Teachers to Get \$3,000 to Start; Increments Set

The Board of Education has instituted a new teachers' salary guide which will become effective July 1, 1953. The measure provides for a \$3,000 starting salary for teachers with the equivalent of four years of training and \$3,200 for a master's degree or its equivalent. The starting scale for a doctor's degree will be \$3,400.

Teachers will receive \$200 annual increments for up to six years' teaching experience and \$100 yearly increases thereafter.

The salary maximums are \$5,300 for seventeen years' experience and a bachelor's degree; \$5,600 for a master's degree and \$5,800 for a doctor's degree, both after eighteen years' experience.

Mrs. Isabel Huff was appointed head teacher in the Childs Hill School from January through June at no increase in salary. She is the wife of Tax Collector Charles H. Huff.

She succeeds Mrs. Thelma L. Sandmeier, recently named principal of the new Florence M. Gaudinier School.

The board appropriated \$884 for an aluminum scaffold, hand truck, two janitors' service wagons and oil burner parts and repair.

Ferrone Queried By Grand Jury

Pasquale (Pat) Ferrone, of 3 Shunpike road, was called before the Essex County Grand Jury Monday. He is secretary and business agent of the Port Newark local of the International Longshoremen's Association.

Ferrone was subpoenaed by the grand inquest, after he had been named before the New York State Crime Commission last week as one of two union officials who demanded and received \$70,000 before the union would agree to unload \$3,000,000 worth of Russian furs from two ships at Bayway in 1950.

Ferrone was served with the subpoena last week at the union's headquarters in Newark by State Police.

U. S. Attorney Richman said Federal law enforcement officials may step into the picture. He said the evidence given in New York warrants an investigation as to whether the Hobbs anti-racketeering law has been violated. This statute provides a penalty of twenty years in prison and a \$10,000 fine for each offense.

Gregory Butman, New York fur broker, had testified before the New York State Crime Commission that he gave the money to Ferrone to unload "hoyotted" Soviet furs.

Ferrone succeeded Giannomusi as business agent of Local 1235, which has its headquarters in Newark and jurisdiction extending to Bayway where the boats were docked.

Jensen Honored By Lions Club

Bill Jensen, Springfield artist, recently was made an honorary member of the Springfield Lions Club. In view of the precarious state of his health Jensen's physical activities drastically. As a result the veteran club member tendered his resignation.

However, other members insisted that he remain with the group. After consideration it was decided the resignation could not be accepted but instead Jensen's membership was transferred from the "regular" classification to "honorary." This will permit him, it was pointed out, to retain membership in the club without obligating him to attendance at all meetings.

Jensen is the first honorary member of the club. He has been active in many fields of club endeavor and pioneered in boys' and girls' work leaving an outstanding trail of accomplishments.

The club observed Ladies' Night Friday evening at the Orchard Inn. There were Christmas decorations and the program featured holiday events. Presentations were made by Regional School Commissioner William Melick, the president, George Harrison, Jr., who is in charge of arrangements.

Youth Trio Suffers Loss Of Licenses

Court Imposes Driving Ban on Three Speeders

Three Westfield youths, two of them brothers, today are without their driver's licenses following their revocation Monday night in Municipal Court by Magistrate Henry C. McMullen.

The trio was apprehended December 8 in Mountain avenue by Radio Patrolmen Daniel Madding and Leslie Bell. They were charged with traveling fifty miles an hour.

The youths are William H. Farrell, 18 years old, and James C. Farrell, 17, both of 31 Stoneleigh park, and Arthur J. Sikora, 17, of 210 Grove street.

The magistrate lectured the trio on the dangers of driving at such a rate in a 25-mile zone. He pointed out that fining them would not bring home the dangers of speeding as forcibly as license revocations. He suspended their driving privileges for thirty days. Each driver was assessed \$3 costs of court.

Other fines imposed included Mrs. Margaret Fischer, of High Point drive, who paid \$13 for passing a stopped school bus.

Speeding fines included Gaines Sims, 605 East Thirtieth street, Plainfield, \$7; Horace H. Crane, 202 Locust drive, Cranford, \$7; William P. Pollock, 638 Marshall street, Elizabeth, \$13.

Those receiving watches were: Frederick Mitchell, assistant foreman, 21 Woodcrest Circle, 26 years; Howard Mills, mechanical engineer, 22 Edgewood avenue, 26 years; Frank Bien, department head, 80 Linden avenue, 25 years.

