

## Equipment On Hand To Start Construction

**CLEARING THE WAY**—Construction of dozer cleared the area of trees, old building foundations and debris and paved the way closer to reality as the above-pictured bulldozer gets started on the actual construction work.

Bulldozers and steam shovels, early this week, began leveling off the terrain—and many of the large trees have already been felled—in preparation for the start of the actual work on the General Greene Shopping Center at the corner of Morris, Fletcher and Main street. Max J. Levine, president and new owner of the proposed shopping center, announced yesterday that ground breaking may come today, tomorrow, but definitely by Monday.

"All the equipment for the job has been ordered on the site," said Mr. Levine yesterday afternoon, "and there is nothing to stop us now. Our surveyors have asked out the property and, once we get started, the construction should move along at a rapid pace."

"We will confer with our lease holders and do everything possible to conform with suggested Colonial design in our construction, but this is a matter for the tenants, and if their style of architecture does not fit it with Colonial design, there is very little we can do. The plans have been made part of the leases and we have taken over the entire package as prepared by Mr. Angleton. We don't want anything to delay us but we are anxious and eager to comply with every request and regulation."

Several large trees on the property have been removed and some of the high spots pushed aside. Work on the demolition of the building on the corner of Morris and Springfield avenue was started this week to make room for the construction of the Sip and Sup restaurant at that corner. John Bullock, one of the owners of the new restaurant, expects actual work on the construction to start within a few weeks.

## Springfield Reports Two Cases of Polio

**ARTISTICALLY SPEAKING**—Three of Springfield's younger contemporary artists compare the work they've done at the Florence Gaudinier Playgroup as part of the Recreation Commission's summer program. Artists shown are Paul Hawryluk, Steve Freeman and Robert Wilke.

Springfield has two cases, diagnosed as polio, but, according to Dr. H. P. Dengler, local Health Officer who is watching both closely, there is no cause for alarm.

Both are now in the isolated wards—one at Muhlenberg Hospital in Plainfield and the other at St. Elizabeth Hospital in Elizabeth. Nine-year-old Susan White, daughter of Mr. and Mrs. Alex White of 15 Kipling avenue, is at Muhlenberg, and reports late yesterday had this child close to recovery and out of any serious danger.

The other—seven-year-old Robert Walter, son of Mr. and Mrs. Robert F. Walter, is in the isolation unit of St. Elizabeth and his case is causing concern because the dread disease had made some headway.

The Springfield Board of Health nurse interviewed all those who had any contact with these two and the parents have been asked to keep their children by themselves and avoid any contacts for at least fourteen days.

Dr. Dengler advises parents to take proper care while these two cases are running their course in the hospitals but he doesn't believe there is any reason to be become alarmed.

"Our Board of Health nurse" said Dr. Dengler, "will interview all neighbors' children to ascertain if there had been any contact with Susan and Robert—and if there was, we want those children and even the adults to avoid contact with anyone else for 14 days. This doesn't mean that children-activities should cease. We want the playgrounds open—let the swimming schedules continue. The Walter child hadn't even been in swimming and both Susan and Robert have been out of circulation for some time, so it's hard to determine where they picked up the germs."

The month of August, Dr. Dengler pointed out, is a bad period for this disease and urges great care. "Don't exhaust yourself," said Dr. Dengler, "and don't let your child get overtired. Until an effective vaccine is available for general use, we must be prepared for the threat and everyone is asked to take these precautions when polio is around: Don't get tired; don't get chilled; don't mix with new groups; keep hands clean since dirty hands may carry polio; and delay mouth and throat operations if possible."

Overlook Hospital authorities issued the statement this week that during the balance of the summer the hospital will continue to admit suspected polio patients for diagnosis only. Such diagnosis will be made within a period of not more than 48 hours from the time of admission to the hospital. After the diagnosis has been made (Continued on page 2)

## Celebrates 25 Years With N.J. Bell Tel.

**Arthur C. Brandle**—Arthur C. Brandle of 54 Keeler street, has marked his 25th year of telephone company service. Engaged by the New Jersey Bell Telephone company at Newark, Brandle is presently an engineer at the company's headquarters office.

Brandle is actively interested in music, bowling and Boy Scout committee work. He is a member of Springfield Church Bowling League, a former violinist with New Jersey Symphony Orchestra, and a former Boy-Scout Committee member of Troop 66.

## Historical Background Of Your Springfield

With so many newcomers in Springfield—little or nothing is known by these residents concerning the rich, interesting historical background of the community in which they now reside. If it were some municipality in New England, or Virginia, a high fence would have been erected about the town and admission charged to stand on the "very ground where the British were halted in their march—the turning point in the Revolutionary War."

In fact, elaborate plans are being made to celebrate the 175th anniversary of the Battle of Springfield during June of next year. The Springfield Historical Society will spearhead the plans with the assistance of the Township Committee and every civic, patriotic, business and church group in Springfield and a program that should attract national interest will be arranged to commemorate this historical event.

