New School Parking Ban Not Changed

Committee Will Bar Cars on the Easterly Side

Thomas Doherty, Publicity Chairman for the Township Board of Education, presented the board's objection to the proposed parking ban in front of the new Florence M. Gaudineer School at the regular Township Committee meeting last night.

Doherty stated that it was the school's view that the pupils' safety would be better safeguarded if automobile parking is prohibited on the side opposite the school, that is, the westerly side. They felt that legal parking on the westerly side would require children, who are driven to school by parents, to cross the street through traffic, and between parked cars. Parking on the easterly side, that is the school side, would permit the unloading of pupils directly onto the sidewalk in front of the school.

Police Committee Chairman Albert G. Binder stated that he had the children's interest at heart when the ordinance was introduced. He stated that it was a matter of judgment and the situation was carefully weighed and discussed with the police department.

It was the Township Committee's feeling that parking on the school side constituted more of a danger to the children since most children coming out of school are not met by their parents and there is a greater possibility of accidents caused by the children running out into the street between parked cars.

After careful consideration, the Township Committee adopted the ordinance as introduced January 14 which will prohibit parking on the easterly side of South Springfield avenue between Mountain avenue and Milltown road as a measure to afford some protection for the children of the Gaudineer School.

Bronx Man Pays Fine of \$53

Robert Barnes, of 845 Beck street, Bronx, was fined \$53 by Magistrate Henry C. McMullen in Municipal Court Monday night on a charge of permitting an unlicensed driver to operate his car.

Ortho Carington, of the same address in the Bronx, was the unlicensed operator. He was fined \$18.

The magistrate imposed fines totaling \$138 in eleven traffic violations cases. Others fined were: Eugene Zozzo, 61-Ashwood avenue, Summit, speeding, \$18; Kenneth H. Kvett, 424 Jerusalem road, Scotch Plains, failure to keep right, \$5; and William Lopanski, 87 Bryant avenue, stop street violation, \$5.

Hand Over Money for March of Dimes

LARRY ATKIN AND GEORGE SELTZER WATCH BRUCE GOLDSTEIN as he hands money to Postmaster George M. Turk, chairman of the March of Dimes at the Springfield Post Office. The three ten-year-old Springfield boys staged a home movie show recently and the profits of \$3.49 are being turned over to the polo fund.

Polio Fund Aid Sought by Turk

Acting Postmaster George M. Turk today urged all persons who have been missed by canvassers for the March of Dimes or who have failed for other reasons to aid the Springfield drive for the National Polio Fund, to bring or send their contributions to the postoffice.

Turk, who has headed the March of Dimes committee here for several years, said most people were contacted at their homes. Pointing out that additional funds are needed to finance aid and subsequent treatment to victims, he urged that all township residents make contributions.

The acting postmaster said 175 persons are aiding in the drive. Each street has one committee member and the longer thoroughfares have two, he said.

Another phase of the drive is the installation of canisters in 60 business establishments along Morris avenue, Flemar avenue, Route 22 and in other business areas.

Mrs. Anna Turk is treasurer of the committee. Hans Deh and Isaac Freedman head the business men's division. Last year a total of \$3,600 was contributed. Turk, citing the large increase in population during the past twelve months, urged that the '52 figure be topped by this month's contributions.

County Board Pays Ex-Member Tribute

A trustee meeting of the County Oaks Association was held at the home of Mrs. Kenneth Bandomer at 35 Evergreen avenue, last Tuesday evening.

It was decided to invite the Elementary School Board candidates to the next regular meeting of the group.

Binder Seen As Key Man In Primary

Mayor Will Run But Others Are Not Certain

Despite the fact that the legislature still is up in the air about an April or a June date for the 1953 primary election interest gradually is centering on the contest here when two township committees will be chosen. The terms of Mayor Robert W. Marshall and Police Commissioner Albert G. Binder expire. Marshall has served two three-year terms. Binder is completing his fifth year as a member of the governing board.

Political observers say there is no question but what the chief executive will seek reelection. A popular leader of the G.O.P. here, the youthful Mayor keeps his political forces in good repair and many believe that he ultimately will go higher in the party.

