FRIENDS!!

Now that the world series is over and folks generally are settling back to normal, local eyes once again are beginning to focus on the coming election, not only from the national standpoint but from the Springfield angle as well... thus far the only campaign talk has come from the anti-organization candidates for Township Committee, George Marchev and Francis J. Keane...

Long arm of the United States Army scored heavily in Springfield last week when it removed up and coming Dr. Robert M. Donauer from the roster of local physicians... Dr. Donauer, whose offices in the post office building have been taken by Dr. William Belliveau, was said to have built a very successful practice here in the past three years...

In answer to all the inquiries, we don't believe there will be any action on the Morris avenue rush traffic ban until after election.

Regional High School students received an unexpected half-holiday yesterday afternoon when classes were dismissed as a result of the construction work on the new addition...

The township's first chain super food market, operated by Safeway Stores, Inc., will be officially opened next Wednesday... it marks a milestone in Springfield's progress and will probably draw thousands of food buyers from neighboring communities to Springfield for the first time in local history...

It won't be long before the First Aid Squad announces whether or not it has reached its 1952 fund quota in the recent campaign... if you haven't already contributed then we urge you to do so without delay.

Often wonder what would happen if the padded income and "contribution" scandals involving candidates for high national offices were to be brought down to local levels... amount of money and gifts involved, of course, wouldn't begin to approach those other figures, but at the same time the confessions and disclosures by local officials...

## Record Set For Enrollment At Regional

School Lists Total of 1,119 On Sept. 30

The Regional High School set an all-time record for student enrollment on the last day of September, it was announced today.

The total number of students enrolled on September 30 was 1,119. A breakdown of this total figure by classes shows 345 freshmen, 300 sophomores, 265 juniors and 209 seniors.

A breakdown of the total enrollment from sending communities was: Springfield, 327; Clark, 196; Garwood, 152; Kenilworth, 235; Mountainside, 73; Berkeley Heights, 130 and non-resident students, 7.

The overall percentage of increase from the high of 1,037 students enrolled as of September 30, 1951, is approximately 8 per cent. This increase in enrollment, however, has not been uniform for the six communities sending students to Regional.

School officials point out that Clark shows the greatest percentage of increase with 17 per cent. Berkeley Heights and Kenilworth are next with increases of 13 per cent. Garwood shows a 4 per cent increase and Springfield and Mountainside each have increases of less than 1 per cent.

## Huff Lists Rise In Tax Collections

Tax collections for the first three quarters of 1952 were \$198,609 higher than those of the same period last year, Tax Collector Charles H. Huff reveals in his report to the Township Committee.

The total collection to date is \$770,105 as compared with \$571,495 last year. However, for the first time in many months the monthly collection ran behind the figure for the same period in 1951. The September collections totaled \$19,877. That figure was 1,061 less than the figure of \$20,938 which was the total for September of last year.

Of the total collections, \$700,770 represents taxes paid for 1952. Taxes paid for other years were: 1951—\$24,365; 1950—\$168,194—\$6 and 1948—\$37.

The total delinquent taxes was \$24,578. Tax title liens totaled \$5,165. Gross receipts taxes were \$11,553. The franchise taxes total \$20,747. The auto bus receipts were listed at \$3,163. Interest and costs on taxes were \$1,606. Interest and costs on assessments is \$232. Tax search fees total \$464.

The total current collections is \$760,338 as compared with \$567,721 for last year. Sundry assessments were listed at \$1,767.

## Big Truck Wheel Nearly Hits Girl

The receptionist of a Route 29 industrial plant narrowly escaped death last week when the spare wheel from a giant truck and trailer broke loose and struck through the office door, crushing into the wall, only a yard from where she was sitting.

The receptionist was Miss Lois Stiles, of 205 Harrison street, Westfield. She suffered shock but no injuries despite being showered by broken glass.

Police said the wheel broke loose from a Chicago-bound truck, bounded 100 yards and rolled through the main door. The driver reported he did not realize the wheel was loose.

## UCPC to Promote 18th Horse Show

The 18th Annual Watching Troops Autumn Horse Show will be held at the Union County Park Commission's Watching Stables on Saturday, October 18, and Sunday, October 19, 1952.