So that Springfield residents may know some of the history of the community in which they live, the SUN publishes herewith the historical background of the Township:

**Goes Back To 1700**  
The Township of Springfield has its roots set well back in the past. While it is not certainly known at what time the earliest white inhabitants established themselves in Springfield, it was very early in the 1700's. The earliest accurate date is 1717 when the family of the Briants came from Hackensack. It is said that in 1717 when Mr. Briants' family came here there were only three houses between Morristown and Elizabethtown. Imagine, if you can, uncultivated fields, hills covered with dense forests and only one narrow road threading its uncertain way from one town to another in an area which is now thickly populated.

History says that the First Presbyterian Church was built of logs and probably was abandoned when the second meeting house was erected in 1761 on the spot where the present Presbyterian Church is now standing. When this second church building was erected there was given to the congregation a tract of land consisting of 100 acres.

## First Aid Squad Kept Busy During Heat Wave

The terrific week end hot spell kept the Springfield First Aid Squad very busy, the police department, report, showing responses to, at least, a half dozen emergency calls.

Sunday's hot weather called out the squad twice. Miss Lori Knierim, 19, of 45 Morris avenue, needing attention because "of exhaustion and dehydration" according to the police report. The squad applied the inhalator until the arrival of Dr. A. J. Krug who attended Miss Knierim.

The police report also shows a call for the First Aid Squad on Sunday to rush Mrs. J. Carlock, age 88, of 17-B Forest Drive, to the Mountinside Hospital where she was attended by Dr. Brooks.

Further records at police headquarters show that the squad was called to rush Arthur Gould, 34, whose address is given as 28 Chapel street, to Overlook Hospital. He fell while at work and bruised his cheek and temple.

Another item on the record will probably explain a long drive by a golfer on the Baltusrol course, four year old John Vasselli, of 67 Warwick Circle, being hit in the head by a golf ball. The First Aid Squad rushed him to Overlook hospital for x-ray for possible fracture.

Two other jobs reported recently by the First Aid Squad was transporting Mrs. Agnete Wenzberg, 81, of 16 Remer avenue, to Overlook Hospital because of a cardiac condition and George L. Schug, 45, was taken to the Presbyterian Hospital and returned to his home in Springfield after being treated for a heart condition, the police records show.

## FUND DRIVE

Residents, please place your quarter donation for the Springfield First Aid Squad in the slot marked "AUGUST 7—OXYGEN" on your card.

## New Civic Group Elects Officers

Recently elected officers of the newly formed South Springfield Civic Association are Irwin Weinberg, president; Joseph Gans, vice-president; Mrs. Emanuel Magid, recording secretary; Mrs. Irving Neibart and Mrs. Joseph B. Bender, corresponding secretaries; Alvin Jay, treasurer.

Named to the association's board of trustees were Theodore Cashen, Dr. Meyer Laski, Sam Roseberger, Don Lenny and Robert Sommers. Plans are being made for a mass membership meeting to be held in September.

## "Where Is Your Boy Tonight?" Editorial Arouses Community

"Just what does your boy do at night when he's away from home?" That's a question of interest to any parent—but when John D. Seater, Jr., editor of the Miami (Ariz.) Silver Bell, gave some of the possible answers in an editorial, he aroused the whole community.

"Never have we written an editorial in recent times which aroused so much favorable comment," Mr. Seater told The American Press. "I have been complimented on it every week since it was published, by the judge of the superior court, law enforcement people, ministers, PTA's, and many, many of our residents."

Mr. Seater said that numerous people thought the editorial should get wider circulation than his 2,300 readers. So he sent it to The American Press with the comment: "I thought perhaps some of the rest of America's editors might be interested in what this weekly

"way out in the sticks" had to say about a problem that is national in scope."

Here is Mr. Seater's editorial:

**PARENTS SHOULD KNOW**  
Where does your boy spend his time at night? As a parent, you should know.  
Is he keeping good company, or is he well on his way to becoming a statistic that is our increasing juvenile delinquency figure?  
Is he out in his own car... or in yours... driving like a mad fool endangering not only his own life, but those of other teenagers packed in the car and the lives of other motorists as well? Is he drag racing at speeds of 80 miles an hour or over? Or does he prefer getting out and whipping along at 100 m.p.h. speeds? Is your boy one of a

## Local Man Retires After 55 Years of Steady Work

When Arthur C. Prinz of 18 Washington avenue, accepted a job as foreman with the Diehl Manufacturing Company in Somerville far back in 1917, he didn't realize that "this is really permanent" and for over 37 years he drove, back and forth, from Springfield to supervise his department in that plant.

This week Mr. Prinz decided to retire and both he and Mrs. Prinz are already beginning to wonder how this new life will appeal to someone who has been working steadily for over 55 years.

Mr. Prinz is 70 years young—having reached that age this past May—but he is unusually spry and isn't quite certain whether or not this business of being a retired man is the thing for him.

