

Marshall Wins GOP Primary

7 Accidents Keep Police Very Active

It wasn't a very quiet Easter week-end for the Springfield police department, seven accidents being reported in a short period, one of which resulted in the instant killing of Julius Wied 44, of 17 Mead street, Berkeley Heights, when the car in which he was a passenger crashed into the rear of a truck parked in Morris avenue, near Millburn avenue, at 4:28 Sunday morning.

Police were called out for six other accidents in Springfield over the week end and the local First Aid Squad responded to four calls. The driver of the car in the fatal crash was identified by police as Martin P. Connelly, Jr., 32, of 32 Morris avenue, Summit, employed with Mr. Wied at the Bell Telephone Laboratories, Murray Hill. Connelly, suffering from bruises and shock, was arraigned before Magistrate Henry G. McMullen and released on a \$3,000 bail for Grand Jury action. Patrolman Daniel Madding investigated the accident and reported that the Summit man was driving east when his car struck the delivery truck parked at the curb, the driver of which had gone in a lunchroom for breakfast.

In another Monday accident, Joseph P. Solano, Jr., of Madison, lost control of his car on Morris avenue because of a tire blow out, jumped the curb near Baltusrol avenue and struck a utility pole. The car was demolished but Solano escaped injury.

Saturday night at 11:05 the police were called to a 3 car smash up in which 2 of the cars were damaged but no one was hurt. William F. Bissel of Newark, according to the police, Albert L. Solimani of North Plainfield and Edward Korn in a light pickup truck figured in a mix-up at (Continued on page 2)

ALL THAT REMAINS of the car in which a Berkeley Heights man was killed instantly in an accident with a parked truck on Morris avenue—Don't let it happen to you!

Another Election! Citizens Vote On New School Tues.

Residents of Springfield are invited to attend a public meeting next Monday evening, April 26, at 7:30, at the Florence M. Gaudineer School to discuss the new proposed elementary school to be built on Mountain avenue. The open discussion will be held prior to the regular meeting of the P.T.A. scheduled later in the evening.

Hey, Kids! Police Have 2 Lost Bikes

"When we were boys," said Detective Vincent C. Plinkava as he surveyed two shiny bicycles at police headquarters. "I don't think we'd have to wait for the police to tell us that a couple of lost bikes are at the police station, waiting for some kids to claim them. We would have checked every place in town if any of us ever lost such a valuable thing as a bike."

But, according to Detective Plinkava, that is just what's happening at police headquarters where there are two swell bikes, one a 24 inch Roadmaster in red and white and the other a 26 inch Elgin, waiting for some kids to (Continued on page 2)

Clean-Up Week

"Clean-Up Week" will start officially in Springfield Monday, April 26 and continue until Monday, May 3. The road department has promised that two trucks will cover the community daily during the period mentioned. Residents are asked to take particular note of the dates of the clean-up campaign and place refuse at the curbs, and to clean up all attics and basements to prevent fires.

Cancer Drive For \$2,000 Is Started Here

Springfield's cancer drive, with a goal of \$2,000 to be raised for this very worthy cause, is now under way with a house campaign bringing excellent results.

Following are the captains of the teams engaged in the house campaign: Mes James, Leonard L. Poddapp, Joseph L. Focht, L. W. Kelsey, F. M. Kerr, Max Weiss, H. Wilson, Alfred Meslar, Eugene Boehm, Constance Greene, Edward Lindauer, S. J. Reinalda, John J. Martin, Louis Kravitz and Messrs. F. R. Burd, E. V. Lawlor and Charles Conway.

Facts and figures showing the progress of the crusade in Jersey against cancer, made possible through the contribution of the residents of the state, will be found in the 1952-1953 report of the American Cancer Society, New Jersey Division, now being distributed.

The foreword is by Dr. William C. Cope, of Newark, then president of the division, who declares that such progress is being made through the efforts of thousands of volunteers throughout the state, who are on the firing line. "I have been inspired by their dedication and thrilled with the results they have attained," he said.

Reporting as chairman of the Medical Committee, Dr. William (Continued on page 2)

Bingo Wins In Township 1351 To 589

Springfield voted "yes" on both the bingo and raffles questions in Tuesday's primary and the Township will have to take care of the regular players from both Summit and Millburn, since these two municipalities turned it down. The total vote for bingo here was 1351 "yes" and 589 "no." The raffles referendum won, 1273 voting in favor and 570 against.

There was considerable quiet work done in Springfield in behalf of the bingo and raffles question but very little of it through the usual channels. The biggest margin in favor of bingo came in the Sixth District where the vote was 250 in favor and only 65 against. The First District turned in 207 yes against 70 no, the Second District was 200 to 101, the Third gave 275 yes against 113, the Fourth District came closest to beating the question with 181 yes votes against 140 no votes. The Fifth District voted 233 in favor and 91 no ballots.

Mrs. Eleonore Worthington said yesterday that she has all the necessary forms for staging bingo but considerable study is still necessary by the Township Committee before any license to play can be granted. The state law which made bingo possible provides that the local governing (Continued on page 2)

DON'T FORGET, SUNDAY

Mayor Albert G. Binder is again calling attention officially that daylight saving time in Springfield starts at 2 a.m. this Sunday and continues until September 26.

Former Mayor Victor After Bitter Scrap

Former Mayor Robert W. Marshall, driving a home-made, "souped up job," steam-rollered to victory over Harold G. Neuninger on Tuesday for the Republican nomination to the Township Committee vacancy in a hot and bitter campaign.

The official count gave Marshall a total of 1001 votes with Neuninger collecting 903. While the margin of victory doesn't appear great—only 98 votes separating the two—it was a great triumph for Marshall and his supporters as very few considered he would have a chance at the start against the organization backing Mr. Neuninger.

It was a close contest throughout and, at one point, the count was an actual tie with the Third and Sixth Districts still to come in. Marshall defeated Neuninger in the Third, 199, to 146, and in the Sixth, 189, to 122. The former Mayor, however, showed his greatest strength in the First, his own (Continued on page 2)

Will Fight It Out in Nov.

ROBERT W. MARSHALL—Republican

I wish to take this opportunity of expressing my deep and heartfelt thanks for your untiring and valiant support in what seemed to be an insurmountable task. To all of the voters who gave unstintingly of their time to go to the polls in a primary election, I have an obligation to discharge.

In any election, the candidate seeking office is in the position of a job hunter, you are the employer, and in the months ahead I shall attempt to prove myself responsible to the electorate who placed their confidence in me. During the campaign I advocated certain ideas; these were not vote getting slogans to be forgotten the day after election; they are the essence of a progressive, good government administration. I am of the firm conviction that adoption of these reforms will build a better, healthier and happier Springfield and I pledge to work for their continued support.

Selanders Receive Governor's Wire

Congratulatory telegrams from Gov. Robert B. Meyner and Congressman Harrison A. Williams of the Sixth (Union) District, were among the many received by Mr. and Mrs. Clarence Selanders of 85 Mountain avenue who celebrated their 50th wedding anniversary last week.

Open house was held for the couple at the American Legion Hall on Sunday afternoon from 2:00 to 5. Two groups of four generations were present. The Selanders want to thank everyone who sent cards, telegrams, flowers and gifts.

VINCENT J. BONADIES—Democrat

I wish to extend my whole-hearted thanks and appreciation to our many friends of the Democratic Party who cast a magnificent vote of confidence for my candidacy and for the balance of the slate.

It was very gratifying to see such an expression of the convictions of so many people of Springfield. This vote exceeds all previous Democratic votes cast in a primary election by at least 60 per cent.

