

Firemen To Collect For Dystrophy

Firemen in Springfield will join with hundreds of thousands of their brothers all over the United States in a Fire Fighters March for Muscular Dystrophy calling on all homes in Springfield this Sunday, November 28.

According to Robert E. Day, local fireman and chairman of the drive, the firemen will collect the money which will be used for the victims of the deadly disease. Fire fighters will, in fact, walk for those unable to walk for themselves.

It is hoped that the citizens of Springfield will cooperate and put their contribution in the envelope which they received earlier through the mail and have it ready for the fireman when he calls. If you are not at home when the fireman calls and you wish to give, you may drop the envelope off at Fire Headquarters.

Community Center Auction Sold Out

The Friedman announced today that the auction sale which was held at the Jewish Community Center on Saturday, November 20 was a smash hit. More than 250 people braved the cold, wet weather to come and bid on the many choice items which were offered at very low bargain rates. The sales started at 9 p. m. and by midnight every single item had been sold. As a result of this overwhelming success the Community Center is now richer by over \$1,200. This fine response was so pleasing to Friedman and his committee that they are making tentative plans to make the auction an annual event.

The prize of the evening was a 1941 Dodge Sedan which Danny Rosenthal of the Price Motor Company of Newark donated. This turned out to be one of the best bargains of the night and it was driven off by Mrs. Peg Brownstein.

"I would like to thank all the people who donated the items which were auctioned off, all those who helped in the organizing and publicizing of the event and especially the people who came out to bid on the items." These are the words of the Friedman, the man who did so much hard work towards making the auction a success.

Methodist Men To Host Breakfast

The Methodist Men of the Springfield Methodist Church, headed by President Harry Webb, will be host to a Sub-District Communion Breakfast on Sunday morning, November 28, beginning at 8:00 o'clock. The Rev. Dr. Roland L. Luerich of Plainfield, District Superintendent, will assist the Rev. Dr. Marvin Green, local pastor, in the administration of the sacrament. Representatives from the Methodist Churches in Cranford, Eliz-

Receiving the awards from Parsell are Rev. Aloysius Carney of St. James Catholic Church, Rev. Eric Rieker of Holy Cross Lutheran Church and Rev. Bruce Evans of First Presbyterian Church.

Woman's Club To Observe Federation Guest Day

Federation Guest Day will be observed by the Springfield Woman's Club at the December 1 meeting in the James Caldwell School at 8:15 p. m. Four State officers have accepted invitations to be present at the meeting which will be attended also by Presidents and special guests of twenty-eight Women's Clubs in the Fifth District. The Springfield Woman's Club will be honored by the presence of Mrs. Wilson Y. Christian of Ocean City, President of the New Jersey State Federation of Women's Clubs. Other State officers who plan to attend are Mrs. Stanton H. Davis of Plainfield, Fifth District Vice-President; Mrs. Karl G. Wenzel of Sparta, Music Department chairman; Mrs. Wallace Fierth of Union, Fifth District Music Department Chairman.

Rabbi Pilchik at Community Center

Rabbi Ely E. Pilchik will speak Tuesday, (Nov. 30), at 8:30 p. m. at the Springfield Jewish Center in the second program of a series on the current celebration of the American Jewish Tercentenary, the 300th anniversary of the arrival of the first Jewish settlers in this country. Rabbi Pilchik, who is spiritual leader of Temple B'nai-Jeshurun in Newark, is chairman of the Essex County Tercentenary Committee. He is a past president of the Essex County Board of Rabbis and is a leader in the Central Conference of American Rabbis. The lecture is being sponsored by the adult education committee of the Jewish Community Group of Springfield. The public is invited. Rabbi Pilchik's assistant, Rabbi Rav A. Soloff, spoke at the first session of the lecture series last month.

Four township pastors received PBA chaplain shields at a PBA dinner held last Wednesday night in the American Legion Hall. Patronman George Parsell, PBA President presented the plaques to Rev. Aloysius Carney of St. James, Rev. Eric Rieker of Holy Cross Lutheran, Rev. Bruce Evans of the Presbyterian and Rev. Marvin Green of the Methodist Church, who accepted the award by telegram.

Sgt. Harold D. Searles of the Springfield Police was also presented with a silver life PBA membership card.