However, Commissioner Binder's decision is not so certain. A year ago he indicated that he might not serve out his term. However, in recent months there has been no indication that he would resign.

Many observers feel that he may again be a candidate. Actually neither member of the governing board has made any official announcement as to their intention.

In the event Marshall and Binder are primary candidates it is not believed likely they would receive opposition. However, there is a possibility that other candidates may file as independents. Last year George Marchev, an Independent Republican, and former Township Committee member Francis J. Keane, a Democrat, filed as a fusion ticket and failed by only 200 votes of defeating Township Committee member Fred A. Handville and Charles Remlinger. At that time Remlinger was not a member of the governing board.

The Democrats also will pre-

J. J. Schaefer Dies Of Heart Attack

Joseph J. Schaefer

Special Patrolman Joseph J. Schaefer, well known to school students here died yesterday after suffering a heart attack at his home, 77 Flemar avenue. He was 65 years old.

The Springfield First Aid Squad gave first aid and administered oxygen until the arrival of Dr. Stephen Repta of Union, who pronounced Mr. Schaefer dead.

A native of Newark, Mr. Schaefer was a retired Irvington police garage mechanic. He served twenty-one years as a garage mechanic and special patrolman for the Irvington Police Department. Assigned to Irvington High School, he became a familiar figure to students there.

Mr. Schaefer moved here two years ago. He was stationed at Regional High School when he was a special officer and more recently at South Springfield and Mountain avenues. He was a veteran.

Albert G. Binder

sumably file for the primaries although last year, the minority party elected its candidates by the write-in vote method. From a powerful force of the early post-war years the Democrats have deteriorated to the point where their party strength is not impressive. A few years ago only one vote kept them from control of the township and although it was a disputed vote it was for the Democratic candidate.

However, the ebb tide appears to have set in for the Democrats and observers insist that only a joining of the fusion and Democratic forces could achieve victory. In view of their hard fighting campaign of last year Marchev and Keane would appear to figure prominently in the 1953 politics, most observers believe.

Heart Drive to Start in Week

More than 1,500 plastic heart coin containers, symbol of the American Heart Association's drive for \$10,000,000, will be distributed to all Union County municipalities next week as part of the program to raise the county's quota of \$44,850. Mrs. Charles W. Engel, plastic hearts chairman, for the Union County Heart Association, announced today.

Hearts will be placed in stores, banks, theater lobbies, industries, business offices, school rooms, post offices, municipal buildings, hotels, clubs and hospitals by member of the plastic hearts committee, in each community for the month of February.

Proceeds from the donations in the hearts will be added to funds collected in each community and will be used as the county's share toward research, education and community service in heart disease.

Mrs. Engel is being assisted by Mrs. William Thompson of Elizabethtown, the county committee includes Mrs. Amy Bandomer of 641 South Springfield avenue.

PROCLAMATION

BE IT PROCLAIMED:

WHEREAS, the diseases of the heart constitute a health problem that are everybody's concern, and despite the constant and intensive battle being waged against them by medical science, they remain the principal causes of disability and death in the United States, taking three-quarters of a million lives each year, and

WHEREAS, the Union County Heart Association, an affiliate of the American Heart Association, devotes itself during the month of February in an effort to enlist the aid and cooperation of the people, science, government, health agencies and social agencies in devising means to fight heart disease;

NOW THEREFORE, I, Robert W. Marshall, Mayor of Springfield, do hereby order that the month of February be observed in the Township of Springfield as AMERICAN HEART MONTH. I further call upon all schools, churches, scientific bodies, civic associations, business establishments, social and fraternal organizations, and the people of Springfield generally, to fully cooperate wholeheartedly in the HEART FUND CAMPAIGN with the Union County Heart Association in its activities, designed to improve the public health.

ROBERT W. MARSHALL,
Mayor,
Township of Springfield.

Eight States Aid In Search for Springfield Girl

Miss Doranne Rothbard

No Trace Found Of Missing Regional Student

Police today are continuing their investigation into the mysterious disappearance of attractive Doranne Rothbard, 17-year-old Regional High School senior, who last week failed to attend classes after entering the school building.

Detective Vincent Pinkava said the girl, who is the adopted daughter of Mr. and Mrs. Louis Rothbard, of 310 Alden road, was last seen Tuesday morning, January 20, when she was coming her hair in front of her locker. She told a friend she would be in class shortly.

