SPRINGFIELD, N. J., THURSDAY, MARCH 12, 1953

OFFICIAL NEWSPAPER
TOWNSHIP OF SPRINGFIELD

10¢ A COPY, \$3.50 BY THE YEAR

Town Prepares For Big Alert On Sunday

Traffic to Stop—Residents Asked To Stay Home

More than 200 civil defense workers will be on the job as the township participates in a county-wide air raid alert Sunday afternoon. Robert J. Hayes, acting chairman of the civil defense committee, today revealed that all traffic will be stopped during the red alert. He said this includes cars traveling on the two state highways, Route 24 and Route 22. Vehicles moving through the business section, along side streets and in other thoroughfares of the municipality will be stopped when they reach a key point and told to pull to the side of the road.

In County Race

Eugene F. Daly of Summit today announced his candidacy for one of the Republican Freeholder nominations. He is running as a progressive Republican. Mr. Daly, who has been a candidate for City Council in Summit's 2nd Ward, is a printer and a member of Typographical Union No. 788. He also is a member of the Summit Lodge of Elks.

Song Festival Set for Tonight

The Springfield Girl Scouts will give their annual Song Festival tomorrow night at 8 p.m. at the Florence Gaudineer School gym. This has become a traditional event and an ever-increasingly popular one.

Each troop will participate. Judges will be on hand to make an award to the Brownie troop showing the greatest enthusiasm, rhythm and time, enunciation, apparent preparation and modulation. The intermediate troops will be judged in another class but on the same points. Miss Betty Haselmann will be the piano accompanist.

Parents and friends of Springfield Scouting are cordially invited to attend. All the leaders put considerable effort into this project and a good attendance will be an ideal way to show appreciation of the splendid work they do.

This event is always held on the Friday night nearest March 12th, which is the Girl Scout Birthday. This year the National Organization celebrates its 41st anniversary for it was on March 12, 1912 that Juliette Gordon Low organized the first troop in Savannah, Ga. Since then Scouting has grown nationally to 1,000,000 members. Springfield Council is proud of its eight troops—1 senior, 10 Intermediate and 7 Boy Scouts of approximately 200 girls, 80 adult volunteers carry on the numerous duties necessary to make Scouting available to these girls.

Although I expect others to file also, it will be a token nature of opposition by persons who illegally intend to run for office as Republican County Commissioners, to support non-Republican candidates who run only in the general election as independents, not for the township, integrity or for the sum of their names, as required in the primary election for the approval of the voters of the party.

'Fake' Republicans Blasted by Cawley

Opposition to him in the April primary will be of a token nature with illegal intent, James M. Cawley, of 20 Keeler street, today warned in announcing his candidacy for reelection to the county committee from the 5th district.

The candidate branded those who will oppose him as persons who will support non-Republicans or pseudo-Republicans. He indicated his opponents probably will support the independent candidates of former Township Committee member Francis J. Keane and Thomas Argyris.

Cawley said, "I am submitting my name to the voters for their consideration. My past record shows that I have carried out my duties faithfully and well by voting for supporting and electing Republican candidates.

"Although I expect others to file also, it will be a token nature of opposition by persons who illegally intend to run for office as Republican County Commissioners, to support non-Republican candidates who run only in the general election as independents, not for the township, integrity or for the sum of their names, as required in the primary election for the approval of the voters of the party."

GOP Leaders Will Decide On Postmaster

Choice Reported Narrowed to 2; App't Seen Near

Reports that Wilbert W. Layng was in the forefront of candidates for the post have been denied. Although he was noncommittal in the face of the reports, observers claim he was not interested. Another report had Finance Commissioner Frederick A. Handville interested in the post. It will be recalled that rumor also practically had him in the post of township clerk many months ago until he emphatically denied he had any aspirations.

Mayor Robert W. Marshall, it is generally conceded could have the job. However, the chief executive has disclaimed any personal interest in becoming the Postmaster. He has been mentioned prominently in connection with the freeholder race, although indications are that he will not be a candidate this year.

To Give Name Soon
It is generally believed the selection of the new postmaster will be made before the end of the month. In that event the acting postmaster probably will be replaced by a Republican next month.

Turk has held the job nearly two years. One of the applicants for the post during Turk's tenure was Timothy J. Sheehan, who originally was a Democrat and later ran for the Township Committee as a Republican. Whether Sheehan's independent candidacy would warrant his seeking the job as a Republican is doubtful. There have been no reports that his aspirations continued after the Republican landslide of last November.

Indications today were that a bitter struggle is going on behind the scenes for the post, scheduled to be vacated by Acting Postmaster George M. Turk. Reports a month ago were that three local party members in the running.

A party spokesman a week ago confirmed the fact that one has been eliminated and the race now has narrowed down to two contestants. One of these probably will be designated shortly by the selection committee headed by

1953 Salary Schedule Is Introduced

Denham Road Paving Job Considered

The 1953 schedule of salaries and compensation was passed on its first reading at the regular meeting of the Township Committee last night to be submitted for consideration and final passage for March 25. A ceiling was placed on the collection of fees by the building inspector, the ordinance fixing a maximum of \$4,250, "any excess to be paid over to the Township Treasurer."

The two chiefs—police and fire department—are the two highest paid officials on the Springfield schedule, each getting \$6,161 per year, according to the ordinance introduced last night.

Walter's Two Bars of 597 Morris avenue applied to the Township Committee for license to operate a plan for the Township.

At public auction, the following properties were sold: To Raleigh Eschopp for \$100, Lots 70-77; to William Franklin for \$100, the property known as 80-83 McKee street and to John S. Westerfield for \$300, the property of 78 Diven street.

Edwin Eskline was promoted to the rank of 2nd class fireman. Frederick J. Stefany was re-appointed as Township Auditor at a salary of \$2,700.

A letter from the Springfield Woman's Club regarding the formation of an Action Fund Drive, and requesting a union by the committee.

G.O.P. Primary Contest Assured as Donnelly Bids for Nomination

Report Shows College May Locate Here

2 County Sites Are Listed for Teachers' School

Springfield, which in recent years has attracted several industrial plants, may become the home of the Newark State Teachers' College, according to reports circulating in Northern New Jersey educational circles today.

The task of finding a new campus for the college started yesterday by committees of the State Board of Education and the college. It was reported by State Education Commissioner Raubespiger. The committees were named especially to work on relocation of the college. (A sum of \$3,700,000 has been appropriated by the State Legislature. The amount is part of a \$15,000,000 bond issue for improvement of the state teacher colleges approved by voters in 1951.

Reports are to the effect that

Eugene F. Donnelly

Democratic Intentions Are Cloaked in Secrecy

With the deadline for filing set at midnight tonight, a contest in the Republican primary for Township Committee was a certainty with announcement by Eugene F. Donnelly of 260 Northview terrace, that he is seeking a place on the governing board. His opponents will be Mayor Robert W. Marshall and Police Commissioner Albert G. Binder. There were no indications as to whether additional petitions might be filed before the deadline.

