1st Aid Squad Seeks Help To Build Service

The Springfield First Aid Squad has mailed coin holding cards to all residents in the Township as the first step in their drive for funds necessary for maintenance, new equipment and money to go toward the building of headquarters. The card has circled "cut outs" in which quarters can be inserted and all residents are asked to put the twenty-five cent piece in the circle marked "GAS" this week.

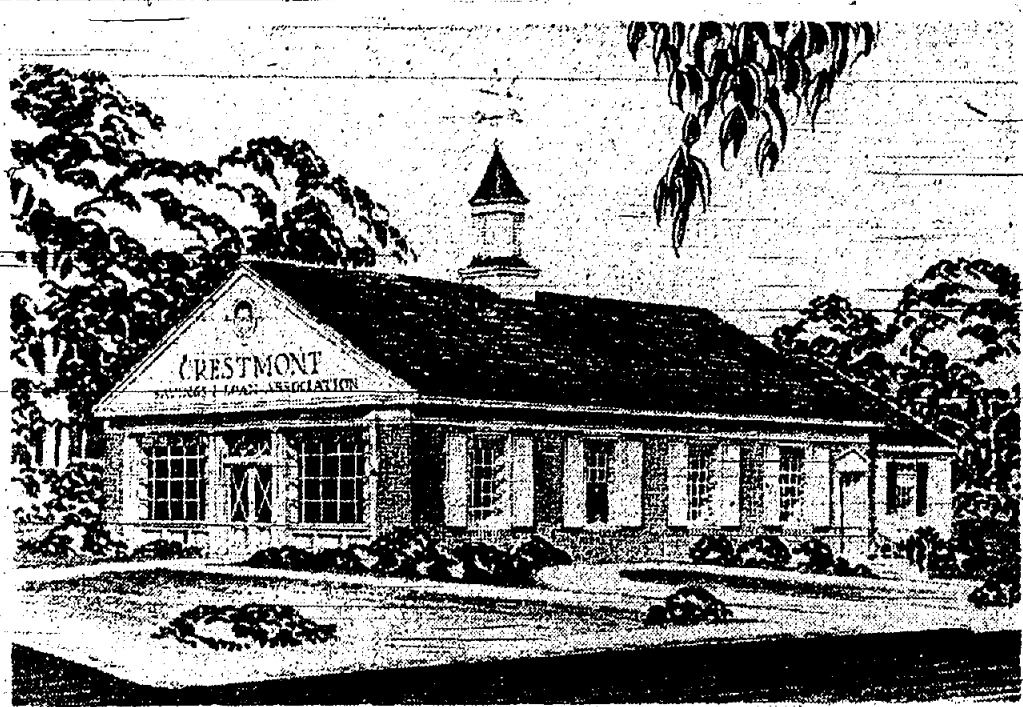

The idea is to insert a quarter each week and workers of the First Aid Squad will call on each resident after the summer to collect the cards with the coins. Nearly everybody in Springfield appreciates the wonderful service rendered by the First Aid Squad but few realize just how hard these volunteers work in doing their "mercy" jobs. For last year the local squad responded to 235 calls, 169 of which were emergencies which means that hurried and frantic calls were made at all hours of the day and night. Of these there were 68 transportation calls which means they were alerted to forehand to transport a sick or injured resident.

HELP 1ST AID SQUAD
MAY 22—Remember to insert your quarters in the circle marked "GAS" on the FIRST AID SQUAD CARD. This item is most necessary as you know. To give you the service you request.

The record shows that 3,256 miles were covered by the ambulance, 902 men-hours put in on ambulance, 22 large oxygen and 35 small tanks used and there were seven oxygen tent calls during this period. All members buy their own uniforms. Women members help in the washing of the ambulance. The supply sergeant sees that linens, blankets, towels, pillow cases and all other squad supplies are kept clean and in the best of condition.

In the first four months of this year, 1954, the Squad responded to 78 calls, 48 being emergencies and 33 transportation. They have already covered 900 miles and used up 301 man-hours, 3 large and 8 small oxygen tanks and there was one oxygen tent call.

CYO Baseballers Break Ground Open League Sun Soon For New Crestmont Home

The official opening of the St. James C.Y.O. Baseball League will take place this Sunday, May 23rd, at Meisel Avenue Field. Game time will be at 2 p.m. but the players will march at 1:30 p.m. from the field's entrance to the diamond, where the spectators will be given a preview of the four teams in full uniform. There will be two games, consisting of three innings each, so that all the youngsters can display their talents before parents and friends. Rev. Aloysius Cairney, pastor of St. James, will throw out the first ball.

Among prominent officials present will be Rev. Roland Muenzen, Archdiocesan C.Y.O. Director of Union County, Rev. Harold Murray, Assistant C.Y.O. Director of Union County, Mayor Albert G. Binder, and others.

