

Remlinger To Give Marshall His Support

"Springfield cannot afford to be without a man of Bob Marshall's experience on the governing board," Township Committeeman Charles Remlinger asserted today.

Remlinger, who is public works chairman, pointed out that experience is the factor which is most important for selection of a man to replace the late Fred A. Brown.

"Commissioner Brown was thoroughly conversant with all phases of township problems and his successor should have just as complete knowledge of Springfield and governmental know-how at his fingertips. I've worked with Bob Marshall more than a year and I'm convinced there is no member of the governing board who has a clearer conception of what is confronting the township during the next three years."

Apparently alluding to other candidates for the governing board, the public works commissioner added, "There's no question in my mind that someone who was familiar with township problems six or seven years ago cannot possibly have the knowledge that Mayor Marshall possesses."

"He was Mayor for five of the six years that he served on the township committee. It was during that period that Springfield had its greatest growth, expanded its services to township residents and established itself as one of the

Woman's Club To Stage Show For First Aid

Those who missed Springfield's theatrical high spot when the Woman's Club Drama Department staged its now famous minstrel presentation, "The Year of Jubilo," will get another opportunity to see this great show one week from tomorrow night, Friday, April 2 at the James Caldwell School.

This renewal will be a benefit show, all the receipts from the sale of tickets going to the Springfield First Aid Squad, a very worthy cause. Mrs. Helen James, a member of the Woman's Club Drama Department, announces that tickets for the show can be had for the donation of \$1 each to the First Aid Squad.

Mrs. James can be reached at Millburn 6-6031 and tickets can be arranged for by contacting or telephoning any of the officers of the First Aid Squad, each of the following telephone numbers being a Millburn central: Mrs. Marlon Wilson, 0604; Harold Jensen, 1467; Mrs. Melchior Lancaster, 6039; Mrs. Ethel Lucy, 5931-J; Ted Naumann, 1789-R; John Bai, 0831-R; Spence Cannon, 0977-R; and Mrs. Eloise Rein, 5020.

The show, originally staged Wednesday night, March 10, was arranged as the annual Husband's Night and the school auditorium was jammed for that event. It was so successful that there was an immediate clamor to re-stage the entire show with a very nominal request for a donation for each ticket for the benefit of the Springfield First Aid Squad. The very same cast with Miss Evelyn Porter as Mr. Interlocutor and all the others who were such a hit in the first show, will take part in this fine song and dance performance.

Springfield Doubles Quota In Drive For Heart Fund

Contributions totaling \$33,500, about 75 per cent of the goal of \$44,500, have been received by the Union County Heart Association. It was announced this week by Mrs. Roy H. Kurre, chairman of the 1954 Heart Appeal drive.

The total represents reports from 10 of the county's 25 municipalities as well as money mailed directly to the county headquarters, 1187 E. Jersey street, Elizabeth, Springfield with a total of \$1,495.36 raised nearly double its goal of \$754.87.

In making her announcement, Mrs. Kurre asserted: "The officers and members of the Union County Heart Association want to take this opportunity to gratefully acknowledge the help of all local chairmen, workers, club groups, businessmen, banks, industries,

Domangue Is Installed As Vice President

Norris Domangue, of 102 Henshaw avenue, was recently installed as Vice-President of the Garden State Chapter of Postmasters International. Norris is a member of the Trade Air Products Company in Newark.

Tonight's chapters are groups of business men engaged in improving their public speaking ability primarily, and providing mutual mental stimulation and entertainment.

Bristol-Myers Company of 225 Long avenue, Hillside, is host to the weekly Monday meetings, where guests and spectators are welcomed. Meetings begin promptly at 6:30 p.m. and end at 8 p.m.

Another Face Lifting

Another face lifting job started this week with carpenters tearing out the front of all the building in the Quince property on Morris avenue, opposite the First National Bank of Springfield. The alterations will include extensive changes to the interior of all the stores in that building, Nage's Pork Store, the barber shop and

labor unions, scout troops, schools, newspapers and individuals who helped in making the fourth Heart Appeal a success.

"You can take the deep satisfaction in knowledge that you have aided in the fight to conquer heart diseases both on the National and community levels," she concluded.

Considered to be one of the most attractive and modern supermarkets in the East, the new Bardsy building is of Williamsburg Colonial design and incorporates the most recently developed merchandising features found in the food business. The store will have about 19,000 feet of selling space

Marshall Names Campaign Manager; Ready For Scrap

Former Mayor Robert W. Marshall, candidate for the Republican nomination for township committeeman, today announced Edward F. Reibold Jr., of 35 South avenue, will be his campaign manager, and that Township Committeeman Charles Remlinger will be assistant campaign manager. Lawrence Blitzer, of 56 Marion avenue, will be in charge of publicity, he revealed.

Reibold is president of the Young Republicans of Springfield. He has been an active party worker for a number of years. Remlinger

Pass Resolution At DAR Meeting

A resolution was passed unanimously at a meeting of the Church and Cannon Chapter, DAR, Tuesday evening at the home of Mrs. Carl Talbot in Springfield, reading as follows:

"Resolved, Church and Cannon Chapter, N.S.D.A.R., of Springfield, repudiates the statement of Mrs. Henry Deland Strick made at New Jersey State Conference in Trenton on March 18, 1954 since her views were personal and do not express the views of the members of this chapter."

Hundreds Attend Opening Of Bardsy's Supermarket

With Mayor F. Edward Biertumpfel cutting the ribbon in the presence of other Township officials and television personalities, the new Bardsy Farms Supermarket at 2525 Morris av. in the Larchmont section was officially opened yesterday morning at 9 o'clock. The store will be open every day including Sunday from 8 a.m. to 9 p.m. and Friday nights until 10 p.m. Plenty of free parking is available.

Hundreds of residents joined TV stars Maggie McNellis, Susan Adams, Janet Tyler, the weather girl, and Gabriel Heatter for the opening celebration which will continue through Sunday with many free gifts to be awarded in addition to free demonstrations and samples. Another video personality, John Henry Faulk, will appear tomorrow at 2 p.m.

Started with farm

The beautiful supermarket simulates many years of successful business operations which began back in 1904 when Abraham Bardsy operated a small farm in Union.

Veterans Of Foreign Wars Urge "Yes" Vote On Bingo

Members of the Battle Hill Post, No. 7683, of the Veterans of Foreign Wars, have taken the lead in urging all citizens of Springfield to vote "yes" on the referendum to legalize Bingo and Raffles in the municipality.

Ordinance On New Salaries Is Authorized

In addition to approving the application for a building permit for the new shopping center at the corner of Morris and Flemer avenues, the Township Committee last night passed the ordinance fixing "the salaries of certain officers and the compensation or pay of certain positions and clerical employments in the township."

