FRIENDS!!

There's an advertisement appearing on one of the inside pages of today's Sun calling attention to advantages of joining the local police department. . . it cites allowances for uniforms, paid vacations, retirement benefits, etc., which all goes to prove we need cops in Springfield and need 'em bad. . . in "normal" times, because of the security of a police department position, there's generally a long list of applications on hand. . . but in these days of inflation when a policeman almost always has to seek outside work to properly care for his family, the exact opposite is true. . . we bring out these facts for the benefit of some of those budget hearing attendees who did everything but say cops are overpaid.

Most candidates for local political offices are now known. . . no longer is it necessary for our staff to write the customary "dope" stories which usually precede petition filing deadlines. . . Fran Keane's candidacy comes as somewhat of a surprise. . . the fusion ticket of Keane and Walt Baldwin for Township Committee can be counted on to cause Art Handville and Charles Remlinger, backed by the GOP organization, considerable trouble. . . but even at this early stage of the game we predict they're going to have a long pull. . . Baldwin promises a factual, non-demeaning campaign. . . here we go again!

Results of the Regional School Board election Monday was surprising. . . it had been expected that Richard N. Southgate of Berkeley Heights would oppose Berttram J. Bertolamy of Garwood, for the board presidency. . . however, Bertolamy was re-elected unanimously, upsetting pre-election predictions by observers. . . another interesting phase of the meeting was the induction of John Conlin of Garwood, as a board member. . . he is the youngest member and the first graduate of Regional High to be on the board.

Complaints regarding the traffic signal at Morris avenue and Satter street are mounting steadily. . . the light was installed at the location after many months of demands and surveys. . . now that it's there, pedestrians and motorists alike declare that the waiting time between light changes, permitting proper crossing of the street and exits from Satter street, is entirely too long.

A burglary protection racket may soon be exposed by local police. . . cops are said to be working on two cases of breaking and entering where the owners of firms involved received phone calls citing the advantages of burglary insurance immediately before the breaks and right afterward. . . maybe just a coincidence!

Last Friday night's GOP shindig was a howling success. . . although the dining hall at Balfour Golf Club wasn't jammed to overflowing, virtually all Republican bigwigs and candidates of any importance were in attendance. . . Congressman Cliff Case, who didn't know until the last minute he was to be the evening's principal speaker, did a masterful job. . . introductions of local elected and appointive officers alone by Townmaster Pascoe took nearly a half hour. . . last of the official party left the place in two hours.

Because of last week-end's bad weather and illness among workers, this is the first time in more than ten years the Springfield Red Cross Chapter failed to reach its goal in the first 48 hours of the drive. . . the campaign will be continued Saturday and Sunday with assurances that the quota will be met by Sunday night.

F. Ed. Bierensmeyer's "Rip Van Winkle" stickers are creating quite a stir through the county. . . 1949-1952, twenty years asleep, darn near time to wake up, vote for a Republican President, say the stickers.

H.A. Mende Dies After Car Crash

Florist's Wife Hurt in Crackup

Herman A. Mende, Sr., 56 years old, a florist at Mountain and South Springfield avenues for twenty-seven years, died Tuesday in Paul Kimball Hospital, Lakewood, shortly after his car had been involved in a three-car collision in Route 4 south of Lakewood.

Mende has been riding with his wife, Mrs. Alice F. Mende, who suffered laceration of the head and elbows and shock. Hospital authorities yesterday reported her condition is fair. She was not told immediately of her husband's death.

Also injured were Mr. and Mrs. James Lee, of Locust street, Toms River. Police reported that Mende's car was struck from the rear by a vehicle operated by Audrey Polkins, 26, of Atlantic City boulevard, Birchwood. He was treated for minor injuries.

According to State Troopers Civic and Badini, Mende was driving south on Route 4 when his car was struck and pushed into the northbound lane into the path of the car driven by Lee. Polkins' car careened off the highway into a tree.

Mende was arraigned before Magistrate Kline of Bayville on a charge of causing death by auto. He was released in \$1,500 bail for action by the Ocean County Grand Jury.

