## Brown Supports Mayor Marshall For Reelection

### Town Bd. Dean Pays Tribute to Chief Executive

Township Committee member Fred A. Brown today charged that the faction of the Springfield Republican organization which constantly has unsuccessfully sought his defeat at the polls is concentrating on Mayor Robert W. Marshall and is seeking to defeat the chief executive's bid for re-election.

"Bob Marshall has been one of the best township committee men in the last period I have been on the governing board," Brown said in a statement issued today. "I am convinced that the future of Springfield is in the hands of the men who are supporting Mayor Marshall."

For the past six years, Brown has been a member of the township committee. He has been a vocal proponent of Marshall's policies and has been instrumental in securing his re-election.

"I am proud to be a member of the committee which has supported Mayor Marshall," Brown said. "I believe that the township is in good hands with him at the helm."

Brown's statement comes as the township committee prepares for its annual meeting on April 20. Marshall is expected to receive a strong endorsement from the committee members.

"I am confident that the township committee will support Mayor Marshall for a second term," Brown said. "I believe that the township is in good hands with him at the helm."

### Mayor Outlines Best Situation

Despite reports to the contrary, the Township Committee at its meeting today had control over the situation of the plant General Green's Village garden apartment development, Mayor Robert W. Marshall said today.

The chief executive pointed out that the plant was a job-creating enterprise which was not subject to ordinary real estate rules.

"The only action which could be taken against the plant is the one which the township committee has taken," Marshall said. "We have passed a resolution which states that the township committee has the right to purchase the plant if it is not sold within a certain period of time."

Marshall also mentioned the fact that the township committee had the right to purchase the plant if it was not sold within a certain period of time.

"I am confident that the township committee will support Mayor Marshall for a second term," Marshall said. "I believe that the township is in good hands with him at the helm."

## Florence Gaudineer Given Lions' '53 Citizen Award

Tribute today is being paid to Miss Florence M. Gaudineer, nurse in the township school system, as the winner of the 1953 Springfield Lions Club "Annual Citizen of the Year Award."

Florence M. Gaudineer

The presentation was made Friday at a luncheon. The plaque which was inscribed with the name of Miss Gaudineer by George Harrison, first vice-president of the club.

Harrison paid tribute to the achievements of Miss Gaudineer pointing out that she has worked for many years in behalf of the school system. She was presented with a bouquet of flowers.

Miss Gaudineer accepted the plaque, thanking the service club members for the tribute paid her. She cited the Lions for the aid which has been forthcoming from them in her community project.

This is the second time the school nurse has been honored. The new school was named for her by the board of education at a recent meeting.

Miss Gaudineer is the fourth winner of the award. Last year the entire First Aid Squad was honored. In 1951, M. C. Chase, township chief of police, was the winner. The first award was given in 1949 to Mr. and Mrs. John Keith. The award is based on the rendition of outstanding service to the township or its residents.

The plaque is a bronze scroll mounted on wood with a nameplate attached inscribed with the name of the recipient and the year of the award.

## Battle Wages For Governor

A heavy turnout of Republican voters here is expected with contests for the township committee and the county committee to be decided in Tuesday's primary. However, the local fight to some extent has been overshadowed by the battle among the seven candidates for governor, two of whom are from Union County.

Although Sen. Kenneth C. Hand and Assemblyman Fred Shepard, both of Elizabeth, are seeking the gubernatorial nomination, indications are that the victor will be either Sen. Malcolm S. Forbes of Somerset County, or Paul B. Truist of Clifton, chairman of the New Jersey-Trenton Commission. The other candidates are expected not to receive much more than backing in their own counties.

The freholder race holds special interest for residents of the township for one of the candidates in the primary is former Prosecutor Lee S. Rigby, a local resident. His principal opponent, it is agreed, will be the former of Mountaintop, Donald M. Bourdell, of Westfield, and George W. Horner.

## Heavy Turnout of Voters In Both Political Parties Seen for Primary Contest

### Independents Urge Big Vote Tuesday

The two independent candidates, Thomas A. Argyris and Francis J. Keane, for Township Committee, have no interest in Tuesday's primary except that they urge the voters to turn out and cast their ballots. In a statement issued last night they point out that they have not participated in the current primary campaign and that their chief concern is for a better administration for Springfield.

Their statement follows:

Editor, Sun:

As Independent Candidates for Township Committee in the November elections, we have remained absolutely neutral and silent during the campaign for the forthcoming Primary Elections. We have not succumbed to the common political practice of urging our friends and supporters to vote for the weaker or more vulnerable candidates in order to better our chances for election in November.

