## LISTEN

FRIENDS!!

When politicians on all sides of the fence, Republicans and Democrats alike, including factions from both groups, criticize their local newspaper and then head every effort to carry the editor's favor through "connections," it's an obvious sign the newspaper is doing a good job—not for the politicians, but for the public it serves. . . . that's the position in which we here in this office find ourselves. . . . they drop in for a "chat" and all express the belief we are "playing ball" with the other fellow. . . . not once in recent weeks has any member of the Township Committee, would-be candidates for same, or for that matter any candidate for any other local office praised The Sun's attitude in their behalf.

A couple of years ago (turnout in the Springfield Woman's Club attracted a tremendous amount of attention) . . . election dispute at that time virtually tore the club asunder and focused another spotlight on this community which was anything but favorable. . . . today, however, the organization has overcome its problems, is being operated very smoothly, and, without a doubt, has the largest membership of any group of its type in the township.

A phone call to The Sun office this week sheds some additional light on the "strange" relationship now existing between this newspaper and none other than George M. Turk, the acting postmaster. . . . recent meeting of special delivery letter to The Sun's old address instead of its present headquarters in the post office building was Turk's personal order, said the carrier. . . . Turk was quoted as telling a carrier that "mail goes to where it is addressed" despite the fact that he knew we were located in the very same building as the post office. . . . too bad blame for the mess was aimed initially in the direction of the carrier.

We've had the impression Springfield no longer could claim to be the rural community which it once was but were somewhat dubious after watching a chicken-hawk sailing leisurely over the center of town yesterday—apparently the big bird had his eye on some fat hens quarantined in a chicken yard not too far away—that brings us back to a picture we saw a couple of years ago showing Morris Avenue back in the 'thirties—it was a dirt road then—maybe the township really was an oasis for jangled nerves in those days.

Reports coming that everything is now running as smoothly in the police department as some may believe. . . . from what we can learn all the department members like Chief Bill Thompson so the fault, if any, must be elsewhere. . . . but there are certain superior officers who have been complaining bitterly about their assignments and others do not like too kindly to their assignments. . . . we suspect Mayor Bob Marshall is keeping an eye on the situation. . . . we recall when he became the chief executive he made a change in the commissioner's job and he seems to know what is going on there.

We were commenting last week on the activity going on in the section of the township where two schools are being built. . . . an important consideration is how long will the new Gaudineer School and the preschool school in the care of the excess number of students. . . . If the school population continues to grow at the present pace new facilities will be needed before 1955. . . . that means either an addition or another new school. . . . the latter was recommended by the Citizens' Committee.

**LOCAL MAN FALLS FROM LADDER**  
Carl Monte, 48 years old, of 234 Riverside drive, is in St. Elizabeth Hospital, Elizabeth, with a fractured right hip suffered when he fell from a ladder in the garage of his home Sunday. Hospital authorities today said his condition is good.  
The injured man was given first aid by the family physician and members of the first aid squad. He was taken to the hospital in the rescue squad ambulance.

## First Aid Squad Is Named Winner Of Lions' Award

Club Elects Wm. Mellick As President

The Springfield First Aid Squad, Inc., was named for the annual Citizens Award of the year at a regular meeting of the Lions Club of Springfield last week at Orchard Inn.

It was felt that no one member of the Squad could be singled out for individual achievement and that the entire Squad as a unit was worthy of this award for their unselfish efforts toward relieving suffering and speeding medical care to those who are injured or in serious condition. Formal presentation of the award will be made May 23 at a dinner given by the Lions Club in honor of the First Aid Squad.

The annual election of officers was also held at the meeting, and the following members were elected to serve for the year 1952-1953: President, William J. Mellick, Jr.; First Vice-President, George D. Harrison, Jr.; Second Vice-President, Timothy J. Sheehan; Secretary, Robert D. Treat; Treasurer, Morris Lichtenstein; Lion Tamer, Clifford W. Zimmer; Fall Twister, Kenneth H. Morris; Board of Directors, Walter Oelschlaeger and Albert B. Flemer.

In accordance with the nationwide "Plant America" Program, the Lions Club has taken up the sponsorship of a "Plant Springfield" Program.

Plans have been under way to beautify township landmarks with assistance in the renovation of the library grounds and War Memorial on the township green; the James Caldwell and Raymond Chisholm school grounds, and the triangle of Morris Avenue and Morrison Avenue at Prospect Street.