A special program of Christmas music has been planned by members of the Music Department of the local club. Mrs. Vincent Bonadies is department chairman and Mrs. Anthony Pilar is the co-chairman. Under the direction of Mrs. William Osborne, teacher of music in the Springfield Public Schools, the group has prepared a program of seasonal music of which the main work will be a Christmas cantata, "The Christ Child," by C. B. Hawley. Soloists who will be heard include the following members of the choral group: Mrs. John Billings, Mrs. Wally D. Chapin, Mrs. James Crowley, Mrs. Maximilian Schneider, and Mrs. John Williams. A sextette will also be featured and includes the following: Mrs. Vincent Bonadies, Mrs. John Billings, Mrs. John Kennedy, Mrs. Anthony Pilar, Mrs. Maximilian Schneider, and Mrs. William Wagner.

Club President, Mrs. Merton D. Williams has appointed Mrs. George Rau, Club Corresponding Secretary, to head the Hostess Committee. Hostesses will be members of the Executive Board of the Springfield Women's Club. The traditional "White Gifts" will be brought by club members to the meeting and will later be distributed by Miss Florence Standinger, School Nurse, to Springfield children.

Mrs. Wally D. Chapin, Hospitality Chairman, and members of her committee will prepare and serve refreshments.

Need For Men!!!
There are presently openings for positions with the Springfield Road Department—full time and permanent jobs paid on an hourly rate.
Any man, preferably from Springfield, interested in applying for the job, should apply at the Town Engineer's office, at 271 Morris avenue any morning during the week.

It is with great pride that Mr. Lichtenstein marks another milestone in the long history of his fine establishment, the Springfield Pharmacy continues to match strides in growth and progress with the Township.

Our town newspaper reported last week that sentiment in all sections of Springfield had crystallized on this subject, and that the members of the Planning Board are well aware that it is the wish of the people to have the entire tract in question remain Residential A and not be zoned Industrial.

Despite the foregoing, rumor persists that attempts will be made to circumvent the expressed will of the people. It is hoped that this is not so, for it would certainly deal a blow to the American concept of the democratic town meeting.

Planning Board Says "It Needs No More Help On Zoning Ordinance"

Daystrom Soon Ready To Show Art Sketches

Preliminary architect's sketches showing Daystrom's proposed plans for the development of the Shunpike Road tract for executive headquarters will be completed shortly, William C. Stafford, Daystrom's community relations director, said today.

"Next week, we will be able to make firm arrangements for conferences and discussions of our plans with interested community groups," Stafford said.

Daystrom has written to 19 civic and community organizations in Springfield, offering to appear at one of their meetings in the near future to discuss Daystrom's plans in detail.

"The response to our letter has been most encouraging," Stafford said. "We have heard from several organizations and they have expressed appreciation of the opportunity to review our plans. We hope we will be able to secure many good suggestions and ideas from these meetings."

The plans that will be available (Continued on page 2)

New Lights Help Morris Ave. Traffic

Installation of the traffic lights on Morris avenue, at Battlehill and Warner avenues, has helped the traffic situation in this area considerably and all residents are very much pleased that the Township Committee and the New Jersey State Highway Department agreed that "speeding" automobiles were a serious hazard to all pedestrians and crossing the street at any point was almost impossible.

The traffic lights have been in operation for about two weeks and school children and other pedestrians can now cross Morris avenue while the lights are red against traffic. The traffic lights can be changed manually by pushing a button on either side of the street when the automatic change takes too much time.

This stretch on Morris avenue has been a "speedway" for motorists and a dangerous area for all pedestrians attempting to cross over. The residents had been urging the governing body to remedy this situation by installation of traffic lights and the job was completed several weeks ago. The lights cut down the speed of the cars considerably on Morris avenue and crossing from one side of the street to the other is now possible at that point.

Developments in the very controversial new zoning ordinance for 1954 came thick and fast yesterday.

First, came the official announcement from Frank M. Kerr, chairman of the Springfield Planning Board, that a regular meeting will be held next Wednesday evening at the Township Hall at which time the members of the body will consider all that transpired in the two public hearings and make their formal recommendations to the Township Committee.