Board Lists January 23 For School Dedication

The Board of Education Tuesday night adopted a tentative 1953-54 budget of \$471,125 which represents an increase of \$8,745 more than the current measure. However, board members pointed out that the new budget, which if approved will be effective July 1, 1953, actually represents a reduction of \$43,767 in the amount to be raised by taxation. This was made possible, it was said, through project use of unexpended funds which were allocated in the current budget but were not used.

It was explained that when the current budget was prepared funds were provided for opening of a new school last September. With the opening delayed until next month the money was not utilized.

The amount to be raised by taxation is \$363,678. The total of current expense accounts shows a drop from \$376,839 to \$369,675. The only rise in current expenses is the item for principal's salaries which increased from \$5,700 to \$16,600. This provides for two additional principals appointed by the board.

The initial payment of \$38,000 on the new Florence M. Gaudinier School is included in the debt service account. Robert Smith, finance chairman of the board, reported the board held the line on costs. He said that despite an anticipated enrollment increase of seventy-five pupils next year, the per-pupil cost of education in the township will remain at the present level.

The board set January 23 as the date for dedication of the Florence M. Gaudinier School. The building will be open to the public January 21 and 22.

School equipment will be moved in during the Christmas holidays and on their return to school, students in the fifth, sixth, seventh and eighth grades will report to the new building. It is anticipated double sessions in all schools will be terminated by opening of the new school, it was said.

The board designated the Raymond Chisholm and the James Caldwell Schools as polling places for the "January 10 school election. Howard Smith, board president, announced residents must be registered at least forty days prior to the balloting.

OVERTIME SCHEDULE FOR P. O. NEXT WEEK

In order to insure delivery of mail before Christmas the Springfield Post Office will remain open next week the following hours:

Saturday, 8 a.m. to 6 p.m.; Sunday, 10 a.m. to 5 p.m.; Monday, 8 a.m. to 7 p.m., and Tuesday, 8 a.m. to 7 p.m.

Acting Postmaster George M. Turk reported today that the volume of outgoing Christmas mail is approaching its peak, and is expected to reach the crest this week.

"Where before it was uneven and unpredictable, he explained, the packages and Christmas cards are now arriving in a steady flow." This week is especially critical.

By critical the Postmaster means that delivery of parcel post by Christmas cannot be guaranteed. He recommends you, "use Air Parcel Post for gifts mailed to distant points."

Postmaster Turk pointed out that thousands of packages are now on route from all 48 states. They will create an even greater strain on local Post Office facilities.

When we enter the clean-up stage, "it is believed, said the Postmaster, "the Christmas mail will have been heavier than ever this year." But I am confident everything can be delivered by December 25th, if the public will cooperate in a number of little ways.

Specifically, the Postmaster recommends that you make sure that your home numbers are clearly indicated, because many have completely disappeared. Clearly indicated addresses are important to temporary carriers. All residents are requested to place their names on their mail boxes, along with the names of those residing with them. This along with the house numbers will speed-up the delivery of all mail. These having dogs are requested to please not let their dog run loose—it may not recognize Santa in a grey uniform. Please use the special postal labels marked "ALL FOR LOCAL DELIVERY" or "ALL FOR OUT-OF-TOWN DELIVERY." They are one of the best time-saving devices the Post Office has ever had."

Postmaster Turk also expects a big rush from last-minute shoppers. For those who are still wrapping packages and addressing envelopes, he has this to say: "If your presents and Christmas cards are going out of state, please ask at the Post Office, before mailing them, whether they should be sent by air mail or special delivery. All gifts should be sent insured or registered."

"Delivery of Christmas cards by December 25th to local addresses is still possible, if first-class postage is used. Just make sure that each address bears the street number, and is easy to read."

Confident of your continued cooperation, the entire staff along with the Postmaster joins in wishing you and yours a Very Merry Christmas and a Happy and Prosperous New Year.

SUN TO PUBLICIZE ALL COMING EVENTS

Starting with the first issue of the New Year, the SPRINGFIELD SUN proposes to launch a "date book" column which will list in detail coming events of all organizations in the community. "The Nativity" To Be Presented

The curtain will rise, promptly at 8 p.m., Sunday when Martin and Olga Stevens present their marionette production of "The Nativity" at Central Presbyterian Church parish house, Summit. Many Springfield residents are expected to attend.

The production is being sponsored by Girl Scout Mariners Troop 12 of Summit, who in conjunction with a Chatham Mariner Troop are aiming at raising \$1,400. The money will be used for a "bean camping" trip aboard the brigantine Yankee Clipper, this summer.

While it is customary to think of marionettes as a comic novelty, the Stevenses have used them for years in serious religious drama. The Stevenses are actors who use marionettes as makups for the many parts they play.

