Rev. Aloysius S. Carney, starting his duties here this week-end, was appointed by Archbishop Thomas A. Boian to succeed the late Rev. William F. Burke as new pastor of the St. James Church in Springfield. Rev. John M. Mrs. Elliott Mandl, temporary chairman of the steering committee, will preside at the meeting this evening and invitations have been extended to individuals and representatives of each local organization to attend.

Yablonsky, secretary; Mrs. Louis Janice, treasurer; Mrs. H. Robbins, member; Mrs. Edwin Thompson, member; Mrs. D. T. Stamenman, press; Mrs. Kenneth Bandemer, program.

A real show stopper was Rochester's rendition of "Come After Breakfast, Bring Your Lunch and Stay Till Supper Time," which was greatly loved up by the audience. The dance of Rochester which accompanied his rendition.

"Save Vision" Week Is Now Being Observed

Springfield is participating with the rest of the nation, in observing "Save Your Vision Week" which started last Sunday, Dr. L. R. Eckle, local optometrist and representative of the New Jersey Optometric Association, is in charge of the educational drive in the Township and hopes the care of sight will be watched even after the official week's observance ends on Saturday.

Mayor Albert G. Binder called on the citizens of Springfield to respond to any program that may improve and conserve good vision. The mayor emphasized that good vision contributes significantly to safety and efficiency on the job, to highway safety and to the maximum enjoyment of life for all citizens. He warned that visual difficulties usually are not accompanied by pain and often go unnoticed until some misfortune involving sight occurs.

Case Invited; May Attend GOP Dinner

Guests attending tomorrow night's dinner dance under the auspices of the Springfield-Republican Club at the Baltusrol Golf Club may have the added pleasure of seeing former Sixth District Representative Clifford E. Case on hand in addition to Assemblywoman Florence P. Dwyer, county and municipal Republican leaders and H. Lee White, assistant secretary of the Air Force, who will be the principal speaker of the evening. While no definite assurance has come from Mr. Case that he will be present tomorrow night, he has been invited to attend and, since Springfield has always been one of his favorite places, it is believed that he will make an appearance at some time during the evening.

Tomorrow night's big political and social event has been a "sell out" for weeks and promises to be one of the most successful ever held. The dinner is scheduled to start at 7 p. m. with "Bill" C. Jensen handling the evening's program as master of ceremonies. Assemblywoman Dwyer will present the principal speaker of the evening.

Morris Ave. Stores Given "New Look"

Spring is bringing some face lifting to Morris Avenue, several of the establishments on this business thoroughfare having already started elaborate renovation jobs or are making plans to bring a "new look" to the fronts and interiors.

John Colantone has practically completed work on his shoe store and the front, with a Colonial design in the alteration job, which will be one of the fine spots on Morris Avenue. Colantone has completed negotiations with several nationally known shoe manufacturers to carry their lines in his new store.

Ernie Nagel, proprietor of Nagel's Pork Store, also plans a complete alteration job which is to start very shortly.

Anthony (Tony) J. Taddeo, who has been proprietor of the Regional Sweet Shoppe at 234 Morris Avenue, announces that he has sold the business to Miss Mary Yochum and Miss Liborina Davilio, both house agents, will instruct. Enrollment is necessary. Closing date of enrollment March 15th. If you wish to enroll, please call Mrs. William Hanks, Millburn 6-7182-34.

Telephones Almost Doubled Here In Last Six Years

If there were any doubt about Springfield's rapid growth in the last few years, some statistics released today by the New Jersey Bell Telephone Company give very definite proof. The figures show that there are 11,408 telephones in the Springfield-Milburn territory today as against 7,250 in 1947.

Over 52,000 calls are handled daily from the office and the demand for new service indicates that these figures will be increased with the next set of statistics.

Charles A. Dowd, Jr., business manager of the telephone office in this area, said that 1955 will definitely see all service in this territory changed over to the dial system. All the equipment being installed has the dial as part of the instrument and easy change over can be made as soon as the company is ready.

