FRIENDS!!

Another election is coming 'round the bend on Tuesday... if you're smart you'll get out and vote early... if the opposite is true or it just happens to be impossible for you to do otherwise, then we predict you'll wait hard and long for your chance to get into a polling booth... as far as the national scene is concerned, we'll leave all the suggestions and recommendations up to the dailies, but locally we urge your support of Township Committeeman Fred A. Handville, seeking reelection, and Charles Remlinger, new candidate for the governing body.

We want Handville and Remlinger not only because they're young, experienced and recognize and desire the need for good local government, but because hard-working Mayor Bob Marshall wants them—and needs them to complete a working team on the Township Committee which should spell progress toward a goal of ultimately pulling Springfield into the ranks of well managed communities... Marshall doesn't deny the need for tremendous improvement in this town where a rapidly increasing population and the resulting demand for public services has skyrocketed our tax rate... "But," says Marshall, "give me the men to work with, men whose cooperation and ability are unquestioned, then add a little more time, be a little more patient and you will get the results you want"... this newspaper cares little what you say about the mayor as long as you admit to his sincerity... on that score, seldom, if ever, have we heard anything to the contrary.

It's no secret that Tax Assessor Frank Cardinal, who last night was suspended pending investigation of charges made against him, has been serving as one of the advisors of the fusion ticket campaign committee comprising Francis Keane and George Marchev... Cardinal, ex-Township Committeeman Baldwin, who recently resigned, and Keane are known to have been sleeping in the same political bed for years!

Tuesday's luncheon meeting of the Rotary Club was enlivened by an outstanding personal travel talk by Bob Adlerbert, president of Sunrise Dairies, who vividly depicted his experiences abroad several months ago during the Olympic Games in Finland.

Although Springfield's record of juvenile delinquency has been very favorable, police warn that Halloween night is a bad one to take chances anywhere... car owners, particularly, are advised to stay at home, which is the best idea, and make sure the car is locked in the garage... in parking try to park under a street light or in a well-lighted area... lock the car and be sure the luggage compartment is locked and the spare tire securely fastened... carry a razor blade or some other device to scrape soap off the windows... use water to get soap off paint and a good cleaner to wipe away the traces... make certain that the emergency brake is on and have the car in gear.

Record Turnout Of Voters Seen For Tues. Election

Observers Expect Sweep by GOP

A record number of voters is expected to go to the polls here Tuesday to ballot for their choices ranging from President of the United States to Township Committee. The township registration now is 4,995. Indications are that most of them will vote. The increase over the figures of last November is 1,230. This is a jump of 33 per cent.

As the campaign entered the final week indications are that this traditionally Republican community will give an overwhelming vote to all G.O.P. candidates from Dwight D. Eisenhower to Frederick A. Handville and Charles Remlinger.

There seemed little doubt that the colorful Republican presidential candidate would carry his ticket with him here. As a result the freeholder candidates, Congressman Clifford P. Case, U. S. Senator H. Alexander Smith and County Register Herbert J. Pascoe are expected to receive a big vote here.

Locally all signs pointed to an impressive victory for Finance Commissioner Frederick A. Handville and his G.O.P. running mate, Charles Remlinger. While these tickets in the field many observers predict the Republicans would garner more votes than the Fusion and Democratic candidates combined.

The Democrats, Mrs. Ann Turk and J. Leo Moran, both of whom obtained their nominations via write-in votes, have waged virtually no campaign. No statements were issued and there were indications that the customary Democratic vote would be decreased in the face of the Fusion and Republican onslaughts.

The Fusion nominee, former Fire Commissioner Francis J. Keane, and George Marchev, are expected to place second. However, their campaign has been based primarily on criticism of the present administration. Since the township nominally is Republican there exists considerable doubt whether the campaign has struck fire with the voters. If it has, the election could be close but consensus is that Handville and Remlinger, basing their campaign on the Republican record, will win with plenty to spare.

Based on the contention that the township will give the G.O.P. nominees for the governing board is the fact that the tax rate rises primarily has been due to the school situation, over which the governing board has no control, and the feeling that the Township Committee headed by Mayor Robert W. Marshall has devoted many hours in an attempt to solve the municipal problems which have cropped up in the past year.

The polls will be open from 7 a.m. to 8 p.m. Township Clerk Eleanor Worthington has advised the plea of the County Board of Elections in urging all persons who can, to vote early.

Regional Groups Hold Conference

Problems of school administration were discussed by visitation teams from Lower Camden County and Hunterdon County Regional School Districts together with Regional School officials at a conference last week. The groups were welcomed by Warren W. Halsey, who presided at the morning and afternoon sessions. Luncheon was served in the school cafeteria.

The groups discussed the proposed plans of the New Jersey School Aid Commission and participation of the Lay Committee on Education, public relations and methods of building school spirit. The teams comprised of school superintendents, teachers, Board of Education members and lay members were part of the New Jersey Cooperative Program in Educational Administration. The objective of the sessions is to find ways of improving school administrative practices.

The groups indicated favor of the proposed New Jersey Aid plan. They also agreed that functioning of lay committees generally has been beneficial. Others from the local group were Dr. Norman Murray, assistant principal; Bertram J. Bertolamy, president of the Regional Board of Education, and Mrs. John Kelly, lay member.

Name Winners In Halloween Paint Contest

Rotary Prizes To Be Awarded Student Artists

Twelve windows were judged winners this week in the fourth annual Halloween store window decorating contest sponsored by the Springfield Rotary Club, in conjunction with merchants and the art departments of both Regional High School and the local elementary schools.

In the artistic division, first prize among the high school students was at Sheffer's Food Store, Morris avenue, drawn by Richard Martinka, and for the grade schools, at the Rialto Barber Shop, 234 Morris avenue, drawn by Joan Betz, Dolores Cicelli and Shirley Temple. Second prize for the high school pupils was Milton's Liquor Store, 240 Morris avenue, decorated by Francis Mocarid and Michael Pevola, third prize at Residence Construction Co., 165 Morris avenue by the trio of Walter Sohrmann, Diane Taylor and Caroline Meler.

Second-prize of artistic for grade school was Springfield Tavern, 246 Morris avenue, drawn by Patty Prince, Call Naylor and Marjorie Leggo, with third, at Karlin's Paint and Wallpaper Co., 250 Morris avenue, drawn by Sam Wronsky, Orion Wolf and Eric Dalrymple.

Top honors, for the most humorous of high school windows, went to the First National Bank of Springfield, prepared by Kenneth J. (Continued on page 9)

Local Roofer Killed in Fall

Eugene Mitnacht, 47 years old, of 18 Mountain avenue, was killed Tuesday when he fell twelve feet from a ladder while repairing a roof at 406 Bally avenue, Union. Police of that municipality said he had been engaged in a roofing job there. Death was attributed to a fractured skull. He died ten minutes after falling.

Mr. Mitnacht had been a resident of Springfield thirteen years. He was a native of Germany, coming to this country in 1929. He conducted his own roofing business for three years until a month ago when he was employed by Jerry O'Mahony, Inc., of Elizabeth, dinner builders.