Sets St. Patrick's Day Parish Party

The Fourth Annual St. Patrick's Day Parish Party, sponsored by the Holy Name Society of the Saint James Roman Catholic Church, will be held at the Catholic Center, Springfield, on St. Patrick's Day, March 17, at 8:30 p.m.

Music for dancing will be supplied by Adde-Leonard and his Orchestra. There will also be entertainment, limited facilities for card playing, and opportunities for purchasing refreshments, including drinks and sandwiches. Tickets are \$1 each and can be obtained at the Parish Rectory, 66 Morris Avenue, or at the door on the evening of the event.

The proceeds from the party will be used to aid the current building program, now taking place on South Springfield Avenue, of a new church, school and convent.

Blood Bank Appeals For Volunteers

March 23 is the day to roll up your sleeve and give blood.

The National Blood Program must obtain sufficient quantities of blood to continue to meet the immediate needs of blood of the Armed Forces and civilians, and at the same time, build a plasma reserve large enough and mobile enough to see the country through any national emergency.

The Red Cross has been called upon to undertake an immediate and dramatic expansion of its participation in the National Blood Program to make available all the gamma globulin possible for the prevention of paralysis from polio.

Experiments conducted over the past two years under the auspices of the National Foundation for Infantile Paralysis and as part of their total research program have demonstrated the effectiveness of this treatment. The Red Cross provided the gamma globulin used in these experiments, without cost.

The acceptance by the Red Cross of the request to undertake this program places a vast new responsibility upon the Red Cross and in turn upon the American people. It takes approximately one pint of blood to make an average dose of gamma globulin, as used for polio. One injection protects a child for a period of one to five weeks following exposure.

Estimates based on past experience indicate that polio may strike in epidemic proportion in at least 150 counties next summer, and if so, at least 2,000,000 children in those counties may be exposed to the disease. Since gamma globulin is also needed for various other purposes there will of necessity be a shortage of the serum at the height of the polio season. In view of the imperative need for this gamma globulin the Red Cross has agreed to assume its full share in carrying out the program.

LIKE AMERICAN SCHOOLS

FIND EDUCATION INTERESTING. Foreign students participate in classes at Regional High School showing from left to right, standing, Oberla Slatterbeck of Ridge Road, Clark Township, Kim Chung Hynn of South Korea and Josephine, Glen Dupel of Australia. Seated is Arthur Curtis of 1067 Sunny Slope Drive, Mountaintop, Kim Chung Hynn is the guest of Annj White in this country and Josephine is staying with Oberla.

NJ Tourney Tilt Set For Elizabeth Court

Bulldogs Tackle Hillside Five at Elizabeth Armory

Regional basketball team gets its second back-of-the-year tilt in the second round of the sectional NJSSAA tournament at the Elizabeth Armory at 7:15 o'clock tonight. The Comet hold a 62-66 triumph over Coach Lou DeRosa's Bulldogs, attained during the regular campaign.

Hillside has a sharp-shooter in Charles Sabatino, who has carried the brunt of the Hillside's attack thus far and who, almost single-handedly whipped the Bulldogs in the December meeting. The Comet attack is founded on Mary Fishman's floor leadership, the rebounding of Bob Bernstein and Allan Goldberg, and Sabatino's sets.

Rounding out the Hillside squad are Super Stone, Roger Keelin, Jack Saperstein, Art Davidson and Doug Kilian—all of whom were impressive as the Comet's roared to a close-game winning streak at the end of the season. Since then, they have added a 53-44 victory over Summit to their string, the win giving them the opportunity to play Regional tonight.

Regional, however, still rules the slight favorite tonight. The Bulldogs have built up the finest passing game in the district, although they are in the district, although they are in the district, although they are in the district.

(Continued on page 7)

Many Motorists Pay Fines To Tune of Electric Timer

The electrical timing device which, recently was purchased by the Police Department now is in full operation. It was revealed today by Chief of Police Albert J. Sorge.

The chief said members of the department from the three shifts have volunteered to operate the device in order to become familiar with it. He pointed out that ten summonses have been issued to date to motorists who were traveling from 45 to 46 miles an hour.

Chief Sorge listed the streets on which the timer has been used on Morris Avenue, Mountain Avenue, Melrose Avenue and Springfield Avenue.

PAYS \$18 FINE

John Puella, of H. McKay Avenue, East Orange, was fined \$18 on a speeding charge by Magistrate Henry C. McGinnis Monday night in Municipal Court. Police said he was traveling 60 miles an hour in a 25-mile zone. They reported he was apprehended by Patrolman Otto Sturm who chased him more than a mile. Eleven fines totaling \$75 were imposed.

WANTED — TO RENT
Apartment or small house in Springfield or vicinity beginning about May 1st.
Telephone Millburn 6-5000

Town Had Four Telephones In Halcyon Days of '98

The story of the telephone in Springfield, Millburn and Short Hills goes back to the early 1890's when a line was run out from Newark to a public telephone in George Campbell's drug store on Millburn Avenue (where the Millburn Theater now stands). For a considerable period it was the only telephone for miles around.

If, somewhat later, in 1894, you had visited this spot when the first small switchboard was installed to serve (according to) 9 subscribers, you would have reached it first by walking through the store, then through the office occupied by Dr. Campbell and Dr. Stamford, finally arriving at a room about ten feet square, which was the entire central office. In it was a public telephone in a booth with a small one-position magnet switchboard.

The directory of December 1, 1898 included the following listings: George H. Burr, George S. Campbell, B. Buehl, C. Wittkop in Millburn; John J. Carey, Mrs. Florence Harrot, Stewart Hartshorn, Short Hills, Caserio and Henry P. Toler in Short Hills; and Baltusrol Golf Club, Collifield Zapon Company, Herdelberg Hotel, Springfield Hotel and Beverley Ward in Springfield.

To use the telephone the subscriber had to turn a crank on his telephone, which would cause a small shutter on the switchboard

to swing down. The operator would note that the "drop" had fallen and "pick it" to find out what holder was wanted. She would then make the connection, place a "lifter" lever, operated like a miniature automobile gear shift, in the right position to ring the desired party, A, B, F or I, and turn a small crank to ring the subscriber's bell. Subscribers had to "ring off," too, to let the operator know the conversation was finished.

The first operator at this switchboard was Miss Mary Walsh, with the drug clerk, Jimmie Hand, serving as reliever operator. At night the switchboard was operated by a boy, Joseph Olin of Short Hills.

By 1905, the old board, although it had been added to, was outgrown, and a new four-position board was installed. As there was not sufficient space in the rear of the drug store, the new switchboard was placed upstairs on the second floor. It had direct trunk lines to Summit, South Orange, Newark and two to New York. Calls to other points were made through Newark.

On May 15, 1909, a new larger switchboard to meet the growing needs was installed on the second floor of the First National Bank Building at the corner of Millburn Avenue and Main street. It was the type of board known as "com-

THURSDAY, MARCH 12, 1953

ON THE SUNNY SIDE

VOLUNTEER BLOOD DONORS WANTED

It seems a pity that the need for giving blood must call for such dramatization—such persistent public appeal which, often, approaches downright begging—but it's all urgent enough to justify any means used.

