FRIENDS!!

Freelholder Al Benninger of neighboring Mountainside again is the man of the hour... some few years ago Al launched plans to remove "old guard" members from the Board of Freelanders... when his candidates, Elsie Schneider and Nelson Carr, thoroughly trounced Freelanders Rigby and Rowland in 1951, it shocked the very foundation of the courthouse... Benninger did it again in Tuesday's primary with the nomination of Ernest Hickok and Sherwood Valentine, which is tantamount to election in November... next January Benninger's group will have the controlling vote on the Freelanders Board... Al has proved he is going places in official life both in the county and state; and because of the remarkable job he has done, he deserves the plaudits of everyone... keep your eye on Benninger, he's a good man and there's no stopping him.

Results of the freelholder election weren't definite until about midnight Tuesday... the race was a close one to the very last ballot... we heard of a streak, rather elderly Charlie, going by Union Center in the direction of Springfield and manned by none other than ex-Freelholder Rigby at that hour... would venture to say Rigby spent the previous 60 minutes sort of mauling about Benninger's list of names in company with some of his former court house constituents... Rigby's downfall last year really started the ball rolling, didn't it?

A. B. Anderson says he happened to run across the following in one of the old minute books of the Springfield Board of Education, "and thought you and your readers might get a chuckle out of it" "Dec. 11, 1894, Resolved that the janitor be requested to paint inside of the boy's outhouse to cover up obscene and grossly indecent and disgusting postical effusions" the clerk at that time was Theodore D. Sietky.

Committee man Art Handville, one of the guiding lights behind the recent ridiculous Short Hills Village court case, absolutely and thoroughly ignored a representative of this newspaper at last week's meeting of the governing body... apparently you had his feelings in a recent editorial which even his closest friends declared more than justified... some spice was added to Handville's attitude when a daily newspaper reporter felt the official was attempting to give him the cold shoulder, too... when Handville offered his apologies to the scribe he received this reply: "That's all right, Handville, don't force yourself to say 'hello' to me, I can't do you any good. I happen to vote in Morris County."... oomph!

Received several complaints as a result of our failure last week to identify the pictures of those cute chicks who paraded in the Women's Club Show... if you still have a copy of the paper here are the gals, from left to right: Mrs. Gladys Beardslay, Mrs. Dottie Shotwell, Mrs. Ruth Hayes, club president; Miss Vi Egler, Mrs. Jean Hellman, Mrs. Jean Williams, Miss Egler, Mrs. Gretchen Forbes and Mrs. Merton Williams... one complainer said "that's the kind of 'reading' material you

Insurance Firm Plans Huge Bldg. On Shunpike Rd.

Allstate Company Asks Zone Change—To Employ 500

First disclosure of preliminary plans to locate one of the eastern zone offices of the Allstate Insurance Company, owned by Sears, Roebuck & Co., in Springfield was made last night before a joint meeting of the Township Committee and the Town Planning Committee. The building, which would be erected on Shunpike road near Baltusrol way, would cost more than \$1,000,000.

Magistrate Henry C. McMullen, local legal representative for Allstate in this matter, suggested a change in zone, preferably to professional, so as to permit the erection of a one-story, reinforced concrete structure having 75,000 square feet of floor space. There would be approximately 600 employees and all would be of the administrative, executive and clerical type. The building would be located on 18.5 acres, presently owned by the Baltusrol Golf Club. The club has agreed to sell the land to Allstate if Springfield permits the operation, McMullen said. The magistrate also told the joint meeting that a maximum of one-third of the area would be occupied by buildings; the remainder being devoted to parking areas.

C. A. Potts, property manager for Allstate, said the move was in line with a company policy to establish zone offices in suburban areas and out of city congestion. Magistrate McMullen made it plain that Allstate was seeking unanimous approval for the project.

Aid Squad Cited For Work at Fire

The monthly business meeting of the Springfield First Aid Squad was held at the home of Mrs. William Reim, of 78 Tucker avenue, on Thursday evening, April 16. Applications for membership from Mrs. Frederick C. Chasler, of 218 Baltusrol avenue, and Mrs. Edward Barber, of 62-B Wabeno avenue, were accepted.