The program will consist of 26 classes, 22 of which will be horse-ownership events for members of the Watching Troops only. Four events will be held for exhibitors wishing to show their horses in hunter and jumper events. Prize lists and entry blanks are available at the Watching Stables, Gladstone avenue, Summit.

## Mrs. Geo. Harrison Named to Board

Mrs. George Harrison was appointed to the Board of Trustees of the Public Library last night by the Township Committee. She will replace Mrs. Helen R. Smith, who tendered her resignation this week due to pressure of private business.

Mrs. Harrison has been a civic worker for many years. She has been active in the Springfield Chapter of the Red Cross, the Parent-Teacher Association and numerous other civic groups. Her husband is a member of the Board of Education.

The Board of Library Trustees last week adopted a resolution, expressing regret at the resignation of Mrs. Smith. The measure paid tribute to her twelve years as a member of the board. Copies of the resolution were ordered sent to the Township Committee and the Springfield Sun.

Mrs. Smith, it is understood, had sought to resign last Spring. However, other board members persuaded her to retain the post until the library had observed its twentieth anniversary. Mrs. Smith, who is secretary to the Regional Board of Education, has found matters involved in construction of the addition to the Regional High School taking most of her time.

## Methodist Women Plan Meeting

The Woman's Society of Christian Service and the Wesleyan Service Guild of the Springfield Methodist Church have completed plans for their anniversary celebration meeting the evening of Tuesday, October 21, at eight o'clock.

Mrs. Ralph E. Dodge will speak on her mission work under the Board of Missions and Church Extension of the Methodist Church in Portuguese West Africa. Brief talks relative to the 125th anniversary of the church will be presented by Mrs. J. Gordon Miller, Wesleyan Service Guild Secretary, and Mrs. Wade Marles, President of the Newark District Women's Society of Christian Service.

Other official guests will be Mrs. Frederick Flammer, Promotion Secretary of the Newark Conference, and Mrs. Virginia Nestell, Past Secretary of the Wesleyan Service Guild.

The musical program will consist of duets by Mrs. Nestell and Mrs. Miller, and Mrs. Wilfred Berg and Mrs. June Mason; and a piano duet by Mrs. William Young and Mrs. Elliot Hall. The public is invited to attend the program. Refreshments will be served.

## St. Rose of Lima Men to March Sun.

The men of St. Rose of Lima Church, Short Hills, will participate in the annual demonstration of the Holy Name Society Sunday, October 12, in their own gear. The men and their own age sons will meet at the church parking lot on Short Hills avenue at 1 p.m.

Members of the Holy Name Society will be present to distribute banners and badges. At 1:30 p.m. the group will march from the parking lot to Millburn avenue to Holmes street to the Lackawanna Railroad plaza. They will be preceded by the Concoch-Carver Post band of Anserna, Conn.

From Lackawanna place the men will proceed by bus and private car to Village road and Prospect street, South Orange, which is the starting point for the St. Rose of Lima group.

The complete line of march in South Orange will be as follows: north on Prospect street to South Orange avenue, and from there to the Seton Hall University campus.

## Two Drivers Pay Speeding Fines

Two Union County motorists were fined for speeding by Magistrate Henry C. McMullen in Municipal Court Monday night. They were Allan Burns, 19 Union place, Summit, and Edmund J. Rutkowski, 216 Clark place, Elizabeth, \$10 each.

Other fines imposed were: Donald J. Harkins, 629 Miner terrace, Linden, careless driving, \$3; Carl Ziesing, 2258 Stecher ave., Union, careless driving, \$4; and Richard B. Dab, 282 Carnegie place, Union, stop street violation, \$5.

## Republicans Plan Open House Here

Township Committeeman Frederick A. Handville and Charles Remlinger, Republican candidates for the governing board, will be the principal speakers at the open house which will be held Monday night at 8 o'clock at the Republican headquarters, 275 Morris avenue.

Local, county and State candidates have been invited to attend. All local residents have been urged to attend to meet the township committee candidates. Refreshments will be served.

## Symbol of Fire Prevention

One of the pieces of apparatus with which the Springfield Fire Department is calling attention to Fire Prevention Week. The fire-fighting unit has been touring township streets. Acting Fire Chief Charles Schilling has urged residents to clean out cellars and attics removing all inflammable materials.

