Woman's Show Talk of the Town

Skits And Dances Draw Paudits Of Audience of 400

More than 400 members, husbands of members and guests attended "Magazine Highlights," a show sponsored by the Springfield Women's Club last Wednesday evening at Raymond Chisholm School. The production, still the talk of town, was composed of parodies of popular magazines, and was under the direction of Mrs. Donald Sobin, chairman, and Mrs. Leslie Williams, co-chairman, and members of the Drama Department.

As Miss "Holiday," Sally (Kenneth) Bandomer, topped in venetian attire, entered the travel agency run by Ruth (Mrs. Robert) Hayes. Mayor Robert W. Marshall, dressed as a porter, carried the traveler's luggage, golf bags, and tennis racquets. He was tipped a nickel by Miss "Holiday" and received a verbal trouncing for his efforts. Miss "Holiday" who was none other than A. E. Anderson's secretary, had saved a long time for a real vacation. She wanted to go to Hawaii until she found out how much it would cost. She admitted that after buying clothes and other equipment, her purse contained only \$10. Since the agency had never failed, it booked her for Seacrests.

The skit "From Reader's Digest" showed steward Brown as a poor politician trying to give Peggy (Mrs. Henry) Vance a ticket for going through a red light. It ended with the policeman promising to ignore her offense. If she would promise not to report him to the other members of the Women's Club.

Mr. (Mrs. Leonard) Fields portrayed the "dear little red head" problem child for the Parent Magazine skit. The only one who loved her was her mother, Dot (Mrs. Paul) Weiss.

A fashion show for Mademoiselle featured Charles Phillips, Jr., as a "vision in satin." Rover Shotwell, the "new hare look" and Paul Weiss, with Jean (Mrs. Theodore) Holliman commented on the new gowns, wraps and slippers.

Twelve covers from Esquire were portrayed by Gretchen (Mrs. Raymond) Forbes, January; Gladys (Mrs. Charles) Bardsley, February; Mary (Mrs. John) Bradley, March; Ruth (Mrs. Robert) Hayes, April; Agnes (Mrs. Earl) Flanter, May; Dot (Mrs. Merton) Williams, June; Helen (Mrs. Charles, Jr.) Phillips, July; Miss Viola Egler, August; Isabel (Mrs. Robert) Briggs, September; Edith (Mrs. William) Geriz, October; Peggy (Mrs. Henry) Vance, No-

County Committee Race Marks Tuesday's Vote

Red Cross Drive Has Higher Quota

With the original quota of \$2,985 reached, officials of Springfield Chapter, American Red Cross, today revealed that the figure had been increased by \$200 to \$4,165. Jack Dalton, chairman of the Fund Drive, reported that \$4,147 had been contributed with only \$18 needed to meet the new figure.

Dalton pointed out that the new quota has been set by National Headquarters which asked local chapters to increase their respective quotas. A large sum has been appropriated by the Red Cross to provide relief for tornado victims in the Mississippi Valley area and for persons whose homes were washed away in floods in the Missouri River Valley.

The local fund chairman reported there still are scattered areas to be contacted. He expressed belief the new quota will be met.

Dalton said the fund drive was successful because of the generous and unselfish spirit of Springfield residents. He said this was typified by members of Brownie Troop 16, The Brownsies of Troop 16 would like to donate their week's dues to the disaster fund. We like to feel as though our small contribution will help others.

Hickok-Valentine In Final Appeal

Before the membership of the Third Ward Political Club of Westfield, Ernest S. Hickok, Spinnin and Sherwood C. Valentine, Rahway, made their last minute appeal to the voters of Union County by summarizing their platform as follows, they said:

"In the heat and passion of a primary campaign, particularly during a presidential year, the real issues on which opposing candidates differ may be lost sight of."

"This is particularly true of the county or municipal offices for which there is a contest."

"For that reason, we wish to remind the voters of Union County why we are in the contest for the nomination for Freeholders on the Republican ticket and what our platform is."

"We entered the Freeholder race at the insistence of many Republican committeemen and women, who resented what they referred to as the 'closed corporation' tactics as demonstrated by the incumbent Freeholders two days after the November election with their own secret selection of a replacement for Mr. McMann."

"Our platform can be briefly stated. It is this:

"To provide the people of Union County with a better government."