The name for this exchange is occupying the attention of the research department since it must (Continued on page 7)

Enthusiastic Crowds See Woman's Club "Jubilo"

The Springfield Woman's Club went all out last night to provide one of the happiest, hilarious evenings in the memory of many club members when the Drama Department, with the cooperation of the Music Department presented a Minstrel, "The Year of Jubilo." The show was staged in the James Caldwell School and was this year's program for the annual "Husband's Night." The production was directed by Mrs. Leo Andrews, Jr., with Mrs. William Osborne as Musical Director.

An excellent choice was made when Miss Evelyn Porter was selected as "Mr. Interlocutor." Ordinarily regarded as a quiet, reserved but very friendly Latin teacher by her students at Regional High School, Miss Porter was one of the biggest hits of the show as she tossed witticisms back and forth with the clowning End Men. Her performance was first rate and made a tremendous impression on the audience.

"The End Men, Bones, Jefferson, Pluto, Rastus, Rochester, Rufus, Sambo and Tambo were spirited, jaunty and impish all evening and kept Mr. Interlocutor on his toes! They were impersonated by the following club members: Mesdames Henry Bullman, Jr., Robert Briggs, John Williams, Stanley Frankowski, Norris Domangue, Roger Shotwell, Louis Schneider, and William Gella.

To a roasting chorus of "The Year of Jubilo," the End Men entered the stage attired in sparkling, shimmering costumes and wearing top hats of silver, pink and green. They took their place in front of the chorus of "Mammys" who were appropriately dressed in colorful, cotton shirts, blouses and bright bandannas on their heads and around their necks. Mr. Interlocutor entered wearing a striding white satin tuxedo with a black top hat and from that moment on pandemonium reigned. The End Men delighted and joked to everyone's delight and this buffoonery was interrupted only by dances or singing.

Mrs. William Darrow, in a cerise and black costume, a definite eye-opener, was seen in a spontaneous dance to the tune of "The Robert E. Lee." Simba (Mrs. Louis Schneider) and Jefferson (Mrs. Robert Briggs) were amusing in "Watermelon Bones" (Mrs. Henry Bullman, Jr.) and Rochester (Mrs. Norris Domangue) tapped out the rhythm of "Jubilo." Bones and Peggy (Mrs. William Darrow) strutted with their canes to "The Dark Town Strutters Ball" and Rufus (Mrs. Roger Shotwell) and his Mammy (Mrs. John Trout) did a rhythmic tap to "Shine On Harvest Moon."

A soft shoe routine was demonstrated by Jefferson (Mrs. Robert Briggs) and his Ladies (Mrs. Leonard Field, Mrs. John Bendley, Mrs. John Trout and Miss Gertrude Sale).

A real show stopper was Rochester's rendition of "Come After Breakfast, Bring Your Lunch and Stay Till Supper Time," which was greatly loved up by the audience. The dance of Rochester which accompanied his rendition.

ON THE SUNNY SIDE

More Talk About More Shopping Center

Shopping centers are "popping out" all over Springfield. The one at the corner of Morris, Flermer and Main appears to be all set to break ground this month and there is considerable talk of "colossal" shopping centers being planned for the Marmon estate and the well located Ness property touching Millburn.

Telephone conversations with the executive offices of the J. J. Newberry stores in New York City and the Grand Union in Paterson brought assurances that they are aiming for a Fall opening in Springfield. There are still some financing bugs to get out of the deal but representatives of the mortgaging and financing organization, interested in the local center, were in Springfield over the week end picking up a lot of loose ends—but they felt certain there is nothing to delay the actual ground breaking very soon.

The Joseph P. Day organization is said to be interested in the Marmon estate development but no definite information was available except that one of the nation's leading sales organizations would be in the center of this group. The property is in Springfield and Summit but the stores will have a Springfield address while the parking space will be on the Summit side, according to the plans.

The Ness property is under consideration because of its fine location and proximity to Millburn, in addition to its accessibility to all highways.

Township Doesn't Need More Garden Apartments

Another report is that a Newark organization has made a deal for the purchase of the Haselman property out on South Springfield avenue where, according to the story, they propose to construct another garden apartment.

This is the same property where the owners asked for a change in zoning so as to permit a certain type of industry to locate there. There was considerable protest and the Township Planning Board finally refused to make the change.