## Preview on Tuesday Will Open New Safeway Store

A preview Tuesday evening will precede the official opening of the new Safeway Store Wednesday at 727 Morris Turnpike. The new store is equipped with the most modern fixtures and devices dedicated to rapid and comfortable shopping.

Considerable interest has been demonstrated in the store opening by Union County shoppers during the course of construction of the store building. The structure is completely air-conditioned and is illuminated with white daylight luminous tubing. Wide aisles and extensive footings of display cases for the merchandising of garden fresh produce, self service meats,

frozen foods and juices, ice cream and a wide variety of dairy products are another feature.

The Tuesday evening preview will be from 7 to 10 p.m. Engraved invitations have been issued to residents of the community. Refreshments will be served. Each woman present will receive an orchid corsage as a memento of the opening. Music will be provided over the public address system.

During the initial week the store will open at 9 a.m. and will remain open on the first day until 9 p.m. Store hours subsequently will be from 8:15 a.m. to 6 p.m. daily except Friday when the closing hour will be 9 p.m.

Other feature of the opening will include distribution of favors to adults and children. Several thousand orchids will be presented in addition to plastic piggy banks for children. Another promotion feature will be distribution of more than 1,000 loaves of Safeway's sponsored brand bread on certain days during the second week.

During the opening weeks shoppers also will be given coupons for drawings on various days during the latter part of the month and early in November. Awards will be made of merchandise items, and the principal award will be a large electric refrigerator.

Cost of the Springfield store is reported to be in the neighborhood of \$300,000. A large paved parking lot is available to patrons. Herbert Wilcox, New York Distribution division manager for the Safeway Stores, has indicated the manager of the local store will be named shortly.

## Parent Education Group to Meet

The first meeting of the Parent Education Study Group of the Springfield Parent-Teachers Association will be held next Thursday, October 16, at the James Caldwell School, at 8 p.m. Superintendent of Schools Benjamin M. Newslinger will speak on "School Policies—What Are They?" He will discuss this topic in an overall manner, covering the policies of the Springfield school system.

Mrs. Lacy Forsythe, assistant to Newslinger, will then cover more thoroughly the policies of the James Caldwell School, and Mrs. Theima Sandmeler, principal of the Raymond Chisholm School, will discuss the policies of that school.

Members of the Parent Education committee are: Mrs. Henry M. Wasing, chairman; Mrs. Charles E. Miller, co-chairman; Mrs. Vincent J. Chiquina, Mrs. William F. Valois, Mrs. Louis Schneider, Mrs. J. Benjamin Sussman and Mrs. Werner W. Denard.

## Members Attend DAR Convention

Six members of the Church and Cannon Chapter, Daughters of the American Revolution, attended the fall meeting of the state society last Thursday, October 2, at the Berkeley Carteret Hotel, Asbury Park.

Two members served as pages at the meeting. Mrs. James Huggitt of 104 Morris avenue, served as floor page. Mrs. David E. Cavanaugh of 813 Mountain avenue, served as personal page to the two national guest guests, Mrs. Charles Haskell Denton of California, reporter general to the Smithsonian Institution and acting parliamentarian of the society, and Mrs. George Andrew Kuhner of Mount Vernon, N. Y., curatorial general.

Others who attended were Mrs. Milton P. Brown, local regent, Mrs. A. B. Anderson, Mrs. John Kulp and Mrs. Melvin E. Gillette, all of town.

## Town Board May Delay In Filling Vacancy Until After Election

Observers here today were convinced there will be no appointment to the township committee this year to fill the vacancy caused by the resignation of former Fire Commissioner Walter W. Baldwin. The latter recently retired from the governing board because of poor health. His term expires December 31.

However, some individuals close to the Township Committee have expressed belief that the "hands-off" attitude of the township committee may change after Election Day. They predict the appointment of Charles Remlinger to the post in the event he is one of the two victorious candidates on November 4.

## Methodist Church Plans For 125th Anniversary

The Springfield Methodist Church will hold its observance of its 125th anniversary from October 19-26. Additional details on the program will be made public next week.

