

Public Invited To Cannon Ball House Saturday

C. Harry Caspersen, who recently purchased the historic Cannon Ball House at 126 Morris avenue and plans to completely restore this Revolutionary landmark, announces that "open-house" will be held this Saturday afternoon from 2 to 5 o'clock. Everybody is invited to inspect the historic building and a committee of women members of the Springfield Historical Society will help Mr. Caspersen by acting as hostesses for the afternoon.

This invitation from Mr. Caspersen will give all residents in this area an opportunity to not only see the transformation already in evidence on the exterior but to inspect the interior before the authentic restoration begins. Mr. Caspersen has already painted the building white and the grounds have been made very attractive although it is nowhere near the ambitious plan he has for beautifying the entire area.

The Cannon Ball House is not to be confused with a restaurant in the immediate vicinity. This historic building which Mr. Caspersen purchased and is restoring at his expense is at 126 Morris avenue and has an authentic place in the Revolutionary history of Springfield.

Mr. Caspersen urges all those interested in inspecting the interior of the building before the actual restoration work starts, to attend the "open house" this Saturday from 2 to 5 o'clock. A small contribution of 50 cents will be requested from all those inspecting the historic site which is to go to the Springfield Historical Society.

ANOTHER HONOR—Miss Florence M. Gaudin, one of Springfield's leading residents, who was the recipient of another honor last night when she was installed as the first honorary member of the Springfield Woman's Club at its regular meeting in the Raymond Chisholm School. Mrs. Merton D. Williams, President of the local Woman's Club, was in charge of the installation ceremonies.

To Decide Fate Of Red Cross Tuesday

A meeting will be held at 8 p. m. on Tuesday, June 8 at the James Caldwell School to consider whether the Springfield Chapter, American Red Cross should be continued as a separate and independent Chapter or whether it should be merged with the Summit Chapter.

As this is obviously a matter of importance to residents of Springfield, all local organizations are being asked to have representatives present. A large turnout is wanted and a number of representatives of your organization are invited to attend.

Pingry Students Take Trip

HOW DO YOU PLAY THE SEVENTEENTH HOLE AT BALTUSROL???—Ben Hogan and Bud Geoghegan discuss the fine points of golf prior to Hogan's playing at Baltusrol this Saturday in the National Golf Day sponsored by Life Magazine. Geoghegan, Crestmont Club pro, "The Ambassador of Golf," will appear on his own television show on WPIX, 10:45 p.m. every Saturday evening.

World Golf Star Ben Hogan In Springfield Saturday

Ben Hogan, golfdom's great star, has routed the virus that put him to bed last Saturday and will definitely be in Springfield this Saturday when he will shoot a round at the Baltusrol Golf Club with every golfer in the country competing against him. Every player, shooting on their own courses, whose net score is lower than Hogan's round will receive a button attesting to that fact.

Baltusrol Golf Club takes one day out from its busy preparations for the USGA Open Championship, June 17-19, when Ben Hogan tours the famous course Saturday, National Golf Day. At that time, the '53 Open winner will match his score against the golfers of the nation in the annual event sponsored by Life Magazine and the PGA for the benefit of National Golf Fund and the USO.

Concerning the Hogan appearance, Baltusrol points out that its responsibility to have the course in top condition for the Open several days later will make it impossible to admit the general public on Saturday June 5. Club officials point out that a large, concentrated gallery following just one foursome could seriously affect the course terrain and work an injustice on contestants in the Open.

Attendance was similarly limited in the past two National Golf Days, since the primary purpose of the event is to have the golfing public compete against the Open winner on their own courses that day.

Hogan will play this Saturday in a foursome with Buddy Lucas, the New Jersey Junior champion, Johnny Farrell, the Baltusrol pro; and Claude Harmon, the Winged Foot Club pro. They will get away some time between 9:30 and 10:00 o'clock.

Baltusrol Golf Club has announced that "season" grounds admission for the open tournament may be purchased in advance by writing the Club and enclosing check for \$12 (inc. tax).

Tournament Chairman, C. P. Burgess points out that the "season" grounds admission covers the three days of championship play; plus practice rounds on June 15 and 16 and a playoff, if any, on June 20. The "season" admission represents a saving of \$6 (or, in event of playoff, \$10) over daily admission prices.