The four sponsors, Bond Electronics, Russel's Men's Shop, Springfield Sheet Metal Works, and Al Boninger will also be on hand to witness this gala opening.

IN COLLEGE PLAY

Miss Shirley Sweeney of 162 Meisel Avenue, participated in a one act play presented by seniors at the New Jersey College for Women who are majoring in English and dramatic art at the campus theatre in New Brunswick last week.

Ground will be broken within a week and work started on a new office in Springfield, made necessary by the merger of Springfield Savings and Loan Association of Springfield and Crestmont Savings and Loan Association of Maplewood, the permanent office being prepared at the corner of Morris Avenue and Linden Avenue, the property formerly owned by St. James Catholic Church.

The building will be renovated for use of the Crestmont Savings and Loan Association and will be of colonial design. It will be a brick veneer exterior. It is the intention of Crestmont to furnish the property with proper savings and loan equipment on the interior, including proper vault equipment. Modern heating and air conditioning will be installed for the convenience of the public and for those who will be working in the building.

The two associations were merged as of February 2, 1954, and as one is presently operating in the office of Edward A. Conley at 277 Morris Avenue. Crestmont Savings was organized in April, 1942, and opened for business as an insured association in September, 1942. Crestmont first operated in a small building which was renovated for its use on the corner of Prospect Street and Springfield Avenue and known as 1836 Springfield Avenue. Maplewood's assets were under \$1,000,000 at the end of 1942 and at present is over \$16,000,000 in assets. In 1950 Crestmont had outgrown its building and erected a new one which was ready for occupancy in August, 1951. Assets were then about \$8,000,000. The new building maintains itself to a great extent by reason of rental space on the second floor.

Springfield Schools Offer Instrumental Music

(See photo Page 4.) Instrumental lessons as a regular part of the Springfield school program are one of the biggest "extras" offered to the children. Do you, as parents, know how your children can take full advantage of the instrumental music program? In order to acquaint you with the program, let us visit one of the schools and go on a musical tour of the building.

As we approach we can already hear the rhythmic sounds of many instruments playing together. That is the orchestra in rehearsal. The children are getting ready for their Spring concert.

Now, let us glance in at the third graders. They are learning to play the song flute. This small toy instrument is a great help in teaching the children to read music and in determining their adaptability for a real musical instrument later on.

Do you hear the strains of "Yankee Doodle" being played on a trumpet? Some of our children are preparing for an amateur show. This gives our young instrumentalists encouragement and a chance to perform, no matter how simple the piece may be. It also helps to develop police and self-assurance.

Let's go down to the music room now and observe a lesson. Do you hear the specially selected music? It must be the beginning class of violins. They meet together for a half hour once a week. Extra help is given as needed and to

PROCLAMATION

WHEREAS, there are approximately 1400 children and adults in Union County today who were born with Cerebral Palsy, and there are an untold number who acquired this condition later in life, some of whom are members of this community, and

WHEREAS, it has been demonstrated that the majority of the Cerebral Palsied can be helped by proper diagnosis, treatment, care and education but that existing facilities provide for the needs of only a limited number of these individuals, and

WHEREAS, United Cerebral Palsy League of Union County is currently conducting a vigorous county wide attack on this problem, and the success of this Campaign will benefit this community by improving and increasing the diagnostic, treatment and educational facilities offered to the children of Union County at its Cerebral Palsy Center.

NOW, THEREFORE, I, ALBERT G. BINDER, Mayor of the City of Springfield, do hereby proclaim the period of MAY 15th to JUNE 15th, 1954, as CEREBRAL PALSY MONTH, and I call upon the citizens of this community to cooperate in this worthy crusade and respond generously to a great humanitarian appeal.

ALBERT G. BINDER, Mayor

Mental Health Drive Teams Begin Fund Solicitation

Captains and workers for the Mental Health Drive for funds in Springfield received their working lists over the week end and local residents will be solicited to contribute to this worthy cause by "Bill" C. Jensen, the local chairman of the campaign and his army of volunteers.

The campaign got under way with a "kick off" rally at the James Caldwell School and, while the attendance could have been larger, Jensen "put on such a fine show" that all of those present felt they were well repaid for their interest in this drive.

Mrs. Arthur F. Ackerman, chairman of the Union County Mental Health Association, gave a most interesting talk and definitely proved to all that this Mental Health Drive is one that

Pingry Honors Local Teacher

Albert W. Booth, of 182 Bryant Avenue, was one of five honored last Friday by the Pingry School board of trustees and faculty for long services to education for the Elizabeth Institution. E. Laurence Spritzer, headmaster, presided over the dinner affair.

