Melick Winner At Regional; Bertolamy Out

Banyasz Defeats Bd. President; Budget Approved

Three new members and Commissioner William J. Melick, of this township, will be inducted when the Regional Board of Education reorganizes this month.

Melick in the annual election Tuesday defeated Recreation Commissioner Edmund Hoffert for the seat by a margin of better than two to one. The final tabulation was 191 to 91.

The big upset, however, of the Regional district occurred in Garwood where Commissioner Bertram J. Bertolamy, board president, was defeated by John Banyasz, in a hotly contested election which had both Republican and Democratic factions in the borough working strenuously to turn out the vote. The final tabulation showed Bertolamy had lost 361 to 280. There was a heavy turnout of voters.

The third contest which found two Kenilworth residents competing for the seat being given up by Commissioner Joseph M. Boninente failed to draw the attention in that municipality that the Bertolamy-Banyasz race drew in Garwood. Avery W. Ward, a former member of the Kenilworth Board of Education, defeated Thomas F. Parker by a vote of 104 to 65.

In the fourth election which found a member being chosen for the board, H. Gordon Faulkner was elected by voters in Berkeley Heights. He received fifty-seven votes. Faulkner will replace Richard N. Southgate, board vice-president, who resigned effective this month because of the pressure of private business. Two write-in votes were cast in Berkeley Heights, one for Mayor Anton J. Swenson, who is a former secretary of the Regional board and the other for Salvatore Del Duca who is a candidate for the local board in Berkeley Heights.

Each of the six supporting municipalities voted approval of the five phases of the budget by margins of approximately five to one. The total vote was: current expenses, 842 to 164; repairs and replacements, 891 to 137; manual training, 841 to 166; agriculture, 822 to 195 and land, 706 to 185. The total vote came was 3,273. This was relatively high, Mrs. Helen Smith, board secretary said. She said the big turnout in Garwood, was to some extent responsible.

The board will reorganize following the February meeting. It is expected that either Raymond W. Forbes of this township, or Dr. Minor C. Jones of Mountainside, will be the new president. Thomas Nolan, of Clark, a senior member of the board in point of service is funds custodian. He is not expected to drop that post in order to seek the board presidency.

Roemers Receive \$7,000 Award

John H. Roemer, 20 years old of Park Lane, and his parents, Mr. and Mrs. Lester H. Roemer, of the same address recently were awarded \$7,000 in a jury-approved settlement before County Judge Edward McGeath. The settlement was for injuries that youth suffered in an auto accident at Park and Mountain avenues, Scotch Plains, August 22, 1951.

The award was against Charles Smith, of 40 Keeler street, his son, Clifford, 17, owner and operator of the car in which Roemer was a passenger; William F. Smith, of 14 Rockland terrace, Verona, and the Aroo Company, of Cleveland, O.

C. Smith was driver of the other car involved in the collision and the Aroo Company owned the car, it was said.

The Roemers were represented by Magistrate Henry C. McMullen.

1953 Tax Rate Down 26 Points; Township Committee Introduces Budget; Hearing on March 4

February 17 Is New Date for Cardinal Case

The Township Committee postponed the hearing in connection with the suspension of Tax Assessor Frank E. Cardinal and set a new date for the session, Tuesday, February 17, at last night's meeting.

The postponement was granted at the request of former Township Attorney Robert F. Darby, who is counsel for Cardinal. The township's case is being presented by Township Attorney Max Sherman.

The hearing originally was set for Tuesday night, Darby and Sherman were scheduled to present their summations. These were to be followed by the decision of the governing board either to discharge or reinstate Cardinal. It was agreed there could be no other move.

Parochial School Opens One Class

The kindergarten class of the new St. James Parochial School will open Monday, it was announced today by Rev. William Burke, church pastor.

This will be the opening phase of establishment of the first parochial school in the history of the township. Construction of the school is still under way. Father Burke said the building probably will not be completed for several months.

Plans provide for full opening of the parochial school in September. Classes will be held then in kindergarten to eighth grade. When the building is thrown open for all elementary classes it is expected to ease the pressure on the township public schools. A drop in kindergarten enrollment in local schools is anticipated after the opening of the class in the parochial school.

Napoleon Meets Waterloo--Learns What's in a Name

Probably every Napoleon meets his Waterloo sooner or later and Napoleon J. Rondeau, of 11 Diven street, is no exception.