Second Lt. Mester reported that the squad had answered 17 calls last month, 12 of them emergencies and five transportation. Members contributed 99 man hours on calls and the ambulance traveled 345 miles. Richard Allen, secretary, read the following letter directed to the squad by Fire Chief Pinkava: "This is to express the sincere appreciation of myself and the entire fire company for the splendid job you did at the Anderson Wilson fire last Saturday night. If your organization had not been there I would have had to detail four or five men to that aid work, and on a fire of this type I can not sacrifice the manpower. We all feel that you are all very important in the fire department and well-rewarded. Again let me thank you."

Mountain-side Man Killed in Florida

William S. Cowperthwaite, 41 years old, of 208 Evergreen court, Mountainside, was killed last week when his car was struck by a train at a crossing near Vero Beach, Fla. His wife, Mrs. Helen Cowperthwaite, 38, was seriously injured. Their son William Jr., 17, a senior at Regional High School, and Miss Eileen Morris, 15, a sophomore at the high school, also were in the car. He suffered minor injuries.

Democrats Select Mrs. Turk, Moran

A name long familiar in Democratic politics in Springfield—"Turk"—again flashed across the primary horizon Tuesday as Mrs. Anna Turk, wife of Acting Postmaster and former Township Committeeman George M. Turk was nominated as one of the two Democratic candidates for the Township Committee via written votes.

Her running mate, as a result of the primary, could be J. Leo Moran. Mrs. Turk and Moran were high among several written-in candidates for the Democratic ticket. She received ten votes and Moran had twelve. Whether Mrs. Turk will replace her husband as a Democratic leader and candidate will be determined when and if she makes her decision to accept the nomination. Moran faces the same choice.

Mrs. Turk, like her husband, has been active in politics over a period (Continued on page 2)

Springfield Flyer Defies Air Corps, Stays on Ground

Capt. Jerome M. Schechter of 142 Hawthorne avenue is one of 225 Air Force reserve officers who have had the national spotlight centered on them as a result of

refusing to fly, even if it means court-martial and jail. The captain, who is stationed at Mather Air Force Base, near Los Angeles, Cal., rented his home here to a friend after he was called back into service. He is the son of Mrs. Samuel Guttler, of Newark. His wife is the former Marilyn Grossman, whose parents live at 215 Williamson avenue, Hillside. The couple have been married a year. Mrs. Schechter is expecting a baby shortly.

Schechter was decorated after service as a navigator on B-29s in the recent war. He was credited with thirty-five missions. The Springfield man told reporters he had been threatened with a five-year prison sentence if he continues to refuse to fly. He was recalled to active duty early this year after six and a half years of service.

"I'm afraid to fly and I don't think I should be made to do it all over again," he said. "I've been involved in a series of near-air crashes and I've seen them crack up besides me—that B-25 crash into a school at Mather Field last January was the last straw."

Capt. Robert C. Paul, a commanding officer at Mather, said there are six flyers there who are refusing to fly. All are aerial observers, such as navigators of bombardiers, he said. All are enervating on their normal duties other than flying, he said. The United Press reported that Schechter and five other officers have been assigned to ground duty until a special board completes an investigation. A preliminary charge of direct disobedience of an order to fly has been made against them. A Mather Field information officer said conviction could result in dismissal from the service and six months' confinement.

Captain Schechter, prior to being recalled to duty, was head of the sales department of a Newark drapery firm. He is a graduate of Wegganville High School, Newark. His parents died when he was an infant and was raised by foster parents. His hobbies are fishing and stamp collecting. He purchased his home here a year ago.

The lieutenant was commissioned January, 1951, and went to Korea in May. He was promoted to first lieutenant in November. He is a graduate of Marham High School and of Northwestern University. Before entering the service he was an engineer with the Millburn firm of Elson and Killiam.

Springfield Man Honored by Army

Lt. Arthur E. Carlson

First Lt. Arthur E. Carlson, of the Army medical service corps, has been honored in Korea with a citation and the award of the commendation ribbon with the metal pendant.