Second: That the Planning Board had already held its two public hearings and would not accept the suggestion of Mayor Albert G. Blader to permit representatives from various civic associations to sit with the Board, and help resolve some of the problems in the new ordinance.

Third: That the Hawthorn-Henshaw group had selected Francis J. (Fran) Keane as its representative to sit in with the Planning Board in compliance with Mayor Binder's suggestion and that five others were being selected at a special meeting of the Springfield Civic Alliance held last night.

Chairman Kerr said yesterday he was against prolonging the debate on the various sections of the new zoning ordinance and that permitting three or six, or any number of residents to sit with them would only tend to delay indefinitely the recommended form of the ordinance to be relayed to the Township Committee.

"We have heard the objections to portions of this new ordinance," said Mr. Kerr yesterday, "and no useful purpose would be served in hearing the same objections again. The Planning Board listened to all the objections, we will study the minutes of the two hearings and, to the best of our ability, make the decision at next Wednesday evening's meeting."

Members of the Planning Board do not need any more help. We listened to the vehement objections to certain portions of the ordinance and we will take cognizance of all the statements made and protests offered in our considerations. But, we do not feel the matter of recommendations will be expedited if any more representatives are permitted to sit with the Board and continue to press their side of the controversy.

Mr. Kerr stated that he has not had an opportunity to poll all the members of the Planning Board but those with whom he has discussed the matter, all agreed that Mayor Binder's suggestion would not speed the solution. He has confidence in the ability of the Planning Board to carefully weigh all the evidence presented by the objectors.

"We want to do what is best for all of Springfield," he said. "The objectors have been heard and our decision next Wednesday evening will be prompted only by a desire to help the Township on the road to a great future. And, having heard all there seems to be said, we don't need any help next Wednesday. The full official membership of the Planning Board will sit at that meeting and our decision will be for Springfield."

Parent-Teachers To Meet Mon. Nite

The monthly meeting of the Springfield P.T.A. will be held Monday evening, Nov. 29, at 8:15 at the Florence Gaudineer School.

We are very pleased to have Dr. Boyd E. Nelson, Director of Special Education for the state of New Jersey.

Women Voters Set Dec. Meeting Date

The League of Women Voters of Springfield will hold a general meeting on Thursday, December 2, at 8:30 p. m., at the Jewish Community Center on Baltusrol Way. The topic for the evening is to be "What Does Foreign Trade Mean To Us?" The guest speaker will be Mrs. Richard Newman of East Orange, who is Chairman of the State League International Relations Committee and the Chairman of the International Relations Committee in the East Orange League.

The aspects of our modern industry, our prosperity and standard of living and the defense of our country in regard to our foreign trade policies will be discussed. Members, their friends and all residents of Springfield are cordially invited.

Mayor's Suggestion Brings Three Quick Replies

From Stanley K. Freeman, Ph.D.
Dear Sir:
The statement of Mr. Binder appearing in last week's Sun with regard to the Shunpike Road zoning imbroglio is startling indeed when one considers the events occurring at the two public Planning Board meetings. During the course of the hearings the proposed zoning plan took the floor, although ample opportunity was afforded for presentation of both viewpoints.

Mr. Binder apparently still holds fast to the misconception of what actually represents the voice of the people. According to his illogical and obtuse comment, "partition, sectional and selfish objections to this particular phase of the plan. An examination of the minutes of the Planning Board hearings coupled with the addresses of petition signers will conclusively prove that the majority of the opposition originates

in areas of town sufficiently removed from the sore spot to be interested only in the welfare of Springfield.

Mr. Binder's oft-repeated lament "let's hear from the people" can not be leveled against the township in this instance. Rather, our mayor seemingly ignores the expressed desires of the citizens in preference to his own. His admirable qualities of integrity and tenacity of purpose are outweighed by obduracy and lack of political acumen.

It is my considered opinion that Mr. Binder's proposal to invite three individuals to sit with him and the Planning Board is ill timed and displays a profound lack of understanding of the basic issue. The township's residents have recently advised the Board that they were unalterably opposed to placing a limited business zone in the heart of a residential area. This is the crux of the matter, and Mr. Binder, is

merely obfuscating the issue. Instead of acquiescing to the wishes of the people, he is contriving to severely restrict the number of his adversaries to three. It should be painfully clear to even the intellectually myopic observer that no trio can or will assume, in good faith, the responsibility to refute, reconsider or alter the oral and written town wide opposition to this proposed zoning change.