Mende and his wife operated Mende's Florist Shop here. He was a member of the Springfield Lions Club. He was a director of the New Jersey-New York Unit of the Florists-Teligraph Delivery Service.

Surviving, in addition to his wife are two sons, Herman A., Jr., of Millburn, and Robert, of Springfield; a daughter, Mrs. Alwine Hasselman, of Garwood; his mother, Mrs. Alwine Mende of Secaucus and six grandchildren.

Original reports had been to the effect that a majority of the board would seek to unseat Bertolamy and replace him with Southgate. However, both choices were unanimous. It is understood that the sentiment of the board was that Southgate will be needed in his capacity as building committee chairman.

He and the board president have worked together on the project. One member also pointed out that Bertolamy is in a better position to be present at important conferences than many other members.

Bertolamy had been a member of the board since 1947. He was elected president a year ago following the retirement of E. Douglas Woodring of Springfield. He formerly was chairman of the teachers' committee.

John E. Conlin was inducted as a member from Garwood. He recently defeated Frank M. Corey of that borough. He is the corey of the board in the history of the board, being only 25 years old. He is the first Regional Alumnus to become a board member. He is a school teacher in Clark.

Also inducted for new terms were Raymond W. Forbes of this township and Dr. Minor C. K. Jones of Mountainside. Both were unopposed. The board set the fourth Tuesday as its meeting night. It will meet March 12 to receive bids for construction of a new agricultural building.

Bertolamy Elected By Regional Board

In a session which surprised observers for its harmony the Regional Board of Education Monday night re-elected Berttram J. Bertolamy of Garwood, president, and Richard N. Southgate, of Berkeley Heights, vice-president.

After a second Colfax protest had been entered, the Township Committee, in a split vote, impounded to police custody all impounded documents concerning the project.

In a private meeting Tuesday night Colfax presented to the Township Committee a photostatic of a document claimed to be "conclusive evidence" that there had been a violation of the original agreement. Proponents and opponents of the project were heard in the bitterly argued five-hour secret session.

Last night's move was effected despite the concurring views of both former and present township attorneys that, at best, the township "stands at the short end of a long odds" in any litigated test with the developer.

To Ask Court To Halt Apart. At 182 Units

Action Against Short Hills Vill. Ordered By Town

Superior Court in Elizabeth today will be asked by Township Attorney M. A. Sherman to immediately restrain the developers of Short Hills Village, Inc., from erecting more than 182 garden apartment units—70 less than its present authorization.

In a unanimous vote that Township Committee last night sought to rescind an effective building permit which would allow the construction of 252 units.

The decision was an outgrowth of protests by members of the Colfax Civic Association who first raised the issue that the township was allowing the developer to construct 252 units instead of 182. Township authorities admit that the latter was the figure originally agreed upon by them and the developer.

After a second Colfax protest had been entered, the Township Committee, in a split vote, impounded to police custody all impounded documents concerning the project.

In a private meeting Tuesday night Colfax presented to the Township Committee a photostatic of a document claimed to be "conclusive evidence" that there had been a violation of the original agreement. February Tax Collections High

Tax collections for last month were far in excess of the figure for the same month in 1951, Tax Collector Charles H. Huff points out in his monthly report.

The figure for February was \$56,702 as compared with \$63,726, he said. This shows an increase of \$32,976, or better than 50 per cent.

The total collections to date are \$229,338. The total for the first two months of last year was \$152,397. The increase is \$76,941 representing approximately 50 per cent.

Of the tax collections recorded to date, \$213,125 is for 1952. The amounts for other years are: 1951, \$9,602; 1950, \$149; 1949, \$6.34, and 1948, \$6.04.

The total delinquent taxes is \$9,964.06. Tax title liens totaled \$5,128.54. Auto bus receipts were \$684.45 and interest and costs on taxes was \$526.30. Interest and costs on assessments totaled \$77.46. Tax search fees were \$95.50.

Republicans Face Freeholder Battle

Indications today were that the Republican primary will feature another all-out battle between the forces spearheaded by Freeholder Albert J. Benninger, of Mountainside, and the faction controlled by the ruling county G.O.P. organization in a struggle for control of the Board of Freeholders.