"I have been working steadily," said Mr. Prinz, "and having nothing to do tomorrow or the next day is a little frightening."

He started with the General Electric in Schenectady over 35 years ago and, except for our vacations, I've been on the job regularly until I decided to make room for some younger man. This is my first week—and maybe I'll get used to it."

Mr. Prinz was born in New York City and moved to Springfield 28 years ago, having built a home at 18 Washington avenue where they will reside. Fellow workers at the Diehl Manufacturing plant gave Mr. Prinz a series of farewell dinners last week with the plant executives participating.

When asked to what he attributes his longevity and fine physical condition, Mr. Prinz said it was probably due to applying himself to a regular job, refusing to worry too much about matters that were no concern of his and being friendly. Mr. Prinz also was smoking a fine Havana cigar at the time and admitted that he has been using tobacco all his life. "I smoke a pipe at home," said Mr. Prinz, "but cigars are my weakness with an occasional cigarette as a chaser. I used to chew tobacco—and no one knew it—but I gave that up years ago."

Arthur C. Prinz

## Aug. 14, Big Night For Teen-Agers

In an effort to set at rest the report that juveniles have been getting out of hand in Springfield, the newly elected officers of Teen Inn, Inc. and the organizers, and chaperones of this worthwhile local youth project, Mr. and Mrs. John M. Keith, announce that Saturday, August 14, will be a big night for teen-agers in the Township with a big party and dance at the American Legion Hall.

The last affair for the teen agers was held July 10 but those in charge of the August 14 program hope to attract all youngsters for this night at the local Teen-Inn. Games will be played from 8 to 9 and then dancing will be on the program until 11:30.

Both Mr. and Mrs. Keith have been devoting all their time to the teen age problems in Springfield and believe regular programs at the Legion Hall will be the solution. They do most of the work, attend every session, and spend money of their own for these programs whenever it is needed.

## Warn Against Any Bonfires In Township

Because of the drought and the increased danger of fire, Springfield Township authorities warn residents that it is a violation of an ordinance to burn refuse, waste or leaves without a permit from the fire department. The warning is repeated at this time because some complaints have been received from neighbors who find the smoke and fumes very obnoxious but the law prohibiting any kind of fire is a fire prevention measure and a violation at all times, except with a permit.

Following is the complete ordinance providing for fire prevention:

**Section 501. BONFIRES.** (a) No person shall kindle or maintain any fire in grass, brush or undergrowth for the purpose of burning over any public or private ground or otherwise, nor authorize or permit another to kindle or maintain any such fire within the Township of Springfield, unless an application for a permit therefor shall have first been presented to the Chief of the Fire Department, his approval endorsed thereon and a permit for each such fire shall have been issued by him.

(b) No bonfires shall be made anywhere within the fire limits of the Township nearer than twenty-five (25) feet to any building, or to any tank or vessel containing inflammable liquids.

## Regional Appoints Guidance Director

Dr. Leroy Booth, recently appointed as Director of Guidance at Regional High School, has started his duties. Dr. Booth has a B.S. in Education from the State Teachers College, West Chester, Pa. and his M. E. and doctorate in Education from Texas Technological College, Lubbock, Texas. He has had five years of high school teaching experience at Bristol, Pa. and Pleasant High School, Wilmington, Del. In addition, he was an ROTC instructor and Teaching Fellow in Psychology at Texas Technological College. During the war Dr. Booth served four and one half years in the Signal Corps with the final rank of Captain.

In order to have the high school operate efficiently on the opening day in September, it is necessary to register new students who were not registered in the grade schools last spring and to reschedule any students who filled subjects at the close of the year. These students are urged to come to the Guidance Office with their parents as soon as possible to register or to correct their schedules.

## Adams' At Shore

Mr. and Mrs. Edward Adams and son Jay of 23 Sutter Street are spending their vacation at Breton Woods. While there, they spent Sunday as guests of Mr. and Mrs. Raymond Swan aboard Swan's yacht, "Skipper", cruising on Barnegat Bay.

Mrs. Swan is the former Miss Grace Freeman, daughter of Mrs. Charles Freeman of Tooker Avenue.

## Water Shortage Still Here Say Authorities

Authorities cautioned residents of Springfield that "the water shortage crisis is not over as the result of recent rains" and warned that drastic steps will be taken against those who disregard the rules to conserve water. The Commonwealth Water Company points out that there is still an emergency and the police here are cooperating by "taking whatever necessary action to enforce compliance with regulations."

Police have been patrolling Springfield to look for violations and make a report to the proper authorities for further action. Under the present setup, no summons can be issued to violators but, if the residents will not comply, the proper ordinances will be adopted to give the police the power needed to prohibit the use of water for any unnecessary purpose.

The rains this week helped shrubs, trees and lawns but they didn't come in time to save some of the crops. "It was the heaviest rainfall since May" and was a boon to reservoirs at a low level. However, the drought-stricken area still has a problem and use of water will be restricted and prohibited for unnecessary purposes until the pumping pressure volume is increased.

