Leonard Best Resigns as Head Of State Board

Urges Action On New Tax For Education

Leonard E. Best, of Summit, president of the Richard Best Pencil Company, 211 Mountain avenue, and former chairman of the Springfield School Advisory Committee, this week resigned as chair-

man of the New Jersey State School Aid Commission. He took this action, he said, in order to take a personal stand in favor of a State sales tax to finance the recommendations of the Commission.

Best has served as head of the Commission since its creation in 1949 by joint action of the Legislature. The Commission early this year issued a report citing the precarious financial condition of the majority of the state's 542 school districts and suggesting a \$60 million increase in State School Aid.

In a statement issued explaining his resignation, Mr. Best said, "It is my considered opinion that the 2 per cent Sales Tax exempting food, rent, utilities, medical and dental services, and insurance seems to be the tax best suited to finance the State School Aid program."

In justifying his stand he argued that the Sales Tax is now used in 31 states, that it does not discriminate against lower income groups, that it would not affect adversely the economic development of New Jersey, and that it would be cheaper to administer than a personal income tax.

On the basis of an opinion study made for the Commission by the Princeton Research Service, Mr. Best held that the people of New Jersey apparently favor a food-exempt sales tax over the personal tax. He cited the report to show that three out of every five residents believe that the State government is not giving enough money toward the support of local schools and that nearly half favor more State money for local schools, even if it means higher taxes.

He said, "As a brand-based, direct tax paid by everybody, the sales tax would stimulate greater citizen interest in the public schools. I firmly believe that the

Recreation Board Studies Sections of New Ordinance

Members of the Recreation Board are studying phases of an ordinance which establishes a new recreation commission and gives it power to establish playgrounds and assume other functions with powers voted it by the governing board.

The board members will decide what should be done at a hearing held on the ordinance Wednesday night. It was learned that the board believes members can reconcile any differences with the Township Committee so no important controversy may impede final passage of the measure.

Effect of the ordinance is to invest the recreation commission with power to establish policy rather than to function simply as an advisory group which is its principal function currently. The commission, if the ordinance is passed, will be able to acquire land for play areas by accepting gifts of property or making purchases in the name of the municipality. It also could lease property and estimate costs of preparing new playground facilities.

Town Buys Gadget To Check Speeders

The township committee will launch an all-out campaign against speeders early next year with an electrically-operated timing device which is expected to arrive here late next month or early in February. The order for the device, which costs several hundred dollars, already has been placed, township officials have revealed.

Purchase of the equipment was on recommendation of police officials. Chief of Police William J. Thompson explained that township officials several weeks ago were invited to witness a demonstration of the machine. Being portable it can be used in any area of the municipality.

One patrolman can operate the machine in apprehending motorists. The speed recordings, according to report, are accepted in municipal courts as evidence.

The matter was presented to the governing board when Jay Levin, vice-president of the Springfield Parent-Teacher Association and chairman of a safety committee, representing that group, the Chamber of Commerce, the Lions Club and other organizations, outlined the problem.

There have been complaints about speeders despite the fact that scores of them have been brought into Municipal Court and fined. With the new device police and members of the governing board believe that speeding may be held to a minimum.

Traffic experts from the State Highway Department have pointed out that Springfield has a unique traffic problem as all traffic of the north-south variety funnels through Morris avenue. An alternate highway has been suggested as a solution.

Country Oaks Hears School Bd. Prexy

Howard Smith, president of the Springfield Board of Education, was guest speaker at the regular meeting of the Country Oaks Association, held recently at the home of Mr. and Mrs. Frances Keane of 33 Henshaw avenue. He gave a brief outline of the early history of the board and described some of the duties of the present board. A question and answer period followed.

New members welcomed by the organization were: Mr. and Mrs. William Allen of Country Club lane and Mr. and Mrs. William F. Valois of 510 Meisel avenue. Mrs. Fred Belvinger, recreation chairman, announced that plans were being made for the annual Christmas party.

Lions Club Talk
On Friday, at a regular meeting of the Springfield Lions Club, George Schwobel, Supervisor in charge of Finance of the Motor Vehicle Bureau of the State of New Jersey, explained the New Financial Responsibility Law. His subject was divided into three parts, the Point System—the application of the new law relating to the responsibilities of persons involved in accidents caused by motor vehicles, and finally the "Unsatisfied Judgment Fund."