Entertains G. I.
At Camp Kilmer
A group of Springfield girls entertained hospitalized soldiers at Camp Kilmer Saturday afternoon. The girls, who are members of the freeholder club at Regional High School, were taken to the camp by Mrs. Charles Bardsley, chairman of the Springfield Red Cross motor car unit. Mrs. Harry Van Lear and Mrs. Roy Kelsay were chaperones.

The Freeholder Situation

Hundreds of voters in this municipality are expected to go to the polls Tuesday to indicate their choice of candidates in their respective primaries, whether they are Republicans or Democrats. It is the opinion of this newspaper that all registered voters should indicate their preference, especially for the Presidency. This is one method of taking the choice out of the hands of the politicians.

However, there also are other items of importance especially to Springfield, which is predominantly Republican. Among these are the trio to be nominated for the Board of Freeholders. There are six aspirants, including an independent candidate. But the principal contest will be between the trio of bracketed incumbents, John H. M. Dudley, of Elizabeth; Harry E. King of Union, and Mrs. Helen Glaeser of Clark, and the nominees being supported by Freeholder Albert G. Bonninger: Sherwood C. Valentine, of Rahway, and Ernest S. Hickok, of Summit.

Fundamentally this is another phase in the continuing struggle between the Mountainside freeholder and the Board's Old Guard for control of the board. The big question is: Should the board revert to control of a new faction. At least that is what both sides claim.

The Sun is not particularly interested in that particular development. It is more interested in the candidates and the municipalities which will be represented. One of them, Harry E. King, is a resident of Union, third largest municipality in the county and representative of a Republican organization which has done much to augment the cause of Republicanism in the county and to solidify the party. To this newspaper it is inconceivable that Union should be without a freeholder representative.

Of equal consideration is the background of King, who has served as a freeholder for half a dozen years and prior to that had many years as a township committeeman in one of the most progressive municipalities in the county. The Sun feels that King should be renominated and urges its readers to support him on Tuesday.

Hickok also comes from a municipality which up until the end of last year always has been represented on the county governing board. Summit for years has been a bulwark of the Republican party. This newspaper feels there is no question but what its representation should be renewed. Hickok is president of City Council in Summit and has the background of municipal knowledge which always stands one in good stead in event of being chosen as a freeholder. Union County, we believe, will benefit from his nomination and we urge voters to govern themselves accordingly.

Looking at the remaining trio of candidates for the third candidate we are inclined to pass over Mrs. Glaeser. She is a likable personality but actually has had no experience in municipal or county government which, in our opinion, would qualify her for the board of freeholders. She lives in a small municipality which, although growing rapidly, hardly can expect its claim to a seat on the board to be given a priority over such municipalities as Rahway and Plainfield, currently not represented.

We would be inclined to reject the candidacy of John Dudley for a different reason. Elizabeth, which is not a Republican municipality, currently has three representatives on the freeholders. That is one-third of the entire membership and is, we believe, completely out of proportion. Despite the fact that Elizabeth contributes to the Republican total we do not believe it is entitled to more than two freeholders. There should not be domination of this important group by Elizabeth Republicans. We have no criticism of Colonel Dudley's service. But we feel that new faces on the board, assuming the men are competent, are beneficial. In this case a change is necessary to break the county seat domination.

Which brings us to Valentine. This newspaper believes that once again this candidate has the ideal qualifications. He comes from a city which deserves representation since it now has a Republican majority on its governing board. He has served several terms as a city council member, which has given him the necessary background for service to the people and his many years of experience as a banker gives him a solid business background and a splendid knowledge of finance which certainly will prove useful on the board.

This newspaper, let us repeat, is not particularly interested in who controls the freeholder board. But it is interested in equitable representation and good, experienced government. To obtain that we urge the nomination of Harry E. King, Ernest S. Hickok and Sherwood C. Valentine.

Interest High In Freeholder Campaign

The first barrage of the all-out battle between the political adherents of Fire Commissioner Walter W. Baldwin and the Springfield Republican Club will be fired Tuesday in the Primary Election as the Baldwin forces attempt to unseat Tax Assessor Wilbert W. Layng and Township Attorney Max B. Sheerman from their seat on the Republican Municipal Committee.

In another contest the Republican organization will carry the fight to the opposition faction when it attempts to defeat Daniel Wendland, Baldwin associate, in his attempt to retain his committee seat.