Our sole aim in our political activities is better government. The right to vote is both a privilege and a duty. Therefore, we urge a heavy turnout for the primary, with alert and thoughtful voting according to the dictates of the individual's conscience.

May the best man win.

Thomas A. Argyris  
Francis J. Keane

## Democrats and G.O.P. Face Crucial Decision

Heavy balloting at the polls here by both Republican and Democrat is expected here on Primary Election Day Tuesday with both major parties presenting contests for township committee nominations in addition to battles for places on the county committee.

Most interest is the three-way battle among Mayor Robert W. Marshall, Police Commissioner Albert G. Binder and Eugene F. Donnelly for the two G.O.P. nominations for the governing board. The three have battled down to the wire in the past two weeks in a contest which featured statements and counter-statements. Marshall has served on the township committee six years, completing his fifth year on the governing board. Donnelly has been a Republican for several years.

The Democrats have a similar battle going on with the difference being that none of the three candidates for the two nominations are incumbents. Vincent J. Bonadoff and J. Leo Moran have been listed on the "bullet" as Regular Organization Democrats and H. Stanley Stender as Regular Democrat. Moran was a candidate last year and Glenn was the party's choice in 1951. Bonadoff is a newcomer to township politics. The lone Democratic contest for the county committee is in the Third District where Glenn is opposing James A. Callahan, who is the incumbent.

However, among the Republicans there are five contests. In the Second District Walter Beckler is opposing Charles P. Boares, who is Republican County chairman. In the same district, Margaret Y. Rindell is being opposed by Ruth Irene Hayes.

Two contests also are listed in the Third District. Beverly S. Spoor and Philip Del Vecchio are seeking the committee's post while Emma S. Jahn, Leonard J. Fisher and Jerome M. Haas are on the ballot for the committee. In the Fifth District, three men are competing for committee. They are Arthur C. Stender, James C. Wainwright, the incumbent, and Rudolph C. Schroeder.

## Lions Prepare for Traditional Show

Arrangements for the annual "Lions Show" are well advanced. The show will be held at the Springfield High School under the sponsorship of the Springfield Lions Club. The program will be published in next week's issue of the Springfield Sun.

The program which has been established as a tradition for the entertainment of the township will feature music, such as band and orchestra. Each act has been selected. The committee points out that the entertainment value but also for the acceptability to one or more of the show's sponsors.

"The show will be a family affair," the committee said. "We are anxious to see that there is not a moment of that accident. I am sure all parents will cooperate with the police department in making their children to play in the street."

Proceeds will be used for the benefit of their welfare work.

## Retired Doctor Cited by Chief

Chief of Police Albert A. Sorge today cited a retired physician for having used township resources to train his children not to tamper with his car or other equipment on the streets of the township.

The chief said it is impossible to keep a policeman on guard of the railroad crossing constantly since a result he was asking parents to keep their children away from the railroad property.

"A number of years ago," Chief Sorge said, "a boy was seriously injured by a railroad car. We are anxious to see that there is not a moment of that accident. I am sure all parents will cooperate with the police department in making their children to play in the street."

## Binder Asks Voters to Measure All Candidates

Police Commissioner Albert G. Binder, candidate for election to the Township Committee, issued a statement last night in which he calls on the voters of Springfield to measure the candidates for the township committee.

"It is important that you have such information, and are entitled to know before you cast your ballot in making your decision. It is your town, your business, your home, and the men you place in charge is your responsibility. Get the facts, they are yours by your determination."

"I have, personally, always tried to take the position that control of township affairs should be in the hands of what is best for Springfield. The decision very often is not acceptable to some individuals or groups of individuals but that is unavoidable and there is the price of good government."

Furthermore, it is important, in my opinion, that on any Township governmental affairs that come before its governing body, that a clear-cut position be taken by the township and that such position be given to the public to watch the responsible I have, invariably, tried to carry out this position.

## Troast Will Speak Here on Saturday

Paul L. Troast, one of the Republican gubernatorial candidates, will make a stop at the township school at the Municipal Building Saturday at 11:30 a.m. Troast is chairman of the New Jersey-Trenton Commission. He is a candidate for the nomination.

Charles D. Rancie, chairman of the Troast campaign committee in Springfield, has invited all township residents to attend the meeting and meet the candidate.