Chief of Police William J. Thompson assigned Detective Pinkava to the case and sent out an eight-state missing persons teletype alarm. Several leads were secured but when run down by Pinkava led to nothing.

Doranne is 5 feet 5 inches tall and weighs about 125. She was wearing an oyster white coat, gray pin striped dress and black shoes and carried a black handbag.

As far as police can ascertain she had little money with her. Schoolmates, questioned by Detective Pinkava, could give no reason for her disappearance. They said she often seemed to be dreaming and her thoughts apparently were far away but she never had discussed, as far as can be learned, any project which would involve leaving home.

Her parents and an adopted brother and sister also appeared to be unable to explain her action. All family relationships were reportedly harmonious. It was said.

Police in all areas have been on the lookout for the pretty student. Police were inclined to discount the angle of foul play and believe the action was voluntary on her part. It is not believed that any student was involved in a conspiracy to leave with her since none is missing.

Summit and Springfield police investigated a report a girl who answered her description was seen Thursday night near the Delaware and Lackawanna Railroad Station in Summit. The report was turned in by a friend of the missing girl. Rothbard is a salesman at the Chapel Street Market, Newark. The family have a boy, 11, and a girl, 6.

Lenten Speaker Named
Lynn Harold Hough, former Dean of Drew Theological Seminary, will be the speaker at the Lenten Season Sunday evening services, the Methodist and Presbyterian Churches have announced. The author of more than 30 books on religion and recognized as one of the top 10 preachers in the country, Hough will speak on March 1, 8, 15 and 22.

PTA Committee Named to Study Division Move

Group Cites Task Of Getting Help For Schools

A committee of the Springfield Parent-Teacher Association is studying the question as to whether the association should be split into three school units.

Meeting Monday night at the Raymond Chisholm School the association voted to split into units which would represent areas of the Chisholm, James Caldwell and Florence Gaudineer Schools. Later it was pointed out that a unified front is needed with a view toward gaining additional school facilities.

Appointed to the study committee were Mrs. Alfred Bowman, Regional School Commissioner William J. Melech and E. J. Snider of Caldwell School; Mrs. William Arey, Mrs. Kenneth Bandomer and R. J. Shotwell of Chisholm School and Mrs. Vincent Cinquini, William Murray and Loren Skouvan, of the Gaudineer School. Mrs. J. Launa is a member at large.

Russell Post, art instructor in the school system and William Jensen, Springfield artist, spoke on benefit accruing to those who devote themselves to art work.

The four candidates for the board of education: Commissioner Herbert O. Bailey, Mrs. Gretchen Forbes, Mrs. A. Russell Hillier and Alan R. Cunningham, were introduced. Mrs. Skouvan presided.

Regional Board Equips New Lab

The Regional Board of Education Tuesday night awarded a contract for installation of equipment for the science laboratory in the new addition to the Hamilton Manufacturing Company of New York. The firms low bid was \$18,600.

Fred A. Eisasser, board architect, reported that work on the school addition is approximately three weeks ahead of schedule. He attributed the progress to the excellent weather. He expressed belief the addition may be ready for occupancy by September 1.

Board members discussed the possibility of purchasing accident insurance. The program considered would cover all students. Policies available were described by Richard P. Bunnell, the board's insurance broker. Action was tabled, pending a further study of the situation.

A school calendar for 1953-54 was adopted. Superintendent Warren W. Halsey reported student enrollment on December 31 was 1,118, compared to 1,030 of the previous year. The number of students transported has increased from 778 to 854.

The board also studied a plan for installation of a new telephone switchboard. Cost would be \$340. The system would provide service from each classroom to the three existing trunklines. No action was taken on the project.

Education Board Lists Open House

Township residents have been invited to an open house at the new Florence M. Gaudineer School on Thursday and Friday, February 4 and 5. The formal dedication will take place on the following day.

School Commissioner Margaret Pittzinger heads the committee in charge of the dedication program. Other committee members are Commissioners George Harrison and Thomas Doherty.