County Agricultural Agent Eric H. Petersen, Jr. said maturing corn was beyond restoration, but that plantings made a week or two ago would benefit. The moisture also will help sowing of root crops, such as radishes, and carrots, for fall harvests, and may restore pastureland to the extent that some late grazing may be possible, he said.

He pointed out that many crops burned up long before this week's welcome drops.

The break in the drought occurred in a period which, according to rainfall averages at the weather bureau, has a reputation for being the wettest time of the year.

## NOT-CITY WATER

If you see sprinklers at work—and the use of a great deal of water on Prince's Farms out of South Springfield avenue, or at Smith and Smith (Suburban) funeral directors, 415 Morris avenue, or the Baltusrol-Golf Club—it is because they have their own driven wells and the water is their own—not from the same source supplying the other Springfield residents.

Chief of Police Albert A. Sarge has received complaints that "great quantities of water are being used in violation of the order to conserve" but he pointed out that in each case the water comes from their own wells and that none is using municipal water.

## 54 Cancer Crusade Surpasses Quota

Springfield was one of 14 communities in the county to surpass their quota in the 1954 Union County Cancer Crusade. Collections of \$2,400 went over the goal of \$2,000 set by Drive chairman, John J. Martin of 445 Morris avenue.

Plainfield placed first among county communities with collections of almost \$14,000; Elizabeth was second with \$10,150 and Lindbergh third with \$7,600.

After the top three county communities in order of amount of contribution are Westfield, \$7,500; Summit, \$6,250; Union, \$5,650; Rahway, \$4,200; Hillside, \$3,200; Cranford, \$2,650; Springfield, \$2,400; Roselle, \$1,950; Mountainside, \$1,450; Roselle Park, \$1,350; Garwood, \$975; New Providence, \$900; Fanwood, \$775; Scotch Plains, \$635; Berkeley Heights, \$565; Clark Township, \$470; and Winfield, \$270.

Martin expressed appreciation for the work of the captains and workers in their door-to-door solicitation and to the people of Springfield who supported this worthy drive. The Cancer Crusade in the county netted \$75,100.

### Corporal Stripes For Mitzmacher

CAMP KILMER, N. J. — Edward Mitzmacher, whose wife, Marlene, lives at 80 Kipling ave., recently was promoted to corporal while serving at Camp Kilmer, N. J.

Corporal Mitzmacher, an electrocardiograph technician in medical detachment of the 127th Area Service Unit, was last stationed at Camp Atterbury, Ind. He entered the Army in February 1953.

His parents, Mr. and Mrs. Philip Mitzmacher, live at 26 Hobson st., Newark.

### Springfield Reports

(Continued from page 1)

It will be necessary to refer the patient to hospitals nearby which have adequate facilities for treatment of patients under isolation. Overlook is primarily a general hospital which does not have a full time isolation pavilion.

Robert E. Heinlein, Director of the Hospital, commented as follows: "This decision was made after this problem was studied for some time by a special committee of Medical Staff Physicians, and representatives of the Nursing Staff in consultation with the hospital Administration.

There are many other diseases which have symptoms very similar to acute poliomyelitis. After a period of diagnostic studies in the hospital it is evident that about one-half of the suspected cases actually are poliomyelitis. "We feel that Overlook can be of assistance to other hospitals in the immediate area by determining which cases actually have polio. These cases will then be referred by our Staff Doctors to one of the hospitals which has adequate isolation and treatment facilities."

### Teacher Returns After Coast Tour

The heat doesn't stop the public relations men. The Springfield Sun received a post-card picture the other day from the Betsy-Ross restaurant at 6910 Hollywood Boulevard, Hollywood, California, with the news that "Doris Bonnett who lives at 96 Morrison road, Springfield, was recently seen enjoying a fudge sundae with her companions at the Betsy Ross."

This was true a telephone call to the Bonnett household revealed yesterday. Miss Bonnett answered the telephone and said she "had just come back from a cross country trip by automobile." Miss Bonnett arrived in Springfield yesterday after a full month's tour, having left July 6. Miss Bonnett is a school teacher in Roselle and the auto trip was made with two other school teachers.

She is the daughter of Mr. and Mrs. Edwin P. Bonnett of 96 Morrison road, and a graduate of Jonathan Dayton Regional High School.

The three school teachers drove the northern route on the way to the coast and stopped off at all important spots during the trip across the country. They spent about a week in California and enjoyed this best of the entire trip, according to Miss Bonnett.

Every tomorrow has two handles. We can take hold of it with the handle of anxiety or the handle of faith.

### ANNOUNCING !! THE HI-WAY TAILORING AND SHOE REPAIR

is now temporarily located at 11 MOUNTAIN AVENUE

Cleaning, tailoring will continue as usual, but we are compelled to close our Shoe Repair Department until our new store on Center Street is completed about October 1st.

Then watch for the introduction of a completely new-type service.