Now, the residents in that section of Springfield are said to be just as much against a garden apartment as they apparently were objecting to industry. However, considerable opposition has been crystallizing in Springfield against these housing projects and it is believed the application for a permit will be denied.

The Newark organization, it is said, plans to take the fight for a permit to build a garden apartment, to the courts to compel the issuance of approval.

Some Drivers Better Read Up On Courtesy of the Road

A very irate reader of the Springfield Sun barged into the office Tuesday, waving a piece of paper with the license number of a Ford station wagon, FP 494. The story, she related, is typical—and some drivers should read some of those new chapters dealing with ordinary courtesy.

This lady driver of the Ford station wagon proceeded down Henshaw avenue and, according to the story related, stopped in the middle of the street when two children, who were evidently daughters of the lady driver, dashed out to talk to her. The paper waver said the lady was only two doors away from her own driveway and garage—but she remained in the middle of the street despite a few timid blasts on the horn of the car in back of her, waiting to get by.

Mrs. Blue Station Wagon ignored the autoists stalled in the center of the roadway but when the horn blowing began showing some signs of annoyance, Mrs. FP 494 calmly got out of her station wagon, walked over to the driver of the car stalled in the rear, and promptly raised her voice to a high C.

When she was asked why she blocked the roadway so that no other car could pass, she gave the explanation that it was hardly anybody's business and she did it just because she wanted to talk to her two daughters—who could have waited until Mrs. Station Wagon drove into her own driveway just two doors away. But that would have been too easy and there would have been no occasion to spill a lot of abuse.

By this time the paper waver had cooled off and the note with the license number was tossed into the waste basket—leaving Mrs. Station Wagon to hog the road another day.

Thanks to Police Department

Industry and business men in Springfield can rest assured that the Police Department is doing an around the clock job on protecting their establishments. The following letter from Vincent J. Bonadies is self explanatory: Township of Springfield, Chief of Police, Municipal Bldg., Springfield, N. J.

Dear Sir:

On Sunday, March 7, 1954 through the negligence of one of our employees the rear door of our plant at 60 Springfield avenue was left unlocked and unattended. At about 8:00 p.m. that evening, as the result of a police check, the unlocked door was found by the patrol car on duty in the area.

From that time until I arrived home that evening at 11:30 p.m. a periodic check was made in the plant by the patrol car assigned to the area. There is no doubt that the vigilance and the excellent performance of duty on the part of the patrolmen involved avoided what may have been a severe loss, due to vandalism or theft.

I wish to extend my sincere appreciation and gratitude to the men involved for their courtesy and the fine display of devotion to duty.

Sincerely yours,

BOND ELECTRONICS CORP.

Vincent J. Bonadies,

President.

"Drive slow! Children move fast!" warns William Green, President of the Automobile Association of New Jersey (Motor Club of America).

"Youngsters often seem to materialize out of thin air, right into the driver's path. A motorist must think quick and act fast to avoid hitting them when they dart out from behind parked cars, ride bicycles in traffic or cross streets

in mid-block. That's why the motorist must be alert every minute he's behind the wheel.

"An appalling toll of young lives are taken by traffic accidents each year and every driver has a personal responsibility for the safety of the children he meets in traffic.

"Being aware of the following accident-causing actions of child pedestrians should help lower the toll: Playing in the roadway; darting out from behind parked cars; riding bicycles; crossing at intersections; walking in the roadway and hitching on vehicles.

"It's a natural for youth to be impulsive and drivers must be aware of this in order to protect youngsters from the consequences of their own heedlessness.

"Motorists should be especially careful when driving in areas which youngsters are likely to be found.

"A good rule for drivers to follow is to always expect the unexpected from children."

Woman's Club News

An interesting program consisting of book reviews was presented by Mrs. Myrtle Strong Allen of Worcester, Mass., at Presidents' Day, March 1st, observed by the Women's Literature Club of Bound Brook. The meeting, held in the Middlebrook Club, was attended by Springfield Woman's Club President, Mrs. Merton D. Williams. According to Mrs. Williams the speaker's approach in presenting her program was humorous, intimate and given with great understanding. Among the brief book reviews presented were "In the Name of Common Sense," "Orchids and Salami," "A Man's Statue" and "Journey by Junk."

