retired for several months and former Police Commissioner Lewis F. Macartney has been out of office for a number of years the departmental policy on Regional High School rallies has not changed.

Students of the high school recently sought permission to hold a rally here, it was learned. They were turned down emphatically by the police department. The booster group sought approval for a rally and permission was not forthcoming.

The rally early this month was held in Unani Park, Garwood, with complete approval of officials of that borough. Later, Bertolmy, president of the Regional Board of Education, and a Garwood resident, thanked the Borough Council for its attitude.

Bertolmy pointed out that the Regional group had been denied permission by other Regional municipalities. Springfield was one although he did not cite this township, specifically.

Asked why the department assumed this attitude despite the fact that other municipalities permit rallies of this type, a spokesman for the Police Department said, "We've had experience with these affairs on other occasions. We don't pro-

hibit these rallies because we don't want to put up with any rowdyism and we're not going to chase rowdies all over Springfield. If this were just a rally it would be all right but it won't be that."

Senator Hand Urges Unity As Township Republicans Wage Intra-Party Battle

Town Ratables Up

Added ratables in the township total \$874,650. It was revealed today by the Union County Board of Taxation. The net prorated figure is \$411,690. The township's share of the county tax on this basis is \$3,227. Its share of the district tax is \$26,702.

Handville, Binder Give Mrs. Worthington Support

Apparently reflecting the reported fear of the county organization that the split in Republican ranks here may affect the election result, State Senator Kenneth C. Hand at a meeting of the Springfield Republican Club Monday night at the Legion Home, made a plea for party unity.

"Coming events cast their shadows before them," the Senator told the gathering, apparently cognizant that the contest for township clerk reportedly has split the party number. "A good Republican showing at the polls this November will go a long way towards insuring a much needed Republican victory in the 1952 presidential election."

Assemblyman Fred E. Shepard, one of the four G. O. P. aspirants for re-election to the lower house, also emphasized need for a unified Republican vote from the municipal level all the way up the ticket.

Police Commissioner Albert G. Binder and Finance Commissioner Fred A. Handville urged support of the candidacies of Fred A. Brown for re-election to the township committee and Mrs. Eleonore Worthington for election as township clerk.

Brown cited his many years as a member of the governing board and asked continued support. Mrs. Worthington told of her years of experience as a legal secretary and other business background.

Others who spoke were County Clerk Henry G. Nulton, Assemblyman G. Clifford Thomas, Freeholder Charles L. Bauer and Freeholder Candidates Mrs. Elsie Schneider and Nelson L. Carr.

On Brink Again! POLITICAL WAR THREATENS TO DISRUPT PEACE AND QUIET OF SPRINGFIELD WOMAN'S CLUB

After eighteen months of comparative serenity a schism of cataclysmic proportions is threatening to again tear asunder the Woman's Club of Springfield.

Apparently the motivating force which is threatening to create as much disturbance as the celebrated vote for the club's presidency is the spectacular contest for the township clerk's post being waged by Mrs. Eleonore Worthington, Republican candidate, and former Mayor Wilbur M. Selander, independent nominee. Gerald Bryson, a Democrat, also is a candidate but the club apparently is not concerned with him.

Recently there were reports that the club was instructing its members to canvass street after street, house after house, soliciting votes for Mrs. Worthington. This fact was reported in The Sun.

Last week Mrs. Robert Hayes, president of the club, told a Sun representative, that any reports that the club is supporting Mrs. Worthington for the post are not true. She asserted that the organization is not entering the political picture.

That was that. However, this week, a prominent club member who read Mrs. Hayes' statement said in effect, "Baloney."

She followed this up with a sardonic comment, "Mrs. Hayes happens to be a supporter of Selander. Naturally she would issue a statement that the club is not working for Mrs. Worthington. Well, if that is her attitude just wait until she tries to get re-elected president of the Woman's Club."

The club member, who has a reputation for knowing her politics, says Mrs. Worthington will get two-thirds of all the Republican votes cast. And she infers that members of the Woman's Club through their efforts in her behalf will be responsible to a considerable extent. According to her forecast Mrs. Worthington should be elected by approximately 200 votes.

Apparently the fight for township clerk has not only awakened the township to the realization that it has a red hot three-cornered old-fashioned imbroglio on its municipal hands but is making members of the Woman's Club wonder "what gives."

Members say they are clearing the decks for action. Whether they'll wait until they see the whites of their eyes before firing, they didn't say but it appears that Selander and Worthington factions are ready for an all-out battle.

Regional To List Referendum Date

The Regional Board of Education tomorrow night will set a date for its referendum for authority to exceed its borrowing capacity of \$207,528, in order to expand present school facilities and purchase another school site in Mountainside.