Napoleon, who is 23 years old, was arraigned in Municipal Court Monday night on a charge of falsifying facts on his driver's credentials. He explained to Magistrate Henry C. McMullen that he has used the first name of "Paul" because he did not like the name of Napoleon.

He had been apprehended by Motor Vehicle Inspector Gaverda in Route 22. The inspector found the name "Paul" on the registration and "Napoleon" on the license card.

The magistrate explained the offense, innocent or otherwise, warrants a mandatory fine of \$200 under the statute. Rondeau, in lieu of the fine, was sentenced to the county jail. However, his father later paid the fine and Napoleon was released from the township lock-up.

When the fine was publicized the magistrate received a telegram from an Essex County resident criticizing his action. Magistrate McMullen pointed out that he had no alternative. He said Rondeau previously had been involved in an accident.

Main Inc., Route 22, was fined \$203 for overloading a truck. This also was a mandatory penalty. Fourteen traffic violation cases were handled with the magistrate imposing fines totaling \$469.

Final Plans for Brotherhood Night

Clifford E. Walker, president of the Presbyterian Men's Club, has announced final plans for the "Brotherhood Night" to be held in the Parish House on February 9 at 8 p.m. This is an annual interfaith meeting to which the men's organizations of all churches in the Millburn-Springfield area have been invited.

Features of the evening will be the presentation of the "Brotherhood Panorama" by 80 youngsters of the 7th grade in the Florence M. Gaudineer School and a talk by "Vimie" Farrell, All-American Basketball referee, who represented this country in the Olympics at Helsinki, Finland, last year. All men of the community are cordially invited to attend and participate in this program.

DISCUSSING THE "BROTHERHOOD PANORAMA" to be presented by 80 students of the Florence M. Gaudineer School at the Brotherhood Night to be held at the new Presbyterian Parish House on Monday, February 9, at 8 p.m., David Freedman studies the song "The House I Live In" which will be the theme song while Barbara Heerwagen points to our country on the globe to show our place in the brotherhood of nations. Left to right: Mr. Raymond Winchbury, Laura, Tommie Libby, Barbara Heerwagen, Robert Keith, David Freedman and Mrs. Sally Johnson. Mrs. Ruth Osborn is also assisting in the production.

Amount to Be Raised Shows Increase Over Total Figures in '52

The 1953 municipal budget, showing a complete total of \$1,030,062.38 as compared to \$975,798.76 for 1952, was introduced by the Township Committee at a special meeting held last night but the estimated tax rate for 1953 will be \$8.15 as compared to \$8.41 in 1952. This tax rate is a decrease of 26 points which is attributable to a decrease of 52 points for local schools, a decrease of 2 1/2 points for Regional High School, an increase of 2 1/2 points for the County and an increase of 25 points for local purposes.

The new budget and tax resolution was approved last night and a hearing will be held at the Municipal Building at 8:30 p.m., March 4 at which time objections may be presented by taxpayers or other interested persons.

Campbell Makes Renomination Bid

The amount to be raised by taxation for local school district purposes for 1953 is \$388,134.74, a decrease of \$28,887.99 compared to 1952. This provides for local school district taxes and the deficiency in basic aid to the local school district.

The amount to be raised by taxation for the Regional High School district for 1953 is \$113,482.78, which is an increase of \$8,168 over 1952.

For county taxes, the amount to be raised for 1953 is estimated at \$110,000, an increase of \$12,668.44 over 1952 which is due to the increase in rates and an anticipated rise in the County tax rate.

The amount to be raised by taxation for local tax purposes in 1953 is \$418,444.89, an increase of \$62,105.17 over 1952. The 1953 increase in operating appropriations is \$59,729.25; salaries and wages \$32,997.25 and other expenses \$26,782.72. The 1953 increase in salaries and wages provides for five per cent salary increases and increased personnel in the fire, road and sewer departments. The 1953 increase in other expense appropriations is reflected primarily in the following: garbage and trash removal, flood control, building and grounds, fire department, codification of ordinances and road and sewer departments.

Methodist Drive Passes \$38,000

Current building fund campaign of the Springfield Methodist Church to raise \$38,000 for an addition to the church has passed the \$38,000, the fund drive committee announced this week.

A total of 203 pledges either from individuals, families or organizations has been received to date.

The expansion program consists of, besides the addition, a new bell tower; alterations to the interior of the church, and a \$10,000 organ.