Currently the new school is housing fifth grade students from the Raymond Chisholm School in addition to the sixth, seventh and eighth grades which it was built to house. At present there are 288 pupils attending classes in the new one-level brick veneer building. There are twelve classrooms.

Superintendent of Schools Benford Newswanger has pointed out that the school has twelve classes although it was constructed for ten. Details about the dedication will be announced next week.

The school was named for Mrs. Florence M. Gaudineer, school nurse.

Father and Son Banquet Planned

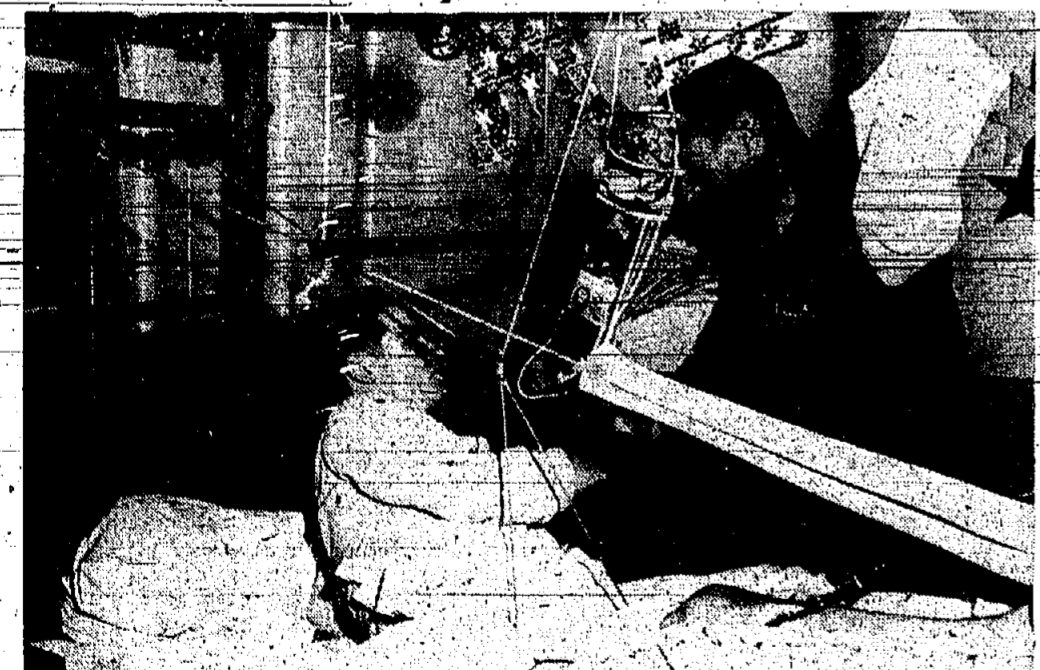

There will be a Father and Son banquet sponsored by Cub Pack 171 on Monday, February 9 at 6:45 p.m. at the Orchard Inn on Route 20, Springfield.

Handling all the arrangements are Paul Weiss, John Rux and Frank Heller. The Master of Ceremonies will be Ralph Feldman.

Cliff Zimmer, Chairman of the Boys and Girls Committee and Bill Jensen, Institutional Representative, both of the Lions Club, will be guests.

All fathers of cub scouts have been invited to attend.

General Clark Visits Local Veteran Wounded by Reds in Korean Battle

PFC. WILLIAM E. HUNTLEY, of 115 South Command, is recovering in a Tokyo Army Hospital, is visited at his bedside by General Mark W. Clark, commander-in-chief of the Far East.

Pfc. William E. Huntley, of 115 South Command, is recovering from injuries suffered in Korea October 19 when he was wounded by shrapnel. He presently is in Tokyo Army Hospital where he recently was visited by General Mark W. Clark, commander in chief of the Far East Command.

Huntley is the husband of Mrs. Helen Cosgrove Huntley, of the South Maple avenue address. A graduate of St. Mary's High School, Elizabeth, he was a junior at Seton Hall University, prior to

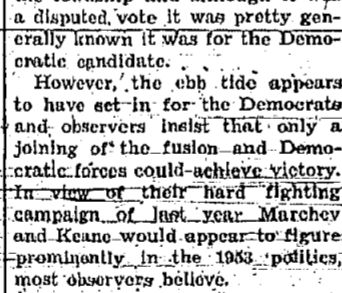

entering the army. He is 22 years old.