The play has eight lavish scenes, authentic as well as beautiful, and is adult in content and intention. Children will be admitted only with their parents.

Town Asks Lights For Park Area

The township committee has asked the Union County Park Commission to install street lights along Riverside drive to eliminate what has been described as a dark condition which invites muggings.

Commissioner Albert G. Binder, who urged the action, pointed out that a 19-year-old girl recently was an attack victim and had to fight an assailant who seized her. On his motion the governing board asked the Jersey Central Power and Light Company to conduct a survey into the Riverside drive section and to make recommendations for adequate lighting.

Announcement was made that there will be no formal lighting ceremony this year for the Christmas tree on the township square. Colored lights were turned on Sunday night. They will continue each evening during the holidays.

The township committee voted to contribute \$125 as its contribution toward support of the Christmas decorations at the shopping center.

Herbert Hollander of 67 Mossner avenue, Union, proprietor of the station, called police when he found the lock jammed and the money gone.

Fay said Hollander reported the money had been locked up in a safe adjacent to the station. There was no indication of forced entry, he was said. Police theorized that entry may have been gained through an unlocked rear window.

Court Holds Vauxhall Man On Girl's Assault Charge

Thomas F. Ferrigno, 22 years old, of 294 Ohio street, Vauxhall, was held for Grand Jury action yesterday in Municipal Court by Magistrate Henry C. McMullen on charges of assault and attempted rape of a 19-year-old Elizabeth girl in the Springfield section of Rahway River Parkway Sunday.

Ferrigno was arrested Tuesday at the Lincoln Mercury plant, Mt. Union, by Capt. Wesley Hooley and Lt. Beirne of the Union County park police. Ferrigno is employed there as a metal finisher.

Police said Miss Alverna Jacobs, 19, of 612-D Cole place, Elizabeth, told County Park Police Chief Lyman I. Parks, that Ferrigno had assaulted her after taking her for a ride in his car. She said she had not him several weeks ago at a dance hall and after telephoning her for a date had picked her up at her home.

She said they drove through the park area and after taking some pictures the alleged assault took place. She said she was afraid to get out of the car for fear Ferrigno would run her down.

The girl said he later drove to Union when she jumped from the car when it was stopped for a traffic light. She told police she telephoned her family from a service station and her mother called police.

Captain Hooley said Ferrigno was arrested on a similar charge last year which allegedly took place in the same area. The Grand Jury failed to indict him, he said.

Fire Chief Cites Dangers In Decoration For Holiday

Township residents should be doubly cautious of fires during the holiday season, Fire Chief Charles Schilling warned today. He pointed out that Christmas trees, discarded gift wrappings and other holiday ornamentation constitute a serious hazard.

The chief said houses are dried out by furnace heat and in this respect constitute an additional danger. He urged residents to be careful of all aspects involving fire hazards.

"Christmas frequently brings fires and subsequent tragedies to many homes," Chief Schilling observed. "Some of these are hazards which characterize winter and cold weather. They include open fires, heaters and furnaces. Besides being dangerous in themselves they lower the humidity in the house."

In addition to paper wrappings and Christmas trees, the chief cited decorations, extra electrical wiring and lighted candles as other dangers of the holidays.

The following admonitions were listed by the chief:

1. Choose a small tree.
2. Don't set it up until a few days before Christmas. Keep it outside until then.
3. Place it in the coolest part of the house. Don't block an exit.
4. Stand it in water, or use a live tree in a tub of water.
5. Never use cotton or paper for decoration on or around the tree.
6. Don't put electric trains under the tree.
7. Use only electric lights on trees, never candles. Be sure wiring is sound.
8. Place turn-off switch some distance from the tree.
9. Throw away gift wrappings as soon as presents are opened.
10. Don't leave fire lights on when no one is home.
11. If needles near the lights turn brown, move the lights.
12. When needles start to fall, take the tree down and discard it.

Many youngsters from Summit and other sections of North Jersey who attend the Young People's Orchestral Concerts of the Griffith Music Foundation, which are now in their fifth season, will in future wear a gold, white and blue lapel button.

Youthful Griffith Music Foundation Members Have Club

This was decided upon at the second concert of the present season held last Saturday at the Mosque Theater, Newark, and attended by 2,800 youngsters. A Griffith Music Foundation Youth Concert Club was formed to consist of children who attend these musical programs. The lapel button, bearing the name of the club, will be the insignia.

Thomas Scherman, conductor of the Little Orchestra Society of New York, who has presented all of the programs given at the concerts, was named the Club's honorary chairman.