Democratic Club Meets On Monday

The regular monthly meeting of the Springfield Democratic Club will be held Monday evening, April 26, at 8 p.m. at the Chateau Restaurant, Baltusrol way. Tuesday's primary results will be discussed and plans made for an active campaign on behalf of the Democratic candidates next Fall.

A well known speaker will address Monday night's meeting. Democrats who registered and declared themselves for the first time in last Tuesday's primary, have been invited to hear and join in the plans being made for the future. Friends and all interested citizens of Springfield are invited to attend.

Bad Check Passer Is Given 30 Days

Mrs. Margaret H. Silance who is the "Marge" of Marge's Sweet Shop at 161 Morris avenue, not only cooks up luscious hamburgers and other luncheon snacks, but also did a pretty good "who-dunn-it" job Saturday which resulted in the arrest of a Staten Island man for passing bad checks in Springfield.

With the help of a little detective work by Marge and Ed Silance, James W. Ward, 63, of 102 Bard avenue, Staten Island, was arrested Saturday night, and Monday night was sentenced to 30 days in jail by Magistrate Henry C. McMullen on the bad check charge. He also had his driver's license suspended for 60 days for driving without registration in his possession.

Ward gave Marge, what appeared to be a logical explanation for needing some blank checks and the Staten Island man received four blanks from Marge during Saturday. Her suspicions were aroused because his stories didn't match and she relayed her ideas to Chief of Police Albert A. (Continued on page 2)

HOME FOR EASTER—St. Ronald A. Wendlandt of 84 Henshaw avenue flew home for the holidays from Fort Jackson, South Carolina, where he is a platoon sergeant specializing in Wireless Radio and Self-Propelled Missiles. Wendlandt is a 1950 graduate of Regional High School.

Mayor Binder Replies To Charges Made In Campaign

Even though all the votes have been counted, the Marshall-Neuninger contest is still smoking and Mayor Albert G. Binder yesterday issued a statement before Tuesday's voting in which he takes Township Committee Charles Remlinger to task for making charges through a letter appearing in an advertisement.

Mayor Binder's statement is as follows: "I am being charged with the heinous crime of making an effort to effect a better government for our town. If that be treason, criminal misfeasance, misdemeanor or any of the other attributes of illegality, then my friends and I am proud of it."

"After my election to office in November, 1953, and before January 1, 1954—Organization Day—I was assured by the majority of the Board that I would be their choice for the chairmanship, or Mayor of the Town. I immediately took steps to organize the Board on a basis which I believed to be in the best interest of the Town. There had been obvious shortcomings and inefficiencies in the operation of our government in the prior years, and despite prodding by members of the Board, the chairman, Robert Marshall, was indecisive, incapable, or perhaps re-

luctant to do anything about it.

Called Meeting.

"To be in a position to present my proposed plans before the Board on the first of the year I naturally conferred with my colleagues who had shown cooperation and willingness to join with me. I did this by individuals, in groups of two, then three and finally the entire Board. I called in members of the official family, such as the Plumbing Inspector and the Building Inspector, and asked them their viewpoints and the probability of their accepting (Continued on page 2)

Girl Scout Festival Set

The annual Girl Scout Strawberry Festival will be held on Saturday, June 12, on the Municipal Green from 1 p.m. to 7 p.m. Mrs. William Degenhardt, general chairman, and Mrs. Frank Jahn, co-chairman, and their committees are hard at work preparing all the details for this big event. As in the past, a Strawberry Queen will be crowned at the opening ceremonies. Other features will be a cake booth, candy booth, farm booth, white elephant booth and many, many others. There will be the usual contests and games.

WHY CHARCOAL-BROIL HAMBURGERS TASTE BETTER AT THE CAR SHOW—Harry Rosenthal, proprietor of the Route 22 Drive-In in Springfield, believes in appealing to the eye as well as the palate by dressing his car hops in new Easter uniforms, shown in the usual order, left to right: Betty Grovans, Marcia Poving, Gloria Kroczyński, Marilyn Bazylo, Marie Palgano, Eva Da Silva, and Doris Hudak.

On The SUNny Side

With all the "huffin and puffin" ended and the blunted political spears sent away for general election-re-sharpening, it is hoped that Springfield can settle down to the quiet and less sensational business of dressing up for the National Open Gold tournament and many other usual civic problems.

Robert W. Marshall, former Mayor and defeated in last year's primary contest on the Republican ballot, rode into a well earned victory on Tuesday, defeating Harold G. Nenninger, an outstanding and unassailable gentleman with unlimited ability, who, probably, doesn't have the temperament or the thick skin necessary for the kind of a political campaign we just had.

Up to this writing the two warring factions haven't officially extended the olive branch to each other and, as a matter of fact, the usual tennis court gesture of sportsmanship when the vanquished vaults over the net to shake hands with the victor, hasn't yet taken place. Even the followers of the Marquis of Queensberry, better known as pugilists, go through the accepted touching of gloves before the bout and the usual embrace after a hectic, bloody battle.

Of course, the primary contest just ended must come under the category of a "bitter campaign" but there have been more mud and more mud slinging in elections where the two sides joined forces immediately after the vote count became official, and re-grouped their forces against the common political enemy.

Even those who have been following Springfield politics for many years and very few of the self appointed prognosticators can put their finger on what happened Tuesday. Marshall set a fast pace at the start of the campaign, increased his tempo and reached his strongest form in coming down the stretch. He appeared to be in the ascendancy from the beginning but he didn't stop swinging until the polls closed on Tuesday.

Mr. Nenninger's forces, we believe, were over confident until the last few days of the campaign and then, as they say, the horse was out of the barn. His was a very dignified campaign but elections can't be won these days with front porch or patio campaigns. There must be a certain amount of kissing babies, shaking hands and back slapping.

Marshall's victory is a personal triumph since he had to build his own campaign machinery against organized and entrenched strength. It will, probably, take some time to heal the bruises left by this primary contest but, politicians being what they are, they will let time and a few hot summer weeks ease the pain and then mend some of the broken political fences. Marshall, of course, still has a big hurdle before brushing off his seat in the Township Committee in the person of Vincent J. Bonadies, the Democratic color bearer for that position in the township governing body. The Bonadies supporters are drooling.

Water shortages threatening all communities, may inspire the Springfield Township Committee to clamp down on waste in the use of water. While Springfield's situation isn't serious the coming of the hot weather and the increase in air conditioning systems which require use of water, may cause some official action to forestall the threat of shortage.

Representatives of the Springfield administration may explore the possibility of joining with the recently organized Water Users Association, Inc., a non profit group whose purpose it is to study, promote and render assistance in the development of new or additional sources of water, to advocate conservation and economical use of water; to study ground water conditions and the effect of well pumpage; and to furnish information to the general public and members of the Association.

Officers elected at the first meeting were Walter F. Schultze Jr., Bristol-Myers Co., President; Herbert J. Cooper, The Cooper Alloy Foundry Co., Vice President; Mr. Morris Lubin, Hatfield Wire & Cable Co., Treasurer, and Mr. James R. Ozias, McCarter, English and Studer, as Secretary-Counsel.

According to President Schultze, the immediate efforts of the Association will be directed toward educating all water users in the area of the urgent need to cope with the critical conditions arising from the recurring water shortages. Efforts will be made to enlist widespread membership in the critical area of Essex, Union and Middlesex counties.

Mayor Binder

(Continued from page 1)

a full time job as both Building and Plumbing Inspectors. It was my thought then, and it still is, that these positions should be divorced of other outside interests such as private contractors, or real estate ties.