Surviving are his wife, Mrs. Elizabeth Regal Mitnacht; two sons, Eugene and Steven Mitnacht; a daughter, Helen Doris, all of Springfield, and his mother, Mrs. Helene Mitnacht, and a sister, Mrs. Maria Rauch, both of Millersburg, Germany.

Funeral services are scheduled for tonight at the Smith and Smith Suburban Funeral Home, 418 Morris avenue, Rev. Bruce W. Evans, pastor of the First Presbyterian Church, will officiate. Interment will be private.

Jewish Group Inducts Officers

Dr. Samuel Goldstein was installed as president of the Jewish Community Group at its first annual dinner dance at the Moresque, West Orange. He succeeds Ralph Feldman.

The dance marked the formal admission of the unit into the Essex County Jewish Community Council. Other officers inducted were: Vice-President, Norman Friedman; treasurer, Daniel Kalent; recording secretary, C. L. Seltzer and corresponding secretary, Mrs. Roslyn Yablonsky.

Town Board Suspends Frank Cardinal As Municipal Assessor

Vote Republican

(An Editorial)

The Springfield Sun since the present publisher assumed his post has maintained an attitude of non-partisanship toward local political conditions. In the national, State and county picture this newspaper feels that township residents should vote as their conscience dictates. It seems to us there are some obvious choices among the candidates. We suspect that you entertain the same thoughts. However, the local scene presents a different situation.

The Sun feels that it is its duty to urge residents to cast their votes next Tuesday for Frederick A. Handville and Charles Remlinger for the Township Committee. The voters are offered the choice of two Republican, two Democratic and two Fusion nominees. We believe the cause of better government will best be advanced by the election of Handville and Remlinger.

Few Mayors in this municipality ever have taken the interest in their job that has marked the administration of Robert W. Marshall. And few chief executives have devoted so much time to the duties of the Mayoralty. In fact Bob Marshall is in a way of becoming "Mr. Springfield" himself if you know what we mean.

We feel the township is unusually fortunate in having Bob and in having Art Handville and Charlie Remlinger who are allied with him in their intention to make the municipality a better living place. It's true that the township on occasions has received some unfavorable publicity. Generally this has been the result of the determination of the governing board, to carefully analyze all situations before committing the township to either industrial or housing developments.

Likewise the tax situation has been such that there has been considerable publicity of a detrimental nature. But actually until large industrial areas are developed it stands to reason Springfield's tax rate will be high. The school situation here was such that building was long overdue. And the Township Committee has no control over the schools. The municipal budget certainly has been kept well within bounds.

Handville, in particular, has been finance chairman for three years and his record as such is outstanding. Remlinger is a Springfield business man who has an important stake in development of this municipality. We believe he will be an asset to the governing board.

This is offered in no criticism of other candidates. But facts speak for themselves and in view of the record the Sun feels that the best interests of Springfield will be served by voting for Handville and Remlinger.

PTA Hears Talk On Narcotics

Crofton J. Hayes of the Bureau of Narcotics, Newark, was guest speaker at a meeting of the Parent-Teacher Association Monday evening at the James Caldwell School. He was assisted by Salvatore Glivino, also of the Newark bureau.

Hayes pointed out that children use narcotics as a form of escapism, to avoid undesirable conditions in the home, mainly parental neglect. He stated that New Jersey has one of the best narcotics laws as a result of the actions of state PTAs.

Mrs. A. D. Dovovan discussed referendum No. 1 on the general election ballot which provides funds for state mental hospitals and welfare and penal institutions. She urged members to vote yes. Mrs. L. E. Stoussen, president, announced that the PTA would go on record as endorsing the referendum.

Mrs. S. M. Hottinger gave a report on the PTA Convention which was held in Atlantic City on October 23, 24, and 25. Mrs. Stoussen and Mrs. Thomas P. Doherty also attended the affair. Refreshments were served by the sixth and seventh grade class mothers from both schools. Mrs. Hans Kraft and Mrs. H. A. Keller were in charge.

Regional Board Awards Contracts

Three contracts for additional bus services were awarded Tuesday night by the Regional Board of Education.

A contract for a fifth bus to Kenilworth was awarded to Robert W. Belm of Dunellen at \$289. A special 4 p.m. run to Kenilworth was contracted for at \$349 a day. The third contract was for a sports bus to Berkeley Heights and Mountainside in the late afternoon. It was awarded to Charles T. Shaleros, of Kenilworth, at \$1,600.

Superintendent Warren W. Halsey reported the enrollment at the end of September was 1,128 students. A survey several years ago had listed it at 1,106, he reported.

The board approved the request for retirement of Dr. Alfred Cookman, history teacher. He has been a Regional instructor since the high school opened in 1937. The retirement is effective October 10, 1953. Commissioner Adam T. Shams, Kenilworth, reported that borough has acquired twenty-five more lots in the plot it is acquiring in the hope the Regional board will use it for a school site. The borough now owns all but thirty-six of 138 lots, he said. Commissioner Bertram J. Bertolamy, of Garwood, presided.

Prosecutor Investigates Charge Against Democrat

The Township Committee at a special session last night suspended indefinitely Frank Cardinal, a member of the Board of Tax Assessors, pending investigation of a charge "relating to his alleged conduct" as a municipal official.

The official, who has held his post for seven years, emphatically denied guilt.

It is understood the charge first was made before the governing board Sunday night. The committee met again Monday night to review all phases of the situation and then decided to take the action.

Finance Commissioner Frederick A. Handville, head of the finance department and as such Cardinal's supervisor, said the governing board took the action to protect taxpayers. He said in event Cardinal is cleared of the charge, he will be restored to his post and his salary will be paid retroactively from the date of the suspension.

Candidates Issue Final Statements

Statements by the Republican and Fusion candidates for the Township Committee together with an endorsement of the GOP nominees featured the semi-weekly of the current local political campaign. The endorsement of Township Committeeman Frederick A. Handville and his running mate, Charles Remlinger, was by Frank M. Kerr, their campaign manager.

Kerr asserted that the Republican party is in the enviable position of being able to present two competent men as a natural team. He said Handville has the advantage of three years of experience on the governing board and asserted Remlinger is a fearless individual whose intelligent thinking makes him a competent candidate. He urged support of the Republican nominees at the polls.

Handville and Remlinger pledged themselves to be deeply concerned with the vital problems and to budget their time so the important issues will be given priority in thinking over smaller and less important items. They asserted they had confined their campaigning to the discussion of the problems confronting Springfield and had discussed them on a realistic basis.

George Marchev and former Township Committeeman Francis J. Keane in their final statement asserted that the township needs new blood in its local government. They charged that taxes are out of control; that there has been haphazard juggling of ordinances; that there is only a temporary recreation commission and that no progress has been made in solving the traffic problem. They also charged the municipality is without an industrial commission.

Claiming that the township government is in a rut, the Fusion nominees urged residents, in event they feel a change is needed, to vote for them on Election Day.