The lieutenant, who is the son of Mr. and Mrs. Arthur E. Carlson, Sr., of 64 Linden avenue, according to the citation, distinguished himself by meritorious service in Korea from September 19 to January 19. During that period he "applied exceptional ingenuity in order to produce maximum results in his detachment for support of combat units engaged in conflict against an armed enemy in Korea. Through his energetic performance of duties, sound judgment and initiative the on-effective rates due to insect borne disease were kept at a minimum."

Lieutenant Carlson used barely adequate amounts of chemical supplies so effectively that he was able to cover the corps area in a manner normally accomplished only with much larger amounts," the citation said.

Supervising Principal Benjamin Newschwager will receive \$6,800 under the salary revision schedule approved Tuesday night by the Board of Education at its monthly session. He received a \$300 increase. Another recipient of the same size raise was Mrs. Thelma Sandmeier, principal of the Raymond Chisholm School. She will receive \$5,600. The board authorized twelve days per year sick leave for the custodians. They may accumulate 120 days. This arrangement is similar to that for the teachers, it was said. Alfred P. Wendlandt, of

Ike Is Winner; Benninger Slate Gets Support

Springfield Republicans turned out en masse at the polls in Tuesday's primary to slay down the bid of cohorts of Fire Commissioner Walter W. Baldwin to capture four seats on the County Committee, helped give the "Old Guard" section of the Board of Freelanders its final push and voted Gen. Dwight D. Eisenhower a substantial lead in the presidential primary.

In the battle for county committee seats Daniel Wendlandt was ousted in the first district by Plumbing Inspector Arthur L. Marshall. In the Third John J. Grocki failed to upset Township Attorney Max Sherman. The organization—also held firm in the Fifth District where Fire Assessor Wilbert W. Laving defeated Rudolph C. Schroeder, 184 to 145. Sherman had 155 to 96 for Grocki. Marshall defeated Wendlandt 138-119.

In another county committee struggle Mrs. Myrtle V. Post failed in her bid to wrest the fifth district committeewoman post from Mrs. Julia S. Brown who polled 177 votes to 154 for Mrs. Post. In the only Democratic contest James A. Callahan won the third district committee seat with 24 votes. H. Stanley Glenn, his opponent, received eight votes.

Charles Remlinger and Frederick A. Handville, unopposed for nomination as Republican township committee candidates, received 1,323 and 1,250 votes respectively.

Freelanders Ernest S. Hickok, of Summit, and Sherwood C. Valentine, of Railway, supported in the freelholder contest by Freelholder Albert J. Benninger of Mountainside, led the aspirants for the county board. Hickok had 974 votes and Valentine had 850. Harry E. King of Union was third with 810; John H. M. Dudley was fourth with 765 and Mrs. Helen Glaeser had 720. William T. Reilly's total was 469.

General Eisenhower swamped U.S. Senator Robert A. Taft here by better than two to one. The final vote was 1,234 to 837. Harold E. Stassen totaled 63 votes.

U.S. Senator H. Alexander Smith had 1,316 votes to 102 for his primary opponent, Carl E. Ring. County Register Herbert J. Pascoe in his bid for re-nomination led Stanley Sredzinski, 1,142 to 228.

Assemblyman Fred E. Shepard and Fred F. Griswold, Jr., Taft backers, led the district delegates to the Republican convention. They polled 589 and 523 votes respectively. Mrs. Irene T. Griffin was next with 267.

Wants Now Faces The election results here gave indication that Springfield like other municipalities desires new faces. Observers interpret it as favoring the chances of Charles Remlinger, and Francis J. Keane, Republican and independent candidates respectively, for the township committee. Handville's failure to keep pace with his running mate and Baldwin's repudiation in the county committee contests indicated that the recent Short Hills Village fiasco already is making itself felt.

The recent flood of letters to the Springfield Sun following a front page editorial urging replacement of the present Township Committee has indicated that voters probably will be seeking action in this direction when they go to the polls next November.

Co-Chairman Mrs. Merton Williams of South Springfield avenue was co-chairman of the Women's Club show, "Magazine Highlights," presented recently at the Raymond Chisholm School.

Next Monday evening, April 21, the Springfield Republican Club will hold its customary spring card party. The event will take place at the American Legion Hall.