### Burke, Resident 13 Years, Dies

Thomas Peter Burke of 15 Spring Brook road, who died Sunday, at home after a heart attack, was buried yesterday morning from Smith and Smith (Suburban), 415 Morris avenue, followed by a High Requiem Mass in St. James Church.

Mr. Burke was 51 and was born in Jersey City, moving to Springfield 13 years ago. He was employed in the offices of the American Cyanamid Co. in Bound Brook.

He is survived by his wife, Mrs. Isabelle R. Burke and two sisters, Mrs. John Gorman and Mrs. James Dunningan, both residents of Jersey City.

### No License, So Car Owner Pays

William H. Jones, of 291 Brook Street, Summit, will ask questions hereafter. He was fined \$18 by Magistrate Henry C. McMullen in court here Monday night for letting a non-licensed driver operate his automobile.

Ernest A. Page, of 78 West Street, Newark, had his driver's

license revoked by Magistrate McMullen for careless driving. William Zeig of Summit and Clarence A. Ayres of Morristown, were fined \$5 for passing a stop street. George J. Martin, of Westfield, paid \$8 for operating a non-registered vehicle; Joseph Wetzel of West Orange was fined \$10 and Augusta Rapfogel of Jersey City, \$7 both on charges of speeding.

### State Volunteer Firemen Meeting At Breton Woods

The regular quarterly meeting of the New Jersey State Volunteer Firemen's Association was held at 2:00 p. m. on Sunday, August 1, at Breton Woods Firehouse, Breton Woods, on Route

528. Among the matters scheduled for discussion were new legislation concerning better insurance coverage for volunteers; increasing the membership of the Association; and cooperating with other firemanic groups to establish a permanent State Fire School.

Guest speaker for the meeting was State Firewarden William J. Seidel. President Robert Jack extended an invitation to representatives of any volunteer fire company interested to attend the August 1st meeting as guests of the Association and Breton Woods Fire Company, hosts for the day. Information concerning the Association, which is composed of active volunteer firemen, may be secured from Secretary Joseph S. Floyd, of Ridgedale Park.

**Water Witches Still In Demand**  
Water witches are making water wishes come true. Call it art or accident, science or superstition, but water witches and their tree-branch divining rods still play an important part in the hunt for life-giving water. In fact, their skill continues to be in demand in this technical age just as it was centuries ago, according to Davey tree experts. Water witches, or dowzers, usually have their own favorite branches to use in their dowsing operations. Popular trees for water-hunting sticks include the apple, beech, willow, hazel, peach as well as many others. While innumerable kinds of forked branches can become magic rods in the hands of experienced dowzers, nothing will work for some would-be water witches who are not endowed with the necessary "mystic power." Holding his forked stick in front of him, the dowzer walks slowly over the area where he wants to locate water. When he reaches a spot where water lies beneath the earth's surface, the stick automatically points downward. Why it becomes agitated, no one knows. Not even the water witch. In England, members of the Society of Dowzers report good demand for their services. The Royal Engineers, during World War II, included a special company of dowzers to assist in finding water for troops in arid regions. Their services were considered invaluable.

**Runyon-Medlin Engagement Told**

MISS DOROTHY RUNYON

Mr. and Mrs. M. Chase Runyon of 121 Tooker avenue, have announced the engagement of their daughter Dorothy Jane to Roger E. Medlin, son of Mr. and Mrs. Edwin A. Medlin of 81 Bryant avenue.

Miss Runyon was graduated from Regional High School and will receive her degree from Western College for Women, Oxford, Ohio, next June. Mr. Medlin is a graduate of Regional High School and Newark College of Engineering. He is a member of Alpha Sigma Phi fraternity. Mr. Medlin is associated with Westinghouse Electric Corporation as a Meter Sales Engineer and has just received his commission as a Second Lieutenant in the United States Air Force Reserve.

The Army Signal Corps established the world's first long distance commercial wireless circuit across Norton Sound, Alaska, in 1903. The Signal Corps gradually expanded its radio circuits until today they cover the entire Territory of Alaska—serving both civilians and military.

**Free Section Of Parkway To Be Governed By State**

Gov. Robert B. Meyner announced that the State Highway Department, not the State Highway Authority which operates the toll road, has jurisdiction over the toll-free stretch of the Garden State Parkway between Union and South Amboy at his press conference Monday.

The Governor said this was true because that segment of the road was built with the help of federal funds. Most of the parkway was constructed by the highway authority in a separate financial operation, and tolls will be charged. The question came up in connection with the opposition in Union County to proposals that buses be permitted on the parkway along its entire route. It is Meyner's opinion that question must be decided by State Highway Commissioner Dwight R. G. Palmer, not by the three-member authority which operates the

the question of who would maintain and police this segment of the road. The Union County Board of Freeholders is on record in opposition to the proposal that buses be permitted on the parkway. Some county communities, particularly Union, also have stated their opposition. On another question regarding

the parkway, Meyner said no one has to pay a 25-cent toll to ride the free stretch between Union and South Amboy if he knows his skip the toll booth, the governor

**SPECIAL NOTICE TO THE CUSTOMERS OF COMMONWEALTH WATER CO.**

A Proclamation was recently issued officially to all the municipalities served by our Company restricting the use of water for lawn sprinkling and car washing between the hours of 4 and 10 P.M. each day.