The first Methodist worshippers in this community met together 125 years ago in the farmhouse of Philemon Dickerson. At that time there were forty-five active members. Services shifted to the present parsonage, a schoolhouse in Short Hills, the home of Nehemiah Taylor near the Arch Bridge on Morris Turnpike, and then Donnan's Paper Mill. Larger quarters were necessary so the Methodists applied for use of the Springfield Union Academy but were denied it.

Plans were then developed for the group to erect its own church. The land was purchased from Mr. and Mrs. Joseph P. Cannon on May 10, 1833, for \$385. It was described in the deed as fifty-seven hundredths of an acre. Rev. Dickerson donated timber from his large tract of woodland.

Rev. E. L. James laid the cornerstone for the new church. His text was the 15th chapter of Matthew, verse 18: "Upon this rock I will build my church; and the Gates of Hell shall not prevail against it." Joseph Cain began the building and proceeded with the work until it was enclosed. For some time it remained in that condition, but finally Theodore Plerson and William Dickerson completed the job. The Rev. James dedicated the building in July of 1834. Music was provided by a choir from the Franklin Street Methodist Episcopal Church in Newark.

The church was forty feet square with a balcony on three sides. Two rows of windows lighted the interior. The entrance was from the west by two sliding doors which sometimes froze tight in the winter. The men and women came in through separate doors and were not allowed to sit together. The altar was three feet high, but was later lowered to two feet. The building was heated by means of two woodstoves.

The parsonage was originally one and a half stories high. It was purchased from Mathias Denman for \$130 on October 31, 1835, and added an acre to the church property. Later an addition was built on the north side of the parsonage. A two-story addition was put up on the south side after the

Epworth League was organized in 1898 with Rev. M. C. Reed as the first president. Meetings were held on Sunday evening, with a combination social-business meeting once a month. Seventy members were enrolled in the League in 1909.

The Ladies' Aid Society, now known as the Woman's Society of Christian Service, was organized in 1887. In 1909 the Society had a membership of 39.

The Springfield church was the mother church of eight other Methodist churches in neighboring communities including Westfield, Hillon, Summit, New Providence and Vauxhall.

In 1927 the church celebrated its hundredth anniversary, during the pastorate of Rev. John S. Burton. The festivities lasted from November 6 to 13. Township officials, Methodist district leaders, and local church leaders participated in the centennial. Nine former ministers of the church took part in service in their honor. Another service featured a review of the church's history, the background of Methodism in the world, and its future.

In 1936 Springfield celebrated the Sesqui-Centennial anniversary of the Battle of Springfield. Rev. William Reed, then pastor, was appointed to head the arrangements committee. Boy Scout Troop 66, famous in the area for its achievements, marched in the grand parade down Morris avenue.

On October 29, 1930, work was begun on the shifting of the parsonage to its present location. It was judged to be one of the oldest buildings in the township.

The interior of the church was renovated in November, 1934, and ground was broken for a three-story addition in April, 1935. Mr. Richard Trivitt, then the oldest member of the Official Board, turned over the first spadeful of soil. An elaborate ceremony followed. The annex was dedicated in October of that year. Bishop Francis J. McConnell, resident Bishop of the New York area, officiated.

Probably the outstanding event during the 1940's was the renovation of the interior of the sanctuary including the construction of a new altar.

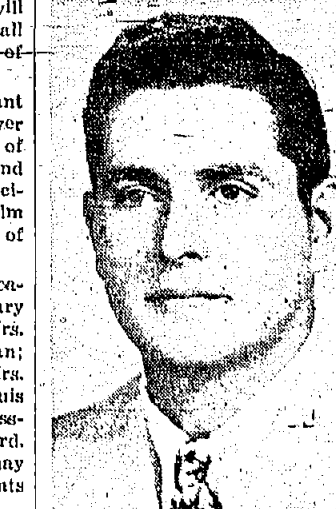

The present organization includes the following groups: Church School, Scouts, Junior and Senior Chorus, Methodist Youth Fellowship, Young Adult Fellowship known as the Poye Club, Woman's Society of Christian Service, Wesleyan Service Guild, Althea Bible Class, and the Men's Club.

## Dr. W. J. Belliveau Opens Practice

Dr. William J. Belliveau, M.D., of 25 Profit avenue, is reopening his practice here following a three-year connection as a practicing physician with a clinical group in Plainfield.