Township Sanitarian and Plumbing Inspector Arthur L. Marshall former G.O.P. is a candidate for the Third District seat currently held by Wendland. Rudolph Schroeder is the Baldwin candidate in the Fifth District where Layng holds sway. Sherman, Third Ward Committeeman, is facing opposition from John H. Grocki.

A fourth seat which will feature a contest between the factions is that of committeewoman in the Third District. Mrs. Myrtle V. Post will attempt to oust Mrs. Julia S. Brown, allied with the Baldwin group.

Even the Democrats, who have failed to nominate candidates for the Township Committee, for the first time in many years, have a contest for a county committeeman seat. H. Stanley Glenn, erstwhile governing board candidate, and James Cullenan are seeking the Third District county committeeman's post.

There will be no Township Committee contest in the primaries. The Republican nominees are Township Committeeman Frederick A. Handville and Charles Replinger. Listed as independent candidates are Baldwin and former Township Committee member J. Cannon, on a fusion ticket.

Interest throughout the county will be centered on the Republican freeholder contests where a bracketed trio of incumbents will contest for the three nominations with two candidates backed by Freeholder Albert J. Bonninger of Mountainside. A sixth candidate (Continued on page 4)

Name Local Man As Tree Expert

The Bureau of Tree Experts has certified a total number of 45 men since the passage of the law in 1940. A list of the Certified available to any property-owner in the State and may be obtained by writing to Nelson T. Kessler, Secretary-Treasurer, Bureau of Tree Experts, State House Annex, Trenton.

LISTEN

The ridiculous hootin' and howlin' about Short Hills Village, which ended last week when the courts ruled in favor of the developer and the construction of 252 units, was having its aftermath in "The Sun office" as late as yesterday with the arrival of the 37th letter on the subject to the editor. . . . 32 of the missives agreed wholeheartedly with the opinions expressed in an editorial in this newspaper sharply criticizing town fathers for allowing a pressure group to force Springfield into a hopeless court case and needless expense to the community as a whole. . . . seven of those letters were from property owners in Colfax and what they called some of their neighbors weren't fit for print. . . . four letters lashed the editor for being "ruthless" with a group of municipal officials "who may have been wrong, but nevertheless tried to do the right thing."

Our circulation department reports that more Springfield Suns were sold in this town during the past four weeks than ever before in any similar period in the past 20 years!

Grant Lennox, son of Township Engineer and Mrs. Arthur H. Lennox, is back home after another stretch of duty with the Marine Corps. . . . although he didn't get into the thick of things this time as he did during World War II, the marine officer says he's glad to put civilian clothes on again and hopes it will be for good. . . . Grant attended his first local Rotary meeting in about 16 months on Tuesday and when we say he looked well and strong enough to take on an army by himself we're not kidding!

We've been noticing some real headway being made these days by Veterans of Foreign Wars on their new home and headquarters on Morrison road. . . . with just a few more volunteers to assist in doing the work the project should be completed in short order.

Springfield's annual clean-up, fix-up, paint-up program will be launched on April 21 and will continue for two solid weeks. . . . Road Commissioner Fred A. Brown will come forth with an announcement in next week's newspaper urging the cooperation of all residents and property owners in the community. . . . owners of vacant land will be asked to remove papers, trash, refuse, old boxes and trees (Continued on page 4)

Hours are 10 a.m. till 9 p.m. Proceeds of the sale will go into the Building Fund of the new parish house. No matter what your taste in literature may be, says the committee, you're sure to find a book or two that will interest you. Most of the books are in excellent condition—some practically new. Come early and take advantage of the greatest selection.

Appropriate graduate study may be substituted for all or part of the required experience, depending on the grade of position.

Your Library

Tastes in reading, as in everything else, change. Many of the books that were "musts" in every family a generation or so ago are ignored by young readers today, or at best are read only as required reading in school or college. Pilgrim's Progress, Moby Dick, Silas Marner, Ivanhoe and Uncle Tom's Cabin are a few titles that fall into this category; yet, although they are read under duress today, they still stand for something in the world of literature, for a good book in 1952 is still a good book in 1952.