Mr. Booth is a graduate of Phillips Academy and Harvard, came to Pingry in 1928. Since then, he has taught Latin continuously and recently has become a teacher of French, as well. Honored for 25 years of service to Pingry, Mr. Booth has since 1930, been head of the Latin department. In the extracurricular field, he has been adviser of the "Pingry Blue Book" for the last seven years. The classicalist is a member of the N. J. Classical Association, the American Classical League, and the Classical Association of the Atlantic States, among other organizations.

Mr. Booth's plaque read: "Albert W. Booth—For 25 years you have labored at Pingry, drilling boys in verbs, conjunctions, declensions—Caesar, Vergil, English and French—always with vim and vigor, patience and pluck, cheerfulness and friendliness, giving of yourself fully and long, making Pingry and boys your life, your love, and your dedication, for which the faculty and trustees of Pingry honor you and congratulate you... May 14, 1954."

Cerebral Palsy Fund Drive Is Now Open Here

Mrs. Charles F. Beardsley, chairman of the Springfield Cerebral Palsy drive for funds, announces that a mail campaign is being planned and various places of business in the Township will have canisters for contributions to be made to this worthy cause. Mrs. Raymond Forbes, Mrs. Wilbert Layng, and Mrs. Harriet Hartz will assist Mrs. Beardsley in arranging for a tag day to be held here shortly.

Contributions can be sent to Charles Huff, Township Hall, who has consented to act as local treasurer for the fund drive. Mrs. Beardsley, in accepting the local chairmanship of the current Cerebral Palsy fund-raising drive, urged local residents to make note of several important things. She said: "Cerebral Palsy deserves your support because it is an affliction which depends entirely on private contributions for help. It is an affliction which respects no color or creed."

More than 10,000 children are born with Cerebral Palsy each year. These children have two strikes against them in the game of life before they even have had a chance to get up to bat. Their only hope to avoid being struck out is for people like you to contribute towards the type of therapy that they need. With proper treatment, many Cerebral Palsy victims can become useful members of our society.

In a few days each resident of Union County will receive an inexpensive card mailing asking for

The Rally was entertained by Miss Dolores Lorio of Springfield, Courtesy of the Major Music School of Irvington.

Mayor Albert G. Binder gave his usual fine welcome and was enthusiastically in accord with the Committee's efforts for he gave an interesting and extemporaneous talk.

Much credit "Bill" Jensen says should go to Mrs. Stender, Mrs. Hillier and Mr. Arnold Hutchinson for the wonderful launching of a really worth while drive.

Additional workers keep volunteering and the following is the list of those who volunteered since the Rally: Madama G. Halom T. Crpede, E. Benhoff, W. Eno, R. Hallzman, E. Haggerty, C. Smith, L. Emmel and F. Adams. Miss B. Bucklelew, Mrs. M. Bihman, Mr. E. Champane, N. Farmer, E. Tidbach and G. Perry.

Smith and Smith Kin Visits Here

Madame Jean Louis Jacquemont, of Lyons, France, visited Springfield yesterday as the guest of C. Harry Caspersen. Madame Jacquemont made her first visit to Smith and Smith (Suburban) at 415 Morris Avenue.

She is a daughter of the late Mary W. Smith, who was one of the original partners in the Smith and Smith firm. Madame Jacquemont is the wife of a milk exporter in Lyons and has made her home there for the last twenty-one years. She is in this country visiting her sister, Mrs. Herbert S. Walters of Ocean Grove.

LOREN F. GARDINER, Executive Vice-President of the Crestmont Savings and Loan Association of Springfield and Maplewood, has been appointed to the Committee on Loan Procedures of the United States Savings and Loan League.

The appointment was announced today by Ralph R. Crosby, President, Rhode Island, President of the League, which is the sixty-two year old nationwide trade organization of the savings association business and represents more than 4,000 savings associations and co-operative banks.

The Committee on Loan Procedures studies new practices in mortgage loan servicing and procedures. In past years, its recommendations have resulted in many improvements in mortgage lending of direct benefit to home-buying families.

Civic Groups Plan Meeting For Coalition

Representatives of various civic groups in Springfield will meet Tuesday night at 8 Kew Drive in an effort to form a coalition so that they can act as a unit concerning matters of importance. Dr. Stanley K. Freeman is calling the meeting of the various organizations and hopes that all groups will send representatives Tuesday so that all parts of Springfield may become part of the plan.

The following letter, regarding this meeting, extends an invitation to attend:

Nation To Honor War Dead To Wear Memorial Poppies

Bright red poppies of memory will be worn throughout America on Poppy Day, tomorrow, May 21, in honor of the nation's war dead. It has been announced by Mary Sammond, Post No. 228, Poppy Chairman of the American Legion Auxiliary.