Max Leavitt, of Lemonade Opera fame and of the Metropolitan Opera directing staff, who narrates when narrating is necessary, explained that the idea of the club was "to bring all the boys and girls attending the concerts together into one big family as lovers of good music."

Leavitt said that Mrs. Parker O. Griffith had designed the lapel button but that the members will also have special privileges as concert goers besides wearing the button.

He added that the Foundation had several surprises in store for the members which they would hear about at forthcoming concerts.

LOOKING at this tree through the clouded lens of materialistic philosophy some might say, "It's nothing but a tree cut out of the forest and having no roots it will wither and die." But they are wrong. *This is the Christmas Tree.* It has roots . . . roots that are deeply entwined in the hearts of the people of this community, this nation and people of

What's New in New Jersey

We have just discovered that this jolly old executive—even though he wasn't formally invited to New Jersey—has located dozens and dozens of his assembly plants in the territory we serve.

Don't misunderstand—we're delighted to have this gay and glamorous group of Yuletide artisans here at the Crossroads of the East. They're busier than bunnies, these sub-contractors for the Christmas specialist of the frozen North. They're turning out all the favorite presents of the season—costume jewelry, electric trains, candies and confectionaries, linens and laces, all sorts of toys, leather luggage and glittering garlands of Christmas lights.

These Christmas specialists operate here at the Crossroads of the East because New Jersey offers so much to all types of industry, large or small. Whether you manufacture a trinket or a turret-tank, a bauble or a bulldozer, you should investigate the reasons why industry succeeds in New Jersey.

Bulldogs Defeat Westfield, 50-36; Plainfield Wins

The coming week's basketball program for Regional High schoolers will be marked by a Tuesday night battle with arch-rival Rahway, a game in which the Bulldogs will attempt to gain some measure of revenge for the

32-7 football walloping by the Scarlet, and a Friday night engagement with Hillside. The javvy contests, which precede the varsity affairs, will begin at 7 p.m. in both instances. The Regional-Rahway struggle, a Big Five Conference test, should be an interesting one, for the participants both are in the process of rebuilding their clubs. Regional also will be out to avenge a 75-44 massacre and a 52-38 beating,

achieved last year by the Scarlets. Prominent holdovers in the Rahway lineup include: Eric Jenci, lanky rebound ace; Joe Cygler, individual streakout and Spunktown participant; and Ralph Loenser. Hillside has an almost veteran quintet. Marv Fishman, Jack Saperstein, Roger Keckin, and Art Davidson return from last season.

The Bulldogs dropped a 59-47 verdict at Plainfield Tuesday afternoon, but the feature of the game was a "cold war" which became heated between RHS coach Lou DeRosa and Abby West, the referee.

The pair did not see eye-to-eye on several foul calls against the Bulldogs, calls which had a devastating effect on the local attack, which was not at its best. The Bulldogs were harassed by Plainfield's all-court press and it was not until the final period that they scored with any consistency.

Judd Herman's 12 points and Tom Primak's 11 paced the Bulldogs, but Dave Walker was high for the game with 22 for the Cardinals.

George MacKenzie, who stepped out as a scorer for the first time in his regional varsity court career, netted 19 points Friday night as the heels, who invariably are successful against the Blue Devils, turned a game that, for three quarters was close, into a 50-36 rout of Westfield here.

MacKenzie posted 10 of his points in the fourth-quarter drive, Westfield led only three times.

Grapplers, Idle Till Jan. 7, Top St. Benedict's

By HERB HEIMBUCH

Al Hector ran his regular season win streak to eight straight matches as Regional's wrestling team, which appears to be destined to replace the basketball five as the top team, record wise, at the local institution, routed St. Benedict's, 27-11, yesterday in the Bulldog gym.

Hector pinned George Grochowski in 23 seconds in the opening match for both clubs. The Bulldogs gained a total of three falls during the afternoon, in which they won seven individual tests. The grapplers do not have another match scheduled until January 7, when they meet Plainfield here in a match which should be labeled victory number two for Regional. The locals pinned the Cardinals, 27-15, last year.

Regional 27, St. Benedict's 11
101-pounds—D. Thompson, Regional, defeated Brady, decision (5-2).
112-pounds—Hector, Regional, defeated Grochowski, fall (1:23).
127-pounds—Arkinson, St. Benedict's, defeated Nolan, decision (4-0).
143-pounds—Schwarz, fall (1:38).
165-pounds—T. Thompson, Regional, defeated Clarke, decision (6-2).
