Tax Collections Show Increase For Past Year

Huff's Report Shows Jump Of 25 Per Cent

Tax collections in the township last year showed an increase of more than 25 per cent over the figure for 1951. Tax Collector Charles H. Huff points out in his final report for the year to the Township Committee.

Collections for the year totaled \$1,048,550, Huff reported. This represents an increase of \$234,902 as compared with the 1951 total of \$813,648.

During the period—collections made for the current year were \$951,422. Collections for the previous year were \$29,246. The 1950 collections totaled \$245. A total of \$8 was collected for 1949 and \$37.89 for 1948.

Taxes paid in advance for 1953 during December were \$4,133. Huff stated the total of delinquent taxes at \$29,535. Tax liens totaled \$5,212. The gross receipts tax was \$17,338. The franchise tax was listed at \$31,715. The auto-bus gross receipts item was \$4,265. Interest and costs on taxes totaled \$2,576.

The report showed the interest and costs on assessment totaled \$243. Tax search fees were \$419. The total current collections were \$1,046,463. Sundry assessments totaled \$2,086.

Tax collections have increased each year. Rates also have gone up and the tax rate has risen steadily over a period of years to the point, where it is one of the highest in Union County.

Petitions for Regional Contest

Springfield features the only contest for the Regional Board of Education as the deadline for filing petitions—expired at midnight last night. Recreation Commissioner Edmund Hoffert will oppose the incumbent, William J. Melick. The election will take place Tuesday, February 3.

There will be at least two new members chosen at the forthcoming election. Thomas P. Epler, of 73 Park drive, Kenilworth will be opposed by Avery W. Ward.

The other two members will be H. Gordon Faulkner, of 28, McMane avenue, Berkeley Heights. He replaces Richard N. Southgate, board vice-president, who has resigned effective next month.

Seeking the Carwood post are the board president, Bertman J. Bartolomy and John L. Banyasz. Commissioners Melick had opposition the last time he ran for the board. This is the second time there has been a contest for a Springfield seat. This township, Carwood and Kenilworth have two board members each, with Clark, Mountainside and Berkeley Heights having one each. Raymond Forbes is the other Springfield commissioner.

FLENER HONORED
Carl H. Flenner was elected a vice-president and attorney of the First National Bank of Millburn Tuesday. He is a son of the late William Flenner, the bank's first president. Flenner is connected with the F. & P. Nurseries of this township.

Pat Ferrone Awaits Trial On Extortion Indictment

Pasquale (Pat) Ferrone, of 3 Shumpike road, business agent for Port Newark local of the International Longshoremen, is awaiting trial after surrendering last Thursday at the office of District Attorney Frank Hogan in New York City. He was indicted as a result of extortion charges arising from testimony at the New York State Crime Commission hearings.

Ferrone was arraigned before General Sessions Judge Capozzoli and freed in \$10,000 bail to await trial. Date of the trial was not set immediately. Ferrone entered a plea of not guilty.

Ferrone was accompanied by his attorney, Anthony A. Calandra, of Newark, when he walked into Hogan's office. He had been out on \$30,000 bail by Newark Chief Magistrate. Following his arrest in Newark as a fugitive from New York.

The New York County Grand Jury indicted Ferrone ten days after Gregory Bluman, president of the British-American Fur Corporation told the crime commission he agreed to pay \$70,000 to a man

Parking Banned In So. Spfld. Ave.

An ordinance which reads that it "shall be unlawful to park any vehicle along the easterly side of South Springfield Avenue between the intersections of Mountain Avenue and Milltown Road" was passed on its first reading by the Township Committee at its regular meeting last night. The ordinance will be submitted for consideration and final passage at the next regular meeting of the Township Committee on Wednesday, January 23.

This "no parking" regulation is intended to relieve the traffic situation in the vicinity of the two new schools.

Building Inspector R. H. Marsh submitted his annual report for 1952 to the Township Committee last night showing a total of construction permits amounting to \$3,705,477.00. This included 140 one family dwellings, two garden apartments and two churches.

The annual police report, submitted by Chief of Police William J. Thompson showed a total of 217 motor vehicle accidents for 1952 in Springfield with three killed and 173 injured.

The fire report for 1952, submitted by Fire Chief Charles A. Schilling showed a total of 112 responses to fire calls, eleven of them to residences.

First National Renames Bunnell

Robert F. Bunnell was re-elected president of the First National Bank of Springfield at the annual meeting Tuesday.

Other officers renamed are: Vice-president, Morris Lichtenstein and Gayle H. Richards; cashier, Arthur H. Smith, Jr., and assistant cashier, Russell E. Schramm.

Re-elected as directors were Mr. Bunnell, Mr. Lichtenstein, Mr. Richards, Alex Ferguson and Nicholas C. Schmidt.

The financial statement showed total assets as of December 31, 1952, were \$5,630,176, as compared with \$5,325,252 at the close of 1951. A dividend payment of \$1 a share was authorized. The same dividend was paid last year.

NAMED ON JULY
Mrs. A. M. Sautter, of 40 Mayne avenue and Clyde E. Flood of Shumpike road, are among a list of 125 eligibles recently drawn for the Grand Jury.

