FRIENDS!!

Immediately following last week's hectic election there appeared to be every reason to believe that a second Republican club would be formed here soon by the pro-Selander group... but that move was laid aside for the time being and instead it is planned to "peck" the existing Springfield Republican Club, from its meetings and demand a fair and square shake on everything... that's what the election losers say they're going to do... now let's watch and see what happens!

Failure of Springfield voters to approve the building of a fire headquarters, according to Fire Commissioner Walt Baldwin, probably will cost them far more than the building in the long run... a couple of the big industries planning to locate on Route 29 now indicate that with insufficient fire protection they may have to seek spots in other communities, says Baldwin... the loss in potential rentals would far exceed the cost of the original building, declares Baldwin... too bad this point wasn't emphasized more prior to November 6!

For a time this week we thought we had a hounding of a story in connection with alleged election irregularities, which if proven to be so, may have upset complete results locally of last week's voting... according to the figures of one township election board worker, which he claimed had been verified by others in a similar capacity, there were more votes cast on the machines in the second, fifth and sixth districts than there were voters... either the machines were screwy, which could be a couple of neighborhoods voted two have nullified the whole election, or three times... just before deadline yesterday afternoon, however, R. S. Bogart, chief clerk of the County Board of Elections, announced our figures were off-base because voters and voting machines tallied perfectly.

There's an advertisement in today's paper which indicates the Howard Johnson Restaurant in Route 29 will reopen for business on Thanksgiving Day... when the gates to the former Township Clerk Trent and Building Inspector Marsh, in the building when the blaze broke out, were the last customers to pay before fleeing from the scene... Robert Davis, owner of the place, is sending them a memo this week extending both the privilege of being first paying customers now.

Richard Van Dille, Union realtor, comes forth with a noteworthy suggestion to halt speeding by abolishing school zones... he suggested erection of signs which state plainly "20 miles or 20 dollars" should work.

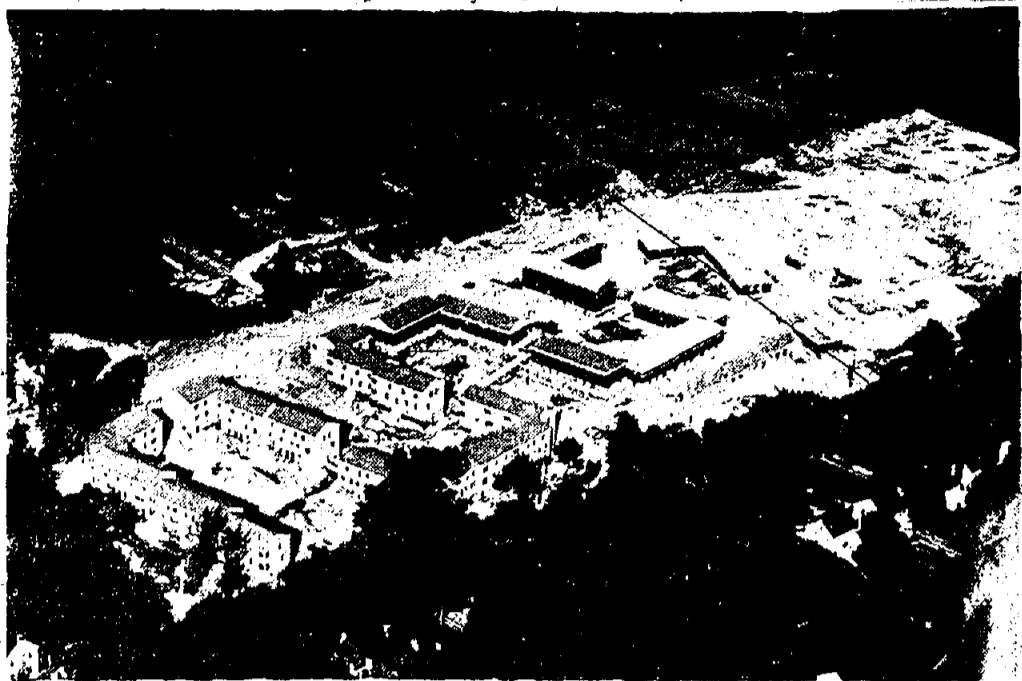

Either Springfield veterans are overpaying with money or they're too lazy to take advantage of provisions of the law which entitle them to exemptions of \$500 on their assessments on property... according to Bert Layng, chairman of the local Board of Assessment Commissioners, applications for the exemptions have been mailed to more than 800 veterans in Springfield, but less than one-third have returned the forms... the deadline for return of the applications is nearing rapidly and Layng advises the vets to get a move on!