The continued unprecedented use of water brought about by the present record drought in the State of New Jersey has caused an emergency to exist in the water supply. This extreme water demand is causing areas on the higher elevations to be completely without water for a number of hours each day.

In order that all of our Customers will receive water for the important domestic services, including fire protection, we find it necessary to request that **NO WATER BE USED FOR LAWN SPRINKLING, WASHING OF AUTOMOBILES** or any other unnecessary use during the duration of the drought. When the situation has eased, public notice will be given for the resumption of normal use of water.

**COMMONWEALTH WATER CO.**  
T. W. Coleman, Manager

## Big Night

(Continued from page 1) representing the finest families in Springfield, and all those who are available are expected to attend the August 14 open house at the Legion Hall.

Mr. and Mrs. Keith are assisted by an able committee from Teen-Im, Inc. whose officers until June, 1955, are Bob Schwartz, president; Carole Matzek, Treasurer; Paffy Baker, secretary; and Judy Wicker, vice president. All teen agers in Springfield are invited to attend the party on August 14 and every Saturday night, starting with September 11.

Your Boy (Continued from page 1) number of youths who think the wide highway is a drag race's dream where he can bat along beside another car full of youngsters at a crippling, mangling, killing speed?

If you don't know, or if you're not certain, then you'd better find out.

Just what does your boy do at night when he's away from home?

Is your boy among those who maliciously destroy property of others - Is he out-ripping chrome off someone else's car or scratching the finish of a new car with a key or knife while it's parked in town?

If you don't know, you'd better find out.

Not my boy, you say? Perhaps not.

But talk to peace and judicial officers of the district. Find out how many of these things are going on and how often. You'll be amazed at the answers you get. But you should be more than amazed. You should be shocked and terrified; and you should take a closer look at the activities of your own youngsters.

It can't happen in YOUR family? Don't you bet on it.

Unless a lot of parents do a lot of thinking and take a lot of preventive action, it'll happen in a lot of families.

Laws aren't the answer. Law enforcement isn't the answer. Proper home life, home guidance and instruction of youngsters of all ages in the fundamental precepts of decent human behavior and good citizenship is our only hope.

As parents, we'd better get busy!

Warn Against (Continued from page 1) in the gutters thereof.

(c) No person shall burn or cause to be burned any trash, lumber, leaves, straw or any other combustible material in any street, alley, or vacant lot, without a permit from the Chief of the Fire Department, except when such burning shall be done in a screened metallic receptacle or masonry fireplace and under the constant supervision of an adult person.

The burning of garbage is prohibited, except upon permit issued therefor by the Chief of the Fire Department.

(f) Any person who shall be convicted of a violation of this section and article, shall be punished by a fine not exceeding fifty (\$50.) dollars, to be imposed in the discretion of the magistrate or other officer of the Township before whom such conviction may be had.

(g) Any person kindling, maintaining or permitting any fire described in paragraphs a, b, c, d, e, hereon, whether under permit, or not, who shall willfully or negligently permit such fire to get out of control by means whereof the property of another is endangered, or as a result whereof the calling out of the Fire Department of the Township, or any unit thereof, is necessitated, shall upon conviction hereof be punished by a fine not to exceed One Hundred (\$100.) Dollars, to be imposed in the discretion of the magistrate or other officer of the said Township before whom such conviction may be had. Proof that such fire was out of control shall be presumption evidence of such negligence.

Vacationing At Belmar Miss Mildred Morris of 31 Colonial Terrace is enjoying her two weeks vacation at the beach in Belmar. Miss Morris is employed by the New Jersey Bell Telephone Company in Milburn.

A handful of patience is worth more than a bushel of brains. -Dutch proverb.

Postman Wins On Radio Quiz Show James Conner of 91 Saverna avenue, a postman at the local post office, appeared on the "Strike It Rich" program yesterday morning on radio but Warren Hull "throw a curve" at him after he had built his prize money up to \$170 and he went out in a \$100 question which left him and the bride-to-be, \$70. This amount was doubled before the program went off the air with an additional \$70 telephoned in from the "heart line."

The local postman is to be married to Miss Joan Roth of Jersey City on August 22 at the Simpson Grace Church, Tomelle avenue, Jersey City. They wrote to the Strike It Rich program that his grandmother, Mrs. B. L. Green, is his only living relative and that he would like to make enough to bring her to the wedding from Florida where she lives. Conner and his bride-to-be were doing well until they risked \$100 on a question after having built up to \$170. They plan to live at 15 Clinton avenue, Springfield, after their honeymoon.