Scout Group Prepares For Fund Drive

All Visits Will Be Made In One Day

A one-day drive-in which canvassers will attempt to collect approximately \$2,000 was announced today by Mrs. L. L. Andrews Jr., home solicitation chairman, and Felix Forlenza, general chairman, of the Springfield Boy Scout Finance Drive. Plans were made Monday night at a meeting of key drive workers.

The one-day type of campaign will be a new experience for the township. Detailed plans have not yet been completed. However, arrangements are being made for a parade to breakfast by the workers on the canvass day. They will be escorted by Boy Scouts and Cub Scouts who will pick them up at their homes. At the breakfast the group will be addressed briefly by community leaders and prominent citizens. There also will be the crowning of a king and queen.

Following breakfast, workers will make their solicitations and will report back that evening from a short program of thanks from the Scouts. Last year approximately \$1,700 was collected from homes and business establishments.

Assisting Mrs. Andrews with the program will be Joseph Kisch and Mrs. E. A. Murdock, serving as captains of the ten divisions who will concentrate on recruiting workers will be Mrs. Robert Marino, Mrs. Steven Schmidt, Jr., Mrs. Clifford Zimmer, Mrs. Erla W. Dalrymple, Mrs. Frank Boebe, Mrs. Bertram Fink, Mrs. William French, Mrs. John Utz, Mrs. Joseph Manuel, Mrs. Edward Carroll, Mrs. R. E. Dixon, Mrs. Joseph Kisch and Harry Gregory.

A committee of scout leaders will organize the Boy and Cub Scouts. This group is headed by Jack Dalton, vice-chairman of the Northern District, and John Schwannhauser, assistant district commissioner. The committee is composed of the chairman of the five scout units in the township, Edward Rahenkamp, John Struthers, W. F. French, Paul Weiss and James Stewart.

The group will meet Monday, February 9 at Forlenza's office at which time plans will be outlined.

Also attending Monday night's session were Howard Kenney, chairman of the finance committee of the Northern District and Wesley Smith, district scout executive.

Police Launch Wide Hunt For Gas Station Operator

Police today are investigating circumstances surrounding the mysterious disappearance of John Yuhasz, 29-year-old operator of the gasoline service station at Morris avenue and Prospect place.

Detective Vincent Pinkava, who is in charge of the investigation, revealed that Yuhasz disappeared Sunday. The following day a supervisor of the gasoline firm which owns the station, found it was closed.

Police said Yuhasz had left a note stating he had gone over to Rose avenue to change a tire. His car was found there but there was no trace of him.

The missing man has a wife and two children who live in Irvington. Mrs. Yuhasz reported he failed to return home Sunday night. He was reported missing Monday to Irvington police who sent out a missing persons alarm.

Detective Pinkava urged any resident who saw Yuhasz on Sunday, or has seen him since, to contact police headquarters.

The service station operator was described as being five feet eight inches tall; weighs 155; has a ruddy complexion, hazel eyes and light brown hair.

Police pointed out that a similar incident occurred two years ago when the operator of a service station in Millburn was missing. He was never found, they said.

Lot of Tickets!
There were 1,193 violators of motor vehicle laws picked up by Township police officers, 32 by New Jersey State Police and 74 by State Inspectors, according to the police report for 1952, read to the Township Committee at last night's meeting.

Exactly 782 dogs were licensed and 155 dogs and cats impounded. Chief Thompson's report included:

Elizabeth Speeder Pays \$10 Fine
John Barboni, of 575 Fourth avenue, Elizabeth, was fined \$10 for speeding by Magistrate Henry C. McMillen in Municipal Court Monday night.

Other fines imposed included: Frank Palumbo, 328 Newark place, Union, speeding, \$5; Thomas M. George, 1144 East Broad street, Elizabeth, improper muffler, \$3; and Joseph Esposito, North Twentieth street, Kenilworth, stop street violation, \$5.

Fines totaling \$87 were imposed as the magistrate heard fourteen cases.

Safeway Stores Signs Contract
An amicable settlement of labor-management negotiations involving 530 employees of the giant food distribution center at Kearny operated by Safeway Stores was announced this week.

Negotiations have covered the past three months. The new measure will provide for substantial wage adjustments, improved vacation schedules and other fringe benefits. It was said. Provisions also were incorporated in the agreement, to handle by arbitration all disputes which may arise.

Announcement was made following a dinner attended by Safeway officials and members of the employee committee. Employees involved for the most part are truck drivers, helpers and warehousemen.

Local Woman Fined As Drunken Driver
Mrs. James Anderson, of South Springfield avenue, was fined \$200, assessed \$24 costs, and her driver's license was revoked for two years when she pleaded guilty recently in Cranford Municipal Court to a charge of drunken driving according to the police. The sentence was imposed by Magistrate Charles J. Stevens.

Mrs. Anderson was apprehended by Cranford police on December 29.

She was examined by a Cranford physician who pronounced her under the influence of intoxicants.

New Lutheran Church Nears Completion As Other Congregations Offer Help
Construction on the new church building of Holy Cross Lutheran Church, 639 Mountain avenue, is scheduled for completion late in the spring. It was announced today by church officials. The exterior of the rear extension has been completed with work on the front extension nearing completion.

The church entrance will be on the side. A walk will lead from the entrance to a parking field which will be on the adjoining lot. Eventually the building will be used as a parish hall when the congregation has reached the point of being self-sufficient.

The parsonage, basement will be renovated to house the primary department of the Sunday School and the nursery.