New books this week include East Side General by Frank L. Slaughter, Elizabeth the Queen by Marion Crawford, Which Grain Will Grow by H. H. Lynde, Lieutenant Hornblower by C. S. Forester, Mr. President by William Hillman, Under the Sea Wind by Rachel Carson, The World's First Love by Fulton J. Sheen, and Will Rogers on How We Elect Our Presidents, edited by Donald Day.

Candidate Defends Shade Tree Action

If the public were willing to spend the money and legal provision existed, the county could care for all shade trees, Freeholder Harry E. King, Union, said today in comment on a "false issue" devised by an independent candidate who had not bothered to read the law. King is bracketed with Freeholders John H. M. Dudley, Elizabeth, and Mrs. Helen M. Glueser Clark, for the Republican freeholder nomination next Tuesday. "The Union County Shade Tree Commission was established two decades ago," said Freeholder King, "to function on county highways and other county property. The parent legislation is of the permissive type and its operations are curbed by several restrictive laws, including one that forbids the agency to work within the limits of any municipality having a city, but the thing costs and the municipal shade tree commission, several communities that had not established their own shade tree agencies, but the thing costs and the restrictive tone of the law put a stop to that assistance in 1948."

GARDEN STATE PARKWAY TRENTON, April 10. Continuing his program to connect the Garden State Parkway with Trenton in Union at the earliest possible date, State Highway Commissioner Ransford J. Abbott will take bids on Thursday, April 17, for paving 2-7 10 miles of roadway from Centennial Avenue in Cranford Township to Galloping Hill Road in Kenilworth.

Hostesses included members of her bridal party: Mrs. Frances Kaiser, who will be matron of honor for her sister, and Mrs. Mary Boyton, Mrs. Elizabeth Boyton, sisters-in-law of the bride-elect, and Miss Carol Lee Boyton, her cousin, who will be bridesmaids.

Decorations were in white, with the gifts arranged under an all-white net and lace umbrella. A buffet supper was served. Forty guests were from Springfield, Westfield, Mountainside, Plainfield, Dunellen, Scotch Plains, Summit, Garwood, Roselle, Millburn, Union, Cliffwood, Cranford and Kenilworth.

Miss Boyton will become the bride of J. L. Wheat, son of Mrs. Peter Ely of Grant Bond, Kansas, on May 10 in the Mountainside Union Chapel, Mountainside.

Music Hall and making the tour of N.B.C. studios. This coming Saturday, April 12, they are looking forward to an "Easter Egg Roll" on the lawn at Harry Speicher's home on Evergreen avenue.

We, Scouts, love the vacation time. Most of our Intermediate leaders plan these special trips for us. The girls from Troop 4 are going to the Zoo on Staten Island on Tuesday, April 15. This is an interesting trip and not many think of it—maybe because it is so near at hand.

Troop 12 Scouts is going to Walker Gordon Farms in New Brunswick on April 16 and will picnic on the way. They have already started their Girl Scout Craft Project for the Strawberry Festival—Raffia Hot Mats.

Brownies from Troop 17 will enjoy a hike to Echo Lake Park next week and will have plenty of good eats on hand to satisfy the hunger that is going to be around after that hike. These girls are working on Easter baskets and place cards for their craft project.

Believe us, we did some scouting around for our news this week. One—never does appreciate the phone until you don't have it.

Happy Easter to all our Springfield friends. Our Strawberry Festival Committee is busy at work these days and we hope all the Scout Mothers turn in those slips telling the Committee how they will be glad to help. If all our other friends could possibly make a "White Elephant" donation or make an apron or bake a cake for that day, won't you please call Mrs. Doherty, Mt. 6-4159-37? We, Scouts, will be so grateful for in that way our proceeds will be better and our "Little House Fund" will grow. Yours in Scouting, The Springfield Scouts.

GIRL SCOUT CORNER

Dear Folks: We are quite proud of our girls who have started the Senior program. They participated in their first Senior Conference at Cranford on Saturday, March 29. Twelve girls from Troop 2 and one girl from Troop 3 attended the all day session which opened at the Cranford High School at 10 p.m. Six of the Springfield girls were flag bearers and color guards in the opening flag ceremony.

This conference was held for all Senior Troops in Section Y of Region II, with the Union County Senior Troops forming the Senior Scout Planning Board for this particular meeting. The Cranford Seniors were the hostesses. Section Y covers Union, Middlesex, Monmouth and Ocean Counties. One hundred and sixty-four Senior Scouts and 35 adults attended the conference. Mrs. Harry Gregory, leader of Troop 2, and Mrs. Thomas Doherty, Council Board member, attended the adult session which was entirely separate from the Senior discussion groups.