After this pleasurable afternoon, Mrs. Williams and other Club Presidents dined at the Raritan Valley Inn with Mrs. Wilson Y. Christian, President of the N. J. Federation of Women's Clubs, Mrs. Stanton H. Davis, Fifth District Vice-President, and other state officers. From dinner, the group left to attend "Presidents' Night" at the Women's Club of Middlesex Borough and were entertained with a delightful "Note from Sweden" delivered by Mrs. Marlon Brask Hoffman. Appearing in Swedish costume, Mrs. Hoffman spoke of life in Sweden, its culture and customs. The verbal tour of Sweden was made more meaningful to the audience by the introduction of maps, pictures, and articles.

Mrs. Edward Murdock was the guest of Mrs. Merton D. Williams at "Presidents' Night" held by the Women's Club of Hillside in the Elizabeth Town and Country Club. The Music Department of the Club presented a one-act opera "Margie Goes Modern," which was done with much charm and sincerity.

The Youth Conservation Department extends a cordial invitation to everyone to come and hear Mrs. Arthur Ackerman at their next meeting on Tuesday, March 16th, at the home of Mrs. Robert Talcott, 131 Claremont place, at 8:30 p.m. Mrs. Ackerman is President of the Union County Association for Mental Health.

To Speak on Mental Health

Mrs. Arthur F. Ackerman (Photo by Chell Frantz)

The Youth Conservation Department of the Woman's Club will present a mental health program on Tuesday, March 16th, at 8:30 p.m. at the home of Mrs. Robert Talcott, 131 Claremont place. The speaker will be Mrs. Arthur F. Ackerman, President of the Union County, N. J. Association for Mental Health, Inc. The association is striving to prevent mental illness and build positive mental health in the home and in the community by spreading the basic truths of positive mental health through its educational program.

Mrs. Ackerman, a resident of Summit, has been actively identified with our County Mental Health Association since 1946. A graduate of Motclair State Teachers' College, she is the mother of three children and is currently a Board Member of the Tri-County Children's Center with headquarters in Morris town.

The Union County Mental Health Association has opened an office in the Overlook Hospital building which formerly housed patients. This office has been made possible by the first nationwide Mental Health Fund Drive held last spring. Here the Association has set up a service offering information concerning treatment facilities available in Union County, as well as a program of social and educational material and other Mental Health Educational materials will be available to the public at cost.

The program was arranged by Mrs. Russell Hillier, who represents Springfield in the County Mental Health Association.

Baltusrol Civics Discuss New School

The Baltusrol Civic Association met last week at the home of Mr. and Mrs. A. Pancani of 95 Madison terrace to discuss aspects of the new school and the application made by an industrial organization to erect a plant on Mountain avenue.

Mr. Loren Skousen, president, introduced Mr. Bryn Haas, newly elected member of the Board of Education, who spoke on the new school to be located on the former Veterans' housing site. He described the architectural features and the increased educational opportunities that would be inherent in such a worthwhile enterprise. Questions by members, covering additional phases of the new school project, were answered by Mr. Haas. A framed colored illustration of the new structure supplemented the speaker's report which was well received.

In regard to the idea of an industrial plant being constructed on Mountain avenue, there was unanimous opposition. Mr. Skousen led the discussion by presenting as many facts as were known to him pertaining to the contemplated construction. Mr. Pancani, well-known architect and member of the group, spoke at some length stressing the fact that should the door be opened to such a venture, it might set a precedent and make it difficult in the future to keep out further industrial expansion in this area. In conclusion, Mr. Skousen recommended that the Citizens' League be apprised of the Baltimore Civic Association's strong disfavor of the granting of any permits allowing such construction. He was fully supported with further exploration into the matter to follow.

Election of new officers for the coming year was held. The following were elected: Mr. David T. Stamenham, president; Mr. William Peacock, vice-president; Mr. Rollins B. Purkisher, secretary; Mr. Edwin G. Davenport, treasurer.