"Where was the secret dark corner wherein I held these under-the-table, sinister, whispering conversations. Of all places, in broad daylight, in the Town Hall. Dishonest, insincere, poppy-cock—it's the most ridiculous, childish, unfounded charge that could be conceived by a mature man.

"In many instances I was able to effect an improved organization and I cite the hiring of a Planning Expert, a full time Engineer, and establishing a Department of Public Works, a most important Department, which incidentally I assigned to Mr. Remlinger, who feels he was let out in the cold, but nevertheless in whom I had faith and confidence, in spite of his unfortunate alignment and arguable mendacity. These changes for the better did not come about thru wishful thinking, but thru personal research and contact with various and sundry individuals and groups.

Charges Precipitate
Compare this way of operating

or organizing with such incidents as the attempt to by-pass Albert Sorce's appointment as Chief of Police, or the attempt to eructate one of the Tax Assessors. If there ever was a clique operating against the welfare of our employees or to the discredit of our Township, that was it, and only by the exercise of fair play and common justice was I able to overcome the pressure reportedly exerted by a disgruntled leader, and others who sought obvious personal gains.

"To Mr. Remlinger so naive as to think that those charged with organizing any group, does so without preliminary research, conferences and plans. The very basis of a successful organization is the cooperation of a working majority, and those charged with that responsibility must strive for that attainment. This is done on most every level of society, and especially so in governmental affairs. If this procedure is illegal, then Governor Meyner's current organizing at the State level, and President Eisenhower's efforts to organize at the Federal level, are certainly good examples of dishonesty, in Mr. Remlinger's opinion."

Township Ready To Install Morris Ave. Traffic Light

The Township Committee, through the medium of a letter, has informed the New Jersey State Highway Commission that it will prepare the necessary legislation to conform with their suggestions in the installation of traffic lights on Morris Avenue at the corner of Battle Hill Avenue. As soon as a reply is received from the Highway Commission, Springfield will set in motion everything needed to install the much needed light at that intersection.

Representatives from the Highway Commission and a group of residents from that area on Morris Avenue met with the Township Committee two weeks ago and discussed objections to the regulations and parking restrictions requested by the State before proceeding with the installation of the lights. It is understood that the hearing, ended with everybody satisfied and the job will go ahead as soon as Springfield hears from the Highway Commission.

Representatives from the New Jersey State Highway Commission were on hand to hear objections and the final recommendations will change the location of the bus stop at the corner of Morris and Battle Hill avenues, leaving room for more parking on Morris Avenue itself, although there will be a time limit. The "no left turns" will remain in the new regulations, according

to the reports. Installation of the traffic light at that intersection will start as soon as the necessary regulations are passed by the local governing body. The hearing brought out a fine representation of people from the neighborhood and everyone is reported to have left the meeting satisfied with the changes made in the parking regulations.

Former Mayor

(Continued from page 1)

district, where he polled 182 to 88 for Nenninger.

The Marshall supporters showed their elation with a series of celebration parties, the main one being held at the Orchard Inn after the final returns were in, where Marshall and Township Committee member Charles Remlinger received an enthusiastic ovation when they arrived. Marshall was called upon to deliver a victory address in which he thanked all those present for their efforts in his behalf and all those who worked for him during the campaign, pledging his support to the Republicans in the Fall general elections.

Mrs. Eleanor Worthington, running unopposed in Tuesday's primary and who won't even have any contest in the general elections, received a vote of 1526 in the Township. Former Representative Clifford Case showed that he has many friends in Springfield by getting a total of 1583, the highest in the Township.

Vincent J. Bonadies, the unopposed Democratic candidate for Township Committee who will battle "Bob" Marshall this Fall, led all the Democrats in Springfield with 163. Congressman Harrison A. Williams was next to Bonadies on the Democratic ticket with 158.

Fred Shepard, the winner of the Republican nomination for the Sixth Congressional District, received a vote of 469 here, leading all contestants for that office. Guy Gabrielson, Jr. was second with 203.

The Nenninger Freeholder candidates ran close together in Springfield with 972 for Carr, 955 for Daub and 931 for Mrs. Scheideler.

7 Accidents

(Continued from page 1)

Mountain and Flermer avenues with damage to the two passenger cars but no damage reported for the delivery truck.

Another accident occurred at noon on Saturday, according to the police report, at Shunpike Road and Mountain Avenue, when Irene DeCoursey of 100 Wabeno Avenue, turned into Mountain Avenue from Shunpike, striking a car waiting for the light to change. The owner and driver of the other car was Edward B. Shearman of Chatham. Damage was slight to both cars, the police report states.

Philip D. Wilson of 15 Evergreen Avenue, reported that he was walking at South Springfield and Evergreen avenues to make a turn when a car driven by Jacob Simmons, of Westfield, is reported to have run into him, damaging the bumper and trunk lid. Two other accidents appear on the police report but only slight damage was caused.

Ingeborg Williams MOUNTAINSIDE — Mr. and Mrs. John A. Williams of 10 Tanglewood lane have announced the engagement of their daughter Ingeborg to Arthur Uhlir, Jr. of Branch road, Peapack, son of Mr. and Mrs. Uhlir of Chicago, Ill.

Miss Williams was graduated Phi Beta Kappa from New Jersey College for Women and is employed as a technical assistant at the Bell Telephone Laboratories, Inc., Murray Hill. Mr. Uhlir is a graduate of Illinois Institute of Technology with bachelor and master's degrees and received his Ph.D. degree in physics from the University of Chicago. He is a member of Gamma Alpha, graduate science fraternity, and is a physicist at the Bell Laboratories.

of Pitt road, entertained recently in honor of the fifth birthday of their son, Bobby. Those from Springfield who attended were Mr. and Mrs. K. P. Young and son, Donald, of 172 Pitt road and Mr. and Mrs. Arthur D. Buckley and children, Karen, Denny and Susan of 187 Pitt road. Mr. Faithful of Irvington, father of Mrs. Handley, also accompanied the Springfield people.

Dennis Condon, son of Mr. and Mrs. Paul Condon of 82 Tooker avenue, celebrated his sixth birthday at a party recently. His guests were: Eddy Camaleri, Donald and Nancy Brown, Joan Willey, Billy Marjo, Donald and Gary Wolf, David Ronko, Pat and Don Cubberley, his cousin, Jeanne Moen and his sister, Janet, all of Springfield. Mr. and Mrs. Condon entertained at a supper party on Sunday evening for 23 relatives in honor of Dennis. These attended from Springfield, Kentilworth, Westfield, Elizabeth and Breton Woods. Dennis is in the kindergarten class at the James Caldwell school.

Mr. and Mrs. Alfred Stadler of 42 Tooker avenue announce the birth of a son, Michael Frederick on March 30 at Overlook Hospital, Summit. The Stadlers have a daughter, Susan, who will be three in June. Mrs. Stadler is the former June Daley of Plainfield.

Karen Buckley, daughter of the Arthur D. Buckleys of 167 Pitt road celebrated her 11th birthday recently. Decorations were in pink and white. Karen's guests were: Mary Maystark of Chatham, Judy Nelson of Union, Rosalie Sherman, Helen Buczek, Ellen Fox, Karen Cabibson, Maureen Neal, Barbara Rau and Linda Strader of Springfield. Karen's cousin, Jane Peterson and Marilla Eyer of Chatham took care of the games. Karen is in the fifth grade at the Raymond Chabohain School.