Legionnaires Present Oxygenator

Members of Continental Post 228, American Legion, present an oxygenator and oxygen tent to the Springfield First Aid Squad. Only four of this type are being used today by rescue squads in New Jersey. Left to right Commander John A. Schoch; Junior vice-commander Wilbur C. Selander, who headed the arrangements committee; Harold Marter, squad president and John Wilson, captain of the squad.

Continental Post 228, American Legion, made a notable contribution to the welfare of the township last week when members presented an oxygenator and an oxygen tent to the Springfield First Aid Squad at the American Legion Home.

The presentation was made by Police Sgt. Wilbur C. Selander

who is junior vice-commander of Keane of 33 Henshaw avenue. He is the chairman of the committee which purchased the machine. It was pointed out that only four rescue squads in New Jersey are equipped with a similar apparatus.

In making the presentation, Selander and Post Commander John A. Schoch told squad mem-

bers the equipment can be used at home under direction of a physician. Currently sick persons in this area needing administration of oxygen generally must be taken to hospitals, it was said.

John Wilson, captain, and Harold Marter, president, respectively of the Squad, received the oxygenator. They paid tribute to the civic spirit of the legion post.

Music Department In Carol Sing

The Music Department of the Springfield Women's Club presented its Christmas program entitled "White Gifts" on Wednesday evening, December 3, at the James Caldwell School.

The program was planned with an interplay of carols and Christmas narration. Mrs. Wilbur Handley and Mrs. James Stewart rendered a Christmas melody in the form of a violin duet. A solo "Ave Marie" by Gounod was sung by Mrs. John Williams. Mrs. Herbert Kern and Mrs. Maximilian Schneider joined in singing "What Child Is This." A duet entitled "Angels O'er the Field" was sung by Mrs. Wetta D. Chapin and Mrs. Joseph Heimbeck. Choral group selections included: "Sing No Noel," "Hark Now O' Shepherds," "Hark the Herald Angels Sing," "We Three Kings," "Oh Come All Ye Faithful," "Christmas Bells," "Lo, How a Rose" and "Canticle de Noel." Mrs. William Osborne directed the music and Mrs. George Lancaster accompanied on the organ. Mrs. Paul Weis was the narrator.

Senior Girl Scouts who participated in the program were: Anita Dentery, Nancy Frey, Mary Ann Dentzer, Jacqueline Binkler, Judy Widner and Diane Grimmer. The girls sang "Holy Night" as a part of the music program.

A welcome was extended to fourteen visiting presidents and their guests by twenty-one hostesses.

Elizabeth Youths Fined for Fracas

Two "Elizabeth youths" were fined \$28 each and one of them was placed on probation for ninety days by Magistrate Henry C. McMullen in Municipal Court Monday night when they pleaded guilty to charges of disturbing the peace. A third youth was absolved of guilt involving a fight during the dance of the Regional Boosters' Club in the high school gymnasium. A juvenile who was involved was turned over to juvenile court authorities.

Gerald Reidy, 19 years old, of 544 Spring street, was fined \$25 and assessed \$3 costs. He also was placed on probation for three months. Assessed a similar fine was Charles R. Judge, 18, of 860 Flora street, Arthur Golding, 19, of 856 Bond street, was found guilty.

French Refugee Seeks Aid In Handling Adopted Child

The trials of a French refugee who is faced with the problem of disciplining an American boy are described poignantly in a letter to the Springfield Sun by the man who is seeking advice.

The problem was referred by The Sun to representatives of the Springfield Women's Club which has a special committee to handle such matters.

The man points out that he has been in this country five years. He has no relatives here other than his wife. His mother and brother were killed when a bomb fell on his home in Bastogne, France. The other members of his family were taken to Germany to work and he has no word from them.

He feels, he says, he is fortunate to be able to live in America. However, he and his wife have adopted a 10-year-old boy and this apparently has created a perplexing problem.

The refugee's wife is an American. His letter to The Sun indicates that the couple are good to the child but that their efforts apparently are not appreciated. The boy derides his foster father's manner of speaking English and shouts at him and his wife. Apparently he frequently misbehaves

and even throws articles at his foster father.