Air express was started on a commercial basis September 1, 1927.

The BULLDOG BENCH

By Morris Weckstein

The Hillside Game

In their first state tournament game, the Bulldogs beat Hillside by the score of 45-42. By winning this game the Bulldogs qualify for the second round in which they play Westfield.

From the first whistle until the last minute of the game the Bulldogs were led by five or more points. In the last few seconds of the game Hillside came within three points of Regional, but the defense held them and the game ended with a three point margin. In the first quarter Ray Rieff scored four of Regionals 11 points. Ray who hails from Springfield, has been a steady scorer in the tourneys thus far. In the second period the scoring duties were taken over by Fred Beuhner who made eleven threes. Except for the final minutes of the third quarter things were fairly quiet until Joe Schaffernoth of Springfield scored six markers thus advancing Regionals lead to 10 points. In the last period Hillside started the moving and by the time the final buzzer blew, they were within 3 points of Regional.

Scoring Honors

After completing a regularly scheduled season with a 16 and 2 record, the time is now appropriate to show some records made by the Regional boys. Fred Beuhner has the high seasonal score with 295 points. Fred also had the most points in one game, 22, and the most fouls made in one game with 10. Tom Lauck was next high for the season with 193 points. Tom was tied with Beuhner for most points in one game, 22, and was second for most fouls put in with six. The game in which Regional scored most was the game against Morristown, when the Bulldogs scored 75 points. A third of this score was compiled by the Springfield boys, Les Laven with nine, Ray Rieff with 13, and Joe Schaffernoth who had five.

Wrestling Tournaments

Out of the seven men that Regional sent to the Union County Wrestling Tournament, only Richie Scorse was able to remain victorious. Undeclared during the regular season, Scorse was able to win all three matches in the tourney and became champion in his weight class. Scorse began his county tournament title was eligible for the State Tourney. In this tournament Richie was the only one from Regional. After winning the first two matches of the tourney Richie was beaten in the semi-finals by the score of 2-1.

This Tuesday the Union County Novice Tournament began at Union High School. All those wrestlers who had not wrestled in any varsity matches during the season were eligible.

Baseball

When the Regional Baseball season opens for practice this March 15, the freshmen will find a new coach in the person of Mr. Russell Stanley. Mr. Stanley is a graduate of Union High School, and at present teaches biology at Regional. Since the age of six, coach Stanley has been a catcher, and at Union he was the first string backstop. In 1946 coach Stanley, who is an ardent wrestling fan won the 168 pound class at the YMCA.

Returning to the team are five lettermen three of whom are from Springfield. They are, Joe Schaffernoth, Ray Rieff, George McKenzie, Bob Bauer and Ed Ruby. Head coach Bill Brown has taken a few of the candidates for the team for a little practice during the last few physical ed. classes. The pitchers and catchers started practice this Monday.

Parents See Film Regional PTA Plans For Variety Show

"Children's Emotions", a parent education film - showing the development of children's emotions as they progress beyond babyhood, - anger, happiness, fear, jealousy and curiosity, was the basis for discussion at the Pre-School Open House, Monday night, March 8 at the Florence M. Gaudinier School. Mrs. David T. Stammelman, chairman of the Pre-School section of the Springfield PTA, welcomes the large gathering of fathers and mothers and gave a brief history of the Pre-School Organization and its function, which is primarily parent education. The plans for next year are four open meetings with a variety of programs. In addition there will be smaller study groups, limited to 10 to 20 parents in each group. Mrs. Loren Skousen, president PTA, also welcomed the parents. A provocative discussion by the parents was guided by a panel, consisting of Mrs. John Kennedy, Chief Public Health Nurse for the metropolitan area; Dr. A. Stan Ingram, Westfield obstetrician and gynecologist; Mrs. Lucy Porcuth, principal James Caldwell School and Mr. J. E. Jan Tausch, Springfield School Psychologist.

The panel recently stressed the fact that the key to success in parent-child relationship lies in the attitude of the parent. "Techniques," said Mr. Tausch, "are valuable only when employed by parents who carry them out with confidence and genuine concern for the child's well being."