First National Bank of Springfield is breaking all records this week with the distribution of more than \$100,000 in Christmas Club savings... the figure is approximately 10 per cent higher than last year and represents an all-time record... now let's hope most of the money is spent in local shops!

COMMUNITY SERVICE SET FOR HOLIDAY

Springfield's annual Community Thanksgiving Service will be held in the Methodist Church, on Wednesday at 8 p.m. The Rev. Bruce W. Evans of the Presbyterian Church will be the speaker. Special music will be presented by the Methodist Church Choir. All members of the community have been invited to attend.

Short Hills Village From The Air

This air photo by Franklin Mortgage & Title Insurance Co. of Newark shows the rapid progress since last summer's groundbreaking on Short Hills Village, multi-million dollar luxury garden apartment colony being built on a 9-acre tract along Short Hills Avenue. The 11 two-story buildings shown will contain 110 suites, ranging from

3 rooms to 6-room, 2 1/2-bath apartments with more floor area than the average new home, and expected to rent at from \$105 to \$240 a month. Franklin Mortgage is handling the one-package financing. McMurray and Chirgottis of Union drew the plans. Nicholas Angleton is owner.

Drops Wabeno Ave. One-Way Ordinance

An ordinance making Wabeno Avenue, next to General Greene Village, a one-way street was withdrawn by the Township Committee last night following passage of another ordinance banning parking on both sides of the new thoroughfare. Committee member Albert J. Binder, who made the recommendation, suggested the board study the situation as it will exist during the next couple of months before taking any further action with regard to making the street one-way in either direction.

Two residents were named as third class patrolmen in the police department on Binder's motion. They were Thomas J. Kennedy, 63 Mountain Avenue, and John C. Haber, 643 Mountain Avenue. They will start their new jobs on December 1.

Application of Joseph Gallini for a zoning variance to build an addition to his present building housing the Springfield Sheet Metal Works at 50 Springfield Avenue, will be taken up by the committee on November 28. The Board of Adjustment recommended the action, but the committee decided it needed time to make a study of the situation before voting.

Town Women Hear Regional Speaker

Guest speaker at a meeting of the Springfield Women's Club, last Wednesday at the Raymond Chisholm School, was Raymond Forbes, member of the Regional High School Board of Education. Forbes spoke briefly on expansion plans for the high school. A question period followed.

Professor Y. C. Wang, former director of the University of Shanghai, spoke on Chinese Art. Dr. Tim Pook Chan, director of Education at the China Institute of America, and Professor Wang showed a film on "Chinese Landscapes."

Hospital Addition Progress Is Told

The excavation for the new six-story addition to Overlook Hospital is nearly complete, and the pouring of foundations will begin this month, according to A. W. Smith, director.

Huff Lists Tax Sale for December

Sale of all property on which taxes are delinquent for two years will be held at a public tax sale as required by State Law, it was announced today by Tax Collector Charles H. Huff. A list of the properties which will be sold, unless taxes are paid in the interim are published today in the Springfield Sun.

'50 Delinquents Are Involved In Town Action

The tax collector revealed that total collections to date are \$891,361, nearly \$400,000 more than the figure for the same period last year which was \$553,200. The collections for October were \$19,855, as compared with \$66,993. The monthly comparison showed one of the largest increases in recent years.

Of the collections to date \$125,162 represent the present year. The collections for 1950 are \$19,591. Other years' collections are: 1949—\$685; 1948—\$279; 1947—\$236; 1946—\$216 and 1945—\$77.