Mr. and Mrs. John Handley of New City, N. Y., former residents

Mrs. Campbell Died Saturday

Funeral services were held on Tuesday morning for Mrs. Mary Campbell of 9 Tooker avenue, who died on Saturday, April 17. Services were held at the "Young Funeral Home," 149 Main street, Millburn, at 8:45 a.m., then to St. James Church, where a High Mass of Requiem was held at 9:30. Interment was in St. Teresa's Cemetery, Summit.

Mrs. Campbell, who resided in Springfield for many years, leaves her husband, William A.; two daughters, Mrs. Herman Scriba of Springfield and Mrs. Walter Zestowny of Hampton and a son, William A., of Morristown.

Locals in Pingry Play Edmund A. Lefevre of 112 Tooker avenue faculty member of Pingry school is in charge of direction of "The King's Messenger," to be presented by the Pingry School Players on April 23 and 24.

Working with the production staff are Robert and William Jewett of 85 Forest drive.

Women Complete Nurses Aid Course

Four women from the Jewish Community Group of Springfield completed a Nurses Aid Course at Overlook Hospital, Summit, on Monday evening, April 12. They are Mrs. Arthur Brownstein of 155 Pitt road, Mrs. Ike Freeman of 407 Milltown road, Mrs. Meyer Biddleman of 122 Maple avenue and Mrs. Bernard Lyons of 125 Hawthorn avenue. This course consists of three Monday evening sessions.

Mrs. Brownstein is chairman of the volunteer workers of the Jewish Community Group working at Overlook. Besides the Nurses Aids, who work days and evenings, there are volunteers doing clerical work. There is also the Workshop, which sews both by hand and machine for the hospital. The Juniors of the Jewish Group decorated Easter eggs, which were given to the children confined to the hospital.

GIRL SCOUT CORNER

Springfield Girl Scout leaders have been invited to attend a Nature Study Course at Trallice Museum, Sunrise Lake, through the James Caldwell School on March 26th. Cub Pack 172 sponsored by the Lions Club of Springfield qualified as a Gold Star Pack for 1954. The Cubmaster is Victor Braucht and the Institutional Representative is Dean Widmer. Cub Pack 171 also sponsored by the Lions Club was also present for the inspection. The Cubmaster is Frank Holler and the Institutional Representative is William Jensen.

This Blue and Gold Inspection for Cub Packs is a personal inspection based upon Attendance, proper wearing of the uniform, proper wearing of the insignia, the deportment and personal appearance of the Pack. Red Star Inspection for Boy Scout Troops was also held.

This inspection is based on the same Personal Inspection as for Cub plus the Troop's yearly activities; Charter Renewal on time, Increased membership, Parents' Nights, Troop Attendance, Camping and Advancement. Troops present, though not qualified for Star Award were Troop 70 sponsored by the First Presbyterian Church, Scoutmaster Robert Heas and Institutional Representative Mr. Flemer, Assistant Scoutmaster Bill Phelps in charge of Troop 73 sponsored by St. James Holy Name Society, Scoutmaster Ed Kaye, Institutional Representative John Nolez.

The inspection was held under the direction of Northern District Executive Edward Clark and District Commissioner Elmer E. Meyer. Neighborhood Commissioners John Schwanhauser, Harold Auer, Tom Nelson and John Stanger assisted by Bill Jensen member of the District Committee served as judges.

Pack 171 held its monthly Pack Meeting Friday, April 9, at the Florence Gaudinier School. We were very pleased to have about two hundred present at this meeting. We had as our guests Cub Scouts and friends from Pack 172, and members from the Union and Hillside Model Airplane Clubs. We also were very fortunate to have with us Harry Gregory, a former Scoutmaster, who showed and explained some of the model airplanes made by the different members of the Union Model Airplane Club and the trophies they won. It was stressed at this meeting that everyone should have some kind of a hobby, regardless what it was. Emphasis was on the boys' after seeing this display of model airplanes, they will want to make this their hobby.

Two films were shown which were secured by Harry Gregory, Vernon Davies and Adam Korp of the Union Model Airplane Club. The sponsors of these films are the Pan American Airways of Long Island showing the "Nationals" and the Plymouth Motor Corporation of Chrysler Building in New York showing the "Internationals". These films were certainly enjoyed by all present.

Den No. 8, Mr. Hollander's Den, was the host of the evening. The theme of the month was "Lawn markers" which were displayed for all to see. The boys did a splendid job on this project. Awards were given to Den 1, 2, 6, 7, 8, 9, 10 and 11 for the theme of the month. 100 per cent attendance awards to Dens 3, 5, 7, 8, 9, 10 and 11.

Advancement Chairman, John Nolez, presented the following awards to the boys who earned them. Den 1, John Marino, gold arrow on Bear Badge; Den 6, Peter Funtigam, gold arrow on Wolf Badge; Den 10, John Johnson, gold arrow on Wolf Badge; Den 11, Harry Monroe, gold arrow on Wolf Badge, and Philip Vitello, silver arrow on Wolf Badge.

The 78th (Jersey Lightening) Division, an element of the New Jersey Army Reserve, averaged 10 miles a day for eight days in battling across the Coigne plain of Germany in the spring of 1946.

SCHOOL NEWS

RAYMOND CHISHOLM
KINDERGARTEN NEWS
Mrs. Dorothy Canadine
Mrs. Florence Towse

We loved having our mothers and some assistants visit kindergarten. We made little cards with spring pictures on the covers.

Our program included our regular daily work. Every child took part in singing, dancing, playing our nursery rhyme, and "The Three Bears" and presented our rhythm band.

The Lily of the Valley pipe was planned for Easter. Bloomed early so we presented them to our mothers.

Grade 1
Mrs. Mildred Thurber
Miss Clair Hoopmann
Miss Jane Schorr

We are all very happy to welcome the springtime. We have been looking for signs of spring. We went for a walk and we saw crocuses, tulips, green grass and a few flowers. We go out each day now for a game in our outdoor playground.

We have been reading about signs of spring in our newspaper, "The Weekly Reader". We read most of the words now so it is really fun.

Our class made a book about spring. They are gaily decorated with flowers and birds.

Mrs. Ackerman helped us make baskets for Easter. She also taught us to decorate Easter Eggs like they face.

We are all learning Easter songs to sing in assembly. Miss Hoopmann's class wrote their own words to two songs.

We are happy to welcome Kenneth Garber to Raymond Chisholm School from Chancelor Avenue School in Newark.

Grade 2
Miss Alice Rieg
Mrs. Ann Reaser
Miss Helen Peritz

The second grades are making a detailed study of life in Holland. The home life, costumes, games and dancing are being described in stories as well as being correlated with music. The children are making games and dancing are being described in stories as well as being correlated with music. The children are making games and dancing are being described in stories as well as being correlated with music.

Grade 3
Mrs. Ruth Grey
Miss Lucille Larus
Mrs. Betty Webster

We have been watching for signs of spring and have brought in twigs. We have discovered that foxgloves, willows, and red maple have blossoms before the leaves and that pear blossoms and leaves appear at the same time. We found the large buds from the apple tree contained both leaves and blossoms.

We were so anxious to have flowers that we asked Mrs. Ackerman to make some. Now with our own flowers decorating the room we feel that spring is really here. The Easter eggs, bunnies, and colored eggs all added to our feeling of spring. Paul Biederman brought in the record of "The Hop" and taught us the dance. That helped our Easter program in the assembly.

Grade 4
Mrs. Isabel Huff
Mrs. Lore O'Brien

The members of Mrs. Huff's class have finished making some very interesting pieces of sculpture out of wire hangers and other pieces of scrap wire. They are fastened to wooden bases and decorated with bright colored paper. Patsy-Bandmore made an unusual group of animals, including a bear, a lion and a monkey. They are an abstract sculpture.

