The weather, always a subject for polite social intercourse, often becomes by its extremes, the main topic of general conversation. Man has always read the "weather signs" but in recent years the science of meteorology has become an important field in civil and military life. The hourly radio reports—and the weather columns in the daily papers tend to keep the public eye and ear focused on it and books on the subject are in popular demand.

Closely allied and a fascinating hobby for young and old, is the study of astronomy; being as old as the earth itself, it, too, has always demanded man's attention and wonder. Your library offers books for the beginner as well as the advanced student and many people have found that it opens an inexpensive, interesting way to another field of education. The "Nature Magazine" is also available and a trip to the Hayden Planetarium in New York City will prove a rewarding experience.

New books this week include: "My Cousin Rachel" by Daphne du Maurier—"The Scandal of Scotland Yard" by Douglas Brown and E. V. Rieu—"Hudson's Bay Trader" by Lord Tweedsmuir—"Lincoln and His Generals" by T. Harry Williams—"The Rough Charles's Dorr" by Dorothy Kimbrough—"Jumping Jupiter" by Ernestine Gilbreth Carey and "Eisenhower, the Man and the Symbol" by John Gunther.

WANTED — ADVICE

As a newly reopened store we think we did a good job of trying to satisfy everyone's wants at a fair price; but being new, our experience and intuition can only go so far.

Sometimes we think we could use a "crystal ball" to find out if customers have "something on their mind" they're not telling us—that we don't know, but should—in order to serve them better.

Have you something on your mind that concerns us? We'd appreciate knowing it—then the crystal ball won't be necessary. Please write us.

Tips For Home Owners
When the lid of a paint can is damaged in removal it may leak air and cause the paint to thicken. You can easily insure an air tight seal when replacing the lid by partly filling the groove around the mouth of the can with linseed oil and pressing the lid down.

LETTERS from Our Readers

Public Housing

Editor Sun:

I have been asked to take a position on A-182, the Hillery bill providing for referenda at the local level on Public Housing.

This seems to me good, progressive legislation, in keeping with our basic American principles of self-government. I am amazed to find some municipal officials expressing themselves as opposed to the bill. I cannot understand their opposition, unless they fear the opinions of their people.

I am one municipal official who wants to know what my people think. I want my actions to be truly representative of them and to reflect their judgment. How better can I accomplish that than through public vote?

Even though I feel Union has no need for subsidized housing, I would not attempt to speak for other municipalities. Some may need it. But, A-182 doesn't say they should not have it; it merely provides that the people of

each community, instead of someone in Washington, should make the determination.

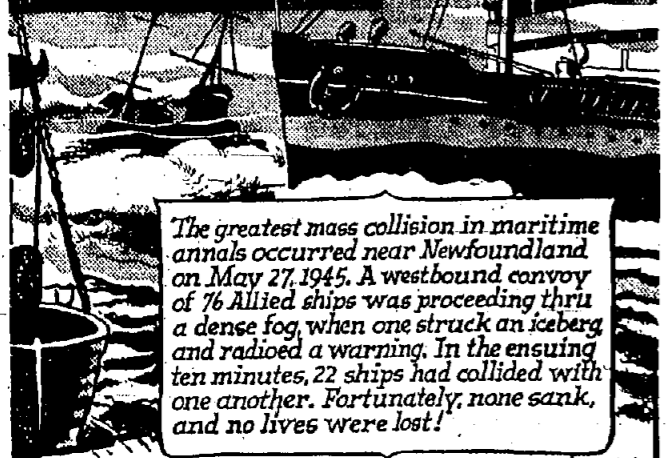

I was delighted to see the Elizabeth City Council vote to refer the question of another housing project there to the people at referendum. The question will appear on the General Election ballot in November, which, incidentally, also answers the criticism that referenda are costly. It costs nothing to place a question on the ballot.

It seems to me Assemblyman Hillery is to be commended for sponsoring such enlightened legislation. The sooner we give the people an opportunity to vote directly on more issues, the closer we will come to self-government. Large scale spending programs, permanent improvements involving capital financing, now must be passed on by the electorate; so should public housing be, with its demands on municipal and educational services, its waiver of taxes and rooted as it is in fundamental questions of government role in housing.

F. EDWARD BIERTUEMPFEL, Mayor, Union, N. J.

During 1952, a total of 10,350,000 gallons of Scotch whisky will be exported overseas according to the Scottish Whisky Association.

How Water Works

The greatest mass collision in maritime annals occurred near Newfoundland on May 27, 1945. A westbound convoy of 76 Allied ships was proceeding thru a dense fog when one struck an iceberg and radioed a warning. In the ensuing ten minutes, 22 ships had collided with one another. Fortunately, none sank, and no lives were lost!