The Parent-Education Study Group of the Springfield PTA will hold its second meeting tonight (Thursday) at James Caldwell School at 8:30. A discussion panel, "Is homework a necessary part of our Education?" will be held between teachers and fathers of both schools. The teachers participating in the discussion will be Mrs. R. Hayward from James Caldwell School, and Mrs. C. Huff from Raymond Chisholm School. The fathers will be William Melick and Dick White.

Boosters to Set Plans for Dance

Final plans for the annual football game to follow the Regional-Rahway football game will be made Monday night at a meeting of the Regional High School Booster Club at the school. The dance will be held Thanksgiving Night.

Millburn Man Nabbed as Tippy

John Dudack, 47 years old, of 25 Church street, Millburn, will be arraigned in Municipal Court Monday on a charge of drunken driving. He was apprehended Saturday night, police said, after his car had been in collision with another vehicle in front of the Mountain Avenue Bar and Grill, Mountain Avenue. The second car was operated by Mrs. Elizabeth Raymond, 40, of 95 Washington street, East Orange.

First Aid Squad Nominations Made

Nomination of officers for the Springfield First Aid Squad was held at a business meeting of the organization last Thursday at Town Hall. Election will be held at the December meeting for the group. Harold Marter presided.

Who Said Harmony??

Political observers here today foresee an all-out battle for control of the Springfield Republican Club which they believe will culminate in a knock-down, drag-out battle to secure the two nominations of the Township Committee next Spring.

Regional, Rahway May Draw 10,000

A crowd of 10,000 is expected to converge on County Park Thanksgiving Day to see the annual Regional-Rahway High School grid classic. The game is scheduled for 11 a.m.

Who Said Harmony??

Political observers here today foresee an all-out battle for control of the Springfield Republican Club which they believe will culminate in a knock-down, drag-out battle to secure the two nominations of the Township Committee next Spring.

Complicating the situation is the fact that 1952 is a presidential year and all Republicans will be casting an eye on the White House with the hope of capturing National honors after being on the outside looking in since 1932. The G.O.P. is stressing the need for harmony but the county situation already has been thrown into a turmoil by the action of the Board of Freeholders last week and the local scene gives promise of being fully as tempestuous.

That Springfield politics have just as many vicious ramifications as those in Hudson, Atlantic and Bergen Counties is indicated by reports, which come from

Ruby Child In Fall From Car

Three-year-old George T. Franklin, son of Mr. and Mrs. George W. Franklin of 11 Ruby street, today is at his home recovering from numerous injuries suffered Friday when he fell out of a moving car on Flomer Avenue near South Trivet place.

\$1,400,000 Proposal Gets Okay by Margin of 2-

Regional school board officials and administrative heads today were making plans to advertise for bids for construction of the giant \$1,400,000 school addition to be built here following approval of the voters in the six supporting municipalities at the special referendum Tuesday by a margin of two to one.

Their excitement at the victory of the school board at the polls was tempered partially by disappointment caused by the emphatic defeat of the proposal to purchase a forty-acre tract in Mountainside as site for another school. This vote was 1,115 to 761. However, the principal interest of the board was to secure approval for the construction project here. The voters also approved a proposal which gave the board authority to secure additional ground for the addition and to condemn the property for that purpose, if it becomes necessary.

authoritative sources, of the pressure put on office holders prior to Election Day to support Mrs. Worthington. It is no secret that it was virtually worth any office holder's job to publicly support Selander. Apparently the organization was out to elect Mrs. Worthington come hell or high water, as one observer described it, and it would brook no desertions.

However, in addition to Baldwin, Road Commissioner Fred A. Brown and Mayor Robert W. Marshall also supported Selander. Brown's action came as no surprise. He has never made any claims to party regularity and his long-time friendship with Selander has always been an important factor in Springfield politics.

Mayor Marshall will not be up for reelection until 1953 so he personally cannot be liquidated by the organization. And if the so-called regulars should attempt to knock down his appointments the odds are that the chief executive would be supported by Brown and Baldwin.

One fact is obvious. Any hopes Police Commissioner Albert C. Binder, another Worthington supporter, may have had of obtaining the township committee chairmanship are completely in the discard. He will never have more than two votes, including his own, observers point out.

