LISTEN FRIENDS!!

Springfield Rotarians had occasion to view the new motion picture, "Your Garden State Parkway," at Baldwin Golf Club the other day and were greatly impressed with the need for approval of parkway financing at the November election . . . the color film, producers of which deserve credit for a job well done, graphically tells the story of traffic conditions in New Jersey as they affect each one of us, and drives home the absolute need for relief as will be provided from one end of the state to the other upon completion of the Parkway . . . there appears to be no question on approval in November after seeing the motion picture with all its traffic jams at locations which are very well known to all of us.

The procedure was reserved at last week's Township Committee meeting . . . instead of a battle between members of the governing body, a free-for-all developed in the audience . . . it concerned rent control and was not entirely unexpected . . . landlords and tenants, each expressing their own heated opinions on the highly controversial subject, quieted down only after the appearance of two police officers in the hall . . . Mayor Bob Marshall wasn't taking any chances and no one blamed him.

At least once throughout our lives each one of us has been guilty of saying something we were sorry for . . . one of our regular paid firemen made his mistake at the Township Committee meeting last week when he expressed concern over his day off, virtually demanding an answer in a manner totally uncalled for and which proved very provoking . . . the confusion, of course, had been caused by the death of Fire Chief Pinkava who was buried less than ten hours before!

Regional High School's Landscaping Program, Despite the Messy Looking Appearance which Always Accompanies New Construction, has attracted considerable attention . . . grounds are being put into excellent condition by agricultural students, particularly along the campus, under the direction of Adam LaSota and John Cummings, instructors.

The First Aid Squad's fund raising campaign is still lagging far behind . . . less than fifty per cent of the quota has been collected thus far, according to the latest reports . . . we suggest you turn to the inside pages and read a "Letter to the Editor" in today's Sun . . . that may spur you to send in your much needed contribution pronto.

With Phil Forlenza at the helm it appears as though it won't be long before we see another all-out drive by the Chamber of Commerce to rid the Morris avenue business section of that miserable parking ban . . . We've even heard that Phil has met with one or two municipal officials who agree that the

Methodists Set Building Fund Drive

Church to Mark 125th Year In Week-Long Fete

Observance of the 125th anniversary of the founding of Springfield Methodist Church the week of October 19-26 will herald the beginning of an \$85,000 church building fund drive, to enlarge and remodel the church property at Main street and Academy Green, Rev. C. A. Hewitt, pastor, announced today.

It is expected that actual work on the improvement project will be started in early spring. It includes a complete remodeling, extension of the present sanctuary twenty feet toward Main street, increasing the main church seating capacity by about 100 persons; erection of a 40-foot wing along Main street, and replacement of the existing steeple with a modern tower and attractive cupola.

The project includes installation of a Moeller pipe organ at a cost of \$10,000.

The church had its beginning in 1827 when forty-five worshippers assembled for meetings at the Philemon Dickerson home. As a result of this group's endeavors, eight other Methodist churches sprung up in Summit, New Providence, Westfield, Hilton and the Vauxhall section of Union Township.

Rev. William Hanson became the Springfield church's first full-time pastor in 1836. Exactly 50 ministers have since served the church. The present site was purchased in 1833 from Josiah F. Cahoon, for \$385. Lumber for the first church was hewn from nearby wooded areas and it was in 1834 that Rev. E. L. Jones, who later became a bishop, dedicated the new edifice and church meetings at Denman's Paper Mill ended.

RHS Ag Student In Judging Test

An agriculture student of Regional High School, Thomas Nolan, and his instructor Adam P. La Sota, are in Springfield, Massachusetts, attending the Eastern States Exposition, Nolan will compete against 24 other vocational agriculture students from 12 northeastern states for the title of Milk Judging Champion.

Nolan earned the right to represent New Jersey by defeating more than 60 other state agriculture students in the spring judging contests which were held at Rutgers College of Agriculture last May.

This is a very complex contest since it requires a very sensitive sense of taste, smell and sight. During the contest the boy is required to judge ten samples of milk, any and all of which may be poor in color or taste. In addition to judging the milk samples, he also must judge ten milk filtering discs. In judging the discs, keen eyesight is necessary to detect flecks of dust or other particles which are nearly microscopic in size. The discs are graded upon the number of specks found upon them.

While Nolan is participating in the milk judging contest, 11 other New Jersey youths will be participating in poultry and dairy judging contests.