"A TINKER'S DAM" IS NOT A MILD FORM OF PROFANITY, BUT A DAM MADE OF ORDINARY FLOUR DOUGH TO SURROUND THE PLACE WHERE A TINKER OR PLUMBER WISHES TO POUR SOLDER TO MAKE A JOINT. OF LITTLE VALUE, THIS MATERIAL IS THROWN AWAY AFTER BEING USED ONCE—THUS THE EXPRESSION, "NOT WORTH A TINKER'S DAM."

WON'T YOU ANSWER THE CALL

The Red Cross is Humanity in action. It is a helping hand to those made homeless by storm and flood. It is blood plasma for the wounded, cheerful hours for disabled veterans; a touch of home for soldiers on foreign fields. It is a symbol of American compassion and warmth and generosity. It is you—doing what you would do if you were there. Give and Give generously.

Give Blood too. It means life to the wounded soldier who is fighting for you.

RHS Matmen Prepare For County Tourney

Four Bulldogs Entered In Wrestling Matches

By HERB HENRICH
Two juniors, 106-pounder Al Hector and 108-pounder Al McElroy will lead Dave Pechin's Bulldogs in the county wrestling tourney in the Pineau, who planned Hector last annual Union County wrestling season. Pechin, however, has had championships to be held in the middle with his weight this year. Union High gym on Friday and making the 105 pound limit for Saturday of this week. Other Bulldogs only two of Union's nine dual dog aspirants are two freshmen, nets. He will probably be handi-Richie Scorse and Wray Bailey, capped by the strain of losing Hector, completed the regular weight and also by his little ac-

tivity this year. On the other hand, Hector is at full strength and will have a good chance to beat the Union grappler.
McElroy will have to battle it out with Roselle Park's Ed Noe for the 105-pound crown. Noe edged McElroy, 3-2, during a meet earlier this season with the Parkers, but since the bout was close it is felt by this writer that the decision could easily be reversed. It will be Al's last chance to take a title, for even though he is only a junior, he will be ineligible next season because of a rule which bars New Jersey high school students from participating in scholastic sports after their nineteenth birthday.

Kenilth Berk'y Win In Grade School Tourney

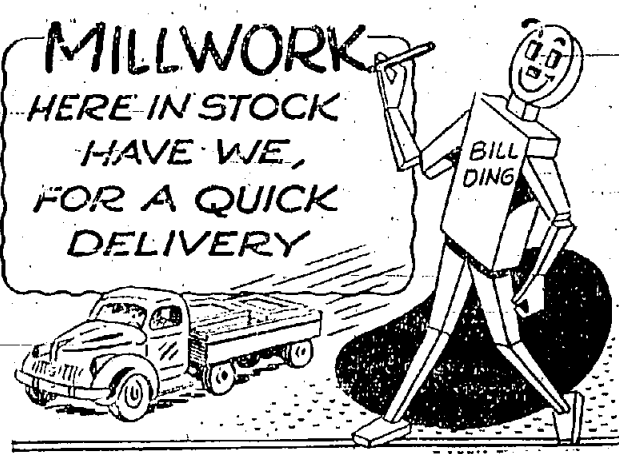

By DONALD ROSSELET
Kenilworth and Berkeley Heights, victors over Raymond Chisholm of Springfield and Clark in the semi-final round, meet today in the first of the sixth annual basketball tournament sponsored by Regional High School, Kenilworth, which had to come from behind with a last moment flurry to meet the local five, should come away from today's clash with its fourth title—three—a lapse of two years during which Garwood and Mountaineer won championships.

Sports In The Sun

By DONALD ROSSELET
It's All Over Now
The Union County Conference's annual basketball tournament, the sixteenth edition of which has been written into the record books, was the brain-child of Walter A. Gardell, director of health and physical education in the Elizabeth public school system, back in 1937. Under his direction, the county high schools successfully inaugurated the first cage tournament of its kind in the state of New Jersey. Today, many counties throughout the state have copied it.

Again, this year, Mr. Gardell was in charge of arrangements for the annual jamboree, the sixteenth straight under his supervision. Truly, he has grown up with his tournament.
This season's tourney, probably the most surprise-packed event since three unseeded teams squeezed into the 1945 semi-final. No unseeded entry has ever taken the championship, although Linden's classy quintet almost shattered that statement this year, running roughshod over three seeded clubs to reach the final. The Tigers, however, bowed out in the windup, 48-34, to defending champion St. Mary's of Elizabeth. The Hilltoppers, on the other hand, had an easy road to hoe, winning rather handily