He was inducted February 1 last year and took basic training at Fort Dix. He later was transferred to Fort Devens and Camp Edwards, both in Massachusetts. He left for Korean duty December 6, after attending the Engineers' Training School, Fort Belvoir, Va.

## Tipsy Driver Pays Heavy Penalty

Clark V. Younglove, 46 years old, of 369 South Broad Street, Elizabeth, was fined \$200, assessed \$23 costs and his driver's license was revoked for two years when he pleaded guilty before Magistrate Henry C. McMullen, Monday night to a charge of drunken driving.

The Elizabeth resident was arrested April 14 at Morris Avenue and Center Street. The complainant was Erwin G. Boegerstauber, of Short Hills. He claimed Younglove nearly caused several accidents by erratic driving. Younglove was examined by Dr. Henry P. Dengler who said he was under the influence of intoxicants.

Others who were fined at the busy court session were: Christine Brumber, 63 Cypres Road, passing a school bus, \$17; Freda J. Leble, 127 Henshaw Avenue, same charge, \$17; Leon Novins, 959 Second Street, Plainfield, no driver's license, \$18.

Also Julia R. Graham, 24 Decker Avenue, Elizabeth, speeding, \$7; Norman Reichard, 601 Richmond Street, Plainfield, speeding, \$8; Charles E. Weber, 515 West Seventh Street, Plainfield, \$18 and Stanley Jacques, Baltusrol Golf Club, driving without a license, \$7.

## Apt. Project Permit Granted

An order has been filed with County Clerk Henry G. Nulton instructing the township to issue a permit to Baltusrol Gardens Inc. for erection of a forty-eight unit garden apartment project in Morris Avenue between Baltusrol Avenue and Baltusrol Way.

The action was the result of a settlement reached before Superior Court Judge Frank L. Cleary last week. The municipality agreed to issue a permit to Baltusrol Gardens if the construction firm would agree to modifications of specifications.

The agreement provided the builder would use only 13 percent of the plot for parking and would provide adequate parking facilities, construct streets and sewer facilities and donate them to the township.

## Cornerstone Ceremony Set At Overlook

Expect Large Attendance at Sat. Program

The cornerstone of Overlook Hospital's new building will be laid on Saturday at 12:45 p.m. by Theodore S. Kenyon, president of the Board of Trustees, and Arthur W. Smith, Director of the hospital.

Immediately prior to these ceremonies, descriptions or "portraits" assembled by boys and girls in schools in the communities served by Overlook Hospital, including Springfield, will be deposited in a specially constructed time container near the cornerstone of the hospital's new building. The time container will remain sealed for 25 years when the "portraits" will have historical significance for each of the towns represented.

Activities for "Overlook Day," recently proclaimed by mayors of towns in the hospital's area, include exercises at 11 a.m. in Summit High School auditorium. The public is invited to participate, according to Mr. Smith. The program will include musical selections by the Summit High School choral group and band. Mr. Kenyon will preside.

Dr. Mason W. Gross, Provost of Rutgers University, with which Overlook's School of Nursing is affiliated, will be the principal speaker at the exercises. Mr. Kenyon will present citations to persons who have rendered outstanding service to Overlook Hospital.

Following the exercises, a parade to the hospital a few blocks away will take place. The placing of the "portraits" will follow. The placing of the cornerstone will climax activities of Overlook Day.

Already one-third completed, the new building at Overlook will provide more floor space than there is in the existing hospital building. Ground was broken for the new structure on September 17, 1947. It is scheduled to be completed in April, 1953.

## Tax Receipts Up Over '51 Figure

The total value of taxes collected for the first third of the year is nearly \$100,000 more than the figure for the same period last year, the monthly report of Tax Collector Charles H. Huff shows.

The total for the first four months is \$325,348, as compared with \$232,618 for the January to April period in 1951.

Huff said collections for April were \$80,700. He pointed out this is \$12,000 higher than the figure for April, 1951, which was \$68,704.

Indications were that the tax situation in the township is the best it has been in recent years. The total budget anticipation figures show of delinquent taxes is \$21,000. Tax title fees are \$1,000 and gross receipts tax was listed at \$12,000.

## Crash Victim Reported Better

LeRoy Mumford, 35 years old, of 954 South Springfield Avenue, is recovering from injuries suffered when he was involved in a three-car collision at Morris and South Springfield Avenues Monday afternoon. He was released from Overlook Hospital, Summit, yesterday after treatment for two days of possible internal injuries.