Members of the campaign committee for Troast include C. Stuart Knowlton, James Cavley, Township Committee member Frederick A. Landviller, Everett Spear, Clifford W. Zimmer, Ralph Lindeman, Harold B. Hoff, Edward M. Cook, August H. Schmidt, Tom R. Crode, Raymond W. Forbes, Ripart Horner, R. Harry Fox, Richard Horner, Wilbert W. Lopez, Neil Brown, Frank Kerr, Union County Republican Chairman Charles P. Beardsley, Herbert R. Day, and David Kaplan.

## Sayreville Driver Hurt in Crash

Fred Stodolner, of a Paton driver Sayreville, is in improved condition today in Overlook Hospital, Summit, where he was taken Sunday after his car crashed into a utility pole at Morris and Melser avenues and then was struck by another vehicle, according to police.

The Middlesex County resident suffered a fracture of the left ankle and lacerations of the head. The operator of the other car, Walter W. Klinder, of 218 Columbia, was not injured.

## Citizens' Group Plans Election

The Citizens Advisory Committee on school expansion will organize a session to be held Thursday, April 23, at the Florence M. Gaudineer School. It was announced today by Alyn H. Donnelly, vice-chairman.

Mr. Donnelly said he had sent out letters today to twenty-six organizations and to two members at large notifying them of the meeting. Officers will be elected as the committee is reorganized.

The group will begin studies of a school expansion. Reorganization of the group was urged by the Board of Education with revision recently that the system of double sessions will be reinstated at the James Caldwell and Raymond Chisholm Schools.

The board pointed out the school board is contemplating the next phase of its program and has suggested that the Citizens Advisory Committee be reorganized. The individual organization is urged to name its representative to attend the session.