Heads may fly on January 1. The Republican Club regulars may attempt to displace Arthur Marshall, father of the Mayor, as plumbing inspector. It is doubtful if the move will be successful. Another appointment which may create a controversy is that of magistrate.

Had former Township Attorney Herbert A. Kavin remained in Springfield he might have received the post. Indications now are that Magistrate Henry C. McMullen will be reappointed. However, Max Sherman, president of the Republican Club, has been mentioned in connection with the post.

Mrs. Carolyn Kavan, acting township clerk, has reported she will retire December 31. This means that Mrs. Worthington will start her career as township clerk without experience and with no advice from anyone who has served in the post.

Her friends are hoping she will not have to undergo anything approximating the famous "tie vote New Year's Day session" of 1947.

Any fifth grader knows that the oceans and seas cover three-quarters of the globe, but to discover how that fact came into being has been the aim of scientists ever since Columbus proved the world was round.

The latest theory, and a fact is offered by Miss Rachel Carson in her book "The Sea Around Us."

Miss Carson has two professions, that of author and of scientist, and in her book she combines the two to perfection. In literary circles the seas seem to be coming into their own for the four most popular books today have some part of the wide area the oceans cover as their subject. The two toppers on the list of fiction are "The Caine Mutiny" by Herman Wouk and "The Cruel Sea" by Nicholas Monsarrat, while the leading titles of the nonfiction are the above mentioned "The Sea Around Us" and "Kon-Tiki" by Thor Heyerdahl.

There have been many other powerful stories written of the sea that stand the test of time, from the monumental classics by Joseph Conrad to the Horatio Hornblower series by C. F. Forester, which is the subject of a current movie.

Among the new books are: "A Man Called Peter," the story of Peter Marshall, by Catherine Marshall; "Celebrity" by Laura J. Hobson; "Spanish Range" by Lee Wells; "The Viking" by Edson Marshall; "Captain Barney" by Jan Westcott; "The Serpentine-Wreathed Staff" by Alice Thadde Hobart; "Let Go and Let God" by Albert E. Cliffe; "Gods, Graves and Scholars" a story of archeology by C. W. Ceram.

Special patrolmen were awarded an increase in pay from sixty to seventy-five cents an hour by the Township Committee.

Miss Anne Cecilia Betz, daughter of Mr. and Mrs. Frederick V. Betz of Route 29, became the bride of Wilbur Charles Lammerring, son of Mr. and Mrs. William J. Lammerring of Roselle Park at a nuptial mass at St. James' Church, Mgr. Daniel A. Coyle, pastor, officiated at the ceremony.

Warren W. Halsey, principal of Regional High School, received a letter from Dr. E. D. Grizzell, chairman of the Commission on Secondary Schools of the Middle States Association, stating that the school had been approved for membership on the list of accredited secondary schools for three years.

Miss Karin Nelson, daughter of Mr. and Mrs. Charles Nelson of 34 Bryant avenue, and Miss Evelyn Sippel, daughter of Mr. and Mrs. Frank Sippel of 302 Morris avenue, were pledged by Phi Beta Phi sorority at Bucknell University where they were enrolled as freshmen.

Private Robert Marshall, son of Mr. and Mrs. A. L. Marshall of 74 Washington avenue, was transferred from Fort Lee, Va., to Fort Hancock.

Wins Oil Co. Award
The "Coke Your Ideas" Committee of the Standard Oil Development Company has accepted a suggestion submitted by Fred Belawinger, for which he has been presented a cash award. Belawinger, who lives at 607 Melrose avenue, Springfield, suggested the use of a cradle for weighing receiving bombs which are used in research pilot plants.

SCHOOL NEWS

James Caldwell School

Kindergarten
Mrs. Janet Wronsky
The kindergartners had lots of fun making new songs and stories about cold weather. We are learning how to put on and fasten our shoes and get on our coats and mittens. We like cold weather and snow.

Grade One
Miss Lorraine Anderson
Mrs. Mary Edna Schiller
Both first graders have been working very hard with their reading. We like

our book called "We Work and Play" and enjoy the stories very much. We have many colorful stories, but one in particular was called "Spot Works". Mother and Father and the children planted bulbs. Spot came and dug them up. We worked hard to dig them up, but not very hard at helping Mother and Father.