Last Monday the boys and girls in Mrs. O'Brien's class began an Indian project. Our part in the spring festival is to portray the American Indians. Our social studies class learned that Indians had red or copper-colored skin, hair of either black or yellow, and eyes. Before the coming of the white man they wandered over the land as they pleased. Everything of value to them, the forest supplied them with food, clothing and shelter.

We are making our Indian costumes for our spring festival under the direction of Mrs. Ackerman. This week she has us busy painting shell mermen many say colors and aboriginal from necklaces, bracelets, and earrings.

Grade 5
Mrs. Margaret McGarrath
Mrs. Fredella Butts
Mr. Daniel Murray

The fifth grade pupils in Mrs. McGarrath's class, accompanied by Mrs. Panko, William Peacock, Louis Pfeiffer and Steven Bender from Mr. Murray's class spent Friday, April 2, visiting the Metropolitan Museum of Art and the Museum of Natural History in New York City.

The points of main interest in the Museum of Art were in the American wing. They visited a room built by the Pilgrims in Plymouth. The one room home furnished as the children saw it. The collection of the time the fireplace, as also called the hearth, light, and cooking facilities.

The rough hewn furniture served dual purposes when possible. The bed was in one corner.

The room in the revolutionary period is shown the furniture by play with imported wall paper, furniture, oil paintings and china accessories.

The ornate and elegant room was the only source of heat—a grand ball room in a wealthy mansion which was often visited by President and Mrs. Washington proved very interesting. Two programs showed the location of the mansion. The three-hour program was shown in the ball room. President and Mrs. Washington often led the dance.

A film on the revolutionary war was shown in the Junior Museum.

In the Museum of Natural History the children visited the Indian exhibit and then enjoyed a guided tour on the prehistoric period.

The group was accompanied by Mrs. Ackerman, Mrs. Lindquist, Mrs. Humphrey, Mrs. Morse and Mrs. McGarrath.

SCHOOL NEWS
Grades 6, 7, 8
Miss Florence M. Gaudinier, R. N.
Mrs. Lillian Hauffler, R. N.

Remember the good old days when a peanut butter and jelly sandwich was a thing of beauty and a joy forever? When a chocolate sandwich was a delicious treat to be consumed with such satisfaction to the taste buds as the rarely encountered in other foods of meats?

Well, and to state, those days are gone forever. In this culture of medicine and its associated science, there is a new trend of thinking. One no longer sits for the sheer pleasure of personal satisfaction. Magazines, newspaper articles, radio and television commercials have been making us aware of the foods we eat and the ingredients contained therein.

Mrs. Lenora Johnson

"Apples, so each! Tomatoes, so each! You can buy all these at 'School's Market' in our classroom. You made lots of vegetable and fruit for Father's Mother's. Another part in our store sells real fruits and cookies. We sell these at retail price. Besides learning our money values, we learn about pound, quart, dozen and half dozen. This helps us in arithmetic.

We are studying about our school. We made pictures about the people in our school and wrote stories about them.

Grade Two
Miss Jeanne Wilder
Mrs. Lenora Johnson

We enjoyed our music class with Miss Le Fore last week. She played a tune by Mozart and we decided to learn it. We sang it. Then we thought and thought. Soon we thought of some pretty words to go with the tune. Here they are:

Hush-a-bye-baby, go to sleep now. Shut your eyes, now don't you cry. Hush-a-bye-baby, mother is near. Sleep and dream my little dear.

Robert Gardner brought in some baby fish for the boys. He said that the fish are so small that they are just starting to show through the dirt. We think it will be interesting to watch the fish and the plants grow.

Grade Two
Miss Jeanne Wilder
Mrs. Lenora Johnson

We have been learning some things about a small country called Holland. Our teacher visited Holland on one time while there. She told us about many windmills, dikes and canals. We learned that Holland is a very small country. The Dutch people are very friendly. Our teacher read to us a book called "The Hero of the Dike" in the primary assembly. We learned a great deal about Holland. We would all like to visit Holland some day.

Grade Three
Mrs. Lorraine Wilkenson

This week we took a trip to Fisher's Island. We had a picnic on the island. We had all kinds of bread. We especially enjoyed watching the ducks. The Dutch people are very friendly. We enjoyed our trip a great deal and we are now looking forward to going to the Bronx Zoo in May.

Woman's Club News

Mrs. Joseph Carliero of the Millburn Florist was guest demonstrator at the last American Home Department meeting on April 18th at the home of Mrs. Eric Pedersen, 228 S. Springfield Ave. Mrs. Carliero stressed that in flower arranging few flowers should be used often, and throughout the evening demonstrated how this principle was responsible for some very lovely and unusual floral displays. An outstanding arrangement was one using exotic birds of paradise flowers and tea leaves set in a striking black pottery dish. Purple Scotch heather, red and white tulips, and tulip leaves combined to make an attractive arrangement set in a black wrought iron stove top. White roses and podocarpus in a white Madonna vase was striking in its simplicity as was the arrangement of red carnations, red huckleberry in a white pitcher. Some lovely spring arrangements gave department members ideas for creating their own centerpieces. An Easter arrangement set in a straw pocketbook was one example of how to use flowers from our gardens such as pussy willows, daffodils, and tulips. A pale pink arrangement designed by Mrs. Carliero, who used flowering quince, pink carnations, red huckleberry, and carnation foliage, was exquisite. The arrangement was shown in a wicker basket to which two pink bunnies added a whimsical touch.

The various types of fillers used in flower arranging were discussed and shown. Vermiculite, oasis foam, pin holders, and clay were used.

As a part of the evening's program, Mr. Vincent Bonadies showed movies of the Exchange Recipe Dinner held by the department and one of their most successful projects. Pictures taken at the benefit performance of the Minstrel Show were also enjoyed.

Mrs. Bonadies distributed booklets to everyone containing recipes of the various dishes served at the Recipe Exchange Dinner.

Department chairman, Mrs. Henry Ostrom, is always happy to welcome new members to the American Home Department meetings.

The Northern State Program Conference was held in Newark on April 13th and 14th. Mrs. Drew D. Hall, State Program Assistance Chairman, was the presiding officer. Springfield Woman's Club President, Mrs. Edwin G. Devenport, and Club President, Mrs. Merton D. Williams, attended the Tuesday session which was held in Federation Headquarters in Newark. In attendance at this meeting were Program Chairmen and representatives from clubs having a membership of 200 and over. Reports were made by the various club program chairmen of their yearly activities, explaining the many club programs they had arranged, and how they were received by the club membership. A discussion followed the reports.

On Wednesday, a conference for smaller clubs and for department chairmen was held in the Newark Contemporary Club, and seven women from our club were able to attend. They were Mesdames Christian Anderson, Vincent Bonadies, Rupert Humer, Henry Ostrom, John Pitney, Merton Williams, and Joseph Zidonik. At this meeting suggestions were given for department programs and how to make them interesting and informative.

Mrs. Robert Hayes, 175 Short Hills Ave., was hostess to members and guests of the International Relations Department at home on April 18th. A fascinating talk was given by the hostess on life and conditions in China. Having come to this country in 1938, after living all her life in Shanghai, Mrs. Hayes spoke knowledgeably of the people and culture of this region. She was dressed for the occasion in an oriental hostess gown and to illustrate her talk showed her wonderful collection of Chinese art objects and clothing. To all who attended this department meet-

MARKS 25th YEAR—Herbert E. Fay of 56 Hillside Avenue, celebrated his 25th year with the New Jersey Bell Telephone Company. Fay is also a volunteer fireman and secretary of the State Firemen's Association.

ing, it was a rewarding evening, highly informative and educational.