Benninger apparently will support the candidacy of Ernest S. Hickok of Summit and Sherywood C. Valentine of Rahway. The Mountainside freeholder, who supported two candidates in last year's primary and defeated Freeholders Lee S. Rigby of this township and R. Story Rowland of Plainfield, now is waging a contest to gain control of the board.

In the event Valentine and Hickok are successful in the primary, Benninger's efforts will be frowned upon with success and there is little doubt but what he will be named the board's director next year. Currently, he is fighting against renomination of the trio of incumbents, Freeholders John H. M. Dudley, of Elizabeth; Harry E. (Continued on page 4)

A number of motorists paid fines for speeding on Morris avenue. Spending fines assessed include Michael J. Alocco, Livingston avenue; New Providence; Anthony Gargallo—North Plainfield; Stephen C. Stillwell, Elizabeth—YMCA and Richard D. Reinhard, 28 Amity street, Elizabeth, \$10 each, and Joseph D'Alasmes, 1252 Waverly place, Elizabeth, \$5.

Town Falls Below Red Cross Quota

For the first time in more than a decade the Springfield Chapter of the American Red Cross failed to be either first or second among Union County municipalities in obtaining its quota.

Mrs. Leslie Joyner, residential chairman, said failure to top the quota of \$2,205 in a single weekend, as in the past was due to the illness of a number of canvassers and to inclement weather.

She said that the heavy snowstorm of Saturday morning and the influenza and other ailments which have been sweeping through the community were responsible for the chapter's failure.

The residential chairman predicted the quota will be attained this week-end.

For a number of years Springfield outstripped other municipalities. Recently it has encountered stiff competition from Westfield, which has also matched its quota in a short period. Westfield is considerably larger than this municipality.

Move Surprises Springfield GOP

For the second time in recent years the township will face an election in November with an independent-fusion slate competing for two seats on the Township Committee with the regular Republican and Democratic tickets. The independent candidates will be Fire Commissioner Walter W. Baldwin and former Township Committeeman Francis J. Keane.

Baldwin is a Republican and Keane is one of two Democrats who have been elected to the governing board in recent years. Their principal opponents are expected to be Finance Commissioner Frederick A. Handville and Charles A. Remlinger, who will be the Republican candidates. The local Democratic organization waited until tonight to file its ticket. Deadline for filing is at midnight.

The Baldwin-Keane fusion ticket caused considerable surprise in political circles here. Baldwin was elected to the governing board in 1949, together with Handville. In the past year he has been in log-jams with Handville, Police Commissioner Albert G. Binder and Mayor Robert W. Marshall.

Keane was elected a township committeeman in 1946. He did not seek re-election in 1949. Like Baldwin he served as fire commissioner and also held the post of police commissioner for two years. He was shifted from the police commissionership, to which he originally was appointed by Mayor Wilbur M. Selander, when Robert W. Marshall became mayor in 1949.

The last time an independent ticket ran in the field was three years ago when Herbert A. Kurvin, Republican, and Timothy J. Sheehan, Democrat, constituted the fusion ticket. They finished second in a six man competition, losing to Baldwin and Handville but ending ahead of Township Committeeman George M. Turk and Paul Callahan.

Political observers immediately pointed out that the action of the Baldwin group in organizing a fusion ticket eliminates any possibility of a primary contest here for the governing board. The ticket merely will file for the primary and will appear on the November ballot as an independent group.

Baldwin and Keane revealed their campaign manager will be Eugene Becker. The steering committee of the organization will have both Republican and Democrats. It was said, whether the Democrats of the township would fall to file a ticket and support the fusion group appeared doubtful.

Baldwin's move was considered good strategy in some quarters in that he will not have to compete with the township Republican organization in the primary where he obviously would be at a disadvantage. They pointed out that he will have many months to perfect the two-party organization. In this instance, it was said, time will work to the advantage of the independent group. In addition a Presidential contest will get out a heavy vote and Baldwin and Keane serve to profit as a result, it is contended.