Extension Service To Meet Tuesday

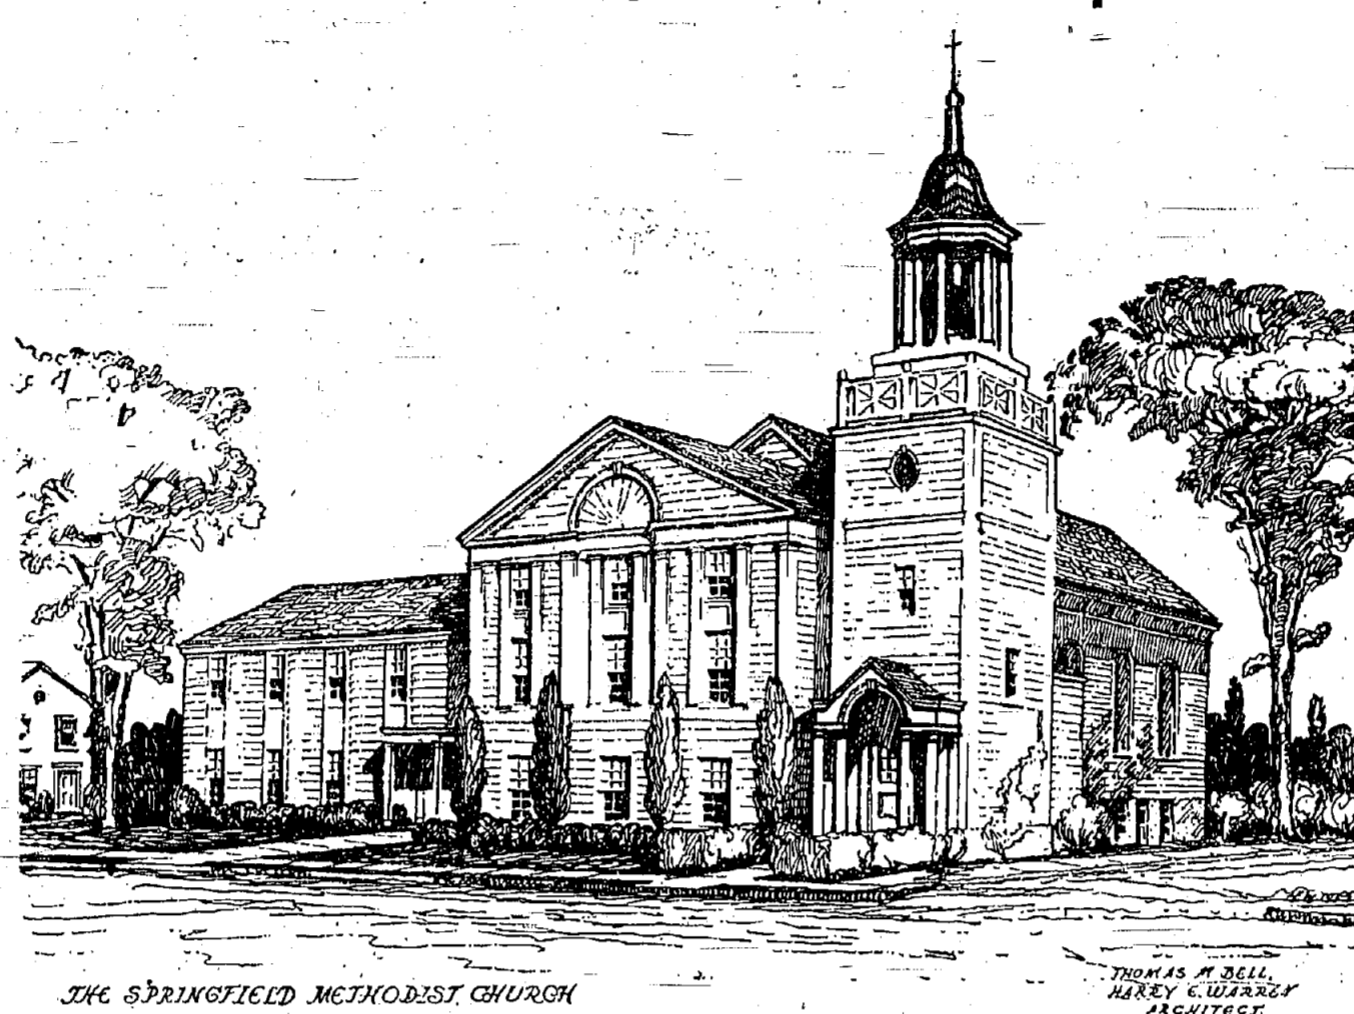

Extension Service will hold its first fall meeting, Tuesday, September 23, at 1:30 at the Springfield Library, Mrs. Mary W. Armstrong, home agent of Union County announced today.

This will be the first of two meetings featuring discussions on food. Mrs. Margaret Mearns, assistant agent, will speak on "Success with Canning and Preserving or Canning on Food Preservation."

The second meeting will be held November 18 at 1:30 p.m. at the library. Mrs. Mearns will discuss baking problems. Her topic will be "Perfect Results Every Time."