The new ordinance shows increases given to various officers and sets up \$7,000 for the Township Engineer, \$3,000 for the assistant and \$2,000 for the clerk in the engineer's office. It also sets up a salary of the Road Department Supervisor of \$4,700 per annum instead of the former hourly basis. William Trivett, who has held this title for some time, was renominated by the Township Committee for the job.

One of the features of the ordinance adopted at last night's meeting provides vacations for all workers in the Township Salaries personnel, as distinguished from hourly wage personnel, shall be entitled to two weeks during each year up to and including twenty years of service, provided they have served at least one year; three weeks for service during the twenty-first year, and thereafter.

Hourly wage personnel, at the expiration of one year, and service thereafter, shall be entitled to one week, plus the following paid holidays at the rate per hour applicable times the usual hours of employment: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving and Christmas.

Teachers Pay Is Raised By Board

A new teacher's salary guide was adopted by the Springfield Board of Education last week for the 1954-55 school year raising the minimum salaries by \$200 and the maximum by \$100. Under the new schedule teachers with bachelor degrees will start at \$3,200 and reach a maximum of \$5,400 in 16 years. The present guide starts those teachers at \$3,000 with a maximum of \$5,300 reached in 17 years.

Teachers with five years of experience will start at a minimum of \$3,400 and those with six years of college at \$3,600. Non-degree teachers will have a beginning salary of \$3,100 and will be limited to a \$5,000 maximum.

For the first six years a \$200 increment is paid to teachers on the guide and after that \$100 a year until they reach the maximum. The board can withhold increment payments if a teacher does not meet its standards.

Gifford G. Hale, chairman of the school government committee, said that the teachers' association had asked that the 1954-55 salary guide contain at least a \$100 increase in maximum and minimum salaries. Our guide will show the average and ahead of most of the minimum salaries authorized by other regional school districts, he said.

Superintendent Benjamin Newswanger was granted an increase of \$600, bringing his annual salary to \$8,000, and hikes ranging from \$400 to \$600 were granted to the principals of three grammar schools.

Hold Luncheon

A salad luncheon and bridge will be held by the Northern New Jersey Alumnae Association of Ch Omega on Friday, March 26, at the home of Mrs. J. D. Starr, 23 Hampton Rd., Cranford. Luncheon will be at 1230 and co-hostesses are Mrs. W. T. Collins and Mrs. W. Scheumann of Cranford. For reservations call Mrs. S. H. Haas at MI 6-1104-R.

Everything was "signed, sealed and delivered" by the Township Committee last night in the matter of the new shopping center at the corner of Morris and Flemer avenues and today, according to the members of the governing body, Building Inspector Reuben H. Marsh will be instructed to issue the permits necessary to start the big project on its way.

Honored For Service To Girl Scouts

Miss Margaret Paulson

At a joint meeting of the Girl Scout Leaders and Executive Board of the local Council, held last Thursday, Mrs. Charles Frey and Miss Margaret Paulson were honored for their loyal, generous, untiring service to the Scout organization.

Miss Paulson is the retiring President, serving four years in that office. Previous to that she had served as Program Chairman and had been instrumental in promoting the annual Song Festival held every March.

Mrs. Frey has been Treasurer of the Council for six years, but due to the pressure of personal matters could not continue in that office. Previously she had been a Brownie Leader.

Everyone connected with the local Girl Scout Organization knows of the splendid work both Mrs. Frey and Miss Paulson have done and it was the unanimous decision of all that they be presented with Thank You badges. These represent the highest Scout honor that can be paid to an adult Scout worker. Presentation was made by Mrs. Thomas Doherty, President of the Council.

Both Miss Paulson and Mrs. Frey have been elected to the present Executive Board as Members-at-large.

Schools Here Encourage Education In Music

"I can't sing a note in tune!" "Classical music? I don't understand it!"

Could one of these remarks be your reaction to music?

Today people realize that music is a vital part of everyday living, and the music programs in schools are being made far more meaningful.

In the Springfield Schools the music period is considered a workshop where the students experiment and sharpen their sense of melody, harmony and rhythm by means of part-singing, folk dancing and instrumental music. Instrumental music, as a specific phase of our departmental pro-

All the kinks had been taken out when members of the Township Committee and the shopping center executives met Tuesday night and went over the plans. Yesterday all members of the Township Committee had signed the papers indicating approval, and Chief of Police Albert A. Sorge and Fire Chief Charles Schilling went over the plans insofar as traffic, parking and fire hazards were concerned.

Word came from the office of the builders yesterday that ground would be broken in a few weeks and actual construction started. The new plans, approved last night, show that the J. J. Newberry store will occupy the greatest number of square feet in the shopping center with the Grand Union food market very close in size.

The building will be of contemporary Colonial design but all the interiors will be the result of individual needs of the occupants. The Newberry organization plans one of the most modern stores of their entire nationally known chain and the Grand Union has plans to make this the leader of all self service food markets.

There will be room for nearly 600 cars to park with about 150 in front of the building and the remainder in the rear. The parking is subject to change since Police Chief Sorge wants to make a further study of traffic conditions at the center so that there will be the least congestion. Entrances to the center for parking will be available on Morris, Flemer and Linden Avenues.

Extension Leader Will Speak Here

A meeting open to women of Springfield and surrounding areas will be held at the Springfield Library, Thursday, March 25 at 1:30 P.M. Mrs. B. E. Stewart of Union, a trained Extension Leader, will return to the Group with the remaining part of her information on "Business Facts," and will talk on "Wills" and "Inheritance Taxes."

Mrs. Stewart addressed the January meeting and was so interesting and informative, that she kindly agreed to return and give the balance of her message. All are urged and invited to attend.

MARSHALL NENNINGER

I want to start off with a tribute to the Springfield Sun for its offer to present the views of candidates. The Sun is a splendid illustration of the sacred American tradition of a free press.

I appreciate the courtesy of the "Springfield Sun" in affording me an opportunity to express my views in their column. Such facilities so graciously offered by the "Sun" are, in my opinion, best utilized by me and will be more appreciated by the readers if they contain a resume of my qualifications, my aims and my beliefs in the form of a program for good government as applied to the needs of Springfield.

Your, readers, are the voters. Your interest in me is confined to your estimate of my capabilities and adaptability to best serve your needs as a committeeman. You are not concerned with my ability to turn a pretty phrase, for does your interest lie in my ability to make "idle, cure-all promises." Perhaps, if I were to step out of character and malign my opponent, or assume the lazy and convenient attitude of exaggerating Springfield's faults and minimizing its virtues, this technique would make more aptly reading matter. But, as I see it, these methods have little to do with the qualifications as to fitness for public office.