Mrs. Gilbert Mann, department chairman, presided at the business meeting. It was decided that a box of children's clothing should be sent to Greece in response to a letter received from the wife of a Coast Guard officer stationed there telling of the great need for this apparel. If you have any article of clothing which you might care to donate to this worthy cause please contact Mrs. Mann, 11 Alvin Terrace, or call MI. 8-0022-J and she will be happy to call for it.

The music Department is doing some serious practicing in preparation for the forthcoming Northern State Music Festival to be held May 4th in the Orange Women's Club. Under the direction of Mrs. George Lancaster, the chorus will be heard in "Stout Hearted Men." The regular department meeting will be held on April 27th at the home of Mrs. Herbert Kern, 224 Baltusrol Ave. at 8:00 p.m.

Mrs. George Lancaster will be hostess to members of the Executive Board at her home, 23 Alvin Terrace, on April 28th at 8:00 p.m. Mrs. Watts D. Chapin and Mrs. George Rau will be co-hostesses.

The annual Federation Day Sale for the Blind will be held this year on April 30th at Kresge Newark. Make this a must on your calendar—you will feel better for doing so!

Celebrate 45th Year Together

Mr. and Mrs. John M. Fecher of 34 Tower drive will celebrate their 45th wedding anniversary tomorrow, April 23, with dinner at the Mayfair Farms with their family and friends. They will receive a special blessing at the 7:30 Mass tomorrow morning at St. James Catholic Church.

The couple were married in St. Antoninus Church, Newark. Mr. Fecher was born in Newark on December 27, 1888 and Mrs. Fecher was born in Newark on January 17, 1893. They moved from Newark to Springfield 13 years ago. On May 27 they will leave Springfield and move to a new home in Neptune City. Mr. Fecher has been employed for the past 28 years as Supervisor of Foremen Training in the State Board of Education in New Jersey.

The Fechers have a son, Joseph D. Fecher of East Paterson and a daughter, Mrs. C. J. Wille of 23 Mountain Avenue, Springfield. They have seven grandchildren, Charles C. Wille, Jr., Donald Wille, Miss Helen Fecher, John Fecher, Joseph Fecher, Jr., Gerald Fecher and Miss Diane Wille. Also two great-grandchildren, Donald M. Wille and Theresa M. Wille.

Hadassah Group To Meet Monday

"Opportunity Night" will be the program of the Millburn-Springfield Hadassah at their meeting to be held on April 26 at 8 p.m. at the Temple B'nai Israel.

Mrs. Jacob Kesselman will report on her recent interesting trip to Israel. Mrs. Jerome Holder, chairman for the night, has arranged additional items of fun and surprises for the meeting's activities. Theodore Yeckes and Lewis Warner will conduct an auction sale of antiques, white elephants and foods. Mrs. Martin Berger will officiate at the short business meeting.

Reception For New Members

The officers of the First Presbyterian Church of Springfield are planning to honor the new members who have joined within the past year at a reception to be held in the Parish House on Thursday, April 29, at 8:30 o'clock. This year's class, 157 in number, is believed to be the largest addition to the membership in the history of the church.

H. Burt To Wed Morristown Girl

Mr. and Mrs. Harry G. Burt of 170 Linden Ave., announce the wedding of their son, Harry G. Jr., to Miss Doris Jones of Morristown, on Saturday, Sunday in the Presbyterian Church at 2 o'clock. Rev. Evans officiating.

Mrs. and Mrs. Michael Ferraluzio of Cedar Knolls stood up for the young couple.

The bride wore a powder blue handkerchief linen dress with pink accessories and wore a beautiful orchid. They will honeymoon in Niagara Falls for two weeks, after which they will reside on "Love Land" Ave. in Madison.

This was a very exciting week for the Burt, Seniors as Mrs. Burt also gave birth to a baby boy on Monday, April 12th. He weighed 8 1/2 and will be called Gary.

To Hold Barn Dance

The Country Dances Association will hold a barn dance at the Old Evergreen Lodge on Friday, May 7, with George Hill's orchestra furnishing the music and entertainment. Everyone is invited, to attend this affair and tickets can be had by contacting Mrs. Fred

Short Hills Girl Feared At Shower

Miss Gloria Ness of Short Hills was guest of honor at a miscellaneous bridal shower on Saturday evening, April 3, given by her cousin, Miss Judy Rapp of Milltown road, at the latter's home. Decorations were in blue and white.

Guests at the shower were: Mrs. O. Selover, Mrs. H. Rapp, Mrs. Frederick Rapp and Mrs. Charles Kimmel of Springfield; Mrs. B. Hulfish and Miss E. Rath of Newark; Mrs. A. Jacob of Maplewood; Mrs. F. Cooper of Jersey City; Mrs. R. Sandler of Millington; Mrs. E. Cleaves and Mrs. M. Schultz of Watchung; Miss Doris Richards of Scotch Plains; Miss E. Rapp of Greenwich, Conn.; Mrs. Harold MacWright and Mrs. Paul Ness of Short Hills and Miss Doris

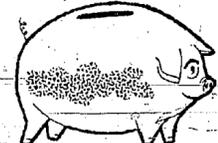

Beisinger, chairman of the committee, or Mrs. Carl Ledig at the door.

A very enjoyable program has been arranged for the affair with door and number prizes for all those attending. Admission tickets are \$1.00.

Rutherford of Mt. Vernon, N. Y. and Mrs. Harold C. M. Wright Mrs. Ness, daughter of Mr. and of Short Hills in the Presbyterian Church, Morristown, will be married on May 15 to Miss Rapp will be her cousin, Clark MacWright, Jr., son of Mr. and of

To every Uncle in the whole wide world...

UNCLES are more wonderful than anybody, and children can never have enough of them. When uncles come to visit you, they bring you candy and presents, and they talk to you like you were a grownup yourself, and they let you do things your mother mostly won't let you do. My favorite uncle is Uncle Ralph. He's sick in the hospital with cancer and people say that he is going to die because they found out about it too late. They say that only a miracle can save him, and you can't expect miracles. But my father told me about an uncle he had once (did you know fathers have uncles, too?). And this uncle was supposed to die for sure because he had something called diabetes. But he's alive now, though he's very old and lives in St. Petersburg, because they found something called insulin. Maybe somewhere scientists will find something that will save my uncle. Dad says they're trying all the time and they're making lots of progress, but they need more money. Last year, he says, people gave the American Cancer Society enough so they could spend almost \$5,000,000 to try to find new cures for cancer. Dad says that is more than ever before, but it is less than four cents a year for each American. That doesn't seem like much, because I get more than that for gumdrops in just a week, when I'm good. I thought if all the other uncles knew about this, then they would send more than four cents—lots more. Won't you? Please.

Bulldogs Unimpressive In Loss To Union 7-1

By BOB DUBOW
After four consecutive triumphs Coach Bill Brown's charges finally suffered their first setback. The Bull Dog nine looked very unimpressive after a long week-end layoff in this 7-1 defeat at the hands of the Union Farmers, who had a scant 1-1 record.

Pitcher Joe Schaffernoth in spite of allowing a run in the second inning did a commendable job the first three frames, striking out 5 of the first 6 outs. Schaffernoth collected 8 strike outs all together including up to the 6th inning when he was replaced by southpaw hurler George Reynolds. Behind 1-0 going into the fourth the Regionallites managed to squeeze a run in and knot up the score. John Ziegler, Bull Dog backstop, led off the inning with a single which was the first of his two hits. Bob Larson then slammed a hard grounder down the third base line but a good fielding play robbed Larson of a hit and a nice throw got Ziegler at second, leaving Larson on first with one away. Bob Ciravato then forced Larson at second and reaching first himself on a grounder's choice. First sacker Ed Ruby then came up to the plate and belted a long double which drove in the only Regional tally of the contest. Ed was tagged out trying to make third on the toss home. This was the last out and terminated the Bull Dog half of the fourth stanza.