Cantor Leonard Poller

Tomorrow, 8:30 p. m. — Sabbath Eve Service and Confirmation Service.

**Playgrounds**

**GAUDINEER PLAYGROUND**  
The main attraction of last week was our Hobby Show which was held on Friday. The entries were Maxine Bouslog, Diane Scully, Judy Hill, Sue Klich, Linda and Ricky Kisch, Della and Freddy Sperling, Billy Volpe, Jean Bowles, James Rubin, Frank Zurawski and Raymond Rubin. Sue Kisch won first prize for her oil painting: "Diana's glory" came in second for sea shells from Florida and Jean Bowles for tropical fish. The judges were Doris Bullock, Archie Argyle and Pat Mottishaw.

The girls Soft Ball Team is to play James Caldwell girls today. Robert Rice and Freddy Sperling started a butterfly collection, being home-made nets. They were quite successful. They caught six altogether. Last week was made a little different by putting tables on sea shells.

**RIVERSIDE PLAYGROUND**  
Last week we were gipped out of a few days when it rained Monday morning and practically all day Tuesday. The other days were such terrible scorches that everybody felt they'd better stay in and not go out. Yesterday's weather brought the more interesting—and at times—impossible. However, on Monday afternoon, they conformed to the conventional rule—enough to engage in a very interesting and exciting tournament for the 10-12 age group. The winner was Vernon Watkins, second was Eddie Bullock, third, Henry Williams, fourth, Dirinda Wither.

Warren Watkins is our champ for the older group.

On Friday, we had a softball contest which was won by Wilbur Hill. Teddy Lee was second and Spencer Hoppin was third. Others who participated were Jack Lee, Herman Lee, Joanne Hoppin, John McGill and Jackie McGill.

We also have lively dodge ball games and basketball catching and throwing.

We miss our tether-ball game very much and hope that we will soon be able to resume them.

**KOTEN PLAYGROUND**  
Now that the younger children have learned to play checkers, the game has become a favorite among them. Of course, it is still difficult to disengage them from interesting variations of their own to make the game more intriguing—and at times—impossible. However, on Monday afternoon, they conformed to the conventional rule—enough to engage in a very interesting and exciting tournament for the 10-12 age group. The winner was Vernon Watkins, second was Eddie Bullock, third, Henry Williams, fourth, Dirinda Wither.

Warren Watkins is our champ for the older group.

**Paper Mill Art Gallery Exhibit Shows Landscapes**

During the current run of Friml's "The Vagabond King" the art gallery of the Paper Mill Playhouse of Millburn is holding an exhibition of landscapes by Albert L. Brosse, Jr. Brosse studied at the Art Students League of New York.

Before his service in World War II, he held summer classes in Connecticut. More recently, he has taught at the Summit YWCA. A native of Newark, he has for

some years resided in Summit with his wife, formerly Miss Barbara Fries of Springfield and their two sons. His zest for his art takes him on long journeys by car especially to New England where his striking marinas were painted.

DISPLAYING NEW PHONE BOOKS—New Jersey Bell directory clerk, Mary A. Schworer, shows the "new look" in Essex telephone directories.

### New Suburban Phone Books To Be Out In September

The newly separated Newark and Suburban Essex telephone directories will make their initial appearances here in about a month's time, New Jersey Bell Telephone Company announced today.

Metropolitan Directory Production Manager, Samuel R. Sample, said that entries in both books had been closed and that the directories were now in the hands of the Jersey City Printing Company.

The company announced plans last year to separate the Essex County directory immediately after the 1953 version hit a record high of 1,360 pages, with the prospect of the 1954 book nearing 1,600 pages.

"With continuing telephone growth a split was inevitable in the directory was to remain a source of ready reference. The 1953 book is two and one-quarter inches thick as compared to the seven-eighths of an inch thickness of the 1953 version," Sample said.

He estimated that the new Newark book will have a total of 1,112 pages while the suburban book will have a total of 772, both including the "Yellow Pages."

The Newark book will cover more than the city itself. Sample emphasizes. Among the subscribers listed will be residents of Hillside, Irvington, Belleville, and the West Hudson communities of Harrison, East Newark, Kearny, Arlington and North Arlington.

"We include this group of towns because of the close community relations with Newark," Sample explained.

The Suburban Essex book will include all other towns formerly included in the Essex County directory.

Another new feature of both books, Sample said, was the elimination of town headings in favor of a straight alphabetical listing.

The alphabetical system has been in use for many years in various areas of the state including Bergen and Passaic Counties, the company pointed out. The company said results in these areas had demonstrated that straight alphabetical listing provided the

quickest and most direct method of finding a telephone listing within a general area.