Truly yours,
Stanley K. Freeman, Ph.D.

From Donald J. Eick
Dear Mayor Binder
This refers to your statement in the Springfield Sun of November 18 wherein you suggested that two individuals and I sit with the Planning Board for further discussion concerning the proposed zoning ordinance.

I am surprised that you would offer this opportunity to two persons who reside on the same street. Only secondarily have you

made this offer to the civic organizations who have evidenced an intense interest in this problem. This appears to be in contradiction to your thought that this is a matter affecting ALL of Springfield.

Since I do not feel that this is a personal problem, but rather one which you, as Mayor, should more properly refer to the recognized civic groups of the town, I have referred your invitation to the governing body of the civic association of which I am a member, the Henshaw-Hawthorn Association.

As an individual, however, I do have the following observation. You recently attended two of the largest townships in township history on a public question where you were told by the officials of organized civic groups who represent an extensive cross-section of townpeople, that the proposed Industrial Zoning of the Baltusrol tract was not considered desirable by the people.

stances the ultimate conclusions were based on long range observations for the future welfare of Springfield—makes good reading. Unfortunately, the citizens of Springfield were informed only of the ultimate conclusions but little, if any, of the facts, figures, conditions and circumstances upon which the conclusions were based.

When we attempted to ascertain some of the facts from Mr. McCrosky, the consulting engineer, employed by the taxpayers at taxpayers expense, the latter indignantly complained of cross-examination. It seems to me that full information from our public servants and our hired consultant should have been freely volunteered and not willfully withheld.

Now, at the 11th hour, Mayor Binder offers to disclose the "facts, figures, conditions and circumstances that time and place (Continued on page 2)

CATHOLIC FORUM

What 365,000,000 people believe. In every nook and corner of the world there are Roman Catholics—365,000,000 all told—all holding the same religious beliefs—all practicing the same Faith—all willingly under the religious guidance of the same leader, the Pope. These people form a cross-section of every country of the world—the poor, the rich, the humble, the proud, the ignorant, the wise—each one satisfying his soul's demands through the Roman Catholic Church.

More than 120,000 people embrace Catholicism every year in this country alone. That's 10,000 a month, 2,507 a week, 350 a day. And, mind you, these people are not born Catholics—are not educated in Catholic schools. No, they enter the Church—most of them—in adult life, after considering the subject of religion from every angle, and after the thorough course of study required for such a step.

Can this be the Church that teaches all these absurd, superstitious, evil, and unpatriotic things which have been so widely circulated? No, for such a Church does not exist except in the minds of the malign and glib.

Wouldn't it be interesting for you to know what these people really do, and do not, believe—this vast army, nearly twice as large as all other Christian bodies combined? Much of what you have heard about the Catholic Church, since your school days up to the latest magazine you have bought, may have come from sources either unaware of Catholic belief or anti-Catholic in sentiment. It is only just to hear both sides of any story and it is with the hope that you will read our brief statements on Catholic beliefs and actions that we publish these little articles. Will you do us the courtesy of reading them each week?

If it's anything Catholic, ask a Catholic!

Thanksgiving Services
Thanksgiving Day services will be held at St. Stephen's Episcopal Church, Millburn, starting at 9:30 a.m. Thursday. It is hoped to keep the entire service within the hour. A special program of music, under the direction of O. Warren Conner, will be given by the choir. The Rector, Rev. Hugh W. Dickinson will give the address.

Temperance Union Meets
The Thanksgiving meeting of the Springfield Woman's Christian Temperance Union was held at the home of Mrs. E. D. Pannell of Millburn on Wednesday, November 17.

After a song by Mrs. Amy Mahon the Union heard a report on the State W.C.T.U. Convention which was held in Ocean City last month. Mrs. Mabel E. Fancher of Roselle reported that the theme of this year's convention was entitled, "Advance To Total Abstinence." Mrs. Fancher also announced that the State Workshop would be held on December 10th at the YWCA in Newark.