Springfield has no more of a problem in getting blood donors than other communities and the valiant Red Cross workers are pleased with the response they get when an appeal is made either by telephone or by personal contact. Many a great many have given blood.

But the great cause of blood giving could reach inspiring heights in Springfield if there were volunteers—those who have been stirred by the appeals enough to reach for the telephone to call Red Cross—Millburn 6-0656—and ask "where can I go to give some blood?"

March 23 has been set as the BIG DAY to "roll up your sleeve and give blood." Every day should be the BIG DAY for giving blood and the Red Cross urges Springfield citizens to volunteer now—TODAY! Reach for your telephone now and make an appointment to give blood... as a volunteer. Don't wait for a Red Cross worker to call you.

Several Springfield pieces of business are being given a "face lifting" job and, when the alterations are completed, the idea of restoration—of making one shopping center reflect some of the glory of the past—will show signs of becoming a reality.

The Springfield Market on Morris Avenue is to be known as the SHOP-RITE MARKET when the present remodeling is completed—is doing an all out job and when this new store front is unveiled, the big idea will be well on its way.

LOCAL ARTIST WINS POPULAR AWARD

"Bill" C. Jensen is a Springfield resident who deals in such prosaic things as "automatic fire bombs" in the old business world, a member of the faculty of Rutgers Business School and also has a very aesthetic side to his life, one that gives him and lovers of the fine arts considerable pleasure.

"Bill" Jensen is an artist and a very good one, according to the judges at the Second Annual Art Exhibition held in Hotel Suburban, East Orange, and sponsored by the New Jersey Art Council.

Jensen won the popular vote award for his pastel, "The Long Wave" which was entered in this annual art exhibition. Jensen's pastel which won twice as many popular votes as any other picture in the show, is a realistic study of a breaking wave done in tones of brown. Richard Gross of Richard's Studio, South Orange, presented the popular award.

HAPPY BIRTHDAY TO THE GIRL SCOUTS

Today is the Girl Scouts' Birthday—forty-one years old nationally and thirteen years locally. The Girl Scout movement has grown in scope and service until today it proudly claims almost two million active members.

Through the years, Girl Scouts have learned cooperation, friendliness, community responsibility and special skills. The adult workers have demonstrated that maturity and youth can work effectively together to create a growing force for freedom—the objective summarized in the current slogan of Girl Scouting.

Our community would be poorer without Girl Scouting or Boy Scouting for, through these youth serving agencies, better youngsters are developing and being trained for tomorrow's citizens.

So, on this Girl Scout Birthday, we salute the Girl Scouts of the U. S. A. and, especially, our own Springfield Scouts and the local Council that makes Scouting here possible. May it, long continue to grow in strength, in service and in numbers.

CONCERNING ALEX FERGUSON, BANK DIRECTOR

The Prudential Home Office News, in its February issue, ran an interesting article under the heading "Alex Ferguson, Bank of Springfield," says Alex modestly. "And though I've been out for some time from isthmus, where the natives never heard of Christmas."

But in 1925, Alex's father helped to organize the First National Bank. In the years that followed, Alex absorbed a good deal of financial knowledge and understanding of the relations between a bank and its community. When his father died in 1934, the directors asked Alex to come in with them. Somewhat reticently, he agreed.

There isn't much hereplay at a directors' meeting. Handling other people's money is serious business and there are many problems which must be solved. The percentage of the bank's assets which can safely be invested in mortgage, for example, and the maximum loan which should be made by a bank of our size. Errors in judgment here could have serious results.

Alex and his wife, Marjorie, have a married son and a 10-month-old granddaughter, Kathie. Grandpa Alex thinks that Kathie is sure to become a bank director some day. "She shows no more interest in financial problems now than I used to."

SAY NICE THINGS ABOUT SPRINGFIELD
When you find new residents of Springfield who go out of their way to let you know that "this is such a nice, friendly town" then you know you've got some worthwhile citizens in your midst.

Martin G. Bender, with his wife and son, recently purchased the Dawson Shop, Metal Shop at 165 Mountain Avenue, made a lot of changes and now the sign announces that the Bender Tool and Die Shop is in business in that address.

Mrs. Bender who doubles as bookkeeper of the business as well as being the home maker, says she enjoys shopping among so many "smiling people" and the Benders' small granddaughter adds her approval of Springfield by making friends of the policeman on her street even to the extent of sending her favorite to a Valentine greeting.

The senior Bender has been in the tool and die business for 40 years, living and working in Glen Ridge for 30 years and, until recently, in Plainfield for five years. He decided to go into business for himself and called Springfield because, as he says, "Industry will have to move in this direction" and he wants to be within reach of business in the Metropolitan area. The Benders solved the housing problem by converting the apartment above the shop into a modern and comfortable home.

LEGAL ADVERTISEMENT

AN ORDINANCE PROVIDING FOR THE REGULATION AND CONTROL OF OFF-STREET PARKING IN THE TOWNSHIP OF SPRINGFIELD, N. J.

BE IT ORDAINED BY THE Township Committee of the Township of Springfield, in the County of Union and State of New Jersey, as follows:

1. In all zoning districts, off-street parking facilities for the storage or parking of self-propelled vehicles for the use of occupants, employees, and patrons of buildings erected after the effective date of this ordinance, and for such extensions, alterations, additions or changes in use of such buildings shall be provided in accordance with the minimum standards specified herein, and shall not subsequently be reduced below the requirements of this ordinance, provided that nothing in this ordinance shall prevent the reconstruction, repairing or rebuilding and continued use of any non-conforming building or structure existing at the effective date of this ordinance, provided further, however, that such reconstruction, repairing or rebuilding shall not result in an enlargement of the use made not conforming by virtue of this ordinance.

2. For the purpose of this ordinance, a "Parking Space" shall mean an area of not less than 100 square feet, being an area not less than 20 feet in length and not less than 10 feet in width, exclusive of drives or from streets or alleys, and accessible by ways or aisles leading to streets or alleys, and usable for the storage or parking of self-propelled vehicles.

3. Existing off-street parking facilities provided for the storage or parking of self-propelled vehicles and actually being used at that date for the parking of vehicles in connection with the use of an existing building or use, shall not be reduced to an amount less than hereinafter specified in this ordinance for a similar new building or new use.

4. Whenever in a building-erected after the effective date of this ordinance there is a change in use or change in the number of employees or other unit of measurement, as set forth in paragraph 7 of this ordinance, and such change or increase requires an increase of less than fifteen percent of the total number of parking facilities required by paragraph 7 of this ordinance, then and in that event, such parking facilities shall be provided in accordance with the provisions of paragraph 7 of this ordinance. If by reason of the provisions of paragraph 7 of this ordinance, more parking facilities were required, and such change or increase creates a need for such parking facilities, then and in that event such parking facilities shall be provided in accordance with the provisions of paragraph 7 of this ordinance.

5. For the purpose of this ordinance, "Floor Area" in the case of offices, mercantile buildings, or other buildings, shall mean the gross floor area used or intended to be used for services, clients or patrons, or as tenants, including areas occupied by fixtures and equipment for the display or sale of merchandise. It shall not mean floors or parts of floors used principally for non-public purposes, such as the storage, incidental storage, processing or packaging of merchandise for show windows or offices incidental to the management or maintenance of stores or buildings.