## Donnelly Says Township Has Many Unfinished Jobs

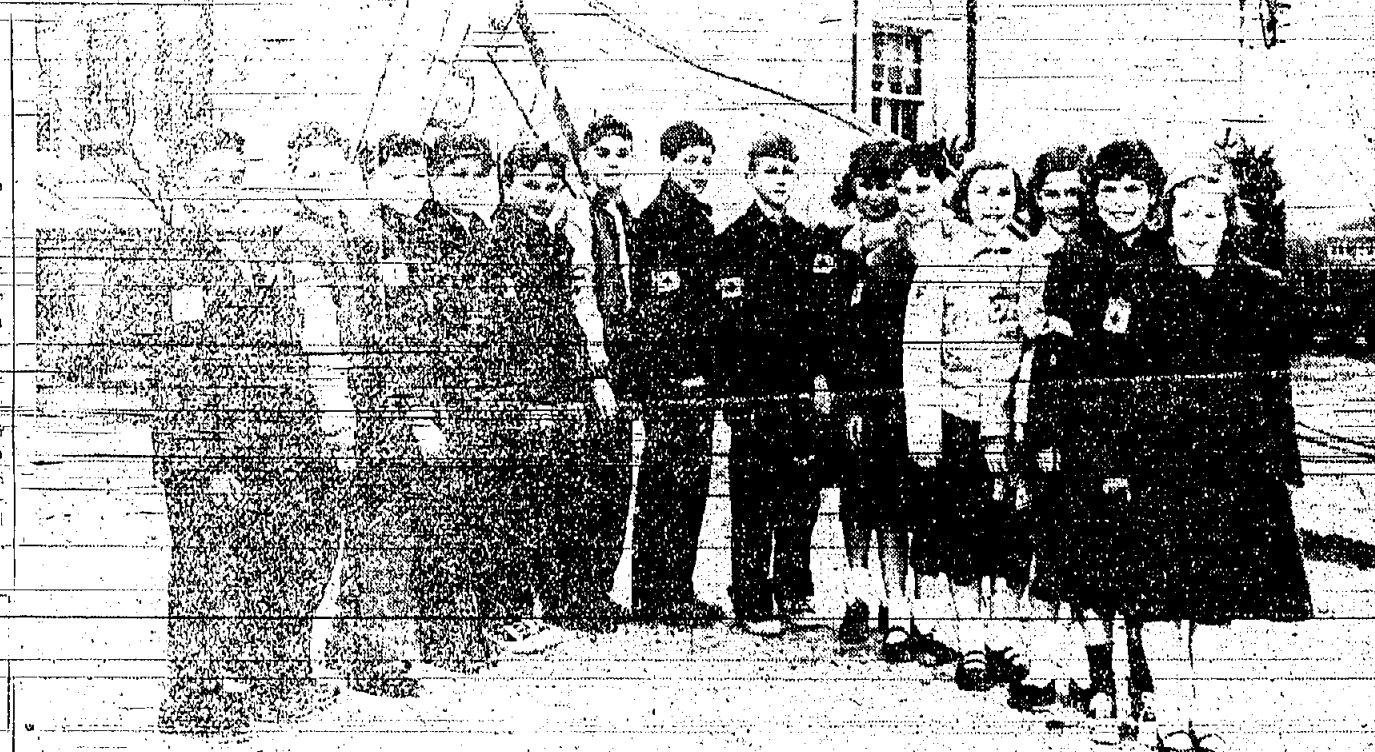

Eugene F. Donnelly, candidate for Township Committee in the Republican primary, today charged that the faction of the Springfield Republican organization which constantly has unsuccessfully sought his defeat at the polls is concentrating on Mayor Robert W. Marshall and is seeking to defeat the chief executive's bid for re-election.

"Bob Marshall has been one of the best township committee men in the last period I have been on the governing board," Donnelly said in a statement issued today. "I am convinced that the future of Springfield is in the hands of the men who are supporting Mayor Marshall."

Donnelly's statement comes as the township committee prepares for its annual meeting on April 20. Marshall is expected to receive a strong endorsement from the committee members.

"I am proud to be a member of the committee which has supported Mayor Marshall," Donnelly said. "I believe that the township is in good hands with him at the helm."

## Mayor Lists Launching Of Flood Control Program

Mayor Robert W. Marshall today announced that the township committee has met with consulting engineers and has embarked on a program designed to bring about control of floods in the township. He said it also was not the chief executive's intention to have a program of flood control in the township.

Marshall said that the township committee has met with consulting engineers and has embarked on a program designed to bring about control of floods in the township. He said it also was not the chief executive's intention to have a program of flood control in the township.

## New Timer Brings Summons Increase

There has been an increase of approximately 20 per cent in the number of summonses now being issued as a result of use of the electric speed-timing device, Chief of Police Albert A. Sorge reported today.

The chief said that most of the motorists do not argue about summonses based on the findings of the device. However, one motorist driver this week threatened to write to the director of motor vehicles.

### Woman's Club News

**CLUB NIGHT**  
Richard Du Bois, noted as a drinker of so-called "spirited" liquors, entertained club members and their husbands on Wednesday evening, April 1 at the Florence Gaudinier School. Mr. Du Bois entertained a highly appreciative audience with his amazing repertoire of conjurations.

Eight new members were welcomed into the club. They are: Mrs. Michael H. Gessner, Mrs. Norris Allston, Mrs. Jean De Bont, Mrs. Stanley M. Krowger, Mrs. Ruppert H. Humer, Mrs. William Wood, Mrs. Wayne K. Long and Mrs. Robert Smith.

The very attractive decorations in the school cafeteria were created by members of the American Home Department and the Hospitality Committee. A vote of thanks goes to Chris Anderson, Phyllis Bouchard, Kitty Ingate, Marge Ledig, Sveg Pedersen, Imogene Rau, Gertrude Sala, Dol Weis and Dot Williams.

**DEPARTMENTAL ACTIVITIES**  
On Wednesday, April 1, six club members started volunteer training at Overlook Hospital. Upon completion of the course, they will be qualified to act as counselors for the Junior Volunteers and to work as volunteer Nurses' Aides on the floor of the hospital. The volunteers are: Mrs. Norris Allston, Mrs. Christian Anderson, Mrs. Ruppert Humer, Mrs. William Mollie, Mrs. Anthony Pilar and Mrs. Louis Schneider.

The Annual Art Symposium will be held on Saturday, April 18 at the New Jersey College for Women in New Brunswick. There will be a demonstration of "Possibilities with Finger Paints for Adults" by Violet Patten and a demonstration of "Some Ways of Decorating Metal" by Robert Bradshaw. Members of various Women's Clubs throughout the State will exhibit oil paintings, water colors, pastels, arts and crafts. Prizes will be awarded for the best in each classification.

All members are invited to attend and if transportation is needed, please contact Gertrude Sala, Art Chairman.

Four plays were presented at the Fifth District Drama Festival held in Plainfield on April 8. Mrs. A. Barton Cross, State Chairman of Drama for the Fifth District, informed members that the Fifth District Drama Department were more active than any other District in the General Federation of Women's Clubs throughout the country.

On Monday, April 13, the Springfield Woman's Club sponsored a trip to the State Legislature in Trenton for Girl Scouts of Troop 1 and 3. This tour was planned in appreciation of the excellent progress the girls had made in their study of "The History of Springfield" a project of the Youth Conservation Department. Accompanying the 28 girls were Mrs. Lee Andrews, Leader of Troop 3, Mrs. John Barr, Mrs. William Valois, Mrs. Frank Hocking, Mrs. Viola Heerwagen, and Mrs. Frank Kerr.