No statements were forthcoming from Mrs. Ann Turk and J. Leo Moran, the Democratic candidates.

Hold Services for Mrs. Siborowicz

Mrs. Sabina Siborowicz, died Sunday after a long illness on her seventieth birthday anniversary at the home of her son, Albert J. Smith, 275 Short Hills avenue. She was the wife of the late Alexander Siborowicz. In addition to her son, she is survived by a grandson.

Mrs. Siborowicz had lived here eight years. She was a former resident of East Orange. She was a retired employee of the Essex County Hospital, Cedar Grove.

The funeral was held yesterday from the Young's Funeral Home, Summit. A high mass of requiem was celebrated at St. Rose of Lima Church, Short Hills. Interment was in St. Rose of Lima Cemetery.

Three Women Hurt in Crash

A trio of women is recovering today from injuries suffered Sunday when two cars were in collision at Fleming and North Trivett avenues. They were taken to Overlook Hospital, Summit, in the First Aid Squad Ambulance.

The injured are Mrs. Marie Glese, 24 years old, of Jersey City; Mrs. Mary Boza, 47, of Jersey City; and Mrs. Gloria Karmazin, 27, of 30 Elmfield road, Colonia. Mrs. Boza was treated for chest bruises; Mrs. Glese for a forehead laceration and Mrs. Karmazin for shock. The drivers were John Glese, of Jersey City, who was traveling east in North Trivett avenue; and Henry H. Karmazin, of Colonia, who was proceeding north in Fleming avenue. Patrolman Edward Roessner investigated.

CHILDREN'S THEATER. "Cinderella" will be presented by the Salome Gaynor Theater for Children on November 15 at 3 p.m. at the James Caldwell auditorium. The local PTA is the sponsoring organization.

ATTORNEY DECLARES SUSPENSION ILLEGAL

Former Township Attorney Robert Darby, attorney for Frank Cardinal, told The Sun at noon today that last night's action of the Township Committee in suspending Cardinal was illegal. Darby said the governing body "absolutely had no legal right or authority to suspend Cardinal." The Township Committee's only right is to act as a judge and jury where a municipal employee is concerned. After fair trial it may remove said individual from office but not "go off the deep end" as they did last night. Actually, according to Darby, Cardinal could apply for a writ and be restored at once to his position as tax assessor. Darby further clarified his statement by declaring that only in the case of a police officer, charged with a misdemeanor, does a township committee have the power of suspension pending trial.

It was learned that County Prosecutor Cohn had been in consultation with members of the governing board and that County Detective Richard E. Kelly of the staff has been conducting an investigation.

Cardinal, who is the Democratic member of the three-man board, challenged the Township Committee to prove its case. He asserted he is completely innocent of the charge.

Details involving the allegation were not immediately made available.

Cardinal had been instructed by letter to be present at a special session of the governing board last night. Quicker, he said, prior to coming before the township committee, he had no idea why he had been summoned other than it was in connection with his municipal post, as the letter stated.

Immediately there was speculation as to any possible effect on next week's election at which time two members of the governing board will be named. Cardinal has been considered close to former Township Committeeman Francis J. Keane and George Marchev, Fusion nominees for the governing board. During their campaign there were references made to possible graft and inferences that all municipal business would be conducted through the Fusion ticket.

Republicans Here Join Party Tour

Several Springfield Republicans participated in the party's "Tour to Victory," which is taking place today under the direction of Union Township Mayor F. Edward Bier-tumpff.

The ten-hour tour started this morning at the Courthouse, Elizabeth. It traveled to Union and then to Summit where luncheon was served at the Suburban Hotel by the Union County Federation of Republican Women. Mrs. Amy Dandomey of this township, head of the arrangements committee at the luncheon.

In the afternoon the caravan went to Rahway and Westfield. A dinner is scheduled for the Park Hotel with a final rally tonight at Plainfield High School. The principal speaker was U.S. Senator Leverett Saltonstall, of Massachusetts.

She also is senior advisor of the Junior Women's Club of Plainfield, former president of the Plainfield Republican Club, former vice-president of the Plainfield League of Women Voters and vice-chairman of the Union County Heart Association.

Township Women Journey in Vain To See Adlai

A large delegation of Springfield women turned out Tuesday afternoon to greet Gov. Adlai Stevenson, Democratic presidential candidate at the City Hall, Elizabeth. The nominee was unable to stop in the county seat because his schedule was delayed. However, the group waited patiently in the rain.

The group was headed by Mrs. Ann Turk, Democratic candidate for the Township Committee. Other members were Mrs. Helen Naslar, Mrs. Edward Mandel, Mrs. Florence Nelson, Mrs. John Madara, Mrs. Theresa La Fond, Mrs. Harry Burr, Mrs. Elizabeth Lambie, Mrs. Helen Blawinger, Mrs. Mary Thomas, Mrs. Mary Roseony, Mrs. Matilda Wronicki, Mrs. Carmella Graziano, Mrs. Louise Niedermaler, Mrs. Catherine Lindner, Mrs. Sally Bryson, Mrs. Margaret Monro, Mrs. Burt Jones, Mrs. Mary Staehle, Mrs. Emma Lyalkson, Mrs. Helen Miller, Miss Nancy Hart, Mrs. Herman Spiesbach, Mrs. Herman Scriba, Mrs. Chester McEvoy, Mrs. Edward Galvin and Mrs. Lillian Dunleavy.

Talk Will End Star Programs

New Power Line Now in Operation

A new two-mile, 33,000 volt transmission line from Jersey Central Power & Light Company's Whippany electric station to a recently constructed substation at Okner has been energized and is carrying power at present, to industrial customers on or adjacent to Okner Boulevard, Livingston Township.

James V. Carver, northern division manager of the local electric company, stated that the cost of

the entire project upon completion will exceed \$107,000.

Mr. Carver said that the new substation and line when finished will be used to provide an additional supply of power to the industrial area and to a majority of other customers served in the section.

"Eventually, it is planned, to extend the new transmission line from Okner substation to Livingston substation providing a direct artery of electric energy from Whippany to Chatham. This will make it possible to supply the line

from either end," the official explained.

He said the project is one of many planned or in progress by the company locally to keep well ahead of customers' present electric needs and provide service facilities to meet the anticipated increase in demands of customers for the future.

Mon and Fri. Evns. 7:30 to 9 p.m.

In these days of physical therapy, with the accent on hobbies, and the coming need for self-expression, art, in all its forms, has come into its own. The most popular medium is painting. Many people who are famous in more prosaic walks of life have proven that even the untrained painter can turn out pleasing results and meanwhile enjoy the relaxation and sense of achievement that it brings.

Whatever the artistic merit of an amateur painting may be, there is sure to be some beauty in it that should be shared.

Today many organizations sponsor an art department to encourage the beginner as well as the more experienced painter and to display the results of their work.

On November 1st and 2nd, the Art Department of the Springfield Women's Club will hold an exhibit of paintings by local residents at the Springfield Library. This exhibit should bring to light some hitherto unseen work and should prove of real interest to all concerned.