School Board Election Set for February 10

Presbyterians To Dedicate New Parish House Sunday

Dedication services for the new parish house of the First Presbyterian Church will be held Sunday at 3 p.m., it has been announced by former School Commissioner James M. Duguid, chairman of the building committee and president of the Board of Trustees.

The service will be in charge of Rev. Bruce W. Evans, church pastor. The dedicatory address will be by Rev. Arthur Northwood, D.D., moderator of the Presbyterian Synod of New Jersey. Other guests will be Dr. A. H. Behrensberg, of Metuchen, moderator of the Elizabethan Presbytery, and Dr. Frank D. Getty, synod executive. Representatives of all trades working on the building have been invited to the ceremony in addition to members of the congregation and friends.

Ground was broken for the two-story brick colonial building at 37-39 Main street, last spring with Stephen Ripter of Union as the architect. Duane Widmer of 132 Meloid avenue was the general contractor. All work was done by local firms. A parking area to the rear of the building currently is in use to relieve congestion of Main street.

The building was made necessary by an increased enrollment in the church school and an expanding program of church activities. It includes an auditorium with exposed beams together with a large stage suitable for all productions. There are two church offices opening off a spacious lobby, utility rooms, a committee room, kitchenette and two specially designated glass rooms. On the ground floor is a large general-purpose room which will be used for church-school purposes and an extensive dining room. Folding doors are being used throughout to conserve space. The kitchen has been planned to exercise the utmost efficiency and features a sound and fireproof ceiling, concealed lighting and an electric dishwasher. The building has been decorated with authentic colonial Williamsburg colors. In addition to the dedication service on Sunday an open house will be held Thursday, February 12 from 7:30 p.m. to 9:30 o'clock.

ON THE SUNNY SIDE

MARK THIS DATE: MARCH 4, 1953, AT MUNICIPAL BUILDING THIS is not written in the future of a complaint but we had an idea that the interested taxpayer and the officials with some civic pride always battered down the doors of the Township Committee to make themselves heard of the annual budget hearings.

But, we were informed that only one half of a bridge foursome turned up to voice their objections. If any the last time the public was invited to do some shouting. Exactly two people responded to the invitation to attend the hearing on the most important bit of business in Springfield or any other municipality for the entire year.

It is this budget—the spending of money—that bears a direct relationship to the taxes on your home—the cost of services on the future of Springfield. The time and place to become enthusiastically articulate is at these hearings—not after the budget is finally adopted.

Last night the new 1953 budget was introduced and the town fathers, after spending considerable time and study, believe Springfield has a very acceptable budget. However, if there is any doubt and if any citizen or taxpayer have any suggestions, a hearing on the budget and tax resolution will be held in the Municipal Bldg on March 4, 1953, at 8:00 p.m. at which time and place, objections to said budget and tax resolution of the Township of Springfield may be presented by the taxpayers and other interested persons.

This is an official invitation and, even if there are no objections or suggestions, it would seem that taxpayers would have sufficient interest in how their tax dollar is going to be spent and attend the hearing even if it is just to observe the mechanics of municipal government where it counts most.

WATCH OUT FOR THIN ICE

It seems a bit strange to sound a warning about the dangers of unsafe ice—especially when this is being written on a fairly warm evening. However, there is a definite danger and Superintendent of Springfield Schools B. F. Newwanger passes along a communication received from Chief Lyman L. Parks of the Union County Park Police, which follows:

Dear Sir: In the Union County Park System and other parts of the County there are many places where people may drown. There are not sufficient police in this department to cover all these areas and prohibit children from going on thin or unsafe ice. The Park Commission is always alert to provide facilities for all forms of recreation but have to be careful for the safety of the public. They have set standards for ice for skating and, when such conditions exist provide heat and lighting for skating areas. Until such conditions exist it is the duty of the police department to keep people off the ice.

I am writing to request your assistance in "warning" the school pupils to stay off the ice until it has been declared safe. I have been informed that you have a regular program on safety and it has been suggested that you could readily incorporate the warning against unsafe ice as a part of that program. There have been two deaths from drowning after breaking through thin ice in the county, already, this winter and several others elsewhere in the state.

Certainly children should not go back on the ice after they

have been warned off the unsafe ice. Your cooperation will be heartily appreciated.