A graduate of Regional High School, Dr. Belliveau received his pre-medical education at the University of Wisconsin. He graduated from the School of Medicine of Indiana University and interned at Letterman General Hospital, San Francisco.

Dr. Belliveau is industrial physician for the Calumet Corporation, Summit. He will occupy the former office of Dr. Robert M. Donauer, 332 Morris avenue. He is married and has three children.

## Fusion Candidates Blast Republicans

A charge that a "handful of political big shots" has dominated the township committee and hampered the industrial development of the municipality, was made today by former Township Committeeman Francis J. Keane and George B. Marchev, Independent Fusion candidates for the Township Committee.

The candidates asserted that industrial development is essential to the municipality if the "intolerable tax burden" is to be alleviated.

The independent candidates also charged the Township Committee has bypassed the Planning Board to "serve the special interests of a favored few."

Warning to the political fight Keane and Marchev renewed their contention that the governing board has done a poor job of operating Springfield. "The business of running Springfield is big business and should be handled accordingly. Only independent committeemen without ties or obligations can protect the interests of the taxpayer," their statement asserted.

Hitting at caucus sessions the independent candidates said caucus and secret sessions are not the proper way to govern a municipality. They asserted that any decision affecting the entire township should be brought to the table and the pros and cons discussed in open meeting. When a decision is reached, they said, the reasons should be explained publicly.

Keane and Marchev in their statement charged that "the people of Springfield have been discouraged from attending committee meetings by their reception here. People should be actively encouraged to take part in local government. Participation of an informed public would result in better government. Groups of citizens who differ with the view of the committee have actually been termed hostile groups. We believe that any citizen or group has the right to be heard without being treated as unwelcome."

Keane is a former township committeeman. He has been campaigning as an independent and Marchev, a Republican, has the same status.

## St. Rose of Lima Rummage Sale

RAYMOND BELL, Notary Public, State of New Jersey. My commission expires August 10, 1954.

PUBLIC NOTICE
In accordance with Title 40:20-25, Subdivision C of the Revised Statutes of New Jersey, 1937, and amendments thereof and supplements thereto, notice is hereby given that the Township Committee of the Township of Springfield, in the County of Union, has approved, subject to final approval as a further condition of offer made by John G. Grauman to purchase property hereinafter described, and on the condition that the offer stated, for the sum of \$20.00 to be paid ten per cent (10%) in cash on approval of the offer and balance in cash on closing of title.

As said meeting the Township Committee may reject the said offer, provided no higher price or better terms shall then be bid for said property by any other person.

The property is described as follows: BEING 25 feet fronting on Marlon Avenue. The terms and conditions of said sale are as follows: It is understood that the Township of Springfield obtained title to said premises by law or judgment. The foreclosure or by deed executed and delivered to it in lieu of said proceedings.

The said property is to be conveyed subject to valid restrictions and easements of record, if any, and such title as an accurate survey of the property will disclose and apparently subject to the following covenants which shall run with the land:

1. No house shall be erected on any lot having a frontage of less than 60 feet.

2. No house erected on any lot here-in conveyed shall have a living space, as shown by the ground floor plans, of less than 625 square feet. In the case of a two-story house, and in the case of a single story or bungalow type house, said living space shall not be less than 850 square feet.

The conveyance to be made hereunder shall be subject to the Township of Springfield from and after the date of the deed, which shall be payable on the usual installment date.

This conveyance shall be subject to zoning ordinances, Planning Board regulations, and all other laws and applicable ordinances and regulations of the Township of Springfield.

The purchaser shall execute a contract for the purchase of said lands, which shall provide for closing of title within sixty (60) days from the date of sale; and shall, at the same time, make a down payment of not less than ten per cent (10%) of the purchase price, and shall be retained as liquidated damages by the Township of Springfield in the event that the purchaser fails to perform the terms of said contract.

Even. 7:30 to 9 p.m. With the zip of autumn in the air and the baseball championship settled for another year, the sports enthusiast quickly turns to greet the football season. For those armchair fans who must enjoy their sports vicariously, radio and television supply the week-end's pleasure but for the rest of the time a good sport story is always welcome.

At the time when the Greek athlete was the idol of his day, some form of competitive sport has played a part in the life of almost every man and boy. Today we must include the whole family. Women are excluded from playing the major sports but are avid fans in every field from sandlot baseball to the Olympic Games.