The group was met in Trenton by Assemblywoman Florence P. Dwyer and Mrs. Arthur Mrs. Dwyer's secretary. They visited the State Legislature where a resolution was made for recognition of the group. Later on, the group witnessed a session of the State Senate and at 3:15 p.m. were received by Governor Driscoll. The Governor spoke to them concerning the history of the Flag of New Jersey. A very exciting day was concluded by a conducted tour through the State Museum in Trenton.

### Your Library

**HOURS:**  
Daily 10:30 a.m. to 5 p.m.  
Mon. and Fri. Eves. 7:30 to 9 p.m.

A chance remark by a young aeronautic enthusiast, absorbed in books pertaining to his hobby, brought to our notice once again the fact that children recognize a need when they see one quicker than many of their elders who are prone to see all facts through their purple strings.

This potential young aviator, a staunch friend and borrower, stated that if he had "a lot of money" he would buy the library. We explained that there was no need, that in a sense it was already his for he was free to read any and every book as the need arose. But his demands were more immediate; he desired the authority of ownership in order to move his favorite books to a front shelf so that he would not have to make his choice sitting on the floor in the hall! As much as we regret this situation, we must, for lack of room, make use of every inch of well space. Both children and adults are very patient when they understand why sometimes the books they want are not readily available but must be searched for in crowded storerooms.

No matter how many old books a library may offer, the new ones are always in demand. All but one of the titles listed as the current "best sellers" are now available. Other new books are "Day of the Harvest" by Helen Upshaw, "The Happy People" by Sara Jenkins, "Captain Adam" by Donald Barr Childers, "The Swan" by Marguerite Stoen, "The Hour Awaits" by March Cost, "The Bright Battalions" by Howard Breslin, "The Story of the Metropolitan Opera" by Irving Kolodin and "State in the Making" by David Horowitz.

The Children's Story Hour will be held on Saturday, April 25th, instead of the third Saturday as in other months.

### Rigby Asks for Benninger Defeat

Former Freeholder Lee S. Rigby, seeking the Republican nomination for freeholder today, issued a letter to members of the G.O.P. County committee and others in the party asserting his objective is the replacement of Freeholder Albert J. Benninger, of Mountain-side. He said he believes this will result in returning Union County to sound government, free of all taint and suspicion.

The former freeholder said that as sheriff and freeholder for nearly 20 years, he was defeated two years ago by a group "that has now consolidated its gains, as of the first of the year, into a well-oiled, high-powered political machine, the like of which has been

unknown since the beginning of the county in 1857."

Rigby charged "the new group controlled by Benninger embarked on a series of startling acts." The first, he said, was to denote a competent clerk of the board and replace her with a totally inexperienced individual at an annual salary of \$8,000.

Another move, Rigby said, "was depriving Freeholders Baur and Persall of their chairmanships of the road committee and the bridges and drainage committee. He said, "These offer vital patronage and contract possibilities to a political machine. The chairmanships were taken over by Mr. Benninger, vesting in him the sole control of patronage, direction of supplies, and a hand in the letting of contracts — and incidentally leaving to Bauer and Persall the chairmanships of two new committees of unknown purposes." He said the salary now paid for those chairmanships is a waste of county funds.

Another phase, Rigby said, involved the collective efforts of the Benninger group to make Union County a captive county and to rank along with Hudson, Bergen and Atlantic Counties, as areas delivered into the Paul L. Tronost camp as payment of an obvious political debt.

Rigby urged support of himself

in opposition to Benninger. He expressed belief that the way of protest on Benninger's actions will show results in Tuesday's primary.

The cancer mortality rate in women is slowly dropping, the American Cancer Society says, but more cancer deaths continue to climb. The best safeguard against cancer is frequent medical examinations, the Cancer Society advises.

## Car Racer Pays Towing Penalty

Robert N. Miller, of Kulztown, Pa., may know plenty about car racing—but his education on the towing of racing cars was augmented Monday night in Municipal Court by a fine of \$16 imposed by Magistrate Henry C. McMullen.

Miller, who is an auto racer, was fined for towing his racing car behind his own automobile without having someone operating the towed vehicle.