Police said Mumford was driver of a car which was sandwiched between two other vehicles. He was later taken to the hospital in the First Aid Squad Ambulance.

## Late School Opening Presents Space Problem

### CANCER FUND DRIVE WILL OPEN TODAY

The township's cancer fund drive opens today and will continue over the week-end. It was announced today by Charles Justice, local chairman. All residents will be canvassed, he revealed.

### Detective Bureau to Be Created

Pinkava Slated For Appointment To New Position

An ordinance establishing a detective bureau in the Springfield Police Department was introduced at last night's meeting of the Township Committee on recommendation of Police Commissioner Binder. Public hearing on the measure will take place May 28.

A supplementary ordinance including a salary for a police detective of \$4,335 per year in the township's general pay scale measure also was passed on first reading. Hearing on this will take place May 28.

Binder told reporters after the meeting that he would recommend Patrolman Vincent Pinkava for the newly established post once the ordinance was finally adopted. Pinkava has been serving as a plain clothesman in the local department for some time.

Acting on Binder's motion, the governing body authorized Township Attorney Sherman and Township Engineer Lennox to draft an ordinance to install curbing and sidewalks on Springfield Avenue from Mountain Avenue to Milltown Road. The county has agreed to pave shoulders if this work were done by the community. The work would be paid through a bond issue and assessments would be levied against benefiting property owners.

### Club Women Hear Handwriting Talk

Miss Susan Bond, author and lecturer in the field of graphology, addressed members of the Springfield Women's Club last Wednesday evening at the Raymond Chisholm School. A resident of Summit, Miss Bond is editor of Round Table Magazine. Her latest novel is "The Neurotic Takes a Wife."

Miss Bond's hobby is handwriting, and her topic was "Showing Me, Your Handwriting Is Showing Me." She discussed various basic traits shown in handwriting and related several "humorous" anecdotes from her numerous lectures. She emphasized that a person's handwriting changes as his personality changes. In concluding her discussion, Miss Bond analyzed the handwriting of three club members.

Mr. Nabb was a native of Newark. He was 85 years old. He had been a resident of Springfield four years, and previously residing in Hillside and Newark. For 23 years he had been a shoe salesman for L. Bamberger and Company. He opened the luncheonette three years ago.

### Parish House Set For Fall Opening

The \$90,000 colonial style parish house of the First Presbyterian Church which currently is under construction is expected to be available for use early in the fall. It was revealed today by Rev. Ervace W. Evans, church pastor.

Ground for the badly-needed building was broken recently. Turning over the first shovel of earth was Miss Lizzie Kessler, 90 years old. She is the oldest member of the church and one of the oldest residents of the township.

The two-story building will have space for Sunday School classes on the main floor; there also will be a kitchen and a boiler room. On the second floor will be additional Sunday School space, an auditorium and a study for the pastor.

Rev. Mr. Evans pointed out that all Sunday School facilities in the new building immediately will be utilized. He said the Sunday School has been on double sessions for the past two years.

### Springfield DAR Plans Open House

The Church and Cannon Chapter, Daughters of the American Revolution will sponsor "Open House in Old Springfield" on Saturday, June 7, and Sunday, June 8.

The houses to be opened to the public are three of the oldest in Springfield. They are the home of Mr. and Mrs. Karl Tallan, at 221 S. Springfield Avenue, popularly known as the "1744 House," the James P. Haggert home at 194 Morris Avenue, and the A. B. Anderson residence at 38 Maple Avenue.

### Rutgers U. Names Vohden For Annual Course Award

Raymond A. Vohden, son of Mr. and Mrs. George S. Vohden, of 24 Bryant Avenue, a football, track and wrestling star at Rutgers University for past three years, has been honored by the State University by being selected as the recipient of the President Athletic Award. The presentation was made during Inaugural Week during which Dr. Lewis Webster Jones became fifteenth president of the university.

The Cottriss Award is Rutgers' highest athletic honor. The presentation was made by Dr. Jones.

The award is given annually to the members of the graduating class who "during his career at the university has participated in a major sport and proved himself an athlete of ability, who has shown determination, loyalty, manliness, modesty and self-control, and who, with loyalty to Rutgers, unselfish devotion to his teammates and generous fairness to his opponents, has played the game according to the spirit of the rules."