Discussion groups for "Resourceful Seniors" were held during the day. Primitive Camping, Semi-primitive Camping, How to Interest Older Intermediates, Senior Troop Activities, and How to Budget for Them, and Civil Defense were among the problems brought up by the girls themselves. An exchange of ideas and solutions did much for all the girls and it proves to our Springfield "Seniors-to-be" that they definitely need more camping experience. In comparison to other troops they are sadly lacking in this activity.

Our girls from Troop 2 have already started a service project—that of library aides. The girls set up a rotating schedule whereby two girls report at the library each day after school to help wherever they are needed.

These Are Two Of The Real Issues In The Republican Campaign For Freeholder

ISSUE NUMBER ONE --
Whether a "closed corporation" will be allowed to operate, ignoring the taxpayers rights.

THE FACTS
On Thursday, November 9, 1951, two days after the people elected Carr and Scheideler as their new representatives on the Board, the "Old Guard" Freeholders elected (?) Mrs. Helen Glaeser as their representative to replace William I. McMans whose resignation had been held up pending the regular election results.

ISSUE NUMBER TWO --
Whether the public will continue to be bamboozled by economy talk on one hand while budgets skyrocket.

THE FACTS
While debt service has been reduced 25 per cent since 1944—a point which the "Old Guard" Freeholders use as their campaign ammunition each year, current county appropriations exclusive of debt service went up 65 per cent, a point which those same Freeholders fail to mention.

LETTERS from Our Readers

Editor's Note: The Sun received nearly two score letters as a result of its editorial criticizing the action of the Township Committee on its fruitless action in the Short Hills Village Court Case.

Sun has struck a vital keynote and that apparently many readers are in agreement. From the many letters we are printing one which appears to be typical. The name of the writer is being withheld on request and for very obvious reasons. The Sun, realizing how municipal pressure could be brought to bear on such writers, will withhold all such names, when requested.

someone started to take apart the men who are supposed to be the governing body of our municipality. You notice I say "supposed." I believe a newspaperman would call it an "alleged" township committee. I am ashamed that I voted for four of these five men. If they have no more courage than they recently demonstrated in the face of a pressure group with perhaps a couple of hundred votes, then I'm through with them.

I heartily subscribe to the idea that we should have new faces on the township committee. Just what kind of men do we have sitting in our Municipal building today? Years ago we had men of the type of Wilbur Selander, Arnold Wright, Francis Keane and George Turk who were not afraid of pressure groups. I didn't necessarily agree with them on their viewpoints but at least they had the courage to speak their minds and to stand firmly on their votes.

Another contest finds County Register Herbert J. Pascoe being opposed for re-nomination by Stanley Stryzinski, former Elizabeth Township Commissioner. State interest is centering on election of delegates to the Republican convention and designation of the choice for the party's presidential candidate. There appears to be considerable sentiment in this area for Gen. Dwight D. Eisenhower. Despite the fact that he attempted to withdraw his name, U. S. Senator Robert T. Ft. name, U. S. Senator Robert Taft support. Former Minnesota Gov. Harold Stassen also is expected to receive many votes.

And I'm certainly willing to support a movement to get them. Let's hear more about it. Name withheld on request.

It looks as though Phil Forenza, Springfield's newest attorney, will be named president of the Chamber of Commerce for the next 12 months. Chamber presidents of late haven't made the time to do a good job and as a result the organization suffered considerably from inactivity.

The whole town's still talking about the hummingbird show put on last week by the Springfield Women's Club. Haven't heard one member of the audience say it wasn't the best in amateur or even professional performances they've seen in a long time.

A letter to this office from the United States Postoffice Department, Bureau of Newspaper and Periodical Mail, Washington, indicates Acting Postmaster George Turk may soon be or already has been thoroughly quizzed with regard to his recent order to delay delivery of this newspaper for 24 hours.

Knowlton, C. Stuard Knowlton, Edward M. Mertz, James Stewart and William E. Wagner.

Identical worship services will be held Sunday at the First Presbyterian Church. The sacrament of baptism will be observed at the first service. The sermon topic of Rev. Mr. Evans will be "A Faith Triumphant."