Motor Vehicle Inspector Gavenida, who apprehended Miller, pointed out that although the racer was hooked up according to State regulations, the law requires that a vehicle with brakes must have an operator when it is being towed. Other fines assessed included: Bernard A. Duff, 1125 Jaques avenue, Rahway, speeding, \$8; Thomas D. Ziora, 1175 Erhardt street, Union, \$5; Wallace R. Gluck, 589 Passaic avenue, Kenilworth, non-registered vehicle, \$8 and Richard Lutz, 256 Lincoln avenue, Elizabeth, non-registered vehicle, \$5.

## Realty Views

"I'm not sick, just uneasy," Frank admitted. "Maybe it's the weather. But, anyway I want to get outdoors and enjoy life. Now if I just had a home on an uncrowded plot, garden space, romping room for the kids—and plenty of good fresh air, I'd be happy."

"Excuse me for interrupting," I said, "but I recognize the symptoms. You've got Spring Fever. Fortunately, it's not fatal. The only permanent cure is a home of your own. A place where you can enjoy Nature and the fresh Spring air."

"Exactly," Frank said, "that's the point I was coming to. Do you have a nice plot with a three-bedroom home, that \$5,000 down will buy?"

"Do we?" I replied, "I'll say we do!"

"Let's look at it," Frank said. Now, folks, the point is this: We've got another one just about like that nice place Frank bought. And, a wide assortment of others if your needs are different.

So cure your restless feeling—settle down with a nice suburban home. May we show you one or two?

## Strawberry Fete Committees Named

Mrs. Lee Andrews, general chairman of the annual Girl Scout Strawberry Festival, has named her assistants for the event to be held Saturday, June 13, on the village green. They are Mrs. Edward Murdoch, co-chairman and program director; Mrs. Jack Ramsey, donations; Mrs. Eugene Foley, publicity; Mrs. Charles Frey, financial; Mrs. Thomas Doherty, tickets; Mrs. Kenneth Bandemer, contests.

Chairmen of various booths of the festival are: Candy, Mrs. T. Humphrey; Cake, Miss E. B. Purcell; Soda, Mrs. Loula Martin; White Elephant, Mrs. Herbert

Kern; Farm Booth, Mrs. Eugene Boehm; Darts, Miss Madeline Geib; First Aid, Mrs. Henry Touchard; Girl Scout, Mrs. William Huetten; Hot Dog and Coffee, Mrs. Edgar Pollock and Mrs. William Degoushard; Ice Cream, Strawberry and Cake, Mrs. Felix Gold; Mrs. Edward Rollins and Mrs. Edward Ryder; Berry Booth, Mrs. L. E. Rivich.

Additional booth-chairmen will be added at a later date. All scouts, their mothers, neighbors and friends are again asked to save their "white elephant" articles for use in the booths. Handicraft articles, no longer of value can be sold at one of the tables. There are ever so many articles that can be saved for this very important Girl Scout event. A neighborhood Girl Scout will collect it.

## C.A.R. to Start Local Chapter

On April 8, 1953 at 7:30 p.m. a group of girls and boys met at the home of Mrs. Paul Weiss, 180 Milltown road, Springfield, to organize a local Chapter of the Children of the American Revolution.

Acting in an advisory capacity were the following members of the local Church and Cannon Chapter, NSDAR, Mrs. Joseph Manuel, organizing C.A.R. President, Mrs. Gerald Burt, Mrs. William Anderson and Mrs. John Geljack. Miss Martha Haggart acted as the Recording Secretary. "Cannon Ball" was tentatively selected as the name of the new society, subject to the approval of the Na-

## tional C.A.R. Society.

After a brief business meeting when Miss Adeline Tallan read of the aims and work of the C.A.R., games and refreshments were enjoyed.

Last year, some 70,000 men, women and children were saved from cancer by early diagnosis and prompt treatment. At least twice as many should have been saved. Know Cancer's seven danger signals.

The first cancer operation for removal of a lung occurred 20 years ago. The patient is alive and well today, the American Cancer Society says. But in that same period deaths from cancer of the lung have increased five-fold.

## Keep Good Government In Springfield

HONEST — EXPERIENCED WITH TOWNSHIP AFFAIRS AND PROCEDURES — VETERAN — PROGRESSIVE —

COOPERATIVE PUBLIC SERVANT  
Considers the Interest of the Public Available Almost Continuously

Reasons why Robert W. Marshall should be re-elected to the Township Committee:  
Worked conscientiously, diligently and cooperated with governing body and sub-committees to give Springfield:

1. Administrative facilities affording fine service in Tax Office, Township Clerk Office, Treasurers Dept. and Legal Services. (Incl. physical changes in bldg. to give public better service).
2. A Fire Department and Police Department, capable, alert, and well manned that renders maximum and outstanding service to the people. (Including Volunteers Fire Dept. and Special Police Officers).
3. A fine, energetic recreation committee giving to the children the fullest recreation program within financial capabilities.