A building fund drive currently is being conducted. The church is seeking interest-free loans in the form of church extension bonds which are backed by the Atlantic District of the Lutheran Church.

The following officers were inducted at a recent church service: President, Violet Reichle; Vice-President, John Dinschmann; Treasurer, Robert Willms; Financial Secretary, Alexander Simon; Recording Secretary, Henry Friedericks; Trustees, Robert Willms, Paul Lisy and Theodore Neumann; Elders, Mr. Simon, Mr. Friedericks, and Mr. Hausmann; Deacons, Mr. Richie, William Hildley and John Lisy.

Cardinal Case Postponed to February 3rd

Darby Asks for More Time; Has A New Witness

The hearing in the Frank Cardinal case, scheduled for next Wednesday night, was postponed until Tuesday, February 3, it was announced at last night's meeting of the Township Committee. The postponement was granted after former Township Attorney Robert F. Darby asked more time to introduce new testimony and a new witness which, he hopes, will throw a new light on the case.

Another factor in granting the postponement was the inability of the court stenographer who made a record of the testimony last Wednesday to have the transcripted ready for Wednesday. Subpoenaed witnesses have been notified of the postponement.

The governing board last week in a five-hour session heard charges by Herman Korman, co-owner of a used car establishment in Route 22, that Cardinal used his influence as a member of the board of assessors to coerce him into selling a parcel of real estate.

Cardinal was suspended on the charge last October.

Most of the testimony was completed at last week's hearing. The attorneys, Township Attorney Max Sherman, who is prosecuting the case, and former Township Attorney Robert F. Darby, who represents Cardinal, are scheduled to give their summations at the resumption of the hearing on February 3 and a decision is expected at that time.

It was pointed out in the event Cardinal is found guilty it is expected the governing board will discharge him from the post. However, should the decision be that he is not guilty he undoubtedly will be reinstated with retroactive salary from the date of his suspension.

Impartial observers among those who crowded Town Hall during the lengthy hearing were inclined to consider the evidence of a flimsy nature. Many of them predicted no conviction would be voted on the basis of what has been presented. However, others who are more accustomed to the erratic trend of municipal activities here were inclined not to hazard a prediction.

The former group felt the testimony of a friend of Korman was not damaging to Cardinal and believed that the testimony relative to waiver of a lawsuit also might make an impression on members of the governing board.

The fact that discussion had centered about a backlot paving ordinance, the responsibility for which obviously was not Cardinal's, some observers thought, might also figure into the final consideration.

Another capacity crowd is expected at the February 3 session. In the event the summations are lengthy, it is not unlikely the affair may run into morning hours before a decision is announced.

There also is a possibility that decision will be reserved although this is not considered likely since the promise of a new witness and further evidence may affect the present predictions.

Vinnie Farrell Will Speak At Brotherhood Night Event

churches in Springfield and Millburn and a large attendance is anticipated for this annual affair. Last year the B'nai B'rith Synagogue of Millburn was host to the interfaith group.

Farrell is in great demand as a speaker following his assignments as basketball referee in the Olympics at Helsinki and in the South American Championship games. He is the only referee from the United States in both of these tournaments.

Farrell is well known in the metropolitan area as an athlete, referee and popular after dinner speaker.

The "Brotherhood Panorama" to be presented by students of the Florence Gaudineer School will be directed by Mrs. Sally Jakobson, Mrs. Ruth Osborne, and Mr. Raymond Windberry. This will be a dramatic presentation in song and dialogue of the true meaning of brotherhood, designed to foster greater understanding among all races and creeds. Presented earlier in the school year at an assembly program, it was judged as one of the finest and most unique programs of the year.

President Walker has announced the following committee chairman to assist in the work of the event: Program, Herbert Kerr; Publicity, Harold Bishop; and Hospitality, Leon Stevens and Leo Schwalm.

ON THE SUNNY SIDE

RESTORATION OF SPRINGFIELD

The first review and financial statement concerning the restoration of historic Williamsburg in Virginia which was made public this week, has again revived the dreams of those who envision a similar program for our own Springfield. It is still in the dream stage here but some of the enthusiastic advocates of restoration for many of the historic spots in Springfield are keeping the embers of hope alive and, some day, it may be that the great philanthropic and benevolent men and women of our state and nation are made aware of historical Springfield—rich in the spirit of Revolutionary life.

It isn't an easy matter—even after sufficient interest has been stimulated. Those who are recent newcomers to Springfield should explore the legends and the historical beauty of the town in which they now reside and, instead of emphasizing only the beauty of living here and the accessible transportation to Newark and New York, they will discover that here history was written—here important battles were waged and here "freedom was born".

However, the reported financial story of the restoration of Williamsburg might be discouraging to those who hope to attract the support of some well-filled trust fund. At one time, says the report, early in the Williamsburg program history, it was thought possible that the entire town could be re-created for about \$5,000,000. At the close of 1951, after twenty-five years, a total of over twenty-nine million had been spent—all funds coming from the John D. Rockefeller family. The activities of Colonial Williamsburg are administered by a non-profit educational corporation which holds title to nearly all the properties in the restored area. And the job is not completed. According to the report, it will take about ten more years and an additional \$15,000,000 to finish the restoration.