Special music will feature the two services at 9:30 and 11 a.m. at the Methodist Church. "The Christ of Glory" will be the sermon subject of Rev. Mr. Hewitt. The Junior Choir will offer the anthem, "He Lives Again." The Senior Choir will offer "Hosanna" and "King of All Glorious." Mrs. Marian Barz will sing a solo, "In the End of the Sabbath."

There will be a special holiday mass at St. James R. C. Church 6:15 a.m. Other masses are scheduled at 8:00, 9:00, 10, 11 a.m. and scheduled at 8, 9, 10, 11 a.m. and noon. (Continued from page 1) Union County with good government on the county level. To meet often with all municipal officials in order to develop the greatest cooperation between county and municipal departments. To budget the taxpayers' money as we would budget the money for our own businesses. To recognize the fact that the taxpayers, as shareholders in this great corporation known as Union County, with real assets of hundreds of millions of dollars, have a right to be consulted, especially if a new member of the board has to be appointed in between regular election dates.

Registration for the primary here has set a new record for Springfield. There are now 4,128 registered voters according to the Union County Board of Education. The registration figure for the general election last year was 3,769, showing an increase of nearly 400. The registration a year ago in the primary was 3,851. Voters who are not registered may register after the primary. The deadline will be in September, forty days before Election Day.

To keep the public informed as to how the county affairs are being administered without trying to "tool the people" into thinking that they can get \$200 in services for every \$100 they invest in county taxes. To maintain an "open-door" policy which will invite public comment or criticism at any time in order that our efforts may be strengthened by the public's own display of interest in county affairs. If nominated, and subsequently elected, we pledge ourselves to live up to this platform so that all residents may benefit from good county government.

Growing all along the line...

to meet your growing needs

When you realize that your electric company connected over 12,500 new services last year — more than 1,000 a month — you can see how fast your community and the others we serve are growing. "Expansion" has been the key-word at JCP&L, from power plant to service entrance, in order to keep up with this rapid development.

Thwaites 1-Hits Summit Nine

RHS Hurler Goes Route As Bulldogs Win, 2-0

By DONALD ROSSELET

Bob Thwaites hurled six and two-thirds innings of no-hit ball Tuesday at the Meisel avenue diamond, as Regional outlasted Summit, 2-0. Thwaites walked but one batter and fanned four in his no-hitter bid, only to have Jack Ridley spoil it with a clean single over second base in the last of the seventh. Previously, Summit had managed to get only two batsmen on the base paths.

The first outing this season for both contingents, the game was played in rather cool weather with intermittent rain. However, the crisp afternoon did not seem to bother Regional's ace righthander, for he mowed down the Summit hitters with an assorted variety of curves and fast balls, allowing only two balls to be hit out of the infield.

As the 2-0 tally would indicate,

and John Keith, back to back. The Summit right-hander struck out Lou Lutz, but Thwaites drilled a double to right field, storing Mascaro and sending Keith to third. MacDaniels slipped out to third, and Thwaites' minimum of damage to his cause, as he got Charley Schaffernoth on a grounder.

In the Summit half of the third, Keith threw wild past first, allowing MacDaniels to go to second. Barker advanced to third on an infield out, but died there. Thereafter, Summit failed to get a runner past the initial sack.

Regional added its second run in the fourth inning when, with two out, Jim Testa singled to center. Frank Coliechio popped to first base, following Testa's single, but Barker dropped the ball, allowing Testa to move to third. When Coliechio went too far off the base, MacDaniels threw to Barker and the two finally tagged Coliechio out, but Testa scored during the rundown.

That ended the afternoon's scoring, although the Bulldogs did receive a lift in the sixth. Thwaites hit a hard rap to third, which went through Bill Ryan's legs. Schaffernoth skied to right forward Thwaites at second, but advanced to third base himself on a throwing error by Ken Giles.

Another error charged to Ryan allowed Gerry Reddington to get aboard and move Pepe to third. Testa grounded out, pitcher to first, to end the threat.

In the top of the seventh, Thwaites got Ken Shoemaker on strikes and Tony Petracca on a grounder. With the no-hitter in his grasp, Bob dished up a curve and Ridley drove it to center for the lone Summit hit. Tony Trapp fanned to end the contest.