The Springfield Union, recorded with sorrow the passing of a faithful member, Mrs. Elizabeth Marek.

BOOK WEEK, November 14 to November 20 was an event widely celebrated in libraries. To bring its observance to the attention of the readers of the Springfield Free Public Library, Mrs. Palma Hohn had decorated the Library with flowers from her garden. Mrs. Esther Porter had arranged a special display of book jackets and the Book Week poster in the Children's Room. On the main floor a collection of books on reading is being featured.

During BOOK WEEK some new books for children were put into circulation each day. Each child who visits the Library was given a book mark reproducing the illustration from the poster and the slogan for 1954. This year the poster was designed by Lynd Ward who has done many books for children. Probably the best known of his work is "The Biggest Bear" which he wrote himself. This was given the Caldecott Medal for 1953. "LET'S READ!" is the slogan chosen for this year.

Everyday notices are coming into the Library to be entered on the Community Calendar. The November section is fast being filled and many events are being entered for the months ahead. A program or group planning a program would be wise to consult the Calendar before deciding on a date. The Community Calendar hangs in the non-fiction room of the Springfield Free Public Li-

... but most of all, we thank You for each other"
THE REAL MAGIC of Thanksgiving Day comes when we begin to inventory our blessings—and we suddenly realize that the possessions we value most are those that give comfort and security to others—to the people we love.
Perhaps this would be the time to think about adding to that comfort and security through the Payroll Savings Plan of investment in U. S. Savings Bonds.
Here's why this plan will work for you. When you tell the people in your pay office how much you want to save, they put that amount aside for you every payday. When enough accumulates, they buy and turn over to you a U. S. Series E Savings Bond. Each Bond you get earns an average 3% annual interest, compounded every six months, for as long as 19 years and 8 months!
Sign up at your pay office today for the Payroll Savings Plan. You—and your family—will be glad you did.

St. James Club Makes Plans

On Sunday, November 14, the regular bi-monthly meeting of the St. James Club was held in the school cafeteria. The meeting was presided over by Paul Jones, temporary chairman, appointed by Mr. Peter Finnerty, adult advisor, until such time as regular officers can be elected.

Reports were made by the various committees and plans were formulated concerning the future social, cultural, athletic, and religious functions of the organization. New committees were appointed to work on arrangements for a club trip to one of New York's famous restaurants, a week-end at one of the various winter resorts, and a modern square dance. Following the meeting refreshments were served.

The St. James Club is currently sponsoring a boys' basketball team which will begin practicing in the near future. Anyone who would be interested in joining the team will be notified from the church altar this coming Sunday as to the time of the first meeting. The team will be entered in the Senior C.Y.O. League this season and will be coached by Mr. Bill Dietrich. The foundation is also being laid for the formation of a girls' basketball team if enough girls are interested. The club also sponsors a bowling team seen every Sunday afternoon at the Echo Lanes Bowling Alleys.

The organization is still endeavoring to attract new members. Anyone between the ages of 18 and 26 are urged to attend the next meeting which will be held on Sunday, Nov. 27, at 8:00 p.m. in the school cafeteria.

Crocker Elected

Macon Crocker of 62-A Forest Drive has been elected to the post of Assistant Secretary of the American Insurance Company. Mr. Crocker was formerly the Superintendent of the Fire Underwriting Department.

Health Director Visits Regional

Members of the Health Class at Jonathan Dayton Regional High School received an informal visit last week from Mrs. Mary Lunney, the Health Education Director for the Union County Tuberculosis League. Mrs. Lunney pointed the importance of having the proper amount of sleep and eating the right foods for good health and expressed her desire to the students to take this information to their homes so that parents will realize that there is a need for precautionary steps to be taken in the prevention of tuberculosis.

Mrs. Lunney announced that the X-Ray trailer will be in Union County for three weeks and hopes both children and parents will take advantage of the tests to be given. Union County had 57 deaths last year, she stated, caused by tuberculosis. "Many of these people might have been saved," Mrs. Lunney said, "if they would have caught the T.B. germ in time." The various methods in the treatment of tuberculosis were discussed—all of which contribute to the saving of human lives.