NEW RESIDENTS MIGHT FIND IT INTERESTING

One of the above paragraphs reminds us that a great number of business executives and professional men have made Springfield their place of residence but their only present interest, evidently, is flitting back and forth to their offices during the week and then rushing off to the golf courses and country clubs for the week ends. If something could be done to attract these talents to the administration of Springfield affairs—all of us would be richer for such interest.

Springfield is now the home of many men who should be induced to participate in the affairs of their home town and all over Springfield could be found administrative ability and special skills to help make this an even better place in which to live. This interest doesn't necessarily mean getting into the somewhat hectic business of politics because many men are not attuned to the usual resulting clamor and slambang of a political campaign. But we would like to appeal to their civic pride—and there is no better vehicle to exercise such civic pride than to offer themselves and their skills to the affairs of their own community.

The Springfield town fathers work hard at their jobs and the present administration of our municipal affairs meets with the approval of the greater majority of our people but they, also, would welcome active participation—or, even, constructive criticism.

MANY, MANY THANKS, COMMISSIONER

None of us is allergic to an occasional pat on the back and the new owners of the Springfield Sun can't help pointing with pride when we get a nice handful of letters in which the readers of the newspaper say a lot of nice things. Many letters have been received and we intend to reply personally, with thanks, to all of them but one we received from Police Commissioner Albert G. Binder was especially heart-warming. Whether he likes it or not—and we hope he won't mind—we're printing his letter almost verbatim—even before we send him our letter of acknowledgment and thanks. Here is Commissioner Binder's letter:

Editor,
Springfield Sun:

I am taking this means of introducing myself and expressing my best wishes for your successful venture as the new owner and editor of the Springfield Sun. I am a member of the Township Committee assigned to the office of Police Commissioner. I trust I may have the pleasure of meeting you personally in the near future and discussing with you many of our mutual problems in this fast growing town of Springfield.

I have enjoyed reading the first few editions of the Sun, under its new management, and I can frankly state your presentation of local news is refreshing and encouraging. It has always been my contention that the local paper can do much to enhance a mutual understanding between the governing officials, individually and collectively, and the citizens of the town. Your informative news stories and timely comments can help materially to shape the future of our town. Controversial questions and actions do not necessarily have to be bitter and damaging to individuals or groups. We are all striving, I hope, for the welfare of the town at large, and with candid expressions of opinions, I am sure we can reach that goal.

Undoubtedly you have many ideas you will foster and encourage through the medium of your publication, and I am looking forward with interest and anticipation to the days ahead. There are many new residents that have come to our town in the past two years. If these people could be given a better insight into the functions of their local government, I believe it would prove both interesting and helpful. A weekly article on the make-up and operations of the various branches of our government, I am sure, would be educational. I would be glad to cooperate with you on

the facts and details of the Police Department, the branch which I am closely connected with.

Again wishing you success and prosperity in your new adventure.

Sincerely yours,
Albert G. Binder,
Police Commissioner.

HOW TO MAKE FRIENDS, ETC.

Mrs. Amy Bandomer who seems to have time for every civic endeavor and always does such a remarkable job through her own sheer drive and personality, entertained a few of her friends at her home last Sunday. And the turn out of those "few" friends—the crowd actually overflowed and dribbled out of the jammed living room into the kitchen, dining room and the other rooms of her home on South Springfield avenue—reflected the esteem in which this grand lady is held by practically everybody who is anybody in this area.

With a little editorial license and in a somewhat facetious mood we would like to refer to her as Mrs. Republican—but she is blessed with so many other admirable and lovable qualities that we don't like to measure her many attributes in terms of politics. But she's unusual even in the realm of politics since she has no patronage objectives—she seeks nothing personally out of politics—she has no axe to grind and, best of all, she doesn't need politics, we're told, and wouldn't accept if the boys in the smoke-filled rooms had anything they wanted to offer her.

When a civic committee—a drive—a campaign needs some impetus, when they want a job done, as she now has been called upon to put over the Heart Appeal Campaign for 1953, Mrs. Bandomer gets right behind the wheel and before headquarters can unravel the agenda for the day, she and her committee are roaring at full speed.

We're far afield since we started saying something about Mrs. Bandomer's gathering of a "few" friends last Sunday at her home. We're too new in Springfield to say that everybody was there but the names heard during a whole afternoon of introductions, indicated that there weren't too many missing and from all parts of Union County and this area. Many of the names were identified with politics, office holders and just personalities and they were all there to share an hors d'oeuvre with this fine lady of Springfield. Mrs. Bandomer was a most gracious hostess and we never saw such a persistent parson with a platter of canapés which was passed around on a full schedule hours before they unveiled the roast turkey, roast beef and the main table groaning with the stuff that makes such affairs conversational material.

The whole affair was a tribute to Mrs. Republican—or, perhaps, better still Mrs. Springfield. Having so many friends must be deserved and we're happy to have been present and witnessed the very apparent affection of those who came to "break bread" with Mrs. Bandomer.

THAT'S LIFE

The life of a Christmas tree, only a few weeks after its day of triumph, inspired an editorial in the Hudson Dispatch in which it was pointed out "how quickly the beauty of its service is forgotten. Sprawled on an empty lot, was a once fine Christmas tree. It seemed to come to life, as we passed, and remark disconsolately.