Vohden received an engraved certificate and will have his name inscribed on a perpetual plaque in the lobby of the university gymnasium. He also was one of six athletes who received special student council awards for outstanding athletic accomplishment. He is a member of the senior class.

### News-wanger Cites Increase In Population

Indications today are that the earliest date students can be housed in the new Florence M. Gaudineer School will be November 1, it was revealed by Supervising Principal Benjamin F. News-wanger. He said that the possibility of inclement weather conceivably could delay use of the new school's facilities until January 1. The late opening will make the space problem more acute, it was pointed out.

Conceding that the board of education has written the Presbyterian and Methodist Churches pointing out the Sunday School rooms no longer will be needed for kindergarten classes in September, the supervising principal said the procedure is preferable to transferring many students from the church buildings even if it will develop headaches for the school administration.

News-wanger admitted the schools will be more crowded but said that when the time arrives for transfers it will create fewer problems due to the fact that all the classes will be either in the James Caldwell or the Raymond Chisholm Schools.

When the schools reopen in September there will be approximately thirty-five classes on double sessions, it was said. This does not include kindergartens which only have single sessions. The number of students who will be on double sessions will be equally divided between the Caldwell and Chisholm Schools, but the latter school has the smaller population it will have a larger number of double session students from a percentage standpoint.

The supervising principal pointed out in the event the new school is not ready until January, the holiday period can be used for transfer of equipment and furniture into the new building. He said it will be easier to move the shop equipment and facilities of the economic department than that it would be during the school sessions. Plans have been completed for all school changes.

Ultimately all sixth, seventh and eighth grades will be located in the Gaudineer School. However, there still will be crowded conditions in the Chisholm School and fourth and fifth graders will be placed in the new school, which is across the street from the Chisholm building.

Plans call for the complete departmentalization of the three upper grades when they are located in the new school. Currently they are partially departmentalized. News-wanger pointed out that homogeneous groups will probably not be possible until the first full school year in the new school which will be September, 1953.

Transportation problems also will confront the school administration with the opening of the new school, it was pointed out.

GIRL SCOUT CORNER

Dear Folks:

Did you hear about the nice idea Brownie Troop 6 had? It was a Mother and Daughter dinner, the night before Mother's Day. This very special affair was held at the Cannon Ball Inn, Saturday, May 10, at 6:30 p.m. Thirty-one mothers and daughters attended.

These girls all fly up to Intermediate Scouting on May 27 and one of their leaders, Miss Adeline Gaib, flies up with them. Mrs. Robert Grant will be her assistant in the Intermediate Troop. The Fly-Up Ceremony will be held at the Presbyterian Church.

Mrs. Gilbert Martin, the co-leader who has been with these girls since this Brownie Troop started will start with new Brownies in the fall.

Troop 14 is planning to wind up their scout year the first week in June. The definite date of their Court of Awards hasn't been set as yet. However, their Scout work on Badges has been completed. A hike and then a "cook out" is one of the outdoor experiences they have enjoyed recently.

Both Troop 6 and Troop 14 have completed their Strawberry Festival projects. All the troops have been "on their toes" doing this for we are glad to help.

Not too much news these days. Everybody is busy as the scouting year draws to a end.

See you next week, Your Springfield Scouts.

## Sports In The Sun

By DONALD ROSSELLE

### Duck, the Alumni's Comin'

The quality of baseball is not as funny as the prices at your favorite food store, but the participants in what Coach Bill Brown plans to make an annual show, had their fun at the Regional vs. Alumni contest last Saturday at the Meisel avenue diamond. For that matter, so did the spectators of which this writer was one.

Brown has handed out twenty-eight varsity baseball letters during his five-year tenure as head coach. And, of that figure, fifteen are now serving in Uncle Sam's Armed Forces. However, Brown managed to scrape together a group of eight, threw in his own Jim Testa, and the fray came off as scheduled—possibly not according to the script, but it did transpire.

In action were some of the best pitchers on past Bulldog diamond aggregations including Brown's first pitcher. We speak of Bill Holland, who played third base when his mound talents were not needed on the '47 nine. Bill has not lost any of his foot speed as was evidenced in his successful chase of Bob Foley's foul poke to the outer reaches of his territory down the left field line. Holland's battery mate during 1947 was Herb Panneyer, who also took part in the proceedings. Herb caught Carl Post for four innings and then took the hill himself in the fifth to finish up.