Sincerely yours, LYMAN L. PARKS, Chief of Police.

Superintendent Newwanger pointed out that safety is taught continually in Springfield schools and all teachers are instructed to use every opportunity to promote safety. Children do not always realize the danger of running but on the ice with the first sign of freezing and it is up to the parents to cooperate with the school teachers in stressing the dangers of unsafe ice.

IT WAS LATE—BUT JUST AS WARM AND BEAUTIFUL

The Stiles household at 519 Mountain Avenue patiently postponed more than a month before lighting up their Christmas tree but it was worth while waiting for—since it meant keeping a promise with their soldier son who just couldn't make it home from Korea in time for the regular Xmas celebration.

Police Sergeant A. Nelson Stiles and his family had heard in December from their son, Nelson F. in Korea, and the veteran said he hoped to be home by Christmas. Young Stiles had spent over 13 months overseas as a member of the 10th Engineer Combat Battalion, Third Division, and got caught in rotation traffic with the result that the plans for a warm Christmas celebration had to be changed.

Sgt. Stiles and his family, however, informed the boy that they could wait and the Christmas tree, decorated and with gifts dripping from all branches, was left standing until the soldier boy could come home and enjoy the big day.

Last Saturday, more than a month past the scheduled date, young Stiles was discharged and rushed home to his family and friends in Springfield. He found the home filled with relatives and neighbors, the lights were turned on, and the full flavor of a heart warming, even though long delayed, Christmas party was given the returning veteran.

LETTERS TO THE EDITOR SHOULD BE SIGNED

There is a definite rule in newspaper offices not to print a letter to the editor unless the letter is signed with name and address. The name of the writer need not appear in print but the signature is evidence to the editor that the letter was written in good faith and no one would have to know the name unless some unusual situation arose from the publication of such a letter.

There is a letter on the desk of the editor—unsigned and with no address—except the initials "D.I.H." This subject, however, is of such immediate interest that we wish we could publish all the contents of the writer would send in his name, it would be our pleasure to print it in full.

The letter is evidently aimed at the Board of Education election here next week. It deplores the fact that the new Florence Gaudineer School was "not made large enough to accommodate all the children of junior high school age." And the letter further suggests that the Township cease issuing permits for private homes for a period of five years so that Springfield could catch up on schools and other public services.

EVERY TWO-FISTED ICE CREAM EATER SHOULD KNOW STRUBBE'S

Many years ago—when we used to do some plain and fancy eating—no evening was considered complete unless the bunch of us drove over to Strubbe's in Irvington and did away with a big bowl of ice cream. Strubbe's had the reputation for the finest home-made ice cream, and, even though some fickle dessert eaters were divided as to whether or not Grunling's could make a better banana split or one of those royal banana concoctions, the crowd eventually came back to Strubbe's. It was a by-word of doing a hook slide or a head first into one of Strubbe's chocolate sodas with the syrup running away back into the kitchen. But, alas, the family doctor has placed ice cream out of bounds for us and all we can do now is talk about the good old days.

The reason for all this sweet nostalgia is that Strubbe's is now right here in Springfield. And all we can do is try his coffee—and sandwiches—and sodas with a nibble of toast and pass up the ice cream. It is F. H. Strubbe, Jr. who now takes care of the Strubbe people-for-ice cream and home made candies but Junior knows all the secrets. He was with his father as a partner in the Irvington store and those years of experience gave him all the formulas and—ones who have tasted it and know, insist that Strubbe "has never lost his touch." The new establishment—one of the finest and most modern in this part of the state—is located at 130 Elmer Avenue, right opposite the Regional High School. The original business was founded by his dad in New York in 1903. It was moved to Newark in 1908 and to Maplewood in 1928. Strubbe, Jr. started as a partner at Irvington center and they did business at the same stand for 18 years being forced to move when the building was sold.

Strubbe has a considerable investment in the new, bright spot but he believes it will pay off because Springfield, he says, is destined to grow and he wants to grow with it. It is catching on not only because the youngsters are beginning to just love that home-made ice cream but the oldsters find the place relaxing.

DEMOCRATS ARE STIRRING

Democrats in Union County are beginning to stir which is always a healthy sign in our two party system. It is the hope of Democrats all over New Jersey to place complete slates in every municipality for elections this year.