At the outset, I should like to make it perfectly clear that I have no personal axe to grind or special groups to serve. This was my credo in 1944, when I was elected to the Township Committee; this is and shall always remain my faith!

I firmly believe that regardless of any party affiliation, a public official should be truly representative, capable of independent thought and action in government affairs. There is no room in government for men with a diluted sense of responsibility. More than ever today, we need public officials with ability and courage to analyze the "particular" problem under consideration, in terms of its relation to the over-all goal of providing the best, most equitable and efficient government.

I believe you have a right to expect prompt action in dealing with Township problems instead of delay, deferment and undue procrastination. I believe that you have the right to expect that every member prompted by sincere, independent thought will, at times, disagree with his colleagues and expect them to disagree with him. I believe the Township has the right to expect five different opinions from its five committeemen, if necessary, and that no one should automatically follow any other.

I believe that membership on a Township Committee is a privilege and an opportunity for public service, not a means for forging and perpetuating individual or group power. It is true that my business interests are not located here, but I, too, have a great stake in this community. This is my home. Because I am committed to these principles and sever the trust placed in me, I am running for this office. If you believe as I do, I may be trusted with your vote.

I was born in Newark, in 1905, and later my family moved to East Orange, where I received my academic training. After High School, I entered the National Newark and Essex Bank in Newark, but because of a deep interest in Engineering, I resigned from the Bank after two years to start with the D. L. & W. R. Co. The next thirteen years were spent in the specialized field of Signal Engineering with this Railroad, in the capacity of Signal Designer and Chief Estimator. For the past nineteen years, I have been in the Life Insurance business—the last sixteen of those years in management. Presently, I am Assistant to the General Agent of The Penn Mutual Insurance Company of Newark, N. J. I am married and have two daughters, twenty-six and eighteen years of age.

Member Springfield Methodist Church; Official Board, nine years; Board of Trustees, eight years; Chairman of Commission on Finance—seven years; National Guard Infantry; Howitzer and Essex Troop No. 402 Cavalry. My past Township service started with membership on the Zoning Board of Adjustment. During World War II, I was

Chairman of the Disaster Committee of the A. T. C. which group organized the complete medical, nursing and hospital services for possible war emergency. I was Chairman of Springfield Defense Township Committee, 1945 thru 1947. Fire Committee Chairman. One of the first accomplishments of the governing body was the establishment of the present Recreation Committee and the subsequent opening of three supervised playgrounds for the youth of our Town.

Assisted Mayor Selander in working with the citizens advisory committee on Planning. For three years, I served as President of Board of Health during which time the Town initiated regular sanitary inspections of all stores and restaurants. Due to the possibility of an imminent business transfer to another section of the country, I chose not to run for re-election upon completion of my term in office as a Township Committeeman.

I have been a resident of Springfield for the past 22 years and a home owner for 15 years. I live at 23 Bryant avenue.

Church Ladies To Give Fashion Show

Bright note on the new Spring calendar is—the one concerning the Fashion Show to be given by the Ladies' Evening Group of the Presbyterian Church on May 19 at the Parish House.

Plans for the annual affair were formulated at a business meeting of the group following the Lenten services last Wednesday evening. Mrs. Herbert O. Bailey, president, has appointed Mrs. Robert W. Hamilton as general chairman of the event. Mrs. Hamilton will be assisted by the following committee: Mrs. Thomas Geddes, tickets; Mrs. James Stewart, decorations; and Mrs. Lowell Stevens, publicity. Mrs. G. Wilton French, hospitality chairman for the group, will be in charge of refreshments for the evening. Fashions selected especially for summer wearing, will be presented by the Bab's Shop of Summit and the models will come from the membership of the Evening Group. Much of the success of previous shows has been attributed to the fact that the fashions selected have been for all types of occasions and are within the means of the women concerned.

Local women have been asked to reserve this date—May 19—and tickets will soon be available by contacting Mrs. Geddes, Millburn 8-1338-M, or any member of the evening group.

Wins DAR "Good Citizen" Award

Each year the Daughters of the American Revolution sponsor a "Good Citizen" chosen from the senior class of the local high school. The high school faculty determines the choice and the girl chosen must be outstanding in every respect.

This year the Regional High School faculty has chosen Miss Nancy Battalle of 207 South Springfield avenue.

On Thursday, March 18, Miss Battalle was the guest of the Church and Cannon chapter at the annual State Convention in Trenton where she presented to Governor Meyner who was the speaker of the day. She also attended the luncheon with the girls chosen from other New Jersey communities and was presented with a Good Citizenship pin.

The chapter Regent, Mrs. Eugene F. Doherty, attended all sessions of the convention accompanied by Mrs. John Kulp, Mrs. A. E. Anderson, Mrs. Henry C. McMullen, Mrs. James Haggitt, Mrs. M. P. Brown, Mrs. Gerald Burt, Mrs. Raymond Green, Mrs. John Geljack, Mrs. Eugene Brooks and Mrs. James H. Chalmers.

Chalmers has the signal honor of being invited to be the personal page of the State Regent, Mrs. Thomas Earle Reeves of Holy Bush Orchard, Elmer, New Jersey.

The speaker for the afternoon was Dr. Ralph Felton of Drew University in Madison. His topic was "Rural Work Around the World." President of the Springfield Society is Mrs. Elliott Hall of 106 Morris avenue.

Woman's Club News

March 24th was "Presidents Day" at the Club of Roselle-Roselle Park and Springfield Woman's Club President Merton D. Williams and her guest, Mrs. William Cosgrove, enjoyed an afternoon of business and pleasure.

After the regular business meeting of the Club a humorous program of song was presented by Miss Gertrude Neldinger of Glen Ridge. Miss Neldinger gave her impressions of different type singers, a highly amusing program which delighted the audience.

A travelogue of Europe with colored slides was the main feature of "Presidents Night" at the Colony Club of Crangord on March 11th. Mrs. John Trout was the guest of Mrs. Williams at this meeting, which was attended also by Mrs. Stanton H. Davis, Fifth District Vice-President, and Mrs. C. Howard Sanborn, Northern Vice-President of the N. J. State Federation of Women's Clubs.

Several musical selections were beautiful sung by the Glee Club of the Colony Club under the direction of Mrs. Hermine Steln. Mrs. Mary Prior, Drama Chairman of the Club, presented the travelogue showing scenes taken in Rome, Venice, Lido and other sections of Italy and concluding with several pictures of the Swiss Alps. Mrs. Prior spoke with great familiarity with her subject, having lived in Lido for over a year.