Louis Petzinger Takes a Bride

Miss Eile a Boninger, daughter of Mr. and Mrs. August H. Boninger of 335 Chamberland street, Westfield, and Louis Petzinger, son of Mr. and Mrs. Conrad Petzinger of 529 Mountain avenue, were married Saturday afternoon in the rectory of Holy Trinity Church, Westfield. The Rev. Fr. Mgr. Henry J. Watson officiated. A reception followed in the home of the bride's parents.

The bride wore a ballerina-length gown with a Chantilly lace bodice and a nylon tulle skirt. A matching lace cap held her shoulder-length veil and she carried chrysanthemums and variegated ivy.

Miss Dorothy Benninger of Westfield, was maid of honor for her sister, and Thomas Petzinger, brother of the bridegroom, was best man.

When they return from a wedding trip to Niagara Falls, Mr. Petzinger will return to Norfolk, Va., where he is stationed with the Marine Corps.

Mr. Petzinger is a graduate of Westfield High School and is employed by the Westfield Leader. Her husband was graduated from Regional High School and served with the merchant marines for two years. He formerly was employed by the Springfield Post Office.

Miss Loveland Wed in Church

The wedding of Miss Florence Jean Loveland, daughter of William W. Loveland of 216 Leona avenue, Garwood, and the late Mrs. Loveland, and Louis Bianco, Jr., son of Mr. and Mrs. Bianco of 27 Orchard street, East Paterson, took place Sunday afternoon in the Presbyterian Church, Garwood. The ceremony was performed by the Rev. Eric S. Touger, pastor, and a reception followed at the Hitchin' Post Inn, Union.

Given in marriage by her father, the bride was attended by her sister, Miss Caroline Loveland, as maid of honor. Bridesmaids were Mrs. William Gilbert and Miss Elaine Galloway of Garwood, and Miss Veronica Baldeschl of Fair Lawn, cousin of the bridegroom. Norman Tucci of Fair Lawn was best man. Ushers were Walter Reinhardt of Garwood, brother-in-law of the bride, and Benjamin Ajia and Le Roy Rieck of East Paterson.

A gown of Belgian lace over satin and nylon tulle was worn by the bride. Her finger-tip veil fell from a matching cap.

The couple will reside at 80

Marilyn place, Clifton, when they return from a wedding trip to Bermuda.

Mr. Bianco is a graduate of Regional High School. She was employed on the office staff of the Magna Chemical Corporation until her marriage. Mr. Bianco was graduated from Thomas Jefferson High School, Loch, and is employed by the Legacy Laying and Finishing Company, Paterson.

Miss Norma Joyce Wed in Newark

Miss Norma Elizabeth Joyce of 120 Washington avenue, Irvington, daughter of Mrs. George Rudden, Bayport of Clark Township, became the bride Saturday, of Elmer Floyd Gibbs of 50 South Mountain avenue, East Orange, son of Mr. and Mrs. Floyd M. Gibbs of Blairsville.

The ceremony was performed in the Second Presbyterian Church, Newark, by the Rev. Dr. Lloyd E. Foster of Old First Church, Newark. He was assisted by the Rev. Charles R. Ehrhardt of Second Presbyterian Church. A reception was held at The Homestead, East Orange.

Jesse Babcock gave his granddaughter in marriage. Miss Barber Jean Salisbury was maid of honor and Miss Margaret S. Bray was bridesmaid. Earl M. Gibbs was best man for his cousin and ushers were John A. Bell and E. Howard Scott.

The bride wore a gown of pale ivory slipper satin trimmed with Alençon lace. Her veil of silk illusion was draped from a matching satin helmet trimmed with seed pearls. She carried white roses and pumpkins.

Miss Gibbs is a graduate of Regional High School and attended Washington School for Secretaries and Rutgers University. She is a secretary at Old First Church. Mr. Gibbs, a graduate of Rutgers, is with the St. Regis Paper Co., New York. After a trip through the South the couple will live at 210 Roseville avenue, Newark.

LETTERS from Our Readers

Editor, SUN:

As a member of the Union County Unit of the New Jersey Parents Group for Retarded Children, I urge your readers to vote "YES" to Public Question No. 1 at the top of the ballot on November 4, which calls for a \$25,000,000 Bond Issue for Improvement of State Institutions.

Our New Jersey State Institutions are shamefully overcrowded and in dangerous disrepair. Many are firetraps.

The 4 institutions for the mentally retarded are bursting at the seams with 60 per cent more patients than the buildings can accommodate with any regard to health and safety. Beds are placed in wards with sides touching, with row after row of beds with heads of one row touching feet of the next row, so that there is not even walk space between the beds.

In addition, there are waiting lists of more than 750 retarded children who have been certified by the Courts of this State to be desperately in need of institutionalization, for their own welfare and for that of their families and of society. But the already overcrowded institutions simply can not admit any more patients, and unless this Bond Issue is passed and more buildings constructed, it will take from 3-9 years to absorb the children on these waiting lists. In the meantime, of course, more money will be added. Approval of this Bond Issue No. 1 would enable Administrators of these State Institutions to repair buildings so as to remove most fire hazards; to construct more buildings; to provide more security and quiet facilities for patients already admitted; and to take care of the waiting lists, as well as requirements in the near future.

Very truly yours,
AILEEN W. DONOVAN

Editor, Sun:

"Any inference that the Union County Republican Campaign Committee, of which I am proud to serve with Sheriff Alex Campbell as co-chairman, or any members of that committee, are withholding support from any Republican candidate, can only come from either the enemy camp of the desperate Democrats or from a peculiar mind that seeks to hurt Cliff Case in this election and thereby cause dissension between Cliff and myself.

"You know, of course, that I refer to a recent political dope story—and 'dope' is, the right

Parents Wise, Will Immunize

In recent years it has become a fairly, general policy of precaution not to give children immunization shots during the hot months of the so-called polio season. Crisp autumn days and the resumption of school routines remind us, therefore, that now is the time for those protective measures that have in recent years so wonderfully reduced the number of deaths due to diseases such as diphtheria, smallpox, typhoid fever, and whooping cough.

By means of the "needles" which now play such a familiar part in the safeguarding of health, the doctor can induce within the body of the patient such an adequate defense against the attacks of certain diseases as to render the patient immune to those diseases. Parents are especially grateful for this achievement. No longer need the specter of the strangling death of diphtheria or the blue-lipped asphyxiation of whooping cough haunt their thoughts of their children. Science offers to them freedom from fear, and to their children freedom from former deadly disease. The means is immunization. It is available for all. Are your children immunized?

word—which rattles on about the intention of the 'Bonniger faction' to defeat Cliff Case for Congress in 1954.

"The genius who wrote this little piece of whimsy, which should be included in the next edition of Hans Christian Andersen's Fairy Tales, goes on to say that the way this is being planned is to make a certain, popular Plainfield official the county's fifth Assembly member in order to 'build him up' for the Congress race two long years from now.