Baldwin, in announcing organization of the fusion ticket, said he will stick to facts and argue all issues in the approaching campaign.

UC Badminton Tournery Set

The sixteenth annual Union County Badminton Tournament will be conducted at the Singer Recreation Building, Elizabeth, on March 26 and 27.

There will be divisions for men's doubles, women's doubles, mixed doubles, men's doubles and women's doubles. Any person not having won a first or second place in a municipal, county, state or national tournament is eligible for the novice events.

Alex Hommel and Copas Monnet, both of Rahway, were the men's doubles winners and Mrs. Frances Hondo teamed with Nancy Corduroy of Elizabeth to win the women's doubles title. Mrs. Judy Aurnand of Elizabeth teamed with Bob Waterhouse of Cranford to annex the mixed doubles crown.

Entries for the tournament can be secured from the Union County Park Commission, Elizabeth. They must be filed by noon, March 19.

Discuss Plans For Week-end—John Dalton, general chairman; Mrs. Leslie Joyner, residential chairman, and Raymond Pierson, business chairman, discuss arrangements for the canvass at which it is hoped the quota will be met.

Republicans Face

(Continued from Page 1)

King, of Union, and Mrs. Helen Glaser, of Clark.

Observers are inclined to believe that Benninger probably will oust Mrs. Glaser and that Hielok will become a board member. The Summit man is expected to receive considerable support in Springfield as well as in other municipalities throughout the county. Mrs. Glaser's appointment, made over Benninger's protest and without prior announcement following Director William McMan's resignation last December, was not a popular move.

However, there is considerable doubt whether he will be able to put Valentine into the victory column. The Highway man has a pleasant personality and is well liked by all who know him. However, he comes from a city which is on the fence as far as politics is involved. The Republicans gained control of Rahway only

last year and the majority still is held by a Democrat, James G. Egan, who may be re-elected this year. The city consistently shifts from G. O. P. control to Democratic. However, the trend recently has been to the Republicans.

Dudley probably will be difficult to defeat. The veteran freeholder keeps his political fences in good repair. However, the Benninger line of attack on the freeholder, who also is an architect and minister will be that Elizabeth has three freeholders, one third of the board. He will urge Summit and Rahway representation.

King is less popular than Dudley. Benninger may concentrate on him as well as on Mrs. Glaser. King will have the solid backing of his own political group, the powerful Regular Republican Club of Union under the leadership of Mayor F. Edward Bierbaum.

This will be a potent factor. However, indications are that Benninger probably will elect one of his candidates and has a possibility of putting over the second.

Know Your Government

By N. J. Taxpayers Association

SUBSIDIZED POLITICS

Removal of jobs from the bank and file jobs in government is the objective of two widely separated proposals advanced by citizen groups.

In Trenton, the New Jersey Taxpayers Association urged changes in the state laws to prevent activities to promote political parties by public employees, below the policy-making level.

New Jersey Taxpayers Association President George E. Stringfellow pointed out that while both public employment and participation in political party affairs are necessary and honorable occupations, one should not be permitted to interfere with the other.

"Public employees should be relieved of the necessity of electioneering and contributing to party campaign chests, to hold their jobs," he said. "They should be

chosen and retained in their positions on the basis of merit."

In Washington, Colonel E. H. Palmer of Kingsport, Tennessee, called for extension of the merit system to reduce the number of Federal jobs filled through political and personal patronage.

Colonel Palmer is activating the citizen "task force" seeking enactment of a series of recommendations to improve Federal handling of personnel. Congressional action would change many outmoded Federal personnel procedures which currently reduce efficiency.

Uncle Sam employs some 2½ million people whose payroll approximates 10½ billion dollars annually.