"Only a few days ago I was toasted and flattered. They called me beautiful and the children danced around my green and symmetrical arms. They took presents from my boughs with shouts of glee—I was the most prized possession of a little family. The children adored me. But today I am an outcast, broken and unrespected. Even the scavenger hasn't deigned to pick me up. While the time I lived as the queen of the Christmas festivities was brief, as time goes, I poked a whole year's joy and wishes into that week before and after Christmas. I suppose that's life—for you and me."

That was philosophy—and coming from a Christmas tree, stripped of its diamond studded setting, of its tinsel and its presents, now lying forlorn and unloved—its day was done!

A REAL BOOST FOR FIRST-AID SQUAD

The people of Springfield should be justly proud of the work the First Aid Squad has been doing—and testifying to that fact is the following letter:

Editor, Sun:

"During the course of my newspaper career with the Springfield Sun I have had occasion to handle for publication scores of letters from residents of this community thanking the First Aid Squad for services rendered. I never believed there would come a day when I, too, would add my personal message of appreciation for a job well done."

"This week four very capable members of the First Aid Squad removed my 6-year-old daughter, Andrea, from St. Elizabeth Hospital, Elizabeth, to my home. The child, badly

broken in body as a result of a recent sledding accident, was handled in excellent style and with the gentleness and experience of professionals. Even our nurses and doctors offered their compliments.

"Mrs. Bell and I want to add our message of appreciation to a volunteer organization which is deserving of every means of support this community can and should give the Springfield First Aid Squad."

Police Post Signs For Speed Timing

Chief of Police William J. Thompson today announced operation of the new electrical timing device to check auto speeding is scheduled to be in place about February 1.

The chief pointed out that signs announcing that cars are electrically timed already have been placed along Morris avenue. He said they will be placed along all streets leading into the township. This includes Main street, South Springfield avenue, Morris avenue, Milltown road and Morris turnpike.

Chief Thompson said the electrical device will be used in patrol cars, along all principal highways. It is expected to cut down materially the number of speeders, he reported.

The device has been accepted by the courts so there will be no question about its use as a method of convicting motorists charged with speeding. Similar measures are being taken by a number of other county police departments including Scotch Plains and Plainfield.

Cty. Taxpayers Will Pay High Taxes—If

Union County taxpayers will be required to pay out approximately \$211,708,000 in Federal taxes as their share of the cost of the Federal spending program of \$78.6 billion proposed by President Truman for the fiscal year 1953-54.

This estimate, based on population figures of the 1950 Census, was released today by the New Jersey State Chamber of Commerce after the total of the President's spending budget was made public.

The State Chamber estimated that the overall New Jersey share of the proposed budget would be \$2,871,958,000. New Jersey residents and taxpayers presently bear 3.40 per cent of the total Federal tax burden. Since Federal expenditures are met wholly by taxation, New Jersey's share of the Federal Government's spending burden for the Federal fiscal year 1953-54 will be 3.40 per cent of \$78.6 billion or \$2,671,958,000, the State Chamber said.

The State Chamber of Commerce noted that "recent news stories originating in Trenton predict that Governor Driscoll will shortly submit a budget totaling between \$220,000,000 and \$225,000,000 to run the State government for the year beginning July 1, 1953 and to provide substantial assistance to New Jersey's local governments, including the public schools. If the higher of these two figures—\$225,000,000—is assumed to be accurate, it is apparent that the cost of the Federal government, as envisioned by President Truman, will be twelve times as burdensome to New Jersey's tax-

When you'll be Late... YOU REACH FOR YOUR PHONE

When life's emergencies occur—big or little, it's natural to think of the telephone first. Yes, your telephone is a busy messenger every day—in a lot of different ways! Yet when you stop to think about it—your telephone takes a smaller part of your income than ever before. Any way you look at it, today's telephone service is a bigger value than ever.

Every New Telephone Installed... makes your telephone more valuable—a bigger buy than ever! And more than 15,000 times last month, Mrs. Shirley Mohr of Princeton and other Service Representatives in offices all over the state were able to tell New Jersey people that new 'phones for their homes were on the way.

So valuable... in so many ways... yet costs so little

Mrs. Lewis Warner, program chairman, will introduce the speaker and Mrs. Heriman Buncher will preside.

Cranford Resident In Assembly Bid

IRA D. DORIAN

Ira D. Dorian, of Cranford, today announced his candidacy for the Republican nomination to the General Assembly. He will seek the seat to be vacated next year by Fred E. Shepard. Mr. Dorian, a resident of Parkway Village in Cranford, maintains law offices at 1080 Broad street in Newark.

The 36-year-old candidate is a native of New Jersey and a Cranford resident for the past thirty years. Mr. Dorian was educated in the Cranford public schools. He graduated from Princeton University in 1937 and Harvard Law School in 1940. A veteran of World War II for four years, he served in India for three years in the Judge Advocate General's Department. While in India, he was commissioned directly as an officer in the Air Force and presently is a captain in the Judge Advocate General's Department Reserve of the United States Air Force Reserve. Active in veteran's organizations, he is county vice-commander of the Union County Committee of the American Legion and a member of Cranford Post 212. He also belongs to Capt. Newell Rodney Pliske Post 385, Veterans of Foreign Wars, and is Assistant Judge Advocate of the Reserve Officers Association, Department of New Jersey.