Huntley served with the 17th Regiment of the Seventh Infantry Division. His injuries included a broken thigh and other bullet wounds. He entered the Army in October, 1951, and has been in Korea since June.

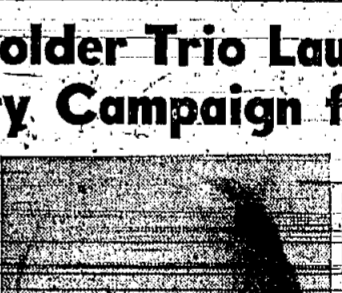

Pfc. Huntley has been awarded the Purple Heart for wounds received in action, the combat infantryman's badge and the UN and Korean Service Ribbons.

Mrs. William Huntley of 937 Braintree terrace, Union, in letters written recently to his wife and parents the wounded soldier said he expects to be removed to the United States when his broken thigh has healed sufficiently. He may be taken to Valley Forge Hospital, he said.

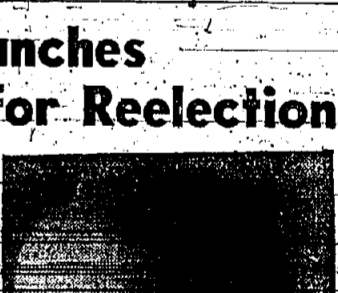

Huntley's leg has been in a traction splint for more than three months. The Tokyo hospital is listed as the largest and most completely equipped medical installation in the Far East.

County Freeholder Trio Launches Primary Campaign for Reelection

Albert J. Benninger

Donald M. Pearsall

George W. Herlich

Three Republican incumbents—Albert J. Benninger, (Mountain-side); Donald M. Pearsall, Westfield; and George W. Herlich, Hillsdale—pledging continuance of the county's careful fiscal policy, today became candidates for re-nomination to the Board of Chosen Freeholders. The primary election date now is April 21.

Mr. Benninger, concluding his first term, is chairman of the roads and bridges committee; Mr. Pearsall, a freeholder two terms, heads the public safety committee, a new unit; Mr. Herlich has been finance chairman for six years. "We believe the Republican par-

ty has given Union County a sound, forward-looking administration for many years," said the candidates in a concerted statement. "As representatives of our party in the execution of that policy we offer our record as proof of our qualification for new terms. We ask the support of all Republicans during the campaign and on primary election day."

Active in the insurance business in the western part of the county, Mr. Benninger brought about the creation of an industry and labor committee in the Board of Chosen Freeholders, that agency's first venture into the development field.

He was also instrumental in the creation of the public safety committee.

Heads Roads Body

Besides the roads and bridges committee, which he heads, Mr. Benninger serves on the committees on public welfare and health, industry and labor, insurance, and state-county-municipal affairs. Mr. Benninger is a veteran of World War II, having served overseas with the U. S. Infantry Division, and is judge advocate of the American Legion, a building and loan association director, former magistrate by Mountaintop. (Continued on page 2)

PUBLIC SERVICE

ON THE SUNNY SIDE

NOW IS THE TIME FOR HORN BLOWING

Eugene F. Donnelly, or "Gene" as he is better known, is one of Springfield's most energetic and enthusiastic drum-beaters. Gene believes in Springfield and though he is a very busy man with his own very successful company in Newark, he manages to find time for many civic chores as well as keeping his hand on politics.

Gene is one of a group with a good—even though it isn't original—but, nevertheless, a great idea for Springfield. He and his group want a glorified public-relations job done for Springfield... a super-colossal civic organization to attract new industries—acceptable industries—and private residences to the Township. The group hopes to arouse enough interest in such a project to bring all the boosters, all of Springfield's civic organizations together with one common target.

It can and should be done. Other municipalities have carried out similar campaigns and the results have been very gratifying. The idea is still in its embryo state but the germ is in the letter printed below. Of course, some concessions will have to be made to attract new and the right kind of industries but Springfield is in a very favorable position, geographically, and now is the time to plan for the good days to come. The letter is addressed to the Township Committee: (Mrs.) Eleonore Worthington, Town Clerk

Dear Mrs. Worthington: At the last meeting of the Springfield members of the Republican County Committee, held at Mrs. Bandomer's home, I was directed, as Secretary of the Committee, to transmit to the Township Committee a recommendation which was unanimously approved.