"Let me show you how foolish that is. In the first place, no one—not even Cliff Case, knows if he is going to be a candidate for Congress in 1954. Secondly, the gentleman from Plainfield doesn't need any 'build-up.' And last, but most important, if there had been any disagreement with Cliff Case, that disagreement would have been brought out—right flat into the open in last spring's primary.

"Cliff and I have been friends for years. We have been working together in this campaign since spring. We will continue to work together until 8 p.m., Tuesday, November 4th.

"In order that there may be no doubt about it, let me say this: I'm for Cliff Case for Congress. So is every member of the Union County Republican Campaign Committee.

"If there is any doubt as to what I say, the results will bear me out."

Cardinal

(Continued from Page 1)

ness is not on the up and up.

Prior to calling for a vote on a resolution suspending Cardinal, Mayor Marshall asked the assessor, whether he wished to say anything. Cardinal retorted:

"It's a strange coincidence this is happening a week before election. You do not state what my actions were. Mr. Layng (Wilbert Layng, secretary of the Board of Assessors) is here. Why did you not consult him. When you put this in the paper tomorrow you will ruin my reputation in New Jersey. Do you realize what you are doing?" He continued:

"If you have a charge why not say so? If it's just a rumor then Bob (Mayor Marshall) they're floating all over town about you. How do you like them. By your actions you are blamishing my character and I assure you I will seek damages for it."

Police Commissioner Binder told Cardinal that the charge was made by a private citizen. Township Attorney Sherman assured Cardinal the board's action was a "protective and temporary measure."

Cardinal rejected the committee's suggestion that he be given an opportunity to hear privately or publicly the specific charges against him with the statement that "Eve Hiler had better count than this one."

Announcement was made today by Cardinal that he had engaged the services of Robert Darby, for-

mer township attorney, to defend him. Cardinal, after consultation with Darby, issued the following prepared statement:

"I have not yet seen a copy of the charges, don't know of what they consist, who made them, or whether the accusations were made under oath. The Township Committee seems to have taken the position that immediately upon the filing of the charges, without giving me the opportunity to be informed of the nature of the charges and to answer them, I am presumed guilty and suspended.

"Of course it is only a coincidence that the assessing for the year 1953, which is done as of October 1, 1952, has already been completed. And also only a coincidence that I will not have an opportunity to reply to the charges in the Springfield Sun prior to election day.

"My conscience is absolutely clear of any guilt as to any action as assessor during my entire term of office or in any other matter or thing that could possibly bear upon that office."

Following is the exact manner in which the Cardinal situation was introduced at last night's meeting by Mayor Marshall.

"Mr. Frank Cardinal: We have received a report of an incident relating to your alleged conduct as a Tax Assessor for this Township. Without going into the details there were reflections made as to the manner in which you

conducted yourself as an assessor. The alleged incident is under investigation by the proper authorities at the present time. Because the information related indicates a serious situation to exist, if properly verified and corroborated, it is our duty to the citizens of this municipality to take action until the aforesaid investigation by competent authorities is completed and a disposition is made one way or the other. The new Tax Assessor is an officer which vitally affects every taxpayer and citizen of Springfield. That officer must be administered in the interest of the general public who are entitled to have full confidence in the proper administration of that office."

"In offering this resolution which is about to be offered we are not casting any reflection or aspersions on Mr. Frank Cardinal, Tax Assessor, but this action is taken as a temporary measure because of a duty that we as members of the governing body owe to the citizens of Springfield.

"THEREFORE BE IT RESOLVED that until the further action of this committee you are relieved of the duties and the office of Tax Assessor and you are further directed to turn over to the Township Clerk forthwith all keys, record and township property of any kind which you have in your possession by virtue of your having held the said Tax Assessor's office, and

"IT IS FURTHER RESOLVED upon completion of the investigation a final disposition will be made in your case."

The Plain Facts of a Vote "YES" For A Good Road

THE GARDEN STATE PARKWAY—NOVEMBER 4TH

What to look for

The Parkway Referendum—The First On Your Ballot—Looks Like This:

| | |
|--|--|
| Public Questions General Election November 4, 1952 | Public Questions To Be Voted Upon |
| YES <input checked="" type="checkbox"/> | STATE REFERENDUM GARDEN STATE PARKWAY CONSTRUCTION, MAINTENANCE, OPERATION. Shall the act entitled "An act authorizing the creation of a liability of the State of New Jersey for the guaranty of bonds, not exceeding two hundred eighty-five million dollars (\$285,000,000) in principal amount, of the New Jersey Highway Authority issued in connection with the construction, maintenance, repair or operation of all or any part of the Garden State Parkway from Bergen and Passaic counties to Cape May or to whatever costs thereof or notes issued therefor; providing the ways and means to perform and discharge such guaranty and pay the interest of the debt upon such guaranty and also to pay and discharge the principal thereof; and providing for the submission of this law to the people at a general election," be approved? Approved April 14, 1952. |
| NO <input type="checkbox"/> | |

In plain words this means—

I am asked whether the State should use its credit so that the New Jersey Highway Authority can borrow money to build the Parkway at 2% or less, instead of 3% or more.

VOTE "YES" AND SAVE AT LEAST

\$80,000,000

Q.

What More Does A "YES" Vote Mean to YOU?

A.

When you vote "YES" for the Parkway referendum you assure yourself a good Parkway to ride on in two to three years instead of a much longer period up to 40 years. That means quicker relief from traffic congestion.

Q.

What assurance do you have the Parkway will pay for itself without extra taxes?

A.

Absolutely every assurance. The Parkway will pay for itself by tolls from only those who ride on it.

Engineers who forecast the success of the New Jersey Turnpike say:

The Parkway will be self-supporting and will require no extra taxes if financed by 2% State-guaranteed bonds.

SO REMEMBER, YOUR VOTE "YES" ON THE PARKWAY REFERENDUM MEANS:

1. You get the entire Parkway built in two to three years.
2. You save \$80,000,000 in finance costs alone.

Support Is Asked For Pkw. Question

Orrie de Nooyer, secretary of the New Jersey Highway Authority, said today he "felt assured" that the Garden State Parkway referendum would be passed. In Tuesday's election as a means to get motorists "out of our traffic horrors."

"With all the facts well presented, the people know that passage of this referendum will erase much of northern New Jersey's traffic nightmare. And this can be done without added cost to the state on a self-supporting basis by

a 'Yes' vote on the proposition," the secretary said.
De Nooyer cited studies showing that 80,000 cars a day would be drained off north-south streets by construction of the Parkway, resulting in savings of time and money to motorists and merchants alike.