Mr. Dorian is a member of the Cranford-Republican Club, the Cranford Trinity Episcopal Church, Azure Lodge No. 129, F. and A. M., Citizens for Eisenhower Committee, Union County Bar Association, Essex County Bar Assn., and the American Bar Association. He belongs to the Roselle Golf Club. Mr. Dorian was formerly law secretary to New Jersey Supreme Court Justice William A. Wachenfeld. He is married to the former Miss Lillian Dishan of Glen Rock. He is also chairman of the Cranford Heart Fund for 1953.

Parent-Teacher Ass'n. Plans Annual Card Party

Tickets are now available for the annual card party of the Springfield Parent-Teacher Association to be held on Monday, February 2, 1953, and may be obtained from class mothers.

Members who will not be able to attend or who do not play cards are asked to send their contributions to the "Me Too" box, so that they may feel that they too are helping in the success of this affair. All parents are urged to attend or make a contribution to the "Me Too" box, since this is the only fund-raising project of the PTA during the entire school year. The funds raised will go for special equipment to be used in the schools, which would not ordinarily be covered by the school budget.

The committee feels that this project is not wholly their undertaking; it is the responsibility of all the parents in Springfield. To that end, any suggestions will be greatly accepted by the committee. The following constitute the committee: Mrs. Henry Vance, chairman; Mrs. Herbert Kern, appeal officer; Mrs. Gilbert Mann, cards and tables; Mrs. Charles Frey, corresponding secretary; Mrs. J. A. Hopping, tickets; Mrs. John Bradley, hospitality; Mrs. Kenneth Bandomer, table and door prizes; Mrs. Charles Miller, publicity; Floaters: Mrs. E. C. Benhoff, Mrs. F. Johnson, Mrs. William Geitz, Mrs. R. R. Cook, Mrs. Leslie Lawn and Mrs. George Rau.

Big Blow Affects Power Facilities

The recent ice storm—one of the worst to hit the area—caused heavy damage to utility services. Electricity service at the peak of the storm was affected to approximately 10,000 customers of Jersey Central Power and Light Company in its Morristown, Boynton and Pompton Lakes areas—hardest hit sections of the power company's service territory. The company serves approximately 55,000 electric customers in its entire northern division.

Topped trees and broken limbs littered the area hampering restoration operations. The local electric company operating under its emergency storm program immediately rushed additional crews to the stricken area and battled the effects of the ice.

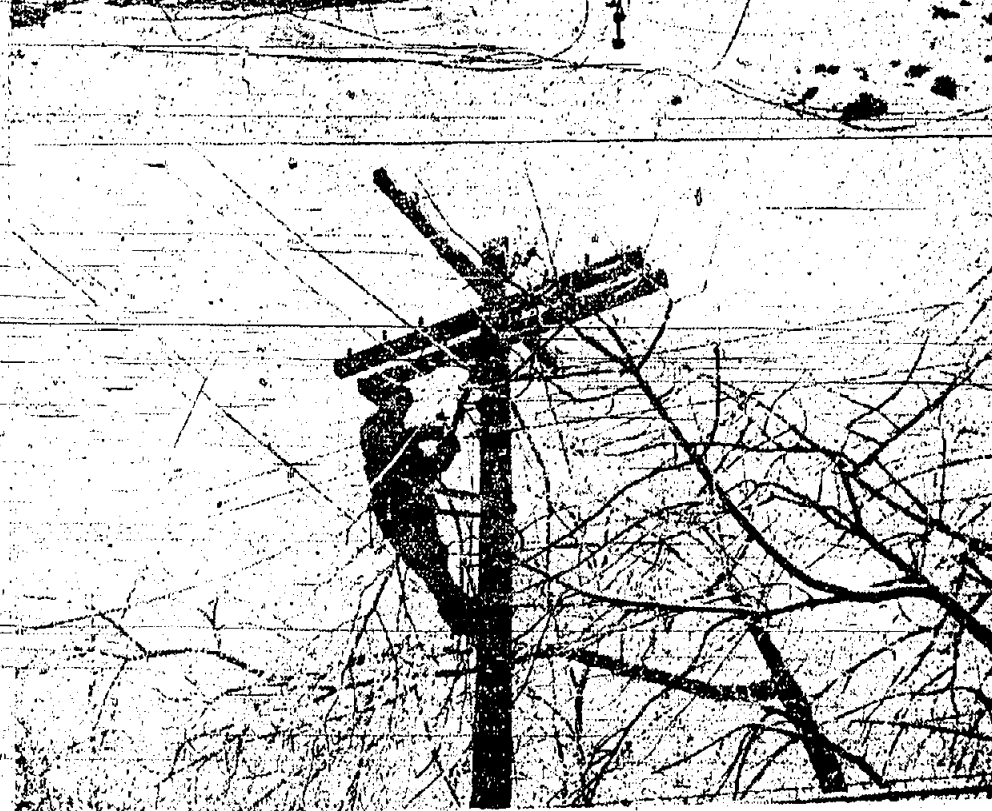

The storm hit on Thursday night and continued its destruction through Saturday morning. By Saturday night approximately one-half of those customers affected at the peak had service back. Restoration continued through Sunday with virtually everything except some scattered and isolated cases cleaned up by Monday night.

Eighty-five electric company crews worked round the clock covering the area. Priority services to pumping stations, hospitals, institutions were first objectives with restoration of main circuits serving large sections of the territory. Mopping up operations of connecting individual services downed proceeded next as rapidly as possible.