The meetings are open to the public and last two hours. Mrs. John D. Carlton and Mrs. John Rawlins are the local chairman for extension service.

Methodist Church Expansion Plans Completed

THE SPRINGFIELD METHODIST CHURCH

An architect's drawing of Springfield Methodist Church as it will appear next year upon completion of expansion and improvement projects to cost \$85,000. The existing "L" shaped building will be completely remodelled. A steeple will be replaced by a modern tower and cupola, and the main sanctuary, to which the tower will be attached, will be extended twenty feet toward Main street. A forty-foot extension will be constructed along Main street, causing the completed new structure to be of horseshoe shape.

First Aid Squad Issues New Appeal

Appeals to both residents generally and business men for immediate financial aid to the Springfield First Aid Squad have been issued by the fund drive chairman, Marlan Wilson and Eloise Rein.

Reporting less than one-half of the squad goal attained and less than one-third of the town's business men contributing, the squad is requesting immediate action in support of its cause.

Upwards of 750 homes, at which pledge cards were left, when occupants could not be contacted, have not been heard from. Squad members request these residents to mail the cards with donations at the earliest possible date, to spare the members another trip to their homes.

The members will start next week calling on the remainder of the business places not previously contacted.

Town Children Win Prizes At Local Lions Club Picnic

The Springfield Lions Club was host to hundreds of boys and girls at the annual club outing Saturday at Meisel field. It distributed scores of prizes to its guests who scored in athletic and other competition and served refreshments throughout the afternoon.

Club officials distributed more than 800 refreshment tickets to the children. Bicycle races were a highlight of the day. One added feature this year was a model airplane exhibition which proved a big attraction.

The club presented gold medals to first place athletic winners, silver emblems to those placing second and bronze medals to those in third position.

Of the more than seventy bicycle race entrants, the following won gold medals: American bicycles—David Freedman, Teddy Karlin, Edgar Pollacek, William Faucher,

Used Car Lot License Okayed

Used car lots in Springfield are now subject to municipal licensing and regulation as well as State Motor Vehicle Department regulation, following final passage of an ordinance on the subject by Township Committee. It immediately affects those starting in the business between the present time and January 1, next. Those previously in operation may continue for the balance of the year without payment of license fees.

On and after January 1, 1953, the measure will apply equally to all used car business then in operation. Annual license fees, extending from January 1 to the following December 31, include \$200 for lots of 5,000 square feet area or less; \$300, areas from 5,001 to 7,500 square feet; \$400, areas from 7,501 to 10,000 square feet, and \$500 for lots in excess of 10,000 square feet.

The ordinance prohibits parking or exhibiting of cars on the street in front car lots, provides for hard surfacing of car lots and maintenance of adequate sanitary facilities, and that used car businesses shall be inoperative between the hours of 10 p.m. and 8 a.m.

Penalties for violation of the ordinance or any part of it range up to a fine of \$200 or imprisonment for terms not exceeding 90 days. In addition, the township may revoke or suspend a license for cause as it may see fit.

Last Rites Held For Andrew Wilson

Largely-attended services were held Saturday for Andrew Wilson, horticulturist and pioneer in insecticide manufacture, who died Wednesday, Rev. Bruce W. Evans, pastor of the First Presbyterian Church conducted the funeral services at the Wilson home at 400 Tooter and Bryant avenues, and officiated at the committal services in Presbyterian Cemetery. Masonic ritual services were held Friday night at the home.

Township officials, leading citizens, Masonic dignitaries, members of horticultural and kindred organizations, were among the many attending the services.

Founder and board chairman of Andrew Wilson, Inc., one of the oldest and best known insecticide manufacturing firms in the East, Mr. Wilson started the business as a hobby when a youth. He developed what he then termed a "bug juice" at the age of 18.

The "juice" proved effective in bug extermination in the garden and it was destined to become the forerunner of an extensive enterprise, spreading to include offices and warehouses in New York State, Philadelphia and Florida.

Manufacture was started in Brooklyn under the trade mark "Why Bugs Leave Home." After locating in several other places, the business came to Springfield in 1918, moving into a former butcher shop in Springfield Center. In 1924 it was moved to its present location in Baltusrol Way.

It is the oldest industrial plant in the township and now is operated by Carleton Morrison, brother of Mr. Wilson's late wife, the former Miss Ruth Morrison who died in 1947.

2 Local Children Injured at Play

A freak accident caused two children to suffer injuries Saturday in front of the Post Office in Morris avenue — when several lengths of pipe were pushed from a truck as it was forced to a sudden stop.

