

Marshall Asks Voters To Compare Fictitious Plan To Constructive

Van Ness To Speak On Laymens Sunday

J. Norwood Van Ness

Symbolizing Methodism's origin as a layman's movement, Sunday, October 17 has been set aside by Methodists around the world as "Laymen's Sunday," at which time laymen in this denomination will participate in the morning worship service while the local ministers will sit in the pew.

The Springfield Methodist Church has arranged their program around the usual order of worship presided over by Harry Webb, President of the Methodist Men's Club, and participated in by Ed McCarthy, Harold Oakman, and Francis J. Shimschock, Jr., who will lead the Affirmation of Faith, the Responsive Reading and make the announcements, respectively.

Mr. J. Norwood Van Ness, Lay Leader, will give the main address using as his topic, "Decisions of Our Time." Mr. George E. Arcey will render a tenor solo as well as special music by the Chancel Choir under the direction of W. N. Barz, Organist and Director. The service will be held at 11 a. m.

The local pastor, the Rev. Dr. Marvin W. Green, will be preaching at this time at the Trinity Methodist Church in Rahway and each evening through Friday in an exchange Visitation Evangelism program with the Rev. Frank D. Dennis, Rahway minister who preached, each evening last week in Springfield.

The general public is cordially invited to attend this Laymen's program.

Education Group Sets 1st Meeting

The Parent Education Group of the James Caldwell School has as its theme for the year "Let's Find Out." The first meeting will be held on Thursday evening, October 21st at 8:15 p. m. in the Kindergarten Room. Mrs. Y. Hannan and Mrs. M. E. Snider, two of the first grade teachers, who will be the discussion leaders, have chosen as their topic "Opening Gates to the Magic Circle of those who read through the Basic Reading Program and by means of Specialized Material." All parents are invited to attend this informative meeting. Mrs. H. P. Hoerwagen is chairman of the group.

Former Mayor Robert W. Marshall, Republican candidate for the Township Committee, today urged the hundreds of new voters as well as the thousands who have balloted here in previous elections to carefully compare the constructive program he has mapped out as contrasted with "campaign of fiction and fantasy" presented by his Democratic opponent.

Marshall Says Bonadies Is Uninformed

Former Mayor Robert W. Marshall, Republican candidate for the Township Committee, today characterized his Democratic opponent as "a political promiser and guesser who dreams up non-paying jobs, for dozens of others in hope they will support his bid for a governing board post."

"Varsity Vince would love to play on the first team—but he is shy about carrying the ball," the former Mayor observed. "He makes a great deal of noise about appointing commissions—commissions to attract industries to the township and commissions to stop floods of the Rahway River. I get the impression these commissions will order the river to stop flooding and that will solve the problem. Apparently it will be done with opaque mirrors."

"Meanwhile he doesn't expect all these people to serve in these posts without remuneration. Reputedly, he has at least a dozen persons assuming they help to get out the vote for him. The next development is supposed to be an ordinance which will provide salaries for the jobs."

"Meanwhile this Democratic candidate, who suddenly has developed remedies for situations which he never has mentioned until last month, plans to sit back as a member of the township committee and through the medium of paid followers attempt to build up himself as the indispensable man. It's a forerunner of the old Democratic plan of 'tax and tax and spend and spend.' Of course the candidate will indignantly deny this. But obviously there's a price attached to a non-contested primary even in the Democratic party."

"This misguided vote-seeker perhaps has forgotten that it was I who originally suggested a campaign to bring industrial firms to Springfield. But unlike him I wouldn't settle for just any factory enterprise. I insisted that any industry coming to Springfield be clean, and its processes be clear of heavy smoke and bad odors. We in Springfield will not countenance the wrong type of industry. Will this candidate like any type of factory, regardless of its labor policy or in face of possible manufacturing practices which would make it not wanted by Springfield residents?"

"This candidate, who worries about municipal problems three months of the year and forgets about them the other nine months, seems to believe that all that is necessary to secure state school aid for Springfield is to contact the state legislative delegation. As Mayor I had many conferences (Continued on page 2)

Break Ground On New School This Saturday

Ground breaking ceremonies for the new elementary school to be constructed in Mountain avenue are scheduled for Saturday afternoon, at 1:30, to be preceded by the formal signing of the contracts at 10:30 in the Florence M. Gaudinier School and followed by a luncheon at 12 noon. Members of the Board of Education, the Township officials and successful contractors will participate in the program to be highlighted by the "turning over" of the ground.