The Springfield Democratic Club, through Harry S. Hart, announces that a regular meeting of the club will be held at the Chateau Baltusrol at 8:30 p.m. this coming Monday night. A meeting was held January 12 at which time a committee was appointed to select a slate of officers for 1953. Election of such officers will be held at Monday night's meeting and all those interested are invited to attend.

Senator Announces Postal Vacancy

Among the Post Office vacancies listed by U. S. Senator Robert C. Hendrickson, New Jersey Republican, this week is the one here, currently held by Acting Postmaster George M. Turk. Others in Union County are Killworth, Westfield and Scotch Plains.

The appointment here pays \$5,570 per annum. Turk was first appointed to the post April 30, 1951. The Springfield opening is one of fifty-three throughout the state which are not permanently filled to date.

The Senator announced his findings to guide the New Jersey Congressional delegation in its efforts to fill these posts.

GIRL SCOUT CORNER

The Scouts from Troop 3 have managed to work in a lot of fun into their scouting year. In October they chartered a bus for a trip to the Bronx Zoo. Besides their leaders, Mrs. Andrews and Mrs. Buckley, Mrs. William Valois, Mrs. Eugene Boehm and Miss Dorothy Lee Andrews accompanied the girls. Charlene Dickey from Cranford was one of the six guests the Scouts invited. In November the girls enjoyed a hayride and "cook out" at Echo Lake Park. Some time was spent in the study of the stars. Lois Langwasser from Union was a guest of the girls. Mr. Ingate, Mr. Pfeiffer and Robert Andrews gave a helping hand with the transportation. In December the troop had a Progressive Christmas Dinner. After the opening course at the home of the leader, Mrs. Andrews, Scout Paula Lubarsky, Mary Ann Ingate and Carol Fox entertained at their homes. Games, movies, songs and piano selections by Scout Elaine Hinton were enjoyed at each home. The troop is grateful for the hospitality which the parents of these Scouts extended, and to Mr. Rocco Giannattasio for the use of his projector.

Troop 5, This young Brownie Troop under Mrs. Gilbert Marlin has been most thoughtful. They have made special tray favors for Overlook Hospital and are now working on scrapbooks for the Children's Home at Westfield. They also made calendars and pins for gifts to their parents.

There is good news this week for all new leaders. A basic training course will start Monday, February 9th, at 7:30 p.m. at the Methodist Church. It will continue every Monday night for eight weeks. Each session will be for two hours. The trainer is Miss Helen Bauer of Union.

This course is planned for more than just the new leaders. Other leaders will be welcome to take this as a "refresher." A special special session for those who feel they would like to help out with a troop but prefer to have some training first. The Scout Council urges all who have this Scouting interest to take advantage of this opportunity. Mrs. Bert Maudment, training chairman (Millburn 6-9613-M) will be glad to answer any questions.

The February Executive Board meeting will be held next Thursday, February 5th at the Library at 8 p.m. instead of the regular time, the 2nd Thursday of the month. All Board Members are urged to be present at this meeting.

The annual Association meeting will be held in the Presbyterian Chapel Thursday, February 19th at 8 p.m. As important decisions are to be made at this meeting, the entire membership is requested to make every effort to attend.

While the Scout column has carried little troop news, it hasn't meant that the troops were not busy. Brownie Troop 7 had an interesting experience this week for they made a trip to the Planetarium at the Newark Museum.

Their leaders, Mrs. Edward Foley and Mrs. K. Bandemer, accompanied the girls. These Brownies are also working on a splendid service project—making scrapbooks for the Crippled Children's Hospital. The girls are using discarded Christmas cards, cutting out the attractive scenery or figures and pasting them in the books.

The Brownies of Troop 16 are fifteen in number too. Thirteen of them were invited November 26th. Joan Ryder recently transferred to this troop which must be Mrs. John Hopping's home every Tuesday afternoon after school. The girls were busy through the fall making gifts for their mothers and dads but they took time out for two parties, the last one, a doll's tea party. They have also visited the Miniature Village and appreciated the courtesies of Mr. Spelcher extended.

The Scouts from Troop 1 have made plans to work as a troop on the Badges "My Community" and "Junior Citizen" following along with suggestions of the Women's Club to further the study of Springfield. Other badge work will be done through patrols or individually. The new leaders of this troop, Miss Edna Pured and Mrs. Reynolds, have appreciated the help the former leaders have given them. Mrs. Frank Kerr, Mrs. Howard Heerwagen and Mrs. William Thompson, Jr.