Members of the Health Class also journeyed to Bonnie Burns Sanatorium in Scotch Plains on Tuesday, November 23, as part of the instruction at Regional High School to keep students and parents informed on the services rendered by the Union County's various health agencies.

Observes 3rd Birthday

Miss Debbie Murray celebrated her third birthday with a party in her home at 85 Flemmer Ave. on Sunday, November 21. Included among the guests were Richard Murray, Thomas and Robert Jordan, George Varga, Susan Greenberg, Lynne and Joyce Stern all of Springfield and Mrs. Irene Devlin and her granddaughter Marilyn of Newark.

People We Know

(Continued from page 3)

Mr. and Mrs. W. D. Schuster of 43 Warner avenue flew to Treasure Island, St. Petersburg, Fla. on November 10 and returned home on Saturday, November 20. While on their trip, the Schusters celebrated their 25th wedding anniversary on November 19. During their stay in Florida they visited Mr. and Mrs. George Grimm, formerly of Marion avenue. The Grimms are in good health and enjoying retired life in their new home on Paradise Island, St. Petersburg. The Grimms asked that they be remembered to their friends in Springfield.

Mr. and Mrs. Victor Bracht and children, Michael and Linda Jean recently spent a weekend at the Shoreham Hotel in Washington, D.C.

Bill C. Jensen of 125 Meisel avenue has been confined to Overlook Hospital since last Thursday, November 18. He is expected to be there for five weeks. Mr. Jensen enjoys having visitors from Springfield.

DAR to Meet

The Church and Cannon Chapter, Daughters of the American Revolution, will meet Tuesday, November 30, at the home of Mrs. J. P. Haggert, 194 Morris avenue.

Woman's Club News

A comparison of American and English ways of living formed the basis of a talk given by Mrs. Arthur E. Murdock, of Upper Montclair, to members and guests of the International Relations department at a meeting held November 18 at the home of chairman, Mrs. Gilbert Mann. Mrs. Murdock spent a year as an exchange librarian from the Orange Public Library at the Library of Worcester, England.

Mrs. Murdock's talk, "Impressions of England," covered many phases of life abroad including schooling, wearing apparel industries, human characteristics, and forms of recreation. An informal question and answer period permitted Mrs. Murdock to elaborate more fully on subjects about which her audience wished to know more. Personal experiences enjoyed by Mrs. Murdock were of interest to everyone. A highlight of her year abroad was the attending of the Three Choirs Festival held in the Worcester Cathedral. This was the 25th Anniversary of the concert.

One hundred and ninety-three pre-teenagers attended the dance held in the Gaudinier School on November 19 sponsored by the Springfield Recreation Commission and the Civics and Youth

Conservation Departments of the Springfield Woman's Club. A very gay and informal atmosphere prevailed as the youngsters whirled their way through square dances, the Conga, the Mexican Hat Dance, and the Domino Polka. In keeping with the "After the Game" theme, a "College Corner" elimination dance was used to dismiss the group at 9:30 p.m. Special guest, Mrs. R. Harker, assisted with the dancing. Cookies and cola were provided as refreshments.

The next dance is scheduled for Friday evening, December 10. Watch this column for further details.

Garden Department members will want to remember the following dates on which they will work in preparation for Club Night:

November 30—All members who can are urged to meet at the James Caldwell School at 5:00 p.m. to decorate the stage.

November 30—The group will meet at 7:00 p.m. at the home of Mrs. Christian Anderson, 32 Lyon St., to make corsages for Club Night guests.

December 1—Work will be continued at the home of Mrs. Anderson at 9:30 a.m.

Department members and club members are reminded that aprons, handkerchiefs, and sachet packets for patients at Greystone Hospital are to be delivered to Mrs. Christian Anderson by December 1.

Each club member will have the privilege of bringing her husband or another guest to the Club meeting on December 1 in the Caldwell School at 8:15 p.m. A program of beautiful Christmas music has been planned by the Music Department under the leadership of its chairman, Mrs. Vincent Bonadies.

TRAINING

At the final training session of the Fall Basic Training course the following new Girl Scout leaders were pinned: Mrs. G. Bodner, Mrs. C. Mink, Mrs. R. Marino, Mrs. H. Brucker, Mrs. E. York, Mrs. E. Bontempo, Mrs. W. Anderson, Mrs. J. DeAzeveda, Mrs. C. Dashner and Mrs. E. Conroy. Mrs. J. Bash and Mrs. S. Cannon, Organization chairmen of the Girl Scout Council, represented the Executive Board and were also pinned at the ceremony.