The most important factor in child development, agreed the panel as a whole, is "the over-all tone of the home and the successful rearing of children is pretty much what loving and emotionally well-adjusted parents do spontaneously."

The Steering Committee, comprised of Mrs. Elliott Mandel, secretary; Mrs. L. E. Billings, telephone; Mrs. Thomas Jordan, Publications and Mrs. J. W. Phelps, hostess chairman, assisted by Mrs. Don Taylor, Mrs. Arnold Rawitz, Mrs. Felix Gold and Mrs. Edward Harshbarger, Mrs. Norman Friedman, chairman, and Mrs. David Watson, co-chairman of Program under the guidance of Mrs. David T. Stammelman, Mrs. Clarence Solzer, vice-president of PTA and Mrs. Lillian Houffler, School Nurse. The serving of coffee and cake stimulated further discussion following the meeting.

The chief economic interests of the state of New York are the international financial community of New York City, the foreign commerce in New York harbor, which is the heaviest in the world; its large manufacturing and its rich agricultural resources.

The Springfield Recreation Youth Basketball League playoffs started last Saturday afternoon at the James Caldwell School, with the league Champions, the high scoring Celtics facing the Knicks, in the second game of the twin bill, the Lakers faced the Nats.

Market Holds Lead Ronco Bows A 244

The local bowling league last Monday evening, Springfield Market bowled two games from Bunnell Brothers and maintained their four and one-half game lead over the second place "Frank's Auto Service" who pulled into second by virtue of winning two games out of three from Doyle's Esso.

The American Legion swept their series with the Auxiliary Firemen and now hold fourth position. "Community Stars" won the odd game from Muldoon Liquors and Haphey Ice Cream split with Clare Plastics.

It appears on the surface that the company will "With \$42,500,000 increase in investment in telephone facilities during 1953, we were able to show additional net income of only \$424,711. That's equivalent to just about 1 percent return on the added money invested and only one-half what an investor could get if he were to put his money in a savings account.

"Unless we can give investors more for their money, the investment required to buy the equipment that our company will need over the next eight years just won't be forthcoming.

"The only way out is for the State Public Utility Commission to recognize our financial needs and meet the issue squarely by granting the company the higher rates required to expand and improve service," the company stated.

Feted For 45 Years With Bambergers

Mr. Charles O. Perriera of 12 Highland avenue celebrated his 45th anniversary with L. Bamberger & Co. of Newark on March 1. She was presented a gold Hamilton watch from Bambergers. Mrs. Perriera is an assistant department manager in the fabric department on the second floor. Her co-workers held a party in her honor on Tuesday evening of last week, March 2, at the Savoy Plaza in Orange. They gave her a gift of sterling silver.

Former Resident Wins Pingo Prize

Several weeks ago there were two Springfield residents' winners in the Newark Evening News picture contest. Last Thursday the Newark Star Ledger announced two winners in the weekly "Pingo" contest. The one \$500 winner, Mrs. Ruth Stiles, 21, of Old Bridge, is a former Springfield resident. Her husband John lived here since childhood until they moved to Old Bridge about six years ago. Before their marriage nine years ago, Mrs. Stiles was from Chatham. While making their home in Springfield, she was employed by Fidler Cleaners. The couple have two children, Susan, four, and Ruth, three. Mrs. Stiles expects her third child any day. Mrs. Stiles said the money will go towards the new baby and to finish off the interior of their new house at 309A Texas road, Old Bridge.

 Mr. Bones was "Sitting on Top of the World" and had the audience "light along with him" as he sang his number. And the "Two Dollar Day Quartette" hopes they will be able to make another dollar after their "Hammy" rendition of "Moonlight Bay." The quartette, composed of Pluto (Mrs. John Williams), Tambo (Mrs. William Gertz) and M-m-mies (Mrs. Michael Tatusko and Mrs. John Trout) put lots of spirit into their song. "Walkin' My Baby Back Home" was sung by the chorus as Rochester (Mrs. Norris Domingue) pantomimed the number with Mammy, Mrs. Michael Tatusko, and the End Men helped bring the show to a successful finale with "There is Nothing Like a Dame."
