What Do YOU Think?

Beverly Rapport

Question asked by the inquiring reporter of merchants on Morris Avenue. "What is your feeling about having parking meters in town and do you think they will be of any benefit to Springfield?"

Bretter of Bretter's Department Store:

"Yes, I am in favor of the parking meters. The situation now is not a healthy one. Customers are being chased away from shopping in Springfield. Parking meters would be a help to business."

Russell Lyons of Russell Men's Wear:

"Parking meters would mean more available parking spaces. They would stop people who go to Newark by bus from parking their car on Morris Avenue all day, thus taking space away from Springfield shoppers. Morris Avenue should be lined so that the maximum amount of cars could be parked."

L. Freedman of the Bi Way Tailor and Shoe Repair Service:

"Yes, I am in favor of the parking meters. They would certainly be an improvement over the present system. It is bad for the town's business not to have them. Many shoppers claim that they often go straight through town because of the difficulty in parking."

John Gelack of Gelack Jewelers:

"I am definitely not in favor of having parking meters. I am against any further taxation of the people. Money from the meters would not be enough to pay extra police to keep them in order. Parking limitations should be removed completely, for they are unfair. A solution would be that of developing unused land for parking to alleviate the present conditions."

Mrs. Sandbach of Florence Lee's:

"I am definitely in favor of the parking meters especially for people across the street. Customers often complain that there is confusion because of the present signs and they aren't sure where they are allowed to park."

Herman Kavitz of Kavitz Liquor Store:

"Yes, the parking meters would be very beneficial. However, more important than putting up the meters would be to have the parking ban taken off completely."

Gaudineer School Graduates Honored

The graduation exercises of the Florence M. Gaudineer School were held last night in the school auditorium with the presentation of the various awards at the highlights of the evening, starting at 8:15.

Nancy De Leonard and Margaret Ruth Pringle were winners of the scholarship awards made by the Springfield Parent-Teacher Association with Mrs. Lorain Skousen making the presentation. Diane J. Korn and Potieka Ann Prince received honorable mention.

The American Legion awards presented by Senior Vice-Commander Continental Post 228, American Legion Post 228, Captain Hughes, Audie Gaskins Franklin, John Joseph Mojaritola and Sam and T. Mironoff.

Gill C. Hansen and Edna Worrill received the American Legion Auxiliary awards presented by Mrs. Raymond Basini, President of the local auxiliary.

Diane Joyce Coplo received the Industrial Arts Awards for Home Economics, and Alfred Bowman, Jr., was the winner of the Manual Arts award, both presented by Mrs. Edwin Davenport, first vice-president of the Springfield Women's Club, the annual organization sponsoring this annual award.

The Service Awards, presented by the Shimpire Association, were won by Richard S. Anderson and Carol Ann Lorenz. The presentation was made by Richard Drygan, eighth grade teacher, for the Shimpire Association.

Mrs. Phoebe L. Sanjour, principal of the Florence M. Gaudineer School, presented the class and Benjamin F. Newswanger, Superintendent of Springfield Schools presided, the class for graduation. The graduates received their diplomas from George D. Harrison, Jr., President of the Springfield Board of Education.

A CORRECTION

In printing the election of officers for the Church and Canon Chapter of the Daughters of American Revolution last week, Mrs. Donald Wolf should have been listed as newly elected Historian and Miss Phoebe Briggs as Librarian.

Heads Named Annual Strawberry Festival Library Plans Day Late, But Huge Success

For July 4th Fund Drive

The annual Girl Scout Strawberry Festival held on Sunday was well-attended in spite of a one-day postponement due to bad weather. Mayor Robert Marshall officially opened the ceremonies with the crowning of the Queen, Mary Ann Pettinichio, daughter of Mr. and Mrs. Michael Pettinichio, 43 Mayview Avenue, and with recognition for her attendants.

Mrs. Lee Andrews, General Chairman, expressed her appreciation to many persons whose efforts made possible the success of the festival.

Tomorrow marks the official opening of the fund drive for the Springfield Fourth of July program. It is the aim of the Drive Committee to cover every home during the next two weeks. The Committee stresses the importance of a successful collection to finance the all-day events, including the fireworks, the most expensive single item. However, it is explained residents are invited to the collection and are asked to give only what they feel able to give.

A decorated bicycle contest is an added attraction-in-the-green—it will mark the opening of the afternoon activities at 1 p.m. at the Market Avenue Field. Alfred Meader, in charge of the afternoon events, gives credit to a group of boys for the idea. Prizes will be awarded—the most appropriate and attractively-decorated bicycles. Local boys and girls are urged to participate.

Another attractive and popular contest is the previously announced Watertown Contest. Edward Sc

Library Plans Reading Club For Summer

The Springfield Library is sponsoring a Summer Reading Club for pupils in the 3rd, 6th, 7th and 8th grades.

Reading lists have been prepared for these age groups and notebooks entitled "Books I Have Read" are available without charge at the library. Space is provided in these notebooks for the reader to write the title and author of the book he reads during the summer, as well as his own impression of each book.

The notebooks are to be returned to the Library by October 1, at which time they will be judged as to the quality of the reviews, the neatness of the entries, and the number of books read in that order. The name of the boy or girl submitting the best notebook will be announced at the November meeting of the PTA.