The Scouts of troop 3 are proud of the 800 boxes of Girl Scout cookies they sold. On Veterans Day they enjoyed a cook-out at Washington Playgrounds and made trails through the woods. Now they are working on a skit to be presented for Christmas.

The scouts of troop 4 are collecting crossword puzzles from newspapers to put into book form for the Lyons Veterans Hospital.

Troop 11 Brownies made place cards and invitations for the troop birthday party to be held on Nov. 30th. The invitations are for their Mothers. Their leaders are planning a visit to Childhood Interests, Inc., at Roselle Park for the girls on Nov. 23rd and on Dec. 7 they will be the guests of Troop 8 at a Fashion Show.

The Brownies of Troop 21 are making plaques of the Brownie

Charles J. Klein, Jr. of Maplewood, President of the Board of Realtors of the Oranges and Maplewood Including Livingston, Millburn, Short Hills and Springfield, said the convention will deal with subjects of importance to the growth and development of the state.

"Our local Realtors who play so active a part in creating ratables and bringing new business to the community will go to Atlantic City to learn what is being done successfully in other parts of the State," explained Klein.

"In that way we can assure local residents the highest level of experienced, specialized service."

Thanksgiving Day Parade Thursday Highlights Holiday

The twentieth annual edition of Bamberger's Thanksgiving Day Parade in Newark is all set to usher in the holiday season on Thursday morning (November 25). Come fair weather or foul, some half-million spectators are expected to line the three mile parade route to view the dazzling array of floats, marching bands, clowns, and celebrities of stage, radio and TV participating in this year's event.

Ray Heatherton, better known as the "Merry Mailman" to juvenile TV fans, will repeat his role as host of the parade and mount the marriage of Bamberger's store to entertain the young and old in an hour of fun and frolic to the parade. Morey Amerdam, Jim Wyler, the Rocky Jones, Jane Ranger, and dozens of other WABC-TV luminaries will add their talents to the extravaganza. Once again this famous New Jersey spectacle will be carried into countless homes via television as WABC-TV, Channel 7, picks up the parade as it swings past the reviewing stand from 11 a.m. to 12 noon.

Immediately after the parade, WABC-TV will telecast its "Corny the Clown" program direct from Bamberger's store. This special half-hour show will feature the canine antics of Corny's partner, Pudge the Dog.

Regional Faces Rahway In Traditional Finale

Starting way back in 1939, to our present 1954 time the rivalry between the big Red from Rahway and the Bulldogs from Regional has always been keen but has reached a peak in the last few years.

Last year the Bulldogs completely demolished any athletic team that Rahway could field. That included basketball, football, baseball, wrestling and track.

Last year before the Turkey Day tilt, feeling ran high between the two ball clubs because both teams had all to win or lose in the traditional encounter. Going into the game with a 7-1 record the Scarlet were naturally heavily favored over the stumbling Bulldog contingent that had a meager 4-4 record.

In spite of being an underdog, the Regional eleven took the field as an inspired and determined ball club. After the kickoff, George MacKenzie, who most of you re-

gional stand-bys will remember, took the ball on the first play from scrimmage and tallied on a 63 yard punt. Although our inspired boys took the lead they immediately seemed to fall to the school of thought that they had just a soft touch. Awakening from this erroneous thought came late in the

underclassmen, especially the sophomores, have been gaining throughout the entire season, valuable experience which should aid us very much in our efforts to down the Rahway ball club. Barring any unforeseen injuries, the game should be as interesting and as well played as last year's Turkey Day contest."

Another question asked of the Coach; do you think that the loss of Homer Killings, Rahway star, will affect our chances of defeating them? Coach Brown retorted with this, "The loss of one of the county's leading scorers would affect any team and increase the opposition's chances greatly."

As we have just shown you, the game will be an interesting and close battle between the two forces. The thing that just may sway the score for or against Regional is the spirit and number-by-which they are supported. Let's try and get each and every one of our Springfielders out to see the game in Rahway, this Thursday at 11:09 a.m. Until next edition, let's hope that the Regional Thanksgiving turkey will this year be—RAHWAY.