6. In addition, sports arenas and other public places of assembly shall be provided with parking facilities as set forth in this ordinance shall be determined in accordance with the following table:

(a) One-family dwellings—1 Parking space for each dwelling unit.
(b) Two-family dwellings—1 Parking space for each dwelling unit.
(c) Multiple dwellings not over 2 stories in height—1 Parking space for each dwelling unit.
(d) Multiple dwellings over 2 stories in height—1 Parking space for each dwelling unit.

(e) Rooming houses and Lodging Houses, having not more than 2 guest bedrooms, or 6 beds for guests;—2 Parking spaces; having more than 2 guest bedrooms, or 6 beds for guests;—3 Parking spaces for the first 3 guest bedrooms, or first 6 beds for guests plus parking space for each guest bedroom, or 3 beds thereafter.
(f) Hotels or Motels—1 Parking space for each sleeping room.
(g) Hospitals—1 Parking space for each 2 beds.
(h) Sanitariums—Convalescent homes, homes for aged, nursing homes, or homes for the infirm—1 Parking space for each 4 beds.
(i) Orphanages—1 Parking space for each 10 beds.
(j) Theatres—having not more than 1,000 seats—1 Parking space for each 4 seats.
(k) Theatres and Amusement halls having more than 1,000 seats—1 Parking space for each 4 seats.
(l) Stadium, sports arenas, and auditoriums—1 Parking space for each 4 seats.
(m) Dance halls, assembly halls, without fixed seats and exhibition halls—1 Parking space for each 100 square feet of floor area used for dancing or amusement.

(n) Bowling Alleys—5 Parking spaces for each alley.
(o) Medical or dental clinics, banks, drug stores or professional offices—1 Parking space for each 100 square feet of floor area.
(p) Establishments for the sale and consumption of alcoholic beverages, food or refreshments—1 Parking space for each 200 square feet of floor area.
(q) Mortuaries or Funeral Homes—1 Parking space for each 200 square feet of floor area, or a parlor or 2 parking spaces for each 30 square feet of floor area or assembly rooms used for services which ever amount is greater.
(r) Each retail store, wholesale store and personal service shop in any one building or structure—1 Parking space for each 300 square feet.

(s) Manufacturing and industrial uses, research and testing laboratories, crematories, soft drink bottling establishments, printing and engraving shops, warehouses and storage buildings—1 Parking space for each 2 employees, computed on the basis of the greatest number of employees employed at any one period during the day or night.

(t) High schools and elementary schools—1 Parking space for each employee, plus parking space for each five pupils in the Junior and Senior classes.
(u) Schools, Public and Private and Elementary grades—1 Parking space for each employee for Assembly halls shall be those outlined in paragraph 7, article (m).
(v) Churches—1 Parking space for each 4 seats.
(w) Open-air stands—10 parking spaces for any roadside stand plus 1 Parking space for each acre of land producing goods for sale at the stand.

8. When units or measurements determining number of required parking spaces results in a requirement of a fractional space, any fraction in excess of one-half shall be disregarded, and fractions over one-half shall require the parking space required for one-family, two-family and multiple dwellings over two-

stories in height shall be on the same lot or parcel of land as the buildings they are intended to serve. For rooming houses, lodging houses, hospitals, sanitariums, convalescent homes, homes for the aged, day care centers, orphanages, and for other similar uses, the off-street parking facilities required shall be within 50 feet of the buildings they are intended to serve, measured between the nearest point of the off-street parking facilities and the nearest point of the building.

9. In the case of a use not specifically mentioned herein, the requirements for off-street parking facilities for said use shall conform to the nearest similar use herein provided in the case of mixed uses, the total requirements for off-street parking facilities shall be the sum of the requirements of the various uses computed separately in accordance with the requirements of paragraph 7 of this ordinance and off-street parking facilities for one use shall not be counted against the requirements of this ordinance for another use except as herein specified for joint use.

10. Loading and unloading facilities shall be provided for loading and unloading merchandise and equipment at the rear of the building, and all loading and unloading shall be done off the street. The only exception to this provision shall be for one-family residences.

11. For all establishments listed in paragraph 7, off-street parking shall be provided for employees in accordance with the scale of one space for two employees, computed on the basis of the greatest number of persons to be employed at any one period during the day or night.

12. All commercial garages must provide off-street parking space for all customer vehicles.

13. Nothing in this ordinance shall be construed to prevent the provision of off-street parking facilities for two or more buildings or uses, provided that the total of such off-

street parking facilities provided collectively shall not be less than the sum of the requirements for the various individual uses computed separately in accordance with paragraph 7 of this ordinance.

14. The provisions of this ordinance shall apply to all buildings for which permits have been issued at the commencement of actual construction.

15. All parking spaces required under the terms of this ordinance shall be hard top surfaced, adequately drained and maintained in good condition.

16. Any building construction having ten or more persons in daily attendance on the building site, in any capacity incidental to the subject construction, shall provide adequate off-street parking for said persons during the entire course of said construction. The off-street parking area required under this section, need not be hard top surfaced.

17. The Board of Adjustment shall, in appropriate cases and subject to appropriate conditions and safeguards, and subject to the provisions of law prescribing the duties and powers of boards of adjustment, have power to grant exceptions and variances from the provisions contained in this ordinance. No variance or exception shall be granted unless and until it is granted by the Board of Adjustment and shall have been confirmed by action of the governing body.

18. All ordinances or parts of ordinances inconsistent herewith, are hereby repealed, and every violation of the provisions of this ordinance or of any order issued under its authority, the owner, contractor or other person interested as lessor, tenant or otherwise, in any building or structure, who is notified in writing of such violation, shall be deemed to have been notified of such violation within ten days after written notice has been served upon him, either by mail or by personal service, shall for each and every violation be subject to a fine of not more than one hundred dollars or not exceeding five days imprisonment or both, at the discretion of the court or judicial officer before whom a conviction may be had. Each and every day that such violation continues after such notice, shall be considered a separate and specific violation of this ordinance and not as a continuing offense.

19. Should any section, part or provision of this ordinance be held unconstitutional or invalid such decision shall not affect the validity of this ordinance as a whole or any part thereof other than the part so held unconstitutional or invalid.

20. This ordinance shall be enforced and effect immediately upon its adoption and publication as provided by law.

21. Eleonore H. Worthington, do hereby certify that the foregoing Ordinance was introduced for first reading at a regular meeting of the Township Committee of the Township of Springfield in the County of Union and State of New Jersey, held on Wednesday evening, March 11, 1953, and that the said Ordinance shall be submitted for consideration and final passage at a regular meeting of the said Township Committee to be held on Wednesday, March 25, 1953, in the Springfield Municipal Building at 8 P.M., at which time and place any person or persons interested therein will be given an opportunity to be heard concerning such Ordinance.

ELEONORE H. WORTHINGTON, Township Clerk.