Mrs. Helen Smith, district clerk, revealed that Walter R. Darby, State commissioner of local government, had granted approval for the board to borrow beyond its official capacity. She said the action paves the path for a referendum in which voters of Springfield, Garwood, Mountainside, Konlworth, New Providence Township and Clark will ballot on the public question.

The referendum will list expenditure of \$1,405,000 for an addition to the present school building as well as purchase of the Mountainside site for future expansion. Board officials have pointed out that he believes it is not practical to expand the present plant beyond the present plans. As a result construction of another high school will be necessary, within the next decade, they believe.

The school board will complete plans for construction of the 21-room addition tomorrow night. It also will set a date for the referendum. The board has an option to buy the 40-acre site in Mountainside for \$65,000.

Patrolman Leslie B. Joyner, a confirmed New York Giant roster, was deep in gloom as a result of the decisive setback his favorites suffered in the World Series last week with the New York Yankees.

But the veteran patrolman soon forgot his disillusion when he was honored by his fellow policemen Friday night.

Joyner was presented a gold wrist watch commemorating his 20 years of service in the Police Department, at the twenty-third annual ball of Local 76, Patrolman's Benevolent Association, at Old Evergreen Lodge.

The presentation was made by Patrolman Vincent Phivava, president of the local. He pointed out that Joyner has faithfully served as a department member and paid tribute to his service record. The patrolman thanked the local for the gift and for the sentiment expressed.

Members of the arrangements committee included Patrolmen George Parrish, Merle Patton, Daniel Mallding and Phivava.

More than 450 guests were present on the occasion. Music for dancing was by Don Gibson and his orchestra.

Joseph Foelt heads the arrangements committee. Chamber officers, pointing out that the affair is the first of its nature ever to be offered by the group, expect a capacity attendance.

League To Hold Candidates' Nite

Tuesday, October 20, is the date for the annual "Candidates' Night" sponsored by the Citizens League. The meeting, open to all residents of the township, will commence at 8 o'clock in James Caldwell School.

Invitations to participate have been sent to all candidates for both Township Committee and Township Clerk and the League reports the majority have already expressed their willingness to cooperate.

Similar meetings have been held by the League for the past several years, giving voters the opportunity of meeting the candidates for local office and to submit both written and oral questions. The League explains speeches are kept to a minimum and the meetings are conducted on a strictly non-partisan basis.

For the benefit of new residents, a League spokesman states that the Citizens League is a town-wide civic group concerned with such problems as schools, bond government, zoning and taxes. From a citizen viewpoint, and aimed to make Springfield a better place in which to live. The group is associated with the New Jersey Taxpayers Association. Those interested in joining can contact the secretary, L. W. Pignolet of 150 Baltusrol Way.

If no use is made of the labors of past ages, the world must remain always in the infancy of knowledge. - Cicero.
The evident truth in the above lines is proven on every page of non-fiction that is written, for on them the accomplishment of man is spread before our eyes. Through the printed page the best belongs to everyone and through the study of it endless time is saved; otherwise we would be forever trying to solve problems already solved, asking questions already answered. Without our histories we would have no rule with which to measure the future, no appreciation of what our forefathers in every land, fought for and accomplished and with what courage and fortitude they met each crisis as it materialized.

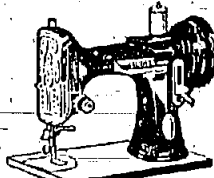

What is true of history is also true of the sciences, the arts, religion and every phase of life and learning. Whatever your need along these lines, a book can be the answer, and so in consequence, a library.

Ten Years Ago
A gift of shrubbery and by to landscape the area around the Town Hall was accepted by the Township Committee. The gift was offered through the generosity of Major R. A. Jones of Shunpike road, manager of Baltusrol Golf Club. The committee requested Township Clerk Robert D. Treat to send a letter of thanks to Major Jones.

Miss Grace Lorraine Keller, daughter of former Town Committee member and Mrs. Peter J. Keller of Clark, became the bride of William G. Van Riper, son of Mr. and Mrs. Albert Van Riper, Sr., of I Romer avenue. The ceremony was performed in Bethlehem Chapel, Clark.

Members of the Regional Board of Education learned that according to State law which became effective in July 1941, they were responsible for the transportation of secondary school children to private schools which were run on a non-profit basis.

Some of the members were under the impression that the responsibility for transportation was with the local school boards, but Supervising Principal Warren W. Haley said that State educational officials had declared otherwise. It was held that the six local boards of the communities which comprise the Regional district were only responsible for transporting children of elementary school age since they only maintained those grades.

Harry Fiorilli Wed in Linden

The marriage of Miss Peggy Lee Hatton, daughter of Mr. and Mrs. Gilbert Hatton of 808 West Elizabeth avenue, Linden, to Harry Fiorilli, son of Mr. and Mrs. Samuel Fiorilli of 14 Black's lane, took place Sunday afternoon in the Reformed Church, Linden. The Rev. Forest Decker, pastor, officiated. A reception followed in Fahren's Grove.