Improvement of personnel procedures is one of six major Hoover Report "targets" outlined for enactment by Congress this year by citizen organizations supporting the recommendations for reorganization of the Executive Department of the Federal Government in the interest of economy and efficiency. The others call for a united medical administration, a reorganized Veterans Administration, proper organization of national resources, and an improved postal service.

here may we suggest the following titles, among others, for Lenten reading: "When the Lamp Flickers" by Lewis; "Wentworth," "The Search for God" by Marchette Chute; "Mr. Jones Meets the Master" by Peter Marshall; "The Theology of Holy Writ" by Helen Waddell and "The Greatest Story Ever Told" and "The Greatest Story Ever Written" by Fulton Oursler. New books just received include: "The Hayburn Family" by Guy McCrone; "Jefferson Selleck" by Carl Jonas; "Albion Bridge" by Hammond Innes; "Back of Town" by Maritta Wolff; "What Eisenhower Thinks" edited by Taylor Allen; "The Chicago Story" by Ira Morris and "Cottrell, Samaritan of Science" by Frank Cameron.

There was a time when libraries were known as "morgues of culture" but the trend for change has touched the libraries as well as everything else. The culture may still be found, of course, but also many other things—as well: the simple, homely things, first aid to man and machine, etc., books for the doer as well as the thinker. For a well-rounded personality one is supposed to be fairly capable in both fields. With the explicit directions and illustrations in many of the craft books, even the people who say they "can't drive a nail" can accomplish surprising results. Don't be misled by the term "craft", it means so much more than the making of baskets and fancy wares. The new books include instructions and suggestions for reconstructing and renewing everything about the home from the prosaic task of mixing concrete to the most delicate touches needed to make a room attractive. Now that the Lenten season is