People We Know

If you have any items—please send them to the Springfield Sun Office or telephone Millburn 6-5000

The stork was generous to Springfield during the past week, as three new arrivals were announced at Overlook Hospital. Families welcoming new additions include: Mr. and Mrs. John Schwanhauser of 117 Wentz ave., a baby boy; Mr. and Mrs. Thomas Creede of 1476 Maple street, a girl; Mr. and Mrs. John E. Wentz of 51 Mountain avenue, a boy.

Bruce Kirk, son of Mr. and Mrs. Charles E. Kirk of 12 Alvin terrace, has been named for the current term to the Dean's list of Stevens Institute of Technology, Hoboken. A graduate of Regional High School, Mr. Kirk is a freshman and is planning to major in Mechanical Engineering.

Miss Joan C. Christensen, daughter of Mr. and Mrs. Gordon C. Christensen of 47 Keeler street, was one of 112 students at Pembroke College, in Brown University recently named to the Dean's list for high scholastic standing. A senior, she is a graduate of Jonathan Dayton Regional High School. Miss Christensen is a candidate for the Bachelor of Arts degree.

Mrs. William C. Shepard of 71 Wentz avenue, gave a tea Wednesday, March 11, to introduce Mrs. David Stamelman, a new Springfield resident, to the neighbors.

Mrs. Emmet Lindauer and Mrs. Bryant Haas assisted with the pouring of tea and coffee.

Miss Nancy Widmer, daughter of Mr. and Mrs. A. Dean Widmer of Melrose avenue, a graduate of Regional High School, is a freshman in the Department of Arts and Sciences at Oberlin College. Miss Widmer is an artist on the staff of the New Year, a four page house newspaper published weekly by the campus YWCA, covering news of Y activity on campus, in the town, and in neighboring cities.

Mrs. Thomas Amabile of 42 Waverly avenue, a student at Fairleigh Dickinson College in Rutherford, was a member of a committee of five which studied scores of possible musicals and selected "Robert" as ideal for stage settings and costumes for the College musical group. Rehearsals of the musical comedy are now under way and the production will be presented late in May.

CONSTITUTION MEETING
The Constitution meeting of the Ladies' Guild of the Holy Cross Lutheran Church will be held on Tuesday, March 17, in the church parsonage, 649 Mountain avenue, at 8 p.m.

Salary Schedule

(Continued from page 1)

It was regarded by Mayor Marshall as not a problem or function of local government but rather a job for local civic organizations such as the Chamber of Commerce, Rotary, Lions Clubs, and others.

A protest, signed by 11 residents concerning the paving of sidewalks in the Morrison-Denham Road area was discussed. According to Planning Board regulations, new developments must have paved walks.

This means that portions of the Denham Road area will be paved, others will not. The residents are naturally anxious to have it all paved or not at all. The Planning Board will investigate.

The Township Committee approved with a few minor exceptions, the opinions stated by District Clerk Anderson of the School Board regarding the paving of sidewalks for the safety of school children, and the actual project will be under way shortly.

College Location

(Continued on page 4)

The college's new location will be between Elizabeth and Summit. It is believed that two sites are being considered favorably by the committees. One, according to report is that Fiemer tract off Melrose avenue near Milltown road. The other is the Keen property off Morris avenue near North avenue, Union Township.

The Springfield site, undoubtedly, would have the facilities, which are considered requisite. The tract originally was listed to be the site of a giant garden-apartment development. However, the project has been held in abeyance. Little has been said about it in recent months. There have been indications the township committee has not been very enthusiastic about the plan.

Although the Union site has received more publicity than the local area, there are many who contend Springfield, as a smaller municipality than Union, actually would be preferred on that basis. The contention has been made that the atmosphere of a small town is more conducive to study than that of a larger municipality.

Completion of the new campus is expected to take three years. It will be planned to accommodate between 800 and 1,000 day students. The state appropriation will be increased by whatever amount is realized from the sale of the present college property at 188 Broadway. The Newark Board of Education already has notified the state board it is interested in acquiring the property which it sold to the state in 1919 for \$300,000.

Four Telephones

(Continued on page 4)

more "battery" — one of the first of its kind in New Jersey. Large batteries in the central office provided the current for talking and ringing. No longer was it necessary to "crank" the telephone to signal the operator — just lifting the receiver lighted a lamp at the switchboard to attract the operator's attention.

This switchboard was enlarged from 10 to 20 lines, but the communities' needs outgrew it, and in November 1938 a new switchboard was put into service in a new building at 866 Millburn avenue. The board, the latest manual type, served more than 4,000 telephones in Springfield, Short Hills and Millburn, handling an average of 22,000 calls a day.

Today's Millburn 6-5000 telephones and handles approximately 50,000 calls a day.

Christian-Colby Nuptials Told

MRS. RONALD W. COLBY

Mr. and Mrs. Edward S. Christian of 2 Lionel street, Clark, N. J. announce the marriage of their daughter, Joan B., to Private Ronald W. Colby, son of Mrs. Virginia Watkins of 140 Mountain avenue, and the grandson of Mr. and Mrs. Harry C. Anderson, on Friday, March 6 in the U. S. Army Chapel, Camp Gordon, Georgia. The ceremony was performed by Chaplain Jay Davis. Mrs. Virginia Watkins was matron of honor and Mr. Douglas Watkins, brother of the groom, was best man.

Both Mr. and Mrs. Colby graduated from Regional High School. Mrs. Colby is employed by the H. A. Wilson Co., Union. Before entering the U. S. Army Mr. Colby attended the School of Radio Technique, Inc. in New York City.

Woman's Club News

Departmental Activities

A Drama Festival will be held on April 8 at the Park Annex Auditorium at 7th street and Arlington avenue in Plainfield. The Festival starts promptly at 10 a.m. A play entitled "Second Best," to be enacted by members of our Drama Department, will be presented at 1:45 a.m. The admission fee is seventy-five cents and all Club members and guests who wish to attend, please plan to take a box luncheon. Dessert and beverage may be purchased for seventy-five cents. All those interested, please contact Mrs. Roger Shotwell by March 25 for reservations.

A fashion show, to be presented by Lillian O'Grady of Summit, will feature the annual luncheon and bridge which the Springfield Woman's Club will hold Tuesday, April 14 at the Hotel Suburban in Summit. The affair will start at 12:30 p.m. and tickets will cost \$2.75. The bridge is sponsored by the Ways and Means Committee and Mrs. Fred Buerklin is chairman and Mrs. Robert J. Hayes is co-chairman. Tickets may be obtained by calling Mrs. Buerklin, Mrs. Louis James or Mrs. Russell Post.

Ann Davenport, Sally Randome and Dot Bailey will be guests of Edith Jacobsen at three respective Annual Presidents' Days to be held at the Westfield Woman's Club, the Cleo Club of Roselle and the Suburban Woman's Club of Union. Two names were selected for the March luncheon. They were Mrs. W. F. Steiner and Mrs. Chase Runyon.

Social News

On March 14 Ann Davenport will have as her house guest Mrs. Lewis Stoneman of Dobbs Ferry, New York.