We can write our numbers by one to thirty. We've been practicing writing by ten to one hundred.

We would like to welcome Anthony Verducci to Mrs. Sattler's class. He came to us from the Lincoln School

in the orange. We are very happy to have Anthony in our class.

Grade Two
Mrs. Martha Selcavage
Jean Hyde has been taking piano lessons for several months. Last Friday at the Primary Assembly she played a piano solo and really put on an splendid performance for a beginner. We have each started a little notebook in which we keep all our new work in lessons. This helps us to remember more of the songs which we need to learn this year. We also try to use our best hand writing in this notebook.

Grade Two
Miss Harriet E. Smith
We have 24 children in our group. In a recent test we had 48 words nine of us had every word right. More than half of us had 22 or above. Last Friday every one in the class had every word

correct. Today only one child missed a word in our weekly test. We hope that soon every one in our class will get every word right in every weekly test. It has happened twice so far this year.

We have learned a nice song about Armistice Day. Our teacher has explained to us the meaning of Armistice Day.

Grade Three
Miss Ruth Gerdes
This week we studied about water in science. We did an experiment with a potato. We cut slices of potato and put them on paper. Then we made holes around the slices. Two days later we looked at the potato slices again and found them much smaller because the water had gone from them.

Mrs. Dunbar, Mrs. Cross and our class are learning new songs for Thanksgiving. We may sing some of these in assembly next week.

Grade Three
Mrs. Margaret Dunn
Our class has done some thinking out of the box and newspaper. Yesterday we finished them. We did a picture of a turkey.

Grade Three
Mrs. Barbara Cross
We have been learning to write letters. Our letters have three parts—the greeting, the body and the signature. We wrote our first letter to Mrs. Evans thanking her for the Halloween Party.

Have you ever read "Mrs. Pupper's Progress"? Mrs. Cross has been reading it to us at recess each day. We all enjoyed it very much. Glenn Nicholas made a pencil from a rubber mold. We named him Captain Cook.

Grade Four
Mrs. Helen Kiefer
On Monday we observed Armistice Day. That was the day the first World War stopped. At 11 o'clock we have two minutes of silence because we

should remember our boys who fought in the war.

We had a movie about war. It showed airplanes dropping bombs. There were other important events like the battle of Iwo Jima and the atomic bomb. We also saw a picture of the "Mighty Ditch".

Frances brought items to school for his 11th birthday party.

Barbara took pictures of us playing at recess time.

Grade Four
Mrs. Virginia Reynolds
We have started another social studies tour. This time visiting Holland. Louise Liffers has brought in two pairs of wooden shoes, one pair of which has actually been worn. She also brought in many pictures of special Dutch bulbs and a special container showing how they are shipped.

Leopold Marabou has some letters and souvenirs for the class to see.

We have been writing thank you letters to express appreciation for the

goods sent in for our Halloween party. We have also written to thank a number of people for their class-room and stationery for a game. The thought for us to use on Friday day. We have gone to the Post Office, bought our stamps, and actually mailed the letters ourselves. We are learning to use the convenience of our town.

Grade Four
Mrs. Ruth Ames
We were very busy this week. We tried to finish a week's work in three short days. We almost did it.

Andy Evans brought in a lamp to show the class. He made it from a clay bottle.

We enjoyed seeing Clifford Pultr's pictures of a duck named Cicero.

Grade Five
Mrs. Frances Wahl
Miss Fania Purcell
American Junior Red Cross Activities
November is a busy month in the Fifth Grades. Besides celebrating a number of holidays, we have been spending extra time helping the Junior Red Cross. Several people in the sixth grade helped us sort and deliver contributions supplies to each class room in our school, the Raymond Chisholm and the High School. For the next two weeks everyone will be taking the Junior Red Cross and we will help collect and check their donations.

We are trying to help the soldiers in Leavenworth by making favors and baskets full of candy for their holidays. Our special aim of the Junior Red Cross is service to others and we hope through our work to make people happy.