The poppies will be distributed here by members of the Auxiliary who will work through the day as unpaid volunteers. They will receive contributions for the Auxiliary's work for disabled veterans and needy children.

The poppies will be crepe paper replicas of the wild poppies which grew "between the crosses, row on row" in the World War I battle cemeteries in France and Belgium. They have been made by disabled veterans of both World Wars at Lyons Hospital, who have been given beneficial employment by the Auxiliary in this work.

Fully 25 million of the Auxiliary's memorial poppies are expected to be worn by Americans on Poppy Day this year.

Woman's Club News

Movies of the cast of "The Year of Jubilo" were shown by Mr. Vincent Bonadies at the Drama Department meeting on May 10th at the home of Mrs. John Bradley, 267 Northview terrace. The films were taken by Mr. Bonadies backstage the night of the benefit performance and the many candid shots are highly amusing.

Department members planned a group theatre party to be held within the next few weeks and have also set up a committee to study plays which the group might produce next year. Other plans were organized for next year's department schedule and all in all the meeting was a busy one.

Delicious dessert and coffee were served by Mrs. Bradley and her co-hostesses, who were Mrs. William Geitz and Mrs. Lee Andrew.

The Literature Department met on the same night, May 10th, at the home of Mrs. Thomas Jordan, 81 Jefferson terrace. Mrs. Herbert O. Bailey reviewed the life of Emily Dickson and read some of her poetry. Mrs. Bailey told of Mrs. Dickson's secluded life and how this way of living influenced her writings. The remainder of the meeting was devoted to organization plans for the department for next year.

The last meeting of the department before the summer will be held on June 14th at the home of Mrs. Henry Wasing, 66 Woodcroft Circle, at 8:30 p.m.

A game of "Who's Who" involving the use of baby pictures and members of the American Home Department guessing at their department party held May 11 at the home of their chairman, Mrs. Henry Ostrom, 475 Mountain avenue. The champion guesser for the evening was Mrs. Victor Brink, 12 Toward drive. It sounds very much as if everyone had a hilarious time guessing the identity of the children in the snapshots!

This, too, was an organization meeting in which many plans were discussed and formulated for next year's program.

Members of the International Relations Department held their final meeting of this club year on May 13th at the home of Mrs. Robert Hamilton, 81 Meisel avenue. An organization of plans for next year's program and a discussion comprised the evening's activities.

Twenty-four members of the Music Department convened at the home of Mrs. Lole Rector, 68 Spring Brook road on May 13th

with chairman - elect Mrs. Vincent Bonadies presiding. Members of the cast of "The Courtship of Miles Standish" which was performed in tabular at the "Northview State Music Festival" dressed in their costumes and movie were taken of the group. A business session was held and department meetings were scheduled for the coming year. A discussion of Christmas music suitable for next year's concert followed. Plans for a cooperative dinner party to be held during the final meeting of the group in June were made. Further discussion will continue at the group's next gathering on May 25th at the home of Mrs. James Crowley, 110 Salter St. Assisting Mrs. Rector was Mrs. Louis Schneider and Mrs. Robert Smith.

A general discussion of plans for the coming year took place at the final meeting of the Garden Department on May 17th. Mrs. Louis James, 138 Pitt road, was hostess to the group and was assisted with the serving of refreshments by Mrs. Christian Anderson, Mrs. William Mojais, and Mrs. Louis Schneider. The group enjoyed their department party at which meat-filled cream puffs, fancy sandwiches, cookies, and tea and coffee were served.

Club President, Mrs. Merton D. Williams. First Vice-President, Mrs. Edwin G. Davenport, and Northern Vice-President of Youth Convocation, Mrs. William Cosgrove, have returned to their homes after attending the four-day Sixteenth Annual Convention of the New Jersey State Federation of Women's Clubs in Atlantic City. The conference was held at the Chilton-Hadden Hall from May 11 to May 14 inclusive. The three officers were sent "delegates" from our Club. Conferences, workshops, general sessions, dinners, teas, etc. were diligently attended by the women and greatly enjoyed. Speakers at the Conference included Dr. Ralph W. Sockman, Russell Brines, Fred Van Deventer, Richard Thomas, Governor Robert Meyner, Ruth Youngdahl Nelson, and Ida Lillian Page.

On Thursday, May 13th, Mrs. Kenneth Vandomer, Mrs. Harry Speicher, Mrs. Michael Talwko, and Mrs. John Trout attended the Convention. The group found the departmental exhibits very impressive and full of ideas which might be utilized by our own departments. The afternoon program consisted in part of the prize-winning Drama Festival plays, "The Necktie's Mine," presented by the Upper Montclair Woman's Club and "The Bond Between," given by the Woman's Club of Merchantville were the two plays selected as this year's winners.