Mr. and Mrs. Wilbert Schoenleber of 7 Remor avenue, celebrated their fifteenth wedding anniversary last Saturday evening with a small dinner party at Far Hills Inn. Guests present were Mr. and Mrs. G. Schug, Mr. and Mrs. Herb Schorn and Mr. and Mrs. Raymond Hale.

Mrs. John Williams of 11 Lyons place entertained her brother and sister-in-law, Mr. and Mrs. Charles R. Wismer of Philadelphia, over last week-end.

Last Saturday evening Mr. and Mrs. John Handley of 168 Pitt road entertained Mr. and Mrs. J. Frank Jakobsen, Mr. and Mrs. Howard Sherman and Mr. and Mrs. Dick White.

Joyce Field, daughter of Mr. and Mrs. Leonard Field of 102 Salter street, will celebrate her twelfth birthday with a supper and tea.

HOW Water Works

Do You Know...? THAT ONE GALLON OF OIL CAN BE SHIPPED VIA WATER, FROM A TEXAS PORT TO AN EASTERN PORT, FOR LESS THAN 2¢, OR LESS THAN IT COSTS TO SEND A POST CARD THE SAME DISTANCE!

YOUR GOOD CHINAWARE SHOULD BE WASHED QUICKLY IN WARM, SOAPY WATER AS SOON AS POSSIBLE AFTER USE. SOME FOODS WILL STAIN CHINA IF NOT PROMPTLY REMOVED. DON'T SOAK GOOD CHINA, AS IT MIGHT CAUSE FINE CRACKS, CALLED "CRAZING."

COMMONWEALTH WATER CO.

ter party. Twelve guests will be present.
The Edward Murdooks and the Arthur von der Linden attended a dinner party last Saturday evening at the home of Mr. and Mrs. Bruce Link of Westfield.

Americanism
The founders of this great nation accepted their responsibilities without equivocation. They did not shirk their duties as citizens. If we are to preserve our representative form of government, we can do so only if the character of our people is developed to a very high degree. Under dictatorship the dictator thinks and acts for the people. The Democracy in our Republic is built on a religious foundation—yet many of our young people receive no religious training. How can we make the rest of the world believe in our way of life unless we believe in it ourselves?

Today, too many hesitate to display patriotism because they are afraid of being called isolationists. Freedom is not a right that just happens. There is no magic way to freedom. We have to work, sacrifice and sometimes fight to keep it alive. We, in America, have lived too long in freedom, that we are prone to take all of our liberties for granted, and when that happens, there is grave danger of losing them.

Roll up your sleeves, here comes the "Blood Bank"—March 23 and place—Legion Hall. This is a no-show. It would be greatly appreciated if those who already have appointments would keep them promptly. Anyone interested in giving blood, please contact Mrs. Charles Phillips, Jr., of 13 Alvin terrace, phone Millburn 6-1855. Thank you.

Local Lions Hear Oilman Romer

The Springfield Lions Club heard a very interesting talk by E. H. Romer of the Atlantic Refining Company at their March 6 meeting.

Romer's work involves the installation and leasing of gasoline service stations, and he presented many little known facts about this phase of the petroleum industry. He sells or leases these stations to men who are anxious to work for themselves in an interesting and profitable business.

SCHOOL NEWS

Grade 6
 Mrs. Anna Johnson
 In the 1953-54 school year, we have a beautiful display of new shells and coral belonging to Lorraine Lavin, and some other very unusual shells which belong to Bob Tank. Last week Carolyn Kordahl and Betty Franklin brought in old shells which they had made themselves. This all stemmed from a discussion of shells which was held during language class.

The following people received perfect scores on last week's spelling test: Betty Heston, Betty Franklin, and Carolyn Kordahl.

—Mrs. Johnson and Mrs. McArthur, we are making part of our language period each morning for oral discussion of topics in which we are interested. The subjects we discuss

Grade 5
 Mrs. Elin Dingsgaard
 Mrs. Virginia Lewis
 Mr. Norman LeBaruf
 Mr. Dan Murray
 Mrs. Virginia Herold
 Lillian Heston and John Heston have perfect scores on a recent test in penmanship. Perfect scores were also recorded by Diana and Stephen. We are giving much time to a comparison of good speech and correct usage. Pupils who receive 100 per cent scores are excused from homework in language. Among the first to receive perfect scores have been Charles Heston and Linda Goldstein in Mrs. Johnson's class; Janet Baker, who was born in New York but has been living in Ferndale, Michigan; and Mary Ann Petrich in Mrs. McArthur's class.

We have welcomed a new member to Mrs. Johnson's class, Janet Baker, who was born in New York but has been living in Ferndale, Michigan; and Mary Ann Petrich in Mrs. McArthur's class.

Grade 4
 Mrs. Elin Dingsgaard
 Mrs. Virginia Lewis
 Mr. Norman LeBaruf
 Mr. Dan Murray
 Mrs. Virginia Herold
 Lillian Heston and John Heston have perfect scores on a recent test in penmanship. Perfect scores were also recorded by Diana and Stephen. We are giving much time to a comparison of good speech and correct usage. Pupils who receive 100 per cent scores are excused from homework in language. Among the first to receive perfect scores have been Charles Heston and Linda Goldstein in Mrs. Johnson's class; Janet Baker, who was born in New York but has been living in Ferndale, Michigan; and Mary Ann Petrich in Mrs. McArthur's class.

photographs of ancient and modern life in Greece. Pupils who have brought in extra books and materials are: Peter Heston, Bruce Preston, Kay Steiner, Patty Brewer, Dorothy Twelves, Bezie Cunningham, Kurt Christensen, Billy Heston, Sandra Penard, Fred Chapman, Lillian Heston, and Linda Goldstein.

The word was misapplied on the last spelling test by Steve Heston, John Heston, Robert Kasper, Jan Heston, Virginia Lewis, Barbara Giesek, and Lucia Walker.

Health posters to be displayed in the school this week were made by Ward Landrigan, Margaret Moller, Barbara Giesek, Dorothy Twelves, and Ann Heston.

A review test on multiplication, long division and subtraction proved that Edvard Backowski, Arthur Van der Linde, George King, Joanne Martz, Elaine Kern, Margaret Moller, Susan Oulman, and Karen Weismann had mastered the work.

Morry Kollig displayed an excellent lecture for an unusual collection of stamps which was enjoyed by the entire class.

"A" papers were turned in by the following students in a recent English test: Allen Minkin, Albert Kivewood, Cheryl Eryn, Lottie Keshler, Katherine Hilpa, Patsy Minter, Mary Lindahl, Moria Kellgren, Lois Egan, Peter Rupp, Clifford Zinner, Nadra Penard, Judy Caspary, Kay Steiner, Fred Chapman, John Heston, and Karen Weismann.

The current news bulletin boards for this period are in charge of Patty Brewer and Sandra Penard in Mrs. Johnson's room; Lillian Heston and John Heston in Mrs. Dingsgaard's room; and Edvard Backowski and Edna Kordahl in Mrs. Herold's room.

Kurt Christensen and Ward Landrigan have made a fine booklet about Arabian and Moslem culture.