The stories of the lives of famous football and baseball players as well as those of the better known managers, are always in demand. Good novels about sports and sporting life serve their purpose too and bring out the novel of fair play and the need for character building. Your library offers a splendid choice for different age levels.

Among the new books this month are: "The Far Country" by Nevil Shute, "Smith's London Journey" by Allen Smith, "Reunion on the Wabash" by Sterling North, "Tallulah" by Tallulah Bankhead, "You, the Jury" by Mary Borden, "The Doctor Takes a Wife" by Elizabeth Siefert, "J. ### Robert Holzwarth Wed in Maplewood

Miss June Evelyn Rose, daughter of Mr. and Mrs. J. Evan Rose of Boyden avenue, Maplewood, became the bride Saturday of Robert Oshel Holzwarth, son of Mr. and Mrs. Charles H. Holzwarth of Lewis drive. The ceremony preceded a nuptial mass in St. Joseph's Church, Maplewood. The Rev. Bernard A. Petras officiated. A reception followed at the Maplewood Country Club.

Mrs. Marie Kohan attended the bride as maid of honor. Bridesmaids were Mrs. John C. McDonough, sister of the bridegroom, Miss Patricia Wedin, the bride's cousin, and Mrs. William Grimm. Dorothy Wedin, the bride's cousin, and Betty Ann Holzwarth, sister of the bridegroom, were junior bridesmaids. Charles F. Holzwarth was best man for his brother whose ushers were Mr. McDonough, Sheldon R. Odell, Jr., and Frederick Welch, cousins of the bridegroom, and Edward Collins. The bride wore a gown of nylon tulle and chantilly lace over duchess satin with a collar of tulle edged with lace. Her illusion veil was draped from a coronet of tulle and Chantilly lace over a prayer book with orchids and stephanotis.

The couple will reside at 171 South Orange avenue, South Orange, when they return from a trip to San Island, Gu.

Mrs. Holzwarth is an alumna of Columbia High School and Burlington School of Fashion, New York. Mr. Holzwarth was graduated from Columbia High School and Nichols College, Dudley, Mass. He is associated with J. C. Penney Co., New York.

### WHY SUFFER A 40 YEAR ROADBLOCK?

### get the Garden State Parkway NOW...Vote Yes!

A 1992 Parkway can't cure a 1952 traffic jam headache. The 180-mile Garden State Parkway can be built in three years—instead of 40!

The State Highway Department has built about four miles of Parkway each year since 1947. It can't be done any faster with present highway funds. At this rate it would take more than 40 years to build the Parkway.

A YES vote on the Parkway referendum can save you 37 years of bumper-to-bumper irritation. What's more, the estimated \$8,000,000 of state funds spent yearly on the Parkway since 1947 can be released for other essential highway construction in all 21 counties of New Jersey.

Crowd 40 years of Parkway building into three: Save an estimated \$80,000,000 in finance charges. Vote YES on the Parkway referendum November 4th!

# Regional Eleven Resumes Football Action Saturday

## Bulldogs Play Host to Strong Somerville Team in 2nd Outing

Activity on the Regional High School football front roars into high gear this week-end, the Bulldogs playing the first of six straight Saturday engagements. Entertaining Somerville in a game that marks the resumption of gridiron warfare after last Saturday's off-day following the Hillside opener two weeks ago, the Bulldogs will tangle with Caldwell, Roselle, Union, Westfield, and Linden prior to the traditional Thanksgiving Day contest with Rahway.

The interest surrounding the Turkey Day struggle was intensified this week by Rahway's 14-0 upset whitewash operation over Westfield. Regional meets both ball clubs and most observers figured that Rahway was about at the end of the rope, while Westfield was about to become a big power. One hour of football changed that completely.

Regional's chances against a veteran-led Pioneer eleven Saturday received a severe jolt when it was learned that Chet Boyce, who dislocated his shoulder in practice last Friday, would be lost for three weeks.

Thus, the return of Judd Herman, hurt early in the Hillside encounter, will be welcomed by Coach John Brown. The Bulldogs' lack of depth is being felt, and in a big way.

Out of the month's work-outs, the one game, and a trio of scrimmages has come a starting lineup.