The Springfield Woman's Club was highly honored to have the miniature replica of the stage setting of "The Year of Jubilo" receive Honorable Mention in the final judging of stage replicas. The replica was completely handed in by Mrs. Christian Anderson.

Preparation for the reception of this Sacrament is a very serious matter because the Archbishop personally examines the candidates before he administers. For that reason Father Mahon and Father Edward have been most busy these last few weeks reviewing the entire catechism of questions and answers with the candidates for Confirmation.

The following are a list of those who are being confirmed today: Raymond Martin, Daniel Lacy, Carl Hatfield, Richard Pavani, James Gunathamm, Patrick Curran, George Pittenger, Edward Raczowski, Dennis Beebe, Thomas Battelle, Chester Albinowski, Robert Clifford, Carl Cinculini, Thomas Corallo, John Coffey, Anthony Colatruccio, Glen Dickerson, Lawrence Vierhellig, William Haggerty, Michael Bolla, George Kent, Arthur Luidahl, Paul Meade, Joseph Perelli, Ted Sijles, John Nizez, William Voorhees, Ralph Vogt, Melinda Bradley, Dorothy Ann Boehm, Robert Keith, John Schwartz, Ellen D'Andrea, Judith Crockett, Alexandra Guano, Kathleen Clark, Bianca Colantonio, Joyce DiStasio, Barbara Orell, Marie Ronkowski, Claudette Van Roelck, Arlene Wyckoff, Eleanor LaMedica, Barbara Wlamer, Joseph Montanari, Fred Santuziano, Elaine Donato, Joyce

Other guests at the shower were: Miss Mary Weber, Mrs. Edward Snider, Mrs. William Corby, Mrs. Kenneth Hanan, Miss Harriet Smith, Miss Jeanne Wilderoller, Mrs. Ted Johnson, Mrs. Mabel Swain, Mrs. Rosemary Shapiro, Mrs. Frances Walsh, Miss Edna Parsell, Mrs. Horace Fogarty, Mrs. William Wagner, Miss Robert Rubin, Mrs. Louise Stovner, Miss Florence Gaudner, Miss Esther LePere, Mrs. Florence Towner, and Mrs. Dorothy Chandler, all of the Springfield School System. Also Mrs. Russell Cross and Mrs. Edward Wronsky, former teachers at the James Caldwell School.

Archbishop Boland Here For Confirmation Service

Today, May 20, will be a very important day for the entire parish of St. James Church, since it is the day on which Archbishop Thomas A. Boland is here to administer the Sacrament of Confirmation to one hundred and eighty children and twenty-five adults.

This visitation of the Archbishop is an occasion of great joy, said one of the church dignitaries, because it is as if it were a visit from one of the original Twelve Apostles. In the days the entire population turned out en masse to greet this important personage whenever he came to a city, town or village, because he brought with him full Apostolic power and prestige. He brought with him approval for the flock he was visiting which meant a true connecting-link with the entire unified church. He brought with him graces and blessings not only for the flock in general but for the faithful in particular. He brought with him another great Sacrament of Jesus Christ, the great Sacrament of Confirmation.

This Sacrament is one in which the Holy Ghost is received to make the recipients strong and perfect Christians and Soldiers of Jesus Christ. The Bishop administers a "right blow" to the cheek of the one being confirmed to remind him that he is now a soldier and no longer a child. A soldier who must be ready to fight the "good fight," to do battle with the powers of God, to suffer pain, trials, persecutions and even death itself, rather than offend God or lose faith in God.

Life is a battle-field. It is a warfare from which there is no respite. Life is a continuous struggle, the good against the bad. To emerge victorious from this strife one must be fully armored, fully equipped to do battle. A child about the age of ten to twelve is just emerging from his or her fairy-land childhood into the grim struggle of life. Before this age a boy or girl never dreams that the future could be so wicked, so painful, such a hard and difficult struggle. It is just at the birth of this realization in the merciful Providence of Almighty God that the Sacrament of Confirmation comes into play to make these children now entering the threshold of maturity, real soldiers for Christ, strong and capable of contending successfully in the battle of life to make them strong and perfect Christians. The Seven Gifts of the Holy Ghost are implanted in the minds and hearts of these future Soldiers: Wisdom, Understanding, Counsel, Fortitude, Knowledge, Piety and Fear of the Lord.