First Aid Squad Visits Carteret

Six members of the Springfield First Aid Squad journeyed to Carteret to participate in the 20th anniversary of the Carteret First Aid Squad which was featured with a parade of 16 ambulances from 16 municipalities in Union and Middlesex Counties. Five squad teams of the district took part in a contest with first place going to the South Plainfield organization. There was a tie for second prize between Fanwood and Milltown but trophies were awarded to both. The prize for the most ancient ambulance on display went to Columbia and the most modern and best equipped outfit honors were awarded to Fanwood. Lieut. Vincin Brooks, of the New Jersey State Police delivered a very inspiring address, pointing out how fortunate the communities were where there was an active first aid squad.

Those attending the anniversary meeting from Springfield were Mr. and Mrs. John Wilson, Mr. and Mrs. George Bowles, Mrs. George Lancaster and John Baier.

COMMONWEALTH WATER CO.

but in the culminating frame the Springfielders got an insurance run and the Unionites failed to score. Pacing the Bull Dogs at the plate were Rich Fuchs who had 2 for three, Ron Golcher collecting 2 for four, and Sol Chester 1 for two.

Also having the misfortune of suffering a defeat were the Baby Bull Dogs who played host to JINGRY on Monday. The Bull Dogs bowed by a score of 9-7. This was their first loss in three contests. They had previously scored over Woodbridge and Roselle.

H. G. Nenninger To Attend Conference

Harold G. Nenninger, of 23 Bryn Avenue, will attend a two-day pension and profit-sharing conference to be held by the Penn Mutual Life Insurance Company, April 26 and 27 at the Columbia University Club in New York City. The meeting will be attended by thirty company representatives from the northeastern part of the United States who are experienced in the arranging of pension plans. The faculty, which will come from the company's home office in Philadelphia, will consist of Aaron M. Royal, manager of field training; Malcolm V. Davis, assistant manager of employee benefit plans, and Robert W. Hamilton, assistant counsel.

Springfield Youth Baseball League Meeting Tonight

The Springfield Recreation Commission will hold a "Youth Baseball League" meeting at 8 p.m. tonight at the Town Hall. An open invitation to attend is extended to all adults, regardless of race or creed, interested in the Springfield Youth Baseball League, especially the Dads who attended the Father and Son baseball night three weeks ago.

The Springfield Recreation Commission will have the following men on hand, Edmund Hoffert, Lester Lawin, and League Director, Edward J. Ruby, who will explain the organization plans, Constitution and by-laws, and the plans of the baseball league tryouts scheduled to start Monday evening, May 3rd. We will also nominate officers of the Springfield Youth Baseball League, with various committees set up to guide the welfare of the boys.

Any sponsors, service clubs, merchants or industries who would care to uniform or furnish equipment for the operation of the league are invited to attend. The tryouts will start Monday evening, May 3rd, lasting for ten days, at the conclusion of this tryout period, four teams will be selected, fifteen boys on each club, playing a twelve-game, six week schedule, two games each week.

Boys who do not make the grade in the tryouts will revert to a minor baseball group, these boys will practice two nights a week, and will have an opportunity to replace any boys who might drop out due to injury, illness or failure to attend regularly scheduled games. A report card will be kept by those supervising the tryouts, which will be kept by the league directors for reference. Managers, Coaches, plus trainers, scorers, and publicists will be selected during the tryouts. The league is also in need of men who would like to

serve as baseball umpires, a service of these volunteers only once every two weeks, if sufficient men volunteer. Every boy registering for participation in the Springfield Youth Baseball League must have his parent sign a waiver prior to his participation in the youth baseball tryouts. The Recreation Commission will take every precaution to insure the safety of all boys participating, safety helmets will be worn by all boys taking batting practice and during games. Catchers will wear their usual heavy paraphernalia and protective equipment. No baseball spikes (metal cleats) will be permitted by the youth group, this to protect all infielders from spike bruises on slides.

When the league is in operation, a schedule and sites of games will be announced each week in the Springfield Sun, results will be published, as well as player batting and fielding averages; plus player changes whenever made. There is considerable need for additional men to supervise the tryout of the two hundred boys during the ten-day trials. Anyone interested in helping is advised to contact League Director Edward J. Ruby, or attend the next meeting scheduled for Thursday evening, April 29, at the Florence Gaudineer School.

"Softball League Meets"
The Springfield Recreation Commission will meet next Tuesday evening at the Springfield Fire House. The meeting will start at 8 p.m. with League Director Edward J. Ruby in charge. Any industrial teams, or service clubs within the town who would care to participate in the league are requested to have representatives on hand. The league is open to all adult groups within the township especially for those interested in an after-supper recreation activity.

New Home of Public Service Meter Shop located off Highway 22 occupies 30,000 square feet.

New State Meter Shop Of Public Service Now In Full Operation

The new State Meter Shop of Public Service Electric and Gas Company, construction of which was started in May, 1952, on a 6 1/2-acre plot fronting on Brown and Weber avenues, Springfield, about 400 feet north of Highway U. S. 22, went into full operation early this month.

This meter shop combines the former 23 scattered district meter shops located throughout the state in a single location. Large volume meter repair operations, involving specialized equipment and supervision, has been made possible. About 150 employees operate the plant which, in the initial installation, is designed to repair up to 900 meters daily or 225,000 annually.

Shipment of meters to the districts is made on specially designed trailer trucks that carry meter hand trucks providing rolling storage for both the district and state meter shops.

Manual meter handling is largely eliminated by the use of both carrier type and moving belt type conveyors. Meter testing and adjusting equipment is operated by electronic controls in air-conditioned atmosphere. Meters are opened by a gas and electric machine instead of manual de-soldering, and are cleaned of manufacturing gas deposits by dry-chlorobenzene instead of the usual caustic solutions. Meter paint stripping, meter degreasing, and electro-seal high voltage die spray painting operations are carried out by machines requiring only stand-by operators.

Special facilities, such as overhead monorail, hydraulic work platforms, etc., are available for heavy industrial meter handling. The diaphragm department has an automatic tying machine and a motorized storage rack. Other facilities include an instrument repair room, regulator repair room, parts fitting apparatus, maintenance and sheet-metal shop, lunch and assembly room, and first-aid room. The office includes punch-card machinery to provide comprehensive statistical data on meter operation and the complete records of over 1,000,000 meters.

All these facilities are housed in a one-story square building 277 feet wide, approximately 30,000 square feet in area. It is of steel frame, concrete block construction. Foundations, crawl space, and floor space are re-reinforced concrete. The crawl space, extending approximately 1/3 of the floor area, contains the ducts of the ventilating system and the service and process piping systems. The concrete block walls are seveco finish except the front central portion where the offices are located. This has a brick and stone treatment. The roof is a precast slab with a water-tight finish.

The shop is air-conditioned throughout. To reduce the load on the air-conditioning equipment, the roof will be covered with water to a depth of 3 inches during the summer season.

The shop also has the complete protection of a sprinkler system.