Mrs. Peg Ruppert, chairman and her committee have been rounding up a fine assortment of door prizes, and in addition have selected table prizes which should be pleasing to those fortunate enough to win any of them.

Tickets have been distributed all over town and it is expected that a large turnout will, as always, respond. It is requested that players bring their own cards and tables.

This card party will take the place of the usual monthly meeting of the club which would normally be held on that evening. Since members will likely bring non-member friends to this affair, President Charles Runcle says that arrangements for accepting new membership applications will be available and he hopes that they will be used.

The doctrine of atonement requires mankind to realize for himself and others man's ever at-onement with God or infinite good. This will be further explained in Christian Science churches next Sunday when the lesson-sermon is on the "Doctrine of Atonement."

"The golden text is from Mark, 'The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many.' (Mark 10:45)
One of the passages from the King James version of the Bible which will be read at the Sunday service states: "Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment." (1 Cor. 1:10)
A correlative passage in the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be read: "As a drop of water is one with the ocean, a ray of light one with the sun, even so God and man, Father and son, are one in being." (p. 361)

Miss Phoebe Briggs was unanimously re-elected president of the Alpha Bible Class of the Methodist Church. Other officers named were: Mrs. Robert Burris, vice-president; Mrs. Elliott Hall, secretary; and Mrs. Leslie Chisholm, treasurer.

Announcement was made by Mr. and Mrs. William Hermes of 69 Prospect avenue, Irvington, of the engagement of their daughter, Arline, to Stanley Roll, Jr., son of Mr. and Mrs. Roll of Mountain avenue.

Charles H. Anderson, son of Mr. and Mrs. A. B. Anderson of 36 Maple avenue, received his

Mrs. Turk will not be the first woman to be a township committee candidate if she makes the run. In 1935 Mrs. B. M. Cunningham was a Democratic candidate to replace her husband who died in

CHEAP LUXURY

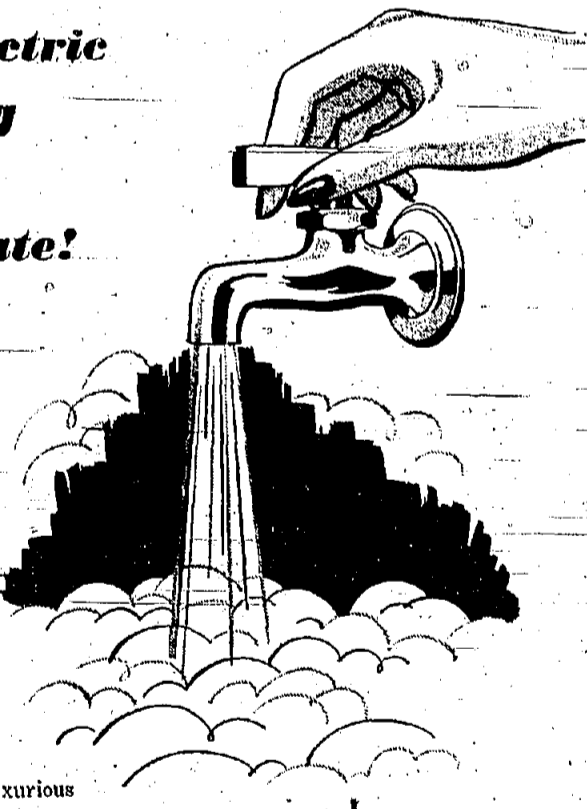

Automatic Electric Water Heating at JCP&L's
It's Off-Peak Rate!

All the hot water you want, whenever you want it... for a few pennies a day per person - these are the facts about dependable Automatic Electric Water Heating.

The reason? One lies in the efficiency of the new Electric Water Heaters. They're completely insulated - water stays hot. You only pay to heat it once. And there's less cooling in the pipes, too. For electric water heating is flexible, can be placed close to the point of greatest use.

The other reason lies in JCP&L's off-peak rate, which gives you the luxurious convenience of automatic hot water at a cost of only 1¢ per KWH. That's really low-cost water heating.

Don't put up with old fashioned water heating - get the facts on the Automatic Electric way from your local dealer or electrician today.