Two-way radio communications from operating headquarters to field crews kept the men moving rapidly in the field. Company tree trimming crews moved ahead of the forces clearing away fallen trees and limbs.

Emergency stockpiles of supplies kept constantly in the area for such purposes aided in the speedy restoration of service.

Local police and fire departments with other county and municipal agencies helped the power company by seeking out and guarding fallen wires and helping remove debris.

FALLEN TREES CLUTTERED AREA: (Top) An ash tree broke under the weight of gathered ice and toppled onto utility wires off Sussex avenue, Morristown. The pole was snapped off and wires torn down interrupting service to residents in the area. This scene was typical throughout the sections hardest hit by the storm. (Bottom) Jersey Central Power & Light Company lineman in the height of the storm scaled a steel covered pole to cut away limbs and broken distribution wires prior to restoring service. Crews worked round the clock in the restoration operation.

THE BUS RIDE

The average observer cannot appreciate the plight of a high school basketball team as it travels to and from a game with another school. We made some mental notations of the misery involved, so bear with us.

The Bulldogs visited three comparatively new, spacious, and beautiful gyms this past week, all of which reminds us that Regional's court will be ready for next year.

Regional J.V.s Win 1, Lose 2

The Junior varsity team of Regional High spoiled an impressive record this week when it lost two of three games. The Bulldogs juniors have a 5 and 3 standard currently.

Tom Luckie, slated for graduation to the varsity in a week, pointed in 15 points in yesterday afternoon as the local J.V.s dropped a 64-46 game to Somerville. Stan Bruder scored 12.

Regional's basketball force began to show in the third quarter, and coasted home to an easy 51-43 triumph over the Pioneers.

The first half was slow and the teams took the halftime rest with the Regional on top by 17-11. With one minute and 29 seconds played in the third canto, Herman counted on a layup to send the Bulldogs off on a merry jaunt in which they tallied eight straight points.

Included in that list are such "name" quints as Linden, number one choice for top suburban Union; a surprisingly successful and high-scoring club; St. Mary's, defending county champion and again a prime choice for highest laurels; and Jefferson, rated second to the Saints as best U.C. team.

Also on the slate are Roselle Park, North Plainfield, Pingry, and Rahway. It does not require an expert to determine that the roads are going to be a bit harder to hoe.

But, as the card gets rougher, the Bulldogs figure to improve comparatively. Key factors in the anticipated amelioration will be the debut of heralded Tom Luckie, who was ruled scholastically ineligible just before the campaign, got under way, and the added experience of two new "discoveries" - Ray Ruff and Fred Buchner.

The last two mentioned filled in for the ailing George Mackenzie in Friday night's 63-55 loss to Westfield in the return pairing. Ruff started the ball game and collected seven markers, while Buchner tallied seven as a substitute.

Many observers hold Mackenzie's absence accountable for the loss to the Blue Devils, whom the Regional five had trounced earlier in the season by 60-36. George netted 10 points in that one.

With Luckie augmenting the scoring and play-making department, the rest of the squad can be rested without sacrificing a regular. Luckie is expected to fill into the backcourt picture immediately with Mackenzie, Ruff, and Buchner. That move would allow Jack Keith to move into the forward court alongside Judd Herman, the team's leading scorer, Joe Schaffernoth, and Tom Primmak.

Anglim, brother of the St. Mary's ace (Dick), also has been mentioned as possible first-line material if he gains some poise and savvy.

Regional grabbed a 1-0 lead on Mackenzie's free-throw at Somerville yesterday afternoon, increased

ing too far behind in the score and his players can't keep up with the grueling pace set by the rested opposition and consequently they lose out.

For example, the Bulldogs were not headed by more than three points in the first two quarters until Carl Hornung, who tallied the game's high of 19 points, pumped in a layup with 2:19 remaining.

Jefferson to Tackle Regional Matmen Wed.

By HERB HEIMBUCH

Thomas Jefferson's wrestling team plays host to the unbeaten Regional matmen next Wednesday afternoon in Elizabeth at 3:15 p.m.

The Jefferson feature Howard Mackenzie at 167 pounds, but the local grapplers figure to post victory number four.

The Bulldogs made it three straight yesterday afternoon marching Rayway's 1953 debut by a 32 to 6 tally.

The Scarlet managed only two winners, each by a decision. John Altkinson scored a 7-0 decision over Gene MaSaults and Bill Dodds.

turned back Harold Bolick, 7-3, for the only Rayway triumph.

For Regional, however, the story was different. The Bulldogs' six straight individual triumphs before the Scarlet notched its first.

Al Hector and Paul Jordan pinned John O'Connor and Fred Roche, respectively, in that order. Hector's victory was his tenth in a row.

Dave Thompson, Richie Scorsese, Wray Bailey, and Don McKinnie won for the Bulldogs by decisions before the first Rayway success.

To Thompson and John Naduszky threw Bob O'Gonner and Jeff Riddelstoffer to end the proceedings.

SCHOOL NEWS

Kindergarten
Mrs. Betty Webster
Mrs. Janet Frank
We are all very glad to be back in school and to go into our new kindergarten room. We have been talking about the weather—about ice and snow.
We took some snow off the window and put it in a bowl. In a little while the snow melted into water. The water had dirt in it. We carried the snow water but really it was very dirty. We know now why we should not eat it.