Canio Casale Wed To Millburn Girl

Miss Nerette Pontanoff, daughter of Mr. and Mrs. P. Pontanoff of 308 Main street, Millburn, became the bride of Canio Casale, son of Mrs. Anthony Casale of 128 Springfield avenue, on Sunday, April 18, at 4:15 p.m. in St. James Catholic Church. Rev. John Mahon performed the ceremony. A reception followed at the Cranwood in Garwood.

The bride was given in marriage by her father and had as maid of honor, Miss Mary Long of Morris Plains, brother of the groom. Ushers were Pat Pontanoff of Millburn, brother of the bride and Sal Summartino of Millburn, cousin of the groom.

The bride wore a gown of Chantilly lace styled with off-shoulder scalloped portrait-neckline, long pointed sleeves and bouffant skirt of tulle over a scalloped satin train, with lace panels at the sides extended into a bustle effect back. Her fingertip veil of silk illusion is draped from a cap of matching lace and tulle. She carried a prayer book with baby orchids and orange blossoms. Miss Long wore a gown of orchid silk organza and a matching picture hat. She carried a bouquet of white carnations and orchid-baby orchids.

After a wedding trip to Miami, Florida, the couple will reside at 128 Springfield avenue.

Mr. Casale is a graduate of Regional High School and College of Agriculture, Rutgers. He is owner of Casale's Farm. Mrs. Casale is a graduate of Millburn High School and Glassboro State Teachers College. She is employed by the Cranford Board of Education, as a third grade teacher in the Lincoln School in Cranford.

To Exhibit Art At Club Show

Five exhibits will be entered by the Springfield Woman's Club in the Annual Art Symposium of the New Jersey State Federation of Women's Clubs on Saturday, April 24th, at New Jersey College for Women in New Brunswick. A water color by Miss Gertrude Sala, two pastels by Mrs. Joseph Zidomik, a ceramic piece by Mrs. Zidomik, and a ceramic plate by Mrs. William DeLeonard will be shown.

The public is invited to attend the Art Symposium which will include, in addition to the art exhibit, a demonstration with commentary, "Oil Painting" by Mr. Stephen Juheros, prominent New Jersey artist. A picture clinic and discussion of awards will be conducted by Mr. Henry Gasior, nationally known artist, teacher, and writer.

The Art Symposium will be held from 10:00 a.m. until 3:00 p.m. Further details may be secured from Miss Gertrude Sala, 468 Mor-

Baltusrol Civics Sponsor Egg Hunt

Some bunnies fled, some peered surreptitiously as they hurriedly searched for Easter eggs in the woods off of the Irwin Playground last Monday.

About 125 children competed in different age groups with the winners in each group receiving a large chocolate bunny as a prize. All others did not go unrewarded for each received the customary colored and chocolate marshmallow eggs.

Much credit for the success of this yearly event, which is sponsored by the Baltusrol Civic Association, is to be given to Mrs. Earl Neal, chairman. The Easter Egg Hunt had originally been scheduled for Saturday but was rained out.

LaPiere Promoted At Chase Nat'l Bank

Gilbert H. LaPiere of 245 Morris avenue, Springfield, who has been a petroleum engineer affiliated with the Chase National Bank of New York City for several years, has been recently promoted and is now an officer of this banking institution in charge of financial matters relating to petroleum engineering being handled by the Chase National organization.

Mr. LaPiere is now on a business trip to Los Angeles in connection with his new duties as an officer of the New York bank. He is a graduate of Newark schools and the Kollo School of Mines, and the family moved to Springfield last June. The LaPieres have two daughters, aged four and seven, and have made many friends in Springfield in the short time they have been residing in the township.

Letters to Editor

Editor, Sun:

Recently in your April 8 issue appeared a write-up regarding the Baltusrol Civic Association's efforts to avert a rezoning variance on Mountain ave.

May I point out that two editorial liberties were taken by you that tended to convey an erroneous impression.

In the phrase "take matters in their own hands," the intensive adjective "down" was not in the prepared statement you received and lent a volume of tone we presumably tried to avoid.

Also your insertion of the following words: "... and a good crowd of objectors is expected to be on hand" etc., which are not ours at all, constituted the clinching touch that gave a completely different coloration to the original text.

I hope this will correct any unfavorable impression that may have been left with your readers.

Sincerely,
D. T. STAMPELMAN, Pres.
Baltusrol Civic Assn.
April 19, 1954.

NEW RESIDENTS IN SPRINGFIELD

Mr. and Mrs. Harold Burg, 232 Lelak avenue.
Mr. and Mrs. J. Bossong, 51-B Plomer avenue.
Mr. and Mrs. William H. Coads, 59-D Linden avenue.
Mr. and Mrs. Jay Doros, 32 Kew Drive.
Mr. and Mrs. E. Ellner, 17 Henshaw avenue.
Mr. and Mrs. George Milne, 32-A Wabeno avenue.
Mr. and Mrs. Raymond Ward, 180 So. Springfield avenue.

Extension Service To Present Speaker

Mrs. Mary Armstrong, Union County Home Agent, will come to Springfield, Wednesday, April 28, to address a meeting to be held at the Springfield Library from 7:30 to 8 p.m.

She will bring a most helpful message for all homemakers. Her topic will be "Making Your Kitchen Cabinets Work for You."

All the homemakers in the area are invited and urged to attend.

Parish Players To Repeat Show

The Parish Players of St. Stephen's Church, who enacted the religious drama "It is I" at St. Stephen's Fellowship Meeting on Palm Sunday, have been asked to give a repeat performance at Christ Church, Short Hills, Sunday evening, April 25th at 8 p.m.

The play, by Ethel Genser Rockwell, depicts the incidents of Passiontide leading up to the betrayal of Jesus Christ by Judas Iscariot. Those again participating will include Hazel Trundle as Mary of Magdala, Judy Sorensen as Joanna, wife of Herod's chief steward, John Dyer as Pontius the Roman, O. Warren-Conner as Judas Iscariot and Arthur Macomber as Mithrael, an aged servant.

The play is directed by John Dyer, visiting exchange teacher from Wales, who is a graduate of the Royal Academy of Music and Dramatic Art, London. He is presently teaching in Millburn High School.

One of the most important discoveries of cobalt in recent years was made recently at Moa Bay on Cuba's northern coast.

Church Ladies To See Filmstrip

A filmstrip on "The Protestant Reformation" was shown at the regular monthly meeting of the Ladies' Evening Group of the Presbyterian Church in the Parish House at 8:15 p.m. last night. Mrs. Thomas Gades, program chairman, will give the commentary.

The Group celebrated its third birthday at this meeting and special guests included the members of the Ladies' Benevolent Afternoon Group. Plans for the Fashion Show, scheduled for May 19, will be consummated at this meeting.

Legion Ladies To Meet

The regular monthly meeting of the Ladies Auxiliary of American Legion Post of Springfield will take place tomorrow, May 23, in the Legion Hall, Mrs. Vera Wilson of 36 Clinton avenue, presiding.

Following the meeting a Copper Craft Demonstration will be held. The demonstration, which will begin about 9:45 p.m., is open to the public.

Dear Sir:

Reference is made to the many editorials appearing in local newspapers throughout the country. Many have to do with the bills now before Congress, granting Postal Pay Increases, and others about Postmaster General Arthur E. Summerfield's proposed pay increase by reclassification.

Postal employees are backing the bill in Congress known as the Withrow Bill HR 2344 which would grant an overall increase of \$800. This amount is quite a substantial increase to most people, but according to facts based on the 1953 cost of living - the Postal workers are \$781 behind the living cost.

The last raise received in the Postal Service was 1951. The employees in private industry have to wait that long for a pay increase? Do they start at \$3270 per annum and take nine (9) years to get \$4070 per annum. Compare