The writer observes that friends have urged him to punish the boy by spanking him. He points out that he is reluctant to take such steps because to him it is too reminiscent of the type of punishment which was inflicted in Europe. He indicates that he does not want to break with the traditions of freedom which are characteristic of America.

In a quandary as to what action he should take under the circumstances, the writer whose name is being withheld by the Springfield Sun for obvious reasons, makes a plea for help.

If any of the Sun's readers have suggestions which can help this new American, send them to this newspaper. They will be relayed to him.

Chanukah Program Set for Wednesday

Dr. Samuel Goldstein, president of the Springfield Jewish Community, announced that the group's next session on Wednesday evening will be highlighted by a Chanukah program at the American Legion Hall, here.

Mrs. Miriam Gershwin will conduct a candle lighting ceremony and Mr. I. Krammerman will sing. The program also will include a recital by humorist Dorothy Silber of Millburn. The traditional Chanukah food will be served.

A brief business meeting will precede the celebration.

Slate Communion Breakfast Sunday

The Holy Name Society of St. Rose of Lima Church, Short Hills, will sponsor this year's senior and junior Christmas Corporate Communion, at the 8 a.m. mass this Sunday. All the men of the parish and their teen-age sons are expected to attend.

The regular monthly communion breakfast will be served in the lower hall immediately following the mass. Bob Dunn, who will be the master of ceremonies, will tell of his recent trip to Europe for the U.S.O., which he will illustrate with his cartoons. Dunn is the eastern representative for Jimmy Hatlo's "They'll Do It Every Time," which is syndicated in more than 400 newspapers throughout the United States.

Guest Speaker
The Evening Group of the Ladies' Benevolent Society of the Presbyterian Church will have as its guest Dr. Harold N. Moldenke of the Trallside Museum, who will talk on "Plants of the Bible." Dr. Moldenke's talk will be illustrated with colored slides and a discussion period will follow.

Xmas Can Be Made Merrier If You Mail Early - Turk

Acting Postmaster George M. Turk has some special ideas about how Christmas can be made merrier. In fact, he's planning to send the perfect Christmas Card.

Naturally, the Postmaster hopes the rest of us will follow his example, because actually it's the only way a Christmas card should be sent.

"Once this card was selected," he began, "I'd make sure it was delivered to the right address and in plenty of time."

Time, it seems, is the keynote to his plan. For each year the Post Office receives thousands of Christmas cards too late for delivery by December 28. And many a Christmas package has suffered the same fate.

What to do about it? Well, here's the Postmaster's answer: This perfect Christmas card of mine would be mailed before December 15. If it was going outside this state, or at least a week before Christmas if to a local address.

"I'd send it by first class mail, because you get better postal service for only a penny more. Put a three-cent stamp on your Christmas card."

Also they will be forwarded or returned if necessary.

"What's more, you can write a personal message on them, which isn't authorized for third class mail. Just a little note makes your Christmas cards a lot more exciting to receive."

Postmaster Turk emphasizes that you should address the envelopes in your very best handwriting. A carefully addressed envelope is helpful to the mailman, and a welcome sight to your friends. So be sure to include the full name, house number, street, city, zone, state, and return address in upper left hand corner of envelope. Experience has shown that many people fail to supply a complete address on their mail, this is particularly so during the month of December, probably due to their being unaccustomed to mailing large quantities of mail at one time. Check and double check

to be certain you have supplied a complete address.

The Postmaster hopes that everyone will use the special postal labels recently distributed, as their use will speed-up the handling of all mail. If more are needed they may be obtained at the Post Office.

If all of us follow through on the Postmaster's plan for a "perfect Christmas card," the rest will be comparatively easy.

By next week the Post Office will be swamped with Christmas mail. Postal cancellations normally average about 3,000 pieces of mail per day. But at the peak of the Yuletide season, they will average 40,000 per day.

To handle this sudden increase, and the heavy shipments from out-of-town, the Post Office begins its holiday schedule on December 13, as follows: Saturdays (December 13th and 20th), 8 a.m. to 6 p.m.; Sundays (December 14th and 21st), 10 a.m. to 3 p.m.; Weekdays (Mon. through Fridays), 8 a.m. to 7 p.m.