Raymond Chisholm
Grade 1
Mrs. Mildred Thayer
Mrs. Mae Hovey
Most of the class have taken home the second paper-plate called "We Work and Play". We want our parents to have us read, so that they can see how much we have improved in reading.

This week when we draw colored cards, we used black paper and colored chalk. The work was done in our classrooms. Mrs. Bush sent two beautiful letters to the office for the office bulletin board. They

are the drawings of Janet Mendi and Janet Miller.

The parents in Mrs. Thayer's class are happy that David Hontela is back to school again after a long absence for illness. He wrote us a "Thank You" letter for the get-well cards we sent him.

Grade 2
Miss Alice Itzig
Mrs. Alice Itzig
We were very busy this week. We had our class last week. He came from Newark and moved to a new home on Kipling Road.

Mrs. Reaser, a new teacher who has an afternoon class, came in every morning to help one of the reading students.

We learned a new song about our flag in the Armistice Day assembly.

Miss Hontela's class had an enjoyable lesson Monday. The folks that Mrs. Post had us make looked good enough to eat and we were pleased to take them home. We also had a preview of our next lesson which will be in finger painting. We are planning to make make-up covers for our best work.

We had some very nice spelling papers last Friday. Those boys and girls with 100 per cent were: Josephine Brunella, Debbie Garner, Claudette Gill, Judy Ginnaschbacher, Katherine Heiser, Marilyn Schneider, Nancy Sterling, Lester Woods, Nancy Worthman and Diane Yeager.

Grade 3
Mrs. Ruth Ames
Miss Marjorie Parkhurst—P.M.
The armistice day assembly like to share experiences during their mid-morning lunch time. Recently Virginia Alex Stronach's class had a very interesting lesson. She thought it was a robin's nest. The class learned that a robin makes his nest round, and what birds use for building materials. When Mrs. Alex showed pictures of various birds, she also showed a picture of a robin's nest. In assembly the class sang Herbert Grizzard to the color of the flag and the flag on the stage during the Armistice Day talk and song.

Stacy twirled for the following in the Thursday spelling test: Donald Hinson, George Wood, Shelia Hinton, A.M., Elizabeth, Karen Street, Susan Gill, Louise Weir, Barbara East, Margaret Neal, Terry Hill, John Martin, Patricia Palmer, Helen Clifford, Eric Nelson, Mike Pittman, Richard Johnson, Michael Perdue, Markle Johnson, Gilbert Alex, Richard Shuman, and Wade Maxwell. They were very happy to receive their stationery cards which marked seventeen in all. They are Rosalie Sherman and Bobby Yeager.

Grade 4
Mrs. Glen Tholen—A.M.
Mrs. Rose Johnson—A.M.
Mrs. Loretta O'Brien—P.M.
We have been working very hard this term and are looking forward to some interesting experiences.

For the first quarter, the following pupils received "A" in spelling: Edward Cardinal, Barry Smith, Nancy Blahm, Carl Custer, Dorothy Palmer, Elaine Marie Gammuto, Marie Inman, Arlene Kader, Edna Paulucci, Anna Malcher, Marilyn Miller, Betty Quercus, Billy Franklin, Mary Ann Patauchio, Gail Jedic and Gladie Kaplan.

We have been having diagnostic tests in arithmetic to locate our weak spots. The following people made good scores on each of the five tests: Patricia Boyon, Barbara Goldstein, Paddy Karlin, Brian Meade, Peter Miller and George Belzer. Our history project for the past two weeks has been the study of the American Indian as a hunter and warrior, also the Indian as a farmer and housekeeper. This week Mr. Post correlated our art work our history study of the Indian. We are dividing the class into three groups. Each is to take one of the three most civilized tribes and depict it as an art project. The most civilized Indian tribes are the Mayas of Central America, the Aztecs of Mexico and the Incas of Peru. We have started our art project with clay modeling.