Given in marriage by her father, the bride wore an ankle-length gown of satin, Chantilly lace and nylon tulle with illusion neckline, and a finger-tip veil of nylon tulle attached to a headpiece of lace and seed pearls. She carried a cascade bouquet of white roses.

Miss Doris Sommer of Linden was maid of honor and George Atkins of Mountlake was best man. Ushers were Albert Foltzberg of Irvington, and Vito Campanelli of Summit. Miss Mary Pinno was soloist.

When they return from a Florida honeymoon, the couple will reside at 808 West Elizabeth avenue, Linden.

The bride is employed as a receptionist at the Thomas Studio, Elizabeth. The bridegroom is a co-owner of the Springfield Radio and Television Center.

Regional PTA
Slates 1st Meet
The Regional High School PTA will hold a "Back to School Night" Thursday evening, Oct. 25, at the school, Mrs. Joan Meyer, Jr. announced yesterday. The plan is for each parent to follow the daily class schedule of his child. Final plans were set up at the executive board session.

The theme, "Education—A Double Duty," was adopted at the executive meeting, and the organization chose Mrs. William Van Ohlen and Mrs. Joseph Huthguth to represent the local PTA at the Atlantic City Convention. Mrs. Edgar Neason was picked to attend the Education Workshop, which will be held on October 16 through 18 at Elizabeth. Two Board of Education members and a like number from the high school faculty will also attend the Elizabeth event.

Girl Scout Week begins October 28. In Springfield we have grown to think of that week as Girl Scout Cookie week, too. We know you have been waiting for those delicious cream filled sandwich cookies known as Girl Scout Cookies. They are good! We are coming around next week to take your order, so you will have a good supply on hand when Girl Scout Week starts. Through the purchase of our cookies you can help support the Scouting movement in Springfield.

Pass Interceptions Help Bulldogs Win Second Game

By DONALD ROSSELET
Regional High climbed back aboard the victory train last Saturday, at the Meisel arena field dismantling a winless Caldwell outfit in the time of 25-6 before a gathering of 2,500. The win, following the previous Saturday's 7-6 loss at Somerville, gave the Bulldogs their second triumph in three outings. Jim Gwathey, a local product, and Norm Soucek did some top-flight running for Coach John Brown's club. Second-stringers played a large part of the game, which saw Judd Herman tuck twice on quarterback sneaks to take the team scoring leadership. The local outfit is slated to battle undefeated Roselle crew Saturday, and Brown wanted to be sure no injuries would hinder his team against the Roselles, thus explaining his use of reserves against a big but out-maneuvered Essex County team. Three sustained drives resulted in touchdowns for Regional. The first, scored by Herman on a sneak from the one yard marker, eliminated a drive of sixty yards. Joe Cannonio set up the second RRS score when he intercepted one of Caldwell quarterback Skip Cleveland's aerials—Cannonio brought the ball to Chief's 28. Several minutes later, Herman reversed the TD. The home side led at the half 13-0 when Dick Schriener booted an extra point after Herman's second tally. Following the intermission, Regional marched 80 yards. Norm Soucek finally hitting pay dirt on a 35 yard end-sweep. With but twelve minutes gone in the second half, Rob Coles ended Regional's touchdown parade with a 10 yard punt into the end zone after Herman intercepted another Cleveland pass on the Caldwell 20. Caldwell scored with the help of two 15 yard penalties charged against the local eleven. One infraction graduated an apparent 69-yard touchdown run by Don Fieles, after he intercepted a pass. Don Stevens notched the six-pointers.

Sports In The Sun

Coach John Brown's Regional eleven will invade Roselle Saturday in a game that will inaugurate a four game road schedule leading up to the traditional Bowway fray on Thanksgiving Day. The two teams, Regional and Roselle, should produce the best football in their thirteen year old series (It will be 14 Saturday). For the first time since 1942, the Rosellians enter the game unbeaten, and likewise for the first time since 1947, the Bulldogs will play with a spotted record. Regional, which boasts a backfield on speed, appears to be the best team Roselle has met to date. The Roselle backs have both speed and power. One-armed Johnny Krammer does the line bucking and the brother duo of Ike and Tom Holmes provide the speed. Ralph Armbro's club has allowed only one TD to be scored against it this season, but hasn't scored in a Regional contest for

Dad, can I have this set fixed?

Fix them up for use in different rooms. Extra sets bring extra radio pleasure to the family. There are discarded or disabled sets around many homes, often with very little wrong with them. Now with parts and replacements more available, a set you thought worthless, might have lots of good reception left in it.

We make old radios sound new. We recommend TUNG-SOL RADIO TUBES. Our service men are trained technicians, expert, and reliable.