Mrs. Niles Christensen was Mrs. Williams' guest at Presidents' Night at the Suburban Woman's Club of Union. Miss Anna Perrott, Rose Wright, of Montclair, author of "Room For One More" gave a review of her book. Her second book review was of "The Gentle House" which is a sequel to "Room For One More." Both Mrs. Williams and Mrs. Christensen felt that this was an exceptionally fine program and an extremely funny one. It is hoped that our own membership might someday have the privilege of listening to this fine speaker.

On March 22nd, Mrs. Williams and her guest, Mrs. Wally Chapin, enjoyed "Presidents Day" at the Somerville Civic League. Mrs. Scott Morrison presented an unusual and highly entertaining program of music, accompanied by brief dramatic readings. In full view of his audience, Mr. Morrison applied make-up and costumes giving him the appearance of a few of the great music masters, such as Brahms and Beethoven. He would then play some of the music they had composed. His was a novel program and his brief discussions of the composers' lives added

greatly to the evening's enjoyment. Mrs. George Lancaster, 23 Alvin terrace, will be hostess to the members of the Executive Board on March 31st when they hold their regular monthly meeting. Co-hostesses for the evening will be Mrs. Watta D. Chapin and Mrs. George Rau.

Are you planning to buy a new Spring bonnet? Are you going to do any Easter shopping? Then why not go down to Hahne and Co. in Newark on April 1st and while there "kill two birds with one stone" and enjoy Club Woman's Day. If you are not able to stay for the programs at least stop long enough to register so that the Springfield Woman's Club can win one of the \$25.00 prizes which are being offered this year to the clubs with the highest percentage of members registered.

These three extra prizes are being offered by Hahne towards the Independence Day 111 Reclamation Project given in the name of the clubs having the largest percentage present. This year's schedule will include programs at 10:30 a.m., noon, and 2:30 p.m., featuring a professional fashion show by the store and one act play by the Belleville Women's Club. The event benefits the federation magazine, "The New Jersey Club Woman," which receives a percentage of the sales from the store.

Com'on, Girls, let's go down to Hahne's on April 1st and register.

Mrs. William Geltz, 487 Meisel Ave., was hostess to members of the Drama Department on March 15th. Mrs. Stanley Frankowski and Mrs. Edward Porter were co-hostesses for the meeting. It was decided that the Drama Department should withdraw their entry "The Silken Scarf" from this year's Fifth District Drama Festival because of the illness of several members of the cast and production staff.

The Springfield First Aid Squad will present "The Year of Jubilo" on Friday evening, April 2nd, in the James Caldwell School. The original cast of the Musical show, all members of our own Drama and Music Departments, will once again don black face for this performance, the proceeds from the sale of tickets to be used towards the building fund of the Springfield First Aid Squad. Here is a golden opportunity to help one of the most deserving agencies in our community. Tickets are priced at \$1.00 and may be purchased from any member of the First Aid Squad from any member of the Drama Department, or from Mrs. Louis James, 138 Pitt Road.

Mrs. David Aultfather, of Elizabeth, presented an interesting travelogue highlighted by colored slides of "Favorite Vacation Haunts" at the meeting of the Garden Department on March 22nd at the home of Miss Gertrude Sala, 488 Morris Ave. The slides are a personal record of Mr. and Mrs. Aultfather of several camping

trips they have taken through the New England states, Virginia and the Shenandoah Valley, and the Superior National Forest in Minnesota. Florida, characteristic of the regions visited, were featured in the slides.

On April 6th, the Garden Department is anticipating a tour through the greenhouses of Mr. J. Frank Jakobsen, Mountain avenue. Anyone interested in joining the group to enjoy the tour might contact any member of the Department to arrange for transportation to and from the greenhouse. Otherwise just be at the greenhouse at 8:00 p.m. and join the group there.

GIRL SCOUTS Corner

At the joint meeting of the Executive Board and the Leaders' Club, held last Thursday night in the Methodist Church, important announcements were made as follows:

Training Mrs. Henry Vance, chairman, in April, four workshops are to be held for all leaders, present and prospective. These clinics will start Wednesday, April 7th at 8 p.m. and will continue every Wednesday night through April. The meeting place will be announced at a later date. The present plan is to have the April 7th meeting cover "Songs", the April 14th, a typical "troop" meeting and all the records which are important for a leader to keep, the April 21st, Dramatics and the April 28th, Arts and Crafts. This kind of training has long been requested and it is hoped all leaders will take full advantage of this opportunity. The meetings will be handled by Mrs. E. Meyer of Union, assisted by Mrs. Vance.

Outdoor training is also scheduled for this Spring through the courtesy of the Westfield Girl Scout Council. The Springfield leaders are cordially invited to attend three sessions of actual outdoor work. On April 28th and again on May 5th the leaders will meet at the Westfield Girl Scout House at 9:15 a.m. for outdoor sessions ending at 11:30 a.m. On May 14th, the leaders will meet at the Westfield Girl Scout House at 2 p.m. and leave from there for an overnight training session at Camp Winona. Return will be Saturday afternoon at two. This particular training is so important and necessary for the leaders who wish to take their girls on an overnight. Mrs. Vance has already set up a Fall training course which is the regular prescribed basic training that national urges all leaders to have. It will start Wednesday, Sept. 15th and continue for every Wednesday for six weeks. This announcement is given well in advance so that new leaders will have the assurance of training before the troops start their Fall activities.

Camp—Mrs. Helen Bauer, chairman. Every year the local council gives two Intermediate Camperships and two Brownie Camperships to the Scouts who have set the best example of true Girl Scouting. Living daily by her Girl Scout Promise and Laws and showing real enthusiasm for all her Girl Scout work. Each leader recommends her outstanding Scout for this award and final decision rests with a Campership Committee. Miss Bauer announced that all recommendations must be sent to her by April 30th. The committee will meet with the girls the week of May 10th and announcement of the winners will be May 20th. Each girl to come before the Campership Committee will be notified by May 5th.

The Scout "Day Camp" will again operate this summer, the weeks of July 12th and 19th. Bulletins will be sent to all parents giving them complete details. The Camp Committee is pleased to announce that Mrs. Johnson, who directed the day camp activities last year, will operate it again this summer.

The Elizabeth-Hillside area council which operates Camp Lou Henry Hoover near Newton, N. J., has most generously offered to accommodate all of the Springfield Scouts who wish to spend two weeks in the summer at an established Girl Scout camp. The Camp Committee, as well as the area council, will send particulars to all parents, hoping that an agreement will be reached whereby all interested girls will go either for the two weeks camp starting July 27 or for the one starting August 10th. Both Brownies and Intermediates are accepted. Plans are also underway for Brownies to again attend Lenape at the South Mountain Reservation. This is only a five day period.