4. A First Aid and Rescue Squad that renders an outstanding service to all.
5. Industrial Development on U.S. Route 22 to gain for Springfield the tax abatements so urgently needed to aid the real estate tax situation.
6. Road Department giving the Township many miles of well-kept roads and constant supervision and maintenance of efficient sanitary sewer system.

Marshall is a strong advocate for, and will work hard to gain additional parking facilities for our citizens as an aid to our business houses.  
Parking meters to aid the parking situation and gain additional revenue for the Township.

Marshall pledges to work untiringly with members of the Governing Body and Committees to solve the Flood and drainage problem existing in Springfield.

**ELMER H. WENE**  
Democratic Candidate for **GOVERNOR**  
PRIMARY ELECTION, APRIL 21, 1953  
Polls Open 7 a. m. to 8 p. m.

**Lever 3-D What ELMER H. WENE Stands for**

- Increased State Aid for Local Education
- Elimination of Crime and Corruption in Government
- Payments to Municipalities from Turnpike Revenues
- Tax Relief for Property Owners, Who Now Bear the Burden of Governmental Expense
- For Payment of a Veterans Bonus
- Unbossed Office Holders
- Bingo Referendum. Let the People Decide
- Stabilized Pension System for All Public Employees

Elmer H. Wene is the sole hope of the Democratic Party in the General Election next November. The rank and file of the Democratic voters in every County demand his nomination in the interests of Fair Play and Common Sportsmanship, and even now are crusading in his behalf to right the wrong of 1949, when this outstanding Democrat and popular figure performed the miraculous feat of winning twelve out of twenty-one Counties, while losing the election. He received over 810,000 votes in a non-Presidential election year, 64,000 more than the late beloved A. Harry Moore received when being elected in 1937.

Wene lives in Cumberland County, a Republican stronghold where he has never been defeated for public office. He was elected for three terms to Congress from his district; one term in the New Jersey Senate and he has been elected a Freeholder in his County. Ex-Senator Meyner, his major opponent, lives in Warren County, traditionally a Democratic County. He was elected to the State Senate there and in running for re-election was defeated in the last election.

# RHS Will Start Track Campaign Next Wednesday

An inter-squad meet, scheduled for this Friday afternoon, will open and close the Regional track team's 1953 pre-season competition, as the Bulldogs get ready for the curtain-raiser next Wednesday afternoon with Linden here at 3:30 p.m.

More than 45 boys are still working diligently under Coaches John Brown and Ed Ruby, who hope to develop the best RHS cinder team in past years. A semblance of an opening lineup was revealed today by the coaches, who hope to be able to add to their roster later in the campaign as the rookies progress.

## Bulldog JV's Edge Summit

Regional's junior varsity baseball team capitalized on a Summit error of omission yesterday to turn back the Hilltop nine, 3-2, in the final round.

# Sports In The Sun

## Anglers' Holiday

Scores of unsuspecting trout, which have enjoyed personal liberty in New Jersey's lakes, rivers, and mountain streams for six months, surrendered to the hooks and worms of the State's fishing enthusiasts, as the anglers opened their annual half-year holiday last Saturday morning at 6 o'clock.

While thousands of the fishermen crowded Jersey's inland waters, many jammed the local Railway River at its intersection with State Highway Route 22 and Springfield's first-catch honors went to a 13-year-old Union lad.

Gerald Stephens hooked a ten-inch brookie a few seconds after throwing in his line. During the remaining hours of fishing, numerous other anglers climbed the banks at the start of the homeward journey, satisfied with the day's efforts.

For the first time, the New Jersey Fish and Game Code requires a special stamp of all trout fishermen, in addition to the regular license. Therefore, we advise any prospective trout anglers to obtain the stamp immediately. The stamp is not mandatory after the April 11 to July 1 period, but the regular license must be in the possession of every fisherman till the September 30 climax.

The opening day was slightly spoiled by the overflogging streams, but the spirit definitely was not on a comparative level. The anglers went to work immediately and some had their limit before the season was very old.

This observer admittedly is not the State's best fisherman, principally because he is New Jersey's most interested "angler." Yet, we are always eager to watch the fishermen line the banks of the streams and we are interested in hearing of the day's catches and especially about "the one that got away!"