Also: Joan Saxon, Gilbert Peart, Richard Parry, Robert Demulder, Mary Lee Moran, Richard Minetti, Dennis Morse, Brian Meade, George Marini, Carol Marano, Judith Marchese, Agnes Macri, Leonard MacLusco, John Lynch, Rosemary Lusk, Robert Lusk, Gerald Lusk, Nancy Lusk, Jean-Lakomy, Carolyn Kordalski, Peter Kent, Arlene Kauer, Sharon Huntoon, Barbara Havala, Marie Griffith, Elaine Giannitello, Edward Gatch, Theodore Fatoule, Irene Castrovina, Edward Cardinal, Caryl Cantor, Josephine Canino, Carol Sagotti, John Caffrey, Charlotte Deuser, John Blago, Peter Blondi, Marianne Boiz, Douglas Bonomo, Carol Baggett, Robert Armentis, Jo Ann Muski, Kathleen Davis, Irene Zidomik, Joan Sabol.

Sun to Use New Type Next Issue

In today's edition of the Springfield Sun you will get a preview of our new type face, known as "Corona." The reasons behind our selection of this type-face, we think, will be obvious when the following paragraph, which is set in the new face, is compared with the rest of the type on this page. Next week, May 27, all editorial type of the Sun will be in the new modern Corona face.

Probably at no other period in the history of newspapers has there ever been a need for printing the news at such greatly stepped-up speeds as was required during the hectic years of World War II. It was in the midst of this strenuous period that the type face known as Corona was designed—a type face which was to answer the growing need for a clean, easy-to-read type which would print clearly under exceedingly high press speeds.

Typographers experts at Mergenthaler Linotype Company undertook an extensive research program so that all problems to be met by this new type face would be carefully considered before the designing process began. These experts drew upon their wealth of experience in designing type faces for newspaper use. They had previously developed, over a period of time, a "legibility group" of type faces, members of which are currently read in newspapers all over the country.

HOLDS SHARPNESS

Corona is designed to eliminate one of the major difficulties newspapers face in the process of making stereotype mats from the metal type. In this process, the type is impressed on a specially prepared sheet that looks and feels similar to a tough cardboard which in newspaper plants is called a "mat." An exact mold of the type is left in the mat, but a certain controlled degree of mat

shrinkage takes place before a metal plate or stereotype is cast from it. In this mat shrinkage, some newspaper type faces tend to lose their clarity and sharpness, but Corona's clean, open letters retain every quality of legibility, resulting finally in a clearer-to-read newspaper.

In fact, Corona is so perfectly suited for newspaper use that hundreds of up-to-date newspapers, large and small, have replaced their old type faces with Corona in the relatively short time since this more legible type face was introduced.

We are certainly proud to be among this group of forward-looking newspapers. We feel certain that our readers share our pride in the better looking, easier-to-read newspaper we are able to bring you now that we are using Corona.

SUNING SPORTS

By BOB DUBOW

As the sun starts to set on the 54 diamond and track campaigns, the 1954 season is a combination of both varsity and J.V. diamond squads and in track there is a creditable 4-2 count.

Since our last column the varsity diamond has defeated Roselle Pingry (Union County Tournament), and have bogged to Hillside. The Junior Varsity after 13 consecutive triumphs finally went down to defeat at the hands of a powerful Hillside team. The score was 3-1 which proved the victory very substantial.

In their second tournament contest the Bull Dogs bested Pingry by the identical score as they beat Cranford the previous week, 2-1. This victory gave the Regionals their 10th win in 13 games and broke the Prepsters 14 game win skein.

Both teams tallied in the first frame but in the sixth the Bull Dogs, on Ed Ruby's tremendous 358 foot homer, pushed ahead for the rest of the contest. Joe Schaffernoth received credit for the win and allowed only three hits, four walks, and fanned a half dozen batters. The Hillside contest proved to be a nightmare for the Bull Dogs for in that contest they actually beat themselves. The locals held the upper hand or most of that game but costly errors in the late innings gave the Comets their undeserved victory.

Since their crushing defeat administered by Union the cinder team has done well in the County tournament and also defeated our arch rival, Rahway which completed a clean sweep of the red and black in all reports this year.

In the county affair Art Curtis took his expected first in the pole vault while Harris Rawley tied for third in that same event and got a 4th place in the high hurdles. Also taking 5th's for the Bull Dogs were Roger Smith in the half mile, and Curt Metz in the shot-put. In the meet with Rahway the Bull Dogs completely outclassed their opponents taking the meet by a score of 80-37. Their last two home meets will be a next Wednesday with Scotch Plains and the succeeding Thursday with Morristown.

For anyone interested in following the Regionals in the finals of the Union County Baseball Tournament the games are played at the Plainfield diamond and for the price of 50c 4 full games may be viewed.

As we finish SUNING SPORTS the sunny outlook which in the past has been enjoyed by all sports continues to hover over the Bull Dog nine and the cindermen.

Salary Scale Set By School Board

A new salary scale, setting new minimum and maximum salaries for medical and secretarial personnel, was adopted at the regular meeting of the Springfield Board of Education Tuesday night.