Contracts for the successful bidders have been checked and the actual signing of all papers will take place Saturday morning. Stephen Palmisano & Sons of 670 Avenue B, Bayonne, will be the general contractor; Elizabeth Iron Works of Green Lane, Elizabeth, will furnish the structural steel; August Arcece & Sons of 642 Third avenue, Elizabeth, are the successful heating contractors; Acme Electric, Inc., of 211 Bond Street, Elizabeth, electrical work; and Fred Wendel of Paramus, the plumbing.

It will be a one level school building and provide class facilities for 350 pupils through the fifth grade. It is understood that the new school is expected to be ready by September of 1955.

All residents of Springfield are invited to attend the ground breaking exercises.

Play Area To Be Cleared For Kids

The Township Committee last night authorized the leveling of a play area for children on Alvin Terrace. A letter was received by the Committee from the Recreation Commission requesting that the area at the end of Alvin Terrace be leveled off to keep the 50 or more children from that neighborhood from playing in the streets.

The Committee, in authorizing this project, made it clear, however, that this area would not constitute a regular playground, and would not come under the jurisdiction of regular Recreation Commission play areas.

League Of Women Voters Asks to Clarify Article

The Springfield League of Women Voters has asked the Springfield Sun to point out that the article in last week's issue, concerning the Candidates Night held in Westfield, was not "written or released" by the League. The article referred to was the report of the meeting itself and the League was, in no way, responsible for any of the facts or the manner in which it was written.

Following is the letter from the League of Women Voters:

"I have just finished reading your article regarding the League of Women Voters Candidates Meeting in Westfield in the October 7 issue of the Springfield Sun. The manner in which your article was presented may have led our town-

Bonadies Backers Fire Broadside At Marshall

Both Williams and Shepard Will Be Here Tuesday Night

Cong. Harrison A. Williams

Fred E. Shepard

The annual Candidates Night under the auspices of the Chamber of Commerce to be held Tuesday evening, October 19, at the Baltusrol Golf Club, promises to be an even greater show than last year. This is based on the report of the reservations committee yesterday that the response to date indicates a capacity house and that Fred E. Shepard, Republican candidate for Congress in this district, yesterday accepted the invitation and will definitely be on hand.

Congressman Harrison A. (Pete) Williams had already promised the committee that he would be present for Tuesday night's big show and now that Shepard's appearance is definite, it should add to the interesting evening. These two have been meeting on the "grapefruit" circuit for the past few weeks and speaking from the same platform Tuesday night will attract many who might not have considered attending. Cong. Williams has been adding to his popularity throughout the Sixth District and a very aggressive Independent for Williams committee has been doing a lot of spadework in Springfield and enlisting considerable support for his re-election in the November election.

The main show Tuesday evening should be the meeting of the two candidates for the Township Committee—Robert W. Marshall and Vincent J. Bonadies. The campaign to date between these two local aspirants has been waged through newspapers and followers of both candidates look for some highlights when they unload political artillery at the Chamber of Commerce show.

The committee in charge of tickets reports that there are still some reservations available for the dinner and speaking program to follow. They can be had by telephoning the Chamber of Commerce office, Millburn 6-1737. The dinner to be served at the Baltusrol Golf Club dining room will get under way about 7 o'clock and the speaking program to follow as soon as possible.

The battle of words continues with supporters of Vincent J. Bonadies aiming another volley at Robert W. Marshall, his opponent for the Township Committee election to be held November 2.

The full statement of the Bonadies campaign committee is as follows:

Church Men's Club To Stage Mock Wedding

A "mock wedding," with members of the Men's Club of the First Presbyterian Church taking all the parts which includes the bride, bridesmaids and all other members of the marriage party, will be staged at the Presbyterian Parish House two evenings, Tuesday, October 26, and Wednesday, October 27. The program will start at 8:15 each evening and the proceeds will go toward the building fund, tickets selling at only one dollar.

Frank Jakobsen is chairman of the general committee with the following in charge of these duties: program, Steve Douglas; tickets, "Bill" Eno; Decorations, "Bill" French; make-up, Hold Jones and William Sweeney; reception, "Doug" Stockle, Karl Roettger, "Lem" Stevens, Ered Allen, Stuart Knowlton and "Bill" French; photographs, "Art" Stender.