## Sap, Doc, It's Raining Again

Regional High Schools' baseball season originally was scheduled to commence on April 7, fifteen days before the track campaign had been expected to get underway. The diamond squad has had three games rained out to date and only was able to open Tuesday afternoon against Edison.

Now, we are wondering whether the cinder team will have as much trouble getting started. As revealed elsewhere on this page, the trackmen are slated to launch their activity next Wednesday afternoon here against Linden.

This overabundance of rain—now, we are fooling; it's not really rain, but heavy dew that coats everything with a moist film—reminds us of a spell last summer, when everyone complained of the intense heat.

All of which goes to show you that "you can please some of the people some of the time, but not all of the people all of the time!"

## Reminder: Summer Ball Meetings

Springfield recreation director Ed Ruby will conduct a meeting for representatives of all local softball teams interested in joining the rec commission's softball league this summer. The session will be held tonight (Thursday) at Town Hall to discuss plans.

Three weeks hence, tryouts for youth league baseball will begin under the eyes of Regional High coaches Bill Brown and John Muller, Ray Schmidt, former pro baseball pitcher, and other local baseball enthusiasts. If there is not enough interest shown, one team will be formed and it will join other surrounding communities in a "Pony League."

The last session of the golf school will be held this coming Tuesday night. The participants agree that the school has been highly enlightening and interesting. Orchids to the recreation board!!!

# Regional Nine Opens With 2-1 Win Over Summit; Bulldogs Play 2-2 Tie

After having two ball games rained out and another played in vain, Regional's baseball team finally got its season started in the sun yesterday afternoon, tallying in the last of the seventh inning to break a 1-1 deadlock and defeat Summit, 2-1. Tuesday afternoon, the Bulldogs, bolstered by a strong wind and frigid temperatures, played 11 innings before darkness broke up a 2-2 standstill with Edison in a Union County Conference struggle.

The game with Woodbridge, scheduled for last Friday afternoon, will be rescheduled as will the Edison battle, but no specific date has been announced yet.

Regional wasted two fine pitching performances Tuesday, when it failed to break the deadlock. But, so did the Technicians. A tremendous strikeout total (36 in all) featured the tie, with sophomore Joe Schaffernoth going eight frames to fan 14 and senior Tony Wojciechowski cleaning up

to whiff six. The Yellow Jackets drew a route-going masterpiece from Stan Fortuna, who struck out 16.

Yesterday, Regional started with Mike Mascaro and the senior McCann went four and one-third innings and departed with the count at 1-1. Wojciechowski came in and finished up without allowing a run to become the winner.

Coincidentally, it was Mascaro's last-inning single that eventually won the tussle for the locals. Wojciechowski lined to right to start the final round and Jack Kelt followed with a base-on-balls. Kelt's stole second to put the victorious run in scoring position. Mascaro then slapped it home with a single to left.

Regional drew first blood with a singleton in the third inning. Wojciechowski doubled with one down and Phil Ryan erred on Kelt's grounder to permit Wojciechowski to score from second.

Summit came right back in the top of the fourth to deadlock the score.

Denny Walker hit safely to begin the rally and, as one batter was retired, Walker went to second on a passed ball and counted on Willie Malloy's hit to center.

Regional advanced runners as far as third base in five different innings and the opportunity to score presented itself often. But, the locals, who have blasted four two-batters in this week's games, were unable to produce the vital single needed to break the game wide open.

In Tuesday's contest with Edison, the Bulldogs succumbed to a seven-inning rally and had to go into overtime. Kelt's single scored Bob Bauer to give them a 1-0 lead in the third and Wojciechowski's double tumbled Mascaro to make it 2-0 in the sixth. A two-out single by Joe Blazin tied the score for the Technicians in the seventh.

The box scores (the Edison game was called after 11 innings and will have to be replayed).

Nelson's Texaco has hit the top again in the Springfield Bowling League.

And it made it by stopping Hershey's Ice Cream, with which it had been tied, two games to one last Monday night at Woodruff's Alleys. Ray Five moved close enough to make things uncomfortable for the leaders this week by sweeping Doyle's Esso. The clean sweep strengthened Ray's hold on third place because fourth-place Springfield market dropped the odd game to Carpenter Steel. Battle Hill won two from Bunnell Brothers, while Community Shop zoned American Legion.

Charley Kirk of Hershey was top individualist, with games of 180, 202, and 211. Norma Gamska had a 210-Wayne Pieper a 210, Bobby Jones a 203, Don Pierson a 201, and Bobby Anderson an even 200.