Gary Anderson, 2 years old, son of Mr. and Mrs. Robert Anderson, of 35 Keeler avenue, was rescued from the pipe as the child ran into the street, according to the police. He was treated at Overlook Hospital, Summit, and released.

Patricia Hagby, 5 years old, suffered cuts and the loss of a tooth when one length of the pipe pierced the windshield of father's car, Bernard Hagby, of Newark, her father was reported driving behind the truck and could not stop in time to avoid missing the pipe, witnesses said.

Police listed the truck driver as Harry Becker, 53 years old, of Newark.

1st Aid Course To Start Oct. 3

Mrs. Pauline Mesker and Mrs. Marlan Wilson, members of the Springfield Red Aid Squad and authorized Red Cross First Aid instructors, will conduct a Standard First Aid course starting Friday, October 3, at 8 p.m. in the Town Hall.

This course is open to the public and anyone wishing to attend may contact Richard Allen, Mill-6-1145-J.

The course consists of eleven sessions of two hours each. An advanced course will follow.

CLERK'S OFFICE OPEN TWELVE HOURS DAILY

Although registrations in Springfield have been reported at an all-time high, Township Clerk, Eileen Worthington, said efforts to register are close to 100 per cent of the voting populace will be conducted next week when her office shall remain open for the purpose from 9 a.m. to 9 p.m. until Thursday, September 25, the deadline.

SLATE PARISH SUPPER

A Parish supper, sponsored by the Women's Guild of St. Stephen's Episcopal Church, Millburn, will be held Wednesday, September 24, at 4:30 p.m. at the Parish House. Tickets may be obtained from any guild member or at the rectory, Mrs. David Brown of Millburn, is chairman.

Smoke Complaint Probe Ordered

The Springfield Board of Health last night heard a complaint against the Carter-Bell Manufacturing Co., bordering the Summit line, concerning an alleged smoke and offensive odor nuisance.

Sanitarian Arthur L. Marshall was dispatched to the area at once directly from the meeting hall and reported back a few moments later that there "appeared to be some justification" for the complaint.

Further investigation was ordered by the board and Township Attorney Max A. Sherman was instructed to follow through immediately with a warning letter if it be necessary.

Dr. H. P. Dengler, health officer, was instructed to obtain details from Mayor Marshall with regard to the communities affected by food conditions from the Railway River and its tributaries. He is to enlist the aid of authorities from those communities in a ported struck by some of the pipe as the child ran into the street, according to the police. He was treated at Overlook Hospital, Summit, and released.

START TO ATTEND LECTURES

Starting today seven members of the Springfield First Aid Squad will attend a First Aid Course sponsored by the Second District of the New Jersey State First Aid Council. Classes will be held in the Roosevelt Memorial Hospital in Metuchen. Members who will attend include Capt. John Wilson who is a member of the committee arranging the College, Mrs. Pauline Mesker, Mrs. Betty Peterson, Mrs. Elizabeth Glasier, Mrs. Betty Barber, Mr. Thomas Peterson and Mr. Theodore Neumann.

PBA DANCE SET

Springfield Local 76, Patrons' Benevolent Association, will hold its annual dance the night of October 17 at Old Evergreen Lodge, Evergreen avenue.

Baldwin Resigns From Town Board

Walter W. Baldwin, whose 3-month "sick" leave from the Township Committee expired yesterday, submitted his resignation as a member of the governing board last night to Mayor Robert W. Marshall. The mayor presented the resignation to the Township Committee at a special session following a Board of Health meeting. It was accepted.

Seek Principal For New School

Selection of a principal for Springfield's new \$800,000 new upper grade school, known as the Florence M. Gaudreer School, in South Springfield avenue, is reported next on the Board of Education's agenda. A search for a suitable candidate will be started at once, according to board members. Both the township school system and out-of-town sources will be combed for a prospective appointee.

Following the selection the question remaining will be whether the appointee shall start his duties upon opening of the new school, probably in January, or shall wait until next September. If decision is against a January start, a temporary head may be named to serve until the opening of the next school year.

The board at its meeting Tuesday night raised annual tuition fees from \$120 to \$250, effective October 1, after Superintendent Newschwanger reported that the per pupil cost last year, based on average enrollment, had advanced to \$238. This is \$20 below the average cost in Union County.

Mr. Newschwanger reported the present total school enrollment at 1,228, which is 128 more than last year. Board discussion developed that the new school will only partially solve overcrowding problems. Shortages of four rooms by the 1963-64 school year and eight rooms by the following year were predicted.

The board instructed District Clerk Anderson to suggest to the Township Committee safety measures for children walking to and from school in areas of Mountain, Meisel and Hillside avenues.