The Postmaster pointed out that the crowds are larger at lunch time. He recommends you mail your Christmas cards and gifts before 10 a.m. or between 1:30 and 3:30 p.m.

The important thing, of course, is to do your shopping and mail early—before everyone else gets the same idea!

LEONARD BEST

(Continued from Page 1)

schools would benefit greatly from such a development, and this leads me to believe that everyone should contribute for the support of our public schools."

For almost a year the people of New Jersey have been considering the proposed program of the New Jersey State School Aid Commission. Hundreds of meetings have been held in the State, in every county and almost in every school district. Thousands of people have indicated their understanding of school needs and their approval of the Commissioner's program of increased State Aid to the local school districts.

However, as Chairman of the Commission, I felt I should not express any preference for the particular tax to finance the program. I indirectly seem to imply a preference by the Commission or its other members. I have, therefore, submitted my resignation to the Governor effective immediately so that I can indicate my personal preference for a tax to implement the program.

While there are good reasons to review the present system of business taxes in New Jersey, a business income tax alone cannot produce the additional revenue to finance the State School Aid program without seriously handicapping efforts to attract new industry to the State.

The choice, therefore, really rests between a personal income tax somewhat higher than Variation Five of the State Tax Policy Report and a 2 per cent Sales Tax.

It is my considered opinion that the 2 per cent Sales Tax exempting food, rent, utilities, medical and dental services and insurance seems to be the tax best suited to finance the State School Aid program.

1. The retail sales tax is now used by most of the States (31) as well as by the District of Columbia and New York City. Since 1945, eight States have adopted sales taxes, while only two States have enacted corporate income taxes, and none has imposed a personal income tax during that time. The sales tax is, by far, the largest source of State tax revenue.

2. With such necessities as food, shelter, utilities, medical and dental services, and insurance exempt, a sales tax, as numerous studies have shown, does not discriminate against the lower income groups. This is especially true when the tax is designed to relieve the tax burden on homes described by the Tax Policy Commission as "among the most regressive of all tax bases".

3. Personal income taxes now imposed by the Federal Government are already so high that they constitute a grievous burden on nearly every citizen. Many people would prefer a sales tax over which they have some control to an additional tax on their incomes. As the Maine Chamber of Commerce points out, "The Sales Tax, as adopted here, is largely a 'voluntary tax'. The liberal exemptions

Best Explains State Aid Plan To School Boards

Leonard E. Best of Beckman road, chairman of the New Jersey State School Aid Commission and a member of the Summit Board of Education, last Saturday told the semi-annual session of the State Federation of District Boards of Education of the state school aid plan and its proposals to meet current problems in New Jersey education. The meeting was held at Trenton.

Mr. Best reviewed the Commission's

recommendation as to how school financial emergencies can be met. These recommendations include consideration of a corporate profits tax, a state sales tax or a personal income tax as a means whereby the tax base might be broadened. At present, he said, almost 70 per cent of the cost of New Jersey schools is borne by property owners.

Forecasting 250,000 more students by 1960 which will require some 7,000 new teachers, the state's 642 school districts are ill prepared to meet the demands made upon them, Mr. Best said. He noted specific cases where increased building has taxed school capacities and told how the inflationary spiral has made inroads on school budgets.

"Bagels and Yox"
At the Mosque

Following successful runs in Miami, Atlanta City and on Broadway, the latter of six months' duration, and after play-

ing to capacity houses in numerous key cities for a total of over 700 performances, "Bagels and Yox," the hilarious English-Yiddish variety show will arrive, by virtue of a special booking, on the stage of the Mosque Theatre in Newark for two performances only Dec. 12-13.