Tickets for this two-night show may be purchased from any of the committee members or members of the cast. Make-up artists Jones and Sweeney will have the job of preparing the principals for this "womanless mock wedding" from the following members of the cast: "Bob" Grant, Frank Jakobsen, Frank Stevens, "Bill" Wagner, "Bill" Van Riper, Fred Kaufmann, "Bob" Bennett, Gene Wiertz, Henry Bouchard, George Harrison, Adolf Sison, George Smith, Herb Kern, Donald Fiemer, "Jim" Stewart, Harold Bishop, Herb Bailey, Ed Mertz, Duncan Douglas, Bert Flemer, Cliff Walker, Francis Hammond, Lee Schwalm, "Bill" Smith, Art Bjorstad, George Wunderlick, "Bill" Geitz, Steve Douglas, John Mertz, Orval Goodman, Al Johnson and Frank Bies.

Three Drivers Pay Stiff \$100 Fines

Three drivers paid a total of \$337 in fines in Magistrate Henry C. McMullen's Municipal Court Monday night which is about par for the course. All three were fined \$100 and \$3.00 costs for driving while on the revoked list and one had to pay an additional \$23 for speeding 65 miles per hour in a 50 mile zone.

It was John F. Seib, 23, of 181 Millburn avenue, Millburn, arrested by Patrolman Robert Traffic on both the speeding charge and for driving while on the revoked list. The other two who paid fines for driving after revocation of their licenses were Roland Allan, of 29 Water street, Morrisstown, and Edward Cannon of 100 Elm street, Elizabeth, who was picked up by Patrolman Leslie Bell, according to the records.

FROM THE FILES

The Vince Bonadies supporters, doing some research in the files of the Springfield Sun, came up with some quotations and point out that the December 27, 1951, issue stated that:

"Just a few minutes before the rezoning question came up Mayor Robert Marshall turned the chair over to Handville reportedly stating he had a splitting headache. A five minute recess was declared when it appeared a tie vote was developing in order to find Marshall. But the Mayor had disappeared completely." (P. S. Hanovia Chemical walked out in disgust and never returned.)

January 3, 1952 — "Listen Friends!" labeled Marshall as "Mr. Switch."

April 22, 1954 — Mayor Binder stated: "There has been obvious shortcoming and inefficiencies in the operation of our government in the prior years, and despite probing by members of the Board, the Chairman, Robert Marshall, was indecisive, incapable, and reluctant to do anything about it."

of six years included, among others: 1. Suffering from lack of experience; 2. Annual changes in Township Committee; 3. Complexities of problems; 4. Illness of members; 5. Growth of town; 6. Heading committees; 7. Differences among Republicans; 8. Inherited flood conditions; 9. Zoning and planning for industrial expansion.

"It is obvious that our opponent has given us 'Six Years of Why Things Cannot be Done' instead of six years of conscientious effort to solve our problems. We are certain that our citizens will elect Vince Bonadies whose record of concerted accomplishments, not excuses, will prevent inaction in important matters. Our opponent's attempt at deception was never more clear than when he stated, again in his April 1, 1954 column, and we quote: "There also were many prob-

Smallest N. J. State Owned Park - 5ft. by 5ft. - Is Located Here

STATUE OF CONTINENTAL SOLDIER—on front lawn of First Presbyterian Church is on property owned by State of New Jersey—60 inches by 60 inches.

The smallest New Jersey owned state park—occupying a plot of ground just 60 inches by 60 inches—is located on the front lawn of the First Presbyterian Church on Morris avenue, the site of a granite statue of a Continental Soldier, a monument erected by an act of Legislature in 1903.

This statue was unveiled June 23, 1905, with elaborate exercises throughout the entire day commemorating the 125th anniversary of the Battle of Springfield. It was one of three memorials "in accordance with an act of the Legislature, approved March 28, 1904, appropriating the sum of five thousand dollars for the erection of monuments or tablets, suitably inscribed, to mark points of special interest on the battle grounds of Elizabethtown, Connecticut Farms and Springfield. His Excellency, Franklin Murphy, Governor of New Jersey, appointed Messrs. Charles H. K. Halsey and

C. Symmes Kiggins, of Elizabeth, and Rev. William Hoppough, of Springfield, as members of the commission to carry out the purpose of the Act."

Statue Costs \$1,800

The report further continues: "The Commission arranged for the erection of the memorials as follows: A granite statue of a Minute Man, costing \$2,500, at Union Square, Elizabeth; a granite statue of a Continental Soldier, costing \$1,800, in front of the Presbyterian Church in Springfield; a bronze tablet on the Connecticut Farms, Church, and a bronze tablet on a granite pedestal near the site of the old parsonage where Mrs. James Caldwell was killed by the British. The dates fixed for the unveiling of these memorials were the 125th anniversaries of

the battles of the three places, Connecticut Farms, June 7; Elizabeth, June 8; and Springfield, June 23, 1905. The Legislature of 1905 appropriating \$1,500 for the exercises connected with the unveiling."