Additional sidewalks, policing, curbing of speeding and additional warning signs are among the suggested remedies. The board engaged Nicholas Thomas as a janitor at \$3,000 a year beginning October 1 and allocated \$1,000 for furnishing the teachers' room in the new grade school, \$1,500 for two sections of portable bleachers and \$245 for twenty-five additional music stands.

LEAVES COMMITTEE

Baldwin, elected to the committee nearly three years ago as a Republican organization candidate, spent most of his time in office gradually slipping from the good graces of the group which supported him. Baldwin was to have opposed the organization as an independent candidate in November with Francis J. Keane, ex-member of the committee and a Democrat, as his running mate. But Baldwin's resignation from the board is tantamount to his withdrawal from the committee race.

Walter W. Baldwin

from the committee race. There is much conjecture about his successor, but until a definite announcement is made it will remain in the uncertain category.

Baldwin's leave of absence "due to ill health" was granted three months ago. His letter of resignation follows:

"As you may know, I have recently changed my position and am now located in New York with the Elox Hansson Company as District Sales Manager covering the Eastern Seaboard.

"This job requires my travelling occasionally and of course, increases my responsibilities and duties to the point where I can no longer afford to devote the time necessary to successfully conduct and fulfill my duties as a township committeeman.

"Therefore, after long and careful consideration, it is with a great deal of regret that I hereby tender my resignation as a township committeeman effective at once.

"May I take this opportunity to thank you for the many pleasant associations and courtesies which you have extended to me during my term of office.

"With a word of deep personal regard, I remain."

Rahway Driver Loses License

Finding guilty to a drunken driving charge, Marshall Fairbanks, 27 years old, of 757 West Scott avenue, Rahway, was fined \$200, charged \$23-a-week and lost his driving privilege for two years when arraigned before Magistrate Henry C. Mullen Monday.

Fairbanks was arrested Saturday by Patrolmen John Weinz and John Baber after his car had allegedly been involved in an accident in South Springfield avenue. Examined by Dr. Henry P. Dengler, Fairbanks was pronounced unfit to drive.

Twenty-seven traffic cases were heard and fines totaling \$277 were levied, among them a \$5 fine paid by James E. Battelle, of 27 Profit avenue, for violating the stop street law. One Rahway speeder was deprived of his driving privilege for sixty days. Other speeders were fined from \$3 to \$10.

Volunteer Nurses Sought by Overlook

Volunteers are helping Overlook Hospital to do something about the serious shortage of nurses. Thoughtful and unselfish women in the communities served by Overlook, including Springfield, who realize the urgency of the situation, are preparing themselves to meet the great need for more patient care by taking the special course now being given at the hospital for the training of Volunteer Nurses' Aides.

Arthur W. Smith, Director at Overlook, feels that the nursing shortage problem is one with which the public will be faced for some time to come, and the course that has been designed will not only enable the volunteers to render urgently needed assistance but will also give them an exceptional opportunity to receive valuable training.

The aim of the plan is to relieve the hospital nurses of many non-professional but essential duties and to provide the maximum of patient care. The objective is to be able to place two volunteer Nurses' Aides, working as a team, at the disposal of each professional nurse.

Miss Cicilia Munster, an experienced and well qualified instructor on the Overlook Hospital nursing staff, is responsible for instructing the volunteers. The course requires six teaching hours and covers—19 points—including specific hospital techniques and hospital ethics.

The first class this fall started September 8th. Those interested in taking the course either during the day or evening, may make arrangements for enrollment through Mrs. Grace Woodward, Coordinator of Volunteer Services. (Call Summit 6-8100).

ney, Mrs. Amy Bandemer, William Goltz, William DeLeonard, Henry George and Stanley Jacobus, judiciary committee; Stanley Jacobus, auditing; Mrs. Gabriel Giannattasio, welcome; Mrs. Samuel Lubarsky, hostess; and Mrs. Kenneth Bandemer, Mrs. Frances Kean and Mrs. Carl Ledig, publicity.

The October meeting will be held at the home of Mr. and Mrs. Harry Spiecker.

D. E. Simms, Bride On Wedding Trip

Mr. and Mrs. Donald Eugene Simms, will reside at the Ivy Hill Apartments, Newark, when they return from a two-week honeymoon at Miami Beach.

The former Miss Muriel Jean Schadt, daughter of Patrolman and Mrs. Edward Schadt of 326 Kerrigan boulevard, Newark, and Mr. Simms, son of Mr. and Mrs. Adam Simms of 53 South Twenty-third street, Kenilworth, were married Saturday, September 6, in Sacred Heart Church, Vallburg, Newark. The Rev. Robert Egan performed the ceremony which was followed by a reception in St. Joseph's Hall, Newark.

Escorted by her father, the bride was attired in a gown fashioned with a Chantilly lace bodice and satin skirt and train. Her fingertip veil of nylon net was draped from a Chantilly lace cap trimmed with seed pearls. She carried a prayer book with orchids and lilies of the valley.