To the uninitiated, bagels are a kind of hard roll, shaped like a doughnut. Frequently they are served with a variety of smoked salmon called lox. Bagels and lox are a tasty delicatessen combination. In show business, yox means laughs—"belly laughs." Both bagels and lox are dispensed freely

with a lavish hand by a small battalion of comics in this zany, mad-cap entertainment. With its musical score, by Solomon Secunda and Hy Jacobson, the cast, which comes here practically intact from Broadway, features such established performers as the wacky Barton Brothers,

glib Lou Saxon as master of ceremonies, song stylist Marty Drake, rubber-faced comic Larry Alpert, ventriloquist Kikkie Layne with his Yiddish Charlie McCarthy, titian-haired songstress Jo Ann Florio who, though Italian born, sings Yiddish songs with authenticity, and Kurt Jons and his ex-

otic dance troupe. Irving Carroll is musical director. Use baking soda in place of soap or soap powder to clean glass doors on ovens and you'll find that it's easy to keep them bright and shiny.

Woman's Club News

The Music Department presented Mrs. William Osborne with a gift in appreciation of the time and effort she spent in directing its Christmas program. The department wishes to thank the Art Department for program covers, the Garden Department for decorations, Mrs. Russell Post—curtains, William Wagner—spot light, and Miss Florence Gaudineer for distributing the gifts.

There will be a meeting of the Music Department tonight, December 11, at the home of Mrs. Kenneth Norris, 24 Shunpike road. Mrs. Robert J. Anderson and Mrs. James Stewart will be co-hostesses. Plans will be made for the balance of the club year and interested members are urged to attend.

The Ways and Means Committee will sponsor a carnival dance to be held on Friday, January 23, at the Evergreen Lodge. Further details about the affair will appear in this column within the next few weeks.

Mrs. J. Frank Jakobsen and Mrs. Robert Anderson were guests at the annual Presidents' Night of the Roselle-Roselle Park Woman's Civic Club on Thursday evening, December 4. This delightful program featured a musical entitled "With a Song in My Heart" and was presented by the following artists: Marimba player, Jean Bromer, accompanist, Grace Thompson and baritone, Phillip J. Cartwright.

At the October Board meeting of the General Federation of Womens Clubs, Mrs. John L. Whitehurst, chairman of the Americanism Department, proposed that the General Federation of Womens Clubs restore and refurbish the Congressional Room and the Supreme Court in Independence Hall, Philadelphia. Board members approved the suggestion. Details of the proposed project will be worked out in the next few months and a campaign will be launched during Americanism Week in September of 1953. The project would continue throughout the 1953-54 club year.

The December meeting of the Art Department was held on Monday evening, December 1, with thirteen members present. Clay figurines were painted. These have to be fired and members are waiting with interest to see how they will look when completed. Plans were made to continue with figure painting at the January meeting. Miss Gertrude Sala was hostess of the evening. Co-hostesses were

Mrs. Joseph Zidonik and Mrs. Alfred Kirby. Set Department Meetings The Garden Department will meet on Monday night, December 15, at the home of Mrs. Henry George, 184 Milltown road. Mrs. Delmar Tappin of 37 Maple avenue will be hostess at the next meeting of the Executive Board on Wednesday evening, December 17. Mrs. Donald Sobin and Mrs. Amy Bandomer will be co-hostesses.

MEET COACH LOU DEROSA

Regional's head basketball mentor has had a wide coaching career, both in subject matter and in the institutions at which he has coached.

Coach Louis DeRosa, who was born in Philadelphia, has been a resident of New Jersey, New York and Pennsylvania all his life. He moved to New York City and to Paterson in his youth. DeRosa now owns a home in Slatington, Pennsylvania, and commutes to and from there every week-end.

Entering his second year as head coach, DeRosa has been at Regional High since 1948. He has coached track (in 1949 when Art Boutot was undergoing medical treatment), basketball (he started in '43 coaching junior varsity ball), and football (he's the line coach).

DeRosa began his athletic career at Paterson Central High School in 1936. He was named center on the All-County team and received honorable mention on the State Group IV eleven after completing a four-year varsity football career. He also was a half-miler on the track team and played varsity basketball three seasons at Paterson Central. DeRosa was captain of the cage team in his senior year.

Coach Louis DeRosa

Our subject went to Muhlenberg College in 1936 and played a year of freshman football before joining the varsity ranks. Graduating from Muhlenberg in 1940, his football activity there brought him many honors. He was the center on the All-State (Pennsylvania) Inter-Collegiate unit, the center on Little All-American, and more recently was named to the "all-time greats" at Muhlenberg. DeRosa also played freshman basketball and a year of varsity ball in college.