Sports In The Sun

Impressive Starts, BUT...

Regional High's football and basketball teams launched their respective campaigns in a similar manner. In other words, each team hit its peak of performance in its opening struggle, a feat rarely accomplished in school ball. The Bulldog gridgers opened against a favored Hillside eleven and upset the county picture with a 21-13 surprise. Most observers rated the Comets a 14-point superior unit, but Regional, clicking nicely in every department turned the tables. The Bulldogs maneuvered skillfully in the backfield, with quarterback Judd Herman tossing good passes. The defense was strong on an overall basis, although the Orange and Blue coaches picked off some ineffective blocking.

The gridgers were inexperienced, but definitely did not show it, for Norm Soucek, Dick Beyer, Joe Cannonie, Dick Scheffler, Joe Pepe, Dan Russo, Bob Ruggeri, and company put on a spectacular show in the Bulldog's first outing against Hillside in a football contest.

Westfield was the victim of Regional's first triumph in basketball during last season. The Bulldog courtmen literally tore apart the Blue Devil's defense, winning easily to the tune of 63-48. Everything went well in that game. Bob Coles and Cannonie, hitting from the outside with uncanny accuracy, collectively threw in 34 markers.

Herman, 6'4" junior, did a good job off the backboards, controlling them almost completely for the better part of the tussle. Judd canned 10 points.

Whether or not Coach Bill Brown's baseball squad has followed its forerunners in the first-game habit is hard to determine at this time. The overall defensive skill that was displayed, plus the formidable pitching by Bob Thwaites, might indicate that the Bulldogs have reached their peak.

Of course, the lack of hitting which has bothered Brown was present, the Orange and Blue crew collected only two blows off a pair of Hilltopper hurlers.

If Bob Thwaites did not reach his top form in the first game, Brown would like about four more of him. Charley Schaffernoth and Thwaites are expected to carry the brunt of Regional's attack and with one of the best batteries in Union County on his team, the Regional mentor will cause considerable trouble to the opposition when he sends his ace to the hill.

Saturday's encounter with Woodbridge is next on the Bulldog card. Mike Mascaro will probably go to the mound for Regional, with the remainder of the lineup remaining intact. The list includes Charley Schaffernoth catching, Joe Pepe at first, Gerry Reddington at second, John Keith at short, and Lou Lutz at third in the infield. The outfield should be composed of Jim Testa in left, Bob Thwaites in center, and Frank Coliechio in right.

Brown is pondering breaking freshman, Joe Schaffernoth, into the starting aggregation. Joe is a pitcher, but it is likely he would play the outfield if he gets the call.

Cerebral Palsy Dance Slated

Lenny Mann and his 10-piece orchestra, plus two vocalists, will provide music for the benefit dance and entertainment to be held Friday night, April 25, in the Elizabeth Armory to raise funds for a treatment-education center for Cerebral Palsied children in Union County.

Sponsored by Hope House, Inc., a charitable corporation formed to aid approximately 500 youngsters in the county who are afflicted with the disease, the benefit originally was scheduled for February 8. It was postponed after three Elizabeth ministers objected to the door prize drawing which was to have been a part of the event. Tickets for the originally scheduled dance will be good for admission to the April 25 affair.

We're Here to Serve You. May We?

When you choose others to vote for president

as your delegates at the Republican national convention in Chicago, July 7, you want men without factional commitments... men willing and free to abide by the New Jersey preferential balloting.

Your responsibility is to select delegates qualified by their knowledge of Republican tradition and policy... by their ability to appraise the judgment and honesty of presidential aspirants.

John E. McAuliffe, Plainfield, treasurer of the Republican state committee, has been a Republican worker for years. As a business man he realizes the needs of the nation, the despair of the average citizen over excessive taxation, the demand for the best presidential candidate available.

James E. Mitchell, Mountainside, financial advisor to the Republican state committee, has participated in Republican activity a long time. As an accountant he is acutely conscious of the wanton waste of your tax dollars and the cynical bureaucracy blighting federal government.

To have the judgment and honesty of these delegates working for you at Chicago, vote levers 22B and 23B (second row) on your voting machine.