Daily admissions, which Mr. Burgess emphasizes will not be sold in advance, will be available on days of play at entrances to Baltusrol on this schedule of prices which include tax: Practice rounds June 15 and 16—\$2 each day; Tournament play June 17 and 18—\$4 each day; Tournament final round, June 19—\$6 and Playoff, if any, June 20—\$4.

The "season" grounds admission badges, which are transferable, are admission identification for the course and grounds. Facilities for food and refreshment are being arranged at various locations on the premises.

St. James Girls Crown The Blessed Virgin

With the fair skies being like our Lady's mantle of blue, the young girls of St. James Parish crowned the Blessed Virgin Mary in a most impressive and colorful ceremony on Sunday afternoon.

Eight girls of the Senior CYO acting as a guard of honor, and preceded by the girls of the First Holy Communion class, led Miss Arlene Franceze of Springfield, around the church grounds and into the church to the altar of the Blessed Mother. There, with the voices of the children filling the air in prayerful song, Miss Franceze placed on Our Lady's head a crown of beautiful red roses.

Recitation of the rosary and litany led by Rev. Aloysius Carney, pastor of St. James, followed. The sermon by Rev. John J. Mahon on our Blessed Lady was most fitting. Benediction was celebrated by Rev. Edward Swierzbinski, CYO director.

INSPIRING, MAY CROWNING AT ST. JAMES—Miss Arlene Franceze places the crown of roses on the Blessed Virgin Mary. Looking on are Misses Anita Dougherty, Joan Funcheon, and Rev. Aloysius Carney, and Rev. John J. Mahon. Miss Cheryl Troitz carries the pillow that held the crown. (Photo by Ed Stiso)

Marshall-Township Row Still Boiling; Want Full And Public Explanation

Former Mayor Robert W. Marshall who has been exchanging considerable correspondence with the Township Committee, requesting that he explain charges made during the heat of the recent bitter primary campaign, insists that his letter to the governing body, dated May 10, complies with every request and explains the word "dishonesty" used in one of his statements.

"The full page advertisement," said Marshall, "gave all the explanation needed and surely my letter of May 10 should satisfy the Township Committee members. The political campaign interfered with my own personal business and I must now put in many long hours catching up with a lot of work to be done. I don't have time right now to attend meetings at their convenience and my letter of May 10 should give them the explanation. Also, I attended a meeting of the Township Committee and the regular business of that session was over very early. I asked to be heard but they wouldn't have it. They said they weren't ready. They were ready 'any day or night, any hour,' according to a message delivered to me but that night they insisted they couldn't hear me even though it was long before nine o'clock."

Following is the letter addressed to the Township Committee on May 10 in which Marshall maintains he gave full explanation of the controversy:

"Gentlemen: Having become aware through the article in the Springfield Sun, dated April 29th, that you still feel it necessary for me to appear before you, I wish to advise you that I shall be ready and willing to (Continued on page 2)

Here's What Started It

1. What Marshall said in his column in the Springfield Sun, March 25, 1954:

"I have always believed in honesty and efficiency in government. My only regret is that on occasions those associated with me in government have not had the same standards."

2. And, on April 8, in his column in the Sun, Marshall said:

"In fact I have been urged by many of my co-workers and those who are supporting my candidacy to present my facts to the county prosecutor. I have considered their suggestions but have reached no decision."

3. Full page ad appeared in Sun, April 15, in behalf of Marshall candidacy with a letter from Township Committeeman Charles Remlinger to the voters and the display material of the advertisement reading:

LET THEM DENY THIS!!

Complete proof of ROTTEN politics.

Star Chamber Dictation.

Is this being HONEST with the public?

Secret Sabbath Meetings in Town Hall.

Intimidation of Township Employees.

Usurping of Authority by Town Committeemen.

Work Started on New Home For the Crestmont S & L

Work on the new home of the Springfield office of the Crestmont Savings and Loan Association got under way early this week with the former St. James Church building at the corner of Morris and Linden avenues already showing demolition signs. Just how much of the former St. James building will remain after the contractors are ready to start on the actual building of the new office is not known but the architect's drawing shows very little.