Richie Tomasetti, who teamed with Al Zimmer last season to provide the Bulldogs with a first-rate keystone combination, played shortstop. Bill Koenz, who operated at first base for two years at Regional, was on hand. Others included Jack Murray, Bob Rodgers, Ray Vohden. Nevertheless, it was interesting. We hope to be able to watch another such affair next year.

### Ray Vohden Honored

Ray Vohden this week was the recipient of Rutgers University's highest athletic honor—the Coarsen Athletic Award. Dr. Lewis Webster Jones, president of Rutgers, made the presentation at the annual spring convocation of the university last Friday in New Brunswick. The award is given annually to a member of the graduating class who, during his career at the university has participated in a major sport and proved himself an athlete of ability, who has shown determination, loyalty, manliness, modesty, and self-control; and who, with loyalty to Rutgers, unselfish devotion to his teammates, and general fairness to his opponents, has played the game according to the spirit of the rules.

Ray received an engraved certificate and will have his name inscribed on a perpetual plaque in the lobby of the university gymnasium. He is the son of Mr. and Mrs. George Vohden, of 24 Bryant avenue. During his four-year stay at "Old Queens", he has taken part in wrestling, football, and track.

## RHS Cindermen Drop 2 More

### Union, Pingry Score Victories

By HERB HEIMBUCH

Regional's hapless track crew dropped more to Pingry and Union last week. The scores were 45/23-43/13 and 60-49, respectively.

Judd Herman's nine points led the Bulldogs Tuesday at the local oval against Union, but the Farmers showed too much running strength. Chef Boyce was Regional's only victor in the racing events. Vin Altieri triumphed in the broad jump, with an eighteen foot, five and three-quarter inch

### Regional Defeats Its Alumni, 7-0

Regional's baseball team set back its Alumni with seven runs in the first innings last Saturday at the Meisel avenue field, 1-0. Tony Wojcikowski, making his second start for the Bulldogs, was the winning pitcher. Wojcikowski scored the initial tally, which later proved to be the clincher. He drew a base on balls to start the first inning and was advanced to second on Jack Murray's misplay of Bob Thwaites' grounder. Schaffers sacrificed Wojcikowski to third and Thwaites to second. Joe Pepe went safe on another error by Murray. Wojcikowski scoring. Lou Lutz was passed, filling the bases, and Jack Ketchum scored an infield fly to score. Thwaites will be the second run of the frame.

Regional scored four runs in the second round without the benefit of a base knock, four errors paving the way.

Wojcikowski's single, Lou consecutive passes, and Joe Pepe's safety brought home another tally in the third.

The win gave the Bulldogs a .500 standard with five wins and five lost.

### Bulldogs Bag Fourth Shut-Out Triumph, 1-0

By DONALD ROSSELLE

Bob Thwaites gained his fifth win of the season as Regional blanked Roselle's Four-County Conference entry, 1-0 at Roselle yesterday. The shutout win was Regional's fourth.

The Union County Conference cellar-dwelling Bulldogs made the most of two hits in gaining their sixth win of the campaign against Roselle's third with a clean double to left-center. However, Ken Berkowitz's throw-in was bobbled by Tony Bachorick for an error and Foley continued on to third. As Bachorick's throw to Ralph Kaiser, covering third, was dropped by the latter, Foley brought home the lone tally in the abbreviated ball game. Rain forced an end after six innings.

Roselle threatened in the third as Berkowitz tripled to start the round, but Thwaites fanned the next two hitters and got Kaiser on an easy grounder.

The Rosellians almost knotted the count in the fourth as Bruce Hekking and John Bethel singled back to back after Thwaites had struck out Frank Boehm and Ike Holmes. Bob got John Demody on a strike out to end the threat.

### County Leagues Need Umpires

Vacancies exist on the umpiring staff of the Union County and Intra-County baseball leagues, and applications from any qualified umpires or former ball players are invited.

Age, heavier work schedules, and movement to other regions have taken toll of the local umpires, according to F. S. Matheson, Superintendent of Recreation for the Union County Park Commission.

These leagues play their games on Sunday afternoons, mostly in the county park system. Two umpires are usually assigned to each game. Further information and the rates of pay can be gotten by calling Elizabeth 2-8431 or writing the park commission at Warren—Park, Elizabeth.

The complete schedule will be printed in next week's SUN.