It is hoped by this early announcement of camp dates that parents can make their summer plans for their Scouts so as not to interfere with family vacation plans.

Juliette Low—Mrs. G. Raymond Pierson, chairman, Mrs. Pierson announced that the Girl Scout World Friendship Fund would be \$29.45 richer through the generosity of the local Scouts and their friends. She expressed sincere appreciation for this very satisfying amount which has already been forwarded to the National Headquarters for distribution to this fund.

The members of Troop 6 met with members of Troop 20 to hear a talk by Mr. Melville Osborne, entomologist, last Tuesday evening. Mr. Osborne, who breeds and raises moths for use in research work by research foundations, brought specimens of spiders, beetles, moths and butterflies from all over the world. Mrs. John Wilson is working with the girls of troop 8 for their First Aid badges. They are also working on Rabbit, Game and Wild Plant badges.

The Scouts of Troop 3 went to the Twin City Roller-Arena last Friday night—Mrs. Buckley, Mrs. Haggerty and Mrs. Andrew took the girls and all had a very good time.

The members of Troop 9 are busy working on their Photography badge.

Ladies Guild To Meet

The Ladies Guild of the Holy Cross Lutheran Church will hold its monthly meeting on next Thursday evening, April 1. The meeting will take place at the home of Mrs. John Haselmann of 73 Melset avenue, starting at 8:15 p.m.

Mrs. Howard Schoenfeldt of Livingston will be the guest speaker. Her topic will be "The Lutheran Women's Missionary League."

Nenninger Wins Top Line On Ballot In Primary

First place on the Springfield ballot for the Township Committee scramble in the coming primaries was drawn by Harold G. Nenninger and Robert W. Marshall on the line below.

Nenninger will go on the primary ballot with the designation as Regular Republican For Better Business Management while Marshall will have the following legend alongside his name, Regular Republican Veteran Experienced In Office.

Francis V. Lowden of Hillside, former chairman of the Republican County Committee and former Mayor of Roselle, yesterday drew first place on the ballot as a candidate for Republican nomination to Congress in the Sixth District (Union County).

Places on the Republican primary ballot for House of Representatives and for both parties for Union County Board of Freeholders were drawn by Deputy Clerk Kitchell under the direction of County Clerk Nulton. There will be no primary contest for the Republican and Democratic nomination for U. S. Senate or the Democratic nomination for House of Representatives in the Sixth District.

Robert T. Walsh of Elizabeth, secretary of the Carotone Industrial Association and an associate of Freeholder Albert J. Benninger, leader of the party majority group, drew second place on the congressional ballot. His slogan is "Regular Republican for Good Government."

Baker In Last Spot

Third place went to Fred E. Haley of Farmwood—a state parole supervisor, designated "Regular Republican for Unity in Union."

Fourth place went to Fred E. Shepard of Elizabeth, former Union assemblyman and an unsuccessful candidate for the Republican nomination for Governor in 1933. His designation is "Experienced Republican Legislator—Fighting Communism."

Raymond D. Matthews of Summit, a Hillside automobile dealer, drew fifth place. His designation is "Independent Republican for Party Unity." Guy Gabrielson, Jr. of Summit, son of the former chairman of the GOP National, drew the sixth spot with a "Young Republican" slogan.

Last place on the Congressional ballot went to Horace E. Baker of Westfield, who had received tentative support of the county Good Government Republicans but then decided not to run under their banner. His "Good Government

Letters to Editor

Editor, Sun:

We wish to thank our friends for their cards and wonderful gifts they sent while "Irv" Baker was in the hospital with a broken leg.

And the family especially appreciates everybody's concern when he arrived home from the hospital on Sunday.

It was all deeply appreciated by the whole family.

dance-the-polka-and-other folk dances.

As the knowledge of music increases, students in the upper grades experiment for themselves. A peek in the door of the music room might reveal a student or two accompanying at the piano, one playing the accordion, another the autoharp, while the teacher is helping the others sing harmony with such a song as "Hand Me Down My Walkin' Cane" or "Stars of the Summer Night."

The autoharp, incidentally, is a new addition to the music classes and is used from fourth through the eighth grades. Non-instrumentalists find the instrument intriguing because it is possible for them, by pressing buttons and strumming, to accompany the singing. It is especially useful in those classrooms where there are no pianos. The Department is working steadily toward the goal of a piano in every classroom and the townspeople have been very generous in helping to make this a reality. We can profitably use more pianos.

The assemblies are an inspiration to everyone because all of these musical enjoyments are shared with others at this time. One night a mother of a first-grade boy found her son in his bed at bedtime and discovered that it was because his cowboy suit was too soiled to wear to school. Between tears she was informed that if he wore it to school the next day he might be called up to the stage with others to sing "There Once Was a Cowboy." Consequently, she was washing-and-ironing rather late that night!

The intermediate grades enjoy singing in harmony and teaching folk songs and dances to one another in assembly. Music is an integral part of the upper grade variety shows. The students find it a wonderful outlet for expressing their own enjoyment of music, for here they have a relatively free hand in correlating their own ideas with music either through song interpretation, original dramatization or playing an instrument. Whether the selection is beautiful or comic, the children taking part and the children watching discover new meanings in music. It is no longer "highbrow" or unaffordable to them. It is part of their daily experience.

It is an honor to be chosen as a member of one of the three school choirs. The students must meet specific requirements. All of the music skills are given special emphasis: good breathing, phrasing, diction and beauty of tone. In addition to these, the most important prerequisite for membership in the upper grade choir is an ability to sing harmony. This training is undertaken to produce artistic performances, especially for the Thanksgiving, Christmas and Spring programs.

Almost every program in school, just as every program on radio or television, requires music for stimulus or background. Today when Tschakowsky's music is heard from "Lute Boxes" when "Boogie Woogie" is played in Carnegie Hall and when the "William Tell Overture" introduces a cowboy program—then it is essential to develop in the children an appreciation for the many forms and styles of music they hear constantly.

Hundreds Attend

Harry Coriell, grocery manager; John Borkowski, meat manager; Happy Houlihan, produce manager; Morton Kohn, in charge of the dairy dept., and Martin Robins, assistant to the business manager. They will supervise 100 employees and 10 check-out counters which insure fast and efficient service.

Visitors at yesterday's opening were impressed by the spaciousness as well as the attractiveness of the new supermarket. There are 11 different departments including a meat department which occupies the entire width of the rear of the store. Self service will be stressed but butchers will also be on hand to accommodate customers who prefer individually-cut meats.

Other departments will include dairy, frozen foods, cosmetics and drugs, housewares, fruits and vegetables featuring home-grown products in season, ice cream, waiting apparel, greeting cards and a garden department featuring flowers, seeds, plants and fertilizers.