Both Cub Packs of Springfield were represented at last Wednesday's session of The Cub Leaders Training Course, now being held at Union High School, Pack 171, and Pack 172, are sponsored by the Lyons Club of Springfield. The subject of last Wednesday's meeting was the Pack Meeting, and was conducted by Pack 169, of Union. Next Wednesday evening the subject will be the Den Meeting, which will also wind up the current course.

Cub Pack 172 held their last pack meeting on October 29 at the James Caldwell School. The boys came in their Halloween costumes, the following boys won prizes for the best costumes: Michael Bracht, Edwin Eskimo, Bill Steinen, Neil Longfield, Barry Becker, Thomas Lucy, James Haggelt, John Moore, Richard Arend and Martin Menkin. Awards were given to the following cubs by Mr. E. Francis: Donald Wolf, Bear, Richard Arendis, Bear, Eugene Johnson,

Bear, Lee Bowman, Wolf — one gold arrow and two silver arrows. Paul Penard — one gold and two silver arrows on well.

New Cubs included Martin Menkin, Peter Palmer, Gary Wolf, J. Neil Longfield, Robert Nauyons, Robert Quanzel, Gary Faucher and Clayton Trivett.

On November 11 all the Den mothers took the cubs to the Thomas A. Edison museum in West Orange.

Kirk on Dean's List

Bruce H. Kirk of 12 Alvin Terrace has been placed on the Dean's List at Stevens Institute of Technology in Hoboken. Inclusion of a student's name on the list indicates possession, in high degree, of scholastic ability as well as a sense of responsibility.

On School Honor Roll

James Allen, 150 Baltusrol Ave. and Robert Jewett of 55 Forest Drive have earned first honors in scholastic achievement for the school month of October-November. Both boys are in the eleventh grade at Pingry School, Elizabeth.

The school has also placed the name of John Rush of 38 Spring Brook Road on the first honor list for seventh grade pupils.

Participate in Program

The Misses Dortha Rempfer and Deborah Murray, students at the Kent Place School in Summit, recently participated in a program which that school presented at a mothers' tea.

Miss Rempfer took part in a Thanksgiving skit and Miss Murray was in the cast of the play, "The Sleeping Beauty."

SCHOOL NEWS

FLORENCE M. GAUDINEER SCHOOL

PHYSICAL EDUCATION

Miss Doris Anderson
Mr. Norman LeBoeuf

The physical education program is a seasonal one through the school year.

The boys' outdoor program of touch football and soccer has been completed and the early indoor season has begun with dancing and volleyball.

During this fall, the girls concentrated on field hockey and soccer with an indoor program of volleyball and games.

As the winter weather approaches, the physical education classes will participate in volleyball, basketball, social, folk and square dancing; while archery, softball and volleyball will be played during the spring.

The regular program is supplemented with an after school intramural tournament for boys and girls at each grade level.

As a part of the intramural program the girls have again formed a Florence Gaudineer Girls' Athletic Association. Each girl is a member of the organization and may earn points toward an award. The G.A.A. is composed of three officers. The officers are Sue Kisch, Sue Kerr and Sue Oakman.

New and different types of equipment always add spice to the program. A huge cage ball was purchased this year as well as twenty pairs of rubber wheeled roller skates.

A popular activity in the gymnasium involves the use of scooters made in the shop by the eighth grade boys. Basically, the scooters are foot square boards with four ball-bearing rubber wheeled casters underneath. The students propel themselves on these with

their hands, feet, or sometimes both. The purpose of the scooter is to combine the good points of calisthenics with the joys of modern competition games. The number and variety of games and relays that can be successfully played on the scooters are practically unlimited, while the physical activity

involved is physiologically sound and co-ordinated. Good squad leaders can turn a good program into an excellent one.

A Time of Thanksgiving

On this great American holiday it is fitting that we give sober thought to its significance. For the unusual blessings we enjoy... For the rich heritage of fertile lands, and mineral wealth which is ours... For our present industrial greatness... For the unlimited opportunities open to each of us... For our families and friends all comfortably protected in this land of freedom.