To help his class better understand and appreciate the culture of the ancient Greeks, Bob Mitchell made a trip to the Ellsworth Library and returned with a series of architectural pictures. The seventh and eighth grade students

It is a big thrill to see our best work on display in the science room.

"Treasure Island" by Robert Louis Stevenson, in taking Mrs. Jycksten's and Mr. Winberry's classes on a great adventure in literature class. Ralph Moller's drawings of Captain Billy Heron and his crew are on display in the science room.

Grade 3
 Mrs. Lillian Hayward
 Mrs. Stefania Giering
 Mrs. Mollie Heston
 The "Senior" committee in afternoon class, consistently well led by Ed Heston, has been very busy.

Math classes have completed a series of geometric planes illustrating the principles of geometry covered this year, i.e., various types of lines, angles, triangles, polygons, squares and original designs. Some of the most attractive and carefully finished planes were created by Mary Carlsted, Carol Leppert, John Heston, Ed Heston, Ruth Pringle, Gail Hansen, Eleanor Miller, Nancy Sack, Rupert Heston and Barbara Buckalew.

In history, the class has completed the study of the territorial expansion of the United States from "sea to shining sea". A timely subject in relation to this study was brought in by Nancy LeBaruf to current events reporting. On March 2, Texas celebrated the 127th anniversary of the Alamo. She reported that there was a survivor of the famous 300 people defending the old Spanish mission—a young bride and her baby. They were not fired by Anita Armbrister, who was the only woman of the Texas Revolution and Mexican War and who had survived as a result of war.

These were turned in by Gail Nordell, Nancy LeBaruf, Albert Wertheimann, John Moller, and Joan Wagner.

On the unit major test, there were 100 per cent winners. John Moller and Betty Heston.

We are happy to report that Nancy Baker is progressing well in her work in school in April. Nancy's leg was when he fell while skating.

Sports In The Sun

Regional, Hillside Clash Tonight

Little League Baseball

Due to difficulties beyond our control—the demand for the "Little League" pamphlet circulating through the township is so great that we did not have a chance to use it—the column on "Little League" promised for this week has been postponed 'til the next issue.

Basketball Thoughts

Regional resumes its sectional Group 3 title bid tonight as favorites over Hillside. The Bulldogs have built up the finest passing game in the district, and the general feeling is that if they had a comparable shooting game, they would be the best ball club in the section.

Ever since the tourney began, the balance in the Regional scoring column has been evident, but the Bulldogs continue to blow key shots, some of which could have made the late-game going easier. As it is, the Bulldogs have averaged over 54 points in three tourney outings, falling below the half-century mark only once.

Certainly the 54-point average is good enough to win most scholastic games these days, especially in view of the fact that the locals are a top-notch unit defensively.

Tonight's battle with Hillside will be a tough hurdle for Coach Lou DeRosa's men. The Comets, who vanquished Regional, 62-56, in late December, are a team which will make the most of any and all breaks. The idea for Regional is not to present those breaks to Hillside.

If the prognosticators are on the beam with regard to tonight's Elizabeth Armory encounter between Regional and Hillside, the Bulldogs probably would face an old friend—or enemy—in Linden in the sectional final. The Tigers played Caldwell yesterday and were heavily favored to cop a victory.

The Bulldogs' chances tonight depend mainly on its floor game. If the deliberate, well-drilled passing holds up against the Comets, there should not be a doubt about the Bulldogs' winning. The big problem is to baffle them with the passing.

Stars in the Making

The Saturday afternoon sessions of the Recreation Basketball League are producing some standout ball players, several of whom were freshman cage stars this past campaign. Curt Merz, Richie Walker, and Bob Boiles have developed into stickout pivots with their Saturday experience.

As for shooters, the League produced such top-fighters as Les Lawn, Merz, Walker, Boiles, Karl Utzat, Joe Gallini, and Karl Ford. Lawn and Utzat are fine court generals, while many of the League's stars stepped out as defensive aces.

Our hats are off to the newly created Recreation Commission for a job well done. Individually roses should go to Ed Hoffert, Ed Ruby, Jack Schruppf, Bill Brown, and others who helped make the program a success with their officiating and coaching.

Want Regional Score Tonight?

As a service to our readers, the sports department of this newspaper will be open from 10 to 11 o'clock tonight (Thursday) to receive telephone calls about the final score of the Regional-Hillside game tonight for those unable to be present at the Elizabeth Armory. If the Bulldogs win tonight, the office will accept calls Saturday the same hours for the results of the sectional finals. Millburn 6-5000, 6-5001.

Farrell to Teach Rec Golf School

men and women in the township for a fee of \$3. Enrollment are now being accepted. No night has as yet been selected for the sessions, although Tuesday has been the most popular day thus far. Recognized as one of the foremost golf instructors in the country, the popular Baltusrol pro is a former National Open Golf Champion.

Bring More Glory to Regional High

With Tom Luckie sparking the passing game, the Bulldogs have been able to win two tournament titles primarily on passing. Coach DeRosa will go with the same lineup tonight as started every tourney game for the Bulldogs: Judd Herman and Jack Keith at forward, Joe Schaffernoth at center, and George MacKenzie and Luckie at guard.

Regional advanced to the sectional semi-final by conquering Westfield, 54-43. The Bulldogs rebounded effectively, considering the Blue Devils' height advantage, though the locals were out-rebounded statistically. This might be significant for Regional as Westfield was not too successful off the boards during the season.

MacKenzie, who seems to have the knack of coming up with a good game when the rest of the team is off, pulled the Bulldogs through the only extra which extended from the end of the second period through half of the third stanza. George authored 15 points high for the game. Joe Schaffernoth, tallying three timely baskets in the third stanza when Westfield's rebounding power was threatening to pull ahead, tossed in 10 markers for the DeRosa man.

Regional assumed an 11-4 first-period edge, as the Blue Devils scored but once from the floor. Westfield rallied in the second quarter and it was the Bulldogs who were forced to come from behind to tie at the half.

The locals commanded an 18-13 lead with 2:32 to go as MacKenzie tossed in a free-throw. The Blue Devils then scored eight points inside a minute and 50 seconds to take over at 21-18. Carl Horning's pair of jump shots were the big factors in the Westfield drive. Regional deadlocked it on Herman's foul and MacKenzie's instant second one-hander, 21-21.

The teams traded point for point in the third period until, with less than one minute remaining, Fred Buchner, a sub, found the range on a jump-throw and MacKenzie hit on a lay-up to put the locals in front, 40-36, after three quarters.

Westfield stayed close until 2:47 remained in the game, when Joe Medley contributed the final Blue Devil bucket. That made the score 46-43, Regional. The Bulldogs then got six points on fouls and a bucket for their winning margin.

The box score:

Regional	G	F	W	Westfield	G	F	W
Herman	2	2	8	Dunn	1	3	12
Keith	1	5	5	Whithead	1	3	7
Schaffernoth	5	0	10	Wiley	0	0	0
Buchner	0	0	0	Wiley	0	0	0
MacKenzie	2	3	7	Moher	0	2	8
Boiles	0	0	0	Diaz	3	3	9
Lawn	0	0	0	Zabawick	0	1	3
Utzat	6	3	15	Monteale	1	2	3
Totals	18	18	54	Totals	16	11	43
Regional				Westfield			
Officials—Mopate, Coffey.							