Grade 5
Mrs. Phyllis Butler—A.M.
Mrs. Margaret Barham—A.M.
The social study classes have completed their notebooks on Discovery and Exploration. They included an outline of the work of explorers from the time of Marco Polo to the time of the settlements. Many were made to show the known world when Polo went in "Cathay". On a world map was shown the route the early explorers took across the Atlantic, around the world, around Africa in a frantic attempt to find the riches of the East. The routes of the various American continent explorers and the territory each claimed for the mother country showed the basis for later conflict.

Those children who had good notebooks were: Donald Becker, Charles Johnson, Stephen Wells, Barbara Annan, Melvin Bradley, Joan Porter, Judy Vance, Louis Skousen, Charles Stevens, and Susan Kitch.

Each child illustrated his book with drawings of his line of the problems and ideas of the time.

Grade 6
Mr. Norman LeBoeuf—A.M.
Mr. Daniel Murray—A.M.
The sixth grade gave a tea and invited the boys and both teachers. Delicious punch, brownies and ten minutes were served by the girls. The affair was a complete success. Lois Hocking and Sandra Taylor turned in some fine history test papers.

Georgia became an independent colony in 1772 under James Oglethorpe.

HOLD SERVICES FOR MRS. FISCHER

Funeral services for Mrs. Anna May Fischer, wife of George H. Fischer, who died Wednesday at her home, 534 Ashwood road, were held Saturday from the Smith and Smith Funeral Home, 418 Morris avenue.

A native of Newark, Mrs. Fischer was the daughter of the late George Z. and Anna Beard-sley. She lived in Maplewood 15 years before moving to Springfield two years ago. Mrs. Fischer was a charter member of the Clinton Avenue Presbyterian Church, Newark. Her husband is her only immediate survivor.

GIRL SCOUTS' Corner

Dear Scout Friends: Our leaders tell us that they are very pleased with our efforts on the cookie drive. We sold 6,812 boxes. This is 812 boxes more than we sold last year. This makes us feel good, but we are not forgetting that our successful efforts are due to your ready response. Thank you, one and all, for your continued support of Springfield's Girl Scouting.

Top honors in our drive go to Mrs. Edward Klach's Intermediate troop 4. With 13 girls participating, they sold 636 boxes. Brownie troop 9, 17 girls under the leadership of Mrs. Max Kuehn and Mrs. Edward Mertz, sold 600 boxes and came in second. Nine-

teen intermediates from Mrs. Lee Andrews and Mrs. Louis Martin's troop 11 captured third place by selling 604 boxes. Each troop will receive five dollars with which to buy troop equipment.

Intermediate Troop 3 had an unexpected surprise last week-end. Mr. and Mrs. S. Assarow of 468 Meisel avenue, offered the girls the use of their lodge at Wernville, near Watchung Lake for an overnight trip. It was one of those delightful experiences that we all like and Troop 3 thoroughly enjoyed this deluxe camp life. The girls did all their cooking over the open fire in the fireplace. The girls and their leader, Mrs. Lee Andrews, are grateful to their hosts, Mr. and Mrs. Assarow, and to Mr. and Mrs. E. Lindauer, K. R. Tallau, Mr. and Mrs. Harry Gregory, J. Kisch and Lee Andrews who supplied transportation.

Intermediate Troop 11 is working on a bird badge. In connection with this, they ran a bird painting contest. Elizabeth Walker won first prize; Lorraine Ebbelley, second; Paula Barsky, third, and Lois Hooking, fourth.

Brownie Troop 17 has been working on handicraft projects. During October they celebrated the birthdays of Brownie Arlene Di Spirito and Mrs. Alex Rae, their assistant leader.

The Intermediates from Troop 8 are learning how to knit mittens. Miss Jane Malero, their leader, is teaching them. There are 15 Scouts in this troop and they meet every Tuesday evening at Miss

DeLeonard's home. All of us enjoy our Scout work and we hope you like hearing about it. Until next week, Your Girl Scouts.

MAY CANCEL MARY'S THEATRE

Cancellation of two of the three plays presented by the Salome Gaylor Theatre for Children, which is sponsored by the P.T.A., may come about as a result of poor sales of tickets.