It is hoped that the Reading Club will perform a much needed function in providing organized reading material for the 5th-to-8th grade students during the long summer months. Parents and educators have long recognized the desirability of maintaining interest in books in this let-down period between school semesters and it is to meet this need that the Reading Club was organized.

The members of the Club will be well repaid in many pleasant hours and, if the books are chosen wisely, with some preparation for the next school year.

The monthly Story Hour will be on FRIDAY, June 26, at 10:30 a.m. at the Library will be closed Saturday until after September 13.

School Board Has Plan for Coming Term

In an effort to partially alleviate the overload in the Raymond Chisholm School and to delay as long as possible the part-time double sessioning of classes with its attendant handicaps to the educational program for Springfield children, a new plan has been adopted by the Springfield Board of Education.

The plan calls for all children of grades kindergarten through fifth, on Clinton and Tooker avenues, to report to the James Caldwell school on the opening day, Thursday, September 10.

This plan keeps some classes larger than is desirable. It requires the use of sub-standard areas in the Chisholm School for which special permission must be obtained from the State Department of Education through the County Superintendent's office. The use of these areas will result in the curtailment of certain programs which had been planned for the school year 1953-54.

However, it does postpone part-time double sessioning. It keeps all the children plus each family in the same kindergarten through fifth school, without increasing the walking distance, the safety factors have been considered and kept comparable to the present arrangement.

The ultimate solution to the problem of increasing enrollment is the construction of new school facilities. The Citizens' Advisory Committee is working on this question at the present time. Until such facilities can be secured, the Board looks forward to the cooperation of all parents in helping to carry out these plans to meet existing situations.

Country Oaks Honor Kupper

The tenth anniversary dinner of the Country Oaks Association was held at the Chateau on Wednesday, June 10. The guest of honor was Louis Kupper, who has served as treasurer of the association for the past nine years. Mr. Kupper was presented with a gift from the association. Other honored guests were charter members and past presidents Mr. Vincent Carney, Mr. Frank Cardinal, and Mr. Stanley Jacobs.

Charter members still active in the group are Mr. and Mrs. Lee Andrews, Mr. and Mrs. Vincent Carney, Mrs. Marion Herbols, Mr. and Mrs. Louis Kupper, Mr. and Mrs. Frank Cardinal, and Mr. and Mrs. Edward Cardinal.

The president, Mr. Paul Wels, gave a brief outline of the organization's history and accomplishments and presented gifts to both incoming and outgoing officers.

Dick Kublet of Regional High School played the accordion during the dinner hour and members Marion and William Bain rendered several musical selections. Mr. Alfred Tuttle sang several solos and led the group in singing. Mr. Stan Lubarsky also added to the entertainment with a solo. Mrs. Carl Leddy was in charge of registrations.

Officers of the association are president, Mr. Paul Wels; vice-president, Mr. William Gutzke; preceding Mrs. Fred Bieswanger; secretary, Mrs. Henry George; treasurer, Mr. Louis Kupper. The guests included Mr. Thomas Argyle, Mrs. Julie Brown, Mrs. Alice Cosgrove, Mr. and Mrs. James Frank, Mr. Frier, Mr. Robert Hayes, Mr. and Mrs. Robert Marshall, Mrs. Robinson, Mr. and Mrs. Max Sherman, Mr. and Mrs. Alfred Tuttle, and Mr. and Mrs. Daniel Wendland.

New members include Mr. and Mrs. Yengel, Mr. and Mrs. Neil, Mr. and Mrs. William Allen, Mr. and Mrs. Vito Vincelli, Mr. and Mrs. Foley, Mr. and Mrs. De Martinis, Mr. and Mrs. Krasdorff, Mr. and Mrs. Stever, and Mr. and Mrs. Dymon.

Dinner of Jewish Group

The Jewish Community Group of Springfield will hold its second annual installation dinner on Wednesday, June 24, at 7 o'clock at the Chateau Chateau on Route 22, Montclair.

Survey of Parents Favors Homework

This isn't very good news for the school kids in Springfield—but the recent survey in which parents of the sixth, seventh and eighth grade students in the Florence M. Gaudineer School were asked whether or not they favored homework majority in favor of home study.

Only eighty parents were polled against homework as compared to 198 in favor. There were 165 parents who voted against for weekends. Arithmetic headed the list of subjects suggested for homework.

Twelve members of the Garden Department visited Totty's rose garden in Madison on June 11. These members were Madames Christian Anderson, Harold Edsell, Morton Williams, Eric Peder森, Louis Schindler, Charles Miller, George Ray, Louis James, Paul Wells, Melvin Gillette, David Caveau, and Frank Johnson. The group was pleased to have Mrs. Rau's mother, Mrs. Schoeninger, of Irvington, as their guest. According to the group, these gardens are very beautiful and well worth visiting. After touring the gardens, the group visited the Buzicki greenhouses where they purchased rose bushes from this renowned rose grower. As a delightful conclusion to an enjoyable afternoon, Mrs. Anderson entertained the group at her home with ice cream and homemade cookies. Mrs. Anderson has a lovely rose garden surrounding her home which the department members toured before leaving. Many thanks are extended to Mrs. James and Mrs. Rau who so kindly acted as chauffeurs.