It will be of Colonial design with a brick veneer exterior and complete banking facilities available in the interior.

This will be the new home of the association made necessary by the merging of the Springfield Savings and Loan with the Crestmont organization. Five directors of the Springfield Savings and Loan have been added to the Board of Directors of the Crestmont Savings and Loan Association. They are G. Gifford Thomas, 47 Elm Street, Elizabeth; Edward A. Conley, 42 Keeler Street, Springfield; Ralph Kels, 1962 Westfield Avenue, Scotch Plains; Joseph W. Grimmer, 17 Alvin Terrace, Springfield; and Thomas W. Lyons, 20 Elsway Road, Short Hills. Crestmont Savings and Loan Association also named Louis B. Messing, Jr. of 147 Princeton Road, Elizabeth, as Associate Counsel. The addition of these representative persons of Union County is quite beneficial to the Crestmont Savings and Loan Association, and its service to Springfield.

G. Clifford Thomas is an Assistant Treasurer of the Union County Trust Company, 142 Broad Street, Elizabeth, New Jersey, a director and former President of the Springfield Savings and Loan Association. Mr. Thomas was educated in the Elizabeth Public Schools, Batlin High School, Rutgers Extension University, American Institute of Banking, and is a trustee of Rutgers University. He has been active in civic and political life, and has sponsored

Driver Pays \$53 For Speeding

Charged with driving at a speed of 75 miles an hour in a 25-mile zone brought Adele B. Watts of 116 Chadwick avenue, Newark, a fine of \$53 when she appeared before Magistrate Henry C. McMullen in Municipal Court last Monday night. Magistrate McMullen processed 40 cases this week and handed out fines and costs totaling \$298.

Fined for speeding were: Sherman Wellehek of 112 Coolidge Ave., Elizabeth, and Edward C. Holmes of 141 Beechwood Rd., Summit, \$10; Anthony E. Russo of 84 Handfield Ave., Union, \$10; Dustin R. Potter of 179 Pitt Rd., and William Kock of 255 Hobart Ave., Union, all \$7.

Willie Harris Jr. of 2520 Chilton Pl., Union, paid \$18 for driving without a license. An \$8 penalty was charged Lloyd Colfer of 17 Ridgedale Ave., Summit, for operating a car with an improper muffler.

These popular luncheons will resume in September, the third Thursday of each month.

W.S.C.S. To Hold Luncheon Thursday

The final luncheon of the summer season sponsored by the Women's Society Christian Service of the Methodist Church will be held in the church next Thursday, June 10. The luncheon will be served from 11:30 to 1:30.

The following committee will be in charge of next Thursday's luncheon: Mesdames E. Hall, J. Hershey, E. Chisholm, D. Burd, M. Krenke, O. McCarthy, N. Marshall, M. Green, M. Ferguson, W. Pierce, H. Gross and J. Mason.

Summit's decision on a request to rezone the portion of the land (Continued on page 2)

Mayor Albert G. Binder and members of the Township Committee—except Committeeman Charles Remlinger—won't let the controversy with Robert W. Marshall, recent winner in a bitter Republican primary contest for Township Committee over Harold G. Nenninger, "go the way of all political battles." The Township Committee insists that former Mayor Marshall appear at a regular meeting of the governing body and explain some of the charges he is alleged to have made during the campaign.

Several communications have been addressed to Marshall asking for his appearance and, this week another demand was made in a letter that he appear at next Wednesday's meetings, June 9, to explain just what he meant in using the words "dishonesty and efficiency" in one of his statements during the campaign.

The Township Committee points out that a letter was first addressed to Marshall, dated April 5, to attend a meeting but Marshall informed the committee that "because of previous engagements, he could not appear on that date."

Another letter was then dispatched to Marshall, dated April 6, asking for his appearance on April 9. Marshall replied by telegram and said he could not be present because of "personal business" that he had no open date until April 26.

The Township Committee then forwarded another letter asking Marshall to appear "any hour, any day, prior to April 20" but there was no reply to this letter. (Continued on page 2)

Cerebral Campaign Cards in Mails

Mrs. Charles Beardsley, Springfield, chairman of the Cerebral Palsy fund drive which started May 15 and ends June 15, announced this week that cards are now in the mail soliciting the support of every citizen to provide the funds needed to help the Cerebral Palsied children in Union County.