He is a member of the Delta Theta Fraternity and was elected to the Kappa Phi Kappa, a national honor society for scholastic achievement, in 1939.

DeRosa coached the Muhlenberg freshman team in 1940 and 1941 and he considers this his best coaching stand. In 1942, he became assistant line coach at Lehigh University and from 1943 to 1947, he was head coach at Slatington High School. His coaching years now number 13.

DeRosa married a Slatington girl, Doris Davis, and the couple have two children, both girls. One is 10 years and the other is two and a half years old.

At Regional, DeRosa is teaching English, but has been social studies instructor.

DeRosa is a likable coach and a truly fine gentleman. We wish him the best of luck!

Team C Heads T.N.T. Pin Loop

Team C, with a 15-12 won-lost record, is leading the T.N.T. Bowling League this week, but a more interesting note is that the remainder of the field—four teams—is deadlocked for second place.

Courtsters Face Westfield in Curtain-Raiser

Coach Lou DeRosa begins his second year at the helm of Regional's basketball team tomorrow (Friday) night as he sends his forces against a Westfield quintet which has already posted two victories—a 65-59 decision over Edison and a 64-63 win over Columbia—on the Bulldog court at 7 p.m.

Three lettermen, all grid stars, will be in the starting lineup against the Blue Devils. Judd Herman, a center and the team's high scorer last year, will open at a forward post along with Jack Keith. The other returning letterman is George Mackenzie, who will be at guard. Rango Joe Schaffner, a sophomore, will receive the center spot. Tom Luckie, a transfer student, was expected to take the other guard position, but scholastic difficulties have forced him to be cut from the varsity squad. Rated one of the best cagers on the squad, Luckie is expected to be eligible in February after 13 games have already been played. He will, however, play jayvee ball.

The opening has posed a big problem for the Bulldog mentor, who had counted heavily on Luckie. He now must find a replacement in the remaining men, including Bob Anglin, Tom Pringle, Guy Selander, Scott Donnington, Don Reid, Fred Buchner, Al Hausman, Stan Bruder, Ed Ruby, Ray Reiff, Bob Hubinger, Pete Witkowski, Ronnie Hartshorn, Tom Casale, Bob Arthur and John Rahenkamp.

The team Coach DeRosa sends on the floor tomorrow night will have had only nine days' practice. He has had to teach offensive and defensive patterns instead of fundamentals, which he believes are more urgent. But, the limited conditioning period has thrown a bombshell into the works. The coach stresses the fact that the club is not as far advanced as it should be in time for the curtain-raiser.

After Westfield, the Bulldogs travel to Plainsfield next Tuesday afternoon. The Queen City aggregation had to come from behind twice last year to gain 64-43 and 53-40 decisions. Against Westfield in the opener last year the Bulldogs had a tremendous night in scoring, dumping the Blue Devils, 64-38. The return go was won by the locals, 87-46.

The eighteen-game court schedule: December 12—Westfield, home (7:30); 16—Plainsfield, away (3:15); 19—Elliptic, home (7:30); 23—Burlington, away (7:30); 27—Edison, home (8:15); 30—Westfield, away (7:30); 31—Union, away (3:15); 1—Somerville, away (7:30); 2—Linden, away (3:15); 3—Horseshoe Park, home (7:30); 7—North Plainsfield, away (3:15); 10—Union, home (7:30); 13—St. Mary's, home (3:15); 16—Linden, home (7:30); 19—Burlington, away (3:15); 23—Burlington, home (7:30); 27—Jefferson, away (3:15).

VETERANS QUERIES

Q—I believe I am eligible for training under the new Korean GI Bill. Can you tell me how to apply?

A—You can obtain an application form at any VA office. Fill out the first five sections completely—be sure to include your program of training—and send the application, along with a photostat copy of your discharge, to your VA Regional Office. If VA approves the application, it will send you a "Certificate for Education and Training," which you present at your school when you enroll.

Q—I know that I may change the beneficiaries of my National Service Life Insurance at any time, but may I also change the method of payment of the insurance?

A—Yes. You may change any previous selected optional settlement to any other—and you may do so without the beneficiary's knowledge or consent.