Scouts from Troop 4 are working very hard on the "Housekeeper" and "Cook" Badges. These girls under Mrs. Edward Maudment leadership have a very thorough knowledge of their field when they finish working on a badge.

The young Scout Troop 15 of 25 girls, is completing all the preliminary work in each of the eleven scout activity fields so that the girls may earn their second class rank. Mrs. Henry Bouchard who has been with these girls through their Brownie days, is assisted this year by Mrs. Ed Fuhrer.

Troop 3 Girl Scouts have had an unusually busy fall. It will take two weeks reporting to "catch up" on all this troop has done. After they opened their Scouting year with a week-end camping trip to the Girl Scout Cabin at Lake Surprise, the girls immediately settled down to some craft work. They made "Pretzel Plaques" from plywood and with letter noodles printed the Scout Promise on it. All the girls learned to make paper flowers and to knit. The knitting project was a green wool hat trimmed with a yellow tassel. Leather belts, hand painted trays, candle holder, leather wallets and comb cases were some of the other craft projects the girls did.

Badge work has been in the international field—World Knowledge, World Gifts and World Travel. The girls are also working on the "My Community" Badge in conjunction with the Women's Club suggestion to know your town. In connection with their international badge work, each girl is making a family tree, showing their ancestral line as far back as they can go. The officers of Troop 3 are: President, Elizabeth Walker; Vice President, Carol Fox; Secretary, Sandra Taylor; Treasurer, Mary Ann Ingate. Patrol leaders are: Betty Jane Gurski, Doreen Lynn and Paula Lubarsky. There are eighteen girls in the troop under the leadership of Mrs. Lee L. Andrews, Jr. and Mrs. William Buckley.

Mrs. Eric Pedersen of 238 South Springfield avenue was hostess to members of the Garden Department on Monday evening, January 19. The group discussed pressed flower pictures and Mrs. Melvin Gillette demonstrated the art of making them.

The Drama Dept. met at the Monday evening, January 19 at the home of Mrs. David Bellier of 61A Plover avenue. The theme of the evening was readings for the casting of "Second Best," a one-act play by Natalie Wyeth Fritzsche, to be given in Plainfield on April 8 at the Third Annual Drama Festival for the Fifth District of the New Jersey State Federation of Women's Clubs. Censorship of any kind has always been a controversial subject and it remains one of the dangers for which we must constantly be on the alert. We must be determined that American literature shall never be subjected to the restrictions under which that of many other countries is now held. American writers are free to depict what they think and feel, each in his own way, and the price we pay for this freedom—as we pay for all freedom—is too frequently adds up to books that shock the finer sensibilities. We can only hope that, as time goes on, these writers may see more clearly or perhaps with less jaundiced eyes, and so describe both the contemporary scene and the historical one in a more pleasing light or at least in more pleasing language. Regardless of what material we are offered, what to read or what not to read is for each individual to decide, for there is a wide and varied choice. Among the popular new titles are: "An Affair of Love" by Frank Swinnerton. "The Solitaires" by Marjorie Kinman Rawlings. "The Hito-Mercent" by Niven Busch. "The Sign of Jones" by Thomas Merton. "The Little Madeline" by Mrs. Robert Henry. "Roosevelt and the Warm Springs Story" by Turnley Walker. "Those Rockefeller Brothers" by Joe Alex Morris and "Facing the Future's Risks" by Lyman Bryson.

First U. S. President to make a tour of the nation by railroad was Andrew Jackson, who made the trip in 1828.

Sports In The Sun

The County Scene

First six seedings in the seventh annual Union County Conference basketball tournament generally are conceded to Jefferson, Linden, St. Mary's, Plainfield, Scotch Plains, and Union, but possibly not in that order.

The remaining two berths, however, are as unsettled as they were at the beginning of the campaign. Actually, a half dozen teams are in contention for the seventh and eighth rankings.

The challenging group includes undefeated Pingry, Regional, Cranford, Roselle Park, Westfield, and Rahway. Pingry's makes its bid on the strength of its unblemished record, because it does not meet the class of competition the other five do.

If Regional had beaten Union Friday night, it probably would have drawn one of the ratings if you consider that it has already defeated Roselle Park, Westfield, and Rahway.

Cranford's upset win over previously undefeated Scotch Plains Friday night boosted the Blues in the limelight as a contender. Cranford was expected to be a strong quintet this year, but ran into early-season misfortune.