Bring More Glory to Regional High

Tom Thompson (left), 168-pounder, and Richie Scorese, 123-pounder, after winning the Union County wrestling titles in their respective classes, gained more laurels for Regional in the annual State championships at the Elizabeth Armory. Scorese, a sophomore, was runner-up in his division, while Thompson, a senior, won third place at his weight. (Photo by Bob Jamison).

Lakers Nip Olymps, Cinch League Title; Knicks Win

With the crown packed away as the result of a 45-42 victory over the Olympians in a well-played contest in Saturday afternoon's Recreation Basketball League, the champion Lakers today pointed to an unblemished record, with only the runnerup Knickerbockers blocking their path to such a goal.

The Knicks, however, are intent upon snapping the Laker domination of the loop-to-date. If the Lakers give another of last Saturday's lackadaisical performances, the slein is going to be in distinct danger.

In the prelim to the clash of the Knicks and Lakers, the Nationals take on the Olympians in a battle to determine which will finish out of the cellar.

The Olympians, woefully wined at the free-throw line, outclassed the Lakers from the floor. The Olympians' play-makers, Bucky Brown, Ed Coan and Tom Keane, unquestionably the outstanding man on the court, who poured in 26 points to pace the attack.

The Lakers got their winning margin on last-minute foul shots by Les Lawn, Carl Hamold, and Karl Ford. The game was close all the way, with the victors being forced to rally for the triumph.

An injury to Richie Walker, Nets' high-scoring center, was given as the reason for the Knicks' almost dropping their third straight. Karl Utzat, netted 15 points for the losers, but with Walker able to play and score, it probably would have spelled defeat for the Knicks, who drew 22 and 16 points from Bob Boiles and Joe Gallini, respectively.

The box scores and individual tally figures:

Lakers	G	F	W	Olympians	G	F	W
Baker	1	3	5	Keane	1	0	2
Schwartz	1	3	5	Dunn	1	3	5
Andrew	3	0	6	Merz	2	0	4

King Arthur's spirit is said to live on Snowdon Mountain, highest peak in Wales—3,560 feet.

Scorese, Thompson Gain 2nd, 3rd Places for RHS In N. J. Westling Tourney

By HERB HEIMBUCH ELIZABETH—Regional's Richie Scorese and Tom Thompson, Union County, gained second and third places in the 123- and 168-pound classes of the annual New Jersey wrestling championships at the Armory here last Saturday afternoon, as Roselle Park defeated Washington as the State champion team.

Scorese lost to Allen Scharr of Washington in the final, 5-0, after he had beaten Wayne Croce of Paulsboro in the semi. Thompson, who also had been involved in a referee's decision in the Union County show last week, was stopped by Sam Quattrocci of Paulsboro in the semi, by the official's verdict. Thompson gained third spot when Karl of Kaldell of Fair Lawn defaulted.

Roselle Park, which compiled a total of 39 points, took the crown from Washington, which had won two seasons in a row, with only one individual victory, Joe Yetts in the 167-pound division. Another county team, Union, had two winners in Harvey Weiss at 115 and Nick Brandt, voted the most valuable wrestler on his 18 wins over a two-year span, at 136 pounds.

The summaries:

106-pounds—Burt, Roselle Park, defeated Zenas, Camden Regional, fall (5:31); La. Jacques, Lewis, defeated Frezza, Bound Brook, decision (6:0).

115-pounds—D. Frisky, Paulsboro, defeated Danielson, Newark, fall (5:13); Wenz, Union, defeated Bound Brook, decision (5-0).

123-pounds—Scholar, Washington, defeated Frezza, Bound Brook, decision (5-0); SCORES: REGIONAL, defeated Croce, Paulsboro, decision (4-2).

136-pounds—Hennessey, Roselle Park, defeated Della Perera, Bound Brook, decision (4-2); Croce, Newark, defeated R. Frisky, Paulsboro, decision (6-0).

145-pounds—Kestel, Swyon, defeated Croce, Bound Brook, fall (1:27); Blond, Union, defeated Roselle Park, fall (3:33).

151-pounds—Gueker, Roselle Park, defeated Nank, Teaneck, default; Cornish, Washington, defeated Mohan, Vineland, fall (1:04); Teaneck, defaulted.

148-pounds—Williams, Roselle Park, defeated Canine, Camden, decision (4-2); Amato, Bound Brook, defeated—Carrido, Lewis, decision (4-2).

Finals

106-pounds—La. Jacques, D. Frisky, fall (5:00).

115-pounds—Scholar, D. Frisky, decision (4-3).

123-pounds—Scholar, D. Frisky, decision (4-3).

136-pounds—Scholar, D. Frisky, decision (4-3).

Township Studies Inspection Fees

Following adoption of the 1983 township budget, the local governing board has indicated it will conduct a survey into the current practice of remunerating the building inspector on a fee basis.

During the hearing on the budget last week it was pointed out that the \$3,500 salary item listed for the part-time post of building inspector appears to be high. It was explained that the official receives a basic annual fee of \$250 as well as \$1 for each \$1,000 of value in inspected properties and \$2 per oil burner inspection.

Tax Assessor Frank Cardinal said several municipalities, which have a similar fee system, place a ceiling on the total yearly income for the job. The members of the governing board indicated they have been considering institution of a salary limitation.

The total of the budget was \$1,030,082. It represents an increase of \$54,264 over the figures for last year. The tax rate has been estimated at \$8.15 per \$100 valuation, a drop of 26 points as contrasted with the \$8.41 figure of last year.

The amount to be raised by local taxation includes: local schools, \$388,134; Regional High School, \$113,882; estimated county tax, \$110,000 and local purposes, \$418,444.

The measure included at \$2,000 for tree removal. Mayor Robert W. Marshall, who pointed out that the item represents an increase, explained it covers request for removal of damaged trees on property which could constitute a public hazard.

Women's Society Holds Meeting

The Women's Society of Christian Service of the Springfield Methodist Church held its regular monthly meeting on Tuesday, March 10, at the church. Thirty-four members were present. A report was made by Mrs. William Krynke on the recent turkey supper, which all agreed had been a most successful undertaking.

Announcements concerning future events were made. On March 26, the Newark District Meeting will be held at the First Methodist Church, Plainfield. Mrs. Mahwah, Northeastern Jurisdiction, President, will be the speaker.

On March 31 at 2 p.m. a tea honoring the deaconesses will be given at the First Methodist Church of Passaic. An April 30 card party sponsored by the Wesleyan Service Guild was also announced.

Plans were made for a joint meeting on April 21 at 8 p.m. with the Wesleyan Service Guild. Miss Marian Holmes of Alford, N. Y., recently returned from Sitawab, Malaya and for many years a missionary in China, will speak on the "Gift of Communion in China." Individuals interested in this timely subject are invited to attend whether or not they are members of the society or the church.