CHRYSLER FirePower

is so much more than HORSEPOWER

- It's worth remembering that today's Chrysler V-8 is not a "warmed-over" engine; but basically brand new... the first truly new type engine of modern times. It does, indeed, open new horsepower potentials, but what it can mean to you goes way beyond that...
- FirePower gives your gasoline a better place to work... the first hemispherical combustion chamber in a stock-car engine. It makes possible more power from every drop of gas. You feel it the minute you open up a Chrysler, in greater accelerating power than you've ever had at your command...
- FirePower is also a better-built engine throughout. It doesn't require premium fuel. It runs with less waste, less heat, less wear, less carbon deposit than other type engines can do. More of your gasoline's energy is turned into actual road power, greater reserve for passing and top speeds when needed...
- Why not drive this revolutionary new-type engine, and feel its wonderful difference for yourself? Let your Chrysler dealer show you how much more than horsepower your money can buy in the engine Chrysler has designed from scratch to do an engine's job better, longer, and more efficiently than previous engines can hope to do!

Sermon topic for the day:
"The Christ of Glory"

Special music will include the anthem "The Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases" (Ps. 103:2, 3).

Selections to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following: "The cause of all so-called disease is mental, a mortal fear, a mistaken belief or conviction of the necessity and power of ill-health . . . without this ignorant human belief, any circumstance is of itself powerless to produce suffering . . . Truth handles the most malignant contagion with perfect assurance." (p.p. 377, 378)

Disease and ill health are healed when fear, sin and ignorance are dispelled from thought by the Truth that is God. This theme will be enlarged upon in the lesson-sermon entitled, "Are Sin, Disease, and Death Real?" to be read at Christian Science services next Sunday.

The golden text from the King James version of the Bible is: "The law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death." (Romans 8:2)

JUST A REMINDER

On November 15, 1951, ROBERT C. CRANE, publisher of the ELIZABETH DAILY JOURNAL, in a signed editorial, said:

"The 'Old Guard' element on the board has conclusively proven that it is a body unto itself, unresponsive to public suggestion, and unwilling to concede that the voters might exercise discretion and elect a worthy intelligent representative.

"The 'Old Guard' has signified that it will stand on its record in next year's primary election. So be it. We definitely recommend that the public turn out in large numbers to insure their departure from the scene rather than endorse their return to office."

Taft Wants State, Ike Backer Says

"If Eisenhower supporters are fooled by Senator Taft's attempted withdrawal from the Primary into thinking that General Eisenhower is a sure thing in Tuesday's Primary, then they may be in for a rude awakening Wednesday morning," Charles A. Doerr, of Westfield, told this newspaper last night. Doerr is running with Edgar T. Higgins, of Summit, as delegates unconditionally pledged to General of the Army Dwight D. Eisenhower.

"Taft money has been poured into an all-out campaign throughout the county in amazing amounts," Doerr went on. "Taft supporters have a well-knit machine, with the open or tacit support of most of the so-called (professional) politicians. You may be sure that all the machine workers will march dutifully to the polls on Tuesday to vote for Taft, and if the Eisenhower voters are lulled into staying home, or splitting their votes, they may get a rude shock on Wednesday," Doerr said.

"In my opinion," he continued, "Taft's dramatically staged attempt to withdraw from the Primary, at a time when he knew it was extremely unlikely that either his name or those of his pledged delegates would be removed from the ballot, may well rank as one of the great political strategies of this campaign. It has all the earmarks of a deliberately planned maneuver, and it may well pay off. There are still Taft delegates in the Primary who will vote for Taft no matter whom the Preferential Primary favors.

"The so-called unpledged candidates have admitted publicly from many platforms, their plan to dicker for candidates after a perfunctory vote or two for the choice of the Preferential Primary," Doerr pointed out. "So the only way any voter can be sure of getting the candidate he wants is to vote for delegates pledged to that candidate. In the case of Eisenhower, that means voting for Doerr and Higgins, and Mrs. Amy Bandemer of Springfield, and Admiral Emory Stanley of Cranford as alternates."

Millburn Women Plan Guest Nite

Guest Night for the Millburn Woman's Club will be held Thursday evening, April 17, at the Racquet Club in Short Hills. Mrs. Henry Junge, program chairman, will introduce "The Cavaliers," young male quartet.

Under the direction of Earl Weidner, organist at the Boston "Pop" Concerts, the quartet will render songs ranging from the classics of grand opera to the popular compositions of the best of our modern composers.