"Traffic congestion costs New York merchants \$300,000,000 a year—or more than enough to build a Garden State Parkway every year," said de Nooyer, who is also vice-president of Julius Forstmann and Co., Inc., of Passaic. "This is one of the many reasons why the plan to build the Parkway within three years at a savings of \$80,000,000 will be voted in overwhelmingly on

Tuesday.
"I want every voter to know that two top engineering concerns, noted for their conservative reports, have said that the Garden State Parkway will be self-supporting and will not cost the state a penny in added taxes. Moreover, the passage of the referendum will mean a release of \$8,000,000 a year for building other roads in the state. This amount has been used each year since 1947 to build the Parkway on a piecemeal basis. At that rate it would take 40 years to complete the project. I'm sure that the voters are not going to tolerate this traffic for another generation or more."

voters felt compelled to vote "Yes" on the referendum to open up a pleasant and safe passageway to vacation and recreation sites without traffic problems that give the driver a case of jitters.
"This proposition has come from a wide range of citizens and groups, showing that the backing cuts across party lines and geographic barriers and will benefit all types of persons in the state," de Nooyer said. He listed among the supporters labor groups, the New Jersey Freeholders Association, New Jersey Association of Real Estate Boards, Garden Club of New Jersey, State Federation of Women's Clubs, Citizens Highway Committee of Essex County, New

Jersey Roadside Council, Newark Chamber of Commerce, Paterson Chamber of Commerce and the Junior Chamber of Paterson, New Jersey Citizens for the Parkway, State Federation of Sportsmen's Clubs, Citizens Committee for Highway S-3, as well as many mayors, civic and service clubs throughout the state.

Woman's Club News

The Civics and Youth Conservation Departments met on Tuesday evening, October 21, at the home of Miss Gertrude Sala, 464 Morris avenue. A film of the Garden State Parkway was shown and a discussion followed, explaining the advantages of voting in favor of this public question on November 4. Mrs. Kenneth Bandemer outlined plans for the Americanism campaign which is to be launched by all federated women's clubs in the coming year.

Twenty-five members of the Music Department turned out for last Thursday evening's meeting held at the home of Mrs. James Crowley of 110 Selzer street. Co-hostesses were Mrs. Vincent J. Chiquina and Mr. Robert Hayes. The department has been very fortunate in securing the services of Mrs. William Osborne as director for the group. Mrs. Osborne is music supervisor in the local school system.

The next meeting will be held on November 13 at the home of the chairman, Mrs. Robert Anderson of 5 Prospect place. As there are only two more regular meetings before the program will be presented, it is hoped every Music Department member will attend the rehearsals. The program will be presented on December 3 on the annual president's night.

Club Night will be held on Wednesday, November 5 at the James Caldwell School. After the meeting, the International Relations Department will hold a sale of handmade articles, which will include ceramics, aprons, handkerchiefs, dolls, stuffed monkeys and mittens.

Russell Post will be guest speaker at the November 6 meeting of the department. His topic will be "Art Appreciation," which will deal mainly with European artists and their works.

Mrs. Stanton H. Davis, fifth district vice president, chose as her theme Fellowship and Teamwork. She explained that the dictionary definition for fellowship means companionship or association, team is defined as a number of persons associating for a purpose and work is purposive effort. AP fifth district department chairmen were called upon for reports on ways to correlate their activities to produce worthwhile outcomes.

State College Club Chairman Mrs. John Cooper explained that the State provides \$1,000 a year for college scholarships at the New Jersey College For Women and that the fifth district of the women's clubs are generous contributors.

Mrs. R. G. Pielniek, state chairman of Americanism, discussed her program and emphasized that team means an ideal. She stated that from the time of its discovery, America has been known as the land of opportunity and related specific experiences which typify opportunities and privileges that no other country offers. By understanding and realizing our advantages through the activities of the woman's club, we can hope to preserve and protect a great nation. It is up to the women to help promote the best of everything for our country's welfare.

The Regional Story ...

In top photo, field Judge Louis Ost raises his arms to announce Regional's touchdown to the excited crowd in the final quarter last Saturday afternoon in the Bulldog-Roselle engagement. Rushing in to the pile of players, in which Jack Keith holds the six points, are Regional's Bob Colandrea (29) and Roselle's LaVerne Hunter (83), who tumbled the visitor's TD. In the lower picture, John Nadasky kicks pigskin (arrow) toward uprights for winning point. (Photos by Bob Jamison.)

Bulldogs Win By 7-6 Tally

Regional High School's gridiron forces, fresh from a 7-6 triumph over Roselle in a game that thrilled 2,000 customers at the Meisel avenue field 'til the final whistle, have been girding for its annual battle with Union, to be staged this Saturday afternoon on the local field at 2 p.m.

Sports In The Sun

By DONALD ROSSELET

There were four minutes and 10 seconds remaining to play in the football game.

And as the beautiful autumn sun began to dip in the west, the shadows grew larger of the gridiron and the chilly breeze, which had been blowing incessantly throughout the afternoon, took on a much crisper air, it became more and more apparent that if Regional High's gridmen were going to continue their eight-game victory string over Roselle, they had to do something soon.

The Bulldogs did so something—they forced the Holmes, Roselle's brilliant runner, to punt on fourth down to the Regional 30. Jack Keith pitched out to the right to Bob Colandrea, but the pass was too long; Regional adherents groaned. Keith attempted another aerial; this time the missile hit George MacKenzie on the 43 yard line for a first down. Keith then tried still another pass and this third-straight effort fell untouched to the ground. The mild excitement, which built up after the completed pass, died once more.

Chet Boyce raced around the left end to the 48 for five yards and the local coaches leaped from the bench to scream encouragement to their warriors.

Roselle's coach, Ralph Armino, who had been jumping up and down on the sidelines confident his team had licked the jinx that had prevailed over them for nine years, now seemed a bit frustrated at this sudden turn of events. The fervor in the Orange and Blue stands was ignited anew as Judd Herman bucked his way into Roselle territory, winding up on the 44-yard line.

The frenzy in the bleachers reached the season's high as pass interference was called after MacKenzie failed to hold another Keith aerial on the 21-yard stripe. Boyce then rushed to the 16.

Field announcer Ed Hoffer screamed into his microphone as Judd Herman plunged to the 11. The crowd went wild as Herman powered his way to the six and the wild scene was beyond description when the Bulldog ace bucked to the two.

Keith then took the ball into overpiled as confetti showered the Bulldog stands. But an overly anxious REIS lineman jumped the gun and an offside penalty set the locals back to the seven, nullifying the score and the local cheers.

Roselle then was offside and the pigskin was returned to the one. Opportunity knocked again for the Regional eleven and the riotous throng sensed it. Signals were called, the Bulldog forward wall charged, and Keith squirmed over with the tying points. This time it was the real McCoy. An even greater ovation blasted forth and all eyes focused on the kneeling Keith and John Nadasky, entrusted with the task of winning the battle with the conversion. The pass from center was perfect, the ball was down, the kick was off, and the pigskin split the uprights, just 45 seconds from the end.

The ensuing uproar was tumultuous! Regional was back in the lead!

Then the gun discharged, the tussle was ended. The noise faded in the distance even as the sun settled behind the mountains which majestically lined the horizon. And then it was quiet!