A souvenir program was published in conjunction with the all day exercises in Springfield, the morning parade showing George M. MacDonald as the grand marshal and the following aides: Peter H. Meisel, George W. Merwin, Clarence French, Olin D. Sicklely, John Bonnell and Clarence McCollum.

The afternoon program according to this printed program of 1905 included the unveiling of the monument with exercises in the Presbyterian Church, the Rev. William Hoppough, presiding. The musical program was offered by Prof. Louis Schneppel's Band of Elizabeth, Mrs. J. B. Bryan, or-

ganist of the church; and the school chorus directed by Supervising Principal E. V. Walton. The oration was by Hon. Foster M. Voorhees, former Governor of New Jersey. Mrs. Amy Lyon Kingsbury gave a recitation, "Caldwell of Springfield." The unveiling of the statue was by Miss Gladys Elizabeth Wade, a great descendant of Revolutionary army soldiers from Springfield, and the deed for the present by William S. Smith, President of the Board of Trustees of the Presbyterian Church, Charles H. K. Halsey, chairman of the State Commission, accepted the deed for the State of New Jersey, and the program came to an end with the firing of a salute by the Veteran Zouaves of Elizabeth.

Prominent Names

The committees appearing in the souvenir program include the names of prominent Springfield families. George M. MacDonald was chairman of the general

committee, with Dr. J. A. Stites as secretary, and J. J. Hoff, N. C. Cox and George S. Campbell. The Finance and Subscription committee was headed by James Farrow with W. E. McCollum, R. Le Roy Corby, W. B. Denham, Peter H. Meisel, Clifford Willis, George Parsell and Dr. Wm. H. Lawrence.

Theo. D. Sicklely was chairman of the entertainment committee with Erdman Cain, Miss K. Kessler, Mrs. John Quick, Mrs. Geo. M. Merwin, Mrs. T. D. Sicklely, Miss Mary B. Sicklely, C. Lewis Corby and A. A. Sicklely.

The Committee of Plots was headed by Prof. E. V. Walton, and members were Fred Keilke, J. J. Hoff, Wm. D. Allen, Perry E. Hall, R. Marshall, Fred Pierson, James Flister, Wilson H.

 lems involved in zoning and in planning as well as deciding on a program that would bring industrial resources to the Township. This last project involved many hours of conferences and the final result was a tax drop of 28 points in my last year as Mayor.

"What is the truth? The 1953 budget which reflects the above, shows the following: local township budget up 25 points; local school budget down 52 points; new change down 27 points.

"It is obvious that Marshall intentionally took credit for the overall improvement of 27 points when, in fact, his administration was directly responsible for an increase of 25 points. The Township Committee has absolutely no control over the local school budget and our opponent knew that when he made the statement.

"Where Are Industries? "Where has our opponent stood on the question of industrial expansion? The Springfield Sun of February 21, 1952 reported that at a public forum of the Chamber of Commerce for the discussion of the 1952 budget one of the outstanding features was the first public admission by a town official—Marshall—that lack of proper industrial development almost to the present time was definitely a major contributing factor to the consistent tax rate rise." Despite the fact that he was in office for about five years, he, when his guard was down, was forced to admit that nothing had been done to encourage industrial development.

—To judge from his remarks, and comments of recent date, one would conclude that he supports the expansion without any reservation particularly with reference to the Route 22 area. We charge that this is inconsistent with his voting record of six years wherein his serious errors in delaying his decision on the Hanovia tract deal has placed an unbearable tax burden on the shoulders of the townspeople and

will continue to do so for many years to come.

"Our opponent weeps, that he, as Mayor, had no support. The simple fact exists that the ex-Mayor could not have been elected to that position without the backing of at least the majority of the Township Committee. The press releases of our opponent during the last primary and current campaign are replete with excuses based upon the lack of support from his Republican colleagues. We charge that it is our opponent's lack of ability to show forceful leadership when it became necessary; his inability to make up his own mind as to what course of action to take and his preference to do nothing rather than make a mistake were the real reasons he backpedaled during his term as Mayor.