## Rau 5, Hershey Ice Cream Retain Bowling Deadlock

The deadlock for first place in the Springfield Bowling League was retained as the two tied teams took the odd games from their respective opponents at Woodruff's Alleys Monday night.

Rau Five and Hershey Ice Cream, both of which went into the tie a week ago, took two of three from American Legion and Battle Hill, respectively. In other matches, Springfield Mkt. scored the highest single tally of the season in winning two from Bannell Brothers, Carpenter Steel took the odd game from Community Shop, and Nelson's Texaco won two from Doyle's Ezzo.

High man was Gene Rau, who posted games of 235 and 201, while Henry Walton attained the top single game honors with a 241. Bob Bennett yoked a 223, Jimmy Funcheon a 218, John Rillo a 212, Billy Larsen a 208, and Matt D'Andrea a 202.

## T. N. T. Bowling Season Is Launched

After the initial session in the T. N. T. Bowling League, teams A and D found themselves in the first place, leaving teams B and C deadlocked for the last position.

Not one of the trollers reached the 200 circle, but several with 100 and over came close.

The standings:

Team D	2	1
Team A	2	1
Team B	1	2
Team C	1	2

## New Headlight Rule Put Off Until March

Cancellation of the State's ruling for higher headlight beams to have been effective October 1, was announced this week by the Motor Vehicle Department. The directive has been put off until March, 1953.

Acting Motor Vehicle Director William J. Dearden announced that he has instructed inspection stations to defer enforcement of the regulation calling for a higher setting for headlight beams. He said he felt "the general public had not been adequately educated to the change."

# SCHOOL NEWS

## Raymond Chisholm Kindergarten News

**Mrs. Dorothy Chandler**  
**Mrs. Florence Towler**  
 We have four kind in our kindergarten rooms now. Two turtles, whose names are Jack and Jill, live in an aquarium in Mrs. Chandler's room and two gold fish, whose names are Bob and Ian, live in Mrs. Towler's room. We all help keep their houses clean and feed them.

Almost every day we have an Indian pow-wow. Most of us have made Tom-Tom and all of us are making feathered head-bands to wear to the pow-wow. Lynnie Jacobson, Louise Ann Dilla, Groy Romanovsky, Karl Muller and Russell Germanian are chiefs because they brought real Indian head-dresses. Frank Kramertan also had a head-dress.

**Grade 1**  
**Mrs. Mildred Thurber A.M.**  
**Mrs. May Busch A.M.**  
**Mrs. Jane Schorr P.M.**  
 We have our first book "We Look and See" and have read some stories about funny Sally.

We are all trying to do our best work so that we may soon take them home to read to our parents. Many pretty Autumn pictures decorate our room at this season.

We heard the fire engine songs this week. Most of us are able to sing them to our parents.

Mrs. Schorr's class was in charge of Assembly Tuesday, Sept. 30, 1952. Jack Handley conducted the singing exercises. We sang "Safety Lights" for the other classes. Eleanor Pfeiler acted the part of the signal light and Robert Walter acted the part of the green signal light.

**Grade 2**  
**Mrs. Alice M. Hiez A.M.**  
**Mrs. Charles H. Bowman P.M.**  
**Mrs. Ann Treason P.M.**  
 Our very good spellers who had prizes across each side in September were: Elaine Bouchard, Mary Ann Caporosa, Carol DiSpirito, Barbara Olesky, Judy Simpson, Dina Wichter, David Bostalski, Earl Keller and Roger Thompson.

Elaine Bouchard, Judith Green, Barbara Olesky, Helene Ray, Judy Simpson, Betty Walker, Dina Wichter, David Bostalski and Roger Thompson are reading a new second grade book. This is the program.

Last Friday we had an unusual visitor who stayed all afternoon. In fact, he even joined in the play-ground and had a few rides on the slide. It was Jerry the mail, Poky. We hope to see him again.

Virginia Decker very competently conducted the opening services of our assembly program. We all enjoyed the singing and dancing.