The new salaries range as follows: school physician, \$600 to \$950; school dentist, \$1200 to \$1700; nurses, \$2,500 to \$3,300; clerks, \$2,000 to \$2,800; and secretaries, \$2,800 to \$4,000.

In a plan to solve the problem of overcrowding at the Raymond Chisholm School the Board of Education decided to transport daily one home room group from that school to attend classes at the James Caldwell School. The board acted after Superintendent of Schools Benjamin Newmeyer reported that the alternative would be to use the Chisholm School gymnasium for two home room groups.

Newmeyer announced that Summer school classes in reading and arithmetic will be held from June 28 to August 6 and the deadline for enrolling youngsters is June 20.

The Recreation Commission was granted use of playground and gymnasium facilities at the Caldwell and Florence M. Gaudinier schools from June 28 to August 28.

Loins & Car Hop Post Wins Before Opening Crowds

The Springfield Youth Baseball League inaugurated play last Monday evening at the Regional High School Athletic Field, with a two game program offered to a large and enthusiastic crowd.

The double-bill was presented on the number one and two diamonds with over five hundred parents, Township Officials, Recreation Commissioners joining in the highly spirited program. The program got under way at 8:30 p.m. with Recreation Commissioner Edmund Hoffer greeting the group, introducing the Springfield Youth Baseball League President, Joseph Focht, who spoke briefly on the organization work of the Youth Leaguers. Mayor Albert Binder was introduced, officially proclaiming this week, Springfield Youth Baseball Week. Eugene Donnelly spoke on the progress of the Recreation Commission programs, also thanked all those for helping organize the activity. Fred Handville, Township Committee was introduced, with Mayor Binder then tossing out the first ball for the opening game. The boys on the various teams

made a fine impression with the crowd, not only exhibiting good baseball, but also showing extreme competitive interest in the game. The Car-Hop posted a no-hit victory over the Kiwanis, winning 10-0, paced by Norman Lawn's southpaw slants, and Teddy Hohn's big bat, as well as doing a great job behind the plate.

The Rotary Club dropped their opener by a wide margin, losing to a power laden Lions Club by an 18-1 score. Both games were witnessed by good sized crowds, with the Car-Hop and Kiwanis game having the benefit of a public address system. The league will operate on Monday and Wednesday nights, with the Springfield Minor Leaguers playing on Tuesday and Thursday evenings.

Local Students Win In Contests

Jonathan Dayton Regional High School's science department had four winners in the creative chemistry contest finals held in Madison at Drew University last Friday and Saturday (May 14-15).

The winners are Alvin H. Dammig, Jr., son of Mr. and Mrs. Alvin H. Dammig of 121 Short Hills Avenue for his project entitled "The Hall Process for Alumina"; Donald Harrison, son of Mr. and Mrs. George D. Harrison, Jr. of 145 Short Hills Avenue for his miniature "Oil Drilling Field"; Roger Weiss, son of Mr. and Mrs. Max Weiss of 59 Bryant Avenue for his "Cloud Chamber"; and Diane Taylor, daughter of Dr. and Mrs. Raymond L. Taylor of 974 Mountain Avenue, Berkeley Heights, for her project, "Filter Paper Electro-phoresis". All four pupils are now in the eleventh grade. Their sponsoring science teachers in their projects were Messrs. Walter A. Hohn and Leonard Pano.

Dammig and Harrison won \$25 government bonds, and the other pupils won "honorable mention". Awards were made formally at the regular meeting of the Lackawanna Subsection, American Chemical Society, the contest sponsor, on Monday evening (May 17) in the Colanese Auditorium, Summit.

Purpose of the contest was to stimulate interest in chemistry and to give incentive to pupils for doing projects not called for in the regular course of study in high school chemistry. It is planned to make the contest an annual affair.

Kindergarten - Mrs. Dorothy Chandler
Mrs. Frances G. Gaudinier
We have been singing and learning about farms. We have built a large barn with a chicken coop and tool shed. Each sand box has a small farm in it with animals, trees and barns. We took a trip to Mr. Becker's Farm. Mr. Becker allowed each child to dig a pansy plant to give to Mother for Mother's Day. Thank you, Mr. Becker.

Mrs. Ann Reaser
Mrs. Ursula Potts
The second graders are very proud of their performance given in our May assembly.

Grade 3 - Mrs. Isabel B. Huff
Mrs. Loreta O'Brien
The members of Mrs. Huff's class have been watching for birds that are returning from the south. They have seen a robin, bluebird, grackle, crow, red-winged blackbird, woodpecker, a cow-bird, grosbeak and gold finch, as well as the cardinal, blue jay, sparrow and starling who have been here all winter. Della Sprung and Richard Ostrom have reported seeing the largest number. The robin-bird was in a tree at the side of the school.