"Where Does He Stand? "The ex-Mayor has attempted to make much political hay out of the fact that the people are supposed to know where he stands on many issues. We searched high and low for any evidence of a positive statement on the issue of this campaign but all to no avail. At this very late date, less than three weeks before election day our opponent has been deafening in his silence. His last positive political statement was on the eve of Primary Day April 15, 1954, in his 'Star-Chambered' expose of an innocently conceived wish to ease the mind of an ailing friend. We feel strongly that, if this is the most constructive effort the ex-Mayor has to offer our townspeople, it is best that he be

put out to pasture before he does any more harm. We want Vince Bonadies for our new representative on the Township Committee, action speaks louder than words, and our opponent's record speaks louder than all our words.

 with our legislators and they worked hard to raise the proportion of state aid. It just isn't dished out like portions of ice cream as this candidate would realize if he has studied the problem as thoroughly as he claims.

"Actually the Democratic candidate's campaign to date has been a series of innuendoes and half truths—perhaps I should say quarter-truths— together with a varnished presentation which painted him as the brave knight with a golden suit of armor carrying the spear of truth and riding a white charger. Actually the real picture is that of an aspiring politician using backneyed campaign tactics which have been rejected by Springfield voters for the past seven years and riding on the uncontested nomination secured by promises which won't be fulfilled until there is a Democratic majority on the township committee—and I am convinced people won't buy that in 1955 or Bonadies in 1954." The former Mayor declared.

 William Petz, restaurant and cafe at Morris and Springfield avenues, announces a first class dinner, and S. Bleiweiss advertises fine groceries and provisions, also hardware and feed on Morris Avenue.

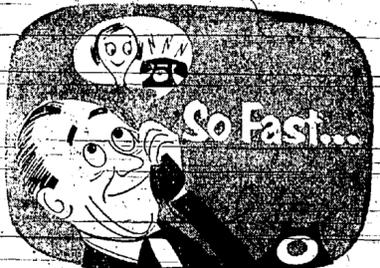

A quarter page advertisement shows "C. H. Leber, Springfield's Leading Grocer." (Now the offices of the Springfield Sun.) The Henshaw Brothers, Inc. were florists according to another piece of copy and Elmer Siekley, in a half page, announces that he is "dealer in Coal, Lumber and Builders' Materials on Morris Avenue." Geo. W. Mervin took up a quarter page for copy showing that he deals in meats, fruits and vegetables and the F. & E. Nutties were half page advertisers. W. S. Smith was the funeral director and embalmer "with calls attended day and night" to use another half page, and John Frank was a "painter and paper hanger with freeseing and tapestry a specialty." Fred H. Pearson's ad stated that he furnishes and sells flags and flag poles on Short Hills Avenue, and J. H. Willet was proprietor of the Revolutionary House. L. Ready sold fine candies and fruit as well as the best 5 and 10 cent cigars in town. The back page carried copy on the Short Hills Poultry Farm located in Springfield with B. C. Fincke and Arthur Gwynne as proprietors.

member of the township committee Springfield made steady progress in population growth, expansion of facilities to residents, which included better roads, increased police and fire personnel and development of a varied recreation program. I am willing to offer these against the objections of this potential candidate who promises, no floods, more water, more police, more fire protection and better recreation—all with lower taxes.

"I offer no easy road or no tax panacea. But I do offer six years

of experience in municipal government and a firm belief that people are interested in the constructive plans of an experienced executive in contrast to the half-baked ideas of a 'promising' politician," the former Mayor said.

Woman's Club News

The first fall meeting of the Springfield Woman's Club was held October 6, in the James Caldwell School with President, Mrs. Merton D. Williams, presiding. Membership Chairman, Mrs. Carl Ledig, introduced the three new members of our club, welcomed them into membership, and invited them to join one or more departments of the club. The new members are Mrs. Kenneth A. Hetzel, 9 Essex road, and Mrs. Stanley W. McConkey, 18 Meisel ave., both of Springfield, and Miss Harriet A. Smith, Selter place, Maplewood. Another former club member, Mrs. Viola Egler Voisman, of Venezuela, has notified the Membership Chairman of her desire to become an associate member.

Announcement was made of the forthcoming Fifth District Fall Conference to be held October 19 at the Middlebrook Country Club, Bound Brook, with the Women's Literary Club of Bound Brook as the Hostess Club. The all day program will begin at 10:45 a.m. with Fifth District Vice-President Mrs. Stanton H. Davis, of Plainfield, as presiding officer. Luncheon will be served in the Presbyterian Church for \$1.65. Reservations must be made with Mrs. George Rau, 311 6-1675-W, by Friday, October 15.