Miss Rena-Churco was maid of honor and Mrs. Edward J. Schadt, Jr., a sister-in-law of the bride, was matron of honor. Miss June Schade, a cousin of the bride, Miss Carol Simms, sister of the bridegroom, and Miss Frances Court were bridesmaids. Susan Simms, another sister of the bridegroom, was flower girl.

Robert Simms served as best man for his brother. Ushers were Bruce Davis, Donald Belliveau, Raymond Vohden and Mrs. Schadt, Jr.

The bride, an alumna of Our Lady of the Valley High School, Orange, is employed by Prudential

Insurance Company, Newark. Mr. Simms was graduated from Regional High School. He attended Rutgers University and now attends Union Junior College, Cranford, where he is studying mechanical engineering. He is a draftsman at Arty Machine Company in Hillside.

Lions Club Thanks
Editor, SUN:
First, we of the Lions Club wish to thank all who helped, the won-

derful afternoon of the annual picnic. We especially wish to thank the Police Department for their splendid cooperation. All who attended the picnic were much at ease to see members of the First Aid Squad with their Ambulance and Equipment on hand—prepared for any emergency. This is only one of the many services rendered by this

Another Delicious Meal

Cooked Automatically Electrically
for less than their after-dinner smoke!

This thrifty modern housewife like so many of today's homemakers — has found the way to better meals with less work and greater economy — Automatic Electric Cooking. Today she put a complete meal in the fully insulated oven, set the automatic controls and look the afternoon off. Dinner was cooked to perfection and kept hot until she was ready to serve. Sound wonderful? It is. And the amazing thing is it only cost her about 27¢ less than the price of their after-dinner cigarettes. In every way electricity gives you more for less. Prove it to yourself. See the new Electric Ranges at your dealer's today!

group and we hope many of the parents who witnessed the picnic and noticed the First Aid Squad will remember to help them in their current drive for funds. Without the First Aid Squad, the Lions Club would hesitate to run a picnic.

Bill Melick, Jr., president of the Lions Club says "Thanks to everyone" not forgetting the Super Center Market and Ernie Nagel who went all out to see that we got our supplies at cost.

From Mrs. Pinkava
Editor, SUN:

I wish to thank all the people and our friends for being so kind and sympathetic during the time of my sorrow.

I also wish to thank the Fire and Police Department and the First Aid Squad for their cooperation and services.
Mrs. Adeline Pinkava and family

Lauds First Aid Squad

After reading your recent comment on the current drive for the Springfield First Aid Squad and realizing that the campaign for funds is lagging, I am compelled to write this brief letter. Less than two weeks ago I had the unforeseeable opportunity to arrive at the scene of an automobile accident. The accident, an unfortunate occurrence, gave cause for the First Aid Squad to demonstrate its talent. A creditable performance it was. The amount of time it took for the ambulance to arrive was amazing and to watch these men work swiftly, yet with great efficiency, left me with nothing less than a proud distinguished feeling that I was part of a town that supported this amazing group. Congratulations to those of the First Aid Squad for their wonderful service!

I wish more could have seen this unit at work. If this were possible donations would undoubtedly flow profusely. However, since everyone does not have the opportunity, I hope this letter will encourage you, the citizens of Springfield, to donate generously.

An admiring observer,
Ray Volden

Know Your Government
By N. J. Taxpayers Association

Oases in a Desert of Debt
Sixty-four of New Jersey's municipalities were in the enviable position of having no debt as of December 31, last.

Reports being compiled by the New Jersey Taxpayers Association in connection with forthcoming statistical publications show these fortunate "oases" to be located in 16 of the State's 21 counties. Only Cape May, Essex, Hudson, Mercer and Passaic Counties were unable to boast any debt free municipalities. On the other hand, three large cities—Newark, Jersey City and

Camden—each reported more than \$25,000,000 in debt. Together they carried over 140 million dollars, or 23 per cent of all the local government debt in the State.

Covering schools, municipal utilities or other self-liquidating projects as well as municipal government improvements, total local government debt in New Jersey rose from \$41 1/2 million dollars in 1947 to nearly 607 million dollars in 1951. This 12 per cent increase in four years occurred despite large annual appropriations in municipal budgets for redemption of debt.

Your Library

HOURS:
Daily 10:30 a.m. to 5 p.m.
Mon. & Fri. Evens. 7:30 to 9 p.m.

From time to time your library offers exhibits of interest to various groups. This week the feature is an exhibit on Social Security benefits under the new Old-Age and Survivors Insurance Program. The purpose of the display is to bring to the public factual information about the Social Security Program with emphasis on the recent amendments to the Social Security Act.