In bringing the theatre back to Springfield, the P.T.A. hoped that the parents and children would support the project which would bring them excellent dramatization of the children's classics. However, unless more tickets are sold they will have to forego the pleasure of seeing "Held" and "Little Women." Since the P.T.E. does not expect to realize a profit, a minimum of 400 tickets must be sold to cover the expenses of Jack

and the Beantalk. Tickets will be sold at the door of the Regional auditorium on Saturday before the performance, which is at 3 o'clock. Again this year, a staff of hostesses will be placed throughout the audience so that children can be left unaccompanied at the door by parents, and picked up an hour and a half later.

Sports In The Sun

The JayVees and The Frosh
This corner has sorely neglected the freshmen and junior varsity football teams heretofore, so, with a red tint to our face, we will try to look back at the good seasons which the two teams have just completed.

Each played a six-game schedule. The JayVees won four of the six, lost one and played a tie, while the frosh enjoyed even better success, winning five and dropping one.

As was the case of their big brother, the JV's and the frosh opened against Hillside. The varsity won, 21-13; the frosh triumphed, 33-0; and the JayVees played a scoreless tie.

In their second game, the freshmen tumbled Plainfield, 20-7. Roselle Park dropped a 10-13 decision in the third game. The frosh humbled Scotch Plains, 33-13, in the fourth fray.

Linden was a 19-6 victim in the first-year men's fifth outing. But, Union edged the "Baby Bulldogs" in the campaign finals, 6-0.

The JayVees won their second contest by 21-12 over Roselle Park, and the third in a 33-0 whitewash of Scotch Plains. Roselle held the local junior varsity to a 14-7 score. In the fifth game of their season, the JayVees rocked Upton, 14-0. The JV season wound up in the same fashion as that of the frosh—a loss in the finale. This was to Linden by a final tally of 19-13.

The freshmen came up with a possible varsity star for next year in Chet Boyce. The Kenilworth lad played in the Linden varsity game.

The Third Team
It looked mighty queer to see a team displaying striped jerseys converge on the ball-carrier upon the completion of every play Saturday at Linden. To explain, through a mix-up on the part of the Linden authorities, five officials were hired. The quintet included Frank Morris, Ted Higgins, Louis Ost, Jack Lorey and Vince Lesneski.

Tigers Hand Regional 2nd Loss In Row; Rahway Next

By Donald Roselle
Linden High scored touchdowns in the second and third quarters Saturday to defeat a favored regional eleven, 13-7, before 2,500 fans at the Tiger field. Regional thus completed its season, excepting the Rahway contest on Thanksgiving Day, with four victories and three defeats. Regional now has experienced its first second-in-a-row loss since 1945, its first season with more than one defeat since 1947, and its first Union County setback since 1948.

Regional, again performing without its ace back Norm Soucek, moved deep into Tiger territory only twice. The Bulldogs were held to four first downs, 64 yards on the ground, and 40 in the air, which is low for scholastic grid-iron.

Linden, however, garnered 10 first downs, 103 yards on the turf, 84 yards via air, and in general outplayed the Bulldogs throughout the afternoon.

Regional's two drives into Linden's territory marked the only times that it moved to any extent in the skirmish. The Orange and Blue talked on one advance, Jim Gwathney racing across from the 18. John Keith's interception of a Jim Dimino aerial and a penalty pushed the victors back to their 22. Gwathney went four yards and then took it across, Dick Scheffer converting.

Linden, which held a 13-0 lead when Regional gained the six-point, marched 32 yards following Dimino's interception of Judd Herman's pass.

Ed Zakanyeh, Peter O'Halloran, and Sam Pilot gained 13 yards. A pass from Dimino to Joe Ewen, whose good line play was a major reason for Regional's defeat, netted 14 more. O'Halloran smashed into pay dirt two plays later.

With a not-so-commanding 6-0 advantage, Linden blocked a punt by Joe Cannonie and recovered the ball at the Bulldog 4. Zakanyeh drove to the 1 and Pilot, a 125-pound sophomore slammed over. Dick Kessner caught a pass for the point.

Each club made a stab at another score. Linden recovered a Regional fumble at the Orange and Blue 5, but Cannonie intercepted a pass to choke off the threat.

Regional drove to the Linden 17 late in the final stanza, but was held there on downs.