Mrs. Beardsley emphasized the fact that: "To avoid conflict with other drives which have planned a house-to-house canvass, we are depending on a card mailing which will leave it up to each individual to determine how much he wants to give, and in what manner."

"I do wish to emphasize the fact that progress in facing the challenge of Cerebral Palsy has been made in three main directions:

"Scientists and physicians have shown that the Cerebral Palsied can be helped through proper care and treatment.

"A national voluntary health organization—United Cerebral Palsy—and its affiliates are doing their best to see to it that the Cerebral Palsied receive this necessary care and treatment.

"We earnestly ask you to make the additional needed help possible through your generosity. Please respond promptly to our appeal."

Contributions for this cerebral palsy fund drive can be sent to Carl Richards at the First National Bank of Springfield, or to Charles Huff, Town Hall, Springfield.

SUNING SPORTS

By BOB DUBOW

Highlighting this last week of sports and the entire diamond season was the winning of the Union County baseball championship by the Bull Dogs. The game was hard fought and grueling and lasted 11 innings while the time was over three hours. Aside from this resounding victory the Flyers suffered their second defeat by Union and were eliminated from the Greater Newark Tournament by the Lizards.

Also having a very profitable week were the cindermen who took two meets, one from Scotch Plains and the other from a highly rated Morristown squad.

Starting this week with baseball, which only seems appropriate, we shall review the tournament game for those fans that were unfortunate enough to miss the actual contest.

Opening the first frame with a leadoff infield hit was Captain MacKenzie. George then immediately stole second and scored easily on Joe Schaffernoth's single through the middle. Tallying the second run of the game in the second inning was Ray Reiff who had reached first on an error and advanced to third on two walks by Rich Jones the Jefferson ace. Ray scored finally on a fielder's choice play. After two runs tied the score for the Jeffs in the fourth frame there were six scoreless innings which were exciting and nerve racking, and in the seventh, enjoyed by each and every spectator in the stadium. The big blow for the Bull Dogs came in the 11th inning after Ray Reiff again reached base on a miscue and Bob Bauer had popped out. Ed Ruby the big Bull Dog first sacker stepped to the plate and slammed a 21 pitch 355 feet for a round trip which scored Reiff in front of him for the two run winning margin. Ace Bull Dog moundman Joe Schaffernoth fanned nine batters, walked four, and allowed only seven hits over the entire 11 frame distance. The Regionals terminated their season yesterday at Roselle Park.

Looking over the box score on the current two track meets we find the scores not booming but substantial and not just fluke wins. The trackers were each of these by margins of 15 and 12 points. The first meet being with Scotch Plains resulted in a field day for Ron Hartshorn who won 4 of the entire 13 events. Others grabbing first place for the Bull Dogs were Karl Ford in the mile run, Roger Smith in the half mile, Curt Merz in the shot put, and Art Curtis in the pole vault.

In the Morristown meet Hartshorn "slipped", getting only three firsts and a third. In this meet Art Curtis jumped a phenomenal 12'2" which seemed to be some kind of a record for that event. The only event that was near swept by the Bull Dogs was the 120 low hurdles in which Hartshorn sped to the finish line in 18.5 seconds while Whitkowski was second with a 16.3 and Rawicz was tied with Rich of Morristown with 16.6.

All in all this week seemed to have reaped the most rewards of any one in the whole athletic year. This was historical week at Regional High because the coveted crown of the Union County Baseball squads now rests with the other numerous laurels of the school. Permittment but to a smaller degree were the two triumphs of the cindermen over the formidable opponents Scotch Plains and Morristown.

Kiwanis and Rotary Post Big Wins On Memorial Day

The Rotary Club came through with a big 6-0 victory over the Car-Hop last Monday night at the Washington Field, with Bob Marino hurling a neat no-hit, no-run game. Marino also wielded a big bat, rapping home a long triple in the fifth inning which drove home three base runners. The blow-knocked southpaw Norm Lawn out, and set the stage for the big six run inning.