The material was arranged through the courtesy of Leonard F. Sawvel, manager of the Elizabeth office of the Social Security Administration at 1143 East Jersey street, in order to enable the people of Springfield to become better acquainted with their rights and obligations under the Act.

Many persons do not realize the importance of the Social Security Act to themselves and their families, thereby losing benefits because they are not aware of how the amended law affects them. Many new books have been received, including "The Silver Challenge" by Thomas E. Costain, "The Flower of Light" by Josephine A. Peck, "Midcentury Journey" by William Shirer, "The Spire" by Gerald W. Bruce, "The Great Enterprise" by H. A. Overstreet, "Journey to the Far Pacific" by Thomas E. Dowey, "Concord Bridge" by Howard Horne.

Looking Into
Yesteryear

From Files
OF THE SUN

Ten Years Ago
As a result of a closely-fought primary campaign in which Charles Phillips won the Republican nomination for a one-year term on the Township Committee over Gregg L. Frost by a margin of 11 votes, 375 to 364, speculation arose over the possibility that Frost, receiving 17 write-in Democratic votes, might appear in the general election, but on the Democratic slate.

Mr. and Mrs. E. W. Wilhelm of Berkeley Heights, formerly of town, announced the engagement of their daughter, Edna, to Pvt. Raymond C. Carroll of Elizabeth.

The Township Committee instructed Carl Z. Alexander, Springfield member of War Ration Board No. 7 of Summit, to effect consolidation of the local ration office with the Summit office, as ordered by State OPA Director James Kerney.

Harold O'Neal, son of Mrs. Rose Nobel of 79 Divon street, was promoted from private to corporal.

Harry Hart of 87 Tooker avenue completed a course in gases, shop processes and inspection at Newark College of Engineering.

Indian Words

Mainland Indians contributed such words as—wampum, atsoochick, sewan, and porcelain for money, wigwam, long knife, macclaw, Chicago, mugwump, papoose, tomahawk, wampum belt, tepee, war-whoop and hoop.

Oldest Animals

The oldest living animals are the tortoises of the Galapagos Islands, which attain an age of 300 to 400 years, according to the Encyclopedia Britannica.

Rent Controls
Lifted Here

Springfield residents who pay rent appear doomed for higher charges in the face of the dropping of rent controls September 30. While much in the minority, it being claimed that more than ninety-five per cent of the residents own and occupy their own homes, rent-payers say they fear the suffering in some cases will be acute because of the absence of vacancies in which they may resort.

On the other hand, there are property owners who declare they are not receiving a fair return in rental money on their investments, considering higher taxes and maintenance costs.

To this some tenants say most landlords have long ago ceased decorating and spending maintenance funds, except for absolutely necessary repairs to prevent serious deterioration of property, usually on the outside.

Most of these claims were aired in a heated discussion sandwiched in between Township Committee action at its meeting last week. The committee on that occasion twice voted "no action" on continuing control, first after failure to get response at a public hearing and again after the public had responded and one resident charged the original motion had been "put through mighty fast."

TWO NEW MEMBERS
ACCEPTED BY SQUAD

Mrs. Elizabeth Glesler and Mrs. Betty Barber have completed satisfactorily their probationary period with the Springfield First Aid Squad and were accepted last Thursday at the monthly meeting as regular members of the Squad. The First Lieutenant—Mrs. Osmond Mesker reported for July, the Squad answered 23 calls, 10 of which were emergency calls and four transportation, covering 388 miles and using 184 man hours on the road. For August, 20 calls were answered of which 16 were emergency and four transportation covering 365 miles and using 108 man hours.

SCHOOL NEWS

NOTICE Through an arrangement made with Supervising Principal Newmeyer, the Springfield Sun will alternate the publication of school news each week with this issue going to James Caldwell School and with next week's paper going to Maywood Childs School, etc. When the new Florence Childs School is completed the same procedure will be followed.

JAMES CALDWELL Kindergarten Mrs. Janet Wronsky Mrs. Betty Webster

We are enjoying kindergarten and learning a lot of new things. We know how to cross streets safely. We made neckties of straws and paper. We are making a story light. We all liked the Cool-aid Mrs. Piemer made for us.

Mrs. Mary Edna Sinder Mrs. Lorraine Eldert Mrs. Gertie Corby Mrs. Betty Webster

We are learning to write our names and our numbers through five. We are also learning the names of our colors. We can read the color names - red, yellow, and blue. We have been reading the pictures in our "We Read" book.

We are trying very hard to remember to work quietly when a group of children are busy with their books in the reading chairs. We want to learn good work habits. We are learning new songs and rhythms in our new grade, too.