The committee members feel that in view of the long-range forecasts of government and private economists concerning the years immediately ahead (i.e. 1953-1954-1955), that intensive efforts should be exerted now looking toward promoting our town as an attractive site for the location of acceptable business and private-residence projects.

We suggest that consideration be given to the appointment of a group of qualified citizens to push this idea; that appropriate brochures, or pamphlets be prepared and disseminated; and that personal contacts be used wherever possible to attract the right type of investor.

It is not our intention to criticize any efforts heretofore exercised, but rather to point up the need for an even more intensified effort NOW.

Will you be good enough to transmit our thoughts on this vital matter to the Township Committee at its next regular meeting?

Very truly yours, Springfield Republican Committee, E. F. Donnelly, Secretary.

HAVE YOU SEEN MICKEY?

If you have seen a lost cat—a small six months old grey and white cat who answers to the name of "Mickey," please pick up the little animal carefully and telephone Mrs. Alex L. Bell, Sr., of 327 Morris avenue. Not only will Mrs. Bell be ecstatically grateful to you but her two children, who are heart broken since the cat disappeared over a week ago, will do whatever little kids usually do to make you realize how happy they are.

Mrs. Bell sent this letter to the Springfield Sun yesterday in the hopes that we would insert it as a paid advertisement in the Lost and Found column but this is too important to appear in small type. And it's too important to her two children. Here is Mrs. Bell's letter:

Editor Sun: This may sound a little silly to you, but we are appealing to you to help find our cat. I realize this is the time of year when they are inclined to wander, but my children are about broken-hearted because he hasn't come back in a week.

Do you have a lost and found column? If so, please insert an ad to the effect that a gray and white 6-month-old cat is missing since January 21. His name is Mickey and he's very friendly, white faced and chest, white paws.

Anyone who finds him please call Milburn 6-1557-W and we'll pick him up.

Sincerely, Edith M. Bell, 327 Morris avenue, Springfield.

NEED MEN AND WOMEN FOR SCHOOL POLICE DUTY. This is not written in a facetious vein... it is serious. Springfield needs men or women for special school police duty. Many problems confront the police in the matter of safeguarding the school children and there is a definite need for such help at this moment.

Those who are interested should apply to Police Chief Thompson who will gladly give complete information on what the pay is and other details.

The funeral tomorrow will be from the Howard Home for Services, 809 Lyons avenue, Irvington. A high mass of requiem will be offered at St. James Church. Interment will be in Gate of Heaven Cemetery, East Hanover.

Police Chief Lists '53 Dog Canvass

Chief of Police William J. Thompson today announced the police department will make its annual dog canvass commencing next month. Dog owners who by that time have not secured licenses for their dogs must take them out then.

The chief pointed out that all dog licenses expired at the end of the year. Several owners have obtained 1953 tags for their canines, he said.

Dog licenses may be obtained at police headquarters at any time of the day or night. The price is \$2 regardless of the sex of the dog.

In event of failure to obtain the license or refusal to obtain it following the canvass, violators will be summoned to appear in Municipal Court.

Scout Executive Talks to Lions

At their regular Friday meeting the Springfield Lions Club heard Red Smith, Executive of the Springfield Scout Council, who was introduced by Wesley Smith, District Executive.

His subject was the coming Scout drive for funds in Springfield, and in addition, gave an interesting and amusing account of his own introduction to scouting. He also described the method of employing the funds collected in scout drives. Part of this money goes to operate Union Council, which provides professional leadership to all of the scouts in the council.

Part goes to the operation of Camp Marcella, where scouts may enjoy a splendid vacation at a portion of a cost which they would have to pay going to a non-scout camp.

Red Smith proved to be a splendid ambassador of good will. Doubtless, many of the Lions will

be interested in the coming campaign. At the same meeting the Springfield Lions Club also heard the following: A. Wheeler, who will be a candidate for the highest office in Lions Club, Governor of the State of Lions, and a member of the Springfield Lions Club, who has been introduced to the Springfield Lions Club by Wesley Smith, District Executive.