A report was given by Miss Joan Ann Giannattasio, 250 Milltown rd., an honor student, pursuing the commercial curriculum at Regional High School, who was sponsored by our club at Girls' Citizenship Institute at New Jersey College for Women held last June. After being introduced to the membership by Mrs. Arthur Steiner, past chairman of the Youth Conservation Department, Joan Ann told of her activities and highlights of the Citizenship Institute. The girls spend a week studying the various functions of State Government and on a trip to Trenton they are able to see the government in action. In the conclusion of her excellent report, Joan Ann thanked the Springfield Woman's Club for having sponsored her at last June's Institute. In turn, the club membership feels proud in having sent such a charming, poised young lady to represent them. It was with regret that club

members learned of the resignation of Mrs. Robert Hayes as Fifth District International Relations Chairman. Mrs. Richard Dee, of The Connecticut Farms Woman's Club, Union, will serve in that capacity.

The 1954-55 budget was read by Budget Chairman, Mrs. Henry Bultman, and approved. College Chairman, Mrs. Henry Wasung, invited members and all interested parties to College Day at N. J. C. on Saturday, October 16. Details appear elsewhere in "The Springfield Sun."

Several department chairmen made reports of the activities of their groups, reports of which have been made in this column. Mrs. John Pitney, 52 Woodcrest circle, was named Civics Department Chairman for this year. This is Mrs. Pitney's second year as head of that group.

Program Chairman, Mrs. Edwin G. Davenport, introduced the speaker for the evening, Mr. William Avery Barras, head of the English Department at Montclair Academy. His topic was "Poetry at the Grassroots." Mr. Barras read selections from the works of Robert Frost and Walter Hart.

Mr. Hart, of Manchester, Vermont, and a Williams College alumnus, writes in Free Verse true stories of the Vermont people. His anecdotes are wholly amusing and thought-provoking and are great favorites of Mr. Barras, who said "This is poetry at the grassroots. These are the real people, the unsophisticated. Vermont one can find the embodiment of the American spirit." We might take heed of the sensible advice Mr. Barras gives when he says, "You and I must not become so obsessed with the business of the day that we can't step out of the times and contemplate something beautiful." Among the selections read were "Time-piece," "Aunt Della," "Autumn Comes," and "Abandoned Road." After a highly entertaining pro-

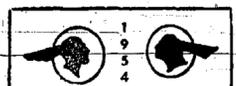

gram, club members were served reasonable cider and doughnuts by the Hospitality Committee with Mrs. Watts D. Chapin as its Chairman. Those members assisting Mrs. Chapin on Wednesday night were Mrs. Bruce Cameron, Mrs. Arthur Dausser, Mrs. Bertram Fahs, Mrs. Ralph Lindeman, and Mrs. Joseph Kile. In the center of the buffet table was a most attractive, clever centerpiece by Garden Chairman, Mrs. Christian Anderson. One large pumpkin surrounded by several smaller pumpkins had been transformed into smiling pumpkin ladies with "hair" of dwarf chrysanthemums. Set against a straw mat background, the large center pumpkin held an arrangement of fall flowers. We are fortunate to have within our club membership someone as talented as Mrs. Anderson who gives so freely of her time and ability to provide the many beautiful centerpieces and floral arrangements for our Club meetings.

at the Grassroots. Mr. Barras read selections from the works of Robert Frost and Walter Hart. Mr. Hart, of Manchester, Vermont, and a Williams College alumnus, writes in Free Verse true stories of the Vermont people. His anecdotes are wholly amusing and thought-provoking and are great favorites of Mr. Barras, who said "This is poetry at the grassroots. These are the real people, the unsophisticated. Vermont one can find the embodiment of the American spirit." We might take heed of the sensible advice Mr. Barras gives when he says, "You and I must not become so obsessed with the business of the day that we can't step out of the times and contemplate something beautiful." Koos Bros. on October 20, at 1:00 p.m. Tickets are priced at \$85 and as this is the only money-raising project the group has, the cooperation of all club members would be appreciated. All proceeds are used for State Federation projects. Reservations may be made through Mrs. Lyman H. Ware, 310 Florence ave., Hillside.

The Women's Civic Club of Roselle-Roselle Park was the scene of Federation Guest Day on Wednesday, October 6th, during the afternoon. Four members of our club enjoyed the musical program presented by Tenor, Marvin Worden, and Pianist, Paul Harelson. Mrs. Vincent Bonadies, Mrs. Edwin Davenport, Mrs.