TO THE PEOPLE OF NEW JERSEY

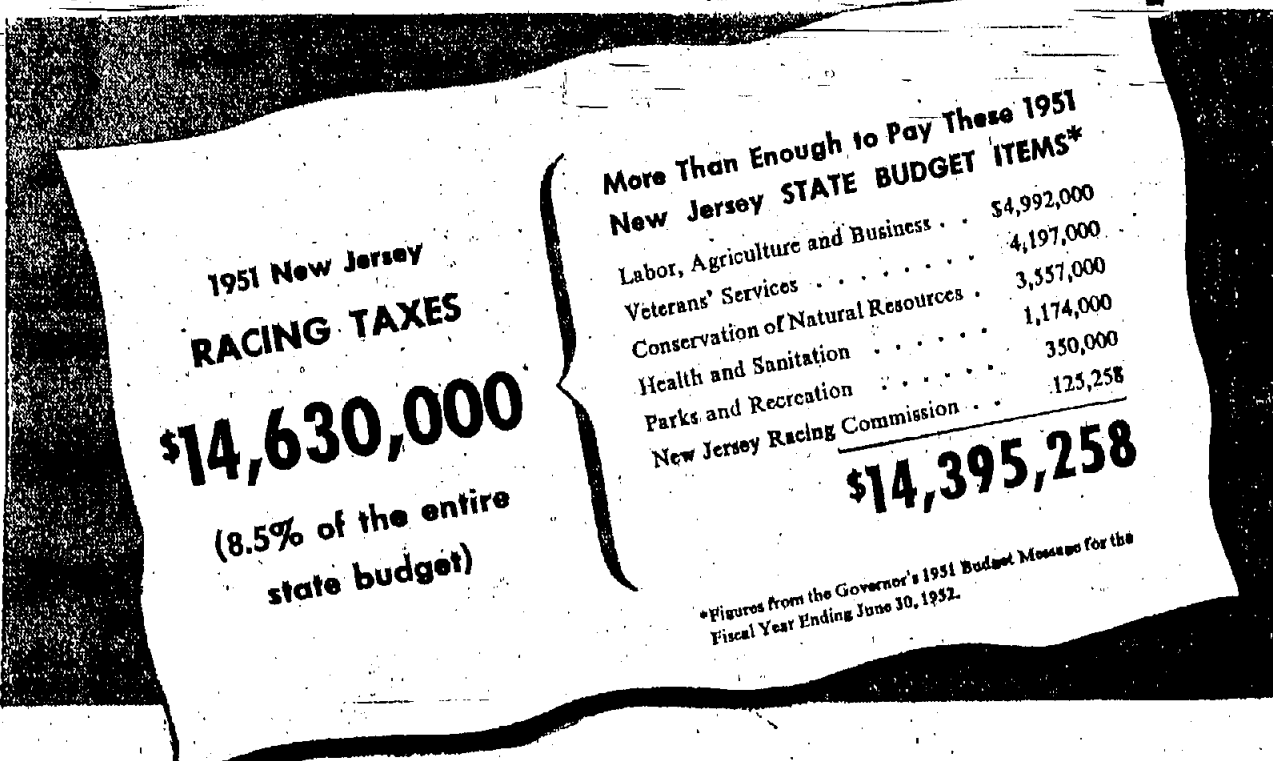

A Report on Thoroughbred Racing and Taxes

People generally think of horses and handicaps—not economics—in connection with racing.

But thoroughbred racing actually is an important factor in New Jersey's state finances. For the three New Jersey tracks paid more than \$14,630,000 into the state treasury during 1951. That's 8.5 per cent of the entire state budget—a good bit more than was needed for five important state expenditures. To meet operating costs, this sum had to be raised—either from thoroughbred racing or additional taxes.

And racing means money for New Jersey in other ways, too. Thousands of visitors from neighboring states come here every racing day. They enjoy the thrills of a great sport. They bring business to New Jersey. And thousands of your fellow citizens are employed by the three New Jersey tracks.

Yes, as thousands cheer, millions are served well by racing in the Garden State.

Regional High Blanked In County Wrestling

Hector, McElroy, Bailey, Score Lose Decisions

By HERB HEINBUCH

Regional High's wrestling team, holder of a 1-5-2, won-lost-tied, regular season slate, failed in its quest for a winner in the district eliminations last Friday and Saturday at Union. The four Bulldog entries—Al Hector (106), Wray Bailey (115), Richie Scorese (123), and Al McElroy (168)—all were beaten on decisions. Hector lost a 7-6 match to Bob Briscoe of Union. Joe Martinoni stopped Bailey, 5-4. McElroy was also a 5-4 loser to Union's Bruce Bowles, and defending 115-pound county champ, Harvey Kirby of Rahway, defeated Scorese, 6-0.

Roselle Park, which managed only two individual winners, retained its team title with 30 points. Union won with 23. Jefferson third with 15. Rahway fourth with 15, and Regional last with 0. Plainfield and Pingry's first-year team, the only other mat clubs in the county, did not enter.

The county crowned 10 new champions as a result of the two-day affair. The champs are Jack Heise of Roselle Park, 106; Tony

Oliver of Jefferson, 116; Harvey Kirby of Rahway, 123; Garfield Lewis of Rahway, 130; Nick Blondi of Union, 135; Tommy Thompson of Rahway, 141; Don Florio of Union, 148; Baron Thompson of Union, 157; Ed Noe of Roselle Park, 168; and John Settecerce of Jefferson, heavyweight. Kirby was the titleholder last year in the 115-pound division.

These ten aspirants will compete in the State wrestling meet at the Elizabeth armory this week-end. The drilled program starts Saturday morning.

The summary of the Union County wrestling final:

108 pounds—Jack Heise, Roselle Park, defeated Bob Briscoe, Union, fall, 4-0.

115 pounds—Tony Oliver, Jefferson, defeated Joe Martinoni, Roselle Park, decision, 8-2.

123 pounds—Harvey Kirby, Rahway, defeated Bob Hahn, Roselle Park, decision, 8-2.

130 pounds—Garfield Lewis, Rahway, defeated Clint McNeill, Jefferson, decision, 4-2.

157 pounds—Baron Thompson, Union, defeated Joe Martinoni, Roselle Park, referee's decision, 1-1.

168 pounds—Ed Noe, Roselle Park, defeated Bruce Bowles, Union, decision, 2-1.

Kenilworth, which has been a finalist in every tournament over the six-year period, has taken three championships. The other winners have been Mountinside (last year) and Garwood.

The most valuable player award was given to Ronnie Colcher on the strength of his fine floor game. Ed McCarthy garnered 20 for the losers.