Completely air-conditioned and fire-proof, the new Early supermarket has pine paneling with the side walls painted green and the rear wall in pink. The floor is of terrazzo. Music has been piped throughout the store and an elaborate intercommunication system permits contact between the office and the various departments including the unloading platform.

Parent Education Group Hold Panel

The Raymond Chisholm Education Group held a meeting on Thursday evening, March 18, with a panel discussion on Discipline.

Mrs. S. B. Hess, chairman, introduced the members of the panel who were Mrs. Margaret McGarrath, fifth grade teacher, Dr. J. H. Moroney, pediatrician in the Summit Medical Group and E. J. Jan Tausch, school psychologist, who led the discussion.

Mr. Jan Tausch gave a history of Discipline from the time the "rod ruled" to the present day methods of sympathetic understanding and allowing the child a wider latitude. Mrs. McGarrath's definition of Discipline as teaching rather than punishment emphasized the parents' responsibility for instruction in such principles as honesty, dependability, and fair play, to name a few.

Consistency of Discipline, to begin with the one year old was stressed by Dr. Moroney who like the other panelists was able to speak as a parent as well as professionally.

The panel ably answered the questions of the audience after which refreshments were served.

Up To Residents On Bingo—Says Mayor

Mayor Albert G. Binder offered the following statement to the press last evening regarding the selection of party candidates and the local option on the bingo and raffles question. The Mayor stated:

"Primary Day, on April 20, is less than one month away. All registered voters are urged to take advantage of this democratic procedure and vote for candidates of their political choice, on local, county and state levels. Your selection of the candidates in the Primary will help to determine the men best fitted for the offices to be filled at the General Election in the fall.

"There is also another important issue to be determined on Primary Election Day. The voters of Springfield must decide if we are to permit legalized bingo and/or raffles, as provided for under the amended State Constitution, to operate in the Township of Springfield. All registered voters can vote on this issue and do not necessarily have to declare themselves in the Primary Elections. Your decision on this issue is purely local option and your voting is mandatory on your governing officials. Consequently, the Township Governing Body will not take a stand on this issue but leave the decision in the hands of the residents of Springfield."

Scouters of the Union Council, Boy Scouts of America, attending the Annual Council Banquet this Saturday evening will hear an address by Honorable Charles W. Froessel, currently the Associate Judge of the Court of Appeals of the State of New York.

The banquet, which is the Annual Fellowship Effort of the entire council, will be held at the Singer Recreation Center, Trumbull and Second Streets, Elizabeth. Starting with a banquet meal at 6:45 p.m., the guests will enjoy a program of Scouting fellowship and inspiration climaxed with an address by Judge Froessel.

Charles W. Froessel began his legal career in the judicial field in 1924 when he was appointed as Senior Assistant District Attorney of Queens County, New York, holding that position till 1930. Soon after he became a Special Assistant to the United States Attorney General, leaving that position in 1937 to assume the role of Justice of the City Court of the City of New York. A further promotion saw him serving as Justice of the Supreme Court of the State of New York until 1950 when he assumed the position now held. Judge Froessel is a former president of the Queens County Bar Association, a member of the Queens Character Committee by the appointment of the Appellate Division, and chairman of the Judicial Section of the New York State Bar Association.

Matched by his rise in his judicial profession was his growth in the Scout movement. Judge Froessel first became acquainted with Scouting through participation on a Troop Committee in 1916. Through this association he became active in his local Queens Council and eventually was elected to its presidency in 1930. He was elected to membership on the Executive Boards of the Greater New York Council of the Boy Scouts of America and the National Council of the Boy Scouts of America. He is currently serving as chairman of Region 2 which is that part of Scouting in New York and New Jersey. Froessel has received both National and Regional Awards for his service to youth; the Silver Beaver presented to him in 1944 by the Queens Council, and the Silver Antelope presented by Regional Committees also in 1944. These awards represent the highest award honors that the two gathering bodies can confer.

In addition to his professional and Scouting career, Froessel has a wide variety of community and civic activities. A veteran of World War I, he is president of the Board of Trustees of the Presbyterian Church, a trustee of the New York Law School, a director of the Queens Federation of Churches, and a member of the advisory board of the Big Brother movement.

Other features of the banquet program will include group singing, presentation of Eagle Scout Awards, recognition of Scout heroism, and the presentation of Silver Beaver Awards to Union Council Scouters in recognition of outstanding service to youth and community.

Due to the rapid growth of the Union Council in the past year and the success of previous Council banquets, the entire facilities of the Recreation Center have been employed to handle the largest group that will ever have attended such an affair.

Troop 70 of the Boy Scouts of America, affiliated with the Presbyterian Church has had a very busy March.

On the week-end of March 20th they took an over-night hike to Camp Winnebago near Dover. Forty boys participated in spite of the bitter-odd weather, and many passed tests for advancement. Aside from frozen water buckets, mashed potatoes, and a bean can explosion, the hike was a high success.

Last week we were very fortunate in having four members of the Springfield First Aid Squad: Captain Ted Neuman, Eobbe Robinson, Pauline Mesker, and Maxton Wilson, attend our Troop meeting. They gave demonstrations on the proper methods to treat injured people. These demonstrations included artificial respiration, bandaging and how to control severe bleeding of major wounds.

During the next two weeks the Troop is conducting a flower sale in town and plan to contact all residents in a house to house campaign. The proceeds of this sale will be used to procure much needed equipment for the Troop.

Omitted from the Boy Scout news in February was the item of special honor earned by a scout in Troop No. 73, Senior Patrol Leader Thomas F. Doherty, now of Stat rank, was presented this Ad Altore Del medal at a special ceremony in Elizabeth on Boy Scout Sunday. He was among the fifty-six Catholic Scouts in Union County who earned this special Catholic Scout award for fulfilling requirements set down by the Boy Scouts of America.

These include service to the Church and a study of the faith.

Pack 171 held its monthly meeting at the Florence Gaudineer School Friday, March 12. Den 1, Mrs. Paul Muller's Den, was in charge of the entertainment for the evening. A Mr. Kratzel, from the Essex Standard Oil Co., showed the film "New Jersey Journey."

We are very fortunate in getting two new Den Mothers. A Mrs. Joseph DiPalma for Den 7 and a Mrs. Meyer Biddelman for Den 8. These two Den Mothers were presented with Den Mother pins. The new cubs for Den 7 were Benjamin DiPalma and Robert Toten. The new cubs for Den 8 were Fred Terry, Ronald Kordalaki, Paul Biddelman and Steven Alkin. We wish to welcome the new Den Mothers and cubs into our pack. Also William Veloz was taken into Den 11.