We're proud of the improvement in our penmanship. Those boys and girls with very fine papers were: Gretchen Forbes, Terry Johnson, Diane Egan, Virginia Decker, Leslie Gerber, Alan Yablonsky, Carol Milton, Ernie Altobelli, Susan Rickett, Ronald Korzhak, Billy Valois, Lynne Tariff, Karen Knauer, Jeff Norris, Jackie Apar, Barry Patterson, Janet Mead, Clarence Cline and Steven Altin.

The following children had a perfect score in spelling for the two past weeks: Mary Ann Anderson, Anne Treason and Elizabeth.

We were happy to welcome a new pupil from Irvington. Her name is Irene Hawryluk and she lives on this road.

**Grade 3**  
**Mrs. Ruth Aron A.M.**  
**Mrs. Marietta Parkhurst P.M.**  
 We have been talking about food that contributes to growth. We thought about how milk helps us to grow. This is a story written by Eileen Wagner:

"Milk is good for us because it makes strong bones and teeth. It gives us energy and makes us grow."  
 This week 25 of the children in this class ordered and drank milk for their mid-morning lunches.

Saving for a rainy day is a good habit to form. An opportunity to form this habit is given us every Tuesday. We may bring money for the ten and twenty-five cent defense stamps. The following have started to fill stamp books: George Boyton, John Bradley, Tony Canaleri, Tom Conita, Judy Grosswaldstein, Charlotte Kopp, Doris Kienzel, Richard Miller, Don Nemerson, Michael Pivano and Rose Watson. Miss Hiez takes our money to the post office, exchanges it for stamps, and returns them the next day.

**Grade 4**  
**Mrs. Isabel Huff, A.M.**  
**Mrs. Priscilla Butler, A.M.**  
**Mrs. Loreta Wilson, P.M.**  
 The pupils have been working hard to do next week. Billy Bonner and Janet Holmstetter have shown fine improvement.

Miss Lavenanich did a perfect arithmetic paper. It is on the bulletin board in Mrs. Sandmeyer's office. We are very proud of Billie.

John Marino brought two new sets to science class. He told the pupils about them and also showed them to Mrs. Huff's class.

Janet Holmstetter and Donald Hudson received perfect scores in a fifty

word spelling test.

The numbers of the fourth grade reading class took a lesson week last week. Most of them can recognize the shadow trees that grow on top of their playground. They also recognized the bark, the way the branches grow, the leaves and the nuts as well as the hollow cones. Ellen Fox and Rosalie Sherman have started leaf collections. Several times in the past two weeks, during our recess and lunch period, we have had an interesting and exciting time listening to the story-book records of several of the boys and girls in our room. The Zorro story, "Here and There" by Frank Lloyd Dyer and "Lillian" by...

**Grade 5**  
**Mrs. Margaret McGarrath, A.M.**  
**Mrs. Vera Johnson, A.M.**  
**Miss Ann Ravane, P.M.**  
 The class has made excellent progress in mastering the fundamental facts in arithmetic as a basis for accuracy and speed. Improvements were made by Nancy Blahut, Patricia Verticola, Elaine Giannattasio, Barbara Hlavka, Carl Lett, Arthur Mulcher, Elvira Petimhardt, Sally Oreganus, Sandra Rae, Leslie Rivkind, Larry Arkin, Edward Gardinski, Gladstone, Bruce Goldstein, Richard Spickler, Ted Kevrin, John Kehr, Peter Miller, George Seltzer, Sandra Burns, Phyllis Kaplan, Allen Katter, Mary Lou Martin, Carol Manning, Martine, Edward Seltzer and Vernon Watkins have passed individual tests in addition.

Each day practice is given in the formation of the letters of the alphabet—small and capital—in order to help each child improve his handwriting. Not only legibility but better letter formation and ease in writing are goals for which the striving.

**Social Studies**  
 The period of discovery is being studied in detail. An attempt is being made to understand the time with its limited knowledge and the resulting living conditions here in Europe during this period. A motion picture was used in the classroom to illustrate the revolution around the sun as a basis for learning the use of the different seasons and the times into which the earth is divided.

A short play, "An Exclusive Broadcast of the Voyage of Columbus," was presented in the assembly. The play took part were George Seltzer, Bruce Goldstein, Larry Glustone, Leslie Rivkind and Larry Arkin. Many others represented the crowd at the port. At assembly this week, Lillian Levin and the opening exercises. We then joined with the fourth grade in singing...