George Varga, and Mrs. Merton Williams attended the meeting and brought back rave notices of the afternoon's two performers. An aria from Mendelssohn's oratorio, "Elijah," a Brahms selection, "Wie-beat due Mein Koenig," an aria from "Don Giovanni" by Mozart, and several light or Victor Herbert melodies, comprised the singer's repertoire. The pianist, Mr. Harelson offered Schubert's "Impromptu in E Flat" and several Chopin Etudes. A relaxing evening was spent by members of the Youth Conservation and Civics Departments last Tuesday, October 5, when they listened to records, selecting those which they felt were best suited for use at the Pre-Teen

Dance on Friday evening. Mrs. Rupert Humer was hostess to the group at her home, 11 Dayton st., and assisted Mrs. John Pitney in conducting the meeting. Department members are very enthusiastic about the series of Pre-Teen Dances which are sponsored by the Springfield Recreation Commission with the cooperation of the Civics and Youth Conservation Departments of our Club. The first dance was a great success with more than 200 seventh and eighth graders from Springfield in attendance. Everyone is looking forward to another wonderful evening on October 29th when the second in the dance series will be held.

Department members are reminded that there will be no meeting of the Music Department-Chairman, Mrs. Vincent Bonadies, 12 Sherwood rd., as soon as possible? Telephone number is 311 6-4146. Help her who could assist the Music Department as piano accompanist.

CHEV

SUNNING SPORTS

By BOB DUBOW

Regional played Somerville last Saturday and neighboring people did not complain about the victory parade. There is a reason for this, of course, there was no victory parade. The Bull Dogs lauded defense was crushed by a powerful Somerville eleven, 36-0. It was the first home game for the Regionals.

There were 5 touchdowns tallied against the Bull Dogs on last Saturday, and of these 5, four were pass plays in which there was a man within 10 yards of the receiver. The other score was a spectacular 95 yard scamper by the Somerville quarterback in the second quarter, in which the Somerville players tallied 20 points. In this contest, as in the one prior to it (Morristown) fumbles and penalties seemed to hurt the Bull Dogs most, although an adequate pass defense would have been the biggest asset.

RECAP OF THE GAME
Regional started the festivities by kicking off to the visitors. The ball was then set down on their own 24 where a powerful attack was unleashed. After driving for 5 first downs the ball was 29 yards from pay dirt. It was then the third pass of the drive was completed only this one was a scoring play. The placement was good and the Somerville led, 6-0. After the successful kickoff the Regionals started rolling on their own 38 yard line. After driving for 5 first downs the Bull Dogs had the ball first down and goal to go on the Somerville 2 1/2 yard line. On the first play from that point Dick Walker fumbled with Somerville recovering. The quarter ended in the next play, which the Bull Dogs stopped for no gain.

After the teams had changed goals Somerville's agile signal caller romped all the way from his own 5 and outmarched the whole Regional squad. After the ensuing kickoff the Regionals failed to move the oval and kicked off back down to their own 45. With the score 13-0, on first down a touch-down pass was thrown from the 42 yard line and the receiver scored unmolested. The placement for the second time in the game was good and the score was 20-0 in favor of Somerville. The final touchdown of the initial half

Local Jewish Group Celebrates Succoth

The Jewish Community Group of Springfield marked the beginning of the eight day holiday celebration of Succoth, the Festival of Booths, on Tuesday, October 12. Services were held at the recently acquired Jewish Community Center on Balthasar Way and a symbolic booth or "Succot" was erected. According to tradition, the booths are decorated with fruits and vegetables of the harvest as a token of Thanksgiving for a bountiful crop. A special Succoth Service for the children will be held Sunday, October 17 at 10:30 a.m. in the Booth.

Madassah To Meet On October 18

Millburn—Springfield Madassah will hold its next meeting on Monday afternoon, October 18, at 12:30 p.m. at Temple B'Nai Israel. Mrs. Herman Wyatt, vocational education chairman, will present Madassah's newest film-strip, entitled "Careers Made in Israel". This is a graphic portrait of the pioneering vocational education program that Madassah operates, as well as a lyrical summary of what Madassah is doing for young careers in Israel.

Refreshments will be served at the start of the meeting, and baby-sitters will be present to attend the youngsters—Mrs. Martin Berger, chapter president, will officiate at the meeting.

Ticket Chairman

Mrs. Joseph Laito of 41 Park Lane, is in charge of tickets for the Fall bridge and fashion show

Postmaster Urges Early Mailing

In anticipation of the Christmas holiday and the mailing of 211 parcels abroad, Postmaster Abel V. Del Vecchio, new head of the

local Post Office, has announced dates to insure the delivery of these parcels before Christmas Day.

Owing to the long sea transit frequently involved in the transmission of parcels by surface means, and to customs inspections and other formalities to which parcels may be subjected in the countries of destination, it is heartily urged that senders mail as early as possible to assure delivery of these parcels by Christmas Day.