Grade One
Mrs. Lorraine Elder
Mrs. Edna Kider
Mrs. Ottilie Corby
Vacations are fun but we are glad to be back with our friends at school. To start the new year we have a new reading book. It is called "Fun With Dick and Jane." It is a book of good stories centering around the family in the neighborhood and at school. We have new workbooks, too.

Grade Two
Miss Lenora Johnstone
John Wood and Dennis Francis gave a puppet show for us one afternoon. We pretended we were in a real theater. We acted just as a real audience would. We enjoyed the show very much.
We are studying time in our number class. We each made a clock. They are helping a friend.
Miss Johnstone and all of the boys and girls are happy to be back on their regular session of school again. We not only have more time for our work but we also have time for sports and games.

Grade Two
Mrs. Volia Hansen
The second graders spent part of the time during their return to school reading "The Year's Resolution." We learned from our "Weekly Reader" lesson that being a smart student means we can keep all the time promises that we made.

Grade Two
Miss Harriet E. Smith
Our class had a Christmas party on Monday. We had a very good time. There was a gift for each child. The refreshments were much enjoyed. The children had a very good time. We had a very good time. We had a very good time. We had a very good time.

Grade Three
Mrs. Margaret Dunn
We are very happy to be in our own room.
For two days we have been talking about things that we made. We made a list of all the things in the room that require wheels.
In art we have been making snowflakes and snowflakes.

Grade Three
Mrs. Barbara Cross
We had almost one hundred per cent attendance on Monday. Everyone remembered to come back in the afternoon, too. We have been coming in the morning, too.
Now we are starting several new things. We are starting to write now. We are starting to write now. We are starting to write now. We are starting to write now.

Grade Three
Miss Ruth Greer
We learned to multiply in arithmetic last week. We found that this is just an easy way to add.
The Chipmunk reading group has finished reading "Streets and Roads." They are now reading a book called "Tall Tales."
We had a review test on spelling and borrowing in arithmetic. Those who got A's are Joy Heston, Larry Cohen, Richard McGuinness, Bill Mowry, Denny Heycock, and Bill Lyson.

Grade Four
Mrs. Constance Hildebrand
After an unusually long and happy vacation, we returned to school, glad to tackle new work. Our first enjoyment of the year was the fact that we are on full time.

We do not feel rushed and tense about anything. We are all very glad to be back in school and to go into our new kindergarten room. We have been talking about the weather—about ice and snow.
We took some snow off the window and put it in a bowl. In a little while the snow melted into water. The water had dirt in it. We carried the snow water but really it was very dirty. We know now why we should not eat it.

Grade Four
Mrs. Edythe Clifton
Now that we have had a very enjoyable vacation we are all ready to settle down to work.
We had to review some of our multiplication facts. One group has already started working on a new table in multiplication.
We have gone back to Egypt to pick up where we left off before Christmas. You see, we flew home to Springfield so that we could spend the holidays with our families.
Soon we will start planning for our trip to the Planetarium. We are doing this in relation to our science program.

Grade Four
Mrs. Edythe Clifton
We are learning to write book reviews. We selected books from our library. These were stories of children and animals of foreign countries. Some of the titles are: How the Rainforest Got Its Name, One Day with Jumbo in Suva and Ratty the Honkbeet.
After the holidays we moved into a new room. Our room used to be the science room. Outside our window is a beautiful evergreen tree. With all its spots and tallness it makes us think of Christmas.

Grade Five
Miss Edna Purcell
Mrs. Lorraine Wilkening
Our fifth graders are very proud to be in the new room. We have decided that we will set a good example to the younger children in conduct and safety. We like the special duties we have now that the upper grades have.

Hawaiian First
The first newspaper west of the Mississippi River was published on the island of Maui, Hawaii. Several schools more than 100 years old stand in the town of Wailuku on the same island, and it was here that manual training first was taught in the New World.

Looking Into Yesteryear

From Files OF THE SUN

Ten Years Ago

Benjamin D. Newswanger was named principal of the Raymond Chisholm School. He had been with the Springfield-School system since 1943.

Mr. and Mrs. Eugene H. Bromm of 12 Rimer avenue received word that their son Harold J. Bromm, had been advanced to the rank of first lieutenant.

Mr. and Mrs. Frank Burd of 18 Morris Avenue, announced the marriage of their daughter, Dorothy, to Aviation Cadet C. William Belg, son of Mr. and Mrs. Charles K. Belg of Jersey City. The ceremony was performed in the Methodist Church with the Rev. Charles F. Peterson, pastor, officiating.

Gabriel Larson was re-elected president of the First National Bank of Springfield at the annual meeting. Other officers named were: Robert B. Ferguson, vice-president; Carlyle H. Richards, cashier; and Mrs. Hazel Steltz, assistant cashier.

Miss Mary E. Galvin, daughter of Mr. and Mrs. Edward J. Galvin of 89 Tooker Avenue, was graduated from Montclair State Teachers College. She received the degree of bachelor of arts.

Regional Students Listed for Panel

John Weston, a student at Regional High School, will be among a group which will discuss "What Action for Asia," at the twenty-fifth semi-annual State International Relations Forum which will be held at Montclair State Teachers College, Saturday. The theme of the fifty-day session will be "The World—1953."

Other students from the Regional High include Alberta Stallach, Ruth Wierhellig, Betty Long Wesley, Kenneth Roberts and Janet McNight. All will be panel speakers.