Q—When I went on active duty, I made arrangements to pay a smaller amount on my house, which I bought with a GI loan. Now that I've been released, I find that I am unable to resume my regular payments. In fact, I can't pay back the payments that accumulated during my service. Can anything be done to help me out?

A—Probably yes. It's possible that the payments may be reduced by extending the maturity of your loan. Talk the matter over with our lender.

Q—During part of my military service, I was a cadet at the U. S. Military Academy at West Point. Do I count that time in figuring out how much entitlement to training I have under the Korean GI Bill?

A—No. Time spent as a cadet or midshipman at any of the service academies does not count in computing entitlement to training under the Korean GI Bill.

Q—May I attend a foreign school under the new Korean GI Bill?

A—Yes, so long as you meet the eligibility requirements of the new law, and so long as the school is an approved institution of higher learning. VA has the right to deny or discontinue a veteran's foreign training, if it finds that the training "is not for the best interest of the veteran or the Government."

St. Benedict Is Opening Foe of Veteran Bulldogs

By HERB HEIMBUCH

With veteran material in most all classes, Coach Dave Pavlin's Regional wrestling team this week seemed almost certain to top last year's record of one win, five losses, and two ties. The Bulldog matmen will begin their season next Wednesday afternoon, entertaining St. Benedict's in the only December meet at 8:15 p.m.

Included in the holdover group are six lettermen and a transfer student who wrestled at Union in 1951. Experience in the light-weight ranks, a forte generally not present in a high school program, is expected to be a large factor in the Bulldogs' favor this season.

At Hector, one point from gaining the finals at the Union County Championships in the 103-pound class last year, will attempt to make that weight. In the event he fails, Tom Nolan will take over at 103 pounds, and Hector will move to 112. Richie Scorse, with a year's experience, is expected to show some of the brilliance predicted for him last year. He should wrestle at 129 pounds.

The middleweight field should be the biggest problem for Coach Pavlin. Wray Bailey, moving up two classes, should gain the 127-pound post, Vet Paul Jordan is expected to move up to the 133-pound position, but at this writing, the 138-pound classes are wide open to the many newcomers on the squad. Battling it out for the 145-pound honors are Gene MaSaitis and George Schwarz.

Four football linemen dominate the heavyweight division. Harold Bolck, possibly the most improved wrestler on the team, will open the campaign in the 155-pound slot. Ron Gauthier, hampered by a bad foot this far, is not expected to be ready for the first match, but will be back to contend with Bolck later in the season. Tom Thompson, the transfer, who wrestled with Union last year, and John Nadasy appear to have

the 165-pound and heavyweight positions clinched, respectively.

Other prospects who have been reporting to daily practice sessions include John McKinney, Bob Schwartz, Al Meslar, Bud Mesker, Joe Marcin, Bill Prescott, George MaSaitis, Dick Pratt, Jim Gartland, Jay Wessels and Jerry Sachels.

Pingry has been added to the grapplers' schedule and there is a possibility that Morrystown might appear on the card. Pingry initiated wrestling last year, but this is the first regular slate it has had. With the addition of the Elizabeth Prep school, the card totals nine meets.

The schedule: December 17—St. Benedict's, home (8:15); January 7—Plainfield, home (3:15); 14—Burlington, home (3:15); 19—Jefferson, away (3:15); 23—Bound Brook, home (3:15); February 3—Pingry, away (3:15); 6—Roselle Park, away (8:00); 12—Union, away (7:30); 20—Somerville, away (7:30).

Southern Schools Subject of Talk

Guest speaker at the November-December meeting of the Church and Cannon Chapter, Daughters of the American Revolution, was Mrs. Ralph Parker of Madison, State Chairman of Approved Schools.

She said there were thirteen approved schools mostly situated in the mountain regions of the South, all of which are definitely for underprivileged boys and girls who would otherwise not have the opportunity for education. Two of these schools, Tamassée in South Carolina and Kate Duncan Smith in Alabama were established and are owned and operated by the Daughters of the American Revolution. Each member brought a gaily wrapped Christmas gift for a child at Tamassée. Refreshments were served by the hostess and her co-hostesses Mrs. A. B. Anderson and Mrs. A. E. Ferguson.