Senders can be reasonably sure that parcels mailed not later than the dates listed below will reach their destination before Christmas: Far East, October 15; Near East, November 1; Africa, November 1; Europe, November 15; So. and Central America, November 15.

Alumnae Meeting

The Northern New Jersey Alumnae of Chi-Omega will meet at the home of Mrs. G. G. Joseph, 16 Park Circle, Short Hills, on Friday, October 22 at 1 p.m. for a salad luncheon followed by bridge. Reservations may be made thru Mrs. S. H. Haas, MI 6-1104R.

Seek Funds To Aid Williams Election

Mrs. Stella Madura of Springfield has announced the formation of a "Williams Booster Club." The club's purpose will be to raise money to sponsor television appearances of Congressman Harrison A. ("Pete") Williams, in order that he may be able to express his views to the people of Union County in his traditionally frank fashion. "Our slogan," said Mrs. Madura, "is, 'For Pete's sake, give a quarter.' And for the sake of the people of the county, we feel it is vitally necessary to keep Pete Williams on television, discussing the issues."

Mrs. Madura said that a series of three telecasts, entitled "Why Williams?", has been scheduled on WATV, Channel 13, from 7:30 to 7:45 P.M., starting last night and October 20 and 27.

She also stated that "Williams Booster" cans will be distributed throughout the county for the collection of quarters to make these television appearances by Congressman Williams possible. "An effort will be made," Mrs. Madura said, "to collect a quarter from every Williams supporter in the County."

Mrs. Madura is the President of the "Williams Booster Club"; John J. Smith of Elizabeth is Vice President, and Carmen Catapano of Springfield is Secretary-Treasurer.

Civic Group To Hear Candidates

The Henshaw-Hawthorn Civic Association will hold a candidates' night at the Jewish Community Center on Thursday evening, October 14 at 8:30 p.m. The local candidates for township committee, Robert W. Marshall and Vincent J. Bonadies will be there to deliver brief talks and answer questions.

The group also has completed arrangements for its first social event of the season; an informal dance to be held on November 6 at the Air National Guard Officers' Club, Newark Airport.

Mrs. G. B. Jonechat Dies After Illness

Mrs. Gabriella Sidley Jonechat of 61 Battle Hill Ave., widow of John Jonechat, died Monday after an illness of six weeks in the Garden Terrace Nursing Home, Chatham. She was 81.

Born in Hungary, Mrs. Jonechat came to the United States 45 years ago. She lived in Elizabeth and East Orange before moving to Springfield.

She leaves a son, Arthur Kozary of East Orange; a daughter, Mrs. Ernest Dambros of Springfield, and two grandchildren.

Rev. Heinz Kugler, pastor of St. Mark's Lutheran Church, Elizabeth, conducted services Wednesday at 8 p.m. in the McCracken Funeral Home, 1509 Morris Ave. Union. Burial was in Hillside Cemetery, Plainfield.

HOW Water Works

The Reversing Waterfalls!
 ST. JOHN RIVER—NOVA SCOTIA

caused by the 50-foot tides in the Bay of Fundy. At low tide, the river flows over a 15-foot falls into the Bay, but at high tide, water from the Bay comes in with such a rush that the falls are reversed, and the sea water falls into the river from a height of 20 feet!

a Magic Mixture of spices and herbs

THE FLAVOR SECRET SOMERSET WON'T TELL!

ONLY A CODE NUMBER identifies the treasured blend of seasonings which gives to Somerset that incomparable flavor. For each Somerset Product, there's a special mixture of spices and herbs—blended to the exacting formulas of the Somerset Kitchens—checked by a test panel selected for their flavor experience.

Other premium brands may contain the same selected cuts of beef and pork which Somerset insists upon—the same cuts you choose for your own dinner table. But the closely-guarded formulas which give Somerset its unique flavor... only Somerset has them!

To protect this flavor, Somerset Luncheon Meats are mixed under vacuum—perfectly blending special seasonings and wholesome meats... and sliced and packaged under vacuum. Then they're delivered to Safeway at the peak of goodness!

As you taste Somerset's tempting meat loaves, subtly-flavored sausages, freshly-cooked franks—you'll recognize the rare and delicate savor which is distinctly Somerset's own. Then you'll understand why Somerset considers that flavor its most cherished secret.

SOMERSET LUNCHEON MEATS are prepared daily—and sliced to "sandwich size" in SOMERSET's nearby kitchen. Then they're rushed to your favorite SAFEWAY Store at their peak of goodness.