The Blues have been playing better ball as of late and are making a belated bid for a seeding.

Roselle Park's chances were nearly drowned by Regional a week or so ago, but the Panthers took one last breath of air Friday night and upset heralded Highland Park to climb back into the maze.

Westfield continued its drive for a berth by stopping Regional in a return go several weeks ago, but Kohney, which has been playing increasingly better basketball, upset the Blue Devil applicant Friday and the Westfielders, well on their way to a seeding, now find themselves at the exact point at which they started. And that would be nowhere.

Games up to and including those of Monday will be counted in the official tourney records, the UCC announced recently. Regional has a toughie in its last bid for recognition when it plays Linden Friday night. All of the other contenders do, too.

Westfield meets Union on the road; Rahway faces a spoiler in Edison; Roselle Park and Cranford collide at Cranford; and Pingry entertains George School.

Next week, the ratings will be public. The affair then will be settled.

Are YOU Interested in Taking Golf Lessons?

Local recreation commission is making a survey through this column to determine the amount of interest there would be in a golf school. If it becomes a reality, the school probably would last four to six weeks, with meetings once a week. A slight tuition would be charged.

Regardless of age, the school would be open to all Springfielders. The commission is considering holding the affair on either Monday, Tuesday, or Wednesday evening, starting in about three weeks.

A well-known golf professional has consented to conduct the school if the rec board decides to run it. And the only way to insure inception is to contact Ed Ruby of the recreation department or write in care of the Town Hall.

This new commission has big things in store for the local sports program, but it can only carry out its plans if enough interest is shown. Therefore, we urge you to take some action along these lines if you are interested in taking a weekly golf lesson.

Kids Meet the Champ

Four local boys meet the world's top foul-shooter, Bunny Levitt, at the first session of the rec commission's basketball clinic last Saturday afternoon. Left to right, are Ralph Walker, Tom Keane, Les Law, Levitt, and Karl Utast.

Sat. Afternoon Basketball Loop Formation Set

A four-team league will be formed this Saturday afternoon following a short instruction period at the weekly session of the Springfield basketball clinic, sponsored by the recreation commission.

Several former Regional basketball players have volunteered to act as coaches for the teams, which will have competent officiating.

Four athletic figures, national and local, and scores of Springfielders were in attendance when the clinic was held by Bobby Anderson with 202, 217, and 228 for a 644 series. Wayne Pinner had a 210, Jimmy Funcheson a 201 and a 207, Ang D'Andrea, a 202, and Bill Kelley a 201.

Regional, Linden Fives Collide Tomorrow Nite

A team that has everything to lose if it loses and a team that has nothing to lose and everything to gain meet head-on in Regional's gym tomorrow (Friday) night as Linden's Tigers set their 11-2 standard on the line for Coach Lou De-Rosa's Bulldogs.

The Tigers, who probably will null down the second-place seeding in the Union County Conference tourney on February 10 if they get past the local quintet, drubbed Regional by 69 to 38 earlier this season, but Regional's home-court advantage should reduce the margin tomorrow night.

In its other engagement this week, the Bulldogs, who dropped 49 and Al Coelho 11 for the Eagles.

The Bulldogs fell behind at the first period mark against Union, made up the deficit with two points to spare at the half-time intermission, kept the slim lead after three quarters, and saw victory dashed from their grasp in the final canto because they could not buy a successful foul shot.

Luckie was the main figure in this misfortune at the charity line as he missed four straight

in the closing moments, a quartet which possibly might have turned the tide in favor of the Bulldogs.

Four Regionals scored in double figures to cop local scoring honors. Judd Herman, who raised his season's total to 204 points yesterday, netted 10 points against Union along with Joe Schaffernoth, Luckie, and George MacKenzie. Trevor Gaskin's 22, Ken Chavous' 11, and Fred Kooyena's 11 were high for Union.

RHS Grapplers Regain Winning Touch in Rout Of Pingry Team, 26-14

Roselle Park, defending Union County champion entertains the Regional wrestling team in the latter's next outing at the Park tomorrow (Friday) night at 8 o'clock.

Al Wallace, 127-pounder, Bob Hennessy, 135-pounder, Don Gucker, 141-pounder, and Joe Yeats, 148-pounder, are the big Panther threats and probably will face Regional's Richie Scorsone, Paul Jordan, Bud Mesker, and Gene Masnitis, respectively.