### AN ORDINANCE TO AMEND THE RESIDENTIAL LOT SIZE MAP OF THE TOWNSHIP OF SPRINGFIELD ADOPTED MARCH 30, 1954.

BE IT ORDAINED BY THE Township Committee of the County of Union and State of New Jersey, as follows: 1. The following described tracts of land now located in 75 ft. frontage, 10,000 square feet lot size areas shall be changed to 60 ft. frontage, 15,000 square feet lot size areas, being shown and designated on the Tax Atlas of the Township of Springfield as follows: (a) Block 76, Lot 4 (b) Lots 14, 16-17, 18, Block 66

2. The foregoing ordinance shall take effect immediately upon publication after final passage according to law.

1. Resolved if Worthington do hereby certify that the foregoing Ordinance was introduced for final reading at a regular meeting of the Township Committee of the County of Union and State of New Jersey, held on Wednesday, July 28, 1954, and that the said Ordinance shall be submitted for consideration and adoption at a regular meeting of the said Township Committee to be held on August 11, 1954, in the Springfield Municipal Building at 9:00 P.M., at which time and place any person or persons interested therein, will be given an opportunity to be heard concerning said Ordinance.

ELIZABETH H. WORTHINGTON, Township Clerk, July 28 - August 5

### NOTICE TO CREDITORS ESTATE OF MORRIS LICHTENSTEIN, Deceased.

Pursuant to the order of CHARLES A. O'NEIL, Jr., Surrogate of the County of Union, made on the eighth day of July, A.D. 1954, upon the application of the undersigned, as Executor of the estate of said deceased, notice is hereby given to the creditors of said deceased to exhibit to the undersigned, under oath or affirmation their claims and demands against the estate of said deceased within six months from the date of this notice, or they will be forever barred from presenting or recovering thereon against the subscriber, ELLIOTT A. LICHTENSTEIN, Executor.

### SYNOPSIS OF MINUTES OF MEETING OF THE UNION COUNTY BOARD OF CHOSEN FRESHOLDERS HELD JULY 27, 1954

Regular Meeting of the Union County Board of Chosen Fresholders was held at the Court House, Elizabeth, N. J., Thursday, July 22, 1954, at ten A.M.

Director Pro Tem Herlitz presiding, roll call showed: absentees: present and two, Fresholder Boarder and District Judge, absent.

President Hickok made a motion that the minutes of July 22 be approved, which motion was duly seconded and unanimously carried. Resolution that all bills presented for payment be ordered paid, was on roll call unanimously adopted.

The following community notes were received and ordered filed: Township of Union, asking for a contribution towards the improvement of a natural stream of water course known as branch of Rahway River which crosses Crane Place and Bradford Avenue, was referred to Roads and Bridges Committee.

Attn: A. Johnson of Barletta Heights, N. J., calling attention to a bad drainage condition in front of his property at 618 Mountain Avenue, was referred to Roads and Bridges Committee.

Chairman, Purchasing Committee, advising of bids received for one Microfilm Camera and one Film Reader, was referred to Purchasing Committee.

Chairman, Purchasing Committee, advising of bids received for furnishing to Registrar's Office 125 Rubber Book Binders and recommending purchase of same from Wilson Jones Co., was referred to Purchasing Agent and Committee.

Law Department of City of Milwaukee, advising under date of July 12, 1954, the Port of New York Authority offered to enter into a voluntary agreement with the City of Elizabeth and County of Union pursuant to the powers vested in them by Chapter 43 of the laws of N. J., 1947, and amended by Chapter 214, Laws of N. J., 1948, whereby the Port Authority will buy the City and County annually in lieu of taxes and assessments, an amount equal to the sum last paid as annual taxes and excising agreement for the County to execute, was referred to Finance Committee.

Board of Chosen Fresholders of Somerset County, enclosing copy of a resolution adopted by Somerset County concerning the petition taken by this County against Somerset County, concerning the petition taken by this County against Somerset County, was referred to Roads and Bridges Committee.

Monthly reports of the Auditors, the County, were received and ordered filed.

Reports of the Committees on Roads and Bridges, recommending that the County purchase a portion of the cost of the improvement of a natural stream which crosses Crane Place and Bradford Avenue, near Birch Avenue, Union, was received and ordered filed.

Report of Committee on Roads and Bridges, recommending that a new storm sewer be constructed along Park Avenue in the Township of Scotch Plains.

The following resolutions were introduced, and moved for adoption: (1) Fresholder Boarder, Public Property Committee, approving the permanent appointment of Helen A. Clark, Telephone Operator in the Dept. of Public Works at \$2,280 per annum, effective July 15, 1954, was on roll call unanimously adopted.

(2) Fresholder Boarder, Public Property Committee, authorizing Director and Clerk to execute an agreement with the Port of New York Authority and the City of Elizabeth to receive and accept in lieu of taxes to be fixed in said Agreement, for lands owned by them in 1963, was on roll call unanimously adopted.

(3) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.

(4) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.

(5) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.

(6) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.

(7) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.

(8) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.

(9) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.

(10) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.

(11) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.

(12) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.

(13) Fresholder Boarder, Public Property Committee, approving the County Treasurer to close out the balance of \$1673 in the Township and Boro Det. Road Fund to Budget Operation Account, was on roll call unanimously adopted.