Advancement Chairman, Mr. Frank Niese, presented the following badges which were earned by the boys: Robert O'lickenlohe, Bear Badge; Kurt Wambach, Bear Badge; Anthony Verlanerle, Gold Arrow on the Wolf Badge; George Keller, Silver Arrow on the Wolf Badge; John Argur, Wolf Badge; L. Schaffenberger, Silver Arrow on the Bear; and Robert Ziegler, Lion-Badge.

Attendance ribbons were given to Den 2, 7, 8, 9, 10 and 11 for 100% attendance. Ribbons for the theme of the month were given to Den 1, 2, 5, 6, 10 and 11.

Over 500 Attend Regional PTA Show

The variety show sponsored by the Regional High School-Parent-Teacher Association, which was held last Friday evening was very successful with over 500 persons attending. Those who saw the show, made-up of professional acts under the direction of Miss Bette Shafer, say it was very good. The seniors, who ushered were: Gail Shafer of Berkeley Heights, Dorothy and Lois Walker of Springfield, Susan Buchbinder of Garwood and Art Curtis of Mountlake. They were under the direction of Mrs. Shirley Seelig, senior class advisor.

The Parent-Teacher Association will hold its regular monthly meeting tonight, March 25. The high school ensemble will sing under the direction of Miss Mildred Midkiff.

To Run for Student Government Post

Doris Pollock of 46 Colonial terrace, has been nominated to run in the all-campus student government elections at Springfield College in balloting to be held in April. Miss Pollock is chosen to represent the position of class representative on the college governing body.

The daughter of Mr. and Mrs. Percy Pollock is a freshman majoring in Physical Education at Springfield.

Through a well-developed program of democratic student government, the students receive valuable leadership experience for their careers in youth, adult and community leadership positions in schools, churches, social agencies, hospitals, government and business and overseas service.

Youth Baseball League Meeting Set For Saturday

An open invitation to attend the Springfield Youth Baseball League meeting this Saturday afternoon is extended to all adult men of the township, especially fathers of boys in the nine-through-thirteen age group. The meeting will start at 1:30 p.m. at the James Caldwell School, with all Springfield youths interested in baseball also invited to attend. Two baseball films will be shown to the group attending, with registrations accepted from those boys interested in trying out for the Springfield Youth Baseball League.

Over two hundred Springfield boys registered last year, with the activity conducted weekday nights at the Regional High School Athletic Field on Flemer avenue. Due to the lack of adult help and playing facilities for such a large group, the operation of Youth Baseball has been curtailed. This year we have secured pledges from several fathers to help organize the Springfield boys in an organized league, similar to the Saturday afternoon program in basketball which was conducted this winter.

Plans call for a ten day tryout period starting Monday evening, May 3rd, with the Springfield Recreation Commission furnishing the bats, balls, bases, and catchers' paraphernalia. If all goes well...

Springfield Wallops St. Mary's 71-39

The finale of the Springfield Recreation Commission basketball program was played last Saturday at the James Caldwell School, with the locals defeating St. Mary's Grammar School of Elizabeth by a 71-39 score. The first two periods were close, although Springfield held a 32-27 halftime edge. Carl "Sonny" Haubold and Al "Ace" Parker were the stickouts for the locals, exhibiting a very good percentage on their shots. Haubold canned five long sets in the first half, with Parker getting four baskets on soft one handers from the pivot.

St. Mary's, a clever ball handling crew, were coached by Ed "Pete" Fox, former St. Patrick's High School and Seton Hall University Alumnus, present coach of the State Champion Argonne Post baseball team, also Middle Atlantic States basketball Champions. The visitors played Springfield on even terms for the first eight minutes, with the quarter ending 13-11. In the second period baskets by Sonny Haubold, Ace Parker, Ray Hawryluk, Bulchie Rubin and Bobby Keith spiced the locals drive to a comfortable 32-27 halftime lead. In the third quarter Springfield racked up sixteen points, with Dave "Progg" Friedman leading the way with four sets, with Jim Funcheon, Ray Nizize and Ray Walsh chipping in with individual scores.

The tempo of the games during the first half was extremely fast, both clubs exhibiting good shooting ability, especially on their set shots, but the difference became apparent in the second period as Hawryluk and Parker started to control both backboards, with the visitors trying under pressure. The visiting St. Mary's club, although beaten rather soundly, complimented Ed Ruby, Recreation League Director on the ability of the Springfield Youth Basketball players and the good officiating.

Industrialist To Manage Campaign

Leonard E. Best, president of the Richard Best Pencil Co. one of Springfield's leading industries, is reported to have decided to take an active part in the coming primary elections by serving as campaign manager for Mayor Charles P. Bailey of Westfield, and Mayor L. Thomas Daub of Garwood, Good Government Republican candidates for nomination for freeholder.

Best said he has conferred with Bailey and Daub, and was impressed with their long record of economy in government in Westfield and Garwood, and I am satisfied that they will carry their fiscal policies into county government.

Celebrates Her 83rd Birthday

Mrs. Ida Webb of 16 Melser avenue celebrated her 83rd birthday on Tuesday. Mrs. Webb received many cards and flowers from friends and relatives. The Women's Christian Society of the Methodist Church, of which Mrs. Webb is a member, sent her a beautiful bouquet of flowers. Friends called on her in the afternoon.

Mrs. Webb has resided with her son and daughter-in-law, Mr. and Mrs. Harold Webb for the past five years. Before moving to Springfield she lived in Newark for many years.

Democrats To Meet Next Mon., Mar. 29

The Springfield Democratic Club will hold its regular meeting on Monday evening, March 29 at the Chateau Ballroom at 8 p.m. This meeting will inaugurate the new policy recently adopted in which a prominent speaker will be invited to speak at each meeting. Topics of political and civic interest will be presented to the membership at each meeting.

The first speaker for the March 29 meeting will be Richard Levine, a member of the staff of Congressman Harrison A. Williams of the sixth district.

A resume of the programs planned for the balance of the year will be reviewed for the scrutiny of all concerned.

C.A.R. to Present Historical Play

The "Give 'Em Watts" Society of the Children of the American Revolution presented a short historical play, "A Needle Fights for Freedom," at the monthly meeting of the Church and Cannon Chapter, D.A.R., at the home of Mrs. Karl Tallan, South Springfield avenue, on March 23. The cast will include: Adeline Tallan, Charles Stevens, Jeffrey Manuel, Martha Heggitt, Della Sperling, Merrill Post and Judy Widmer.