Grade Two Miss Lenora Johnson Our class has been very busy reviewing the things we learned while in First Grade. Last Friday we wrote a story about our flag. We have been studying and talking about safety on the playground and on our walk to and from school. We drew pictures to show what we have learned.

Grade Two Miss Harriet E. Smith We went to the first primary assembly on Monday morning at nine. Mrs. Osborne taught us a safety song called "Where You Hide a Bicycle."

Grade One Mrs. Gertie Corby We are learning to write our names and our numbers through five. We are also learning the names of our colors. We can read the color names - red, yellow, and blue. We have been reading the pictures in our "We Read" book.

Grade Two Mrs. Yola Hannan Some of the members of our class took an afternoon nature lesson. Paul and Albert spent some time near a brook and brought in some crayfish for the children to see. The crayfish little creature walk backwards and were interesting to watch.

Grade Three Mrs. Margaret Dunn We went to the first primary assembly on Monday morning at nine. Mrs. Osborne taught us a safety song called "Where You Hide a Bicycle."

Grade Three Mrs. Edythe Clemons In the past week our class has learned how to write numbers through number thirty-nine. We are now able to work out examples by the "Round Number" method. We are simple - XII plus equals XXI. We are now learning to learn the meaning of our words.

Grade Three Miss Ruth Gerdes We have been quite busy so far.

We had an Arithmetic Day and Robert DeRonde won it. We learned about pencils, nickels, and dimes in Arithmetic. We made play money and Robert and I sold things to see if we could get the right change.

Grade Three Mrs. Barbara Kroos School began for us quite early in the morning. We are the right of way to twelve o'clock third grade. Our class has fifteen boys and twelve girls. We share our room with Mrs. Dunn's afternoon third grade.

Grade Three Mrs. Margaret Dunn We went to the first primary assembly on Monday morning at nine. Mrs. Osborne taught us a safety song called "Where You Hide a Bicycle."

time in school. Frank is an excellent student. Perhaps he is one of those rare individuals who would make a success of self education. We hope that Frank will change his mind and enjoy spending this year with us.

Grade Six Mrs. Elsie Hines Mrs. Virginia Reynolds Mrs. David Rodrick

Everyone came back to school looking refreshed and well rested after our summer vacation. We had an interesting time receiving our pleasure for the class.

We find ourselves looking forward more and more to the many new experiences which this grade offers us. The members of our grade have learned to think in the study of "How to Carry on Discussions Properly." At first some of the ideas seemed strange, but now we are beginning to realize how important it is to have confidence in ourselves and to know when to do the correct thing.

We also are trying to take more time to be courteous and considerate of others. We considered these qualities as well as leadership and responsibility when we selected the sixth grade representatives for the Safety Patrol. Our members selected: Annabel Hartman and Martin Linshi from Mrs. Diligence's class; Judith Glickley and Roy Abrams from Mrs. Reynolds' room; and Johnnie Harz and Norman Ararat in Mr. Rodrick's class.

Our arithmetic and social studies we find we have many fascinating things that offer challenge to inquiring minds. At present we are applying our knowledge of numbers to help us in our history and social studies. We are encountering as we consider the beginning of man's adventures on earth.

The drawing of maps helps us to understand more clearly the places in the world where we live. We are learning how to use a map and how it spread westward. It is interesting to learn of the ways in which these people lived.

Grade Seven Mr. Raymond Whiberry Mrs. Sally Jakobson

It's fun to be in seventh grade! We are getting used to changing schools, to studying our country and how the map tells a story. In art we are doing bright coloring and making cycles. We are encountering as we consider the beginning of man's adventures on earth.

Associates Share In Wilson Estate

Andrew Wilson, of Bryant avenue, Springfield, developer and producer of horticultural insecticides who died September 10, left the bulk of his estate to his associates in the business and members of their families.

In the will filed for probate yesterday with Surrogate Charles A. Otto, Jr., Mr. Wilson also provided bequests totaling \$10,000 to relatives and friends.

His residuary estate will be shared by Corleton H. Morrison, of Springfield, his brother-in-law and successor as head of Andrew Wilson, Inc., A. Russell Morrison, of Montclair, and J. Edgar Morrison.

His home at Bryant and Tonker avenues was left to Mr. and Mrs. Corleton Morrison and 185 shares of stock in his business were bequeathed to Andrew W. Morrison.

Bequests included \$5,000 to a nephew, John R. Wilson, of Jupiter, Fla., \$2,000 each to Jacqueline H. and Margaret J. Morrison and \$500 each to Isabelle Johnston, a niece, of Chatham and Robert Smith, a nephew, of Basking Ridge.

Mr. and Mrs. Corleton Morrison and A. Russell Morrison were named executors. Mr. Wilson was a widower. He had no children.