Grade 4 - Mrs. Margaret McGrath
Mrs. Priscilla Butler
Mrs. Daniel Murray
The fifth graders were proud to help in preparing the scenery for the lower grade special assembly program. Houshild, Carolyn, Anthony, Amy Gerber, and Eddie Kitch made an extra large map of the world which covered the blackboard for the entire ground the world. The rest of the members of the class made flags representing the individual countries.

Grade 5 - Mrs. Margaret McGrath
Mrs. Priscilla Butler
Mrs. Daniel Murray
The pupils in Mrs. McGrath's class were happy to welcome Dennis Moran back after his stay in the hospital. In connection with one of the stories in our reader, Eddie Kitch brought in an issue of the "National Geographic" magazine containing a series of pictures of caves. This added to the interest of the story.

Their costumes were most exact with plaid kilts, and hats. The singing was excellent.

Mrs. Reaser's class entertained with a Dutch dance. Some of the children wore wooden shoes. A large windmill was in the background, and girls carrying baskets of beautiful fresh flowers supplied real Dutch atmosphere. The class sang "Holland-Home" and whistled "The Dutch Boy". The costumes were most colorful. Girls wearing aprons and hats about their waists. "Santa Lucia," the popular Italian sailing song was their second number.

Clothing Drive For Korea, June 6

Springfield will participate with Essex County communities in a drive for clothing for destitute Koreans on Sunday, June 6, which has been set as K-Day, Collection Day. Acting Postmaster George M. Turk attended the organization meeting held at the welfare Federation offices in Newark on Monday, and will act as head of the local effort.

Everett H. Davey, Manager of the Market-Mitchell Business Office of the New Jersey Bell Telephone Company, is chairman of the drive.

In opening the meeting Mr. Davey informed the group that "last year the citizens of this area gave over a quarter million pounds of clothing to the ragged, hungry South Koreans, the second largest collection in the United States."

Attending the meeting were civic, labor, industrial, government and military representatives, who discussed how the June 6 drive would be organized. "The army," said Davey, "will sort, clean, and arrange by age-group and type of clothing the donations which will be carried to New York where it will be processed for shipment overseas."

Each town will have its own committee and its own plan of operation for the clothing collection. Committees and collection points will be announced later.

Dairy Over P.B.A. In Softball Fray

The Springfield Softball League opened its season on May 11 with the Dairy Queen winning over the P.B.A. 12-11. Safeway taking Morris Avenue Motors 4-1, GE over D'Andrea on a forfeit 9-0 and the American Legion over Bond Electronics 7-4.

Highlight of the season opener was the game between Dairy Queen and PBA which had the ice-creamers trailing 8-0 and then coming up with 10 runs in the last two innings to win the game, 12-11.

Safeway's victory over Morris Motors was highlighted by the pitching of John Spencer who struck out 16 men. Spencer walked the first two men to face him and then settled down to face him and get only two hits.

Schedule for the week of May 23 includes these games: Tuesday - D'Andrea vs. Dairy Queen; Wednesday - PBA vs. Safeway; Thursday - Bond Electronics vs. Morris Motors; Friday - General Electric vs. American Legion.

Historical Group Will Meet May 26

Melvin J. Weig, noted lecturer and historian of the Morristown National Historic Park, will be the guest speaker at the regular quarterly meeting of the Springfield Historical Society which is to be held Wednesday, May 26, at the home of C. Harry Caspersen at 298 Summit Avenue, Summit.

Mr. Caspersen recently purchased the historic Cannon Ball House at 126 Morris Avenue, Springfield, and plans to personally and, at his own expense, to restore this Revolutionary property which has been one of the objectives of the local society.

In addition to Mr. Weig's address on historical topics in this area, Mr. Caspersen has purchased motion picture films depicting "Williamsburg, Restored" and will show them to the members of the society at this May 26 meeting.

All members of the society are invited to attend this meeting which starts at 8 o'clock.

COMMENCEMENT OUTDOORS

The Regional Board of Education will hold the annual 1954 commencement exercises on the front lawn of the high school on the front lawn of the building with Congressman Harrison A. Williams, Jr., as the main speaker. The board agreed to the outdoor exercises at Tuesday night's meeting.

SMITH & SMITH (Suburban) — 415 Morris Avenue

(Fifth Consecutive Year)

DOGGETT-PFEIL CO. — 681 Morris Turnpike

(Seventh Consecutive Year)

We have always held the beauty of Springfield foremost in our minds. It is gratifying to have been selected again as winners by the Garden Club of New Jersey in its seventh annual highway beautification survey. Judging was on the basis of general attractiveness, landscaping, absence of unsightly signs, and conformity to state standards of health and safety.