Rummage Sale Runs to April 3

The Jewish Community Group of Springfield, as part of its building fund, opened a rummage sale at 105 Main street, Millburn, this past Monday and the response has been so successful and gratifying that the committee has decided to extend it for a full week. The original plans called for just a week sale ending on Saturday but it will now be continued for another full week ending on April 3. The sale is on daily from 10 a.m. to 5 p.m. and on Friday until 8 p.m. Anything from toys to wearing apparel or house furnishings can be purchased at this rummage sale.

Co-chairmen of arrangements for the event are Mrs. David Kaplan, Mrs. Ephraim Weininger and Mrs. Ben Sussman.

To Celebrate 4th Auxiliary Birthday

The Ladies Auxiliary of the American Legion Post 228 will celebrate its fourth birthday on this evening. A Smorgasbord supper will be held in the hall, being served from 7 to 9 p.m. Mrs. Charles Zoeller, of 28 Severna avenue is chairman, assisted by Mrs. Edgar Jacobs of 456 Morris avenue. Members of the Post are invited to attend with their wives and auxiliary members are invited to attend with their husbands.

New School Is Endorsed by PTA

The Executive Board of the Springfield Parent Teacher Association decided unanimously at the meeting held last Monday night in the Raymond Chisholm school to endorse the building plans for the new lower grade school, as submitted by the Board of Education. Members of the Board and a representative of the architect's staff will attend the next meeting of the P.T.A. to be held Monday evening, March 29, in the Gaudineer school. They will explain the present anticipated school enrollment situation and describe the proposed new school.

Bobby Locke To Play Golf Here

Ben Hogan and the other top notch golfers here will have Bobby Locke to contend with in this year's United States open golf championship to be held at the Baltusrol Golf Club in Springfield this June.

Announcement that the famous South African golf expert is to compete here came in a news report from Johannesburg on Monday.

"I had decided recently to play the next five years in the United States and confine my overseas play to two months annually in Britain," the South African golfer stated. "But my old enthusiasm is back, and I will have one more crack at the American open."

Locke will leave for Cairo on Tuesday to compete in the Egyptian open, after which he will tour Britain, Europe and Canada before going to the States.

Return of Basketball Equipment

All Springfield boys who were active in the Saturday afternoon basketball league are asked to return their "T" shirts this Saturday at the James Caldwell School.

The shirts were furnished to the Lakers, Celtics, Nats, and the Knicks by the Springfield Recreation Commission, who wish to launder and store the shirts for next year's basketball program.

League Director Ed Ruby of the Springfield Recreation Commission will accept these shirts at this Saturday's Youth Baseball League meeting at the Caldwell school.

We have a new building in our rooms this week. We took down our puppet theater and are building a green house. In order to find out how a real one looks, we all took a walk down along Mountain Avenue and looked at three or four big green houses. Now we know how ours should look.

We have all planned things to grow in our new building. We can't say what they are because they are to be surprises, but we are watering them every day and anxiously watching for the first signs of green to show. It is very nearly spring in Kindergarten!

The BULLDOG BENCH
By Morris Weckstein

After all the tournament games are over and the basketball season is at an end some final records remain to be printed. This season counting the State and county games the Regional courtiers have a record of 21 wins and 4 losses. In the regular season Regional beat Union and Westfield each twice, and Hillside, Linden, Edison, Scotch Plains, Pingry, North Plainfield, Rahway, Morristown, Somerville, and Caldwell each once. They lost to Roselle Park once and Linden once. Their season record was 18-2.

In the Counties Regional beat Edison in the first round, Cranford at the half way mark, Roselle Park in the semi-finals, and they were defeated by Thomas Jefferson in the finals, for a County Tournament record of 3-1. In the State tournament they rolled over Hillside and Westfield and were stopped in the sectional finals by Linden. In the States they had a 2-1 record.

During the past cage season Fred Buchner received top scoring honors with 295 points, while Tom Luckie was second with 277. There were nine men who received their letters because of their playing this season, of whom five were from Springfield. They are Joe Schaffnoth, Les-Lawn, Ray Reiff, Bob Bolles, and Curt Merz of Springfield and George McKenzie, Tom Luckie, Fred Buchner, and Bob Hubinger.

The JayVees ended up the season with a 10-8 record. After losing eight out of their first ten games the JayVees came back to win their last eight games. They played one post season game and were beaten by Roselle Park. The high scorer for the JayVees was Carl Utz with 101 points. Carl was followed closely by Ron Golder who had 98 points.

Wrestling
On the 19th and 20th the State AAU wrestling tournament was held at Rahway. Regional sent only two men to represent them, and both of these men took third place honors. Richie Scorese, and Wm Bailey who each had an excellent season record, with 9-0 and 8-1 records respectively, were the men.

During the regular season the Regional matmen had a 7-4 record, beating St. Benedict's, Morristown, Rahway, Plainfield, and Thomas Jefferson, and losing to Bound Brook, Union, Roselle Park, and Sumnerville.

Regional sent seven men into the Union County Wrestling Tournament, but Richie Scorese was the only one to remain victorious. In the assembly last Friday, coach Dave Pavlin awarded the letters to the men on the team that deserved them. They were from lightweight to heavyweight, Jerry Sachel, Dave Thompson, Tom Nolan, Wray Bailey, Richie Scorese, John Pozanski, John Garland, Ron Gartler, Jerry Vinella, and Walt Schiller. Also awarded a letter was Robert Boye the manager. Three other men wrestled Varsity but they didn't have the required five varsity matches. They were Bob Andrews, Don Mindas, and Harry Bolick of Springfield, and had 3, 1, 1 varsity match respectively.

Track
When the track team starts their practice next Monday there will be five lettermen returning from last year. Coming back will be Curt Merz, Bob Colandrea, and Harris Rawitz from Springfield, and Ron Hartshorn, Art Curtis, Emil Fritz and Bob Witkowski.

Ron Hartshorn last year was an all around track man by being in the 100 and 200 yard dashes, the high and broad jumps, and the low and high hurdles. Curt Merz who was a Freshman last year excelled in the high jump and the javelin. Emil Fritz also a returning letterman held his own by heaving the shot. The pole vaulting duties were taken care of simultaneously by Art Curtis and Harris Rawitz.

The team lost a lot of its strength when Bob Harmon and George Aporos graduated last year, and will be looking to its freshmen and sophomores for some newcomers.

Bob Combs will remain an manager and will be working hard with the team from the beginning of practice to the first game with Summit on April 21.

Baseball
The baseball season will officially start for Regional on April 8th when the Bulldogs face Summit at home. This Tuesday's game will be followed on Wednesday the eighth by a game with Scotch Plains and a game on Saturday the 10th with Woodbridge. Coach Bill Brown hasn't as yet decided who will start with the five returning lettermen.