The Park affair begins a series of three straight matches with some of the top teams in the State. Following the Panthers will be Union and Somerville in the Bulldogs' final two engagements of the campaign.

The local grapplers spoiled Pingry's debut in its new gym Tuesday afternoon, routing the Prepsters by 26-14. In the first athletic event at the new school, Regional rolled up four falls, its top output of the year.

Al Heeler posted number 13 in a row with a fall over Bill Estemen, and Dave Thompson, Don McKinzie, and Gene Masnitis also triumphed by pins.

The summary:
Regional 28, Pingry 14
106-pounds—D. Thompson, Regional, defeated Gough, fall (3:20)
115-pounds—Heeler, Regional, defeated Estemen, fall (3:44)

Ray Bell Concern Gets Settlement

Mrs. Ann Sylvester, of 225 Balaunor avenue and Ray Bell and Associates, Union really concern for which she is a saleswoman, settled a suit for an undisclosed amount this week.

Bell's suit was against Richard T. Stromenger of 24 Blackburn road, Summit, and Mrs. Lois E. Pearl, of 41 Parkview terrace, Summit, former agent and owner respectively of a house at 2 South terrace, Short Hills. The suit had been pending two years.

Bell contended his firm had obtained a buyer in 1951 for the Short Hills residence for approximately \$10,000, under an arrangement whereby he was to receive 70 per cent of the commission. The defendants denied existence of any such commission arrangement.

A jury had been seated in Superior Court Judge Frank L. Cleary's court when the settlement was reached. Former Township Attorney Herbert A. Kayin, now a resident of Florida, flew up from that state to represent Bell. Robert C. Thomsen, Jr., of Westfield, also represented him. Mr. Pearl was represented by Ernest Blits and Stromenger by Frederick C. Kentz, Jr.

Scouting in Springfield. For the first time this community will experience a Dawn to Dusk Finance Campaign. The day's festivities will kick off at 8:30 a.m. when each drive worker will be called upon by a boy scout and escorted to Raymond Chalmers School for breakfast which will be served at 9 a.m.

Committee Plans Heart Week Here

American Heart Week will be observed next week commencing Sunday. It was announced today by Mrs. Helen Glaeser, county chairman of the 1953 Heart Fund.

Mrs. Amy Bandemer heads the Springfield Heart Drive. Mrs. Edwin J. Schnell is co-chairman. Other committee members include: Treasurer, Major Edwin J. Schnell; co-treasurer, Mrs. Russell Post; business section chairman, Theodore H. Schuss; schools chairman, Mrs. Kenneth Bandemer and captains, Mrs. William C. Cosgrove; Mrs. Charles F. Beardley, Mrs. Henry C. McMullen, Mrs. Seth Brown, Mrs. Raymond W. Forbes and Mrs. William M. Klein.

Mrs. Glaeser said some forms of heart disease can be prevented; a few can be cured; all heart cases can be cared for better if diagnosed early and virtually every heart condition can be helped by proper treatment.

She said the County Heart Association, an affiliate of the American Heart Association, is sponsoring American Heart Week to focus public attention on the medical, social and economic aspects of heart diseases and to align the community with the Heart Association and the medical profession in the heart program.

All residents have been urged to donate to the fund through their appeal committees in each community through the plastic hearts or directly to the fund headquarters, 1137 East Jersey street, Elizabeth.

Post offices throughout New Jersey are cooperating with the Heart Fund Drive by accepting contributions addressed "Heart Fund, care of local Post Office."

THERE IS GAS PIPE AND GAS PIPE

Gas pipe to you probably means that which you see coming into your house or connected to the gas range in the kitchen.

Gas pipe to us means three-quarter inch, or twenty-four inch, or even thirty-six, or forty-eight. It takes all sizes and lots of it to have a six thousand mile system such as Public Service operates.

The system of mains which brings gas—that wonder fuel—into your homes has been built through every type of terrain. It is laid in marshes, under rivers, under towns, over mountains, through solid rock.

Such construction work has meant many millions of dollars invested in rights-of-way, trenching and pipe.

Whenever you see main laying operations along the streets and highways, you can think, "There's more money being spent to bring the public gas—the wonder fuel that saves time, work and money."

GAS SAVES YOU TIME, WORK AND MONEY