In our Community there are many CHURCHES

The different modes in which different people desire to do God's will are as lines converging to a common center. When the true-hearted meet in the center, in the real knowledge and love of God, the distance of the varied lines from each other has vanished away, and all is one.

Let us all go to Church.

Springfield Makes Fine Showing in Polio Drive

Springfield contributed a total of \$4,855.86 toward the Union County gross of \$136,010.96 for the 1954 March of Dimes drive with Acting Postmaster George M. Turk in charge of the local campaign. Springfield came in for considerable commendation by the county organization since the amount collected here was greater than many municipalities with larger populations.

Cranford, for instance, is shown as having collected \$3,504.47, the 1950 census for this town being 18,602. Hillside, with the 1950 census figures at 21,007, contributed \$4,098.44. Rahway's 1950 census figures were 21,280 but the March of Dimes drive shows only \$2,782.30 collected. Roselle, with a 1950 population figure of 17,881, Roselle Park, Scotch Plains all have larger population

figures than Springfield but the report shows contributions for this cause less than Mr. Turk's efforts. With all towns reporting, the Union County figure for the 1954 March of Dimes drive, was \$136,010.96, which is a 22% increase over last year. By comparison, there was a 7% increase of the drive in the entire nation and a 10% increase in the state.

Almost every town in Union County showed an increase over last year, which up to that time was the banner year since collections through the March of Dimes were made to support the National Foundation for Infantile Paralysis in its work.

In making the statement public, Edward L. Whelan, Chairman of Union County stated: "The final results of our campaign for funds is not only gratifying but truly remarkable and surprising to even the most optimistic of us in view of the fact that many other worthy drives have been experiencing difficulty. It is a great tribute to the leaders and workers in the local organizations that have been developed to conduct these campaigns throughout the county."

Historical Society Urges Springfield Battle Stamp

The Springfield Historical Society hopes to have a commemorative stamp, marking the 175th anniversary celebration of the Battle of Springfield which is June 23, 1955, according to word received from representatives of the Post Office department. This announcement was made by Magistrate Henry C. McMullen at the last regular meeting of the society, held last Wednesday night at the home of C. Harry Caspersen at 298 Summit avenue, Summit, with over 150 members attending.

The Springfield Society has already made plans to formally request that such a stamp be issued and the Township Committee, at its last regular meeting, passed a resolution urging that the post office department make such a stamp possible. The governing body appreciates that such a stamp would be of great value to Springfield since they could be circulated all over the world.

Acting Postmaster George M. Turk appeared before the historical society meeting last Wednesday and read a letter from the post office department in Washington indicating that there is a good possibility that it may materialize.

Last Wednesday's meeting of the Historical Society was one of the most interesting since the organization of the local group, the greater part of the meeting being held on the lawn of Mr. Caspersen's spacious grounds. Melvin J. Weig, noted lecturer and historian, gave a very interesting and informative talk on historical topics and a technicolor motion picture depicting "Williamsburg Restored," which had been purchased by Mr. Caspersen, was shown during the evening to the group.

Following the outdoor program all of those in hand were invited indoors where they were the guests of Mr. Caspersen with refreshments served. Magistrate Henry C. McMullen presided and, after a short business session, turned the meeting over to Mrs. Eugene F. Donnelly, the program chairman, who introduced the speaker.

Springfield PTA Hold Final Meeting

Parents who stayed home—and apparently very few did—from the final meeting of the Springfield PTA a week ago Monday evening missed one of the best "student-participation" programs ever presented by the organization.

The program, in which the Junior High school girls participated was a fitting scene to the year's programs which were based on the theme "Their Future Is in Our Hands." It was an exhibit of the work done by the members of the domestic science department and was in the form of a fashion parade and series of playlets. The special teachers in charge of the program were Mrs. Mildred Gatt and Mrs. Ruth Osborne.

Prior to the student-participation program, Rev. C. Anthony of the Antioch Baptist church, Springfield, gave the invocation. Mrs. Lorain Skousen, retiring president, thanked the Hospitality Chairmen of the Springfield P.T.A. wish to thank all the Class Mothers and mothers for their kind cooperation in furnishing refreshments for our P.T.A. meetings, and also the Mountain Florist for the lovely flowers which added so much to our table decorations.