P. N. Representative to Speak
Wesley Smith, District Executive of the Springfield Scout Council, will hold his monthly meeting at the home of Mrs. Margaret Richards of South Main Avenue on February 12. Mrs. McNamara of Public Service will present a program of slides on home-making.

You could cook like Grandma did...but...

the modern way is flameless

Automatic Electric Cooking

Ask today's modern grandmother about cooking in the good old days... she'll tell you "It was no fun." Unreliable ovens, dirty flames, hot kitchens... it was hard, hot work. But that was before electricity. Now the modern homemaker cooks automatically in a clean, cool kitchen. And thanks to electricity, she gets perfect results every time. Cook on the range that's modern, and will stay modern in the years to come... a new automatic electric range. Write to our nearest office for a free, full color booklet on electric cooking.

HOW Water Works

She Magic of Chemistry!

IN ONE CUBIC MILE OF SEA WATER THERE ARE 500,000 TONS OF MAGNESIUM, AN ULTRA-LIGHT-WEIGHT METAL!

The chemical industry can now extract magnesium from sea water, thereby working a modern miracle!

Clean hands are rule #1
For anybody preparing and handling food. Rule #2 is to make sure all food containers are spotlessly clean!

Tues., Feb. 3, at 8 P. M. Old Mill Inn Town House 40 Park Pl., Morristown

Thurs., Feb. 5, at 8 P. M. New Hampshire House 2 Kent Place Blvd., Summit

10 Things the Dale Carnegie Course Will Help You Do:

- Speak Effectively
- Conquer Fear
- Increase Your Income
- Develop Self-Confidence
- "Sell" Yourself and Your Ideas
- Improve Your Ability to Remember Names
- Increase Your Ability to Handle People
- Win More Friends
- Improve Your Personality
- Prepare for Leadership

At these meetings Dale Carnegie's unique system of training will be explained. You will hear brief talks by recent graduates, on why they took the course and what they got out of it! See how this training will enable you to speak with poise and confidence in private and before groups; prepare you for increased earning power and leadership through your ability to handle people. You will find the program entertaining as well as instructive. ONE SCHOLARSHIP GIVEN AT EACH MEETING. For literature phone or write Dale Carnegie Courses, W. F. Westrom, Sponsor, Lake Valley Road, Morristown, N. J. Phone Morristown 4-6155. Classes held in Morristown, Summit, Dover, Newark, Elizabeth, Paterson, Plainfield, Hackettstown, New Brunswick, Long Branch and Trenton.

A Special General Motors-Dale Carnegie Course is being offered to all General Motors employees. Make sure employees throughout the United States will eventually be afforded the opportunity to take this course. Why don't you follow General Motors' example and give yourself and your employees the best opportunity for effective leadership through the Dale Carnegie Course?

Expert Tells How To Protect Trees From Winter Fury

Give your shrubs and trees a helping hand when snow, ice and high winds bear down with fury.

Evergreens and some deciduous trees, notably birches, tend to bend instead of break under the weight of snow and ice, says Dr. William W. Cantelo of the Bartlett Tree Research Laboratories. Unless uprooted before spring in some cases properly pruned, a tree may take years before it returns to its normally erect position. Where wood has been broken or crushed by the weight, pruned or the affected wood to prevent further damage by insects and diseases.

Even very boxwood, laurel, rhododendron planted around a house can be seriously damaged by the weight of snow. Lift the branches carefully and shaken gently. Wet snow can be very dangerous to trees when there is a chance it will freeze.

CLERK OFFICERS OF THE DAY—President Harold Johannmann of Ridgewood, N. J. (center) discusses Grand Union operations with (left to right) Treasurer Howard Burgoine of Tenafly, N. J., Vice-President in Charge of Merchandising George Matlack of New York City, Vice-President in Charge of Store Operations Kenneth Davis of Binghamton, N. Y., and Secretary Robert Stanford of Amsterdam, N. Y.

YOUR CLERK is "King" THIS WEEK AT GRAND UNION

Every important management position in Grand Union, from store manager to president, will be taken over by a store clerk on "Clerks' Day," Jan. 29th. The clerks honored were chosen by their fellow employees for this third annual Grand Union event.