Dated: Oct. 28, 1952

PUBLIC NOTICE
In accordance with Title 40:90-26, Subsection C of the Revised Statutes of New Jersey, 1921, and amendments thereof and supplements thereto, notice is hereby given that the Township Committee of the Township of Springfield, in the County of Union, has approved, subject to final approval at a further meeting of said Township Committee to be held on November 12, 1952, at 8 P.M., standard time, at the Municipal Building, an offer made by William H. Harrison to purchase property hereinafter described and on the conditions hereinafter stated, for the sum of \$10,000, to be paid ten per cent (10%) in cash on approval of the offer, and balance in cash on closing of title.
At said meeting, the Township Committee may reject or accept the said offer, provided no higher price or better terms shall be bid for said property by any other person.
The property is described as Block 70, Lots 36-42 inclusive, on the Tax Atlas of the Township of Springfield, and is known as 51-53 Ruby Street.
The terms and conditions of said sale are as follows:
It is understood that the Township of Springfield owned title to said premises by tax or municipal lien foreclosure, or by deed executed and delivered to it in lieu of said proceeding.
The said property is to be conveyed subject to valid restrictions and encumbrances of record, if any, and such facts as an accurate survey of the property will disclose and expressly subject to the following covenants which shall run with the land:
1. No house shall be erected on any lot having a frontage of less than seventy-five feet.
2. No house erected on any lot hereinafter conveyed shall have a living space as shown by the ground floor plans of less than 325 square feet, in the case of a two-story house; and in the case of a single-story or bungalow-type house, said living space shall not be less than 225 square feet.
The conveyance to be made hereunder shall be subject to taxes to be assessed by and payable to the Township of Springfield from and after the date of the deed, which shall be payable on the usual installment basis.
The conveyance shall be subject to zoning ordinances, Planning Board Regulations, and all other applicable ordinances and regulations of the Township of Springfield.
The purchaser shall sign a contract for the purchase of said lands, which shall provide for closing of title within sixty (60) days from the date of sale, and shall, at the same time, make a down payment of not less than ten per cent (10%) and said deposit shall be retained as liquidated damages in the event that the purchaser fails to perform the terms of said contract.

100% Attendance At Cub Meeting

Cubs had 100 per cent attendance and parents, 96 per cent, at a meeting of Cub Pack 172 last Friday evening. Don 3 took the attendance banner from Den 2.

The theme for the meeting was Halloween. All Cubs came dressed in costumes and prizes were awarded to the ten Cubs with the best costumes. Those winning prizes were: Robert Brucker, the Summit Window Cleaning Co. of Summit had promised to clean the windows of his regular patrons, without extra charge, as his contribution to the program.

Lennox expressed thanks to Russell Post, grade school art director, and Miss Doris Perry, high school art teacher, for their assistance on the project. He said the demand for windows from storekeepers exceeded the number of pupils available, and that next year efforts would be made to expand the entries to accommodate more merchants.

PTA Membership At All-Time High

Parent-Teacher Association membership has reached an all-time high of 1,657, according to an announcement made Monday evening at the PTA meeting by Mrs. P. R. Muller and Mrs. R. M. Briggs. Mrs. Muller is membership chairman for the Raymond Chisholm School, Mrs. Briggs, for the James Caldwell School.

Prizes for high membership in a contest which closed last Friday, were awarded to Miss Helene Kosloski's eighth grade and Mrs. Isabel Huff's fourth grade in the Raymond Chisholm School, and Mrs. Alice M. Lushner's special class and Mrs. Edythe Ciccone's fourth grade in the James Caldwell School. The membership chairman urged parents who are not members to join.

TB League Offers 2 Films to Public

The Union County Tuberculosis & Health League Inc., has purchased two sound educational films for use among community organizations. One (1) "Unsuspected" is a sound motion picture in black and white. It deals with the story of the early discovery of tuberculosis in the mother of a family of five, how one community marshals its resources in the family's behalf.

The Health Department, Public Assistant Services and the Tuberculosis Association and other agencies all do their share to make it possible for the husband and

children to carry on while the mother is in the tuberculosis sanatorium. The film also gives information on the discovery and treatment of tuberculosis and rehabilitation of tuberculosis patients.

The other film is a sound film in color. It deals with facts about tuberculosis germs, the development of medicine and ways in which tuberculosis can be fought. There is only one character in the "Inside Story". He is a scientist-physician who by means of charts and diagrams demonstrates the principles of case-finding, surgery and the use of drugs in tuberculosis treatment.

Both films are available through the Union County Tuberculosis League, Room 401, Court House,

Elizabeth, N. J. Telephone EL 2-2462.

Mr. C. H. Huff, chairman of the Christmas Seal Sale Campaign in Springfield, states that Health Education is one of the most important functions of the League in getting before the public facts and figures about tuberculosis. Health Education is made possible through the purchase of tuberculosis Christmas Seals.

From 1932 to 1936 the number of male immigrants to the United States was only two-thirds the number of female immigrants.

It is estimated that two out of five school children are handicapped by inadequate, but almost always correctable, eyesight.

ST. STEPHEN'S SLATES SERVICE

A special service in observance of All Saints Day will be held at St. Stephen's Episcopal Church, Millburn, on Sunday at 11 a.m. In addition to the choral celebration of Holy Communion, two memorials will be unveiled and dedicated by H. Wentworth Dickinson, rector.

The memorials are a Baptismal cover given by Phoebe Van Ness in memory of her parents, Anna Augusta Woodruff and Frank Wesley Woodruff, and a window in memory of Frank Marshall Schmidt and Ada Marshall Schmidt, to be unveiled by Susan Clara Gibb. The window is being given by Clara Schmidt, Martha Schmidt Gibb and Nicholas Schmidt.

TOWNSHIP OF SPRINGFIELD, UNION COUNTY, NEW JERSEY

Public proposals will be received at 4 p.m. on Wednesday, the 23rd day of November, 1952, in the Township Committee Room on the second floor of the Municipal Building, in the Township of Springfield, New Jersey, for the installation of new street lights at the intersection of Mountain Avenue and Springdale Road, in the Township of Springfield, New Jersey, in accordance with the State Motor Vehicle Department specifications, and in accordance with a plan prepared by Arthur H. Lennox, Consulting Engineer, dated August 12, 1952. Said specifications and plan may be examined at the Police Department, first floor of the Municipal Building, Springfield, New Jersey.

The contract will be awarded to the lowest responsible bidder, the bid to be received to open at 10 a.m. and all bids and to waive, in whole or in part, the sum of ten per cent (10%) of the bid as the order of the Township of Springfield, should accompany said bid.

The successful contractor will be required to furnish proper surety bond conditioned for the faithful performance of the contract.

The New Deal has failed the American people. Instead of the peace and prosperity it promised, it has given us two wars and a synthetic prosperity that is based on deficit spending and the wanton waste of public money. It has brought corruption, the like of which the present-day world has never seen. It has allowed the secret of the atom bomb to be delivered to Russia. It has allowed Communist agents and sympathizers to come into high place in the government. Even a nation as strong as America cannot sustain any more of this. If America's economy is to be stabilized, peace brought into being, and a real prosperity established, then the New Deal must be dealt out.