against Regional Thomas Jefferson of Elizabeth, and Westfield to qualify as a finalist.
The title was St. Mary's second straight one. City-rival Jeff has won four titles as has Regional and Rahway. Linden and St. Patrick's hold claim to the other two crowns.
Ernie Rokose, who amassed 61 points in tourney play, won the Most Valuable Player award, given annually by the Roselle Park Dad's Club.
Top-seeded Plainfield opened the tourney play with an easy 57-40 triumph over St. Patrick's. Cranford blasted Roselle to the tune of 74-34 in the second game on Friday, February 15. The nightcap saw Jefferson squeeze by Thomas Edison of Elizabeth, 46-38.
In afternoon contests on February 16, Westfield upset eighth-seeded Scotch Plains, 46-44; and Rahway rolled up the highest team score in tourney annals with an 88-57 pasting of Pingry. Following Westfield's upset verdict, things began to pop, and pop loud. Sacred Heart of Elizabeth stole the spotlight with a stunning 47-45 victory over second-rated Roselle Park. St. Mary's rocked Regional, 69-26. Then, Linden started on its merry way with a 50-36 upheaval of fifth-seeded Union.
The Tigers battered Plainfield, 60-46, in the quarter-finals. Cranford also strengthened its cause with a 62-58 win over third-rated Rahway, a feat which Cranford also accomplished last season under similar conditions, Jefferson and St. Mary's won second round struggles as expected respectively by 59-24 and 63-41 tallies over Sacred Heart and Westfield.
In the semi-finals, Linden defeated Cranford, 45-38 and St. Mary's took the measure of Jeff, 50-43.
And it's all over now!!!

Although Bailey's record of one win, three losses, and a tie in county competition is not too impressive, it is not a true indication of his ability. Decisions scored against Wray were close margins. He is one of the most improved members of the Bulldog squad and could be a surprise winner in the 115-pound class.
Scorse comes from a family of wrestlers including Pat, who once held a state title.
Richie, however, in competing in a tough weight class which includes such entries as Rahway's Harry Kirby, defending state 115-pounder and Roselle Park's Bob Hahn, runner up in the 125-pound division in the state championship last year, both of whom have scored pin victories over Richie this season. Since he is only a first-year man, Pechin expects big things from Scorse in the coming years and hopes Richie will gain valuable experience by entering the tournament.
Bill Cowpertwate, crack 157-pounder, who lost only one match against county opposition, will be unable to compete in the tourney because of a dislocated left elbow suffered while wrestling in the heavyweight class against Somerville. Also injured is Richie Scorse's older brother Ronnie, who compiled a record of two wins, one loss, and one tie in county competition. His arm was put out of joint when he fell on its during a gym class.
Last year, two Berkeley Heights boys, Art Larson and Ed Masaitis won county championships for Regional and then went on to win second and third places, respectively, in the state tourney.
Of last year's ten Union County champions only Kirby, Hahn, and another Rahway grappler Al Smith returned. Of those three, Kirby is the only one favored to repeat because he and Hahn are entered in the same weight class and Smith has been defeated by the Union heavyweight during the regular season. All cigarette machines in local eating places were removed from town by operators following passage by the Township Committee of an ordinance banning them.

Elizabeth H. Gunn, daughter of Mr. and Mrs. John E. Gunn of 89 Morris Avenue, received her Master of Science Degree from Cornell University.

Mr. and Mrs. Gustav J. Erickson of 22 Reeder Street, Millburn, announced the engagement of their daughter, Ingrid, to George William Johnson Jr., son of Mr. and Mrs. Johnson of 20 Marion Avenue.

The Rev. Hugh W. Dickinson marked the completion of 20 years of service at St. Stephen's Episcopal Church, Millburn, at special services in the church.

KITCHEN EQUIPMENT & FURNISHINGS
NEW GRADE SCHOOL
SPRINGFIELD, NEW JERSEY

SEALED PROPOSALS will be received by the Board of Education, Township of Springfield, New Jersey, in their office in the James Caldwell School, Mountain Avenue, until 4 o'clock P.M. (Standard Time) on Tuesday, March 11, 1952, for the KITCHEN EQUIPMENT AND FURNISHINGS for the New Grade School now under construction.

The conditions of Bidders, Form of Proposal, specifications etc. may be examined at the office of the Architect, Frederick A. Klesner, 2013 Morris Avenue, Union, New Jersey, and one copy may be obtained by each bidder. Each bid must be accompanied by a certified check for ten per cent (10%) of the bid, drawn upon an incorporated bank or trust company, payable to the Board of Education, Township of Springfield, as a guarantee. In case the contract is awarded to the bidder, he will within two weeks thereafter, execute such contract and satisfactory performance bond. Upon failure to do so, he shall forfeit the deposit as liquidated damages and the acceptance of the bid will be contingent upon the fulfillment of this requirement by the bidder. The checks of all accepting the three lowest bids will be returned within five (5) days after the opening of the bid, and the remaining checks will be returned immediately after contract and bonds have been executed. No bidder may withdraw his bid for a period of 30 days after the date set for the opening thereof. The successful bidder will be required to provide and pay for a satisfactory performance bond in approved form, which bond shall be in the full amount of the contract. The Board of Education reserves the right to reject any or all bids, and/or to accept the bid that in its judgment will be for the best interests of the Township of Springfield. The order of the Board of Education, Township of Springfield, New Jersey, is hereby given.

A. B. ANDERSON,
District Clerk.