BRINGS THE SHORE..

...TO YOUR DOOR!

several hundred dollars from my son. In figuring out my annual income for purposes of getting a VA pension—do I count the gift as income?

A.—Yes. Gifts are counted in determining annual income for pension purposes.

Q.—I lost a leg in service, and I recently obtained an automobile with special attachments, with VA paying \$1,600 toward the cost of the car. Is the car exempt from taxation by my State, because it was purchased with federal funds?

A.—No, unless the State law provides for such exemption. Even though VA paid part of the cost of the car, you still are required to pay city, county or State taxes, if they are called for.

Q.—I'm a Korean veteran and I went to go to school this fall under the new Korean GI Bill. May I attend any school that was approved by my State for World War II veterans?

A.—No. A school must be State-approved for training under the new GI Bill, before you may enroll. Approval granted under the World War II GI Bill does not carry over, under the law, because in many cases schools are required to meet different standards than in the past.

Q.—I'd like to take a single course in school this fall under the Korean GI Bill. It would be for less than half-time. How large an educational allowance would I get?

A.—You would receive either (1) the established charges for tuition and fees which all students taking the same course must pay, or (2) a prorated amount based on \$110 a month for a full-time course. You would be paid whichever amount is the lesser.

Cabbage Adds Menu Interest.

Cabbage ranks next to potatoes in popularity. But Mrs. Margaret C. Shepard, Essex County home agent, believes that most homemakers could well add some "new ways with cabbage" to their culinary skills.

"If having cabbage for dinner means only cole slaw or quick-cooked white cabbage to you, then the first step might be getting acquainted with some other varieties—the green, red, Savoy or crinkly type," Mrs. Shepard suggests. "Any head of cabbage should be firm, the color bright and the leaves crisp."

Miss Marie Doermann, extension nutrition specialist at Rutgers University, says that green cabbage rates higher in vitamins A and C than the white or red varieties, but all have some A and C and a generous amount of the B vitamins plus several minerals. Freshly

shredded cabbage served as cole slaw or in a combination salad has the highest food value, she says.

However, the New Jersey State University specialist agrees that many homemakers could well borrow a few cabbage recipes from the Old World and suggest serving the vegetable German style, seasoned with vinegar and sweet cream.

"The Near East and parts of Europe are noted for cabbage rolls and stuffed cabbage," she points out. "The filling is usually chopped meat mixed with rice or bread crumbs. A spiced cabbage dish served in Belgium is seasoned with wine instead of vinegar. Russian Borscht is a combination of cabbage, beets and other vegetables served as a soup with sour cream. "Or you may wish to vary your standard cabbage cookery by experimenting with different spices, wines and meats with this vegetable. Cabbage is a vegetable deserving of enough respect to be served often in different ways."

Postal Hours Change Listed

Several changes in business hours effective Monday, November 3 were announced today by Acting Postmaster George M. Turk. The following hours will be effective Monday through Friday: money orders, 9 a.m. to 5 p.m.; stamps, 8 a.m. to 5:30 p.m.; registry, 8 a.m. to 5:30 p.m.; parcel post, 8 a.m. to 5:30 p.m. and lobby 6 a.m. to 6 p.m. Saturday hours will remain the same with all services except money orders listed from 8 a.m. to noon and money orders 9 a.m. to noon. The lobby will be open from 6 a.m. to 3 p.m. The acting postmaster pointed out the change is necessary to carry out a new system of service for Springfield which enables the

Postoffice to receive and dispatch mail via the Lackawanna Railroad in Summit instead of the present system of delivery via Elizabeth, Kenilworth and Vauxhall Star Route.

VETERANS QUERIES

Q.—I am a World War II veteran taking a correspondence course under the GI Bill. May I switch to a classroom course in the same field this coming fall, even though the GI cut-off date has passed?

A.—No. Under post-cut-off-date regulations, veterans may not switch from correspondence to classroom training, even if it's in the same field.

Q.—My husband, who was a World War II veteran, died recently because of a service-connected disability. He did not use his GI loan benefit. I'd like to buy a house with the insurance he left me. Is there any way I can get a GI loan to help me do so? I have not remarried.

A.—Yes. Under the law, unmarried widows of such World War II veterans may be eligible for GI loans, on the same basis as the veterans themselves.

Q.—I am getting a VA pension for a total and permanent non-service-connected disability. In figuring out my yearly income, to determine whether I am eligible, do I count the money my wife brings in as a seamstress?

A.—No. Your wife's income is hers and therefore is not used in computing your total yearly income for pension purposes.

Q.—While on active duty during peacetime in 1949, I was disabled in a training accident and was paralyzed from the waist down. Would I be entitled to a VA grant for a "wheelchair home," or must the disability have occurred in time of war?

A.—If you meet all the other requirements of the law, you may be eligible for a "wheelchair home," even though your disability was incurred during peacetime. There's no restriction, under the law, as to when a veteran suffered his disability in service.

Q.—I am the widow of a World War II veteran, and I am receiving GI insurance payments at a certain rate each month over a period of 10 years. My husband chose this method of payment because it seemed best at the time. I find now, however, that I need a "good-sized sum of money immediately. May I be paid the rest of the insurance in one lump sum?

A.—No. GI insurance may be paid in a lump sum only when the

insured veteran himself has made that selection.

Q.—I'm a World War II veteran suffering from a non-service-connected disability. I went to VA and was told that I might be hospitalized—if I waited for a bed to become available and was unable to afford private treatment—but that I could not get outpatient treatment. Why is that?

A.—The VA is not permitted by law to give outpatient treatment for non-service-connected disabilities. On the other hand, a veteran may be hospitalized for such a disability if a bed is available and if he can't afford treatment elsewhere.

Q.—I have been attending college on my own, ever since my discharge in May, 1945. Now that the Korean GI Bill has been passed, may I put in a claim to collect money for at least part of my expenses since last May?

A.—No. Under the new law, payments may not be made for any training taken prior to August 20, 1952.

Q.—As the widow of a World War II veteran, I am drawing both VA death compensation and payments under the GI insurance carried by my late husband. I am planning to remarry. Will VA cut off both payments?

A.—Your compensation payments will be discontinued upon your remarriage because, under the law, death compensation is payable only to an "unremarried widow." But your remarriage will not affect the payment of your insurance. You will continue to receive the insurance checks.

Q.—A friend of mine, the widow of a serviceman who was killed in Korea, is planning to remarry soon. She has been getting indemnity payments as a result of his death. Will the payments stop after she remarries?

A.—No. The remarriage of the widow will have no effect on the

indemnity payments, and she will continue to receive them.

Q.—Is VA medical treatment available to World War II veterans studying under the GI Bill?

A.—A veteran-student is entitled only to such medical treatment from VA as he would otherwise get by virtue of his military service. The World War II GI Bill makes no special provision for medical treatment of trainees.

Q.—I recently received a gift of
